## 52nd Legislature Crime-Prevention Laws Numerous

Austin. — The crime-busting 52nd Legislature has adjourned but the laws it passed were being studied by law enforcement officials this past week and its House Committee to Investigate Organized Crime was preparing for another public hearing.

Six major crime-prevention laws were passed during the session and a dozen or more bills tightened court procedures bringing criminals to justice.

The new laws outlaw the mere possession of slot machines, punchboards, and policy or "numbers" games, and nitroglycerin used for safe-cracking and bombing. The Legislature placed a tighter clamp on "goof balls," the small barbiturate pill that results in emotional binges which frequently lead to criminal activities, and wrote a new and strong law against "hot checks."

Slot machines were a principal target of the Legislature. The new law gives owners or those possessing slot machines until Sept. 7 to get rid of the one-arm bandits. After that possession of slot machines can mean two to four years in the penitentiary.

Punchboards were outlawed with penalties of \$100 to \$1,000 fines or 30 days to a year in jail, or both, slated to be given violators for the possession of such devices.

The policy games, or "numbers racket," were made illegal in the closing hours of the session. Violations of this law will result in fines of \$100 to \$1,000, or up to 90 days in jail, or both.

The new "hot check" law is aimed at the bad faith writer of such checks. It provides for fines of \$200 to \$10,000 or prison sentences of two to 10 years, or both, if the maker of a bad check does not make it good in 10 days after notice. The bill was written this way to protect a person who innocently writes a bad check.

People who illegally sell, manufacture or possess "goof balls" will be punished by a fine of \$1,000 or a jail sentence up to two years, or both.

Mrs. W. W. Richeson is attending summer classes at NTSC. One day last week she visited in Roanoke with Mr. and Mrs. J. L. Hughes, who formerly lived in Talco.

## Henry Childress Killed Sunday

Henry Childress, 30, of Avery, formerly of Bogata, was killed Sunday morning at 4 a. m. when his butane truck turned over as he neared the city limits of Avery. His wife was with him at the time, but was uninjured.

Funeral services were conducted Monday at the pavillion at the Bogata cemetery by Rev. L. L. Hanson.

Bogata Funeral Home was in charge.

He is survived by his wife and a son by a former marriage, Donald Gail of Marshall; one brother, Hale Childress of Avery; two sisters, Mrs. J. T. Meadows of Longview and Mrs. Dave Watson of Linden.

Pallbearers were Blewett Cotton, Bill Thornton, Jessie Gray, Kelly Watters, Hollis Mathena and G. W. Swaim.

## Dusting Pilot Dies in Crash

Matthew Taylor, 34, crop-dusting pilot from Shamrock in the Texas Panhandle, burned to death Monday when his plane crashed on the Marshall Womack farm near Red River in Northeast Lamar County.

Taylor had been spreading insect poison on cotton fields on the Womack plantation. He had been employed by the Southwest Spraying Service, Wellington, and had been in the area several days.

He was flying to the fields to resume crop-dusting when the plane apparently overshot a small runway and seemed to stall. The craft burst into flames after hitting the ground.

Taylor was an Air Corps veteran of World War II.

He is survived by his wife, a teacher in Shamrock schools; a son, Joe Matt, 4; daughter, Karla, 2, all of Shamrock; his parents, Mr. and Mrs. A. Taylor, and brother, Roy, all of Vega, and two sisters, Mrs. Jack Drake and Mrs. L. L. Armstrong, both of Amarillo.

George Ford, who was recently sent to Carthage with the Humble Co., spent the week end here with his family. Mrs. Ford, Jo Ann and Babe expect to leave within two weeks to make their home there also.

## Dyess Accepts 3-Year Contract

H. G. Dyess, who has been principal of Talco High School for two years, has resigned to accept the position of high school principal in Sabine Independent School District in Gregg County, near Kilgore. He was principal of the Sabine Elementary School four years prior to coming to Talco.

Mr. Dyess said that it has been a pleasure and a privilege to have worked with S. O. Loving, superintendent of the Talco Public Schools and with the co-operative faculty and other school employees while in Talco. The student body of the Talco High School is a loyal group, according to Mr. Dyess, and he extends to them his best wishes.

Mr. and Mrs. Dyess have been active in church and community activities while in Talco. Mrs. Dyess, while active in church work, has been associated with Parent-Teacher Association, the Fine Arts Club and the Order of the Eastern Star. She has also been a member of the Euterpean Club of Mt. Pleasant for two years.

Jack Dyess, son of Mr. and Mrs. Dyess, age 15, will lose a year of eligibility in Interscholastic League activities by changing schools, but he plans to make up for lost time during his junior and senior years in high school. Jack lettered in football last year.

After working with Mr. Loving in Sabine and Talco for six years, he is quoted as saying, "We regret very much to leave Talco, the people and the Lovings."

