"I wholly disapprove of what you say but will defend to the death your right to say it."—Voltaire.

Volume 41

Tahoka, Lynn County, Texas, Friday, April 13, 1945.

Number 36.

Two New Trustees On School Board, Teachers Elected

At a regular meeting of the Tahoka Independent district school board Tuesday night, two new members, Maurice Small and Roy Edwards, were sworn in for three-year terms, taking the places left vacant by retiring trustees Prentice Walker and John Slover, who refused to permit their names to be filed for a third term. Each had completed six years on the board.

Citizens of the community who have kept up with affairs of the district, appreciate the services of Walker and Slover, who have diligently looked after school finances, as well as the progress of the school.

E. E. Hancock, superintendent, met with the board for the first time.

The board re-elected all teachers and janitors for the 1945-46 school year who had expressed a desire to be re-elected. Several teachers had notified the board they definitely would not be here next year.

These are: Mrs. W. T. Hanes, Mr. and Mrs. Leo Jackson, all of whom will move to Cameron at the close of this school year, where W. T. Hanes will be superintendent of school and Jackson athletic director; Mrs. Zuma McWhirter, who states that she is not teaching next school term; and Miss Mary Gregory, who keeps her mother and who informed Mr. Hanes several weeks ago that the West Texas climate does not seem to agree with her mother.

Other members of the faculty who have indicated that they will be here next year and who were re-elected at the board meeting are: Misses Lola M. McWhirter, Benton Smith, Snow Johnson, Betty Lou Frazier, and Lucille Wright; Mr. B. T. Smith; Misses John Roberts, Frances Dunsagan, A. R. Hensley, L. D. Howell, Roy Finch, Walter Mathis, Winston Wharton, Annie Mae Smelter, Harley Henderson, B. M. Hays, Paul Pittman, Frank Hill, Lois Mason, and Annie Pearl Adams; Paralee Sayles, Negro school; J. W. and Ed Jaques, janitors.

As has been the custom, all teachers were elected subject to placement by the superintendent of schools.

Congratulations—

Mr. and Mrs. Garland (Sug) Edwards upon the birth of a daughter weighing 6 pounds, 9 ounces at the West Texas Hospital on March 31.

Mr. and Mrs. Otis Curry upon the birth of a son on Sunday, April 8, at Sinclair Clinic, weighing 9 pounds and 10 ounces. He has been named Robert Des.

Mr. and Mrs. A. H. Wilson upon the birth of a daughter Sunday, April 8, at Sinclair Clinic. The little lady weighed 5 pounds and 12 ounces and will bear the name of Glenda Sue.

Mr. and Mrs. Noel Cooper upon the birth of a daughter weighing 8 pounds and 12 ounces, whom they have named Sandra Kay, at Sinclair Clinic on Monday.

To Mr. and Mrs. C. D. Williams upon the birth of a son weighing 9 pounds in the Tahoka Clinic last Friday. The boy has been named Patrick. The father is in the service and Mrs. Williams is living here with her parents, Mr. and Mrs. W. C. Harvick.

Mr. and Mrs. B. L. Hatchell of Wilson, Rt. 1, on the birth of a son Monday at 5:30 a. m. in Lubbock General Hospital. The young fellow, who weighed 7 lbs. 5 oz., has been named Billie Morris.

LT. HICKERSON LEAVES

LT. J. W. Hickerson and wife left Tuesday morning for Waco, where they will visit enroute to his station at Miami, Fla. They were accompanied by Mrs. W. E. Sikes, who is visiting her son Roy and family there.

During their 10-day visit here with Lt. Hickerson's grandparents, Mr. and Mrs. G. W. Hickerson and Mrs. W. E. Sikes, they were visited by his father, Joe Hickerson, of Odessa.

Lt. Bud Garrard Gets Bronze Star

Lt. H. C. (Bud) Garrard, son of Tom Garrard of Tahoka, has been awarded the Bronze Star Medal for "heroic achievement on the field of battle," according to a letter to Judge Garrard from Brig. Gen. Bryant E. Moore.

Lt. Garrard, recently promoted to first lieutenant, is with an infantry division of the 1st Army somewhere deep inside Germany.

Sgt. Leo Brooks Missing In Action

Mrs. Leo Brooks received a message Saturday from the War Department informing her that her husband, S/Sgt. Leo Brooks, had been missing in action over Germany since March 22. He was an engineer-gunner on a B-17 in the 15th Army Air Force based in Italy. He had just recently received the Air Medal.

S/Sgt. Brooks entered the service in February, 1944. He was reared in Tahoka, being the son of Mr. and Mrs. L. R. Brooks, is a graduate of Tahoka High School, and before entering the service was in the trucking business. He and Mrs. Brooks have two small children. His wife is the former Miss Billie Thompson, daughter of Mr. and Mrs. J. Y. Thompson.

Relatives and friends here are hopeful that news may soon come that he is still alive.

H. W. Calaway Is Taken By Death

Culminating a long-continued illness, death came to H. W. Calaway at the Tahoka Clinic here Monday at 11:55 o'clock. He began suffering attacks of heart trouble about a year ago and these became more frequent and more serious until eventually he was confined almost solely to his home, most of the time to his bed. On Friday before his death on Monday he was taken to the Clinic in order that he might have the constant care of a physician or nurses.

Funeral services were conducted in the First Baptist Church here at 3:00 o'clock Tuesday afternoon, with Rev. L. B. Edwards, pastor of the Redwine Baptist Church, officiating, assisted by Rev. Levi W. Price of the First Baptist Church of Tahoka and by Rev. C. F. Carmack, pioneer Methodist minister. Interment was made in the Tahoka cemetery under the direction of the Harris Funeral Home.

Survivors include the widow, three daughters and one son, and

Cont'd on back page

O. H. Tabor, Lamesa minister, who will conduct meeting at Tahoka Church of Christ April 20-29.

Sgt. B. Barham Has Third Air Medal

An Eighth Air Force Bomber Station, England.—A third Oak Leaf Cluster to his air medal has recently been awarded to Sgt. Billy N. Barham, Tahoka, Texas, for "Meritorious Achievement," while participating in bombing attacks against military and industrial targets in the Reich.

Sgt. Barham, 20, is the ball turret gunner on an eighth air force B-17 Flying Fortress in the 385th bombardment group, commanded by Colonel George Y. Jumper of Natoma, Calif.

Son of Mr. and Mrs. Newton M. Barham, RFD Route 5, Tahoka, the air man attended Tahoka High School prior to entering the AAF. He received his gunner's wings at Kingman, Arizona, in May, 1944.

Soldier Wounded In Battle Cautions People Against Asking Silly Questions

Army and Navy officials, various organizations, and the press has frequently cautioned the public in its attitude toward returned wounded war veterans.

We have been asked to treat them with normal respect, but not to ask them questions which to them might sound foolish, not to lament their handicaps too much in their presence, not to worry them with other troubles, not to draw them out too much in discussion of their war experiences. Most of them want to forget about the war and their accidents. Most of them don't want too much sympathy but just a chance to return to normal health and to resume their places among their friends and neighbors.

Such is the case of Pvt. William E. Carey, son of O. R. Carey of the Gordon community, now home on a

15-day furlough from McCloskey General Hospital, Temple.

