Unexplained Checks Still Big Question In Land Deal Probe

BILLY GREENE AND TWO CHAMPIONS

Billy Greene Wins Top Prizes In Swine Show

Billy Greene, Snyder High School sophomore and member of the Future Farmers of America, took both grand and reserve championships this morning in the swine division of the Scurry County Junior Livestock Show.

The sheep show was to be judged this afternoon, while the calf show will be held tomorrow morning. After lunch tomorrow, an auction will be held. L. M. Hargrave is judge of the show.

Greene's grand champion was a 227-pound medium weight barrow which had taken grand championship of the Sweetwater Livestock Show earlier this week. It is a Chester White, as is his reserve champion, a 197-pounder which took first place in the light weight division.

Don Gray of the Ira FFA took first place in the heavyweight division with his 267-pound Duroc. Winning first place in a pen-of-three show was Eddie James, Snyder FFA.

Grand championship prize in the show is $25, while reserve champion gets $15. The pen-of-three awards are $10, $5, $2.50, $1.50, and $1. For places in each weight class in the swine show, prizes are $15 for first, $10 for second, $7.50 for third, $5 for fourth, $4 for fifth, $3 for sixth through 10th, $2 for 11th through 20th, and $1 for the remainder of those in the class.

Sweetwater Hires Coach

SWEETWATER, Tex. (AP) — Elwood Turner, who carried his Albany football team to the Class A finals last year, was hired as Sweetwater High School coach last night.

School Board President Wade Forester announced the appointment today. Turner, 31, will receive a one-year contract at $6,000, Forester said.

Turner, former TCU fullback, has been at Albany eight years. His regular season record is 49 victories, 19 losses and 2 ties. His teams have won four district championships. Last fall Albany lost to Deer Park in the finals.

Turner succeeds Pat Gerald, who resigned Feb. 5.

Seek To Suspend Classes At Irving

IRVING, Tex. (AP)—Irving school teachers launched a campaign today to close schools until settlement is reached over the school board's firing of Supt. John L. Beard.

The teachers and other workers walked off their jobs Tuesday over Dr. Beard's dismissal.

Today a teachers committee appeared before a group of mothers at Oak View Baptist Church and urged them to take their children out of school until the school controvery is settled.

George Stricker, a Fort Worth insurance man who lives in Irving and who is chairman of a citizens committee supporting the absent teachers and Dr. Beard, said his committee approved the mass meeting.

The committee chairman said his committee last night gave approval to the action and urged other areas of Irving to call special meetings to urge parents to take their children out of school.

The walkout was in its fourth day.

Mothers, fathers, retired teachers and substitute teachers manned classrooms, lunchrooms and school buses—under police guard.

Spokesmen for absent teachers said a row between the board and administrative personnel began smoldering last summer after teachers swung some precinct conventions to "liberal" Democratic governor candidate Ralph Yarborough. They said a "political clique" in this booming little city of 25,000 near Dallas didn't like it.

"I don't believe it stems from local politics," Board President Charles Young said. "Certainly there are political cliques in any community, but to attribute to that the local debacle of the last two weeks is fantastic."

Scores of teachers quit classrooms after the board fired Supt. John Beard Feb. 18 and refused to reconsider its action. Beard, 53, who holds a doctorate from the University of Texas, had been superintendent here 5½ years. He drew $9,700 a year and had two years to go on his contract. He is appealing to State Education Commissioner J. W. Edgar.

Beard said he was ousted because "a political clique in the community got control of the School Board."

The board announced last night it "unanimously found it necessary to dismiss Dr. Beard . . . on account of Dr. Beard's repeated failure to cooperate with the board on important policy matters: administrative, financial and operative."

Board members said they are "ready with a list of bonafide charges which they will present at a hearing before the state commissioner of education."

William S. Ward, teachers spokesman, said they walked out "because of the intolerable conditions brought on them as personnel by the inefficient and faulty administrative procedures . . ." He said this did not reflect on Beard.

Ward said school personnel were "operating under tension, emotional instability, physical and mental exhaustion" and had no intention of condoning "continued intimidation, personal and citizenship rights violated, and professional status lowered . . ."

Young said he considered the absent teachers "fine, upstanding people."

Air Reservists Here To Get Promotions

Notice of promotion of three officers in the Snyder Air Reserve Chapter have been received, Maj. George R. Killam, Jr., commander, has announced.

Officers to be promoted include Joe K. Farrar, Clois D. (Hank) Henry, Richard T. Roberts and Renal Rosson. All will be promoted from the rank of First Lieutenant to Captain.

Maj. Killam was promoted from the rank of Captain about six months ago.

The orders of promotion for the four officers are expected to arrive here within the next few days.

Explosion, Flow Of Lava Doom Village

By ROY ESSOYAN

PAHOA, Hawaii (AP)—A natural fault leading directly through Kapoho erupted in a fiery explosion shortly before last midnight and an eyewitness said "the city is doomed."

The explosion came 2½ hours after a 22-square mile area around the town had been evacuated after the earth began popping open.

Asst. Police Chief George Martin said "everyone got out."

Hiroshi Okka, a Pahoa school teacher, went back to the deserted area and said he saw a fountain of lava spurting in the center of town.

Kapoho is directly on the Puna Rift, a chain of craters stretching from Kilauea Crater on the side of Mauna Loa to the sea. It is on the eastern tip of the island of Hawaii. Volcano experts say it represents no danger to the other islands, such as Oahu, where Honolulu is located.

The region, shaken by earthquakes and splattered by spouting lava since Monday, began exploding open again at 8 p.m. It was clear of humans two hours later.

An hour afterward Reginald Ho, a Pahoa garage owner, volunteered to go back to see that no one had been left behind.

He said he saw a 200-foot fountain of lava burst out of the hillside overlooking Kapoho, and six other new fountains feeding the lava flow slightly south of Kapoho.

Early last evening the main fountain feeding the flow spurted up to a spectacular 700 feet.

New fissures broke out, ominous cracks appeared in the earth's surface, and the rush to get out began.

No one is being allowed to reenter the area.

The new eruptions brought a crazy pattern of tributary fissures to the main lava flow, which was within two fifths of a mile of Kapoho at 7 p.m.

When I left Kapoho an hour before the countryside split asunder, a livid glow lit up the night sky. Molten fountains fed the steaming river of lava, 10 feet deep and 300 yards across, as it inched with increasing momentum toward the ocean.

The last of 51 National Guard trucks rolled out of the desolate darkened village. They were piled high with furniture, washing machines, refrigerators, beds and mattresses.

Danish Hog Is Added Feature In Stock Show

A feature attraction in connection with the Scurry County Junior Livestock Show today and tomorrow is the display of a huge Danish Landrace hog.

The hog, Crystal Spice, is one of a herd of the breed owned by W. L. Bridges, president of State National Life Insurance Co., and his son, W. L. Bridges, Jr.

Another attraction is the annual barbecue of the Scurry County Junior Livestock Association, which will be held at 6:30 o'clock tonight at the stock barn in Towle Memorial Park, where the show is being held. At the meeting, new directors will be elected. Speaker for tonight's barbecue is L. M. Hargrave, who is also judge of the stock show.

The Landrace hogs owned by the Bridges family are the only ones in Texas. They will not be in competition at the show but are there only for public showing.

Bridges and his son are partners in importing and breeding the hogs, which are bacon-type, having 16 ribs instead of the 14 hogs usually have. They raise them on their farms at Arlington, Midlothian, and Waxahachie.

At the first state sale of Landrace breeding stock ever held in America the Bridges family purchased Crystal Spice last year in Indiana. At that time, they owned a prize boar, Cottonwood Jim.

The American Landrace is purebred swine breed, not a crossbred, inbred, or hybred, the senior Bridges said. It is white, has the greatest body length of any hog in the world, and excells in carcass measurements.

The first Landrace hogs were imported from Denmark into the U.S. in 1934. No purebred Landrace hogs were released until 1949, and from these releases and from strains carrying only a trace of other breeding, the American Landrace was developed.

Cohn Clashes With Lawyer

NEW YORK (AP)—Harry Sacher, counsel for 13 convicted Communists, says he is "not persuaded" that Roy M. Cohn has told the truth concerning turnabout witness Harvey M. Matusow.

Cohn, former assistant U.S. attorney who worked on the case against the 13 second-string Red leaders, and Sacher clashed yesterday at a retrial hearing which resumes today.

Cohn, from the witness stand, hotly replied to Sacher's contention: "Everything I have said here has been the truth."

The 13 Communists, convicted in 1952 of conspiring to teach and advocate overthrow of the government by force and violence, base their plea for a retrial on Matusow's assertion that he testified falsely against them.

Sacher, after questioning Cohn about briefs which the latter handled in connection with Matusow, said:

"If I were persuaded that this witness is testifying truthfully, and I don't think he is, these questions wouldn't be necessary.

"I am not persuaded that the witness is telling the truth. He must have seen every piece of paper . . . relating to the Communist case."

Sacher charged that the absence from the briefs of "whole ideas and testimony . . . would indicate that he (Cohn) had an indifference to the matter of Matusow's testimony."

Matusow, self - styled former Communist and FBI informer, has said Cohn coached him to testify falsely, a charge which Cohn has denied emphatically.

Cohn also has said he had no reason to believe Matusow lied at the trial.

During the cross-examination Sacher told Cohn to "bear in mind" that he was in "a court of law and not on the McCarthy committee." (Cohn resigned last year as chief counsel to the Senate Investigations subcommittee then headed by Sen. McCarthy (R-Wis).

Federal Judge Edward J. Dimock interrupted the verbal clash, saying, "Please don't refer to that."

Then, turning to the witness, he said:

"Mr. Cohn, you are a lawyer and it is not easy to keep from arguing, but it will be a lot easier for all of us if you pay strict attention and answer questions."

Saturday Deadline For City Candidates

No more candidates had filed for posts on the Snyder city council by noon today.

Deadline for filing for candidacy in the April 5 election is midnight tomorrow night, but the city hall will close at noon tomorrow.

Those who had already filed were Hollis Fields for place No. 1, now held by Gene Harper; G. W. Parks for place 3, held by C. N. von Roeder; and Walter Hales for re-election to place 5. Harper and Von Roeder are not seeking re-election.

IN TROUBLE AGAIN

Frank Grandstaff, left, is checked in the Howard County jail at Big Spring, by Sheriff Jess Slaughter on a charge of violating a Wisconsin parole. Grandstaff came to Big Spring in 1947 under guard to hear his "Big Spring Cantata" played in public. He had written it in a Tennessee prison cell. He has been in Big Spring since December, following his release from a Wisconsin prison, playing a piano at a cafe and clerking nightly at a hotel. He was released Thursday on $1,000 bond.

Egyptian, Israeli Charges Pondered

By WILLIAM N. OATIS

UNITED NATIONS, N.Y., (AP) — The UN.. Security Council turned today to Egyptian charges and Israeli countercharges touched off by Monday night's bloody border fighting near Gaza.

The explosive tension resulting from the clashes — in which 38 Egyptians and eight Israelis were reported killed—was heightened by militant statements from the Egyptian and Israeli premiers and Egyptian progress toward a new Arab military lineup against Israel.

There was some expectations the council would postpone its discussion of the rival charges until after a report from the Egypt - Israel - U.N. Mixed Armistice Commission in Palestine. The commission, which supervises the 1949 truce along the Egypt-Israel border, is expected to meet Sunday on the Gaza fighting.

Egypt Wednesday charged Israeli forces with "violent and premeditated aggression" in the 60-mile-long Gaza coastal strip occupied by the Egyptians.

Egypt charged Israel's troops with attacking a military camp near the ancient city of Gaza, two miles inside the territory, and with ambushing a truckload of reinforcements. Egypt termed this the "most brutal act of aggression" since the 1949 armistice.

Israel's countercomplaint, filed yesterday, made no mention of the Gaza battle but accused Egypt of "continuous violations" of the armistice agreement and council resolutions. It charged:

(1) armed attacks on Israeli troops, (2) raids on Israeli citizens, (3) Egyptian failure to prevent such acts, (4) assertion of a state of war and exercise of active belligerency against Israel, including a blockade, (5) "warlike propaganda and threats," and (6) refusal to negotiate a peace treaty to replace the armistice.

