Former police sergeant

Hearing held for Atkins

The hearing for former Colorado Police Sergeant Tim Atkins took only thirty minutes Thursday afternoon but if comments from his attorney is any indication of things to come, it's apparent that the dispute is far from over.

Some 25 citizens were in attendance at the meeting and heard Atkins tell of the events leading to his dismissal by City Manager Buddy Foster on December 20, 1993.

Atkins, who is represented by Odessa attorney Warren Heagy, told the Personnel Committee of the city council that he had stopped Laura Fuller of Flower Mound, Texas on January 14, 1993 and issued her a warning ticket for speeding at the 217-mile marker on I-20.

Atkins said that Fuller, who is a sales representative for the Resistol Hat Co., asked him during the course of the stop "what a West Texas cop was doing not wearing a western hat."

Atkins said that he just casually replied that "I can't afford one" and thought no more about it.

"About an hour later I was writing a ticket near the Highway 208 overpass near Collum's Restaurant when the lady (Fuller) stopped on the South service road and honked her horn," said Atkins. "I went over to see what the problem was and when I got there, she handed me the hat through the rolled-down window."

TELLING HIS SIDE OF THE STORY: Former Colorado City Police Sgt. Tim Atkins (center) relates the events of Jan. 14, 1993 that eventually resulted in his termination from the police force. He is flanked by Odessa attorneys Cliff Hardwick on the left and Warren Heagy. Atkins was fired on Dec. 20, 1993 for accepting a western hat from a Resistol Hat sales representative.

For gov't. owned houses

First-time homeowner program available

The People for Progress, Inc. has announced the Homeownership of Single Family Homes grant in conjunction with the Texas Department of Housing and Community Affairs, from the U.S. Department of Housing and Urban Development (HUD).

The program is intended to assist first time home buyers to purchase houses previously owned or held by all Federal Agencies including HUD, VA, FmHA and RTC. These houses will be sold at affordable monthly payments. First time homebuyers are defined as persons who have never owned a home, persons who have not owned a home in the past three years and divorced parents who do not own a home. The HOPE 3 program follows the HUD income eligibility guidelines for low-income people. Persons living in the Housing Authority or under Section 8 will be considered priority during the application period of the grant.

PPI will assist eligible home buyers with one-half of the down

payment, all of the closing costs and home buyer counseling and training. All buyers are required to maintain HUD housing quality standards and occupy the home as their principal residence for a period of fifteen years or until they sell their home, whichever comes first. The homeowners may sell their homes at any time under certain guidelines.

All available homes will be rehabilitated to meet HUD specifications. Financing will be available for eligible persons through conventional lending institutions. Each application must undergo strict eligibility certification, be reviewed by the Affordable Housing Program Committee and approved for the loan prior to purchase of the home. City and county workers and school employees are encouraged to apply.

Interested persons may contact People for Progress, Inc.'s Affordable Housing Program at 301 W. Arkansas St. in Sweetwater or call (915) 235-8455, ext. 50 or 51, or 1-800-592-7433. Residents of

Mitchell County may call (915) 728-2372 or go by the New Discoveries Daycare Center at 1010 10th St. in Colorado City to set up an appointment. Caseworkers will be in Colorado City on January 19.

No new date set for coach's hearing

A new hearing date for suspended Loraine coach Dan McGhee has not yet been set following two cancelled meetings.

Supt. Gary Buckingham said the regular board meeting of the Loraine ISD was postponed earlier in the week hoping to meet after the McGhee hearing.

McGhee was suspended with pay in early December, 1993 for smoking in a no-smoking area of the Loraine campus. He has also been accused of violating University Interscholastic League rules for failing to send in eligibility forms for four basketball players.

Jerry E. Hall of Abilene

One more sentenced due to First Western dealings

Another participant in the First Western Savings and Loan scandal here has been sentenced in Federal District Court in Dallas.

Jerry E. Hall was sentenced to serve a 5-year term of probation and was ordered to pay a fine of \$250,000.

Hall had pled guilty to a one-count information charging him with conspiring to misapply funds and to make false entries in the books and records of First Western.

According to court documents, Hall was a borrower at First Western from 1986 through 1988. By July, 1987, he had reached and exceeded the legal limit authorized by regulation for "loans to one

borrower" by a single financial institution. Hall then obtained loan funds from the institution by using nominee borrowers to conceal the fact that the loans were in violation of First Western's limit, and that Hall, not the nominees, was the receiver of the loan funds.

He did this knowing that he did not have the financial ability to repay the loans at the time.

The loss to First Western was approximately \$1.6 million.

