PURELY PERSONAL

When worlds collide. This is the only time of the year when major segments of the sports world compete for fans and news. We currently have the usual fall football madness embracing the high schools, the colleges and the professionals. Also, the professional basketball season is underway for about an eight month run. We are now finishing the baseball season with a cliff hanging World Series.

At this juncture in the year those who do not like sports would be better off in a monastery.

*****

Very shortly we as citizens will be called upon to exercise one of the duties of that honorable estate. That is to vote and elect new legislative and executive representatives at various levels of government. We hope that the voters will give some deep thought to the position of the candidates as well as the general philosophies of the parties they will represent.

As some food for thought we will present a column by Bill Tate who writes for the Rio Grande Sun in Espanola, New Mexico.

Tate Says – It is difficult for me to believe that in this "enlightened" age that just a century ago that the "Know Nothings" were able to elect a President of the United States, but it's not to hard when you stop to think that this is the decade of "the crazies," the time when they have taken over.

These are the dogooders. They have forbidden the use of insecticides when millions of acres of our forestlands and crops are being destroyed by the voracious appetites of sanguinary, unfriendly, and not so nice bugs.

They have thwarted the construction of huge dams and generators while millions of workers are unemployed and our country is starving for more energy that could end our way of life; forcing the use of coal that's polluting our atmosphere, making our cities almost uninhabitable, has killed thousands of miners with black lung disease, cluttering our highways and railroads with its transport, and ripping up the landscape of our lands of the big sky.

They are damaging our auto industry, the backbone of our economy, vehicle is the world's most efficient transportation system, giving us mobility to every corner of our land at no cost to the taxpayers; crying oil shortage at a time when we're suffering an oil glut, the likes of which the world has never seen, with reserves on a scale unheard of before, with neighbors on both sides with huge oil fields and faltering economies. Mexico alone has 470 billion barrels in reserve.

Flagellating us for avarice and cruelty for the long since dead generations, when our generation of workers are paying backbreaking taxes to pay for the feeding and rebuilding half the nations on earth, 100's of thousands of our dead, and many times as many are maimed fighting for the freedoms of people all over the world.

In a very real and perilous period in history the time has come that common sense and rationality must take over, and we put an end to all of this stupid nonsense.

Think it over!!

Halloween Scene

Halloween preparations are many this time of year, and what picture of the holiday would be complete without the traditional pumpkin? Pictured in the Halloween setting, complete with a soon-to-be jack-o-lantern, are Elcio Silva, son of Dr. and Mrs. Robert Silva, and Tammy Obenshain, daughter of Mr. and Mrs. Harlan Obenshain. They are the 8th grade candidates for Halloween Carnival Queen and King. The Carnival will take place Saturday night, Oct. 28, in Farwell Schools' old gym beginning at 6 p.m. and the coronation will be in the school auditorium about 9:30 p.m. (Photo by Clay Williams)

Farwell City Fathers Consider Rate Hike

Farwell City Council Monday night considered the possibility of adding a surcharge to the present sewage rate of $2.20 per month. The extra funds would then be placed on certified deposit and saved toward the day when the city will need to build new facilities. At the present rate of expansion the Council felt that such a project might be necessary within five years. It was pointed out that the surcharge would only help defray the cost, not pay for the entire sum.

The Council said that the present rate has been maintained for the past 16 years and that surrounding communities charge around $3 or more each month.

They agreed to study the matter further before taking any action.

The Council also accepted the resignation of Jack Landrum, head of the city's sanitation department, effective by the end of the month. That decision was announced after a short executive session.

At the request of residents living on Manana Street near the Loop, the Council agreed to install a fire plug closer to the residences in question. Cost of the project will be around $300.

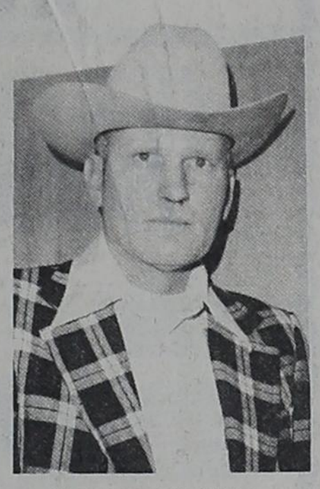

Residents voiced their request after re-applying for home insurance, and being informed that the nearest fire plug was located a block and a half away from their residence, much too distant for the company to approve the policy.

The Council also discussed drafting an ordinance pertaining to controlling the consumption of alcoholic beverages in public places. Before taking any action they decided to consult with other towns concerning any possible ordinances they might have pertaining to the subject.

Attending Monday's council session were Mayor Walter Kaltwasser, Commissioners Johnny Curtis and Fred Chandler, and city employees Janie Bowery, Landrum, John Johnson, Carrell Watkins, Dee Hammit and Ronnie Mitchell.

Carrell Watkins Seeks Justice Of Peace Post

CARRELL WATKINS

Carrell Watkins has authorized this newspaper to announce that he is a write-in candidate for the office of Justice of the Peace, Precinct 1, Farwell.

In making his announcement, Watkins issues the following statement:

I want to take this opportunity to announce that I am a candidate for the office of Justice of the Peace, Precinct 1, on a write-in vote, in the General Election on November 7, 1978.

The reason that I decided to become a candidate on a write-in vote is because several people came to me and asked me to run on a write-in vote. After discussing it with these and others and considering all the circumstances I decided to give the people a choice in this race for Justice of Peace, Precinct 1.

I have lived in Farwell for three and one-half years. I have been in business here and have pastored the Calvary Baptist Church. I have been involved in the activities of this community and feel that I understand the problems that we must deal with. I am a member of the Lions Club and have worked on community projects with them.

