The Herd Loses to Jacksboro, 17-6, in Semi-Finals

13-1 Season Comes to End

The Semi- Final Bug- a- Boo Friday night turned off Eastland's long haul as the Unstoppable Herd met a little more unmoveable Jacksboro.

History repeats as the Mavericks see their long march stopped at the Semi- Final Gates to the Class AA state title. It was a 13- win record that brought the exalted Herd to the very threshold, only to be turned away by the Powerful Tigers, 17- 6.

Nearly 7,000 fans jammed Kangaroo Stadium in Weatherford to see the frost covered battle between the two giants.

Eastland fans brought their team home with pride knowing they'd been given an extra- good season, and an oh- so- close shot at the crown. It was generally conceded that either team could win on any given night. The Mavericks met a bigger opponent, and one that is no stranger to the playoff pressure. Jacksboro knows and plays the playoff games. It has for years and last won state in 1962.

The Mavericks were beaten by a great team, and advancing from one among 203 AA schools in the state, to be one of four destined for the crown is no small task for any team, and 1971's Mavericks will go down in history as the one that put together the best record, and had the breaks broken a bit differently, it coould have been the team that did.

It was in 1956 that another Maverick squad marched through a less impressive season, advanced to the state semi- final test, to be defeated at that level by a Stinnet team, 50- 22.

The Tigers can thank Ricky Perritt, a sophomore fullback, for their success Friday night. He scored two touchdowns, rushing 85 yards on 15 carries, scoring with 1:31 left in the opening half on a three- yard plunge to cap a 12- play 57- yard march engineered by Quarterback Lee Cook.

Cook kicked the first of two extra points for a 7- 0 Tiger lead.

The Mavericks reduced the deficit to 7- 6 with 2:58 remaining in the third quarter when Randy Rexroat got the six points on a three- yard run, but the Herd failed on the two- point try, when Rexroat was stopped short.

Howard King, the game's leading rusher with 114 yards, on 21 tries, set up Rexroat's TD with a 38- yard scamper.

The Mavericks had another drive going on their next possession but failed to make a first down at the Jacksboro 44 as King was stopped for no gain on a fourth and one.

This set up Perritt's second touchdown of the night as he scored it six plays later on a 25- yard run for a 14- 6 Jacksboro martin early in the fourth quarter. Cook then made it the final count as he kicked a 37- yard field goal with four minutes left in the game for the Tigers, who take a 13- 1 record into the showdown.

Head Coach Shirley Frazier elected to open with Ron McCleskey at quarterback position as Regular- Man Craig Lund nursed a sprained knee, coming in mid- way in the second quarter, but not operating at full speed.

The Maverick season closed with what could well be a record in the total scoring department: the Herd amassed 552 points in 14 games. The three- year win- loss is an incredible 31- 2- 1.

Jacksboro will play Rosebud who upset Hondo Friday night, 30- 7 in the state finals.

The Mavericks relied on off- tackle slants and fullback traps to move the ball on the ground, without Lund's option rollouts.

Jacksboro took the opening kick and drove to the Maverick 19 before a penalty forced a field goal try that fell short.

McCleskey took the Mavericks from their own 20 and powered all the way to the Jacksboro 21 on 14 handoffs and one pitchout. Then, on second down from the 21, a fumble ended Eastland's only threat in the first half.

Late in the third quarter, on their own 30, after a Jacksboro punt, the Mavericks made it to midfield on a 14- yard sprint by Fullback Tony Thomas; then on fourth- and- tow from the 42, King got outside on a slant off right tackle, shrugged off a Tiger defender, at the 35 and drove to the three before being hauled down after a 39- yard gain.

On second down from the two, Lund fooled the defense by faking to King, and pitching to Win back Rexroat, who skipped over free and easy.

The scoreboard clocked stopped in the fourth quarter and Lund took to the airways in a desperate attempt to pull it out.

It was the game that was, and the season that was.

A CHRISTMAS shopping guide - - for the traditionalist.

Nowadays you hear many complain about the trauma of shopping for Christmas: what to get, what size, gift- wrapped or not, mailed in time for the tree, and any number of other confusing things that sometimes makes some wish for the old days when "things were easier." You know, like it was in the olden times when there was less fuss and feathers.

Take for instance the guide of that famous old English carol about the Partridge in the Pear Tree. Let's say for example that we wanted to really "go back in time" and gift our loved one as one is advised in this holiday favorite. The carole leads one to understand that folowing the 12 steps is the ideal way to express one's love.

Doing it on today's market would be interesting to say the least.

Right off, for the First Day of Christmas, where you going to find a pear tree ready to go? Okay, you find one; it's going to set you back, what, $25,, $30? Then there's the partridge to sit in it. Best bet here, is to try the rare game and bird shops, and better make friends there 'cause there's goin' to be some more needs down the line. A good run- of- the- mill partridge no doubt would hit you for what - - $20? Then there's the turtle doves. You'll need two for the second day of Christmas. Maybe you can get 'em for $7.50 each. Don't forget the three French hens; if you can get 'em out of the common market at what - - $25 each?

Don't leave bird- ville yet, there's the four calling birds and maybe a canary would do at say $5 each. (Don't forget some kind of grain to feed this aviary.)

Now to the jeweler for five gold rings, but at eleast you don't have to feed 'em. You'll pick yellow or gold, and each should be maybe what, $10? Depends on how much gold you want to offer.

