HIDDEN TREASURE

Children are intrigued with the idea of a treasure hunt. The prospect of riches in some hidden place creates great excitement. As we grow older we cease to believe that we might find unexpected treasure. We become accustomed to the idea that we must work hard for any riches that we might acquire.

Yet, there is a great source of riches that remains untapped for many. This source is called the Bible. Between its pages are words of great wisdom and beauty. Go on a treasure hunt today. Open your Bible and find the riches it offers to you.

Councilman McCright Shows Concern Over City Streets

At least one member of the Rotan City Council wants some attention paid to the possibility of paving and seal coating some city streets and another member of the council wants the city to investigate the possibility of installing some new street signs and possibly employing a full time worker from May to September at the Rotan golf course and Rotan City Park. The above discussion took place at the monthly Rotan City Council meeting on Tuesday night, August 16th.

Jim McCright led the discussion on possibly re-paving some Rotan City streets. His remarks came during the budget discussion. McCright was informed by Mayor Jerry Marshall that City Secretary Kenneth Vann would check with City Attorney Charles Brownfield and discuss the

possibility of a paving assessment.

Councilman Phil Springer inquired about the possibility of replacing street signs and employing a full-time person for the five month period at the golf course and city park. The council is to discuss the proposals further at a later date.

In other action, the council

Coach Nelms Has High Hopes For Season

Head Rotan Coach Weldon Nelms continues to have high praise for a good performance by the offensive line. He singled out Randall Clawson, Felix Yanez, Lance Ragan and Lonnie Foster as players who turned in good performances against Jim Ned last Thursday.

"Overall I was pleased with our performance, it was a good learning experience and told us that there are a lot of things we need to work on in preparation for the upcoming season", said Nelms.

Nelms said that Kenny Warren had a great scrimmage on offense.

He was pleased with Joe Huitt's performance however said the "young and inexperienced" speedster missed some holes but showed good acceleration at times.

Nelms had mounds of praise for Kevin Smith. He did a good job for us. He completed a good percent of his passes and had in excess of 160 yards in the air.

Defensively, Rotan intercepted 4 passes, held Jim Ned to only one score and individually Chris Kennedy and Blake Morrow showed us a lot of good things

last Thursday", said Nelms.

A few of the Hammers are nursing injuries. Marcus Silvas and Lane Landes have injured knees while Blake Morrow and Randall Clawson have injured ankles.

Rotan scrimmages Motley County at home at 7:00 p.m., this Friday night. Motley County runs the same offense as O'Donnell.

In closing Nelms indicated that he would be looking for more consistency this week and praised Phillip Matthies for a good job on both offense and defense.

News From Down South

By Bertha Warren

This has been a pretty busy week with more garden vegetables to be taken care of and Wayne didn't feel very good for a couple of days but is better now.

The children of the late Bennie and Clair Kidd held their family reunion in Esta Park, Colorado last weekend. All the children were able to be there and every one had a great time. It was cool in the mountains, especially at night. The West Texas folks enjoyed that break from all the hot weather we have been having.

Dot McCain brought mom (Jewel Ratliff) back home Tuesday and stayed until Sunday afternoon. They visited with us a while Friday afternoon.

Our heartfelt sympathy to all the family of Andrew Pearce. Andrew passed away in Ft. Worth Sunday at 9 p.m. He was 79 years old. Services were held Wed., Aug. 24, at the Weathersbee Funeral Home Chapel with burial in Rotan. The Pearce children all went to school at Hobbs and the family are formerly long time Fisher County residents. Survivors include 3 daughters and 4 sons; Jennie Blythe, Juanita Brewer, Melva, Bill Leon, Happy and Lorene Pearce. Local survivors include a sister Ollie Ogden of Claytonville and Minnie

Glass of Sweetwater. Also a host of grandchildren and great grandchildren.

Delbert O'Donald had heart surgery in Abilene. He didn't do very well the first couple of days but was able to leave I.C.U. Monday. We hope he will continue to improve.

The quilting club met Thursday at the Claytonville Community Center. Those attending were Erna Lee Jones, Trina Neeper, Sis Holiday, Sue Stroman, Wanda Justiss, May Rogers, Vivian Peacock, Lucy Vines and Ruth Benge.

I know this is early but want to remind everyone the Hobbs School Homecoming is Nov. 12. This gives everyone time to plan class reunions. I know of two already in the planning of 1968 & 1953. If you need more information on class reunions call Bertha Warren at 776-2658 or Pat Porter at 735-2850.

See you next week. Call and let us know what's going on in your world.

