

PAPER WORK, TOO—First Sergeant Dennis Patterson of Colorado City (left) keeps a watchful eye on Sgt. Harlan R. Alexander of Big Spring as the latter turns out a portion of the mountains of paper work needed to keep an Army or National Guard division running smoothly. Sergeants Patterson and Alexander are at North Fort Hood, where they're taking part in summer field training with Colorado City-based Battery C of the 648th Armored Field Artillery Battalion.

TRAINING AT FT. HOOD

Sunburned Battery Starts Final Week

Special To The Record
NORTH FORT HOOD, July 14 —A tired and sunburned crew of citizens from the Colorado City area is headed for a final week of soldiering at this dusty Central Texas Army post.

"This has been the hottest week here," says First Lt. Forrest Yancey, commanding officer of Colorado City's Battery C, 648th Armored Field Artillery Battalion.

But the 66 civilian soldiers who make up the battery have stood up well under a broiling sun that has shot temperatures past the 105-degree mark.

The battery, one of the 114 units from 55 Texas cities which comprise the 49th Armored Division, will wind up two weeks of summer field training Saturday.

A convoy carrying the unit's members homeward will leave here at 1 p.m. Saturday. The troops will stop overnight at Brownwood and will arrive in Colorado City about noon Sunday, July 22.

Bonds Okayed At Westbrook

Westbrook Rural High School District's \$240,000 bond issue has been approved by the state attorney general in Austin.

Attorney General John Ben Shepperd announced the okay Saturday and said the bonds have been submitted by his office to the comptroller of public accounts for registration.

Qualified voters of the district voted their approval of the bond issue last spring for construction of a new school building.

BUSY DAY FOR FARMERS

Soil Bank Deadline, Balloting For Wheat Quotas Set Friday

Friday is a major date for Mitchell County farmers and ranchers.

It's the deadline for application to participate in the 1956 Soil Bank program and it also is the wheat growers' ballot to decide whether wheat quotas are put in operation.

More than 200 applications have been approved already by the county committee for the Soil Bank plan, according to Mike Custer, office manager for Agricultural Stabilization & Conservation office.

Still in the process of being considered are between 50 and 100 additional applications.

And to be certain of handling any late hour rush, the ASC office will remain open here during the noon hours next week for the convenience of Soil Bank participants.

Balloting places in the wheat referendum will be at three community points in the county — Planters Gin office at Westbrook, ASC office in Berman Building in Colorado City and Lions Building in Loraine.

Monday is the deadline for farmers to apply for new grower wheat allotments, but Friday's election will decide whether marketing quotas are exchanged for price supports.

A two-third vote favoring the quota system is necessary if the quotas become effective.

Farmers voting in the wheat marketing quota referendum on July 20 will have all the basic information they need in making their decision, according to Custer.

Wheat price supports have recently been announced at an average of \$2 a bushel for 1957 production, to be available for those who comply with farm allotments in all commercial wheat States if marketing quotas are approved in the July 20 referendum Custer explained.

This announcement was followed, on July 6, by an announcement of the "unit" rate for determining payments under the wheat acreage reserve of the Soil Bank in 1957. This unit rate has been set at 60 per cent of the national average price-support level.

The actual payments which farmers may earn for taking part in the 1957 wheat acreage reserve will be determined by multiplying the base unit rate for the local county by a yield figure which will be established for the farm by the County ASC Committee.

If quotas are approved by at least two-thirds of the farmers voting in the July 20 referendum the wheat unit rate under the Soil Bank's Acreage Reserve in 1957 will be 60 per cent of the \$2 national average, or \$1.20 a bushel, as an approximate national average, with the usual differentials for local areas.

If quotas are disapproved by more than one-third of the growers voting in the referendum, price support on the 1957 wheat crop will drop to 50 per cent of parity, as directed by law; in that case, the wheat unit rate under the Soil Bank Acreage Reserve would be 60 per cent of the price-support level then in effect.

James Trammell has returned to Colorado City public school staff as high school vocational agriculture teacher.