For the next day, you'll be back at the bird store asking for geese, laying geese. No knowledge on this, but guess you'd pay upwards of $10 for a goose that produces. Take heart. The seventh day calls for seven swans "a 'swimming." $100 a swan? Then something for them to swim in. Maybe a portable pool, at say, what - - $9.95?

But wait for that eighth day - - eight maids a milking. Minimum wage and all, guess you'd better plan on an eight- hour day at $1.60 an hour (until February) - - assuming it's

Stacy Blair Places 3rd In Region Band Event

Tryouts for the All Region Band for this area were held in Ballinger Friday and Saturday. Tryouts began at 3 p.m. on Friday afternoon and lasted to around 9 p.m.

Schools represented at the Meet were Dublin, Ranger, Mason, San Saba, Comanche, Ozona, Hamilton, Cross Plains, Stephenville, Ballinger, Grandbuty, Breckenridge, Brady, Llano DeLeon, Cisco, Eastland, Lampassas, Winters and Brownwood.

From the 300 band students entering the contest, approximately 110 will be selected to play in the All- Region Band.

One student from Eastland High School, Stacy Blair, attended the meet and placed 3rd Chair Cornet in the Band. This entitles Stacy to try out for the Area contest which will be held January 22 in Austin. If Stacy makes the Area Tryouts he will receive a spot in the All State Band.

Pecan Queen

Miss Evelyn Chapman of Eastland, a very pretty 17 year old girl with long brown hair and brown eyes was crowned 1971 Pecan Queen of Eastland County Thursday night in a 2½ hour contest.

Evelyn is a senior at Eastland High School and the daughter of Mrs. Dean Chapman. She was picked from 28 entries and was crowned by Eastland Mayor James Reid.

She will represent Eastland County in the State Pecan Contest later this year.

First runner up was Melinda McCloud, 17, daughter of Judge and Mrs. Austin McCloud of Eastland.

Second runner- up was Sarah Brewer, 17, daughter of Reverand and Mrs. Haston Brewer of Eastland.

Also chosen in the top five girls were Kathy Jones and Becky Jackson also of Eastland.

The selecting of the queen was the first event in the three- day Eastland County Pecan Showheld in the Eastland County Court House.

Judges for the queen contest were Mr. and Mrs. Groner Pitts, Mr. and Mrs. Rodger Sweeney, and J. Harold Steele, all of Brownwood.

The girls all were presented in formal attire and street wear. Each girl gave a 2 minute speech on the Pecan industry.

The queen contest is sponsored each year by the Eastland County Pecan Association and co- sponsored by the Eastland Civic League and Garden Club of Eastland.

Alsup's Fables

by Herman Alsup

Where were you when the game in Weatherford ended Friday night- - in the car trying to get out of the parking lot or in the stands cheering the Mavericks on as they fought until the final whistle?

If you were in your car, you missed seeing the Mavericks congratulate the Jacksboro players and wish them luck against Rosebud next week. Some of our boys even walked the Tiger gridders to the opposite edge of the field before beginning that long walk to their own dressing room.

It is not an easy thing to show such good sportmanship when it means so much to a team to be the victor, and our schools, students, coaches, and teachers should be proud that the Eastland student body has these qualities.

It was also rewarding to see the Eastland Band, cheerleaders, parents, fans, and others who waited outside the dressing room to congratulate the Mavericks on a game well played and to let them know they are still behind them.

A junior Maverick told me in the dressing room to be sure and stock up on film and flashbulbs before next year because they would be there again, and I believe him.

The kind that backs the team only when they are winning or the kind who is there week after week no matter what the outcome.

The kind that likes to have a winning team for personal satisfaction or coffee break bragging or one that know how the boys down on the field feel about winning for their school and town, not only for themselves?

The kind that gives up and goes home when the team is behind orr the kind that stays and cheers them on as they fight to try to catch up?

The kind that only sees a field full of numbers on Friday nights or the kind that sees the players as a team working together and individually on and off the playing field?

What Kind of Fan are YOU?

WE SALUTE YOU 4H Club Members

THE WEATHER

Clear to partly cloudy and warmer Sunday. High Sunday in mid 50's.

Word was received Friday, Dec. 10 that the Court of Civil Appeals of the 11th Supreme Judicial District of Texas has rulled in favor of the Ranger Hospital District.

The case, L. W. Wallace et al Vs. Ranger Hospital District was heard in the Court of Civil Appeals on Friday, Dec. 3, 1971. The case had been appealed from the 91st Judicial District Court of Eastland County which also ruled in favor of the Hospital District.

In their appeal, the appellants, contended that the District Court erred in refusing to grant them a judgement that House Bill 495 of the Texas Legislature is inconstitutional. House Bill 495 created the Ranger Hospital District.

Library of the Month -- Eastland

The Eastland Public Library has a long and colorful history. It all began in 1902 when the Hawthorne Club started a library. The zenith was reached when the library received the Texas Library Association Award for the Outstanding Library Improvement Project for 1959.

In the summer of 1916, the Thursday Afternoon Club was organized from the remnants of the Hawthorne Club and the newly-formed group adopted the library.

During the early years, the library was buffeted about—from Mrs. J. H. Johnson's home to C. U. Connelle's office to the Eastworth Hotel to the Elk's clubroom. "At one time, during the oil boom years, the books were located in the rest room at City Hall, reports Mrs. Cecil Collings, a member of the current Library Committee of the sponsoring organization.

