51ST YEAR—No. 72 8 PAGES COLORADO CITY, TEXAS, SUNDAY, JUNE 17, 1956 $5 Per Year in Mitchell County—10c PER SINGLE COPY

ANXIOUS FOR FIRST SWIM—The children of Colorado Country Club Manager Ross Dixon Jr. and Mrs. Dixon were a little early this week as they awaited their first swim in the club's new pool. Here they wait anxiously as the giant shovel of a Lubbock engineering firm digs out the 55-foot pool. From left to right, they are Dixie, Dale, Diane and Rocky. (Record Staff Photo).

$531,798 Budget Proposed To Operate Local Schools

Trustees of Colorado Independent School District are studying a proposed $531,798 for the school system's 1956-57 fiscal year.

Definite with the new budget will be $1.25 tax rate per $100 property valuation — an increase of 15 cents above the current rate.

The district's $500,000 bond building program — already under way after approval at the polls by property owners within the district — is the reason for the 15-cent tax hike.

School officials before the bond election made it plain to the public that expansion and remodeling of Colorado High, expansion of Hutchinson Elementary and construction of a new physical education plant would require the tax increase to meet payments on bonded indebtedness.

* * *

Trustees looked over the proposed 1956-57 budget at their monthly meeting Monday night in City Hall.

The $531,798 proposed budget is almost $31,000 higher than last year's $500,849.

However, three-fifths of the budget will be provided for in state funds — not from district taxes.

The state will pour $308,682 into the school system, according to estiamtes in the budget, and that is higher than last year's $295,155.

In the estimated state appropriations will be $148,701 in per capita apportionment; $130,031 in foundation funds for salary operation $27,000 in foundation funds for transportation; $2,950 for vocational education.

* * *

Adding to the budget will be $158,610 in district taxes for operation and maintenance plus $75,000 for retirement of bonded indebtedness.

The focal tax rate of $1.25 will be apportioned with 84 cents for maintenance and operation and 41 cents for debt service.

Estimating a $19,500,000 valuation on the district tax roll and a collection of 95 per cent of taxes, 84-cent local tax rate will provide $155,610 for maintenance and operation. An additional $3,000 will come from Silver Peak School District for students transferred here for high school.

With the same valuation and collection estimates, 41-cent tax rate will provide $75,000 for debt service compared with $52,976 in the current year.

The proposed budgets estimates that income will be $542,597 from all sources during the 1956-57 period. That provides approximately $11,000 more income than the $531,798 listed for outgo.

Major items in the proposed budget, compared with 1955-1956, include:

Administration, which includes superintendent's salary, secretary and clerical, plus supplies and expenses — $21,378 and up from $19,278.

Instruction, including all white teachers and substitutes plus libraby, textbooks and teaching supplies — $308,584 and up from $300,02.

Instruction, including all Negro teachers, substitutes and their teaching supplies — $29,757, up from $29,293.

Cotton Insect Clinics Set Two Nights

First of two cotton insect control meetings for Mitchell County farmers is scheduled Tuesday night in Loraine.

The Loraine meeting will be at 8 p.m. in the Loraine Lions Club Building.

Two nights later — Thursday — a second insect clinic will be conducted in Colorado City at 8 p.m. in 32nd District Courtroom.

Times for both meetings have been reset for 8 p.m. instead of 7:30, according to County Agent Jack Burkhalter.

Both Burkhalter and Associate County Agent James Trammell will show projection sides and report on latest cotton insect control data at the Loraine and Colorado City clinics.

The meetings will emphasize the importance of early measures to control insects, show farmers how to identify various insects, demonstrate field inspection techniques for determining when and how to spray or dust.

Welton H. Jones, Texas A&M Extension Service district agent at Lubbock, reported Saturday to the Record that thrips continued to be a major problem in most locations of his district.

Infestations ranged from light on scattered late planted cotton to medium or heavy in most other fields, he said.

Where good insecticide applications were made, however, thrips have been satisfactorily controlled, he said.

Jones reported fleahoppers were in light infestations in early planted cotton.

Occasional light infestations of spider mites were found in parts of few fields in Lubbock and Terry counties. Aphids also appeared in light infestations in occasional fields while grasshoppers were reported from Lamb County and in heavy infestations in northwest Mitchell.

GEORGE DAVIS INJURED

Pedestrian Struck By Auto Downtown

George W. Davis, 45-year-old employe of Miami Operating Company, was seriously injured Friday when struck by an auto in the downtown area.

The accident happened at 5:56 p.m. at the intersection of W. Second St. as Davis walked east across Oak.

Driver of the car was Gene Glover, Caddell Transit Company employe, who was en route from the transit firm to his home at 1450 Austin.

Davis was rushed to Root Memorial Hospital in a Kiker Funeral Home ambulance. He suffered a broken pelvis bone, fractured elbow, abrasions and bruises.

It was the second crippling accident of the year for Davis, who resides at 536 Chestnut. Last February his hand was crushed in an oil field mishap.

