Arellano wins football contest

Manuel Arellano is this week's winner in the RECORD's Jackpot Football Contest.

Arellano, a 25-year-old resident of Colorado City correctly predicted 21 of the 26 games, barely edging out Mae Wiggins who predicted 20 of 26. Mrs. Wiggins won the contest the first week.

Arellano says he has played the contest before, but this is the first time he has won.

For his winnings, he earns a "fast" $25.

County Fair plans underway

Plans for this year's Mitchell County Fair, which will take place September 28 through October 1, are running smoothly, said Chamber of Commerce manager Linda McCombs.

The carnival portion of the fair will begin September 28 with the departments opening on Thursday.

All exhibits will be entered from 7:30 a.m. to 12 noon, September 29. All articles entered for competition must be taken to the department at this time and will not be accepted after noon on Thursday.

Exhibits cannot be picked up until Monday October 3 between the hours of 7:30 and 10 a.m.

"This is my third fair and everything really seems to be running smoothly," McCombs said. "One of our co-chairmen, Ronnie Feaster, really knows what he's doing because he has participated in this throughout the years and Ray Ritchey, our other chairman is doing a good job also.

"I feel things wil be just fine as long as everyone follows the rules and regulations we have set up. We will have a night watchman to stay in the barns to keep an eye on things. What is really helping us is the fact that all the booths are filled. Last year, we still had vacant booths during the fair."

McCombs also said that Saturday night was generally the biggest night and a big turnout is expected.

The chair persons in charge of entries in each division reserves the right to accept or reject the entries, depending upon condition and suitability of the exhibit, she added.

Judging will take place from 1 to 6 p.m. on Thursday. The awards will only be given to worthy exhibits and they will be judged according to merit, with blue, red and white ribbons.

All ribbons and banners will be exhibited on the winning exhibits until the closing hour of the fair on October 3 at 10 a.m.

All items to be judged must have been completed in the past 12 months. The fair barn will be closed from 12 noon to 1 p.m. while department heads set up their products.

This year's fair chairmen are Ronnie Feaster and Ray Ritchey. There will be 12 departments in which people will have to enter their products.

A special event at the fair will be the Colorado City RECORD Bake-Off with Earl and Sheila Plagens serving as chairpersons.

Amendment to affect county

The newly proposed Amendment No. 1 (State amendment), which will be on the November 8 election ballot on Texas' General Election Day, will turn more than the heads of Mitchell County's four justices of the peace.

If the proposed amendment passes, it may be enough to turn their stomachs.

The amendment would authorize counties with a population with 30,000 or less to have fewer justices of the peace and constable precincts. Wichita Falls state senator Ray Farabee said the amendment would save such counties, like Mitchell County, money.

Under the amendment, a county with a population of 30,000 or more may not have less than four or more than eight precincts and a county with a population of 18,000 or more but less than 30,000 may not have less than two or more than five precincts.

A county with a population of less than 18,000 would be designated as a single precinct, unless the commissioners court finds a greater need and divides the county into more than four precincts. Each precinct is required to have one justice of the peace and one constable, and the amendment would call for two justices of the peace in each precinct in which there is a city of 18,000 or more population.

A county would have until January 1, 1987, to comply with the new requirements. The amendment also provides for a transition in office for justices of the peace, constables and commissioners each time their respective precincts are changed.

County Justices of the Peace include Charles Ray Watlington, Precinct 1; Ruby Claxton, Precinct 2 (Westbrook); Mary Lee Moore, Precinct 3 and Joan Merket, Precinct 4 (Loraine).

Mitchell County Judge Bill Carter voiced mixed feelings about the new proposed amendment.

"There is a possibility that the JP (justice of the peace) job could be reduced," Carter said. "It could be advantageous, financial-wise."

However, Carter said if the amendment passes and Mitchell County acts accordingly, someone like the county judge and other county officials would have to take up the additional work.

"In the absence of the JP, a county judge would have to fill in," Carter said. "I just don't know if it (JP number) could be reduced. Personally, from where I stand, there is no need for constables."

The original House author of the amendment is Dudley Harrison of Sanderson, and the Senate sponsor is Bill Sims of San Angelo.

Arguments that have been argued for the amendment are:

1. Many counties do not need as many as four justices of the peace and four constables, and the amendment permits reduction of their number, to be determined locally, to as few as one justice and one constable.