Truly we regret to know they are leaving and can assure them they won't soon be forgotten.

## Jerry Whitten to 4-H Roundup

Red River County 4-H Club members Jerry Whitten of Bogata and Paul Peek of Boxelder, will represent Red River County 4-H Club boys at the State 4-H Club Round-up to be held on the Texas A. & M. College campus June 25-27.

Jerry has served as an officer of the Bogata club and at the present time is secretary of the Red River County 4-H Club Council. He has served on county-wide activity committees and has done an excellent job in swine and other demonstrations. Paul is past-president of the Boxelder 4-H Club and has done an excellent job with cotton, corn, tomato and poultry demonstrations.

The county agents will be in a state conference on the A. & M. campus on June 28-29 following the club round-up.

The Red River County delegates will make the trip in the pick-up belonging to the 4-H club.

## Lieut. Wood Named Flight Leader

Lt. Paul W. Wood Jr., in the Air Corps in Japan and Korea, was named flight leader of his group after completing 35 missions in enemy territory. In a letter dated June 8, to his parents, Mr. and Mrs. Paul Wood of DePort, he stated he had completed 37 missions. He has been flying a Jet F-80. After graduating from Texas A. & M. College, he entered training at Randolph Field, San Antonio, later being transferred to Williams Air Base, Chandler, Ariz., and Las Vegas, Nev.

## Youth Theft Ring Broken in Lamar

Lamar County officers believe a petty theft ring was broken up with the arrest of four suspects. Charges of theft over the value of \$5 have been filed against Hank Sellers, 19, of R2, DePort and three Paris youths. Officers said subsequent questioning solved recent thefts of tires, batteries, gum machines and other items about the county.

### AWARDED MEDAL

Sgt. William L. Smith, grandson of Mr. and Mrs. J. W. Smith, and the son of W. L. Smith, has been awarded the Combat Infantry Badge in Korea. He is serving in the First Cavalry Division, 7 Cav. Regt. Co. L, 3rd Platoon, 1st Sqd.

## Sunday Hottest Day Of Year; Mercury Shows 102 Degrees

Sunday was hot, in fact, the hottest day in two years in this area. The mercury shot upward to reach 102 degrees Sunday afternoon. This was 2 degrees higher than the 100 degrees registered last year. Summer will officially begin Friday, the longest day in the year.

Farmers are hopeful that hot, dry weather will continue for several days.

## Mel Wilkinson Funeral Friday

Mel Wilkinson, 64, died early Tuesday morning in a hospital at Albuquerque, N. M., after an illness of several weeks. Cancer had attacked his left lung.

He formerly lived at Bogata, where he engaged in the grocery business, moving to Albuquerque 14 years ago.

He was born at Bogata March 4, 1887, son of J. S. and Mary Wilkinson. He was married to Miss Veva Harmon of Clarks-ville. Two daughters were born to them, Mrs. Lee Rutledge of Albuquerque and Mrs. Joe Scanlon of Santa Fe, N. M.

In addition to his wife, two daughter and four grandchildren, there are two sisters, Mrs. Tom Keith and Mrs. W. D. McDavid, and five brothers, John Jr. of Mt. Pleasant, Tom, Bill and Curtis of Bogata and Roger of Albuquerque.

His body is being shipped to Bogata for interment and is expected to arrive Thursday. Funeral services will be held Friday at the Baptist Church, conducted by the Rev. L. L. Hanson, with interment at Bogata cemetery.

## Relatives Attend Holder Funeral

Among out-of-town relatives and friends who attended the funeral of Ed Holder last week were Mr. and Mrs. Leslie Holder, Mr. and Mrs. R. A. Siddell and two children, Mr. and Mrs. J. M. Altmore and son and Mr. and Mrs. Tommie Holder and three children of Baytown, Mr. and Mrs. J. D. Mayberry and three children of Perryton, Mrs. Marguerite Sharkey of Houston, Mr. and Mrs. Sam Holder, their children, Mr. and Mrs. Nort Gibson, Mr. and Mrs. Buck Smiley, Mr. and Mrs. Marcus Gibson, Hobart Bell and Gerald Vickers of Bogata; Morris Bolin of Waco, Mrs. Ernest Jackson of Dallas and Mr. and Mrs. Lester Cunningham of Mt. Vernon.

### METHODISTS SURPRISE THEIR PASTOR

Following the Sunday evening service at the Methodist church about a hundred members and friends were invited into the church dining room to enjoy cake and home-made ice cream. Before adjourning, Rev. and Mrs. John Dvorak were surprised when presented several large boxes containing an assortment of foods, suggestive of the old fashioned pounding.

Miss Bettye Coker will leave Friday for Dallas to visit an aunt and uncle, Mr. and Mrs. Bert McKee. During the week end she will also visit friends in Ferris.

