

MUENSTER ENTERPRISE

VOLUME XXXI

MUENSTER, COOKE COUNTY, TEXAS 76252 AUGUST 18, 1967

NUMBER 39

Hasty decisions sometimes become cause for regret, and it is possible the Cooke County School board has had second thoughts about its decision last week concerning boundary changes in its previous division of the dormant Myra school district among the Muenster, Lindsay and Era districts.

A statement released after the meeting implied that two petitions had a big influence on the members' decision. One of them, with twenty four signatures, asked for boundary line changes which would enclose the property of the signers in the Muenster district. The other, with ninety seven signatures, asked that boundaries remain as they were established by the board on June 29. The board ruled in favor of the 97 signatures.

At first glance that seems like the reasonable thing to do. The ratio of signatures was four to one in support of keeping the line as it was. However, there was a big difference in the nature of the two petitions, and there is some question as to whether the board gave sufficient thought to that difference.

Signers of the smaller petition were seeking an adjustment which all of them regarded as very important. They wanted their children and their property to be assigned to the district of their choice. They wanted their children to attend school at Muenster as a matter of right, not as a favor deriving from transfers, for which they had to apply every year.

They wanted to avoid possible problems that might result if the school board declined to honor their applications — a situation which has come up in the past and can come up again.

They wanted to avoid the transportation hardship which the present arrangement imposes on their children. School law does not permit a school bus to enter another district to pick up students. As transfers the children concerned either have to walk or parents have to provide special transportation to a legal load and unload location on the bus route. As residents of the district the children can be picked up at their homes.

Finally the 24 signers wanted their school taxes to help support the school of their choice.

Now consider what was implied in the 97-signature petition. It asked the board to keep district boundaries as they are. It did not involve the status of their own children or property. Rather it asked the board to deny the appeal of the other group, an appeal for what the other group considered its rights, an appeal for the same consideration the 97 had already received.

Of course there can be another motive, from which they wish to reap some positive benefits. Perhaps they want taxes of the people concerned to go to their favorite district. Perhaps they think their favorite school will eventually gain in enrollment when the parents and pupils concerned get tired of the inconvenience of transferring.

Even so the petition has very little merit when compared to the other. The fact that it had four times as many signers adds nothing to its real value. It's principal feature is that it is a negative document asking the board to deny the rights requested in the other document.

If the board chooses to be impressed by that petition it should, in fairness, ask for another petition — the disinterested persons in support of the requested changes. It would probably discover that names on that list would outnumber the other four to one.

But that isn't the issue. Regardless of the number of disinterested supporters on each side they should all be disregarded, and the judgement should concern only the rights of parents and children involved.

Another fact is relative to this issue. Before dividing the Myra district the county board stated that its intention, so far as possible, was to place each family in the district of its choice. That intention has been mostly achieved. Those who wished to be assigned to Era and Lindsay have been accommodated. So have several who wished to be assigned to Muenster. But the good intention seems to have fizzled before the job was finished. The 24 persons of the petition, who could also have been assigned to the district of their choice, (Continued on page 10)

KC Council Plans Major Initiation; 12 in First Degree

Twelve young men of Muenster joined the local K of C Council Wednesday night in first degree initiation ceremonies held in the K of C Hall.

It is the first step toward a major initiation planned here in September but still to be dated. Councils of Gainesville, Denton, Sherman, Denison and Pilot Point have been invited to join in that initiation and the date convenient to all has not been announced.

Officers of the Oak Cliff Council, No. 3593, were guests of the Muenster council for conferring the degree. Others there were District Deputy B. J. Coffey of District 47, also visitors from Dallas, Oak Cliff, Gainesville and Denton councils.

New members are David Fisher, Robert Fisher, Thomas Flusche, Thomas Fuhrmann, Eddie Hellman, Pat Hennigan Jr., Dennis Hess, Leon Knauf, Steve Kralicke, Donald Stofels, Ricky Stewart, Robert Dale Walterscheid.

Muenster Team Grabs Opener in Softball Tourney

Muenster's softball team, sponsored by The Center, won its first game in the current double elimination tournament following the regular Cooke County Softball League season.

They trimmed Gainesville National Bank 5-2 Monday night and will play their next one at 8:15 Friday night.

Opening the game Joe Felderhoff singled and stole the next three bases. Then Dennis Hess tripled and scored on an error.

The bankers tied it in the second on a hit and a pair of errors.

Muenster broke the tie in the fifth. Wolf took base on a fielder's choice. Next Dennis Hess singled and an obliging error allowed him to go all the way around with Wolf ahead of him. In the sixth Roy Reiter singled and came around on an error and Hartman's single.

Muenster hitters were Dennis Hess a triple and a single, Roy Reiter 2 singles, Joe Felderhoff, Tommy Herr and Alvin Hartman each a single.

Hartman pitched for the Center giving up three hits and no walks while fanning three. Price allowed seven hits and no walks and got no strikeouts.

Last Friday night the Center had a satisfying 7-1 win, but it does not show on the record. It was a practice game with Bell Telephone of Gainesville.

29 Report for First Practice Of Hornet Squad

Twenty nine Hornets reported Monday night for the first '67 practice session at Muenster High School and two more are expected.

It's an eager crowd of hard working kids, says Coach Glenn Richardson, but no outstanding talent. They will have to develop lots of teamwork and give each other lots of help. The same applies to weight. There are a few huskies but the team over-all is light.

Only three of the boys are seniors: Herbie Sicking, Tommy Trachta and Mike Felderhoff. Nine are juniors: Dale Cash, Mike Cason, Don Hartman, Mark Hellman, Mike Hennigan, Ken Swirczynski, Paul Rennels, Robin Wimmer and Alcuin Schilling. Ten are sophomores: Bobby Bruns, David Fette, Tommy Henscheid, David Stormer, Joe Klement, Andy Knabe, Terry Miller, John Felderhoff, Dale Hellman and Henry Sicking. The nine freshmen are Gary Cash, Leon Klement, Tim Hartman, Ross Felderhoff, John Schneider, Glenn Felderhoff, Mike Jaska, Earl Koelzer and Tim Hennigan.

After a week of conditioning in shorts the Hornets will put on the pads Monday and practice just four days before their first test. That will be a scrimmage with Allen High here on the 25th. A week later they will be at Prosper for another practice scrimmage. After that they'll be playing for the record.

Indications are that practically all of the boys will have a chance at the action. Seven B games are booked for the reserves and Richardson is looking for more.

Cynthia Bindel's Essay Is First in National Contest

Miss Cynthia Bindel learned this week that she won first prize on her essay in national competition at the 51st annual convention of the National Catholic Women's Union held in Pittsburgh, Pa., August 5-9.

Topic for the 1967 essay was "How Can I Share My Blessings?"

Miss Bindel's essay was awarded first prize in the state contest conducted by the Texas branch of the National Catholic Women's Union during the annual convention of the Catholic State League in Windthorst last June.

She is the daughter of Mr. and Mrs. Wilfred Bindel and will be a junior at Sacred Heart High when the new term opens. Her essay won first among student entries at Sacred Heart during the past term when she was a sophomore.

National award is a \$50 cash prize. State award was an engraved plaque.

NEWS OF THE SICK

Wilfred Bindel was dismissed from Baylor Hospital Thursday and is continuing convalescence at home from back surgery. Mrs. Bindel went to Dallas Wednesday to help her husband observe his birthday. Nicest present was the good news that he was ready to leave the hospital the next day.

From Dallas came word Tuesday that Mrs. Eddie Hart is critically ill in a Dallas hospital. She is the former Verna Stelzer of Muenster. Her sister Olive, Mrs. John Chandler, wrote their uncle and aunt, the Bill Stelzers, about Verna's very critical illness.

Mrs. Leo Rohmer is a patient at Muenster Hospital since breaking a hip at her home. She was admitted Sunday.

HOSPITAL NOTES

Thursday: Admit — Mrs. Martha Glassey, Nocona, Mrs. Gene Owen, Lindsay.

Friday: Admit — Owen baby boy born. Dismiss — Mrs. David Black, Myra. Mrs. Don Flusche and baby girl.

Sunday: Admit — Mrs. Jerry Boyd, Saint Jo, Mrs. Leo Rohmer.

Tuesday: Admit — Mrs. C. H. Christian, Forestburg, Mrs. Francis Fisher, Mrs. Hubert Felderhoff.

Wednesday: Admit — Robert Zimmerer, Lindsay, Bert Hesse.

Library Party for Tots Set Aug. 22

Children's summer reading program has come to an end at Muenster Public Library. Final books to count for credit toward certificates were issued Tuesday this week. The three-month program began May 15.

Mrs. Joe Luke, librarian, has announced that reading certificates will be awarded next Tuesday, Aug. 22, at a party. At the same time prizes will be presented to the boy and girl who read the greatest number of books. Those who participated are asked to total the books they have read and give that figure to library personnel.

The party at the library next Tuesday is for all children, not just those who participated in the program. Mrs. Luke said. She invites all youngsters to attend.

She also issued a reminder that library day will be only on Thursday during the school term.

