Co-Op Purchase Of Olton Grain Is Being Closed

The purchase of Olton Grain, Inc. by Olton Grain Co-Op is now in the process of being completed, it was learned this week.

James Cowart, president of the co-operative group's board of directors, said Wednesday:

"We are closing the deal now and we plan to have the elevator in operation as Olton Grain Co-Op by the time the grain harvest gets started."

Only paperwork remains for the sale of the elevator to be completed, Cowart said.

Cowart's announcement came after weeks of work by members of the co-op board.

The group lined up 168 member-stockholders and approximately 110,000 shares of stock at \$1.00 a share over the past few weeks.

Stock sales are continuing, Cowart said.

The co-op group entered into contract to buy the elevator in late May from D. M. Granbery, Frank Cornelius and Jack Straw.

The million-bushel capacity elevator, about 12 acres of land and a railhead location at Anton were included in the contract to purchase.

A manager for the co-op will be named later, Cowart said. Applicants should contact Cowart or other members of the board.

Back-To-School For Shoppers

Today's Enterprise is devoted in large part to back-to-school features, with stories and pictures outlining the approach of the school year.

In addition, Olton merchants are advertising their lines for back-to-school shoppers. We suggest you go over the ads carefully and make Olton your school-shopping center.

Fans' Night Planned As Grid Year Begins

Fans' Program Set Here Monday Night

Gents: Want to learn a little inside football?
Ladies: Ever wonder what is meant by "slot formation," "red-dogging," and a few other such football terms?
Kids: Ready to watch the Mustangs do their stuff?
Well, there'll be something for everybody Monday night at the school gymnasium.

Coach Walter Bryan and his Mustang footballers are planning a "Family Night" or "Fans Night"---call it whatever you wish.

The whole thing is designed to give the fans a little better understanding of what goes on during a football game.

Coach Bryan will have a dozen or more of his Mustangs on hand to run through plays, showing what each man's assignment is.

He'll also bring fans up-to-date on new rules, and other facets of the game.

At the close of the demonstration, he'll answer questions from the audience.

"We hope there's a good crowd out," said Coach Bryan. "We feel like the fans may be able to get more out of watching football if they knew some of the background."

Remember, the event is "Fans Night."
The place is Olton School Gymnasium.
The time is 8 p.m. Monday.

Football Drills Open

Soon the crispness of fall will settle over this area, whistles will blow and pigskin fever will take hold of countless football fans.

To the Olton Mustangs working out twice a day under an August sun, cool weather is only wishful thinking.

Coach Walter Bryan's charges haven't donned pads since they started workouts Monday, but a scrimmage is set for Tuesday with Friendship.

Bryan said this week that he didn't want to begin contact work too quickly, but he needed the scrimmage to see how the boys' timing and knowledge of plays are coming along.

Bryan and his three assistants Lester Ramsey, Pat Blessing and James Hyatt have been sending the squad through drills designed to sharpen condition, agility and co-ordination.

Bryan said that a good number of old tires will be added to the present assortment, used in conditioning exercises.

The athletes run the tires, building wind and sure-footedness.

Coach Bryan said the team was short on speed this year and for that reason will take to the air more often.

Quarterback Joe Priest will be called upon to carry the lion's share in the aerial department.

Olton will open with Abernathy Sept. 6, a team which squeaked by the Mustangs in the opener last season. The game is out of town.

Fans will see the local 11 come to the line of scrimmage this year in a slot formation, utilizing the flanker man as a decoy and pass receiver.

Variations of the basic T will be used.

The coach voiced concern over his reserve strength, saying that depth could be a major issue in the Mustang's chances.

At least three boys, who would have seen action will not be in the lineup.

Jimmy Bennett, who would have been one of the team captains, joined the Navy. Don Sopher will attend military school at NMMI and Pete Gibson is moving to Lockney.

Bryan announced a tentative starting lineup but stressed it was subject to change any given day.

Here's how it stacks up, offensively:

Ends: Clyde Galloway, 160 pounds left end, and Darrell Glover, 170 pound right end. Tackles: Daniel Rey, 175, left, and Don Mitchell, 195, right.

Guards: Leon Kendall, 175, left; and Dennis Garson, 190, right.

Center: Billy Carson, 180. Halfbacks: George Jones, left, 160; and Richard Hall, 155, right.

Fullback: Joe Costello, 180. Quarterback: Joe Priest, 140. Only nine of the boys are returning lettermen. They are Galloway, Rey, Kendall, Carson, Givens, Darrell Glover, Jones, Hall and Costello.

Boys who have been singled out by Bryan to make strong showings are Don Mitchell, Jackie Burkhalter, Rocky Farrar, Dwight Clark, Ronnie Trusty, Junior Cardero, Ronnie Digby, Curtis Hall and Paul Hernandez.

Other boys out for the varsity are Larry Winn, Burney Hooper, David Kersh, John Stiles, Charles Church, Joe Bob Smith, Duane Campbell, Steve and Stan Huckabee, Aaron Robertson, Gail Bizzell, Tommy Hall, Jerry LaFrance, Jerry Winn, Darrell Breland and Steve Moss.

She received her BA Degree from Wayland Baptist College and has seven years teaching experience, two of those being in Olton.

They are moving back to Olton from Bloomfield, N.M. They have one daughter in college and attend the Baptist Church.

She received her BA Degree from El Dorado, Ark. Mrs. Ivin Wozencraft will be returning to the Olton school system after two years absence. She will teach junior high math.

Other boys out for the varsity are Larry Winn, Burney Hooper, David Kersh, John Stiles, Charles Church, Joe Bob Smith, Duane Campbell, Steve and Stan Huckabee, Aaron Robertson, Gail Bizzell, Tommy Hall, Jerry LaFrance, Jerry Winn, Darrell Breland and Steve Moss.

Gets Degree

LaNelle Phillips Waldrop of Olton is among the nearly 200 candidates who are seeking degrees at West Texas State College's summer convocation, Aug. 22.

Mrs. Waldrop is a candidate for the Master of Education degree.

Summer convocation is scheduled at 8 p.m. in the field house.

OLTON Mustang football players go through agility drills at a morning workout, preparing for their first game against Abernathy, Sept. 6. Running the tires helps develop co-ordination and strengthens muscles in the legs. The Mustangs are working out twice a day. About 30 boys reported.

THE SMALL fry get a lesson in how to block as they watch morning drills of the Olton Mustangs. In the background a block is thrown on a blocking dummy while coaches check on form and effectiveness. The Mustangs have not yet suited out in pads, but will have a morning scrimmage Saturday, Tuesday, they travel to Friendship for a 5 p.m. scrimmage.

Safety Steps Set On Highway

Texas Highway Department officials were in Olton last Friday telling of safety steps which should be taken by drivers in upcoming construction on FM 168.

The paving project, from Ninth Street to US Highway 84 in Olton, is scheduled to begin the first Monday after Labor Day.

Construction Supt. A. C. Melton of Lubbock, said he was going to try to begin Sept. 9. Curb and gutter work and reconstruction of FM 168 will begin in Olton and continue south.

Contractors have been allowed 260 working days from August 31, 1963, to the last of July, 1964, to complete the project.

In outlining plans for construction, H. E. DeShazo, engineer from Lubbock, said that motorists need to be forewarned about driving conditions.

"We will only have a six-mile stretch under construction at any one time," he said, "except for work through lake areas which is exempt from the six-mile ruling."

Melton said, "the highway through lake areas will be built up with dirt taken from lake bottoms, raising grades and lowering water levels."

Officials said they wanted to ward off accidents before they happened and urged motorists to comply with warning signs.

A 45-mile-per hour speed limit sign will be posted at both ends, entering work areas.

Maintenance Foreman, William I. Ivy, Levelland, said "speed and indifference toward construction are responsible for most of our accidents."

Traffic in the sandhills will be carried directly through the construction area, while in other places a bladed detour will allow motorists to bypass equipment.

The Seventh Annual Field Day and barbecue at the High Plains Research Foundation, formerly scheduled for September 10, has been changed to Friday, September 13.

Mr. C. H. Janeway, Head of Public Relations, stated in announcing the change in dates that it was necessary to reschedule the event for Friday, September 13, in order to obtain The Honorable George Mahon, as guest speaker.

Activities will start at 1:30 p.m. with mobile tours of the farm until 5:00 p.m.

HPRF Schedules Field Day

and they have one daughter, who is married.

Coming to Olton for her first teaching assignment is Miss Mable Adena Parker of Abilene.

Miss Parker graduated from Texas Woman's University, Denton, with a BS Degree in elementary education.

She attends the Baptist Church.

Miss Ella Ruth Williams, elementary teacher, will be coming to Olton from Nashville, Ark.