## Oilers Drop Two To Daingerfield

By JACK WINN

Daingerfield's Steelers continued to ride high on the crest of the East Texas Amateur League this past week by defeating Talco 9 to 1 and 4 to 1.

The Talco Oilers were unable to solve the pitching of Red McDaniel at Daingerfield Tuesday night, getting only one hit, that a single by Mac Pittman. Twenty-one of the Oilers went out by the strike-out route for a new league record. Benners and McKinstry only gave up 6 hits, but errors cost them several runs.

At Talco Thursday night Shep Smith held the Oilers as the Steelers piled up a 4-1 decision at the expense of Kenneth Westbrook. The Oilers play Gilmer this week. Gilmer has lost some of their players to Winnsboro, but still are power packed and will be plenty rough for the Oilers.

Commerce will be in Talco tonight (Friday) for a return game. Talco holds a 7-6 decision over Commerce, a 12-inning affair, so this promises to be a real ball game.

Next week Talco will play Pittsburg on Tuesday night at Pittsburg and Thursday night at Talco. Pittsburg is now in second place in the league standing.

Short Shorts: There have been rumors that Winnsboro Oilers are dickering for Ralph Marshall of Sulphur Springs Eagles; that 5c per mile expense money which was set up by league rule sure works for Winnsboro. Evidently there is some round about way of getting into Winnsboro. The Chicago White Sox had better watch or they might wake up some morning short handed, as it is a long ways from Chicago to Winnsboro.

Andy Strong, Pittsburg Pirate shortstop, was killed by lightning at Crowley, La., last Saturday night. The league lost a real ball player and a great guy in Andy. The Oilers and fans regret to hear of the tragedy and extend their sympathy to the family in their sorrow.

## Former Talco Man Dies Wednesday

Rev. Don Rogers, formerly of Talco and Mt. Pleasant, passed away Wednesday after a lengthy illness at the home of a daughter, Mrs. B. Stice, in Brownfield. He was 65 years of age at the time of his death. He lived in Talco in the early twenties and served as pastor of the First Baptist Church. He also taught school for a number of years here and was loved by everyone who knew him.

He is survived by another daughter, Mrs. Melvin Redfearn of Mt. Pleasant, and a number of other relatives including a grandniece, Mrs. John Wise Hargrove of Talco.

Funeral services were held Thursday afternoon at the Glade-water Baptist Church where he served as pastor for four years. Rev. Vandever of Mt. Pleasant, was in charge of the services.

Mr. and Mrs. C. S. Case, who live in Mrs. J. R. White's apartment, had as their guests Sunday, her mother, Mrs. Chester Nix of Daingerfield, her sister, Mrs. J. A. Taylor, Mr. Taylor and daughter of Mt. Pleasant and another sister, Mrs. Ralph Wright and two children of Mt. Pleasant.

## More Poisonings Needed Says Agt.

Additional poisoning will likely be needed as a result of the prolonged wet spell that kept poisoning machines out of cotton fields, says Red River County Agent Herman Lynch. Boll weevils emerging from hibernation after the rains started are puncturing squares on the older cotton. In a few fields 10 to 15 per cent of the squares have been punctured.

Maximum doses of spray or dust at five day intervals will be required to clean out boll weevils after they have started puncturing squares. At least two to three applications are necessary.

Any poison applications used after this week will be considered part of a late season program and should be used on the basis of insect infestation counts. Boll weevil infestation counts should start in all fields after they are squaring freely and have as many as 3 squares per plant, at least one-third grown.

Walk diagonally across the center of the field, picking 100 squares as you walk. Squares should be one-third grown or larger. An equal number should be picked from the top, middle and lower branches of the plant. When 100 squares have been picked, examine the per cent infested. An infestation of 25 per cent or more on land that would produce a good crop justifies control measures.

If the first brood of weevils are allowed to multiply they can do an increasing amount of damage.

## Bogata Man Head Air Wing in Japan

Col. John J. Hutchison of Bogata, assumed command of the 1503rd Air Transport wing at Haneeda Air Base on June 16, a dispatch from Tokyo announces.

Colonel Hutchison, son of Mrs. V. Theford of Bogata, attended Paris High School after graduating from Bogata High School, and subsequently enlisted in the Army. He received an Army appointment to West Point graduating from the academy in 1932.

Colonel Hutchison's wife and daughter accompanied him to Japan when he was assigned there.

Mr. and Mrs. Alton Willms and children visited the past week at Roanoke with Mr. and Mrs. Bob Wright and family. He was a former football coach here and friends will be interested to know they now have another daughter, Patricia Yvonne, who is eight months old.

## More New Tests in Pewitt Ranch

American Liberty No. 1, Annie C. McDonald, Allen Samuels survey, has been plugged at 4,595 feet. It was a rank wildcat, a mile west of production in the Pewitt ranch and seven miles east of Talco's eastern outpost.