Davis told the Record that he had been to his doctor for a check of his injured hand and had stopped at Corner Drug for medicine before going to Dennis Walding Shell Service Station at northwest corner of W. Second and Oak.

"I left my car at the station," he said, "and then started across Oak to Ideal Grocery after waiting for a green traffic light.

"I didn't see the car until I looked around just in time to see it hit me."

Davis was knocked approximately eight feet, according to Patrolman Vern Kling, who investigated the accident with Policeman Earl Gunn.

Glover's car, a 1951 Mercury, was traveling east on W. Second and then turned to the left, north off W. Second onto Oak.

The driver said that he had just completed a truck trip for Caddell Transit and was returning home after checking in at the firm on W. Highway 80.

Another automobile accident Friday afternoon resulted in approximately $500 damage to a car, but three occupants walked away without injuries.

The second accident was at 2:10 p.m. just south of city limits on State Highway 101 (to Sterling City) near Sherman Oil & Butane Company.

State Highway Patrolman Al Chamber said a 1955 Dodge driven by Bobby Gene Glass, 18, of Sweetwater crashed into a utility pole as Glass and two other youths were traveling south out of Colorado City.

Glass, who was driving the car owned by J. D. Harrell of Rotan, said he swerved to miss another car and struck the pole. Front of the auto was smashed.

Soil Bank Meeting

Regulations and procedures for the 1956 Acreage Reserve Program of the Soil Bank will be explained here Monday to Agricultural Stabilization & Conservation staffers from 19 West Texas counties.

Approximately 100 persons are expected here for the meeting that begins at 9 a.m. in Civic House, according to Mike Custer, ASC office manager here.

FOR HIGH SCHOOL, HUTCHINSON

Trustees Okay $14,686 in New School Furniture, Equipment

School trustees have authorized almost $15,000 in furnishings and equipment at Colorado City High and Hutchinson Elementary School.

Total to date amounts to $14,686 and all but $1,372 is for the high school.

The furnishings and equipment will provide modern facilities for the expanded and remodeled high school building — a renovation project that is being rushed now so that main portion of the building will be ready for students in September.

And the $1,372 spending at Hutchinson Elementary is for chair-desks that will be installed in the four classrooms being added to the building's south wing this summer.

The Hutchinson chair-desks have been ordered from American Desk Manufacturing Company in Temple.

Furnishing and equipment expenditures for Colorado High were authorized at a meeting of the school board Monday night.

Authorized by the board for high school were:

Purchase of 400 chair-desks to replace outmoded desks in all classrooms at high school at cost of $4,220.

Purchase of $2,075 in equipment for the science department.

Approval for $2,000 in repairs to current science equipment that can be utilized in the remodeled building.

Purchase of 30 typing desks and chairs at cost of $1,194.

Approval for buying 10 new teacher desks and chairs at cost of $540.50.

Okay for purchase of $310 in furniture for teachers lounge.

Approval for buying $1,400 in secretarial and bookkeeping equipment.

Purchase of window drapes and new stage curtains for cyclorama stage setting from Texas Scenic Company of San Antonio on bid of $1,575.

All furniture for the high school building is being bought from American Desk Manufacturing Company except the 30 typing desks and chairs, which are being ordered from Hoover Bros. in Temple.

Handling the $2,000 repair project for science equipment will be Colorado City's V. E. Stone.

In their meeting Monday night school trustees also authorized installation of two new two-inch water lines linking the east and west areas of the high school building with water mains on Chestnut and Locust.

The two copper lines will provide adequate water pressure for all services in the building. Low bidder for the job was Webb Plumbing of Abilene, which has the overall plumbing contract for the high school remodeling and expansion.

Couples Leave Sunday On Trip to Northwest

Three Colorado City couples will leave Sunday for an extended tour of northwest and far western areas of the nation.

They are Mr. and Mrs. Ross Daniels, Mr. and Mrs. Bill Randle, Mr. and Mrs. R. J. Wallace.

Initial leg of the tour will be into the northwestern states by way of Denver and Seattle. Later they will travel the Pacific Coast through California.

BLAZING 106 DEGREES

Summer Swelter

Ole Sol blistered Colorado City Friday with a blazing 106 degrees.

The temperature was the hottest of the year.

And even at 5 p.m. the official thermometer on Courthouse lawn had dropped no lower than 105 degrees—one point off the day's high.

The season's record heat Friday climaxed a steady climb in temperature all week. Tuesday the thermometer signaled 94 degrees, then moved to 99 Wednesday and up to 101 Thursday.

Air-conditioners worked overtime Friday and crop hopes were pinned on additional rain.

EXCEED LOCAL QUOTA

11 Business Firms In U.S. 80 Group

Colorado City has exceeded its initial quota in the membership drive for Highway 80 Association's Central Division.

Eleven firms joined the association here during the opening membership campaign. Quota for the city had been nine.

And membership dues by the 11 firms totaled $150 — $60 above the initial $90 quota.

