Quinton Brewer Heads Glynn Moore Post VFW

Quinton Brewer was elected commander of the Glynn Moore Post of Veterans of Foreign Wars in a meeting held Tuesday night, March 5. Brewer will be installed Tuesday, April 2, and will succeed Donald Curry, commander for the year just ending.

Elected to serve with him were Jimmy Bowen, senior vice-commander; Durant McInnis, junior vice-commander; Sam Thompson, quartermaster; Bob Jones, surgeon; Curtis Winton, post advocate, and G. C. McMinn, chaplain.

James Richardson was elected to a three year term as trustee, and Odie Killingsworth was elected to fill the unexpired term of Ruel Alexander, who has moved to Amarillo.

Rockettes Drop Championship to Dimmitt Girls

The Wellington Rockettes advanced to the finals of the girls regional basketball tournament in Lubbock Saturday night, March 9, before they lost out to a fast-rising Dimmitt team. Their playing this year, however, took them farther toward the state championship than a Wellington girls team has gone before.

They lost to Dimmitt 73 to 62, with one six-foot-plus forward standing between the Rockets and victory.

Earlier they had defeated Grandlury 52 to 39. In that game Wellington scored 10 points in the first quarter to 8 for their opponent. In each of the remaining quarters they scored 14 points. Grandlury dropped to 6 points in the second period, and that put them out of playing, although they scored 13 points in the third and 12 in the fourth periods.

Sally Murphy was high scorer with 24 points, while Sherry Bounds got 15 and Pat Tompkins 13.

Smithson accounted for 42 of Dimmitt's points in the finals, and the Rockettes didn't have anyone tall enough to guard her. Dimmitt took the lead in the first quarter, and it was only in the last period that Wellington got to within 7 points of their opponent.

Sally Murphy again was high scorer for the Rockets, with 34 points; Pat Tompkins got 15; Sherry Bounds 10 and Theda Martin 8.

Girls playing were these four and Vada Bell, Jo Ann Crane, Katherine Sanders, Cecilia Cartwright and Retha Lindville. Others going on the trip were Mary Sanders, Sherry Smith, Sandra Smith and Janetta Golliugh.

Take Government Out of Business, Speaker Urges

Labeling as unconstitutional both social security and the individual income tax, and calling for an amendment to the constitution that would take the federal government out of business, Mrs. Mary D. Cain, charming but militant editor of the Summit, Miss. "Sun" addressed 370 guests at the Wellington Chamber of Commerce annual banquet Thursday evening, March 7.

"If we are in a mess, it is because we are constitutional illiterates," she told the crowd bluntly. Early in her talk, Mrs. Cain referred to her own refusal to pay social security and described how she saved off the lock placed on the door of her newspaper by the department of internal revenue.

"This is a matter of conscience to me, but more than that it is a matter of constitution. Give social security to people in the constitutional way (by constitutional amendment) and I will gladly pay it," she said.

Mrs. Cain named the only two functions of the government in a corporate sense authorized by the constitution, operation of the post office and operation of post roads. "But they operate 707 federal corporations, costing us a ten billion dollar deficit every year," she declared. Paraphrasing Patrick Henry's famous call to rebellion, she reminded that the government "now has 900 bureaus. 'When will you be any stronger, when there are 1800 bureaus?' she asked.

I'LL EAT THAT HAT IF THOSE CHAPEAUX AREN'T IN GOOD TASTE

These hats are more than meets the eye of the camera. Winners in the Garden Club Hat Parade, held Wednesday, March 6, they are decorated with real fruits and vegetables, and some of the hats themselves were baskets and trays. At left is Mrs. Roy Bounds, first place winner for the most attractive hat, which was decorated with dried flowers and vegetables. Mrs. R. W. Brantley, wearing a shallow basket decorated with English Ivy

and japonics, and Mrs. L. B. Bratten, whose hat was a large tray decorated with English ivy, tied for second. Winners of the most amusing hat division were Mrs. Chester Fires, whose basket hat featured a banana pig eating from an orange, while a bird in a bird nest looked on, and Mrs. Henry Vaughan, wearing a hat of red cabbage leaves accented with radishes. Second place winner was Mrs. J. C. Whisenant, who used as decorations three bananas with onion stems for accent. The bow was conventional satin ribbon.

Cunningham Introduces 5-Year High School Plan Before TEA

A Collingsworth County School superintendent has placed before the Texas Education Agency a plan to make five years the standard for graduation from Texas high schools, rather than the traditional four-year system under which high schools now operate.

Supt. Orville Cunningham of Samnorwood submitted the plan to TEA at the request of Dr. Lee Wilburn. The plan also is before the Texas State Teachers Association for study.

His plan grew out of the movement now before Texas school administrators to require 20 credits of all students for graduation from Texas high schools. The proposal would have the student complete these 20 credits, against the 16 now required, in four years. Cunningham incorporates the 20 credit idea but would give the student five years in which to do the work.

Cunningham's thinking behind his plan concurs with the belief of many of the nation's top educators.

"We are turning out high school graduates with too weak an education to go to college, too young

to go to college and too young to go on the job," he declared. "One additional year of high school will take care of their maturing and their basic education, too."

