

Negroes Ask Aid 70 Hurt In Riots

BOSTON (AP) — Three nights of rock throwing, looting, arson and scattered sniper fire in the predominantly Negro Roxbury section have left more than 70 persons injured, 100 arrested, and property damage estimated in the millions.

Three state representatives from Boston Negro sections asked Republican Gov. John A. Volpe today to declare the riot-torn sector a disaster area to make loans and federal aid available to businessmen there.

Wanton Waste

"The people in this community are appalled at the violence, wanton waste, deliberate destruction of property, the loss of jobs held by people in the community and the unnecessary escalation of the problems in financing insurance and achieving economic resurgence of these areas," a letter said. It was signed by democratic Reps. Royal Boling, Michael E. Haynes and Franklin W. Holgate, Negro leaders who have been credited with helping to keep peace in the city's sprawling Negro districts in past years.

Firemen Pelted

The focal point of violence Friday, Saturday and Sunday nights was Blue Hill Avenue, a major street leading from the city's shopping and business sections to the southeast residential areas and suburbs.

Fire fighters responding to a call at an intersection about 10 p.m. Sunday were pelted with rocks thrown from rooftops.

Later at another intersection a sniper opened fire on police from a third-floor apartment. Police returned the fire and searched the building but failed to find the sniper. No one was hit.

Windows Smashed

Another incident at an intersection led to the arrest of a man who was charged with unlawful discharge of a firearm and unlawful possession of a firearm.

Eleven persons, including seven policemen and two children, were treated at city hospital for minor injuries and released. That brought to more than 70 the number of those injured.

No accurate estimate of damage has been made, although community leaders place the loss in millions of dollars. Most of the damage was in smashed store and car windows and from fires and looting.

Running Battle

Police said Sunday's outbreak was the mildest of the three nights. "It was only sporadic," said Deputy Police Supt. William A. Bradley, "most of it rock throwing."

'Cured' Lad 'Poor'

DALLAS, Tex. (AP) — A hospital official said Sunday that 9-year-old Frankie Hayes, who just two months ago was believed cured of leukemia, is in "very poor" condition after suffering a recurrence of the disease.

Texarkana industrialist J. K. Wadley announced April 1 that the Wadley Research Institute in Dallas had achieved a remission of Frankie's disease, using a drug called L-asparaginase.

But on April 21 the institute reported that a few leukemia cells once again had been found in the boy's bloodstream.

J. R. Self, administrator at Bristol Hospital here, said Sunday that Frankie was admitted about two weeks ago and his condition is "very poor."

'Premature'

Dr. Joseph Hill, director of the Wadley Institute and a developer of the drug, had no comment Sunday on the change in Frankie's condition. He has been the boy's doctor throughout.

Dr. Hill was reprimanded by the Dallas County Medical Society for what the society considered a "premature" announcement of the cure.

Frankie, the son of Mr. and Mrs. Frank Hayes of Dallas, was the third human patient to receive the drug. One of the patients died and the other was said to be in partial remission.

Draft Rejects High Despite Low Standards

WASHINGTON (AP) — Despite lowered mental standards, more than 176,000 American youths were rejected for the draft last year because they were unable to meet even those requirements.

Another 23,555 were turned down on both mental and medical grounds at preinduction examinations in 1966.

The lower standards, however, resulted in only about 12 per cent of potential draftees flunking mental requirements in 1966 compared with nearly 21 per cent in 1965.

MENTAL TESTS
These statistics appear in a report by the Army surgeon general dealing with results of examinations of youths for military service last year.

"The most significant factor that affected these results was the increased demand for military manpower caused by the intensified Vietnam conflict," the surgeon general's report said.

It brought about "decisive modifications in the standards of military acceptability—specifically, by lowering the mental standards."

The report said the mental evaluation of a potential inductee is based on tests designed to measure his general mental ability to absorb military training within reasonable time and his potential general usefulness to the service.

EXAMS JUMP
The 176,027 who failed to meet mental requirements last year represented a drop of 51,782 from 1965, a year of tougher standards.

The 23,555 who were both mentally and physically disqualified were some 5,000 below the previous year.

The report showed 108,259 white youths flunked mental qualification in 1966 compared with 137,225 in 1965—a drop of about 21 per cent.

Among Negro youths, 67,774 failed to meet mental standards, compared with 90,584 in 1965—a decline of about 25 per cent.

The number of youths examined for the draft vaulted sharply in 1966 under the impetus of the Vietnam buildup. The 1966 total of those examined came to 1.61 million compared with 1.23 million in 1965.

Speck Draws Death Penalty

PEORIA, Ill. (AP) — Richard Speck, 25, was sentenced today to die in the electric chair Sept. 1 for murdering eight young nurses in their Chicago dormitory last year.

In pronouncing sentence, Judge Herbert C. Paschen of Circuit Court carried out the recommendation of the jury that convicted Speck on April 15. The jury recommended death but the judge was not bound to impose the maximum penalty.

The sentencing put in motion what is expected to be a series of drawn-out appeals.

An appeal to a higher court is automatic in cases involving capital punishment and the procedures for making such appeals nearly always take a great deal of time.

For example, there are eight condemned men in the Cook County jail. Through various avenues of appeal they have managed to avoid execution for two to three years.

Speck's lawyer, Gerald W. Getty, said he would fight a death sentence "through all the courts in the land."

Speck was found guilty of rounding up nine young nurses in their dormitory at night and slaying eight of them, either stabbing or strangling.

The ninth nurse, Corazon Amurao, 23, a Philippine exchange student, escaped by hiding under a bed.

She was the state's principal witness at Speck's trial and pointed him out as the killer.

Power Blackout Hits East Coast

NEWARK, N.J. (AP) — A giant power failure hit sections of the East Coast from New Jersey to Delaware at midmorning today. Electricity was restored in sections of Philadelphia an hour later.

The blackout hit Newark and Philadelphia and other cities in a populous area that was not affected by the great Northeastern blackout of November, 1965.

New York City and other areas hit by the 1965 blackout were not affected this time.

MYSTERY
The Public Service Co. of New Jersey said the failure occurred in an interconnecting line tying together the power systems of New Jersey, Pennsylvania and Maryland.

The company said the specific trouble had not been located, and it could not say when service would be restored.

The utility said eight of its nine generating stations were knocked out.

LIGHTS OUT
Lights were out, radio stations off the air, telephones were disrupted, and state and city governments operated on

emergency power.

In Philadelphia, subway workers used flashlights to lead trapped train riders in single file through darkened tunnels to the street. Water power was down and police and fire departments were put on the alert.

The Pennsylvania Railroad said no trains were moving into or out of Philadelphia, but it was hoped that emergency power would get them rolling again soon.

TRAFFIC JAMS
Traffic jams were reported throughout the affected area as automatic signal lights failed.

In Philadelphia's center city, there was a huge snarl with cars and trucks stopped, and office and factory workers milling about the streets.

In New Jersey, only Atlantic City escaped the blackout.

Trains still operated in the tubes under the Hudson River between New York and New Jersey because they draw power from both states.

The Port of New York Authority reported service stopped out of Newark and Jersey City and there was doubt about Hoboken.

Arab Airports Struck By Israeli Bombers

JERUSALEM (AP) — For the third time in 20 years, war broke out today in the Middle East and gunfire sounded in Israel and in three of the Arab neighbors—Egypt, Jordan and Syria.

The Arabs, sworn to destroy Israel, were battling the Jewish state's forces on two fronts, at Egypt's Sinai frontier and on the Syria and Jordan borders.

Each side accused the other of lighting the fuse for the explosion which, as in 1956, threatened to involve the major powers.

The main fighting today appeared to be in the Sinai Desert, across the frontier that United Nations forces guarded until Egypt's Gamal Abdel Nasser ordered them out 18 days ago.

Artillery fire was heard in Jerusalem, the holy city divided between Jordan and Israel. Israel's port of Haifa was bombed. Israeli planes attacked the airports of three Arab capitals, Cairo, Amman and Damascus.

Amman radio, the voice of King Hussein, reported heavy fighting along Jordan's 350-mile frontier with Israel. Cairo said Israeli planes attacked Sharm El Sheikh, the point overlooking the entrance to the Gulf of Aqaba—the area Nasser has blockaded to Israeli ships in the central controversy that brought on the fighting.

The Egyptian high command admitted that Israeli forces had penetrated into the Sinai desert on the southern front and into Khan Younes, in the middle of the Gaza Strip to the north.

"The enemy has struck our positions in these locations and has been repulsed," a military spokesman in Cairo said.

The attack in Sinai was on the road from the desert frontier to Ismailia, which lines about midway on the Suez Canal, the announcement said.

British-Foreign Secretary George Brown announced in London that the fighting is spreading all around Israel, that Jerusalem is "engulfed in war," and that four British diplomatic missions were under attack by mobs in the Middle East.

U. S. Stands Fully Neutral
WASHINGTON (AP) — The United States is neutral in the present Middle East war, the State Department's spokesman announced today.

"Our position is neutral in thought, word and deed," press officer Robert J. McCloskey told a news conference.

At the same time the State Department restricted the travel of American citizens to 14 countries — 13 Arab countries and Israel — until further notice.

"In view of the outbreak of hostilities in the Middle East U.S. citizens desiring to go to the following countries must obtain passports specifically endorsed by the State Department," McCloskey said.

He listed the countries as: Lebanon, the United Arab Republic, Jordan, Syria, Israel, Iraq, Saudi Arabia, Kuwait, Yemen, Libya, Morocco, Algeria, Tunisia, and Sudan.