Trustees Adopt \$194,903 Budget For School Year

A budget of \$194,903 for the coming scholastic year was adopted by the Muenster school board at its meeting last Thursday. The figure is an increase of \$49,112 over last year's budget, reflecting an estimated increase of 130 to 140 in enrollment.

The big item of the estimate was \$133,668 as the year's cost of instruction. Principal other items were \$16,952 for administration, \$7,325 for transportation, \$13,362 for operation and maintenance of the school plant, \$2,250 for student activities, \$5,000 for furniture and equipment, and \$16,026 in debt service.

Principal sources of revenue and the amounts expected from them are as follows. Revenue from local tax, based on a rate of \$1.50 on valuation of about \$6.5 million, is estimated to be \$96,600. Per capita apportionment from the state is estimated at \$69,000 and the foundation fund allotment is estimated at \$34,275. Other expected revenues are \$10,000 for transportation, \$2,000 for vocational education and \$1,000 for Title 2 of E&S Education act.

According to those estimates of expense and receipts the school should be able to end the year with left over funds which can be applied on the cost of new classrooms and athletic building, which are estimated at \$85,000.

Superintendent L. B. Bruns told the board that this year's budget reflects considerable guesswork, because the enrollment estimate remains very indefinite. And an increase or decrease of that estimate will likely result in corresponding increase or decrease in both expense and revenue.

Two substantial increases of revenue are shown in this year's budget. Local tax total will get the benefit of a raise in rate from \$1.00 to \$1.50, approved by an election the past year, and also the benefit of higher total valuation, resulting from addition of part of the former Myra district. The increase of receipts should be near \$35,000.

Foundation fund and transportation allotments from the state appear on the budget for the first time this year, and represent a gain of \$44,275 in revenue.

Combined gain from the two increases is about \$80,000 a year.

County OK's '68 Budget

A budget of \$810,244 for the year 1968 was adopted Monday by the Cooke County Commissioners Court. The figure represents an increase of \$92,440 over estimated expenditures for the current year.

Revenue to finance the county has been estimated at \$917,896, an increase of \$177,218 over expected receipts of this year.

The proposed budget was prepared and presented to the court of County Auditor Tom Blount. It includes an expected boost of \$1,066,449 in the county's valuations for a new total of \$49,748,039. The county's tax rate continues at 80 cents per \$100 of valuation.

One of the principal items of the new budget is a pay increase for all elected officials. The proposed new salaries and the amount of increases are as follows. County judge, \$9,240, up \$840; tax assessor-collector, \$7,728, up \$708; county clerk, \$7,728, up \$708; sheriff, \$8,136, up \$744; county attorney, \$9,240, up \$840; county treasurer, \$5,808, up \$288; county commissioners, \$8,131, up \$739; justice of peace precinct 1, \$5,808, up \$528; justice of peace precinct 6, \$3,000, up \$275.

Principal sources of expected revenue are ad valorem tax, \$372,750; auto license fees, \$175,000; fees, \$147,900; state funds, \$42,924; balance from 1967, \$72,000.

Principal expenses are: administration, \$347,644, road and bridge fund, \$333,076; road and bridge lateral, \$35,924.

Mr. and Mrs. Ben Luke returned last Friday after vacationing a week with their son, Gene, and family at River Falls, Wisconsin.

SISTER ROBERTA HESSE will leave Saturday to be a missionary nurse in the Belgian Congo at Djuma. With companions from Our Lady of Victory Convent, Fort Worth, she will fly to Belgium for a visit at the motherhouse of the Sisters of St. Mary Namur before going to Africa. Sister Roberta, a registered nurse, volunteered for the foreign assignment after serving as superior at OLV Convent. She is a daughter of the late Mr. and Mrs. Joe Hesse.

News of the Men in Service

At Overseas Station

Spec. 4 Wayne Cler writes his parents, the Werner Cler, of safe arrival overseas for assignment in Thailand. His address is 16th Engr. Co., 538th Engr. Bn., APO San Francisco, Calif. 96233.

Ends Army Tour

Spec. 5 John Walterscheid returned home Tuesday as a civilian again after three years in Army uniform, with overseas duty in Thailand. He was separated from the service at Fort Hood. Johnny is the son of Mrs. Alfons Walterscheid.

From Marines to College

Milton Fette, formerly of the Marines, is a civilian again. He was discharged on August 5, is making plans now to continue in college. He will attend North Texas State University.

Separated From Service

Tom Fuhrmann who rose to petty officer third class during his three years in the Navy has been separated from the service. He was discharged at his home base, Virginia Beach, Va., and is presently visiting his parents, the Val Fuhrmanns. Tom served aboard the aircraft carriers Constellation and Forrestal in foreign waters including Cuba, Japan, the Philippine Islands, Hong Kong and the Gulf of Tonkin off the coast of Vietnam. He was off the Forrestal, back on shore duty about six weeks at the time of the Forrestal's fire.

Busy In Vietnam

U. S. ARMY, VIETNAM (AHTNC) — Army Sergeant Clinton A. Endres, 20, son of Mr. and Mrs. Ed Endres, is participating in "Operation Pershing" in Vietnam, with other members of the 1st Air Cavalry Division. He and other members of the division have evacuated more than 19,000 refugees from coastal areas to numerous refugee centers in secured areas as well as inflicting heavy damage on the Viet Cong. During the search and clear operation, he has been engaged in dragging the VC from their vast network of tunnels and bunkers. They had been driven underground by constant U.S. Artillery and air strike. Sgt. Endres is a squad leader in Company C, 2nd Battalion of the division's 5th Cavalry.

On Overseas Leave

Pfc. Earl Cunningham is on overseas leave until Aug. 24 visiting his parents and family the Herb Cunninghams. He has been training at Fort Lewis, Wash., and will return there to join his outfit for a trip to Vietnam.

Charles and Andy Klement and Danny Yosten have returned from an eight-day trip to St. Paul, Minn., where they visited the Klement brothers' relatives of the Raleigh family, saw the Minnesota Twins and Washington Senators play, did extensive sight-seeing in the area and in Wisconsin and toured the Crystal Cave.

Group Contests Myra Division

Last week's decision by the Cooke County School Board to leave division boundaries of the dormant Myra School District as they were established by the board on June 29 did not settle the Myra division problem.

The 24 petitioners, whose request for assignment of their property and children to the Muenster district was turned down by the board, have formally protested the decision and

engaged counsel to seek a reversal.

Thomas Felderhoff, one of the signers, said Tuesday that the case has been turned over to Jack Gray and John Sullivan, Denton attorneys, with instructions to take necessary legal steps toward getting the changes asked in the petition.

He could not say precisely what action they would take or when.

When the county board met on August 8 to consider requests of the 24 petitioners for changes to put them in the Muenster district, it also had another petition, with 97 names, asking the board not to change boundaries. The board ruled in favor of the longer list.

However the merit of the longer petition is disputed on grounds that it only asks the board to deny the rights of the other 24 petitioners.

Those who want boundary changes placing them in the Muenster district are Messrs. and Mmes. J. W. Fleitman, A. C. Sicking, Albert Rohmer, Hubert Felderhoff, Anton Fleitman, O. G. Rennels, C. A. Sherrill, Leon Fuhrmann, Thomas Felderhoff, Clyde L. Fleeman and Frank Bayer; also John Walter and Walter Bros. by Al Walter.

Five Blocks Get Sand-Asphalt Top

Five more blocks of asphalt-sand pavement are being installed by the city. Work is in process now on a cooperative deal by the county and the city, like the Maple Street project earlier in the year.

The process consists of mixing sand and asphalt then shaping and packing it.

Three blocks of the pavement are on Second Street from Main to Maple, the other two are on Elm from First to Third.

Former Muenster Girls Make Vows In Convent Rite

Muenster was well represented at religious ceremonies in Jonesboro, Ark., on August 15, the day annually set aside for making vows in the order of Olivetan Benedictine Sisters at Holy Angels Convent. Former Muenster girls participated in the service.

Three made perpetual vows: Sister Olivia, daughter of Mr. and Mrs. Felix Yosten; Sister Clare, daughter of Mr. and Mrs. Leo Sicking; and Sister Silvaria, daughter of Mr. and Mrs. Raymond Zimmerer.

Joining the novitiate was Janice Yosten, daughter of Mr. and Mrs. Larry Yosten.

Those parents and family members attended. Also there were Mrs. Richard Grewing, her daughters Carol and Janice Grewing and Margaret Kralicke and Kaye Klement.

The Felix Yostens were accompanied home by both their nun daughters, Sister Olivia and Sister Estelle Marie for a week's vacation visit.

Garden Club Has Hanging Basket Exhibit at Meet

Members of Muenster Civic League and Garden Club exhibited their hanging baskets at the organization's meeting Monday night at the home of Mrs. R. N. Fette with Mrs. Earl Fisher as co-hostess. It was a back yard meeting.

The baskets were the club's horticultural project for the year. They were planted in the spring. At the meeting they were displayed and evaluated as members told the joys and sorrows connected with planting and growth.

During the business session Mrs. Fisher, retiring president, presided and Mrs. Ernest Jaska discussed the new year books she and her committee have lined up for the coming year.

Mrs. Dan Luke, retiring vice president, was in charge of installing new officers. They will resume their duties in September.

