the parade. The parade will include floats, horses, cars, wagons and bicycles.

Everyone is invited to prepare for the fun by dressing western or pioneer and then join in the fun Aug. 8.

Boy Scouting Topic Of Talk

Roger McMurry of Plainview was guest speaker of the Monday noon meeting of the Hart Lions Club. McMurry spoke of Boy Scouting and presented the club with the new Scout charter.

Guests for the meeting were Willis A. Hawkins III, recently returned from Vietnam and Worth Jones.

Twenty-three members attended.

Crops Progressing In Area, Potato Harvest To Begin

Time changes things and this holds true for the growing crops this season. This week maize heads are plentiful and ears of corn are in full sight. Many a farmer are displaying their cotton blooms and the potato harvest is underway.

The fields are full of hoe hands and several fields show the lack of hands. But as time changes the crops, so will time change the weeds and hands will move along to another patch.

Sugar Beet farmers are still

fighting bugs and pouring the water to their crops, along with regular watering on other crops.

Homemakers are working diligently in their gardens and daily, wondering what kind of bug is killing their plants. Many of the gardens have already begun producing and several homemakers have canned many a jar.

Time does change things and who knows, maybe next week a cotton boll or two will be showing.

Two Teachers Hired By School Board

Two new teachers were hired Monday evening when the school board met in regular session. Newly employed are Mrs. Kay Gfeller of Dimmitt and Miss Patsy M. Kingsley of Spearman.

Mrs. Gfeller will teach in the elementary grades and Miss Kingsley will be music teacher for the elementary grades.

Resignations of Mrs. Richard Franks and Mr. and Mrs. Thomas Gregory were accepted.

Jimmie D. Seaton of Laz-

budde received the 1960 Ford school bus with his bid of \$355.50.

Handbooks for elementary, junior high and high school were adopted for the 1970-71 school year.

All Stars Announced

Little League All Stars were announced this week with the league winning Red Legs placing four members to the "dream team."

Red Legs selected as All Stars included Barry George, Terry McDonald of the Happy Braves and J. T. Henry of the Happy Cardinals.

Mike Burnam will coach the All Star team.

The All Star team will play at 8 p. m. Monday, July 20 in the tournament in Hereford. They will be battling the All Stars from Canyon.

Other members of the team are Doyle Kleman and Wayne Ehly of the Nazareth Yankees; Cary McLain, Bobby Allensworth and Randy Popejoy. They were joined by Mike Clevenger and Terry Hill of the Colts team and by Stanley Warren, Mark Hoelting, Bruce Schulte and Joel Gerber of the Nazareth Astros.

Five Boxcars Derailed

Five boxcars of a 30-car Fort Worth-Denver Railway train were derailed Friday three miles east of Hart. Three cars overturned and more than 18,000 bushels of wheat were dumped.

Darrel Davis, station agent, reported the five jumbo hoppers were heavily damaged and railroad tracks were torn and twisted for several hundred yards.

The grain was salvaged and hauled to an elevator at Hart.

Cause of the derailment is not known. Workmen from Plainview and Fort Worth were called Saturday to begin clean-up and repair operations.

The derailed cars were in about the middle of the train. There were no injuries.

FFA Award To Be Given To Danny Smith Tonight

The top award which can be earned at the state level in the Future Farmers of America program will be presented to Danny Smith tonight at the State FFA Convention in San Antonio.

The 1970 Hart High School graduate will receive the Star Lone Star Farmer of Texas in the 42nd Annual State Convention.

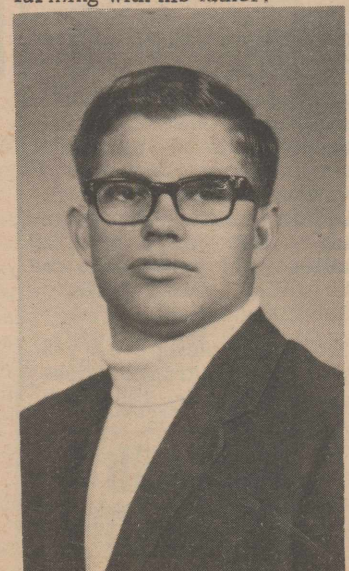

Projects which earned Smith the coveted award included five pigs for pork production, 232.5 acres of potatoes, 252.7 acres of milo for grain, 26.5 acres of cotton for lint, 96 acres of wheat for grain, 257.9 acres of layout land and 466 steers for beef.