Asked whether the United States can maintain the neutral position announced today, McCloskey said, "That will be our effort."

Stock Mart Tailspins

NEW YORK (AP) — War in the Middle East sent the stock market into a tailspin in early trading today but the loss was sharply pared by early afternoon.

At noon the Dow Jones averages of 30 industrials was down 11.14 points to 852.17. An hour earlier the decline had been 20.77 points.

The New York Stock Exchange common stock index at noon showed a loss of 67 cents in the average price of a share. At 11 a.m. the decline had been \$1.10.

Both sides claimed sweeping victories in the air battles, the biggest of which broke out over the Sinai Desert.

Cairo radio claimed 70 Israeli planes had been shot down. An Israeli Arab-language broadcast claimed Israel had destroyed 150 Egyptian planes.

Damascus radio was even more sweeping, claiming all Israeli planes "vanished from the skies of the battle." The broadcast said three Israeli planes attempting to raid Syria were shot down. Amman radio said Jordanian planes also shot down three Israeli planes in an air battle.

All Arab broadcasts called on the armies to drive the Israelis into the sea.

"Attack, destroy and liberate Palestine," cried Cairo radio.

"The forces of the Arab revolution will not pull back until the Zionists are completely obliterated from our Arab land," said Damascus radio.

'On Threshold Of Final Battle'
"We are on the threshold of the final battle and we hope that God will grant us victory," King Hussein of Jordan said in a broadcast.

Gen. Moshe Dayan, Israel's victorious commander in the Sinai war with Egypt in 1956, declared to his army:

"Soldiers of Israel, we are not setting out for conquest. Our only aim is to frustrate the attempt of the Arab armies to conquer our country."

Dayan said the main task is "to sever and crush the right of blockades and aggression which have been created around us."

Iraq has been moving troops into Syria and Egypt for more than a week, but there was no report they had gone into action. The Arab High Command in Cairo said Iraqi planes had joined Syria and Jordan in raids on Israeli targets.

Cairo radio said Israeli planes were bombing Cairo and "other places." The Israeli government denied any Egyptian cities had been bombed. Heavy anti-aircraft fire was heard from the outskirts of Cairo but no planes were seen over the center of the Egyptian capital.

Although the State Department had advised all Americans whose presence was not necessary to leave Israel, Egypt, Syria and Jordan, an estimated 6,000 U.S. citizens are believed still in Israel.

Damascus radio, quoting an announcement from the commander of the Syrian armed forces, said: "Syria has entered the battle and is locked in battle with the enemy and will never retreat."

King Hussein of Jordan in a broadcast said the enemy "this (See WAR, Pg. 6-A, Col. 1)

STORM SHELTERS STACKED

Violent Weather Assails Panhandle-Plains Sector

By The Associated Press

Fierce winds and near cloud-bursts battered the Panhandle-Plains of West Texas anew Sunday night, venting the worst of their fury on the Plainview vicinity.

Tornadoes spun down from the stormy sky in a sector 175 miles long, hail riddled crops and rains measuring more than six inches deluged some areas.

SIRENS SOUND
Weather Bureau observers looked for still another round of severe turbulence in the same general section by this evening.

Winds gusting at 60 miles per hour whipped the rain in blinding sheets as sirens sounded warnings of possible tornadoes and many Plainview residents scurried to storm shelters.

The alert was given after sheriff's deputies from Plainview watched three twisters writhe on the ground within six miles southwest of town, and the Lubbock Weather Bureau's radar tracked a tornado close to the Plainview airport.

Roofs went sailing off two Plainview homes, and the wind tore out both ends of the Hale County agricultural barn. An airport hangar lost its doors and a plane inside suffered an estimated \$500 damage.

An empty grain storage bin capable of holding 1,000 bushels sailed 70 yards in the air at the Bennett Grain Co. in Plainview before coming down on top a combine.

In the southwest part of Plainview some residents swore a twister struck close by.

TRAVEL HALT
Telephone service to and from Plainview was knocked out temporarily. Sheriff's officers reported heavy damage to utility lines where the tornadoes appeared southwest of the city.

Water overflowing US 87 and FM 400 from Plainview south toward Lubbock also halted travel for a time.

As Sam Heads and his family huddled under beds for protection, a kitchen wall was torn off their home south of Plainview and a living room wall caved in. A rain gauge outside overflowed after measuring five inches.

Shortly before the Plainview storm hit at 8:50 p.m., four separate tornado funnels appeared near Kress, 13 miles north. Still another dipped to earth about dusk eight miles north of the Halfway community, which is 14 miles west of Plainview.

Additional twisters appeared eight miles south of Amarillo, where one dangled from a heavy overcast for two minutes but withdrew without coming all the way down; five miles north of Springlake in Lamb County, and near the Union community six miles southeast of Brownfield.

The wind—possibly a tornado also—wrecked a barn on the south side of Brownfield, which measured 2.05 inches of rain.

KNEE DEEP
Civil Defense workers took boats from Brownfield to help several persons to safety in the Union community, where water rose knee deep in a store and gin. The water accumulated as heavy runoff poured into a low area.

The U.S. Embassy in Tel Aviv warned all American citizens to leave on the first available commercial plane and started to burn its classified documents.

Trestle In Trouble

A railroad workman descends by rope into the turbulent waters of the Ocoee River near Athens, Ga., Sunday in an effort to clear debris which threatened to damage or destroy a railroad trestle. More than 10 inches of Sunday rains fell in the Athens area, causing widespread flood damage. Worse flooding was expected today when the Ocoee reaches its peak crest. (AP WIREPHOTO)

Rivers Wash Away Houses

ATHENS, Ga. (AP) — More than 10 inches of rain has sent rivers pouring over their banks to wash away houses, dams and bridges in what officials say was Athens' worst flood. The Ocoee River, which runs through Athens, and northeast Georgia, is already 20 feet above its normal level and is expected to reach 22 to 25 feet above normal before subsiding. Several persons were injured in flood-related traffic accidents Sunday but no deaths were reported. Dozens of motorists were stranded at one point when a bridge over a creek washed away, and residents of an Athens trailer park chained their trailers to trees to keep them from floating away.

Traffic Panel Meets Tuesday

Members of the Big Spring Traffic Commission will meet at 3:30 p.m. Tuesday in the city commission room, with two items on the agenda. A traffic control will be considered for the Thirteenth and Runnels intersection, and traffic controls for newly paved streets on the north side will also be discussed.

ANSWERS TO BRIDGE QUIZ

Q. 1—As South, vulnerable, you hold:

♠Q3 ♠A65 ♠K1093 ♠7432

The bidding has proceeded: North East South West 1 ♠ Pass 1 NT Pass 2 ♠ Pass ?

What do you bid now?

A.—Three spades. Despite partner's minimum sounding rebid, a push to game is in order. You have a near maximum one no trump response, and North very likely has a six card suit, since he had an opportunity to show another suit at a convenient level and yet failed to do so. The queen-small may, therefore, be considered as simple trump support.

Q. 2—Both vulnerable, as South you hold:

♠KQJ53 ♠K10752 ♠Q53

Your partner has opened the bidding with one no trump. What is your response?

A.—Three spades, and if partner's rebid is three no trump you will bid four hearts to offer him a choice of suits. There is no need to use the club convention when you hold two five card majors.

Q. 3—Both vulnerable, as South you hold:

♠A1965 ♠32 ♠Q6 ♠K1093

The bidding has proceeded: West North East South 1 ♠ 2 ♠ 2 ♠ ?

What do you bid?

A.—Two spades. If North can fit the spades there may be a chance for game in the major suit, and South might just as well try to improve matters for he is prepared to have his partner return to diamonds.

Q. 4—Neither vulnerable, as South you hold:

♠742 ♠A19632 ♠A4 ♠52

The bidding has proceeded: North East South West 1 ♠ Pass 1 ♠ Pass 1 ♠ Pass ?

What do you bid now?

A.—Two hearts. While a forward move must be made, the hand does not qualify for a jump bid of any kind. Unless partner can bid again there will not be a very good play for game.

Q. 5—As South, vulnerable, you hold:

♠AQJ1062 ♠Q62 ♠4 ♠AK5

The bidding has proceeded: South West North East 1 ♠ 2 ♠ Dble. Pass ?

What do you bid now?

A.—The proper call is two spades. Some players will balk at this suggestion on the grounds that this would be a mere preference instead of a raise. It doesn't much matter by what name you call it as partner will realize that you have a fairly good hand from the fact that you first took the trouble to bid two clubs.

Q. 6—East-West vulnerable, as South you hold:

♠AKJ ♠72 ♠853 ♠QJ754

The bidding has proceeded: North East South West 1 ♠ Pass 2 ♠ Pass 2 ♠ Pass ?

What do you bid now?

A.—The proper call is two spades. Some players will balk at this suggestion on the grounds that this would be a mere preference instead of a raise. It doesn't much matter by what name you call it as partner will realize that you have a fairly good hand from the fact that you first took the trouble to bid two clubs.

Q. 7—Both vulnerable, as South you hold:

♠2 ♠Q53 ♠A1064 ♠AQ1052

The bidding has proceeded: North East South West 1 ♠ Pass 2 ♠ Pass 2 ♠ Pass 2 NT Pass 3 ♠ Pass ?

What do you bid now?

A.—Three diamonds. The hope for a slam should not be abandoned. Partner is marked with a singleton diamond and now that he has shown club support a slam should be contemplated in that suit.

Q. 8—As South, vulnerable, you hold:

♠1055 ♠5 ♠Q743 ♠A1082

The bidding has proceeded: West North East South 1 ♠ Dble. 3 ♠ ?