Pvt. Carey lost a leg and received other wounds in battle in Italy. He is recovering nicely, and hopes to have an artificial leg soon, get his discharge for honorable service, and resume a normal life as a civilian.

When The News learned that he had been asked some "silly" and cutting questions by well-meaning but thoughtless citizens, we asked him to make a statement for publication, and here is the wounded war veterans' attitude:

"To the Home Front:
"I have been home on furlough, and am surprised at the way some people act.

"I have lost one of my legs, and I get asked some of the most foolish questions."

Capt. Mrs. Turner's Infant Buried Here

Funeral services were conducted by Rev. Levi W. Price, Baptist pastor, at Harris funeral chapel Monday morning for the infant of Captain and Mrs. Thomas T. Turner, who died shortly after its birth at Mount Pleasant Wednesday, April 4. Capt. and Mrs. Turner had been en route from his station on the East Coast to Tahoka for his leave.

An ambulance from Harris funeral home brought the little body and the mother, who is the former Miss Iris Deane Cade, to Tahoka Sunday.

Mrs. Ruby Porter of Modern Beauty Salon was called to Big Spring last Thursday on account of illness of her husband's father. He was slightly improved when she returned home on Saturday.

Elwayne Beard Gets Feet Badly Burned

Elwayne Beard, son of T. C. Beard of Draw, sustained severe burns on both feet and the right hand late last Sunday eve when he fell into a burr pit at the Draw gin. He was treated at the Tahoka Clinic.

Elwayne is an eighth grade pupil in the Tahoka schools.

FRUIT IS KILLED

Nolan Von Roeder of Knapp, well known seed and fruit man, was up Tuesday from Borden county, and told The News he would not raise enough peaches for the birds and that the plum crop would be only about 15 percent of normal.

Mrs. Fannie Fears of Morgan's Mill spent last Thursday here with her nephew, E. B. Gaither and family.

O'Donnell Stores Are Burglarized

Burglars Monday night broke into three O'Donnell service stations, and took from one of them, Jeff Shook's Magnolia station, ration coupons good for about 50,000 gallons of gasoline, \$810.00 in checks and cash, and a number of valuable papers.

The thieves, evidently hunting ration coupons, took nothing at the Gulf station, and only filled up with gasoline at the Phillips station.

Ration coupon burglaries were reported the same night at Lamesa and Snyder.

Dr. J. R. Singleton Is Death Victim

It was a great surprise and shock to the people of Tahoka to learn Tuesday morning that Dr. J. R. Singleton, 67, dentist and pioneer citizen of Tahoka, had passed away early in the night. Death came at about 8:30 Monday night from an attack of heart trouble, the first the Doctor had ever suffered, so far as the family knew and believed. Apparently, he was in fairly good health for a man of his age; and had been romping and playing on the bed with his little granddaughter, Mag Ann Lamb, when suddenly he complained of a pain in the chest. His daughter, Mrs. Clabelle Lamb of Lubbock, who was here visiting, went to his assistance, and then called her mother.

(Cont'd. on page 3)

Capt. C. Draper Gets Bronze Star

In an interesting letter to her parents, Mr. and Mrs. I. M. Draper, Captain Claudia M. Draper, of the Army Nurse Corps in the European Theater reveals the fact that she was awarded the Bronze Star Medal "for meritorious service in connection with military operations during the respective periods indicated, 29 June to 31 July 1944."

Captain Draper, who entered the service in 1938, served for a time as nurse in the Pacific theater of operations, but for the past two years she has occupied a very responsible supervisory position in various hospitals on the European front.

TWO MORE ARE FLYING

District Attorney Cullway Huffaker and Jim Ed Poer, high school student, have each made "solo" flights the past few days. B. T. Smith, local flying instructor, reports. He says several other flying students are about ready to solo.

AAA Checks Are Issued Farmers Total \$115,650.00

Lynn county farmers have recently received 739 checks totaling \$115,649.95 as payment from the Government for participation in the 1944 AAA conservation program, according to R. R. Adams, secretary of the county ACA.

Since there are 1620 such farms in Lynn county, it is possible that the farmers of this county will be benefitted to the extent of about \$253,530.00 for the year, Adams stated.

"Dairy farmers of Lynn county are notified," Adams statement continues, "that payment for dairy production in April will be the same, 10 cents per pound for butterfat and 70 cents per hundred for whole milk, as in January, February and March. Milk and butter fat producers are urged to bring in the receipts for January, February and March sales in order that drafts can be issued them.

"Farmers who have built or are completing terraces, or any other practices, and haven't yet received payment for them, are urged to report this practice to the local AAA office immediately."

F.O. 'Boots' King Killed In Action

Flight Officer C. B. "Boots" King was killed in action in Germany on March 24, according to a message received by his aunt, Mrs. Zoe Lowrey, from the War Department on Monday. No details were given but further information is expected soon. "Boots" was a glider pilot.

A son of the late Mr. and Mrs. R. L. King, "Boots" was born at Sanger, Texas, on March 9, 1913; he entered the service in the U.S. Armed forces in March, 1942; and was killed, as related above, on March 24, this year. He was a brother of the late Lt. Lee King, pilot on a transport plane, who was killed in India a few months ago.

He was married about three years ago to Miss June Gary of O'Donnell, and his wife died at the birth of their little daughter, Judy Carroll, who was born in August, 1943. Mr. and Mrs. J. W. Lowrey and the former's mother, Mrs. Zoe Lowrey, took the babe to care for it while "Boots" was in the service. Mrs. Zoe Lowrey being his aunt.

Two of his three other brothers are in the service. Sgt. William L. "Bill" King is an army airplane mechanic, now serving in France, while Jack J. King in serving in the Navy somewhere in the Pacific. On account of having some of the toes missing from one foot, the youngest brother, Kelley, was unable to get into service in the armed forces but is employed in a defense plant.

The two sisters are Florence King Smith, whose husband is an airplane pilot in the Air Transport Command in China, and Mrs. Kathleen King Holtwick, who is night supervisor at the West Texas Hospital in Lubbock, her husband being in the service.

Although born at Sanger, "Boots" came with his parents to Tahoka while he was a yet a small child and had spent most of his life here. He attended the Tahoka Grade and High School and after leaving school worked for various business firms here. He was industrious and popular and many friends deeply deplore the fact that he became the victim of the diabolical enemies of our country and of liberty and justice everywhere.

SGT WOODROW BREWER IS GIVEN PROMOTION

S/Sgt. Woodrow Brewer, son of Mr. and Mrs. W. E. Brewer, who has been in the service for several years and out in the Pacific theatre of war for the past two years, was recently promoted to the rank of Master Sergeant.

His parents live in the Joe Bailly community and he is a native of Lynn County. Of course he has seen some strenuous service in the Pacific.

20 Club Boys Fattening Hereford Steers

Twenty Lynn County 4-H Club boys will show approximately thirty-five Hereford fat steers along with other stock to be shown by 4-H boys at the Lynn County 4-H Stock Show to be held in Tahoka early in May. These steers, being fed out by 4-H Club boys, were individually selected and purchased in the auction ring. The steers were bought and the feeding period begun back in November. The average weight of the animals when put on feed was approximately five hundred and fifty pounds.

