Celia Deane Reese In Recital Tuesday

Celia Deane Reese, music pupil of Mrs. Ed Harris will present a recital Tuesday, July 22, 7:00 p. m. at the First Methodist church in Rotan. She is studying piano, organ and voice. The numbers in this program will be from the romantic and modern periods of music.

Celia Deane, the daughter of Mr. and Mrs. Dee Reese, was born in Aspermont, October 15, 1943. She began her music study with Mrs. F. E. Knight in Aspermont at the age of five, and has continued her study with Mrs. Harris since moving to Rotan, October 9, 1949. She graduated from Rotan Junior High School this year, with honors, ranking third in her class. She was secretary of the eighth grade and is active in 4-H Club work. Aside from her music and school work, she likes very much to write short stories, ride horseback and spends much time with "Goldie" her Palomino horse. He also likes to skate, play basketball, swims, plays flute in the Rotan High School Band, making all-district band in 1958 and majorette. Celia, though very busy finds time to help in her father's store and is a very active member of the Church of Christ.

Guests of Mr. and Mrs. Arnold Allen last weekend were Mr. and Mrs. Lee Brown of Dallas and Mr. and Mrs. Jack Scarborough of Midland.

Salvation Army Unit Organizes Here

The Salvation Army Service Unit Committee of Rotan organized Monday afternoon when civic leaders met with the Salvation Army's regional field representative to discuss a program to fit local welfare needs.

Officers chosen were: R. L. Springer, chairman; Roy Kingsfield, vice-chairman; Mrs. R. R. Gray, treasurer and Bartlett Strayhorn, publicity chairman. Committee members serving on the board are: J. M. Jackson, H. L. Davis, Mac Weathersbee, Rev. Cecil Ottinger and Truman Gilliland.

Chairman Springer explained that under this organizational set-up members of the committee will be able to handle need at the point of need with only a minimum of investigation before action. The committee discussed plans for an annual fund drive in the Fall with part of the money raised going to support state services which are at the disposal of the committee and the remainder staying in Rotan for local welfare.

This is no 'red tape' program, the committee or any committee member is authorized to furnish food, clothing, medication, fuel or any other need that constitutes an emergency.

This committee has no wish to duplicate services of existing organizations, but to provide emergency aid to anyone not covered by other groups.

Growth of the Service Unit Department of The Salvation Army in Texas during the last ten years has been one of the most remarkable developments in the field of social welfare in many years. The Service Unit Committee, created on a local community basis, brings the great humanitarian work of The Salvation Army into every town and community that desires such service. The Service Unit Department has expanded from a mere handful of communities to more than 170 separate communities, serving nearly 2,000 communities all over Texas.

The Calendar Club will hold a picnic this evening at Aaron Park. Officers ask that members desiring to swim, meet at the Pool at 6:15 and other gather at the Park at 7:15.

Each family is asked to bring a chicken lunch.

Picnic-Rally Here Tuesday Night

Indications show considerable interest in the Old-Time Basket Picnic and Political Rally, scheduled for Tuesday night at Aaron Park. The Lions Club is sponsoring this event and urge everyone to attend.

Most candidates indicate they will be on hand to give brief talks.

Retired Farmer Dies Of Extended Illness

Funeral service for William Robert Wright, 74, was held Monday at 4:00 p. m. by Minister O. D. Dial, minister of the Roby Church of Christ. Burial was made in Sardis cemetery.

Mr. Wright, a retired farmer died Sunday morning in Wilkinson Clinic Hospital at Roby, where he had been a patient for the past month.

Mr. Wright was born July 5, 1884 in Erath county, the son of the late Mr. and Mrs. W. T. Wright. He came to Fisher County in 1900 from Erath county.

Survivors are five sisters, Mrs. W. A. Noles of Rotan; Mrs. Mary Long of Lamesa, Mrs. W. A. Long of Fort Worth; Mrs. Mabel Parks of Sweetwater and Mrs. H. P. Rogers of Snyder; two brothers, W. L. Wright of Lamesa and Troy Wright of Brady.

