

Mitchell County Briefs

VFW meeting

The VFW Post 9178 and its Ladies' Auxiliary will meet at the Post Home at 7 p.m. on Thursday, January 13.

Taxes due

Rita Espinoza, tax assessor-collector for the City of Colorado City, reminds taxpayers that the 1982 taxes will become delinquent February 1, and urges all taxpayers to avoid having to pay penalty and interest by coming in before the February 1st deadline.

Karate class moved

The Karate class has moved to the Boys Club and will be held from 7 to 9 p.m. on Tuesday and Thursday night. A special meeting will be held January 15 at 10 a.m.

Cost will be \$17 a month and \$8.50 for a second member in family, and \$5 for third member in family. Instructor is James Cummins.

Historical Society

The Historical Society will meet Wednesday, January 19 at 3 p.m. in the Hesperian Room at the Mitchell County Public Library.

Mrs. C. P. Gary will be the guest speaker. The public is encouraged to attend.

4-H Club

The Colorado City 4-H Club will meet for the regular monthly meeting January 17. The meeting will be held in the Lone Wolf Electric Medallion Room and will begin at 7:30 p.m.

Mr. Frank Brownfield will present the program on Parliamentary Procedure.

Playhouse awards

The Colorado City Playhouse will have its annual banquet Friday, January 14 at 7 p.m. in the C. C. Thompson Room in the City National Bank Annex. The public is invited to attend.

Health Seminar

A Health Seminar, co-sponsored by the Ladies' Auxiliary to Wilson Wyatt VFW Post 9178 and the Business and Professional Women's Club, will be held from 2-4 p.m. Saturday, January 15 at the Wallace Center.

The seminar is being conducted in cooperation with the Texas Department of Health and Department of Health nurse Penny Elizonda will be in charge of testing.

In addition to the testing and the films and literature, Nathan Hopson, who has been a speaker for Texas Alcohol and Narcotic Education group, will have a program on drugs.

Loraine election

The special election for two city council members in Loraine will be held from 7 a.m. to 7 p.m. Saturday, January 15 in Loraine City Hall. Absentee voting has already been completed.

No hunting

City Manager Rick Crowley has informed the RECORD to remind people that there is no hunting at the city airport, and that "no hunting" signs will be posted up this week.

Furthermore, it is a violation of the city ordinance to discharge a rifle or pistol at Lake Champion. Nothing larger than a four-shot shotgun can be fired.

Answerline

Answerline is a regular feature of the Colorado City RECORD. Readers with questions on any subject may write or telephone the RECORD with questions they would like to have answered. Letters must bear the reader's name, address and phone number for verification, although names will not be published. Mail inquiries to: Answerline, P.O. Box 92, Colorado City, Texas 79512.

(Q) When will the fire department's new truck be in service?

(A) Fire department officials expect delivery of the new truck in approximately 7-8 months from now.

Wheat optimistic for '83

department has achieved virtually all the goals we had set forth."

"Two of the most important goals reached, Wheat feels, are the achievement of a full staff and the establishment of a reserve police force."

Wheat noted that the lack of a fully staffed police force has hindered complete follow-up of many crime reports but that criminal investigation would be more effective in the coming year.

Of the 226 Part I crimes

reported to the police department in 1982, Wheat gave the following breakdown: burglary—108 reported, 29 cleared by arrest; theft—106 reported, 30 cleared by arrest; auto theft—six reported, five cleared by arrest; murder—one reported, one cleared by arrest; attempted murder—one reported, one cleared by arrest; robbery—one reported, one cleared by arrest; arson—two reported, 0 cleared; aggravated rape—one reported, one cleared.

Both misdemeanors and felonies other than those mentioned above fall into the Part II category.

In this area, Wheat gave the following records for 1982: of the 51 reports of criminal mischief, 12 of which were felonies, 13 were cleared by arrest; nine reports of driving while intoxicated were received and 0 were cleared by arrest (four of these were subsequent offenses, which makes them felonies); 24 reports of assault were received, 13 of which

were felonies, and 16 were cleared by arrest.

Other felonies in the Part II category investigated by the Colorado City Police Department include: four reports of unlawfully carrying a weapon, four reports and four cleared by arrest; one report of failure to stop and render aid at the scene of a motor vehicle accident and one arrest; five drug offenses reported and five cleared by arrest; one report of retaliation and one cleared by arrest; two cases of

forgery reported, none cleared; one attempted rape reported, 0 cleared.

Other incidents reported to the police department and investigated are: worthless checks—three reported, three cleared; one terroristic threat reported, 0 cleared; soliciting without a license—one reported, one cleared; shoplifting, two reported, two cleared; missing persons, three reported, three cleared; one accidental death. See Optimistic, Page 2

Chief Ed Wheat

"Since taking office on June 1, 1982," says Colorado City Chief of Police Ed Wheat, "the

Bank executives make presentations to Council

Executive figures from Colorado City's two banks appeared at the Tuesday night meeting of the Colorado City Council to present their bids for becoming a depository for Colorado

City funds.

Bank president Max Shaw presented the case for the First National Bank and Vice President Bobby Lemons made the presentation for the City National

Bank.

Councilman Ray Mason finally made a motion to leave the city's funds in the City National Bank, where they are now, on the basis of "I can't see any advantage in moving the city's money from where it is now."

Four councilmen voted to name the City National Bank as depository. Robert Hoback abstained, Mayor Elmer Martin did not vote and Macca Findley was

See BANK, Page 2

Loraine Council lacks quorum

The Loraine City Council met without a quorum again Tuesday, January 11; both Mayor Royce Beights and Mayor Pro Tem Eddie Galvan were absent.

City attorney Frank Conard II advised Tommy Green and Jack Brewer to go ahead and conduct the necessary business pending ratification at a future meeting.

One of the items requiring immediate attention was the selection of a consultation firm in connection with the Community Development Block Grant that the city applied for in October.

Both councilmen agreed that the firm of Freese and Nichols, Inc. of Fort Worth would be the first choice because they had prepared the original proposal submitted to Housing and Urban Development.