Every effort has been made to direct these boys to carry on their 4-H beef feeding demonstration in the most practical and economical method so that in feeding out these animals the boys might learn in a practical manner and do the job in the same manner as they might feed out a car-load of steers in later life. The steers, although individually picked for type and quality, were bought at market price the same as any farmer would purchase his steers, rather than pay a premium for the privilege of topping out individual steers from large ranch herds.

In their feeding program, the boys have been directed to utilize as much home-grown roughage as

Pic. Emanuel Richey, grandson of Mr. and Mrs. M. C. Richey, is in England.

Pic. Dick King is on his way across the seas.

Joel D., son of Mr. and Mrs. S. L. Williams, returned to his camp at Ft. Pierce, Fla., last week after a 30-day furlough.

Rev. Martin of Central Baptist Church preached Sunday to large crowds. Visitors were present at each service, including Mr. Holder and daughter, Mrs. Hutchinson and baby, Mr. Hutchinson being in the service abroad, and at night Mr. and Mrs. Cleo Edwards, Mr. and Mrs. Jack Hostins and children.

The Spring revival will start Sunday night with Rev. Martin doing the preaching. There will be a good song leader. The public is cordially invited to all services.

Mr. and Mrs. F. x, parents of Mrs. E. A. Thomas, having sold their home in Arizona, arrived here Saturday. They plan on settling nearer their daughter, Mrs. Thomas and Miss Gladys Fox, who is a teacher in the Dallas schools.

Mr. H. Hodo was honored Sunday with a surprise birthday dinner, with a number of relatives and friends present.

Mrs. Lilly Tolbert of Rising Star, accompanied by Mrs. W. T. Bullock of Post, visited Mrs. J. E. Bullock and other relatives here Friday.

The newly married folks, Mr. and Mrs. Billy Warrick, were honored with a shower Tuesday night in the home of the groom. Mr. and Mrs. Jimmy Sanderson.

Mr. and Mrs. G. McClesky are visiting their son in California.

Rev. J. E. Stevens met with the Boy Scouts Monday night.

Billy Guane, son of Mr. and Mrs. Carl Jones, has recovered suf-

few weeks. It is inspired of God. (2 Tim. 3:16). It is the only reasonable explanation of man's existence on the earth, the only way in which we can account for the wonderful works of nature. No one man could have written it, because no one man can even master all of its teachings in a lifetime. No group of uninspired men could have written it and it contain the perfect unity which it has. If good men wrote it and claimed it was inspired, they made a false claim and hence stand condemned by their own teaching. Bad men would not have written such a volume that tells of the terrible punishment awaiting the wicked. The Devil didn't write it, because he is lying in wait to deceive, and it reveals how we might escape that deception. The fact that no man or group of men have been able to destroy it proves its divine origin. Practice of its principles will eliminate all strife, all wars, and all evil. Those who practice its principles are respected by all. The more one studies it, the more faith it produces (Rom. 10:17). It is the only book people are ashamed not to have in their homes.

Therefore, we should receive it with meekness, because it is able to save our souls (James 1:21). We should receive it with open minds, willing to accept its teachings (Acts 17:11). We should receive it gladly (Acts 2:41). We should receive it as it is in truth the word of God (1 Thes. 2:13).

We invite you to attend the services of the Church of Christ nearest you.

Sciently from a near-fatal accident to be back in school. He was helping his father haul feed and was riding home on the load when the wind caught some bundles, carrying him off with them. His father did not know Billy had fallen until reaching home and waited for him to open the gate. Investigating, he found Billy no where around and hastened back and found him still lying where he had fallen. The boy was rushed to a doctor. The fall on his head rendered Billy unconscious for a number of hours and he was badly bruised, but no broken bones were found.

Mr. C. A. Walker had the misfortune of getting two fingers of his left hand cut off above the first joint; of the index and middle fingers, and the fore finger broken while attempting to help start a stalled fan on his car while the motor was running. The fan started with such speed that his fingers were caught in it.

Mr. and Mrs. Russell Vernon returned recently from a three weeks' stay at South Bend, where they took the baths at Stoval well.

Lt. Carmack Back From Pacific War

Lt. (j.g.) Charles F. Carmack of the Navy left Sunday for San Bruno Naval Station, San Francisco, after spending four days here visiting his parents, Rev. and Mrs. C. F. Carmack, and brother, Condy Carmack. He was accompanied by his wife and 6-year-old son.

Lt. Carmack, a medical officer, had just returned from the Pacific, where he had been in action during landings, and has had two ships sunk under him in the Philippines.

He was medical officer on the USS Minesweeper Long working in the Ligayan Gulf off Luzon preparatory to the invasion, when Jap planes sunk the ship. Assigned to the USS Minesweeper Hovey, it too was sunk.

Lt. Carmack was reared largely in Lynn county, attended the Tahoka schools through the seventh grade, but was a graduate of Wellington High School. After graduating from medical school, he was a surgeon in the Santa Fe Hospital in San Bernardino, Calif., until he was commissioned Feb. 1, 1944.

Sgt. Kelly Hill is in the hospital at Keesler Field, Miss., he has informed his wife, receiving treatment for an old skull fracture.

Mr. and Mrs. Paul Walker of near Morton were here this week visiting relatives.

GARDEN EXHIBIT MADE BY TAHOKA 4-H CLUB

The exhibit committee of Tahoka 4-H has an exhibit on gardens arranged in the show window of Southwestern Public Service company.

Some points emphasized in the exhibit are: 1. Be one of more than a million Texans to grow a better garden. 2. Get good seed. 3. Treat seed better. 4. Grow early, vigorous, stocky plants. 5. Try something different; and others.

The members of this committee are Ann Cowan, chairman, Barbara Jean Henderson and Hazel Phillips. Betty Jane Henderson is president of the club.

NEPHEW IS KILLED

Mr. and Mrs. Claude Donaldson went to Altus, Okla., last week to spend a short time with Mrs. Donaldson's sister, Mrs. M. T. Lincecum, who had just received word of the death of her son, Cpl. M. T. Lincecum Jr.

Cpl. Lincecum, 20, a member of the 5th Marines was killed in action on Iwo Jima on February 23.

The News is informed that Pvt. William H. Renfro, who has been in the infantry and stationed at Camp Roberts, California, has been transferred to the Air Corps at Sheppard Field. While enroute to his new station, he came down from Amarillo Sunday eve and spent the night with his wife and two children. He was formerly employed at Wharton's Service Station.

W. T. Kidwell's little daughter Karen Beth, recently was honored by having her picture in the national Piggly Wiggly trade publication, "Turnstile." The same issue also carried a story about Robert Rusk, entering the armed service.

Dr. J. R. Singleton

(Cont'd from page 1)

her, Mrs. Singleton, who was just entering the house.

In their efforts to get in touch with a physician, both Dr. Sinclair and Dr. Frchl were summoned as was also Mrs. Helen H. Neycutt a nurse at the Tahoka Clinic. Both doctors and the nurse did all in their power to give the patient relief, but to no avail. He lived only about 45 minutes after he was stricken, but he was conscious up to the last minute, Mrs. Lamb declared.