Before the installation ceremony she handed each incoming officer a friendship candle, lighting the first one. They in turn lighted their candles, one from the other. Mrs. Luke also listed duties and responsibilities of officers.

The new roster is composed of Mrs. Pat Stelzer, president; Mrs. Ernest Jaska, vice president; Mrs. Steve Mosier, treasurer; Mrs. R. N. Fette, secretary.

After adjournment the hostesses served iced lemonade and cake from a pretty table arranged by Mrs. Dan Luke. The board was covered with a full-length brown cloth and centered with a pyramid of fresh fruits and flowers in shades of lime, yellow and orange. Three hurricane lamps in those colors also adorned the table.

Attending were 16 members and four guests: Mmes. Bill Luke, Tony Luke, Arnold Henscheid and David Bright, and two honorary members, Mmes. J. M. Weinzapfel and Ben Luke.

Tiger Team to Be Low in Quantity High in Quality

The emphasis is on quality rather than quantity on the Tiger football squad this season. Only 19 reported for the first practice session Monday night but they combined a great deal of experience including a few hot shots.

Awaiting Coach Thomas Williams for the first workout were 7 seniors, 6 juniors, 3 sophomores and 3 freshmen. Practically all but the freshmen are lettermen. They can field a stout team of starters but will be short on reserve strength.

Shortage of schedule continues to be Williams' biggest problem. He helped the situation slightly this week by signing Windthorst for November 10, there. That makes a total of seven. He is beginning to lose hope for three more games and a pair of scrimmages.

The roster at this time consists of Seniors: Stan Endres, Steve Hess, Tommy Hess, Gilbert Hess, Ben Fleitman Jr., Robert Miller, Chris Walter; Juniors: Kenny Schmitz, LeRoy Hess, Clifford Sicking, Glen Schoech, Danny Schmitt, Ken Stoffels; Sophomores: Jerry Schmitz, Melvin Schilling, Paul Bayer; Freshmen: Fred Fuhrmann, Tim Bindel, Billy Bayer.

BIRTHS

Announcing a daughter are Mr. and Mrs. Bill Richter of Enid, Okla., proud parents for the first time. Their little girl, Gena Marie, weight seven pounds four ounces arrived Friday, Aug. 11, 9:20 a.m. in St. Mary's Hospital at Enid. Grandparents are Mr. and Mrs. Johnnie French of Sivils Bend and Mr. and Mrs. Virgil Taylor of Gainesville. Mrs. French left Sunday to get acquainted with her first grandchild. Mrs. Taylor accompanied her to make her granddaughter's acquaintance.

Mr. and Mrs. Gene Owen of Lindsay are parents of a son born at Muenster Hospital 8:20 a.m. Friday, Aug. 11, weighing six pounds 11½ ounces. The little boy is a baby brother for Paula and Harold, a grandson for Mr. and Mrs. Clarence Owen of Fort Worth and Mrs. Ruth Dodson of Gainesville and another great-grandchild for Mrs. Joe Pautler of Muenster.

Mr. and Mrs. Raymond Haverkamp of Lindsay have announced a daughter, weight five pounds seven and a half ounces upon arrival at Gainesville Hospital Thursday, Aug. 10. Others welcoming the newcomer are a brother Stephen and sisters Carla, Sandy and Sheila, and grandparents, Mr. and Mrs. Matt Fuhrmann and Frank Haverkamp Sr.

ACLU PROTECTION PROMOTES SUBVERSION

The American Civil Liberties Union is a powerful organization of propagandists and lawyers who have used our courts for the purpose of twisting the law and the Constitution to serve the revolutionary purposes of Marxists.

Americans were stunned when in November of 1965 the ACLU brought a lawsuit against Santa Barbara (Cal.) City Board of Education, to prohibit it from forcing public school students to recite the pledge of allegiance to the American Flag. This case was different from others in which ACLU had managed to outlaw the pledge of allegiance because it contains the words "under God." In this case the ACLU contended that it violated a student's freedom of

conscience to be forced to pledge allegiance to our flag regardless of the religious phrase "under God."

On April 30, 1965 the Superior Court in Santa Barbara upheld the ACLU's contention and ordered the Board of Education to stop forcing students to pledge allegiance to the flag.

An Oregon Circuit Court Judge ruled on October 8, 1965 in favor of a plaintiff represented by the ACLU declaring that Oregon's loyalty oath for teachers violated the free speech and due process clauses of the United States Constitution.

Capt. Howard Levy, an army doctor, who refused to carry out his duties to train American Special Forces medics, was recently court martialed. He had made a statement in the

presence of United States troops leaving for Vietnam that "the American Special Forces soldiers were killers of peasants, murderers of women and children." How subversive can a person become? Yet Howard Levy was supported by the ACLU with all of its propaganda techniques and defended in the military court by an ACLU lawyer. His appeal will be handled by the ACLU.

These are some of the activities carried on by this organization. However, an entire book might be written on the use of the law for subversion purposes as promoted by the ACLU from the time of its origin in 1920 to the present date. The failure of American lawyers to oppose this subversion has left our people almost helpless.

—New York Independent

EMINENT DOMAIN INEQUITY

A case which has been filed in court points up another facet of the monstrous indecency of eminent domain, under which governmental agencies have the power to take private property from owners without consent.

A Los Angeles attorney has sued a Buena Park couple for \$50,000 fees he claims is owed him for having represented the couple in contesting the condemnation action by the city of Buena Park.

The city had offered \$225,000 for the couple's 18.83 acres, which was rejected by the owners. They went to court and a jury decided the land was worth \$988,376.40. The city then dropped its eminent domain action, leaving the couple with their property and the expense of defending the suit. Had the city won a low valuation on the property from the jury the owners would have no privilege of withdrawing from the coerced transaction.

Thus, it is demonstrated again, that while the owner has no choice, the school district, city, county, state or federal bureaucracy can back away if it considers the price too high.

It seems to us some governmental agencies might not be so quick in seizing people's property if the individual official involved were required to pay out of pocket some of the expenses their ill-convicted acts impose on taxpaying individuals.

—Colorado Springs Gazette

BASTIAT ON REVOLUTION CAUSE

The do-gooders in government seem to be surprised at the riotous attitude of the people of the nation, not only Negroes but others as well.

But back in 1849, Frederic Bastiat warned the French National Assembly about the expansion of power of political government and the shrinking of individual responsibility. He said:

"When the people are encouraged to turn to government to settle all of their problems for them, the basis for all revolutions is thereby established. For then the people expect the government to provide them with all of the material things they want. And when these things are not forthcoming, they resort to violence to get them. And why not — since the government itself has told them that these responsibilities belong to government rather than to them? I am convinced that a revolution would not be possible if the only relationship between government and the people was to guarantee them their liberty and security."

It might be well for Pat Brown, President Johnson and all of the rest of those seeking to encourage individuals to abandon individual responsibility to read and ponder the words of that wise man of the 19th century.

COST OF BRAINWASHING

Congressman Bob Wilson (R-Calif.) has been digging into the cost of brainwashing the American public, and comes up with a figure of \$425 million a year the Johnson Administration spends to tell the public how careful they are with the taxpayer's money. It may surprise you, as it did us and many, many others, to learn that the Johnson Administration is spending nearly \$75 million more for self-glorification each year than it costs to support the Congress of the United States and the Supreme Court combined! Evidently the high cost of living is running in second place to the high cost of bragging.

The Representative from California points out that 46 staffers grind out mountains of praise for the poverty program, but the public is not swallowing all this smooth syrup and still figure the war on poverty is blowing up bank accounts for the swivel-chair generals, and that ancient infiltrating enemy known as poverty is picking up recruits and the billions of dollars fired in their behalf have a habit of landing in some rich man's bomb-proof safety deposit box. The rest is spent in the campaign to convince Americans what a great job their government is doing for the underdog.

Defense Secretary McNamara has 3,000 publicity personnel and a budget of over \$3 million. In Vietnam alone, McNamara keeps a publicity staff of 500 to prove every move he makes is 100% correct. The Department of Agriculture spends \$8.9 million a year on publicity; HEW puts out \$7.7 million; and the Atomic Energy Commission spends \$6.1 million annually on glorification of a mirage.

"False as a bulletin" became a proverb in Napoleon's time, according to Thomas Carlyle; indicating that brainwashing via slanted news is an old trick of leaders who need a more respectable, responsible and reliable image. But the cost has certainly gone higher than the stratosphere since they started doing things Texas style.

—Hailey, Idaho, Times

ONE EVERY 36 SECONDS

Senator John J. Williams (R., Del.) on June 29 reported some interesting new statistics on the rising tide of bureaucracy in this country.

The Senator noted that last September President Johnson issued an executive order which supposedly froze Federal employment at the July 1, 1966 level.

But there was no freeze.

Instead: "The addition of 131,871 new employees in eight months is the equivalent of 16,000 per month or 4,000 per week or 800 per day — 5-day week — 100 per hour — 8-hour day."

Carrying Senator Williams' figures a couple of steps further we find the bureaucracy is growing at the rate of eight new employees every 5 minutes or one new Federal bureaucrat every 36 seconds of every working day.