Report on the progress of the Highway 80 Association membership drive in Colorado City was made Saturday by M. N. (Nap) Caddell and Bill Quimby, Chamber of Commerce manager, at the Highway 80 Association Central Division's annual meeting in Odessa.

The meeting opened Friday in Odessa's Lincoln Hotel and concluded Saturday afternoon.

Major business of the annual meeting was to check progress in the new membership drive — which is concentrated in towns on Highway 80 between El Paso and Dallas — and plan additional projects to obtain more traffic on Highway 80.

The initial membership drive—with each town having a quota of one $10 membership for every 1,000 in population—will pay for 15 highway signs between El Paso and Las Cruces, N. M., and 10 signs between Weatherford and Fort Worth plus $600 in strip maps.

Colorado City firms purchasing memberships in the opening campaign were Caddell Transit Corporation, City National Bank, Texas Electric Service Company, Rockwell Bros., Harvey Chevrolet Company, Craddock-Witten, Colorado City Record, Lone Wolf Electric Cooperative Inc., Radio Station KVMC and Col-Tex Refining Company.

Col-Tex purchased a multiple membership to provide an extra boost to the drive here which already had surpassed its quota.

Mitchell Field Gains Three New Producers

Three new oil producers were logged during the week in Mitchell County's Sharon Ridge-1700 Field.

Melton & King No. 1 Jackson was finaled for daily pumping potential of 71.14 barrels of 28.5 gravity oil, plus 10 per cent water.

Production was from pay zone topped at 1,655 feet over total depth of 1,730 feet. Location is 990 feet from north and 2,310 feet from west lines, Section 82, Block 97, H&TC Survey.

Neely & Neely No. 7 Fuller has a daily potential of 79.74 barrels of 28.8 gravity oil, plus 10 per cent water, with perforations between 1,681 and 1,689 feet over total depth of 1,725 feet.

Location is 975 feet from north and 475 feet from west lines, O'Keefe 8 & 9, Reiger Survey.

Stallworth No. 3 Strain, the third Sharon Ridge producer during the week, has daily pumping potential of 62.20 barrels of oil.

Perforations are between 1,700 and 1,706 feet over total depth of 1,759 feet. Location is 330 feet from north and 520 feet from west lines, Subdivision 9, O'Keefe Subdivision, Reiger Survey.

Plugged and abandoned at depth of 4,017 feet was Delaney No. 1 Brown Estate, a wildcat five-eighths of a mile northwest of Colorado City.

Location of the prospector was 1,659 feet from north and 1,669 feet from east lines, Section 31, Block 26, T&P Survey.

Col-Tex Union Names Wood As Delegate

Jack Wood will represent International Union of Operating Engineers (AFL) Local 359 at the Texas Federation of Labor convention for merging AFL and CIO unions in Texas.

The convention, which is expected to unite 400,000 members of AFL and CIO unions, is scheduled to open June 25 in Austin.

Local 359, which represents 120 employes at Col-Tex Refinery here, named Wood as its official delegate to the convention.

Selected as alternate delegate was Bill Taylor.

The Austin convention is a special statewide convention called for the purpose of considering the proposed merger of AFL units with the Texas CIO Council and for other matters pertaining to the merger.

Work Begins On Col-Tex Super Station

Construction is expected to start Monday on a new $30,000 Col-Tex super service station and warehouse at Second and Hickory St.

W. H. Boney, Col-Tex wholesale manager, said Saturday that completion date for construction is Aug. 15.

V. E. Stone, local contractor, will build the station and warehouse.

Building and parking area will comprise 150 feet by 110 feet.

Station will be built with a double canopy, one on the east and one on the south.

The warehouse section will extend north and house the Col-Tex products sold now at the Col-Tex station at 357 East Second.

"It will be a super station . . . we hope one of the finest and largest in Colorado City," Boney said.

The old Col-Tex station at the building site was razed this week. Howard Weaver, local dirt contractor, cleared off the area this week to make way for concrete foundation work expected to start Monday.

Measuring of Cotton to Start Friday

Measurement of 1956 cotton will begin Friday in Mitchell County.

But only a few reporters will be in the fields, according to Mike Custer, office manager for Mitchell County Agricultural Stabilization & Conservation.

Custer explained that a reduced budget necessitates the small measuring force during June.

However, more reporters are expected to be in the field measuring cotton early in July.

Custer announced also that released cotton allotments are being apportioned. Revised cotton allotment notices will be mailed soon to eligible farms, he said.

FOR PROPERTY OWNERS

Council Sets Out Policy for Paving

A new policy is shaping up at City Hall for property owner participation in street paving.

City Council authorized major provisions of the policy Monday night at the request of City Manager Rollin K. Snethen.

The city manager asked for council to declare a definite policy so that the city could have one, uniform policy for all street paving.

In the past, it was pointed out, the city has operated under several policies instead of one clear-cut plan.

The new policy authorized by council provides for a property owner to pay for all paving up to 30-foot width with the city paying for the cost of paving at intersections.

Paving beyond the 30-foot width will be paid for by city funds. That's in addition to the intersections.