She received her BS Degree in elementary education from Southern State College, Mag-

Olton Housing Bids Considered High

Only four bids were received Tuesday for a contract to build a low rent housing project in Olton, and all four were considered too high.

Bids on the project, which calls for 20 low-rent housing units to be built here, were tabled for further review.

Housing Authority secretary, Melvin McReynolds said the Olton Housing Authority board would hold the bids for further advisement.

Total development costs of \$276,000 has been budgeted by the Public Housing Administration, financiers of the project.

The bids were declared too high above the estimated budget.

The low-housing project calls for three separate building locations. One section will be built for whites, another for Latin-Americans and still another for Negroes.

Low rent houses are being government-financed throughout the United States in an effort to replace slum areas with moderate to low price rent dwellings.

Projects are set up by the Housing and Home Finance Agency. Towns and cities which build low rent housing developments go under contract with the government.

A 40-year period has been given on the development here to repay the loan.

Making the low bid Tuesday was Barker Construction Co. of Quanah. It was \$249,000 for construction only.

Since development costs include numerous items besides the actual construction, the bid was declared too high, McReynolds said.

Cost of land is also considered in total development costs.

On the Olton board of commissioners are Connor Parsons, chairman; C. E. Sullivan, vice-chairman; Eldon Franks, Ed Hestand and Charles Polk.

Season Tickets On Sale

Reserve football tickets for the 1963-64 OHS Mustang season go on sale Tuesday, Aug. 27, in the school business office.

School Business Manager Elmer Moore announced this week that around 300 of the tickets would be offered for sale.

Persons who had season tickets last year will have an option on the same seats this year.

Moore said, "after Sept. 5, the seats will be sold to the next in line."

If additional reserve seats are needed, another section south of last year's section will be opened to fans.

The seats will carry the same price tag as last year, \$7.75, which includes five general admission tickets at \$1.25 each.

Reserve seats will be those located between the 45 yardlines.

Olton Quarterback Club will take over ticket sales, following initial sales at the school.

Nursing Home Builders Write

Firms in Fort Worth and Dallas have contacted the Chamber of Commerce and Agriculture in Olton, telling of the need for a nursing home in this community.

Care Homes, Inc. of Fort Worth, wrote: "We are in the business of building, financing, and servicing Nursing and other types of Care Homes. According to our survey your city is in need of a new 30-bed Nursing Home."

In soliciting and from the Chamber to help locate here the letter stated further: "We feel there is someone in a city of your size who would like to build and operate a Nursing Home but is unable to do so because of the problems of financing or some other reason."

"A man and wife or a single person, with modest means and a small down payment, who can qualify to be licensed with the Texas State Department of Health may qualify for assistance by our company."

Another letter for a firm in Dallas said that the properly administrated nursing home renders a needed service to the aged and is a practical economic asset to the community.

Quoting part of the letter: "A 30-unit nursing home will have a monthly payroll of approximately \$2,000 and will purchase approximately \$1,100 worth of food and drugs per month."

Eight New Teachers Join Staff; Faculty Completed

Eight new teachers have joined the Olton school faculty, with one having 14 years classroom experience, contrasted by a home-town man just beginning.

Teachers and their previous records are:

Mrs. Joe Bradley, teaching Home Economics in Olton High School this year.

A graduate of Childress High School and Texas Tech College, she has had 14 years teaching experience, the last four being at Mulshoe.

Her husband is employed with the Texas Employment Com-

mission in Plainview. They have three daughters, Susan, an eighth grader, Melinda, second grade and Ann, 4-years-old, who will attend kindergarten.

An Olton graduate, James Hyatt, will begin his teaching career in the junior high. He will teach science and physical education.

Hyatt, son of Mr. and Mrs. Jim Hyatt, graduated from Olton High School in 1958 and received a BS degree from Texas Tech in January of this year.

He attends the Baptist Church.

New assistant coach this year

will be Lester Ramsey with a BS degree from West Texas State.

A Plainview High graduate, Ramsey will also teach general science. He has six years teaching experience, with the last five being at Pampa.

The Ramseys have three sons, Lynn, a fourth grader, Larry, first grade, David, 4, years old, and one daughter, Terry Lee, a third grade student.

They attend the Baptist Church.

Junior High girls physical education teacher this year will

be Mrs. Phil Swart, a 1959 graduate of Wayland Baptist College.

Mrs. Swart has taught two years, one each in Estacado Junior High and Coronado Junior High, Plainview.

The Swarts are the parents of two small children.

Moving here from Lone Oak, Texas, where she has taught several years, is Mrs. May Ree Tuttle. She will teach in the elementary school.

Mrs. Tuttle received her BS degree from East Texas State College at Commerce.

Her husband is a contractor,

and they have one daughter, who is married.

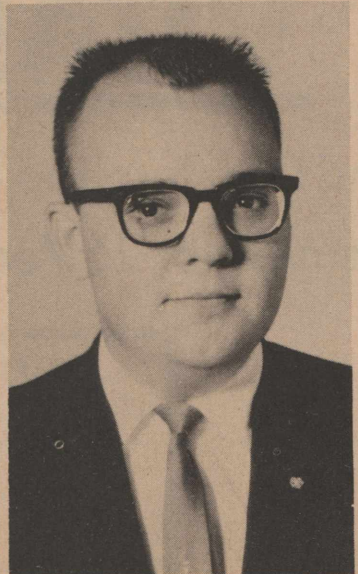

Coming to Olton for her first teaching assignment is Miss Mable Adena Parker of Abilene.

Miss Parker graduated from Texas Woman's University, Denton, with a BS Degree in elementary education.

She attends the Baptist Church.

Miss Ella Ruth Williams, elementary teacher, will be coming to Olton from Nashville, Ark.

She received her BS Degree in elementary education from Southern State College, Mag-

Wednesday Registration Mapped For Junior High

Junior High registration will be held Wednesday and Thursday, Aug. 28 and 29 from 9 a.m. until 12 noon. Students may register either day.

Students who were not in school here at the close of last year's term are especially urged to come by and register, said Principal Carl McClure.

An activity period will be added this year for junior high students. Assemblies, pep

rallies, class meetings and club meetings will be held during this time.

The first faculty meeting will be held either Friday or Saturday, Aug. 30 or 31.

New teachers this year include Mrs. Ivon Wozencraft who will teach math; James Hyatt, science and boys physical education; and Mrs. Phil Swart, girls physical education, health and high school.

Personnel Preps For School Term

Personnel at Olton High School, with an expected enrollment of 250, are busily preparing for the opening day of school, Monday, Sept. 2.

Registration is due to start Wednesday, Aug. 28, with seniors signing up at 9 a.m. and juniors registering at 10:30 a.m.

Sophomores will begin at 1 p.m. and freshmen register at 2:30 p.m.

Principal Joe Turner said students should bring a pencil or ball point pen to registration.

All students who did not pre-register in the spring or who have moved into the community should see Turner before the registration date.

A transcript will be needed by new students from the school they previously attended.

New teachers in the high school include Mrs. Dean Bradley, home economics; Lester Ramsey, line coach and general science; Leslie Ross, band and choir director; Mrs. Phil Swart, history and junior high girls physical education; and Miss Mable Adena Parker, librarian.

Teachers returning and subjects they will teach are: Pat Blessing, driver's training and boy's PE; Walter Bryan, head coach and health; David Howton, commercial subjects; Calvin Horn and Max Malone, vocational agriculture.

Linnie Campbell, English instructor and annual sponsor; Bobby Fred, world history and English; Ray Murphy, English and Spanish; C. S. Schoate, plane geometry and algebra; A. R. Bostick, plane geometry and algebra; Clifford Curry, government, speech and history.

Also Miss Sandra Meadows, girls basketball coach and girl's PE; Mrs. Sonny Miller, librarian; Gene Riddle, one class of history and junior high classes; and James Caley, biology, physics and chemistry.

Local Artist Wins Award

Mrs. Peggy Pendergrass was one of the Merit Award winners at the District Citation Art Exhibit, Aug. 16, at Tulia. She entered a watercolor entitled "Mountain".

Beverly Edgett of Clarendon won the other award in the merit division.

Scholarship division winners were: Toni E. Smith, Friona; Billy Stanforth, South Plains; Patricia Lewis and Pam Lenau, both of Muleshoe.

More than 100 artists entered work in the exhibit.

Winning paintings will be exhibited at the JAL Ranch at Alvarado, Sept. 14 and 15 and will compete for State Awards. Awards will be presented by Gov. John Connally.

Other Olton artists who entered work were Aaron Robertson, pencil sketches; Mrs. Peggy Pendergrass, oil and watercolor; Mrs. Ann Tinkle, two oils; Mrs. Alpha Walden, oil; and Mrs. Francine Andrew, two oils.