And the President calls this a freeze?

The world record for drinking beer is held by Peter Edwards, who drank 2½ imperial pints (2.58 U.S. pints) in 10 seconds. Hic!

Texas Voters Must Register Annually Says State Court

State Supreme Court has ruled that the constitutional amendment requiring annual voter registration in Texas is valid.

AFL-CIO challenged the amendment. They contended that voters did not get "fair notice" that the amendment provided for annual registration.

State labor officials pledged to take the issue to the highest federal court.

State Supreme Court agreed with ruling of the Third Court of Civil Appeals that the amendment — approved by Texans last year — to abolish the poll tax as a requirement for voting and substitute annual sign-up should stand. There was no opinion. Appellate judges had reversed the trial court findings.

Austin District Judge Herman Jones agreed that the full purpose of the amendment was not adequately described in the proposition on the ballot. It stated only that the poll tax would be knocked out as a voting requirement. Last April Court of Civil Appeals said it was unlikely any voter, in view of widespread publicity given the issue, failed to understand what he was voting on.

Roy Evans, Secretary-Treasurer of Texas AFL-CIO, said the State Supreme Court will be asked for a rehearing. If that is rejected, a hearing will be requested before the U.S. Supreme Court.

Meanwhile, Texas election machinery and voter registration for the big 1968 election year will proceed under annual sign-up law as amended this year.

All voters, including those who live in cities under 10,000 population, must register between October and January.

IDLE LAND SUBSIDIES

It takes many hundreds of Broward County workers to provide Uncle Sam with \$2,359,779. And it takes a lot of hard work for the people to earn those income tax dollars.

So Uncle Sam turns around and gives that \$2,359,799 away to Palm Beach County firms and individuals and one Clewiston chap, all in the Lake Okeechobee area.

For what? For nothing, for doing nothing.

One outfit, the South Puerto Rico Sugar Co., Box 86, South Bay, stops by the post office to pick up a check for \$576,433.

The Talisman Sugar Corp., Box 214, Belle Glade, reaps a check for \$362,477 on its trip to the post office.

Seventeen others have to be satisfied with lesser sums in this area. They can, however, be envious of Griffen, Inc., Box 7, Huron, Calif., which obtains a government payoff of \$2,397,073 or the J. G. Boswell Co., Box 877, Corcoran, Calif., which tops the list at \$2,807,633. All of this is part of that cozy system referred to as the "farm program."

But the amounts we have specified are not paid to assure that these outfits get a fair return for something produced. Not at all. It is strictly payment for letting land sit idle, and the payments specified were made during 1966.

These vast sums were paid under the 1965 soil bank and acreage diversion programs. In fact, 5,249 American farm

operations received in 1966 upwards of \$25,000 each in such payments and still others fell in the pitiful "under \$25,000" category.

In this day and age, it is questionable whether the program should be in operation at all.

We are being told almost daily that our surplus crops have been draining rapidly from storage silos and that there is a grave problem regarding the world's ability to

produce future needs.

Yet we have the soil program to curtail farm operations. And, in a great many instances it is not a matter of enriching the land by letting it lie idle but a matter of enriching the farmers.

Currently there are some 60 million acres, an area slightly larger than the state of Kansas, that are idle yet producing tax dollars for the owners and operators.

—Fort Lauderdale News

What's so Special
about

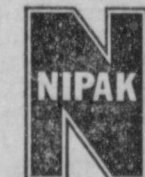

BOOSTS WHEAT HEALTH, GROWTH
and ROOT FORMATION—
INCREASES YIELD.

Nipak's new Premium Wheat Special, a homogeneous ammonium phosphate fertilizer, contains the proper balance of nutrients to produce a vigorous, healthy plant that will stand better and produce more and better quality grain. These nutrients are:

NITROGEN (for growth, color)
PHOSPHATE (for early root formation)
POTASH (for disease resistance)
SULFUR (for added protein)

Nipak Premium Wheat Special also contains other key nutrients essential to the production of chlorophyll, maximum grain and seed production, and general plant vigor.

For top yield and greater profits, apply 150 pounds of Nipak Premium Wheat Special at planting time and top dress with 100 pounds of Nipak Urea (45-0-0) per acre in late winter.

Superior yields begin with NIPAK FERTILIZERS
NIPAK, INC., P. O. Box 2820/Dallas, Texas 75221

HAMRIC'S

The place to go for the brands you know
Muenster

J. DAVID BARNES, left, of Pittsburg, Pa., vice-president of Mellon National Bank and Trust Co., and Alfred I. Davis of Dallas, vice-president and director of Sears Roebuck and Co., are newly elected directors of Lone Star Gas Co. They succeed Ralph S. Euler and J. M. Simpson, whose retirement from the board became effective at the same meeting.

Muensterites at Windthorst Party

Among those attending the 75th birthday celebration of Windthorst Saturday afternoon and evening were Messrs. and Mrs. J. M. Weinzaepfel, Ted Gremminger, Martin Bayer and George Gehrig, Mrs. Tony Gremminger and Tommy Knabe.

They saw the street parade, "History of Windthorst" presentation and beard judging contest. Refreshments were available and there was a dance at night.

The local group did not stay for the Sunday program which drew a record attendance. Parish women served over 1000 dinners at noon.

Asked the small boy, looking up from the evening paper: "Dad, do political plums grow from seeds?" "No," replied his father, "they result from clever grafting."

CD of A to Supply Films for Student Religion Classes

Members of Muenster court Catholic Daughters of America at their August meeting Friday voted to finance films for Father Benedict's religion classes for students.

Mrs. Paul Fisher, grand regent, presided and committee chairmen gave reports including Mrs. Steve Moser's on library activity and Mrs. Rufus Henscheid's on visiting Golden Years Rest Home.

Mrs. Henscheid and Miss Dorothy Hartman visited at the home, stopped in to see the residents, and left a cake for those who have birthdays during the month.

After adjournment Mmes. Ed Schneider, Tommy Knabe and Martin Becker served punch and cookies to 29 present. Table games followed.

Local News BRIEFS

Eight days in Colorado, sight-seeing, was vacation for Mr. and Mrs. Fred Knabe and children Terry, Jackie and Janell. They visited all the places of tourist interest including the Royal Gorge, Seven Falls and Pike's Peak. The children liked the North Pole and Santa's Village best. On the way back they stopped at Lubbock to see the Bernard McNamara, former Muenster residents.

Muenster visitors, guests of the Paul Fetsch family last week, were Charlie and Rudy Oberney of Bellwood, Neb., on their first visit in this part of the country. Rudy and Robert Fetsch were classmates at Conception Seminary in Missouri last year. Robert came home from Ardmore, Okla., for the week to be with the visitors. He has been helping Father Robb at St. Mary's Parish in Ardmore during summer vacation.

Stephen Joseph, infant son of Mr. and Mrs. Harvey Schmitt was baptized Thursday, Aug. 10, in Sacred Heart Church. Father Alcuin Kubis officiated and Mrs. Victor Hartman and Al Schmitt attended as godparents for their grandson.

Enjoying an outing and picnic at Lake Murray last Sunday were Mr. and Mrs. Hugo Lutkenhaus and Mrs. Harold Walterscheid, joined by Mr. and Mrs. Jim Krah and daughters Brooke and Shelly of Gainesville.

Mrs. Rudy Hellman was in Arlington a few days this week with her grandchildren while their parents, Mr. and Mrs. Damian Hellman, attended a dairy convention in Little Rock, Ark.

Mrs. Monte Hellman of Dallas spent the weekend with her parents, the Clarence Hellmans and took her daughters Suzy, Barby and Brenda home with her after a week's vacation with their grandparents.

Mrs. Clarence Erpelding of Colorado Springs, Colo., is visiting with Muenster relatives. She's the houseguest of her parents, the Joe Swirczynskis. Upon arrival last week she stopped in Fort Worth to visit her brother and family, the Ed Swirczynskis.

Mrs. Jack Janicki and daughters Cheryl, Donna, Jan, Starla and Renee left here Tuesday after a month's visit with their parents and grandparents, the Jake Pagels, following their return from Germany where they spent three years. They will make their home in San Antonio and will be waiting to welcome the husband and father, Warrant Officer Janicki when he arrives from Germany. He was due to leave there Aug. 15 and to stop in New York and Washington, D.C., before arriving in San Antonio. After a visit with his family he'll report for a new assignment in Vietnam.

Mrs. Claude Walter and daughter Amy of Miami, Okla., who spent last week with her husband's parents, the Al Walters, were joined by Claude for the weekend and they went home together. Mrs. Walter and Amy had accompanied the Al Walters home after their visit in Miami the previous weekend.

Mr. and Mrs. Leonard Owen and children Linda, Jeannine and Gregory, former Muenster residents, have moved from Wichita Falls to Healdton, Okla.

Sister Frances Hofbauer has let relatives know that her teaching assignment this year will be in Pocahontas, Ark., again.

DID YOU KNOW THAT?

Tiny insects, smaller than a grain of rice, have been responsible for killing 35% million cubic feet of pine timber in East Texas over the eight year period 1958-1965. Timber killed would build 3000 average sized homes. The culprit is the Southern pine beetle. The Texas Forest Service, U. S. Forest Service, forest industry and timberland owners have teamed up to combat this menace to our valuable East Texas forests.