School trustees Monday night approved the teaching appointment for Trammell, who has been Mitchell County's associate county agent for almost two years.

The 26-year-old graduate of Texas Tech succeeds R. E. (Bob) Post, who recently resigned from teaching to join the staff of El Paso Chamber of Commerce as manager of Southwestern Livestock Show & Rodeo.

Trammell was one of six teacher appointments approved Monday by the school board. Other additions to the local school staffs are Mrs. Tommy Nelson, Mrs. Benton Cain, Mr. and Mrs. R. O. Kidd and Miss Mary Houston.

Trammell, whose vocational agriculture job is on a 12-month basis, was vocational ag teacher in Colorado Junior High for two years before resigning Sept. 24, 1954, to become associate county agent. As associate agent he introduced and built a farm and rural family development program in the county.

Gene Williams, who took Trammell's place at Junior High in 1954, remains in his post.

Mrs. Tommy Nelson, wife of the St. Luke Methodist Church

pastor and graduate of McMurry College, was named as an elementary teacher. She has six years of teaching experience.

Also elected as an elementary teacher was Mrs. Benton Cain, graduate of North Texas State College and wife of the educational director at First Baptist Church.

Mr. and Mrs. Kidd are graduates of Southeastern Teachers College in Durant, Okla., with graduate study at North Texas State and are moving here after teaching five years in Tigua. Mrs. Kidd will teach in Hutchinson Elementary and Mr. Kidd will be added to the faculty of Junior High.

W. W. Hester is the new Zone 1 supervisor for Mitchell County Soil Conservation District.

Landowners in the zone Tuesday night elected him to the district board, replacing Lee Strain, who recently resigned.

The election took place at Fairview with a small turnout of landowners for the balloting and slides showing soil-improving crops grown within the district last year and water tank construction.

He joins four other persons on the district board — Perry Bowles of Looney, M. A. Webb of Westbrook, R. H. Bennett and T. J. Riden of Loraine.

A Mitchell County drilling site has been spotted for the Iatan-Howard field.

It is Standard Oil Company of Texas No. 194-W. L. Foster, a rotary oil test to 2,900 feet.

The site is on a 1,760-acre spread 2.5 miles southwest of Iatan and 1,850 feet from south and west lines of Section 5, Block 29, T-1S, T&P Survey.

Two new wells have been completed in the Sharon Ridge-1700 Field of the county.

R. B. Stallworth No. 4-A Strain was finished for daily pumping potential of 67.32 barrels of 28 gravity oil. Production was from perforations between 1,669 and 1,691 feet over total depth of 1,754 feet after fracturing with 15,000 gallons of fluid.

Location of the new producer is 330 feet from the north and 546 feet from east lines of subdivision 19 C. A. O'Keefe Subdivision, G. J. Reilly No. 1 Lease.

BHB Drilling Company finished the other Sharon Ridge oiler, which registered a daily potential of 152 barrels of 28-gravity oil.

Pay was from a pay area topped at 1,494 and casing was set at 1,500 feet with total depth at 1,580 feet. The section was fractured with 10,000 gallons of fluid.

EVERYBODY SAVES

... when you shop at home. The money you spend here stays here to help make this a better community for you and your children to live in. Part goes for taxes to build new schools, create parks and recreation facilities for your children to enjoy. Part of your money repairs streets, extends gas, water and sewage service to make your life more comfortable. So boost your community! Shop at home! It pays!

YOU SHOULD SEE THE MONEY I SAVED!

You save on gasoline or bus fare — save time, too — when you do all your buying at your local merchants. No need to "stock up" — buy just what you need as you need it!

NOW IS THE TIME TO HAVE YOUR VISION CHECKED

Summer-Time Activities Are Hard on Eyes!

Vision is always important... but, during these hot, dry summer months when the brilliant West Texas sun glares from the open road, from the lakes and from all the land, your eyes "take a beating." Glare strain is often the cause of maladjusted eyes. Prescription sunglasses are just as important to your well-being as prescription eyeglasses. To work, play and live better, give your eyes the care they deserve.

