Q. According to a recent article in the Record, the census in Colorado City is declining. When is the next official census?

A. Census Day is April 1, 1990. About 100 million questionnaires will be delivered to homes nationwide by late March 1990. Since accurate address lists are vital for prompt delivery and to monitor the return of completed census forms through and beyond Census Day, an address check will begin in mid-June and last for about eight weeks. During this period, temporary census workers will visit small towns and rural areas to list residential addresses for these areas.

All Census Bureau workers will display official red, white and blue identification badges. Residents are asked to cooperate with them. Public cooperation will mean a better, more accurate and complete address list will be available for the delivery of the 1990 census questionnaires.

Fishy business

Local company wholesales tropical fish nationwide

When people ask him how his "minnow business" is doing, Hubert Bassinger simply replies "aw just great." Fact is, Bassinger is no longer in the minnow business, but he just doesn't have the time for explanations - especially now with the arrival of summer.

Appearances say Bassinger is growing minnows. His land, about five miles south on highway 208, is still dotted with ponds. Passersby notice them - some want to buy minnows but most are just curious.

They won't find minnows. What they will find are tropical fish - lots of them. Bassinger's explanation is a long one - too long to repeat during a busy summer season.

Bassinger got out of high school in 1964 and started selling fish bait. "I would catch minnows from the rivers and sell them to bathhouses," said Bassinger. "Then I started raising minnows." In 1978 Bassinger threw out the minnows and started raising tropical fish for the pet industry. "Minnows are mostly a summer product," said Bassinger noting fishermen's seasonal demand. "I wanted to change. A bigger market is the main reason. Tropical fish are more money for less work."

Today, Bassinger Wholesale has grown into a farm that includes 40-plus ponds, numerous smaller holding pens and offers about 20 different fish and "stuff I don't care about like frogs, snakes and turtles," said Bassinger.

"It was all trial and error for a year," said Bassinger. "I bought a few to play with till I learned how to do it." From 1978 to 1984 Bassinger Wholesale offered only

goldfish. Goldfish continue to be the top seller but now they share attention with fish like playkos, platae, guppies, Asian firebarbs, black mollies, sharks, miniature catfish and assorted colors of swords.

There are three types of the hot-selling goldfish: calico - fan-tailed and comet. The biggest sellers are the comets and they take up 10 of the 42 ponds. The small catfish are good for keeping aquariums clean. Bassinger, who plans to add angel-type fish soon, also grows fresh water prawn. "It's an eating shrimp," said Bassinger. "They're used as pets but I eat them myself. They get bigger than the shrimp you can buy here."

Every year Bassinger buys over \$50,000 worth of fish and supplies that include feed, chemicals for parasite control and equipment to control predators like ducks. "They'd stay if I didn't scare them off," said Bassinger.

Caring for the fish includes controlling spawning with hormone shots and covering the fish ponds with plastic for the winter months. With such a variety of fish, spawning goes on year round. Bassinger Wholesale employs up to six people including Bassinger and wife Shana. "Summer time is my busiest," said Bassinger, "but it stays pretty steady. We get business all year

round but sell mostly in summer because they are a better quality fish in summer."

You can't buy Bassinger's tropical fish locally because Bassinger deals only with wholesalers who sell to pet shops. Bassinger's duties include a weekly trip to the Dallas-Fort Worth airport where he ships the fish to places like Cleveland, Denver, Louisiana, California and "just all over." Bassinger has received calls from out of state. "I haven't gotten into that market," said Bassinger. "I'm going to one of these days."

Bassinger Wholesale is just one of two tropical fish farms in Texas. "Most are in Florida and California but they're not much competition," said Bassinger who completely sells everything he raises except his large brood fish that he develops like a rancher uses breeding for better cattle.

GOLDFISH - Fantailed and comet are two of the more popular kinds of goldfish that Bassinger Wholesale raises and sells to companies for nationwide distribution. Bassinger Wholesale is just one of two tropical fish farms in Texas.

Fourthfest planning underway

Plans are underway for the annual July fourthfest sponsored by the Colorado City Area Chamber of Commerce.

Rex Thackerson, chairman, is in the process of gathering his committee. Anyone wanting to help with the event should contact the chamber office at 728-3403.

If anyone is interest in having a booth, make reservations now by contacting the chamber office. There will be limited shade and electrical outlets so reservations are encouraged now. Each booth will be charged \$10.