Paving policy for downtown alleys will be in two categories — for primary fire zone and secondary fire zone.

In the primary fire zone property owners will pay 75 per cent of the cost and the city 25 per cent if the paving is concrete. If the paving is asphalt in the same zone, then property owners will pay the entire cost.

The cost-sharing ratio will apply to asphalt paving also in the secondary fire zone.

Another provision of the overall paving policy will be the requirement that 100 per cent of adjacent property owners sign-up for the paving before the city agrees to contract the paving.

The city manager suggested a five-payment plan for property owners with 20 per cent when the paving is completed and one payment each year for four consecutive years.

Trio Returns to Paris

Mr. and Mrs. J. T. Hodges and Mrs. T. C. Hodges have returned to their homes in Paris, Tex., after visiting this week in the home of Mr. and Mrs. Frank Stewart at Loraine.

INDUSTRIAL ROUNDTABLE—Major portion of citizens participating in an industrial roundtable here Thursday are shown as they conferred in Civic House. Conducting the conference was Paul Marable of Abilene (right center, with coat), manager of industrial development department for West Texas Chamber of Commerce. Marable spoke on the need for community teamwork in developing industry at a Chamber of Commerce breakfast and then followed with the roundtable. (Record Staff Photo).

GLAMOROUS, SURE—
but a tomboy at heart!

Turn Chevy out on the road to discover its real charm! For this is the beauty that recently raced 2,438 miles in 24 hours to set a new round-the-clock competition track performance record!

It happened at the famed Darlington Raceway, Darlington, S. C. A regular production Chevrolet with 225 h.p. poured it on for 24 straight hours, averaging 101.58 miles per hour, to top the Indianapolis stock car record by 280 miles!

Add that to Chevy's unparalleled record in stock car competition—and you come up with the low-priced beauty that outshines *everybody!* No maybes about it. Here's proof of pep and performance that means safer, happier highway driving. Few cars at any price can hold the road with Chevrolet's grace. And it's got the stamina to stand the gaff for 24 straight scorching hours at a pace that few other cars would even attempt to match! Drop by—you'll see you can't beat Chevy for a buy, either!

IN LITTLE LEAGUE

Yanks Lose Again; Giants Coming Up

Yankees took another tumble Thursday night, dropping their second consecutive game of the season.

Indians did the trick this time, edging past the Yanks 9-8.

The up-and-coming Giants crawled into a tie for second place by whipping the Pirates 11-2 in the other Little League game.

It was the Giants who whipped the Yankees Monday night to hand them their first loss of the season.

* * *

Mgr. Hiram Beasley's Indians got a three-run lead on the Yankees in the first inning and held onto the lead the remainder of the tilt.

Indians Harry Johnson, Sylvester Williams and Kenneth Cloud scored in the initial inning off Yank twirler Felix Salmeron.

The Redmen's lead was increased to 7-0 in top of the second frame when John Thompson, Alton Currie, Kenneth Beasley and H. Johnson all scored.

Yankees rallied for two runs in bottom of the second when Steve Smith and Fields scored with the help of Freddie Fox's double and Barney arnett's single.

Yanks cut the margin to 7-5 in the third with three runs. Bonilla walked, J. Franco tripled and Salmeron singled.

Indians took an 8-5 lead in top of the fifth when Bill McGuire scored after blasting a single.

Yanks cut the lead to one run 8-7 in the bottom of the fifth frame with Fields and Fox scoring, aided by Barnett's double.

Indians stayed one jump ahead of the Yanks with another score in the sixth with Beasley scoring.

Salmeron finished the Yank scoring in bottom of the sixth after getting on a base on an error. Singles by L. Franco and Fields brought him around the basepaths.

Indians got 10 hits off Salmeron while the Yanks got an equal number of hits off H. Johnson and Thompson.

* * *

Giant hurlers Joel Shackelford and Sammie Vaughan combined to strike out 12 Pirate batters and lead their team to a 11-2 win.

The Giant bats were nosy, scoring runs off the Pirate pitchers.

Mgr. B. D. Mason's Giants began in the first inning with four runs. Kenneth Cannon singled, David McKay and Maxie Connell reached base on errors and Bobby Stewart capped it off with a home run.

Pirates scored their only two runs in bottom of the first inning. Dale Walker doubled and scored on J. Garcia's lick. Garcia scored on Curtis Scott's double.

Cannon scored for the Giants in the second. He doubled and tallied on McKay's triple.

Giants continued their attack in the fifth and sixth with three runs each frame.

Vaughan's double and James Nidiffer's single paced the fifth inning attack, while Phil Ball's double and McKay's single helped in the sixth inning.

"OVER HALF A CENTURY OF SERVICE"

Boys and girls like the two in this picture are the raw materials from which good citizens are made. They hold the keys of tomorrow and are the hope of America and the world.

As they grow older, they will acquire knowledge and receive training designed to fit them for the duties and responsibilities of life. They will realize that they have an important stake in government and in human society as a whole.

