

White Deer Bucks To Come Calling

Last year's state champion Class A football team and the one that everyone thought would be the team to beat in this year's 1-1A chase, the

White Deer Bucks, will be the Mustangs final home opponent Friday night. Which Buck team will take the field

Friday night? The one that has been crippled with injuries and took a 43-0 drubbing from Sunray last week or the one that is rumored to have their injured players back healthy enough to play against the Mustangs?

No matter what shape White Deer is in, it is another must game for Wheeler in their quest for a playoff berth.

The Mustangs and Gruver are tied for the second place slot in district play right now with identical 2-1 records with Gruver having to play Sunray this week. The Mustangs are still in the position of having to win their final two games to cinch a playoff berth.

If there is a tie for second place with

WHEELER DESTROYS CLAUDE MUSTANGS, 56-0 OCT. 27

It was complete domination from the opening kickoff for the Wheeler Mustangs last Friday night as they celebrated homecoming with a 56-0 shellacking of the Claude Mustangs.

No first downs, no yards passing, a minus fourteen yards rushing and not crossing the midfield stripe; this is what the Mustangs defense did to the visitors as their own offense ate up 441 yards of turf with a lineup liberally using JV players from midway of the third quarter.

Michael Kenney had his fourth 100 yard game and had three touchdowns for the night to lead the Mustangs offensive onslaught. Shawn Bradstreet ran for a couple of six pointers and passed for two TD's; one to Kenney and the other to Brandon Chick.

Sophomore Mack Marshall was the game's second leading rusher as he pulled his way for 93 yards on 12 carries and freshman tailback Mark Marshall gained 62 yards and had a couple of touchdowns as eight different Mustangs handled the ball in the slaughter.

High school football is hard to figure at times. This was the Claude team that had held Gruver to a touchdown victory the week before and the same Gruver team turned around and whipped favored Booker.

Holding the Mustangs on downs at the Claude 14 on the games opening drive, Claude saw the floodgates open after that as the homestanding Mustangs scored five times in the first half and led 35-0 at halftime. It might have been worse at half as the Mustangs had a drive stalled at the 1 with their only fumble of the game and they were on the Claude 18 as time expired in the second quarter.

Kenney scored from 5 and 6 yds. out for the Mustangs first 2 touchdowns and Brandon Chick made a great catch of a pass that really should have been intercepted for Wheeler's 3rd touchdown. The play covered 33 yds. and Arthur Altamirino booted his 3rd of 5 straight extra points in the 1st half after Chick's touchdown.

Overcoming two penalties, the Mustangs put their fourth touchdown on the scoreboard with just 2:13 to play as they climaxed a 41 yard drive with a 25 yard scoring pass on a screen from Bradstreet to Kenney. People started to head for the concession stand but the black clad Mustangs weren't through yet.

Jason Black was smothered for a six yard loss on Claude's first play from scrimmage after the Mustangs fourth TD and Altamirino recovered on the 10. Mack Marshall got 7 yards in two carries to the 3 and then Bradstreet got the touchdown from that point at right tackle with 41 seconds remaining in the half.

Wheeler got the ball four times in the last half and put points on the board three of those four times.

It took Wheeler just eight plays to cover 58 yards the first possession of the second half with Bradstreet sneaking over from the 1. The play that ate up a big part of the yardage on the way to the Mustangs sixth touchdown was a 25 yard burst at left tackle by sophomore Ike Finsterwald. Altamirino broke his string of good PAT's on this touchdown his kick sailed wide.

A 26 yard punt return down to the Claude 25 as time was running out in the third quarter set up the Mustangs for a quick three play jaunt to paydirt. The Mustangs called Mark Marshall's number three straight times and the freshman responded with runs of 14, 9 and 2 yards to get his first touchdown. Marshall's touchdown came on the

CHARITY STAMPEDE

Scheduled Nov. 19

Joe Don King

The first annual Charity Stampede is scheduled for Sunday, November 19 at 2:00 p.m. in the Wheeler County Show Barn. This event, sponsored by the Wheeler Livestock Boosters, is planned to give members of charitable organizations a chance to raise money for their organization and have a good time competing against others from across the county.