Mr. and Mrs. Willie Martin and Diana left Saturday for a vacation trip to Santa Fe, N. M. where they have a cabin reserved and plan to do some trout fishing and visit other interesting places nearby. Mr. and Mrs. Bucky Harless and children of McCamey will make the trip with the Martins.

Grass Fires Continue To Keep Dept. Busy

Several more grass fires kept the Fire Department active this week. A 50-acre tract just west of city limits burned about 1 p. m. Sunday. Firemen kept the blaze from the tourist court buildings by fighting the fire for 2 1-2 hours. Baled cotton stored on nearby lots was scorched.

Three volunteer firemen suffered minor injuries while working at this fire. Charlie Bennett was overcome by the heat. He was carried to the hospital, but released after treatment. Charlie Woods received minor burns about the face and Robert Phillips became ill while fighting the blaze.

Several small grass fires in town during the week caused runs by the department, with no property damage.

Grass fire endangered the property on the Bernice Hargrove place south of town Tuesday afternoon. The blaze burned thru an area where farm equipment was parked, but small damage incurred. A butane storage tank in the area caused much concern, but firemen handled the situation.

A call was answered Wednesday morning at the Rex Gladson place east of town where about 50 acres of grass burned. No buildings were endangered there.

Loving Wins First In Sears Swine Contest

Fred Loving, son of Mr. and Mrs. Oliver Loving of Rotan won first place in the Sweetwater Store Area Sears Heavy Litter Contest with a litter of ten pigs weighing 446 pounds at 56 days of age, according to James S. Norman, County Agricultural Agent.

Placing fifth, in the five county contest was Charles McCain, son of Judge and Mrs. Bruce McCain of Big Spring, with a litter of seven pigs.

Larry McCright, son of Mr. and Mrs. W. T. McCright, McCauley, won sixth with a litter of 9 pigs weighing 342 pounds.

Seventh place was won by George Hicks, son of Mr. and Mrs. C. D. Hicks, formerly of Rotan, who have recently moved to Hawley, with a litter of 10 pigs weighing 340 pounds.

Ninth place was won by A. C. Snapp, Jr., son of Mr. and Mrs. A. C. Snapp, of Rotan, with a litter of 7 pigs, weighing 330 pounds.

Gary West, son of Mrs. D. Davis of Roby, won eleventh place with a litter of 9 pigs weighing 255 pounds.

Prize money was distributed as follows: Fred Loving, \$15; Charles McCain, \$6; Larry McCright, \$6; George Hicks, \$3.60; A. C. Snapp, Jr., \$3.60 and Gary West, \$2.40, which was paid to the boys by the Sears Roebuck Foundation which sponsors the 4-H Swine Program.

Club members eligible to participate in the Heavy Litter Contest are winner of the Registered Gilts distributed the previous spring. There are a total of 8 gilts distributed to 4-H members each spring.

This is the first time in several years that a Fisher County Club member has won the Sweetwater Heavy Litter Contest. Second and fourth places were won this year by club members from Stonewall county. Third place by a Nolan 4-H member.

The Sweetwater Store Area is comprised of Mitchell, Stonewall, Kent, Nolan and Fisher counties.

Robt. Alford Named Leader At Modesta

Robert E. Alford of Modesta Calif., was recently appointed chairman of the Modesta-Stanislaus Area United Crusade, to be held this fall.

He is the son of former Rotan residents, Mr. and Mrs. Roy Alford, she being the former Bernice Price.

Alford has shown excellent leadership in the Modesto Jr. Chamber of Commerce, youth employment service and California Relays as well as other groups. He recently received the "outstanding young man of the year" award of the Modesto Junior Chamber of Commerce for his community service activities during 1957.

Hot, Dry Weather Continues In Area

Summer weather has prevailed over this section for the past ten days. Everyone enjoyed the pleasant days of June and cool nights, caused by rainfall over adjoining territory, but real summer weather has been the order of the day and high winds the past week has been very hard on crops.