I have pastored churches in Andrews, Hamlin, and El Paso in Texas, and Alamogordo, N.M., as well as here in Farwell. At the present time I am moderator of the Cavernes Baptist Missionary Association, and moderator of the Baptist Missionary Association of New Mexico. I am married to the former Lois Stewart and we have four children; Tracie 17, Trudy 16, Tim 13, and Tommy 11.

If elected I will carry out the duties of the office of Justice of the Peace fairly and impartially. Remember to go to the polls on November 7 and write in the name Carrell Watkins, for Justice of the Peace, Precinct 1. I will appreciate your support.

Many spirit boosting activities have been planned for next week, reports James Harding, high school principal.

A new aspect of the homecoming celebration will be the coronation of the Queen and King slated for Monday, Oct. 23, at 7 p.m. MDT in the high school gymnasium. In past years the Homecoming Royalty has been crowned during half time activities at the football game. The junior class is in charge of coronation activities.

Varsity football players selected the following Queen candidates: Tonye Harrington, senior, daughter of Mr. and Mrs. Moreland Harrington; Celia Johnson, senior, daughter of Mr. and Mrs. Bob Johnson; Teresa Turner, senior, daughter of Mr. and Mrs. David Turner; Lori Harrington, junior, daughter of Mr. and Mrs. Eddie Harrington; and Roxanne Cherry, junior, daughter of Mr. and Mrs. Chuck Sluder.

Reid; Johnny Maben, senior, son of Mr. and Mrs. C.J. Maben; Britt Crooks, junior, son of Mr. and Mrs. Arlye Crooks; and James Hadley, junior, son of Mr. and Mrs. Raymond Hadley.

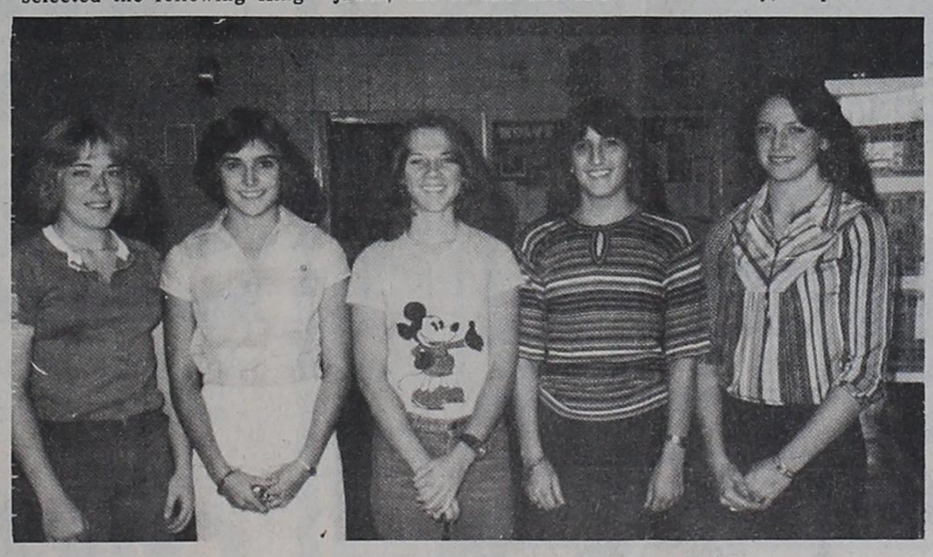

Next Tuesday students will be required to dress in the style of the 1950's. Wednesday has been officially declared "costume day," reports Harding.

The Homecoming parade will begin at 4:30 p.m. MDT next Thursday. A water polo match and a car bash will follow at the school. The traditional bonfire will begin at 7 p.m. MDT.

The Texico-Farwell Kiwanis club will sponsor a pancake supper next Friday at the cafeteria from 4-7 p.m.

The Booster Club will sponsor an alumni-student reception following the game. Junior class parents are having a dance at the community center also after the game.

The Homecoming game will climax the week of activities as Texico meets Tatum at 7:30 p.m. Texico 1975 graduates will be honored during the game.

Commissioners Okay Bookmobile Financing

Parmer County Commissioners decided Monday of last week to participate in the Bookmobile four-county operation budget for one year on the following percentages of the 1979 budget.

Lamb County will pay 36.5 percent; Parmer, 27.5 percent; Cochran, 15 percent and Bailey County, 21 percent.

County Judge Paul Fortenberry stresses, however, that these percentages are not the percent of population agreed to at the outset of the program which have continued through 1978.

In a statement issued by Fortenberry, who spoke on behalf of the County Commissioners, it was noted that the original Bookmobile Agreement was entered into on November 14, 1966, by and between the City Council of Muleshoe and the Parmer County Commissioners Court.

According to paragraph three of that document, the county agreed to the following: "The fair share cost of operation of this service is calculated on the basis of percentage of population in each county of the total population in the four counties as indicated by the estimated 1965 population in the Texas Almanac of 1965-66."

The four counties involved -- Lamb, Parmer, Bailey and Cochran, agreed then to assume the following percentages of the cost of the total program, 42, 25, 20 and 13.

The Bookmobile had operated smoothly on this basis since its start, and has grown immensely, Fortenberry said. This procedure of percentage of total population of the four counties placed the Bookmobile in a position to be available to every person in the four-county area. Those desiring to use it have that privilege. Those not wishing to use it are not required to do so, but it is available to all, Fortenberry continued.

Last spring Lamb County commissioners court objected to paying its percentage share. At that time they threatened to withdraw from the program, but the other counties held firm and Lamb County agreed to pay its percentage share for 1978 only.

Recently the same question was again raised by Lamb County, Fortenberry said. The new proposal raised by the commissioners of Lamb County complained that the percentage method should be changed. They cited two reasons for this.

First, the number of books read by the people of other counties, especially Parmer, is over their percentage, compared to Lamb County.