What do you bid?

A.—Three spades. Prospects for game are bright. You have nine points which is a pretty fair hand for a partner who was able to make a vulnerable take-out double, and you should not permit East's preemptive action to shut you out. Bidding the weak spade suit at this level should not deter you, for North should have good support when he doubles the other major.

Highland Gardens Approval Asked

Approval of a plat for Highland Gardens, which has been submitted as a Planned Multiple Family District, will be considered by the planning and zoning commission at a 5:15 p.m. meeting Tuesday in the city commission room.

Clyde Brown, developer, is asking the zoning change for the tract, west of Goliad and south of FM 700. Actually, the tract is not in the city limits yet, as the city commission gave it first reading last week at the request of Ike Robb, owner of the property.

Relics From Ships To Honor Nimitz

ORANGE, Tex. (AP) — Ship wheels and bells, the pilot house of a World War II vessel and other venerable equipment from the ships of the mothball fleet anchored in the Sabine River will be used as furnishings for the museum honoring the late Fleet Adm. Chester W. Nimitz at Fredericksburg, according to Cmdr. Ben. T. Brown of the Orange Naval Base.

The relics from the ships will be taken from vessels that are to be scrapped. The museum is located in the old "Steamboat Hotel" built on Main Street in 1852 by Adm. Nimitz' grandfather, who had been a ship captain in Germany before coming to Texas.

Dear Abby

Hypnosis Not For Fun

DEAR ABBY: Last month my husband, Bob, took me to a popular night spot for dinner. As our dinner was served, a "Dr. X" as I shall call him, was introduced as the evening's entertainment.

Dr. X was billed as "the only hypnotist with a Ph.D." He asked for volunteers, promising that no one would be embarrassed, and they would all awaken from the hypnosis feeling "refreshed."

My husband volunteered, resulting in one of the most shattering and exhausting experiences of his life. And I was subjected to humiliation beyond

description, as I witnessed my husband and nine other subjects make fools of themselves for over an hour.

For example: All the subjects were told they were naked. One young girl tried desperately to "hide" herself behind another subject; an older married man was completely unnerved. At the same time, my husband tried to "cover" himself as best he could with a handkerchief, looking very miserable indeed.

Finally, the male subjects were told to return to their tables and to kiss their wives more passionately than ever before. My husband and I are newlyweds, so you can imagine the results. My husband proceeded to embrace me in a most personal manner, and I was powerless to stop him.

This may be too long to print, but perhaps if you printed part of it, the public might be made aware of this menace and some legal measures can be taken to stop it.

INFURIATED IN SAN DIEGO DEAR ABBY: Hypnosis is now recognized as a therapeutic technique when practiced by trained, responsible professionals, and if there isn't a law against it as "entertainment," there should be. Perhaps if enough citizens "suggested" it by letter to their legislators, there will be.

DEAR ABBY: I am going to a church luncheon today, but before I leave I will fix myself a cup of tea first, which brings me to the point of this letter.

I am an ardent tea drinker and I do not drink coffee. My cup of tea means as much to me as coffee means to those who just HAVE to have a cup of coffee. However, almost everywhere I go, only coffee is served. If you don't drink coffee, you can just drink water.

Many of the luncheons I attend are church or club luncheons and I pay just as much for my lunch as the coffee drinkers do. I wonder how many people would pay for their lunches if coffee was not served? AN OLD TEA BAG

DEAR BAG: Since the absence of tea is a source of annoyance to you, you could either phone ahead and request tea, or tote your own tea bags. Your complaint is a valid one, and I'm with you all the way.

How has the world been treating you? Unload your problems on Dear Abby, Box 69700, Los Angeles, Calif., 90069. For a personal, unpublished reply, enclose a self-addressed, stamped envelope.

URW Calls Conference

AKRON, Ohio (AP) — The United Rubber Workers Union, on strike since April 19 against three major rubber companies in a wage dispute, has called a union conference for June 26-27 on pension and insurance contracts.

Pension and insurance contracts with the big five—Goodyear, Firestone, Goodrich, Uniroyal and the General Tire & Rubber Co.—run out Sept. 15. Uncertainty over what will happen then reportedly has complicated the stalled negotiations over economic matters.

URW President Peter Bommarito said Saturday the pension and insurance conference will be held at the Pick-Carter Hotel in Cleveland.

"Pension and insurance agreements are difficult to understand because of the highly technical and legalistic language contained in those agreements," Bommarito said. "This makes it essential that we prepare ourselves as well as possible for the task of negotiating changes in current agreements."

The URW is on strike against Firestone, Goodrich and Uniroyal—involving 50,000 union members. Work is continuing on a day-to-day basis at Goodyear and General.

Monkey Business

By DR. LEONARD REIFFEL

There's a lot of monkey business going on in Borneo. Or rather, a lot of monkeys are in business in Borneo and, as a matter of fact, in such other lands as Java, Sumatra, and Bangka. The monkeys pick coconuts wherever the height of the trees makes the work un-economical or dangerous for human beings.

These pig-tailed macaques—the particular species involved—are probably the only primates, other than human beings, being used as agricultural laborers anywhere in the world.

The monkeys, preferably male, are trapped in the jungle when they're about one or two years of age and are kept tied up near the house of the man running the coconut plantation. Training generally starts when the little fellows reach about three years of age. The natives have found that a 3-year-old monkey is less emotional than an infant monkey, yet is easier to control than a full-grown one.

And how does one train a monkey to pick coconuts, and just the right coconuts at that? The process is not exactly a prize example of modern educational theories. Surprisingly, it doesn't involve rewards of any kind.

There are three critical processes the monkey has to learn. First, he's got to learn to get the coconut off the tree. This requires that he twist the nut around until he can bite through the stem with his teeth. Of course, the monkey must learn to climb up and down the proper tree and work while he's at the top, according to the commands of his trainer. And, lastly, he's got to learn to distinguish the various degrees of ripeness of coconuts.

The most difficult part of training is getting the monkey to twist the coconut. The trainer first equips the monkey in

training with a chain and a collar and stands him up in such a way that he can be very easily unbalanced by pulling on the chain. The trainer then hangs a coconut over the apprentice nut-picker and forces the monkey to grab for the coconut by unbalancing him. The poor monkey has to grab for something, so he grabs for the coconut. After a while the trainer begins to rotate the coconut and makes the monkey do likewise by holding the monkey's hands on the nut. If the monkey doesn't do right by the coconut at this point his trainer will unbalance him by jerking on the chain around his neck. Other popular procedures include choking and thorough beatings. Any or all of these rather cruel processes are repeated until the monkey gets the idea. After such treatment, it becomes a relatively simple task to teach the monkey the remaining techniques.

There are occasional problems, however. When trained nut-pickers are high in the trees and away from their trainer, they sometimes become rebellious. The cure (as if you couldn't guess) is more fierce beatings. The basic principle in use here is that the human must establish dominance over the monkey.

These monkeys work very hard and for long hours each day. After a while they learn to take all kinds of cues from their masters and will go to the right coconuts in response to voice commands or even facial expressions.

Students of psychology are quite interested in the training methods. Though based on fear, dominance, and the absence of rewards, these techniques may, nonetheless, give us valuable insights into learning processes.

However, it's not very likely that such methods will ever be allowed inside the corner school house (again).

Charades Play Helps Actor

HOLLYWOOD (AP) — Want to be an actor? Play charades. The suggestion comes from Ross Martin, "Wild, Wild West" costar and a virtuoso at the old parlor pastime.

"It's marvelous practice for an actor because you must learn to go from your initial impulse — work close to your instincts," he reports.

Before his acting days the emigrant from an East Side New York tenement played charades with friends — in lean, early years simply because it was cheap diversion.

He got so good he once was a regular on TV's now defunct "Stump the Stars."

Two teams of participants acted out gag sayings sent in by viewers. The toughest one Martin ever had to get across to teammates in his allotted two minutes was a pun using his name.

Polish-born, Martin has flexible features helpful at either charades or acting. Head erect, tongue flicking, he's an iguana. Or sleepy-eyed and chewing slowly sideways he's a camel.

His two years on "Stump the Stars" created a public awareness of himself as Ross Martin. Previously, autograph seekers often addressed him as Andamo, the character he had played on the "Mr. Lucky" TV series.

Also, rendering immediate characterizations on the charade show provided unforeseen training for his "Wild, Wild West" assignment. As Artemus Gordon, U.S. secret agent, he has disguised himself in two seasons as 87 characters, as many as five a show.

Martin studies the script, draws sketches of the characters' costumes and features and works out details with makeup and wardrobe men. He has played a 90-year-old clergyman, a scarred Mexican gunfighter, even an Indian squaw. Apple segments in his cheeks helped him portray a paunchy undersecretary of state.

Martin formerly was an advertising and marketing instructor, law student, department store researcher and distillery public relations man, in spare time playing occasional charades for fun.

CRASHES KILL 160

British Air Safety Rules Being Probed

LONDON (AP)—Britain's air safety rules came under close scrutiny today following the death of 160 Britons in the crash of two chartered holiday airliners.

On Saturday night a Douglas DC4 bound for Perpignan, France, smashed into the foothills of the Pyrenees, killing all 88 aboard.

Sunday, a four-engine Argonaut coming home from Majorca plummeted into the center of the northern city of Stockport, killing 72 of the passengers and injuring 12. The plane crashed in the only clear area for miles around, and nobody on the ground was hurt.