A few years ago the Doctor moved his dental office into his home and on Monday he had consumed most of the day in doing dental work for his nephew, Edward Singleton of O'Donnell. He was in high spirits, and no one dreamed that death was to come so soon.

Funeral services were conducted at the home here at 3:00 o'clock Thursday afternoon, with Dr. W. K. Johnston, former pastor of the Presbyterian Church here officiating, assisted by Rev. H. A. Nicholson, pastor of the Methodist Church.

Active pall bearers were: Harlan Cook, R. W. Fenton Jr., O. C. Roberts, G. M. Stewart, Irving Stewart, T. D. Stuart, W. S. Taylor, and W. E. "Happy" Smith. There was a long list of honorary pallbearers. Survivors include his wife, a daughter, Mrs. O'Abelle Singleton Lamb; a son, Dan Singleton of Tahoka; and a little grand-daughter, the pride of his heart, little Mag-Ann Lamb, 2 years of age.

Also surviving him are three brothers, W. E. Singleton and J. M. Singleton of Jefferson and Earl Singleton, Beaumont; six nephews, among whom are Edward, Hal Jr., and Sam Singleton, all of O'Donnell; and eight nieces, among whom are Mrs. C. N. Hoffman, the former Miss Ethel Singleton, formerly a resident of O'Donnell but now of Chickasha, Oklahoma, and Mrs. Glenn P. Lee, the former Miss Kate Kelly Singleton and formerly a resident of O'Donnell now living in Marlowe, Oklahoma.

One sister of the Doctor died in Fort Worth in 1938, while a brother, Hal Singleton, well known throughout this area, died in O'Donnell in 1941. But among the survivors is Mrs. Hal Singleton, a relative, who lived in the home of Hal Singleton, and Doctor Singleton's parents for a time before her marriage.

Among relatives living at a distance who were here for the funeral are: Earl Singleton Jr. of Fort Worth, a nephew; Mrs. C. N. Hoffman, a niece, and her daughter Helen Jean of Chickasha, Oklahoma; Mrs. Glenn P. Lee, a niece, and her children, Daisy Beth and Glenn Jr., of Marlowe, Oklahoma; Mrs. C. R. Burleson, a niece, and her baby son, of Childress; Hal Singleton III, a nephew, a military cadet, San Antonio; Will Singleton of Big Spring and S. D. Singleton of Denver City, both cousins; Mrs. Annie Krenck, a niece, of Jefferson; Mrs. S. J. Atkins, a sister of Mrs. Singleton, and her daughter, Martha Clem, and her son, D. Wurtsbaugh, all of Jefferson; and Mrs. T. J. Taylor Jr. of Jefferson, a niece of Mrs. Singleton.

Dr. Singleton himself was not only an interesting character but he had a colorful background. Son of William Edward and Louisa Harris Singleton, he was born in Marshall, Texas, on January 27, 1878, but the family soon thereafter moved to the then thriving little city of Jefferson on Caddo Lake in Marion County. There James Robert grew to manhood and there he wooed and won Miss Mag Wurtsbaugh, and the two were married on January 23, 1905.

In the meantime, however, the young man had gone to college and had graduated in dentistry at Vanderbilt University in Nashville, Tennessee. One of his college mates was a young chap named Tom Garrard, who was there studying law. The two became fast friends, and both started their professional careers in Ft. Worth, Singleton as a dentist and Garrard as a lawyer. But Dr. Singleton later went back to Jefferson, and when he married Miss Mag Wurtsbaugh, he took his bride on their wedding trip to

Fort Worth, and Tom Garrard met them at the station. Time rolled on and they drifted apart, but Fate at length brought them both to Tahoka, and here too in their declining years they have been fast friends.

Dr. Singleton was induced to come to Tahoka in 1915 by his brother Hal, who had migrated to Lynn County the preceding year, and the two opened a lumber yard in the new town of O'Donnell, though the Doctor continued to follow his profession of dentistry.

In 1916 he was elected mayor of Tahoka and was re-elected term after term until 1928, when he voluntarily retired.

During his incumbency in office as mayor, a municipal light and power plant and a municipal water and ice plant were built and a sewer system installed. Also brick paving was laid on about twenty blocks in the business district, including the public square and the street leading from the square to the Santa Fe Station. This lifted a large portion of the town out of the mud and proved to be a great impetus to its growth.

Dr. Singleton has long been a member of the Presbyterian Church, he was a progressive citizen and a man of strong convictions, frank and outspoken in his views of public affairs. While many men differed with him at times on public issues, he retained the respect and confidence of all Tahoka and her citizenship are greatly indebted to him for the growth and prosperity of the town.

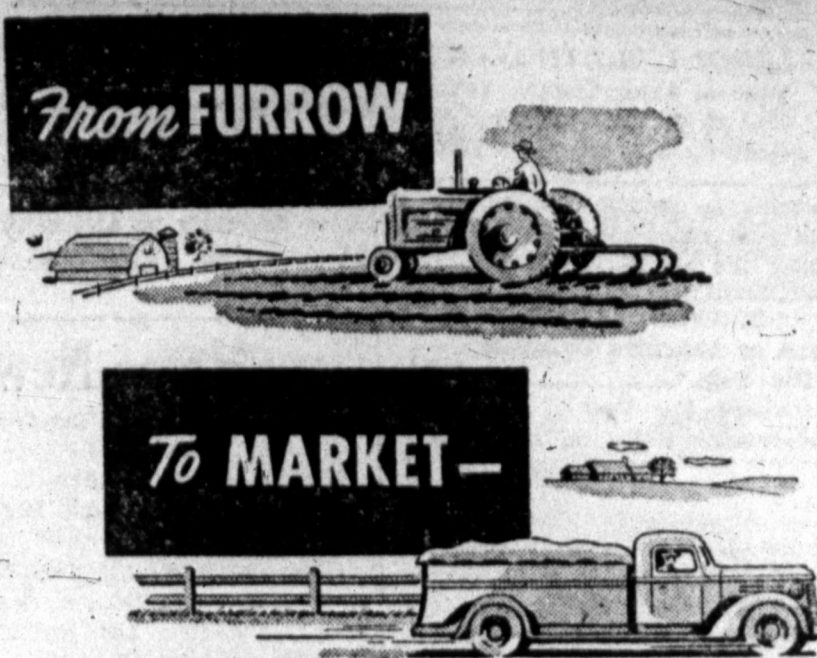

NOTICE, CUBS AND PARENTS

Cub Scouts and all boys of Cub age, together with their parents, are invited and urged to attend a meeting at the Nazarene Church next Monday evening, April 16, at 8:30. Rev. W. J. Campbell is Cub master, and plans are under way to organize another Den soon.

How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, and help build resistance for the "time" to come. Started 2 days before "your time," it should help relieve pain due to purely functional periodic causes. Try it!

Advertising Rates on Application.

NOTICE TO THE PUBLIC:
Any erroneous reflection upon the reputation or standing of any individual firm or corporation, that may appear in the columns of The Lynn County News will be gladly corrected and referred to our attention.