Mrs. Lily Mae Silcott, Mrs. Ann Tinkle and Mrs. Francine Andrew attended the exhibit.

Springlake Teacher Dies

A Lamb county outbreak of encephalitis resulted in the death early Wednesday of C. L. Berry, Springlake school administrator.

Berry, 34, died in an ambulance enroute to Methodist Hospital in Lubbock about 9:45 Wednesday morning. He was being transferred there for special treatment of a respiratory condition, one of the results of encephalitis.

Berry, who was principal of the Springlake junior high school, was admitted to the hospital a week ago.

Funeral services for Berry were pending Wednesday. He was born in Tulia, Jan. 4, 1929 and moved to Floydada with his parents in 1936. He graduated from Floydada High School where he was an all-district tackle on the football team for two years.

He received his BS degree from West Texas State in 1950 and earned his master's degree in education from Texas Tech in 1954. Berry started teaching at Crosbyton and served as a teacher, principal and girls' basketball coach at Spur and Amherst.

Berry and his family moved to Earth three years ago and he had been junior high principal at Springlake School.

He was an active worker and layman in the Methodist Church, a member of the Masonic Lodge and Lions Club, and a Scout leader.

His wife is the former Mary Henderson of Dallas. They have three children--Mike 12, Cynthia Ann 10, and Timothy 2.

Other survivors include his parents, Mr. and Mrs. Charley Berry of Floydada; a brother, Harold of Amarillo; and a sister, Mrs. Tubal Cain of Mangum, Okla.

Interest Stimulated

Widespread flooding along Running Water Draw this year has stimulated renewed interest in the flood control project.

A majority of counties through which the draw runs already have set up a trust fund to finance planning by engineers.

The State Soil Conservation Board intends to go to work on the Duck Creek Watershed Project in Dickens County, Jan. 1, 1964.

They say it will take six months to do the planning for the project.

A spokesman for the Soil Conservation District in Lamb County said that the Running Water Draw Project would then be up for strong consideration.

"If the trust fund is not completed by this time, though," the spokesman said, "it is likely three years will pass before a planning party will be available again."

Priorities are set for three-year periods, and only counties which show the most need and interest are given consideration.

"Another factor which could hold up progress on the project," said the conservator, "would be the lack of applied conservation practices which are necessary to control siltation in the reservoir."

He told that assistance, both technical and monetary, are available for applying conservation practices through the Soil Conservation Service, Agriculture Stabilization Conservation Service and the Farmers Home Administration.

The SCD man said that in one year, moderate to heavy rains cause unprotected land to lose topsoil which takes from 300 to 1,000 years to replace.

News Of Interest To Women

Marries Former Olton Man

Peoples Chapel, Dalhart, was the setting Saturday afternoon at 2 p.m. for the wedding of Miss Loretta Catlett, daughter of Mr. and Mrs. B. P. Catlett and Al Austin, son of Mr. and Mrs. Al Austin Sr.

The Austins are former residents of Olton.

Rev. Wes Weston, pastor, officiated with Mrs. Weston providing traditional wedding music.

Carolyn McNabb was maid of honor and Bill Baggett served as best man.

The bride is a graduate of Dalhart High School and attended Texas Tech last year.

The couple will make their home in Lubbock, where the groom will enter his second year at Texas Tech.

Mrs. Ray Slatten, aunt of the groom, attended the wedding.

MRS. ANDY STROEBEL

RECIPE OF THE WEEK

Mrs. Andrew Stroebel, who has been married seven and one-half years, enjoys her role as homemaker. She keeps busy with a 5 1/2-year-old son, Mark, and one-year-old, Vance.

She had planned a career in occupational therapy but gave it up for one she feels is much more rewarding, being a homemaker and mother. The neighborhood children, as well as Mark, find her an easy mark for a snack.

She is an active member of Bykota Study Club, and the family are members of the Lutheran Church in Plainview. She and her husband, who is city attorney, enjoy bowling together.

Her recipe for Chocolate Buttermilk Cake is an easy to make, one-bowl confection. She serves it often especially around Christmas time and friends always like it.

Chocolate Buttermilk Cake
 2 cups sugar
 2 cups flour
 1 tsp. soda
 1 tsp. baking powder
 3 tsp. cocoa
 1/2 cup shortening
 2 eggs
 1 cup buttermilk
 2 tsp. vanilla
 1 cup boiling water

Mix all dry ingredients together.

Add shortening, eggs and buttermilk and mix. Add vanilla and boiling water and stir until smooth. Bake 340 degrees

for 45 minutes.

CARMEL ICING

Melt 1 square semi-sweet chocolate with 8 kraft caramels in double boiler. Add 6 tbsp. canned cream and 3 tsp margarine. Stir until smooth and slightly thick. Remove from heat, add 1 lb. box sifted confectioners sugar all at once with 1/8 tsp. salt and 1 tsp. vanilla. Beat. If too thick add more cream

WHO'S NEW

3 pink 2 blue

A daughter was born Friday, Aug. 16, to Mr. and Mrs. Manuel Trevino, Hart. The infant, born in Community Hospital and Clinic, weighed 6 pounds and 6 ounces.

Lance Allen Featherngill, son of Mr. and Mrs. Edward Featherngill, Richardson, was born Monday, Aug. 12, at 9:05 a.m. in Allen Memorial Hospital, Bonham. Dr. Jim Fite, formerly of Olton, was the attending physician.

Grandparents are Mr. and Mrs. Basil Sherman and Mr. and Mrs. Paul Featherngill all of Olton. Maternal great-grandparents are Mr. and Mrs. F. M. Holland and Mr. and Mrs. Lee Sherman, Olton and paternal great-grandparents are Mr. and Mrs. A. H. Allen, San Antonio.

Mr. and Mrs. Dick Scruggs are the parents of a baby girl, born Sunday Aug. 11 at Medical Center Hospital, Odessa. Weighing 7 pounds, 21/4 ounces, she has been named Daphne Gaye. Grandparents are Mr. and Mrs. Joe Scruggs and Mr. and Mrs. Rex Sherry, all of Olton. Paternal great-grandparents are Mr. and Mrs. R. H. Thomas, maternal great-grandparents is Mrs. Nora T. Thompson, all of Olton.

A baby girl, weighing 6 pounds 13 1/2 ounces, was born Tuesday, Aug. 13, to Mr. and Mrs. Devin McAnally, Plainview. Named Nancy Delight, the infant was born in Plainview Hospital and Clinic. Grandparents are Mr. and Mrs. A. R. Montgomery, Plainview; and Rev. and Mrs. Russell McAnally of Friona, formerly of Olton. The father, stationed with the army in Korea, is home on a 30-day leave.

Mr. and Mrs. Gregario Alonzo, Halfway, are parents of a son born Friday, Aug. 16. The infant weighing 7 pounds, 9 ounces, was born in Olton Community Hospital and Clinic.

Bowling League

Ladies Leisure League will have a business meeting Thursday, Aug. 29, at 2:30 p.m. at Olton Bowling Center.

Teams will be organized at this time and all interested persons should come. New-comers and beginners are welcome.

Any interested person who is unable to attend should call Beverly Smith, 285-2817 so they can be put on a team.

BRIDAL SHOWER

A bridal shower, honoring Miss Hazel Beth Smith, will be held Saturday, Aug. 24, from 3 p.m. to 5 p.m. in the Frank Adams home, 120 E. 8th.

Miss Smith is the bride-elect of Robert Bonner.

BRIDAL SHOWER

A bridal shower honoring Mrs. David Hinkle, will be held Tuesday, Aug. 27 at 2:30 p.m. in the PCA building. Mrs. Hinkle is the former Miss Joan Lawson.

Everyone is invited.

VISIT PARENTS

Mr. and Mrs. I. A. Webb of Lubbock visited in the homes of their parents, Mr. and Mrs. Marshall Campbell and Mr. and Mrs. H. C. Webb over the weekend.

Lady Golfers

Hold Luncheon

The Ladies Golf Association of Olton Recreation Center held its monthly luncheon Tuesday at the ORC. About 25 members and two guests were present.

Trophies of the month were presented. Winners were:

July Tournament championship flight, Billie Norfleet, first; June Gullett, runner-up; Mable Mathis, consolation.

First flight, Jean Hall, first; Ava Copeland, runner-up; Susie Aikman, consolation.

Second flight, Naomi Machen, first; Oleta Richardson, runner-up; Bill Richards, consolation.

Third flight, Carol Latimer, first; Jane Wilks, runner-up; Fannie Clark, consolation.

In iron play Nadine Weaver was the winner. Low putt winners were: championship, Bonnie Buchenau; first flight, Ava Copeland; second flight, Nellie Fern Baker; third flight, Fannie Clark.