Playhouse 'work night' set

The Colorado City Playhouse will have a "work night" Tuesday, June 6, at 7 p.m.

"This will be a time for everyone to get together and clean up our playhouse," said Linda Hearin, president. "We encourage anyone who wants to lend a hand to come on down. During play productions, there is a lot that goes undone - rooms get disorganized and things get misplaced."

"So, we need to give the playhouse a face lift from painting to moving flats to just

a general cleaning," she said.

"Currently we are not in rehearsal for any play," she said.

"Because of the many dedicated hours it takes for rehearsals, we are having a difficult time finding a director who can commit so much of their time. Sometimes, we often forget all volunteer efforts it takes to make a production." "Since we are not in a production right now, we would like to make good use of this time to 'catch our breath' and to get reorganized," she

Awards, scholarships presented to graduates

Eighty three Colorado High School seniors received diplomas during graduation exercises Tuesday night at Wolf Stadium.

In addition to the diplomas being awarded, there were a number of awards made and scholarships presented.

Awards were presented to Sandi Smith, valedictorian; Misty Bentley, salutatorian; Oria Gonzalez and Sammy Garcia, leadership; Misty Bentley and Hal Morren, character; Denise Lowrance and Beau Rees, most athletic; Daneshu Lusk and Chris Perkin,

service award; Sandi Smith and Bhavesh Patel, literary award; and Lyna Yott, principal's award.

Recipients of scholarships included Sandi Smith, Business and Professional Women's Club Scholarship; Bhavesh Patel, Noon Lions Club Scholarship, Colorado High School Band Scholarship and Rotary Club Bill Campbell Memorial Scholarship; Sammy Garcia, First United Methodist Church Scholarship; Mark Molina, Opti-Ms. Club Scholar-

Economic assistance designation sought

Mitchell County Commissioners' Court, during a special meeting Tuesday morning, agreed to send a letter to the U.S. Department of Commerce requesting an economic development assistance designation for the county.

Judge Mac Morris said that Mitchell County is statistically qualified for possible designation as a redevelopment area of the Public Works and Economic Development Act of 1965 based on the county's unemployment rate for the past 24 months which was above the national average.

Morris said that if the county becomes designated as a redevelopment area, it will be eligible for a full range of financial assistance available including

low-interest loans to existing or new industry and to an industrial team.

In other business, the court approved renewed a two-year contract with the Big State Hospital to provide mental health services for the county. The county provides office space in the community services building on Third Street.

The court also approved a quote from Sylvester Rose to dispose of bridge materials from two bridges on Morgan Creek which are being replaced. Rose said he will remove all I-beams to the precinct yard in Westbrook in exchange for the rest of the salvage materials. Rose was the only one to submit a proposal for the job.

MEMORIAL DAY SERVICE - Freeland Huff, left, and Mrs. Estelle Rivera place a wreath on the memorial in front of the Mitchell County Courthouse during a Memorial Day service Monday morning hosted by VFW Post 9178 and its Ladies Auxiliary. The marble monument lists the names of Mitchell County citizens who have lost their lives in wartime while serving in the military.

FISH

From Page 1

A minimum order from Bassinger Wholesale is 10,000 fish that can cost anywhere from 3-75 cents a piece. "I sell in excess of 100,000 fish a week," said Bassinger. From those numbers it's easy to believe Bassinger Wholesale grosses "well over \$200,000 a year."

said. "We need all the help we can get on Tuesday night, so put on your old cool clothes, bring a cold drink and let's have a fun evening of friendship and work," she said.

'Springtime Hee-Haw' is presented

Mrs. Evelyn Malone's kindergarten class at Kelley Elementary School presented "A Springtime Hee-Haw" to the student body, faculty and family Thursday afternoon.

Students told jokes, recited poems, performed square dances and sang patriotic songs. Highlight of the program was when students recited "The Preamble to the Constitution."

Scenery for the program was designed and arranged by Nelma Ritchey and Sharon Dockrey. Costumes were designed by Mrs. Ritchey and Teresa Loving.

Letters to the editor

Thanks

TO THE EDITOR: We want to thank everyone who donated to our poppy drive so freely. We especially want to thank Mrs. A.K. McCarley Jr. and Mrs. Margaret Hudson for their cash donations to the poppy fund.

We had a nice crowd for flag raising services with coffee and donuts served. We went to the courthouse for memorial services.