This case was also handled by Assistant United States Attorney for the Northern District of Texas Jon L. Gant and Fraud Section Senior Trial Attorney Karen L. Taylor.

Cookie sales benefit our local Girl Scouts

Chelsea Jones, experienced cookie seller in Colorado City and one of sixteen counties served by the West Texas Girl Scout Council, was softspoken for this interview, yet boldly approached potential customers in the 1994 Cookie Sale. "Would you like to buy Girl Scout Cookies, would you like a box of Caramel Delites or Thin Mints?" Thin Mints are her favorites so she recommends them highly.

Chelsea is a Junior Girl Scout in Troop 148 of Hutchinson Elementary School. When asked HOW she sells so many boxes, she replied, "At basketball games, door to door sometimes and boothing

with my friends and my Girl Scout Leader, Leslie Jones. My mom helps me carry the boxes around." If asked WHY she sells cookies, "To help my troop get more money." What does her troop do with the money? "We take field trips to learn things, like what to do in case of a fire or how to protect ourselves. Then there are even times we do things like camping, which helps us earn a badge."

Leslie Jones, her mom, believes that Girl Scouts has helped Chelsea to be a good citizen. Chelsea has gained more confidence in herself and in her ability to speak

HEARING

From Page 1

Atkins then said he drove straight to the Chief's office (Police Chief David Montgomery) and told him what had happened. The former officer said that city manager Foster was also in Montgomery's office as was DPS Trooper Kenny Wadsworth and his wife plus Montgomery's wife.

Atkins said he asked Montgomery how he should handle the receipt of the hat and was told "due to the prevailing circumstances - just keep it."

He said he wore the hat while on duty until he was notified from a memo from Foster on December 10, 1993 that western hats could no longer be worn while on duty.

"And then I was fired on Dec. 20," said Atkins.

Heagy questioned Foster about being at the meeting and Foster replied that he didn't remember being there but that didn't mean he wasn't.

City Attorney Tom Rees asked Atkins if he was aware of the Police Department's policy on not accepting gratuities.

Atkins said he was and Rees asked him "why didn't you tell her you could not accept it? When she handed it to you through the window, did you say 'no, I can't accept this' and give it back to her?"

Atkins said he did not and instead went to the Police Department to report the incident.

Rees also asked Atkins if he was absolutely positive that Foster was in the Police Chief's office when he told Montgomery about the hat and Atkins replied, "Yes sir."

Councilman Gary Redwine questioned Atkins on an incident that reportedly occurred on the night of January 14, 1993 at a Colorado High basketball game.

Redwine said Atkins approached him in a manner that was "blatantly arrogant" took the hat off and said "look here Mr. Councilman...look what you bought me."

Redwine said he felt disgraced about the way Atkins approached him that night.

When Atkins was asked by Redwine if he remembered that incident, he replied he did not.

Heagy summed up his approach by stating he felt the city had violated their own personnel policy by not acting on the situation promptly and fairly.

"This will be our position down the road," said the Odessa attorney.

However, any individual may take the course on a voluntary basis and is encouraged to attend regardless of requirements, according to Terry Irwin, Texas Parks & Wildlife Division.

"The course is open to adults and youngsters and will include instruction in rifle, shotgun, handgun and primitive sporting arms

handling and safety; outdoor responsibility and ethics; laws and regulations, wildlife conservation and identification, hunting traditions, field care of game and wilderness first aid and survival," Hale added.

The minimum age of certification is 12 years. Students 12 years of age or older successfully completing the course will be issued a hunter education certificate from the Texas Parks & Wildlife Department. Those less than 12 years of age will receive a certificate of attendance but must take the course again after turning 12 for proper certification. The course cost is \$5. Pre-registration is required.

Nearly 350,000 Texans have already completed the hunter education course, which is mandatory in 47 other states.

For more information, contact Boyce Hale at (915) 267-6957 or the Texas Parks & Wildlife Department's Hunter Education section in Austin at 1-800-253-4536 or at 512-389-4999.

Everman's Baptist Women's group hears discussion about AIDS

Virginia Dearen hosted the Susan Everman Baptist Women's Group of the First Baptist Church on Monday night, January 10.

Mae Dunn, group leader, conducted the business meeting and Earline Sellier led the calendar of prayer for missionaries with birthdays on this day. Everyone signed a birthday card for Jo Scaggs, a longtime missionary to Nigeria who now lives in San Angelo.

The complete mission study this month is Facing AIDS with the Compassion of Christ. Jessie Mae Merket directed the night's study. When AIDS Hits Home. A video presentation of Carol Reese's ministry to AIDS patients in Cook County Hospital, Chicago, introduced the study. Mary Lloyd and Catharine Morris gave a dialogue, Myths and Facts about AIDS.