Sons Accompany Fuhrmanns Back From Trip East

Vacation for Mr. and Mrs. Val Fuhrmann this year was a flying trip to Virginia Beach, Va., meeting their son Tom there, his joining them on a trip to McGuire AFB, N. J., where their son Jim joined them and the four sight-seeing together. Both boys accompanied their parents home in Tom's car.

The Fuhrmanns left Aug. 2 from Love Field, their daughter Miss Margie Fuhrmann of Dallas seeing them off.

At Virginia Beach the couple had two days of sight-seeing while Petty Officer third class Thomas Fuhrmann was being separated from the service. He served in the Navy three years.

Next was Washington, D. C., where the trio saw all the places of tourist interest, and then McGuire AFB where Airman 1c James Fuhrmann showed them around before joining them on the rest of the trip, highlighted by sight-seeing in Pennsylvania.

Back at home Sunday, the Fuhrmanns entertained at their home with a barbecue dinner honoring their sons. About 15 family members, including the grandmother, Mrs. Werner Endres, were there to greet the young men. Jim is on leave until next Monday when he returns to McGuire AFB.

Lake Outing for CD of A Draws 100

Sunday night's lake outing and picnic supper for CDA members and their escorts drew an attendance of over 100 to Voth's Lake for the evening.

The program started with a Field Mass celebrated by Father Alcuin Kubis, court chaplain, at 7 o'clock. Supper catered by Mrs. Joe Lehnertz, assisted by Mrs. Gertrude Bayer, followed and music by Norbert Koesler and his band furnished entertainment until the party broke up.

A surprise greeted Mrs. Lehnertz in observance of her birthday which was Sunday. Members presented a decorated cake and a gift.

Susan Hammer, 5 Birthday Honoree

Susan Hammer, five years old Tuesday, celebrated her birthday at the family home. Her mother, Mrs. Robert Hammer, was hostess.

Games, gifts, birthday cake and punch made it a happy afternoon for the honoree and young guests.

Present were Connie, Cathy and Claudia Flusche, Brenda Henscheid, Giles Wayne and Sandra Leigh Truebenbach and Suzy's sister Sharon and brother Randy. Mrs. Giles Truebenbach attended with the youngsters.

Sister Francesca Reunion Honoree

Sister Francesca Walterscheid, back in Texas after teaching in Hollister, Calif., several years, spent the weekend with her mother, Mrs. August Walterscheid and other relatives.

Family members stopped in to see her and she also visited at the home of her sister, Mrs. Norbert Koesler, where other relatives were present.

She made the trip from OLV Convent with Sisters Roberta and Christina Hesse and was among guests at two farewell reunions for Sister Roberta.

New Translation Tells Missionary Work in Arkansas

A new book, which will become available in October, offers a quarter century of history relating to missionary activity in Arkansas against a background of political, social and geographical setting. It places particular emphasis on the founding and development of the Olivetan Benedictine order of nuns which originated in 1887 as Convent Maria Stein in Pocahontas, Ark., and is now headquartered at Jonesboro.

The book is entitled "The Catholic Missions of Northeast Arkansas and the Convent Maria Stein", written in German by a Father Weibel. The period covered begins with the first Mass at Pocahontas in 1867 and ends with publication of his book in 1893.

Father Weibel's book was translated into English by Sister Agnes Voth, O.S.B., of Jonesboro as a part of her advanced studies in history at Arkansas State University. It is being published by the history department of the university under direction of Dr. L. A. Dew.

Sister Gemma is spending this week with her parents, the Lawrence Vogels and family and other relatives. She came from Jonesboro, Ark., Saturday and will leave Sunday for Lake Arthur, La.

How pure Edwards Limestone
helps us brew a better
glass of beer

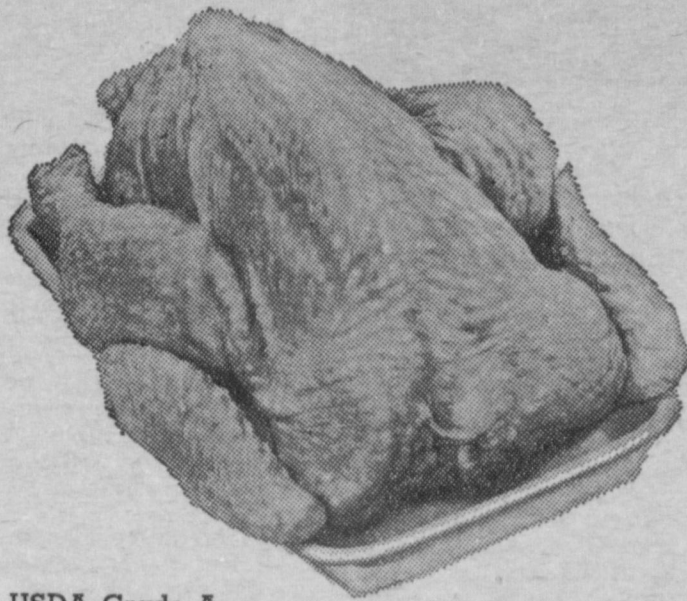

Cold spring water reaches us as fresh and clear as it is in the Country of 1100 Springs. Pure Edwards Limestone keeps it that way. The stone absorbs the water and keeps it sealed and crystal clear all the way to the brewery. This is the brewing water that brings out all the flavor in Pearl's fine grains and hops.

Folks Meeting in Europe Unaware They Are Related

Bob Hellman, son of Mr. and Mrs. Virgil Hellman of Los Angeles, has been in Europe the past two and a half years satisfying his wanderlust the leisurely way. He drifts from one interesting spot to another taking odd jobs of a few weeks duration to keep himself supplied with expense money.

Last winter, shortly before the holidays, he was working at a ski resort in Germany when the Jack Janickis and their five daughters visited at the place for a weekend.

He and they soon discovered that they were fellow Americans. The result was an instant friendship which became more friendly as Bob made special efforts to help the guests enjoy themselves.

That's how Bob got an invitation to spend Christmas with his cousins in Germany.

But that's only half the story. Back at the ski resort Bob had used his full name in introducing himself to the girls, but they were less formal introducing him to their parents.

Jack and Marcella knew him only as Bob. Marcella especially would have asked questions had she known his last name. But the holiday ended and they parted without anyone discovering they were related. To all of them it was just a pleasant get-together of Americans away from home.

The casual acquaintance was thought to be only that until only a few days ago. Mrs. Janicki and the girls were here visiting while moving from Germany to San Antonio. Mr. and Mrs. Virgil Hellman were also here — his first visit in seven years.

Cousins Virgil and Marcella had their first chat in many, many years. The inevitable report on children brought up Bob's activities, including mention of his job at the ski resort. About then Marcella wondered whether their Christmas guest might have been their cousin. Virgil had a billfold picture that answered the question.

How's that for beating the odds twice? Chance of kinkfolds meeting accidentally abroad are rather slim. And chances of the two cousins meeting here after many years to make their pleasant discovery were equally slim.

Bob still has a nice surprise coming. Virgil's next letter will tell him that he was with home folks last Christmas.

Fuhrmans Join For Lake Outing

Mr. and Mrs. Jerry Fuhrman and children Glenn, Elizabeth and Mark returned to Houston Monday after a five-day visit with his parents, the H. J. Fuhrmans. Other relatives joined them for visiting at the family home and the Bill Fuhrmans and children of Fort Worth spent the weekend.

Sunday the family was together for a picnic at Sycamore Lake. The Robert Pultes and family of Gainesville joined the visitors and Muenster relationship. Others there were the Adolph Fuhrmans and family including their daughter Sister Baptista of Fort Smith, Ark., and the Bobby Fuhrmans and children Scott and Kelley, all of Lindsay.

Ted Gremminger Is Birthday Honoree

Ted Gremminger, observing his birthday Sunday, was the honor guest at a noon celebration featuring a barbecue dinner, a decorated cake and a shower of gifts.

His son-in-law and daughter, Mr. and Mrs. Melvin Schumacher of Gainesville were hosts.

Family members attended including the Gremmingers' son and family, the Teddy Gremmingers of Denver, Colo., who were weekend visitors with Muenster relatives, ending their vacation with Texas relatives. They started home Monday morning.

4-Day Trip Takes 3 to San Antonio

As Sister Ann Theodore Wiesman ended her vacation visit here with relatives Thursday, her niece Mrs. Joe H. Walterscheid drove her to Fort Worth where they visited with their sister and mother, Mrs. Henry Koelzer and Mr. Koelzer enroute to San Antonio to return Sister Ann Theodore to Our Lady of the Lake Convent.

Friday, Mrs. Koelzer joined her sister and daughter on the trip to the Alamo City.

On the way the three went through the Longhorn Cavern, stopped at Helotes to visit Sister Modesta, a friend, and at OLL convent met Sister Ann Theodore's new superior, Sister Agnes Ann. They also visited with Sister Maxentia and Sister Paulette who have visited in Muenster, and exchanged greetings with other friends.