The complaint was in line with Israel's usual strategy of trying to shift such council debates from particular incidents to the general Arab-Israeli situation and the need for an over-all, long-term solution.

Earlier Israeli statements in Jerusalem on the Gaza fighting charged the Egyptians attacked first inside Israel and were chased back into Egypt.

In Damascus yesterday, Egypt and Syria announced they had signed a new defense pact which Syrian Prime Minister Sabri Assali said resulted from the need for "practical and decisive measures to safeguard the Arab countries from repeated Israeli aggressions."

Informed sources said all other Arab nations would be invited to join the new alliance, which is designed to replace the nonfunctioning Arab League collective defense treaty.

100 Entries Are Due For Borden Show

Almost 100 animals will be entered in competition tomorrow in the annual Borden County Junior Livestock Show, which will be held in the new livestock barn at Gail.

Bob Gray, high school agriculture instructor at Gail, said there will be about 50 lambs, 40 hogs, and three calves entered in the show.

Judge will be Clinton Ritter, sheep herdsman for Texas Tech College, Lubbock, and former outstanding judging team member.

Showmanship awards have been donated by the Borden County Sheriff's Posse to be presented. One will be given for over-all showmanship and one each for the calf, hog, and lamb divisions. Jack Burkhalter, Mitchell County agent, will judge entries for those awards on the way the animals are shown, how well they are fitted, personal apperance, and neatness of pens.

Judging will begin in the show at 10 o'clock tomorrow morning. At the same time, girls in the Future Homemakers of America and 4-H Clubs of Borden County will be holding a bake show in the high school building.

A basket lunch will be held at noon by those attending the show.

No sale of animals will be held after the show, since most of the entries will be taken to shows at Odessa and Lubbock later.

United Fund Session Is Scheduled Today

United Fund members are being urged to attend a membership meeting of the Scurry County United Fund at 4:30 o'clock this afternoon in the district courtroom.

Lyle Deffebach, president, called the meeting for election of 10 members of the 30-member board of directors.

Such a meeting was held previously, but there were not enough there for a quorum because of flu here.

WEATHER

NORTH CENTRAL TEXAS: Partly cloudy and warm this afternoon. Scattered showers and thundershowers late tonight and Saturday. Much colder Saturday and Saturday night and in northwest portion late tonight.

WEST TEXAS: Partly cloudy and warm this afternoon, becoming mostly cloudy and much colder Saturday and Saturday night and in Panhandle and upper South Plains tonight. Lowest 20-30 in Panhandle tonight.

Banker Tells Of Bell Endorsement

By MAC ROY RASOR

AUSTIN (AP)—Two unexplained 1952 checks totaling $3,500 made out to John J. Bell by indicted South Texas land promoter T. J. McLarty remained a big question today in the House probe into the state's trouble-riddled Veterans Land Program.

Photostats of the checks were produced yesterday before the House investigators.

L. S. Johnson, vice president of the Victoria Bank & Trust Co., delivered the bank's records of McLarty's accounts. He testified McLarty's first deposit, in Sept., 1952, was $154,810. Johnson said he believed it was a state check in payment for some land.

The first check paid from the McLarty account, Johnson said, was for $3,000 made payable to John J. Bell. He said it was endorsed with that name and cleared by a Cuero bank. Another check to Bell for $580 was dated Oct. 9, 1952.

It had been in August and September of 1952 that the state paid McLarty $177,510 for 3,700 acres of Guadalupe County land in a veterans Land Program deal involving 24 veterans. That transaction has been under probe of both House and Senate investigators.

The John J. Bell to whom the checks were made out was not identified before the House committee but Committee Chairman Joe Burkett Jr., Kerrville, said he had invited Rep. John J. Bell, congressman from Cuero, to be present at yesterday's session.

Burkett said he sent Rep. Bell a telegram advising him the House committee intended to make "a full documentary disclosure" of the McLarty veterans' land deal in Guadalupe County.

A reply sent the committee said Bell would not be able to be present, Burkett said. He said appearances were invited in such cases to give persons named in evidence an opportunity to make whatever explanations they wished to the committee and to the public.

Bell was elected to Congress last year to the seat formerly occupied by John Lyle of Corpus Christi who did not seek reelection. Bell previously had been a state senator.

The Cuero bank records also disclosed a partnership account opened last Sept. 26 for McLarty and Alvis Vandygriff, Austin attorney and one-time executive secretary of the Veterans Land Board. Vandygriff left the land board job in 1951.

Vandygriff appeared before the committee and testified he had been retained as attorney by McLarty to represent him in Austin and in South Texas. He said a check made out to him by McLarty for $3,000 was in part payment of a $5,000 legal fee. He offered no explanation of the partnership account.

The committee asked Johnson to prepare photostats of all checks paid from the McLarty accounts in excess of $100. Johnson said he would comply.

An audit report submitted to the committee by Asst. State Auditor William A. Harrison showed the state to have paid McLarty $47.95 an acre for the Guadalupe County land which McLarty had bought a few months earlier at $26.30 an acre. Two years earlier, the land had sold at $12.50 an acre, Harrison said.

William T. Brady of San Antonio detailed to the committee the 1952 arrangements he said McLarty made for him to buy land under the veterans program in the names of eligible veterans.

Brady said he was to make the payments to the state for eight of the veteran purchasers of the Guadalupe land, lease the eight tracts for five years and then exercise an option to buy from the eight veterans at what was still owing on the land.

Brady said McLarty assured him it was legal. He said lawyers he consulted told him it was not illegal even though it might not be the intent of the law.

Later Brady said other lawyers told him they thought he had bought "a turkey." He said they advised him acknowledgements of his contracts were not dated and that he was not protected in the event of death of one of the veterans.

Brady said it was the opinion of his attorneys that he had been defrauded by McLarty by misrepresentations McLarty made to him.

McLarty, formerly of Cuero and now of Denver, Colo., was one of six persons indicted last week by a DeWitt County grand jury. The grand jury returned 21 indictments against McLarty. Nineteen charged "false interpreting of written instruments." Two charged forgery.

Rites Are Set In Electra For Fire Victim

Cecil W. Bentley, 24, of Silver, one of 12 men injured in an oil well fire eight miles west of Silver on Wednesday, died at 10 o'clock last night in Root Memorial Hospital in Colorado City. He was the brother of Glen Bentley and Harold Bentley of Snyder.

The body was taken overland to Electra this morning by Bolger Funeral Home. Funeral services are to be held at 2 o'clock tomorrow afternoon in the Bible Baptist Church in Electra under the direction of the Snyder funeral home. The Rev. Lloyd Lester will officiate, assisted by the Rev. M. M. Griggs.

Mr. Bentley, a truck driver for Halliburton, had lived in Silver for about 18 months. He and his wife, the former Mary Helen Dillard, were married Aug. 7, 1954, in Electra. Mr. Bentley was discharged from the Air Force in November, 1953, after serving three years. He was a member of the Baptist church.

Survivors in addition to the wife and two brothers here include the parents, Mr. and Mrs. O. L. Bentley, Sr., of Electra; a sister, Mrs. Gene Owens of Iowa Park; two other brothers, O. L. Bentley, Jr., stationed with the Air Force at Tampa, Fla., and Doyle Bentley of Electra.

Halliburton employes will serve as pallbearers.

Robert N. Cooke, 30, of Winters, who was also critically injured in the accident, was reported to be still in serious condition in the Colorado City hospital. The first two of seven men taken to the hospital were released from the hospital yesterday. Only one other man, William Waddell of Winters, was classed as critical.

All the injured men were employes of Halliburton Oil Well Cementing Co. The accident occurred on a lease of Stanolind Oil & Gas Co., which, with Halliburton, is investigating the cause of the fire. The damage has been estimated at more than a million dollars.

Official Says Winchell 'Tip' Put Stock Market In Turmoil

By ED CREAGH

WASHINGTON (AP)—A stock exchange official testified today that a stock tip by Walter Winchell on a TV show two months ago threw the exchange into a turmoil. But for prompt action by officials, he said, it would have cost those who followed it an $8 a share loss.

Edward T. McCormick, president of the American Stock Exchange, gave the testimony in the Senate Banking Committee's inquiry into the current boom in stock prices.

McCormick said a Sunday night tip by Winchell indicating Pantepec Oil was a good buy brought an avalanche of orders and transactions involving 357,000 shares the following morning, Jan. 10.

"It was just simply amazing," McCormick said, and he called it the greatest number of transactions in a single stock in the history of any exchange.

McCormick said he immediately notified the Securities and Exchange Commission which policies stock exchanges, and in company with other exchange officials took a series of actions which held ($8.875 a share), 2⅛ higher than the previous Friday's closing.

Otherwise, McCormick said, the stock would have opened at 15 ($15) a share). It closed yesterday at 7 ($7 a share.) Thus anybody who bought the stock at 15 would now be $8 in the red.

McCormick said among the actions taken in the wake of Winchell's tip were a delay in opening the trading of Pantepec from 10 a.m. to 12:15 p.m., and twice directing brokers to tell their customers the stock would open at an unusually high price.

He said that except for the huge volume of trading this was "not an isolated occurrence."

"The same commentator has done it before," McCormick said.

As for 1955 stock prices, which have soared above 1929 averages, McCormick declared they are "definitely not" too high and that "we have not reached the danger point."

General conditions in the two years are completely dissimilar, McCormick said. He advised the senators to confine their study to individual stocks if they want to learn whether prices are shooting up too high.

McCormick on the whole voiced a firmer degree of confidence in the market outlook than did Funston, who said the possibility of a 1929-type crash can't be ruled out. Funston said he himself, however, is continuing to buy stocks.

The American Stock Exchange, which McCormick heads, is one of the two securities exchanges in this country with nationwide facilities. It has 1,800 members in 447 cities and its trading volume is second only to that of the New York exchange.

McCormick said in his prepared statement he sees no indication of "excessive or unsound use of credit" in the market today.

And he said the fact that market price indexes "have risen above the peaks which they attained in September of 1929 should not in itself be accorded too much significance."

"Whereas the stock market average shows an increase from 1929 of 13 per cent," McCormick said, "cost of living is up 56 per cent, farm income 133 per cent, insurance premium collections 196 per cent, hourly wages 228 per cent, bank deposits 229 per cent, personal income 234 per cent, gross national product 242 per cent, and mortgage debt 284 per cent."

Chairman Fulbright (D-Ark) of the banking committee quizzed yesterday's witness closely about a campaign by the New York exchange and its members to bring many more investors into the stock market.

"Obviously, this is inflationary," Fulbright said.

AREA OIL ROUNDUP

Water Developed In Two Wildcats

Water has been developed at Hanley Co. wildcats in southeast Coke and northeast Nolan Counties.

The Midland concern reported a drillstem test of the Ellenburger at the No. 1 Green, Coke County project, from 6,275-282 feet. Tool was open one and a half hours. Recovery was 60 feet of salt water-cut drilling mud and 720 feet of salt water.

Flowing pressure was from zero to 390 pounds and shut-in pressure in 28 minutes, 2,430 pounds.

Hanley No. 1 Collins, Nolan wildcat, found water in the Cambrian on a drillstem test from 6,290-323 feet. Tool was open one and a half hours. Recovery was 300 feet of sulphur water and 35 feet of sulphur water-cut mud.

Flowing pressure was 175 pounds and shut-in pressure in 20 minutes was 2,050 pounds.

No. 1 Green, 660 feet from south and east lines of section 11, HE&WT survey, abstract 213, and 14 miles southeast of Robert Lee, was making hole below 6,303 feet.

No. 1 Collins, 2,030 feet from south and 2,280 feet from east lines of 47-20-10 miles east of Sweetwater, running electrical surveys.

FIELD TESTS

New field locations in Borden and Kent Counties have been set for immediate drilling.

Superior Oil Co. and Intex Oil Co. have filed application to drill the No. 11-535 W. H. Jones in the Fluvanna field of northeast Borden County. Location is 1,980 feet from south and west lines of 535-97-H&TC, four miles northwest of Fluvanna. Rotary contract is to 9,000 feet.

