Mustangs In Bi-District Play Offs With Lockney

Olton Mustangs won the right to represent their district as they downed the Dimmitt Bobcats 28-14 Friday night in a showdown for the district title at Dimmitt.

Olton Mustangs will meet

Lockney at Plainview Saturday night at 7:30 p.m. in Bulldog Stadium. (The stadium had already been reserved by Hart-Petersburg for Friday night)

Olton will be the "home" team and fans will be seated

on the west side.

Tickets are priced at \$3 for adults, and \$1 for students. All tickets are general admission.

Lockney, tied with Tulia and Floydada for their district, won the flip of a coin and the right to represent their district.

Earlier in the season, the

Mustangs met the Lockney Longhorns on their home

field and won 22-6 over the Longhorns.

Radio Announcers Have Wager On Game

Oltonites passing along city streets Sunday afternoon may have difficulty believing their eyes when they spy a masculine figure clad in the uniform of an OHS cheerleader.

Radio KFLP announcers Gibson and Mayberry have a wager with each other on the outcome of the Olton Mustangs-Lockney Longhorns bi-district clash.

Gibson, who's rooting for the Longhorns, will "pay his debt" on a Mustang win by donning the blue and white cheerleader's costume to march along Olton streets carrying a live goat. His parade will begin at 1 p.m. Sunday.

Should the Mustangs be defeated, Mayberry will observe that defeat by similar action in Lockney.

Watch for the cute little cheerleader, folks!

Thanksgiving Services Set

Community-wide Thanksgiving services will be held Sunday evening in the First United Methodist Church. Sponsored by Olton Ministerial Alliance, the services will begin at 6:30 p.m.

The Rev. Richard Cook, pastor of the Church of the Nazarene, will bring the Thanksgiving message. Music will be furnished by combined choirs of participating churches and special music presented by members of the OHS band.

TURKEY FOR EATING AND A WISHBONE FOR PULLING - five-year-old Andrea Peters, daughter of Mr. and Mrs. Don Peters, holds a "king-sized" wishbone and ponders Thanksgiving wish. Across America Thursday, bountiful tables will testify to the untold reasons for all to pause for a time of thanksgiving.

Harold Lloyd Winner In Weekly Grid Contest

An abundance of incorrect predictions plagued Enterprise football guessers this week with all the season leaders suffering similar frustrations.

Harold Lloyd proved to be the best predictor for the week, missing just three games, to claim first place winnings.

Six contestants missed four games each. Young Rob Sivley edged five others in guessing the tie-breaker score. Off five points with a 33-14 pick, he'll receive second place money.

David Turner of Canyon

finishes in third place, missing by six points, with a tie-breaker guess of 22-14. Others who missed four games but were eliminated by their tie-breaker predictions were Winona Trusty, seven points off, 21-14; Mark Williamson, 10, 20-16; Mike Hodges, 18, 16-8; and Jolene Chitwood, 23, 12-7.

Every contestant received at least one correct pick and at least one wrong guess for the week. An error in one contest pitted Ohio State against Penn State rather

Radio Replaced Model T's

A mechanic in the heyday of Model T's and Model A's, Charlie Luster began working with radios in his spare time. He recalls "there were a few V-8's by the time I quit" to take up radio repair as a career.

"Lots of changes," have taken place Charlie says in recalling "about 40 years."

Denton was home for the veteran repairman when he began tinkering with radios. He moved then to Portales, N.M., and it was there he left automobile mechanics in favor of radio. He spent 27 years in Portales before coming to Olton in 1964.

Charlie worked two or three months in the late Warner Lanning's shop and then opened his own shop on Main Street next door to the Chamber of Commerce and Agriculture. Later he moved to larger quarters next door to the drug store.

Luster's TV and Radio moved once again into still more spacious surroundings. He will observe the second anniversary of that move, across the street from the City Hall, the first week of December. The large building has ample space for a wide selection of television and stereo sets plus plenty of room for repair work.

From the early "crystal set," radios have undergone greater changes than many other twentieth century inventions.

Charlie remembers building a three tube regenerative radio set with two B batteries, and one C battery and a car battery. "The old crystal sets could just get one or two stations but I could get stations almost anywhere."

He remembers the improvements radio made when the old six-volt battery and the dry cell battery sets came out. That was an era when many people "saved" their radio power, not wasting valuable battery power for any program except those considered special.

Some of the radio programs considered most popular were "Amos and Andy" and "Grand Ole Opry." And for the housewife, the trials and happening of "Ma Perkins" might be deemed important.

"Radio was quite a mystery itself," Charlie agrees, "but it was really something when a picture could be sent over wires."

Even the most casual observer will agree that the ability to transmit pictures from great distances - even the moon - into the living rooms of ordinary persons is a marvel almost beyond belief.

Perhaps the greatest change the years have brought to radio and television has been the advent of transistors. Earlier black and white television sets had 12 to 15 tubes or more. Color sets had 30 or more tubes. Screen size, Charlie says, made some difference in the number of tubes but that variance was not but five or six tubes.

"There were tubes," he said, "for sound, picture output, and tubes to govern

everything."

Motorola, Charlie says, was first to come out with solid state sets. In 1967, they introduced "Quasar" - the set with "the works in a drawer." Since that time even greater improvements have been made and solid state sets have almost replaced those operated by tube.

Some sets, called hybrids, incorporate both solid state and some tubes. Charlie says he foresees no problem for some time in finding replacement parts for sets prior to the advent of solid state.

Television sets come in an amazing number of screen sizes and in cabinet styling to fit any decor. Color sets, Charlie says, are available in screen sizes of 12, 14, 17, 18, 19, 21, 23 and 25. Probably the most popular size today, he says, is the large 25 inch screen.

An exception to that rule, however, comes with the purchase of "second sets." Those, he says, are usually selected among the 18 or 19 inch portables.

Black and white is still a popular choice, despite the

beauty and naturalness of color. "It's hard to believe," he says, "but this year I've sold a number of black and white sets. Some folks still don't care for color and some feel that color is hard on their eyes."

Black and white sets do not come in as large a range of sizes. Charlie believes the 21 inch set is probably the most demanded size and says the largest screen available in black and white is 23-inch.

Stereo record and tape players have also become big entertainment items, increasing steadily in popularity. Although most companies make a large console combining television, radio and stereo, Charlie says most persons prefer separate units and generally place the stereo in a different room from the TV set.

Radio repair for cars is seldom needed today, Charlie says, primarily because care radios have been solid state for a long time.

"They just don't give you trouble."

Another of the improvements of modern day are the built-in antennas on the new model cars. Definitely, Charlie believes, there may be a similar idea incorporated for future day television.

Installing a television antenna can sometimes pose some difficulty. "I've seen a lot of roofs," Charlie says,

Used Toys Needed

Good, used, repairable small toys are being solicited for the purpose of Christmas distribution.

These toys are being sought for children eight-years-old or younger, many of whom may otherwise be disappointed.

A box will be provided in the Enterprise office to receive contributions. The toys will be picked up and repaired before the holiday season.

Mrs. Ruth Dear Million Miles Safe Award Services Held Given Olton Rural Carrier

Funeral services for Mrs. Mamie Ruth Dear, 75, were held Tuesday Nov. 19, at 2 p.m. in Main Street Church of Christ with minister of the church Milton Caraway and Gary Middlebrook, minister of Springlake Church of Christ, officiating. Interment was in Olton Cemetery under the direction of Parsons Funeral Home.

Mrs. Dear was born Aug. 3, 1899 at Plainview and was married to J.C. Dear at Olton May 22, 1921. She died about 9:30 p.m. Sunday in Littlefield Hospital-Clinic. She was a member of the Baptist Church.

She is survived by her son, J.W. Dear of Springlake, two brothers, Harold Ogden of Amarillo, John B. Ogden of Houston, two sisters, Mrs. Dorothy Phillips of Lake Isabella, Calif., Mrs. Elsie Nix of Corpus Christi; seven grandchildren and one great grandchild and a number of nieces and nephews.

One son, Wilburn Bennett Dear died in 1924. Her husband died Jan. 9, 1968.

Booster Club To Meet Monday Night

Olton Booster Club will meet Monday, Nov. 25, at 7 p.m. in school cafeteria, according to Vernon Britton, president.

Change for this Monday evening was necessitated because of a conflicting basketball game on the regular Tuesday meeting date.

The Monday night meeting will include viewing of Lockney Longhorn-Olton Mustang film, and discussion of future plans.

Arrangements are being made by the organization to give away a shot-gun Dec. 21. Information about the gun may be had by contacting Ray Kinnison, Jess Parker or Britton.

Untold numbers of letters and parcels have reached their destination on rural route one through a genial gentleman, Bailey Hair. Hair was cited by the Oklahoma City District of the United States Postal Service as the recipient of a One Million Mile Safe Driving Award Medallion and certificate. The presentation was made Oct. 26 in Oklahoma City.

One Million Mile Safe Driving Awards were based on the National Safety Council's estimate of 25,000 driving hours as the equivalent of 1,000,000 miles. Although Hair has compiled 25,000 driving hours during his twenty-five years-plus as a rural carrier, which qualified him for the award, he says he has not actually achieved the million mile mark yet.

Prior to his appointment as a rural carrier July 1, 1949, Hair served one year

as acting postmaster and for two years was postmaster of the local office. When he transferred to carrying the mail, rural route one covered 65 miles and included 189 boxes.

"That was when there were lots of 80-acre farmers though," he says.

Today there are 124 boxes along the 85-mile route.