In the Pewitt ranch, P. H. Pewitt set string on his B4 Sunday and is moving to his B6.

B. G. Byars moved in Tuesday for R. E. Moore in the east end of the field, designated G1.

The deep wildcat test on the L. H. Wilson place, just north of Mt. Pleasant, was reported below 5,300 feet on Sunday.

## Farmers Are Busy Working in Fields

Farm work was resumed this week after two weeks of rainy weather. Some of the soil in lower places is still too wet to work. On higher ground plowing, hoeing, and poisoning for insects is underway. Tractors are running day and night in an effort to clean fields of foulness. Boll weevils and other insects have built up during the wet spell. Farmers are warned to poison as soon as possible to ward off damage to the cotton crop.

Heavy rains the latter part of last week totaled 1.96 of an inch to bring the week's amount to 5.81 inches.

### CHURCH OF CHRIST MEETING CLOSSES

A series of gospel services have been held the past ten days at the Church of Christ with Roy Lanier of Bartlesville, Ok., bringing the messages twice daily and with Felix Jdnes directing the singing. The services closed on Tuesday night and there were several baptisms as a result of the meeting.

Sunday was a red-letter day for the church when 180 persons attended the Bible study and church services.

### BORNHEIM RE-ENLISTS

Clarence E. Bornheim, seaman, USN, has re-enlisted in the regular Navy for six years while on duty with the staff of the Commander Administrative Command, Amphibious Force Pacific, Naval Forces Far East. Bornheim, the son of Mr. and Mrs. George L. Bonds of Talco, is awaiting an opening in the Navy Journalism School, Great Lakes, Ill.

Mrs. A. G. Eberts and Don are visiting relatives and friends in Beaumont.

**The MacArthurs**

This editor and Mrs. Holloway had the privilege and honor to meet General Douglas MacArthur last Saturday when he and Mrs. MacArthur and young son, Arthur, called to pay their respects to Texas editors who were holding their annual convention in Dallas.

Mrs. MacArthur is a most gracious lady and extended her hand when this editor announced his name and told her Texans were happy to welcome them to this state.

Young MacArthur shook hands with a firm grip and was told that we hoped he would grow up to become as great a leader as was his distinguished father.

General MacArthur called the editor's name as he put out his hand. He probably heard it announced to Mrs. MacArthur and possesses more than a single-track mind. A refreshing, pleasing countenance, eyes that are very expressive, and look straight into yours, and a handshake that is in keeping with a virile personality and physical strength that belies his chronological 71 years.

This editor has never questioned Truman's prerogative to fire a five-star general who was successfully ruling Japan and carrying on the undeclared Korean war. But the cheap, jealous, contemptible way in which he did it left a bad taste in the mouths of millions of Americans. MacArthur is preaching real Americanism in his speeches and Washington is keenly aware of his influence.

Governor Shivers in his address before the Texas Press Association at Dallas last week end, told a good story on his own home town editor, who publishes the newspaper at Woodville, which the governor owns. After spending a few weeks at the home place, Shivers and his family returned to Austin and the Woodville paper said: "Mr. and Mrs. Allan Shivers have returned to Austin where he is temporarily employed, after spending a few weeks here." That editor had evidently been told not to "play-up" the governor's activities—and he didn't. The governor commended the recent legislature and said he thought it had done a good job. Judging from the applause, editors were of the same opinion.

**ATTEND FELLOWSHIP MEET AT DAPHNE**

Monday evening a group of Talco Methodist young people attended the Sulphur Springs Sub-District meeting of the Youth Fellowship at Daphne Community Church. Attending from Talco were Helen Ruth Gibson, Jo Ann Cox, Doris Penn, Eddie and Martha Jo Chapman, Martha Nell Brown, Ennis Brown and the pastor, John Dvorak. The Fellowship meet next month will be at Mt. Vernon.

Mr. and Mrs. Jack Whitney and two small sons of Jefferson, visited his parents, Mr. and Mrs. Brady Whitney, Saturday. Joan accompanied them home after a ten day visit with her grandparents.

## SPECIAL ANNOUNCEMENT

We are starting our mid-summer revival at the Talco Assembly of God Church on July 1st, under the District Gospel tent, with the Rev. C. I. Myers, the host pastor, doing the preaching for the first eighteen nights. Then, it will automatically revert into the Paris Section Camp meeting.

The SPL speakers will be the Rev. E. L. Newby for the first few days. Then the nationally known camp speaker, Rev. A. C. Bates, will be the SPL speaker for the last week of the camp meeting. Rev. B. O. Smith, the Sec. Presbyter will serve as the chairman of the camp meeting.

The camp meeting convened at Mt. Pleasant last summer. Everyone cordially invited to attend these revival services, as well as the camp meeting. Rev. Myers has some 17 years in the ministry and has toured all the Southern States, doing evangelistic preaching.