Meet the Gamblers was the next topic, discussed by Betsy Aycock. Susan and Taylor Field, who have an AIDS ministry on the Lower East Side of New York City were compared to the paraboloni (gamblers), a band of Christians in the Middle Ages who risked their lives many times by going into leper colonies and plague-infested cities to help the sick.

LETTER TO THE EDITOR

To the Editor:

The 2nd Annual CISC Science Fair was a howling success, largely because of the hard work put forth by lots of folks. CMS teachers Sonja Hanks, Stacey Blair and Gail Evans organized the fair with assistance from CHS teacher Christie Bonner, Hutchinson teachers Brenda Eades, Carolyn Nitsch and Martha Anderson and Kelley teachers Teresa Lemonds, Brenda Johnson and Renee Marshall.

Facilities were graciously prepared by CISC maintenance crew, headed by James Owens and Margaret Trulock, Wallace Center supervisor. First Baptist Church allowed us to borrow their tables for displaying precious projects.

Prizes to every Pre-K-8 participant were awarded by Dairy Queen and Pizza Hut donated ten buffets to our helpers and senior

high participants. Of course, a special thanks goes to our businesses and organizations who donated \$50 Savings Bonds in special categories: Beta Epsilon Chapter of Delta Kappa Gamma, First National Bank, Colorado City Garden Club, Kiwanis Club, Texas Utilities, Addicted to Aerobics and Caprock Electric, Lone Wolf Division. Dr. Ann McLennan, our PSI facilitator from Region XIV, selected six projects for the PSI Award of Merit.

Publicity and results were covered by KVMC radio and The Colorado RECORD, for which we are deeply indebted.

To judge these projects is not an easy task so we truly thank our volunteers who donated a few hours of their time this week: Charlie McCollum, John Stinson, T.L. Redwine, Bobbie Steakley, Sister

Guadalupe Rodriguez, Pam Alvarez, Darrell Aberegg, Charles Rice, Alfred Lynch, Allen Pharris, Wendell Alford and Dr. Ann McLennan. Thanks also to the following students who helped on the night of the judging: Kristin Morris, Sarah Lawson, Kelly Younger, Adam Wood and Micah Brannon.

A last note of thanks, of course, goes to the parents and teachers who encouraged so many young people to enter the fair. The Science Fair is a superior example of the authentic learning which CISC has chosen as its PSI focus and it proves overwhelmingly that it does "take a whole village to educate a child."

Sincerely
Kitten Arthur

The Colorado City Business and Professional Women's Club met for their regular monthly dinner and business meeting Tuesday, January 11 at 7 p.m. in the Civic Center. The Hostess Committee for

the evening was the Personal Development Committee. This committee consists of Molly Bruce, chairman and Margaret Ann Conaway.

Molly Bruce led the club in the pledge to the American flag and Margaret Oyler spoke the prayer. After the time of prayer, dinner was served to 21 members and 2 guests. Those attending were Virginia Dearen, Donna Laurens, Earline Sellier, Nancy Crow, Eddie Barclay, Anna Staats, Mildred Free, Shirley Bradley, Louise Logsdon, Lovess Curlee, Shirley DeLaney, Velma Moseley, Juanita Schafer, Sharon Truelove, Margaret Oyler, Molly Bruce, Margaret Conaway, Pauline Light, Christine Cooley, Phyllis Lane, Erdine Morgan and 2 guests, Debbie Powell and Mary Rose Bowen.

After the evening meal Molly Bruce introduced the speaker for the evening, Debbie Powell, District Director of District 7. Debbie is from San Angelo and has been a BPW member for 8 years and has

held numerous positions of leadership.

Debbie attended the National convention of BPW in Reno, Nevada last year and she reported to the members many of the events surrounding the conference. Debbie noted that there were 2000 members present, representing 50 states and Puerto Rico. She stated that the keynote speaker for the convention was Anita Hill and she also told of the voting on some of the issues that were confronted at the convention. Debbie reported that the 75th State Convention would be in St. Louis on July 11-13 and that the State Conference would be June 9-12 in Wichita Falls.

After a short break, Lovess Curlee, president, called the business meeting to order. The minutes were approved as printed and the financial statement was approved and would be filed for audit.

Virginia Dearen, chairman of the Club Women of the Year, presented the 1994 Woman of the

Year for the BPW Club. The Woman of the Year for 1994 was Donna Laurens. Donna is employed at the First National Bank and has held many positions within the club.