A nice group was on hand to walk all the cemeteries and put flags on the veterans' graves. We thank those extras who volunteered to help.

We apologize if we missed any service man's plot. We would appreciate any information you

would like to give us on this.

Thank you,

FOCUS

by LIBBI GARNETT
County Extension Agent

Mitchell County 4-H'ers are currently launching from the wrap-up of the spring 4-H activities into summer events which are currently being planned.

Local members recently competed in 4-H Round-Up contests in San Angelo. Angela Turner presented an illustrated talk on helping the aging. Stacy Smith demonstrated how to massage a cat. Betsy Myers, Melissa Williams, Bethany Bridgford and Caasi Smith used comparison shopping skills in a judging contest called Consumer Decision-Making.

All of these 4-H'ers learned technical information in their respective areas as well as skills in speaking and sportsmanship. But one 4-H'er learned that persistence pays off. Bettina Bridgford, first-year 4-H'er, competed at the county level for the consumer decision-making team. She missed the team by two points, but was determined not to give up.

She entered the competition as an individual and was sixth place high-point individual in the entire contest! Though her scores did not calculate into our team score, she certainly represented Mitchell County well on her very own merit. The consumer judging team placed second in team competition with Caasi Smith placing third based on individual scores.

We can certainly be proud of our 4-H'ers for their hard work. Brittany Bridgford helped coach the team and Brittany and Francesca Helm worked as group leaders in the district contest.

Mitchell County 4-H'ers are now planning the 1989 clothing project.

The project will kick-off June 2 with a project meeting on pattern selection to be taught by senior 4-H'ers. Other programs planned include fiber properties and fabric care, pattern layout/cutout, tailoring for senior members, swimsuits by sergeants, and fashion modeling.

If you are interested in being a part of the 4-H Fashion project, please call the Extension office at 728-3111.

4-H members will have summer camping opportunities for youth 9-19.

Camps are offered at the Texas 4-H Center in Brownwood, TU Electric offers a 4-H Electric Retreat in Trinidad and the Texas 4-H Congress for senior 4-H'ers will be in San Antonio.

If you or someone you know would be interested in more information about 4-H Summer Camps, please call 728-3111. 4-H is open to all youth ages 9-19 regardless of race, sex, creed, or national origin.

STUDENT ACHIEVERS - Colorado Middle School students Sylvia Flores, left, and Cole Latimer display the certificate each received for qualifying for the Duke University Talent Identification Program for seventh graders.

CMS students receive honors

Sylvia Flores, a Colorado Middle School student, will be honored for her academic achievement at a statewide ceremony on June 17 at Baylor University in Waco.

The recognition ceremony is sponsored by the Duke University Talent Identification Program (TIP) to salute the seventh-graders from Texas who qualified

in the TIP's ninth annual Talent Search. All students invited to the ceremony have earned scores on the Scholastic Aptitude Test (SAT) or the American College Testing Assessment (ACT) comparable to college-bound high school seniors.

The students will receive certificates of distinction at the ceremony. The highest scorers also will receive scholarships and books. TIP offers additional educational opportunities for

gifted students in seventh through 10th grades.

Cole Latimer, another student from Colorado Middle School, also qualified for TIP and took the Scholastic Aptitude Test (SAT).

"The community has reason to be proud of both of these young people for their academic achievement," said Pat Barnes, school counselor. "They are the trailblazers for CMS in TIP, and I hope we have many more students follow in their path in the future."

Scouts host Memorial Day tribute here

Boy Scout Troop 100 of Colorado City hosted a Memorial Day tribute for the Wallace Center Senior Citizens Tuesday.

Scouts led the commemorative tribute with a presentation of the colors followed by the pledge of allegiance.

Flag bearers were Cory Carlock and Shawn Pincher. Calling commands for the colorguard was Kyle Chambers. Rev. Jon Farris, chaplain, gave the Scout invocation, "Duty to My Country". The seniors citizens were then led in singing "America" and "God Bless America".

The Scouts are continuing their safety awareness campaign and will be providing first-aid kits for sale at Fuller Foods this Saturday. All proceeds go for the Scout summer camp fees.

Scouts will be meeting at 6 p.m. each Monday at the Ruddick Park amphitheatre where they will practice outdoor skills in preparation for summer camp.

SEE "GONE WITH THE WIND" FOR 3¢.

