THE SNYDER DAILY NEWS

VOL. 8, NO. 289 — SNYDER, TEXAS, WEDNESDAY, APRIL 2, 1958 — EIGHT PAGES—PRICE 5c

CITY OFFICIALS SWORN IN — K. O. Pitner, left, city secretary, is shown above administering the oath of office to the four city officials elected in yesterday's city general election. From left they are: Pitner, Stanley Noah, councilman in place No. 4; Steve Birdwell, councilman in place No. 2; Harold Bennett, mayor, and Rex Fields, councilman in place No. 6. (Lee Watson photograph)

Red Nuclear Ban Mere Gimmick, Ike Asserts

WASHINGTON (AP) — President Eisenhower said today the soviet Union's nuclear test ban announcement is just a gimmick which should not be taken seriously.

Eisenhower told a news conference that evaluation does not mean, however, we should stop trying to find a common ground for agreement with the Soviet Union.

He recalled repeated U. S. efforts over the years seeking agreement with the Soviet Union in the disarmament, nuclear test and other fields.

And he said we should keep on trying to win agreement.

The President said he does not believe there is any justification for labeling the U. S. position a negative one just because it is being firm in the interest of the United States and the rest of the world.

Some critics in Congress and elsewhere have contended the administration's position has been negative.

A good deal of the questioning at the news conference dealt with whether the United States could have gained if it had labeled the Soviet test ban as just propaganda in advance of the Soviet announcement.

The announcement had been widely forecast.

Eisenhower replied that was considered by this government—along with the possibility of the United States making the first move toward banning tests—but that both proposals were rejected on the ground that the Soviet Union was only seeking to gain from a propaganda standpoint.

Eisenhower was in a cheerful, jaunty mood at the conference which also dealt with these other matters:

RECESSION — Eisenhower said anew the government must give very careful thought to the idea of an anti-recession tax cut. He added forcefully that if we don't approach the problem of the business slump very seriously, we will build trouble for ourselves in the future. Such trouble, the President said, would make the current recession look small by comparison.

Speaking of the $1,850,000,000 housing bill he signed yesterday, Eisenhower repeated his criticism of some provisions. The main thing needed, he said, is to encourage private spending. He said business can't be stimulated just by expenditure of federal money.

As for whether he thinks Congress is moving too fast in passage of anti-recession bills, Eisenhower said they certainly aren't being enacted too hastily if the program involved is necessary. But he said we should give each measure adequate study in advance of any action.

DEFENSE — Speaking at some length and with much emphasis regarding his plans for reorganization of the Defense Department, Eisenhower left no doubt that he feels the secretary of defense must be given additional authority.

He said the reorganization program, which he plans to send to Congress tomorrow, must make it perfectly clear as to just what the responsibility of the secretary of defense is.

In these days, he went on, there is no such thing as separate ground, air and sea forces, they must be an integrated team.

We already have a unified command system, Eisenhower said, but it must be organized and constantly strengthened by the secretary of defense who also must make a good many related decisions.

The secretary, Eisenhower said, must be able to dictate the size of units as well as type of unit to be used in certain circumstances.

Another important requirement, Eisenhower said, is a certain degree of financial flexibility for the secretary.

PRICES — Asked for comment on Bernard M. Baruch's suggestion that prices ought to be cut in the light of the business slump, Eisenhower replied that there must be leadership by both business and labor if a free economy is going to operate successfully over the years.

He added that he has known and respected Baruch for a good many years, and said he always takes seriously whatever advice the elder statesman-financier gives him.

ARMS RACE — Eisenhower said he has not abandoned hope that Russia will become sufficiently conciliatory to make possible an agreement on such problems as disarmament.

He also mentioned a ban on nuclear testing in that same connection. It was at this point that he said the Soviet Union's test ban announcement this week was just a gimmick—a side issue not to be taken seriously.

PALACE GUARD — Commenting on a remark by Sen. Bridges (R-NH) that the President is surrounded by a palace guard which does not always keep him well informed, Eisenhower said with a show of irritation that it is just ridiculous to talk about a palace guard.

He added that of course he depends upon his staff. If he didn't, and if every matter had to be discussed with him personally, he said he would be worn out in a week's time.

Going back to his Army days, Eisenhower said that since 1941 he has been relying on staff advice.

The President said his staff sorts out matters for him, and that he also gets information from his Cabinet and the National Security Council.

Further, Eisenhower went on, the heads of all government agencies are advised that they may come to him at any time with their problems.

AUTOMATION — Eisenhower was asked for his views on what effect the trend in industry to automation—or replacement of manpower in some instances—is having on the character of Americans.

Eisenhower replied that the reporter had raised one of the greatest philosophical questions before the public today.

But automation is not a wicked thing in itself, Eisenhower said. On the contrary, it is good as long as it is used for the betterment of the human spirit.

U. S. automation projects could not be put into effect at this time in European countries, Eisenhower added, indicating that those nations are not yet ready for it.

Unopposed City Slate Elected Easily Here

Mayor Harold Bennett was re-elected and three councilmen were elected in an unusually light city election yesterday in which only 164 votes were cast.

Councilmen elected to two year terms are: Steve Birdwell, place No. 2, Stanley Noah, place No. 4, and Rex D. Fields, place No. 6.

None were opposed on the ballot, and there were no city issues or controversy to create interest in the election, thus the light turnout of voters.

For mayor, Bennett received 152 votes, and eight write-in votes were cast. The write-ins were: Joe Robinson, six, L. A. McClanahan, one and C. A. Bretz, one.

Birdwell received 160 votes for councilman in place No. 2, and W. J. Schiebel and L. A. McClanahan each received one write-in vote.

Noah received 161 votes for councilman of place No. 4, and Jack Craft received one write-in vote.

Fields received 160 votes and Dick Roberts and W. J. Schiebel each received one write-in vote for councilman of place No. 6.

Bennett was reelected without official opposition on the ballot, as was Birdwell.

The mayor began his second term of office at the administration of the oath of office at 7:30 o'clock last night by K. O. Pitner, city secretary, after the council had canvassed the vote and certified that the election officials had correctly tabulated the election returns.

Birdwell is also beginning his second term on the council.

Noah, owner of Central Tire Service replaces Dr. Robert H. Hargrove, dentist, who has served three full two-year terms and one partial term on the council. He was first elected to the council in December of 1952 as one of the first councilmen to serve under the city manager and city charter form of government here.

Fields replaces Worth Sayner, owner of Western Auto Associate Store, who was appointed to the council in 1957 to replace J. W. (Jake) Phillips, who resigned. Fields operates the Fields Phillips 66 Service Station at Twenty-fifth Street and Avenue U.

Khrushchev Is Welcomed To Budapest

BUDAPEST, Hungary (AP)—Nikita Khrushchev flew to Budapest today and said the Soviet Union and Hungary are firmly united against the "imperialists."

Hungarian Communist party chief Janos Kadar, installed in power by the Soviet troops who crushed the 1956 anti-Soviet rebellion, replied with praise of the Soviet offer to halt nuclear weapon tests. He said it was "one of the greatest acts of peace of our age."

A crowd of about 4,000 persons welcomed the Soviet leader on his first trip abroad since he became premier of the Soviet Union Monday. Heavy security forces lined the 10 miles of highway from Budapest to the airport. The woods along the way were thick with Hungarian soldiers, armed with tommyguns.

The official purpose of Khrushchev's trip was to attend the celebration Friday of Hungary's World War II liberation from the Germans by the Red army. He is expected to remain in Hungary eight days.

Speaking from a red-draped platform on the runway, the Soviet chief said: "Against the attempts of the imperialists, the unity and cooperation of Hungary and the Soviet Union stands firmly. As long as we are united, there is nothing that we must fear, so we should develop our unity and cooperation."

10,000 Vehicles Registered Here

Close to 10,000 vehicles were registered for 1958 in Scurry County by this morning, according to an unofficial count in the county tax office.

The count showed 9,886 vehicles registered, or about 100 below the same time last year. There were still many persons registering vehicles today, however. Last year, only 192 persons registered vehicles in April.

Registered so far are 6,742 passenger cars, 769 farm trucks, 1,703 trucks, 104 truck-tractors, three farm truck-tractors, 506 trailers, 12 housetrailers, 34 motorcycles, and 24 dealers.

Israeli Ships May Use Arab Waters

GENEVA (AP)—A new principle of international law was approved today, in effect legalizing passage of Israeli ships through Arab waters to Israel's southern port of Eilat.

The 87-nation Conference on the Law of the Sea approved the principle 31-30 over the opposition of Arab nations and the Soviet bloc. It provides for the innocent passage of foreign ships through straits connecting the high seas with the territorial waters of a coastal state.

The new article made no reference to the straits of Tiran, about four miles wide, which separate the Red Sea from the Gulf of Aqaba. Eilat lies at the top of the Gulf, which is bounded by the Egyptian part of the United Arab Republic and by Saudi Arabia.

Egypt and Saudi Arabia claim the straits are territorial waters and blocked passage to Israeli ships until Israel invaded Egypt in 1956. Since then a detachment of the U. N. Emergency Force has kept the straits open to Israeli ships trading with Africa and Asia.

Britain abandoned a joint defense with the United States of the traditional three-mile limit to territorial waters and proposed a six-mile limit. The United States opposed this compromise with nations seeking title to wider waters around their shores.

In the first split among major Western powers on the question, U.S. Delegate Arthur H. Dean said, "We are against any extension whatever. . . . We shall vote against it."

The primary effect of the British proposal would be to widen the area in which a nation's fishing fleets have exclusive rights. The proposal said it would not "affect existing rights of passage for aircraft and vessels, including warships, outside three miles."

The United States has opposed efforts of other nations to win approval for extensions which would curtail operations of U.S. fishermen, such as the claim of Peru and Chile to 200-mile limits in the Pacific.

Storm Area Predicted In Panhandle

By The Associated Press

The Weather Bureau issued a tornado and severe weather forecast Wednesday for the east half of the Texas Panhandle and western Oklahoma between 2 p.m. and 9 p.m.

The 120-mile-wide alerted area extends from 30 miles south-southeast of Amarillo to Enid, Okla.

The Texas portion is bounded by Tascosa south to Floydada, east to Childress, north along the Texas-Oklahoma border to Higgins and back to Tascosa.

The Weather Bureau said thunderstorms were expected to develop in the Texas Panhandle during the afternoon and move eastward, with some becoming severe and producing a few tornadoes.

The warning came on the first anniversary of a tornado that devastated a section of West Dallas, killing 9 persons.

Earlier, the Weather Bureau reported a series of low pressure systems, with balmy southerly breezes pulling moisture from the Gulf of Mexico, promised April showers for most of Texas.

The long-range forecast called for locally heavy rain in West Texas during the next five days. Light to moderate rain was indicated, mainly late in the week, for East Texas.

One trough of low pressure extended northeast from Southern Oklahoma. Another was pushing toward Texas from Arizona and New Mexico. A third was approaching the California coast.

Skies were partly cloudy to cloudy. Light drizzle fell at College Station and San Antonio.

Fog shrouded an area extending from the coastal bend to Louisiana and inland to Austin, College Station and Lufkin.

WEATHER

SNYDER TEMPERATURES: High Tuesday, 81 degrees; low, 49 degrees; reading at 7:30 a.m. today, 51 degrees.