TAX PLANNING

Written By
James E. Rodgers, CPA

EXEMPT (NON-PROFIT) ORGANIZATIONS

The Internal Revenue Code contains Section 501 which exempts certain organizations from paying income tax. Under this section, certain nonprofit groups organized for charitable or mutual benefit purposes may qualify for the exemption. These organizations may be subject to income tax, however, if they have income from an operation of a business enterprise not related to their exempt purpose. If you want to qualify your organization as exempt from income tax, you must notify the IRS within fifteen months of the beginning of your organization. Certain organizations whose annual gross receipts normally do not exceed \$5,000 do not have to file a request for exempt status.

Exempt organizations are generally required to file information returns if gross receipts exceed \$25,000 per year. A penalty of \$10 per day (to a maximum of \$5,000) is imposed on each exempt organization that fails to file an annual information return, files a late return without reasonable cause, or fails to file a special information return on dissolution. An additional penalty of \$10.00 a day (maximum of \$5,000) is imposed on any officer, trustee, or employee who fails to file the return without reasonable cause after reasonable demand by the Internal Revenue Service.

Generally, dividends, interest, annuities and royalties are not unrelated business income unless derived from "debt-financed" property. Also excludable from unrelated business income are amounts received for renting out real estate, including those rents from personal property leased with the real property which are an "incidental" amount of the total rents.

Gains and losses on the sale of property other than debt-financed property are generally excluded from taxation.

Coach Steve Long Comments On Roby Lions Second Scrimmage

Coach Steve Long at Roby, Head Football Coach, is crossing his fingers in hopes that his Roby Lion players stay relatively healthy during pre-district competition. "We didn't have any injuries last Friday night against Rising Star and I found out that the boys aren't afraid to hit", said Long.

Long was pleased with the performance of the Lions in the first scrimmage, "the effort was real good but we found out we have a long way to go", said Long.

Long indicated that he probably has two quarterbacks but has pretty well nailed down the

fullback and tailback positions.

His Lions will scrimmage Robert Lee on the road this Thursday night beginning at 6:00 p.m. Robert Lee runs a "run and shoot" attack and will throw the ball 75% of the time. The Robert Lee Steers are coming off a 6-3 season.

Roby will run 20 offensive and 20 defensive plays with the first team against Robert Lee and then the second teams will run 15 and 15 before the first teams come back with 20 and 20. Long did say that the punt teams would also get some practice.

She was born August 2, 1916 at Rotan, the daughter of the late Lemuel and Minnie (Head) Bethell. She married Rabon Stuart, February 10, 1934 at Rotan. She had made her home in Fisher County most of her life, but she and her husband had ranches in South Dakota for 12 years. They moved to Wichita Falls in 1956 and lived until he retired and they returned to Roby in 1979. She was a homemaker and a member of the First Baptist Church of Roby.

Descendants Of Etheredges', Martins', And Bryans' Reunion

Descendents of Fisher County Pioneers, the Etheredges', Martins' and the Bryans', gathered for a centennial reunion July 31 at the Nolan County Coliseum.

The families represented were descendents of Rev. Robert Martin who came to Fisher County in 1886. Also descendents of Sidney W. Bryan who came in 1886. Also descendents of O.R. (Ros) Etheredge who came in 1889.

Ninety-nine Etheredge descendents registered. They came from New Mexico, Oklahoma and all parts of Texas. Thirty people registered, representing the W.S. Bryans'. Twenty-nine people of the Martin family registered.

Cliff Etheredge was in charge of the program and announcements. A silent auction of home made crafts was held to cover expenses. There was a surplus of about \$1,200.00 which was voted to donate to the Rehab Center in Abilene.

Picture taking and visiting ended a delightful day

TSTI Graduates Summer Students

Texas State Technical Institute-Sweetwater Campus is proud to announce that the Commencement Exercises for the graduating Class of 1988, took place on Friday, August 12, 1988, at the Sweetwater High School Auditorium. According to Dr. Clay Johnson, Campus President, these graduates have completed their programs since November of '87, February of '88, May '88 and August of '88.

The following received certificates of completion or associate's of applied science degree:

Jonathan Lewis Hawkins, Diesel Mechanics, Hamlin-Certificate; David Zambrano, Electronics Servicing, Rotan-Associate.

Still no rain and it looks like the cotton is beginning to get a little wilted, especially in the afternoons. We got just a sprinkle one day and several times we thought we were really going to get a good shower, but it all went around us. Maybe this week we will get that much needed moisture.

Mr. and Mrs. Steve Warren and girls from Snyder took Jeffrey Martinez to Fort Worth on Saturday. Jeffrey stayed in Fort Worth with his sister and her husband, Darrell and Rosemary Gay, and he will leave Wednesday going back to Germany for 7 more months. The Rudolph Martinezes really had a good time while Jeffrey was home, and are looking forward to the day when Jeffrey will be back in the States for good.