Conard also advised the Council that the city secretary could proceed with plans to file suit against citizens who were delinquent in their water bills.

Brewer and Green determined that the rest of the items on the agenda were not urgent and postponed action on them until the next meeting.

Commissioners set county dates

The holidays to be observed by county employees in 1983 were set by the Mitchell County Commissioners' Court when they met in regular session Monday afternoon, January 10.

The holidays which are essentially the same as they were last year are: Good Friday, April 1; Memorial Day, May

30; Independence Day, July 4; Labor Day, September 5; Veterans Day, November 11; Thanksgiving, November 24 and 25; Christmas, December 23 and 26; New Year's Day, January 2, 1984.

The Commissioners also voted to amend the four precinct budgets for 1983; they transferred \$70,000 for each precinct from the Road and Bridge Special Account to each precinct's equipment fund.

In other action, the

Commissioners: —Appointed a grievance committee consisting of Ola May Johnson, Robert Fugate and Alva Hollis with Mrs. Bob Manning and Charles Edwards, Jr. to serve as alternates. The purpose of the committee, which is required by state law, is to hear complaints from elected officials on matters of salary.

—Signed an order stating that county officials will be compensated on See HOLIDAYS, Page 2

Ginning is still slow

Ginning is still slow in Mitchell County after all the snow last week.

Two of the gins, Buford and Producers, report that they did not gin any cotton last week, while Co-Op Gin Association ginned the most—255 bales, bringing their total to 6,988. Buford Gin. 825 China Grove Gin. 2,932 Colorado Gin. 2,097 Producers Gin. 5,511 Westbrook Gin. 2,841 Co-Op Gin Assoc. 6,988 Mitchell Co. Gin. 1,333 Paymaster Gin. 1,395

THE APARTMENT COMPLEX being constructed in Loraine by the Loraine Senior Citizens, Inc., is coming up very quickly, in spite of the recent bad weather. The organization's president, Roy Wells, said that the projected completion date is sometime in March.

Roofs planned for schools

After a lengthy discussion during their meeting Monday night, January 10, the Colorado Independent School District Board of Trustees voted to have new roofs put on 11 school buildings in Colorado City at a total cost of \$284,803.

All of the buildings will have conventional roofs except for the academic building at the high school; the roof for it is to be polyurethane which is supposed to be more durable and carries a 10-year guarantee.

The cost of each roof and the company selected are as follows: high school academic building, \$85,428, Herb Stephens Insulation & Roofing Co. of Plainview; high school vocational building, \$14,197, Lydick Hooks Roofing of Abilene; high school gym, \$12,717, Lydick Hooks; high school fine arts building, \$13,374, Lydick Hooks; Administration Curriculum Center building, \$27,309, Lydick Hooks; Hutchinson Elementary, \$30,572, Barr Roofing of Abilene; Kelley Elementary, \$40,937, Lydick Hooks; middle school, \$24,955, Lydick Hooks; middle school cafeteria and library, \$9,997, Lydick Hooks; field house, \$6,700, Barr; Wallace Center, \$15,617, Lydick Hooks.

In other matters before the Board, the members:

—Sold school property on Fairmont Street for \$2,000 to the only bidder, B. A. Jackson.

—Voted to hold the fee for participants in the driver education program to \$65 while rais-

ing the instructor salary to \$45 per student. Superintendent Charlie Useton noted that there would be about 80 students in this program this year.

—Postponed action on the maintenance agreement with Oliver Energy Master, Inc. because the rate the company set in the contract was much higher than what

a company representative had quoted to the board committee.

—Approved a request from Carl Moore of the high school drama department. See ROOFS, Page 2

Dunn is selected as conservation farmer

Hubert (Skeet) Dunn

Jimmy Harrison, chairman of the Mitchell Soil and Water Conservation District Board of Directors has announced that Hubert (Skeet) Dunn was selected as the outstanding conservation farmer for 1982.

Dunn constructed 21,000 feet of terraces in 1982 and a diversion terrace on land he leases. He had already constructed 26,000 feet of terraces on land that he owned. Contour farming is carried out on approximately 1,100 acres of cropland. Proper grazing use is carried out on about 12,000 acres of grazing land.

Dunn, his wife, Shirley, son, Kurt, and daughter, Staci, have been back farming in Mitchell County since 1970. Most of the land they

now farm, he grew up on and worked on for as long as he can remember.

He was born in Snyder, Texas and graduated from Snyder High in 1959. He then completed a one year trades school in electronics in Tyler, Texas where he met his wife Shirley. They married in June 1961 and she helped him through college working as a bank teller. He graduated from Texas Tech in 1965.

After college he worked for Continental Grain Co. as a manager trainee in export elevators. He held several jobs related to agriculture before returning to the family farm in 1970.

He farmed in partnership with his dad, Elmo Dunn, until 1978 when his dad retired. His dad still helps a lot in busy times. The family now operates 1,100 acres in cultivation with a few mother cows and some land in pasture. At present Dunn is a board member of Lone Wolf Electric Co-op, the board president of Producers Co-op Gin in Colorado City.

The farm is a family operation without outside labor. Shirley and Kurt, now 16, are both

excellent tractor operators. Even daughter Staci, now 12, under protest helps with the hoeing and moving from field to field. The family are all members of the Vincent Baptist Church where Shirley is pianist and treasurer. The family built a new home in 1974, doing much of the inside work themselves. In 1975 they put into cultivation a quarter section of pasture.

Throughout their

Sheriff reports arrests

According to Mitchell County Sheriff Wendell Bryant, Olga Lombardo Suniga, age 30, and Juan Beliz Losoya, age 29, both of San Angelo, were arrested Thursday, January 6 by Department of Public Safety narcotics officers on charges of delivery of a controlled substance, believed to be marijuana.

Bryant said that bond was set at \$15,000 each by Justice of the Peace Charles Watlington and both have been released on bond.

Optimistic

From Page 1

Wheat said that 1,428 disturbance calls were received by the department during 1982. Many of these turned out to be in reference to many of the crimes and incidents mentioned earlier but of those that were not, 53 cases of disorderly conduct were cleared.