Prayer will be had each Friday night for the sick. Come, bring them and believe the Lord and He will heal them, Heb. 13:3. Jesus Christ the same yesterday, today and forever. We have prayed for people that were delivered from such as T. B., goiters, cancer, tapeworm, broken bones, appendicitis, rupture and all kinds of sickness.

The tent will be erected at the Assembly of God church in the City of Talco, Texas, services will begin at 7:45 p. m. daily. The camp meeting will have 10 o'clock services each morning and 2:30 in the afternoon. Different ministers will be speaking each afternoon.

REV. & MRS. C. I. MYERS,  
Pastors.

**ORDER FOR ADDITIONAL AD VALOREM TAX ELECTION HOUSE BILL 107, 51st LEGISLATURE, REGULAR SESSION, 1949.**

**THE STATE OF TEXAS, COUNTY OF TITUS.**

On this the 11th day of June, 1951, the Commissioners' Court of Titus County, Texas, convened in regular session at the regular meeting place thereof at the Courthouse in Mt. Pleasant, Texas, with the following members of the Court present, to-wit:

W. W. Mason, County Judge  
R. W. Jones, Commissioner, Precinct No. 1  
J. Q. Roper, Commissioner, Precinct No. 2  
Eugene Mankins, Commissioner, Precinct No. 3  
J. R. Ponder, Commissioner, Precinct No. 4

Thomas J. Hood, County Clerk and the following absent: None; constituting a quorum, and among other proceedings passed the following order:

WHEREAS, this Court passed the following order, acting on its own motion as provided by House Bill 107, Acts of the 51st Legislature, Regular Session, 1949, (1)

WHEREAS, this Court has investigated the submission to the resident property taxpayers qualified voters the question of submitting to said voters the proposition of voting additional ad valorem tax as provided by House Bill No. 107, Acts of the 51st Legislature, Regular Session, 1949, and this Court after said investigation is of the opinion that it would be beneficial to this county to call said election. THEREFORE, BE IT ORDERED BY THE COMMISSIONERS' COURT OF TITUS COUNTY, TEXAS:

That an election be held in said County on the 7th day of July, 1951, which date is sufficient to allow the posting and publishing of notices of said election as herein provided at which election the following proposition shall be submitted to the resident property taxpayers qualified voters of said county for their action thereupon:

**PROPOSITION**

To determine whether or not said county shall be authorized to levy, assess, and collect ad valorem taxes upon all property within said county, except the first \$3,000.00 valuation of residential homesteads, not to exceed thirty cents on each \$100.00 valuation in addition to all other ad valorem taxes authorized by the Constitution of the State of Texas, provided the revenue therefrom shall be used for the construction and maintenance of Farm-to-Market and lateral roads, or for flood control, either or both, as the Commissioners' Court of said County may determine as provided in House Bill No. 107, Acts, 51st Legislature, Regular Session, 1949.

That said election shall be held at the following places in said county and the following named persons are hereby appointed Presiding Judges for said election:

Precinct No.; Voting Place; Presiding Judge:

The ballots for said election shall have written or printed thereon the following:

"FOR THE TAX OF NOT EXCEEDING THIRTY CENTS ON EACH ONE HUNDRED DOLLAR (\$100.00) VALUATION."

"AGAINST THE TAX OF NOT EXCEEDING THIRTY CENTS ON EACH ONE HUNDRED DOLLAR (\$100.00) VALUATION."

Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote. The manner of holding said election shall be governed as near as may be by the General Election Laws of the State, except as modified by the provisions of House Bill No. 107, Acts, 51st Legislature, Regular Session, 1949, and none but resident property taxpayers qualified voters of said County who have duly rendered the same for taxation shall be allowed to vote at said election.

Notice of said election shall be given by publication of a copy of this order on the same day in each of two consecutive weeks in a newspaper of general circulation published in said county, the date of the first publication to be not less than fourteen full days prior to the date set for said election. In addition thereto, a copy of this order shall be posted in each voting precinct in said County not less than fourteen full days next before said election.

The County Judge is hereby authorized and directed to cause said notice to be published and posted as hereinabove directed and further orders are reserved until the returns of said election are made by the duly authorized election officials and received by this court.

The above order being read, it was moved and seconded that same do pass. Thereupon, the question being called for, the following members of the court voted:

**MRS. R. A. MILLER HONORS GRANDSON**

Mrs. R. A. Miller, who lives east of town in the Magnolia Camp, honored her grandson, William Murray Spangler of Oklahoma City, Tuesday afternoon with a party on his eighth birthday.

The children enjoyed games, rides and swings on the lawn and then were served ice cream and cake in the dining room of her lovely home. An arrangement of colorful zinnias centered the table and nasturtiums were used on the buffet.