East Texas: Partly cloudy and mild through Thursday.

South Central and North Central Texas: Partly cloudy and mild through Thursday; a few thunderstorms west portion late tonight; otherwise widely scattered thundershowers.

West Texas: Partly cloudy and mild through Thursday; a few thunderstorms east portion late today or tonight.

Automobile Price Probe May Spread

WASHINGTON (AP) — A federal grand jury investigation into the pricing of new automobiles in the Washington area may be followed by similar inquiries in other parts of the country, Asst. Atty. Gen. Victor R. Hansen said today.

"The dealer pricing plan, employing what is known in the trade as 'the price pack,' seems to follow a pattern in several areas," Hansen said.

Hansen, who heads the Justice Department's antitrust division, disclosed that a broad investigation into dealer auto prices on the West Coast has been under way for some time. He said also that his division is looking into pricing practices elsewhere, but did not pinpoint areas.

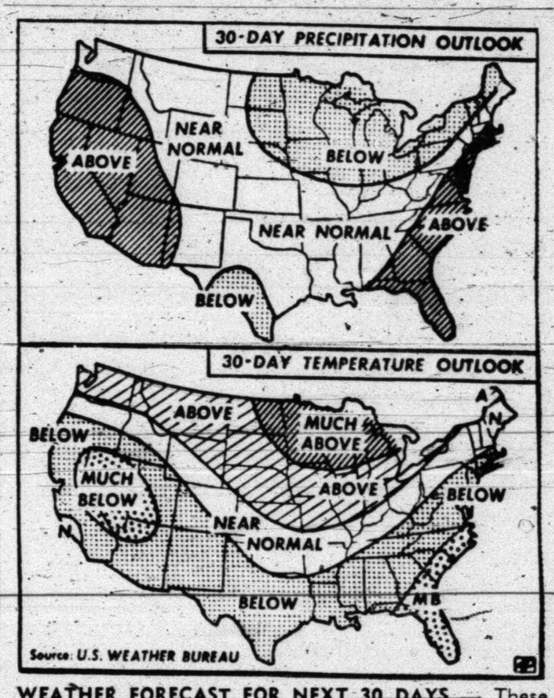

The Washington investigation is the first to move into the grand jury stage. Hansen said use of a grand jury will make it possible to subpoena business records which might not otherwise be available for FBI inspection.

Motorized Lunch Counter Splintered

LOS ANGELES —Joe Chavers was wheeling his motorized lunch counter into the railroad yards last night at exactly the same time the Santa Fe San Diegan arrived.

There was a shattering crash, but Chavers had jumped clear.

Then Chavers discovered everything else was ruined, but not the coffee urn. He produced coffee for all hands—at regular prices.

WEATHER FORECAST FOR NEXT 30 DAYS — These maps, based on those supplied by the United States Weather Bureau, forecast the probable rainfall and temperatures for the next 30 days. (AP Wirephoto Maps)

Communications To Santiago Cut

HAVANA, Cuba (AP) — Fidel Castro's rebels cut off communications to Santiago today and his patrols clashed with government forces in other sectors in the war against President Fulgencio Batista.

Rebels clashed frequently with Batista's troops around Manzanillo and Beyamo. The army reported 16 rebels killed in the last 24 hours.

In Pinar del Rio province in western Cuba, rebels shot and wounded Pedro Acosta Cuni, secretary general of the transportation union, as he entered his home. A woman neighbor also was wounded.

Castro launched his offensive by stepping up attacks on transport and communications in Cuba's easternmost Oriente province, where his 15-month-old guerrilla war is strongest.

Communications continued to be normal outside Oriente. Havana businesses operated as usual. Batista's troops and police, on almost continuous alert for months, braced to meet the rebel threat.

Castro supporters said total war against Batista would be extended to the rest of Cuba after midnight Saturday, the rebel deadline for the President to quit.

Roving rebel bands cut telegraph lines to Santiago, fired upon transport moving in the area and spread oil and nails on the roads. Most bus and rail workers stopped work around Santiago and highways were almost deserted.

Rebels blew up eight high-voltage towers in the province and burned a Sinclair Oil Co. gasoline tank trailer. Clashes between government troops and rebels were reported near Santiago, Varacoa and Holguin.

The 31-year-old rebel leader plans to call a general strike. Some sugar mill employes in Oriente province already have joined transport workers in walkouts.

Batista obtained from Congress further dictatorial powers for 45 days. He was authorized to increase the armed forces and to take all necessary steps to keep the nation's transport and communications operating, including a declaration of martial law.

163 Vote Absentee In School Election

A total of 163 absentee ballots were issued by the county clerk's office before the deadline yesterday on absentee voting for the Snyder School Board Election, which is set for Saturday.

There were four ballots for the Hermleigh election, one for Fluvanna, and none for Ira.

Of the 163 in the Snyder election, all but seven had already voted. The seven ballots are still out and must be mailed in and reach Dan Cotton, county clerk, before 1 p.m. Saturday.

Eisenhower Asks New Space Agency

WASHINGTON (AP) — President Eisenhower today asked Congress to create a new civilian agency to run America's space exploration program.

His request was in a special message. It went to the legislators immediately after a news conference at which the President said he will have another special message tomorrow on his program for reorganization of the Defense Department.

One aim of the defense reorganization plan, Eisenhower said, is to strengthen authority of the secretary of defense in military strategy matters.

Eisenhower's message said the new space agency would absorb the National Advisory Committee for Aeronautics and would be responsible for an imaginative and well-conceived program.

The new agency would administer space projects as well as conduct space research. It would cooperate closely with the Defense Department in carrying out some military space research, but the accent would be on peaceful uses of outer space.

Eisenhower called it the "National Aeronautics and Space Agency."

He said it would be run by a civilian director, backed up by a space board composed of government and private experts.

While the new agency is being set up, Eisenhower said he is ordering an interim program of space technology and exploration.

This program, already announced, includes plans to launch a number of unmanned space vehicles under direction of the Pentagon's Advanced Research Projects Agency.

Earth satellites and moon explorations are included.

Eisenhower asked for early enactment of appropriate legislation to set up the proposed new agency.

He proposed that the legislation provide for members of the space board to include representatives from government agencies directly interested in aeronautics, space science and space technology.

At least one member would come from the Pentagon to assure that military factors are considered by the board.

Board members outside the government, he added, should be eminent in science, engineering, technology, education or public affairs.

Yarborough Heads Home To Discuss Plans With Friends

WASHINGTON (AP)—Sen. Yarborough (D-Tex) is going to Texas this week to discuss with friends whether he should seek re-election to the Senate or run for governor.

He said in an interview today he expects to announce his decision before the end of April.

With Congress beginning an Easter recess tomorrow night, Yarborough expects to spend the next 12 days in Texas. Then he'll return to Washington for a week or 10 days.

"I'll be back down in Texas again on Friday, April 25," Yarborough added. "I intend to announce my plans that weekend."

He has several speaking engagements in the three days starting April 25 in El Paso at a meeting of the West Texas County Judges and Commissioners Assn. This may be the scene for the disclosure, since he has drawn strong support in the past from many members of that organization.

Other engagements tentatively lined up for that weekend are in Arlington and Port Arthur.

Several angles account for the uncertainty whether Yarborough, in the Senate only since last April 29, will seek reelection.

Many people consider a governorship a stepping stone to the U.S. Senate. With Yarborough it's different. In this respect he is like Texas Gov. Price Daniel, who voluntarily quit the U.S. Senate after his victorious 1956 fight against Yarborough and others for governor.

There's no question that Yarborough still would like to occupy the governor's mansion, having tried unsuccessfully more than once in the past. Daniel will be seeking his second two-year term.

Another personal factor with Yarborough is a desire, shared by his wife, to be near their son and daughter-in-law and new grandchild in Austin.

Yarborough has told friends there is nothing he would like more than to effect "a house-cleaning" in the state government as Texas' chief executive, then settle down to law practice with his son.

Presumably one of the things Yarborough hopes to get during the 12 days is an accurate estimate of his chances of winning the governorship, if he should decide to enter the contest.

Another matter presumably bearing on his decision is whether liberal forces in the state, who have supported him in all his campaigns, can find a senatorial candidate with a reasonable chance of victory should he withdraw from the Washington scene.

Discussing this situation, Yarborough spoke of Judge James Sewell of Corsicana and Herman Jones, Austin lawyer, as excellent men the liberal faction of Texas Democrats might consider.

Among conservatives, Rep. Martin Dies, who will be unseated in the House at the end of this year because of redistricting, often has been mentioned.

William Blakley, wealthy Dallas businessman who served briefly as interim senator by appointment of former Texas Gov. Allan Shivers until Yarborough was elected, also has been urged by many conservatives to make the Senate race regardless of Yarborough's intentions. Blakley has said repeatedly he does not intend to be a candidate.

Several other Texas members of Congress, including Reps. Ikard, Kilgore and Wright, have been mentioned as potential Senate candidates. But they would have to forego chances for re-election in the House to make the Senate race unless a special situation again arose.

KID'S DAY WINNERS—Winners of the Snyder High School Kid's Day activities at the school yesterday are pictured above on the school steps. Gary Vice, as Superman, above, won the boys honor, and Dianne Devers, was the winning girl. Vice was dressed as Clark Kent, the civilian Superman, for the first half of the day, then changed to the super natural Superman garb for the last half of the day. (Lee Watson photograph)

Leader Of Rebels Taken To Corpus

BROWNSVILLE (AP) — Authorities spirited the leader of a band of Cuban rebels arrested in a sea chase to Corpus Christi during the night. His wife and lawyer were not informed, they said.

Three other leaders of the band of 35 also were taken secretly from Brownsville.

The leader, Ahnaldo Barron, was placed in the Nueces County jail at Corpus Christi, a jail spokesman said.

But no public records showed him there.

Whereabouts of the other three were not immediately known. The Corpus Christi jail spokesman said they were not there.

Newsmen were not permitted to talk to Barron.

The Corpus Christi jail spokesman said Barron continued a hunger strike.

All 35 began their fast when arrested, and 19 have been removed from jail to hospitals for treatment of weakness.

A lawyer for the group's leader and the leader's wife said they were not informed until today, and then only when they discovered the move by accident.

The four were in a band of 35, mostly New Yorkers, arrested in the Gulf of Mexico last Thursday.

Mrs. Alfredo Barron, wife of the rebel band's leader, said:

"I just came from the jail and he is not there. Why, didn't they phone me or his lawyer."

The attorney, L. G. Mathews, confirmed that the men had been moved. He said he obtained the information when he inquired.

Mathews named the four as Barron; Mario Lecour, second in command; Dr. Carlos Torrens, a physician; and the Rev. Ignacio Mosqueda Avila, a Protestant minister.

The 35 started a hunger strike the day their converted fishing vessel was run down and rammed by a Coast Guard cutter.

Federal officers also arrested the rebels' contact man and four crewmen of the boat.

By today, 19 of the hunger strikers had been removed from jail to a hospital for treatment of weakness caused by their fast.

Barron, 34, a Cuba-born New Yorker, said the hunger strike is in protest of U.S. arms shipments to the ruling forces in Cuba.

HOSPITAL NOTES

SNYDER HOSPITAL

ADMISSIONS — Eugene Lomax, Hobbs, N.M.; Mrs. E. C. Boone, Box 693; Minnie Lee Williams, 2901 Avenue T.