What is the reaction to his plan? Cunningham first voiced his five year idea at a recent meeting of the midwinter conference of superintendents and principals, held in Austin. That night and the following day he was swamped with visitors who almost unanimously agreed with his stand.

But what about the students themselves?

In Samnorwood school, opinion varies. A surprising number of boys and girls are in favor of five years in high school, pointing out that there are many subjects they would like to take but they don't want to return a year after graduation. Why? Sometimes community adults are inclined to feel they are just fooling around. Also, under the present educational set-up

Norwood Gets Ready for First Baseball Season

The Samnorwood Eagles, with a basketball district championship just behind them, are preparing to make baseball a major school sport, under Coach Don Ward, who has behind him a record as one of Oklahoma's outstanding baseball coaches.

New suits have been ordered and men of the community joined the Eagles Saturday, March 9, in laying out a diamond just east of the grade school building, Supt. Orvil

le Cunningham said.

This is the first time in its 21-year history Samnorwood school has had baseball as a sport. "We did play limited in the spring of 1948 but that is all," Cunningham said.

Discussion is now under way of a baseball conference to include Wellington, Quail, Dodson, Hedley and Lelia Lake, with all games to be played at Marian Airpark, Wellington.

City Rescinds Commodity Aid

The Wellington City Council, in a meeting last week, rescinded an order of a previous meeting in which they agreed to assist the county in its surplus commodity program to the extent of \$75 per month for a three-months period. This action was taken by the council, City Manager Bura Handley said, after it was learned the commissioners court had dropped the program altogether.

The council earlier had approved the \$75 to help with hauling surplus commodities here, and their distribution to needy citizens.

Norwood to Elect Two Trustees

Samnorwood School District voters will elect two trustees in the election Saturday, April 6, Supt. Orville Cunningham has announced.

Trustees whose terms expire are W. R. Breeding and Albert Oldham.

The deadline for filing for a place on the ballot is Tuesday, March 26, Cunningham said. Petitions may be had from Mr. Cunningham or from the office of B. W. Beaird, county superintendent. Election judges will be Cecil Brown, Ernest Tate and James Throckmorton.

First Services Held in Trinity Church Annex

Services were held for the first time Sunday, March 10, in the new Sunday School annex of Trinity Methodist Church, the Rev. Hugh Cole, pastor, reported.

The building has been completed but is not yet painted, and the next church project is decorating the interior of this section, painting the outside, and redecorating the sanctuary.

The annex includes a 20 by 20 foot area divided into three Sunday School rooms; and another 12

x 18 foot section for a ladies lounge and storage area.

There is no debt on the new annex, Rev. Cole said. Part of the money was collected and a grant obtained from the conference board for the remainder. Men of the church volunteered all the labor.

The annex is valued at around \$3,000. After the redecoration is completed, the next major event will be a pre-Easter revival from April 7 to 14.

County Calls Three Elections For April 2

The Commissioners' Court, in a meeting Monday, March 11, ordered three elections, to be held at the same time as the Senatorial election Tuesday, April 2; heard two separate committees appearing in behalf of four services the court has dropped; ordered the county attorney to file suits for the collection of all delinquent taxes; adopted a report they designed to go along with those of the Finance Committee and Grand Jury, and attended to other business.

The court will meet again Thursday, March 14.

Two of the three elections were called by the court last month, but it was later learned that they would have to be called within a 30-day period of the actual election. One is to determine if a 30 cent ad valorem tax shall be assessed on all property except the first \$3,000 valuation of residential homesteads for the years 1957-58-59 and 60.

The other is to determine if the office of sheriff and county-assessor-collector of taxes shall be separated.

In the third election, the court is submitting to the people the proposition of building a new jail. The court proposes to build the \$55,000 jail out of the present court house bond sinking fund and without additional taxes. It was decided to call the election, members said, because of a petition requesting that the issue be submitted to a vote, which has been on file since August. A part of the court indicated that this vote was more to determine how the people feel about a new jail than it is to authorize immediate construction.

One delegation named by a meeting of citizens last week, was requesting that the four services which were dropped, the county agent, county home demonstration agent, veterans service officer and surplus commodities program, be retained, with preference in that order. The other group, representing veterans, asked for a veterans service officer.

Reports from these groups indicated that a clear-cut answer was not given by the court, but the latter said they would do the best they could. Judge R. L. Templeton and three members of the court, Jack Brewer, Alfred Knoll and Cortez Barnett, told The Wellington Leader they feel that all services should be restored or none, that it is as important to restore one as the other. Pat O'Hair was absent at that time.

The court praised the attitude of these two delegations, saying that they were about the nicest and most considerate that had ever met with them.

The cost of the four services involves about \$8,500 per year to the county, a court spokesman said.

In other orders, the court rejected two claims for payment, one from Raburn Grocery, the other from City Grocery, for supplies for the Home Demonstration Agent, totaling \$6.41. Court members then paid this themselves.

They accepted the county attorney's written report on the status of the delinquent tax suit against the City State Bank.

The county attorney was ordered to file suits for the collection of delinquent taxes.

Employment of F. E. Coan of Amarillo to prepare the 1957-58 budget was discontinued.

Claims for payment and monthly reports of the officers were approved.

The court next ordered that the telephone at the county jail be discontinued and that it be served by an extension of the phone in the office of the county sheriff-tax assessor collector.