William Murray opened gifts from these children present: Annette, Brenda and Becky Lewis, daughters of Mr. and Mrs. W. T. Lewis; Carolyn and Charles Lewis, children of Mr. and Mrs. R. M. Lewis; Marilyn Kirl and Charles Blackburn. Hansen Richard Jr., who was unable to attend, sent a gift. Yo-yos were given the children as favors.

ed AYE: R. W. Jones, J. Q. Roper, Eugene Mankins, J. R. Ponder and the following voted NO: None.

PASSED, APPROVED AND ADOPTED, this the 11th day of June, 1951.

W. W. Mason, County Judge.  
R. W. Jones, Commissioner Precinct No. 1.  
J. Q. Roper, Commissioner Precinct No. 2.  
Eugene Mankins, Commissioner Precinct No. 3.  
J. R. Ponder, Commissioner Precinct No. 4.

**NOTICE OF ADDITIONAL AD VALOREM TAX ELECTION THE STATE OF TEXAS COUNTY OF TITUS**

**TO THE RESIDENT PROPERTY TAXPAYING QUALIFIED VOTERS OF TITUS COUNTY, TEXAS:**

TAKE NOTICE that an election will be held on the 7th day of July, 1951, at the places, in the manner and on the proposition set forth in the attached copy of an order for additional ad valorem tax election, duly entered by the Commissioners' Court of Titus County, Texas, on the 11th day of June, 1941. Said attached order for additional ad valorem tax election is made a part of this notice for all intents and purposes.

THOMAS J. HOOD, County Clerk, Titus County, Texas.

**To the Citizens of Titus County**

In 1948 the Citizens of the State of Texas voted in favor of a Constitutional Amendment that would permit the counties after a local election, to levy a 30 cents ad valorem tax instead of the state levying this tax.

The Commissioners' Court of Titus County has called a special election for Saturday, July 7, for this purpose.

If approved by the voters, the tax will provide a 30 cent levy on each \$100 valuation over \$3,000. Regular homestead exemptions of \$3,000 will continue as it has been under the present state law.

This will not increase your taxes. If you vote for this levy it will simply mean you will pay the tax to Titus County instead of the State of Texas, as you have been doing heretofore.

All the money received from this tax will be spent in Titus County for the construction and maintenance of lateral farm roads.

This will help get the farmer out of the mud, provide better roads for the school buses, mail carriers and milk haulers. In fact better roads for everyone through the whole county.

Respectfully,  
COUNTY JUDGE & COMMISSIONERS' COURT, TITUS COUNTY.

Roger Neugent of Camp Chaffee, Ark., returned to Camp Sunday after the week end with his wife and parents. Mrs. Neugent left Monday to visit Roger's sister, Mrs. Edgar Stevens, in Houston.

**METHODIST YOUTH GROUP NAMES OFFICERS**

Officers were elected Sunday evening for the Intermediate Youth Fellowship of the Methodist church as follows:

President, Patty Wright; vice-pres., Martha Jo Chapman; sec-treas., Martha Johniken; publicity director, Martha Nell Brown; Worship and Evangelism Chairman, Patsy Worthington; World Friendship and Missions Chairman, Barbara Richardson; Community Service Chairman, Bobby Jack Brown; Recreation Chairman, Douglas Cain; adult counselors for the intermediate youth, Mrs. Grady Traweck, Mrs. Jack Brown and J. C. Stewart.

The Intermediate Fellowship meets each Sunday evening at the Methodist church at 7 p. m. All youth 9 years of age through the 8th grade of school are invited.

**ALTON WILLMS NOW IN AIR CORPS**

Alton Willms, who has been band director in the Talco High School the past two years, was called back as a reserve officer in the Air Corps. He is rated a pilot and reported last Saturday at Hensley Field, Dallas, as a 1st lieutenant.

Mrs. Willms taught private music lessons and regretted very much to leave her pupils and friends. She was a member of the Euterpean Club in Mt. Pleasant for the past two years. Mr. and Mrs. Willms and children left Tuesday to make their home at 321 N. W. 16th St., Grand Prairie.

Mrs. Sallie Gage spent the week end in Carthage with her parents, Mr. and Mrs. J. W. Gray.

**HOMEBUILDERS CLASS HAS SOCIAL**

Homebuilders Class of the Methodist church enjoyed their monthly social Thursday night in the church annex with Mmes. W. R. Carroll, Dan Cotten and Frank Sloan as hostesses. Group singing and games were enjoyed and a delectable salad plate was served to these members and guests:

Mrs. Milton Bolin, Elroy Brock, Gerald Kempe, Hansen Rikard, Dan Cotten, W. R. Carroll, Shelby Johnson, Frank Sloan, Mary Dvorak, the pastor, John Dvorak and son, Johnny Lynn.