DISMISSALS — Mrs. Carl McCormick, Route 1; C. W. Black, Odessa; Kenneth Reeves, Route 2, Hermleigh; L. H. Jones, Box 1624; L. M. Richardson, 1910 Thirtieth Street; Mrs. Jack Graves, Box 1555; Mrs. J. L. Vincent, 317 Thirty-sixth Street.

COGDELL MEMORIAL

ADMISSIONS — C. A. Whitfield, 2408 Twenty-ninth Street; Jimmy Moss, Box 986; Robert Bomar, 2101 Forty-first Street; C. W. Smith, 204 Thirtieth Street; Lorita Sterling Route 1; Mary Burnett, Route 3.

DISMISSALS — C. A. Whitfield, 2408 Twenty-ninth Street; Roy Holt Snyder; Ann Dyer, 2212 Fortieth Street; Gilbert Mullins, 1100 Twentieth Street; Mrs. G. G. Hall, Arah Route; Georgia Autrey, Ira.

BIRTHS

Mr. and Mrs. Ed Denning, 3717 Highland Drive, are the parents of a son, Jeffery Paul Denning, born at 6:55 o'clock yesterday afternoon in Root Memorial Hospital Colorado City. He weighed seven pounds.

TODAY'S MARKETS

FORT WORTH (AP) — Hogs 400; steady; choice 23.25-21.75; mixed 19.00-21.00.

Cattle 900; calves 300; steady to strong; good to choice steers and yearlings 25.00-29.00; common and medium 16.00-24.00; fat cows 17.00-20.00; good and choice calves 25.00-28.00; common and medium 17.00-25.00; medium to good stock steer calves 25.00-30.00; stock steer yearlings 28.00 down.

Sheep 5,300; steady; good and choice spring lambs 23.50-24.50; cull to medium 18.00-23.00; good and choice shorn lambs 20.00-21.00; ewes 9.50-11.50.

STOCK AVERAGES

Year ago	255.7	122.6	74.0	175.8

NEW YORK (AP) — Cotton was unchanged to 25 cents a bale lower at noon today. May 36.00, July 36.24, October 36.69.

NEW YORK (AP)—Stocks opened mixed in moderately active trading.

Key issues showed narrow changes. A number were unchanged.

Union Carbide was off ¼ at 86¾. Lorillard up ¼ at 52⅞. Chrysler off ¼ at 48¾. General Motors unchanged at 35⅛. International Harvester unchanged at 28¾. Ford unchanged at 40⅛. U.S. Steel up ⅛ at 57⅛ and Socony Mobil off ¼ at 49.

Gainers included American Telephone, American Cyanamid, Air Reduction, Kennecott and Southern Railway.

Among losers were Anaconda, Douglas Aircraft, Goodrich and Boeing.

PUBLIC RECORDS

FILED IN CIVIL DISTRICT COURT:

Pearl Ashley vs. Jo Ann Ashley, divorce.

COUNTY CRIMINAL COURT:

J. C. Smith, theft by bailee, plea of guilty; 30 days in jail.

Jim Gallagher, plea of guilty on two charges of illegal sale of intoxicants, $123.50 fine and cost in each; three charges dismissed and refiled as possession and sale, plea of guilty, $172.50 fine and costs.

Marcelino Rodriquez, charge of aggravated assault dismissed and refiled in justic court.

C. E. Helms, plea of guilty on two charges of illegal sale of intoxicants, $123.50 fine and costs in each.

Delbert Johnson, Del Norte Courts, plea of guilty to charge of illegal sale of intoxicants, $123.50 fine and costs.

WARRANTY DEEDS RECORDED:

Mr. and Mrs. Carrol W. Stansell to Mr. and Mrs. Herman L. Stokes, lot 9, block H, Towle Place addition except minerals.

Mr. and Mrs. Rex Miller to Gene Best, 0.172 acres in northeast part of section 182, H&GN.

Mr. and Mrs. Clifford W. Hale to Mr. and Mrs. C. A. Stone, east 65 feet of lot 3, block 7, T. N. Nunn addition.

Hugh Boren, Jr. and Mr. and Mrs. Novis Rodgers to Boren, Boren & Rodgers, part of lot 2, block 5, Original Town of Snyder.

NEW VEHICLES REGISTERED:

General County (Towle Park) from Wilson Motors, two 1958 Ford pickups.

General Fleet, Inc., Kansas City, from Feld Chevrolet, Wayandotte, Kan., 1958 Chevrolet truck.

R. J. Randals from Eiland Motor Co., 1958 Cadillac sedan.

Novis N. Rodgers from Eiland Motor Co., 1958 Oldsmobile four-door.

Brit Construction Co. from Pollard Motor Co., 1958 Imperial four-door.

Ebey Ortiz from Texas Trailercoach Inc., Dallas, 1958 American Mobile Home.

Leon B. Smith from Eiland Motor Co., 1958 Oldsmobile four-door.

Guilty Pleas Entered Here

Pleas of guilty were entered in county court yesterday afternoon and this morning on several cases, including a number of bootleg cases filed Monday night.

C. E. Helms, who had been charged with two counts of illegal sale of intoxicants, pleaded guilty and was fined $123.50, including court costs, in each case.

Delbert Johnson, a roughneck who lives at Del Norte Courts, pleaded guilty to a charge of sale and was fined $123.50, including court costs.

Pleas of guilty were entered by Jim Gallagher on two cases of sale, for which he was fined $123.50 each, and one case of possession and sale, for which he was fined $173.50. The possession and sale charge was a refiling of three sale charges which had been dismissed.

J. C. Smith pleaded guilty to a charge of theft by bailee in connection with money he had kept belonging to a Negro church here.

California Set For More Floods

SAN FRANCISCO (AP) — Without time to mop up after one heavy drenching, much of California braced for another today. Rivers were already brimming, lowlands flooded and coastal highways cut by slides.

A combination of high tide and overflow from the Guadalupe River forced evacuation last night of some 900 residents of Alviso, one of the state's oldest and traditionally one of its wettest communities.

Thirty families stood their soggy ground in the town at the southern end of San Francisco Bay. The rest moved into motels and Red Cross shelters in the nearby San Jose area. A number of Alviso homes were flooded.

Besides the Guadalupe, seven other rivers were bankful or overflowing — the Kaweah, St. Johns, San Joaquin, Fresno, Salinas, Chowchilla and Carmel Valley.

A strong weather front passed through central and northern California Monday and early yesterday, then moved on through southern California.

The Weather Bureau said a new storm would hit the northern half of the state today. Gale warnings were up from Monterey, 100 miles south of San Francisco, to the Oregon coast.

Twenty-four hour rainfall by 2 a.m. today measured 1.40 inches at San Francisco, 1.63 at Fort Bragg, 1.51 at Sacramento, 1.52 at Santa Maria, 1.02 at Los Angeles and 1.08 at Fresno.

The Fresno River and its tributaries crested and began slowly dropping after flooding an estimated 4,000 acres of farm land on the west side of Madera in the Central Valley southeast of San Francisco.

With the snow level down to 2,800 feet in the High Sierra, there was fear that the new rainstorm or a sudden warming would bring new flood threats from melting snow.

San Francisco has had its wettest season since 1889-90, a total of 30.96 inches of rain up to 8 p.m. since the start of the season July 1. That compared with 43.50 for the 1889-90 season.

High winds tipped up and down the coast. They uprooted trees and unroofed houses in the Los Angeles and San Diego area. A 75-foot waterspout wrecked the patio of a home at Laguna Beach near Los Angeles.

Four Enlist In Army Here

Four men have enlisted in the United States Army through the Snyder Recruiting District office, the district recruiting officer announced yesterday.

They are Gaylord M. Ridley, 3201 Fortieth Street, Snyder, Donald R. Haney, Route 1, Snyder, Garth I. Gregory and Rodney P. Oliver, both of Colorado City.

"Mike" Ridley and Haney were enlisted in the Military Police Corps, and Gregory and Oliver went in the Army Air Defense Command.

All four enlistments were made "Chance," program in which enlistees choose their own branch of the Army.

The four were sworn in the Army on the afternoon of March 31, in Abilene and were sent by air to Fort Carson, Colo., where they will receive basic training.

Seaes Damage U. S. Carrier

NEW YORK (AP) — The aircraft carrier Corregidor suffered a crack in her hull in heavy seas in the Atlantic last night. She took in some water but was reported in no immediate danger of sinking.

The carrier was limping today toward the Azores for emergency repairs. Aboard were 20 officers and 150 enlisted men.

The Navy's Military Sea Transportation Service, operator of the vessel, said she was about 420 miles northeast of the Azores and was expected to reach the islands in about two days.

Now serving as an aircraft and cargo carrier, the Corregidor was en route from Barcelona, Spain to Pensacola, Fla.

Search For Bank Robbers Is Pressed

FORT WORTH (AP) — Officers pressed a search today for two gunmen who held up the East Fort Worth State Bank yesterday and escaped with $3,325.

About 20 customers were in the bank.

Teller Frank Stidham said he dribbled out the money a little at a time to one gunman in an attempt to stall him.

"I would give him 15 or 20 bills at a time and make him ask for more," Stidham said. "The gunman would wave his pistol and say, 'All right come on.'"

The second gunman ace his companion, who demanded the money in $1 and $5 bills.

Mrs. B. L. Cleaver, a customer, saw the gunman pull his weapon. She walked out quickly, and told an entering patron: "Go tell the police."

The men, about 26 or 27 and about 5-feet-9, wore long-billed blue and red caps and sports coats. One wore flesh-colored adhesive tape over his upper lip, possibly to hide a mustache.

Stidham said the robber nonchalantly strolled out of door, where he was joined by the second man.

Stidham pressed a robbery alarm and told a porter to see which car the men left in.

Price Tag Hiked On Surplus Butter

WASHINGTON (AP)—The government put price tags of 67 to 68 cents a pound on its surplus butter offered in domestic markets—a hike of 4.5 cents a pound over past prices.

These increases were promised by President Eisenhower in his message to Congress Monday vetoing a bill to freeze farm price supports at not less than 1957 levels.

Purpose is to keep government butter from becoming competitive with commercial supplies.

HOW MANY OF THESE MUSTS WILL YOUR NEXT WAGON HAVE?

LOOK FOR TENNESSEE ERNIE FORD STAR OF THE FORD SHOW ON TV EVERY THURSDAY NIGHT

1. STYLING THAT WILL STAY IN STYLE
Ford Station Wagon styling is Thunderbird-inspired. So you know it's going to be in style for a long time to come. And Ford offers you six different body styles to choose from.

2. ALL-NEW V-8 ENGINE
Ford V-8 power is all-Thunderbird, too . . . with new Precision Fuel Induction that pays off in still better gas mileage. And it can be yours in all Fords (including the lowest-priced wagon of the low-price three).

3. MOST MODERN "SIX"
The Ford Mileage Maker Six is the most modern and most economical Six in its field. It's the 1958 version of the engine that scored most miles per gallon in last year's Mobilgas Economy Run.

4. SINGLE-CONTROL LIFTGATE
Loading and unloading is a cinch with Ford's single-control latch. Just a flick of the wrist and both lift gate and tailgate open. You can close both gates with one hand, too.