Oklahoma City District, a four-state area, honored 13 rural carriers and 11 city carriers at the awards banquet. A few postmasters, too, received the solid silver medallions, Hair said.

Presentation of the silver medallion was made by Frank M. Sommerkamp, Regional Postmaster General of the United States Postal Service. He also was guest speaker at the banquet.

"I've got the best people on my route there are anywhere," Hair says. "They've really been nice to

me." Patrons along his mail route have been very generous through the years, he says, to share vegetables from their gardens and fields.

"I'd like to see how big a grocery store it would take to hold all the vegetables they've given me through the years. Lots have just told me to help myself when it got ready."

Generous gestures have not all been one-sided giving however. Hair chuckles as he remembers helping one patron out by feeding his dog while he was away on a two-weeks vacation.

"The dog was a little scared of me to begin with," Hair says, "but he got to liking me before it was over."

Unlike letter carriers in cities and town, Hair has never been bitten by a dog while delivering the mail

Salvation Army Drive To Kick-Off Dec. 9

Basil Sherman, Chairman of the Salvation Army in Olton announces plans are now underway for the Salvation Army's annual financial campaign. Named as Co-Campaign Chairmen are Billy Davis and Mrs. George Redinger.

Team captains named to date are: Russell Strain, Don Loafman, Tom Sluder, Andy Stroebel and Robert Sivley. Additional team captains are being selected and will be announced before the campaign gets underway.

Goal for the campaign has been set at \$1,000 and

campaign efforts will begin immediately following a campaign kickoff meeting for all workers on Monday, Dec. 9. This meeting will be held at 9 a.m. at Coachman Restaurant.

Members of the local Salvation Army Committee are: Basil Sherman, C.H. McClure, Alan Brown, Rev. John Lewis, Mrs. A.H. Scivally, Melvin Rape and Elmer Gray. Chairman Sherman stated all the committee wish to express appreciation for the fine support local citizens give each year. We also urge your cooperation and sup-

port in the forthcoming campaign and we hope you will give your fullest support if you are asked to work on the campaign and, of course, we hope each of you will give generously."

"The Salvation Army's committee has been very active this year helping people with real emergency problems," he continued. "We have helped where fire has destroyed a home, assisted with clothing and shoes for school children, provided food and lodging for a number of stranded transients, and have done all the things we could when problems have been brought to our attention. We have also purchased medicine for several elderly persons. All decisions are made by the local committee. There is no "red tape" and decisions and assistance can usually be given in a matter of minutes."

All state services of The Salvation Army are available locally as they are needed and Olton has used a number of them through the years.

Everything But The Kitchen Sin

By Mozelle Trotter

Moderation is a good thing, almost everyone agrees. Why, then, can't I be moderate?

It's a good thing I'm too dumb to get into politics! I could mess up any office but good!

Seems as my calendar turns faster and faster, I get extreme and extreme. (I know it's "more and more extreme" but that doesn't fit my thinking and that's what I'm talking about anyway!)

Halfway seems to be something I'm not! Either I do things poorly and not at all or I'm gung-ho and full speed ahead.

Funny, tho, my clutch seems to be slipping! When it's full speed, seems the hurrier I go, the behinder I get.

Yet on the other side, perhaps I might defend myself a bit with the declaration that when I get a "round tuit" I'm going to accomplish a lot of things! A round tuit is just what I need.

But, as I was saying to begin with, when I get bit by a bug now, I really get bit!

The tropical fish thing - I've told you about that! I'm still racing the other fish for every tiny, little, minute baby guppy that I find in our aquarium oceans - even if I do have 563 (give or take two or three). When I spy a guppy baby, it's grab a net quick, and big fish you'd better watch out!

Okay, that's not new. My latest overboard action is from the sublime to the ridiculous! Me! The horticulture expert who can kill artificial ivy has been smitten by plant fever! Looks like the Trotters are going to have to sacrifice some unimportant piece of furniture (such as the kitchen stove, the washer, a bed or the bath tub) in order not to crowd the fish or the

pot plants! Well, it's almost that I've even made my terrarium. Yes, me, the who can't even place a bloom in a bud vase and make it look as though it belongs! Pride goes before a fall so mine is sure to collapse because I think it's beautiful!

Hm-m-m, surely hope I don't find myself interested in training wild animals or some other such calming hobby!

Mr. and Mrs. J.D. Stamps have a great granddaughter, Rebecca Lynette, daughter of Mr. and Mrs. Ricky Mills of Knox City. She weighed eight pounds four ounces at birth Monday, Nov. 18. Mr. and Mrs. Dee Stamps of Knox City are the grandparents.

FROM ROSWELL
Coach and Mrs. Joe Allen, Scott and Mark of Roswell, N.M., are expected as weekend guests in the home of Mr. and Mrs. R.V. Allcorn and Mrs. C.S. Silcott and as fans of Olton Mustangs at the Lockney clash.

FROM LUBBOCK
Mr. and Mrs. Joe Hoover and Jolissa, of Lubbock, were weekend guests in the home of her parents, Mr. and Mrs. L.W. Howard.

Chamber Maid Sez

By Frances Redinger

When that charming Gill Urquhart was here from London visiting with Dorothy and Dr. Jim, we were all intrigued by her adorable English accent and her most descriptive descriptions.

She admired the town of Olton, its friendly people, our productive farmland, and our good food. She referred to it all as SMASHING!

It has occurred to me that perhaps we don't stop to think how really SMASHING things are around here.

Isn't it SMASHING that we are at last hauling in the harvest?

Isn't it SMASHING that our Mustangs won the District Championship?

Isn't it SMASHING that we have a newspaper that will go to all of the trouble to put out an EXTRA to brag on our team?

Isn't it SMASHING that so many visible improvements are being made in

Olton? Isn't it SMASHING that several serious illnesses among our citizens lately have been discovered not to be as serious as first diagnosed and that Medical Science has the means to make them well?

Isn't it SMASHING that we can have hope...and faith...and love...and really appreciated each other and each others efforts in this fast-turning, ever-changing ole world.

Yes, it's SMASHING to be a part of a community like Olton and to feel the surge of growth and improvement that we are undergoing right now.

So be sure you're on the Band Wagon. Don't be caught standing by feeling left out when one of these days other communities begin to notice and start saying: "Just look at Olton! Isn't it just SMASHING!"

If you tie or tape a stick to a paintbrush before setting it in paint remover, the bristles won't become bent while sitting.

If you have a problem with a chair-leg joint coming out and it's too loose for glue to hold well, do this: Hammer a small wedge into the dowel. As the dowel is forced into the hole the wedge will sink into the dowel and widen it, thus making it hold better. Glue is always a necessity for a joint like this.

If you're trying to put a screw into a hole that's too big, stuff into the hole some wooden matches, or toothpicks broken off to fit and dabbed with glue, and try again.

MRS. LESTER WALKER

Cook Of The Week

Cooking is fun for our Cook of the Week, Mrs. Lester Walker. She shares recipes for two quick and easy but very tasty main dishes plus two others for special treats.

Sharon, a native of Tyler, went to high school in Slaton but had moved to Plainview when she met her future husband, Lester Walker. They worship at the Church of God in Plainview.

In addition to cooking, Sharon also enjoys sewing and reading. Her favorite pastime, however, is caring for their little six-month-old daughter, Leslie.

CITRUS COFFEE CAKE
2 T butter
1/3 c. sugar
1/4 c. coarsely chopped pecans
1 t. lemon juice
1/4 t. cinnamon

1 - 8 oz. pkg. refrigerated buttermilk biscuits
1 T. frozen orange juice concentrated, thawed

Melt butter in 8 x 1 1/2 in. round cake pan. Stir in orange juice concentrate, lemon, sugar, cinnamon and nuts. Top with refrigerated biscuits. Bake at 350° for 25 minutes.

15-MINUTE STROGAN-OFF
1 lb. round steak, 1/4 inch thick
2/3 c. broiled sliced mushrooms, with liquid
1 envelope or can dry onion-soup mix
1 c. dairy sour cream
2 T. all-purpose flour

Trim fat from meat and reserve. Cut meat diagonally across grain in very thin strips. Heat fat in skillet till you have about 3 T melted fat (if necessary, add

butter); remove trimmings. Brown meat.

Add 2/3 c. water and mushrooms. Stir in soup mix. Heat to boiling. Blend sour cream and flour. Add to hot mixture. Cook and stir till mixture thickens. Sauce will be thin. Serve over noodles.

SOUTHERN STEAK BAR-B-Q

1/4 c. soft butter or margarine
2 T. dry mustard
2 t. salt
2 t. sugar
3/4 t. paprika
1/4 t. pepper

2 lbs. 1 inch sirloin steak
1/4 c. olive oil
2 T. Worcestershire sauce
2 T. catsup
3/4 t. sugar
3/4 t. salt

For seasoned butter, mix first 6 ingredients; spread half on side of steak. In large skillet, brown meat buttered side down. As this browns, spread remaining butter over top; turn and brown.

Remove to broiler. For sauce, mix remaining ingredients; add skillet drippings; brush on steak broil 5 inches from heat 5 to 7 minutes on each side, brushing frequently with sauce. Make 6 servings.

MINTED SUNDAY SODA
1 - 10 oz. jar (about 1 c.) mint apple jelly
1/2 c. water
lime sherbet
vanilla ice cream

bottled lemon-lime carbonated beverage, chilled
Combine jelly and water in sauce pan. Cook and stir over low heat till jelly dissolves. Cool, then chill.