2. The payment of salaries to several justices of the peace and

Suspects arrested in shooting spree

Two suspects have been taken into custody in connection with a rampant shooting that occurred in five different areas of Colorado City early Sunday morning, Colorado City Chief of Police Ed Wheat said.

The shootings occurred from 2:30 and 3 a.m., Sunday. Four residences were shot at and into and one car was also shot, Wheat said.

The C-City Police Department received calls from citizens at 816 E. 12th St.; 1344 Pine St.; 612 Hickory St.; 12th Street and Austin and 301 Santiago St.

A 1975 Buick 4-door automobile, belonging to Sammy Contreras had the drivers' side door, trunk, driver's turn signal and back glass shot out by .22 caliber bullets, Wheat said.

The residence at 12th St. and Austin was fired into; the home at 612 Hickory had two shots

Crafts roundup set for October 8-9

Take 365 real pennies and 97 real dimes and what have you got–$13.35?

Sherman Hart takes one half hours later, he has got an eagle wall sculpture. In the last five or six years he has made about 20 of these beautiful eagles constructed from the coin of the realm.

The United States of America mints six different coins and there's not a one that Sherman hasn't used in some way or other in his metal work–except maybe the nickel–you'll have to ask him about that.

Look for him in the north room of the Ag Barn this October 8 and 9 at the 1983 Railhead Arts and Crafts Roundup. He's in Booth No. 19 on the south wall of that room. The Ag Barn is on West Highway 80 to your left just before you go up the hill. Hours are ten to eight on Saturday and one to six on Sunday.

Sherman is only one of some sixty exhibitors at this year's Roundup. All arts and crafts are represented: painting, ceramics, needlework, woodwork, spinning, leather, lead crystal, stained glass and homemade candy.

For a real thrill, plan on spending some time in the Ag Barn October 8 and 9. Even if you don't buy anything, you can treat yourself to seeing some of the most interesting crafts that exist and talking to some of the best people in the world.

September 26 has been designated as a work day at the fair grounds.

Anyone interested is welcomed to come and help. The booths can be set up and decorated on Tuesday and Wednesday.

Those having booths at the fair are asked to bring their own tables because there will not be enough for everyone.

Amendment

From page 1

several constables when there is not a demonstrated need for them imposes an unnecessary financial burden on county taxpayers.

3. Many counties are currently unable to support four justices of the peace and four constables and are technically in violation of the constitution; reducing the required number of justices and constables will help conform the constitution to actual practice.

Arguments that have been made against the amendment:

1. If the number of justices of the peace and constables is reduced, other judges or county officials may be required to perform some duties of the justice of the peace and constable, and the judicial system and county government are already overburdened with work.

2. People in counties in which the number of justices and constables is reduced will be burdened with longer and more inconvenient trips to receive the services of a justice of the peace or constable.

3. Even if there is a lack of need for more than a few justices of the peace and constables in some areas, that lack does not necessarily bear a reasonable relation to the population requirements for reduction that are set out in the amendment, and the legislature should propose another method of achieving the result.

fired into it, one shot barely missed a young girl in the house.

Six shots were fired at the residence at 1344 Pine St., Wheat said. Three bullets were lodged in the house, two were found in the house's siding and one was lodged in the front door. Two were shot at the home at 816 E. 12th St.

Several witnesses have field statements, Wheat said. But he said he was sure there were more people that witnessed the shootings.

Charges of reckless conduct could be filed against the suspects, Wheat said. The C-City Police Chief said it could be possible that charges of criminal mischief and attempted murder could be filed against the suspects.

The charges had not been filed in the County Attorney's office or the District Attorney's office at the time the RECORD went to press. The RECORD regrets the inconvenience.

BCDC stimulates growth and business expansion

Representatives from the Big Country Development Corporation, which was organized to help communities stimulate growth and expansion of small business, have agreed to visit Colorado City to outline their program, City manager Rick Crowley said Monday.

The corporation is an independently - governed arm of the West Texas Council of Governments. It was formed in 1982 and has recently been certified as a non-profit small business administration (SBA) section 503 company.

The Big Country Developmental Corporation (BCDC) services work to create jobs, increase local tax base, expand small business ownership opportunities and offer improved community services.

The BCDC makes long-term, reduced-interest, fixed-assets financing available to new or existing small businesses.