Most cotton is holding up, but a good rain is needed over the entire section. Some of the territory north and east had a good "cotton shower" of about an inch ten days ago and crops are growing well in this section.

Tickets For Barbecue Supper Still Available

Extension of time for ticket sale was worked out this week by the Young Democrats of Fisher County for the barbecue supper Saturday, preceding the political rally at Roby.

Tickets may now be purchased up to noon Saturday, but none will be available at the supper.

Near 200 tickets have been sold, which assures a successful event and a large number of candidates have indicated their intention of being present. The organization stresses the point that they endorse no candidate, only the Democratic ticket as nominated.

Officials of the organization list the following candidates as accepting invitation up to Tuesday night: Homer Rucker, Nealy Morton, Eva Nell Dennis, Mrs. R. Goodwin, Dave Posey, Bruce McCain, L. L. Armour, John Ashley, Chas. Branson, Robt. Patterson, Temple Dickson, Max Carriker, O. R. Clark and Isla McClure.

Caravan For Carriker Scheduled For Saturday

A Caravan is planned for Saturday for State Representative.

Friends and supporters of Mr. Carriker, who can make the trip are asked to meet at the Courthouse in Roby at 9:00 a. m. The group will visit Sweetwater, Roscoe, Loreane and Colorado City, returning to Roby in time for the barbecue supper and rally.

Don Goodrum Going To State Olympics

Don Goodrum will go to State Olympics at Odessa Friday as result of his winning three second places last Saturday at Abilene Recreation Olympics.

He won in stiff competition against athletes from Abilene and other large school of the area. His places were in 50 and 100 yard dash and softball throw. His 50 yard dash was very close, described by sports writers as only one step behind Johnny Martin of Abilene who holds National championship.

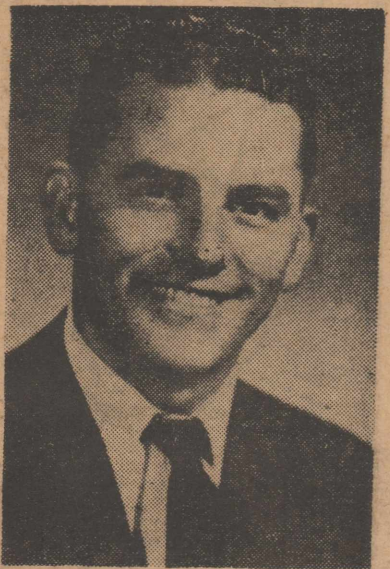

State Planning Com. Of Kappa Gamma Meet

Miss Delila Baird was one of twenty-two members of the planning committee of the Texas State Organization of the International Delta Kappa Gamma Society who met in Fort Worth last week. The committee is composed of state officers and state committee chairmen. Miss Baird is serving her second year as State Chairman of Publicity. The purpose of the annual summer meeting is to make plans for the nineteen fall State regional meetings and other work at state level. Miss Phyllis Ellis of Fort Worth, State Executive Secretary made the regional assignment and presented plans for the meetings. Miss Baird and Mrs. John P. Ward of Aspermont, state chairman of committee on Achievement Awards, will conduct the Regional at Brownwood. Gamma Tau Chapter of Fisher and Nolan counties will participate in a Regional at Snyder.

Dr. Madge Davis, State President and professor at Midwestern University, presided at the meeting.

Mrs. O. R. Clark attended the funeral of an aunt, Mrs. Hub Hooker in Lubbock last week. Mrs. Hooker died at Arlington.

Gospel Meeting To Close Sunday

EVANGELIST TOMMY SHAVER

The gospel meeting in progress at the Rotan Church of Christ will close Sunday evening. The meeting opened July 11.

Evangelist Tommy Shaver of Abilene is holding services daily at 7:00 a. m. and 8:00 p. m.

Everyone is invited to attend.

FB Head Urges Farm Safety

The need for encouraging safety-consciousness among farmers and ranchers to reduce the tremendous farm accident toll was pointed out recently by L. D. Singley, president of the Fisher County Farm Bureau.