Events included in the Stampede will be calf tie-down, ribbon race, goat milking and team branding. These events do not require a horse or highly advanced cowboy skills.

A team will consist of two members from the organization and the spouse of a member. There must be at least one woman on each team. Team members must have been a bonafide member of the organization on September 1, 1989 and must be at least 21 years of age on November 19.

Each team will pay a \$30.00 entry fee and compete in three events. Teams may get sponsors to pay their entry fee and the sponsor will receive recognition throughout the Stampede. The entry fee will be jackpotted and paid back to event winner and the champion and reserve champion teams.

In addition, participating organizations will be able to sell tickets to the

Charity Stampede for \$3.00 each. One dollar will be retained by the organization, \$1.00 will go into the prize money pot and \$1.00 will go to the Wheeler Livestock Boosters.

Entry blanks and rules have been mailed to many of the eligible organizations in Wheeler County. Any organizations such as civic clubs, sororities, volunteer fire department, community boosters interested in participating may contact a member of the Charity Stampede Committee for further information. Committee members are: Van Baize, Fred Goad, Gary Hardcastle, Delbert Thomas, Terry McCasland and Don King. A member of the committee would be glad to meet with any organization to discuss the Charity Stampede.

Mustang Booster Club Offering Video Recorder

The Mustang Booster Club is selling chances on a Symphonic VHS Videocassette-recorder. It is a 14 day, 4 event, 24 function wireless, remote with many other features. The drawing will be at the halftime of the Wheeler/White Deer game on Nov. 3, 1989. You need not be present to win.

The tickets are \$1.00 and can be purchased from: Maggie Marshall at Wheeler Auto and Industrial, Dan Kenney at Olney Savings, and Ann Cook at Wheeler High School. Members will also be selling the tickets in the community.

Support the Mustangs and also have a chance to win this VHS.

County Show Animals Must Be Tagged

Joe Don King

All Wheeler County 4-H and FFA members who plan to exhibit lambs or hogs in the 1990 Wheeler County Junior Livestock Show must have their animals tagged and classified Saturday, November 11. The tagging will take place at the Wheeler County Show Barn from 10:00 a.m. until 1:00 p.m.

This year all animals will be entered on November 11 for the County Show. The entry blank will be completed at the tagging and turned in with the \$10.00 per head entry fee at the time of tagging. Exhibitors will be able to get a refund for any animal withdrawn from the show by January 5, 1990.

To be eligible to enter the Wheeler County Junior Livestock Show the exhibitor must be a member of a Wheeler County 4-H Club or FFA Chapter and attend a Wheeler County school.

For further information contact the county Extension office at 826-5243 or a vocational agriculture teacher.

Recognition Given Co.'s Largest Tree

The Briscoe and Allison Home Extension Clubs recently conducted a search for the largest tree in the county. A cottonwood located on the Tom Frye property was judged the largest.

The largest tree in the county measures 23'10" in circumference at a point 5' above the ground. The measurement was verified by Berniece Hall of the County Historical Commission and Ann Boydston of the Texas Extension Homemakers Association.

Kris Bradley, an eighth grader at Wheeler Junior High School, will participate in Texas Special Olympics in Amarillo, Texas on November 4, 1989. He will be participating in bowling competition with opponents in the Panhandle. If he places 1st, 2nd, or 3rd in Area competition, he will be eligible to go to State, in Dallas, in December. Kris is the 14 year old son of Yvonne Hinnenkamp.

QUEEN & HER COURT: The 1989 Homecoming Queen candidates were paraded the length of the walk on the west side of the courthouse in Wheeler and the coronation was held on the edge of the courthouse lawn. The candidates and their escorts are shown here just after Liz Stiles (right) was crowned. Pictured are Michael Kenney, Mitchie Loyd, Kyle Sword, Rhonda Miller, Shawn Bradstreet, Lindsey McCasland, Antonio Salas and Liz Stiles.

CITIZENS BEWARE! WHAT IS THE BEST METHOD OF FIRE EXTINGUISHMENT? PREVENTION!

Due to extremely dry conditions and a very good "crop" of dead grass the brush, all burning of household trash and brush should not be attempted at this time.