5. GENUINE FOAM-RUBBER CUSHIONS IN FRONT SEATS OF ALL MODELS
Only Ford wagons offer you the added luxury of genuine foam-rubber front seat cushioning in every model. And all Ford wagon seats are scientifically contoured over non-sag springs for greater riding comfort.

6. LOWEST PRICE POSSIBLE
Because Ford sells nearly half again as many station wagons as its nearest competitor, Ford can sell these fine wagons at half the fine-car price.

7. TRADITIONALLY MOST WANTED AT RESALE TIME
Ford Station Wagons, dollar for dollar, have traditionally commanded top prices on the used car lots. Another reason why your investment in a Ford wagon holds up better.

WELL YOU GET 'EM ALL IN A FORD STATION WAGON . . . AND AN EXTRA-SPECIAL TRADE-IN ALLOWANCE TO BOOT . . . DURING

FORD STATION WAGON LIVING DAYS

P.D.A.F.

WMU QUEEN—Mrs. G. B. Clark, Sr., shown above seated on her throne with a boquet of flowers and a crown presented to her by her fellow members of the Women's Missionary Union of the First Baptist Church yesterday morning, is the oldest active member of the WMU. The newest member, Mrs. Wayne Glass, stands by the queen. (Lee Watson photograph)

Mrs. G. B. Clark Sr. Named Queen Of WMU Of The First Baptist Church

Mrs. G. B. Clark Sr. was crowned queen of the Women's Missionary Union of the First Baptist Church by WMU president, Mrs. W. C. Murphy, yesterday morning.

The cornation ceremony was held as part of the regular business meeting and Royal Service Program of the WMU at the church at 11 o'clock yesterday morning.

Mrs. Wayne Glass was recognized along with Mrs. Clark as the youngest active member of the organization.

During the recognition program Mrs. Amon Weaver played appropriate music after which David Oglesby, educational and music director, sang a tenor solo.

The Rev. G. M. Cole, pastor, paid tribute to Mrs. Clark during his devotional sermon. An arm bouquet of red roses and a corsage of red carnations were presented to Mrs. Clark by Mrs. Glass.

During the business meeting Mrs. Buddy Drum was elected Girls Auxiliary Counselor and Mrs. Joe Cargile was named co-counselor.

Other business included reports of committees, and presentation of amendments to the constitution and by-laws.

Mrs. Wilson Howell, chairman of the Robinson Circle, and circle members gave a closing program on "Entering Wide Doors." Participating in the program were Mrs. Curtis Hayes, program chairman, Mrs. Carroll Stansell, Mrs. Buddy Drum, Mrs. Bobby Turner, Mrs. Wilson Howell, Mrs. Don Helm, and Mrs. J. L. Dyer.

Following the meeting members held a covered dish luncheon in the church basement. It was served by the Kennedy Circle.

It was announced that a district workshop will be held at the First Baptist Church, Midland, with stateworkers present on April 7.

A workers conference and Vacation Bible School clinic will be held at the First Baptist Church here on April 15, and the Quarterly WMU meeting will be held at the Greenhill Baptist Church with Mrs. Eula Mae Henderson as guest speaker on April 24.

Auxiliary To Elect Officers

Officers and directors of the Cogdell Memorial Hospital Auxiliary will be elected at a meeting of the auxiliary at 9:30 o'clock tomorrow morning.

The meeting will be held in the auditorium of Martha Ann Woman's Club.

Everyone who is interested in the Auxiliary in any way, and especially persons who can actively participate in the auxiliary is urged to attend the organizational meeting.

A wide variety of patient and guest services can be performed at the hospital by members of the auxiliary, and sponsors of the organization believe there is a great need here for such an organization.

Faydean Hart Elected To District ESA Office

Mrs. Faydean Hart, member of the Iota Psi Chapter of the Epsilon Sigma Alpha Sorority, was elected District Coordinator for this district in a meeting held Sunday in Odessa.

Mrs. Anita Payen, 3101 Avenue T, was hostess last night for the meeting of the Iota Psi chapter.

The opening ritual was conducted by Mrs. La Verta Lovell, president.

Mrs. Payne gave a report of the district meeting Sunday in Odessa.

Mrs. Hart will serve as coordinator for the district for the 1958-59 fiscal year.

A discussion was conducted by Mrs. Lovell for the two guests present on the Epsilon Sigma Alpha Sorority, in which its history, purposes and functions on the local, state and international levels.

The guests were Mrs. Marsha Robinson and Mrs. Doris Rollins.

Members present were Jenelle Beasley, Shirley Bowers, Avanelle Corbell, Jean Everett, Gaydean Hart, La Verta Povell, Gwen McLaughlin, Anita Payne, Mary Pitner, Margaret Wood, Shirley Drum and Marlene Stokes.

Refreshments of punch and cookies were served by the hostess from a table decorated in the Easter theme.

The next meeting of the chapter will be held April 15, with Mary Pitner, 214 Thirty-fourth Street, as hostess. A pledge ceremoney will be held at that meeting at 7:30 o'clock that night.

Spanish Club To Wash Cars

The Los Amigos Spanish Club of Snyder High School will conduct a fund raising campaign to sponsor two scholarships to the three-week workshop in Monterrey, Mexico, to be held in July.

Many Spanish Clubs in Texas are working on a project similar to this one, because they believe that in our present world situation foreign languages have become more important than ever.

"Spanish, of course, is of spcieal interest to Texans, because of the proximity of our state to Mexico," the sponsors of the Spanish Club, said.

The importance of Spanish lies not only in the learning of it, but also in trying to understand our neighbors to the south better, and that they may understand us better also.

The club's fund raising activities will include washing of cars at Birdwell's Phillips 66 Service Station, Twenty-fifth Street and Avenue Q, and the Hodges Gulf Service Station, Thirty-seventh Street and Avenue S, next Saturday.

Anyone wishing to have a car washed at one of the stations by the Spanish Club members may make an appointment by calling HI 3-4341, or HI 3-7248.

Circle Urged To Attend Holy Week Services

Members of the Naomi Circle of the First Presbyterian Church were urged to pray for and attend the "Holy Week" services of the church during the Circle's meeting yesterday morning.

The meeting was held at 9 o'clock yesterday morning in the home of Mrs. W. A. Smallwood, 3008 Thirty-ninth Street, with Mrs. Bill Jones, circle chairman, presiding.

Mrs. J. L. Roddy gave the devotional, and Mrs. Frank Henry Cullum read from the Prayer Book of Missions and led the opening prayer.

It was announced that the Prayer and Planning Retreat for Presbyterian women set for April 10 has been postponed by Mrs. John Covey, president.

Mrs. Bill Jones led the Bible study on "Meet Dr. Luke."

Mrs. Covey also led the circle discussion taken from the study book, "The Word, The World, The Way."

The closing prayer was led by Mrs. W. W. Grief.

Present were 10 members and two guests, Mrs. Ida Thurston and Mrs. J. D. James.

The next Naomi Circle meeting will be held Tuesday, May 6, in the home of Mrs. W. W. Grief, 2301 Thirty-eighth Street.

TABLE BEAUTY

When the occasion calls for a celebration, a dinner cloth of lacy crochet starts off the festivities in a gracious manner. Directions for making this elegant cloth of rose-like motifs in white crochet cotton are available from the National Cotton Council, Box 9905, Memphis 12, Tenn.

Good way to cook bacon for a crowd: place it on a rack in a shallow baking pan so that the fat edge of the slices overlap the lean edges. Then bake on the top shelf of a hot oven, without turning, for 15 minututes or until as crisp as desired.

WOMEN'S CALENDAR

THURSDAY

Suburban Study Club meets at Martha Ann Clubhouse with Mrs. N. C. Hillhouse as hostess at 7:30 p.m.

St. Elizabeth's Altar Society of the St. Elizabeth's Catholic Church meets at 7:30 p.m. at the church.

Gamma Upsilon of ESA meets at 7:30 p.m. at the Scurry County Library for a program. Following program a pledge ceremony will be held at the home of Mrs. Bob Boren, 1806 Thirty-seventh Street.

An organizational meeting and election of officers will be held by the Cogdell Hospital Auxiliary at the Martha Ann Clubhouse at 9:30 a.m. Any person interested is cordially invited to attend.

The executive committee of the High School P-TA will meet at 2:45 p.m. at the high school.

FRIDAY

Alturian Club meets at 3 p.m. at the Martha Ann Clubhouse with Mrs. C. C. Miller, hostess.

Why "Good-Time Charlie" Suffers Uneasy Bladder

Unwise eating or drinking may be a source of mild, but annoying bladder irritations—making you feel restless, tense, and uncomfortable. And if restless nights, with nagging backache, headache or muscular aches and pains due to over-exertion, strain or emotional upset, are adding to your misery—don't wait—try Doan's Pills.

Doan's Pills act 3 ways for speedy relief. 1—They have a soothing effect on bladder irritations. 2—A fast pain-relieving action on nagging backache, headaches, muscular aches and pains. 3—A wonderfully mild diuretic action thru the kidneys, tending to increase the output of the 15 miles of kidney tubes. So, get the same happy relief millions have enjoyed for over 60 years. Now, larger economy size saves money. Get Doan's Pills today!

Gloria Swanson Says Sack Here To Stay

CHICAGO (AP) —The controversial chemise is here to stay — at least for a while — on the authority of no less an expert than Gloria Swanson, Hollywood star and fashion designer.

"I approve of it," said the still glamorous Gloria during a Chicago visit. "Its popularity is just approcahing."

Gloria gave a good demonstration of youthful vim during a preview of her new fashions here.

"I'm interested in everything," she said. "I never get bored. People who are bored should be smacked. There is so much excitement today. I'm always involved in causes, not philanthropic, but nevertheless, causes."

Costumed in a black velvet chemise and carrying a pink carnation, the former movie queen hopped from chair to chair as she spoke with guests.

Miss Swanson was in her teens when she first worked in films at the old Essanay Studios in Chicago in 1916. Francis X. Bushman was another who started there.

She appeared in about 60 or so pictures during her career that reached its peak about 1926.

"I knew it, too," she said. "I said to my mother then: 'What do I do now? There's no place to go but down?'"

For 17 years she remained on the sidelines. If she despaired, she prayed. Then she was picked for the star role in Sunset Boulevard.

"I sure prayed for the part. A long time to wait, eh?" she said.

Although she says "Sunset Boulevard" was her top film, she denies that it was a portrayal of her life.

Miss Swanson again called on prayer to get her out of a tough spot when she was interviewed by Mike Wallace.

"I was on a boat en route to New York when the arrangement was made. I didn't know Mike Wallace. When I landed everyone asked:

"Aren't you afraid? He'll tear you to pieces.'

"I prayed again, I prayed so hard that by the time the show went on I was very nervous. But I thought his questions were very dull. He didn't give me much time for my views on cancer research. That's the only complaint I have. But after the program I adored him," she said.

Gloria Swanson was born in Chicago. Her home is everywhere, although she maintains a New York City mailing address.

"Wherever I hang my hat is home," she said.

"I keep looking for paradise, but I haven't found it."

GLORIA SWANSON

OUR VIEW

Defeat In Propaganda

Announcement by the Soviet Union that it plans to ban tests of nuclear weapons probably would have been welcome news to some Scandinavian countries, if they were in a position to believe the Russians.