Yes, you can see an all-time great movie for just a few cents.

Or enjoy your favorite album for less than one cent. And run an air conditioner for just 7¼ cents an hour.*

That's what the electricity costs for these and many other things that bring comfort, protection, convenience and pleasure into your life. And just in the last 10 years, new uses have increased dramatically — from microwave ovens and VCR's, to personal computers and more.

So it's nice to know that since you're using more, TU Electric has made it an even better value by lowering rates twice in the past five years.

After all, it's our job to make sure you get the electricity you need at a cost that's lower than you might expect.

WHITE SOX for Teenage League baseball are, front, left to right, Chris Sanchez, Bobby Sparks, Artie Rivera, Heath Mann, Jesse Espinoza, bat boy Alan Rivera and coach Danny "Light" Rivera. Back, left to right, are Jaime Rivera, Johnnie Martinez, Avan Ceballos, Jesse Gonzalez, Gabriel Salazar and Tracy Lentz.

Ceballos one-hits Braves

Avan Ceballos and Jason Lawson duelled with strong pitching performances at A.W. Phillips Field Monday night as the White Sox remained unbeaten with a 5-3 Teenage League win over the Braves. The Cubs belted the Colts 13-1 in the second game.

Ceballos picked up the win for the White Sox in relief of Gabriel Salazar. Lawson took the loss after relieving Greg Parker. The Sox moved to 2-0 with the loss while the Braves fell to second place with the Cubs at 1-1. The Colts are 0-2.

The Braves threatened to score first but Chris Phillips was tagged out on a first inning, home steal attempt by Sox catcher Johnnie Martinez.

Braves starting pitcher Parker had struck out three of five Sox batters in the first inning but was replaced by Lawson in the top of the second. Parker began the inning by giving up a hit on error to Sox shortstop Jesse Gonzalez, and

then walking Jaime Rivera.

Third baseman Heath Mann singled to center to score Gonzalez. Parker then walked Chris Sanchez before Lawson came in with strong relief.

Lawson coaxed a fly out from Artie Rivera but walked in another run for a 2-0 Sox lead before retiring the side with a strike out. Although Lawson came in with the Braves already trailing 1-0, he took the loss after his team momentarily went ahead only to have the Sox come back.

Lawson got credit for six innings of relief and struck out 13, walked 4 and gave up 2 earned hits.

Winning pitcher Ceballos threw a one-hitter, struck out 12 and walked one over six innings of relief. Though the Sox were leading 2-0 when Ceballos came in to relieve, he picked up the win after the Sox fell behind and then came back.

The Braves erased the 2-0 Sox

lead with three runs in the bottom of the second inning. Starting Sox pitcher Salazar loaded the bases by walking the first three batters then gave way to Ceballos. Ceballos struck out Gary Ginkinger but an error gave Greg Conaway a single that scored Lawson. Parker stole home to make it 2-2 and Zach Findley grounded out to Ceballos to score James Franco.

Ceballos retired the side with a strike out and then allowed only two baserunners over the last five innings. One runner reached base on balls in the fourth. In the same inning Ceballos gave up the one hit-a single to centerfield by Conaway.

Lawson gave up only one more hit than did Ceballos.

The Sox tied the game at 3-3 in the top of the third when Rivera stole home.

Ceballos and Mann got the only two hits off Lawson. Ceballos doubled to left/center in the fourth to score Tracy Lentz who had been hit by a Lawson pitch. That score allowed the Sox to regain the lead at 4-3.

Mann singled for the Sox in a scoreless sixth inning. The Sox added a run in the seventh when a Braves error allowed second baseman Jesse Espinoza to bat in Ceballos.

Mann led the Sox on 2 of 4 hitting. Conaway batted three times for the Braves and got two hits-one on an error.

Richard Gomez pitched for the Cubs victory.

Luevanos, Yankees shock Pirates

The Little League Pirates bring out the best in Esequiel "Zeke" Luevanos. Luevanos led off the sixth and final inning with a solo homerun and the Yankees went on to score 9 runs Saturday to defeat the Pirates 18-11.

The victory, which put the Yankees in first with a 5-1 Major League record, came exactly a week after Luevanos hit a last chance, grand slam homerun to shock the Pirates 12-9. The two losses to the Yankees bounced the Pirates from the undefeated ranks and into second place at 4-2.