The last order was a motion to accept the resolution or report from the court itself.

Henard Bros Open Repair Dept.

Eddie Henard announced this week that they had secured the services of Bill Fincher, who will be head mechanic in the repair department of Henard Bros. Equipment Mr. Fincher, who has lived in Wellington since 1940, has had experience with all types of tractors, cars and other repair work.

Henard Bros. are the Minneapolis-Moline dealers in the Wellington area and also handle all types of irrigation supplies such as pumps, engines and irrigation pipe.

Mr. Henard also announced that H. L. Duncan, who has had years of experience in this work, had been employed as parts man.

Finance Report Accepted In Most Indefinite Manner

The three latest steps in the effort to find a solution to the county's financial problem are a second report by the 3-man finance sub-committee; a report by the grand jury of the 100th district court backing up this finance sub-committee report; and a report to the Commissioners' Court, in which they accepted the report of the finance committee as recommended by the grand jury, as the basis for the operation of the fiscal affairs of Collingsworth County.

The finance - sub-committee report provided for compromises on two points in the original report; opposed a change of the fiscal

year basis; opposed hiring a Dallas bonding company to hold the 50 cent tax levy election; and also set a time on the levy proposal.

The report of the grand jury in general gave support to the finance sub-committee report, but it also urged the Commissioners' Court members to keep in mind that they are serving as county officers rather than precinct officials.

The Finance Committee had no statement whatever to make on the action of the Commissioners' Court on Monday.

Turkey and Quail Released

Norwood Game Group To Hold Meeting Thurs.

The Samnorwood Game Association will hold a meeting Thursday night, March 21, to complete organization, and officers are aiming toward 90 per cent membership of all farmers and ranchers north of Salt Fork River when the meeting

is over. It will be held in the Samnorwood school beginning at 7:30 p. m.

Robert Baxter, president, and W. R. Breeding, secretary, urge both sportsmen and landowners to attend. The association is aiming toward the improvement of game conditions to the benefit of both groups, they pointed out. Membership fee is \$1 for those owning one section of land or less and \$3 for those owning more than a section.

District Game Warden Slim Davis will be at the meeting to discuss various phases of game protection. The by-laws will be approved.

The Association already has released six wild turkeys in the northwest part of the county and a number of Japanese quail along Elm Creek, Breeding said.

This variety of Quail, he explained, are regarded as unusually prolific, laying eggs nine months per year. It is claimed for them that one pair can raise up to 200 birds per year. They are somewhat smaller than bobwhite quail, but equally as hardy.

Churches Plan 3rd Sunday Sing

The Primitive Baptist Church of Wellington and the church at Paducah are organizing an all day singing to be held on the third Sunday of each month, with the first singing to be at the Wellington Church, on Graham Street Sunday, March 17.

The next singing will be with the Paducah Church on the third Sunday of April.

The singing here begins at 10 a. m.

Those having Sacred Harp song books are requested by the sponsors to bring them, and those who have other books may bring them also.

5 Seek Alderman Places at Dodson

Five candidates are seeking the three places of alderman in the Dodson city election set for April 2, Fred Boyd, city secretary, has announced.

Asking re-election are M. R. Wynn, Buster Fillpot and Robert Tabor. Other candidates are Jess Robertson and C. B. Balch.

Election judge is Mrs. Howard Hunt and Mrs. Fred Boyd is clerk.

The election will be held in the Davis Gin office.

Warrick's Reopen Repair Shop

The Warrick Machinery Co. has opened its shop and is now equipped to overhaul all makes of cars and tractors, Lawrence Warrick announced this week.

The shop is located in the rear of the machinery building and Sam McGill will be in charge. He was with Warrick Machinery five years before opening his own shop here, and has had wide experience on all types of repair work.

335 Sections in Area

Second Game Reserve in County Formed at Quail

and propagate wildlife of the area. The meeting was held at Quail with District Game Warden Slim Davis explaining the requirements for setting up a game reserve and the advantages of having one.

Temporary officers elected were Donald Langley, president; Delbert White, vice president; and Fred Bourland, secretary. A constitution and by-laws committee is made up of Frank Kennedy, chairman, Chester White, B. F. Ratliff, and Zeb Neeley. The next meeting date was set for Tuesday, April 2.

The group learned that in addition to providing a method of restocking game in the protected area, and making better hunting, a preserve also will serve to keep out undesirable transient hunters. It was pointed out that a farm cannot come under the trespass law unless it has a fence around it, but with a game preserve, the limits of the reserve form the trespass boundary.

The men took up the subject of getting the duck season changed to coincide with when the ducks are in this area, but learned this is a federal law and cannot be changed.

Boundaries of the reserve are Salt Fork River on the north; Highway 83 on the east, and the county line on the west and south. Approximately 335 sections is included in the area. This is the second reserve organized and puts more than three-fourth of the county under game reserve status.

Revival at Nazarene Church Opens Sunday

Revival services open at the Church of the Nazarene in Wellington Sunday, March 21, and will continue through Thursday, March 21, with a nationally known evangelist of the church in charge of preaching and a former Wellington resident leading the singing.

Plans were announced this week by the Rev. John Ferguson, pastor.