Shortly after the announcement was made from the Kremlin there were reports that some countries faced danger from radioactivity as a result of previous Russian tests of such weapons. There were estimates that radioactivity in some nearby countries was within 25 per cent of the point of absolute danger to life itself.

In this country, the announcement represented another defeat in the propaganda wars. Disclosure that America had toyed with the idea of beating the Russians to the punch, but abandoned such plans when President Eisenhower decided it was too far-fetched as a propaganda gesture came as no surprise. Actually, there appeared to be no other course for this country, despite the seeming advantages the Russians may have seized by putting themselves on the center of the stage.

"Manufactured" propaganda is not a new weapon for foes of the Western World. In the past, with America in the leader's role, the West managed to rise to the occasion whenever the time came to show facts. There is no reason to believe it cannot repeat.

On the other hand, our ventures into the realm of "manufactured" propaganda have turned out feeble in comparison to efforts of the Russians. The Sputnik-Vanguard episode is an example. Nobody knows how many failures the Russians experienced before Sputnik I went into orbit. Everybody knows the Vanguard story. However, Vanguard today is not the same "joke" in the eyes of the world that it appeared during its initial fizzle.

If we deplore their methods, yet employ their tactics, who on the outside can make a comparison.

Business Leaders Prolific Readers

By HAL BOYLE

NEW YORK —Things a columnist might never know if he didn't open his mail:

That if you suspect most business executives are illiterate, you couldn't be more wrong. A Harvard survey found the most successful executives were the greatest readers—of nonfiction books.

That comedian George De Witt tells of the man who, accused of wife abandonment, told the judge, "Your honor, if you knew my wife you'd know I'm no deserter. I'm a refugee!"

That nearly 20 million persons in the United States are named either John or Mary. Sorry, I don't have the figures on Tom, Dick and Harry.

That there are more life insurance policies in effect in this country—over 239 million, than there are persons—173 million.

That Celeste Holm says a woman's beauty parlor is a place where the customers can let down their hair while it's being put up.

That in most lands the average citizen knows only a tenth the words in his language. By the way did you know the Chinese word for mother is "ma"? Check this with your laundryman.

That those who say vegetarians —such as the late George Bernard Shaw—are weaklings overlook the fact that the gorilla doesn't eat meat.

That the salmon, according to the Fisherman magazine, lays about 15,000 eggs a season, or about the same number as most television comics.

That Christians aren't the only ones who claim guardian angels. The natives of Easter Island also believe in the supernatural power of a private spiritual guardian, "aku-aku."

That a slot machine in Havana bears this pleading sign: "Don't slug me."

That in the 18th century theater, spectators showed their disapproval by tossing a candle on the stage. If the audience threw enough candles, down came the curtain.

That Robert Q. Lewis says the occupational malady of pedestrians is that run-down feeling.

Ocean Can Be Big Source Of Power

By EVERETT S. ALLEN
New Bedford Standard-Times
(Written for The AP)

Three fourths of the earth's surface is ocean, and a large proportion of ocean is hydrogen.

Add the technology of the hydrogen bomb, and the formula spells an incalculable boon for mankind—cheap, virtually inexhaustible power.

Once this particular application of hydrogen fusion is mastered—and some authorities predict it within 15 years—the oceans could provide enough cheap electricity to supply the world for a billion years.

Even the rivers and lakes of inland nations could be transformed into power producers by harnessed hydrogen fusion—thus spreading the benefits to every country on the globe.

To Americans caught in the cold war, however, the most important aspect of the international race for cheap power is that the United States presently is not leading the field.

There is considerable evidence to indicate that diplomatic courtesy rather than scientific justice brought about the joint U.S.-British announcement on hydrogen fusion. Non-government authorities in both countries have indicated the British scored a clear first in the controlled release of the H-bomb type of energy for eventual peaceful application.

It may be that other nations also are ahead of America in this field. Both the French and the Soviets are known to be working on it.

The process involves the fusing of four nuclei of hydrogen into one nucleus of helium.

A very high temperature is required, and some type of special "container" is needed to hold the gas after it has been raised to the temperature called for.

It has been estimated that temperatures of 370 million degrees centigrade would be rquired to establish a hydrogen "fire" that would be self-sustaining and give off more energy than was required to keep it going. This is more than 20 times the temperature of the sun's interior.

American experiments reportedly have reached temperatures as high as six million degrees. Sir John Cockcroft, Nobel Prize-winning director of the British atomic research establishment, has said Britain's efforts soon would surpass the sun's core temperature which he estimated at 15 million degrees.

The main problem, of course, is to find a suitable "container" for these tremendous temperatures. But it seems only a matter of time vast energy from the seas will power humanity's workshops.

Summers To Face Charge Of Assault

SAN ANTONIO (AP) — Donald Summers was convicted last night of assault on deputy sheriff Melvin Maltsberger during an escape attempt in January.

He was sentenced to 15 years in prison.

Summers, already under a 20-year armed robbery sentence, confessed earlier this year to the rape slaying of Chere Jo Horton, 3, of San Antonio, and won a stay from the electric chair for Jimmy Shaver, an airman sentenced to death for the crime.

Summers attempted to escape near San Marcos Jan. 22 while being returned from another trial.

Tigers Battle Rival Abilene Eagles Today

The Tigers baseballers prepared to meet the defending state champion Abilene Eagles here today after dropping an 8-3 verdict to the Lubbock Monterey Plainsmen at Towle Park yesterday.

Norman Gladson was slated to open on the mound for the Tigers today. The sophomore right hander, although he has saved some games with some fine relief work, is still looking for his first decision. Gladson's record is 0-2.

Due to start for Abilene today is Butch Newman who is sporting a 1-1 record.

The Tigers are hoping the Towle Park "jinx" will hold true today against Abilene. The Eagles have managed only one victory in five games against the Tigers at Towle Park.

Last year the Tigers edged the Eagles 2-1 and 1-0, in Towle Park. The shutout was the only blanking the Abileneians suffered last season and the Tigers were the only team that measured the Eagles twice in the '57 campaign.

Abilene brings an 8-2 record to town as compared to the Tigers' 4-6.

Today's game will start at 4:30.

As has been the case in most of the Tiger defeats to date, walks and errors hurt the Bengals in yesterday's tilt with Monterey.

Starter Dick Hayes walked only three in a three-inning stint but two of these eventually scored and two others scored as result of a costly error. These four markers gave the Plainsmen a 4-1 lead after three innings.

Hayes, who is still nursing a sore arm, turned over the pitching duties to Terry Lee at the start of the fourth. Lee, after retiring the Plainsmen without a run in the fourth, ran into trouble in the fifth and was finally chased.

Three Monterey hits, all extra base raps, and two Tiger errors led to a four-run uprising in the fifth. Freshman John Weaver came on with one away in the fifth and blanked the Plainsmen on one hit the remaining distance.

The only hit off Weaver was an infield tap by Jack Hamilton in the seventh. Weaver worked himself out of a big jam in the seventh when the Plainsmen loaded the bases with none away but failed to score.

Yesterday's game was a close contest until Monterey's big four run fifth inning. Until then the Plainsmen were holding tenaciously to a 4-3 lead.

After the Plainsmen moved ahead 4-1 in the first three innings, the Tigers counted twice in the fourth to narrow the gap to one run.

Lee blasted a long double to left center to drive in Neil Boyd and Richard Mahan with the fourth inning Tiger markers. Boyd drew the first walk off Art Whitaker, who went the route for the Plainsmen, in the fourth and Mahan also drew a free ticket to set the stage for Lee's two-run double.

But Monterey iced the game away in the fifth with its four-run explosion.

Whitaker scattered five hits over the route, walked three and struck out only one.

James Parsons, Monterey left fielder, banged out a pair of doubles in three trips and drove in three runs to lead Monterey at the plate. Parsons was the only Plainsmen getting more than one hit.

Gary Vice with tow-for-four was the lone Tiger hitting safely more than once.

BUCKIN' THE LINE

By BUCK FRANCIS
News Sports Editor

THE CURRENT TIGER baseball edition has coach Speedy Moffett puzzled.

"We look pretty good one day and awful the next," Moffett said following yesterday's game with Monterey.

"No one would recognize us being the same team that took the field at Plainview Monday was the same outfit that played Monterey yesterday," Moffett added.

"We were just "dead" yesterday," Speedy went on.

"I've got to find a guy like Joe Reaves who can keep the boys on the field hustling and alert at all times," Moffett said.

We can vouch for the fact that hustle was missing in the Tiger ranks yesterday.

Someone said the reason for this was that the Tigers were playing too many games. We don't agree with this, though, because baseball is a sport where playing everyday is more beneficial than not playing.

Must Be In Good Condition

The players must be in good shape, to be sure, to play everyday and it could be the Tigers haven't come around physically, yet.

And it stands to reason that a team is apt to show little hustle if they aren't in fine physical shape.

With the weather warming up the Tigers should be able to work out all the kinks, meaning sore arms, muscles etc.

The Tigers have had very few days were they could really "loosen" up without gambling on coming up with a pulled muscle or the like.

We're not selling the Tiger diamonders short, yet. No one yet has given the Tigers a "country licking" yet. Most of the games have been lost by pitching wildness, errors and in some instances "base running blunders."

But such things as these will eventually be worked out and once they are the Tigers will be tough.

Canyon Reef Record Holder Sparkling

W. L. Thornton of the Texas Tech track team, who gained nation-wide recognition last week with his high jump performance in the Texas Relays, is a Canyon Reef Relay record holder.

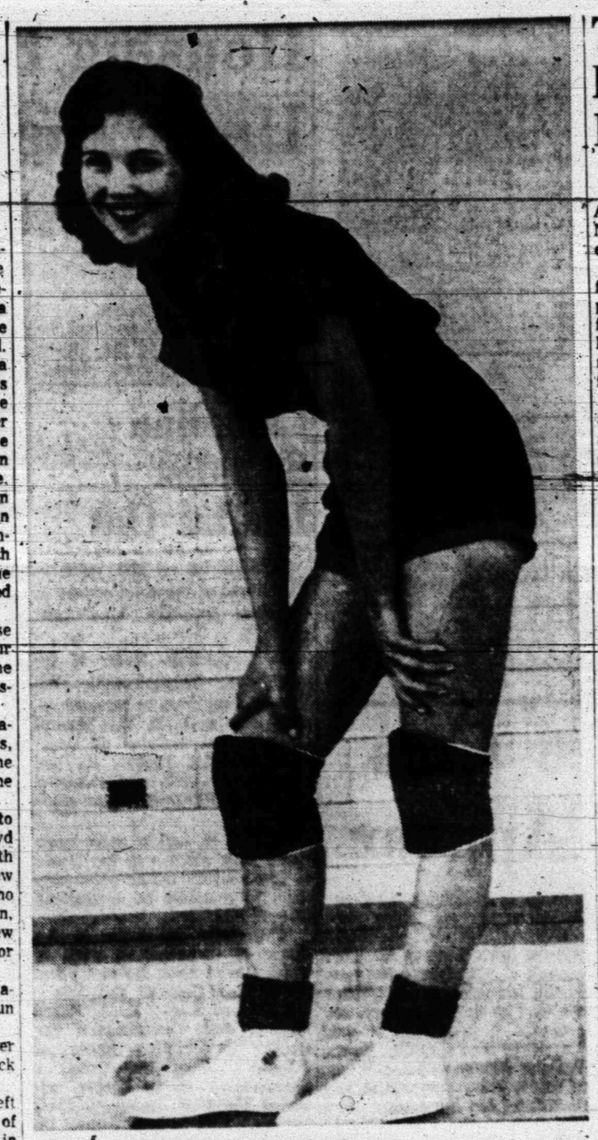

Thornton, as a member of the 1956 Aspermont track team, cleared the bar at 6 feet 4 inches in the Canyon Reef Relays that season to set a record that still stands. And, furthermore, it will likely stand for a long spell.