# Progressive Businessmen Know the Value of Serwel All-Year Air Conditioning

1. The Birdwell Clinic in Shreveport, Louisiana, recently installed the SERVEL All-Year Air Conditioner for winter and summer comfort of patients. Controlled temperature and humidity is important in this type of installation.

2. The Gilmer Chest Hospital in Shreveport, Louisiana, has installed four SERVEL All-Year Air Conditioner units. For flexibility in operation, these units have been wired to deliver maximum utility as desired.

3. The Yellow Cab Company in Shreveport, Louisiana, is modern in every respect, including its SERVEL All-Year Air Conditioner. This installation is practical and serviceable, at the lowest possible cost.

Summertime in the South is hot, sticky weather. But not so in offices and business firms where SERVEL All-Year Air Conditioners are at work 12 months a year.

Once you've set the Selectrol at the temperature you prefer, you have nothing more to do all year. The SERVEL unit cools and dries the air in summer, supplies clean, luxurious gas heat in winter, automatically. It also filters dust, dirt, and irritating pollen from the air all year long.

Business men and professional men throughout the South all agree that they can do more work and more business without that tired feeling. Many merchants have also pointed out less loss from soiled merchandise due to clean, properly humidified air.

**WHAT THE SERVEL UNIT DOES**

- ✓ Keeps every room comfortable with one simple unit!
- ✓ Cools and dries the air when it's hot and humid!
- ✓ Heats and humidifies the air when it's cold and dry!
- ✓ Can be switched from cooling to heating, and back again, as the temperature changes!
- ✓ Filters out dust, dirt, pollen!
- ✓ Carries five-year warranty!

**Serwel All-Year Air Conditioner with NATURAL GAS Builds Good Will for YOU!.. and Costs Less**

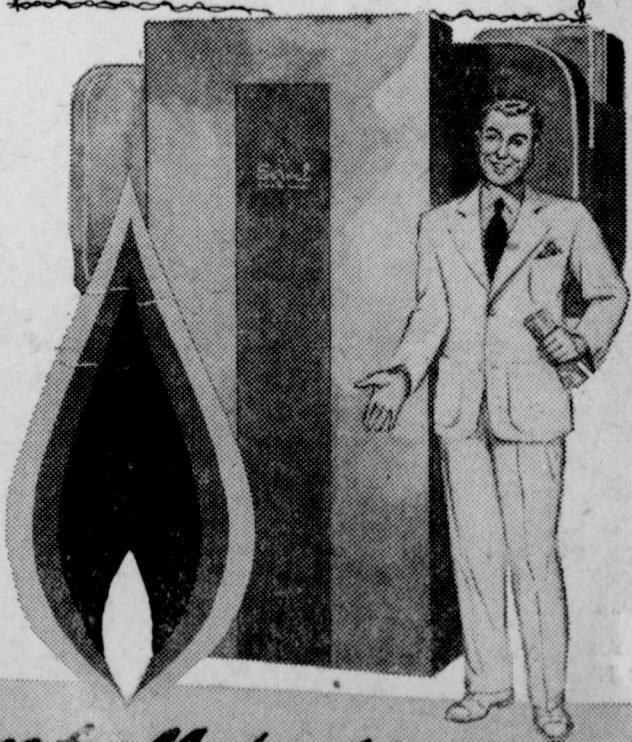

Your clients and customers appreciate cool, comfortable air-conditioning as a retreat from hot pavements.

And come winter, they also appreciate the snug warmth of stores and offices heated evenly and properly with the SERVEL All-Year Air Conditioner.

Cool, comfortable surroundings induce the frame of mind for extra buying. Sales persons are more alert, customers are more interested in extra purchases. All this because the SERVEL unit creates pleasing temperatures and comfortable humidity.

In short, you can expect client and customer goodwill when you make them comfortable with the SERVEL All-Year Air Conditioning.

**New MOUNTED MOWER FOR CASE "VA" SERIES TRACTORS**

**MOUNTS IN MINUTES**  
Has rigid mounting on same rear axle brackets as used for cultivator—easy to switch from one to the other. Light to handle, yet extra sturdy. Thick rubber bushings in pitman support absorb vibration, spare mower and tractor from wear and tear.

**HYDRAULIC LIFT**  
A touch of the hydraulic control raises or lowers cutterbar to make turns or clear obstacles. Safety release lets bar swing back if it hits something solid; relocks automatically by backing tractor. Balance spring carries most of cutterbar weight, reduces ground drag.

● Farmers who have used this new Detroit mower in heavy stands of tough crops say it beats anything they ever saw. It's built to stand up in hard service. Come in and see about it now.

## Alcorn Alarmed Over Prospect of Having to Pay International Tax

Editor's note: Achin Alcorn, philosopher on his Johnson grass farm on Sulphur, has dug up something new to worry about, his letter this week reveals.