PROP VETERANS

Both planes were owned by private British airlines. Both were propeller-driven veterans around 20 years old. Both had been retired from service by bigger airlines as they bought newer aircraft. And both crashed came during the landing approach.

The prototype for both planes was designed in 1939. The Argonaut is a Canadian model of the Douglas DC4 with British built engines of American origin. BOAC, the state-owned British Overseas Airways Corp., retired the Argonauts in 1959 after 107 million air miles and two accidents.

It All Started With Two Rabbits

WICHITA FALLS (AP)—It all started with two rabbits. That was 40 years ago in 1927 when Kirk R. Moore started raising them as a hobby. He continued it during the Depression and World War II when rabbits were considered a good source of meat.

This year Moore, a retired soft drink route manager, won the highest honor accorded by the Texas Rabbit Breeders Association—a trophy which proclaims him Breeder of the Year.

He keeps 100 to 150 rabbits on hand for brood stock and for show, selling his animals to breeders throughout the Southwest. His stock has won more than 40 trophies and some 300 ribbons.

this year, killing 57 persons.

Chartered flight companies in Britain must conform to the same safety rules as BOAC and its sister line, British European Airways. But BOAC and BEA have rules of their own more strict than the minimum required by law. The state lines, for example, do not permit pilots to land passengers at an airport which he has not visited on a familiarization flight. Private operators are not required

to follow this rule.

Since 1957 private British airlines have had 22 fatal crashes with a total of 730 deaths. In the same period BOAC and BEA have had nine fatal accidents with 270 dead.

ACTION CALL

One Labor member of the House of Commons, Maurice Orbach, said he and others will demand an immediate safety check and review of the age of all planes brought out for the summer holiday trade.

Robert Carr, leader of the Conservative aviation group in Commons, said he would urge a drive for worldwide safety.

Newspapers called for action. "With the grief there must be determination to establish the full facts of these appalling crashes," said the Daily Express.

The Daily Mail called for a full government inquiry. The Sun demanded a "wide survey of whatever problems" charter flights involved. The Daily Telegraph called for a thorough scrutiny of air space and what's in it.

Tower Hints Tight Money

BOSTON, Mass. (AP) — Another tight money period leading to extension of controls over undue increase in interest and charges was predicted Sunday by Sen. John Tower, R-Tex.

Tower, in a commencement address at Bentley College, said the economy will show more inflationary trends as long as the United States is at war in Vietnam, and the demands on money because of the war are bound to be great.

"This money-demand situation is certain to drive interest rates up on domestic needs," Tower said, "but fortunately the Congress is equipped with the powers necessary to prevent unreasonable inflation in the money market."

The Texas senator said he believes the Banking and Currency Committee on which he serves will extend the authority permanently as favored by some federal regulatory agencies.

"It is, of course, my general view that our committee might well observe caution as far as additional regulatory legislation is concerned," he said.

Air Raid Alert In Cairo

Cheering Egyptians scurry through a Cairo street during an air raid alert in the Egyptian capital today. (AP WIREPHOTO via cable from Cairo)

Egyptians Cheer, Dance In Streets

CAIRO (AP) — Crowds of Egyptians cheered, danced in the streets and jammed around cars with radios for news after broadcasts and bursts of anti-aircraft fire told them their nation had gone to war with Israel.

Despite anti-aircraft firing heard and radio reports that Israeli planes were attacking Cairo, there was no sign of panic. A few nervous women entered a shelter under the downtown El Misr bank, while an elderly woman lottery vendor, draped in black, squatted by a wall of sandbags in front of the bank and shouted: "Israel will perish! Israel will perish!"

Pravada Says U.S. Fibbed

MOSCOW (AP) — Pravda contended today "irrefutable facts" show that U.S. Defense Department lied when it said "no U.S. aircraft bombed or strafed" a Soviet ship in North Vietnamese harbor Friday.

The Soviet Union protested to the United States Friday, saying one Russian seaman was killed and six others wounded in an attack at Cam Pha. The United States suggested North Vietnamese anti-aircraft shells had hit the cargo ship Turkistan.

Pravda, the Communist party paper, published an interview with Capt. Viktor Sokolov of the Turkistan in which he said "visibility was excellent" and "there could be no question of an attack by mistake."

Sokolov said U.S. pilots "trained their machine guns on the central superstructure of the ship where the crew lived and worked." He said a Soviet flag was flying from the mast and a hammer and sickle was visible on the ship's stack.

Soviet newspapers reported earlier that public meetings were being organized through the Soviet Union to denounce the "piratic actions of the U.S. military."

morning carried out aggression on our Arab land and airspace on our airports and cities." However, the king did not clarify whether Jordanian territory was the first serious fighting since the new Arab-Israeli crisis developed three weeks ago.

Israel routed Egyptian troops in Sinai in 1956 but observers say Egyptian forces and their equipment have improved greatly.

The first Israeli communiqué said Egyptian armored and air forces "moved against Israel, and our forces went into action in order to check them."

Egyptian President Gamal Abdel Nasser had said previously Egypt would not make the first move against Israel but would meet any Israeli attack. Cairo radio said Israel had fallen into the trap by beginning aggression.

"Since the early hours of this morning heavy fighting has been taking place," the Israeli communiqué said.

"A large number of Egyptian aircraft were seen approaching the Israel coast as well as toward the Negev Desert. Israel aircraft rose to engage them."

Thant Sends King Hussein Urgent Plea

UNITED NATIONS, N.Y. (AP) — Secretary-General U Thant reported today Jordanian forces had taken over headquarters of the U.N. truce supervision organization in Jerusalem and that he had sent an urgent appeal to King Hussein to order their withdrawal.

Thant addressed an emergency session of the U.N. Security Council summoned to consider a call for an immediate cease-fire in the conflict between Israel and the Arab countries.

The secretary-general also reported that Israeli planes had strafed a motor-convoy of the U.N. Emergency Force and three Indian soldiers had been killed.

He said headquarters of the U.N. observer organization, located in Government House, Jerusalem, had lost contact with the UNEF forces that were in the process of being withdrawn from Gaza and parts of Egypt.

Thant said Lt. Gen. Odd Bull, chief of the truce organization, had demanded withdrawal of the Jordanian troops but they had refused. Meanwhile, he added, fighting had broken out between the Jordanians and Israeli forces on the grounds of Government House.

The council debate began as members consulted privately on a resolution calling for a cease-fire.

Girl Reports An Assault

Demonstrators Set Fire To Embassy

TUNIS, Tunisia (AP) — Demonstrators set fire to the British Embassy here today and broke windows in the U.S. Information Agency building. The embassy was evacuated.

Shutters on the American Embassy building were broken by stones. Offices of Trans World Airlines were set afire.

The rioting broke out because of the fighting in the Middle East.

Two Thefts Are Reported

Two thefts were reported to police Saturday night and Sunday.

Francis Bradshaw, Apt. A, 307 W. Eighth, reported two \$20 bills and \$5 in change had been taken from her house.

Cecil Livingston, 217 Wright, reported tools were taken from a panel truck beside his house while he was out of town.

Davis Files Writ For Prison Release

Lewis Davis, convicted in 1961 in 118th District Court, of murder, today filed a writ of habeas corpus in an effort to get his case back in the courts.

Davis was found guilty in December, 1961, of the Oct. 23, 1961, murder of Roy V. Brown and was given a 25-year sentence by the jury.

Motions for a new trial were denied, and subsequently the Texas Court of Criminal Appeals affirmed his conviction March 4, 1963.

Davis, now an inmate of the Wayne prison farm, alleged in his petition filed in 118th District Court, that his trial had not been fair for the reason, according to his pleadings, that jurors had discussed and had been influenced by a prior record of offenses; and by errors he claimed the trial court made. In an earlier pleading, a story in the Herald listing a previous record was cited.

In the initial trial Davis was represented by George T. Thomas, and then by Roger Brown.

He was indicted here Nov. 14, 1941, the bill alleging that he killed "Roy V. Brown by hitting the said Roy V. Brown with his fist and with an electric lantern battery, and by kicking Roy V. Brown with his foot."

Preparations are complete for a two-day in-service education conference for homemaking teachers here Thursday and Friday.

Featured lecturers include Dr. Donald Longworth, professor of home and family life at Texas Tech, and Sam Potts, consultant for the division of instructional media for the Texas Education Agency, according to Mrs. Iva Lou Ashley, supervisor for Area II. Dr. Longworth will speak twice, and Potts will conduct a demonstration on making of transparencies.

The workshop, said Mrs. Ashley, will touch on goals for family life education, content of family study programs, teaching procedures and techniques, visual aids, community support, as well as business sessions for the area homemaking teachers. Sessions will begin at 9:30 a.m. Thursday at the Cosden Country Club.

Italy Grabs Bridge Crown

MIAMI BEACH, Fla. (AP) — Italy won its ninth successive world crown today by defeating North America in a 128-deal match, 338 international match points to 227.

Italy stretched its lead from three to 111 IMPs, its victory margin, in the second half.

When the second half of the two-day match started Sunday afternoon the Italians led only 162 to 159. But no sooner had play begun than the Italian Blue team began to exhibit the form that has carried it through every Bermuda Bowl championship since 1957.

Playing flawless bridge, they had built a 45 IMP lead by the middle of the third quarter. Straining to catch up, the North Americans took numerous gambles in the final 48 deals and were punished severely for nearly all of them.

For the Italians, Benito Garozzo played every deal of the finals and his partner, Pietro Forquet, played all but the last 16. Walter Abarelli, Giorgio Beladonna, Camillo Pabis Peci and Massimo d'Alelio put in less time, with all performing admirably.