Rev. R. B. Kelley, pastor of Central Church of the Nazarene in Miami, Florida, will be the revival preacher. He is regarded as an outstanding preacher and evangelist, Rev. Ferguson said.

Rev. and Mrs. Gene Moore will be in charge of the music. Rev. Moore is the son of the Rev. and Mrs. Austin Moore, and is a graduate of Wellington high school. He is an ordained minister and engages in evangelistic preaching and singing.

His wife is the former Bobbie Seago of Lelia Lake. Both are

Dear Editor:

I see where a Senator Green is afraid our good relations with Libya are about to come apart, but figures that a liberal hunk of U. S. aid money will patch them up.

Looks to me like this is getting to be sort of a racket where, when some country notices their funds are running low, they get mad at us and we replenish same to cool them off.

I guess our federal money-handlers are more sensitive than our local bankers, who don't seem to care whether anybody likes them or not unless he has got some collateral.

I note that Agriculture Secretary Benson has said price supports have corrupted the souls of farmers, when the only sound basis for security is spiritual in nature and not material.

Which will maybe be recognized by all, as soon as the government starts letting us pay our taxes with our spiritual resources.

But we'll have to admit to Mr. Benson that he is doing a noble work, trying to hold corruption of

the farmers' souls down to around 75 per cent.

I see where Judge Whittaker, who is our newest Supreme Court Justice, says that he is going to interpret the law to mean just what it says.

This strange attitude toward law, especially if he tries to indoctrinate some of the other justices with it, is apt to lead to widespread unemployment in the judge business.

On account of, if all laws just simply mean what they say, there is no economy in hiring judges to opine on them, any more than hiring somebody to interpret a No Parking sign.

I see where a citizen has been reading about the post office department's financial strain, but he still don't want to pay a nickel to mail a letter.

Contents that the postal service don't need to be self-supporting any more than the public schools, on account of it is also engaged in distributing information to the unlearned.

Which I guess it is, because without the U. S. mails how would we ever learn such vital things as, say, where to get books on attracting the opposite sex, and on how to raise guinea pigs in the basement?

Miss Adell Jerman and Billy Wayne Hays To Marry in Quiet Ceremony April 13

Mr. and Mrs. Gordon Peters have announced the engagement and approaching marriage of their daughter, Adell Jerman, to Billy Wayne Hays, of Amarillo, the son of Mr. and Mrs. Rufus Hays.

The couple will be married in a quiet home ceremony Saturday, April 13, with Minister John Gay officiating. Only the immediate

families will attend. Miss Jerman was graduated from Wellington high school in 1956 and is employed in the local office of General Telephone Company.

Her fiancé, who formerly lived here, is with Bell Telephone Company, with headquarters in Amarillo.

Mr. and Mrs. Eugene Eagle Live in Perryton Following Recent Marriage

Announcement was made here this week of the marriage of Miss Grace Arlene Payne and Eugene Eagle of Perryton, which took place February 16 in Clovis, N. M. The Rev. R. C. Bolton, minister of Clovis Christian Church officiated at the double ring ceremony in his home.

The bride is the daughter of Mr. and Mrs. J. W. Payne, 301 South Birch, Perryton, while the bridegroom is the grandson of Mrs. W. C. Ketter at Wellington.

The bride chose a beige street length dress with a fitted bodice and three-quarter length sleeves. She wore a blue veiled hat and her other accessories were beige.

Attending the couple were Mr. and Mrs. M. K. Cawthron of Amarillo, brother-in-law and sister of the bride. Mrs. Cawthron wore a

navy dress with white accessories. The bride is a graduate of Perryton high school and attended Texas Christian University at Fort Worth. She is employed by the Farmers Home Administration in Perryton.

The bridegroom attended Samnorwood high school and was graduated from Wellington high school. He is employed by Baker and Taylor Drilling Co.

Mr. and Mrs. Eagle are at home at 506 South Colgate, Perryton.

Mrs. W. R. Orr Book Club Head

Mrs. W. R. Orr took over the duties of president of the Wellington Book Club at a recent meeting. Officers to serve with her in 1957 are Mrs. J. B. Stevenson, vice-president, and Mrs. Bobo Castleberry, secretary.

During the program hour Dr. J. M. Orr showed films made during the time he and his family lived in England and traveled in other countries of Europe.

Books circulated during 1956 were brought in and circulation of the 1957 list begun.

The meeting was held in Mrs. Orr's home and co-hostesses with her were Mmes. Jones Singley, James Sullivan, John Sherman, J. B. Stevenson, and Ben Ratliff.

Pie and coffee were served to Mmes. Frank Anderson, E. F. Bartlett, Mish Dukeminier, N. M. Kernu, R. L. Templeton, Fred Watkins, J. W. Wells, Miss Ine Leach, Dr. Orr, and the hostesses, Mmes. Orr, Singley, Sullivan, Sherman, Stevenson and Ratliff.

Hat Parade Provides Unique Feature Of Garden Club Installation Meeting

A Hat Parade, featuring hats decorated with fresh and dried fruits, flowers and vegetables provided entertainment for members of the Wellington Garden Club at their installation breakfast in the basement of the First Methodist Church Wednesday, March 6.