I was readin along on an article in a copy of a newspaper which I borrowed off my neighbor's tractor seat while he went to the house for a drink of water and not payin much attention to what I was readin, some times it don't take no profound concentration to handle a newspaper, I can spend a hour with one some times and feel just like I'd had a nap, when my eyes focused on a paragraph that brought me to.

Accordin to it, the Financial Commission of the United Nations has been workin on the international tax problem.

If I understand this, there's a move afoot to establish a new taxin outfit, this one on the international level, and what I'm wonderin is can we afford it?

I like to pay my taxes and fully intend to, whenever I have the money, but I thought we already had just about covered the taxin field pretty thoroughly, startin on the precinct level, and goin on up through city taxes, school taxes, county taxes, state taxes, and federal taxes, and I don't see where we got room to house a collector for international taxes. Last time I was in the county court house it seemed to me there wasn't any office space left for any more tax collectin,

and the last time I looked at my resources I didn't notice anything left over to pay a international tax with.

I've been in favor of a international police force and a method of stoppin wars before they get started, but I hadn't figured on settin up a international tax office to do it with. Thought we was already payin for it through regular channels. This puts a different light on it. Of course we might swap some of the taxes we already got for the international set, although it would be the first time in history any taxes was ever dropped, but just to add some more on top of what we already got, ain't got much appeal for me. I'm in favor of peace, but not at any price. It's bad enough to be delinquent with state and county taxes, without branchin out on the international field.

Yours faithfully, A. A.

## Milk Producers to Vote on Costly Federal Control

The proposed Federal order to control the North Texas milk industry will cost producers and handlers more than \$324,000 annually, a survey by the Independent Milk Producers For Free Enterprise has disclosed.

The Independent Producers, a non-profit group recently formed by North Texas dairymen opposing Federal control, is headed by Manning L. Trammell, veteran dairyman from Benbrook, Texas. The organization is carrying on a campaign to urge dairymen in this area to support the free enterprise system and vote against proposed Federal controls. In addition to a series of information bulletins and letters to the producers it is also sponsoring meetings in all parts of the milkshed.

The first bulletin, now being distributed to more than 2,500 dairymen in this area, points out that the expenses of the marketing administration must be paid jointly by both producers and handlers.

Such expenses would include the salaries of the administrator and a large staff of inspectors, clerks and office help, plus other costs of operation. Producers would be assessed 5 cents and handlers 4 cents per hundred pounds of milk for this purpose.

"It is conservatively estimated that producers would pay about \$15,000 monthly and handlers about \$12,000 for a yearly total of \$324,000," the bulletin states. "In other words, it will cost about \$324,000 to have the Federal government come in and run the milk business for us."

No date has been set for voting on the proposed order. Eligible to vote will be all Grade A producers in the 16 North Texas counties to be covered by the order if approved. These counties include Lamar and Delta, but not Red River, Franklin nor Titus.

The United States and the British Empire are the only major countries without universal military training.

## Tough Problem In Any Tongue

Tokyo.—Pfc. Eugene T. Lucas, 79 Roosevelt St., Edwardsville, Pa., stopped a bullet with his tongue.

Lucas was driving an anti-aircraft truck with the U. S. 7th Infantry Division in Korea. An enemy bullet went through the windshield, ricocheted from a metal bracket, creased Lucas' lip, chipped two front teeth and pushed up against his tongue.

Lucas shook his head and spat out the bullet.

## MUCH IN LITTLE

When a kangaroo is born it is so small that it measures scarcely an inch in length. Besides that it is blind, furless and must spend several months in its mother's pouch. When full-grown, however, it stands almost as high as a man and can leap 10 to 12 feet. It is said that the name kangaroo is the Australian native word meaning, "I don't know."

## One Way to Tell North or South

Somewhere in Korea.—A patrol leader on a reconnaissance mission told his men he knew a sure way to tell a North Korean from a South Korean.

Just then a Korean came down the road.

Pfc. Donald C. Fairchild, Allentown, Pa., stood up and yelled.

His answer was a burst of rifle fire.

"You see, men," he told his patrol, "that's how to tell them apart. Just stick your neck out."

## IN TUNE

Through a quirk of nature there are some people whose bodies act as perfect radio aerials. There is one case on record of a man whose entire body shakes so violently whenever a radio is played near him, that a special cane had to be built with various condensers for tuning the offending programs out of his system.

## Highway Safety Law is Passed

Millions of Texans will feel effects of a major safety law passed by the 52nd Legislature. The Texas act is similar to that of twenty-one other states. It requires motorists involved in accidents to prove they can pay for damages, or stop driving. The motorist can offer liability insurance or other evidence of ability to pay. If damage of \$100 or personal injury is caused by the accident, then the driver must show ability to pay, or have insurance, \$5,000 for personal injury to an individual and \$5,000 in property damage.

It is aimed at removing from the highways financially irresponsible drivers. Drivers will have until next Jan. 1 to prepare to operate under it.