For North America, Sammy Kehela and Eric Murray of Toronto, Bill Root, Al Roth and Edgar Kaplan, all of New York, and Norman Kay of Philadelphia played well enough to beat most teams but could not overcome the masters from Italy.

By The Associated Press

JERUSALEM — War breaks out between Israel and the Arab nations of Egypt, Jordan and Syria with Israeli and Arab sides each saying the other started it. Heavy ground and air fighting is reported between Egyptian and Israeli forces along the Sinai frontier and the Gaza Strip. Fighting also breaks out in the Jordanian and Israeli sectors of Jerusalem.

Radio Amman reports Jordanian planes also attacked the refinery. Syrian army ordered into battle. Gunfire and the crump of bombs are heard in the Syrian capital.

TEL AVIV — Prime Minister Levi Eshkol says Israel will repulse the Arabs and defeat their armies. Maj. Gen. Moshe Dayan, Israel's new defense minister, tells his troops Israel is not in a war of conquest but is engaged in an anti-out effort to halt the Arabs from overrunning Israel. An Arab-language broadcast of the Israeli radio said 150 Egyptian planes shot down.

UNITED NATIONS, N.Y. — The U.N. Security Council is summoned into emergency session. It had been meeting without decisions for two weeks.

LBJ Gets Windfall

WASHINGTON (AP) — President Johnson got a big political windfall in New York over the weekend — a surprisingly warm and unqualified endorsement from Sen. Robert F. Kennedy.

After months of talk of feuding and ill will, Kennedy followed Johnson to the rostrum at a Democratic fund-raising dinner Saturday night and, addressing his fellow New Yorkers, gave his all-out blessing for 1968 to Johnson and Vice President Hubert H. Humphrey.

Kennedy, in effect, overshadowed the President's own speech.

"Webster defines greatness as largeness of size, much above the average in magnitude, intensity and importance," Kennedy said, adding that the definition could have been written for Johnson.

"The height of his aim, the breadth of his achievements, the record of his past and the promises of his future—all these speak the largeness of size, that magnitude of effort, that intensity of devotion and that importance of accomplishment," said Kennedy.

Witnesses To Attend Parley

Jehovah's Witnesses will convene in Monahans for a circuit assembly Friday through Sunday.

L. M. Dugan, district supervisor for Jehovah's witnesses in New Mexico and Texas, will give the keynote address, "Supply to Your Faith Endurance," opening the convention Friday evening.

Earlier Friday, a "Theocratic Ministry School" will be conducted to train ministers for the pulpit. Saturday Dugan will conduct an ordination ceremony for new ministers. Also, witnesses will canvass Monahans in a door-to-door Bible campaign. The convention will close with the showing of the film, "God Cannot Lie" at the Ward County Coliseum Sunday afternoon.

Solons To Eye Valley Strike

DALLAS (AP) — State Sen. Oscar Mauzy of Dallas said today he and two other senators would be in the Lower Rio Grande Valley by nightfall to "get the facts" on the bitter farm labor controversy that has involved the Texas Rangers.

Mauzy said he and Sens. Don Kennard of Fort Worth and A. R. Schwartz of Galveston would make the investigative trip.

"We'll stay down there as long as we need to find out what's happening," Mauzy said today before leaving Dallas.

"We're going to talk to both sides—Rangers, the district attorney, the sheriff, the growers, the pickets, the laborers—everyone involved," he said.

Sunpapers To Pay \$200

BALTIMORE (AP) — The Sunpapers unit of the Washington-Baltimore Newspaper Guild has voted to accept a three-year contract carrying a \$200 a week top minimum in its final stage for reporters, photographers and editorial artists.

The contract, approved Sunday, provides a top minimum of \$168.40 for employees in these classifications in its initial stage.

The increase guaranteed to all employees of the A. S. Abell Co., publisher of the Sun's morning and afternoon editions, will be \$20 over three years.

Guild members approved the contract by a 145-55 vote at a three-hour meeting Sunday.

Winds Smack Three States

Tornadoes and violent winds smashed Texas, Kansas and Nebraska Sunday night, causing scattered property damage, and heavy rainfall deluged sections of the South, Midwest and Great Plains.

Squall lines produced the violent weather while skies were generally clear from the western Gulf states to New England.

A number of tornadoes were spotted near Plainview, Tex. Authorities reported two homes were unroofed there, doors were torn off an airport hangar and a plane suffered heavy damage.

A tornado blew a car into a ditch 30 miles north of Grand Island, Neb.

Peak gusts recorded at various places included 60 miles per hour at Omaha, Neb., and Plainview, 69 m.p.h. at Garden City, Kan., and 78 m.p.h. at Russell, Kan.

Flash flood and hazardous driving warnings were posted for Northeastern Georgia, where heavy rain pushed rivers above banks and closed a major highway. More than 10 inches of rain hit Athens, Ga., in 24 hours.

U. S. Marines Roll Up Lopsided Victory, 73 Die

SAIGON (AP)—U.S. Marines Air Force sweep destroyed seven of eleven trucks in a convoy near Vinh.

The total number of Communist MIGs claimed shot down by U.S. fighters rose to 74 Saturday with the downing of two MIG17s by Air Force pilots who were attacking a rail line running from Hanoi to China.

FIRE CANNON

A flight of MIGs tried to intercept the raiding F105 Thunderchiefs. But U.S. pilots shot two of the swept-wing Red fighters out of the skies with missile and cannon fire within 90 seconds.

The U.S. has so far lost 20 planes in aerial combat.

SWEEP

Communist guerrillas were beaten off in a dozen attacks on isolated posts in the Mekong Delta Sunday night and this morning. U.S. helicopter gunships and the armed twin-engine transports known as Puff the Magic Dragon circled the embattled villages, helping local militia beat off the sudden rash of attacks. All the attacks were small.

ALLIED

U.S. military headquarters reported no significant ground fighting Monday although 16 major allied sweeps were under way throughout the country.

The Destroyer Berkeley was raked by Communist gunfire Sunday while shelling coastal targets just above the demilitarized zone. Shrapnel rained over the decks, but no damage was reported and there were no casualties.

In coastal Quang Ngai Province, a spotter plane sighted about 100 Communist troops in a rugged foothill area and artillery fire was called in. Infantry later sweeping the area counted 61 dead Communists.

BLAST NAVY

On the coast of Quang Ngai, one of the most heavily Communist-infested provinces in the country, naval gunfire for the fourth time in a week uncovered a major Red base area.

The Navy guns destroyed 17 log bunkers and caved in a long trench system.

Military headquarters said heavy weather blanketed the Hanoi-Haiphong area Sunday and raids on the north were restricted to supply lines south of the major red industrial area.

REDS GIVE UP

Two groups of Communist defectors surrendered in Quang Ngai Province Saturday. One group of 24, waving surrender passes dropped by psychological warfare planes, walked into a U.S. brigade headquarters shortly after a stiff battle with an Army task force. Another group of 12 surrendered a short time later.

In the same area 50 water buffalo were corralled by 101st Airborne Division troops. The soldiers turned the animals over to South Vietnamese authorities for distribution to farmers in the more friendly coastal regions.

TARGET LIST

Meanwhile, Philippine President Ferdinand E. Marcos and U.S. Ambassador William Mc

Junior College Is Recommended

FREEPORT, Tex. (AP)—Dr. C. C. Colvert, University of Texas professor specializing in junior college administration, recently presented a report to the Brazosport Board of Education recommending the establishment of a junior college.

Dr. Colvert headed a fact-finding study that began here in March at the request of the board as a result of a letter received from J. K. Williams, chairman of the coordinating board of Texas Colleges and Universities, stating that the Brazosport Junior College District, created Nov. 27, 1948, would be dissolved unless protest was made by December 22, 1966, and some action taken.

The protest was made and an extension of time granted, following discussion of the matter with Dr. David G. Hunt, vice chairman of the state coordinating board, in November, 1966.

Considerable interest by area citizens, civic clubs, business firms and others has been expressed in reactivating the district which has been dormant for 18 years, with only intermittent interest developing from time to time.

Miss Linda Hawkins of Plano, Ill., served as maid of honor. She wore a blue, formal dress and carried a nosegay of white carnations.

Plan Child's Room For Rugged Use

Children's rooms take a lot of punishment, and an ounce of prevention at the time of planning is worth a pound of cure later on.

If your remodeling plans include the youngsters' bedroom or playroom, be sure to use materials that can withstand the hard abuse they're certain to get. It will save you time, work and money for years to come.

Walls in children's rooms generally take the worst beating. They get scuffed and scratched, rained with wagons and tricycles, and collect an assortment of stains and grubby finger marks.

The best defense is a tough wall covering such as factory-finished hardboard paneling. Hardboard resists marks and dents, so it can take the daily onslaught of energetic youngsters without showing the strain.

Fireflies Ensnared

Fireflies have their femmes fatales. Females of the carnivorous Photinus genus imitate the flashing of Photinus females. A luckless male Photinus responding to the false signal is swiftly eaten.

MISS JAN STROUP

OWC Hears Book Review

Mrs. W. K. Knight served as general chairman when the DCM Group hosted the Officers Wives Club luncheon Thursday at Webb Air Force Base.

The theme was "Relax and Enjoy a Good Book," and appropriate decorations were placed throughout the dining area. The stage curtains were drawn to reveal a "typical" living room with the homemaker reclining on a divan reading while washing, ironing and other homemaker chores obviously needed to be done.