Into each chilled 14 ounce glass, pour 3 T. mint jelly syrup. Add spoonful of sherbet or ice cream; stir till melted. Add scoop of vanilla ice cream, then scoop of lime ice cream. Fill with lemon-lime carbonated beverage, pouring carefully down side of glass to save sparkle. Garnish each glass with lime slices and a mint sprig. Note: May use 2 t. of creme-de-menthe in place of mint jelly syrup.

Mrs. Schreier To Host Meet

Mrs. Bessie Hutchinson hosted a recent meeting of Retired and Ex-Teachers of Olton Schools at the Coachman Restaurant.

Six members of the group were present, David Howton and Mmes. Helen Bohner, Royce Aikman, Eldon Franks, Linnie Campbell and the hostess.

Next meeting of the organization to be held Tuesday, Dec. 8, in the home of Mrs. Pearl Schreier, will feature a gift exchange.

Card Of Thanks

We wish to thank friends for every expression of love and sympathy in the loss of our mother and grandmother, Mrs. Dora Haile.

Mr. and Mrs. Houston Haile

Mr. and Mrs. Jimmie Haile

Mrs. Skeet Slagle

Mr. and Mrs. Merrill Brigrance and families

We want to express sincere gratitude to members of the Olton Volunteer Fire Department for their prompt and efficient action Saturday when we had fire at our home.

Mr. and Mrs. George Clark

Fall Flower Arranging Demonstrated For Club

Mrs. Mae Silcott and Mrs. Juanita Adams hosted a Thursday, Nov. 14, meeting of Olton Garden Club. The event was held in Woman's Club House.

Mrs. Patterson To Be Honored

Mrs. Otis Neal Patterson will be honoree Saturday, Nov. 30, at a lullaby gift coffee to be held in the home of Mrs. Raymond Lewis, Hiway 70 West.

Friends and relatives are invited to call between the hours of 10 and 11:30 a.m.

Directing the business session was Mrs. L.G. Elkins, president. Meditation was presented by Mrs. Naomi Cooner.

For the program of the day Mrs. Maud Lambright and Mrs. Elkins displayed and explained the making of several arrangements.

In attendance were members Mmes. Jack Allcorn, Helen Bohner, H.B. Carson, Royce Collins, V.H. Giles, J.G. Estes, Daryl Pinson, Jack Snider, Pearl Schreier, Silcott, Elkins, Cooner, Lambright and Adams and one visitor, Mrs. Roy Montgomery.

Portable Appliances Topic Of Club Study

Mrs. Dorothy Powell, Lamb County Extension Agent, presented a program on the selection and care of portable electric appliances at Tuesday's meeting of Olton Home Demonstration Club.

Hostess for the regularly scheduled meeting was Mrs. Bill Pittillo. Devotional thoughts, "A Joyful Outlook on Life," were shared by Mrs. Melvin Souter.

"My Newest Appliance" was the roll call. Mrs. Alva Kersh, president, presided over a brief business session. A thank you letter was read from the girl the club sponsored at Girlstown. Plans were made for the club's annual family Thanksgiving dinner. The dinner is slated for 7 p.m. Tuesday, Nov. 26 in the PCA party room.

Mrs. Powell asked club members to make personal inventories of their own portable appliances, grading each according to frequent, occasional or seldom use.

Almost every member

reported owning at least a dozen small appliances.

"Make it handy to use," was the advice Mrs. Powell gave members for their appliances. She also introduced a new appliance, a "wok," for Chinese cooking.

She demonstrated fondue cooking and members sampled apple, banana and angel food bites in chocolate sauce.

Cookies, coffee and soft drinks were served to Mmes. Powell, Souter, Kersh, O.T. Crosby, Lester Kennedy, V.O. Harrod, Helen Minarek, Callie Miller, Julia Hoskins, V.J. Trusty, Ross Carty, Ray Gabehart and Miss Ann Warren.

Mrs. Kennedy will be hostess for the December meeting. Designated as the annual Christmas party, gifts will be exchanged and Secret Pals revealed.

SOME FOLKS

"You can't stop some folks from thinking, others can't be started."

Sarah, Lydia SS Classes Observe Thanksgiving

Sarah and Lydia Sunday School classes of First Baptist Church met Tuesday in Hospitality Room of the PCA building for an evening of food and fellowship. Husbands were special guests.

A buffet supper was served. Individual tables featured small arrangements of fall flowers and Thanksgiving decor. Games were played throughout the

social hour.

Attending were Messrs. and Mmes. J.L. Carson Jr., Roy Roberts, Ivan Wozencraft, W.B. Smith Jr., Barton Prestridge, Doyle Pinson, M.G. Fisher, Jim

Hyatt, Witt Laceywell, Roscoe Thomas, H.B. Carson, R.G. DeBerry, and Mmes. R.E. Worley, C.S. Silcott, Jack Estes and Tom Smith.

Mrs. Carson Hosts Thanksgiving Meet

"Let us come before His Presence with thanksgiving" was the thought around which the Monday program of Olton Study Club was built.

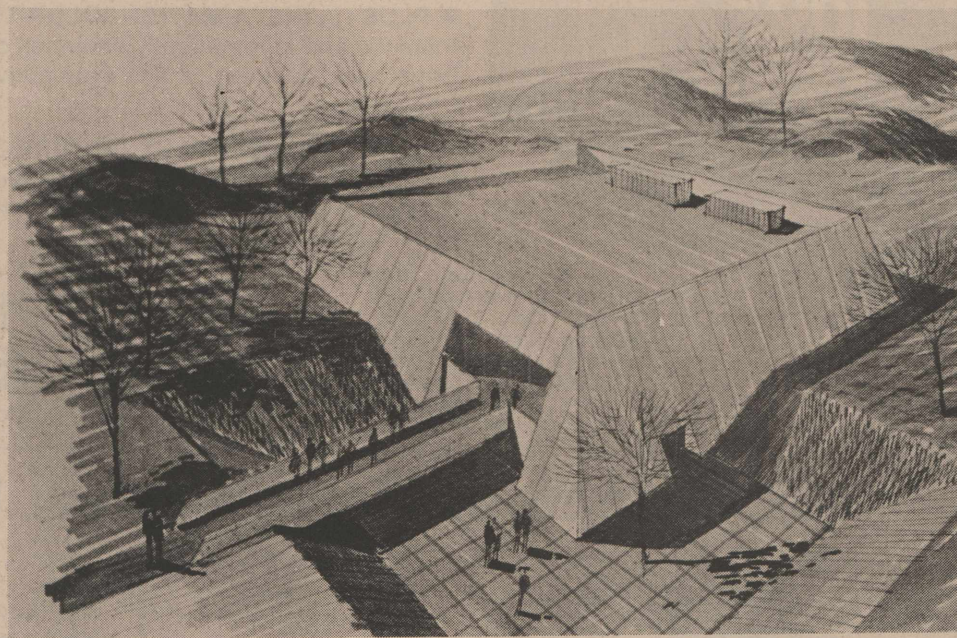

Meeting in the home of Mrs. J.L. Carson, Jr., members each responded to the roll call with "Thoughts on Thanksgiving."

Miss Helen Locke was a special guest.

Members attending were Mmes. Royce Aikman, J.C. Brown, H.B. Carson, Frank Cornelius, Raiford Daniel, J.E. Fuller, D.M. Granbery, Bailey Hair, Glenn Singletary, Jack Straw, Bill Yates and George Redinger.

Servicemen's Addresses Listed For Holiday Mail

With mail deadlines already passing, time for sending parcels to servicemen for Christmas is right at hand. At least one group, United Methodist Women, is seeking the names and addresses of local servicemen to mail cartons of goodies. Listed here are the addresses on file at the Enterprise. If there are names not listed here, please call the newspaper office, 285-2631, and give that information so that all hometown boys may be remembered.

Delivery

Continued from page 1 although he did have one "just missed" attempt.

A few years back when winter weather kept an elderly man on his route from coming into town for groceries, Hair picked up a grocery order from one of the local stores and delivered the needed foods along with the patron's mail.

A little additional help was needed a few years back in order for Hair to deliver a Christmas card. Bearing a California return address, the letter was simply addressed to "Grandpa, Route One, Olton, Texas." Not to be daunted, Hair asked the assistance of the Enterprise in locating the correct grandfather and was able to deliver the important message of love from youngsters so very far from their "Grandpa" - the late Raymond Lyon.

"A lot of my people have had to pull me out of mud holes," he says. He vividly remembers, too, a particularly difficult time back in the 50's.

"I got stuck in a snow drift out by Gerald Allcorn's and it took four tractors to get me out. He started with a little tractor and that wouldn't work and he kept getting bigger and bigger till the fourth one got me out. He pulled me to the pavement and I gave up the rest of the route."

Hair still delivers mail for five or six of his original patrons. A number of others have since moved into town and receive their mail through the office.

It is interesting to note that when he began his rural mail carrying, he delivered a phone bill to only one patron.

The certificate of appreciation Hair received along with the silver medallion will join other treasured keepsakes such as his certificate of appointment signed by President Harry S. Truman.

Mrs. Hair was also recognized at the banquet and presented with a pretty lapel pin as "the woman behind a good man."

Hair said he acknowledged that truth with the admission, "Naomi is the one who's had to get me up and get me off to work."

Mr. and Mrs. Hair were accompanied at the banquet by a son and daughter-in-law, Mr. and Mrs. Billy Hair of Blanchard, Okla.