Wheat also reported that as a result of the monthly average of about 1,000 calls received per month, as well as other sources, 16 juveniles were arrested and 26 counseled, 146 adults were arrested, 55 animals were picked up and 41 were destroyed, 21 animal control citations were issued and 172 traffic accidents were investigated.

According to Wheat, failure to yield right of way at intersections was "the contributing factor in the majority of

these accidents."

In the area of public service, Wheat noted that he and his staff had made 15 presentations to the schools and several civic organizations and had provided 95 security checks, a free service for residents when they are out of town and had received 16 letters of appreciation.

One of the accomplishments Wheat feels proud of is "the initiation of a more current record filing system because reports are the memory of our department."

Some of the goals Wheat has set for the upcoming year are: more presentations to the public, reducing Part I crimes by performing more criminal investigations, obtaining certification of the one re-

maining officer on the force who is not certified and training the animal control officer to do the job in a more professional manner.

"We are looking forward to doing much better in 1983," concludes Wheat.

Holidays

From Page 1

a salary basis. State law requires that each county commissioners' court must have this motion put in their minutes during the first meeting of each year.

—Set the terms of court as required by law; the January term to run January and February, the March term to run March and April; the May term to run May and June, the July term to run July and August,

The Mitchell County Commissioners' Court convened at 2 p.m. Thursday in a called meeting to open bids for two used Huber motor graders to be sold by the county.

Graders sold by county

Of the 14 offers received, the Commissioners accepted the high bids of \$3,525 from Bulldog Construction of Lyons, TX for one of the graders and \$8,000 from Neal Hawley of Neal's Dozier Service of Westbrook for the other.

Also the Commissioners approved bond of \$1,000 each for Precinct Three Justice of the Peace Mary Lee Moore, Precinct Four Justice of the Peace Joan Market and Precinct Four Commissioner Billy Preston.

Several county department heads were present to discuss with the Commissioners the county policy on sick

leave. Those participating in the discussion were: Clarence C. Burt, Tax Assessor-Collector; Wendell Bryant, Sheriff; Bill Erwin, District Clerk; Charles Watlington, Precinct One Justice of the Peace; Martha Smith, County Auditor; Donna Hurt, Adult Probation Officer; Mildred Boyd, County Treasurer.

After a review of the sick leave policies of several different organizations, including the Texas Highway Department and the school system, the group unanimously decided to leave the sick leave policy as it is.

The present policy allows 10 days of sick leave per year and those 10 days cannot be carried over to the next year. In a case where an extended sick leave is requested, the Commissioners' Court decides whether or not to grant it, dependant on the recommendation of the department head.

Mrs. Boyd requested permission to employ Susan Buckalew as deputy county treasurer, to work part time when extra help was needed. The Commissioners granted the request.

Sheriff Bryant informed the Court that he had been notified that

Joseph Slater of the Texas Commission on Jail Standards would be inspecting the Mitchell County jail on Monday, February 7.

Burt asked the Court for permission to hire someone to help out in the tax office for 3-5 weeks in order to get their reports out on time. The Commissioners said that they would take action on the matter during their regular monthly meeting which will be held Monday, January 10.

Property donated to school

School Board members were pleasantly surprised Monday night at their monthly scheduled meeting when Superintendent Glenn Sanders announced the school district was given a house and lot.

The house belonged to the Dr. Bruce Johnson estate and is located on lots 3 and 4 of block 17 on Colorado Street in Lorraine.

The board accepted the gift and will later decide to what extent the school district will use the property.

Also school board members voted to purchase a computer, most likely a TRS-80 by Radio Shack. Purchase price of the computer will not exceed \$1,089.13. Trustees felt a need for the computer because it appears computers are here to stay and this will give students an introduction to the computer industry.

In other action: school board members appointed Stanley Moore to the board of trustees.

—Increased driver education fees to \$75.

—Passed a resolution to continue taking vehicles in Lorraine ISD.

absent.

The council voted to buy a new pickup for the water department at a cost of \$9,099, from Hutchins Ford. Bids were requested on both new and used pickups and after a discussion, the council voted to buy the new pickup to avoid upkeep on an older model.

The Fire Truck Committee reported that four bids had been received on fire trucks. The low bid was \$68,239 from the Fact company of Wichita Falls, however, the Committee recommended a fire truck from the Boardman Company of Oklahoma City in the amount of \$69,188.

The council accepted the Committee's recommendation.

The council amended the junk vehicle ordinance to move enforcement from the director of public works to the police department and directed City Manager Rick Crowley to move toward enforcing the ordinance.

Kenneth Rogers was appointed a member of the Airport Board.

The council toured the police department and directed City Manager Crowley to proceed with repairs to the ceiling and to the floors. Worn out rugs are to be replaced with tile or linoleum and insulation is to be installed above the ceiling.

Junior division increases

A 20 percent increase in the junior division has been reported for the 87th annual Southwestern Exposition and Fat Stock Show, scheduled for its 12-day run Jan. 26 through Feb. 6 at the Will Rogers Complex in Fort Worth.

W. R. Watt, Jr., show president-manager, noted the largest increase is in the junior barrow show where entries gained 623 head to total 1,673. He said junior lamb entries jumped 213 to 1,526 head.

Jerry Clower, Grand Ole Opry star and nine-times Country Comic of the year, will be special entertainer at each of the 22 rodeo performances. He tells humorous stories that "happened or almost happened" that appeal to the entire family.

Rodeo tickets are on sale daily, including Sunday, at the box office in the lobby of Will Rogers Coliseum. Tickets for all nights and weekends are \$8 each, and \$6 for weekdays matinees. Mail orders should include \$1 extra per order for return postage and handling Mail to Stock Show office, P.O. Box 150, Fort Worth, TX 76101.

Junior Wildcats win Blackwell tourney

The Westbrook Wildcat junior high boys basketball team came away the big winners in the Blackwell Junior High Basketball Tournament as they copped the championship trophy by defeating Wingate 47-38 in the championship game.