"The fact that the Bookmobile is available to every person in Lamb County the same as it is to those in the other counties seems to be of no consequence," Fortenberry said. "It appears that the percentage agreement is being completely disregarded. The fact that those who use the Bookmobile are being penalized seems of no regard."

He went on to say that the Parmer County Commissioners all agree that if any county, especially Lamb or Parmer, would withdraw its support, the whole Bookmobile Service could not operate.

Fortenberry said they realized that "it was a good and necessary service."

He explained that last week they were notified that the county commissioners in Bailey and Cochran counties had agreed to the proposal submitted by the Lamb County Commissioners Court.

Insofar as the Bookmobile is considered to be necessary to the county, Fortenberry said they reluctantly agreed to the proposed changes, which raises the county's share of the Bookmobile expense two and one-half percent.

Top Three Guessers Call 11 Games Right

If last week's contest is an indication -- admittedly it is difficult to set a pattern in the weekly topsy turvey game of chance -- then area gentlemen football prognosticators are "getting on the ball" and closing the gap on the previously proficient female entrants.

Week before last three women may have taken top dollars, but last week was a different story as two men took the first two places in the weekly guessing exercise and two others moved into a tie for first place in the over-all contest.

Of course, the women contestants were not to outdone either as one landed in third while another tied for first place in the overall contest.

Best guessers in the sixth week of the contest each called 11 games right. David Cochran garnered the first place check of $7.50 by calling all but one correctly and being 31 points off the tiebreaker. It did appear that none of the top winners anticipated that Boys Ranch would ride roughshod over Farwell to the tune of 44-22.

Steven B. Smith claimed second place and the check for $5 by missing the tiebreaker by 43 points. Mrs. J.H. Eubank, who was 45 points off the tiebreaker, took third place and the check for $2.

Sixteen persons are still "hanging in there" as they managed to record 10 correct games on their entry forms last week. It wasn't enough to earn them weekly prize money, but it might be enough to give them a running chance in the overall contest.

Those with ten right last week were J.D. Carson, Lezlie Castleberry, Marcia Cole, Gary Green, Greg Hromas, Mrs. E.A. Key, Jack Kirkland, Lorine Dannheim, Ann Liethen, Ruth Newell, Champ Porter, Dale Sikes, Jean Smith, Jack D. Wardlaw, Mark Williams and Judy Smith.

Three people are in a three-way tie for first place overall with 50 points each. They are Karen Lusk, Champ Porter and Jerry Roddam.

Only one point separates the second place overall leaders from those in first place. Those having 49 total points are Lorine Dannheim, Eugene Lonsdale, Sr., and Marilyn Rains.

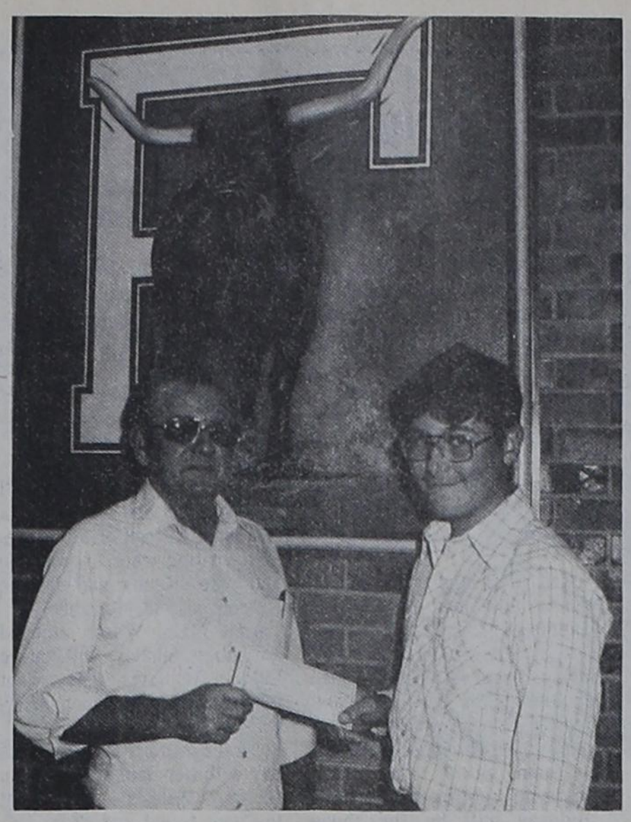

A mere one point also continues to separate those in third, fourth and fifth places.

Occupying third overall with 48 points are Marlon Inman, Greg Hromas, Jack Allan Kirkland, Judy Smith and Beulah Williams.

Fourth place belongs to the following people who have 47 points each: David Dannheim, Nicky Liethen, Carlton Newell, Robin Roberts, Radney Robertson, Dale Sikes and Steven Smith.

Those in fifth place with 46 points are Jim Berry, Brent Green, Mrs. E.A. Key, Jack Kirkland, Ridley Lonsdale, Tim Lusk, Sheree Montgomery, Terry Newell, Earlene Porter and Steve Taylor.

Since the contest is only at the halfway mark, any of the leaders may still emerge as winners. It's not too late for anyone to enter and win the weekly prize money of $7.50, $5, or $2.

Weekly Contest Winner

Steven B. Smith, right, won the second place weekly prize in the area Merchants' Football Contest by calling 11 games right, but missed the tiebreaker by 43 points. Bill Roberts of Interstate Fertilizer, one of the sponsors of the contest, presents the check for $5 to Smith. David Cochran, first place winner of $7.50, was unavailable for picture. Mrs. J.H. Eubank placed third and received a check for $2. Both Cochran and Mrs. Eubank also called all but one game correctly. Cochran was 31 points off the tiebreaker and Mrs. Eubank missed it by 45 points.