Present officers, re-elected for the coming year, were installed and include Mrs. Deskins Wells, president; Mrs. C. R. Fires, vice-president; Mrs. Chas. D. Slay, recording secretary; Mrs. S. B. Owens, corresponding secretary and treasurer and Mrs. J. T. Slay, historian.

Winners of the hat parade, for the most attractive hat were Mrs. Bratten first, with Mrs. Roy Bounds and Mrs. R. W. Brantley tied for second. Mrs. Chester Fires and Mrs. Henry Vaughan were judged to have the most amazing hat, while Mrs. J. C. Whisenant was second.

Correct table settings were exhibited for a breakfast, luncheon and formal dinner. These were prepared by the hostesses. Center-

ing the serving table was a basket of ivy, daffodils, forsythia, Star jasmine and japonica in crescent design.

Attending were Mmes. Willie Smith, Doshia Dix, Verna Light, Walter Franks, Fires, J. T. Slay, Chas. D. Slay, A. L. Elliott, Owen, Bounds, Wells, E. M. Hix, E. F. Bartlett, C. R. Neese, Woodrow Wood, Whisenant, John Henard, A. L. Nowlin, Dick Sweat, Miss Kathryn Potter and the hostesses, Mmes. Bratten, Vaughan and Brantley.

Mrs. Cocke Moves To Mineral Wells

Mrs. A. V. Cocke, who has lived at Wellington for 68 years, moved last week to Mineral Wells to make her home. She will live with a son-in-law and daughter, Dr. and Mrs. G. M. Terry.

Mrs. Cocke came here with her family, the late Mr. and Mrs. Dave Atteberry, who settled east of Wellington in 1889. She was 12 years of age at the time, and attended the first school taught in the county, at Fresno.

Her family helped to organize the First Methodist Church, and Mrs. Cocke has been active in its work. For many years she taught a Sunday School class of women and was a leader in the Women's Society of Christian Service.

Dodson in Band At Mardis Gras

Buddy Dodson, son of Mr. and Mrs. O. E. Dodson, was a member of the ROTC band from North Texas State College, Denton, that played at the Mardi Gras in New Orleans, Tuesday, March 5, and marched in the 11-mile-long parade through the downtown section of that city.

Going to Lone Star to visit over the weekend were Mr. and Mrs. J. C. Hartman Sr., and Mr. and Mrs. J. C. Hartman Jr., and children. They were guests in the Shorty Hartman home there, and Mr. and Mrs. J. C. Hartman also visited in Lubbock with his sister, Mrs. Lydia Isaac.

The Rev. and Mrs. J. F. Michael of Munday were here Monday visiting with friends, and were dinner guests of Mr. and Mrs. J. W. Thomas. They were attending the McMurry College Lectureship, held annually, last week when they received word of the death of her father at San Angelo. Funeral services and burial were at Olney. From there, they went to Goodwell to visit their son, Charles Michael, and were en route home this week.

Finance Report —

(Continued from page one)

any Precinct would be helped by another Precinct and consequently how much any Precinct receiving such 1957 help would need to repay in 1958 to whatever Precinct that gave the help.

We are heartily in favor of these suggestions and commend the Court for such a sensible and practical approach. We think it a fine example of co-operation with each other for the common good. This sufficiently meets the previous Finance Committee recommendation that each Precinct pay its own insolvency.

5. PROPOSED CALENDAR YEAR BUDGET for 1957. We believe that a proper Budget can easily allow for full current operation of all Funds other than the Road Funds; and on the Road Funds allow \$24,000.00 for Road Upkeep spending, \$88,640.00 for Commissioner's Salaries, and \$11,629.50 for payment on lease purchase items due in 1957 on heretofore purchased Machinery and Equipment.

We think that with these figures as a starter that the Court can prepare a detailed Budget themselves for the Calendar Year 1957 to carry out this goal. If the Court would prefer the 3-Member Finance Sub-Committee to prepare such a detailed Budget the Committee will be glad to prepare and submit one for the Court's consideration.

6. AMENDMENT TO PREVIOUS RECOMMENDATION ON PAVED ROADS FROM THE STATE OF TEXAS. The following amended language was suggested by the Court to the previous

McCarver Goes to Police Conference

Police Chief Bill McCarver was in Amarillo March 4 to attend the Texas Police Association Regional Conference.

Chief McCarver reported that it was brought out in the conference that major crime in 1956 was up 18 per cent over 1955, and of the major crimes, 47 per cent were by boys and girls under 17 years of age.

The conference was devoted to discussion of the policeman in traffic work, and detection, apprehension and prosecution of subjects involved in burglaries.

Recommendation:

"Provided the Commissioners Court can not agree upon the location of the Farm to Market Road Program at the first meeting for the designation of the Farm to Market Roads" — then follow with the Resolution as previously presented by the Finance Committee.

We agree to this amendment.

The above and foregoing statements and recommendations respectfully submitted by your Finance Committee of 3 Members.

County Clerk

THE STATE OF TEXAS

COUNTY OF COLLINGSWORTH

I, Mrs. O. E. Dodson, District Clerk in and for said County and State, do hereby certify that the foregoing is a true and correct copy of the Second Report to the Honorable Commissioner's Court, the Honorable Luther Gribble, District Judge, the Grand Jury, and to the People of Collingsworth County—by the 3-man Finance Sub-Committee, as same is on file in my office on this day.