The 'Cats started off the tourney by defeating McCauley 28-21. It was not one of the Wildcats better games according to coach Jerry Tucker. "We missed too many layups, we were cold from the field, or maybe it was just first game jitters," commented Tucker. Frankie Fuentes led the scoring with 10, Clayton Cannon added seven and Ruben

Cantu scored eight. The second Westbrook victory was a blowout as the 'Cats behind Fuentes and Cantu's 14 points each "wiped the floor" with Divide 57-11. It was a total team effort for the 'Cats said Tucker. Cannon scored 11 points, Neal Ginkinger seven, Robby Petty six, and James Wood five points.

In the title tilt against Wingate, Westbrook fell behind 12-10 after one quarter of play. But the Wildcats took control of the game in the second and third quarters as they outscored Wingate 30-8 in those two periods.

"We made some adjustments on our press, and then we wore them

down. We moved the ball well and played overall good basketball," explained Tucker.

Fuentes again had the hot hands for the 'Cats as he canned in 25 points. Others scoring were Cantu nine, Buddy Lopez and Cannon six each. Cantu and Fuentes were selected to the All-Tournament Team.

The junior high girls lost to McCauley 19-13, defeated Divide 32-14 and lost to Roscoe in the consolation game 39-17.

Roscoe teams defeat 'Cats

The Westbrook Wildcat boys basketball teams knows what it's like to play the best in district 7A. Last Friday they got a "piece of the action" as they were defeated 56-33 by the Roscoe Plowboys in Roscoe in the opening district game for both teams.

The Plowboys are picked as one of the top teams in the district proved to the Wildcats just why, as they jumped out to a 17-6 first quarter lead and never looked back.

The Wildcats were plagued by 19 turnovers for the night and six missed free throws in the first quarter. After that the 'Cats went on to connect on 13 of 19 free throws the remainder of the contest. Westbrook lost leading scorer Donald Burnett to fouls in the third quarter. The sophomore post man existed the contest with 15 points and seven rebounds.

The kids fought with them. We played pretty good ball. We handled their press pretty well. Billy Sweek, Vince Gana and Donald Ginkinger all handled the ball well. I am pleased with

the kids," said Wildcat coach Jerry Tucker.

Roger Cantu scored eight points and hauled in four rebounds each, along with Ginkinger.

The Plowgirls "put it on" the Wildcat girls by a 42-16 tally. It was a miserable shooting night for the Wildcats as they totaled just three points the entire first half.

The Wildcats made a run at Roscoe in the third period as they cut the lead to 24-13. But the final quarter was all Roscoe as the plowgirls cruised to the win. "The kids started out well taking good shots, we

had trouble getting on the boards with them, we blocked out well, but we still couldn't get the rebound. They are a fundamentally sound ballclub that has five starters who are all scoring threats," said Wildcat coach Keith Bundas.

Leading Westbrook scorers were Lynn Dawson and Evonne Bradshaw with four points each.

The Wildcat boys J.V.'s defeated Roscoe 26-25 behind DeWayne Hayes 18 points.

TWO POINTS—Wolves junior varsity player Cres Aguilar (14) puts in two of her 11 points against Crane Friday night. Breaking toward the basket are Denise Gregory and Stacy Free.

Last second basket defeats Bulldogs

The Loraine Bulldog boys and girls basketball teams both suffered close defeats in their district openers Friday night against Highland in Bulldog Gym.

The Bulldog girls saw defeat slip through their hands with eight seconds remaining in the contest. Coach Jimmy Fine's troops were up 51-50 when Highland's Melanie Richburg stole an in-bounds pass and traveled the length of the court to sink the winning basket with :02 remaining on the clock, to hand the Bulldogs a 52-51 defeat.

It was a gallant effort by the Bulldogs as they battled back from an 11 point deficit. With the Bulldogs leading 12-8 in the first quarter, the Highland press took its toll on the home team,

as Highland bolted to a 29-21 halftime lead. But the Bulldogs, behind Leslie Rose and Janie Barrera's 21 points each, gamely fought back until they recaptured the lead for the first time since the first quarter.

"I am extremely proud of the girls. They hustled and never gave up. They played good defense and blocked out well," said Fine. It was a big turn around from the first time Loraine played Highland in the Hamlin Tournament when Highland trounced the Bulldogs 73-37. Fine said that Highland is probably the best team the Bulldogs have faced so far. "They are a good aggressive team that is well coached, they don't break under pressure."

Rose led the rebounding department with 15 and Stephanie McAdams pulled in 11.

It was just the opposite for the Bulldog boys as they led all the way until the final three minutes of the contest while dropping the contest 53-47.

Coach Ronald James' squad held a commanding 41-31 lead at that time thanks to some "heads up" defense by Aundra Rose, Jerry Darnell and Ruben Garcia who combined for most of the Bulldogs' 25 steals.

The Highland press baffled the Bulldogs,

coupled with cold shooting and visitors crept back to knot the score at 47-47. Then one of the biggest calls of the game hurt the Dogs as a Loraine player received two technicals. Highland converted both shots, got the ball back and was fouled. They sunk both free throws and the game was over. "This was one of our better games, we only had one turnover in the first half, but we had 10 in the second half. This is the second time we have blown a lead in the closing minutes, we have to learn to slow it down and play more controlled basketball once we get the lead," said James.

James Griffin led the Bulldogs in scoring and rebounding with 22 points and 16 rebounds. Guard Rose contributed 12 points and seven rebounds. Darnell added 10 rebounds and Steve Morris eight rebounds.

Karate class to begin

James Cummings, Instructor of Marshall Arts Academy in San Angelo, is the instructor for a new class in Karate. The class will be held in the Wallace Center gym each Tuesday and Thursday nights beginning at 7 p.m. and continuing for six weeks.

The tuition for the class is \$25. There is a discount of \$12.50 for additional family members. The class will start when 16 people have pre-registered and paid their tuition.

Mr. Cummings has judged tournaments, and has an excellent background in the art of self-defense, and has a Black Belt in Karate.

If you would like to enroll for this class, please come by the Wallace Center before 4:30 p.m. and register. For more information you may call the Wallace Center 728-2392.