Pay, Pay, Pay

(Editor's Note: The following is an excerpt of remarks made to Rotary Club at Menard, Wednesday, July 8, by Byron Fullerton, candidate for Lt. Gov.)

Columnists and commentators have called the non-activist bulk of our citizens by many names...

One such name is the "average" American, but that doesn't strike me just right, because to me the "average" of anything is only the worst of the good and the best of the worst...

Others have referred to us as the "silent" Americans, but with more and more of us standing up and speaking out against the destructive elements in our society, we are not so SILENT as we once were....so that name doesn't quite fit us either.

I see the majority in this country as "Middle Americans" because we are, indeed, in the middle; caught between the politicians who spend, spend, spend,and the non-producers who take, take, take.... which means, of course, that we have to work, work, work so we can pay, pay, pay!

Shouting "we want money," 500 welfare mothers in Washington, D. C., stormed their way into the welfare headquarters in the nation's capital in June, smashing a heavy glass door and breaking windows. These arrogant, lawless recipients of public charity also tossed rocks and scuffled with police.

It was an outrageous scene, but one that may help the taxpaying public understand that today reliefers, when they hold out their hands, may have a rock to throw. The hand-out crowd has gotten to the point where it uses the methods of a stick-up artist.

This mob scene in the District of Columbia wasn't a spontaneous affair. That should be clearly understood. The Washington Post reported that demonstrators arrived in "charter" buses hired by the National Welfare Rights Organization. The welfare protesters moved to an assembly point before hurling rocks and a chair to shatter windows in the welfare office.

The mob of welfare mothers said that they wanted money to buy furniture. Earlier, members of the Washington chapter of the NWRO had been visiting welfare offices, insisting on checks with which to buy furniture.

Once upon a time, a relief recipient was thankful of public assistance for food. Nowadays, welfare militants think they have a right to demand anything they want. In fact, the U. S. Supreme Court has encouraged them in the belief that welfare is a right, not a generous deed on the part of the community, state or federal government.

Welfare recipients have become privileged characters in many communities. Again, the federal courts can be held responsible, to a large degree. Earlier this year, the U. S. Court of Appeals in Washington ruled in favor of the very organization whose members were involved in the mob scene at the District of Columbia Welfare office.

Judge J. Skelly Wright, one of the extreme liberal members of the Court of

Appeals, signed a ruling that declared welfare recipients have a right to take part in hearings held by the Department of Health, Education and Welfare to determine whether states are meeting federal payment standards.

In the past, HEW policy has been one of dealing exclusively with the states in its compliance hearings. This policy was successfully challenged by the National Welfare Rights Organization, which sought to present evidence and witnesses and to cross-examine the witnesses put on by the states.

Judge Wright, in his ruling, said that welfare recipients "may serve the public interest in the maintenance of an efficient state-federal cooperative welfare system." Frankly, we don't believe sensible citizens will agree that the rock-throwing welfare mothers, shouting "we want money," serve the public interest in any way whatsoever.

The very existence of a National Welfare Rights Organization is cause for indignation on the part of taxpayers. "Welfare rights" are an absurd and outrageous notion. To say that an individual has a "right" to welfare is to say also that other individuals have a duty to provide welfare funds for non-workers. If working citizens are placed under an obligation to feed and house indolent persons, then the former are in a condition of involuntary servitude.

The cry in Washington for free furniture must rub raw the feelings of citizens who save their money or make time payments for furniture for their homes. Why should one family be given furniture on a charity basis when other families have to scrimp in order to outfit their homes? The answer, of course, is that responsible citizens should not have to aid those who want to freeload at taxpayer expense.

The nation, however, undoubtedly will continue to witness welfare melees, such as took place in Washington this summer, until the working majority of citizens demands and obtains an end to the giveaway system and giveaway philosophy. The arrogant cry of "we want money," voiced by non-workers, must be silenced by taxpayer protests.