Returning home, Mrs. Walterscheid and Mrs. Koelzer visited in Austin with Mrs. Kenneth Wiesman and family. Mrs. Walterscheid returned to Muenster Sunday evening.

Mrs. Lehnertz Is Birthday Honoree

Mrs. Joe Lehnertz was twice honored in observance of her August 13 birthday — on the day and again on Monday.

First surprises came Sunday night at the CDA lake outing for which Mrs. Lehnertz catered the picnic meal for some 100 persons — members and their escorts.

Members presented her a large decorated cake and a gift. The cake was made by Mrs. Martin Becker and was inscribed with "A Happy Birthday to a Great Cook." The group joined in singing the happy birthday song.

Afterward Mrs. Lehnertz cut the cake in bite-size pieces, sharing it with those present.

The second honor was by employees of Jr. Elite Dress Manufacturing Company at coffee break time Monday. They showered her with gifts and had refreshments together.

Week Observes Salute to Nation's Water Systems

This week, August 13 to 19, is Willing Water Week, a special nation wide observance sponsored by the American Waterworks Association calling attention to the importance of water in people's lives and the tremendous job of water systems in meeting present demands and the much greater demands of the future.

Steve Moster, city water superintendent of Muenster said the city joins other water utilities in urging more appreciation of the water supply and more understanding of the need for maintaining a good quality and quantity of water.

At this time there are about 20,000 water utilities in the nation serving about 160 million people. That is more than a ten fold increase serving a seven fold increase of customers since 1890. As many as 280 million users are expected by the year 2000. At the same time water use per customer is expected to keep growing. The average now is three times as high as at the turn of the century.

Today, one person at home uses 60 gallons of water a day; 5 gallons to wash, shave, and brush his teeth; another 5 gallons every minute he runs the shower; and 27 gallons for a single load of laundry. More over a host of water-using home conveniences have appeared to gulp gallons more each day, such as air-conditioners, garbage disposals, dishwashers, and lawn sprinklers.

Down on the farm, agriculture swallows its share. It takes 375-gallons of water just to grow and produce a 1-pound sack of flour. Beef cattle drink about 12 gallons of water daily; a milk cow, 20 gallons; a hog, 3 gallons; sheep, 2 gallons; and even the chicken drinks 1 pint every day.

So the need is great. And it's growing. Despite the increase in the number of water utilities, much must be done. One utility in four is deficient in water supply, transmission, and treatment. One in five is deficient in pumping capacity. And one in three has inadequate storage and distribution facilities.

These current shortages in equipment and facilities plus tomorrow's predicted growth in demand present pressing problems. They must be faced and met today.

Mrs. Virginia Dillard and children, Vickie, Lonnie, Debbie and Arlen of Amarillo were guests of her mother, Mrs. Oscar Detten, last week Tuesday, Mrs. Detten joined them Wednesday going to Six Flags and Thursday visiting another daughter, Mrs. Bill Farrar of Fort Worth.

Miss Wolf Back From California

Miss Charlotte Wolf of Charlotte's School of Dance has returned from California where she attended a technique dance convention in San Francisco August 1-10.

The workshop, headed by all-star professionals, included Patricia Wilde, well-known ballerina, and Bob Audy and Tom O'Steen, specialist in the field of tap and modern jazz dancing. Miss Wolf also studied under Art Gihlms and Jeanne Ryan who taught the latest ballroom dances.

Other highlights of the jet trip to California were sight-seeing in San Francisco before flying to Los Angeles to visit on aunt, Pauline Harris.

Visitors See City Growth, Progress

Mr. and Mrs. Virgil Hellman of Temple City, Calif., back for a visit in his former hometown, were amazed at the city's growth and improvements since their previous visits. His last visit was seven years ago... here 18 years ago.

They were here five days catching up on family news and telling about their own family. Relatives entertained with dinners, get-togethers and sight-seeing drives.

The Hellmans have two children, Nancy still at home and Bob who is on a foreign tour seeing the world.

The couple came here after being in New Orleans at a convention of the Order of Alhambra. It was a flying trip.

Greetings Sent From Holy Land

Greetings come from the Holy Land this week from Brother Thomas Moster who is on an around the world tour.

Joe Walter Clan Joins for Picnic Reunion in Park

An all-family reunion was enjoyed by the Joe Walter clan Saturday evening in Muenster City Park with a picnic supper.

Joining Mr. and Mrs. Joe Walter of Gainesville were their children and families, Mr. and Mrs. Aubrey Chapman and Valerie, Trey and Ann, and Mr. and Mrs. Jim Walter, all of Dallas, John Walter of Houston, the Barry Blevins, and Belinda, Tom, Phillip, Joe and Susan of Sealy, Mr. and Mrs. Bill Graham and Kyle and Kirk of Gainesville and Mr. and Mrs. Ed Sicking and Dianne, Peggy, Gary, Timmy and Nancy of Muenster.

Also with the group were Mickey Edwards who accompanied John Walter from Houston and Nicklos Nagy of Gainesville.

Later in the evening Mr. and Mrs. John Walter joined their son and family making four generations present.

The Blevins family was on vacation. From Gainesville they went to points in Oklahoma and Kansas before returning to Sealy.

Brother, Sister Birthday Honorees

A brother and sister shared birthday honors Wednesday evening when their parents, Mr. and Mrs. Sheldon Lutkenhaus entertained with a lawn party at the home in Gainesville for their son Todd who was five that day and their daughter Tammy who will be three on Sept. 1.

Nineteen children and 18 grownups were guests for homemade ice cream and birthday cake. Each honoree had a decorated cake and each received a shower of gifts.

Guests included the grandparents, Mr. and Mrs. Joe Kral of Gainesville and Mr. and Mrs. Hugo Lutkenhaus of Muenster.

Family Farewells Honor Sr. Roberta Headed for Africa

Farewells were said many times to Sister Roberta Hesse during her weekend visit with Muenster relatives who hosted two going away parties on her last visit — the last one for some time, probably several years. She will leave Fort Worth on August 19 for a nursing assignment in the Belgian Congo.

Coming with her from Our Lady of Victory Convent in Fort Worth were her sister, Sister Christina Hesse, and Sister Francesca Walterscheid. They arrived Friday evening, returned Sunday evening.

The family of sisters and brothers, uncles, aunts and cousins joined at the TP&L community room Saturday night for visiting and refreshments. Attending from out of town were the Harold Neus and children of Denison and the Jim Myricks and children of Arlington.

Sunday the immediate family was together for a picnic dinner in City Park and then at the Leo Hesse home for final farewells.

In this group were the seven children of the late Mr. and Mrs. Joe Hesse: Sister Roberta, Sister Christina, Mrs. Harold Neu, Mrs. Jim Myrick, Raymond Hesse of Denison, Bernard and Leo Hesse, along with their husbands or wives and children.

Gremmings End Vacation with Kin

Mr. and Mrs. Teddy Gremminger and children Wayne, Mary Kay, Robert and Brenda started back to their home in Denver, Colo., early Monday morning after a three-day visit here, ending their vacation with their parents and grandparents, the Ted Gremmings and Victor Hartmans.

Other relatives were in and out at the Hartman home to see the visitors. Mrs. Keith Tompkins and children spent the day Friday, Mr. and Mrs. Willard Hartman and family spent the weekend.

Sunday visitors included Mr. and Mrs. Gene Hartman and Jeanna, Pam and Doug of Denton, Mr. and Mrs. Walter Wolf and Deanna, Chris and Carla of Gainesville, the Alvin Hartmans, Monica, Robert and Kenneth, the Harvey Schmitts and Stephen and the John Yostens.

The Willard Hartmans took their daughters, Madonna, Mary Grace and Margaret home with them after a two-week vacation with the Walter Wolfs.

The Gremmings' visit here was the final stop with Texas relatives.

Jetzelsbergers and Grandson Honored

Mr. and Mrs. George Jetzelsberger shared honors with their grandson Eddie Jetzelsberger of Gainesville at a party there recently when the little boy's parents, Mr. and Mrs. Larry Jetzelsberger and a great-aunt, Mrs. E. E. Garner, entertained in the latter's home.

It was Eddie's first celebration. He was one year old. It was his grandparents' 37th wedding anniversary the same day.

Others present were the maternal grandparents, Mr. and Mrs. Lelan Ritcherson, also Mr. and Mrs. Virgil Ritcherson and children Don and Debbie of Fort Worth and Mrs. J. M. Garner of Gainesville.

Gifts, picture taking and refreshments were party highlights.

Mrs. Hellman Hosts HD Club Meeting And Gives Program

Members of Muenster Home Demonstration Club had their August meeting with Mrs. Rudy Hellman who was hostess in her home. Mrs. Joe Hoening, retiring president, presided for business the last time. New officers will assume duties next month.

Mrs. Al Walter and Mrs. Albert Dangelmayr reported on visiting local shut-ins and Mrs. Bruno Fleitman and Mrs. Hellman volunteered to visit shut-ins this month.

Mrs. Hellman was in charge of the afternoon's program. She gave a demonstration on needlepoint and followed with a demonstration on making collages. For some members it was an introduction to collage art, working with tissue paper.