SHERIFF'S REPORT

Parmer County Sheriff's Department has been investigating the theft of a .38 caliber hand gun from a pickup located at the Charles Myers Jr. place, six miles north of Friona.

Several tools and a CB radio were taken from a combine belonging to T.C. Tuck of Kansas, Sheriff Lovelace said, adding that Tuck is a professional combiner and that his vehicle had been parked near Farwell.

Farwell City Marshal's Report

Farwell City Marshal Ronnie Mitchell reported that Francisco Perez, 29, of Muleshoe appeared before municipal judge Carrell Watkins Monday and was fined $50 for shoplifting.

Mitchell also reported that he has issued several citations for speeding in the school zone.

Final Rites Friday For Mrs. Walding

Funeral services for Mary Wilma Walding, 94, a resident at Farwell Convalescent Center, formerly of Texico, were conducted Friday at the Parson-Ellis Funeral Home of Friona. The Rev. C.H. Murphy, pastor of the First Baptist Church, officiated. Graveside rites were held Saturday in Resthaven Cemetery at Norman, Okla.

Mrs. Walding was an aunt of Beulah Williams of Farwell, Judge Stone of Texico and Hal Stone of Clovis. Mr. and Mrs. Judge Stone and Mr. and Mrs. Ray Stone of Amarillo were in Oklahoma for the graveside services.

Mrs. Walding died Wednesday. She was born Oct. 3, 1884 at Alpena, Ark. She moved with her parents to Johnson County, Tex., where she married J.F. Walding.

With her husband, she owned and operated a grocery store there for several years before moving to Oklahoma. Her husband preceded her in death in 1957. She was a Baptist.

Survivors include a sister, Anna Norman of Sun City, Ariz., and several nieces and nephews.

Hill backs tax relief on ballot November 7

"We've got a great opportunity Nov. 7 to take a significant first step toward tax relief in Texas. I'm urging everyone to vote for the proposed constitutional amendment to give tax relief to our farmers and ranchers, homeowners, and elderly. After this amendment is adopted, I'll be ready to take the lead in the 1979 legislature to follow through on this first step."

Side Dish For Baked Chicken

What's more "natural" than stuffing with chicken? Well, how about Corn Stuffing -- made the easy way with a package of stuffing mix.

Here's how: about 15 minutes before the rest of the meal is ready, prepare a package of stuffing mix using the "less moist" directions, adding one 12-ounce can of corn with peppers with the stuffing crumbs. Stir to moisten, cover, remove from heat and let stand 5 minutes.

So good with baked chicken, you might also like to try it with a ham steak or pork chops!

GOLD AND SILVER

Although prices were high, American consumers bought more real gold and silver accessories in 1977 than in 1976, reports Beverly Rhoades, a clothing specialist.

The largest jewelry consumption, however, was in gold tone, she points out.

Accessory consumption in real gold and silver and in gold and silver tone are expected to increase even more in 1978, the specialist says.

Miss Rhoades is with the Texas Agricultural Extension Service, The Texas A&M University System.

5-1 Record - -

Texico Crushes Capitan

Texico Wolverines, the number one ranked Class A team in New Mexico, shut out sixth ranked Capitan Friday night at Capitan, 33-0.

The Green and White running backs almost stole the show again as they rushed for 474 yards. Duwain Hill led the way with 16 carries for 201 yards and two touchdowns. Barry Goode gained 135 yards on 22 carries, and Keith Hadley rushed 11 times for 120 yards. Herbert Bibbs filled in with four carries and 20 yards followed by Ricky Foreman with two carries for 13.

Texico and Capitan battled to a scoreless tie in the first quarter of action; however, from then on the game was all Texico's. Hadley began Texico's scoring romp with a 10-yard run in the second quarter. Britt Crooks kicked the PAT and Texico took a 7-0 lead.

Later in the second period Hill rushed 24 yards to paydirt, but the extra point try was no good. Texico retired to the dressing room at halftime with a 13-0 lead.

In the third quarter, Hadley jaunted in from the eight. The PAT failed, but Texico had increased its lead to 19-0.

Hill caught a Hadley pass and bounded six yards for the next score. Texico again missed the extra point try, but the Green and White moved ahead by 25 points.

The final score came in the fourth quarter when Goode went in from the three. K. Hadley ran the PAT for two and Texico finished the game 33-0.

The Green and White now stand 5-1 for the season.

Wolverines Of The Week

DUWAIN HILL

ROBERT THORNTON

Duwain Hill and Robert Thornton have been named the offensive and defensive "Wolverines of the Week", respectively. Hill earned two touchdowns and carried the ball 16 times for 201 yards. He also made nine tackles. Thornton had six unassisted and five assisted tackles to his credit. He made one fumble recovery. Defensive honorable mentions went to Jimmy Reid and David Cavallero.

Texico Junior High Loses To Ft. Sumner

Texico Junior High Wolverines lost a good, well-matched game to Ft. Sumner, 22-8, Saturday. The local boys lost the game after leading 8-0 at the half.

Texico's lone score came when James Kelley hit paydirt. He also ran the pigskin in for the two extra points. "James played his best game of the year," Coach Cecil Davis said.

According to Davis, the most outstanding aspect of the game was the determination and hard running of the offensive backs. James Kelley, Willie Bibbs, Sammie Garcia, and Todd Geries all put forth a good effort, he said.