GIVEN UNDER MY HAND AND SEAL OF OFFICE, this 5th day of March, A. D. 1957. (SEAL)

Mrs. O. E. Dodson, District Clerk Collingsworth County, Texas

GRAND JURY REPORT THE STATE OF TEXAS COUNTY OF COLLINGSWORTH IN THE DISTRICT COURT OF COLLINGSWORTH COUNTY, TEXAS

TO THE HONORABLE LUTHER GRIBBLE, JUDGE OF SAID COURT

The Grand Jury of Collingsworth County, Texas, duly impaneled, and sworn for the November A. D. 1956 term of said court would report to the court as follows, to-wit:

The grand jury convened on the 25th day of February, A. D. 1957, to consider the report of the finance committee heretofore appointed.

pointed by this court upon the request of the Grand Jury. Such hearings as deemed necessary upon this matter were had, with the Grand Jury being in session for two days, and many witnesses were heard. As a result of such hearings, the Grand Jury makes the following findings, suggestions and recommendations:

1. No bills of indictment are returned, and no felony offenses were revealed by the study of the finance committee.

2. The reports of the finance committee heretofore attached are accepted by the Grand Jury, with the exception that item 3 of the second report of such committee is amended to allow an increase in valuation for the year 1958, based upon the natural growth of property valuations by virtue of additional improvements, and mineral development.

3. The Grand Jury recommends that the county attorney be present at all meetings of the Commissioners Court, and that he, or some other suitable counsel institute the necessary proceedings for the collection of all ad valorem taxes which are delinquent.

4. The members of the Commissioners Court should constantly remind themselves, and be reminded by responsible officers and citizens that they are serving as county officers rather than as precinct officers, and in their acts should work for the benefit of the whole county rather than for their own precincts.

5. The reports of the Finance committee attached are recommended as a basis for the budget for the fiscal affairs of Collingsworth County for the year 1957. All additional economy measures deemed feasible by the Commissioners Court are also strongly urged.

6. The tax collector is urged to have the 1957 tax rolls completed by May 1, 1957.

Each member of the Finance committee is to be congratulated upon the diligent effort he has expended in this connection and the grand jury wishes to express its appreciation for the services of these men. The membership of the Commissioners Court has shown all possible co-operation in this investigation, and their efforts are similarly appreciated.

(Signed) L. W. HARTMAN

TO THE DISTRICT COURT, THE GRAND JURY, THE FINANCE COMMITTEE AND THE PEOPLE OF COLLINGSWORTH COUNTY:

This Commissioners' Court appreciates the interest shown and the help given to our financial problem. The report of the Finance Committee as recommended by the Grand Jury is accepted by this Commissioners' Court as a basis for the operation of the fiscal affairs of Collingsworth County. The budget for this year submitted by the committee is hereby endorsed and is only to be varied from under necessity in cases of declared emergency. We were strongly urged by the Grand Jury to effect all additional economy measures deemed feasible, which must be our guide and practice.

The taxpayers' burden must be weighed and the best possible means used to increase the revenue

officials and employees of this County to provide funds for their salaries so as not to require them to suffer a discount on their labors. Also, we have an obligation to provide school bus route maintenance or every school in the county will suffer in transportation costs, average daily attendance, and in general efficiency.

In compliance with the Grand Jury request and in all fairness to the faithful and prompt taxpayers of Collingsworth County, duty demands this Commissioners' Court to order the County Attorney to file suit for the collection of all the delinquent tax accounts as the statutes require. Likewise, we must convene and sit as a Board of Equalization on the Second Monday in May to begin work on a complete and fair equalization of all the taxable properties in this county, having the roll completed in time for any interested taxpayer to review and offer testimony for any revision.

We have our problems, our responsibilities, our powers, our privileges, our obligations, our limitations, our discretion, our liability, and our duties, being unable to relieve ourselves of these, we must carry on hoping for the good-will and cooperation of every citizen of the County as we have had in the past.

Each member of this Commissioners' Court is pledged to cooperate and work for the best interest of the whole County.

City Rents Surplus Land

The surplus land at Marian Airport, amounting to 51 acres, has been rented to Temple Slay at \$10 per acre, with an option to rent it for the next four years at the same price, minutes of a recent City Council meeting show.

Slay told the group he plans to plant sorghum alfalfa on the land. City Manager Bura Handley explained that this land is not now in use, and attempts in the past several years to get a stand of alfalfa have failed. Some sort of vegetation must be established to keep dirt from blowing off this area on to the airport runways, he added.

Mrs. Kenneth Hodge and children were guests of her brother, Mr. and Mrs. Billy Teakell of Dumas last weekend. They also visited with Mr. and Mrs. John King while there.

Cub Scouts Hold Annual Blue and Gold Banquet

Cub Scouts were entertained with the annual Blue and Gold banquet recently at the Community Building, with den mothers and Cub leaders in charge.