Have our eyes examined once a year to improve or conserve your vision!

MRS. WADE E. GRAHAM,
nee Mary Ann Snyder.

Mary Ann Snyder, Wade Graham Repeat Vows in Garden Ceremony

Garden at the ranch home of Mr. and Mrs. Jahew Jameson July 7 was setting for the marriage of Miss Mary Ann Snyder of Silver and Wade E. Graham of Andrews.

The bride is the daughter of Mr. and Mrs. O. L. Snyder of Silver. Graham is the son of Mr. and Mrs. J. F. Graham of Frankel City.

C. L. Kay, Bible director at West Texas State College in Canyon, read the double ring ceremony. The bride entered through white wrought iron archway and gate, decorated with lemon leaves. Garden flowers formed background for the wedding. Setting was surrounded by flood lights on the ground.

The bride was given in marriage by her father.

She wore a ballerina length dress of ivory Chantilly lace and accented with tulle over satin. The strapless bodice was covered with a brief lace jacket, accented by a high collar and long tapering sleeves.

Her elbow length veil was attached to a latticed shell cap of ivory satin. She carried cream

gamellias with a white Bible.

Miss Jenny Lynn Massad of Colorado City, soloist, was accompanied by Mrs. C. B. Underwood of Colorado City.

Miss Peggy Snyder of Silver was her sister's maid of honor. She wore a waltz-length dress of aqua crystalline fashioned with a fitted torso and bouffant skirt. She carried a colonial nosegay of white carnations.

Bridemaids were Miss Edwina Laycock of Amarillo, Miss Margaret Washburn of Fort Sumner, N. M., Miss Darlene Graham of Frankel City and Miss Patricia Conner of Silver.

They wore pastel colored dresses styled identical to that of the maid of honor's and carried matching nosegays.

James Kauffman of Levelland was best man. Jim Hereford of Colorado City, Jerry Mullican of Silver, Johnny Thames and Fred Satterwhite of Andrews were groomsmen.

Reception immediately following the wedding was in the garden. Bridal table was covered with a white linen cloth. Cake was on a reflector and punch

bowl was surrounded by greenery.

Members of the houseparty were Miss Dorothy Jean McCluskey of Silver, Mrs. Joe Ash of Silver and Miss Laycock.

For travel the bride changed to a beige sheath dress with matching duster and accessories.

The couple will reside in Andrews until September when they will return to West Texas State College.

Out-of-town guests were from Abilene, Andrews, Eastland, Amarillo, Hart, Levelland, Canyon, Fort Sumner and Colorado City.

IN BUSINESS MEETING

WSCS Members Plan Two Fall Studies

Plans for two fall studies were begun Monday afternoon by Woman's Society of Christian Service of the First Methodist Church during a monthly business meeting in Fellowship Hall.

Studies will be "Mission Field, U. S. A.", taught by Rev. Jack Ellzey, church pastor, and "Our Church in Southeast Asia", directed by Mrs. John Dorsett.

Definite delegates to the Northwest Texas Conference School of Missions in Lubbock July 30 are Mrs. H. L. Jamison and Mrs. Charles Godwin. Mrs. J. S. Craddock Sr., president of the WSCS, is a possible delegate.

Mrs. Craddock called attention to the theme of the new quadrennium, "The Spirit of Christ for All of Life."

Circle reports were presented by Mrs. Chester Berry, member of the Arnett Wulfsen Circle, and Mrs. Gene Garner, member of the Joyce Hill Circle.

Named to the Christian social relations committee were Mrs. Jesse Bradley, chairman; Mrs. Weldon Hickey, Mrs. Sue Johnson, Mrs. Royce Mahon and Mrs. E. H. Winn.

Mrs. W. W. Rhode was named to chairman the local church activities committee. Working with her during the year will be Mrs. Edwin Carlock, Mrs. Eileen Harrell and Mrs. Luke Long.