Financial Facts

By Willis A. Hawkins, Jr.

Do you know how long we've been calling our paper money "Greenbacks"?

It may surprise you to know the term is as old as our national currency. The first issue of United States paper money was the series of Demand Notes of 1861. Because of obvious reasons, the note acquired the nickname "Greenback."

An interesting fact to note is that our first Greenback Dollar wasn't actually even a dollar. The Demand Notes of 1861 were only issued in five, ten and twenty dollar denominations.

The original Greenbacks were unique to American currency. Unlike the paper money issued after 1861, they were signed by hand by employees of the Treasury on behalf of the Treasury officials.

Homemakers Haven

By Mrs. Max Marble

Five-year-old recipes are printed today from the 1965 issues of The Hart Beat. Each week local homemakers shared a recipe for the "Recipe of the Week" column. We thought it might be interesting to re-view some of them.

From the files of Mrs. George Hendrix was the Old English Pound Cake.

1 2/3 c. sugar
1/2 lb. butter
5 eggs
2 c. flour
1 tsp. vanilla or lemon extract

Cream sugar and butter until creamy. Beat eggs into mixture and beat thoroughly after each egg addition. Add flour in three equal parts. Add extract. Bake in loaf pan or angel food cake pan at 325 degrees for 35 minutes.

Mrs. David Willis, who stated that her special hobby was playing bridge, gave three recipes, one for Rice and Broccoli, one for Spaghetti and Chicken, and this Hot Chicken Salad recipe.

3 c. cooked chicken
1/2 c. chopped almonds
1 tsp. lemon juice
Dash of pepper
1 c. mayonnaise
1 1/2 c. grated Cheddar Cheese
1 1/2 c. crushed potato chips
1 1/2 c. diced celery
1 small onion, diced

Combine chicken, celery, onion, lemon juice, and pepper in a mixing bowl. Add mayonnaise and toss. Divide into individual casseroles or into one medium-size casserole dish. Sprinkle the top generously with grated cheese and finish with potato chips. Bake in preheated oven 375 degrees for 25 minutes.

A resident of the Hart area since 1944, Mrs. R. A. Futrell was featured along with her pie recipe.

SCHOCKY PIE

6 eggs
2 c. sugar

1 c. plum preserves or jelly
1/4 c. butter
1 c. sweet milk
2 T. flour

Reserve egg whites for meringue. Mix the remaining ingredients and cook in double boiler until it thickens. Pour into baked pie crusts and top with meringue. This makes 2 pies.

Carol Ann Miller, then the 12-year-old daughter of Mr. and Mrs. Dwight Miller, provided a Meat Loaf recipe for the August 5 edition.

MEAT LOAF

1 lb. ground beef
1 egg
8 crackers, rolled into crumbs
1/2 c. celery, chopped
1 large onion, chopped
3/4 tsp. ground sage
Salt and pepper to suit taste

Mix all of ingredients with 1 small can tomato sauce. Bake in loaf pan at 350 degrees about 45 minutes. Let set in pan 20 minutes before serving.

Cookie Jar Sugar Cookies must have been the favorite of Vicki Newsom as she was learning to cook. She shared this recipe and probably made several batches of cookies while she served as nurse and housekeeper during the summer for her grandmother.

COOKIE JAR SUGAR COOKIES

3/4 c. shortening
3/4 c. sugar
1 egg
1/2 tsp. vanilla
1/2 tsp. grated orange peel
2 c. sifted flour
1 1/2 tsp. baking powder
1/4 tsp. salt
4 tsp. milk

Cream shortening and add sugar. Add egg, beat until mixture is light and fluffy. Add vanilla, grated orange peel and mix thoroughly. Stir dry ingredients and stir into creamed mixture with milk.

Divide dough in half, chill one half, then roll out one half, keeping the other chilled until ready to roll.

Roll dough 1/8 inch thick, cut and put on cookie sheet, sprinkle with sugar and bake at 375 degrees for 12 minutes. Makes 2 dozen cookies.

A teacher then and a teacher now, Mrs. Lanny Tucker's choice was a cake recipe.