Entertainment was a series of first aid demonstrations given by Scouts of Troop 32. The first team, composed of Randall Scott, Harold Pigg, Craig Bergval, Jackie Daves, Gene Sweat and Freddy Watkins, demonstrated a two-man carry, and tied open hand, open face and collarbone bandages. The second team improvised a stretcher of two poles and army blanket, carried their victim twice across the room, then gave a simulated treatment for shock. Members of this team were John Roark, Pat Frost, Dennis Cudd, and Jerry Rainey. The latter also told of camping experiences. Royce Daves, Scoutmaster, directed this program.

Approximately 120 Cubs, their parents, and guests attended.

Citizens of Wellington:

I take this opportunity as MY DUTY to give you some information about your City government.

It was not my desire or intention to seek re-election to the City Council, but numerous people have requested me to do so, and since some think that one of the issues I have fought for would penalize councilmen too much, there wasn't much else I could do but offer to run again.

Since it is being rumored that I am against EVERYTHING, I think it proper to state the facts.

I AM AGAINST THE CITY DOING BUSINESS WITH MEMBERS OF THE CITY COUNCIL

Our City legal adviser informs me that to do so violates the State law. I voted against the continuation of this practice because: it violates the law; it leaves the city vulnerable to corruption and if the city's business was EQUALLY distributed among the local merchants, the aldermen's \$10.00 salary would amount to more than the profit he might lose.

I AM AGAINST PUTTING OFF FOR TOMORROW WHAT SHOULD HAVE BEEN DONE YESTERDAY

For three years I have been advocating a blueprint for our City Water Works.

I AM AGAINST PARTIALITY BEING SHOWN IN LAW ENFORCEMENT

I believe that what is sauce for the goose is sauce for the gander.

I AM AGAINST SPENDING AS THOUGH THE CITY OWNED AN ORCHARD OF MONEY TREES

I am for running the City's financial business as if it were my own. That is the only way I know.

It might seem from the above statements that I am REALLY RUNNING for Alderman, but I say again that I am just offering to serve. After all, I don't want the people to think that I am a WORSE sore-head than I really am.

GOLDEN ROCKET 88 HOLIDAY SEDAN

CHECK THESE BIG-CAR EXTRA-VALUE FEATURES ...YOU GET THEM ALL AT NO EXTRA COST !

Rocket T-400 Engine • 8.50 x 14 Tires • Custom Trim • Oil Filter Turn Signals • Foot-Operated Parking Brake • Four-Barrel Carburetor!

Big-car pleasure is a standard feature with Oldsmobile... even on the lowest-priced Rocket. For proof, take a good look at the fine details of the Golden Rocket 88. We're talking about the extra features that add so much to the value of your car, yet don't add to the price of your Olds.

For example, you don't pay extra for the big-car performance of Oldsmobile's Rocket Engine.* The pace-setting action of its high-compression power gives you more economy when you want it, power when you need it.

You don't pay extra for the snug comfort of Oldsmobile's big-car ride. New Wide-Stance Chassis, Pivot-Poise Front Suspension and the wider, more durable frame—standard on every

model—leave no doubt about the smoothness and safety of Oldsmobile's new wide ride.

You don't pay extra for Oldsmobile's big-car styling. The higher, wider Span-A-Ramic Windshield, the distinctive, colorful Accent Stripe, and the comfort and luxury of new Tech-Style Interiors are standard features on every new 1957 Oldsmobile.

Compare Oldsmobile's extra-value features with any car at any price. You'll soon find out that you get more when you go Golden Rocket 88. And this Rocket fits your pocket. Be our guest... take a Rocket Test, soon.

*277-h.p. Rocket T-400 Engine standard on all models. 1/2 Rocket Engine, with 300 h.p., and special Rocket Engine, with up to 312 h.p., optional at extra cost.

ALL THIS AND

J2

Be our guest for a J-2 test! Oldsmobile's sensational new engineering advance presents two-stage engine control through progressive carburetion. STAGE ONE: for smoother operation and better economy. STAGE TWO: for a quick surge of power when the situation demands.

It's like two engines in one!

No Deadline
On Veterans'
Land Program

AUSTIN — There is no deadline for participation in the Veterans' Land Board, Land Commissioner Earl Rudder said Friday.

"As long as a man is a Texas veteran and money is available to operate the program," Commissioner Rudder added, "he may participate. Of course, a veteran may use the program only one time."

Commissioner Rudder said that his statement was prompted by numerous enquiries that the Veterans' Land Board had received about a time limit.

Cunningham—

(Continued from page one)

these students cannot participate in athletics, band or other activities. "They are more or less a lost group."

"But my boy friend won't wait another year to get married," some of Cunningham's young girl students have told him.

"I didn't have an answer for them and I don't have now, but I do think that if the boy friend was spending another year in high school, too, it would postpone things a year and maybe some of these very young marriages can be," he told the Wellington Leader.

Cunningham's plan calls for more required credits in such basic subjects as math and science, plus a wider field of elective subjects.

"It would permit additional vocational, industrial and business training for students not planning to attend college, additional background courses for students who do plan to go on to college; additional guidance activities for all students, a wider participation in extra-curricular activities and an additional year of opportunities for maturing, physically and emotionally," Cunningham explained.

The present four year system offers none of these, he believes.

There might be a little objection to 13 years of pre-college training, Cunningham admits, but on the whole he believes educators and parents in Texas are ready for it.

"I remember a great deal of objection when we went to the 12 grade system, but it is my belief that there would be few who would want to go back to the 11-grade system now," he says.