Small businesses are defined as those with net worth of not more than $6 million and net averaged after-tax profits during the last two years of not more than $2 million.

Ineligible businesses include print media, lending institutions, real estate, or speculative ventures, farms, and non-profit organizations.

Financing is available through BCDC in the form of SBA direct loans for real property, construction, expansion, renovation, and major capital equipment. Loans are not available for inventory, single purpose buildings or operating costs.

BCDC is structured to function directly with private lending institutions. Such lenders typically loan the first 50 percent of the small business project total at prevailing rates and terms (10-year minimum), holding first-year lien position. BCDC then lends 40 percent, up to $500,000 for terms of 15, 20, or 25 years–at a fixed interest rate approximating the Treasury bond rate for like maturities plus ¾ percent at the time of closing, and holds second-lien position. The small business injects the balance of project costs at a minimum of 10 percent.

Interim financing is arranged by the small business to equal BCDC's portion of the project costs. BCDC releases its funds to the interim financing lender at a joint closing upon completion of the project.

As a rule of thumb, one job must be created or retained for every $15,000 loaned by BCDC.

Persons or businesses interested in attending the meeting should contact Rick Crowley at City Hall, 728-3464.

before Justice of the Peace Charles Ray Watlington Sunday morning.

The sheriff's department, along with help from the Texas Highway Patrol and a Mitchell County constable from Precinct 1, made the arrests at 10 p.m. Saturday.

"They had been under surveilance for a short time," Bryant said. "And beside the drugs seized, there was some drug paraphanelia seized also."

The six were charged with possession of less than two ounces of marijuana and another controlled substance. Bond was set at $1,000 for the first offense and $5,000 for the second offense. The persons arrested included Max Howard, 27, of Snyder; Mark Brooks, 23; Debbie Discus, 21; Toni Williams, 18; Sammy Gomez, 22 and John Reyes, 25, all of Colorado City.

The substances confiscated have been sent to a lab in Abilene for testing, Bryant said.

Gomez was also charged for terroristic threats and bond was set at $5,000. He was also charged earlier this year with attempted murder. He was also charged with attempted escape and bond was set at $3,000. Only Gomez and Discus made bond Sunday.

Applications for low-interest housing bonds to be available

Names of the places to apply for the new low-interest housing bonds have been released to local residents can go apply for the bonds.

On August 25, the Texas Housing Agency in Austin approved the issuance of the bonds which totaled approximately $217 million and will be available to first-time home buyers in Texas.

Stan Kantrowitz, General Council for the Texas Housing Agency stated that there are already many applicants, and when people go to apply they should bring the last three years of their tax returns.

Institutions to apply are as follows: Abilene National Bank, All State of Amarillo and First Federal Bank of Amarillo.

In Lubbock, applicants can apply with Lubbock Mortgage and Trust, in San Angelo, Bank of the West and in Midland the places to apply are Midland Mercantile Mortgage Company and Mortgage and Trust. The two places to apply in Odessa are Ryan Mortgage and Trust and Odessa Mercantile Mortgage Company.

This program is designed to help low and moderate low income families purchase homes.

In addition to first time home buyers, persons who have not owned a home in three years are eligible under the mortgage program, according to Earline Jewett, the agency's executive administrator.

The interest on the bonds was set at 10.9 percent, the lowest yet offered in the three year history of the Texas Housing Agency. This compares with a rate of 11.2 percent in 1980 and an interest rate of 13.99 percent in 1982.

A spokesman for the Texas Real Estate Research Center at Texas' A&M University said the bond money could fund about 4,340 mortgages, based on the average sales price of $50,000.

To be eligible for the state-backed loan program, single borrowers must have an adjusted income of $33,000 or less during 1982. Family income must not exceed $42,000.

Kantrowitz stated that there has been more response in the program than expected. Although it is not too late to apply, applicants are urged to hurry and contact one of the institutions where applications can be turned in.

Root Valley Fair Lodge

By PAM JARNAGIN

The county fair, show animals, cotton candy and blue ribbons.

This is first on Mrs. Hazel Jordon's mind as she enters her needle work, this year. Mrs. Jordon is no stranger to blue ribbns, her wall gives testimony to that fact.