On the 10th anniversary of the Club's takeover (1926), the library was moved into the clubhouse just purchased and, as the library continued to grow, club members took turns keeping it open.

The first paid librarian was Miss Cecilia Hass who served from 1929 to 1958. That summer Mrs. J. C. Whatley, the high school librarian, filled the post. She and the then Library Committee installed new shelving, painted, dusted, rearranged--really giving the library a new look.

In the fall of that year, Mrs. A. E. Cushman became librarian and still holds that position. She has expanded service to include a very successful Children's Reading Program, the Children's Book Corner of classics and other books on school required reading lists, and a collection of newspaper and magazine clippings for student use.

She has increased interest in new books and activities through articles in the newspaper, radio announcements, and, with the help of the Club, posters and special programs during Children's Book Week and National Library Week.

The library has 14,000 volumes. Annual circulation is 5,981--a book turnover of 2.34. The library checks out an average of 12.8 books per hour open. Few small libraries open only 9 hours a week can boast of such accomplishments.

Still owned and operated by the Thursday Afternoon Club, the library also benefits from an annual donation from the City of Eastland, memorial gifts, and various money-making projects.

Now the library is literally bursting at the seams. Books are stacked across windows since all available wall and floor space is filled...and Eastland Public's eye is on the future—they are looking for a larger building and seeking the help of other organizations.

IN 19 YEARS:

Hospital Employees Saluted For 300 Years Faithfulness

Nearly 300 years of total employee service was rewarded at the First Annual Eastland Memorial Hospital Employee Banquet in Eastland Thursday evening.

The 119 employees were especially treated for their faithful service over the years since the hospital opened in 1952 - - with 17 employees. Eastland Memorial will celebrate its 20th anniversary on June 9, next year.

Longest service award pin went to Elenora Wright who was among the original employees.

Guest speaker Virgil T. Seaberry Jr. expressed the appreciation of the entire community and area when he told the employees that "We appreciate each of you." The banquet was held at the Eastland Elementary School and was attended by about 200 persons.

The holiday theme was used throughout in decorations and special entertainment was provided by the choir of the First Baptist Church, N. Seaman St., with Mrs. Vivian Jones, director.

Sharing M.C. duties were Hospital Administrator Leon Musgrove who introduced Attorney Seaberry, and Hespital Business Manager, Mrs. Helga Tiner.

The hospital's consulting and medical staff, and visitors were introduced by Mr. Musgrove.

Seaberry saluted Musgrove in stating that the retired Air Force colonel consented to accepting the administrator's post on a "temporary" basis some ten years ago.

"Our hospital is great because we have dedicated and efficient employees." the speaker said.

The two words that best describe the attitude of E.M.H. employees are friendliness and kindness, he said, and don't ever think people don't appreciate these two qualities.

Eastland Memorial, built by the people of Eastland, "without aid or fuss", is a non-profit, private corporation, that was generated from an idea of the women's clubs way back in 1951. It opened in '52 with 22 beds and was expanded by 18 beds in 1959 when the north wing was added. Again in 1963, another wing with 18 more beds was added.

Hospital Board President Charles Freyschlag stated during the meeting that progress is definitely being made toward another broad expansion program that will, when completed, bring the hospital to 100- plus capacity.

"We are grateful for this hospital," Mr. Seaberry said, "for many reasons, but three stand out: first, of course, is for the good care patients get; secon dly for the good physicians that it has brought to Eastland; and thirdly, from a "chamber of commerce point of view" it's just good business, because it does make Eastland a medical center for this entire area."

Through Thursday, 29,000 patients have been admitted at E.M.H. since its doors opened, and statistics show that of every seven admitted, three are Eastlanders, three are Eastland Countians and the seventh is from outside the county. Employees from outside the county out- number Eastland by one, at 60 and 59, he pointed out.

You can each be proud because regardless of what your job may be, you can take satisfaction in knowing that you are helping people who need help, and that's why we're all grateful to each one of you."

In announcing the new Hospital Service Awards Program, Board President Freyschlag praised the excellent work force, the medical and consulting staffs.

Employees recognized have a combined total of 290 years and three months service.

Service Awards were presented to the following:

Two to four years for a total of 65 years and seven months: Glenda Agnew, Hallie Clark, Pauline Crow, Louise Dorsey, Tiny Duebler, Olita Foster, Lucille Furr, Sonja Henson, Bessy Hill, Ruby Hughes, Jerry Jackson, Ida Jenkins, Ruth McCleskey, Vivian McInroe, Gladys Rhodes, Ruth Reeves, Laverne Simmell, Ina Simpson, Dorthy Wink, Anna Walker, Lydia Warren, Oleta Werley.

Five to nine years for a total of 166 years and five months: Thadia Awalt, Martha Brasher, Ruth Butler, Juline Casey, Jean Cox, Gladys Edwards, Virginia Green, Christene Heights, Rebecca Horton, Earmon Lyles, Elle Lee May, Dorothy Miller, Leon Musgrove, Norene Rourke, Billy Roger, Minnie Scarlett, Oscar Turner, Johnnie Wilson, Luther Woodruff, H.O. Walton, Rosa Waller, Donna Webb, Billy West.

Ten to 14 for a total of 39 years and 3 months; C Christell Gaines, Helga Tiner and Cletis Williamson.

Eleanor Wright, 19 years total.

Invocation was by Mrs. H.J. Bulgerin and benediction was by Dr. M.A. Treadwell Jr.