Students Aid World Needs

By Lily May Silcott
Ninety-five students in three fifth grade classes of H.P. Webb Elementary School have exemplified the spirit of giving. From thankful hearts they have done what they could to help meet the world's hunger needs.

Students in the reading class of Mrs. Jane Spain were given insight into conditions of some of the world's hungry people by a picture and story in "My Weekly Reader," a child's news issue of world affairs.

The story was read the week before Halloween. Saddened, but captivated, by the thin, wasted bodies pictured in the "Reader," Mrs. Spain said the children kept turning back to study the emaciated figures pictured until one finally asked, "What can we do about it?"

Jessie Gamboa, who lives with his uncle and aunt, Mr. and Mrs. Luis Luera, was first to suggest "We could send them some money. I have some that I don't have to have, I'll put it in!"

Jessie's gift of money was the first to be placed in a convenient Jack-O-Lantern on Mrs. Spain's desk. Other students eagerly added pennies, nickels and dimes. Each day the popular jack-o-lantern was emptied, the money counted and sum total placed on the black-board.

The teacher, familiar with policies of World Vision International, a non-denominational organization based in Pasadena, Calif., told them of a Family Survival Kit which could be purchased for \$15. Buying of a 'Kit' was readily adopted by the children as a goal. It would include seeds to be planted, some simple tools, food, protein supplement, and vitamins for one family in distress in Bangladesh.

In the other two fifth grades where she teaches

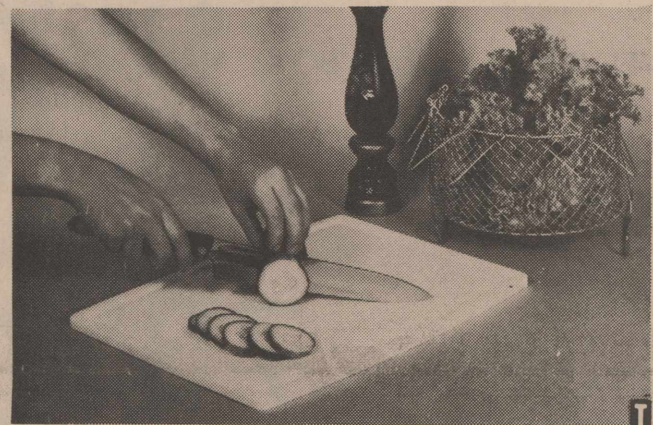

science and health, Mrs. Spain mentioned the project of her home room, and all wanted to join in the effort.

In less than two weeks the little jack-o-lantern had collected \$72...more than enough for four Family Survival Kits. The extra \$12 was sent to an eight-year-old girl, Misford Mankhin, a ward of World Vision in Bangladesh, to be used as a Christmas gift and shared with friends.

The teacher has been swift to point out that the whole thing has been the children's idea and their own effort. She has made no

collection on her own. "One girl brought her piggy bank and emptied it into the jack-o-lantern. Another girl brought her entire summer's savings. Sadly, we had to close the drive before the children were ready to do so, because of the time limit imposed for the sale of Family Survival Kits."

Four dollars more have been brought in since the last gift-check was mailed. Olton's well-fed fifth graders, whose hearts have been touched with concern, are trying to share of their means with those less fortunate.

There's something new in cutting boards—sunshine colors and versatility. Two new cutting and carving boards from Rubbermaid do multiple duty, both in the kitchen and at the serving table. Each board is reversible, with channels on both sides to catch juices and prevent spill-overs.

The larger carving board has circular grooves on one side for rolling out and cutting perfect pie size pie crusts.

Available in orange and yellow, as well as classic white, the boards can go right to the table as serving platters for appetizers, meats, seafood. When not in use, they can be hung on the kitchen wall to add to the decor.

Unlike wooden cutting boards, the new plastic boards resist stains and odors and won't support the growth of bacteria. They're easy to clean, can be washed on the top dishwasher rack and have a molded-in texture for easy, non-slip cut-

ting and chopping. Another feature is the board's "give" so knife edges are not dulled. For easier, more efficient cutting and carving, Rubbermaid offers these tips:

1. Use each knife for its own particular purpose -- a paring knife to peel and pare, a trimmer to slice fruits and vegetables and trim around bones, a French Chef knife for chopping and dicing, for example.
2. When carving meat with a bone, cut around it; hitting the blade will dull or chip the knife edge. Never try to cut through bone.
3. To prevent accidentally cutting fingers, curl fingertips slightly toward the palm of the hand when chopping items, such as onions, celery.
4. Don't use a knife to cut down onto porcelain or glass or to lift bottle caps, tacks or jar lids.
5. Always use a cutting or carving board to prevent damage to cutlery and countertops.

Contest

than the correct opponents, Ohio University. That was credited to all contestants as a correct guess.

The universal miss was the Arkansas-SMU tie game.

Confidence in the Mustangs of Olton High was evident in the contest with only eight persons predicting a victory for Dimmitt.

Charles Didway of Post kept a four-point lead in the season standings and holds 137 correct guesses for the year. Jim Curtsinger of Lubbock is in second place with 133 points. Close back are eight other contestants.

The contest will continue as long as the Mustangs are "in" with a final contest coming out the week following their last game. That means there are at least two contests remaining to be counted and the season standings could yet be changed. No contestant should "give up."

Improvements

hometown can be improved. Maybe you have an idea on ways to attract new persons to the community or bring new industry and business to town. Share your thoughts.

Letters will be read by a panel of out-of-town judges. A winning letter each week will receive a certificate for ten dollars to be spent with any Olton merchant. All winning letters will be considered at the conclusion of the eight-week contest for grand prizes of \$60, \$35 and \$25.

Sponsors of the contest are Production Credit Association, Olton State Bank, Sherman Insurance Agency, Sluder Insurance, Thompson Chevrolet and Olton Grain Coop.

Any one is eligible to enter except sponsors, members of their families and employees of the Enterprise.

Mustangs Win District

Pinch yourselves, folks, it's really true. The Olton Mustangs have won the District 3-AA crown by defeating the Dimmitt Bobcats 28-14. Pinochio, you're a real boy now.

The Mustangs will face the Lockney Longhorns, who won the right to represent District 4-AA via a three-way coin flip.

Your on-the-spot reporters, Bryan Allcorn and Freddy Stockdale, just happened to be there to record all the action. But since our thoughts are centered more around the outcome of the game and celebrating the actual game itself seems more like some kind of wild dream with a happy ending.

We do know that the Mustangs kept the "district title every seven years" streak going, but years and months can't score touchdowns and win games or tosses of the coin, which Olton also won.

The Mustangs received the opening kick-off and started off what was to become a long and mistake-ridden first quarter. On the Mustangs' first four posses-

sions, they turned the ball over four straight times. Two of those turnovers were interceptions and two were fumbles.

Dimmitt could only convert one of the miscues into a touchdown. The PAT was blocked and the score was Dimmitt 6, Olton 0.

Then Olton finally settled down and decided to play football, starting a drive that lasted until Joe Alcorn popped over from the one yard line. Glenn Johnson ran the extras which ended the first half scoring and at the intermission, the score stood Olton 8, Dimmitt 6.

The second half of our dream was mostly Olton as the Mustangs got a few breaks of their own. Jimmy Parker got a one yard touchdown and Glenn Johnson ran one over from the six. Glenn also ran the extras after his touchdown. The scoreboard now read Olton 22 and Dimmitt 8, and all of the great Olton fans started to think "District Championship".

The game was not quite over, however, because the scrappy Bobcats gamely fought back. With just seven

minutes left in the ballgame, the Bobcats scored on a long pass to make it 22-14 and Dimmitt was just a touchdown behind.

They tried to get the ball back with an onside kick, but Paul Almanza made a great recovery and the Mustangs had the ball. After an exchange of possessions, the Mustangs got another penetration to clinch the victory from the 11 to close out the scoring 28-14 in favor of Olton.

Not ones to miss a trick, we decided to get some comments about the game and its outcome.

In a special press conference, Coach Ed Miller gave us the Mustangs' philosophy of success: "We just tightened everything that was loose, and loosened everything that was tight, and let the rough side drag. The outcome of the game can be attributed to the fact that we controlled the ball."

When pressed for a further statement, Miller and the icing on the cake came with two minutes left when Alcorn sprinted home

added, "This sure is fun. Thanks a million!" Mrs. Miller, who has been an inspiration to the team all season could only say, "I'm glad we won." (What else can you say?)

The ever-present philosopher, Coach Jim Rich said, "It was a super effort by everyone. When you've got it, flaunt it! The game reminded me of the story of the one-legged man. (Sorry folks, private joke.)

Other comments:

Coach Buddy Ables: You can't saw wood with a hammer.

Coach Larry Shackelford: If it feels good, do it!

Coach Jerry Wilson: It ain't love, but it ain't bad.

The Cheerleaders: Mission Accomplished!!

We'd like to take this opportunity to speak on behalf of the Olton Mustang football team and thank all of the Cheerleaders who have worked so hard all year. Also, we'd like to thank all of you great fans who have really supported us. Be sure and come out to this week's Bi-District game between Olton and Lockney.

Olton's Mustangs, who were little more than a "dark house" candidate in District 3-AA pre-season, parlayed a tenacious defense and an adequate offense into a district championship.

The Mustangs meet Lockney, District 4-AA's coin-toss winner, at Plainview Saturday in bi-district.

"There were three real good teams in our district this year. It's a shame two of them had to stay home," said Olton's coach Ed Miller in regard to the playoffs.