Mrs. Birdie Strain is also well acquainted with county fairs and their awards. Mrs. Strain plans to enter the antique division and add toher blue ribbon collection.

The fall of the year and county fair bring back many warm and pleasant memories to some of our residents.

The smell of a horse collar as it comes off the hors after a days work and the family knowing it is time to get ready for the fair. Looking forward to showing their fine work and seeing others.

They remember the taste of spun sugar candy, apple cider and light molasses.

They remember skimming froth from the top of a hot pan of jelly or jam to enter, preparing the best part of the harvest for the coveted blue ribbon. Quilting, crochet and embroidery all boxed and ready to display.

We would like to give a verbal blue ribbon and thanks to Mrs. Cowan and Mrs. Hoover for providing our birthday cakes each month.

Mrs. Nora Wood, Mrs. Bulah Wooddell, Mrs. Mary Jane Baker and Mrs. Iva Giesler celebrated their birthday last Wednesday with one of those special cakes and punch.

We at Root Lodge want everyone to know our residents are all blue ribbon winners with us.

"Dog Fight" slated for Loraine and Miles

It will be the battle of the Bulldogs Friday night in Miles.

Loraine and Miles have one major thing in common, both are still searching for their first win of the 1983 season. The class AA Miles has fallen to Robert Lee 14-0, Bronte 14-8 and Sterling City 31-6. On the other hand Loraine has lost to Irion County 33-6, Robert Lee 27-6 and Water Valley 32-6.

Offense has been the problem for head coach Ubaldo Elguea's Miles squad. They have played relatively stout defense against three tough opponents but has had trouble getting on the board.

Their Power-I and Wing-T attack has been faltering. "Right now we are just trying to score points," stated Elguea. "In our offense we like to sit back and grind it out, but we just haven't been doing it."

The Miles attack is spearheaded by quarterback Paul Kalina, 5-6, 140, who has accumulated 358 yards total offense. He has 158 yards rushing on 23 carries and has completed 12 of 31 passes for 150 yards and one touchdown.

Most of his passes have gone to a host of backs; the Bulldogs use six different runners. Rocky Poehls is the leading receiver with six catches and one TD.

Miles' offensive line is small and young, with only one senior. They average 150 pounds. Elguea credits guard Frank Banks, 5-8, 170 and tackle Allan West, 6-0, 150 as being his most consistent blockers.

In their 5-2 defense, West anchors the alignment at tackle, along with Roger Havlak, 5-7, 135 and linebacker Todd Sehwatner, 5-7, 150.

Strong safety Kalina leads the secondary with two pick-offs. "We hve been playing pretty good defense, but a few big plays hurt us," stated Elguea.

On the ther hand, Loraine has been suffering some "offensive woes" of their own. Turnovers have been a major culprit. Last week, the Bulldogs turned the ball over six times versus Water Valley.

Loraine coach B. D. Trice will be trying to figure out a way to finish the game the way they start out. In all three losses, Loraine started out making things happen.

Versus Irion County, they blocked a kick, against Robert Lee they caused a fumble on the Steers' first possession and last week they started off with a blocked punt.

"In all three football games we have played well the first 10 minutes. Then we make a little mistake and it gets us down and then we make another," Trice said.

Last week, Loraine's biggest offensive asset was linemen turned fullback Ricky Bailey who carried eight times for 40 yards. "For his first game at running back, he ran good and hard," stated Trice of the 198 pounder.

The Loraine coach alsos tated that tightend Jerry Munoz and running back Aundra Rose also played well in spots.

So Miles and Loraine will hookup in a battle to see which team can gain their first mark in the win column, and more than likely it will turn into a real dog fight.

Pack seeks four-in-a-row

It has been 16 years since the Wolves have won their first three games.

Back in 1966 the Wolves won their first three contests before falling to the Brady Bulldogs. The stars of that team were Randy Parker, Dan Steakley and Donnie Higginbotham.

This year's team is off to a 3-0 start and has its own set of "big names" such as Doug Chitsey, Dennis Rivera, Larry Hamilton and Don Randle, to name a few. All of these players were just learning to walk in 1966, and couldn't even pick up a football.

Now the foursome has helped the '83 Wolf Pack pass, catch, throw and tackle to a sparkling start, and will be trying for win number four against the Wylie Bulldogs.