C-C girl hoopsters win district opener

The Wolves girls varsity basketball team pulled off a mild upset in their first district outing as they handed the Crane Lady Cranes a 36-31 overtime defeat in Wolf Gym Friday night.

The Lady Cranes, picked to be one of the top teams in district 6AAA, were playing without leading scorer and rebounder LaWanza Mitchell. This gave the Pack all they wanted throughout the game. In fact it was Ms. Mitchell's little sister Jo who kept her Crane teammates in the contest with her timely shooting and rebounding. The sophomore forward finished the night as the visitors leading scorer with 11 points.

The Wolves trapping press and 2-3 zone held Crane's other big scorer Shonda Enos to only eight points, well below her 15 point average. Enos got six of her points in the first half, sinking only three of 13 shots from the floor.

The contest was nip-and-tuck all the way, with the lead changing hands several times. The largest lead was a six point Wolf lead at the early part of the second quarter.

After taking a 10-6 first quarter lead, the Pack stretched it to 14-6 on a Carolyn Green bas-

ket. But then Mitchell retaliated with three baskets of her own, and tied the game at 14-14. Enos hit a jumper right before the buzzer to give the Lady Cranes an 18-16 halftime lead.

The third quarter was an extremely cold one for both teams. Baskets by Laura Baum, Stacy Hamrick and Sheri Morris knotted the score 22-22 after three quarters.

At the start of the fourth quarter it looked like Crane might run away with the home team following a three point play by Mitchell which upped the Crane lead to 26-22. The visitors quickly jumped into their stall game, with the Wolves playing tight defense. Tomika Randle's basket after an offensive rebound cut the Crane lead to 29-28, but Crane answered quickly with a basket by Terri Grooms. Following a missed Wolf attempt, Morris came up with a steal, got the ball to Baum who connected on a 15-foot bank shot and the score was 31-30. With :51 remaining Crane missed a shot, Randle skyed for the rebound and was fouled on the play. She made the first end of a one and one to send the game into overtime 31-31.

In the overtime period it was all C-City. Baum

put in her own missed shot to give the Wolves the lead for keeps. Baum also made one free shot and Randle scored a basket to give the Pack a win.

Baum led the Wolves scoring with 16. She was followed by Green with eight, Randle six, Morris four and Hamrick two. Randle led all rebounders with 14, Hamrick added 10 and Green contributed seven.

In the junior varsity game it was a case of "too much Linda Scott and Denise Jackson" as the duo led the Wolves to an easy 64-47 win.

Scott, a 5-5 junior guard had another exceptional game as she led all scorers with 26 points. She was 12-18 from the field, had eight assists and nine steals.

The other half of the duo Jackson, a 5-10 freshman finished the night with 17 points, despite receiving a busted chin when she hit the floor in the third quarter. Jackson also pulled down 15 rebounds.

Cres Aguilar also played an important role in the Pack's victory by scoring 11 points and collecting nine steals and grabbing seven rebounds. The Pack put on a remarkable shooting performance in the final quarter by hitting nine of 13 shots from the field.

SHOT FROM THE CORNER—Wolves Varsity player Tomika Randle (14) launches a jumper from the corner in Friday's game against Crane. Trying to position for the rebound are Stacy Hamrick (34) and Carolyn Green.

Shopping with us has always paid off in savings...now it could pay off for you in big cash prizes! Play Winners' Jackpot Bingo™ and see if you'll be one of the lucky shoppers who'll win one of the Jackpot prizes! It's the newest, most exciting Bingo game anywhere! And it's easy to play, and easy to qualify for the big Drawing.

Here's all you do...Just match the number on your Bingo marker to the number on your die-cut card and slip it into the correct position. And when you fill an entire row horizontally, vertically, or diagonally, you win! Get your free Bingo ticket at the checkout lane or service booth each time you come into the store. Each ticket contains 4 markers.

Play often...the more times you are an instant winner or Bingo winner...the better your chances are to be a Jackpot Winner!

ODDS CHART

Odds stated are good for thirty days after promotion begins. Odds will be revised weekly thereafter to indicate prizes still available and will be posted in participating stores. Odds effective January 12, 1983.

PRIZE VALUE	NUMBER OF PRIZES	ODDS FOR 32 STORE VISITS	ODDS FOR 16 STORE VISITS	ODDS FOR 1 STORE VISIT
\$1,000	305	3,320 to 1	6,639 to 1	106,230 to 1
100	1,775	570 to 1	1,141 to 1	18,254 to 1
50	2,650	382 to 1	764 to 1	12,226 to 1
5	12,500	81 to 1	162 to 1	2,592 to 1
1	250,000	4 to 1	8 to 1	130 to 1
Total:	267,230	3.8 to 1	7.6 to 1	121 to 1

If all Bingo prizes are redeemed, the odds for winning a Jackpot prize will be 26,723 to 1

No purchase necessary to participate. One ticket per adult (18 years or over) per visit. Employees of Safeway Stores, Inc., participating locations, its advertising agencies, game suppliers, and members of their immediate household families are ineligible to win any prizes. The promotion begins on January 12, 1983, and is scheduled to end on May 3, 1983. However, it will officially end upon distribution of all game tickets, at which time the promotion termination will be announced. All prizes not claimed within seven (7) days of this announcement will be forfeited. WINNERS' JACKPOT BINGO Series No. 479 is available only at 148 Safeway locations in North Central and North Eastern Texas and 3 stores in Shreveport and Bossier City, Louisiana.

C-City students place in All-District band

Twenty-three middle school and 26 high school students from Colorado City earned places in the South Zone All-District Band of Region II Saturday in Abilene.

Seventy-eight Colo-

rado City students competed against students from other area class C and CC middle schools and class A, AA, and AAA high school bands for places in one middle school band and one

high school district band. Middle school students making the band were: flute-Ray Leigh Marion; clarinets-Jody Webb, Jennifer Holguin, Daphne Fowler, Andrea McKinney, Sara Salazar and Michelle Ollar; alto saxophone-Alan Garcia; cornets-Edward Garcia, Danny Salazar, Michael Swann and Tony Selvera; French horns-Holly Hicklin and Christi Dillard; trombones-Marty Cleckler, Reese Moore and Reg-

gie Gardner; baritone-Robert Bradbury; tubas-John Jones and Nikki Holman; and percussion-Terry Henderson, David Garcia and Paul Arellano on tympani.