Miller said he definitely thought the injury to Dimmitt's star runningback, Robert Mayberry, suffered the previous week against Friona, made a difference in the championship game's outcome.

But district statistics released this week prove that the Mustangs - whether through luck or plain hardnose defense - may have won the district title on their defensive skill.

Olton was far and away the top defensive team in the district, allowing just 110.4 yards per ball game and 45.4 yards passing.

Friona allowed less points than anyone - only 51, but the Chiefs ranked second to Olton in the yardage department, some 50 yards per game over the Mustangs' stellar average.

Olton's Glenn Johnson won the district rushing and scoring titles, with 1,483 yards rushing and 116 points for the regular season. Littlefield's Bill Turner was second in the individual rushing department with 1,125 yards, and Dimmitt's Robert Mayberry, who managed just 50 yards against Olton, came in third at 1,086.

Mayberry also was the scoring runnerup with 104 points.

In the team offense department, Dimmitt led, averaging 374 yards per game. The Bobcats were averaging over 400 yards per game until their last two games against Friona and Olton, each of whom held the Bobcats to about half of their average.

Regarding the bi-district game, Miller said he was happy to be playing Lockney, as the Longhorns were a similar team to Olton.

"They are one of the two teams which made over 100 yards rushing against us (144) yards. Floydada was the other. It should be a good game," Miller predicted.

The two teams met early this season on September 20 at Lockney, with Olton winning, 22-6.

Write In The Groove

BRYAN ALLCORN AND FREDDY STOCKDALE

The hurrahs and hurrahs have suddenly arisen in Olton, Texas, with a district football win and a girls basketball win. As most all of you know, the Olton Mustangs won the district championship after defeating the Dimmitt Bobcats 28-14. The Mustangs will battle the Lockney Longhorns tonight at Plainview's Bulldog Stadium for Bi-District honors. Meanwhile the fighting Fillies have a win on their side as they downed Floydada in the neighborhood of 64-55. The girls won district last year and the Whirlettes upset them at Bi-District. This season the Fillies came roaring back and showed a few people "who's da boss!" WE'RE behind you all the way girls! Beat those spooks!!!

We are sure we speak for the whole Mustang team when we say "thanks" to all the supporters who made last week's special edition possible. We'd also like to thank everyone who has been behind us all year. Even the coaches!!! Freshman of the Week - David Johnson

Sophomore of the Week - Steve Johnson
Junior of the Week - Glen Johnson
Senior of the Week - Clarence Johnson
Spook of the Week - Wendell Averyhart
Cheer of the Week - Roll Marble Roll

MD Fund Drive Under Way In Olton

The Muscular Dystrophy Associations of America, Inc. began conducting their annual house to house appeal for funds in Olton Monday, Nov. 18.

Hundreds of thousands of volunteer marchers will join in on a combined effort to raise the money needed to support critical research and patient service programs.

Dystrophy, a tragic disease for which there is as yet no known cure, means an early death for its victims, two thirds of them children.

Your help can bring the precious gift of hope, and perhaps even life itself, to these youngsters.

Join in with other Olton residents to support this campaign and MDAA bring the much-needed comfort to those less fortunate!

Donations made to Mrs. Mary Thompson at the Olton State Bank, campaign treasurer.

Additional Funds Needed For Museum

"The proposed \$700,000 Llano Estacado Museum and Regional Heritage Center promises to be one of the showcase projects of the Bicentennial, not only for the Caprock-Plains region, but also for the state of Texas," according to Dr. Gwin Morris, member of the Llano Estacado Museum Advisory Board and executive director of the American Studies Institute of the Southwest.

A campaign to raise the additional \$100,000 necessary for the museum's construction was launched last week when bids for contractors exceeded previous estimates.

Endorsed by the American Revolution Bicentennial Committee of Plainview, the seventh community to be named a Texas Bicentennial City, the museum is a joint project of the Hale County Historical Society and Wayland Baptist College to build a regional heritage center for this area.

When completed, the building will house office space for the Historical Society, storage and exhibit preparation space, small conference facilities, and exhibit space.

Scheduled for completion in early 1976, the museum will draw visitors to our region as part of the Bicentennial celebration, Dr. Morris said. "Among projects across the state, it will rank as one of the major projects to be completed in honor of the 200th birthday of the United States."

Plans now are being completed for the payment and temporary exhibits which will interpret the heritage of the United States, Texas, the Llano Estacado, and Hale County.

Among these will be special exhibits on the Plainview archeological site and its relation to early man in North America; on the

Comancheros, the middlemen who carried on the lucrative trade between the Indians of the Llano and Mexico; on early Hale County pioneers such as Horatio Graves, Z.T. Maxwell and E.L. Lowe, R.P. Smyth, Thornton Jones, and J.H. Wayland.

There will be exhibits on families such as the Carters, Struves, Lutricks, Smylies, Jones, O'Keefes, Donahoes, Wares, Knights, Whites, Edmonsons, Norfleets, Morrisons, Slatons, and many others; on the communities of Hale County - past and present; and finally on the industries and institutions which have contributed to the development of the area.

There also will be an array of temporary exhibits, Dr. Morris said. These will include traveling exhibits such as the Institute of Texas Cultures' interpretations of the Texas Rangers and the Cowboy. Area artists and their works also will be featured.

Another exhibit - scheduled as a major Bicentennial exhibit - will feature Dr. John Dorman's collection of presidential documents composed of signed document or letter from each president of the United States.

"Completion of the Llano Estacado Museum will be a major achievement for the Caprock-Plains region and the Bicentennial," Dr. Morris said. "It will be an achievement in which every citizen of the region can take pride."

High Price Of Food May Save Our Health

The high cost of food -- particularly products high in saturated fats and cholesterol -- may be a blessing disguised.

That's the view of Dr. Barney Klein of the Lamb County Division of American Heart Association. Dr. Klein said that increased living costs are affecting each and every one of us, but we can turn these high prices to our advantage.

"Ironically, the foods most people like, are the ones they should eat less of," the physician said.

He cited those favorite high saturated fats, high cholesterol foods such as beef, butter, eggs and whole milk, all whose prices have risen over the past few months. Dr. Klein pointed out that animal fat consumed in moderation won't hurt you and the body needs some cholesterol. "But too much of those substances line the arteries, raise the serum cholesterol level in the blood and can lead to atherosclerosis," he said. "These conditions help set the stage for heart attack and stroke."

Dr. Klein said that for years, physicians and nutri-

SUNDAY GUESTS

Sunday dinner guests of Mr. and Mrs. Malcolm Ogletree and Darrell were Mrs. Mary Wilson and Mr. and Mrs. Lewis Kimes, Gwen, Teresa and Mary Lou of Lubbock, Monte Chitwood who is attending West Texas State University and Mrs. J.C. Ogletree and Miss Theo Hackler.

tionists have been cautioning against these foods. "Today's high prices might do," he noted, "what doctors' advice couldn't."

"But that doesn't mean you can't enjoy eating," Dr. Klein added. He cited as "heart healthy" substitutes lean meats, fish and poultry, vegetables, fresh fruit, whole grain and enriched breads and cereals.

He pointed to another heart helping result of inflation. "As gasoline prices go up and Americans are forced to conserve fuel due to the energy crisis, a long neglected mode of transportation might be discovered -- walking."

"Economy-minded Americans who walk instead of ride," he says, "do more than save money. They also lose weight and build body tone -- both of which are important to good health."

THANKSGIVING

SOMETHING TO BE THANKFUL FOR!

How fortunate we are to be living in a land that has been blessed with such great abundance for so many years. As each family gathers around the table this Thanksgiving Day, there'll be choruses of "oohs" and "aahs" over the beautiful turkey Mother has prepared and the bountiful spread before us. When you stop to think about it, we have a lot to be thankful for—let us express our gratitude by attending Thanksgiving Day services at one of the many churches in our community.

A Psalm of Thanksgiving

Make a joyful noise unto the Lord,
all ye lands, Serve the Lord with Gladness:

Come before his presence with
singing. Know ye that the Lord he is God:

It is he that hath made us and not we
ourselves; We are his people and the sheep
of his pasture. Enter into his gates
with thanksgiving.

And into his courts with praise:

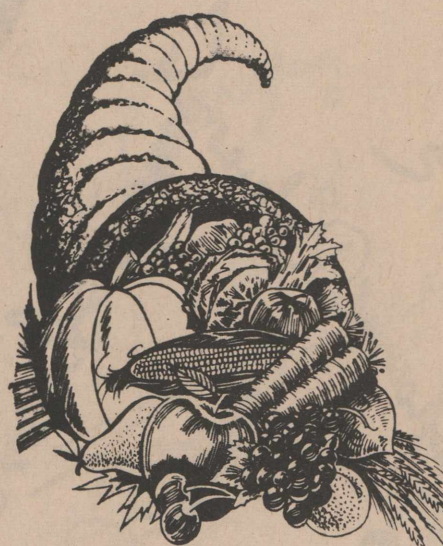

Be thankful unto him and bless his name.

For the Lord is gracious; his mercy is
everlasting; And his truth endureth from
generation to generation

In The Ring

Olton boxers have competed in matches this season at Muleshoe, Hereford, Tulia and Clarendon. We have been treated fairly by all and appreciated the impartiality shown by the judges. Boxing is intended to promote sportsmanship and fair play. We won some matches and we lost some but we had no complaints because the boys were judged according to their performance. Last week we went to a trophy tournament at Levelland. Here's what happened the final evening of the three day tournament.

The first match paired Harvey Rodriguez of Tulia against Bobby Blake of Levelland in the 55 lb. class.