Chairman of the publicity and printing committee for the new church year is Mrs. Jack Ellzey. Her assistants are Mrs. C. G. Harkins, Mrs. C. C. Berry, Mrs. I. W. Terry and Mrs. Martin Weaver.

Closing prayer was spoken by Mrs. Jamison.

Women attending were Mrs. Berry, Mrs. Craddock, Mrs. Dewey Davis, Mrs. Dorsett, Mrs. Ellzey, Mrs. Garner, Mrs. Tom Grant, Mrs. Jamison, Mrs. J. D. Norman, Mrs. Tom Pritchett, Mrs. R. H. Ratliff Jr., Mrs. Brooks Stewart and Mrs. Marvin Winget.

Mrs. Cooper Is Hostess for Plainview Club

Hostess for the Plainview Home Demonstration Club Thursday afternoon was Mrs. Bill Cooper.

Mrs. Sam Thompson, president, presided in the business session. The group studied a summary of the constitutional amendments which will be submitted to voters of Texas in the forthcoming general election.

Program for the afternoon on handicrafts was directed by Mrs. G. M. Howell.

After the business session and program, Mrs. Cooper served cakes and cookies to Mrs. Howell, Mrs. Bill Thompson, Mrs. C. C. Thompson, Mrs. Tyb Harlow and Mrs. Sam Thompson.

Mrs. C. C. Thompson will be hostess for the next meeting July 26 at 2:30 p.m.

Albrights Transfer Here With Sun Oil

Don Albright changed jobs as well as homes when he and Mrs. Albright moved to Colorado City recently.

He worked as a roustabout derrickman in Kermit before transferring here to fill a vacancy as office clerk in Sun Oil Company offices in Silver.

Albright, who has a degree in

geology, has been employed by Sun for the past five years.

Prior to living in Kermit the Albrights resided in Delhi, La.

Most of the couple's leisure time now is spent in planning for their early fall vacation in September. They have chosen Wyoming as site for their two-week camping trip this year.

They record highlights of their out-of-state vacations by taking slide pictures.

Both, Mr. and Mrs. Albright, like to read.

The couple, married about five years ago, met at Texas Technological College in Lubbock where both were enrolled. Mrs. Albright completed two and one-half years of study, majoring in business management.

Lubbock is Mrs. Albright's home town. Her parents are Mr. and Mrs. J. D. Corcoran of Lubbock. Mr. Albright's parents, Mr. and Mrs. O. D. Albright, live in Odessa.

The new residents, who reside at 539 Locust Street, are members of First Christian Church.

VACATION PLANS—Mr. and Mrs. Don Albright of 539 Locust Street, new residents here, map routes for their forthcoming two-week camping vacation in Wyoming. Mr. Albright is an office clerk for Sun Oil Company in Silver. (Record Staff Photo).

Nolan County Court Here In Road Study

Mitchell and Nolan County commissioners conferred here this week on oil field access roads as oil development in southwestern Nolan County moved closer to Mitchell County line.

The entire Commissioners Court of Nolan County was here Monday for a meeting with Mitchell Commissioners. Joint conference of the two courts followed previous sugges-

tions and effort by the Mitchell commissioners for adequate roads into the rapidly expanding oil area in deep southwest Nolan.

Mitchell commissioners have graded a road on private property connecting with State Highway 208 (to Robert Lee) and extending east to Nolan County line. The route is for convenience of Silver and Colorado City oil and well servicing crews working in Nolan.

The access road project to serve the oil area, originally suggested by the Chamber of Commerce here, has been stymied at the county line, however, awaiting study and action by the Nolan commissioners.

Moving the Nolan development nearer to Mitchell line was the spotting of C. L. Norsworthy Jr., of Dallas No. 1 Allen G. Compton, 7-600-foot wildcat 12 miles southwest of Maryneal. Site will be 660 feet from north and 1,950 feet from east lines of Section 5, Block 1-A, H&TC Survey.