The News has received a clipping from the Congressional Record containing remarks made by George Mahon in which he quotes and approves a speech recently made by Fleet Admiral Ernest J. King in New York City advocating the retention by the United States after the conclusion of this war of all the islands in the Pacific taken by our armed forces which may be useful to the United States in the future as bases for air and naval operations. It also contains a copy of a communication recently addressed by Mr. Mahon to the President and to the Secretaries of State, War, and Navy, in which he urges that our Government make no commitments at any time which would preclude our retention of these bases after the end of this war, bases such as Iwo Jima. We believe that a vast majority of the people of the United States feel that it is highly necessary that we retain such bases, and we can not conceive that our President and the heads of these Departments would harbor for a moment any suggestion that we better away this right to any nation. Of course the British Government should be permitted to retain most or all of its

island possessions for the maintenance of air and naval bases for the protection of the British Empire, and Russia is entitled to some concessions for the protection of its Pacific Coast line, but the Pacific must definitely be and continue to be "Our Sea." Japan must be allowed nothing.

New Home News

(By Mrs. Chas. Armontrout) (Delayed)

Mrs. J. E. Weightman of Lubbock is visiting Mr. and Mrs. Cecil Bradshaw.

Miss Peggy Sweet, who is attending school in Denton, spent the holidays visiting her parents and brother, Mr. and Mrs. Hardy Sweet and Joe.

Miss Thelma Ruth Strain, a teacher in the Andrews school, visited her parents Easter.

Mr. and Mrs. Joe Armontrout returned Tuesday from Rockport, after a four months stay.

Mr. and Mrs. Graham George and Mr. and Mrs. J. W. Shadden and families visited Mr. and Mrs. A. J. Shadden of House, N. Mex., last week end and helped in a round-up and branding of Mr. Shadden's cattle.

Mr. and Mrs. W. W. Davies and Carlton visited their parents in Southland Sunday.

Mr. and Mrs. Jack Davis and Jack L. visited Mr. and Mrs. Frank Lisemby Sunday.

Mr. and Mrs. Adie Bailey and Mr. and Mrs. Wayman Smith were Sunday guests of Mr. and Mrs. D. D. Renfro.

Dr. and Mrs. W. H. Jones of Lubbock visited Mrs. W. P. Robinson Sunday.

Mrs. Thelma Odom of Shallowater is visiting her sister and family, Mrs. Henry Berry, this week.

Dennis Haley is reported to be improving at the Lubbock Hospital. He has the whooping cough.

Mrs. Alva Albright had her tonsils removed Monday in the Plains Hospital and is doing just fine.

WELLS H. D. CLUB

The Wells H. D. Club met April 3rd in the home of Mrs. Nola Balch. Miss Dixon met with us and we had an all-day meeting.

Four of the members made foot stools. All had grand results. There will be two more made at the next meeting.

Those present for the meeting were: Mims, Barton, Simpson, Randolph, Ratliff, Jackson, Joe McLaurin, Grogan, Barrett, Nell McLaurin, and our visitor, Mrs. Peck.

The next meeting will be April 17th.—Reporter.

Mr. and Mrs. R. B. "Bob" McCord are visiting one of his sisters who is ill at her home at Samanthia, Ala. They formerly lived in that section of the "Old South."

Pfc. Jacob King is now with the engineering corps in the Marines, his father reports.

Southland News

(By Mrs. Floy King)

The Hansel Hallmans of this place recently received a letter from their son Winfred saying the doctors re-broke his arm and reset it. He hoped he would soon be out of the hospital again.

Mr. and Mrs. J. L. Whited visited their daughter, Mrs. W. W. Davies and family, at New Home Thursday.

Mrs. Pauline Stotts is now driving the school bus. Mrs. Barkley having resigned.

Harry King returned from the Santa Fe Hospital in Clovis, New Mexico, last Friday.

Quite a crowd attended the social and supper given at the Methodist Church on Tuesday night in honor of the Ray Robersons, who are leaving for Greenville, where Ray will report for military service on Friday.

Harrell Tanner, who has been home on leave after completing his pilot training at San Diego, left Wednesday for that station.

Mrs. Annie Landers spent the week end with her daughter, Mrs. Herman Whited and family, at Odessa.

Mr. and Mrs. George Seiwert arrived this week from Inglewood, California.

Ed Lake has been sick for several days.

Clyde Martin arrived this week on a 30-day leave to visit his parents, the Ed Martins and other relatives and friends.

Mr. and Mrs. W. A. Basinger and son Melvin, accompanied by Hayward Basinger and their daughter-in-law, Mrs. Harlan Basinger, have just returned from visiting another son, William M. Basinger and wife of Dyersburg, Tenn. When they arrived home they received a letter from their oldest son, Harlan, L. S-2/c, who is out at sea. He had been in a naval hospital in California some months ago but says he is now well. His wife is making her home with her parents, the Coopers near Slaton while her husband is in the service.

Mrs. Cliff Johnson, who died Monday night of last week, was buried Wednesday afternoon in the Southland cemetery. Funeral services were conducted by Rev. O. J. Harmonson, I. J. Duff, and E. C. Armstrong. Survivors include her husband, two daughters, three sisters, and three grandchildren, all of whom were present for the services.

Don Pennell's brother, 1st Sgt. Chester L. Pennell, has completed his sixth year in the army. He has been overseas nineteen months, landing first in North Africa, and then served in Italy and in southern France. He is now in Germany with the Second Field Artillery of the Seventh Army.

Mrs. J. W. Foster, 80, a long-time resident of Southland but more recently of Lubbock, died at 6:30 o'clock Saturday afternoon in the Lubbock General Hospital, where she had been a patient for six or seven weeks. Funeral services were conducted at 3:00 o'clock Sunday

afternoon at the Southland Baptist Church, with Dr. C. A. Bickley of Asbury Methodist Church, Lubbock and Rev. E. C. Armstrong of Southland officiating. Burial was in the Southland cemetery. Pallbearers were J. H. Felton, Paul Basinger, C. V. Sandlin, R. Bush Smith, Don Milliken, and Ralph Milliken. She is survived by three daughters, three sons, 14 grandchildren and 10 great-grandchildren.

Lloyd B. Patterson, 37, formerly of Southland, has been promoted to the rank of Storekeeper 2-c at the Naval Artillery Air Station at Arlington, Washington, D. C. His mother, Mrs. Mary J. Patton, lives on Route 1 out of Lubbock, and his wife, Mrs. Bertha M. Patton, lives in Denver City.

TAHOKA 4-H CLUB GIRLS MET SATURDAY

Tahoka 4-H girls' club met Saturday afternoon, March 31, in the district court room. Elma Nell Eubanks presided. The secretary, Shirley Beth Roberts, was present. Mrs. E. L. Roberts, sponsor, encouraged the girls to have better gardens in 1945.

The girls planned a well-planned lunch using fresh vegetables from the garden. A game of "Do You Know These Vegetables?" was enjoyed by club members and visitors. Two tied for first place and received a prize. They were Shirley Beth Roberts and Loisie Faye Crouch.

Miss Carolyn Dixon, county H.D. agent, checked on goals for February and the garden goals for March were set up.

Club members present were:

JUNIOR-SENIOR BANQUET

The annual Junior and Senior banquet was held in the gym Tuesday night.