The judges awarded the decision to Blake of Levelland. It appeared to me that Rodriguez won all three rounds and it must have appeared that way to most of the crowd judging from the booing of the decision.

Benny Gomez of Muleshoe won a decision over Robert Martinez of Hereford to take the 60 lb. class.

Alfie Fuentez of Olton displayed his usual style of graceful boxing to take first place trophy over Albert Ontiveros of Muleshoe.

Robert "Killer" Lovato won a decision for the Lubbock team over Robert Saudillo of Tulia to take the 70 lb. division.

Joe Shipley of Levelland was matched against Adam Sandoval of Clovis in the 75 lb. division. It appeared that Sandoval won the decision without any room for doubt. The judges awarded it to their Levelland boy. I think one of the judges was Shipley's father.

Danny Garcia "Dangerous Dan" was matched against a Levelland boy, Bobby Mendez, whom he has beaten twice this year in the 80 lb. class. Danny apparently won by a wider margin than he had on previous occasions but the judges awarded it to Mendez. I thought the announcer had made a mistake and asked to repeat who the winner was. The judges had actually awarded the first place trophy to Mendez with Danny getting the runner-up trophy. This naturally was a bitter disappointment to Danny who has trained religiously all season.

I missed seeing the next two matches but saw most of

the ninth match which had Harvey Ruiz of Lubbock going against Dusty Price of Levelland in the 95 lb. class. Ruiz seemed to be getting the best of the match. The judges awarded it to Price.

Hector Guerrero of Hereford won the 100 lb. class over Allen Harp of Lubbock.

Vicente Guerrero of Hereford won a T.K.O. over Frank Martin of Levelland to take the 105 lb. class in the high school division.

Mike Myrick of Levelland won a decision over Joe Tigerina of Hereford in 112 lb. class. This was a close match and could have gone either way.

David Odom of Clovis won with a T.K.O. over Jackie Williams of Levelland to win 119 lb. class.

Gilbert Perez of Levelland won with a T.K.O. over Robert Buentello of Tulia to take the 125 lb. class.

John Moncado, of Clovis, won the only decision of the evening of a Levelland boxer with a lopsided victory over Chris Hock of Levelland to take the 132 lb. class. The judges received a nice ovation for the decision.

Alfredo Mata of Tulia was unopposed in the 139 lb. weight division.

Knockout artist, Eddie DeLeon of Hereford won with a T.K.O. over tough Jimmy Harris of Clovis to win the 147 lb. weight class. The 156 lb. class pitted

Mark Murphey of Levelland against Skip Witt of Lubbock. This was a real close fight. The judges awarded the decision to Murphey.

Mark Martin of Levelland won an easy decision over Emeterio Avila of San Angelo in the 119 lb. open division.

Donnie Stroud of Levelland won a close fight over Sal Morales of San Angelo to take the 132 lb. open division.

Loy Dominguez took the 139 lb. open trophy over David Sanchez of Lubbock with a T.K.O.

Bob Walter of Lubbock was unopposed in the 147 lb. open class.

Truett Murphey was knocked out in the first round by Gilbert Ybarra of San Angelo to lose the first place trophy in the 156 lb. open division. This is no discredit to Murphey because Ybarra is the great boxer.

The heavy weight fight climaxed an evening of fine boxing with Charles Archer, going against Kyke Boedecker of San Angelo. Arch won with a knock out.

Olton boxers will be competing in matched fights at Lubbock this Saturday night. Other teams competing will be Amarillo, Hereford and Levelland. Boxing begins at 8 p.m. at Chapman Field House.

293=4,665=Thanks To Our Customers

In the last two weeks we've been honoring our long-service employees... 293 of them with a combined service of 4,665 years... and with individual service for periods ranging from five to 45 years.

And this seems like a good time to recognize the confidence that you, our customers, have in our employees and in our Company. We, all of us, appreciate the understanding you have shown in recognizing that, like everything else, our costs of providing electric service have increased... and that makes it necessary to charge more for electricity. Inflation, higher material costs, higher costs of the fuel we use to make electricity... even the higher costs of

borrowing money all account for higher costs of your electric service.

But, so long as we are expected to have electricity ready for you the instant you turn on a switch... to meet your year-around demands for electricity to keep your homes and businesses liveable... then there's just no other way. Increased costs must be reckoned with.

We have good employees... all trying to do the best job they know how, and so it's in order for us all at Southwestern Public Service Company to say, "Thanks," to our customers for their understanding... because your understanding of our problems does make our jobs that much easier.

Olton Wins Bi-District Title

GLEN JOHNSON prepares to flatten a Longhorn in Bi-District play. Johnson finished the night with 131 yards.

Regional Playoffs Set In Amarillo Friday

While the Olton Mustangs were eating after the game, and all of the fans were celebrating in the manner of their choice, representatives of Olton and Spearman were deciding the time and place of their upcoming game for the regional championship. The game will take place at Dick Bivins Stadium in Amarillo at 7:30 p.m. Friday, Nov. 29.

The Mustangs won the right to face Spearman after their decisive 22-6 victory over the Lockney Longhorns last night following last week's 28-14 District Championship win over the Bobcats of Dimmitt.

Spearman earned their

play-off berth by capturing a 50-19 romp over state-ranked Henrietta Friday. In anticipation of Olton's win, the Mustang coaches scouted that Spearman vs. Henrietta contest and came back very impressed with the Lynx (Of Spearman). "They are very quick and very big," commented one of the coaches. "They just pounced on Henrietta before they knew it."

It should be an exciting game folks, so be sure to get out and support the Mustangs on to victory. There was around 4,000 fans at Plainview last night, more than half of which were Olton fans. Again we point out that the town's spirit

and enthusiasm for football is unmatched in West Texas except for the players. You have just been great all year in backing the Mustangs to their first District Championship since 1968, and this first Bi-District Championship

since 1952. As far as we know, Olton has never won a regional contest.

You can help make it happen by being there. That's Dick Bivins Stadium in Amarillo at 7:30 p.m.

Mighty Mustangs Trample Longhorns

Olton Mustangs rightfully representing District 3-AA, came back the second half and ran over the Lockney Longhorns who represented District 4-AA in front of a crowd numbering around 4,000 screaming fans. Just for the record, the score turned out in the exact same form as the last outing between these two teams in the numerical form of 22-6.

After the game, the Mustangs were awarded with a gold trophy signifying their victory, the second such trophy that they have captured this year. The Longhorns were really up for the game and wanted that trophy just as bad as the Mustangs. In the first half, the Longhorns dominated the statistics in every department except for the main one, the scoreboard. Lockney proved to all the witnesses who were at the game that they were qualified to represent their district as well as any one else could have.

As most of you know, the disc jockeys of KFLP in Plainview had a little bet going on concerning Saturday night's game. They have been at each other's throats all week about the game in Bulldog Stadium. I case you haven't heard, Phil (always right) Mayberry took the Olton Mustangs and John (the kidd) Gibson took the Longhorns and the loser had to walk down the winners main street in a cheerleader's suit carrying a goat. All you Mustang fans be sure and come out today around one o'clock and watch the kidd explore the streets of Olton.

Bryan Allcorn boomed the opening kickoff out of the end zone for the Mustangs. On the first play from scrimmage at the Lockney 20 the Longhorns fumbled the pitchout on an end around with Kevin Workman recovering for the Mustangs on Lockney 19.

Mustang quarterback Jimmy Parker lost one yard on first down back to the 20. Second down found Parker picking up eight yards down to the twelve.

Workhorse Glen Johnson got the first down of the night for the Mustangs on third down as he picked up four hard yards to the Horn 8.

Again on first down Parker was thrown for a loss back to the 12. A penalty moved the ball five yards to the Horn five.

Again on first down following the penalty, Parker got one yard to the four.

On second down Glen Johnson busted into the end zone for the first Mustang score of the night. Parker ran the extra points to make it 8-0 with 9:38 remaining in the first period of play.

Allcorn boomed the kickoff deep into Lockney territory with Mark Sherman being downed on the Horn 7. Lockney picked up two first downs aided by the hard running of Danny Foster in moving out to their own 44. Facing the fourth down and one at their own 44, Lockney kicked the ball away with it rolling to the Olton 21.

Parker picked up yardage to the 24. Then Joe Alcorta got five more to the 29. Third down found Alcorta trying again and only getting one yard to the Olton 30.

On fourth down Johnson got the needed yardage for the Mustangs first down. Olton fumbled on first down with Lockney recovering on the Olton 31.

The fired up Longhorns picked up two yards on first down to the Olton 29. Sherman got six yards on the second try to move the ball to the 23. A pitch out on third down was a losing matter with Mark Stroebel dropping the Longhorn runner for a three yard loss back to the 26.

"Old Reliable" J.D. Caudle broke the Longhorns' horns on fourth down by recovering a fumble for the Mustangs at the Olton 37 after a hectic chase of the ball by both teams.

On first down, Parker passed to David Johnson for a Mustang first down at the mid field stripe. Big Brother Glen Johnson then drove for 10 more yards and another Mustang first down at the Lockney 40.

Parker tried another pass only to be dropped for a loss back to the Lockney 48. A penalty moved the ball back into Mustang territory to the Olton 48. Olton called a time out the five seconds remaining in the first quarter of play. On the next play Allcorn booted the ball 38 yards to the Lockney 14. This ended the first quarter of play.

Nine plays and 84 yards later found the Longhorns on the Olton 2. Charles Sterling carried for the Horns as he got the two yards for the touchdown. Trailing 8-6 Lockney elected to try for two to even the game up.