"The urgency of this matter is attested by the fact that both President Eisenhower and Governor Daniel have proclaimed the week of July 20-29 as "Farm Safety Week" to focus attention on this, one of our gravest social problems," Mr. Singley said.

"Farming leads all other occupations in work-accident casualties, taking nearly 13,000 lives and injuring over a million people in one year's time" he said. "This is a flagrant waste of money—not to time loss and loss of life—accident victims and their families." Singley said that there is "A great deal" each individual in Fisher County can do to help alleviate this condition. "Civic organizations and social groups can take an active part in emphasizing the need for accident-prevention education. And each man, woman, boy and girl can serve as his own and others' bodyguard by remaining constantly alert to the prevention of accidents."

The farm leader called upon other organizations in the county, including churches, civic clubs and "just neighborhood groups of friends" to "spend some time, studying this serious matter during the special safety week observance, either by devoting a portion of their regular meeting time to it or calling a special meeting to study the problem."

Mr. Singley said that in areas where active Safety Programs have been conducted at local levels, rural accidents and deaths have been greatly reduced.

Dr. and Mrs. Barry Allen and children and his parents Mr. and Mrs. Arnold Allen visited Mrs. Allen's parents, Mr. and Mrs. Fred Keith in Stephenville last week. While there Mr. and Mrs. Keith took them to Lake Whitney on a very successful fishing trip. Mr. and Mrs. Allen returned home Friday, while Dr. Allen and family visited in Fort Worth before returning home.

Lt. Bob Clark and Lt. Ted Tuskey of New York, both stationed at Pensacola Air Base, Florida, spent Sunday here with Mr. and Mrs. O. R. Clark. Bob is on the coaching staff of the naval base football team there and Tuskey is trainer.

Among guests of Mr. and Mrs. L. C. Senn and Lloyd Sunday were, Mrs. Joe Neepner and Neva Neepner, Abilene; Mr. and Mrs. Fred Neepner, San Angelo; Mr. and Mrs. Loyd Neepner, Austin; Gene Neepner and family, Sweetwater; Mr. and Mrs. Bernard Neepner, Sweetwater; Mrs. Tal C. Gordon and children, St. Louis, Mo.; Mrs. Cletis Warren, Detroit, Mich.; Mr. and Mrs. Phillip Neepner, Roby.

Planning a new color scheme for your home. Choose colors for the large areas first, says Charlotte Tompkins, extension home furnishings specialists. This includes floor covering, walls and large upholstered pieces. In most cases, these should be your most livable colors, or colors that are greyed in intensity.

Next, choose colors for small upholstery and the window treatment. This may be a blend of the room colors, or match or contrast with the walls.

Lastly, choose your colors for accessories and small areas—pillows, lamps, pictures, ash trays, etc. Usually this accent color is the brightest color.

For something different in picnic fare, try beef kabobs. You don't need a recipe. Just cut beef into inch-size chunks and stock an assortment of mushrooms, onions, tomatoes and what-have-you. Spear the ingredients alternately on metal skewers or long green sticks about one-fourth of an inch thick. Broil over hot coals until done. This way everyone does his own cooking.

Want a low-calorie salad dressing for your summer green salads? Mix together 1-2 cup tomato juice, 2 tablespoons lemon juice or vinegar, 1 teaspoon salt, 1-2 teaspoon dry mustard, 1 teaspoon dry mustard, 1 teaspoon grated onion and 1-2 teaspoon Worcestershire sauce. Store, covered, in the refrigerator. Shake well before using. One clove may be added if desired. The entire recipe contains 25 calories.

Get your money's worth when you buy fresh vegetables... consider price, quality and use as well as good nutrition and convenience when you buy, suggests extension foods and nutrition specialists.

Distinguish between blemishes that affect appearance and those that affect eating quality. Vegetables to be used in soup, casserole dishes, or in mixed salads, need not be as large and free from blemishes as those to be served alone.

For freezing or canning select only fresh, top quality vegetables at the right stage of maturity for eating.