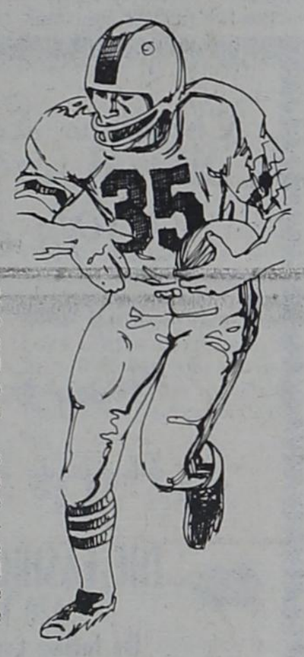

Even though coaches usually tend to be tight lipped about the officiating of any particular game, Coach Davis felt compelled to make the following brief statement about Saturday's game.

"It is terrible to play with referees who aren't certified. We had so many penalties called against us the second half that the game turned into a parade with the referees doing all the stepping and marching. I just don't like to subject young players to that type of environment."

Jerry Sadberry and his junior high band were also on hand for the game. "Everyone complimented their good playing," Davis said, adding, "the players liked the support and expressed a desire for the band to always go to the out-of-town games."

The young Wolverines now have a 3-2 record. Their remaining games include Yucca this Saturday and Tatum next Tuesday. Both games will be played away from home.

Davis said that if they win the next two games they will end the season with a 5-2 record, one of the best records in junior high football history. The best record so far, he added, is 4-1-1 set during the 1975-76 school year.

Texico's This, That And The Other

The Texico Junior class is selling chocolate covered almonds for $1.25 a box.

Seventh grade P.E. class members were issued football helmets last week, according to Coach Cecil Davis. The students do not have any practice or scheduled games, but are taught how to take care of the helmets and mouthpieces. All 16 of the seventh graders plan on playing football in the eighth grade.

******

The seventh grade class is having a garage sale Saturday, Oct. 28, from 10 a.m.-4 p.m. MDT, at 823 Lamar, home of the Ed Goodes.

They are accepting any items to be put in the sale. All proceeds from the garage sale will go into the Gary Cain Trust Fund.

The following group pictures will be made Monday, Oct. 23 by Whit's Studio: Senior Remakes, Volleyball, Jr. High & High School Football Remakes, Student Council, Elementary, Jr. High, & Varsity Band, Pep Club, FFA, FHA;

Topliff Sizes Up Texico Grid Win

"We played one of the poorest first halves of the season," Coach Paul Topliff commented following Texico's 33-0 trouncing over Capitan Friday night at Capitan.

"We should have put the game away in the first half but we didn't. "We experienced a mental letdown after the Ft. Sumner game."

During the halftime conference the Texico coaches told the Wolverines to "get it together" and play their positions well.

"We played a good second half," Topliff said, "but it was still not our best game." "The true character of a team is shown by playing poorly and still winning," he continued. "We have not hit our peak yet."

Topliff said that "stupid mistakes" in the first quarter prevented the Wolverines from scoring twice. "We were stopped on both the three and the seven yard lines during different series of plays."

Even though individual Wolverines "gave good efforts" Topliff said that the victory was a total team effort. "We really do not have any one person dominate on either offense or defense. Everyone usually puts forth superb efforts."

He also praised the offensive line and Coach Roy King for his work with the offensive linemen.

Duwain Hill who earned 201 yards on 16 carries and scored two touchdowns was given the offensive "Wolverine of the Week" honors for the third time this season. Topliff called Hill's gains "hard yardage." Hill also had nine tackles to his credit.

Robert Thornton, with six unassisted and five assisted tackles, was named defensive "Wolverine of the Week." He also recovered one fumble. Honorable mentions went to Jimmy Reid and David Cavallero.

Cavallero also received the "hardest hit" recognition, with runner-up honors going to Eloy Ortiz. Johnny Maben was given the specialty team honors for "good kick off recoveries."

Topliff said he was very proud of the defense because six players had more than nine tackles to their credit and four had eight.

The Wolverines will meet the Melrose Buffaloes at Melrose tonight (Friday) at 7:30 for their final District 2-A game. However, it will be the first district game for Melrose, whose record stands 4-2. Topliff said he expects the game to be a tough contest because "Texico and Melrose always play a good game."

If the Green and White win tonight, they will be the undisputed district champs, something Texico has not experienced in recent football history.

Topliff added a note of appreciation "to the loyal Texico fans who have been following the Wolverines even to the out-of-town games." A bus load of spirit boosters were on hand for the Capitan conflict as well as past games.

Hill Named Runner-Up Player

Duwain Hill, Texico fullback, has been named the runner-up Amarillo Globe-News Player of the week following the Wolverines 33-0 rout over Capitan Friday night.

Hill increased his total yardage past the 700 mark with 201 yards on 16 carries. He also scored on runs of 24 and 5 yards.

Coach Paul Topliff told the Amarillo newspaper "I think Hill is an all-state candidate."

The first life preserver was invented in 1841 by Napoleon E. Guerin of New York City and contained 18 to 20 quarts of grated cork!

Most good farmers don't wait until planting time to buy Pioneer® brand seed . . . not anymore.

The best farmers seem to think that having the seed with the greatest potential is too important to leave to chance. So ordering next year's seed as soon as they've seen this year's results is becoming a habit . . . practically a tradition.

Why? Because, when you compare Pioneer performance to brands that are always available and compare the advantages of ordering early to the disadvantages, you've got to pick up the phone and call a Pioneer dealer.

AND TO CAP IT OFF — Pioneer will acknowledge your early order by sending you a sprightly green, foam-lined gabardine cap.

That's All, Raul

A Boys Ranch defender seems to be telling Steer Raul Garza (#24) "that's all for this time," as he grabs Garza to pull him down after a short gain. Farwell's offensive output of 22 points was not enough as the visiting Roughriders outscored the home team and took the non-conference game 44-22.

Roughriders Ride Roughshod Over Hapless Farwell Steers

by Radney Robertson

The Farwell Steers, in hopes of pulling off a win in their last non-conference game of the season, played host to the Boys Ranch Roughriders Friday night. But the visitors spoiled the home team's hopes by walking away with a 44-22 victory. The loss sends the Steers into district competition with a 2-3 record.