Quarterback Zack Cummings passed to Roland Bennett only to have the pass go incomplete. The

Mustangs now had a 8-6 lead to protect.

The Lockney kickoff bounced into the end zone with Olton putting the ball in play at their own 20. Three plays later Olton was still faced with fourth down and 6 needed for the first down.

Allcorn punted for the Mustangs with the ball rolling dead on the Lockney 48. On first down Olton's Ray Rodriguez recovered another Lockney fumble for the Mustangs on the Lockney 45.

Both teams swapped 5 yard penalties on the next two plays. Olton moved to the Horn 37 before losing the ball to Lockney on downs with 4:16 remaining in the second period of play.

Eleven plays and three first downs later Lockney was knocking on Olton's front door at the Olton 10. With only 21 seconds remaining in the half Lockney threw an incomplete pass and in doing so drew a 5 yard penalty moving the ball out to the Olton 15.

With time running out the Longhorns lined up to try for the go ahead points with a field goal try. It would have been a 32 yard try for points except that Olton's too tall Greg Gregory got in the way of the ball knocking it back down field with Copenhagen Caudle recovering at the Olton 14.

Olton ran out the remaining seconds on the clock to finish the half and Lockney.

Lockney was trailing 8-6 at intermission and had outgained Olton in yards 161 to 57.

The third quarter opened with Olton receiving the kickoff and a penalty to put the ball in play at the Olton 10.

The Mustang Show was on the road for real now as the Mustangs came alive and dehorned the Longhorns.

Johnson got 6 to the 16. A penalty moved the ball five more yards to the 21. Another penalty moved it five more to the 26. Parker got one yard to the 27. Johnson picked up five to the 32 for another first down. Alcorta got three to the 35. Johnson picked up 14 behind good blocking to the Olton 49 for another first down.

Second down found Johnson carrying again for 6 yards to the Horn 4. A delay of game penalty moved it back five yards only to have a Lockney player jump off sides before the snap of the ball to give the five yards right back to the Mustangs.

On third down Parker moved to the 37 behind very hard blocking by several teammates for another first down.

Freddy Stockdale raked in a Mustang pass on second down at the Horn 20. This gave the Mustangs a first down at the 20. "Hoss" Johnson bulled his way for six yards to the 14. Parker tried his luck for no gain. Third down found Johnson following Alcorta down to the Horn three for another first down.

Alcorta and Caudle opened a hole and Johnson plowed in for the score. Johnson ran the two extra points to boost the Mustang lead to 16-6.

This Mustang drive covered 90 yards, 15 plays and consumed a little over eight minutes of time.

Allcorn kicked off for the Mustangs. Foster received the ball and started upfield only to have some hard hitting Mustangs separate him and ball with Ricky Smith recovering for the Mustangs at the Lockney 42. Johnson carried for three of the four tries and picked up the first down for the Mustangs at the Horn 29.

Again Johnson was handed the ball only this time the ground got in the way as he lost his footing and fell down at the 29. Second down found Miller calling for Johnson again. He found running room around the right side of the Olton line and galloped down field. Johnson approached the last Lockney defender between him and the goal line. He wiggled but was unable to fake the defender, Roland Bennett from his path. Johnson did his usual trick then, he just lowered his head and plowed into Bennett and fell at the Lockney 12. Bennett was shaken up on the play and took a breather for a few minutes on the side line.

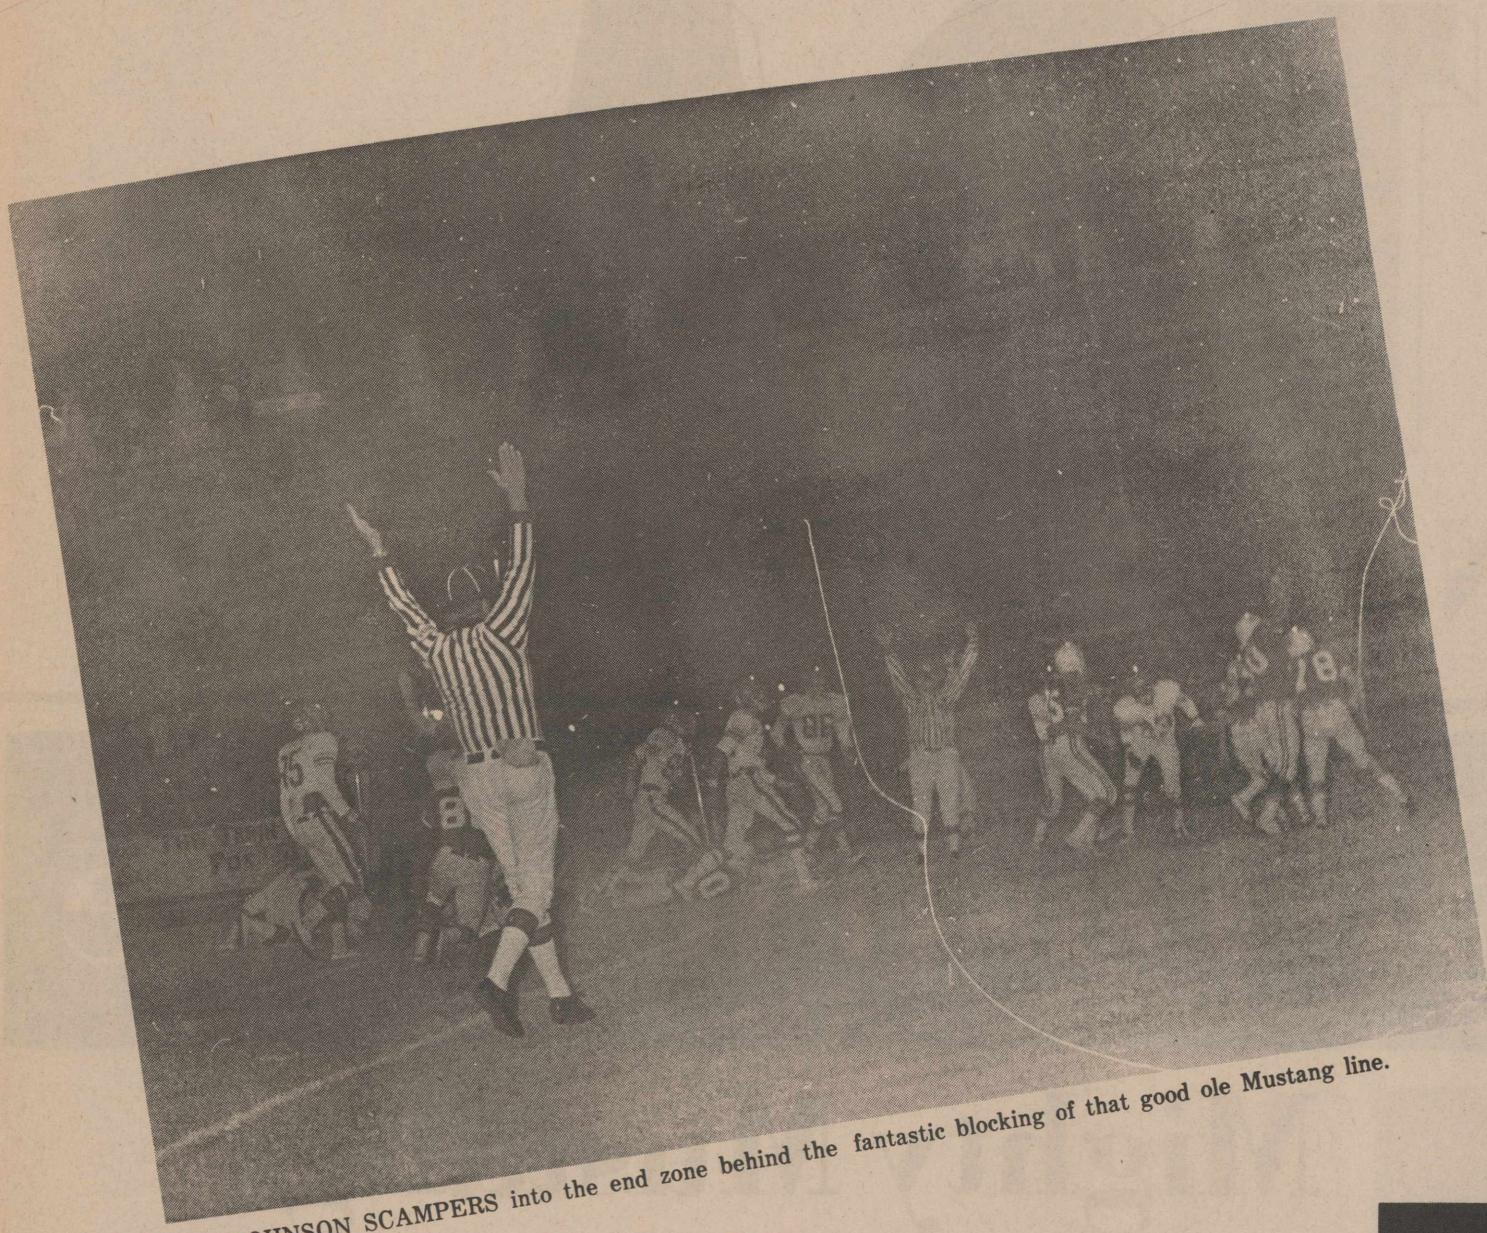

A penalty moved the ball back five yards to the 17. Parker ran for three to the 14; threw an incomplete pass on second down and third down found him passing to David Johnson at the four. Johnson lunged into the end zone for the score to boost the Mustang lead 22-6.