The Wolves will travel to Wylie Friday to face the "aerial minded" Bulldogs under the direction of second year coach Terry Townzen. Last week, Wylie won their first game in seventeen tries with a 22-18 victory over Jim Ned.

But the Bulldogs are not to be taken lightly. In their opening two losses, they were beaten by powerful class AAAA Sweetwater 33-14, and stated ranked AAA Ballinger 37-21. The Bulldogs led both of the games in the early going.

Wylie believes in putting the ball in the air, and they have a good man for the job, Bob Lilljedahl, 6-5, 210 who has compelted 37 of 67 passes for 470 yards and five TD's.

His favorite receiver is Stephen Gray, who lines up "all over the place," said Townzen. Last year, Gray hauled in an amazing 83 passes. This season he has caught 15 passes for 356 yards.

Early transfer Clay Thedford, will also beef up the receiving corps. After missing the first two games because of an injury, he caught three passes for 40 yards versus Jim Ned. He is the fastest man on the squad, said Townzen.

"We have matured a lot from last year," stated Townzen of his 17 returning lettermen. "Especially in the offensive line. We are small, (150 pounds per man), but after a good off-season program, we are strong and quick."

Tackle Jeff Wagner, 6-2, 175 and center Miles Willis, 6-2, 175 are the top blockers.

With their heralded passing attack, opponets tend to overlook the Bulldog running game. They have a "good one" in halfback Todd Redwine who has 225 yards in 28 carries.

"We are going to pass on the Wolves, that is our game. We feel that we can pass on anybody," said Townzen. The Wylie coach said that he was impressed with the play of safeties Dennis Rivera and Armando Rivera and end Raymond Bassinger.

Townzen feels the key to his 5-2 defense is his secondary headed by safety Todd Davis who has picked off three passes.

In three games, the Bulldogs are allowing their opponents approximately 50 yards per game in the air.

Linebacker Dewey Townsend, 5-10, 170, holds things down in the middle averaging 15 tackles per game.

"The key for our defense is to stop Chitsey and Hamilton. They have a much better passing attack than last year. We weren't concerned with their passing game last year, but this year it's much improved," stated Townzen.

The Wolves are coming off a come-from behind victory over Denver City in which their passing attack sparkled.

Chtisey, Rivera and Don Randle had a field day as they combined for 200 yards in the air. For the season, Chitsey is 24-52-556 and six touchdowns.

Rivera and Randle have been on the receiving end of 21 of those passes for 520 yards. Hamilton continues to lead the ground attack with 345 on 55 carries. The Pack's new found aerial attack has left head coach Tom Ramsey "all smiles."

"We are definitely more balanced this year. So many teams have been keying on Hamilton and it is opening up our passing game."

Last week, the Pack had a few injuries and the substitutes came in and did a good job. Middle linebacker Jay Piland suffered a chipped bone in his knee cap and will be out for approximately six weeks.

Cornerback Michael Luera stepped in against Denver City and made 15 tackles. Joey Ritchey replaced Luera at cornerback. Also safety Armando Rivera suffered a slight concussion against Denver City and Bill Jackson filled in for him. Rivera is expected to be ready against Wylie.

Defensive end Randle leads the team in tackles with 40. He is followed by Luera with 36 and Bassinger with 33.

"We will have to be ready to play pass defense. They will give you as many as 36 formations and will put it up a bunch," said Ramsey concerning Wylie's offense. "We will have to put pressure on the quarterback."

Ramsey says in no way is Wylie to be taken lightly. "They have played a super tough non-district schedule. It won't be easy." Townzen says the contest will be hard fought. "It will be a tough, close game," said the Wylie mentor.

Wolves take 1st place in tourney

Evidently the Wolves varsity volleyball team believes in "keeping things right at home."

And that is just what they did at their "Lone Wolf Tournament" as they swept first place in the six team tourney held at Wolf Gym last Saturday.

To earn the first place spot, the Wolf Pack downed Bronte JV 15-12, 15-10 and San Angelo Lake View JV 15-13, 16-14.

In the opening match versus Bronte, the Pack fell behind 4-2, but soon battled back behind the service of Traci Blackwell, and Sherry Fite and Denise Jackson to take an 8-6 lead. From then on they would never trail.

In the second match, it was the serving of Laura Baum that proved fatal to Bronte. Miss Baum scored eight of the Pack's winning points.