At the Texas Relays last week, Thornton, now a sophomore at Texas Tech, stole the "thunder" from SMU's famed high jumpers to win with a jump of 6 feet 8¼ inches.

Much more will assuredly be heard from Thornton before his collegiate career comes to an end.

Cougars In Sweet

HOUSTON (AP)—Bob Pratt recorded a 4-under-par 68 yesterday in leading Houston to a 6-0 sweep over the University of Kansas golf team.

STAR TIGERETTE PERFORMER—Blenda Stone, above, has payed a big role for the Tigerette volleyballers this season who recently nailed down the District 3-AAA title. Miss Stone has been a Tigerette regular throughout this season. Miss Stone and her teammates currently are making preparations for the Regional Tournament to be held at Texas Tech in Lubbock next week. (Lee Watson photograph)

Texas 9 Nips Baylor To Hold Lead

By The Associated Press

Texas held first place and Texas A&M had sole possession of the No. 2 spot in Southwest Conference baseball Wednesday.

Texas won its fifth straight conference game Tuesday, marching past Baylor 4-2. Texas A&M got five-hit pitching out of Donnie Hullum to whip TCU 10-1, and Rice nudged SMU 3-2 for its first conference victory of the season.

SMU and the Aggies had entered the day's play knotted for second place, but the combination of the Aggie triumph and SMU defeat left the Aggies alone in second place.

The only action scheduled today is a non-conference game between Rice and Nebraska at Houston.

Texas was hitless going into the fifth inning at Waco, but broke loose for three singles, a double and a Baylor error to rush in three runs. The Longhorns fought off Baylor threats the rest of the way. Lee Harrington had a solo homer for Baylor in the seventh.

Hullum's pitching and an 11-hit attack made it an easy day for the Aggies. Gary Herrington and Dickie Thomas each had two-run homers for the winners.

Jerry Abernathy of Rice and Carl Schlemeyer of SMU matched five-hit pitching performances, but two hits and an error let in two Rice runs in the eighth and that was the difference.

Pony Netters Blank Tigers

The Tigers' freshman-sophomore dominated tennis team drew a blank in a dual meet with the Sweetwater Mustangs yesterday on the Towle Park courts, 9-0.

It was the first start of the season for the Tiger racquetmen.

Following are yesterday's results with the Mustang players listed first.

SINGLES

Brombley beat Danny Tankersley, 6-2; 7-5.

Franklin beat Chuck Warren, 6-1; 6-1.

Palmer beat Charles Easterwood, 6-0; 6-2.

Franklin beat Danny Tankersley, 6-1; 6-4.

DOUBLES

Smith-Durkee beat Bobby Taylor and Homer Ray, 6-1; 6-1.

Seale-Morgan beat Charles Hock and Tim Williamson, 6-0; 6-1.

Evans-Leach, beat Mike Moore and Mokey Hale, 6-2.

Smith-Durkee, beat Warren-Taylor, 6-2.

Seale-Morgan, beat Ray Williamson, 6-0.

The Tiger netters go to Colorado City today and then will host the Wolves tomorrow.

H-SU Golfers Win

ABILENE (AP)—Hardin-Simmons defeated the University of New Mexico golf team 3½-2½ yesterday.

WILL FIGHT IN NEW ORLEANS

Dupas' Racial Status Cleared

NEW ORLEANS (AP)—The legal maneuvering surrounding the racial status of lightweight contender Ralph Dupas developed a new twist today with the stylish New Orleans boxer given a vote of confidence by the State Athletic Commission.

The commission met last night and decided unanimously to uphold its previous sanction of a 10-round match next Monday between Dupas and welterweight Ramon Fuentes of Los Angeles.

The group disregarded the opinion of state assistant attorney general John E. Jackson, who advised the bout would violate state segregation laws which forbid competition between whites and Negroes.

The meeting did not concern the race of the 22-year-old fighter, but whether the group should heed Jackson's opinion.

Orleans Parish Appeals Judge Richard McBride Monday reversed a lower court ruling which ordered the City of New Orleans to issue Dupas a delayed birth certificate showing him to be white. McBride said the lower court lacks such jurisdiction to make the order.

The city has contended Dupas is actually Ralph Duplessis, a Negro born in adjoining Plaquemines Parish.

The commission resolution adopted last night said Dupas' racial status "should remain status quo until finally decided by the judiciary."

Sam Monk Zelden, one of the boxer's attorneys, said he would file for a rehearing in the next few days.

Jackson acted on the request of the commission after McBride's ruling and advised that a check of birth registrations showed Dupas to be registered as a Negro.

There is no certificate on file in the name of Ralph Dupas. The city contends that the Duplessis certificate in the parish registration office is actually that of the fighter. Dupas and his witnesses at the lower court hearing said there was no connection between Dupas and the Duplessis certificate, testimony which was accepted by the court.

The case went into civil district court last August. An aged Negro fisherman from Plaquemines Parish testified he was an uncle of the boxer, but Judge Rene Viosca said the man contradicted himself and discounted his testimony. Another witness testified Dupas was born in New Orleans of white parents, including a woman who said she was present at the birth.

Dupas is scheduled to meet lightweight champion Joe Brown of New Orleans for the title at Houston next month. Promoters have long sought the match for New Orleans, but because Brown is a Negro, they abandoned hope.

SCORES

TODAY'S BASEBALL

Baltimore vs San Francisco at Phoenix.
Pittsburgh vs Boston at Sarasota, Fla.
Chicago (N) vs Cleveland at Tucson.
Detroit vs Cincinnati at Tampa, Fla.

Lost 75 Pounds With Barcentrate

Barcentrate is the original grapefruit juice recipe for taking off ugly fat.

Mrs. John B. Templain, 1636 Fourth Ave., Port Arthur, Texas, wrote us that she had reduced from 210 pounds to 135, a total of 75 pounds. Before taking Barcentrate she wore size 42 dress; now 16.

Get Barcentrate at any drug counter. If the very first bottle doesn't show you the way to take off weight, easily, safely and without starvation diet, return the empty bottle for your money back.

IN THIRD MAJOR ATTEMPT

Bilko May Find Home In Cincy

The Associated Press

Steve Bilko is making his ponderous presence felt with the Cincinnati Redlegs after 13 seasons in organized baseball.

He had been considered nothing better than a "good hit, no field minor leaguer."

Purchased from Los Angeles of the Pacific Coast League last Oct. 8, Bilko (no relation to the sergeant of TV fame) is seeking to win a regular job with the Redlegs. He failed in previous attempts with the St. Louis Cards and Chicago Cubs.

Cincinnati decided to give him a try after he hit 56 homers and drove in 140 runs in the PCL.

Yesterday, the 6-1, 230-pound first baseman slammed two home runs and led the Redlegs to a 9-2 victory over Philadelphia. He ended a scoreless deadlock with a two-run blow in the fourth and repeated the trick in the seventh. Both homers came off southpaw Curt Simmons.

In addition to the team's skein, Boston pitcher Dave Sisler's hitless string also went down the drain. He had retired 33 consecutive batters in three games before Wally Moon opened the fifth with a double. The Cards went on to score three times in that frame.

Washington pulled out its victory in the 10th after scoring twice in the previous inning to tie the score.

Minnie Minoso clubbed three homers as the Cleveland Indians outslugged the Chicago Cubs 14-7. Minoso drove in eight runs. Ernie Banks homered twice for the Cubs.

Bill Skowron drove in eight runs with two homers and a single in the New York Yankees' 15-11 triumph over the White Sox. His grand-slammer off Bob Keegan in the seventh turned the tide.

Eddie Mathews drove in three runs with a pair of doubles and a single and Hank Aaron hiped with a home run as Milwaukee beat Pittsburgh 7-2.

The Cards ended Boston's eight-game winning streak by defeating the Red Sox 4-3. In other games, Washington edged Los Angeles 7-6, Kansas City trimmed Detroit 4-1 and San Francisco defeated Baltimore 4-1.

17 Tigers To Compete In Mustang Relays Tomorrow

Seventeen Tigers will participate in the 1st annual Mustang Relays to be held in Andrews tomorrow.

Coach Jim Stehley's Tiger cindermen are listed among the favorites in the Andrews meet.

Andrews, which edged the Tigers out for the Permian Basin Relays title at Kermit last week, 38-34½, is favored to win its own meet tomorrow.

But the Tigers, along with Midland, Odessa and Hobbs, N.M., could possibly make it "interesting" for the host Mustangs. Preliminaries are set for 2 p.m. tomorrow with the finals set for 7 p.m.

The meet will be run off in two divisions, Classes AA and A. Teams competing in Class AA are Brownfield, Colorado City, Odessa Ector, Hobbs, N.M., Kermit, Midland, Monahans, Odessa, Pecos, Snyder, Austin of El Paso, Odessa B, El Paso High and Andrews.

The Tiger hopes are built around hurdlers Bud Morgan and Rex Wilson. Morgan holds the state's best time in the low hurdles this season at 18.8. Wilson has the third best time in the state in the high hurdles at 14.5. The best time his held by Cunningham of Refugio at 14.3.

Morgan and Wilson are also good bets to place high in other events, Morgan in the broad jump and Wilson in the high jump. Morgan will be joined in the broad jump by Lynn Atkinson who won this event at Kermit last week with a leap of 21 feet 3½ inches. Morgan was second to Atkinson.

Bill Dubose is also expected to pick up some Tiger points in the high jump. Dubose and Wilson tied for first in the high jump in the Kermit meet, each clearing six feet.

John Ward will give the Tigers a third entry in the broad jump and high jump and in the two hurdles. In addition, Ward will run a leg on the 440-yard relay team that placed third in the Permian Basin Relays last week.

The Tigers will borrow baseballer Jimmy Allen for the Andrews meet. Allen will run the 100-yard dash and possibly the 220-yard dash.

The Tigers will go to Big Spring Friday for the ABC Relays.

Following are the Tiger entries for the Mustang Relays tomorrow.

120-yard high hurdles —Bud Morgan, Rex Wilson, John Ward.

100-yard dash —Lynn Atkinson, Jimmy Allen, Jesse Crawford.

440-yard dash—Marcus Strickland, Bo Brown, James Fitzgerald.

180-yard low hurdles —Morgan, Wilson, Ward.

440-yard relay — Morgan, Atkinson, Wilson, Ward.

880-yard dash — Stanley Woolever, Louis Cox.

220-yard dash — Atkinson, Crawford, Allen.

Mile run — Israel Hinojos.

Mile relay — Woolever, Brown, Strickland, Bill Dubose.

High jump— Morgan, Atkinson, Ward.

Pole vault — Dickie Martin.

Shot put — Mickey McGrew, Bill Rinehart.

Discus — Ronnie Giles, Hinojos.