Mr. and Mrs. Billy Carter and Barry from Brownwood came Friday morning to Mrs. Edd Carters in Roby and they attended the

funeral of Billy's aunt, Mrs. Irene Stuart, in Roby Friday afternoon. Then Loretta and Barry visited with J.C. and Alice Saturday morning. They went home Saturday evening.

Mrs. Opal Phillips is doing real well and everyone is pleased with the way she has been progressing. Mr. and Mrs. J.W. Etheredge have just returned from a trip to Vail, Colorado and they really enjoyed the beautiful scenery. They left here Wednesday and came back Sunday. They visited with Mr. and Mrs. Todd Etheredge, Jeremy, Chase and Skyler all the time they were in Vail and were sure happy to see them. On the way home they stopped in Lubbock and met Mr. and Mrs. David Etheredge and Dustin from Levelland, and they all ate supper

together.

Lisa Nowlin and Mrs. Bea Hardin went to Lubbock last Monday and spent the day. Morris Hardin from Lubbock spent last Sunday visiting with his mother. Mr. and Mrs. Bryan Hardin from Fort Worth came to Bea's Saturday and spent the weekend with her. Kenneth Hardin spent part of Sunday with Bea and her company. Mrs. Bobbie Hardin and son, Jay Lynn Hardin and two grandsons all from Abilene visited with Bea on Sunday. They were here for Mrs. Foster's funeral.

Jim and I went back to see the Doctor in Abilene on Friday; we went with Mrs. Sheila Gruben and Mrs. Carol Ann Gruben. Dr. Hirsch was real pleased with the way Jim had been doing and with

his X-rays, but we are going back to Humana on Tuesday for another round of Chemotherapy so Jim isn't really very excited about that. I attended the Fisher County Fair pageant on Sunday, 21st, which was held at the Roby High School auditorium. We sure have lots of pretty girls in Fisher County and the stage was sure

pretty. They will be crowing the Fisher County Fair Queen on Thursday night at the rodeo.

Well everyone has really been busy with their canning, and looks like everyone made a bumper crop of vegetables etc. It takes a long time to put those vegetables up but they are so good in the Winter months.

TASK FORCE ON
DRUG & ALCOHOL ABUSE

Open Letter From I.W.N.A. Local 74 To: Interested Citizens

We, the members of Local 74 of the Independent Workers of North America, feel the need to clear the air about what is going on at National Gypsum Company.

Approximately two years ago, we disaffiliated from the International Brotherhood of Boilermakers. We did so because our ideals and way of thinking were not the same. We then joined the Independent Workers of North America.

Since July 1, 1987, we have been working without a contract. We have met with the Company several times in the last year without success. We are struggling against the Company's Greed. It is not just a struggle to keep benefits, wages, and working conditions, but a struggle with contract language, which threatens the very existence of the Union.

We are struggling against "Concession Bargaining" which is Bargaining against "Take-Aways" instead of giving. The Company is doing this while raking in millions of dollars in profits. Some of the take-aways are as follows:

- (1) One week vacation for everyone with thirty years of credited service to the Company
- (2) Cut vacation pay from 48 hours to 40 hours
- (3) A new bracket system for wages which combines jobs and their duties
- (4) Some job rates will be cut by \$1.23 per hour
- (5) There will be a new wage rate for "new hires". This starts at 75% of the base rate and will go up 10% every six months until two years of employment. At this time, the employee will draw the full rate of the job that he/she is doing.
- (6) Insurance deductibles will be raised from \$100.00 per member, (three per family) up to \$300.00 per member (three per family). This is triple what it used to be. An out-of-pocket on 80/20 coverage of up to \$1,000.00 on \$5,000.00 expense.
- (7) Docking of overtime if you use vacation during the week-and the list goes on

The arbitration and the dues check-off are being refused to us, without which there will be no union. This contract language allows employees to be terminated if they miss work for over six months due to sickness or job related injury--twelve months for any other reason. We have already lost two good men because of this language, and have no way to get them back. We will not settle a contract like this!

In an effort to arouse community support, we went through the town asking permission to put up posters for a show of support. Some merchants agreed and showed their support by allowing us to display the posters. Others, even though they would not allow us to put up posters, verbally expressed their support. Your support is Greatly appreciated.

All we are asking for is a fair and decent contract---a contract that will not degrade or undermine the employees. We want something we can live with, while keeping our pride and dignity. We want something that we know will support our families, our children's future, and help the community. We are not willing to take a step backward.