Any burning resulting in damage to property or other individuals may incur civil liability.

All intentional burning should be reported to the Sheriff's Office prior to ignition.

Please be extremely cautious with fire during periods of dry weather. With our present conditions (weather and fuel load) any wild fire had the potential to be very severe, causing much property damage and possibly injuries or loss of life.

Russell Gaines,
Pres. Wheeler Vol. Fire Dept.

THE WINNER: Hyland's Pharmacy held a drawing Tuesday to give away a giant stuffed pumpkin. Customers have had the opportunity to register for a greater part of October. The winner was Carol Wallace of Wheeler. She is not sure what she will do with the prize, but figures the grandkids will enjoy it.

UNITED METHODIST WOMEN'S Annual Bazaar And Thanksgiving Dinner

The United Methodist Women's Annual Bazaar and Thanksgiving dinner will be Nov. 11, 1989 at the Wheeler United Methodist Church Atrium.

They will open the doors to the Bazaar at 9:00 a.m. on Saturday morning. There will be gifts in five divisions: Christmas, Country Store, Baked Goods, Needlecraft, and Woodcraft. Come and do some of your Christmas Gift Shopping.

On that evening at 5:30 p.m., a Turkey dinner with all the trimmings will be served, \$5.00 for adults and \$2.50 for children under twelve.

Soon after the Thanksgiving dinner, our annual auction will be conducted.

Come join the Methodist Women for a great day of fellowship and good food.

Tuesday is election day. We have 21 Constitutional Amendments of which to decide the fate. The local fire departments are urging the passing of propositions 15 and 17.

-cwe-

We were asked by an unknown caller Tuesday to remind the voters to bring their "darn card" when they come to the polls. For those who don't know what we are talking about—your voter registration card. It speeds up the process.

-cwe-

The subject of the Volunteer Fire Department brings to mind the drawing the local boys will have on December 23, 1989. They will be handing over the keys to a new Ford Pickup to some lucky individual. You too can have a chance to win that pickup with each \$10 donation to the fire department. Daryl Snelgroves is the Fire Chief.

Mrs. Joe Flowers

It's Falling Leaf time again. We didn't make it up to the Canadian Foliage tour but our trees are just as pretty. Had a friend come back from a New England foliage tour and tell me that she didn't see a tree up there as pretty as the big cottonwood in our pasture. Iva Thompson's chinaberries and bois d'arcs have been gorgeous but the wind doth blow and the leaves come tumbling down.

Years ago we came to look at this place and loved the beautiful trees. But who could consider paying \$3300 for a 160 acre farm! We went home and dreamed about the trees. Got our down payment together and moved in. Forty five years, the trees are still here, just lovelier. Best of all, we soon got an oil lease for \$2 an acre. Made the payments for 10 years.

Had several asked who our teachers are and I'm ashamed to say I couldn't name them all. The superintendent is Phil Williams, principal is Keith Allen. High school teachers are Joyce Wears, Nelda Tucker, Jan Williams, Rodney Wilson, Loyd Hammond, Don Grace, Mike Barker and Randy Pullan. Ann Merritt is Special Ed. instructor. Wanda Little has Kindergarten Elementary teachers are Charleen Carey Vicky Rowland, Beth Dixon, Betty Davis, Dwight McArthur and Brenda Quinn.

Imogene Pickering is school treasurer. Micki Smith over Mayfield was will replace Cindy Perry as secretary. Cindy is retiring to milk cows and be with her family. M.B. Davis, Bob Carey and Joan Hagerman are custodians. They, Loyd Hammond and Rodney Wilson also drive the buses. Bonnie Rice and Stephanie Pullen are the school cooks.

Pam and Eugene McEntire and Joel Welch wish to sincerely thank everyone for all the loving thoughts, prayers, food, flowers, other gifts and memorials made for James, their son and brother. They will always remember your kindness.

Talked to my brother Frank Hagg, North Little Rock, on his birthday last Tuesday. He and Ruth were just back from a trip to Atlanta to see son Don. Said the recent freeze reached clear to Georgia. The 23 temperature laid the flowers low.