Patsy Chick and the hospital office staff were in charge of decorations and Peelers, Inc. did the programs.

Other members of the hospital board are Jeff Glazner, vice president; R.P. Haun, Jr., sec.- treasurer; E.E. Layton, Weldon Tankersley, Bruce Pipkin and T.M. Fullen.

71 Employees Share $18,000 VC Bonus

Christmas bonuses totaling $18,000 were presented Wednesday by Victor Cornelius to employees of his theatrical advertising and menu printing firm.

Seventy- one employees benefited from the gift.

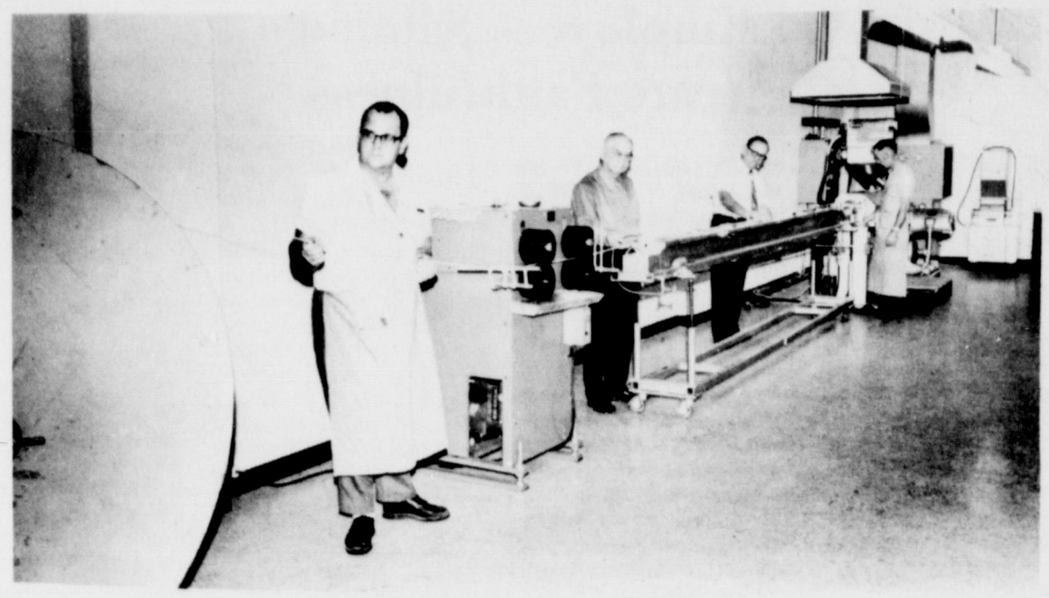

In reviewing the company's business during the past year, Cornelius reported that sale of menus and Redi- Clips continues to increase. Postage spent by the company over the past 12 months reached an all time high in access of $75,000.

Most interesting addition to the plant was the installation last month of a plastic extrusion machine capable of producing 2 million feet of molded plastic per year. The plastic is then cut into $1\frac{3}{4}$ inch lengths which become "Redi-Clips."

Redi- Clips were invented by Cornelius in 1966 for the purpose of attaching daily specials to menus. They are printed in most cases with the name of an advertiser. Approximately 14 million were sold by the company during the past year.

Orders for the clips have been received from Germany, Finland, Iran, Afghanistan, Congo, Colombia, France, England, Thailand, Venezuela, Israel, Tahiti, W. Pakistan, Nicaragua, Ivory Coast, Holland, Norway, San Salvador, Hon Kong, Dominican Republic, Japan, West Pakistan, Neatherland Antilles, and Ireland.

Military installations all over the world are menu customers of the company.

The Eastland County Pecan Bake Show featured many excellent baked items this year. Mrs. J.C. Rogers of Gorman won Reserve Grand Champion with her entry on the cookie division. Pecan Angel Slices were the prize entry.

Mrs. Rogers is a member of the Kokomo Home Demonstration Club and she shares her recipe with us.

PECAN ANGEL SLICES

$\frac{1}{2}$ cup butter
3 eggs
$\frac{1}{4}$ cup white sugar
$1\frac{1}{4}$ cup plus 2 tablespoons sifted all- purposee flour
Salt
$1\frac{1}{2}$ cups brown sugar
$\frac{1}{2}$ cup flaked coconut
1 cup chopped pecans
$\frac{1}{2}$ tsp. baking powder
$1\frac{1}{2}$ cup confectioners' sugar
Lemon juice

Cream butter and white sugar; beat in 1 egg. Combine $1\frac{1}{4}$ cups flour and $\frac{1}{8}$ teaspoon salt and add to creamed mixture in three additions; blend well. Add $\frac{1}{2}$ teaspoon vanilla. Pat dough evenly in 9 x 12 inch pan; bake for 15 minutes at 350 degrees. Beat remaining 2 eggs; add brown sugar, coconut, pecans, remaining flour, baking powder, $\frac{1}{2}$ teaspoon salt and remaining vanilla. Spread over baked crust; continue baking for 25 minutes. Cool. Combine confectioners' sugar with enough lemon juice to make of spreading consistency. Spread icing over cooled baked mixture; cut into bars. An additional $\frac{1}{2}$ cup pecans may be substituted for the coconut, if desired. Yield: 48 bars.

Mrs Yielding Centerpiece Champ

Mrs. Dick Yielding, of Eastland, was the Grand Champion winner of the Centerpiece Division during the annual Pecan Show. Mrs. Yielding entered a cleavor Christmas tree. On the tree were lovely miniature ornaments some of which were pecan slices.