Norsworthy also staked location for his No. 4-A Helen M. Compton in the Nena Lucia (Strawn Reef) Field, nine miles west of Maryneal at a site 2,001 feet from west lines of Section 93, Block 1-A, H&TC Survey.

IN PITCHERS' DUEL

Colorado, Snyder Pony Stars Play to 4-4 Deadlock Friday

Colorado City and Snyder Pony League All-Stars played to a 4-4 deadlock Friday night with the pitchers stealing most of the glory.

Dickie Richardson of C-City and Terry Lee of Snyder went all the way on the pitching mound for their teams with each allowing only three hits in the practice game.

Richardson took the measure of Lee in the strikeout department, fanning 13 batters compared to the Snyder twirler's mark of 10.

Colorado City was charged with four errors while Snyder committed only one bobbie afield.

Manager Toby Dearen said he was well-pleased with the local all-stars' showing.

Dearen said the game was called at the end of seven innings due to lack of time. Snyder played Sweetwater All-Stars in another game following the C-City tilt and time was too short to continue the game into extra innings.

Colorado City crossed the plate with the first score in the third inning. Billy Key walked and scored on singles by Richardson and Dwain Thomason.

Snyder used a Colorado City error to score Robinson in the bottom of the third to tie the count 1-1.

Colorado took a 4-1 lead in top of the fourth. Hunter Mann walked and scored on Robert Bracy's double. Key walked, and both he and Bracy scored on an error on Snyder's left fielder.

In the bottom of the fourth, Snyder pulled to within one run with two scores. Mahan, Snyder shortstop, went to first on an error. Gladstone walked and DuBose singled to score the runners.

It was the bottom of the fifth inning before Snyder was able to tie the count at 4-4.

Robinson went to base on a C-City error and scored on Tommy Popnoe's single.

Snyder threatened to score

again in bottom of the sixth when Gladstone reached third but Richardson struck out the next batter and forced the other batter to ground out.

Snyder put another runner on third in the bottom of the seventh with one out on the books, but Richardson bore down again to retire the sides.

Athletics, Cards Win As Season Nears End

Athletics and Cardinals strengthened their holds on first and second places, respectively, with wins in the Pony League Thursday night.

Athletics took the measure of the White Sox 9-5, while the Cardinals were blanking the Braves 6-0.

Only one more week of Pony League play remains with games Tuesday and Friday.

Playoffs begin July 23.

Athletics were forced to rally for five runs in the sixth inning to beat the White Sox.

Sox were leading 5-4 going into the bottom of the sixth.

Robert Bracy opened the sixth for the Athletics with a walk. Red Lindsey used a Sox error to reach base and Randy Cupp slammed a run-producing single.

Alex Campbell socked a double to score Cupp. Billy Key singled to score Campbell and Steve Smith followed with a hard-driving home run blast to score Key.

With the five runs, the Athletics walked away victor.

White Sox jumped into the lead early in the game.

Danny Fisher's double plus two Athletic errors in the second gave the Sox a 2-0 lead.

Bracy helped the Athletics cause in bottom of the second with a homer.

Sox increased the lead to 5-1 in the fourth. J. Vest singled, Sherman singled, William Houston reached base on an error and Dan-

ny Wilson socked a single for the runs.

Athletics pulled to within one run of the Sox in the fifth with three runs. Lindsey led off with a walk, Cupp singled, Campbell doubled, Smith's hit was bobbled and Maples whammed a single.

Then came the Athletics' five-run rally in the sixth that won the game.

Key, who took over for Bracy in the fifth on the Athletic mound, was the winning tosser.

Cardinals scored all their runs in the second and third innings against the Braves for the 6-0 win.

Dickie Richardson, Card hurler, held the Braves to three hits.

Cards got nine hits off Bennie Greenfield, Romaldo Lujan and Lucky Merket.