PINEAPPLE REFRIGERATOR CAKE

1/2 c. butter
2/3 c. sugar
2 eggs, well beaten
1 c. chopped pecans
1 c. Grape-Nuts
1 small box Vanilla Wafers
1 - 9oz can crushed pineapple

Cream butter and sugar. Add eggs, pecans, grape nuts, and pineapple with juice. Crush wafers in 8-inch square pan, make alternate layers of crumbs and pineapple mixture, starting and ending with crumbs. Chill at least 8 hours.

ESSENTIAL TO DIET

Since body tissues contain protein, this nutrient is essential in the diets of people of ALL ages. It is especially important during periods when new tissue is being produced, such as during growth years of children, the reproduction stage of pregnant women, and the healing of Billy's cut knee. Some important protein foods are eggs, chicken, fish, and meats of all kinds -- beef, veal, lamb and pork -- and dried beans and peas. Try to eat two of any of these good foods each and every day.

VITAMIN NEED

Vitamin C or ascorbic acid is soluble in water, thus some of it may be lost when we throw away the liquid in which vegetables and fruits are cooked. Unlike some vitamins, ascorbic acid is not readily stored in body tissues. Since the human body cannot form or store this vitamin the way some animals can, food containing ample vitamin C has to be eaten every day. Only in this way can we get enough in our body for this vitamin to fulfill its many functions.

Entry Deadline Set For Pageant

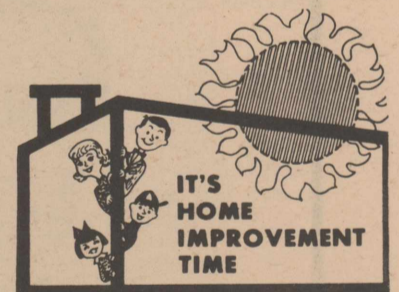

Young ladies from throughout the west and midwest have until Monday, July 20, to submit their entries for the annual Miss Grain Sorghum of the Nation Pageant at Dimmitt. Dates for the contest will be August 7-8. Entrants at least 17 must have been a contestant in a beauty event during the last 12 months. Poise, personality, beauty and talent will be the requisites on which judging is based.

A \$1,000 college scholarship is the top prize for the winner in 1970. This is the third year that the award has been that large. Other places and their respective awards are: for first runner-up, a \$500 scholarship and for second runner-up, a \$250 scholarship. All are good at the winner's choice of schools, but must be applied within a year. In addition to these, the girl chosen Miss Congeniality will receive \$50.

The program this year will utilize two nights for the first time. Chairman Elvon Devaney says the Miss Grain Sorghum Committee of the Castro County Chamber of Commerce decided to expand the contest so that judges will have more time to select the representative of the Grain Sorghum Industry in the United States for 1970-71. The entry deadline was set for July 20th so that proper arrangements for the contest could be set up.

The reigning Miss Grain Sorghum is Karen Lafferty of Farmington, N. M. Following her graduation from Eastern New Mexico University this past Spring, she is seeking a professional singing career.

Food For Thought

I dreamed death came the other nite
And heaven's gate swung wide.

With kindly grace an angel
Ushered me inside.

And there to my astonishment
stood

Folks I'd judged unfit
People, I thought little worth
never loved a bit.

Indignant words rose to my
lips

But never were set free
For every face showed stunned
surprise

No one there expected me.

News Of Our Service Men

U. S. Air Force Major Theodore J. Conrad, son of Mr. and Mrs. Leonard J. Conrad, Nazareth, has graduated from the Armed Forces Staff College at Norfolk, Va.

The five-month Department of Defense school is operated under the direct supervision of the Joint Chiefs of Staff and prepares students for positions in joint and combined commands that involve more than one country or military service.

Major Conrad previously was assigned at Fort Hood, Tex. He has served in Vietnam.

Among his decorations and awards he holds the Distinguished Flying Cross, the Bronze Star Medal and seven awards of the Air Medal.

Commissioned in 1960 through the aviation cadets program, the major holds the aero-

nautical rating of senior pilot.

A 1956 graduate of Nazareth High School, the major attended West Texas State College and Texas Technological College.