Low putt, even holes, champion Bonnie Buchenau; first flight, Susie Aikman; second flight, Bill Richards; third flight Carol Latimer.

Sunday is Scotch Foursome Day at ORC. All interested persons should sign up at the ORC.

IN TAYLOR HOME

CHICKEN is "Lobo's" meat, and the small dog prefers it barbecued. The animal is interested in tea and chicken belonging to Monte Chitwood, left, and his brother Joe Dale. The scene was set Saturday evening at the ORC barbecue. The dog is a regular hanger-around the Country Club.

HOT BARBECUED chicken was the dish served Saturday at the ORC. It was passed out with all the trimmings to anyone who had a dollar. Sponsored by the Recreation Center, the barbecue climaxed the termination of the ORC Golf Tournament.

Nine-Month Term Begins For School Bus Drivers

Olton School bus drivers will take to the road Monday, Sept. 2, beginning a nine-month term behind the steering wheel. Five of the 15 drivers are women, and several of the chauffeurs are school teachers. The drivers travel a variety of distances each day with the longest route covering 103 miles, round trip, and the shortest, 58 miles. Three of the 15 buses will haul children to the Negro school. Supt. of Schools Johnny Clark, said there would be three new buses this year. Drivers will average leaving the bus lot at 7 a.m., depending on the number of miles to be driven.

Following is the bus number, its driver and miles driven by each. The combined mileage totals 1,014 each day.

- No. 1--Mrs. Daisy Burrows, 62 miles
- No. 2--Mrs. Lula Wickware, 62
- No. 3--Clifford Curry, 58
- No. 4--Bobby Fred, 62
- No. 5--Eandie Hutson, 73
- No. 6--James Huggins, 64
- No. 7--Tom Harkey, 58
- No. 8--L.H. McAdams, 61
- No. 9--Mrs. Alice Sherry, 70
- No. 10--Mrs. Greta Keating, 58
- No. 11--Mrs. Norma Lively, 58
- No. 12--J. D. Lively, 68
- No. 13--E. C. Woods, 103
- No. 14--James Steptoe, 84
- No. 15--Gene Riddle, 70

PTA Outlines Objectives For Coming School Term

With a theme of "We The P-TA Seek To Understand The Family Story", Olton's Parent-Teacher Association will soon set to work on their 1963-64 objectives. Their first undertaking is the sponsoring of a teacher's reception, Sept. 5, in the school cafeteria. At the 8 p.m. gathering, teachers will be introduced as will principals and PTA officers. Mrs. Ed Thompson, president of the PTA, will make the welcome address and Mrs. John Campbell will give the response. The PTA is planning other programs through the school year which will include several school-related films. Objectives of the local organization is to promote the welfare of children and youth in home, school, church and community. To raise the standards for home life. To secure adequate laws for the care and protection of children and youth. To bring into closer relation the home and the school that parents and teachers may cooperate intelligently in training the child. To develop educational and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education. The Olton PTA will meet the first Thursday of each month in the school cafeteria. Officers for the coming term are Mrs. Thompson, president; Mrs. H. H. Waldrop, 1st vice-president; Mrs. Lacy Armstrong, 2nd vice-president; Mrs. Joe Hall, 3rd vice-president; Bill Walden, 4th vice-president; Mrs. Johnny Clark Jr., secretary; Mrs. Archie May, treasurer; Mrs. Elmer J. Moore, parliamentarian; Mrs. Lester Kennedy, historian; Mrs. Owen Jones, reporter and Johnny Clark Jr., songleader.

WEEKEND VISITORS
Mr. and Mrs. J. R. Brown had as guests over the weekend, their daughter, Mr. and Mrs. A. J. Barnes, O'Donnell.

Local Youths Attend Youth Conference

Suzanne Martin, daughter of Mr. and Mrs. Blanton Martin of Hart Camp and Lindy Ray, daughter of Mr. and Mrs. Kenneth Ray, Olton, have returned from the Attorney General's Conference on Juvenile Delinquency. They left Friday for Austin with about 85 other youths on a chartered bus. They were housed in the school for the deaf in Austin and ate at St. Edward's University. Saturday morning they attended a general session in the House of Representatives chamber in the Capitol. Waggoner Carr, attorney general, spoke to the group. They also heard a representative of the FBI. The approximately 1,100 youths were divided into four groups and went to seminars. The last two seminars were thought most interesting by the girls. They were on recognition for students and public awareness. The seminars were held in the Senate and House of Representative chambers. Discussion groups were conducted in the seminars. Saturday night the young people assembled at Barton Springs for a barbecue and to hear Astronaut Col. Elliott M. See Jr. Col. See flew in by helicopter and spoke in the outdoor theater on astronauts and space. A film was shown concerning rockets, missiles and astronauts. Dr. James A. Turman, director of the Texas Youth Councils spoke to the group on juvenile delinquency and showed a film on Boysville. A Sunrise Service was held Sunday morning at Barton Springs Park, and a chuck wagon breakfast was served. The group then went to the outdoor theater for seminar summaries. Waggoner Carr spoke again, telling the group that "juvenile crime" is a social problem. He reminded the youths that the future is in their hands and hoped they could tell their grandchildren that this was their finest hour. Carr said he thought too much spare time and not enough love in homes were chief causes of juvenile crime. The Attorney General's first speech, Saturday morning, was the most impressive to Lindy.

VISIT YOUNGS
Mrs. Sadie Collins and her granddaughter, Sue Collins, of Abilene are visiting in the home of her daughter and family, Mr. and Mrs. A. J. Young and Loveta.

A WAGON load of youngsters pay strict attention to the barbecued chicken before them. They were among the many who were on hand last Saturday at the Olton Recreation Center's chicken supper. Two wagons similar to the one shown here are used as tables. Money raised by sale of the food will be used in club projects.

CARD OF THANKS
To all our friends in Olton: There are no words to express our sincere appreciation for the many prayers and the beautiful flowers for our little son, Doug. Although you are far away, your letters and cards seemed to bring you so near during this time of sorrow when friends are needed so badly. Please remember us in your prayers so that we may someday understand why he was taken from us. Max, Pat and Mike LaDuke L. L. and Mildred LaDuke

VISIT CHILDREN
Mr. and Mrs. W. B. Eby visited in the home of their children, Mr. and Mrs. D. C. Eby and Mr. and Mrs. Jack Allcorn, the past few days.

IN LUBBOCK
Mr. and Mrs. Jerry Young visited in the home of Mr. and Mrs. I. A. Webb in Lubbock Friday night.

VISIT BROTHER
T. A. Miller, Muleshoe, visited in the home of his brother, Mr. and Mrs. F. T. Miller over the weekend.

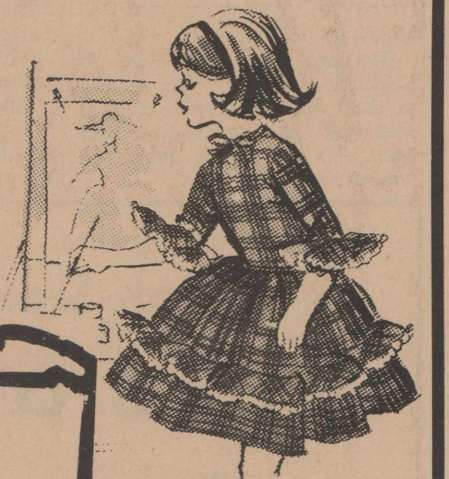

CURRY VISITORS
Mr. and Mrs. C. C. Curry have been to Roswell to visit their son-in-law Dr. W. J. Wagner, who is ill. Their granddaughter, Theresa, was returned home after visiting with them. Theresa went to the Miss Texas Pageant in Fort Worth with her grandparents. Their grandson, Billy is spending this week in the Curry home. Visiting in the Curry home over the weekend were Mrs. Curry's cousin, Mr. and Mrs. Virgel Elliott of Denton.

A DOG Named "Honey" is pictured with three of her 11 pups and two of her admirers. The part Shetland Sheep dog and Collie gave birth to the extra large litter about a month ago. Posing with the animal and her pups is Jeana Chester, owner, and daughter of Mr. and Mrs. Joe Chester and Bonnie Offield, a neighbor, and daughter of Mr. and Mrs. Denver Offield.

RETURN HOME

Mrs. L. J. Baugh and son, Johnny, returned to San Jose, Calif., last Saturday after spending three weeks with her parents, Mr. and Mrs. Hugh Alexander Sr.

ATTEND REUNION

Mr. and Mrs. A. D. Adams, Mrs. Floyd Gray, Mr. and Mrs. Neil Wells, Charlotte and Sandy, Mrs. Doris Watt, Mark and Timothy and Virgil Gray attended a Gray family reunion last Sunday in Mackenzie Park in Lubbock. The reunion was in honor of the 81st birthday of Mrs. L. B. Gray. Mrs. Gray is the mother of Mrs. Adams and Mrs. Floyd Gray. Approximately 100 were in attendance for an all-day get together.