Milk is one of the best foods you can get, according to extension foods and nutrition specialists. It furnishes about 100 different nutrients—a long list of vitamins, and minerals, fats, sugars and high-quality proteins.

It is outstandingly important for 8 nutrients: the mineral calcium, the vitamin riboflavin and protein. Children under 16 need 3-4 to 1 quart of milk daily; adults need at least a pint.

Former Waco Pastor Supports Geo. Nokes

George Nokes for Lieutenant Governor headquarters in Waco today released an endorsement of George Nokes by Dr. Joseph M. Dawson, distinguished Baptist minister, now retired and living in Austin.

Dr. Dawson was for more than 30 years pastor of the First Baptist Church in Waco, for many years a member of trustees of Baylor University and former executive director of Baptist joint committee of public affairs.

His letter said: "I am strong for George Nokes for the office of lieutenant governor of Texas. He is a young man of exceptional ability, unimpeachable character and dedicated to the highest principles. I believe his election will be in the public interest. He deserves the vote of every patriotic Texan. Having known him for many years, and seeing Texas from the viewpoint of a resident of the capitol, I sincerely hope he may be chosen. Very truly, Joseph M. Dawson."

Mr. Nokes is loyal to his Democratic Party and to his State. Former State Senator, Ex-serviceman, his friends think its time for a change in Lt. Governor office. Four terms is long enough for Mr. Ramsey, who is now asking for a fifth term.

George Nokes is opposed to a general sales tax, and state income tax.

Paid Pol. Adv. by Fisher County friends of George Nokes.

Social Security Questions & Answers

The information in this article is compiled by H. C. Haney, Field Representative of the Abilene Social Security Office.

Question: I pay in retirement where I work. Will this have any affect on the amount of my social security payments that I will draw when I retire?

Answer: No. If it is a company retirement plan the fact that you contribute to that plan would not affect the amount of your government social security.

Question: My husband died in December 1956. Since I will be 62 years old in November this year, must I wait until 65 to apply for widows benefits or can I file at 62?

Answer: You may file when you are age 62, and at no reduction in the amount of your benefits. You may come in any time in November and file your claim.

Question: Are persons working in

homes as "practical nurses" covered by Social Security?

Answer: Practical nurses who work in homes usually are considered to be domestics and as such are covered by social security if they are paid \$50 or more in cash in a calendar quarter.

Questions that you would like answered should be addressed to the Social Security office PO box 1641, Abilene.

Congratulations To Rotan

We want to congratulate Rotan on landing a high Little League Tournament. This tournament will be held in Rotan on July 28, 29 and 30. It will attract a large attendance from towns near and far from Rotan and is the next to highest play-off tournament held in Texas.

They will need your help, both by person and financially to make a Great Success of this Tournament. So lets all get behind Mr. Ed Patton, District Commissioner and his men and show the Rotan what a Great, Friendly Town we have.

Tip For Businessmen

Never try answering your out-of-town mail with long distance calls instead of letters?

Nothing can beat long distance when it comes to getting things done.

Just the other day for example, I had three or four letters on my desk, all waiting to be answered. I just couldn't seem to get to them. Finally, I picked up the telephone and called the people. In 20 minutes I was through. I must have saved myself at least an hour's work.

Try doing it that way yourself. When you do, I think you'll like the quick action you get—as well as the small amount it costs.

Dress Up Your Kitchen

A lot of people who have remodeled their kitchen add a finishing touch by ordering a wall telephone in color to blend with the new color scheme.

You don't have to remodel, of course . . . a wall telephone in color will brighten your present kitchen—let you reach for the telephone and bake a cake at the same time.

There are seven attractive colors . . . light gray, cherry red, white, moss green, ivory, pastel yellow, and light beige. Table model telephones are available in all these colors, too, plus aqua blue and rose pink. Call the telephone company today to put more color in your kitchen—or any other room in your home.

Call by number. It's twice as fast.

Is The Farm Vote Strength Declining?

The general opinion in some circles of government today is that the farm vote as a power at the polls is a thing of the past.