Despite two first quarter touchdowns by the Blue and White which gave them a 14-6 lead going into the second quarter and brightened their hopes of a victory, the Roughriders proved too much as they scored six more times before the sounding of the final buzzer. The only other score for the Steers came in the closing seconds of the game.

Boys Ranch won the toss and elected to receive. The Farwell kick-off gave the visitors their first possession of the ball on their own 15-yard line. They moved the ball out to the 28 before fumbling. Bruce Mayfield jumped on the pigskin, and the Steers took over on the opponents' 28-yard line. Two plays later, Randy Geries pulled down a Robin Roberts aerial and stumbled five yards into the end zone for the first score of the night. PAT attempt by Roberts was good, and with 9:08 left in the first quarter the Steers led 7-0.

But the Roughriders weren't to be downed for long. They took the ball on their second possession and began downs on their own 29. Five plays later, Roughrider Ollie Johnson dashed 37 yards for a Boys Ranch touchdown. The PAT kick was good, but a 15-yard penalty forced the opponents to try again. The kick fell short, and the Steers maintained a one point edge, leading 7-6 with 6:56 left in the first quarter.

The Steers then returned the Boys Ranch kick-off to their own 32 where they began 1st and 10 to go. Two plays later Raul Garza ran 35 yards, and on the same play Boys Ranch was penalized 15 yards. This set up a Farwell first down on the Roughrider 26. Then Roberts cranked up again. this time throwing 26 yards and hitting Mark Owen for another Steer TD. Roberts was successful once again on the PAT attempt and the Steers widened the lead to 14-6.

The Steers once again kicked to their opponents, who returned the kick to their own 25. The Roughriders advanced to the 39-yard line, and on first and 10 went to the air. James Castleberry intercepted the ball and returned it 35 yards. But the Blue and White was penalized 15 yards for clipping, and the ball was moved back to their own 49. On the next play, Boys Ranch recovered a Steer fumble and took over on their own 45. But after three downs the visitors were forced to punt. The Steers took over on their own 43, and were also forced to punt after three downs. The kick rolled into the end zone, and was brought out to the Boys Ranch 20 as the first quarter ended.

The Roughriders were again unable to move the ball and facing a fourth and 7 from their own 23 punted the pigskin to Castleberry, who returned it to the opponents 36. Two plays later the Steers again fumbled and Boys Ranch took over on their own 29. On first and 10, Roughrider Shawn Lightfoot dashed 71 yards for another Boys Ranch score. The opponents faked the PAT kick and went for two on an attempted pass. But Steer Rowdy Chandler batted the ball away from the intended receiver and the Steers maintained a 2 point edge, leading 14-12.

Well, if the game had followed its previous course of action, the home team should have been on the board with another score on their next possession. But the game from this point took a change of pace, which proved to be fatal to the Steers.

The Blue and White took possession on their own 25, but were unable to spark an offensive drive and on fourth and 4, the Steers lined up to punt. But before Mark Owen could kick the ball away, a host of Roughriders came through to block the kick. The ball rolled into the end zone where Boys Ranch fell on it to gain another TD. The PAT attempt was no good, but nevertheless, Boys Ranch had jumped out ahead, leading the Steers 18-14 with 8:29 remaining in the half.

Farwell then took over on their own 20-yard line. The Steer offense was again forced to punt, and Boys Ranch took over on their own 44. The visitors then picked up a first down on the Steer 43, and two plays later QB Eddie Taylor, on a screen pass, hit Ollie Johnson who in turn ran 27 yards for another Roughrider TD. PAT attempt was again unsuccessful and Boys Ranch led 24-14 with 2:24 left in the half.

The Steers then took over on their own 20, and on first and 10 the Roughriders picked off a Farwell pass and returned it to the 3-yard line. A 15-yard penalty set them back to the 18, and two plays later, Farwell recovered a Boys Ranch fumble to stop another scoring threat. The Steers were unable to get on the board, and the half ended with the board reading Boys Ranch 24, Steers 14.

The second half began with Farwell receiving the Boys Ranch kick-off and returning it to the 25-yard line. The Steers again had trouble holding onto the ball and Boys Ranch recovered a fumble on the Steer 24. The Steer defense was able to stop their opponents on fourth and 6, and the offense took over on their own 20, only to lose another fumble to the visiting team. This time the Roughriders capitalized on the Steer mistake and moved the ball 21 yards for another TD. The PAT run by QB Taylor gave the opponents two more points, which advanced their lead to 32-14 with 6:56 left in the third quarter.

The Steers were again unable to move their ball on the next possession and punted to their opponents, who began first and 10 on their own 26. After moving out to the 37-yard line, Taylor broke loose and scrambled 40 yards before Steer Max Lonsdale chased him down on the Steer 37, preventing another TD. The quarter ended after the visitors had advanced to the Steer 3-yard line, but only 1:03 into the fourth quarter, Johnson crossed the goal line to hit paydirt for another Boys Ranch TD. The PAT kick was short, and with 10:17 left in the game, Boys Ranch had taken a commanding 38-14 lead.

The Steers received the kick-off and began downs on the 41-yard line. But the ball went over on downs, and Boys Ranch took over on the Steer 44. On fourth and 8, the opponents faked the punt and gained a first down on the Steer 22. Then Lightfoot once again crossed the goal line for the last Boys Ranch score of the night. PAT kick was blocked, and the Roughriders had a 44-14 lead.