VISITS SON

Mrs. Dollie Wells, Slaton, is visiting in the home of her son and family, the Neil Wells for a few days. They will take her home today and spend a few days with her.

ADAMS VISITORS

Visitors in the A. D. Adams home are her sister, Mr. and Mrs. W. T. Wilson, and David of Iraan, and Mrs. S. Y. Joiner, and her daughter, Becky, Sunday. Also visiting are W. T. Wilson's mother and father, Mr. and Mrs. W. T. Wilson, San Angelo, long time friends of the Adams.

TO SIX FLAGS

Mrs. Doris Watt and children Mark and Timothy and her cousin, Mrs. Linda Stiegaulde and daughter, Sharon, of Muleshoe have gone to "Six Flags Over Texas."

VISIT IN DALLAS

Mr. and Mrs. Don Taylor and family and Mr. and Mrs. Elmer Phillips, and Danny are visiting in the home of Mr. and Mrs. Gerald Cochran and family in Dallas this week.

VISIT AT EARTH

Mr. and Mrs. Loman Jones visited in the S. K. Flatt home, near Earth, Tuesday. Also visiting the Flatts were Mrs. Jones' parents, Mr. and Mrs. H. L. Berry of Brownfield.

VISIT GRANDPARENTS

Shirley Tuttle recently spent several days visiting her grandparents, Mr. and Mrs. G. F. Parker. They made a trip to Albuquerque to visit the Parkers' daughter, Mr. and Mrs. Lyle A. Dillingham. Shirley's parents, Mr. and Mrs. H. F. Parker, Vigo Park came Tuesday and took her home.

Olton Lunchroom Program In Chain Of Over 10,000

Sooner than most people can say strawberries and ice cream in Danish, the Olton school cafeteria will be back in business. It will be among a chain of more than 10,000 cafeterias in Texas and other nearby states linked together by the National School Lunch Program. Each program falls under the U. S. Department of Agriculture, but each cafeteria is community owned and operated. Lunch room Supt. for the Olton schools is Mrs. Margie Slatten. She had made several recommendations in releasing plans for the lunchroom program. Mrs. Slatten has asked that lunch tickets be purchased during registration, Aug. 28 to 30, to avoid the "first day of school rush".

The first lunch of the 1963-64 term will be served at noon Monday, Sept. 2. Cost of a lunch, including milk, will be 30 cents for all elementary students and 35 cents for all other students and teachers. Visitors will be charged 50 cents a meal. Mrs. Slatten said that five-day lunch tickets for the first grade through the fifth would cost \$1.50 and that 20-day tickets would amount to \$6. Older students and adult five-day tickets will be priced at \$1.75, while 20-day tickets will cost \$7. If tickets become lost, students must purchase another. A milk break from 1:40 p.m. to 2:40 p.m. will be arranged for elementary students with a

choice of white or chocolate milk. Milk tickets should also be purchased in advance and again advised Mrs. Slatten, should not be lost. The school lunch staff is the same as last year. It consists of Mrs. W. C. Dennis, Billie Farrar, W. W. Frazier, Jewell Huggins, Pauline Jones, Jettie Lawson, Ruby Ozment, Oleta Priest, Alice Sherry, Mae Scheller, Bonnie Smith and Mr. Pink Lawson. Part time workers are Mrs. Norma Lively and Mrs. Winnie Sweatt. Mr. and Mrs. Blanton Martin were in Southland Sunday where they attended a reunion of his immediate family in the home of his mother, Mrs. Sam Martin. Mr. and Mrs. Francis Franks and boys, Arch, N. M. spent Saturday night and Sunday here with his cousin and family, Mr. and Mrs. Nolan Hukill and boys.

Prestridge And Caley Tour Argonne Labs

Barry Prestridge, 18, and his science teacher, James Caley, returned here last week from the Argonne National Laboratory as special guests of the U. S. Atomic Energy Commission.

The Illinois trip was made as a result of Prestridge being a National Science Fair Winner. He is the son of Mr. and Mrs. Barton Prestridge of Olton.

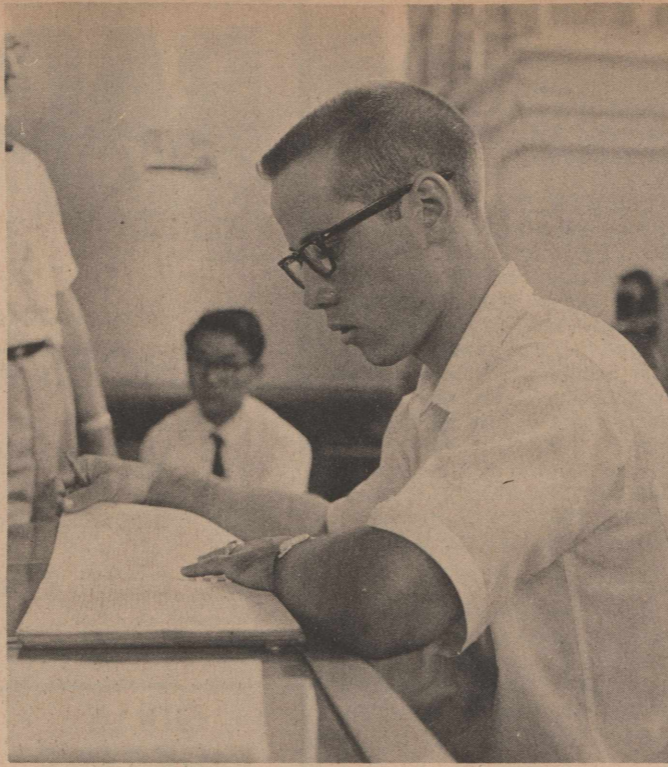

During the week, Prestridge and nine other winners of the

special award, examined many unique scientific facilities at Argonne.

Included, were the new Zero Gradient Synchrotron, a 12.5 billion electron volt particle accelerator which is one of the most powerful in the world; the new JANUS biology research reactor designed for studying the effects of radiations on living systems; and new laboratories designed for remote handling of radioactive elements.

Prestridge and Caley had an opportunity to consult with Argonne scientists in their areas of interest.

Several of the winners found that the original work on which their science projects had been based had been done at Argonne. Many of the students and teachers said that an outstanding feature of their visit was the opportunity to watch scientists and engineers in many different fields working together

BARRY PRESTRIDGE AT ARGONNE

In Memoriam

(Editor's Note: Doug LaDuke, son of Mr. and Mrs. Max LaDuke, Ft. Worth, and grandson of Mr. and Mrs. L. L. LaDuke and Frank Harborn, Olton, was killed when struck by lightning at his Ft. Worth home. This article is in memoriam to him.)

HIS SERMON LIVES
by W. D. Hillin

Doug LaDuke lived only four years upon this earth. Some men are permitted to live for seventy years and waste it away.

Some men preach for thirty or forty years and do not accomplish what this boy accomplished. He did not know of the great teaching principles or of proper sermon preparation; however, he has demonstrated power that few people ever have a chance to witness.

He was outside playing and watching other children playing. It began to thunder and lightning darted through the sky. He was struck by the mighty bolt and from that point on he knew nothing else.

From this point on the world was changed. Many people came to the hospital and waited patiently in behalf of this little boy and his parents. Phone calls came in from the whole city in great concern for this boy. Strangers came up and checked on his condition. Ft. Worth was touched by this incident.

Methodists, Baptists, Episcopalians, members of the Church of Christ, and many others came face to face and held each other's hands. Men and women were brought close together in a mutual concern. Men and women who had not previously met went to their knees in prayer.

In this time of need, a real fellowship was felt that cannot be forgotten. Families were drawn together closer than ever before. Men and women sacrificed time and money for one little boy.

No one complained about being put to some extra effort. Tears were shed together, sleep was lost, anguish was felt, en-

couragement was shared, and God was made known as a real friend.

Personalities, character, and personal desires were changed in a matter of hours. The fast furious drive of modern civilization came to a halt for one week.

There are people who really know something of God's feeling when He looked at His Son suffering upon that cross. Power such as this has not been witnessed by many. No one sermon could do more than this boy's death.

He never spoke a word but he moved people to compassion, love, and understanding. There are many who are better people because of this boy.