Luevanos is a rookie in the Major League after standing out for the Minor League in it's drive to Houston's state tournament last season. The two homeruns against the Pirates were the first of Luevanos' career. The Yankees lead the Major League in homeruns with Michael Molina at three and Eddy Martinez at a league-leading five.

The Pirates, like in the first matchup, took the early lead Saturday. Lewis Martinez doubled and Michael Hoyle and Jeremy Reyes singled to drive in six runs in the bottom of the first inning.

Michael Molina hit his third homerun of the season in the top of the third inning. The three-run shot scored Jeremy Rivera and Eddy Martinez, who had doubled, and cut the Pirates lead to 6-3. Third baseman Luevanos singled in the inning.

Pirates shortstop Eric Mays

and E. Martinez hit RBI singles in the fourth to cut the Pirates lead to 6-5. First baseman Adam Ybarra singled and scored in the inning.

The Yankees overtook the Pirates with four fifth inning runs for a 9-6 lead. Ybarra doubled and Mays and Martinez singled to drive in runs.

The Pirates answered with four runs in the bottom of the fifth to retake the lead at 10-9. L. Martinez hit his third homerun of 1989 to score Ashton Weatherly and Kyle Chambers doubled to rightfield to score Hoyle and Joseph Molina.

That left the Yankees trailing by one run going in the sixth and final inning. Luevanos tied the game at 10-10 with his leadoff, solo homerun over the right/centerfield fence. The Yankees blew the game open with 8 more runs for an 18-10 lead. Other run-scoring hits in the inning were singles by Ybarra and Stedman Jones, doubles by Luevanos and E. Martinez and a three-run homerun by M. Molina-his fourth-that sailed over the scoreboard.

L. Martinez doubled for the Pirates in the bottom of the sixth and stole home to make the final count 18-11.

Winning pitcher for the

Yankees was E. Martinez and Hoyle took the loss for the Pirates in relief of Joseph Molina. E. Martinez struck out 12, walked 8 and gave up 7 hits on 2 errors.

Consumer Groups Storm Local Grocery Stores!

Stores point finger at newspaper

Today saw one of the largest consumer responses of the week to offers made by local grocery stores for discounted prices. Across the city, shoppers were redeeming coupons cut from the local paper in record numbers.

"We know any offer we make will be highlighted most by the newspaper," commented a grocery store spokesman. "Our goal is simply to inform the consumers that these discounts are available. We are confident they will respond if they see it in the paper." His statement was backed by recent Consumer Data Service reports that indicated grocery store ads triple volume on discounted items and double volume on regularly priced items. It also revealed grocery ads are read by well over 70% of newspaper readers.

Grocery store representatives unanimously agreed that newspaper advertising was the only way to get immediate consumer response. One grocer remarked, "Most people read the paper, and a bunch of those readers clip our coupons. It's that simple." His comments reflect the well known Manufacturer's Coupon Center report which stated that over 80% of all families use coupons.

"When consumers want more for their money, they always go to the

newspaper," a grocery official said. When pressed by reporters for the best offer he could make to the consumers he replied, "Look in the paper, it's all right there. Green leaf lettuce, two heads for 79¢... with a coupon of course."

Loraine Personals

...by Lois Phillips

Congratulations Mitchell County graduating seniors. You have successfully completed a milestone in your life and we adults are proud of you. We hope you will continue your education as that is where the job market is.

Zelma Crenshaw of Blossom, Texas is visiting in the home of her sister, Wanza Graham this week. Another sister, Mildred Martin of Colorado City is also visiting in the Bobby Graham home.

Bob and Wanza's children and their families are in and out visiting with their aunts. Sounds like a lot of fun to me.

Mr. and Mrs. Don Mathis and family of Junction and their other son Tommie Don Mathis of Austin were in Stamford to attend the graduation of Casey Mathis, son of Gary and Wanda Mathis.

They came on to Loraine and spent the weekend with their mother and grandmother, Julia Mathis, returning home Sunday night.

Jay and Virgie Richburg of Tuscola visited the Lester Richburgs on Sunday.

David and Pat Smith of Hart, Texas visited her father, Lester and Lela Richburg on Sunday also. Pat stayed over for a few days and she, Lester and Lela visited in Tuscola on Monday and shopped in Abilene.

Syble Walker is visiting in Odessa this week with her daughter and son-in-law, Jack and Mary Love Albright. Mary Love told me to remember to call them Albrights and not Walkers. I guess I said Walker but that's nothing new for me. I am sorry Mary Love and thanks for bringing it to my attention.