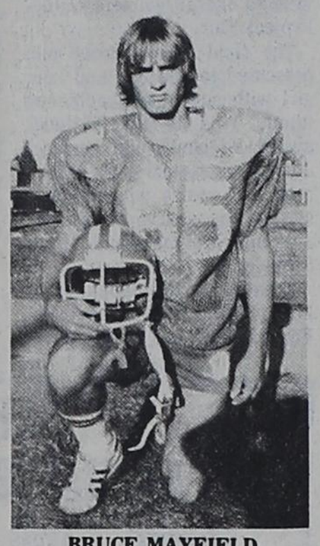

Later, Kirk Magness stopped another Roughrider scoring threat and set up a scoring drive for the Steers as he intercepted a pass on his own 14. The Steers were then able to move all the way to the opponents' 2-yard line, and with 15 seconds left in the game, QB Mark Owen crossed the goal for a long-awaited Steer TD. The PAT pass to Chandler was good, and the Steers upped their score 8 points. But the final buzzer rang with the score still lopsided, reading Boys Ranch 44, Farwell 22.

Alana Talks Of Steer Loss To Boys Ranch

"The offense played pretty good," Coach Don Alana said following Farwell's 44-22 loss to Boys Ranch Friday night. "However, the defense did not play well together as a team. There were no good individual efforts," he pointed out.

The loss drops Farwell to 2-3 for the season.

"We did not play as well as we have in the past or as well as we are capable of doing," he continued.

Bruce Mayfield, who graded the highest overall on both the offense and the defense was given the "Steer of the Week" honors. He was also named the "outstanding offensive linemen."

Quarterback Robin Roberts was named the "outstanding offensive back." He consistently did the best job, according to the coaches, completing six passes -- two for touchdowns -- and kicking two PAT's.

Willie Martin was named the "outstanding forcing unit man." He graded over 90 percent on defense.

Boyd White was named the "outstanding secondary man." He graded highest on each overall defensive play.

The Blue and White begin conference play this Friday at Springlake-Earth. According to Alana, the Springlake-Earth Wolverines have "yet to win a game this season." The Green and Gold have 16 lettermen on the squad including 11 offensive starters and eight defensive starters.

Bryan Vaughn, an offensive and defensive starter from last year, is an asset to the team according to "Top-O-Texas" magazine. He was honorable mention in both All-District and All-South Plains.

Also receiving those same honorable mention honors were Keith Clayton and Rudy DeLeon. DeLeon was the Wolverines' second leading tackler last year.

Yearlings, JV Lose To Tough Muleshoe

Farwell Junior Varsity lost a 6-0 squeaker to the Muleshoe freshmen Thursday of last week. The combined 7th and 8th Yearlings team lost 27-0.

Coach Mike Martin said, "We played fairly well but not as good as in past games."

"The young kids have a lot of work to do but they have the makings of a good team," he said.

******

Even though the Yearlings lost coach Larry McDorman said that both he and coach Glen Morton were pleased with the way they played.

"It was one of their better games. It was the first time they blocked man to man and did a good job," McDorman explained. "Overall Alan Eubank did a good job of passing the ball to Manuel and Frank Cantu. Raymond Sierra also ran pretty well," McDorman said.

He continued saying that by the time they start district play next week they should get a little better.

This Thursday the Yearlings and the JV were to host Springlake-Earth. Game time was to be 5 p.m. Next Thursday they will travel to Bovina.

Of the varsity players coach Glen Morton said Trini Garcia, Rhonda Dean, Tammy Hernandez and Dolly Bermea were the high scorers.

For the JV he cited Rhonda Spears, Hortensia Galvan and Sharon Kalbas as the top three scorers.

Morton said that since this is the first girls volleyball teams to play for Farwell it is a building year for them. Muleshoe, on the other hand, has fielded a team for the past four years, he said.

"It hurts to lose," Morton said, "but we learned where we need to put the most work."

"I am proud of all the girls out for volleyball," he said. "If we keep at it we will be good eventually."

The Steerettes and the J.V. will host Bovina Tuesday, Oct. 23.

Farwell Church of Christ

GOD'S CHOSEN PEOPLE TEMPTED HIM, following their deliverance from Egyptian bondage. This sin contributed to their complete failure. (Lev. 17:6-7). They also tempted God by requesting meat for their lusts. (Psa. 78:17-20).

WE ARE WARNED not to make the mistake of tempting God. (Heb. 3:6-15). Christ would not tempt God. He replied to one of the devil's special temptations by saying, "It is written again (Deut. 6:16), You shall not tempt the Lord your God." This is the example for us.

WE TEMPT GOD by intellectual doubt; when we make rules which we expect God to follow; when we complain about God's established order, and try to change it; when we expect God's approval of us in our self-chosen ways; or when we try to put God's revealed truth to the test, and thus cast doubt on that truth.

IF WE SEEK SIGNS, we tempt God. "The pharisees also with the Sadducees came, and tempting desired him that he would show them a sign from heaven . . . . A wicked and adulterous generation seeks after a sign; and there shall no sign be given unto it, but the sign of Jonah." (Matt. 16:1-4. No signs are being given today.

WE TEMPT GOD when we do not obey his specific instructions and when we complain about or resent his established order for life.

Awards Presented At 4-H Banquet

Parmer County 4-H Awards Banquet was held October 3 at the Friona High School Cafeteria. Purpose of the banquet is to honor outstanding 4-H'ers for their achievements throughout the year.

The banquet began with a welcome from Lisa Darby of Farwell. Shain Rhodes of Friona gave the invocation.

After dinner, Lisa McGehee of Lazbuddie led the pledge of allegiance. The 4-H motto and pledge were led by Wendy Jarman of Lazbuddie.

Lisa Darby, mistress of ceremonies, introduced special guests and 4-H Club families.

Joan Carson of Bovina and Tom Mesman of Farwell read the highlights of the 1977-78 4-H Club year.

Year pins were presented to 4-H'ers who had turned in records of their projects.