We'll never do much for the crime rate til the powers that be realize that the victims are more important than the criminals. This sending murderers and such to prison for years is for the birds. It costs us

around \$40,000 to keep a man in jail a year. Heard a woman on TV say it cost \$1,800,000 to execute a murderer and so it was much cheaper to build more prisons and take care of them. I would think you could electrocute a murderer for what it takes to wash and dry the weekly laundry. I think execution of a hundred or so killers and castration of that many rapists would be quite a deterrent. And if it wasn't it would at least thin them out a little. Instead of building more prisons, why don't we make a deal with Russia to board them over in Siberia. Bet they'd keep them for a \$100 a month.

I suppose someone knows what they are doing out west of Elk where Bus. 140, 6, and 34 junction. We

managed to make our way through it going but lost Freda on the Freeway when we started home. Were sailing merrily along on our road to Sayre, first thing we knew. Managed to find a turnabout and get home. Makes you feel so good!

Was nice to see so many wearing their red ribbons. Maybe it will do a little good with the drug problem.

Saw a lot of wayoff friends in town at the funeral of Agnes Francis, Jessie Vitato, Inez Fuchs, Sayre, Loveta Sheton, Elk, Glenna McMullan, Denver City, TX, Mr. and Mrs. Albert Mullenix, Carter, Mr. and Mrs. Alton Ewer of Edmond.

We stopped by the 50th wedding anniversary party for Coy and Geraldine Bruner and saw a lot more friends. They were living on this place when we bought it in '44. Coy went to the service soon after.

The Strings and Things (Erick Kitchen Band) went to the Hensley Home last Tuesday with a good

turnout. Their schedule for November is 1st Tuesday, Erick Home, 2nd Tuesday Grand Place at Sayre, 3rd Tuesday, Elk Home, 3rd Thursday, Wheeler Care Center, 4th Tuesday, Hensley Home at Sayre. All times 2:30. Visitors welcome. They will play between 10 and 11 o'clock at the opening exercises, Saturday, Nov. 11 at the Erick Honey Festival come out for the fun.

Mary Garber of Ohio is here visiting her sister Editha Hilderbrand. They called on Hortense Madden one afternoon.

Bonnie McGuire (J.E.'s mother) fell and broke her hip. She is doing well after surgery at the Community hospital. Irene McArthur had surgery there Thursday. Doris Smith is home now.

Lisa and Monty Tucker attended a Youth Action Conference in Lawton Thursday and Friday. Lisa is the Beckham County 4-H president. Roger Mills County is proud to have some state 4-H officers. Keith Tracy is state president and John Tracy, his brother, is Southwest District president. Melanie Barber won the Santa Fe Award. Keith is a student at OSU. Melanie and Tracy will go to Chicago and compete for a \$1000 scholarship. In December. We are proud of all our young folk who work so hard with their schoolwork and other interests.

Recent visitors of Mildred Allen were her children, Donnis and Lanelle Hayes of Enid and the Leroy Allens of Erick.

Funeral services were this week at Pampa for our friend John Nunn. He fought a long battle against cancer.

Services were at the Cheyenne Baptist Church for Dewey Daugherty. He grew up in this community. Burial was in the Dempsey cemetery.

Trivia—People spend 8 months of their life opening their junk mail. Married people have 4 minutes of meaningful conversation a day. Working parents talk 30 seconds daily to their children.

We have seven cheerleaders this year, Shelina Sigman, Becky Hall, Julie Schmidt, Alicia Yowell, Hope Conrad, Jamie Heinsohn, and Katie McArthur. The girls are selling candy to pay for their new suits.

Our 9 second graders have read from 15 to 94 library books each. They sure aren't going to grow up unable to read road signs.

Xi Alpha Alpha Xi Attends Convention

Seven Xi Alpha Alpha Xi members attended the Beta Sigma Phi Area Convention October 28 and 29 in Vernon.

Working around a Halloween theme, the members had a wild and crazy time selecting their costumes for the Saturday night banquet. They chose to portray the various storybook witches as seen in the "Wizard of Oz" and "Snow White". Their efforts efforts paid off as Deedy Zybach won the award for the most Original Costume and Belinda Masters had the Most Scariest costume.