High school students earning places were: flutes-Angie Bentley, Lisa Garner, Dianne Jones, Rhonda Barber, Sheila Crenshaw and Mickey Palmer; clarinets-Teresa Gorham, Kristy Frizzell, Melinda Selvera, Beth Smith, Mic-

helle Haggerton, Rachael Heredia, Melanie Rees and Kristie McMillan; alto saxophone-Kerry Wright; cornets-Robert Gomez, John Mayo, Mike Griffith, Charles Dillard and Denise Gregory; French horns-Barbara Heredia and Richie Womack; trombone-Perry Conner and Trey Cade; baritone-Rocky Salazar and Doug Baum on tympani.

Clyde Wilson, band director at Midland High School in Midland, will direct the high school district band. Sam Robertson, Director at Snyder High School, will direct the middle school district band.

Students will rehearse under these directors January 21st and 22nd and present a concert January 22nd in Abilene on the Hardin-Simmons University campus in Behrens Chapel at 7 p.m.

The public is invited. There is no admission charge.

Discoveries of oil & gas up in 1982

Texas operators reported 1,421 gas and 702 oil discoveries in 1982, exceeding the total reported the previous year.

In 1981, 1,279 gas and 583 oil discoveries were filed with the Railroad Commission, which regulates drilling for and production of oil and gas in the state.

Completions reported to the Railroad Commission in 1982 were also up compared to a year ago. Operators reported 16,296 oil, 6,273 gas, and 629 service completions, for a total of 23,198. Reports filed with the Commission for 1981 reflected 15,627 oil, 5,454 gas, and 460 service completions, for a total of 21,541. The 1982 completion total included wells which were spudded in 1981 but not completed in that year.

Total new holes drilled (including wildcats, existing field, service holes, and dry holes) in 1982 were 26,797, which represented an eight percent increase over 1981's total of 24,722.

Farming outlook bleak for 1983

Colorado City RECORD, Thursday, January 13, 1983 PAGE 7

Agriculture is at a crossroads due to large supplies and low prices, and farmers have few options to improve their situations in 1983.

"Just how long farmers can hang on financially is the big question," says Dr. Carl Anderson, economist with the Texas Agricultural Extension Service, Texas A&M University System. "Right now many are scraping the bottom of the barrel as far as their financial resources

are concerned—thanks to three consecutive years of poor prices. And they can't last much longer. Only those who are virtually debt-free will be able to make it."

Returns to assets of debt-free farmers will average in the range of minus three to minus seven percent in 1982, says Anderson, while returns to farmers with a heavy debt load will be a negative 14 to 18 percent. "With that kind of

figures, it's easy to see that farmers must depend less on debt financing," he adds.

Farmers generally are victims of overproduction in recent years coupled with a major slowdown in farm exports and domestic demand. This has led to growing stockpiles of most crops. Present farm programs designed to reduce these stockpiles have been a flop, points out Anderson. So farmers and farm po-

licymakers must soon decide whether or not to do something about the increasingly critical farm dilemma.

"Among options are mandatory production control and possible marketing quotas to bring supplies in line with effective demand," notes the economist. "Strong supply management likely will improve current low farm income in a couple of years. With voluntary programs, it will take

much longer."

Regarding the dilemma of farmers, Anderson offers a number of observations:

1. For 1982 net U.S. farm income is projected at \$19 billion, down from \$25 billion in 1981. Cash receipts will be about equal to farm expenditures this year, so virtually all net income will come from government payment and non-money income. Income could improve some in 1983 depending

on what direction farm programs take.

2. Farmland markets are expected to remain sluggish. In some areas of the U.S. and Texas, land prices likely will decline.

3. Farm exports are facing major setbacks. No noticeable progress has been made in trade negotiations with major U.S. foreign market countries such as the European Common Market, Japan, Mainland China or Russia. When economic conditions are bad, countries want to export more and import less. A big setback to Texas cotton growers is that China intends to grow more cotton and import less from the U.S.

4. Although credit is available, farmers have difficulty in qualifying unless they still have adequate collateral. Debt restructuring will continue. Loan delinquencies, foreclosures and bankruptcies will be up although lenders seldom benefit from liquidating a borrower.

Pageant accepting entries

Entries for the 1983 Miss Snake Charmer Beauty Pageant are now being accepted by the Sweetwater Jaycees. The Queen Pageant will be held March 10, in conjunction with the 25th Anniversary of the Rattlesnake Round-Up.

The 1983 Miss Snake Charmer will be awarded a \$1,000 scholarship, given by the Sweetwater Jaycees. The scholarship can be used at any institute of higher learning, including the Rolling Plains Campus of TSTU, in Sweetwater. In the event that the winner is attending High School, the scholarship will be held in an interest-bearing account until needed.

To be eligible to enter, girls must be over 15 years of age and under 22, as of April 1, 1983. Contestants must be single, never been married and have no children. Contestants should not be planning to marry within the year. Entrants will be judged for beauty, poise and personality, and will compete in both formal and swimsuit competition.

Applications may be picked up at the Sweetwater Chamber of Commerce, 104 W. Third, or call (915) 235-5488, to request an application by mail. Deadline for returning the application will be February 1. A billfold size glossy photo must be submitted with the entry form.

Miss Snake Charmer of 1982, Lori Chasteen, will be on hand

Births

Loraine Area Personals

by Ida Baird

Mrs. Wiley Walker returned home last week after spending the holidays with her two daughters and their families. She spent Christmas in Odessa with the Jack Allbrights and flew from there to Fort Worth, joining her daughter and husband, Mr. and Mrs. Troy Regans of Akron, Ohio at the home of their son, Mr. and Mrs. Rusty Kegans and Lindsay for the holiday visit. Other there were Chad Kegans from Wichita Falls and Mrs. H. J. Kegans of Trent.