County Commissioner Jimmy Briggs of Lazbuddie assisted in presenting Achievement Awards. These awards are presented to 4-H'ers who had record books go to district competition.

Special awards this year went to overall winners of the Project Fair.

The Gold Star awards are presented to one boy and one girl with outstanding achievement. This is the highest award a county can bestow. Joan Carson and Tom Mesman last year's winners presented this year's awards to Johanna Mesman and Mike Schueler.

Johanna is the daughter of Mr. and Mrs. Ben Mesman of Farwell. She has been active in the Farwell 4-H Club and carried many projects. Johanna is interested in a career in veterinary medicine.

Mike is the son of Mr. and Mrs. Herbert Schueler of Rhea. He is president of the Friona 4-H Club and has also carried several projects. Mike plans a career in agriculture.

Special guest at the banquet was Martha Couch, District 2 4-H and Youth Specialist with the Texas Agricultural Extension Service. Martha encouraged 4-H'ers and their families to consider 4-H a family organization, not just a youth organization.

The benediction was given by Mike Schueler of Rhea.

Sponsors of the banquet are the Bailey and Deaf Smith county electric cooperatives.

The Blue and White had trouble holding onto the ball in the game which was the last non-district meet of the year. This Friday night the Steers will be guests of the Springlake-Earth Wolverines as they open District 3-A action.

End Of Punt Return

Steer James Castleberry (#30) is almost at the end of a punt return as Boys Rancher #88 closes in for the kill. COMFORT ONE ANOTHER

Increasing world tension and the present trend of events in the Middle East are filling many with fear, and there are even sincere believers in Christ who fear that perhaps the "Great Tribulation" of prophecy, with all its horrors, is at hand.

It is true indeed that even Paul's epistles warn this world of its judgment to come. "The day of the Lord," he says, "so cometh as a thief in the night...

"For when they shall say, *peace* and *safety*; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape" (I Thes. 5:2,3).

But *before* this time comes, the Lord will recall His ambassadors, as the apostle tells us in the preceding passage:

"For the Lord Himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

"Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air: and so shall we ever be with the Lord.

"WHEREFORE COMFORT ONE ANOTHER WITH THESE WORDS" (I Thes. 4:16-18).

This is the event with which "the dispensation of the grace of God" will be brought to a close. Then will follow "the day of His wrath," but even as Paul goes on to tell about this in the passage which follows, he reassures the members of Christ's Body that they will not be included among those to whom the Lord will come as "a thief in the night."

"Ye, brethren, are not in darkness, that that day should overtake you as a thief. Ye are all the children of the light...God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ, who died for us... Wherefore comfort yourselves together..." (I Thes. 5:4-11).

Traditional Columbus Day

Students in Billie Worley's 6B music and art class at Farwell Elementary recently constructed these puppets from salt boxes and told the traditional story of Christopher Columbus in rhyming form to the fifth and sixth grade classes. The characters are, from left, King Ferdinand, Queen Isabella, Columbus and two Indians. Puppeteers are members of the class also.

Modern Columbus Day

Farwell students in Billie Worley's 6A music and art class fashioned these puppets from ordinary salt boxes and staged a modern version of the story of Christopher Columbus for all the elementary students. Puppets are, from left, a maid, King Ferdinand, Queen Isabella, Columbus, two Indians and a sailor.

"The heart that loves is always young." Greek Proverb

Farwell 6th Graders Stage Puppet Shows

by Shirley Gorman

Creativity abounds in Farwell Elementary School. Anyone who doubts that, even for a moment, should have attended the recent Christopher Columbus puppet shows staged by the 6A and 6B music and art classes. The instructor is Billie Worley.

Besides fashioning their puppets from salt boxes, the students also decorated them appropriately as the explorer and the people he was associated with.

Besides Columbus himself there were King Ferdinand, Queen Isabella, several Indians, a sailor and a maid.

Sixth grade students also operated the puppets themselves, and each group built its own "stage."

The 6B students chose the traditional version on the ageless story of the man reputed to have discovered America. They told the tale in rhyming form, performing for the fifth and sixth grade classes.

The 6A students selected to spice up and modernize the story of one of history's greatest figures. Working with an original script, plus a few additions, the youthful puppeteers had Columbus traveling in a submarine, with Pizza, Hamburger Helper, and Dr. Pepper among his passengers.

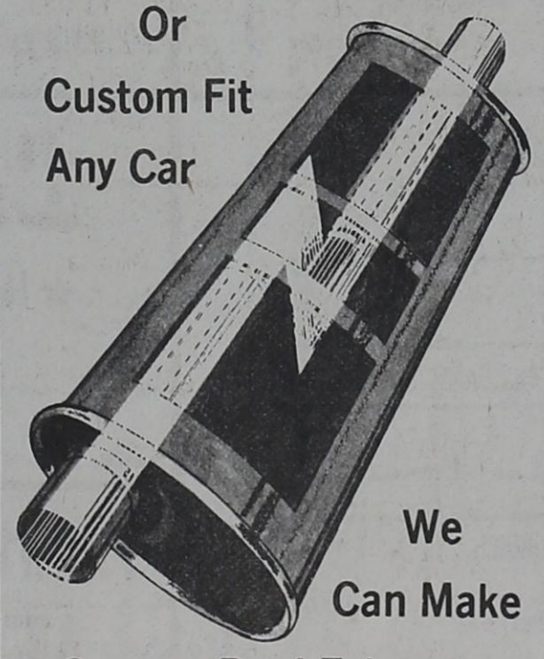

After discovering America, Columbus returned to Spain with an Indian named Holly Day whose family owned a chain of motels across the land known as the Holly Days Inns.

In between scenes they played Beatles' music. This play was staged for the entire elementary school.