His wife, Laura, is the daughter of Mr. and Mrs. W. W. Overstreet, 2901 N. Prince, Clovis, N. M.

Clifford Michael Ray, son of Mr. and Mrs. Claude Ray, enlisted in the Sea Bee's for two years and left Amarillo July 8th for Albuquerque, N. M. where he was sworn in. He then boarded a bus for Gulf Port, Miss. where he will take basic training.

Ray graduated as a deisel mechanic from Oklahoma State Tech College May 28.

He is married to the former Diana Malone, daughter of Mr. and Mrs. Walter Malone of Olton. Mrs. Ray is presently staying with her parents.

Send
the whole
team to
the
showers!

And have enough hot water left to do the uniforms.

A GAS WATER HEATER does it all, and does it better, because with gas there's always plenty of hot water when you need it . . . at the cost you want.

Here are seven reasons why a gas water heater is best:

1. Fast recovery keeps your gas water heater way ahead of every demand.
2. The thermostat on your gas water heater automatically maintains a constant temperature, even when you use large amounts of hot water.
3. Gas is efficient. Gas burners start up instantly, deliver more heat to the water. And gas is clean too.
4. Nothing is more dependable than gas.
5. Automatic gas water heaters cost less to buy and install.
6. Gas burners last longer and give years of trouble-free use. That's another saving.
7. Gas costs so little to operate that you can afford to use all the hot water you want.

So, if it's hot water you need, and plenty of it, you need an automatic gas water heater. Call your plumber or gas appliance dealer soon.