Merchants Panel Plans Work Slate

The Chamber of Commerce merchants committee yesterday organized for the work year, adopted recommended merchant holidays for 1958, discussed the Christmas lighting and program here, and went over several other items in its first meeting of the year.

The committee, headed by Jake Phillips, adopted the same holidays as were observed last year. They are Memorial Day, May 30; Independence Day, July 4; Labor Day, Sept. 1; Thanksgiving, Nov. 27; Christmas Day, Dec. 25, and New Years Day, Jan. 1.

At the opening of the meeting, Bill Wilson was made vice-chairman of the committee, and Bill Balhorn was named recorder.

Phillips read the committee results of a survey made on how other area towns handle Christmas decorations, the cost, and whether the city of county participate in the cost there. The survey showed that practically all towns in this area have stopped using garland tinsel in decorations.

Bill Brown, member of the committee and manager of Texas Electric Service Co., advised against keeping garland in decorations. That which is still good and was not destroyed by wind last year, when used, should have insulators on each end of lines and could be hung in areas where there are wood poles, Brown said.

Initial cost of the garland decorations was about $5,000, while about $700 worth was added two years ago. The strings added later are still usable, Brown told the committee that wiring in the older strings, as well as some other wiring in older Christmas decorations, could be used in making other type decorations, cutting down on expense.

Phillips appointed a sub-committee composed of Wilson, chairman, Brown, and Bob Dryden, Bill Balhorn, and Joe Graham to take an inventory of what is now available for Christmas decorations and could be used, determine what could be done in setting up decorations, and give the committee a report on recommendations and estimated cost.

In discussing the Christmas program, committee members agreed that better protection for children should be provided in events involving Santa Claus. Phillips appointed a sub-committee of Myron Roe, chairman, Weldon Kincaid, Truett Loudamy, and Olan Griffith to study the Christmas program.

Possibility of a sales promotion event this year was discussed, and the discussion is to be continued at the next meeting.

Grady Elder, chamber manager, told the group that the extension department of the University of Texas has scheduled sales clinics here in May and June in cooperation with the Distributive Education Department of the high school. A public relations clinic will be held for a week beginning May 26, while there will be a retail grocery clinic for one week beginning June 30.

Treatment Is Outlined

HOUSTON (AP)—Dr. Oscar Batson of Philadelphia outlined new procedures for infected hand treatment yesterday before the Southwestern Surgical Conference.

He said the procedures, for practical purposes, involved bloodless incisions and do not interfere with future use of the hand.

Batson said infections can be treated without resorting to palm incisions that can cause scars, shrinkage, or the resultant loss of use of the hand.

He showed how incisions for infection drainage, in general, could be made in the web of the thumb and extend across the hand to the base of the little finger, avoiding a palm cut.

GOVERNOR AND DAUGHTER—New Mexico Secretary of State Natalie Buck holds her infant daughter, yet unnamed, believed to be the first child born to a "governor in office." Gov. Edwin L. Mechem, in a friendly plot, arranged to be out of the state while the baby was born by caesarean section Saturday in Santa Fe. Mechem's absence made Mrs. Buck acting governor, since New Mexico has no lieutenant governor at this time. (AP Wirephoto)

Some Price Cuts Begin To Appear

By SAM DAWSON

NEW YORK (AP) — A few price cuts are appearing here and there today even at the retail level.

In general, prices have defied the recession. The cost of living goes on fising although in many lines industrial output has tumbled. This makes this one a very costly recession.

Producers save their high costs make it preferable to try to bring supply into line with present demand by cutting back production rather than to try to boost demand by cutting prices and thus keep factories and mines working near to capacity.

But some industrial materials did fall in price — copper, lead, zinc and now aluminum. The big Canadian producer of aluminum says frankly that it is cutting the price in the hope of finding more customers in those fields where aluminum competes with other metals.

The consumer cares very little about the manufacturers' costs of fluctuations in the price of industrial materials. He's interested primarily in the final price to him.

Lower prices at retail are still quite spotty and inconclusive, outside of the usual clearance sales and the running battle between the discounters and the department stores.

But now two large mail order houses are out with new catalogues, showing in a number of instances price cuts of some 13 per cent since the start of the year. A third says it is readying some price cuts too.

Dropping of fair trade restrictions on retail prices by some makers of small home appliances has brought bargains — and sales — in these lines.

Surpluses in the oil industry have caused gasoline price wars in a number of localities, although the industry has cut back production of crude oil to the lowest point in a long time.

Car buyers are getting trade-in deals that are well below the suggested list prices of the car makers.

The latest big jump in the government's cost of living index was blamed largely on higher food prices.

But the index went up for other reasons too. The charge for services still increases. Transportation costs tend to go higher here and there. And rents haven't stopped their long slow uphill climb.

But the current popular theory that prices must always rise and that nothing can bring them down is far from proved. The consumer can hope at least for a few more price cuts from time to time.

Says State School Work Deteriorates

CORPUS CHRISTI —The former superintendent of the State Training School for Boys at Gatesville declared today that the school's program is deteriorating.

Dr. Herman Sapier, who resigned the Gatesville post in February, told a reporter: "It's heartbreaking to see the program we worked for six years to build sliding back to its previous state in just two months."

Sapier, now director of probation and psychological service at Martineau Juvenile Hall here, said an escape by 17 Gatesville boys Sunday indicates something is wrong.

"The alarming thing about the escape was not the fact that 17 boys left Gatesville," he said, "but in the fact that they used knives and forcefully held guards as hostages.

"Mass violence, once it breaks out, will break out again."

The last of the 17 escapees was captured yesterday at Clifton, Tex.

Sapier said that when a number of boys run away at the same time, it is a sign the administration has lost contact with inmates.

The training school is bulging at the seams and some of the inmates were sleeping on the floor because of the overcrowding, he said.

Fishermen Complain About Interference

TOKYO (AP)—A fishermen's delegation complained today that American military training areas off the Chiba Peninsula, immediately east of Tokyo, are driving away their sardine, bonito and mackerel catches.

The fishermen petitioned Japanese government agencies to abolish the training areas. They said four such already exist and the U.S. military has notified them it will establish a fifth soon, for aircraft antisubmarine exercises.

The American military had no immediate comment.

Rear Adm. Byrd and Floyd Bennett were the first men to fly over the Greenland Icecap and the first men to fly over the North Pole. Byrd was also the first man to fly over the South Pole.

Housing Bill Likely To Hike Home Building, Experts Say

By STERLING F. GREEN

WASHINGTON (AP) — Builders and housing officials predicted today the $1,850,000,000 Housing Act will help push home construction, but emphasized it is no panacea for the business recession.

President Eisenhower signed the Democratic-sponsored bill with a demand that Congress quickly correct some provisions which, he said, conflict with the private enterprise system and "burden the public purse."

But the Federal Housing Administration sped orders to its field offices liberalizing down payments as the law permits. Some builders have notified FHA they were waiting to advertise the new terms to prospective home buyers.

The 3 per cent minimum down payment now applies to FHA-insured mortgages of up to $13,500, instead of $10,000. On mortgage sums above $13,500, the down payment remains at 15 per cent and above $16,000, 20 per cent.

This means that a $14,000 dwelling which FHA calls the "typical," new house, may be bought for $500 down instead of $900.

FHA Commissioner Norman P. Mason said the lower down payment and the removal of discount controls would be a "boom to home buyers and the home building industry."

Mason did not mention the billion dollars earmarked to support the mortgage market. Congress added this fund as "an immediate stimulus to home construction." It was denounced by Eisenhower, who had asked only for 500 million dollars to be used at his discretion. He got the 500 million too.

The billion dollars is at the disposal of the Federal National Mortgage Assn. With this money and 200 million dollars released to FNMA a few weeks ago, that agency is able to tell lenders and builders they can go ahead with construction plans with the assurance the government will buy up any mortgages they choose to sell.

Some lesser officials predicted this would spur the industry in new selling efforts. One said privately it would provide builders and lenders with "an important reassurance that they can plan on bigger scale operations."

The National Assn. of Home Builders said the law could be of "tremendous benefit to moderate income families" who have been hampered by tight housing credit.

The new law authorized Eisenhower to boost the GI interest rate from 4½ per cent to 4¾ per cent. This, coupled with the decline in other interest rates, may cause lenders to look more favorably on veterans' housing loans.

Eisenhower criticized this provision on grounds that the rate should be more flexible—in other words, that he should be permitted to raise it higher if the situation warrants.

By failing to gear GI interest rates to market conditions and by requiring the government to buy such mortgages at par, the President said, "the legislation provides in effect for substituting one billion dollars of federal financing for financing by private investors."

Canadian Socialist Leader Out

OTTAWA (AP) — The voice in Parliament of the chief apostle of Canadian socialism has been stilled.

M. J. Coldwell, leader of the Cooperative Commonwealth Federation, went down to personal defeat this week in the general calamity that overtook all Canadian opposition parties. He had represented the Saskatchewan district of Rosetown-Biggar since 1935.

Coldwell, 69, said he never again would seek election to the House of Commons though he would continue to maintain an interest in CCF affairs.

"This ends my work in the House of Commons — work to which I have given the best years of my life," Coldwell said.

There was dismay among Prime Minister John Diefenbaker's victorious Conservative forces at Coldwell's defeat even though a Conservative, C. O. Cooper, unseated the CCF leader. Coldwell has been held in high respect by members of all parties and often had battled alongside the Conservatives during the Liberals' long years in power. Only two members of the last Parliament had served in Commons longer.

His health was a big factor in Coldwell's decision to turn his back on a parliamentary career. He suffered a mild heart attack a few months before the 1957 election campaign and had to reduce his speaking schedule. In the campaign before the latest election, a bad cold and fatigue forced him to take a 10-day rest.

Coldwell, who inherited the mantle of CCF founder J. S. Woodsworth, said he had no regrets, that he had had 23 "wonderful years" in Parliament and had made many friends across Canada in all political parties.

He said the CCF policy of democratic socialism will ultimately prevail in Canada "though perhaps not in my time."

Young Couple Weds Again

NEW YORK (AP) — A British heiress and a shipping clerk, world-trotting elopers, were married here yesterday for the second time in two months.

Dominic Elwes, son of a British portrait painter, and the former Tessa Kennedy said they went through the second ceremony because their first marriage in Havana was in Spanish and they "couldn't understand a word of it."

The couple was married on Jan. 27 by a notary public in Cuba after traveling from Scotland to find an official who would perform the ceremony. The bride's father, Geoffrey Farrar Kennedy, had obtained a writ to prevent the marriage in England or Scotland on grounds that his daughter, 19, was too young.

Elwes, 26, told newsmen the Havana wedding was legal and binding. Justice Henry Clay Greenberg performed the second ceremony in his chambers in State Supreme Court.

Veto Expected To Cut Farm Income

By OVID A. MARTIN

WASHINGTON (AP)—Farm leaders estimated today President Eisenhower's veto of legislation to freeze farm price supports at not less than 1957 level could reduce farmers' gross income from affected products by half a billion dollars this year.

By gross income is meant the amount producers received before paying production costs.

But this does not necessarily mean that total gross farm income would be reduced by that amount. It would be possible for returns from unsupported products—such as hogs, cattle, sheep, lambs, poultry, fruits and vegetables—to offset, if not exceed, the potential income reductions on the supported commodities.