Mr. and Mrs. Lester Richburg took his daughter home to Hart on Tuesday. While there, Lester attended a stockholders meeting of the Westridge Land & Cattle

Kristi Lee Manor employees honored

Employees of Kristi Lee Manor were treated to a pizza party Thursday, May 25, in appreciation of a job well done.

Company. Somewhere along the way, some of their company brought them the fresh garden vegetables such as squash, green beans, new potatoes, etc. I guess they are eating well this week.

Wilma Wells' grandson, Casey Mathis graduated from Stamford High School last week. He is the son of Gary and Wanda Mathis. Wilma attended the graduation exercise.

First Baptist Church of Loraine has a new pastor, Rev. Keith Post. He comes from a church in Blytheville, Arkansas. He and his wife, Kathy, have two children. We have not met them. They stayed in Dallas with relatives while their parents were in Loraine.

They will move here July 16 after they have finished all the things they are already committed to. We still have Bro. Orvel Brantley and we enjoy him. He said he would consider himself fired when Bro. Post moved in and he would move out. Wish we could have them both. Welcome Bro. Keith and Kathy.

Donnie, Sandy and Chris Phillips were in the Austin area over the weekend and attended the last game of the University of Texas Longhorns in the NCAA Midwest Regional Tournament. The Longhorns won over New Orleans, 9-3.

The Longhorns earned the right to play in the College World Series for the 25th time. Congratulations Longhorns.

Saw a new little face in church Sunday. Chrystene Britton had her daughter Jana and granddaughter Jordan, who is a beautiful baby and a real good one I am told.

I talked to James Lee Saturday. He says Janessa is some better, but not real well as yet.

He told me he was working for the Department of Interiors of Texas. Says his job is looking for water and taking care of the snakes as bad as he hates them, however he seems to enjoy his work. I don't mean he literally babysits the snakes, just has to report them in certain areas I guess.

I saw Kay Nell Cornutt, Shirley Clifton and Ralph Hines at the lunch counter last week. They were talking taxes while they ate lunch.

I ate with Emma Beth Thompson and really enjoyed visiting with her. I think the last time I saw her we were both patients at Mitchell County Hospital. We have been friends a long time as she is Annie Bell Jones aunt Annie Belle and I are life long friends. We grew up about 1/2 mile apart out west of town, started to school together and graduated together.

I visited with Irene Kidd on the telephone this morning. She is doing fairly well and hopes to be a lot better soon. Her daughter Barbara Long of Savannah, Georgia is visiting and nursing her mother back to health. She went to Austin last week and brought Irene home. They are going places as much as Irene can. Barbara will be here another week or so.

They visited Punk Hale at the nursing home yesterday, report is

that Punk is doing better now and seems to be enjoying life again.

Mrs. Louis Claxton of Colorado City visited Irene Kidd last week.

Mr. and Mrs. M. L. Chandler and granddaughter and Mr. and Mrs. Hollis Chandler, all of Snyder visited Irene and Barbara last Sunday.

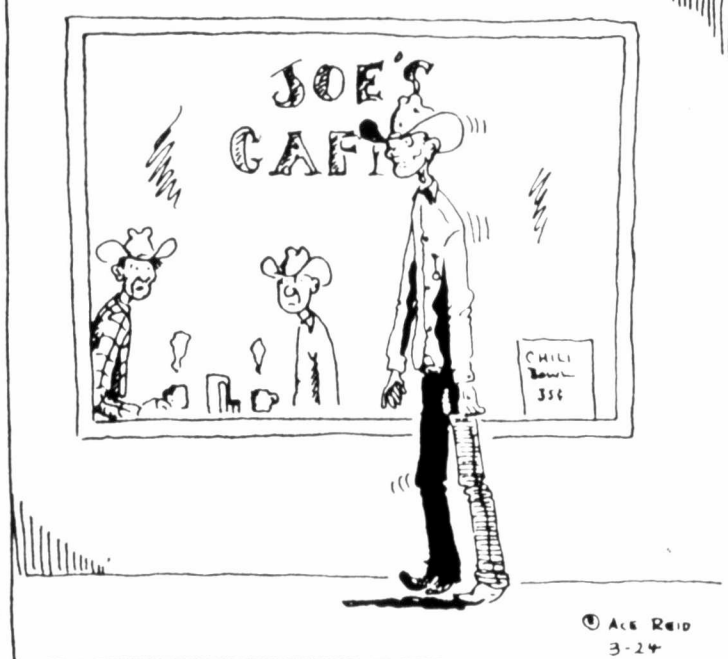

Shep and Sally Compton were in Alpine over the weekend visiting the Jack Williams family. She is Sally's sister.