Placid Oil Co. of Shreveport will drill the No. 1 Mary L. Reed 14 miles northwest of Clairemont in the SMS-Canyon field. Drillsite is 330 feet from south and west lines of 1-B-psl. Rotary contract calls for a depth of 6,500 feet.

LINK TRY STAKED

British-American Oil Producing Co. of Midland will try to link the north and south areas of the EA Cambrian field of Nolan County with a new project, the No. 1-B C. J. Roberts, 10 miles northeast of Blackwell.

Location is 1,581 feet from north and 779 feet from west lines of 13-Z-T&P. That is three quarters of a mile north of Cambrian production in the south area and seven-eighths of a mile south of the lone Cambrian producer, Humble No. 2 Petty, in the north area. The No. 1-B Roberts will drill to 6,300 feet.

DRILLING REPORT

Ada Oil No. 1 R. H. Odom, Scurry County wildcat, is drilling in shale below 6,063 feet.

Magnolia No. 1 Jesse York in east Borden County is drilling below 7,504 feet in lime and shale.

Sunray and Seaboard No. 1 Spires, Kent prospector, is circulating for samples at 5,630 feet in sand.

Prospect Dim For Tax Cuts

WASHINGTON (AP) — Sen. Byrd (D-Va) said today "a minimum of 10" Democratic senators will vote with him against the plan of House Democrats to cut everybody's income taxes by $20.

Such a Democratic vote would appear to assure defeat of the income tax reduction in the Senate if Republican lines hold tight against it as GOP leaders are predicting. There are 49 Democrats and 47 Republicans in the Senate.

Sen. Clements (D-Ky), acting majority leader, has made it plain the party leadership will fight vigorously for the $20 plan pushed through the House by Speaker Rayburn (D-Tex) despite administration opposition. The Senate Finance Committee, headed by Byrd, voted 9-6 to strike the income tax out of the bill.

One Senate Republican leader said privately a poll indicated his side would lose only one vote.

Surge Of Cold Air Pushes Into State

By The Associated Press

A new surge of cold air pushed into Texas Friday and balmy temperatures were due for a knock-down.

Temperatures of 20 to 30 degrees were expected in the Panhandle Friday night.

Blind Couple In Fight To Keep Child

AKRON, Ohio (AP) — Armed with trust in God and support from their neighbors, a blind and deaf couple try Monday to convince a Juvenile Court judge that, in spite of their handicap, they should be allowed to rear their normal 11-day-old son.

"What is best for the baby is our only concern," said the head of the Summit County Welfare Department, which left a note for Harold Hathaway, 53, and his wife Georgia, 32, suggesting their baby, Clarence, be placed in a foster home.

A neighbor spelled the note's message into Hathaway's palm earlier this week at the neat bungalow the couple bought in nearby Stow after their marriage in Topeka, Kan., a little more than a year ago.

"They can't take my baby away from me," said Mrs. Hathaway. "Clarence is the only thing I ever had of my own in my whole life."

A tiny woman of only 3 feet 2, Mrs. Hathaway was born in South Dakota and grew up as an orphan. She became acquainted with her husband through a Braile correspondence.

Her doctor says she has a heart condition and ought not to be separated from her infant.

"We are trusting in God, and we believe he won't fail us," said Hathaway, a former furniture repairman who became blind a few years ago. His only income now is his pension.

"We own our own furniture," he said. Our home is paid for. We are immensely happy. We have paid our hospital and doctor bills of $169. We don't need any help.

"Sure my wife is blind, but she can cook and care for a baby as well as anyone. We do all our own housework and cooking and do not want to bother anyone."

Thirty neighbors already have petitioned that the Hathaways "be given a fair chance to prove they can be good parents."

"A visiting nurse has been coming daily to give the baby his bath," one said. "We feel it would be worth having someone still come in a few hours each day in order to preserve the happiness of these two people who have had so many setbacks."

Only a few of the southern cities of Canada have annual temperature averages above 40 degrees.

Scientist Appears At Red Conference

By RICHARD KASISCHKE

MOSCOW (AP)—The Soviet Union presented long missing atomic scientist Bruno Pontecorvo at a news conference today.

Pontecorvo, an Italian born scientist who became a British subject, disappeared in 1950 while working at England's top secret Harwell Atomic Research Station. A letter by him in Pravda on Tuesday gave the world first official word that he was working with the Russians on their atomic projects.

Today's news conference was sponsored by the U.S.S.R. Academy of Sciences. Such conferences are rare in the Soviet Union, and it caught western reporters by surprise.

Pontecorvo, speaking in Italian, said he had been in Russia four years.

"Today it is impossible to stand aside from life," he said. "The reactionary yellow press in capitalist countries tries to damper the brain of the common people, but there are things which are clear even to children.

"For instance, how is it possible to believe that the Soviet Union threatens the United States while American bases are situated near the Soviet Union?"

Pontecorvo's remarks were translated from Italian into English, but he interrupted on occasion to correct the translator.

The dark-haired scientist sat at a center table, flanked by two long tables filled with reporters from the Communist and non-communist world. The conference was held at the Presidium of the scientific academy in the snow-covered hills south of Moscow.

Asked where he was living at present, Pontecorvo replied:

"I live in Moscow. I have an apartment in Moscow and besides that I have a dacha (country villa) outside Moscow."

This suggested that Pontecorvo had been working in or near the Soviet capital, and that his family was with him. The family disappeared while on a vacation with Pontecorvo in Europe in September, 1950.

To a question as to when he decided to quit his work in Britain: Pontecorvo answered:

"It is enough to read the newspapers of that time, and among those numerous versions some are correct except the one which said that I have gone to the moon."

Ex-Red Prisoner Who Proclaimed Guilt Sails

HONG KONG (AP) — Mrs. Adele Austin Rickett, 35, held by the Chinese Reds for 3½ years, sailed for San Francisco today aboard the freighter Pine Tree Mariner.

She and Malcolm Bersohn, 29, were expelled from Red China as spies. Both proclaimed their guilt in statements experienced reporters said showed evidence of thorough Communist brainwashing.

Bersohn, whose home is in New York, had taken passage earlier aboard the freighter California Bear. Both ships are due in San Francisco on or about March 24.

Mrs. Rickett's husband is still held by the Chinese. They are former residents of Seattle, Wash. Her father, Harold W. Austin, lives in Yonkers, N.Y.

Fine Is Paid Today In County Court Here

W. A. (Bill) Cantwell, 35, of 402 Thirtieth Street, paid a fine of $28.50, including court cost, when he pleaded guilty this morning to a county court charge of swindling by worthless check.

A similar charge against him was dismissed on recommendation of the county attorney. Cantwell said he mistakenly wrote one of the checks on a bank in which he had no account, thinking the check was written on a bank in which he had sufficient funds. He redeemed both checks for a total of $3.50.

Formosa Pact Talks Started

TAIPEI, Formosa (AP)—High-level talks designed to put teeth into the U.S.-Nationalist China Mutual Defense Pact got under way today.

One result is expected to be a boost in the flow of U.S. military aid to Chiang Kai-shek's forces.

The agenda was not disclosed, but the conferees probably tackled these questions:

1. The air strength—U.S. and Nationalist combined—necessary to assure reasonable protection of Formosa.

2. Air and naval cover necessary to safeguard Quemoy and the Matsus.

3. Possible targets on the mainland if, as U.S. Secretary of State Dulles said yesterday before leaving for Washington, "it cannot be assumed . . . that the aggressor would enjoy immunity with respect to the areas from which he stages his offensive."

Sitting in for the United States were Adm. Robert B. Carney, U.S. chief of naval operations; Adm. Felix B. Stump, commanding the U.S. Pacific Fleet; Vice Adm. Alfred M. Pride, commanding the U.S. 7th Fleet; Maj. Gen. William C. Chase, head of the Military Assistance Advisory Group; and Rear Adm. Frederick N. Kivette, commanding the U.S. Formosa Strait patrol.

Representing Nationalist China were Foreign Minister George Yeh, Defense Minister Yu Ta-wei and Gen. Peng Meng-chi, acting chief of the general staff.

Official Nationalist circles were reported to be "very happy" over the exchange of views yesterday between Dulles and Chiang.

Nationalist quarters appear confident that the United States will intervene against any really large-scale amphibious attacks against Quemoy and the Matsus.

CARL PALANGI
. . . from sailor to singer

Palgani's Talent For Music Discovered By Navy Officer

Carl Palangi, bass-baritone who is to be presented as soloist by the Snyder Civic Music Association tomorrow night, had a strange entrance into his musical career.

He was in the Navy, stationed at the Great Lakes Naval Training Center when it began. Palangi had worked out with other men in training and was singing away under the shower when an officer called to him, "Why aren't you in the choir?" Palangi soon entered the Great Lakes Naval Choir, and found singing so much in his line that he became its soloist. Since that time singing has become the one big thing in Palangi's life.

In more recent years, Palangi has been acclaimed for his triple starring in opera, concert and television. Known for his regal performance as the Czar in "Boris Godunoff," Palangi has proved equally successful as an actor and singer in such strongly contrasting roles as Don Giovanni, Mephistopheles, and Jabez Stone in "The Devil and Daniel Webster."

Winner of the San Francisco Music Critics Award, Palangi has been a featured soloist with the San Francisco Symphony under Arthur Fiedler and Pierre Monteux, with the San Diego Philharmonic, and other West Coast orchestras. He has starred with the Pacific Opera Company and the Stanford University opera.

Palangi has now been signed for television films with a 70-piece orchestra under the direction of Werner Janssen, who describes Palangi as "a young Gable with the voice of a Pinza." Last year while visiting in Europe Palangi received film and opera offers in France and Italy, but chose to return to the United States to increase his reperoire of roles.

A tentative program for Palangi's concert here includes "Si, tra i ceppi," from "Berenice" by George Frederick Handel, "Ecco Il Mondo," an aria from Arrigo Boito's "Mefistofele," "Grandada" by Augustin Lara, "Mandoline" by Claude Debusy, the aria "Quand la Flamme de l'Amour" by Georges Bizet, "Into the Night" by Clara Edwards, "Deep River" by Henry Thacker Burleigh, and "Pilgrim's Song" by Peter Ilich Tschaikowsky.

The concert will be presented in the high school auditorium, starting at 8 o'clock. Admission will be by membership card only.

Delegates Named To District Meet

Mrs. D. M. Pogue, chairman of the THDA council, Mrs. C. C. Berry and Mrs. Billy Huddleston were named delegates to the THDA district meeting yesterday.

Mrs. Pogue is a member of the Plainview Home Demonstration Club, Mrs. Berry of the Pyron club, and Mrs. Huddleston of the Tri-Community club. Other nominees were Mrs. H. J. Schulze from Union, and Mrs. J. W. Bills from Pleasant Hill. Elections were by secret ballot.

The election of a district THDA chairman was postponed until later when the county home demonstration agent, Ruby Butts, will be present. Miss Butts is now attending an advanced sewing course in Lubbock.

HD Council Has Meeting Friday

Five home demonstration clubs were represented when the County Home Demonstration Council met yesterday afternoon.

Mrs. C. C. Berry, new president of the Pyron club, was introduced as a new council member. She replaced Mrs. Lowell Light, who has resigned as Pyron president.

It was reported that the county commissioners court will buy yearbooks for the clubs. Mrs. Billy Huddleston was appointed radio chairman. Council members were reminded that the district meeting will be held in Morton April 28. Mrs. W. E. McMillan gave a discussion "Growing Old" to replace the regular recreation period.

Local Student Is Round-Up Queen

Colleen Soles of Snyder has been named Round-up Queen of the Texas Christian University Southern YMCA branch.

The queen was named during the organization's annual membership. Queen of the branch which brings in the most members before the drive ends on Monday will be feted as city-wide YMCA queen. Miss Soles is the daughter of Mr. and Mrs. Adam Soles, Arah route, and a former holder of the "Miss Snyder" title.

Mrs. Rosson Guest Speaker At Meeting

Mrs. R. D. English was hosess to the Dorcas Sunday school class of the First Baptist Church yesterday afternoon at her home, 2304 Thirtieth Street.