But they must be trained—and must train themselves—to meet these responsibilities as they develop. They must be taught that obedience to law and respect for the rights of others is essential to the common good.

There is no better training in the elements of good citizenship than is embodied in the teachings of the Church and the great principles of the Bible. They are the touchstone of good citizenship and the spiritual basis of our inherited faith.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

PLAN HOME HERE—Mr. and Mrs. Troy Tincher and children are among the few new residents of Colorado City who plan to live here permanently. Mr. and Mrs. Tincher spend much of their time reading to the children, Pamela Jo and Curtis Lee. Mr. Tincher is employed at Cosden Refinery in Big Spring. (Record Staff Photo).

Tincher Family Returns Here for Fourth Time

Returning to Colorado City recently for the fourth time were Mr. and Mrs. Troy Tincher and children, Pamela Jo and Curtis Lee.

And they are planning to make it their last move.

While Mr. and Mrs. Tincher are re-finishing their future home at 2130 Locust Street, the family is living at 1097 Oak Street.

Mr. and Mrs. Tincher have moved an average of three times a year since their marriage about 10 years ago.

In fact, Pamela had lived in 22 different states by the time she was two years old. She is now three and one-half. Pamela and her 10-month-old brother were both born in Colorado City.

The Tinchers moved here from Paola, Kan., where Mr. Tincher was employed as a welder for Fluor Construction Company. He is now employed by Cosden Refinery in Big Spring.

He served in the navy for three years during World War II.

Right now all the Tinchers' spare time is taken up by re-finishing their new home and working in the yard.

But they both have other hobbies. Mrs. Tincher likes to sew and read short stories. She makes most of Pamela's clothes. Mr. Tincher favors fishing and hunting.

Mrs. Tincher's parents, Mr. and Mrs. Milburn Watkins, reside in Garland near Dallas. Mr. Tincher's mother, Mrs. John T. Smith, lives here.

Church affiliation for the new residents is Presbyterian.

Summer Guests Hosted in Landers Homes

By MRS. C. N. STUBBLEFIELD, Record Correspondent.

LANDERS — Hosting out-of-town guests highlighted activities here last week end.

Typical hostesses were Mr. and Mrs. Forrest Porter.

Visitors in the Porter home were Mr. Porter's grandmother, Mrs. Johnny Corbin of Anthony, N. M., and his nephew, Melvin Porter of Hatch, N. M.

The guests were en route to other sections of Texas and Oklahoma.

* * *

Visiting last week end in the home of Mr. and Mrs. Sidney Compton were Mr. Compton's uncle and aunt, Mr. and Mrs. Charley Patterson of Hart; also, Mildred Patterson of Washington, D. C., Mr. and Mrs. J. R. Patterson of Robert Lee.

* * *

Mr. and Mrs. W. E. Dillard and girls, Karen and endra, of Carlsbad, N. M., were week end visitors in the home of Mr. and Mrs. Charles N. Stubblefield.

Mrs. Dillard and Mrs. Stubblefield are sisters.

The Stubblefields' daughter, Christy, returned with the Dillards for a two-week visit.

* * *

Mr. and Mrs. Dave Stubblefield visited in Hobbs, N. M., last Sunday with Mr. Stubblefield's brother-in-law and sister, Mr. and Mrs. John Walker.

Accompanying the couple to the New Mexico home were Mr. Stubblefield's parents, Mr. and Mrs. Charles N. Stubblefield of Colorado City.

Grandsons Visit Here

Visitors in the home of Mrs. A. J. Hooks this week have been her grandsons, Ralph and Gary Turner, sons of Rev. and Mrs. Frank Turner Jr.

The boys visited here while their parents moved from Wortham to Santa Anna. Rev. Turner was recently appointed pastor of the Santa Anna Methodist Church.

AT WESTBROOK

Genelle Dorn, Alvin Leon Byrd Repeat Vows in Church Ceremony

First Methodist Church of Westbrook Saturday evening was setting for the 8 o'clock wedding of Miss Genelle Dorn and Alvin Leon Byrd.

The bride is the daughter of Mr. and Mrs. Lee Dorn of Route 2. Byrd is the son of Mr. and Mrs. Alvin Byrd of Westbrook.

Rev. Joe McCarthy, church pastor, read the double ring vows before an arch covered with lemon foliage. Baskets of white gladioli accented each side of the arch.

The bride, given in marriage by her father, wore a ballerina length gown of lace over bridal satin. Bodice was fashioned with shirred sleeves and a sweetheart neckline, accented by seed pearls.

Her veil fell from a tulle covered tiara embedded with seed pearls. She wore lace mitts and carried a bouquet of white feathered carnations with a white Bible.

Traditional wedding music was presented by Mrs. E. B. Gray of San Angelo, aunt of the bride.

Mrs. David Ray Anderson of Westbrook Community, sister of the bride, was matron of honor. Her dress and headpiece were made from aqua taffeta. She wore matching mitts. Her hand bouquet consisted of pink carnations.