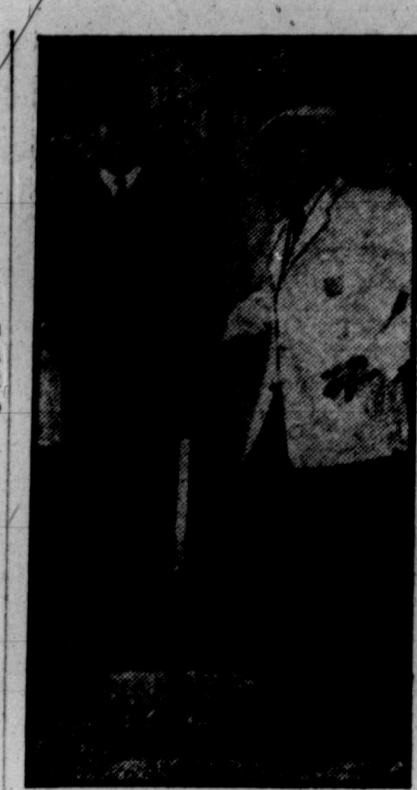

Charles Rothwell scored the first Card run in the second frame after singling.

In the third frame, Haley doubled, Dwain Thomason singled, and Rothwell singled. Then Richardson and Jerry Cannon followed with a home run a piece to complete the five-run inning.

Only Brave threat came in the second inning when Simmons singled and M. Williams doubled.

But Richardson bore down and got the next batter on a strikeout.

In all, Richardson struck out 16 Brave batsmen.

OLYMPIC GARB — John B. Kelly, right, sculling champ and brother of Princess Grace of Monaco, models parade uniform to be worn by members of the United States team competing in this year's Olympic Games at Melbourne, Australia. It features off-white, tropical wool blazer-cut jacket with matching cap and tropical worsted Navy blue slacks. Thomas W. Courtney, left, American 800-meter record holder, wears the travel outfit of Navy blue wool gabardine Eisenhower jacket and matching cap. Slacks are gray flannel. Both were first shown in New York City.

IN LITTLE LEAGUE

Yanks Slide, Giants Glide in Top Tilts

Yankees slipped a notch Friday night and the Giants gained in Little League play.

Yankees let the cellar-dwelling Indians plaster them with a 15-11 defeat while the Giants pulled in to second place with a 4-1 win over the Pirates.

If the Giants win both remaining games on the schedule and the Yanks lose both tilts, the Giants could grab a share of the crown.

Games Monday and Thursday next week wind up the regular season play.

Indians, who have been going wild at the bat the last two games, struck like lightning for five runs in top of the hells frame.

Singles by Redmen Jessie Burton, Kenneth Beasley, Sylvester Williams and Kenneth Cloud, and a triple by John Thompson were the hits that did the trick.

Five more Indian runs crossed the plate in the second. Thompson, Bill McGuire, Beasley, Harry Johnson and Williams scored the runs.

And again in the fourth, the Indians struck hard and fast for four runs with Beasley, Harry Johnson, Cloud and Larry Johnson chalking up the tallies.

Behind 14-0, the Yanks woke up in the bottom of the fourth to score eight runs.

Louis Franco scored run No. 9 for the Yanks in the fifth, but the Indians nullified that with a score in the top of the sixth by Cloud.

Felix Salmeron and Reggie Noble finished the scoring for the Yanks with runs in the bottom of the sixth.

Indians used 15 hits off four Yank pitchers to produce the 15 runs.

Indian hurlers Thompson and Cloud allowed only four hits.

Sammie Vaughn and Joel Shackelford combined their hurling talents to limit the Pirates to three hits in the Giants 4-1 victory.

Pirates' first and only run came

in the top of the first inning when leadoff man Charles Houston singled and tallied on Curtis Scott's double.

Giants tallied two runs in the bottom of the initial frame. Kenneth Cannon singled and scored on Dickie Summers' double. Summers scored on Maxie Connell's double.

In the third with Summers on base, Vaughn smashed a home run for the Giants' final two runs.

For the next three remaining innings, each team got only one hit each.

Pirate pitchers Archie Biggers and Danny Garcia allowed only five hits.