The head table was accented with a gold composite holding yellow chrysanthemums and white daisies, and placed along the table were small pots of ivy, decorated with butterflies. Book jackets were displayed about the room, and place favors were book markers, furnished by the United States Air Force Library Service, listing suggested reading on foreign countries.

The guest speaker was Mrs. Clyde Angel who reviewed the humorous book, "I've Only Got Two Hands, and They Are Both Wringing." It was the story of a modern wife, mother and homemaker who copes, as best she can, with the changing times, and uses a sense of humor to help her over the roughest spots.

Mrs. R. G. Piland, second vice president, presided, and Mrs. T. B. Tompkins, third vice president, introduced the guests. Also, it was announced that Mrs. Piland and Mrs. S. G. Flowers Jr. have been nominated by the group to be listed in "Outstanding Young Women of America."

Guests were Mrs. C. C. Neil and Miss Jane Fitzwater, Mrs. Harland Huihregte, Mrs. D. D. Dyer, Mrs. Jo Bright, Mrs. Clyde Angel, Miss Hazel Howard, Mrs. Clyde E. Thomas Jr., Mrs. Charles Kaufman, Mrs. Modesta Simpson, Mrs. Larson Lloyd and Mrs. B. J. Bowers. Also welcomed were wives of students in the new class, 68-G.

Farewells were said to wives of Class 67-H who will soon be leaving Webb, and the following permanent party members: Mrs. Glenn A. Phillips, Mrs. K. M. Cox, Mrs. Robert Disimone, Mrs. E. N. Capron, Mrs. L. E. Gibson, Mrs. C. D. Bell and Mrs. G. H. Perron.

Schedules were assigned for the summer programs, swimming, crafts, and group therapy. The uniform was selected and will include all white shirts, Bermuda shorts and tennis shoes.

Refreshments were served by Mrs. Bob Eiland, Mrs. Martin Stagg, Mrs. Joe Smoot and Mrs. Kenneth Sneed.

Those in the receiving line with Miss Stroup were her mother, and the prospective bridegroom's mother all of whom wore corsages of white feathered carnations. The honoree was attired in a bright orange knit dress fashioned in an A-line design.

Miss Sherry Stroup presided at the guest register at a table decorated by a single carnation in a bud vase.

The serving table was covered by an off-white cut-work linen cloth, and the centerpiece was a gold and white cherub figurine containing an arrangement of white flowers and greenery. Suspended cherubs on either side held white satin swags with the couple's names, and wedding date printed in silver. Appointments were silver.

Assisting at the table were Miss Beth Weeks, Miss Jo Faris, Miss Karen Elrod, Miss Sandy Ivie and Miss Diane Stevens of Abilene.

Other members of the house party were Mrs. Duke Pierce, Mrs. Carlos Humphrey, Mrs. Tommy Gage, Mrs. Morris Patterson, Mrs. Jimmy Morehead, Mrs. Odell Womack, Mrs. Jack

Irons, Mrs. Cecil Peurifoy, Mrs. T. M. Cudd, Mrs. H. F. Schwarzenbach, Mrs. W. W. Lanning, Mrs. Charles Havens, Mrs. Hudson Landers, Mrs. George Weeks, Mrs. David Elrod and Mrs. Owen Ivie.

Big Spring PBX Members Start Week With Banquet

PBX (Private Branch Exchange) operators are celebrating PBX Week in Texas June 4-11 according to a proclamation signed by Gov. John Connally. Mrs. Opal Hurling of Corpus Christi is 1967-68 president of the PBX Clubs of Texas.

Locally, the week began with an installation banquet Friday evening in the Blue Room of the Country Club where Mrs. John Rains became president of the Big Spring PBX Club. Serving with her will be Mrs. John Ray, vice president; Mrs. W. T. Phillips, secretary; and Mrs. Gene Haston, secretary.

Mrs. Joyce White of Lubbock, state president for 1966-67, was the installing officer and guest speaker who was introduced by Mrs. Melvin Daratt, the retiring local president. Mrs. Haston served as program chairman, and flower arrangements were provided by Mrs. Fern Smith and Mrs. Marvin Williams.

Members and guests were seated at a table covered with white linen and centered with an arrangement of pink and white carnations interspersed with greenery. Among the 25 attending were Mrs. Estelle Brittain, Miss Verdie Mize and Mrs. Nell Krebhiel, all of Midland.

A camera was given away during the banquet with proceeds to be used in providing for an "adopted" patient at the Big Spring State Hospital.

More than 40,000 PBX operators keep communications moving over 20,200 switchboards in

Texas. The group has demonstrated its awareness of responsibility to the community through their professional "Code of Ethics," volunteer service and participation in numerous charity drives.

The local PBX Club was organized Feb. 11, 1965, and holds memberships in the state and national groups. There are now 15 members and seven honorary members.

In civic affairs, the club has assisted with the Heart Fund-

and Muscular Dystrophy Drive and joined with the American Legion Auxiliary to serve refreshments and donate gifts to patients at the Big Spring State Hospital. They also sponsor a patient under the "Operation Hope" program. Donations were made to the state hospital, and clothing provided for the Salvation Army and a Korean orphanage. Also, members have given time for visitation with hospital and rest home patients. During the holidays,

they furnished food and clothing for a needy family. It was announced that the 1967 international convention will be held July 12-16 in New Orleans, La. The international president is Mrs. Ella Miller of Beaumont, and there are now 131 clubs in operation with four in Canada and one in Mexico.

Mrs. W. T. Phillips, 1309 Virginia, will host a barbecue for local members and their families at 7:30 p.m., Friday.

Invention Hits Baby's Bath

A new development of Italian technology is an automatic baby-bathing "machine," similar to a dishwasher or clothes washer, which gives a complete bath in five minutes.

After the baby is placed inside the cylinder-shaped appliance, jets of warm water spray around him, sprinkle on just the right amount of soap, and finish off the process with a rinse. Predicted for the future is a similar adult-size model which will even wash the bather's back!

Diamond In The Rough

It all started when Yankees' Bill Robinson (11) was caught in a rundown trying to steal second in the eighth inning at Yankee Stadium in yesterday's doubleheader nightcap. Robinson didn't like the way Detroit shortstop Ray Oyler tagged him and they tangled, upper left. Joining in are Detroit cen-

terfielder Mickey Stanley (24), catcher Bill Freehan (11), rightfielder Jim Northrup (5), first baseman Norm Cash (25), pitcher Fred Gladding (20) and second baseman Dick McAuliffe, hands raised. Yankees won the opener, 3-0, and lost the nightcap, 11-7. (AP WIREPHOTO)

Etchebarren's Homer Ends Season's Longest

By The Associated Press
Andy Etchebarren, unable to bunt, summoned enough energy to launch the high-flying Baltimore Orioles into the air, taking along a couple of patient young baseball fans who must have been flying even higher.

Etchebarren, after failing to bunt twice, cracked a two-run home run in the 19th inning that lifted the Orioles over Washington 7-5, Sunday, ending the longest game of the baseball season.

Beside bringing the Orioles their 14th triumph in 20 games, it sent them winning toward Friendship Airport, where two boys, about 15 years old, had waited through the marathon to fly with the players on a trip of a lifetime for a youngster.

GRAND SLAM
Dick McAuliffe did not wait as long to send the Detroit Tigers back into first place in the American League as he blasted a grand slam homer in the 13th inning for an 11-7 victory over the New York Yankees in the nightcap of their twinnish. New York won the opener 2-0.

Chicago took first place by beating Kansas City 2-0 in the opener of their doubleheader and then fell back by losing 5-4.

Elsewhere in the league, Minnesota topped California 8-7 in 10 innings and Cleveland blanked Boston 3-0.

The two boys in Baltimore were the only other passengers on the Orioles scheduled flight to California to play the Angels tonight. When they discovered they would be traveling with the Orioles, they waited patiently through almost 2½ hours of departure delays until Etchebarren got them airborne.

"I didn't have much strength left," said the Baltimore catcher.

Etchebarren, who was supposed to have the day off, entered the game in the fifth inning. He ended the 5-hour and 15-minute game by connecting off Bob Priddy after Brooks Robinson singled.

The Orioles, who squandered a 4-0 lead, tied the game 5-5 in the seventh on a double by Russ Snyder and a single by Curt Blefary.

McAuliffe unloaded his ninth season homer and fifth career slam with two out after Bill Freehan doubled and loser Duke Womack walked two.

Pitcher Hank Aguirre had helped Detroit to an early 7-3 lead with a three-run triple, but a homer by John Kennedy started the Yankees back and Jack Gibbs tied it in the ninth with a pinch hit solo clutch.

Al Downing, 6-3, hurled the Yankees to the first game victory with a five-hitter and got enough runs in the first inning on Joe Pepitone's two-run homer off Mickey Lolich.

Uhlender ran for Rich Rollins, Killebrew belted a 500-foot solo drive and Zolo Versalles hit with two on for the Twins, and Rick Reichardt hit a two-run blast and Bob Rodgers and John Werhas homered with none on off before the bunt as Harmon for the Angels.

Reds Hang On For 14th Narrow Win
By The Associated Press
The Cincinnati Reds are going fishing today but Manager Dave Bristol may have to make another trip to his corner barber shop.

If he does, you can bet he won't ask for a close shave.

The National League-leading Reds ran up a 5-0 lead against Atlanta Sunday, then held off the Braves 5-4 for their fourth straight victory. It was the 14th one-run game for the Reds in their last 15.

"I had a haircut the other day and had all the gray hairs cut out," the 33-year-old Cincinnati pilot cracked after giving all the Reds a day off today.