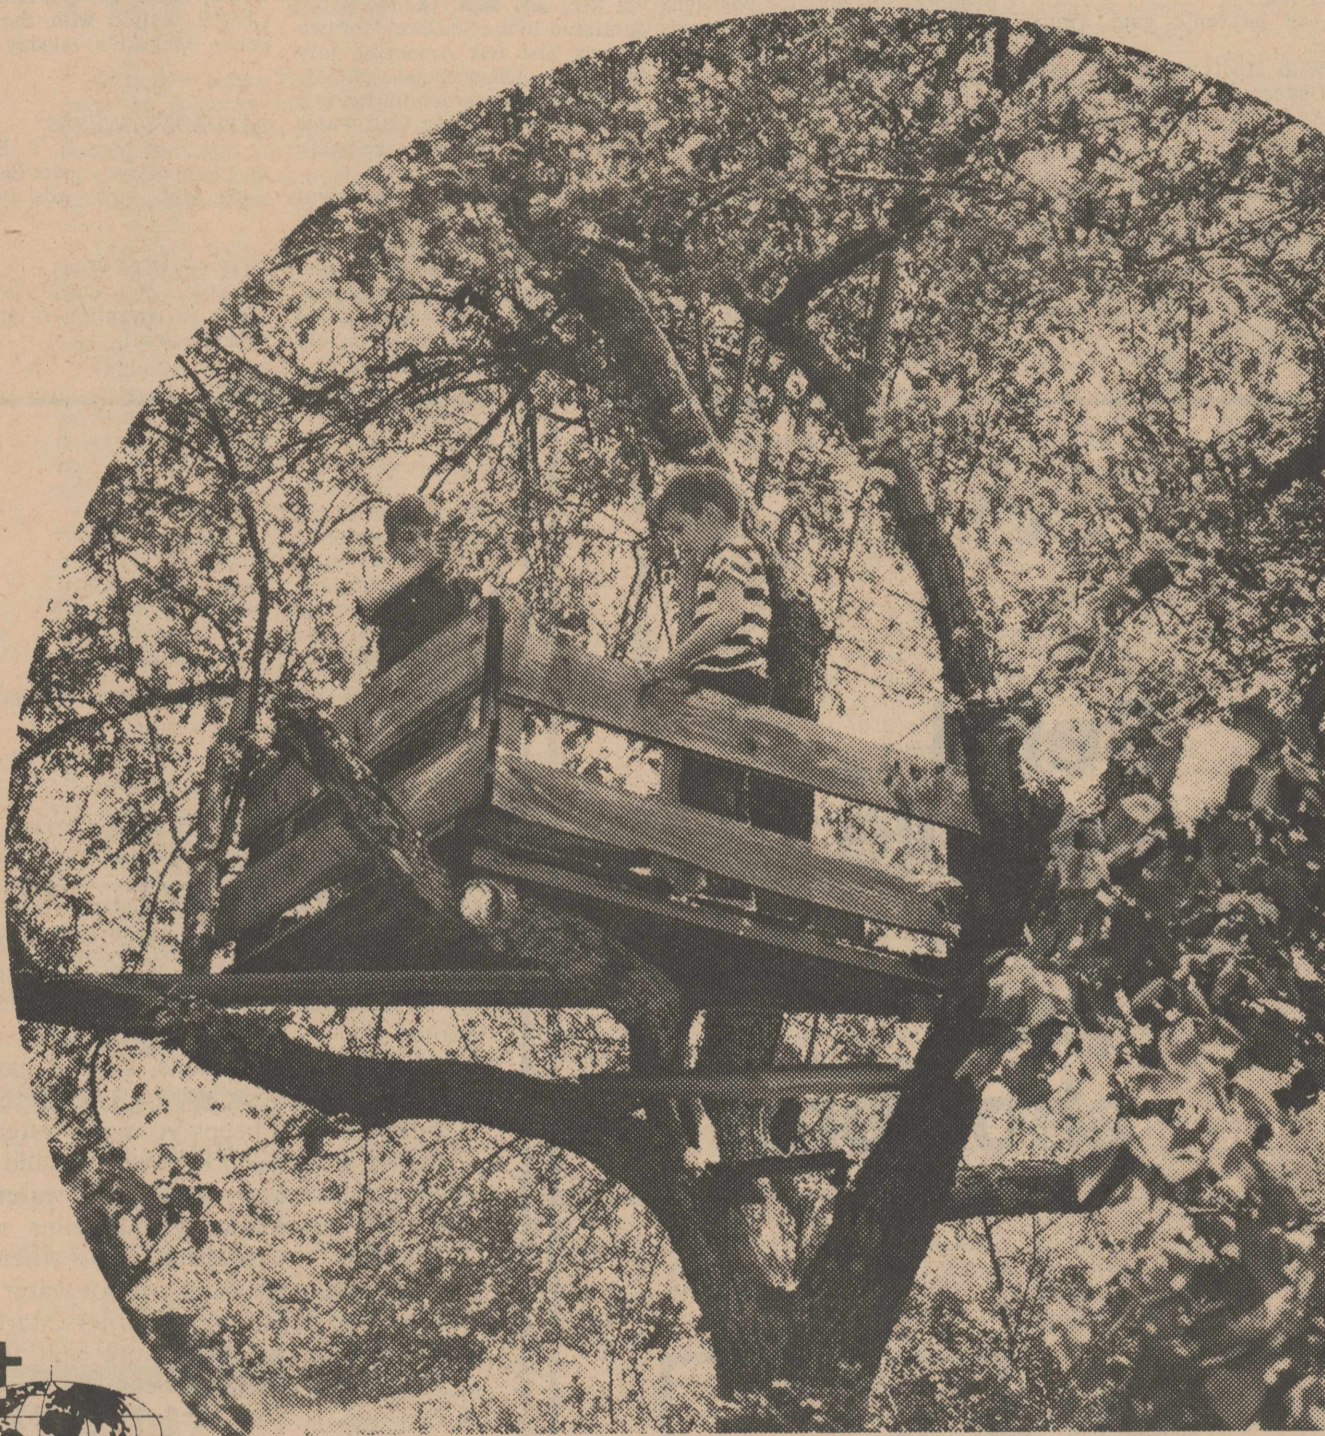

TREE HOUSE

There is joy in the tree house nestled high in the boughs . . . for the boys climbing up to play in it . . . for the adults remembering the golden afternoons of their own childhood.

Sometimes grownups say wistfully, "I wish I were that age again." But do they really wish it? Being a child is wonderful, but maturing can be a painful process.

Help your children enjoy the precious childhood hours — never forgetting that they must grow up. Remember you have a never-ending source of guidance. The church will help your children preserve the spirit of youth and give them the wisdom, courage and faith that will sustain them through the rest of their lives.