Mrs. Renal Rosson was guest speaker, presenting a review of "The Man Called Peter." The Rev. G. M. Cole led the opening prayer, and Mrs. W. R. Bell, Sr., gave the devotional.

Refreshments were served to 21 members and three guests.

Beauticians Plan For Study Series

Plans to study a hair style each month were approved by the Snyder Beauticians' Unit at a meeting Wednesday night. The unit's meeting will be held in a different shop each month, with a hair style to be modeled during the meeting.

It was also voted to hold a social every three months. Reports were heard on National Beauty Salon Week, observed here last week. Viola Smith, president, directed the business meeting.

WHAT'S GOING ON

Henry T. Leach of Dumas visited Monday and Tuesday in the home of his sister and brother-in-law, Mr. and Mrs. B. M. Crews, 3202 Fortieth Street.

Mr. and Mrs. Joe Watson of Midland have visited in the home of Mr. and Mrs. J. W. Lewis, southwest of the city. They left Thursday to go to Fort Worth.

Mr. and Mrs. A. G. Dibble, 117 Browning, recently visited in Shreveport with Mr. and Mrs. Charles Murry and in Dallas with Mrs. Arthur G. Dibble and Mr. and Mrs. A. F. Altenag.

Mr. and Mrs. Roy Thornton of Baird recently visited with Mr. and Mrs. H. G. Thornton, Merrill Avenue.

Mrs. Clyde South, Hermleigh, has returned from Tulsa, Okla., where she visited her daughter and son-in-law, Mr. and Mrs. Charles Lee. Mr. South and Mike Soto of Hermleigh are spending the weekend at Possum Kingdom fishing.

Mr. and Mrs. Roland Sullenger of Post visited Thursday with Mrs. Sullenger's sister, and brother-in-law, Mr. and Mrs. H. W. Boss, Big Spring highway. They also attended the funeral of William D. Beggs.

Mr. and Mrs. George Dye and children, Eddie and Mary Lyn, of Midland, were weekend visitors in the home of Mr. and Mrs. John Dirickson, 2300 Avenue J.

Jeff Norris of Hermleigh was moved to his home from Battenfield-Jones Clinic-Hospital yesterday by Bolger ambulance.

Buddy Miles, 3011 Avenue M, was taken to the Veterans Administration Hospital in Big Spring this morning by Bolger ambulance.

Mrs. H. P. Brown, Mrs. Harry Ward, Mrs. Harold Brown, Mrs. Robert F. Wasson and Mrs. Milton Ford attended the Fashion Fiesta given by the Junior Service League in Abilene Tuesday. Mrs. Wasson went from Abilene to Mineral Wells, while Mrs. Ford returned to Snyder with the others.

Mrs. Herman E. Trigg, 909 Twenty-seventh Street, accompanied her parents, Mr. and Mrs. A. J. Strickland, to their home in Brownfield Wednesday. They had been guests in the Trigg home. Sunday visitors of Mr. and Mrs. Trigg were Mr. and Mrs. Fred Spencer of Brownwood.

'Good Friend' Unable To Get Case Delayed

TRINIDAD, Colo. (AP)—The man told Peace Justice Tony Barros yesterday he was sorry but Pete Santisteven, charged with running a stop sign, had been called out of town to tend an ailing relative.

He was a "good friend" of the defendant, the man said, and couldn't the case be continued.

Barros agreed, but at that moment Highway Patrolman James Hughes—who had arrested Santisteven—entered the courtroom and greeted the defendant by name.

Barros, who is blind, angrily fined Santisteven $10 and ordered him to jail for four days.

Old Executive Order Pulls Out Candidate

MILTON, Mass. (AP)—Joseph W. Leahy has withdrawn as a candidate for town meeting member because of an executive order issued 82 years ago by President Ulysses S. Grant.

The U. S. Civil Service Comission pointed out yesterday that the order prohibits persons from accepting or holding any office or position under a state, territorial or municipal government at the same time they hold federal office by appointment.

Leahy is a ship's allowance specialist for the Navy at the Fore River shipyard.

Add a little curry powder to the cream sauce you've made for boiled onions. Serve with broiled chicken and steamed rice. A green salad with coarsely grated carrot, or carrot curls, in it will add color and crisp texture to this menu.

Mr. and Mrs. Leon Ford, left, and Mr. and Mrs. Howard Myers, right, are shown at the reception which followed their double wedding Saturday in the Canyon Baptist Church.

Canyon Couples United In Double Wedding Ceremony

A double wedding performed at 5 o'clock Saturday afternoon in the Canyon Baptist Church united in marriage Howard Myers and Betty Koonce and Leon Ford and Sue Wishert.

The Rev. Jimmie Rogers of San Angelo, pastor of the church, officiated at the two double-ring ceremonies. Anna Marie Clements of Ira was pianist.

Mr. and Mrs. H. L. Koonce, 2204 Twenty-first Street, are the parents of Mrs. Myers. Mr. Myers is the nephew of Mr. and Mrs. Grady Moore, route 3. Mrs. Ford is the daughter of Mr. and Mrs. A. P. Wishert of Ira, and Mr. and Mrs. Kermit Ford, route 3, are the parents of the bridegroom.

For her wedding, Mrs. Myers wore a street-length dress of white lace with white accessories. Her corsage was of pink roses. Marie Myers of Portales, N.M., sister of the bridegroom, was her attendant. She wore a dress of teal blue with tan accessories and a corsage of white carnations.

Mrs. Ford chose a dress of pale blue faille with pink accessories and a corsage of pink roses. Carolyn Smith of Knapp attended her. She wore a pink frock with a corsage of white carnations.

Odell Cox of Snyder served both bridegrooms as best man.

A reception honoring the couples was held in the Ford home following the ceremony. The refreshment table was laid with a lace cloth, and a miniature bridal couple topped the two-tiered wedding cake. Mrs. Kermit Ford, Joan Ford and Mrs. Margaret Riley assisted in serving.

Following short wedding trips, Mr. and Mrs. Myers will be at home in Snyder and Mr. and Mrs. Ford will be at home in Ira. Mrs. Myers is a senior in Snyder High School. Mr. Myers attended schools in Portales, N.M., and is now employed by Canyon Trucking Corp. here.

Mrs. Ford is a junior in Ira High School, and Mr. Ford is a senior student there.

Out-of-town guests for the weddings included Mr. and Mrs. Weldon Ford of Abilene.

Something out of the ordinary to serve the family or friends while they watch favorite television shows are these cheese wafers. Serve them too as appetizers, or with salads or soups.

CHEESE WAFERS

½ pound sharp cheddar cheese, shredded
½ pound butter, softened
½ cup sifted powdered sugar
½ cup chopped pecans
3 cups sifted flour

Combine and cream together the cheese, butter, sugar and nuts. Add the flour gradually and shape the dough into four long rolls, one inch in diameter. Wrap dough in waxed paper and chill in refrigerator until hard. Slice into one-eighth-inch slices. Bake on a cookie sheet in a moderate oven (350 degrees) for 10 minutes or until the wafer is light brown. Remove with a spatula.

* * *

To make a really special filling for tarts or cream puffs, combine 1 tablespoon instant coffee with 1/3 cup firmly packed brown sugar, 3 tablespoons flour and a dash of salt in the top of a double boiler. Add 1 cup milk and 1 egg yolk, slightly beaten. Mix thoroughly. Place over rapidly boiling water on a top burner and cook for 10 minutes, or until thickened. Makes one cup of filling.

Book Review Presented At Meeting

"Never Victorious, Never Defeated" by Taylor Caldwell was reviewed by Mrs. Harold Brown for the Altrurian Daughters Club when it met Wednesday afternoon. Mrs. R. E. Patterson was hostess.

During the business session it was voted to send a letter of appreciation to Mr. and Mrs. D. M. Cogdell who have offered to build for women's clubs here a clubhouse. Mrs. Harry Ward directed the business discussion.

Mrs. Brown quoted from the opening portion of the review book a passage which in a sense sums up the book. It theorizes, "Man is never victorious, never defeated. The cheater yields up his loot to the cheated. Wisdom and folly can never be parted; the waters return to the hills where they started."

The book itself traces the history of the fictitious Interstate Railway from its establishment until the night of a banquet honoring its 100-year anniversary. Central figures in the story are the family and close associates of one founder of the railway, Aaron de Witt, as they struggle to get and keep for a while the controlling stock.

A salad plate was served to 12 club members by the hostess at the conclusion of the program.

Mrs. Cullum Is Hostess To Club

Mrs. Fred Cullum, 2707 Avenue O, was hostess to the Sunshine Pal Club for a luncheon and afternoon of entertainment yesterday.

House decorations featured a Saint Patrick's Day theme. The luncheon tables were laid with dark green cloths and held centerpieces of paper four-leaf clovers in small flower pots. Bingo and canasta were played during the afternoon.

Club members attending were Mrs. Ann Kent, Mrs. Lou Lynch, Mrs. Elizabeth Atchison, Mrs. Grace Roberson, Mrs. Jewel Griggs, Mrs. Isell Baker, Mrs. Ed Marshall, Mrs. Lucille Adkins, Mrs. Carolyn Harrington, Mrs. Joyce Hollabough, Mrs. Mozelle Ferguson, and Mrs. Dell Smith.

Salad shortcut: when you are preparing cole slaw for a crowd, put the cabbage through the coarse blade of your food chopper, then mix with dressing and seasoning and refrigerate until serving time.

Quick supper: Heat a can of chili con carne and one of drained white or red kidney beans together; turn into wide serving dish. Arrange canned tamales, that have been heated, spoke fashion over the chili and beans and sprinkle center with grated Parmesan cheese. Accompany with celery, pickles and olives and a tossed green salad.

Presbyterian Circles Meet

"Ethics and Business" was the study topic for the three circles of the Presbyterian Women's Organization which met Tuesday.

Mrs. Frank Butler was hostess for the Morning Circle, with Mrs. James Kincaid giving the lesson program. She stressed the effects on the homemaker of today. Mrs. Bill Jones was introduced as a new member, and Mrs. Myrtle Kennedy, Mrs. Butler's mother, was a guest. Six members attended.

The Afternoon Circle met with Mrs. C. R. Roberson. Mrs. John R. Covey, Sr., was program speaker, stressing the important role advertising had on the family of yesterday and the modern family. Mrs. C. A. Likes directed the Bible study. Mrs. Fred Cullum reported that scouring pads being sold by the Circle were selling well and were to be re-ordered. Guests at the meeting were Mrs. Lynn Henderson and Mrs. R. C. May. The hostess was assisted by her daughter, Mrs. May, in serving refreshments. Eleven women attended.

A new project was discussed by the Evening Circle when it met with Mrs. Elmo Weyel as hostess. Mrs. Harold Parsons directed the lesson and Mrs. R. B. Fulcher led the Bible study. Refreshments were served by the hostess to seven members.

Several Factors Contribute To Delay On Harlan Approval

By JOHN CHADWICK

WASHINGTON (AP) — Nearly four months have passed since President Eisenhower nominated Judge John Marshall Harlan, of New York, to be a Supreme Court justice.

Adding another to the series of delays, the Senate Judiciary Committee met yesterday without acting on the nomination. Instead, it set next Wednesday for a vote on whether to recommend Senate confirmation.

What held up Senate action so long on the appointment of the 55-year-old lawyer — especially when no one questioned his integrity or his legal ability?

The shift in control of Congress from Republicans to Democrats was one reason. The Judiciary Committee had to reorganize.

But of more importance was a controversy that sprang up reminiscent of the angry Senate battle last year over the proposed constitutional amendment of Sen. Bricker (R-Ohio) to curb treaty powers.

It dealt with Harlan's views on world government and on whether treaties might override the United States Constitution and state laws. It was raised by his membership on the National Advisory Council of the Atlantic Union Committee.

Harlan denied he was a "one-worlder," and said he did not favor any surrender of American sovereignty. He said he had not been active in the Atlantic Union group, and had not even paid dues.

Suggestions also have been advanced that this controversy was seized on by some Southerners on the Judiciary Committee who wanted to avoid raising the school segregation issue. This the Southern senators denied.