A letter from the Chamber of Commerce was read to the club. The letter requested that BPW not present a Mitchell County Woman of the Year award at the Chamber banquet. The board made a recommendation that we honor the Chamber's request and not have a Woman of the Year award at the banquet. The motion carried.

The club was adjourned and the meeting was closed with Margaret Ann Conaway leading the club in the collect.

Railroad Commission brings government to the people

The Texas Railroad Commission is having a special program offering the latest information on Commission initiatives for 1994 on Thursday, January 20 in Abilene. Texas Railroad Commissioner Mary Scott Nabers and Commission staff will be on hand to offer suggestions, advice and resources to help Texans doing business with the Texas Railroad Commission.

"Dealing with state agencies can sometimes be confusing," Nabers said. "This meeting offers a rare opportunity to meet face-to-face with government officials from the Texas Railroad Commission."

The Texas Railroad Commission is estimated to impact one out of every five jobs in Texas involved with oil and gas, trucking, propane and natural gas, mining, railroad safety, bus transportation, gas utilities and environmental protection.

The January 20 meeting is free and open to the public. It is scheduled for 5 p.m. to 6:30 p.m. in the upstairs conference room at the Abilene Civic Center. The Railroad Commission will also have a booth open from 9 a.m. to 5 p.m. at the Abilene Civic Center as part of the Capital for a Day activities. Following the Railroad

Commission meeting, Governor Ann W. Richards will host the "Capital For a Day" Town Hall Meeting at the Civic Center.

Varsity Wolves 57

Reagan stomped C-City Tuesday night at the Pit. Coach Claxton wasn't pleased, "Travis Lynch had one of his better games, but we must have production from every player to beat our district opponents. We must become more consistent and play more intelligently," said Varsity's Coach Claxton. Travis Lynch scored 20 points for the Wolves, Seneca Lee had 11, Eric Mays had 8, Daniel Silva scored 7, Robbie Parras had 6, Michael Hoyle with 3 and Lynn Boyd scored 2.

Reagan County 78
Varsity Lady Wolves 44

Reagan County defeated C-City last Tuesday night with a score of 78-44. "Reagan County was very talented with a senior club, ranked 6th in AAA state. They are talented enough to go a long way-the play offs." The Lady Wolves tried hard but they just couldn't seem to keep up. Haggerton scored 10 points for the Lady Wolves, Crawford made 8, McKnight made 7, Moreno and

and a 'move in,' Vanessa Shepherd. The girls are beginning to work well together as a team."

Sweetwater 51
Freshman Wolves 34

Out numbered in players 15-6, the freshman boys played Sweetwater only to be defeated 51-34. "The boys played hard, did a good job and hustled all through the game. They are coming around and playing well," said Coach Baker. "Our boys were very tired by the end of the game, we had only one substitute, and Sweetwater had 10." Quarter score as follows:
 C-City: 9 4 10 11-34
 Sweetwater: 18 11 16 6-51
 John Erwin scored 15, Sammy Gardea had 9, Brad Anderson had 5, Marvin Espinoza scored 4, and Mike Nall scored 1. Their season record is now 1 and 5, while the district record is 1 and 0.

Snyder 46
7th grade Lady Wolves 15

The 7th grade Lady Wolves have seen better days. Both "A" and "B" teams lost against Snyder last Monday night. "I think the girls were tired after three games over the weekend," said Coach Aberegg. "The girls fought hard, but it seemed like nothing went our way. Snyder has extremely tall girls who can get down the floor, and that hurt us. We're going to rest some and get ready for Coahoma." Scores for "A" team Quarter as follows:
 C-City: 2 6 2 5-15
 Snyder: 14 9 19 5-46

The Lady Wolves season record is now 6 and 2. The "B" team also had a difficult time. Coach Aberegg said, "This was their first game after the holidays and we had a really hard time getting down the floor. We are going to have to start playing more aggressively and hustle to win games. I know they can play like this because I've seen them do it." Score by quarter for "B" team as follows:
 C-City: 2 2 0 6-10
 Snyder: 10 8 2 4-24

The "B" team's season record is now 1 and 3. The 7th grade Lady Wolves are playing Coahoma Jan. 17.

Student Honors Teacher

I would like to take this time to honor two very special people. These two people have gone above and beyond their call of duty to make all of my high school years very special. They supported me through my 8th grade year when I had a real hard time and had to move away. Soon into my freshman year I returned only to be welcomed with open arms by these people. During my sophomore year they made it possible for me to go to Austin for State Championship in Keyboarding. Due to their boundless love and support we came home as State Champions. My goals could have never been accomplished without these two people. You will never know the difference and impact you have impressed upon my life. I love you, Mr. and Mrs. Bass Hines.

Thank you,
Misty Mickle