The estimate of the lower income from supported commodities is based upon the assumption that market prices will drop as much as the price supports. Special economic factors could enter the picture to hold prices of some or all the products above the support levels, in which case the reduction would be smaller if not eliminated.

However, there appears to be nothing in the outlook to indicate that prices of most of the supported products will hold above the lower supports.

In vetoing the bill, Eisenhower in effect endorsed lower supports for wheat, corn, barley, rye, grain sorghums, dairy products, flaxseed, cottonseed, rice, dry beans and honey which Secretary of Agriculture Benson had ordered.

The supports for oats and soybeans were unchanged while that for cotton was increased.

Rough estimates of potential losses in gross income from commodities with lower supports included: wheat, 220 million dollars; corn, 120 million; dairy products, 200 million; barley, $800,000; rye, 2 million; grain sorghums, 7 million; flaxseed, 4 million; cottonseed, 5 million; rice, 17 million; dry beans, 2 million; honey, 200,000.

But increased supports for cotton could easily increase gross returns from that crop 150 million or more.

Another factor which promises to counter possible losses from lower supports is the prospect that government payments to farmers may run 150 million or so above last year's billion-dollar total. More payments would go out under the soil bank land retirement program than last year.

TEC Claims Service Here

Itinerant claims service is being extended to Snyder by the Texas Employment Commission beginning Thursday.

C. A. Shoemaker, district director of the San Angelo District for TEA, said the service will be available on a bi-weekly basis on Thursday afternoons.

Tomorrow will be the beginning date, from 1:30 to 3:30 p.m. from then on, service will be provided here on alternating Thursdays at the courthouse.

Local claimants now filing with the Texas Employment Commission at Sweetwater and Colorado City may take advantage of this service, Shoemaker said.

The service will be continued as long as a sufficient number of claimants in this area need and warrant it, the district director said.

The service will be rendered by the Sweetwater office of TEA, headed by David E. Harlow.

In Alexandria, Va., still stands the apothecary shop where George Washington had his medical prescriptions filled.

New York Quartet Charged In Theft

NEW ORLEANS (AP)—Four New York men face a grand jury indictment charging them with theft of $1,900,000 from the firm they are accused of buying with the money.

The Orleans Parish (County) grand jury yesterday returned the indictments against financier Sinclair Robinson and his associates, R. W. Phillips, Wilfred C. Allen and Rex V. Lentz. They were charged with using the money taken from Williams-McWilliams Industries, Inc., to buy control of the contracting and dredging firm.

Dist. Atty. Leon Hubert Jr. recommended bonds of $10,000 each.

Asst. Dist. Atty. James Garrison told the grand jury Lentz and Allen appeared at the National Bank of Commerce here during the morning of Nov. 7, 1956, and removed $1,900,000 in negotiable government bonds belonging to Williams-McWilliams. They had presented a note signed by Phillips as new president of the firm, Garrison said, although the old board did not approve the sale to the Robinson group until after noon.

"By an adriotly timed maneuver," Garrison said, "Robinson and his associates obtained the bonds by means of a false instrument representing that they had already acquired ownership of Williams-McWilliams, then they immediately employed the bonds as security to obtain release of a $1,700,000 pre-arranged loan from a Miami bank.

"With this money, which they obtained from the use of Williams-McWilliams bonds, they completed purchase of the controlling stock of Williams-McWilliams Industries."

In New York, Robinson issued a statement in which he categorically denied the charges and asserted that the New Orleans action "significantly comes just one week before the culmination of a proxy fight" for control of the company.

Teenagers Sought In Detroit Beating

DETROIT (AP) — Two teen-age youths were sought by police today in the beating of a woman teacher at Denby High School.

Mrs. Ethel Tincher, 45, said she was slugged in the face and stomach by the pair after she found them loitering in a hallway during class hours. She was treated at a hospital and released.

She said she did not think her attackers were students. She estimated their ages at about 18.

LEGAL NOTICE

NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS

THE STATE OF TEXAS
COUNTY OF SCURRY

TO THE RESIDENT QUALIFIED ELECTORS OF SCURRY COUNTY, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID COUNTY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held on the 19th day of April, 1958, in Scurry County, Texas, in obedience to an ELECTION ORDER entered by the Commissioners' Court of Scurry County, Texas, on the 24th day of March, 1958, and which order is as follows, to-wit:

ORDER FOR BOND ELECTION

THE STATE OF TEXAS
COUNTY OF SCURRY

ON THIS, the 24th day of March, 1958, the Commissioners' Court of Scurry County, Texas, convened in regular session at the regular meeting place thereof in the Courthouse at Snyder, Texas, the following members of the Court, to-wit:

EDGAR TYLOR county judge, Presiding; and T. B. KNIGHT, COMMISSIONER, Precinct No. 1; CULLEN H. TOOMBS, COMMISSIONER, Precinct No. 2; L. L. MOORE, COMMISSIONER, Precinct No. 3; DOYLE PARMER, COMMISSIONER, Precinct No. 4 being present, and among other proceedings had by said Court, were the following:

WHEREAS, the Commissioners' Court of Scurry County, Texas, deems it advisable to submit to the resident qualified property-taxpaying electors of said County, who own taxable property in said County, and who have duly rendered the same for taxation, a proposition for the issuance of the bonds of said County in the amount and for the purpose hereinafter set forth;

THEREFORE BE IT ORDERED BY THE COMMISSIONERS' COURT OF SCURRY COUNTY, TEXAS:

That an election be held in said County on the 19th day of April, 1958, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this order, at which election there shall be submitted to the qualified electors who own taxable property in said County, and who have duly rendered the same for taxation, for their action thereupon, the following proposition for the issuance of bonds, to-wit:

SHALL the Commissioners' Court of Scurry County, Texas, be authorized to issue the bonds of said County in the amount of ONE HUNDRED FORTY FIVE THOUSAND DOLLARS ($145,000), bearing interest at a rate not to exceed FOUR PER CENTUM (4 per cent) per annum, payable annually or semi-annually, and maturing at such times as may be fixed by the Commissioners' Court, not to exceed ten (10) years from the date thereof, for the purpose of purchasing and/or improving lands for County Parks, to-wit: a recreation, amusement and youth center in Towle Memorial Park; and whether there shall be annually levied and collected on all of the taxable property in said County for the current year and annually thereafter while said bonds of any of them are outstanding, a tax sufficient to pay the principal thereof and interest thereon as the same becomes due, pursuant to authority conferred by the Constitution and laws of the State of Texas, particularly Section 9 of Article 8 of the Constitution, Chapter 1, Title 22, and Article 6081 (e), Vernon's Annotated Civil Statutes of Texas, 1925, as amended?

That said election shall be held under the provisions of the Constitution and laws of the State of Texas, particularly Chapter 1, Title 22, Revised Civil Statutes of 1925, as amended, and all persons who are legal voters of Scurry County, Texas, and who are resident property taxpayers of said County, and who have duly rendered their property for taxation, shall be entitled to vote at said election.

IT IS FURTHER ORDERED that the ballots for said election shall be prepared in sufficient number and in conformity with Chapter 6, V.A.T.S. Election Code; and that printed on such ballots shall appear the following:

"FOR THE ISSUANCE OF $145,000 PARK BONDS AND THE LEVY OF TAXES IN PAYMENT THEREOF"

"AGAINST THE ISSUANCE OF $145,000 PARK BONDS AND THE LEVY OF TAXES IN PAYMENT THEREOF"

AS TO THE FOREGOING PROPOSITION, each voter shall mark out with black ink or pencil one of such expressions, thus leaving the other as indicating his vote on the proposition.

The Precinct number, voting place and presiding judges are as follows:

1. Courthouse, Northeast Snyder, M. L. Andress.
2. Schoolhouse, Cottonwood Flat, Guy Murphree.
3. Schoolhouse, Ennis Creek, H. B. Walker.
4. Baptist Church, Dermott, B. A. Moore.
5. Mercantile Store, Fluvanna, Harry Kingston.
6. Methodist Church, Union, H. L. Hogue.
7. Schoolhouse, Bison, Gilbert Richter.
8. Baptist Church House, China Grove, Martin Murphy.
9. Schoolhouse, Ira, Rex Falls.
10. Community House, Dunn, R. A. Hardee.
11. Schoolhouse, Lone Wolf, Hy Coldsway.
12. Farmers Gin, Inadale, C. H. Stahl.
13. Schoolhouse, Hermleigh, T. D. Leech.
14. Methodist Church, Camp Springs, J. O. Guinn.
15. Schoolhouse, Canyon, Orville Taylor.
16. Schoolhouse, Lloyd Mountain, T. S. Cross.
17. Courthouse, Northwest Snyder, Ray Lunsford.
18. Courthouse, Southwest Snyder, J. H. LeMOND.
19. Rig Motel, Crowder, J. E. Woodson.
20. Courthouse, Southeast Snyder, Marvin Gary.

SPECIAL CANVASSING BOARD
CECIL BOREN, M. O. PATRICK, MARTIN BROOKS

THE MANNER of holding said election shall be governed by the General Laws of the State of Texas regulating general elections.

A COPY of this order, signed by the County Judge of said County, and certified by the County Clerk, shall serve as proper notice of said election.

NOTICE OF SAID election shall be given by posting and publication of a copy of this order, at the top of which shall appear the words "NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS". Said notices shall be posted in each of the election precincts of the County of Scurry and at the door of the County Courthouse, not less than fourteen (14) days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks in a newspaper of general circulation published in the County of Scurry, the first publication to be not less than fourteen (14) days prior to the date set for said election.

The above and foregoing order having been read in full, it was moved by Commissioner Moore and seconded by Commissioner Toombs that the same do pass. Thereupon, the question being called for, the following members of the court voted "AYE": Commissioners Knight, Toombs, Moore and Parmer; and none voted "NO".

PASSED AND APPROVED this the 24th day of March, 1958.

(s) Edgar Taylor, County Judge, Scurry County, Texas.

(s) T. B. Knight, Commissioner, Precinct Number 1.

(s) Cullen H. Toombs, Commissioner, Precinct Number 2.

(s) L. L. Moore, Commissioner, Precinct Number 3.

(s) Doyle Parmer, Commissioner, Precinct Number 4.

IN WITNESS WHEREOF, I have hereunto signed my name officially and affixed the seal of the Commissioners' Court of Scurry County, Texas, this the 24th day of March, 1958, pursuant to authority given by law and the above order of the Commissioners' Court of said County.

(s) Edgar Taylor, County Judge, Scurry County, Texas.

ATTEST:

(s) Dan Cotton County Clerk and ex-officio Clerk of the Commissioners' Court of Scurry County, Texas.

(Com. Ct. Seal)

Woman, Bus Driver Knifed

SHREVEPORT, La. (AP)—A Kilgore woman and a bus driver were knifed yesterday by a man police said went berserk on a bus.

Deputies said Henry Poole, 69, of Shreveport, was arrested when the bus arrived from Texarkana.

The victims were identified as Mrs. Frances Newton, 20, of Kilgore, and H. C. Foster, 44, the bus driver. Neither was in serious condition.

B. W. McKay of Little Rock, another passenger, said Poole boarded the bus at Vivian, La., and became unruly. When cautioned by the driver, McKay said, Poole started forward with the knife in his hand. Mrs. Newton was cut as she tried to stop Poole from reaching the driver, he said.

Poole was subdued by two men police said sat on him until the bus reached Shreveport on schedule.