Harlan is the grandson and namesake of a Supreme Court justice who wrote a vigorous dissent in an 1896 decision upholding the doctrine of separate but equal facilities for the races.

That doctrine, first applied to transportation, also affected schools until last year when the Supreme Court unanimously outlawed racial segregation in the public schools.

In the Judiciary Committee's hearings on the nomination, concluded a week ago, Sen. Eastland (D - Miss) asked Harlan if he thought the Supreme Court should change established interpretations of the Constitution in accordance with the economic, political or sociological views of judges on the court.

With a smile, and taking off his spectacles, Harlan answered: "To lay that question bare, you are asking me how I would have voted on the segregation case if I had been a member of the court?"

Eastland insisted he was just asking a general question and dropped the subject.

The court has been without its full membership since the death of Justice Robert H. Jackson last October and, while waiting for the vacancy to be filled, has postponed arguments on how and when its ruling in the school segregation case is to be put into effect.

Harlan had been confirmed by the Senate—in February 1954—for his present job as a judge of the 2nd U.S. Circuit Court of Appeals in New York when Eisenhower decided to elevate him to the Supreme Court. Spokesmen for the American Bar Assn. and the New York State Bar Assn. hailed the appointment.

A member of a prominent law firm in New York City, Harlan had wide experience as a trial lawyer before he went on the bench. He also had been counsel for the New York State Crime Commission.

One of the chief opposition witnesses was George Racey Jordan, an ex-Air Force major and supporter of Sen. McCarthy (R-Wis). He appeared as spokesman for the American Coalition, an organization with the avowed aim of keeping "America American." He said Harlan might supply the vote necessary "to abolish the United States by judicial decision."

He referred to a case involving the refusal of a cemetery in Sioux City, Iowa, to bury an American Indian killed in the Korean War, because of a racial restrictive clause in its contract.

The Iowa Supreme Court upheld the cemetery in a damage suit brought by the soldier's widow, and the Supreme Court by a 4-4 vote let the ruling of the state court stand.

Cullen Says School Still Needs Money

HOUSTON (AP)—Oilman Hugh Roy Cullen said yesterday he already had given the University of Houston 11 million dollars plus oil leases and royalties.

He said he had "succeeded in giving away 93 per cent of my worldly goods" and that the university needed more money for operating expenses. Exaggerations about his gifts, he said, created a false impression that the school was fixed financially forever.

Mississippi Gas Chamber In Use Again

PARCHMAN, Miss. (AP) — Mississippi's new lethal gas chamber claims its second victim today when Allen Donaldson, a Louisiana Negro, is executed for robbing a white woman.

Donaldson beat the woman and fled with her purse. It contained one nickel. He was convicted of armed robbery, punishable by death in Mississippi.

The woman recovered from the beating.

Gerald Gallego, executed yesterday, was the chair's first victim. He killed a constable who tried to arrest him and later a Jackson jailer who sought to prevent his escape from the Hinds County Jail.

When he walked into the small execution room yesterday, Gallego, a 26-year-old Californian, bore no resemblance to the bank robber and killer who terrorized the Mississippi Gulf Coast.

He smiled and offered to help attendants, new at the job, tighten the leather straps around his chest and legs.

He recited the 23rd Psalm—"The Lord is my shepherd, I shall not want"—as the executioner pulled a lever and released pellets of cyanide into a pan of acid beneath the wooden chair.

A few weeks ago Gallego cursed and blasphemed during prison Sunday school services. Yesterday, he told how Dr. Kermit Canterbury, a Baptist minister, brought him back to God.

"There's no words whatever to describe the feeling when you accept Christ as your savior," Gallego told newsmen.

Dr. Canterbury called it the "greatest conversion I've ever seen."

In 1953, the average American consumed 688 pounds of milk, compared to 800 pounds at the beginning of World War II.

Huge Lodger Back In Jail

PIKEVILLE, Ky. (AP) — A 300-pound motel owner, who felt jail would be more comfortable with warm showers, a roomy bed and better food, is back for 30 days.

Hiram Bailey was sentenced yesterday for selling liquor in dry territory. He pleaded guilty after being warned a jury trial might cost him a year in the jail.

During a 60-day stay on a similar charge last year, Bailey went all the way to the Court of Appeals in an effort to have a shower and a bed more suited to his 6-foot-2 frame installed in jail—at his own expense.

He was particularly annoyed with the steel cot provided him in place of a cell bunk.

"I sorta rose up to sneeze and it collapsed."

As for the food, Bailey said he was on a diet, a diet which "does not include soup, beans and potatoes, the major items of food served prisoners."

The high court unfeelingly turned him down. "Poor sportsmanship," replied Bailey. "I wanted to spend my own money for my good and that of the other boys and they wouldn't let me."

Jailer Frank Coleman says his king-sized prisoner has made no requests as yet for additional comforts. And it wouldn't help if he did.

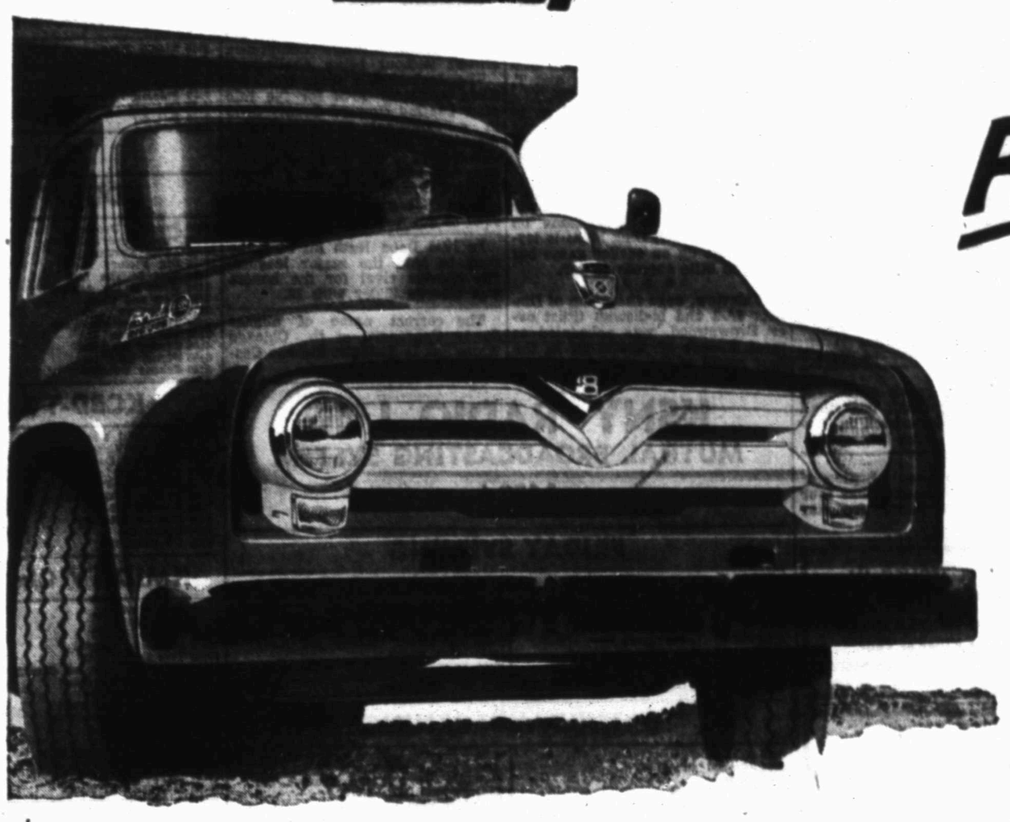

"It doesn't make any difference how much money they got, everyone in Pike County Jail gets treated the same," he said.

ALAN SNEAD
. . . starting hurler

Tiger Nine To Open Season Tomorrow

Baseball season will open for the Snyder High School Tigers at 2:30 o'clock tomorrow afternoon when they host Midland in a doubleheader.

The game will be played on the baseball field at Towle Memorial Park, where all home high school games will be held this season.

Alan Snead, junior letterman, has been listed as starting pitcher in the first game by coaches Speedy Moffett and Horrace Bostick. Snead was used more than any other hurler last year. He finished the season with a 5-5 record. Other pitchers are all sophomores. They are Ronnie Baker, letterman who had a 1-0 record last year; Dwayne Prince, letterman whose record was 0-5 last year; and Milton Ham, who had had Pony League experience.

Other starters will include Don McNew, junior, as catcher; Jack Spikes, junior, at first base; Tommy Prichard, sophomore, at second; Jimmy Bryant, sophomore, or Tom Falls, sophomore, at third; Joe Reaves, sophomore, at shortstop; Jerry Taylor, junior, at left field; Bernie Hagins, senior, at center field; and Joe Baxter, junior, at right field.

Most of the starters had experience with the squad last year. The team last year had an 8-14 record for the season. That was the first year in three the Tigers had had organized baseball here.

Other squad members are catchers Bobby Staton, freshman, and Bob Coffee, junior; first baseman Pat Fowler, junior; second baseman Joe Overton, freshman, David Hale, freshman, and Gary Vice, freshman; third basemen Bob Joines, sophomore; shortstop Neal Boyd, freshman; and outfielders Shorty Grimmett, junior, Arnold Chick, sophomore, and Jack Chastain, sophomore.

Wayland Pioneers To Enter NAIA Tourney

PLAINVIEW (AP)—The independent Wayland College Pioneers will represent Dist. 8 in the National Tournament of the National Assn. of Intercollegiate Athletics next week at Kansas City.

The Pioneers, who disposed of Midwestern earlier in the week, wrapped up the district bid last night with a 101-94 victory over McMurry of the Texas Conference.

Romans Leads Baton Rouge

By W. B. RAGSDALE JR.

BATON ROUGE, La. (AP)—Walter Romans, a working professional who plays in a few tournaments, today led the big name pros into the second round of the fourth annual $12,500 Baton Rouge Open Golf Tournament.

The 37-year-old Baltimore professional topped the better-known pros with a 7-under-par 65 yesterday as the money players gave the par 72, 6,450-yard Baton Rouge Country Club course a fearful working over.

In all some 70 golfers hit par 72 or better.

Romans shot par 36 for the first nine holes but sizzled over the back nine with seven birdies and two pars for 29. Tourney officials said it was a course record.

Bunched one stroke behind Romans were Bud Holscher, Paul McGuire and Marty Furgol.

Five more were right behind at 67. They were Wally Ulrich, Jerry Barber, Jack Fleck, Bill Nary and Jack Burke Jr.

Mike Souchak of Durham, N.C., and Bob Toski of Livingston, N.J., two pre-tourney favorites, were back of the pace but still in the running.

Souchak had a one-under par 71 while Toski, defending champion, was one stroke better than 70.

Also strongly in the running were Ed Furgol, Cary Middlecoff, Freddie Haas, Shelley Mayfield, and Dow Finsterwald. They all shot four-under-par 68s.

Majors Look For Sleepers

By ORLO ROBERTSON
The Associated Press

There isn't a major league manager who doesn't hope that a sleeper, such as Mickey Mantle, Bob Grim, Wally Moon or Willie Mays, turns up among the rookies striving to make baseball's big time.

That's the reason Manager Birdie Tebbetts of Cincinnati is taking a long and good look at Bob Thurman, Chuck Dressen of Washington thinks highly of Bob Kline and Walt Alston wouldn't be surprised if Bert Hamric made the Brooklyn varsity.

You'll recall that Mantle jumped all the way from Class C into the Yankees' center field, Grim had played only one year of organized ball before compiling a 20-6 record for the Yankees and winning Rookie of the Year honors in 1954, Moon wasn't even on the Cardinals' roster until the opening day last year and Mays was so lightly regarded he wasn't in the Giants camp in 1951—the year he made his debut.

Tebbetts, already blessed with plenty of long ball hitters, figures the Redlegs have another in Thurman ,32-year-old Negro outfielder who admits he has "just about given up on ever getting into the major leagues."

Thurman, signed as a free agent after Tebbetts watched him pound the ball in the Puerto Rican winter league, also can play first base and pitch, if necessary. He hit .323 and had a 2-0 pitching record in Puerto Rico.