Mrs. Yielding won $10.00 cash prize money for her entry. The Eastland County Pecan Grower's Association sponsors the awards for this division.

Employers and their families alson with Sherry Staggs, Nancy Seaberry, and Lisa Germany decorated the Eastland Manor Nursing Home Monday. The home is decorated very beautifully and a very special "Thanks" goes out to each and everyone that helped. May we the staff of Eastland Manor take this opportunity to invite everyone out of to our home during the holiday season to help brighten the holidays for our residents.

Gene & Shirley Frost
Staff of Eastland Manor

Birthday party for December and Christmas Party will be held Thursday Dec. 23 at 6:00 p.m. in the recreation room of the nursing home. We encourage everyone to attend and make this a large party.

Missionary To Speak Here

G.B. Shelburne, from Namikango Mission near Zomba, Malawi, Africa, will be at the NORTH OSTROM STREET CHURCH OF CHRIST, located at 105 North Ostrom Street, Eastland, Texas, on December 13th, at 7:30 p.m. He will show color slides and report on the work being done there. The slides will feature the Malawi people, their land and culture, and the mission program...Scenic Malawi is one of black Africa's most stable and progressive countries!

Mr. Shelburne has spent ten years in Malawi and is now touring the States telling the story of Namikango.

The main work of the missionaries at Namikango is training Malawian church leaders in Bible and related studies. The missionaries are associated with about 200 African congregations in Southern Malawi.

The mission also does some work in primary education, adult literacy training, and homecrafts. It is hoped that medical service may be added soon.

Bible studies are conducted in various villages during the six- month dry season each year. Other studies and meetings are conducted on the 90- acre mission property at Namikango.

Normally there are two American missionary families stationed at Namikango. The mission is supported by Churches of Christ in various states and is coordinated by the Black Canyon Church of Christ in Phoenix Church of Christ in Phoenix, Arizona.

The public is invited to the slide presentation.

Thursday Club Notes Bible Day

The Thursday Afternoon Club met in the Woman's Club December 2nd to observe Bible Day.

The president, Mrs. J.F. Francis, presided over the business session when the club voted to send a cash donation to the Rehabilitation Center in Abilene.

Mrs. Fred Davenport, program chairman, told of the founding of the American Bible Society and the roll call was given with a favorite verse from the Bible.

Mrs. James Horton gave a splendid review of O.G. Madino's book, the grreatest salesman in the world. This book gives the Apostle Paul the honor as being the greatest salesman; in selling Jesus to the world.

A social hour followed the program when the hospitality committee composed of Mrs. Milner and Mrs. Robertson served Christmas cookies and coffee to the following members: Mesdames, C.L. Bigby, D.L. Childress, Fred Davenport, J.O. Earnest, J.F. Francis, Ben Hamner, Herman Hassell, James Horton, Mareen Johnson, Fred Maxey, Gladys Milner, Guy Patterson, Joseph M. Perkins, Grady Pipkin, E.G. Rice, Floyd Robertson, Charles E. Terrell, E.R. Townsend, Henry VanGeem, and Roy Young.

just ordinary milking and not some skilled craft trade union. Don't forget too, you'll need aa many milk cows and or goats, and cost here depends on a number of factors, but you'll be able to figure those out before you go to the ninth day and come up with nine ladies dancing. Minimum wage again, but here you've got to fugure a professional craft union, and unless you want to present any old dance- hall type dancer, you'd better be prepared to shell out a goodly sum. Now if you go first class and pull in the Bolshie Ballet or the Radio City Rockettes, you can really make an impression. Don't forget music: recorded or live from a single fiddle to a symphonic group, it's not going to be cheap.

Once again, on the tenth day yo can let your conscience be your guide 'cause you've got to come up with ten lords a'leaping. You could take the easy way and engage as many male ballet jumpers or if you're a pure traditionalist you'll have to make arrangements fror the likes of lords real lords - - Snowdon, etc. and that calls for a trip to England, 'cause there's not many lorded ones about here.

Back to the musician unions for the eleventh day for 11 pipers piping. Minimun union, plus something to pipe: make it cheap if you like a pin piccalo or a recorder; your option. Shop for day 12 too, and get your 12 drummers and their necessary drums at the same time: you've got it made now.

You've got it made - - nearly.

It all sounds easy, but if you check the carol close, you'll find that this ix an accumulative thing. You'll find that each new item is added each day AND the previously given items are REPEATED on each successive day, so instead of just two turtle doves you'll actually need 24; 12 pear trees with a partridge therein; 30 French hens; 36 calling birds; 40 golden rings; 42 geese (and they must be laying); 42 swans (a'swimming); 40 maids (a'milking); 36 ladies dancing; 30 lords a'leaping; 22 pipers piping; but only 12 drummers.

NOW REALLY, aren't you glad you can enjoy your Christmas shopping in Eastland this year. By the traditional standards, we've always just thought it was complicated.

Sunday's Subject

Divine protection is always at hand. This is a theme of a Bible Lesson- Sermon entitled "God the Preserver of Man" at Christian Science church services Sunday, December 12.

"The Lord shall preserve thee from all evil: he shall preserve thy soul. The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore," a Scriptural promise states.

Readings from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy explain why this is so. One citation states: "The divine Mind that made man maintains His own image and likeness."