Extra point try failed leaving the score at 22-6. After the kickoff Lockney ran three plays before the quarter ends. Olton had controlled the ball for all but three plays in the third quarter.

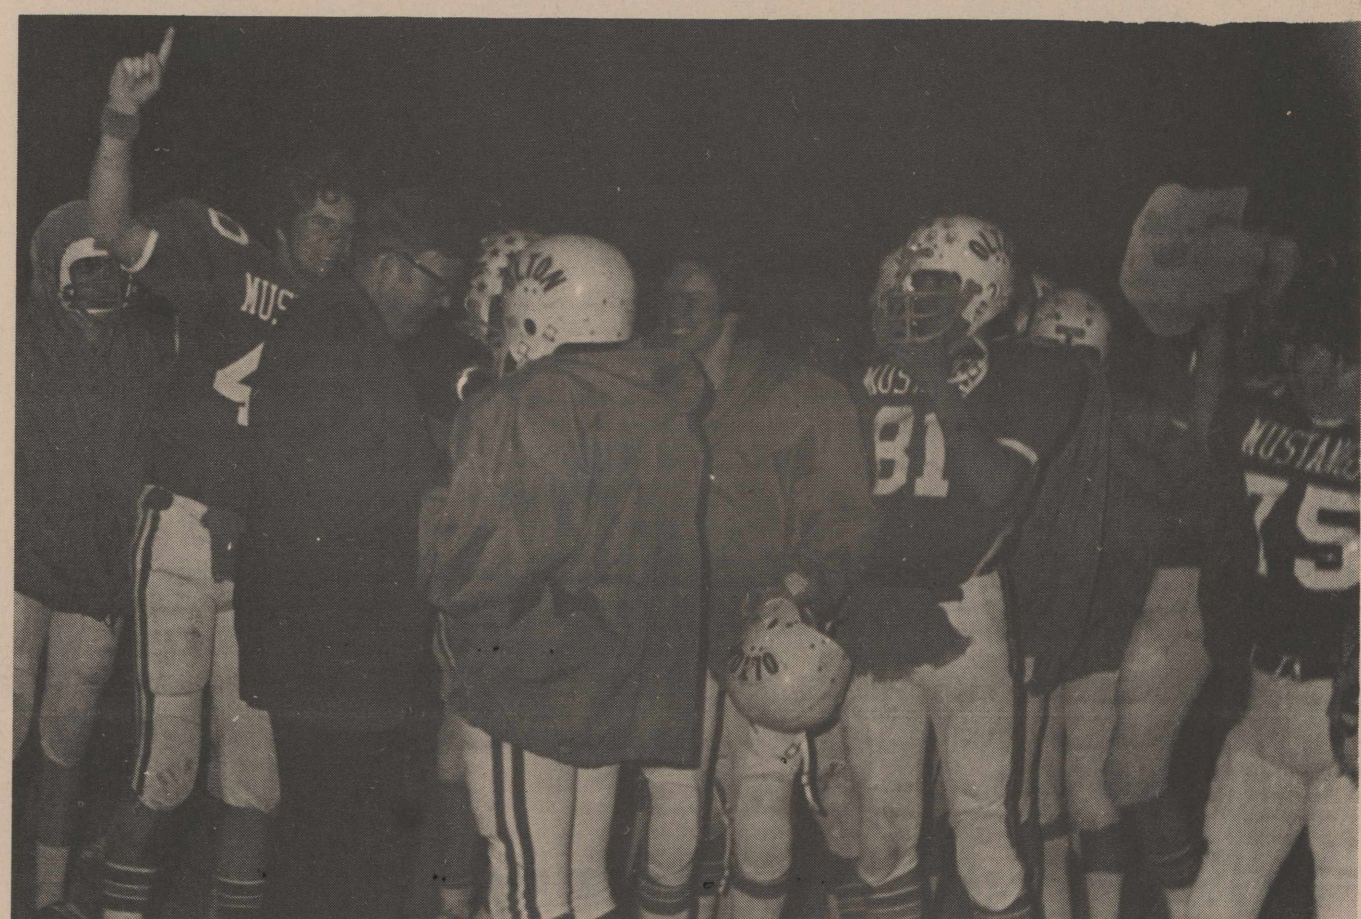

Olton's defense toughened up and didn't allow Lockney another first down or a

chance at the Mustang goal line until the Horns recovered a Mustang fumble at the Olton 25 with 1:22 remaining in the game.

Leslie Gary took this threat away from the Horns as he intercepted a Longhorn pass at the Olton nine with 0:52 seconds remaining in the game. Olton then ran out the clock for the victory.

Olton dominated the second half of play as they controlled the ball for 20:23 out of the 24 minutes of playing time, and ran 42 offensive plays. Lockney used 13 plays and 3:37 of time.

Joe Alcorta gained 48 yards for the night in 11 carries. Glen Johnson carried 27 times for 131 yards, 111 of those yards came in the second half of play.

Looking back on the game, the coaches said that the main turning point occurred at halftime while the bands were on the field. At that time, Lockney held an overwhelming edge in the statistics and had the momentum swinging their way. Coach Miller told the Mustangs that they had to make up their minds to play our game instead of their's. So Olton got back to basic

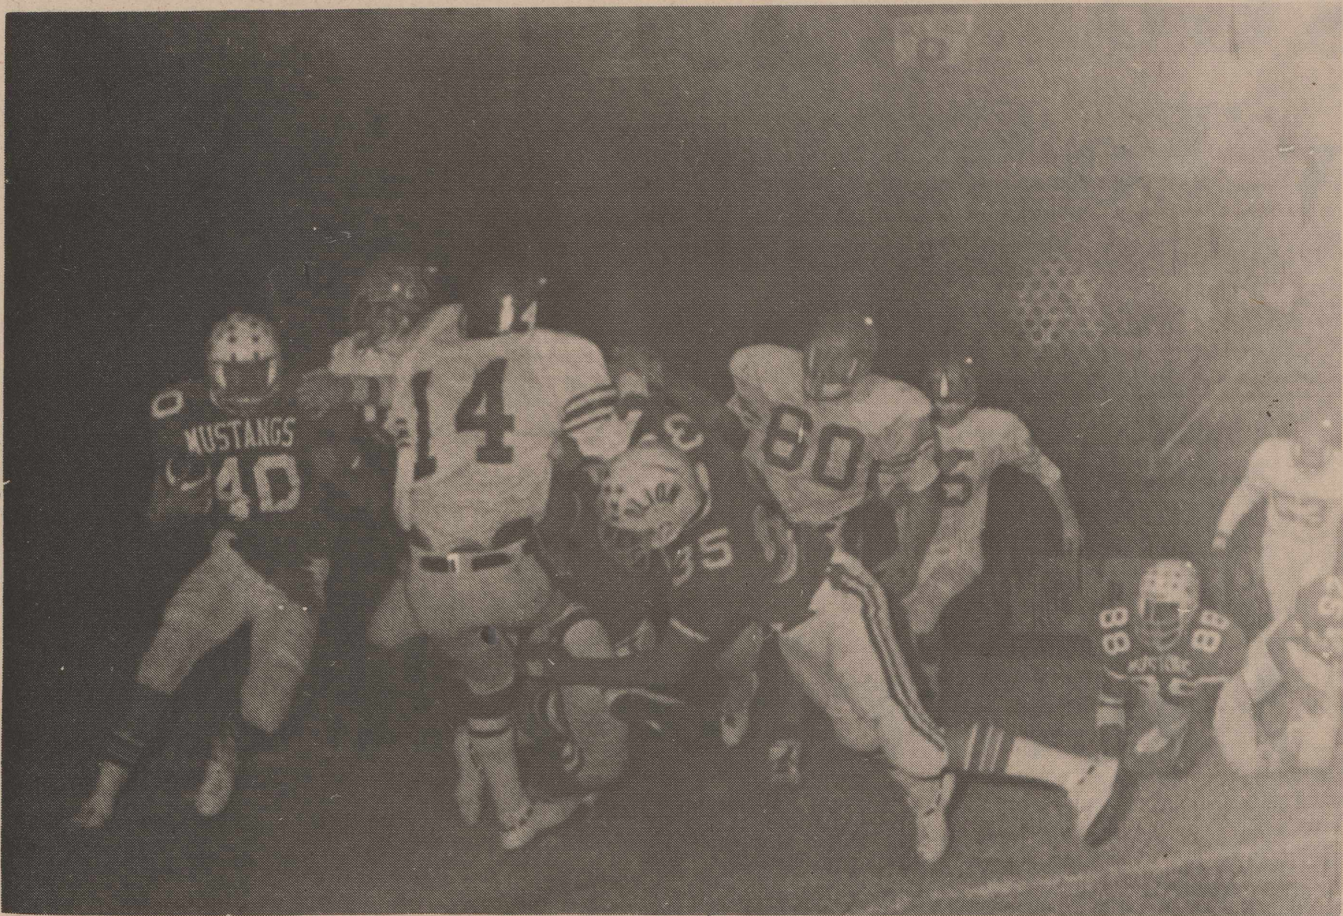

football in the second half and proceeded to use their offense called "Ball Control", to show how good a football team Olton really is.

Two of the bigger plays of the game were David Johnson's touchdown catch of a Jimmy Parker pass for the score that broke their backs, and Leslie Gary's interception in the fading moments of the game to prevent any more scoring in the contest and preserve a 22-6 victory.