The Senators' high command thinks "we may have landed a bargain" in Kline, who hit .319 as a Yankee farm hand with Birmingham last season. He is given a good chance of making the grade at shortstop.

Hamric hasn't much chance of breaking into the Dodgers' Sandy Amoros-Duke Snider-Carl Furillo outfield combine, but he figures to make a battle of it for one of the reserve spots. The Sandy Fork, Va., native, who hits from either side of the plate, has power as attested by a dozen homers in a half season at St. Paul last year. Before a fractured hand put him out of commission, he hit .350.

The news was good from a number of camps where holdouts had been causing concern.

Minnie Minoso, the No. 1 White Sox holdout who had asked for a 100 per cent boost, finally settled for a $7,500 increase. That raised his salary to a reported $32,500.

Baltimore ended its holdout troubles with the signing of pitcher Lou Kretlow for $10,000. Catcher Sammy White was expected to write his signature on a Boston Red Sox contract today after holding out until the club approved his playing of basketball during the off season. The Red Sox also signed rookie pitcher George Susce.

But the biggest holdout of them all—the mighty Ted Williams—still hasn't put in his appearance at the Red Sox Sarasota camp.

And the Pirates have an $18,000 pact waiting for their sluggihg outfielder, Frank Thomas. But in Pittsburgh Thomas said he has had no official word on the contract.

City League Nearing Its Final Rounds

Which teams will meet in the finals of the city league basketball tournament will be decided tonight.

Two teams which have been defeated once each in the double elimination tournament will meet at 7:15 o'clock tonight in the Hermleigh gymnasium. Those are Chuck Wagon and Brooks Oil Well Service.

The winner will meet Hermleigh in the championship finals.

Hermleigh last night defeated Cuck Wagon in semin-finals 60-58 in a game which was close all the way. There was very few points' difference at any time in the game. At the half, Hermleigh was leading 29-27. Ray Isaacs led the winners with 26 points, followed by Bill Voss with 19. Overturf had 19 and Sampson 16 for Chuck Wagon.

Also in last night's play, Brooks eliminated D&H Super Market 80-40. Brooks had a sizeable lead all the way. Bill Couch led the winning team with 26, while Bobby Shipley had 21 and Tillman 16. Leading D&H were Joe Cargile with 13 and Royce Burrows with 11.

Either Chuck Wagon or Brooks will be eliminated tonight. The winner and Hermleigh will meet tomorrow night. There is a possibility that the finals will run into two games. If Hermleigh should be beat tomorrow night, it will have suffered only one loss, so another game would be required to complete the double-elimination process. Should that occur, the final game would probably be scheduled for Monday or Tuesday night.

Volleyballers Go To Odessa

The Snyder Tigerettes, high school girl volleyball players, will be in Odessa tonight for two games.

The B team will meet the Odessa B at 7 o'clock, while the varsity squads will clash at 8.

Monday night, the Snyder varsity edged Odessa 23-22. Odessa had previously downed Snyder in a game. The Snyder B lost to the Odessa B in a close game.

Porbably starters listed by coach Mrs. Bertie Machel for the varsity team were Mickey Gillean, Sandra Scott, Ramona Thompson, Carol McKinney, Carla Swan, and Rita Grimmett.

Kenny Neumann of Richmond, Calif., began bowling in 1952 when he was only 10. His prizes already include a foreign sports car.

Sandy Amoros is the smallest player on the Brooklyn Dodgers' roster. He is only 5 feet 7½ inches tall.

MARY TURNER
. . . Ira starter

IRA CAGERS, BLEDSOE IN REGIONAL

Ira's high school girl basketball team will face one of its most crucial tests of the season at 8:30 o'clock tonight.

At that time it will go into a first round game against Bledsoe in the regional Class B cage tourney, being held in Canyon.

Eight teams were to enter the tournament, which was to start at 3:30 o'clock this afternoon. First round games were to be Silverton vs. Stratford, Rochester vs. Sammorwood, Cotton Center vs. Rochester, and Ira vs. Bledsoe.

All of the teams in the regional tourney earlier this week won bi-district championships. Ira's bi-district win was 58-41 over Hobbs. Ira had won the title in District 16-B, Hobbs in 15-B.

If Ira wins tonight's game, it will meet the winner of the Roosevelt-Cotton Center game at 11:15 o'clock tomorrow morning. Finals will be held at 8:30 o'clock tomorrow night, while a consolation game, matching losers of the two second round games, will be played at 7 o'clock.

The Ira team, which has won 30 games and lost only four this season, is coached by Miss Betty Gandy, assisted by Bill Allen. Probable starters for tonight are Baleria Eubank, Peggy Taylor, and Jo Ann Ford at forwards and Dixie Lee Kimmel, Mary Turner, and Nita Thomas at guards. Others are Genella Vinson, Olivia Vinson, Jo Ann Brooks, Mary Nell Mosley, Margaret Clinkenbeard, Darla Bryant, and Barbara Martin.

ABOVE THE BLEACHERS

By DALE WALTON

The Lamesa track team, which will be here next Saturday for the third annual Canyon Reef Relays, downed Seminole's squad Tuesday 69½-56½ in a dual meet.

Lamesa got seven first places out of 13 events run off in the meet.

Among times turned in by Lamesans were 10.7 seconds on the 100-yard dash by John Middleton and 54.4 on the 440-yard run by Charles Zeeck. Those are both fairly close to the Canyon meet's records. Fair times were put in on other running events by the Lamesa teamsters, but none as close as these two.

* * *

The Big Spring Steers, which will host the Snyder Tigers in a doubleheader baseball event next Saturday, downed Andrews 10-2 Tuesday in its opening game.

The Steers used three pitchers in the game who gave up only two hits among them. They were Sidney Butler, Thomas Lynn, and T. L. Kennedy.

The Big Spring team will go to Midland next Tuesday to meet the same team the Tigers are hosting tomorrow.

* * *

Wichita Falls, a member of Snyder's baseball district, has Bowie scheduled for its first game on March 15. Coach Dick Moss is trying to line up an earlier game but has had little success so far.

* * *

Plainview, cage champion of District 3A-1 and bi-district titlist over Brownwood, was scheduled to meet French of Beaumont in the first round of the state tourney at 3:15 o'clock this afternoon.

* * *

Midland's track team, rapidly becoming a favorite to win the Canyon Reef Relays here next Saturday, whipped Odessa's track squad 73-45 Wednesday.

Included in the events won by Midland were the mile relay in 3:36.7 and pole vault by Larry Palmer in 12 feet, four inches. The Canyon record on the mile relay is 3:39.5, while its mark on the pole vault is 11 feet, 6 inches.

Jayhawks Lose Out

COLLEGE STATION (AP)—The Bearcats from Lon Morris won the basketball championship of the Texas Junior College Conference almost without being challenged.

The Jacksonville team trampled Allen Academy 93-54 for the title after beating Howard County 84-73 in a semifinal game yesterday morning. The Bearcats jumped ahead 50-16 in the first half of that one, but had to put off a strong Howard County rally.

Allen Academy beat Texarkana 69-67 to get a chance at the title.

In 1920 Babe Ruth hit 54 home runs to lead the major leagues. His nearest rival for the honors was George Sisler with 19.

The correct name of pitcher Sandy Consuegra of the Chicago White Sox is Sandalio Simeon Consuegra.

Upper Classes Get Into Battle Today

By HAROLD V. RATLIFF

AUSTIN (AP)—Rocked by the upset of two of the highest rated teams in the state, the Texas schoolboy basketball tournament moved into its upper classes today to see if the favorites can stand the pace.

Emphasis was on Class AAAA where a questionable ankle may write the story of whether Crozier Tech of Dallas is to become champion and uphold lavish predictions.

A. C. Black, the 6-foot-9 all-state center, is going to start the game but Coach Rosy Adkisson isn't certain if he can last and if his sprained ankle will permit him playing at the speed necessary if Tech is to win its opening game—a battle with Beaumont's Royal Purple.

Meanwhile finalists in Classes AA and A looked toward championship games.

Seminole shocked the fans last night with a 60-56 upset of Atlanta, which had been rated the best chance to succeed in Class AA. Previously Sudan, ranked No. 1 in Class A, had taken it on the chin from Dickinson 55-51.

Thus both classes will have dark horses in the final games. Dickinson plays Buna, which downed Plano 56-48. The Class A final is scheduled tomorrow afternoon at 2:25 o'clock.

In Class AA it's Seminole vs. San Marcos. San Marcos bounced Freer out of the tournament last night 62-30 with a fearsome show of power. San Marcos and Seminole decide their championship at 3:45 p.m. tomorrow.

Class B eliminated down to the semi-finals. Bovina was awesome in crushing Rankin 79-41. Big Sandy was slick was a 65-49 decision over former champion Slidell, Medina nosed Dilly 52-51 in an overtime game and Avoca sat back in a shell and beat Maud 51-40.

Bovina met Big Sandy this morning with Medina clashing with Avoca to set up the championship final tomorrow afternoon at 1:05.

Black worked out yesterday afternoon here and Adkisson said he was greatly improved. But he feared the great center might not be able to go at top speed both because of a layoff from work this week and because the ankle still pains some.

Tech and Beaumont clash at 7:30 tonight in the opening game of Class AAAA. At 8:50 defending champion Pampa, fit as a fiddle and ready to go after its third straight title, takes on Waco.

Class AAA is in action the first time this afternoon. Plainview, the favored team, clashes with highly regarded French of Beaumont at 3:10 while Kilgore and Victoria clash at 4:35. The winners play for the title tomorrow night at 8 o'clock.

Two consolation games are scheduled today with Sudan and Plano deciding third place in Class A at 11:35 a.m. and Atlanta and Freer doing the same thing in Class AA at 145 p.m.

Ed Young, 6-3 center, led Seminole to its glittering triumph over Atlanta. The Indians roared back in the last half and fought off a frenzied Atlanta finish to take the decision. Young scored 24 points and was death on the rebounds.

Dickinson utilized a zone defense and worked like mad getting and holding the ball to turn back Sudan. Dickinson's players were shorter but they were faster and worked harder. About the only consolation Sudan got was that its Podd Hill set a record for free throws in one game in Class A. He made 10 and that wiped out the old mark of nine held by Dean Morrison of White Oak.

The Medina-Dilly game was the thriller of the day and night. Henry Zumwalt sank a free throw with only eight seconds left to give the Bobcats victory. Dilley had rallied in the final minutes to tie the score at 47-47. In the overtime Don Lesturgeon made four of five Medina points to make the major contribution toward winning the game.

Indiana University has qualified for the NCAA basketball title twice, in 1940 and 1953, and has won the championship both times.

Rebels Show Up In Dixie's Eliminations

By ED WILKS
The Associated Press

A couple of rebels have popped up down in Dixie, where the Atlantic Coast and Southern conferences are picking their entries in the NCAA Basketball Tournament by the simple process of elimination.

Three of the ACC's top-seeded teams rolled through their first round games in the title tourney yesterday, but Virginia dumped third-ranked Maryland 68-67 in overtime.

There wasn't a genuine upset in the Southern get-together, but Washington and Lee's ambitious sophomores proved they were in the scrap to stay by humbling Furman and All America Darrell Floyd 97-67.

Virginia finished sixth during the regular ACC season race and lost two meetings with the Terps. But Bill Miller, a 5-9 sophomore guard, ended all that by sinking two foul shots with 17 seconds left in the extra period after tying the score at 59-all in regulation time.

In other ACC games, which went as expected:

Favored North Carolina State, fifth ranked in the Associated Press poll, set a tourney record with a 101-76 victory over Clemson. The Wolfpack called back their regulars to salt it away with 32 points in the final 10 minutes. Ron Shavlik, second team All America, scored 27 for the winners while Clemson's Bill Yarborough hit for 34.

If NCAA-ineligible NCS (on probation on a "tryout" charge) wins the tourney, incidentally, the runner-up will head for the NCAA play.

Second-seeded Duke had no trouble beating South Carolina 83-67 and lefty Davis and Dick Hemric carried Wake Forest past North Carolina 95-82. Davis, 6-2 and 152 pounds, slipped through the Tar Heels for 32 points, one less than totaled by second-team All American Hemric.