On Sunday, they attended the First Baptist Church in Alpine and heard Harold Scarbrough bring the message. Harold is pastor of the Alpine church and a long time friend of the Comptons.

Hope all you "out of school" kids have a good summer, find a job, play baseball or whatever. Good luck in whatever you do.

MAJOR Michael D. Reddig, 351st Services Squadron Commander administers the oath of enlistment to Master Sergeant Carl E. Graham and Michael D. Handlos. The joint re-enlistment ceremony took place at Whiteman AFB, Missouri April 28th. Sergeant Graham is the son of Mr. and Mrs. Elwood Graham of Loraine. The 1966 graduate of Loraine High School has just completed 20 years of active military service in the Air Force.

Reading club set

Creative Features is the theme this summer for the Texas Reading Club sponsored by the Mitchell County Public Library. Registration for the club will begin June 1 and is open to pre-

school age children through eighth graders.

Storytime will be held each Wednesday morning at 10:30 beginning on June 7. Also, beginning the same day at 2 p.m., movies will be shown. Participants will receive a take-home puzzle or game each week. All activities at the library are free and all children are encouraged to participate.

For more information, call the library at 728-3968.

Card of Thanks

Card of Thanks

To our friends, we thank you for the cards, flowers, and calls during my illness and hospital stays. We especially want to thank First Baptist Church members and the other churches and individuals in the city for their special prayers for my recent surgery. Prayers do make miracles happen, and for these prayers we thank you.

Pat Moore & Family

Card of Thanks

The Family of Lillie Faulkenberry wish to extend our deepest appreciation to her friends, brothers and sisters for all the acts of kindness shown during the time of illness and passing of our beloved mother. May the Lord be with each of you.

Helen, Juanice,
Tom & Morris

Thanks For Caring

Words seem to fail us when we think of all the nice people in Loraine and the surrounding area who helped make our auction sale such a success. To all those who donated cash or sale items we really are thankful. To the Co-op Gin Association for allowing us to use your yard, to the fellows who did the cooking, to Coca-Cola Company, Mrs. Baird's Bread and many, many others we say thanks. Without all your help and donations, we could not have succeeded to the degree that we did. It was great. Thanks to you people who helped with the sale in any way, and the many of you who worked hard that day and a week before. We had donations from people who grew up here and had moved away. We really love you for remembering us in such a nice way. All this made us once again thankful for our community and what each of you mean to us. We think you are the "cream of the crop!" Call us anytime, we are always at your service. We love you all.

Let Us Show You A Texas You've Never Seen Before!

THE ROADS OF TEXAS is the culmination of a mammoth project that has involved many individuals for over two years. When you get your copy of THE ROADS OF TEXAS you'll wonder how you ever traveled the state without it.

This 172 page atlas contains maps that show the complete Texas road system (all 284,000 miles) plus just about every city and community! Texas A&M University Cartographics Laboratory staff members produced the maps, based on county maps from the State Department of Highways and Public Transportation. The details shown are amazing--county and local roads, lakes, reservoirs, streams, dams, historic sites, pumping stations, golf courses, cemeteries, mines and many other features too numerous to list.

Become one of the first in our community to own a copy of this magnificent atlas.

GYMNASTIC WINNERS - These four gymnastic students competed at the state gymnastics meet in Abilene May 20. From left are Josh Ritchey, second in tumbling; Jennifer Ritchey, second in tumbling; Crystal Nelson, fifth in tumbling and fifth in trampoline; and Kristen Ritchey, fifth in tumbling. They each had to qualify at the district meet to be eligible for the state competition. They represented the Snyder Springers coached by Kay Porter.

MORE WINNERS - Stephen Payne, left, and Roland Nelson placed first in their respective divisions during an advanced level gymnastics meet in Dallas recently. Payne competed in level 4A of the 11-12 year old division and Nelson competed in level 3C of the 9-10 year old division. They are members of the Snyder Springers, coached by Kay Porter.