Such a misconception has, on occasion, led to neglect of the rural segment of our economy in favor of a more vocal minority. This is known as "oiling the wheel that squeaks the loudest", among unsuccessful petitioners for governmental process. The group which "ains its demands usually calls it, "making yourself heard in government."

It is true that the farm vote now represents only about 9% of registered voters on a national scale. But this does not present a true picture of agricultural strength.

If everyone concerned only realized it and acted accordingly, the agricultural block could still be the mightiest power in effect in our Democratic form of government.

For a total of 63% of our population is directly connected with the buying, selling, manufacturing or processing of our farm products. Legislative matters important to agriculture are vitally important to all these persons.

Here is how it works!

If everyone who buys the raw products of the farm would vote with the farmer as a block, the strength of the rural vote would increase to 14%. If those who pass these products through the channels of trade were counted, the total goes up to 24%. The processors and manufacturers of these goods would swell the total to 37%. Retailers of the ultimate product increases the strength to 56%.

And finally, those who sell the farmer only those tools and mater-

ials needed to produce his crop brings the grand total to 63% of our voting strength.

Of course, all of us rely on agriculture for our daily needs. Hardly another single industry affects the entire population so directly.

The primary conclusion to be drawn for this is—that the fate of agriculture, its leaders and its legislation—is of concern to us all.

For this reason, it is very important that every citizen know the men and issues which will guide and affect our agricultural outlook. And then VOTE!

CARD OF THANKS

Safety Urged Around Home

Mrs. Housewife—there's a killer in your home!

But you don't need weapons to defend yourself, the National Safety Council says. Just common sense and a lot of caution.

The killer? Poisons. They lurk everywhere—in the medicine cabinet, under the kitchen sink, on dressing tables. You'll even find them on food shelves, in the workshop and in your cleaning closet.

These camouflaged killers in the home, the Council points out, take more than 1,000 lives annually. They take a steady toll throughout the year—about 120 lives a month.

Most frequent victims are children 5 years of age or younger. But right up there as home poison victims are persons in the 25-44 and 45-64 age groups.

The types of accidental poisoners are as varied as the containers they come in—bleach, permanent wave solution, shampoo, nail polish remover, furniture polish, art supplies, bug killers, paint removers.

Regardless of the killer, in just about every instance there's an accomplice to the crime—carelessness or ignorance.

For example, some potential poisoners are properly labeled—but a lot aren't. Doctors aren't always sure if a product is poisonous. And some ingredients, harmless to most people can kill them—especially children.

In many instances, the killer is an otherwise harmless object—aspirin, for example. About 1 out of 5 children treated for accidental poisoning in a recent year had swallowed aspirin, the Council reports. Kerosene is a troublesome household commonplace, especially in rural areas and in the South.

Old houses, too, can be booby-traps for children. Tots can be poisoned by peeling paint on window sills and frames, or by crumbling plaster. Each can cause lead poisoning.

Mrs. Tom Prouse came Tuesday of last week to be with her mother, Mrs. R. M. Smith who is in the hospital for treatment.

Lotief Supports Judge Sarah T. Hughes

A friendly suggestion—

Had so many of our good women ask me about Judge Sarah T. Hughes' qualification for place No. 4 on Supreme Court. My answer is that she as the best with 23 years experience as District Judge and 3 terms in Texas Legislature and her ability and knowledge of law, she will be a credit to that Court as well as her sex. She will dignify the Court. A hard worker and capable for the job. No one can control her. She is obligated to no one. A longlife, faithful Democrat and good Christian woamn. Let's promote her to high Court.

Respectfully, Cecil Lotief.

Mr. and Mrs. Don Blevins and five children of Corpus Christi recently visited his grandmother, Mrs. John Price. The children remained for a longer visit with their grandparents Mr. and Mrs. J. B. Blevins in Abilene.

Christian Science Service Sunday

How spiritual understanding of God as eternal Life brings health and healing will be explained in Christian Science services Sunday.

Bible selections in the Lesson-Sermon on "Life" include the account in John of Christ Jesus' healing of the nobleman's son.