"But most of all I believe this plan will go far in helping students to gain a rich, basic education for any field of endeavor they wish to pursue," the Collingsworth educator added.

5 Official Holidays
Set by City Council

Five official holidays for the City of Wellington were set in a recent meeting of the Council, Bura Handley, city manager, announced.

These are Memorial Day, July 4, Veterans Day on November 11, Thanksgiving and Christmas.

Purina Exhibit
To Panhandle

"The Champ" a giant life-like plastic Hereford steer mounted on a 34-foot trailer which is touring the country in the interest of the cattle industry, will be on display in front of the Purina Mill at Amarillo, Tuesday, March 19, Jones Singley, Wellington dealer, has announced.

The remarkable exhibit was produced by the Ralston Purina Company who dedicated it to a better understanding of the cattleman's business of producing beef for our nation's people.

Visitors may walk through the giant steer's body and see realistic demonstrations of how feed and roughage are made into beef. Inside, they see how the vital organs of a steer's body work in the production of beef. They also see demonstrations of how a cow makes milk and how an unborn calf develops from a 30-day to a 9-month embryo.

Scouts Conduct
Old Broom Drive

Boy Scouts of Troop 32 will make an old broom drive Friday night, February 15, and they are asking housewives to leave all old brooms and mops they can spare on their front porches at that time, also leaving the porch lights on.

The boys will pick up the brooms between 8 and 9 p. m.

The handles will be saved off and turned over to St. Joseph's Hospital Auxiliary to be used as splints in the disaster program that group is setting up at the hospital.

But the boys have a use for the old straw from the brooms, Royce Daves, Scoutmaster, said. They'll use it on camping trips to help them in lighting camp fires.

"If you will put the brooms on your front porch and leave the lights on, the boys can pick them up without bothering anyone, and without your even being at home," Daves pointed out.

Norwood Needs
Two Teachers

Two instructors, a vocational homemaker and vocational agriculture, are needed to complete the faculty of Samnorwood high school, Supt. Orville Cunningham said this week.

Mrs. Jerry Nix, homemaker teacher, asked not to be considered for re-election as she plans to do graduate work next year, while Frank Claborn, ag instructor, is entering another field of work at the end of the school year, Cunningham said.

Council-Telephone
Company Meeting

The Wellington City Council was scheduled to meet Wednesday, March 13, at 1 p. m. with representatives of General Telephone Company. It was earlier agreed by the two that the meeting would be held prior to the hearing on the permanent injunction on the telephone rate case.

Lutie Baptist
Revival Planned

Revival services will open March 17 at the Lutie Baptist Church, with Rev. J. W. Joiner of Silsbee, Texas, in charge of the preaching. Frank Claborn of Samnorwood will conduct the singing.

Services will be held at 10 a. m. and 7:30 p. m. each day through the week, except on Saturday when there will be no morning service.

Receipts Up 17%
For Post Office

Receipts of the Wellington post office for an eight week period just ended are up 17.77 per cent over one year ago, R. T. Savage, postmaster, has announced.

Receipts this year amounted to \$4,520, compared to \$3,338 in 1956.

The increase is due to several factors, he believes, among them mailing of sorghum alum seed during the period, the presence of construction workers on the high school, and Lillie-Salt Fork road, along with other persons here for a short period, and a general increase in spending by the people.

The increase was figured for the accounting period of January 12 through March 8.

Norwood Men in
Shamrock Event

Two Samnorwood school administrators addressed groups in Shamrock Tuesday, March 5, at programs in observance of Public School Week.

Thomas Lawrence, high school principal, addressed high school students at 3:30 p. m., while Supt. Orville Cunningham spoke to the parents and teachers of Shamrock at a program at 7:30 p. m.

Lindsey Files
Damage Suit

Frank B. Lindsey Jr. of Quail has filed a damage suit in the 100th district court against Robert Doss of Crosbyton, but who has been working on the Lillie - Salt Fork road in the county.

The suit is the outgrowth of a collision between Lindsey's pickup and the water truck driven by Doss on February 6. The accident occurred on the road under construction, at a point two and one-fourth miles east of Marella Store.

Lindsey asks \$1,867.50 damages, including \$600 damage to his pickup; \$1250 for injuries, pain and suffering, and \$17.50 medical expenses, according to instruments filed in district court.

Pendleton With
Greenbelt Here

Charles Ray (Dick) Pendleton of Wheeler has been transferred here by the Greenbelt Rural Electric Co-operative Inc., to become line foreman. He succeeds the late Jack Scott.

Pendleton, with his wife, Margaret, and their two children, Jackie Ray, 3, and Mitzi, 8 months old, are living at 1201 Arlington Street.

Both Mr. and Mrs. Pendleton were reared at Wheeler and graduated from high school there. He had been with Greenbelt 5 years and was lineman at Wheeler. The couple are active in the Church of Christ and he was a member of the Kiwanis Club.

A guest in the home of Mr. and Mrs. Ed Thomas over the weekend was Jack Farlow of Ft. Worth, who is a brother of Mrs. Thomas.

Gene Harrison of Amarillo spent the weekend here visiting with his parents, Mr. and Mrs. Earl Harrison.