Eldon W. Ruffin of Colorado City served as best man.

Ushers were Carl Bacon and Charles Ritchey of Westbrook.

The wedding couple were honored at a reception in the church parlor following the ceremony. White gladioli decorated the reception room. Bride's table was topped with a miniature bridal couple.

Members of the houseparty included Mrs. F. S. Conway, Miss Frankleen Conway, Mrs. E. B. Gray, Miss Bobbie Carter, Mrs. Charles Candler and Mrs. J. D. Iglehart.

For their honeymoon trip to New Mexico and Colorado, the bride wore a brown and white cotton suit which was complimented by white accessories and a white carnation corsage.

They will live here at 1636 Hickory St. following their wedding trip.

The bride attended San Angelo College where she was a member of the Sigma Alpha Chi, a social sorority. The groom attended Texas Technological College in Lubbock.

Out of town guests included Mr. and Mrs. F. S. Conway and Franklee of Corpus Christi, Mr. and Mrs. E. B. Gray of San Angelo, Mr. and Mrs. Charles Candler and children of Midfill, Miss Helen Roberts of San Angelo, Mrs. W. J. Coon of Loraine and Jim Burns of Amarillo.

Midland Visitors

Mr. and Mrs. W. H. Narrell of Loraine were week end guests in Midland home of their sons-in-law and daughters, Mr. and Mrs. Douglas Smith, Mr. and Mrs. Bobby Price.

WED IN WESTBROOK—Miss Genelle Dorn became the bride of Alvin Leon Byrd Saturday evening in the First Methodist Church in Westbrook. Following their honeymoon trip to New Mexico and Colorado they will reside here at 1636 Hickory St.

Mrs. B. Cooper Presents HD Program

Program leader for the Plainview Home Demonstration Club in the home of Mrs. Bill Thompson Thursday was Mrs. Billy Cooper.

Mrs. Cooper demonstrated the making of well planters, bun warmers, Christmas card baskets and various other hand crafts.

Roll call for the afternoon meeting was answered by each member telling her hobby and why she chose it.

Club members voted to participate in sponsoring a snack bar at the annual Electric Fair here June 26.

Mrs. Ed Roach and Mrs. N. O. Brown, members of the Looney Home Demonstration Club, were guests for the meeting. They discussed the program for next year's HD work.

Refreshments were served to Mrs. Roach, Mrs. Brown, Mrs. Roy Bates, Mrs. Cooper, Mrs. Swan Taylor, Mrs. W. C. Harlow and the hostess.

Boy Scouts will hold a nonpartisan Get-Out-the-Vote Campaign in 1956.

IN DOUBLE RING CEREMONY

Joyce Ann Warren Becomes Bride Of Sam Adams in Church Rites

Miss Joyce Ann Warren Saturday evening became the bride of Sam Adams of Hamlin in a double ring ceremony in First Methodist Church.

Miss Warren is the daughter of Mr. and Mrs. Roy E. Warren of 1241 Hickory Street. The groom is the son of Mr. and Mrs. Rupert Len Adams of Hamlin.

Rev. Jack Ellzey, church pastor, read the 8 o'clock vows before a background of palms and baskets of gladioli and stock. Lighted candles, entwined with ivy, were used on the altar. Family pews were marked with white satin bows.

The bride was given in marriage by her father.

She wore a gown of shadow lace and tulle over taffeta. The brief jacket was designed with a peter pan collar and long fitted sleeves which tapered to petal points over her wrists. The bouffant, waltz-length skirt was fashioned of lace tiers over tulle.

Her finger tip veil of illusion flowed from a pearl studded coronet. She carried a cascading bouquet of white rose buds and stephanotis.

Mrs. W. C. Hooks, organist, played "The Lord's Prayer", "Estrellita" and "Andante Cantabile" prior to the ceremony. During the ceremony she played "Clair de Lune".

She also accompanied Mrs. Oren B. Trulock as she sang "Oh Perfect Love", "Because" and "Bless This House".

Miss Connie Ainsworth was maid of honor. Mrs. Jack Bradley of Hereford, cousin of the bride, was matron of honor. Miss Jean Rogers was bridesmaid.

They wore identical styled frocks of light mint crystalatte over taffeta. Figurine bodices were accented by off shoulder drapes which formed the short sleeves. Bouffant skirts were waltz length.

Their headdresses were of crystalatte leaves, outlined in silver braid and accented by white daisies. They carried cascading bouquets of white daisies.

Charles Adams of Eldorado, brother of the groom, served as best man. Scott Oman of Fort Worth and Abe Palacios of Laredo were groomsmen.

Candles were lighted by Miss Gayle Ainsworth and Quenten Stanley of Big Spring.

Truitt McCabe and Bobby Richardson served as ushers.

Immediately following the ceremony, the bridal couple was honored at a reception in Fellowship Hall. Bride's table was marked with a large white maline arch, covered with orange blossoms and centered with a miniature bridal couple. Backing for the arrangement consisted of pink elfie roses. Miniature cupids on each side of the arch held white streamers which extended from the arrangement.