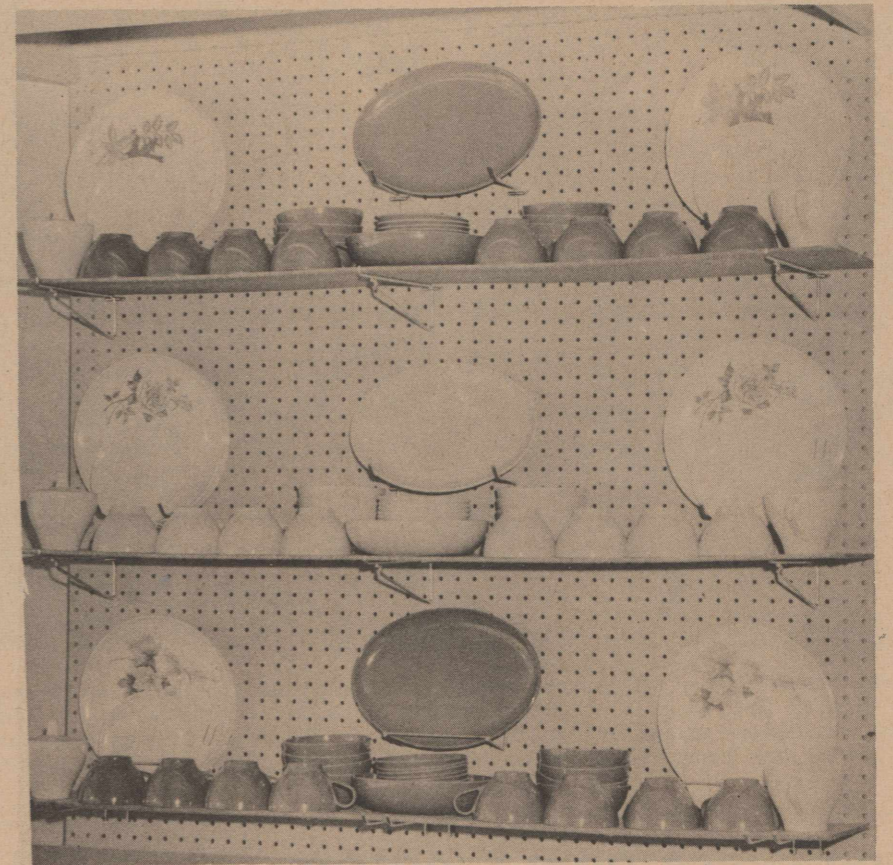

He caused people to stop and consider their own lives and blessings. He has given a testimony by causing men to consider their relationship to the Father's will.

This little boy left his mark on men's hearts. He now rests with God while his family, loved ones, and friends walk a different path.

Was his life worth something? Did he die in vain? No, because God has spoken to us through him and we will draw closer to Him.

This will not be forgotten. May God be praised for shining a light into a dark world. Thank you Doug for your sermon.

THE OLTON ENTERPRISE

New Director Takes Charge Of Olton Band

The Olton High School Band, under new director, Leslie Ross, is busy preparing for their performance at the first football game of the school year.

The game, at Abernathy, will be Friday, Sept. 6.

The band, with approximately 100 members, will use basically the same marching style as in previous years with an attempt at some flashy routines.

All UIL band contests will be entered this year. Ross, a graduate of Waxahachie High School and TCU, comes to Olton from Del Rio. While band director at Del Rio, his bands won marching and sight reading contests at the Brady Band Festival and won second place, stage band jazz, in competition with 3-AAA and 4-AAA bands at St Mary University Stage Band Festival in San Antonio.

He had a part time job, as band director at Boyd, during his senior year at TCU. After receiving a Bachelor of Music Education Degree in 1960, he became band director at Del Rio, where he stayed three years.

While at TCU he was band president and president of Kappa Kappa Psi, National Band Fraternity.

Mrs. Ross will teach piano. They have two sons, ages two years and two months. The family attends the Presbyterian Church. Ross served as church choir director at Del Rio.

VISIT BROTHER

Recent visitors in the Pink Lawson home were his brother, Mr. and Mrs. Tom Lawson and Richard and Judy, Guntersville, Ala., and Mrs. Lizzie Rinsinger and Mrs. Dorothy Lovett and children, Ronny and Janice, Altus, Okla. While here they also visited Mr. and Mrs. Orrian Hackler, Mr. and Mrs. Bertice Lawson and Mr. and Mrs. Drexel Lawson.

Hart Camp Happenings

Helen Ruth Smith was honored on her 12th birthday Tuesday with a swimming party. The group went swimming in the afternoon at Crescent Park in Littlefield. Girls attending were Wanice Neeley, Pam Foster, Mary Bess and Helen Ruth Smith.

Mr. and Mrs. Esaw Half, Patti and Bruce, San Francisco, Calif. are visiting here this week with his sister and family, Mr. and Mrs. Louis Ball and Carolyn Osthus.

Kerwin Oliver and Larry Stanley attended a swimming party at Crescent Park swimming pool in Littlefield Wednesday night.

Mr. and Mrs. R. T. (Buck) Fredericksen of Lubbock, formerly of this community, announce the marriage of their daughter, Sherri Lee, to Gerald Keith Afflerback of Lubbock. The couple exchanged wedding vows in Roswell, N. M. and will reside in San Francisco where he is stationed with the U. S. Navy.

Visitors in the Homer Hukill and Nolan Hukill home last week were Mr. and Mrs. Frank Hukill of Glendale, Calif. He is a brother of Homer Hukill and an uncle of Nolan Hukill.

Visitors in the L. A. Smith home Wednesday were George Gushwa and Opal Terry of Dora, N. M.

Mr. and Mrs. Floyd Prentice attended funeral services Thursday morning at 10:00 in the First Methodist Church, Littlefield, for his grandfather, S. P. Prentice, 86, who passed away Tuesday at 6:15 p.m. Floyd was one of 26 grandchildren and his children, Carol and Chris are among 62 great-grandchildren.

Mr. and Mrs. J. C. Muller hosted a cookout supper at their home recently. Present were Mr. and Mrs. Richard Altman and sons of Holland, Calif.,

Mr. and Mrs. Ray Muller and sons, John Muller, Mr. and Mrs. Don Muller, Donna and Bryan, Mr. and Mrs. Junior Muller, Mark, Patti and Joey, and Mr. and Mrs. Gerald Langford and Kathy.

Mr. and Mrs. Jerry Langford and Kathy visited in Levelland Sunday with his brother, Mr. and Mrs. Sam Langford.

Mr. and Mrs. Don Muller, Donna and Bryan honored Mrs. Muller's father, Bruce Porcher of Littlefield, with a birthday dinner Sunday. Others present were Mrs. Bruce Porcher and Mr. and Mrs. J. C. Muller.

M. S. Harvey Jones, left Monday morning with a group of FFA boys from Spade High School, to spend a week at Red River, New Mexico. They will camp out and fish there this week.

Jerry Vincint, Levelland, visited Monday here with his sister and family, Rev. and Mrs. Bob Stillwell and children.

Mr. and Mrs. Raymond Oliver, Hale Center, visited here with his brother and family, Mr. and Mrs. Edwin Oliver, Kerwin and Debbie, Sunday afternoon.

Mr. and Mrs. Bob Hayes and son, Redondo Beach, Calif., visited here last week with his sister and family, Mr. and Mrs. Nolan Hukill, Gary and Gordon.

Visitors in the home of Mrs. R. S. Moore and Fay this week are Mr. and Mrs. Weldon Moore from Cortez, Colo. He is a son of Mrs. R. S. Moore and a brother of Fay Moore.

Mr. and Mrs. H. V. Lynch carried Ronnie Gillespie, Eddie Bishop, Molly Pennington and Darlene Portis to Beeville over the weekend. The children are from the South Texas Children's Home there and have visited here the last three weeks.

Mrs. Leona Holden is visiting here this week with her son, Lee Edward Holden. Mrs. Holden lives in Tahoka but is a former resident of this community.

The Baptist WMS met Monday afternoon at the church for a Mission Study Program. Mrs. Harvey Jones, the president had charge of the business meeting after which the Mission study chairman, Mrs. Blanton Martin, reviewed three chapters of the mission book, "World Awareness" by Sadie T. Craeley. Ladies present were Mmes. H. V. Lynch, Dewey Parkey, Harvey Jones, Edwin Oliver, Bob Stillwell and Mrs. Blanton Martin.

Suzanne Martin returned home Sunday night by chartered bus from Austin where she attended a conference held by the Attorney General. She reported a good meeting with approximately 1,100 young people in attendance from over the state.

Rev. and Mrs. Bob Stillwell and Mr. and Mrs. Blanton Martin and Suzanne attended the Llanos Altos Associational Workers Conference at the Trinity Baptist Church in Muleshoe Monday night. The program was a musical program and the theme was "The Light of the World".

The group of children from South Texas Children's Home who have visited here the last three weeks were honored with an outing at Umbarger Lake Thursday. The group spent the day picnicking, boating and skiing. Those attending were Mr. and Mrs. Dewey Parkey and sons and their guest, Eddie Bishop, Mr. and Mrs. Blanton Martin, Suzanne and their guest Molly Pennington, Mrs. Harvey Jones and children and their guest, Darlene Portis, and also Ronnie Gillespie, who is a guest of Mr. and Mrs. H. V. Lynch.