In the contest, Blackwell led the team in sets with 23, while Fite, Jackson and Baum all had four kill shots.

In the championship contest versus Lake View, the Wolves had a tougher time with their opponents from San Angelo.

With the score tied 2-2, Lake View reeled off nine consecutive points to take a commanding 11-2 lead. But the Pack fought back as Fite served off five ponts to cut the lead 11-7.

They gradually battled back until the score was tied at 13. Then Baum ended it with two serves to win the first match.

In the second match with the Wolves trailing 8-4, they made their second comeback. Lynn Scott keyed the surge with nine points, including one ace as the "home team" captured the title.

Morris and Blackwell led the team in sets with 20 each. Baum added six kill shots. Scott had two blocks and 14 dinks to lead the squad in that department.

The Wolves junior varsity placed third by defeating Merkel 15-10, 15-13 and losing to Lake View 15-11, 15-4.

Making the All Tournament Team from the varsity were Jackson, Baum and Morris. Jody Huff and Evonne Lujan were selected from the junior varsity.

This Friday and Saturday, varsity coach George Martin will be taking his troops to play in the Key City Volleyball Tourney in Abilene.

It will be lots of tough competition in the 16 team event ranging from class AAAAA Abilene Cooper to Class A Bronte.

The Wolves' first opponent will be Miles at 9 a.m. Saturday.

Spikers defeat Merkel 15-3,15-5

Both the Wolves' seventh and eighth grade volleyball teams downed the Merkel Lady Badgers in Wolf Gym Monday night.

The seventh grade team improved their record to 2-1 with convincing 15-13, 15-5 scores.

In the first match, Mary Reyes started things out and nearly finished them off. She quickly served three points as the Pack took the lead, and later on scored pointed 11-14 as the Pack came from behind.

The Wolves opened up a commanding 8-1 lead behind the service of Reyes, Shelia Monroe, and Danesha Lusk. But Merkel battled back to take a 13-10 lead.

That's when Reyes served four straight points, including an ace to pull the Wolves ahead. Following a side-out, Monroe iced the match with an ace.

The second contest was all C-City as the Pack jumped out to a 5-1 lead behind the serves of Reyes, Monroe, Audrey Weatherley and Amie Arnett.

Merkel tied the contest at 5-5, and the Wolves started to roll. Reyes scored a point and then Monroe went to work on the Lady Badger defense.

She went on to score the remaining six points as the Pack took the victory.

The eighth grade used some good serving and strong defense to down the Lady Badgers 15-2, 15-6.

In the first match, the Wolves disposed of the visitors in less than two minutes. Marie Coronado started things off as her high arching serve accounted for six points.

Misty Strain added two points, and Hilda Rodriquez scored four more and the lead was 12-0. Christy Mitchell and Jennifer Monroe finished things off with the remaining three points.

In the second match, Merkel took a short-lived 1-0 lead. Christabel Molina put the Wolves back on top 3-1.

Later on in the contest with the Wolves leading 5-4, Molina reeled off five hard serves to put the Pack ahead 10-4. The scores were aided by some good hits by Nancy Castillo.

The Wolves ended the contest as Michelle Casey served an ace, and then proceeded to score the remaining four points.

The victory puts the eight grade's record at 2-1 for the year.

Wolves drop in poll despite win

The Colorado City Wolves just can't seem to win for losing these days.

The Wolf Pack, which squeaked by rival Denver City 14-12 last week, dropped down to 40th place in the Harris Rating System. The Wolves were in 35th place before the Denver City game and sported a 148-point rating.

Colorado City, 3-0 for the 1983 season, fell one rating point to 147. Only one district team, the Crane Golden Cranes, are rated higher according to Harris. Crane, which was 40th the week before, moved up to 34th place with a 148-point rating.

Another District 6-3A squad, Ballinger, dropped out of Harris' Class 3A Top 20. The Bearcats, who were rated 15th last week, fell 47 spots to 62. Ballinger upended Brady 14-0 last Friday.

The Wolves will take their undefeated streak to Abilene Wylie Friday night. The Wylie Bulldogs, who are 164th in the state, are a 21-point underdog against the Wolves.

Other District 6-3A teams rated by Harris include the Ozona Lions, 78th place, Sonora, 66th place and Coahoma, 98th.