A correlative passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy declares: "Jesus never asked if disease were acute or chronic, and he never recommended attention to laws of health, never gave drugs, never prayer to know if God were willing that a man should live. He understood man, whose Life is God, to be immortal, and knew that man has not two lives, one to be destroyed and the other to be made indestructible" (369:16).

The Golden Text is from John (17:3) "This is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent."

Wins Calif., Scholarship Niece Of Mrs. Johnson

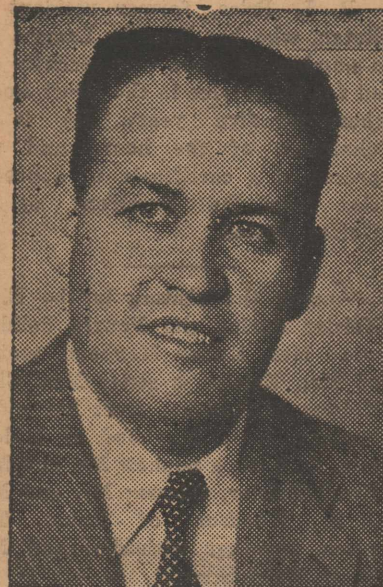

Irene May, granddaughter of Mrs. M. P. May of Hamlin, has received a \$1,000 scholarship award offered annually by the Department of California, American Legion Auxiliary, for an Americanism essay.

Miss May, who lives at Salinas, California, is the daughter of Mr. and Mrs. Truett May. Her father, brother of Tate May of Hamlin, attended Hardin-Simmons University and worked part time while

in school at the F&M National Bank in Abilene. Truett May is now an auditor for the Henry J. Kiser Industries at Salinas. He is also a brother of Mrs. J. Frank Johnson of Rotan.

Miss May, 16, is a junior in high school and is a member of the California Scholarship Federation. Her essay won over 294 local entries, then went on to win in district and state competition.

THE BIBLE vs. MAN

We believe it is profitable to the seeker of truth to present here the teaching of the word of God on the subject of Baptism and then compare it with the position as taught by some denominational churches.

Bible: "And were all baptized of Him in the river Jordan confessing their sins." (Mark 1:5).

Man: And were all baptized of Him CONFESSING THEY HAD NO SIN.

Bible: "The Pharisees and lawyers rejected the counsel of God against themselves being not baptized of Him." (Luke 7:30.)

Man: A man DOES NOT reject the counsel of God against himself being not baptized of Him.

Bible: "He that believeth and is baptized shall be saved." (Mark 16:16).

Bible: "He that believeth and is baptized shall be saved." is accepted (sometimes by a vote).

Bible: "Repent and be baptized every one of you in the name of Jesus Christ for the remission of sins." (Acts 2:38).

Man: Repent and BE BAPTIZED BECAUSE OF THE REMISSION OF SINS.

Bible: "Arise and be baptized, and wash away thy sins, calling on the name of the Lord." (Acts 22:16).

Man: Arise and be baptized BECAUSE YOU HAVE NO SINS TO WASH AWAY.

Bible: "The like figure wherunto baptism doth also now save us." (1 Peter 3:21).

Man: Doth NOT also NOW SAVE US.

Bible: "For as many of you as have been baptized into Christ have put on Christ." (Gal. 3:27).

Man: We are BAPTIZED INTO A DENOMINATION.

Bible: "Therefore we are buried with Him by baptism into death." (Romans 6:4).

Man: We get into the death of Christ WITHOUT baptism.

Bible: "Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God." (John 3:5).

Man: We enter the kingdom of God WITHOUT BEING BORN OF WATER.

Bible: "According to His mercy he saved us, by the washing of regeneration and renewing of the Holy Spirit." (Titus 3:5).

Man: He saved us WITHOUT the washing of regeneration.

Bible: "He that climbeth up some other way, the same is a thief and a robber." (John 10:1).

Friends, it is easily seen from the above comparison of what the Bible says and positions held, and advocated by man, that by many the Bible, the word God, has been completely repudiated. Take this to your preacher!