During the recreational period Mrs. Albert Dangelmayr led games. Prizes went to Mrs. Claude Walter, Mrs. Hellman, Mrs. Gus Luekthaus, Mrs. Bill Lutkenhaus and Mrs. Ray Klement.

Members presented Mrs. Hoening a gift from the club in appreciation of her two years in office as president.

The hostess served refreshments of homemade ice cream, cake and coffee to 16 members and one guest, Mrs. Claude Walter of Miami, Okla.

Mrs. Hoening invited members to her home for the September meeting.

Before the group left they made a tour of Mrs. Hellman's new home.

**DID YOU
KNOW THAT:**

Since 1928 the Texas Forest Service has produced 415 million one-year old baby seedlings in its nurseries for reforestation purposes by Texas landowners. Set out with a spacing of 6 by 8 feet this number would be sufficient to plant 457,000 acres, an entire county the size of Trinity or Wood. Today, the Indian Mound Forest Tree Nursery near Alto in Cherokee County produces about eight million trees annually.

Would You Trade Your Low-Priced Electricity for This?

Not likely!

Economical electricity has helped make electric air conditioning a must in homes, stores, offices and plants.

The low cost of electric power used for air conditioning and for the dozens of other appliances in the home makes electric service the biggest bargain in the family budget.

Your electric bill is probably more than it was two decades ago because you are using more electric power for many more things. However, the average per-unit price of electricity provided by TP&L to residential customers today is about one-half as much as it was 20 years ago. It's a real bargain.

Want to bring back the hand fan?

Not likely!

"GRAND HORSE JUBILEE" TO FEATURE WESTERNAIRES AT 1967 STATE FAIR

The Grand Horse Jubilee, featuring forty dedicated hard-riding experts of the nationally known Westernaires USA riding school in Colorado, will be the featured entertainment attraction at the Horse Shows Oct. 7-15 during the 1967 State Fair of Texas in Dallas. In addition to expert horsemanship, the group features elaborate costumes shown under dramatic black-light effects.

WRINKLES

by Marie Davant

New York: — Chemical science has found a white substance made with quicksilver that works wonders on wrinkled, roughened face and hands. Use it one time and it is entirely possible you will see improvement next morning. In a few days dry skin wrinkles start to vanish. Many of the small ones around the eyes and mouth have already disappeared. But that is not all! "Old-Age" (weathered) brown spots on hands and arms — brown "age" darkness on surface of face and neck fades away! Rich oils lubricate pores so blackheads can slip out without squeezing. Surface pimples and blemishes and scars, outwardly caused, dry up or become less noticeable! But don't take my word for it. Make a 6-day test without risking one penny. Just get a jar of Peacock's Imperial Creme at your favorite department or drug store. Use this thrilling cream for 6 days — and if you are not delighted with results, full price will be refunded. No questions asked. Peacock's Imperial Creme can work wonders for wrinkles, lines, brown spots and other weathered blemishes. You may obtain Imperial Creme for \$2.00 from Watts Bros. Pharmacy, Gainesville. Clip this out.

Father Francis Is Chaplain of V. A. Hospital in Wis.

Father Francis A. Zimmerer, O.S.B. has received a permanent full-time appointment as a chaplain of the Veterans Administration and will assume his duties at the V.A. Hospital in Tomah, Wisconsin, on August 13.

The appointment came with approval of his abbot, the Rt. Rev. Michael Lensing, O.S.B., of Subiaco Abbey, Ark., and the endorsement of the Military Ordinate, New York City, the endorsing Agency for all Military and Veteran Administration chaplains.

Father Francis is not a newcomer in this field with military personnel and veterans. He was a chaplain for four years during World War II and was an active reservist 18 years retiring in 1964 with the rank of Lieutenant Colonel.

The past three years he did extensive rehabilitation counseling with the states of Arkansas and Texas and at the same time was a part-time chaplain with the V.A. Hospitals in Little Rock and North Little Rock.

He has just finished a six-week training course at the V.A. Chaplains' Training School at Jefferson Barracks, Mo.

Father Francis, a native of Lindsay, is a former assistant pastor of Sacred Heart Parish here and served as pastor of St. Mary's Parish, Windthorst. He was active in youth organizations in both places and was an active member of the Knights of Columbus.

His new address, V. A. Hospital, Tomah, Wisconsin 54660.

Wilde Continues As TADA Director

Re-appointment of Ray Wilde of Wilde Chevrolet Co. as area director of the Texas Automobile Dealers Association was announced this week by the Austin office of TADA. He will serve as area director until the organization's next convention in Dallas in May 1968.

The major program of TADA this year will be to work with state officials in implementing the Texas Traffic Safety Act passed this year by the state legislature, and to promote a high standard of integrity and assist the automobile dealers in better serving the public by making driving safer, more convenient and more economical.

The hostess at a children's birthday party was chatting with one of the girls. "My, your little brother is shy. He hasn't moved from that corner all afternoon."

"He's not shy," the little girl said. "He never has had a necktie on before and he thinks he's tied to something."

One butcher says he prefers to wait on newlywed housewives — they don't remember what meat prices used to be.

SOIL CONSERVATION DISTRICT NEWS

Soil Conservation Service plans to award construction contracts in excess of \$750,000 for Upstream flood prevention work in the Upper Elm-Red Soil and Water Conservation District during the fiscal year 1968 according to John Tippie, Area Conservationist.

Eleven floodwater retarding structures and eight miles of stream channel improvement are scheduled for construction in the Denton Creek Watershed. Thirteen critical silt source areas will be treated, including sediment control structures, diversion terraces, fencing and seeding.

Denton Creek Watershed, a sub-watershed of the Trinity River, heads in Montague County and is served by Soil Conservation Service offices at Bowie and Münster. The project is sponsored by the Upper Elm-Red Soil and Water Conservation District and Montague County Commissioners Court.

Better communications may not be making the nations of the world any friendlier, but at least they are getting a little clearer idea of why they're mad at each other.

Electricity has shortened our life expectancy. Power generated by BRAZOS ELECTRIC POWER COOPERATIVE of Waco and distributed by COOKE COUNTY ELECTRIC POWER COOPERATIVE and 18 other member-owned electric cooperatives automatically awakens us with light early in the morning and doesn't let us go back to sleep until far into the night. As a result we are up longer, eat more and get fatter faster. We know cooperative service is something to crow about but do they have to do it day and night? BRAZOS ELECTRIC POWER COOPERATIVE is fine for a quarter million people in the Brazos River Watershed but if it were left up to us, there wouldn't be a kilowatt to cook with. So we are bringing our case to you. We get no sympathy from our mother, the brooder. She's electric also.

Proposed CONSTITUTIONAL AMENDMENT
NUMBER THREE ON THE BALLOT

HOUSE JOINT RESOLUTION No. 17 proposing an amendment to Section 49-b, Article III of the Constitution of Texas, so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE
LEGISLATURE OF THE
STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature. The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than

par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds. "Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, such bonds; received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than

interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, and who, upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas, or who has resided in Texas at least five (5) years prior to the date of filing his or her application. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds heretofore issued and sold by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising, and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All of the moneys attributable to any series of bonds heretofore issued and sold by said Board (a 'series of bonds' being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds heretofore issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the re-

tirement of any bonds heretofore issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds heretofore issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

"AGAINST the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

Miss Regie Lee Rixey of Salt Lake City, Utah, arrived Friday to spend a week with her uncle and aunt, Mr. and Mrs. John Richey. They attended the Saint Jo Riding Club Rodeo Friday night and Saturday night. It was Miss Rixey's first time to attend a rodeo. Others in company with them Friday night were Mr. and Mrs. Doyle Westbrook and children of Sivils Bend. Other rodeo fans were the Sam Sparkmans, Tillman Bridges family, the Jack Tuggles, accompanied by their grandson, Michael Reeves of Saint Jo, Messrs. and Mmes. R. D. Morris, Rafe McElreath, Joe Wilcox and grandson, Tony Owens, of Whitesboro; Charles Davidson and children, Travis Whitt, and Lawton Moon.

Mrs. Buford Whitt returned her grandson, Carter Whitt, to his home at Grapevine last week. Going to Denton they visited there with her son, James Whitt and family, and Miss Linda Whitt, formerly of Dallas, who plans to attend college in Denton. Mrs. Whitt spent Tuesday night with her sister, Mrs. John Snider, at Grapevine.

Mr. and Mrs. Joe Doughty spent Friday night and Saturday at Euless with their son and family, the Weldon Doughtys. They enjoyed an outing and picnic on the lake and did some fishing. The Jimmy Doughtys of Euless joined them. Sunday visitors in the Joe Doughty home were the Douglas Doughtys of Valley View and the Jimmy Doughtys.

Mr. and Mrs. Paul Hickman of Irving spent Friday night over Saturday with their son and family the Milton Hick-

mans. Tammie Hickman accompanied them home to spend a week with them.

Mr. and Mrs. Buford Whitt and his father, Nathan Whitt and Mr. and Mrs. Charlie Winchester went to Seymour Saturday for a visit with Mr. and Mrs. John Reeves.