The program was as follows: "Into the Wide Blue Yonder," by J. Fred Bucy, Junior class president; "The Aviation Cadets," by Johnny Wells, Senior class president; "Silver Wings in the Moonlight," by Bonnie Campbell, accompanied by Mrs. Edwards; "The Ground Crew," by Buddy Bragg; "The Landing Field," by Dan Brookshire; "Happy Landing" by Mr. W. T. Hanes; Class Will by Johnny Anderson; Song to Senior by members of Junior class; Prophecy by Jeannie Smith; "Bombardiers' Song" by everyone present.

Dancing and games followed the banquet.

AFTER GRADUATION

Four more weeks and 60 Seniors will graduate from Tahoka High. Some of these students will go to colleges and universities to continue their education. A good percent of these will go into the armed services and a few will find odd jobs and earn their own living.

What twelve years of schooling has meant to each individual will be exemplified in both the student who goes on to college and the other who does otherwise. If the boy or girl going to college has made the most of his opportunities while in school, he will find himself just that much better qualified for college, or if he goes into service or seeks a job he will have a good foundation. While on the other side of the problem the student who does not go to college still has the chance to succeed if he is determined.

WILL ENTER TRACK MEET

The Tahoka track team is working hard to get in shape for the district track meet Friday and Saturday at Chapman Field in Lubbock.

In the practice meet a few weeks ago, Tahoka entered three events and placed in two of them.

They won second in the 440 yard relay and third in the 220 yard dash.

There are about twenty boys training for track, and they will have elimination some time this week to pick the fastest boys to run at Lubbock.

PERSONALITY

Good morning! Hello! Hi, kids! These are just a few of the sweet little words that Lequita Anderson has to say to students and people of Tahoka. She never misses you; no matter where you are, she always speaks. Lequita is a Freshman and is 14 years old. She is five feet, four and one-half inches tall, and weighs 115 pounds. She is the daughter of Mr. and Mrs. Bill Anderson of Tahoka. Lequita has three brothers in the service. She is a member of the Sub-Dab club.

SENIOR CLASS NEWS

Seniors have received invitations to the Junior-Senior banquet held annually at the school. This year it will be on April 19. Juniors, we want to take this opportunity to tell you how much we appreciate the efforts you have put forth to give us a good reception.

The invitations for the commencement exercises have arrived. The Seniors have only four more weeks of school, counting this one.

Senior Day was a success with fun for all, though some got blistered.

Several Senior athletes are at Canyon this week playing football.

JUNIOR CLASS NEWS

The Junior class met Monday, April 2, in their regular home room period and discussed banquet procedure. The class has been working very hard on the banquet and they believe it will be a great success.

The class discussed candidates for Student Council officers for the election this week.

SUB-DEB CLUB

The Sub-Deb club met in the home of Greta Joyce Board for its semi-monthly meeting.

Plans were made for the dance April 12th.

Those present were served grape-ette and cookies.

FRESHMAN CLASS NEWS

Plans for our picnic are being made. It is to be held on April 20. We plan to go to the Roadside Park. Committees have been appointed for games, refreshments, etc. We expect to leave after school on that day.

The Freshman literature classes have begun to study Ivanhoe. We find it interesting, educational and enjoyable.

A joint meeting of the two classes was held Friday, April 6. Nominations for the Student Council officers were decided on. Kenneth Reed was elected to nominate these. Our class is behind these nominees one hundred percent.

SENIOR DAY

Friday, April 6, the Seniors enjoyed their annual Senior day with a picnic at the Roadside Park and a theatre party in the afternoon.

Due to the war and wartime conditions, the Seniors took this means of celebrating their annual Senior day.

Games were played in the morning and then a picnic lunch was spread for all. The entire day was enjoyed by the Seniors.

BOYS GO TO CANYON

A. L. Hedge, W. T. Hines, H. L. McMillan, Kenneth Hanes, Lowell Busby, and Nolan Jones left Sunday for a week's stay at West Texas State. These boys are to have an opportunity to lock the school over and also participate in spring football work-outs. These boys plan to enroll there next fall.

DID YOU KNOW—

Donna Sue Milliken will be the ninth one of the Millikens to graduate from T. H. S. All of them have gone their 11 years in the same school, and none has ever enrolled in another school.

J. Fred Bucy and Jerry Edwards have gone to school together ever since they were in the second grade and never have been in the same class although they have taken the same subjects. They are now Juniors in high school.

The chemistry class was surprised to learn that ordinary table salt is composed of two of the most deadly poisons in the world. The poisons are sodium nitrate and chlorium, but combined they are table salt.

Although Tahoka High School has had a number of teachers, coaches, principals, and superintendents, it has only had one janitor.

Students, test your observing and remembering facilities. How many of you know Mr. Jacques' first name?

Have you heard how Nolan Jones acquired his fortune? He sold the gentleman from Russia a dozen cookie burrs at a dollar apiece, guaranteeing them to be genuine porcupine eggs. This gentleman isn't the only susceptible person to come under Nolan's influence. Mrs. Adams backs this up as being very true, indeed.

Phillips has played a major part in "achieving the almost impossible"

THE DEADLY STING of the new Douglas A-26 Invader, already felt in Germany, will soon hit Japan. On all of the world's flying fronts, United Nations planes fight with Phillips high-octane fuels.

AVIATION GASOLINE, one of the indisputable munitions of war, was an item with very small production at the beginning of World War II.

The recent situation, however, is best described in the official words of the Special Sub-Committee on Petroleum Investigation, of the House of Representatives:

"The United States has achieved the almost impossible by stepping up its daily production (of 100-octane fuel) from 45,000 barrels in December 1941 to more than 500,000 barrels. In the meantime, a remarkable improvement has been accomplished in the quality of the 100-octane product."

Of those who have contributed to this triumph of production Phillips is especially proud of its record in having maintained its leading position with the handful of petroleum organizations which are the nation's largest producers of high-octane aviation fuel.

Everything that Phillips has learned, in research and experience, both before and during the war, will be lavishly poured into our wonderfully improved postwar motor fuels for car owners. With complete confidence, we say to you: *Expect greater postwar gasoline from Phillips!*

In the meantime, every time you see the Orange and Black Phillips 66 Shield, let it remind you that Phillips refineries... in addition to producing gasolines, lubricants, and fuel oils... are also gigantic chemical plants pouring out weapons for victory.

PETTY 4-H CLUB
The Petty home demonstration club met with Mrs. Charlie Hemmeline Wednesday, April 5. The house was called to order by the president, Mrs. J. W. Lowrey, at 3:30 p. m. and the roll was called by Mrs. Hemmeline. Our agent, Miss Carolyn Dixon, was present. We did not have a demonstration but made plans for our meeting to be on upholstering. Every one is very interested and is looking forward to it. Several are making foot stools.

Those present were: Meses. J.W. Lowrey, W.S. Powell, D. G. White, L. C. Crows, R. N. Enson, W. H. Cowart, S. M. Watkins, and Lee Cromer.

Our food demonstrator, Mrs. W. S. Powell, prepared some of her famous braised liver with vegetables, and we all got a sample. It was very good. Recipes can be had through your club or H. D. agent. Either will be glad to pass on such a delicious recipe.—Reporter.