Mr. and Mrs. V. L. Foster and girls visited in Brownfield Sunday with her sister and family, Mr. and Mrs. Kelly Kendall, Mrs. Kendall had surgery Tuesday at a Brownfield hospital.

Kip Elms, son of Mr. and Mrs. Dean Elms, Littlefield, spent a few days here last week with his grandparents, Mr. and Mrs. L. W. Sullivan. His parents came for him Sunday afternoon.

IT'S BACK TO SCHOOL AGAIN

A PEACH of a girl named Debbie is an apple of the eye for a boy named Steve. Naturally, enrolling first graders thoughts and dreams run to whom they will sit by as they begin their formal education. If these two youngsters can wangle administrators, they may end up in the same classroom. And if that happens, look for Debbie Vaughn and Steve Bryan to be close companions. The little girl's parents are Mr. and Mrs. Clyde Vaughn and Steve is the son of Coach and Mrs. Walter Bryan.

PET OF THE WEEK is a rusty-colored dog called "Cinnamon". Its two young owners are Alan Andrew, 7, and Steve Andrew, 11. The children's parents are Mr. and Mrs. W. E. (Andy) Andrew.

Student Council To Begin School-Year Activities

The OHS Student Council, sponsored by David Howton, will soon begin a new school year.

Members will be selling greeting cards when school starts as a money raising project.

President Paul Hernandez will have committees to appoint and plans to map for their activities. Regular projects of the Student Council include having charge of assemblies, Public School Week, Halloween Carnival, Homecoming, Christmas decorations for the school and sponsoring a Teacher Appreciation Day.

Representatives are chosen from each class composed of at least 30 members.

Officers are nominated by the Senior Class with other students having the opportunity to nominate qualified persons from the floor.

The president of each class is also a member of the council and any student who has attended the state convention becomes a life member.

The council meets twice a month and occasionally has a called meeting.

This year the council will try something new, using the merit system for their members.

Officers for the coming year are president, Paul Hernandez, vice-president Leon Kendall; secretary Suzanne Martin; treasurer Lindy Ray; Parliamentarian Mike Hipp; and reporter Carolyn Carlisle.

FATHER DIES

J. A. Fincannon, DeLeon, father of Mrs. A. R. Bostick, died Sunday. Funeral services were held Tuesday afternoon in DeLeon. The Bosticks had been with her father about six weeks.

HILL COUNTY REUNION

The Hill County Reunion Association announces its annual reunion which meets the fourth Sunday in August, which is Aug. 25, 1963 at Mackenzie State Park, Lubbock. Location will be marked by large banner. Each one is asked to bring a basket lunch which will be spread together at the noon hour.

Hill County residents and ex-Hill County residents are invited to attend.

Back To School Checkups Important To Health Care

It's back to school for millions of American youngsters in a few weeks.

It's starting school for the first time for the kindergarten or first graders, several million of them.

There's no one season of the year that is best for physical checkups. In fact, the health care of your family should be a constant affair throughout the year.

But, if you have been putting off a visit to the family doctor for your small fry, now is a good time to phone for an appointment, with the reopening of school in the offing.

Your doctor will probably want to check the children's vision and hearing. Small children can, and frequently do, suffer gradual changes in their eyes or loss of hearing without realizing it. Either of these conditions can play havoc with school grades and social adjustment in the classroom. If your child wears glasses, they should be rechecked to make certain his prescription is still suitable.

The small child who can't see the blackboard clearly or can't hear the teacher's questions is frustrated and baffled. A dental checkup also is important. Many schools now encourage pupils to bring a certificate from a dentist each year showing that examination has been made. Small cavities can be filled before they become major dental problems, and potentially serious dental troubles often can be corrected if discovered early.

Ask your doctor also whether your children are properly immunized against the various contagious diseases that threaten children and adults.

A return to the indoor life of the school room exposes the child to infection to a much greater degree than the outdoor life of the summer months.

Vaccines against smallpox, polio, tetanus (lockjaw), whooping cough and diphtheria are now routine. New measles vaccines are now on the market. Make certain your family is protected.

If your child is planning to participate in vigorous sports on one of the school teams, let your doctor know. He will examine the youngster to make certain there are no health conditions that would interfere with participation. Schools now generally require a doctor's certificate for the student to "go out for the team."

Adults need periodic physical checkups too, even though they may be feeling fine. While scheduling examinations for the children, don't forget the older members of the family.

RETURN HOME

Mr. and Mrs. Bob Worley and son, Bennett, returned home Sunday from Mesa, Ariz., where they had been since the last of May. They have had visitors in their home. J. L. Taylor, Crosbyton, stayed with Bob and Bennett while Mrs. Taylor and Mrs. Worley attended the Reading Conference in Canyon, Tuesday, Wednesday and Thursday.

AT CHURCH CAMP

Bro. and Mrs. Raymond Car-

son left Saturday for church camp at Cloudford, N.M. Bro. Carson is in charge of the camp.

The family camp includes all of New Mexico, the Panhandle and South Plains of Texas and the

El Paso and Midland regions. They plan to be gone 10 days.

Kindergarten Begins Sept. 2
Mrs. Calvin Horn has announced that kindergarten classes in Olton will begin Monday, Sept. 2.
Parents wishing to enroll children in the class may do so now, Mrs. Horn said.
Mrs. Horn, who holds a state teaching certificate, has conducted kindergarten here the past five years.

Sluder Shoots Expert Round
Army Specialist Four Tom A. Sluder Jr., whose parents live in Olton qualified as expert in firing the M-14 rifle in Germany, late in July.
Specialist Sluder, a member of Headquarters Battery, 1st Battalion of the 3d Infantry Division's 10th Artillery, entered the Army in November 1960 and completed basic training at Fort Hood, Texas.
The 25-year-old soldier was graduated from Olton High School in 1954 and attended Texas University, Austin.

EXTENDED TRIP
Bro. and Mrs. Raymon Carson, Billy, and Leon Kendall returned Saturday, Aug. 10 from an extended trip to the Northwest.
They visited in 10 states and Canada. Places of interest seen included Yellowstone National Park; Great Falls, Mont. Fair and Rodeo; Glacier National Park, Montana; Alberta, Canada; Great Ponderosa Pine Forest, Idaho; Spokane, Wash., Columbus River Drive; Portland, Ore.; Great Redwoods of north California; Great Salt Lake Desert, Utah; Teton Mountain Range and Jennie Lake. They saw wheat being harvested on a mountainside in Washington and saw the rugged coastline and ocean at Crescent City, Calif. They also visited a lighthouse and saw a whale that had been washed ashore. While at Salt Lake, they went swimming.

NOTICE

Help NATURE Protect your Cotton

Dylox
50% SOLUBLE POWDER

KILL Fleahopper SAVE Beneficial Insects

Dylox works hand-in-hand with nature... knocks out fleahopper and beet armyworm in a hurry. But, when used at proper recommended rates, Dylox does not sterilize your fields of all insects. It leaves beneficial predators and parasites in your cotton fields doing their natural work of suppressing harmful pests. They keep populations down so you spray less often. You save on chemicals and labor. Control is better and costs are usually lower.
You'll be dollars ahead with Dylox. Order tomorrow.

Startling Facts Told On School Dropouts

"Texas high schools this Spring will graduate less than half of the students who began the first grade 12 years ago," That was the startling comment of J. J. Pickle, a member of the Texas Employment Commission, in addressing a Snyder audience.

And this situation exists, Pickle explained, "At a time when education is more important than ever before and when there is great emphasis on improving our colleges and universities."

He expressed the belief that more than 40 per cent of the Texas teenagers in the eighth grade today will not be around at high school graduation time in 1967.

Dropouts are cited as the main reason for this condition, which is anything but good. Pickle said the "hard core" unemployed persons today are the dropouts of the 1930's and 1940's who cannot compete for available jobs at a time of increasing automation and declining opportunities for unskilled workers.

It stands to reason that they are the last to be employed and the first to be fired. And they stay unemployed the longest.