Mrs. Jack Tuggle and son, Ricky, took her mother, Mrs. Nathan Whitt to Nocona Monday where she spent the night with her sister and husband, Mr. and Mrs. Emmett Deering. The three went to Clarendon Tuesday to visit their sister, Mrs. Minnie Woods. Mrs. Tuggle and Ricky visited Mrs. Ruby Dell Larry while in Nocona Monday.

Kim and Rex Harrell, Gainesville, spent Friday of last week and till Tuesday with their grandparents, Mr. and Mrs. Bill Moon. The foursome attended a S.S. program at the Methodist Mission Church Sunday evening where the children were on program. The children returned home Tuesday to begin another vacation Wednesday with their parents, Mr. and Mrs. Max Harrell. They plan a trip to the Carlsbad Caverns.

"Don't tell me it won't cost a fortune to modernize my heating system! I wasn't born yesterday, you know!"

Excuse us, Ma'am,
but your gas heating contractor
or Lone Star Gas may have a pleasant
surprise for you.

Let's be realistic. You're just going to have to spend some money to modernize your heating system. But it will probably be a lot less than you think. Especially now during August and September when gas heating contractors have more time to make installations and are offering special savings. There's a wide variety of modern, automatic gas heating equipment to take care of any situation—whether you're heating one room, several rooms or your entire home. Why not get a free estimate? Talk to a gas heating contractor or the folks at Lone Star Gas.

Lindsay News

Sister Dorothy Therese left Wednesday after a week's vacation with her father, I. A. Zimmerer and family members. She is assigned as a teacher in Pasadena, Texas, for the term.

Janie, Jimmy, Steve and Donna Arendt and their cousin Mike LaFette, Lake Dallas, spending a week with them were weekend guests of their grandparents, Mr. and Mrs. Clem Reiter at Muenster while the Andy Arendts and sons David and Andy Jr. and daughter Kathy were in Midland. David played in the all-star football game of the Texas Eight - Man Coaching School's 1967 conflict. Also attending were Coach Henry Schroeder. Sharon Loerwald accompanied the Arendts.

Mrs. S. Reimo has returned to her home in Newark, N. J., after a two-week visit with her parents the Mike Dieters in Lindsay and her brother and family, the Nick Dieters at Gainesville. Mrs. Andy Stelzer and daughters Mary Ann and Linda of Post joined the family for a week of visiting.

Sister Bernadette Visits Relatives After Profession

Sister Bernadette Bezner, daughter of Mr. and Mrs. William J. Bezner, who made her first profession as a member of the Sisters of Divine Providence on August 2 at Our Lady of the Lake Convent in San Antonio, has had a visit with family members.

She accompanied her mother and brothers Mike and Will home after their attendance at the profession ceremonies. En route to Lindsay they visited their brother and son, Joe Bezner and family at Pasadena. Sister Bernadette also spent some time with her sister Rosemary and family, the Jim Schindlers at Pilot Point and visited her sister Marlene and family, the James Besses in Fort Worth.

Sunday, Mr. and Mrs. Bezner, accompanied by their son Michael, took Sister Bernadette to Oklahoma City to St. Joseph's Children's Home where she will be on mission assignment to the end of August. She will return to Our Lady of the Lake Convent early in September for further study.

Davey Arendt in All Star Game

Davey Arendt had the honor of playing but the disappointment of being on the losing side in the Texas eight-man coaching school's all star football game last Saturday night in Midland.

A son of Mr. and Mrs. Andy Arendt, Davey was last year's winner of an athletic award for the best all-round athlete of Lindsay. He played football, basketball and baseball. He will attend Cooke County Junior College this year.

Miss Margie Neu Thomas Zimmerer Say Vows at Mass

Miss Margie Neu and Tommy Zimmerer pledged wedding vows at Nuptial Mass Saturday in St. Mary's Church at Gainesville with Father Robert Sykora as celebrant and performing the double ring ceremony at 5:30 p.m.

The bride is the daughter of Mrs. W. J. Neu and the late Mr. Neu of Gainesville, formerly of Lindsay. The bridegroom's parents are Mr. and Mrs. Bruno Zimmerer of Lindsay.

For her wedding the bride wore a gown of French lace, the figurine bodice designed with a scalloped neckline, long tapered sleeves and a slim skirt with a scalloped hemline. A full Watteau train repeated the scallops and ended in a court sweep. A jeweled tiara held her fingertip veil and she carried a yellow - throated white orchid surrounded by split carnations. She was presented for marriage by her brother Freddy Neu of Lindsay.

Her three attendants were Mrs. Roy Moisak of Austin, cousin of the bridegroom, matron of honor, Miss Janet Arendt, cousin of the bride and Miss Joan Zimmerer, bridegroom's sister, bridesmaids.

They wore olive green crepe Empire dresses with full-length

A-line skirts, and matching pillboxes. Their flowers were nosegays of bronze and yellow pompon mums.

Airman Roy Moisak was best man. Bobby Zimmerer, a brother and Cyril Yosten of Fort Worth, were groomsmen.

Wedding music was presented by Mrs. William Schmitt, organist, and Mrs. Bob Young of Dallas, aunt of the bridegroom, vocal soloist. Cousins Charles and Kenny Bezner of Lindsay were acolytes.

Virgil Neu and Jimmy Zimmerer, brothers of the couple, were ushers.

Wedding reception and buffet were held in the Lindsay Parish Hall where relatives and friends were registered by Misses Lynda Payne of Gainesville and Margaret Benenate of Dallas.

For her daughter's wedding Mrs. Neu wore a two-piece brown crepe dress with green and brown accessories. Mrs. Zimmerer wore an apricot voile with apricot accessories. Both had gardenia corsages.

The newlyweds' honeymoon trip took them to New Mexico. For traveling she wore a firefly orange linen suit with orange accessories.

They will make their home in Denton where he is completing his college course at NTSU. Both are graduates of Lindsay High and he graduated from Cooke County Junior College.

Relatives Honor Sister on Visit

Sister Josephine Elise has ended a ten-day visit with her mother, Mrs. Joe Bengfort and family. She came from San Antonio and went on to Alexandria, La., where she will teach again this term.

One day the whole family was together, except Spec. 4 Ronnie Zimmerer who is in Vietnam with the Army. The reunion featured a covered dish meal at the Charles Stoffels home.

Another evening the family was together again for a homemade ice cream party at the Tony Hess home. Muenster, Sister Josephine Elise spent a day with each of the family members.

Saturday Mrs. Joe Bengfort, Dorothy Bengfort, Mrs. Norbert Zimmerer and Mrs. Charles Stoffels took their daughter and sister to Dallas to board a bus for Alexandria.

Also in Lindsay for a visit and honored by her sisters and brothers was Sister Marcella, Mrs. Bengfort's sister, who headquartered at the home of her brother, Ben Herms. She left Tuesday for her assignment at Westphalia.

Sister Mary Fortunata Zimmerer has reported to Alexandria, La., to teach at Holy Redeemer Menard High School.

Bezner Clan Has All-Family Party First in 11 Years

For the first time in 11 years Mrs. Joe Bezner Sr. had all her children together at one time for an all-day reunion Sunday. They gathered in her home for dinner and most of them stayed for supper. Those attending were accompanied by their spouses and family members making four generations present.

The Bezner clan had attended the wedding of Tommy Zimmerer and Margie Neu Saturday evening.

Together at the Bezner home Sunday were Mr. and Mrs. Ed Corcoran and daughter Mrs. Steve Greenwood of Baldwin Park, Calif., on a flying trip; Mr. and Mrs. Hubert Bezner and four children of Chatsworth, Calif.; Messrs. and Mrs. Mike Gonzales and family of San Antonio, Al Bezner of Wichita Falls, Leo Cutalia and daughter Carol, Leo Cutalia Jr. and family, David Blackburn and family, Bob Young and Jimmy and Frank Benenate and family, all of Dallas, and Bob Bezner and children of Richardson.

Also Mrs. Isabell Galvan of Irving, Airman and Mrs. Roy Moisak of Austin, Airman Joe Bezner of Chanute AFB, Ill., Miss Barbara Bezner and Mrs. Bob Blessing of Gainesville, the Joe Bezners Jr. and Bruno

Zimmerers and their families of Lindsay.

Others present were Father John Walbe, I. A. Zimmerer, Miss Joanie Kuhn and Sister Dorothy Therese Zimmerer, a visitor from Pasadena.

Most of the relatives had returned home by Sunday night and Monday. The Hubert Bezners left Wednesday. The Ed Corcorans and Mrs. Steve Greenwood are remaining through Friday and will go to Dallas to visit before jetting back to California.

Confetti - - -

did not receive equal consideration.

If the county board will reconsider merits of the two petitions it has an easy solution to it's problem. It can finish the job of placing every person in the district of his choice. In so doing it would possibly displease 97 people who are not concerned, but it will also improve its rating with several hundred other people.

Mr. and Mrs. David Forgey and children Mary Lee, Gretchen, Suzanne and Chris visited Sunday overnight and Monday with her parents, the Lee Haverkamps, went on to Irving to visit her sister and family the Travis Wickliffs where they left little Chris and then headed for a ten-day vacation in Fort Lauderdale, Florida, with his sister and family.