"My mom's the best cook in the world"

"She keeps my mug and porridge-bowl and fruit dish full of wonderful things. An' she keeps that big blue jar on the shelf full of lovely cookies. An' Oh Boy, you should see the pies and cakes and roasts and vegetable dishes she fixes up... She really IS the best cook in the world!"

That is always the story of the child whose mother cooks with clean, instant-hot, NATURAL GAS. That is particularly true if the mother is so fortunate as to have a CP (Certified Performance) Gas Range.

The CP Gas Range is as near-perfect a cooking device as man has been able to produce. Natural Gas is nature's perfect fuel. A CP Range using natural gas is an unbeatable combination. And today's research assures you that when CP Gas Ranges are once again available, they will be even more wonderful than before.

West Texas Gas Company

NATURAL GAS IS VITAL WAR FUEL. USE WHAT YOU NEED BUT SAVE ALL YOU CAN!

Sgt. Kelsey Holds Many Decorations

S/Sgt. G. L. Kelsey, son of Mr. and Mrs. M. C. Kelsey of Bokchito, Okla., and his mother are here this week visiting his grandmother, Mrs. J. L. Tomlinson, and members of the Wells families.

Sgt. Kelsey now is a flight instructor training Chinese flyers at Phoenix, Ariz., but returned to the States Nov. 18, after serving overseas for 27 months.

He went to England in August, 1942, with the first heavy bombardment group to go to that area. As an engineer-gunner, he flew in B-24's over Germany, Italy, and other enemy-held territory. In fact

he wears five battle stars for participation in the Western Air offensive, the Sicily and Italian campaigns, the battle for Salerno, and early raids on the Ploesti oil fields.

He also has two Presidential citations, the Distinguished Flying Cross with two Oak Leaf Clusters, and the Air Medal with three Oak Leaf Clusters.

Sgt. Kelsey was shot down while flying over Norway in 1943, escaped over the border into Sweden, and was interned there for nine months before being released to come home. While interned in Sweden, he worked at the American embassy.

A few months ago his picture was carried in Collier's magazine.

He says the air war over Europe the past year or two has been nothing to compare with that which they went through early in the war when we sent out only a few bombers at a time, which were invariably pounced on by scores of German fighters.

Dr. Salsbury's REN-O-SAL is a real help in controlling colic, acidosis and also provides tonic benefits. It's so easy to use in your chickens' drinking water and can be given in any water, even metal. Get it now, for use when conditions threaten and for regular use as a tonic.

HEADQUARTERS FOR REN-O-SAL AND OTHER DR. SALSBUURY MEDICINES
WYNNE COLLIER, Druggist

DORCAS CLASS

Mrs. Ivan McWhirter and Miss Lola McWhirter were hostesses to members and guests of First Baptist Dorcas Sunday School class Tuesday evening when they met for their business and social meeting.

The meeting was opened with a prayer led by Mrs. A. E. Herrin, teacher. After the business session, led by Mrs. Arthur Bergerstaff, Mrs. Coy Fielder discussed the Book of Ruth.

Others attending were Mmes. Noble, Smith, Gaither, Renfro and Woods.

Special Song Service At Methodist Church

Sunday evening a special choir service will be presented at the Tahoka Methodist Church by the Slaton Methodist choir. Bill Sewell and the entire Slaton choir will have charge of the program. Mr. Sewell used to live here, and is well known in Lynn county. He is an outstanding soloist, and the Slaton choir is one of the outstanding choirs of this district. This is an opportunity for lovers of sacred music to hear this fine choir. You are urged to be present.

The past two Sundays have been fruitful spiritually and numerically. Several conversions and baptisms were had. Many babies, too, were christened on Easter morning—some yet to be. Each Sunday, parents, if they desire, may have their children dedicated to the Lord in baptism. The Crusade for Christ is bringing results to the church. Let's all enter heartily into the program of the church by being a regular attendant.—Reporter.

Pvt. Ed Ward Says Germans Giving Up

Mr. and Mrs. Roscoe Ward, who live near the Lubbock-Lynn County line on Route 4 out of Lubbock, recently received a letter from their son, Sgt. Edward Ward, who is with our armed forces in Germany, in which he tells of talking eighteen Germans into surrendering.

"We have really got these Germans on the run," he says. "I think it is going to be over soon over here. The other day another boy and I were sleeping and five Jerry's picked us up and carried us to their pill box. There were 18 in all. We talked them into surrendering. We took them all prisoners. The good Lord was just with us. I got me a German pistol, a P-38, a good one. I hope Jr. gets to come home. I am coming home some day before long."

Ward was recently promoted to staff sergeant.

He and his parents formerly lived near Tahoka, and Sgt. Ward is the grand-son of Jake Kink of Tahoka.

New Home News

Wayne Swanson visited Mr. and Mrs. Bill Balch last week. Wayne is a new son of Mrs. Balch.

The Junior Class presented a play Friday night in the school gymnasium which was well represented.

Edward (Sample) Miller, wife and son are visiting his parents, Mr. and Mrs. John Miller of Lubbock this week. He has been serving with the Navy overseas. He will be stationed in New York at the end of his leave.

Pvt. Jimmie Wilkins, who has just finished his basic training at Camp Roberts, Calif., is here on a furlough visiting his father and sister. At the end of his furlough, he is to report to Fort Meade, Md., and expects to go overseas shortly.

Bill Balch has purchased a new truck in which to deliver gas to the farmers.

Gene and Fred Renfro were called to Plainview Friday to be at the bedside of their mother, who was very ill in a hospital there. She is gradually improving.

Mr. and Mrs. D. D. Renfro made a business trip to Oklahoma on Thursday.

Cpl. Tom Wilkins of LAAP visited friends and relatives here last weekend.

Pat Campbell, postmaster at Willsboro, who owned the drug store there, reported to The News man last Friday that he had sold the store to Miss Gladys Kirtley and Mrs. Willie Wakeland, but he added jokingly that he retained all the rights on the shop and he strains it daily for any silver or any five-, ten-, or twenty-dollar bills that may have been dropped into it. His reference was to the fact that the proceeds of the day's sales were recently found in the shop-bucket.

Card Of Thanks

We wish to thank our friends and neighbors for their thoughtfulness and the many kindnesses shown us in the loss by death of our newly-born infant son. We deeply appreciate the floral offerings, every kindly deed, and every word of comfort and consolation spoken. We thank you all.—Capt. and Mrs. T. T. Turner, Mr. and Mrs. A. M. Cade, and Mr. and Mrs. J. T. Tippitt and daughter.

HIGHEST PLACES COLDEST? YES NO

Mountaineers and balloonists have sampled weather from here to the stratosphere. Is it "colder than Siberia" up there? The Siberian town of Verkhoyansk (spelled Verkhoyansk) has known ninety below zero—this planet's official record, established only 400 feet above sea level! Weather is always temperamental, yet you needn't let this Spring weather cheat you out of any of your motor car's life! Today's modern protection comes from having your engine's insides OIL-PLATED with patented Conoco Nth motor oil, containing a special wear-fighting substance!

This added ingredient—an envied product of research—acts magnet-like! And that's how metal is surfaced with OIL-PLATING—lubricant fastened direct to your engine's inner finish!—right where you need a dependable shield!