Cincinnati's third one-run victory over Atlanta in three days protected the Reds three-game lead over second place St. Louis, which nipped the Chicago Cubs 4-3. Third place San Francisco swept a doubleheader from the fading New York Mets 7-0 and 5-0. Pittsburgh trimmed Los Angeles 4-1 and Philadelphia overcame Houston 6-1 in other games.

SQUEAKERS
The Reds' string of squeakers — interrupted only by a 6-1 victory at Pittsburgh two weeks ago — began on May 21 with a 2-1 loss to Philadelphia in 15 innings. They have broken even in the 14 one-run games, which include four overtime struggles.

Reliever Bob Lee, newly acquired from Los Angeles, stopped the Braves' comeback Sunday, preserving Jim Maloney's fifth victory in seven decisions. Lee came on in the eighth after Hank Aaron's 15th homer closed the gap to one run against Maloney in the seventh.

The Reds scored twice in the third inning and Leo Cardenas capped a three-run burst in the fourth with a two-run homer.

Lou Brock smacked his third homer in three games leading off the first inning, then broke a 3-3 tie with a run-scoring single in the eighth as the Cards topped Chicago behind the three-hit pitching of rookie Dick Hughes.

Orlando Cepeda's sacrifice fly pulled St. Louis even in the sixth after the Cubs took a 3-2 lead in the fifth with the help of center fielder Curt Flood's first error in 227 games.

Joe Gibbon, making his first start for the Giants this year, shackled the Mets on four hits in the opener while Tito Fuentes and Willie McCovey blasted three-run homers.

Damascus Aiming At Rich Stakes

NEW YORK (AP) — Damascus, with an easy victory in the \$128,700 Belmont Stakes added to his three-year-old championship credentials, probably will make his next start in the \$35,000-added Leonard Richards Stakes at Delaware Park June 17 with no meeting with his arch-rival, Dr. Fager, in line for the immediate future.

"I want first to talk with the owners," said trainer Frank Whiteley Jr. from his Laurel, Md., home after seeing that Damascus was safely back in his quarters at Delaware Park.

TAKE AIM
"But I would like to start him in the 1½ miles of the Leonard Richards and then take dead aim on some of those rich Chicago stakes, particularly the American Derby in August."

With Damascus pointing for the Leonard Richards and Dr. Fager aiming for either the \$50,000-added Saranac at Aqueduct July 1 or the \$100,000-added Classic at Arlington Park June 24, it is very doubtful when the twain will meet to determine the three-year-old title.

Dr. Fager didn't race in either of the Triple Crown events but he finished first by 6½ lengths in the Jersey Derby only to be disqualified and edged Damascus in the one mile of the Gotham at Aqueduct on April 15 in their lone head-on meeting.

Running the 1½ miles of the Belmont Stakes in 2:28 4-5 for jockey Bill Shoemaker's fourth victorious ride in the classic, Damascus earned \$104,950 to run his 1967 bankroll to \$365,410 on five victories, one second and one third in seven races.

Giusti Opens Road Swing

HOUSTON (AP) — Dave Giusti, 2-5, will be pitching for the Astros tonight in St. Louis as Houston starts an eight-game road swing. Larry Jaster will be on the mound for the Cards.

Rookie Don Wilson had a good thing going against the Phillies Sunday: a three-hitter through the eighth, with Houston leading 1-0. But a Philadelphia explosion in the 9th turned it into a 6-1 rout.

Johnny Callison led off the ninth with a double and Wilson made way for Dan Schneider, who yielded a single to Tony Taylor.

With Callison on third, Carroll Sembera came in to pitch and, after striking out pinch hitter Don Lock, allowed Cookie Rojas to tie the game.

Sembera walked Gary Sutherland and pinch hitter Tito Francona forced him at second, Taylor scoring the run that gave Philadelphia the edge.

Sunday's crowd in the Astro dome was 25,836. Through 27 dates this year, the Astros have sold 400,066 seats, compared with 512,876 after 27 dates last year.

Rally Provides Kiwanis Margin
The Kiwanians rallied in the bottom of the last inning to edge the Indians 1-1 in a Texas Teenage league game Saturday evening.

A big second inning, featuring Jim Wilson's double that knocked in two runs, helped propel the Kiwanis to victory. Thomas Ham got credit for the victory; Jimmy Ferris was charged with the loss, although he gave up only four hits. Kiwanis is now 2-0, the Indians 1-1. The box score:

Vastly Outthit, Orioles Still Win
Dickey Stanley whacked out a home run for the Lions, but it was not to avail for the Orioles won their sophomore league game Saturday, 6-4. This evened the season record at 1-1 for each team.

Gatlin Jones got credit for the victory although his team was — amazingly enough — outthit 13-5. Steve Ames was charged with the heart-breaking loss, and had one bad five-run inning to blame. The box score:

Yanks Tie Reds For Cage Lead
MONTEVIDEO, Uruguay (AP) — The United States joined Russia in a tie for the lead in the finals of the World Baseball Championships with an 8-5 victory over Uruguay Sunday night.

It was the second victory in as many starts for the Americans, and left them with four games to go in their quest for world title.

Dave Hill Stops Skidding To Cash His Biggest Check

MEMPHIS, Tenn. (AP) — His lead in the Memphis Open Golf Tournament dwindling, Dave Hill remembered four years ago at the Hot Springs Open when he overheard someone in the gallery remark "Hill's folding up."

He didn't fold then, and he mustered enough courage and shook off the butterflies Sunday to win the \$100,000 Memphis Open and the biggest check of his 10-year career — \$20,000.

Through the first three rounds here, Hill steadily increased his lead to five strokes but began to skid Sunday when Johnny Pott made a dramatic surge on the last 10 holes.

Pott, playing one group in front of Hill, narrowed the gap to three strokes by the time he reached the 18th tee.

Hill knew Pott was gaining, so he buckled down on 17 after suffering four bogeys and a double bogey. He drove the 17th green in one and got his par 3.

On the last hole, he put his second shot into a sand trap, blasted out and two putts gave him a par and the championship.

He finished at eight under par.

VICTORY WAVE
Happy Dave Hill

"I think the toughest thing in the world is to lead a tournament when everybody is expecting you to fall flat on your face," he said.

"Unless you're an Arnold Palmer or a Gary Player, they expect you to fall . . . and I was heading in that direction."

Hill said he had fever blisters, a shaky stomach and a string of sleepless nights to prove it's a nerve-shattering experience to lead all night long.

Before leaving here for the Buick Open this week at Flint, Mich., he planned to shoot a U.S. Open qualifying round here today.

Behind second-place Pott, who collected \$12,000, were Harold Henning at 275, and Randy Glover and Dan Sikes at 276.

Venturi Eyes National Open

SAN FRANCISCO (AP) — His hands so nearly healed that he can play in a chill wind, Ken Venturi leaves today for Detroit and the Buick Open — but with his hopes set on winning the National Open Golf Tournament, which he snared once before, in 1964.

Venturi believes he has an excellent chance in the U.S. Open at Baltusrol, N.J., June 18 if he can putt well. He hopes to tune his game in the Buick Open starting Thursday. He used that tourney — in which he finished fifth that year — to sharpen his game when he won the National Open.

Diamond In The Rough

It all started when Yankees' Bill Robinson (11) was caught in a rundown trying to steal second in the eighth inning at Yankee Stadium in yesterday's doubleheader nightcap. Robinson didn't like the way Detroit shortstop Ray Oyler tagged him and they tangled, upper left. Joining in are Detroit cen-

terfielder Mickey Stanley (24), catcher Bill Freehan (11), rightfielder Jim Northrup (5), first baseman Norm Cash (25), pitcher Fred Gladding (20) and second baseman Dick McAuliffe, hands raised. Yankees won the opener, 5-0, and lost the nightcap, 11-7. (AP WIREPHOTO)

Etchebarren's Homer Ends Season's Longest

By The Associated Press

Andy Etchebarren, unable to bunt, summoned enough energy to launch the high-flying Baltimore Orioles into the air, taking along a couple of patient young baseball fans who must have been flying even higher.

Etchebarren, after failing to bunt twice, cracked a two-run home run in the 19th inning that lifted the Orioles over Washington 7-5, Sunday, ending the longest game of the baseball season.

Beside bringing the Orioles their 14th triumph in 20 games, it sent them winning toward Friendship Airport, where two boys, about 15 years old, had waited through the marathon to fly with the players on a trip of a lifetime for a youngster.

GRAND SLAM

Dick McAuliffe did not wait as long to send the Detroit Tigers back into first place in the American League as he blasted a grand slam homer in the 13th inning for an 11-7 victory over the New York Yankees in the nightcap of their twinnish. New York won the opener 2-0.

Chicago took first place by beating Kansas City 2-0 in the opener of their doubleheader and then fell back by losing 5-4.

Elsewhere in the league, Minnesota topped California 8-7 in 10 innings and Cleveland blanked Boston 3-0.

The two boys in Baltimore were the only other passengers on the Orioles scheduled flight to California to play the Angels tonight. When they discovered they would be traveling with the Orioles, they waited patiently through almost 2½ hours of departure delays until Etchebarren got them airborne.

"I didn't have much strength left," said the Baltimore catcher.

Etchebarren, who was supposed to have the day off, entered the game in the fifth inning. He ended the 5-hour and 18-minute game by connecting off Bob Priddy after Brooks Robinson singled.

The Orioles, who squandered a 4-0 lead, tied the game 5-5 in the seventh on a double by Russ Snyder and a single by Curt Blefary.