Services in Eastland will begin at 11 a.m. on Dec. 12., in the First Church of Christ Science Building on the corner of Plummer and Lamar.

Randy Steffen Exhibition Set At Cisco Bank

The First National Bank in Cisco announces an exhibition to be held in its lobby next week, Monday through Friday, December 13th - December 17th, of the paintings, sculptures, books and other art forms of Randy Steffen, well-known Western artist and author, who is a former resident of Cisco, and well-remembered by many of its citizens.

His best- known work in these parts is the fine murals that grace the bank's lobby, for which a good many Ciscoans posed as models back in the '50's. Also the smaller paintings of historic guns and gunmen on the walls of the bank.

These will form the background for a collection of the artist's works to be brought to Cisco and displayed throughout the week. On Tuesday, December 14th, Randy Steffen himself will be present all day to greet old feiends and meet new ones, and the bank employees will serve refreshments to all comers. The Mayor of the City of Cisco has declared December 14th "Randy Steffen Day" in Cisco, and it is hoped that a good crowd of art- lovers and old friends will drop in sometime during the day.

Fall Gardening Extends Season

COLLEGE STATION--The skillful home gardener, with some help from the increased rainfall and the lower temperatures of the coming fall months, can plant a fall garden that will be producing nutritious vegetables throughout the winter in most parts of Texas.

There is still time for producing some of the tender warm season vegetables such as summer squash, cucumbers, and green beans in fall gardens, says Dr. John Larsen, Extension horticulturist.

Other crops such as lettuce, beets, turnips, collards, mustard, cabbage, broccoli, cauliflower, and radishes can also make successful fall crops since they require cool weather for best quality. All these crops may be seeded now with the exception of radishes which may not be ready to plant for a while.

In areas ssuch as the high plains, transplants can be obtained to start crops whose ideal planting time might have already passed. Among these crops are broccoli and cauliflower.

Two crops that can actually give higher quality yields in the fall are green beans and fall sweet corn. In most areas of the state when the beans mature with day temperatures lower trhan 80 degrees, they have a low fiber content and have the best quality for canning and freezing. Sweet corn can also be a desirable crop, and it is worth a ttry if there are about 80 days before the average killing frost, Larsen advises.

Probably one of the biggest problems in fall gardening is getting a good emergence of vegetables when seeding is done during hot dry weather. The first step in a method that is usually successful is opening a furrow and irrigating in it after bedding the soil. The irrigation should continue until the soil is well soaked deep into the bed. Seed planted in the moist furrow should be placed at the required depth and a mulch added over the seed to about one fourth of an inch. The rest of the bed may be mulched to three or four inches, if desired.

Fine grass clippings, sawdust, or chopped straw make suitable mulch.

The Pecan Show was a big success. The Bake Show and centerpiece divisions always create interest especially the delicious pecan pies!

EAT MORE PECANS is a bulletin available from the County Home Demonstration Agent's Office free of cost. This bulletin contains excellent pecan recipes. With Christmas just a couple weeks away, I'm sure many of you are in the midst of Christmas baking!

So your husband's favorite season is here again- - - deer season! Here's a hint to improve the flavor and tenderness of deer meat is to marinate it. The marinating of deer meat also reduces the gamey flavor. Many deer eaters prefer to marinate venison from the more mature animals, too. A good marinade is made by combining ¼ part vinegar, ¾ part water, add sugar and seasonings (to preferred taste). Put the meat in the solution and refrigerate for 74 hours or longer. You might like to try spice mixxes now available at the grocery stores.

Christmas time brings visitors to the home, but before the company arrives, the homemaker does some extra cleaning to have the house shining!