On New Year's Day the group were guests in the Eugene Kegans home at Lenard, Texas.

Mrs. Sharon Henderson, Mrs. Pauline Smiley and Mrs. Wright Hock visited Mrs. Nettie Crowder in San Angelo Saturday.

Mr. and Mrs. Roy Wells spent Sunday and Monday in Aspermont visiting a daughter and family, Mr. and Mrs. Cecil Robertson.

Mrs. Bernice Hallmark spent Saturday in Sweetwater visiting in

the home of her son, Mr. and Mrs. James Hallmark. Her little grandson, Aaron, was celebrating his tenth birthday.

Mrs. Marion Mahon had as her guest over the weekend a niece, Mrs. Louise Skipper from Stephenville. On Saturday they visited Mrs. Roy Taylor in Sweetwater. Mrs. Taylor is recovering after breaking her hip several weeks ago.

Mr. and Mrs. James Clifton went to San Antonio Sunday where James is undergoing medical tests at Lackland Air Force Base Hospital.

Mr. and Mrs. Bruce Hart and Mr. and Mrs. Jack Allbright of Odessa visited in the home of Mrs. Syble Walker and attended the funeral of Dr. Bruce Johnson Monday.

Mr. and Mrs. J. M. Templeton had their three daughters and husbands and several of their grandchildren with them Sunday. They

were Mr. and Mrs. Charles Bowen and Brad from Abernathy, Mr. and Mrs. Jimmy Smith and Susan of Roscoe, Mr. and Mrs. Randall Smith of Roscoe and Mr. and Mrs. Dub Martin

and Brigham from Big Spring.

Mr. and Mrs. Bill Jennings of Midland were guests of Mrs. Calvin Forbus Saturday.

Obituaries

Herbert

Mrs. Jacqueline V. Hebert, 72, of Loraine died at 1:30 a.m. Friday, Jan. 7 in Rolling Plains Hospital at Sweetwater.

Services will be held in the Kiker-Seale Chapel at 3 p.m. Thursday, Jan. 11. Rev. Jonah Parker of Vernon will officiate.

Burial will be in the Loraine Cemetery.

Born Oct. 4, 1910 in Marshall, Texas, she was the daughter of Rev. and Mrs. Mitchell C. Gillespie, Sr. A graduate of Blackshear High School in Hearne, she received the B.A. degree at Wiley College and taught school at Annona and Greenville. After living in Houston several years, she moved to Berkeley, California in 1945. In 1952, she married Wallace Hebert, who died in 1960. She retired from her position at Shedd's Products, Sunnyvale, California in 1975.

In July, 1977 she moved to Loraine. A member of Taylor Memorial United Methodist Church during her residence in Berkeley, she joined Payne Chapel Christian Methodist Episcopal Church in Colorado City after moving to Loraine.

Survivors include two sisters, Mrs. Clarice Fowler of Loraine and Mrs. Lillie Spann of Porterville, California; five nephews, Vincent Davis of Washington, D.C., Robert L. Fowler of Chicago, Illinois, Dr. James R. Spann of Porterville, California, John Wesley Spann III of Nettleton, Mississippi, and Brian Spann, a senior at Yale University in New Haven, Connecticut; and three nieces, Dr. Dorothy Jean Agee of Oakland, California, Janice Davis of Washington, D.C., and Lea Spann, a freshman at the University of California at Santa Barbara.

Pallbearers will be Artie Lee Griffin, Ivy C. Johnson, James Johnson, Albert E. Jones, J. D. McGuire, Howard Nelson, Nolan Russell and Isaiah Williams.

Honorary pallbearers include Lois Briley, L. J. McGuire, Rev. E. J.

Lott, Clara Sanders and Fred Sanders.

Follis

Morris E. (Mo) Follis, 23, a former Colorado City resident, died Friday, January 7 in Amarillo.

Services were held Monday, January 10 at 11 a.m. in Easterling-Wilson Funeral Home Chapel in Odessa with Rev. David Hallum officiating.

Burial was in the Colorado City Cemetery at 3 p.m. Monday.

Born in Dallas on December 14, 1959, he moved to Odessa from Ballinger in 1974, graduated from Permian High School in Odessa and attended Odessa College. He was a member of Sunset Heights Baptist Church. He was a resident of Amarillo since 1982 and was manager of the Sonic Drive-In there.

He worked at Kiker-Seale Funeral Home when he was in Colorado City.

Survivors include his father, Andrew Follis of Odessa; mother, Jean Bateman of Ballinger; step-mother, Billie Follis of Odessa; one brother, Thomas Follis of San Diego; three sisters, Darlene Yow of Port Isabel, TX; Tammie Hoyd of Ballinger, Mary Frances Floyd of Wichita, KS; two nieces and one nephew.

The family requests that memorials be made to Women's and Children's Hospital in Odessa.

Loraine Leisure Lodge

By MARSHA RICKARD
A new class was started due to an interest expressed in brushing up on past school days. An English and Math class was started by Rosa Rosas, our activity director, who, when conducting a spelling bee, realized it would be enjoyed. The enjoyment of the class members seems to outweigh the learning.

We are trying to get started back with our Artex painting. If anyone would like to volunteer time and assist us we would enjoy the help. In our arts and crafts, quilts in all sizes are still the most popular. If you haven't seen our embroidered quilts, stop by anytime and we'll be glad to show them.

An outing to Sweetwater was a treat many enjoyed recently. We shopped for needed and unneeded items, and then ate out before returning.

In the near future we will be acquiring a Century Tub which will provide extra safety in bathing. Also, beginning this year we will offer a new service for those who provide care for an elderly family member, but need to make a trip or be away for a short while. We will provide 24 hour supervision and other services for short periods of time. Call for more details.

We welcome two long time Loraine residents. Mr. Ross Marshall and Benita Espinoza. Some people do not realize we are open for visitors anytime so drop by and say hi anytime.

Mrs. A. J. Barron treated each resident to peanut brittle candy recently and Ethel Duncan from Roscoe also dropped in and visited each resident.