Tonight's semifinals pair Wake Forest-North Carolina State and Duke-Virginia.

In the Southern, Washington and Lee's youngsters stayed hot after a fast close in the regular season race and qualified as the title dark horse. The Generals clamped down on Floyd, the nation's top scorer, for a lean total of 20 points while leaving the top offensive team in major college history far behind.

While Floyd hit on just six of 33 field attempts, W&L's Lee Marshall and Dominic Flora gathered a total of 47 points. The Generals' total set a Southern Conference tourney record.

The other games: Rod Hundley scored 27 as West Virginia defeated VMI 73-66, George Washington defeated Davidson 74-36 after shaking off a first half freeze; and Warren Mills hit at crucial moments for 22 points in Richmond's 90-75 success over William and Mary.

In the semifinals tonight, West Virginia meets Washington and Lee and Richmond plays George Washington.

Elsewhere last night, Wichita greeted Oklahoma City University, named earlier as an NCAA at-large entry, with a 69-59 defeat, and Dayton bopped Seton Hall 85-67 in a game between two NIT entries.

CHURCH NEWS

Complaint Is Filed Against Italy Police

ROME (AP)—The American-backed Church of Christ filed a complaint today against Italian police who twice tore down the church's bronze sign and took two of its members into temporary custody.

Despite the police action yesterday, the Protestant sect displayed a sign—of sorts—on its Rome headquarters today. Members painted "Chiesa di Cristo" (Church of Christ) on cardboard and hung it from a window.

Two police agents standing outside the building did nothing about it.

The church complaint, alleging police violence, was filed with Italy's prosecutor general in Rome by Giacomo Rosapepe, the sect's attorney.

Police removal of the church's bronze sign was the latest in a long series of clashes involving the Church of Christ. It came on the heels of a Rome court decision affirming the right of the church to practice and to display signs on its places of worship.

Despite the court decision, police promptly tore down the bronze sign the group's members had just affixed to their building. It was the third time the police, who operate under the Ministry of Interior, had ripped down the sign. The ministry, headed by Premier Mario Scelba, is in charge of non-Catholic cults. Catholicism is Italy's state religion.

The Church of Christ was first established in Italy after World War II. It now has churches in some 30 Italian cities and towns and claims several thousand members.

So far it has been unable to obtain judicial recognition from the Interior Ministry, which would permit it to operate freely and would exempt it from taxes.

Those arrested yesterday were a preacher, Gerald Paden, of Lubbock, Tex., and Mrs. Visma Pollipoli, whose husband is an Italian helper in the church. They were released after being held for five hours. Paden's brother Cline, of Brownfield and Lubbock, is one of the pioneers of the sect in Italy.

Rosapepe said Interior Ministry officials told him last night that if he would file a request for a sign it would be granted.

"I refuse to do that," the attorney declared. "We have won a judicial decision and the police must abide by it."

19,000 Hear Billy Graham

NEW YORK (AP)—Evangelist Billy Graham addressed more than 19,000 persons last night at Madison Square Garden while 8,000 more who couldn't get into the packed arena stood listening outside via loud-speakers.

The Garden had the aspect of a church during the two-hour meeting. There was no applause for speakers or singers on the program.

Before the main rally, Graham went outside to speak to the overflow crowd.

He said at the rally that both President Eisenhower and Sir Winston Churchill believe the salvation of the world lies in a religious revival. New York City, he said, needs such a revival as much as any city. "We'd better get started," he said.

Speaking of the fear engendered by the hydrogen bomb, he said "For the first time we are fighting with our backs to the wall."

The H-bomb did not "make itself," he said, but was made by man — and "there's something wrong with man."

About 2,000 persons responded to Graham's urging for converts and his plea to "publicly acknowledge God."

Ordination Service Set

A joint ordination service will be held in the North Side Baptist Church at 2:30 Sunday afternoon.

In the service, the Rev. Ethridge Strickland is to be ordained by the North Side church, the Rev. Bill Roberts is to be ordained by the First Baptist Church in Fluvanna, and the Rev. R. E. Tarrant is to be ordained by the Grace Baptist Church in Odessa. Rev. Strickland, a former Snyder resident, is pastor of the Odessa Missionary Baptist Church. The other two men are pastors of the churches by which they are to be ordained.

Deacons and preachers from churches in the North Colorado Association of Missionary Baptist Churches will form a presbytery to direct the ordination service. From the presbytery, men will be elected to examine the candidates, to pray the ordination prayer, to present the charge to the churches and to the candidates, to preach the ordination sermon, and to act as moderator and clerk.

Delegates To Attend Spring Convention

The Spring convention of Christian Churches in District 4 will open in Big Spring Wednesday. Several members of the First Christian Church here plan to attend, the Rev. Glenn Ricketts, pastor, said.

Both state and national workers will help with the convention, which will continue through Thursday for ministers and department chairmen of the churches, Rev. Ricketts said. The convention is designed to give opportunity for the churches to have fellowship together, and above that, to acquaint the people with the future proposed program of emphasis for the churches, Rev. Ricketts added.

Guild Holds First Meeting On Monday

The Guild of St. Mary Magdalene held its first meeting Monday morning at St. John's Episcopal Church.

The Guild is to meet in the future on alternate Mondays at 10 a.m. at the church, and any interested persons will be welcome to attend, a spokesman said. The Guild is designed primarily to serve as a prayer group. The Woman's Auxiliary of the church will continue its established work.

Area Bible Fellowship Slated Here

The Central West Texas Baptist Bible Fellowship will convene for its monthly meeting Tuesday at the Calvary Baptist Church, 2300 West Thirty-fifth Street.

Morning services will begin at 10 a.m. and last until noon. Dinner will be served in the church to out-of-town visitors and other persons attending by the women of the church. The afternoon session will begin at 1:30 p.m., with the benediction slated for 3:30.

About eight Bible messages will be delivered during the day on different themes, the Rev. T. Gerald Cates, pastor, said. Preachers, deacons and laymen and laywomen are expected to attend from Sweetwater, Abilene, Merkel, Coleman, Brownwood, San Angelo, Leuders, Lubbock, and possibly other towns. There will be special and congregational singing also.

The public is invited to attend this series of services, Rev. Cates said. The services are planned to be doctrinal and inspirational, he added. Rev. Cates is to speak at all services of the Calvary Baptist Church Sunday and on the Word of Life broadcast at 8:30 a.m. Sunday.

Killam Leads Study Group

George Killam led the adult study group in the first of a series of four study sessions Wednesday night at the First Presbyterian Church.

Beginning the study of "Man and God in the City," Killam presented background material, explaining how cities had their origin, why we have cities and various problems which confront the church in its efforts to serve these people.

Mrs. R. B. Fulcher led the discussion group for the youth of the church, James A. Walker the junior group, and Mrs. John R. Covey, Sr., and Mrs. Ben Brooks the primary group. Mrs. Herbert Feather and Mrs. James Kincaid were hostesses for a covered dish supper preceding the study. The supper and study will be held each Wednesday night during March.

It was announced that a congregational meeting has been called for 3 p.m. on March 13 by the session. James Rosser led the closing prayer.

Study Course Is Scheduled

A four - part study on "Jesus' Teachings Concerning Women" will begin at 7:30 Monday night at the Trinity Methodist Church.

The study programs will be held each Monday night through March at the church, with all women of the church and others invited to attend. A nursery will be provided. The conclusion of the study will be marked by a silver tea at which Mrs. J. T. Bartell is to review "Song of Ruth."

Mrs. E. B. Boone will be study leader. Assisting her in the opening study will be Mrs. Troy Stephenson, Mrs. Judy Wilson, Mrs. Lloyd Weathers, Mrs. Jeff Brown, Mrs. Ted Zeck, Mrs. B. E. Byington, Mrs. W. M. Starnes and Mrs. B. W. Lewis.

This study is one of those suggested for Women's Society of Christian Service groups.

13 From Church Here Attend District Meet

Thirteen men from the First Christian Church here attended a district Christian Men's Fellowship rally Monday night in Big Spring. This was the largest representation from any church in the district with the exception of the host church.

Snyder men attending were D. L. Harlin, Sr., H. A. Johnson, A. T. Nicholas, E. Earl Brown, A. B. Baze, John Boren, Jack Shelley, A. Lee Pitman, Hugh Taylor, Jr., H. F. Moomey, W. T. Davis, Jr., Malven Stevenson, and the Rev. Glenn Ricketts.

Dan Durway To Be In Pulpit Sunday

Dan Durway will be guest minister at the First Presbyterian Church Sunday morning.

Durway, a native of Fort Worth, attended Texas Christian University and the University of Texas before entering the Austin Presbyterian Theological seminary. Now a second-year student at the seminary, Durway is serving as parliamentarian of the student body. Last summer he worked in the state hospital at Rusk and supplied the pulpit of the First Presbyterian Church in Henderson.

SERMON TOPICS

"Why Have A Revival?" will be the sermon of the Rev. Glenn Ricketts at the 11 a.m. worship service of the First Christian Church. At 7 o'clock Sunday night he is to speak on "Marching Orders."

* * *

Ted Norton, minister of the Twenty-fifth Street Church of Christ, is to speak on "Why Be A Christian?" at the 10:45 Sunday morning service. His topic at 7 p.m. will be "Consider Jesus." Bible study classes meet at 9:45 a.m., with training classes at 6 p.m.

Auxiliary To Meet

"The Christian and Citizenship" will be the theme of a program to be directed by Mrs. Harland Birdwell for the Women's Auxiliary of St. John's Episcopal Church Monday afternoon. Mrs. R. G. Wilson will present the devotional. Mrs. Ed Aldridge will be hostess for the meeting, scheduled for 3:30 at the church.

Dean To Speak At Meet In Corsicana

The Rev. Jack Dean, pastor of the North Side Baptist Church, will be among the speakers at an evangelistic conference at the Missionary Baptist Church in Corsicana next Thursday and Friday. Rev. Dean will be among several preachers from the North Colorado Association attending the conference. He is scheduled to speak at 2:30 Thursday afternoon.

General CWF Meet Is Set For Monday

Mrs. Mary Barry of San Angelo, district secretary for the Christian Women's Fellowship, will speak at a general meeting of the First Christian Church Women's Fellowship here Monday night.

The program will be preceded by a pot luck supper starting at 6:30. Mrs. H. A. Johnson, Jr., is to be worship leader and Mrs. W. W. Milburn will serve as hostess.

Bake Sale Slated Saturday Morning

Mrs. Jack Lipscombe and Mrs. Bob A. McAlister will be in charge of a bake sale to be held at Everybody's Grocery Saturday morning.

The sale is under the sponsorship of the mothers of St. John's Episcopal Church. Proceeds will be used to equip the church building with screens to divide Sunday school classrooms.

Who Is A Christian? (No. 3)

THE CHRISTIAN BELIEVES AND PRACTICES THE TEACHING OF CHRIST. The Savior said: "Seek ye first the kingdom of God, and his righteousness." (Matt. 6:33). Note how this doctrine of "first things first" should regulate our lives:

IN THE HOME, A CHRISTIAN HEEDS CHRIST'S ADMONITION. There is the husband-wife relationship (Eph. 5:22-33); the child-parent relationship (Eph. 6:1-3); and, the parent-child relationship (Eph. 6:4). The Christian conducts himself justly, kindly and lovingly to other members of the family, first of all, out of consideration for Christ and secondly for their happiness. When wrong is committed, the Christian makes reparations promptly, willingly, and thoroughly, out of respect for the Lord. Such devotion in putting first things first makes a home happy and Christian.

IN THE CHURCH, A CHRISTIAN RECOGNIZES CHRIST AS THE HEAD" (EPH. 1:22,23; COL. 1:18). In name, worship, organization, doctrine and life, the New Testament reveals the will of Christ (2 Tim. 3:16,17). To omit any of His directives or to add to what He has omitted is to repudiate the Divine Head (2 John 9) and it results in not having God's benedictions. For this reason a Christian worships Him in "psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord." (Eph. 5:19). To substitute for or add any other kind of music to singing is presumptuous and places human wisdom above God's (2 John 9.)