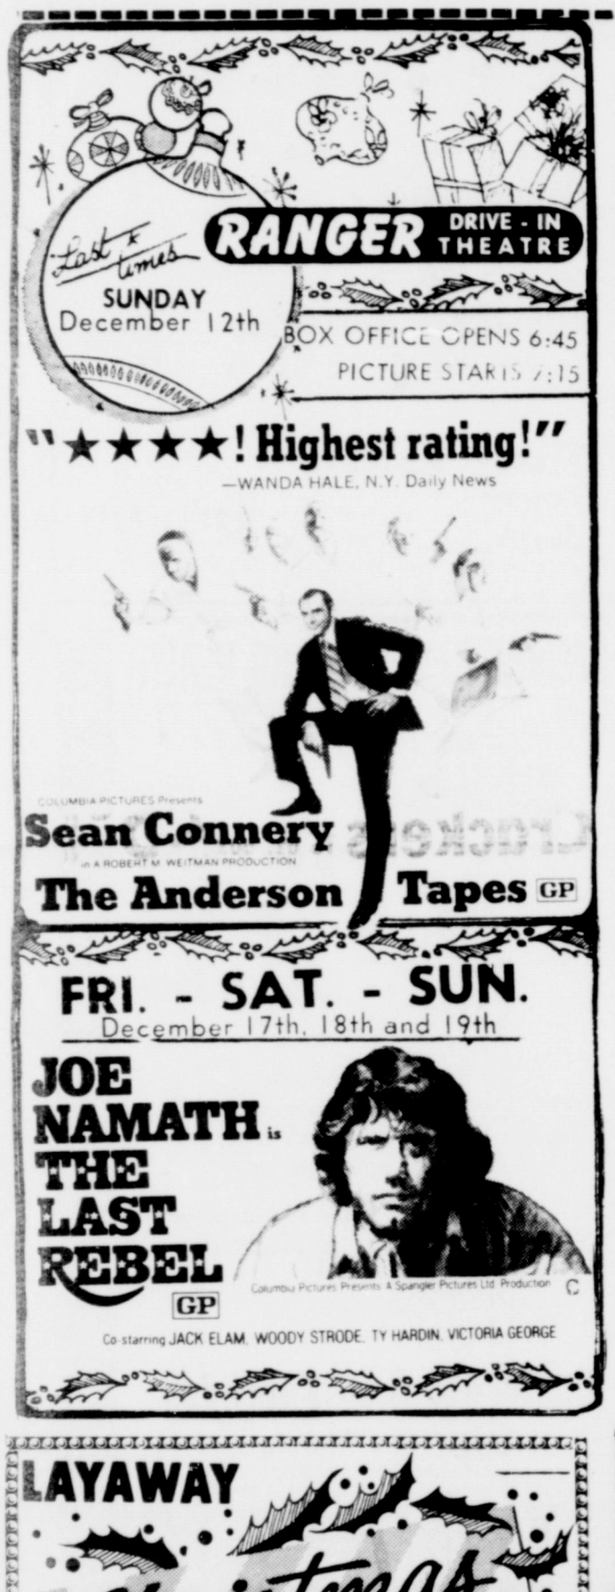

Excess oils, polish or wax leaves a residue to collect dust and make a cloudy film. For waxed furniture, a mild detergent in hot water may be used to wash the badly soiled wood. To remove old wax- - dampen a clean cloth with turpentine. Then wax the furniture. Here is a good furniture wax you can make which is excellent to use:

½ lb. of beeswax (pure- no paraffin)
1 pint of turpentine
Boiled linseed oil

Melt the beeswax in a double boiler. Remove from heat and when cool add the turpentine. Stir the mixture until it is like a thick batter. The addition of a little boiled linseed oil will make the wax resistant to water.

MAKE THE MOST OF SEASON'S FRESH FRUITS AND VEGETABLES

ROOT FOR RUTABAGA...it's a grand old vegetable! But how many people know how to cook rutabagas today? Or would recognize a rutabaga if they saw one? Rutabagas are a member of the turnip family, and they look it, with yellow flesh inside, a sure sign of their vitamin "A". If you know how to cook a turnip, you know how to cook a rutabaga. This vegetable was once called the "Swedish turnip" or "rotabagge", the United Fresh Fruit and Vegetable Association informs us. Rutabagas are good boiled or baaked; delicious in stew; nippy in salads, sliced raw and very thin. Try them.

MELON ON A TREE is the way papaya has been described because of its shape, melon-like flavor, and the rich orange color of its flesh. When buying papayas, the United Fresh Fruit and Vegetable Association advises you to look for well- formed fruit with a shape somewhat like a pear. Color should not be green but at leasthalf yellow. The papaya is a low calorie food. To prepare, cut the papaya, remove seeds, and serve cold with a wedge of lemon or lime. A delicious treat.

EXOTIC MEMBER of the cabbage family is Chinese cabbage which you have seen in the market and wondered how it is prepared for the table.

Letter To The Editor

Editor:

Please write an article in your newspaper to inform the people of Eastland they have among them an honest and respectable citizen in their town.

To show my deepest appreciation toward Billy Morton he should be recognized for his honesty and respectability toward other people.

"On Thanksgiving Day as I was passing through Eastland, I stopped at Morton's Texaco Station and not realizing, I had left my purse containing three credit cards and 67.00 cash at his station. When I returned home to Ft. Worth without my purse, I panicked. I had not been home 10 minutes when Billy called and told me about the purse. He offered to bring it to me the next day on his way to Ft. Worth. Instead I had relatives coming through Eastland the next day and asked Billy to drop the purse at the Police Station and my relatives would pick it up there. He took the purse to the Police Station and it was returned to me in the same manner as it was left. Thanks to Billy Morton."

Please write an article on Billy Morton for his outstanding respect for others. J

Just saying Thank you isn't enough.

Editor:

I am writing in regard to the letter in Thursday's paper from A Concerned Mother about the city park. I too did not know who to contact about the city park. My husband, three-year- old daughter, and I moved to Eastland the first of September. We were from a bigger town which had the very nice, colorful parks that Concerned Mother mentioned.

I took my daughter to the Eastland park to play when we first moved. While we were there, a little boy was riding on the merry- go- round; and one of the boards that he was standing on broke. He happened to be holding on, or else he could have fallen through the boards and got hurt. I haven't been up there since our first visit to the park; but when I was there in September, there were rusty old nails sticking out where someone could really get a nasty scratch. The park is actually a dangerous place for our children to play.

I, like Concerned Mother, don't expect an elaborate park; but if there is going to be one, let it be a safe one.

The tennis court could also use some improvements. How can anyone play tennis with grass growing on the court?

I hope that this letter and the one from A Concerned Mother will ignite some response in the direction of improving the park.

Mrs. Louis E. Abel

Letters To Santa

(ED. NOTE: Look, Santa letters are already coming in, and we're forwarding them on to the North Pole. We'll welcome others and be printing letters from the first three grades in our Christmas issue).

Dear Santa

Please bring me a grocery-doll, sleeping bag, pajama bag, hippoty horse, clothes for my Barbie, diaper bag, (big one) stroller, dishes, pots & pans, cash register, record stand doll, and anything else that you think I might want.

My mommie & daddy says that I have been a real good girl.

See you Christmas.