Also, the Loraine Bulldogs will be looking for their first win of the young football season when they travel to Miles Friday. Loraine, rated 148 in Class A, tangle with the Miles Bulldogs, who are ranked 208th in Class 2A.

In District 6-3A action this week, Crane is a 17-point favorite over Van Horn; Coahoma is favored over Reagan County by two; Class 2A McCamey is picked over Ozona by seven; and Sonora is a solid 10 points over Brady.

The Bearcats, who have been overrated during the first part of the season, according to John Harris of the Harris Rating System, are favored by nine over Coleman.

In District 7-A North Zone play Friday night, Spur is a 12-point favorite over Roby; Winters is favored by 26 over Forsan; Roscoe is favored by 30 over Bangs; the Sands-O'Donnell game is a tossup; and the Klondike-Jayton game was not rated.

Barbeque held at Loraine Senior Center

A barbeque supper was enjoyed at the Loraine Senior Center when they held the regular second Tuesday night program and dinner meeting last week.

Al's at Sweetwater catered the barbeque and beans and members brought salads and desserts.

Mr. and Mrs. Willie Taylor were hosts for the evening and had prepared the program. Mrs. Taylor accompanied on piano and Mr. Taylor played harmonica for several numbers and the Hackfeld sisters, Cindy, Sherry and Jennifer played and sang several numbers providing the good musical program that everyone always enjoys.

A large group enjoyed the evening. If you are not a member of the Loraine Senior Citizens Club, you are invited to join and participate in all the activities that members enjoy, or you are invited as a guest to attend these social and dinner meetings.

City Council discusses landfill

The Loraine City Council met to discuss changing the site of the city landfill at its regular meeting September 13.

The council were informed that the work had been completed on Colorado and Market and Main to Lightfoot Streets. The company of Gross-Schmidt Paving and Dirt Inc. of Big Spring filled chug holes and single-sealed coated the streets.

The company also tore up and relayed Crockett Street from Main Street to Lightfoot Street. They also tore up and layed a coat of caliche on Rector Street from Main Street to Lightfoot Street.

The council further discussed the selling of Lot No. 7 on block 5 of white Business and the east half of block 3-1 to J. O. Sanderson.

However, the topic of discussion was the proposed changing of landfill.

The present site, which is east of town, has been declared a health hazard. The city is working in conjunction with Herchel Williams for a new landfill.

Williams will be responsible for all labor, machinery and land for the landfill. The site will be located one-half mile northeast of the city. The cost will be $18,000 per year per 5-year contract.

Out-of-city-limits residents will be charged a reasonable rate. The site will be open three days a week and dumping will be directed by Williams and his personnel.

The city also recently purchased a new Dodge Diplomat police car at a trade cost of $8,650.

The ordinance, rules and regulations for installing water and sewer lines were also discussed. The set deposit charge was decided at $100.

Is your heating/ cooling system gobbling up too much money?

If electric bills are taking too big a bite out of your budget, consider equipment with a higher energy-efficiency rating. The higher the rating, the less electricity it takes to heat and cool your home. And using less electricity will help hold down your bill.

High-efficiency equipment costs more, but when the equipment qualifies, Texas Electric will give you a *bonus check* to help pay the difference. So if you're planning to install a room unit, or replace central air conditioning or a year-round heat pump, ask your dealer about equipment that qualifies for a bonus check from Texas Electric.

And put money back in your pocket.