IN SOCIETY, A CHRISTIAN PUTS CHRIST FIRST. If he is an employee, he gives his employer the same faithful service in his absence as in his presence (Eph. 5:5-8). If he is an employer, he pays a just wage and gives proper consideration (Eph. 5:9; Col. 4:1). Similarly, he obeys the laws of the land with the same diligence (Rom. 13:1-7). A Christian realizes he is under the oversight of the Lord at all times.

NINETEEN HUNDRED YEARS AGO THE CHURCH OF CHRIST WAS ESTABLISHED! Today, she has the same name, worship, organization, doctrine and life. "The churches of Christ salute you." (Rom. 16:16).

Population, Smog, Weather Ruled Out

PHILADELPHIA (AP) — Winfield H. Emlet, Philadelphia's so-called good will ambassador to Los Angeles, is going to have to watch his conversation during his visit to the West Coast.

Emlet, of suburban Paoli, is on his way to Los Angeles to see Mayor Norris C. Poulson and other officials. But while he's there, he pledged not to talk about these "controversial subjects:"

(1) Population, a center of discussion between Los Angeles and Philadelphia, (2) smog, a topic of conversation peculiar to the Los Angeles area, and (3) the weather in general, a sore point with everybody.

Emlet received his title of ambassador because he was the top Chamber of Commerce salesman in 1954.

Swedish shipbuilders launched a record 67 ships with a gross tonnage of 550,000 in 1954.

The population of the United States increased by 2 per cent in 1954.

Confirmation Classes Are Held Each Sunday

Confirmation classes are being held at St. John's Episcopal Church each Sunday night following the regular worship service, the Rev. William D. Boyd, vicar, has announced. Rev. Boyd is conducting the classes, and persons interested in meeting with the class may contact him at the church on Sunday night.

Decision!

...And how important! When the way is up the future holds hope. One secret in climbing is obedience. If you are willing and obedient you shall eat the good of the land (Isa. 1:19). But first there is "The Hour of Decision." By Faith she decided to climb. By Faith she is determined to travel upward to God. With the Bible and the church as our guide, and with resolute determination, every climb is crowned with victory.

Texas Cactus Make Big Hit In Arizona

By BRUCE HENDERSON
(By Associated Press)

Paul Pirtle ships Texas cactus to Arizona.

Pirtle has operated a cactus garden near Edinburg, in the Rio Grande Valley, more than 20 years. He grows ornamental cactus and ships some 4,000 plants of various types to all parts of the nation each week.

Recently, he says, an increasing amount of his production has gone west to fill orders from Arizona points.

Pirtle can't understand the demand from the desert-and-cactus state for Texas-grown cactus. But he isn't asking any questions.

He figures some Arizona Chambers of Commerce might take a dim view of publicizing Texas cactus.

What do people remember most about George Washington? That he was the first President, that he was honest and that he chopped down a cherry tree—judging from a quickie poll by the Temple Telegram.

The Telegram asked four readers what they remember most about Washington. Their replies:

Mrs. Pat Westfall: "I remember the story about his chopping down the cherry tree best."

Charles White: "That he was the first President and father of our country."

Mrs. Nancy Williams: "I remember that he never told a lie."

E. H. Boll: "The story about his chopping down the cherry tree, his honesty, the stories of the days at Valley Forge, and his throwing the silver dollar across the Potomac. . . ."

—

Lufkin police had a busy time over a recent weekend. Among their pickups for investigation of drunkenness were:

A man who allegedly offered to pay for a phone call to summon police to arrest him (they came, all right).

A hospital patient who didn't know how he got there (he had cuts about the head).

A trio of joyriders who, apparently finding city streets confining, were arrested after four complaints of a car zig-zagging through streets in various parts of town.

In addition, a cafe diner pulled a knife on his spouse, and another offender came home, found his door locked and kicked it in.

And in Galveston a thief who may be concerned about his postage made off with a red and white weighing machine on a downtown sidewalk.

Man Is Charged With Robbery Of Cripple

ROCHESTER, N.Y. (AP)—Police today held a man who they said struck a 54-year-old cripple over the head with a hammer, robbed him of $30 and then stole his crutches to pawn them.

Hobart Dorsey, bleeding from head wounds, crawled two blocks from his apartment to a restaurant for help. He was reported in poor condition at General Hospital.

Police charged Harold Bruing, 46, with robbery and first-degree assault.

Amateurs In Bank Robbing Field Today

WASHINGTON (AP)—FBI Director J. Edgar Hoover said today an increase in bank robberies has has reached "feverish proportions."

He said a new development has been entry into the field of the lone wolf operator and the amateur, with the latter sometimes acting on sudden impulse.

In a signed editorial in the March issue of the bureau's Law Enforcement Bulletin, the FBI director urged concerted action by banking institutions, law officers and the public.

"Violations of the Federal Bank Robbery Statute soared from 326 bank robberies, burglaries and larcenies committed in the calendar year 1950, to a startling total of 537 such offenses in 1954," he wrote.

"Of the three violations, robbery—the most serious—shot up threefold in the same period to 307 last year as compared with 100 in 1950.

"The crime itself has changed perceptibly in its pattern. During the quiet era of the '30s, highly organized and seasoned veterans of crime hand-picked and victimized institutions most susceptible to attack.

"Today in sharp contrast, every banking-type institution is a potential target. The bank robber list today reflects the prominence of the 'lone robber'—and the amateur. The crime may be a spur-of-the moment act in which little or no planning is involved."

Band Going To Sweetwater

The Snyder High concert band is scheduled to go tomorrow to the annual Sweetwater Band Festival to defend its championship in two divisions and to enter a third divison in which it did not compete last year.

The local band, under direction of Melvin Montgomery, last year won the titles in Class AAA concert playing and in the festival's sight reading contest. It did not enter the marching contest but will do so this year.

The Snyder 80-piece band will be one of 21 bands in the festival.

Already this year the band has won the regional Class AAA marching title in University Interscholastic League competition. It will enter the regional concert, sight reading, solo, and ensemble contests at Abilene April 29-30.

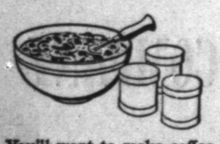

Last Streetcar In Omaha Is Sidelined

OMAHA (AP)—Omaha's last streetcar went to the bar for good today. Sidelined too was Joe Prohaska, 58, who spent 39 years piloting clanging cars.

Joe could drive a bus if he wanted. But he never learned to drive and says, "It would be like learning to walk. Sure, I could learn. But I'm afraid I wouldn't have confidence. I just wouldn't want to risk hurting anybody."

Surgery Gives Child Brand New Esophagus

DENVER (AP)—Thirty inches of small intestine were transplanted into the throat of a 16-year-old Fairplay, Colo., boy in a 13-hour operation, second of its kind within two months, at Colorado General Hospital yesterday.

Edsel Scroggs drank from a bottle of liquid potash at the family home Dec. 31, severely damaging his esophagus.

It was the same type operation performed in January on 2-year-old Mike Stansberry, a portion of those intestine was grafted by surgeons to fit as a new esophagus.

97-Pounder Objects To Being Called 'Fat'

LOS ANGELES (AP)—On the testimony that her husband called her a fat wife, Mrs. Norma T. McCauley, weight 97 pounds, has obtained a divorce decree from Frank McCauley.

She told the court yesterday that he embarrassed and humiliated her by suggesting she exercise to lose weight. Mrs. McCauley was awarded custody of their three children, $175 monthly alimony and equal division of $67,169 in community funds.

Children Ordered Back To Families

PHOENIX, Ariz. (AP) — Fifteen children taken in the 1953 raid on the once-polygamous colony of Short Creek were ordered returned to their families yesterday in a habeas corpus order.

Superior Court Judge Henry Stevens of Maricopa County, where the children had been resettled, ruled for the children's four families on grounds they had been denied legal counsel after the children were taken from the town.

Peterson Is Filled With Lot Of Ideas

By JAMES MARLOW

WASHINGTON (AP)—Val Peterson, civil defense boss, seems to be having new ideas all the time on how people can escape the radioactive fallout of a hydrogen bomb.

Here are some of them:

Last July he said the government was planning a device that could sound an advance warning in each home in the target area, something that could be installed in a bedroom and set off by a change in the electric current.

On Feb. 20 he expressed the thought the problem of radioactivity could be licked if every person was willing to build shelters in the back yard, like a simple cyclone shelter for $180 or a concrete one for perhaps $1,000.

Yesterday he offered three brand new ideas to a Senate Armed Services subcommittee which is holding a series of hearings on civil defense problems:

Evacuees could hide in miles of concrete pipe—four feet in diameter and covered with three feet of dirt—built along the highways.

Or—machines could run along the highways digging beside them miles of trenches 2 feet wide and 6 feet deep for persons fleeing the blast area.

Or—a series of concrete buildings could be set up as shelters along the highways.

While Sen. Saltonstall (R-Mass), a committee member, didn't say Peterson was having pipe dreams, he did express distaste for the thought of people lying end to end in pipes and called the trench plan "unrealistic."

One of Peterson's greatest handicaps is lack of enough public interest in civil defense. It was an interest which probably perked up in mid-February when the Atomic Energy Commission issued its now-famous report.

It said the deadly radioactive fallout from a hydrogen bomb like the one exploded in the Pacific last year could contaminate an area of roughly 7,000 square miles, or about the size of New Jersey.

But people may have relaxed again this week when Sir Winston Churchill said the Soviet Union could not match this country in H-bombs for three or four years, spoke of present American superiority, and warned the Russians not to try tricks.

Notices Go Out To Jury

Persons chosen by the district court jury commission to compose a panel for selection of trial jurors next week were receiving summons today by registered mail.

The summons to 42 prospective panel members were mailed yesterday on postcards requiring delivery in person and signed return notices. The use of registered mail was ordered by the court. Usually, regular mail is used.

The persons summoned to report to the court Monday morning were A. B. Brooks, Bill Tolleson, Mrs. Earl Browning, Mrs. T. T. Swan, J. W. Shroyer, C. C. Kent, Ethel Mae Sturdivant, B. Y. Spinster's Will Puts Off City Bond Issue

SANTA BARBARA, Calif. (AP) — This city won't have to ask citizens for a $70,000 bond issue, thanks to an elderly spinster who loved books.

Mrs. Callie Chambers, who died last week at 76, left her entire estate to the library's Board of Directors. Probate attorneys estimate it at between $250,000 and $300,000.

The $70,000 bond issue has been dropped from the May ballot.

Slayer Dies In Arizona's Gas Chamber

FLORENCE, Ariz. (AP) — With a pair of white trunks on his bulky body and a look of panic on his face, Carl J. Folk died today in the state prison gas chamber.

Folk, condemned for the torture-murder of a young Pennsylvania woman, entered the chamber at 5 a.m. The door was closed at 5:03 and he was pronounced dead two minutes later.

Sobbing, Folk told Warden Frank Eyman, the last man he talked to: "Thank you for your kindness. I still think I'm not guilty."

Folk began trembling as soon as he was strapped in the death chair inside the silver-painted hexagonal chamber. He struggled briefly against the straps.

Twenty-six persons, including police officers and newsmen, watched the execution through glass panels.

When the warden pulled a lever outside the chamber, 16 pellets of cyanide, about the size of small eggs, dropped into acid.

Folk inhaled deeply several times after the steel door was closed and held his breath for perhaps 30 or 45 seconds before finally breathing in the deadly fumes.

At his last meal last night, Folk ate roast chicken with a few relatives and friends, including his wife, Florence.

He was with the small group until about 9 p.m.

Clergymen remained with him from then until the time of the execution.

Folk, 57, former New Mexico carnival operator, was convicted of the murder of 22-year-old Mrs. Betty Faye Allen, of Wattsburg, Pa., Feb. 13, 1954. The killing occurred in a house trailer near Holbrook, Ariz., Dec. 2, 1953.

While her husband lay bound in the trailer, Mrs. Allen was burned with newspapers and sexually molested for several hours before being strangled.

The husband, Raymond, 27, who said Folk had demanded money when he entered the trailer, finally freed himself, got his gun and shot Folk in the stomach.

The United States had 29¼ million children 5 to 17 years old enrolled in public schools in the fall of 1954.