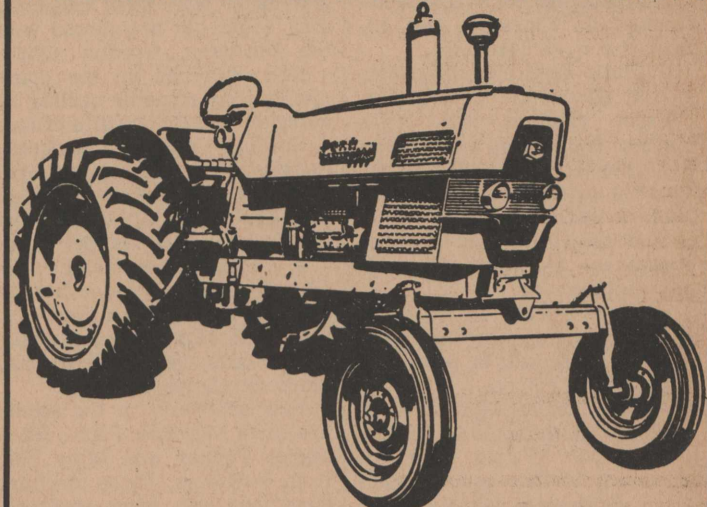

The worst part about it is that only five per cent of the jobs in the nation are for unskilled workers.

Those facts and figures should be of tremendous interest to all students of high school and college age. They should be sufficient to interest young people in finishing high school and in going on to college if possible.

"It is ridiculous for so many people to be jobless in these days of plenty," Pickle added, "but jobs for those with limited skills are getting harder to find every year, and the dropouts keep adding to the bottomless pool of unskilled labor."

We hear a great deal of talk today concerning the need for up-to-date vocational-occupational training programs for dropouts and others who have no intention of pursuing advanced education, but who can fill the many skilled jobs available to them. Pickle believes this may be the answer to the problem.

PLAINVIEW, TEXAS

Wednesday Registration Set At H.P. Webb Elementary

Registration for H. P. Webb Elementary school will be Wednesday and Thursday, Aug. 28, from 9 a.m. to 3:45 p.m.

Classes begin Monday, Sept. 2, for all but the first grade. First graders will begin classes Wednesday and Thursday from 8:30 a.m. till 11 a.m. This is to introduce new students to school routine.

Students will need a birth certificate and proof of small pox vaccination.

Students will register in room to which they are assigned. Lists will be posted on doors of the rooms.

Parents must sign cards of students and it would be better, Principal Fred Gordon stressed, if they accompanied their children to school to sign them.

Also if parents come to registration with their children, they could get acquainted with the teachers, Gordon added.

New children in the community may register earlier by going by the Principal's office.

Gordon expects approximately 150 students in the first grade; 124 in the second; 146 in the third; 118 in the fourth; and 108 in the fifth.

A meeting of elementary faculty members will be held at 9 a.m. Aug. 27, in room 19. This will be a general meeting to discuss assignments and plans for the year.

New teachers in the school are Mrs. Mae Ree Tuttle, Miss Mabel Parker and Miss Ella Ruth Williams. These teachers have not yet been assigned. First grade teachers are

Mrs. Uletia Jenkins, Mrs. Eloise Galloway, Mrs. Ruby Sturch and Mrs. Allie Aikman.

Mrs. Sue Ann Bunner, Mrs. Freda Worley and Mrs. Letha Smith compose the group of second grade teachers. Third grade teachers will be Mrs. Barbara Tollett, Mrs. Ruth Franks, Mrs. Bettie Daniel and Mrs. Ethel Gordon.

Fourth grade teachers are Mrs. LaNelle Waldrop, Mrs. Pearl Moore, Mrs. LeaBelle Hooper and Mrs. Juanita Adams.

Mrs. Kathryn Cope, Mrs. Vivian Williams and Grady Cope make up the fifth grade teachers. The elementary school lacks one teacher.

Majority To College

'63 Grads Make College Plans

Editor's Note: Majority of the 1963, Olton-graduated seniors will go to college. The following students will pursue higher education, majoring in subjects which range from physical education to electronics.

Larry Fancher, son of Mr. and Mrs. Cloys Fancher, will enroll this fall at West Texas State University with a major in animal husbandry.

Sam Roden plans to attend Amarillo Junior College where he will major in speech.

Sam is the son of Mr. and Mrs. Sam H. Roden.

Elaine Averitt, daughter of Mr. and Mrs. Herb Owens Jr., will have a brief rest between summer school and the fall semester. She is a non-major at West Texas State University.

John Johnson, son of Mr. and Mrs. J. W. Johnson Jr., has chosen West Texas State University, where he will major in mechanical engineering.

Tanya Bryant has chosen Southwestern University at Georgetown to study home economics. She is the daughter of Mr. and Mrs. Leo Ross Bryant.

George Phillips, son of Mr. and Mrs. Martin Phillips, is

planning a mechanical engineering career at Texas Tech.

Cheryl Poteet, daughter of Mr. and Mrs. Clovis Poteet, attended Lubbock Christian College this summer and plans to continue her studies at the University of Texas with a major in physical education and minor in primary education.

Ronnie Parsons has chosen West Texas State University to major in business. He is the son of Mr. and Mrs. R. C. Parsons.

Bobbie Tollett plans to study home economics at Texas Tech. She is the daughter of Mr. and Mrs. J. Thurston Tollett.

Sue Mitchell, daughter of Mr. and Mrs. E. W. Mitchell, has also chosen Texas Tech with a home economics major.

Robert Struve, with plans to major in business, will also attend West Texas State University. Robert is the son of Mr. and Mrs. Frank Struve.

Phyllis Hair, daughter of Mr. and Mrs. Louis Hair, has chosen West Texas State University to major in elementary education.

Johnny Moses, nephew of Mr. and Mrs. John Moses, will begin college at Arlington State with a major in agriculture.

Betty Harrod will attend Bethany Nazarene College this fall. She is the daughter of Mr. and Mrs. V. O. Harrod.

Joy Fern Cole, daughter of Mr. and Mrs. J. A. Cole has chosen West Texas State University to continue her studies.

Nelda Rucker has chosen Draughon's Business College to continue her formal education. She is the daughter of Mr. and Mrs. Russell Rucker.

Gladys Thomas will enter Texas Tech this fall, majoring in business administration. She is the daughter of Mr. and Mrs. Gordon Thomas.

Janice Moses, niece of Mr. and Mrs. A. D. Moses, has selected Amarillo Junior College and will start work this fall to become a registered nurse.

Joneita Moss, daughter of

Mr. and Mrs. K. L. Moss, will be attending Lubbock Christian College with a major in Secretarial Science this fall.

Bennett Worley, son of Mr. and Mrs. R. E. Worley has chosen Howard Payne College with a major in physics.

Augustine Saldivar, son of Tranquilloho Olmos Saldivar, will attend Fort Worth College and major in electronics.

Charlie T. Burrus, son of Mr. and Mrs. Paul Burrus, has selected Abilene Christian College where he will major in agriculture.

Carolyn Rogers plans to attend Fort Worth College to major in IBM Data Processing. She is the daughter of Mr. and Mrs. Coy Rogers.

Barry Prestridge, son of Mr. and Mrs. Barton Prestridge, has chosen Howard Payne College to begin his pre-med studies.

Tommy Witten, daughter of Mr. and Mrs. T. L. Witten, will enroll at Baylor University this fall. She will study to be a dental assistant.

Ruth Howard, daughter of Mrs. Marie Howard, plans to enroll at Wayland this fall and major in elementary education.

Ilona Tanner has chosen West Texas State University to continue her studies but has not decided on a major. She is the daughter of Mr. and Mrs. C. D. Tanner.

Billie Beasley, daughter of Mr. and Mrs. R. A. Beasley, will attend a transportation school and train to be an airline secretary.

Dana Speer has attended Texas Tech, majoring in home economics this summer. She is the daughter of Mr. and Mrs. James M. Speer.

Joyce Howard, daughter of Mr. and Mrs. L. V. Howard, plans to attend Draughon's Business College in Lubbock this fall.

Lawana Long, daughter of Mr. and Mrs. Garland Long, has chosen West Texas State University to major in art education.

Raymond Hernandez, son of Mr. and Mrs. Manuel Hernandez will attend Wayland Baptist College where he will major in religion.

Leroy Powers, son of Mr. and Mrs. Ruben Powers, will enroll this fall in Draughon's Business College.

Sharon Brigance has attended Texas Tech this summer where she majored in home economics. The daughter, of Mr. and Mrs. Merrill Brigance, she will return to Tech this fall.

Joe McKnight, son of Mr. and Mrs. E. J. McKnight, will attend Howard Payne College this fall and major in pre-law.

Brenda Roberts, daughter of Mr. and Mrs. Joe Roberts, has selected West Texas State University where she will major in secretarial science.

HOUSEWIVES SAY...

ONLY GAS COOLS SO MUCH BETTER FOR SO MUCH LESS!

that their housework is made easier with GAS year 'round air conditioning. Dust and pollen are filtered out of the air, and drapes and rugs stay clean much longer. Cooking odors... and even Dad's cigar smoke... are taken care of in a jiffy with cool, fresh air in the summer—and warm, fresh air in the winter.