WHEREAS, it is deemed necessary to promulgate rules and regulations in order to provide water and sewer services to all citizens of the City of Loraine, Texas; and
WHEREAS, it is necessary to prescribe rates for connecting on to these utility services and institute rules for the collection of revenues for these services; now, therefore,
BE IT ORDAINED BY THE CITY COUNCIL OF LORAINE, TEXAS:
SECTION 1: APPLICATION FOR SERVICES. Written application shall be made to the City upon forms furnished therefor for water or sewer. Such application shall state the name and the address of the applicant, the type of utility service desired, the purposes for which the application is made, and such other information as the City may request.
SECTION 2: UTILITY DEPOSIT.
a. Amount of Deposit. Along with the application for water service, the applicant shall pay to the City a deposit of ONE HUNDRED AND NO/100 DOLLARS ($100.00), this cost to be applied to the cost of a water and sewer tap, however, in the event such deposit becomes insufficient, the required deposit may be increased to conform to necessary costs. In no event, shall such deposit be less than ONE HUNDRED AND NO/100 DOLLARS ($100.00). The cost of the required deposit shall be ONE HUNDRED. AND NO/100 DOLLARS ($100) for water or ONE HUNDRED AND NO/100 DOLLARS ($100.00) for sewer. However, if the customer wishes to have both water and sewer connections, then the cost of this shall be ONE HUNDRED AND NO/100 DOLLARS ($100.00).
b. Refund of Deposit. Any deposit made to the City by any applicant shall be held by the City until such applicant's utility service for which the deposit was made shall be installed. Upon installation of such service, the applicant shall be entitled to have the cost of the deposit applied toward his cost of tying on to the City line for water or sewer.
SECTION 3; CONNECTION AND REPAIR OF SERVICE. The City shall install and maintain all service connections from water mains to the customer's meter within the City, and it shall be unlawful for any other person or persons to repair or renew service pipe from main to meter without prior written approval of the City Council of Loraine.
It shall be unalwful for any plumber or other person, other than the tapper employed by the City Waterworks, to tap any street main, make connection with the street main, or extend service pipe from main; said work to be under exclusive control of the City.
SECTION 4: METERING. Meters shall be required to measure the consumption of water service furnished by the City.
a. Control of Meters. All meters, curb cocks, goosenecks, valves, and meter boxes connected with the City's water main and service pipe, including those furnished at the expense of consumers or property owners, shall remain under direct control of the City.
b. Tampering with Meters. It shall be unlawful for any person other than those authorized by the City to connect, disconnect, move, or tamper with any such meter, or to turn on or off the water at the curb cock, valve, or meter; or to open or tamper with any meter box.
SECTION 5: RATES AND CHARGES FOR SERVICE. The City Council shall fix and approve the rates charged by any privately owned public-utility company doing business within the City. It shall be unlawful for any such public-utility company, or any officer or employee thereof, to assess or charge for services rendered at any rate other than the rate so fixed or approved.
a. Tax Charges. A charge shall be made by the City for each water tap made to the City's water system as follows:
SIZE OF TAP, ¾ inch, charge, $100.00; ¾ inch (additional on-to original by same owner), $100.00; 5/8 inch, $100.00; 1 inch, $100.00.
SECTION 6 LIMITS ON CONNECTIONS: After the application of water service has been filed and the deposit has been made, the City of Loraine shall furnish water and/or sewer service to any business or resident that is within one hundred feet (100') of the main water or sewer line. The customer, however, will be obligated to provide the costs of the water and the sewer tap, with the deposit to be applied to this cost.
SECTION 7: SEVERABILITY: It is hereby declared to be the intention of the City Council that the sections, paragraphs, sentences, clauses, and phrases are separable, and if any phrase, clause, sentence, paragraph or section of this Ordinance shall be declared unconstitutional or invalid by judgment or decree of any Court of competent jurisdiction, such inconstitutionality or invalidity shall not affect any of the remaining clauses, sentences, paragraphs, or sections of this ordinance, since the same would have been enacted by the City Council without the incorporation in this Ordinance of unconstitutional or invalid phrases, clauses, sentences, paragraphs, or sections.

Sept. 18-24 set for Farm Safety Week

President Ronald Reagan has proclaimed the week of September 18-24 as the 40th annual National Farm Safety Week. The week's activities are co-sponsored by the National Safety Council and the U.S. Department of Agriculture.

The President's action reafirms the need for continued efforts to reduce accidents and illnesses in the agricultural community. This year, the week focuses on the protection and safety training of rural children.

Nolen Bird, Safety Officer, for the local Soil Conservation Service wishes to remind you of the dangers of farm machinery and advises you to take extra precautions when operating these machines.

"Back the Pack-wear red and black" contest held at Hutchinson

During the week of Homecoming festivities in Colorado City, Wolf Mania ran rampant all over town.

The students at Hutchinson Elementary were no exception. A contest called "Back the Pack–wear red and black" was held on Friday, September 16 for all the kids to participate in.

The students of each class were to wear red and black and the class having the most students "backing the Pack" won.

There was a tie in the 3rd grade category. Winners were Mrs. Weaver's room and Mrs. Robinson's rooms.

Each winning class received a black and red certificate to proudly display their spirit in the interest shown for the Wolves.