In pressing blends of fabrics, set the iron so that it is suited to the fiber requiring the lowest temperature. When in doubt iron on a sample of the fabric or on an inconspicuous place like the edge of a window blind.

Stockings which are too short in the foot may be responsible for sore, tired feet. If they can't be pinched up about one-half inch at the toe, extension clothing specialists say they are too short.

Waxing clotheslines provides protection against corrosion. Waxed clotheslines are easier to keep clean—just a quick dusting before hanging out wet clothes.

Orange—A "Quickie" Breakfast. Getting family members to eat an egg for breakfast may be pretty hard to do on these hot summer days. Orange, served in a frosty cold glass is a fine way to get not only eggs, but also orange juice.

It's easy! Simply beat one egg thoroughly. Mix well with eight ounces of fresh or frozen orange juice and serve immediately in frosty glasses.

Raw Vegetables For "Dunking"

Work more vegetables into the diet during the summer months. Extension foods and nutrition specialists suggest crisp, colorful raw vegetables for appetizers, between-meal snacks, and tasty salads.

For entertaining, add some car-

rot curls, celery sticks, radish roses, raw cauliflower or broccoli flowerets to the refreshment tray. Serve a zippy sour cream cheese, or avocado dip for "dunking" the vegetables. Guests will enjoy the informal atmosphere of the party and appreciate the extra "vitamines."

Beat The Heat

"Beat The Heat" by planning menus ahead of time, suggests extension foods and nutrition specialists. This makes it possible to check meals for balanced nutrition. It also makes it possible to plan work so that most of the preparation can be done during the coolest part of the day.

ABILENE LIVESTOCK AUCTION COMMISSION

The Abilene Livestock Auction Commission located at 700 Almond in Abilene conducts livestock sales every Tuesday and Thursday. The hog sale is at 9:30 A. M. and the cattle sale is at 10:00 a. m. Phone ORchard 3-7865 for information.

Here is an institution of this section that is enjoying a thriving business covering a wide territory. When you consign your livestock here you can always depend upon

getting the highest market value.

This company has always assisted materially in the growth and expansion of Abilene as a trade center, and has been partially responsible for the renewed activity in stock raising in this section. Here, you are assured of honest weights for livestock and this company conducts a business that is of high commercial value to the public. Re-

member this fact—if the farmers of this community were compelled to ship their livestock elsewhere, they would fall far short of getting the prices obtained at the Abilene Livestock Auction Commission.

We are pleased to give this reliable firm commendable mention in this Review. We assure readers that they will get a fair deal in every transaction.

PENDER COMPANY

The Pender Company located at 442 Cedar in Abilene feature a complete line of office furniture, equipment and supplies.

Your office is just as necessary to neat appearance as the clothes you wear. Your business is judged by the appearance of your office. A business should not be hampered by having its records chucked away among the cobwebs and dust. Records are the heart of any business and the way you keep them is a reflection of your business success.

The Pender Company is under

capable and experienced management and they carry a large stock of equipment and supplies at all times. They will sell their products over the counter or they will install them for you. Their stock also includes all types of floor covering except carpets and rugs.

Drop by the next time you are in Abilene and look over their selections.

Casual Clothes

"Beautiful Merchandise for Less"

The Casual Clothes located at 1934 Hickory in Abilene carries complete assortments of apparel for women.

This shop understands the clothing needs of women and therefore makes it a special point to buy stock from manufacturers who are leaders in the clothing field. Another important thing is that they do not hold garments from year to year that are not sold at regular prices. At the end of the seasons and often times in-between seasons when new shipments are arriving, they have sales and put all their older garments out at reduced prices. This enables them to keep stocked with clothing that is new and different.

After you visit this shop once and see their clothing and reasonable prices you will want to become a regular customer. It means a great deal of satisfaction to a woman to know she can depend on a shop to have clothing that will suit her taste.

It is with great pleasure that we recommend Casual Clothes in Abilene to all women in this section, and suggest that you visit them on your next trip to town.