McAuliffe unloaded his ninth season homer and fifth career slam with two out after Bill Freehan doubled and loser Dorey Womack walked two.

Pitcher Hank Aguirre had helped Detroit to an early 7-3 lead with a three-run triple, but a homer by John Kennedy started the Yankees back and Jake Gibbs tied it in the ninth with a pinch hit solo clout.

Al Downing, 6-3, hurled the Yankees to the first game victory with a five-hitter and got enough runs in the first inning on Joe Pepitone's two-run homer off Mickey Lolich.

The White Sox fell one game back of Detroit when pitcher Jim Nash capped a four-run fourth inning with a decisive run-scoring single that put Kansas City ahead 5-1 in their nightcap. Nash picked up the victory, but left in the eighth inning when Tommie Agee closed the gap to one run with a two-run homer.

other extra inning affair when he squeezed home pinch runner Ted Uhlaender in the 10th inning for Minnesota's victory.

Uhlaender ran for Rich Rollins, Killebrew belted a 500-foot solo drive and Zoilo Versalles hit one single, and reached third on a walk and forecourt.

The Twins and Angels had homered each other to a stand-off before the bunt as Harmon

Reds Hang On For 14th Narrow Win

By The Associated Press

The Cincinnati Reds are going fishing today but Manager Dave Bristol may have to make another trip to his corner barber-shop.

If he does, you can bet he won't ask for a close shave.

The National League-leading Reds ran up a 5-0 lead against Atlanta Sunday, then held off the Braves 5-4 for their fourth straight victory. It was the 14th one-run game for the Reds in their last 15.

"I had a haircut the other day and had all the gray hairs cut out," the 33-year-old Cincinnati pilot cracked after giving all the Reds a day off today.

Cincinnati's third one-run verdict over Atlanta in three days protected the Reds three-game lead over second place St. Louis, which nipped the Chicago Cubs 4-3. Third place San Francisco swept a doubleheader from the fading New York Mets 7-0 and 5-0, Pittsburgh trimmed Los Angeles 4-1 and Philadelphia overcame Houston 6-1 in other games.

SQUEAKERS
The Reds' string of squeakers — interrupted only by a 6-1 victory at Pittsburgh two weeks ago — began on May 21 with a 2-1 loss to Philadelphia in 15 innings. They have broken even in the 14 one-run games, which include four overtime struggles.

Reliever Bob Lee, newly acquired from Los Angeles, stopped the Braves' comeback Sunday, preserving Jim Maloney's fifth victory in seven decisions. Lee came on in the eighth after Hank Aaron's 15th homer closed the gap to one run against Maloney in the seventh. The Reds scored twice in the third inning and Leo Cardenas capped a three-run burst in the

fourth with a two-run homer.

Lou Brock smacked his third homer in three games, leading off the first inning, then broke a 3-3 tie with a run-scoring single in the eighth as the Cards topped Chicago behind the three-hit pitching of rookie Dick Hughes.

Orlando Cepeda's sacrifice fly pulled St. Louis even at the sixth after the Cubs took a 3-2 lead in the fifth with the help of center fielder Curt Flood's first error in 227 games.

Joe Gibbon, making his first start for the Giants this year, shackled the Mets for four hits in the opener while Tito Fuentes and Willie McCovey blasted three-run homers.

Sunday's crowd in the Astro-dome was 25,856. Through 27 dates this year, the Astros have sold 400,066 seats, compared with 512,876 after 27 dates last year.

GET THE LOW DOWN

Athletes Decide Cassius Sincere In His Beliefs

CLEVELAND (AP) — A

group of well known Negro athletes wanted the straight-from-the-source lowdown on Cassius Clay's stand against Army induction and they got it Sunday.

"After 2½ hours of friendly discussion we decided he is sincere in his religious belief," said Jim Brown, former Cleveland Browns' fullback and head of the Negro Industrial and Economic Union (NIEU), which invited Clay to the meeting.

While a crowd blocked the sidewalk outside the NIEU office, Clay explained to the professional athletes and Law

the NIEU. "It was a question of faith and we did not try to change his mind."

Alcindor, UCLA's 7-foot-1 All-America basketball player, said, "We wanted to see if we could be of help to him."

Involved in the closed door discussion besides Brown, Alcindor and Wooten were Sid Williams and Walter Beach of the Browns; Bill Russell of the Boston Celtics; Bobby Mitchell and Jim Shorter of the Washington Redskins; Green Bay's Willie Davis and Curtis McClintock of the Kansas City Chiefs.

Damascus Aiming At Rich Stakes

NEW YORK (AP) — Damas-

cus, with an easy victory in the \$138,700 Belmont Stakes added to his three-year-old championship credentials, probably will make his next start in the \$35,000-added Leonard-Richards Stakes at Delaware Park June 17 with no meeting with his arch-rival, Dr. Fager, in line for the immediate future.

"I want first to talk with the owners," said trainer Frank Whiteley Jr. from his Laurel, Md., home after seeing that Damascus was safely back in his quarters at Delaware Park.

TAKE AIM
"But I would like to start him in the 1½ miles of the Leonard Richards and then take dead aim on some of those rich Chicago stakes, particularly the American Derby in August."

With Damascus pointing for the Leonard Richards and Dr. Fager aiming for either the \$50,000-added Saranac at Aqueduct July 1 or the \$100,000-added Classic at Arlington Park June 24, it is very doubtful when the twain will meet to determine the three-year-old title.

Dr. Fager didn't race in either of the Triple Crown events but he finished first by 6½ lengths in the Jersey Derby only to be disqualified and edged Damascus in the one mile of the Gotham at Aqueduct on April 15 in their lone head-on meeting.

Running the 1½ miles of the Belmont Stakes in 2:28 4/5 for jockey Bill Shoemaker's fourth victorious ride in the classic, Damascus earned \$104,950 to run his 1967 bankroll to \$365,410 on five victories, one second and one third in seven races.

Dave Hill Stops Skidding To Cash His Biggest Check

MEMPHIS, Tenn. (AP) — His

lead in the Memphis Open Golf Tournament dwindling, Dave Hill remembered four years ago at the Hot Springs Open when he overheard someone in the gallery remark "Hill's folding up."

He didn't fold then, and he mustered enough courage and shook off the butterflies Sunday to win the \$100,000 Memphis Open and the biggest check of his 10-year career—\$20,000.

Through the first three rounds here, Hill steadily increased his lead, five strokes but began to skid Sunday when Johnny Pott made a dramatic surge on the last 10 holes.

Pott, playing one group in front of Hill, narrowed the gap to three strokes by the time he reached the 18th tee.

Hill knew Pott was gaining, so he buckled down on 17 after suffering four bogeys and a double bogey. He drove the 17th green in one and got his par-3.

On the last hole, he put his second shot into a sand trap, blasted out and two putts gave him a par and the champion-

ship.

expect you to fall . . . and I was heading in that direction."

Hill said he had never blisters, a shaky stomach and a string of sleepless nights to prove it's a nerve shattering experience to lead all the way.

Before leaving here for the Buick Open this week at Flint, Mich., he planned to shoot a U.S. Open qualifying round here today.

Behind second-place Pott, who collected \$12,000, were Harold Henning at 275, and Randy Glover and Dan Sikes at 276.

Cooper Has Tough Foes For Title

By The Associated Press

Eight schoolboy baseball teams go to Austin Thursday for the state tournament, with South San Antonio expected to defend its championship in Class AAA but the Class AAAA wide open.

South San Antonio, seeking its seventh state title in 10 years and boasting a 37-0 record for the season, will be a heavy favorite indeed.

Houston Lee, 29-6-1, and with two top pitchers, may be the choice in Class AAAA, although its first foe in the tournament—Corpus Christi King—has the best record of the four teams competing for the title.

The ace Lee moundsmen are Dave Davis, who has a 12-2 record, including a no-hitter, and Rick Rickard, 9-3.

King has won 30, lost 3 and tied 1 and has one of the best pitchers in the state in Bert Hooton, a star of the playoffs.

Ablene Cooper and Tyler are the other Class AAAA teams. Cooper, with an 18-9 record, has an outstanding pitcher in Dave Johnson, who has won 14 games, lost only two and hit four home runs. He averages almost two strikeouts per inning.

Tyler is 17-4 and also has a sensational pitcher in Danny Shields, who has worked 16 of 21 games, winning 13 and losing two.

Cooper and Tyler meet in the second game Thursday night.

Odessa Ector, La Vega and Beaumont Forest Park are South San Antonio's worries in the Class AAA division and Forest Park is eyed as the most likely upsetter if one should come.

Arraignments For 11 Start

SANTA FE (AP) — Arraignments began today for the 11 leaders of a group of Spanish-Americans whose threat to take over part of northern New Mexico Saturday fizzled in the face of strong police action.

But the leader of the group, Reyes Lopez Tijerina of Albuquerque, still was at large. An all-points bulletin for his arrest was sent throughout the country. Dist. Atty. Alfonso Sanchez, who issued the warrants against the 11, said the arraignments before Judge James Scarborough would continue Tuesday.

Sanchez credited the action by state police in arresting the leaders Friday night and early Saturday with preventing violence at Coyote, a Rio Arriba County hamlet where the militant group was to meet Saturday.

The group contends its members are heirs under old Spanish land grants to millions of acres in the Southwest.

About 80 members were at Coyote Saturday but, deprived of their leaders, made no attempt to meet. They left after Gov. David Cargo made a radio appeal for them to do so.

Cargo termed the situation "extremely explosive and volatile." The governor spent much of Friday night and Saturday morning conferring with the group's leaders, including those in jail.