With OIL-PLATING and high-strength fluid film too, jointly fighting wear, you get extra-safe starts—and extra safety every mile. Furthermore, you get advanced protection against sly corrosive wear! Limit wear to get power, oil economy, gasoline mileage—and battery life. Limit wear to beat heavy carbon and sludge. Limit wear this Spring with Conoco Nth oil. It keeps earning back the little extra you pay. Change today, Continental Oil Company

H. W. Calaway Is

(Cont'd. from first page)
 six grandchildren, two brothers, a sister, and other relatives. The children are Mrs. Mollie Anne (Guy) Lemond of Snyder, Mrs. Viva May McIntosh of Long Beach, California, Daniel Bernard Calaway of Draw, and Mrs. Martha Maude Keever of Fort Worth formerly "Dimple" Calaway. All these were here for the funeral except Mrs. McIntosh, who visited here recently.

Surviving brothers are John Calaway of Goddwaite and Baby Calaway of Arkansas Pass, and the sister is Mrs. Annie Mal ne of Amarillo. John Calaway and Mrs. Makne were here for the funeral; the

We're licking 'em with eggs!

Don't let up on egg production! Our egg quota is staggering—13,095,792 dozen every day.

Just give birds the stuff and they'll do it. That means Dr. Hess Poultry Pan-a-min in addition to a good ration. Give Pan-a-min for its tonic. It stimulates appetite and assimilation of feed and that's important. It also supplies minerals.

Put 3 pounds of Pan-a-min in every 100 pounds of laying mash. Get Pan-a-min from us at your first opportunity.

Tahoka Drug

other brother could not come.

Mr. Calaway, frequently referred to as Judge Calaway, had long been active in the political and agricultural life of Lynn county. Year ago he served one term as county commissioner; twice he made creditable races for county judge. But he usually took more interest in the political aspirations of his friends, local, county, and state-wide, than he did in his own. He had warm friends all over Lynn County as well as quite a few among prominent men throughout the state. He was a man of much native ability and had the happy faculty of being able to express his views forcefully and often wittily. He never failed to interest and to entertain when he took the platform for a "few remarks".

The son of Dr. J. B. and Mrs. Clementina Calaway, Henry William was born on August 19, 1877, at Turnersville, Coryell County, and there as a boy he well knew the late Dr. J. B. Cranfill, long noted as a Baptist minister and writer and as a National Prohibition speaker. Dr. Cranfill in those days was a county doctor as was Mr. Calaway's father.

Mr. Calaway was married to Miss Bessie Bouter at Goddwaite in Mills County on October 27, 1898. He had come to Mills County about four years prior to his marriage, and there his older children were born. He and family moved from Mills to Winters in Runnels County in 1907, and removed from there to Lynn County, arriving here on January 1, 1916. He continued to reside in this County until his death, part of the time in Tahoka but most of the time on his farm near Draw. He removed to Tahoka the last time about a year ago, when his health became bad.

Although he had never affiliated with any church, he was sympathetic and frequently attended divine services, and during recent weeks he had often expressed his faith in Christ and his readiness to meet his God. The death of H. W. Calaway is mourned by hosts of friends far and near.

A 22-year-old native of Vienna, Austria, after fleeing Germans in Austria, seeing action in France, spending six months in a conscientious objector camp, and serving in the U. S. Army for a year is now an S. M. U. student.

4-H Clubs ...

(Cont'd. from first page)
 is practical in finishing cattle. None of these boys have milk fed their animals or kept nurse cows, as doing so, although it might make a beautiful steer for show purposes, is not a practical method of beef production. These boys have conducted straight-dry-lot feeding programs, utilizing considerable farm roughage and pasture, particularly in the early stages of the feeding period.

Naturally, to produce really fat stock, it is necessary to increase the grain and meal and to reduce roughage content of the daily ration as rapidly as the individual animal can stand it in order to produce a truly fat steer. Consequently the quality and fatness of the steer fed out by the individual 4-H Club boy will vary in proportion to the caliber of feeding program which they have conducted and the time and work they have devoted to this program.

In the week following the 4-H Stock Show, early in May, arrangements will be made with the Lubbock auction and commission company for a special sale of Lynn County 4-H fat steers. Each boy will lead his steer through the ring and sell it in the order in which it placed in showing. It is expected that each boy who has done creditable job of feeding his calves will earn a very substantial profit.

Baptist Revival One Of Best For Tahoka

Forty-two new members were added to the Baptist Church as a result of the revival meeting which came to a close last Sunday night, 25 by experience and baptism and 17 by letter. Nineteen of the 25 and two who had joined prior to the revival were baptized Sunday night at the close of the service. The remaining six and two others who had been previously approved are to be baptized yet. The pastor, Rev. L. W. Price, and the entire church were delighted with the results.

Rev. P. E. Swanner, who recently came to Level and as pastor from the coast country, proved himself to be a very able and effective preacher, and the music director, Z. D. Perry of San Antonio, did excellent work in his field.

Offerings taken for the preacher and singer Sunday amounted to \$584.85. At the night service additional offerings for the pastor and the pianist amounted to \$61.00 and \$29.50 respectively. Regular budget offerings for the day amounted to \$388.41, making a total for the day of \$1013.86.

The revival was generally pronounced to have been the most successful that has been held in the church in recent years.

Sgt. and Mrs. C. B. Evans, Jr., who had been stationed at Eagle Pass during the past year, visited his parents, Mr. and Mrs. C. B. Evans Sr., while enroute to their new station at Marianna, Fla.

The Evans' daughter and family Pvt. and Mrs. A. D. Rogers and little son, Allan Don, were visiting here at the same time from his station at Charleston, S. C., and the two families left Thursday morning going together as far as Montgomery, Ala., on the way to their respective homes.

ORDER EASTERN STAR
 Friendship night was observed in Tahoka chapter last Friday night with 78 members present from Lorenzo, Southland, Plains, Brownfield, O'Donnell, and Tahoka.

A beautiful and impressive memorial service was held after which refreshments were served and a social hour was enjoyed.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1-Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2-Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

CARDUI

Wounded Vets ...

(Cont'd. from page 1)
 ish questions one ever heard. I don't mind being asked a few questions, but when it comes to something unreasonable, I don't like it.

"I was walking across the street one day and a man stopped me in the middle of the street and asked me if I lost my leg in service. I wanted to tell him, what did he think!

"I don't like for people to stare at me. That gives one a funny feeling. And a lot of you will stop and tell me all of your troubles. What do you think I care about your troubles? I have enough of my own.

"If you will go on and act normal about those things, it would make us feel a lot better about things. We know a lot of you try to say something that will make us feel better. But the first thing you know you are making it worse.

"Some of you asked me if it was rough overseas. You ought to know that is a silly question. You just

want to start talking to us but you don't know what to say.

"I hope you don't think we are getting too hard-boiled about these things, because we are not. We just want you to act normal when we are at home. It's not just the way I feel; it's the way we all feel.

"Pvt. William E. Carey."

MINOR TO UVALDE

Cadet Max Minor, star athlete and a student in U. S. Military Academy (West Point), will report to Uvalde, Texas, April 15, for primary flight training. The News is informed. He hopes to graduate from West Point some time next year.