Nannie Hallmark came by and provided a

mid-afternoon snack of cookies then visited with the patients.

Thanks to the Friendship class of First Baptist Church Loraine for remembering us.

Others seen around and helping us were:

Janet Moore, Edna Ballard, Lois Phillips, Atwood Sheffield and Virginia Whirley.

Glen Coon still provides our gospel singing on Wednesdays and everyone is invited to join in.

Our next musical is January 14th (this Friday). We have had good attendance for our musicals and hope everyone turns out to hear our musicians this Friday.

Come by and visit any time.

Save energy with a heat pump.

If you're planning to install a new heating or cooling system, consider a high-efficiency heat pump. It's an energy-saving, year-round alternative.

The heat pump provides year-round heating and cooling, using only electricity. During the winter, it extracts heat from the outside air (even very cold air contains heat) and brings that heat inside where it's needed. In the summer, the heat pump is a regular air conditioner, removing unwanted heat from the inside air.

The heat pump is the most efficient combination heating and cooling system that can be installed in your home today.

To learn more about the heat pump, call your air conditioning contractor. And when you call, ask about the year-round heat pump that qualifies for a bonus check from Texas Electric.

Root Valley Fair Lodge

By PAM JARNAGEN

The second week in January brings sunshine after a week of snow and a winter wonderland for us at Root Valley Fair.

Some of the residents were pleasantly surprised to look out their window and find everything white and glistening.

The weather was the main topic of conversation at our daily social hour and it was interesting to note the home remedies the residents related as preventative measures for colds, chills, fever, etc.

Some of the old time remedies were: chest congestion—a mixture of lard, turpentine and kerosene was rubbed on the chest or a poultice was made with these ingredients, bound in a wool cloth (or flannel) and placed over the chest and around the

neck; a mixture of sulphur and molasses taken by mouth stopped chills; for sore throat, two or three drops of kerosene oil in a spoon with a pinch of sugar was taken.

Some of the residents explained that arthritis and rheumatism were worse in the winter and carrying an Irish potato until it was hard prevented pain. One lady said she had washed many Irish potatoes that had been left in the pockets of her mother's aprons.

I was surprised to learn that there was a small community between Colorado City and Sterling City by the name of Iolan where one of our residents taught school. In the winter of 1918 she was staying at a farm home and was expected of her, as well as the children of the family, to ride a horse five

miles to the school. She said she promptly found another farm in which to stay where she only had to walk one mile in the snow to get to school.

In taking care of their complexion during the skin-drying winter months, "stump water" was used; snow and rainwater collected in hollow stumps was valued for many things, such as freckle remover and skin pruffer.

One of our residents is a third or fourth cousin to Davy Crockett and was named after Jefferson Davis' daughter, Winnie.

The threat of our pioneer spirit is very much alive and well in our residents at Root Lodge and the vast wealth of knowledge is here for all who wish to seek it out.

Body Control class

to begin at Wallace

A new session of Body Control will begin January 17, at the Wallace Center gym. Joanne Sanderson will be the instructor.

The day classes will be held on Monday, Tuesday and Thursday mornings from 10-11 a.m. for six weeks.

Tuition for the class will be \$25 for two mornings or \$30 for three mornings a week.

The night classes will be held on Monday, Tuesday and Thursday nights from 6-7 p.m. for six weeks. Tuition for this class is \$25 for two nights or \$30 for three

nights per week.

The class is designed to help those desiring to lose inches around the waist, hips, and thighs. It is also helpful in toning up those flabby muscles and getting an over-all body conditioning.

Exercises are set to a variety of music and makes for a lot of fun while you work off those unwanted pounds.

Pre-registration is required. To do so, come by the Wallace Center before January 14. For more information, phone the Community Education Office 728-2392.

Ritchey to teach tole painting class

Nelma Ritchey will teach a new series of tole painting lessons beginning January 17. The class will meet on Monday nights from 6:30-8 p.m. for six weeks.

Tuition will be \$20 plus supplies.

Beginning and intermediate instruction will be given. The class schedule will include lessons in: storkwork, fr-

uits, flowers, animals and pen and ink-watercolor paper.

Pre-registration is required. A supply list will be available upon registration. Kits and supplies are available at Creations by You.

For more information, please call the Community Education Office at Wallace Center, 728-2392.

Announcements

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT
Sun Expl. & Prod. Co., Abilene, has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas. The applicant proposes to inject fluid into the Strawn Reef, Jameson Reef Unit, Well Number 2-1. The proposed injection well is located 4 miles SW Silver in the Jameson Field, in Coke County. Fluid will be injected into strata in the subsurface depth interval from 5,955 to 6,180 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas. Requests for a public hearing from persons who can show they are adversely affected, or requests for further in-

formation concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/445-1373).

NOTICE FOR BIDS

Project HAP'N to aid citizens

Lone Star Gas Co. president Carol Neaves announced that the Community Council of Greater Dallas has agreed to manage dispersal of funds for Project HAP'N, a program designed to help persons living in Lone Star's service area who are having difficulty paying their heating bills. Project HAP'N, Heating Assistance Program for the Needy, was announced by Lone Star on Jan. 3.

Lone Star has contributed \$100,000 to begin the fund and is inviting its customers and the public in general to join in making contributions to Project HAP'N. The Community Council will manage the designation of agencies that will disperse assistance funds throughout Lone Star's service area. Community Council executive director Harry Tanner said efforts are underway to coordinate the designation of local agencies with area Councils of Government. All agencies will provide assistance on a case-by-case determination of need.

Project HAP'N funds will apply to winter heating bills and all contributions to the fund are tax deductible. Checks to the fund should be made payable to "Project HAP'N-Community Council" and mailed to "Project HAP'N-Community Council, P.O. Box 243, Dallas, Texas 75221."

"We at Lone Star rea-

lize our initial grant is only a beginning," said neaves. "We urge all citizens to become involved in Project HAP'N with the full knowledge that their contribution will have a significant impact on the program's success. We will communicate with our customers further when final details are complete, but we are happy to say Project HAP'N is happening now."

As local agencies are identified in each community, local residents will be informed.