Mrs. Charles Adams of Eldorado, the groom's sister-in-law, served cake. Mrs. Bit Terry of Ozona, cousin of the bride, presided at the punch bowl. Miss Carolyn Bilberry registered guests.

Others in the houseparty were Miss Sandra Ainsworth of Dallas, Miss Judy Bradley of Hereford, cousin of the bride, and Miss Joan Terry.

For a brief wedding trip the bride changed to a champagne linen suit, which was accented by black accessories, white gloves and a corsage of white roses.

They will live in Wichita Falls where both will enter Midwestern University this fall. The bride attended Texas Technological College in Lubbock and Sul Ross College in Alpin. The groom attended Sul Ross State College and Midwestern University.

Mr. and Mrs. Thompson Visits Son, Family

Mr. and Mrs. Bill Thompson this week returned from Niagra Falls, N. Y., where they visited in the home of their son and daughter-in-law, Pvt. and Mrs. Delbert (Red) Thompson, and their daughter, Susie.

Pvt. Thompson, a radar specialist, received his basic training from Fort Ord, Cal., and Fort Bliss. He is a graduate of Colorado High School and was foreman of the Thompson Ranch at the time he went into service.

MRS. SAM ADAMS,
. . . nee Joyce Ann Warren.

Club Hears Review of Father's Day Origin

Highlighting a meeting of the Fairview Home Demonstration Club Thursday was a review of the origin of Father's Day by Mrs. J. C. Womack, club president.

Mrs. Womack revealed that Sunday is the 46th observance of the special day honoring fathers.

"The first Father's Day was June 19, 1910, directed by the ministerial association of Spokane, Wash.," Mrs. Womack said.

"It was suggested by Mrs. John Bruce Todd, founder of Father's Day," the group heard.

Her inspiration was the Bible's command, "Honor thy Father", the speaker continued.

There is a new theme or plat from of dedication every year. This year it is "Liberty Stems from the Home", she concluded.

The afternoon meeting at the lake cabin of Mrs. O. L. Simpson was opened with the club song "Dreaming". Club members voted to participate in selling sandwiches at the annual Electric Fair June 26.

Mrs. Womack was leader for the afternoon program about crafts. Members finished nine trays during the meeting.

Mrs. Charles F. Wakefield was a guest for the afternoon.

Members attending were Mrs. Ed Bodine, Mrs. E. T. Strain, Mrs. T. L. Holman, Mrs. R. E. McMillan, Mrs. L. A. Strain, Mrs. Raymond Perdue, Mrs. Womack, Mrs. George Davis, Mrs. W. C. Berry, Mrs. P. H. Pace, Mrs. Preston Morris and children, and the hostess.

Next meeting of the group will be June 28 in the home of Mrs. L. A. Strain.

Mrs. Reynolds, Son Return from New York

Mrs. Wilma Reynolds and son, Donald, returned this week from a visit with her son-in-law and daughter, Mr. and Mrs. H. M. Spilman, and children in Rochester, N. Y.

While there they visited Niagra Falls and Lake Ontario.

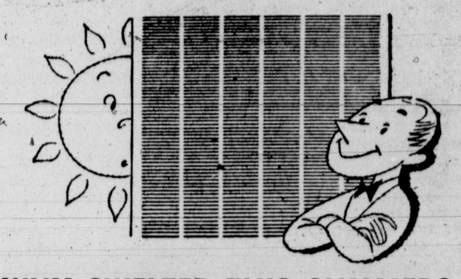

En route home they visited Mrs. Reynolds' father, John Griser, and other relatives in Missouri.

Period Now to Shape White Wing Season

Whether Texas will have birds enough to resume open seasons on white-winged doves this year will not be determined for another six weeks or so, according to the assistant director of wildlife restoration for the Game and Fish Commission.

He said the once plentiful and popular game bird has been reported in good numbers in upper south Texas but added that the population estimates in the Rio Grande Valley's principal habitat have not been completed.

The season on whitewings has been closed since 1953 because of a severe population slump, dating back to a crisis five years ago when a freeze killed many citrus trees, influencing land owners to convert to field crops. Brush clearing practices have also reduced the birds' habitat.

Meanwhile, plans are going ahead, the the Assistant Director, for the annual study of nesting conditions in Mexican areas which occasionally bulwark feeding flocks flying northward into the Valley during the early September harvest period.

The commission moved last year to help relieve the whitewing habitat crisis by arranging with the International Boundary and Water Commission to use a Falcon Lake shoreline area, stretching from Zapata Village to Falcon Dam, for whitewing propagation.

Progress on two fronts was reported by the assistant executive secretary of the Game and Fish Commission who is supervising efforts to aid a Texas quail comeback.

He said rains in East Texas have "picked up" habitat in the area destined to receive most of the young bobwhites from the state's experimental quail hatchery near Tyler.