Jana

Dear Santa.

Will you please bring me a Baby Tender Love Doll, a stroller, clothes and bottles for Baby Tender Love, a talking telephone, and a "Bee Says" See and Say.

I have been a good girl.

I'll leave you some cookies and milk: Thank you.

Love,
Darla Hammer.

FANS LOVE THE TEAM

"I REMEMBER" BY THE OLD TIMER

From Mrs. Virl Kesler, West Liberty, Illinois: I remember in the nineteen hundred and teens, when all the kids walked to school. All grades were taught in one room. The boys sat on one side of the room and the girls sat on the other side.

Yes, I remember when I drew pictures and showed them to the pupils behind me. The teacher saw them, too. I was moved to the front seat in the boy's row.

THANKS
EASTLAND MAVERICKS 1971

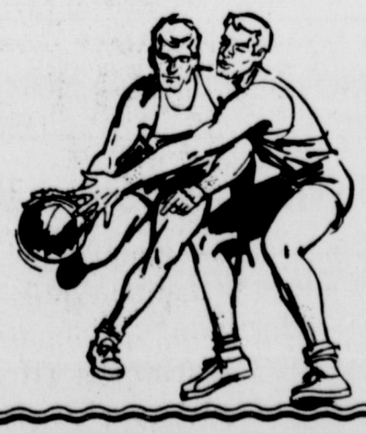

Thanks for your many Friday nights of exciting football. Thanks for the sportsmanship you displayed each week. We haveseen you give a helping hand to your opponent when he made a clean tackle or beat you on a play -- you have made better sports of us as fans. Thanks, Eastland Mavericks 1971, Coaches and Student Body, for you have truly made 1971 the YEAR OF THE MAVERICK -- a year we will never forget. Your great Maverick Pride will carry over to future generations of Eastland Mavericks. Mavericks you stand tall in the saddle with all of us.

Mrs. Grimes Is Hostess for Martha Dorcas Class

Mrs. E.M. Grimes was house hostess to the Martha Dorcas Class of the First United Methodist Church Thursday evening. The house was beautifully and appropriately decorated foc the Christmas season. Mrs. Brockman presided over a brief business session after which the Rev. Cecil Ellis gave the prayer. A radio program.

Mrs. Brockman presided over a brief business session after which the Rev. Cecil Ellis gave the prayer. A radio program broadcast from station X.M.A.S. was presented by the Rev. and Mrs. Cecil Ellis. The history of several Christmas carols was given by the participants: Mesdames Harold Durham, Pierson Grimes, Joe Stephen, Ed Willman, and Charles Harris. Each history was followed by the given carol with music on the FM. The title of the program was "Let's KEEP Christmas" by Peter Marshall, given as a finale by Mrs. Ellis. Refreshments of hot spiced tea and assorted cookies were served from a beautifully laid table with Mrs. Brockman, president of the class, pouring tea.

Those present were: Mesdames Russell Neal, Ed Willman, Joe Stephen, R.A. Poole, Cora Davis, Grady Pipkin, Charles Harris, Winnie Allen, Fred Davenport, Frank Sparks, Pierson Grimes, Pebble Boles, Turner Collie, Iona Sikes, E.R. Townsend, Joseph Perkins, Betty Morris, Anna Lee Wright, Cecil Ellis, Harold Durham, Roy Lawson, C.T. Brockman, the hostess, Mrs. E.M. Grimes and the Rev. Cecil Ellis. Co- hostesses with Mrs. Grimes were Mesdames Harold Durham, Roy Lawson, Fred Davenport, Floyd Robertson, and James Horton.

Zeta Pi Sets Yule Social

The Zeta Pi Chapter of Beta Sigma Phi met Monday, December 6, in the home of Mrs. J. D. Simpson, w th president Mrs. H. D. Alsup, presiding.

Members planned their Christmas social which will be held Saturday, December 18. They also finalized plans for their Christmas meeting Monday, December 20. Prior to this meeting, the group plans to take fruit baskets and to carol at Eastland Manor.

In other business, members voted to assist an Eastland family this Christmas in lieu of their regular Goodfellow donation. Also, it was decided to mail Christmas cards from the chapter to shut- in Beta Sigma Phi members in the United States and Canada.

Each member brought a new toy to the meeting which was given to the Eastland Jaycees for Christmas distribution.

Refreshments of sandwiches, chips, dips, cake and cokes were served to Mmes. Alsup, Russell Walker, Robert Mangum, Kenny Payne, C. R. Kinser, James Fullen, and Richard Wilhelm by the hostess.

At your service:

Enough electricity for today... and tomorrow.

Planning and building ahead to provide our customers with enough reliable electric power to meet all their needs is the challenging responsibility being met by Texas Electric Service Company. It's what we mean by being "at *your* service."

To be sure plenty of electricity always will be on hand at the flip of a switch, we will nearly double our generating capability within the next five years. Additional strength and dependability throughout our system comes from our high-voltage transmission interconnections with other power sources.

We must continue to plan and build ahead because we serve a growing area of the nation, and because our customers continue to use more electricity. For example, 25 years ago the average residential customer served by Texas Electric used around 1,000 kilowatt-hours a year. Today, the average residential customer is using about 8,500 kilowatt-hours a year. During this same period, the average selling price per kilowatt-hour has decreased about 43 percent, in spite of continuing inflation.

To us, "at *your* service" is not only a responsibility and a challenge. It's our commitment to you, our customers.