At the hatchery, between four and five thousand eggs are in the incubators. Delivery of the young birds is tentatively scheduled for the latter part of June, after they spend four weeks in brooders plus two weeks in the "hardening pens."

The assistant executive secretary said applications for the pen raised quail, which will be issued on a cost basis, indicate that some persons misunderstood a basic requirement. This provides that the game birds will be distributed only where food and cover provisions have been made subject to approval of the local game wardens.

"The Commision has re-emphasized that the primary purpose of this experiment is to create interest in quail habitat," he said. "The reason for this policy is that our quail population crisis developed only because of habitat shrinkage."

The assistant executive secretary said persons interested in helping stock the hatchery quail should write the Commission in Austin.

Removing an estimated one hundred tons of shad from the Panhandle's Buffalo Lake has done the job—made the game fish hungry—according to reports to the Chief Aquatic Biologist for the Game and Fish Commission.

A record 1800 pounds of the chemical rotenone was used to exterminate shad. Carp will be attacked later when they concentrate for spawning in the shallows.

CARDS, ATHLETICS BOTH WIN

Richardson, Bracy Give Shining Pitching Performance in League

Top pitching performances dominated the Pony League scene Friday night.

Dickie Richardson, Cardinal hurler, threw a one-hitter for his team as they edged past the Braves 4-1.

And Robert Bracy was credited with a four-hitter as the league-leading Athletics downed the White Sox 15-5.

* * *

In the Cardinal-Brave game, the Braves put up a good pitching performance themselves, using Lucky Merket, converted from catcher to the mound.

Merket tossed a six-hitter, holding the Cards hitless for the first two innings.

The game was scoreless until the fifth when the Cards pushed across two runs. Billy Bobo and Richardson scored the runs with the aid of Hunter (Rooster) Mann's single.

Cards added the third run in the sixth when Bill Davis got on base on a fielder's choice and scored on Dwain Thomason's double.

Braves' third baseman Robert Boney got the only hit off Richardson in the sixth, a double. And Boney scored the only run in that inning.

Richardson helped his own game in the seventh, blasting a single and scoring on Mann's single.

Richardson struck out 11 Braves while Merket whiffed 10 Cards.

* * *

Bracy held the White Sox hitless for four full innings in the Athletics 15-5 rout.

Athletics terrific batting power came alive in bottom of the first frame.

Lindsey led off with a double; Randy Cupp, Dwayne Spivey and Bracy all singled to account for four runs.

Athletics marked up 10 big runs in the third with seven hits, the biggest one by Alex Campbell, a homer. Campbell has been hitting the ball at a terrific pace the last several weeks.

White Sox biggest inning was the sixth when they scored three of their five runs. Two Athletic errors, a walk and a hit by Bobby Compton paved the way.

Steve Smith scored the final Athletic run in the sixth when he singled and raced home on Danny Maples double.

Athletics got 15 hits off three Sox pitchers.

20 YEARS EXPERIENCE

Irish Jack Veteran Of Texas Wrestling

Irish Jack Kennedy is one of the best-known and most colorful of Texas wrestlers.

He hails from Dallas and has been wrestling 20 years.

And he'll be in the second event of the professional wrestling matches scheduled here Saturday, 8:30 p.m. by the Colorado City Jaycees in Junior High Gym.

Twenty years in the wrestling ring has not dampened Kennedy's love for the sport, but has given plenty of valuable experience.

A rough and rugged opponent, Jack is always a hard man to handle. He specializes in the "abdominal twist" and has exhibited his favorite holds throughout the United States, Canada, Mexico, Australia and South Africa.

Proud of his Irish ancestry, Jack is known to lose his "Irish temper "occasionally" in the ring.

Kennedy will use his 235-pounds against a worthy oppenent—Bill Dusek of Omaha, Neb.

Dusek is a big blonde Polack, agile and versatile, standing 6-4 and weighing 225.

Bill is a clean and scientific wrestler, but can take care of himself against the tough boys like Kennedy. In four years of pro wrestling, he has gained much valuable experience which will help him in his climb to the top.

Bill was groomed for the ring by his famous wrestling cousin Ernie Dusek.

Besides the Kennedy-Dusek match, there will be The Shiek, Giants in the second event taking on Bob Gurley and Ella Kowalski battling with Shawnee Knorr in one-fall events.

The team tag match features The Shiek and Kennedy against Dusek and Gurley.

The macthes will be by Texas rules, which are very rough.

All-Star Games, Make-up Tilts Set This Week

All-Star games and make-up games are scheduled this week in the Pony and Little Leagues.

All-Star game for the Pony League is scheduled Thursday while the Little League All-Stars tangle Friday.

The All-Star squads will be selected at a meeting of managers Sunday, said Chester Thomas, president of the leagues.

Monday, two games that previously ended in ties will be played off. The first game, beginning tentatively at 7 p.m., will pit the Athletics against the White Sox. The second will feature the Athletics against the Cardinals.

Tuesday, Little League games that were rained out May 31, will be played.

That will feature the Indians against the Pirates in the first game and Yankees against the Giants in the second.