The hard work and efforts of the chapter was also rewarded when the chapter's Scrapbook received a second place award and their Yearbook ran away with 1st place honors.

Also during this weekend the members renewed old friendships, made new friends and strengthened the meaning and purpose of Beta Sigma Phi within their chapter.

Attending this convention of almost 300 Beta Sigma Phi's were Margaret Dorman, Deedy Zybach, Melonia Simmons, Jodi Hughes, Nina Walker, Stacy McQueen and Belinda Masters.

Note: You do not have to be present to win any of these items.

A few years back, I accompanied my mother and sister to Denver, Colorado, to make contact with some 'long lost relatives'. The visit was returned last week. Forrest Lee Lovell and I traveled to Clinton to meet the Arnolds and bring Loya Flansburg, a second cousin to Wheeler. Her visit was short, but she promises to return in the spring

We were surprised to find Mother Porter and Mother Arnold accompanying Melba and Gene. They had stopped in Hinton and these ladies were more than happy to go on an afternoon and evening excursion.

Three guesses where we met—and the first one doesn't count. Yes, it was Braum's.

We arrived ahead of the Arnold

party and used a quarter to call Larry Tracy, a former Wheeler band director. Larry came down for a visit while we waited. Larry extends greeting to the locals. He is back into band directing; he has had the Clinton band for the past five years. The son is a junior this year and the daughter will be getting married in the spring.

Here is hoping Mark Frankenberg is out of the hospital in Canadian at the time of this publication. He is reported to be on the road to recovery. His discovery that the stork didn't bring him must have been too much.

If you missed the chili supper

CARD OF THANKS

A special thank you for everyone who organized and participated in any way in the benefit dance held for me. We send our sincere appreciation to each and all who have shown their love and concern for us. A special thanks to the bands who donated their talent and to all the special people who held and helped in any way with the dance.

Our Love & Thanks
Lou, Dan,
Larry & Dana Trimble

About Our Schools

EFFECTIVE PRINCIPALS EMPHASIZE INSTRUCTION

A very visible part of a building principal's role is management. Such task as the budget, the calendar, and the master schedule demand the principal's attention. Current research indicates, however that the principals of most effective schools do not become consumed with these managerial task. Rather, they choose to spend a larger amount of time serving as instructional leaders in their schools.

What characteristics are seen in principals who actively make quality instruction not only a focus of their jobs but also their school's mission? There are many.

First and foremost, principals who are instructional leaders model effective teaching strategies and serve as a resource for others. They are energetic, enthusiastic, visible proponents of instruction in and out of their buildings. They are a visible presence, always willing and accessible to discuss instructional matters.

In addition, they openly communicate to parents, students and staff the benefits to be derived from the pursuit of quality instruction. They choose to provide opportunities for employees grow professionally through planned staff development activities and they focus on instructional issues at faculty and parent meetings.

Decisions about how to allocate resources such as time, money and effort are often based on their relationship to instructional issues. Recognizing that without sound instruction children are ill-equipped to find success in the world, these principals work hard to safeguard class teaching time and effective teaching strategies.

In addition, good principals attempt to provide risk-free environments where employees are encouraged to be creative and to generate new ideas to maximize instruction. Teachers are empowered to assume leadership roles in the building and collegial relationships are actively promoted and supported.

The results of a principal's involvement in the instructional process are revealing. Studies have indicated that

THE WHEELER TIMES

Page 5—Thursday, November 2, 1989
"Wheeler, town of friendship and pride."

come out to visit us at the Care Center.

Monday mornings is now our "Newsy" morning. We can spend a little longer on the Amarillo paper than what we do the rest of the week. We enjoy our discussions.

Opal Davidson and Ila Byers came

came Monday afternoon to visit and serve juice. We thank you both.

During Monday afternoons staff meeting Pat Henry (L.V.N.) of Shamrock was elected Employee of the Month for November. Pat is a joy to work with, Congratulations.

Tuesday morning the dining room was being painted and Carlene had to take a resident to the doctor, so Family Altar was cancelled until next week. Carlene however was kind enough to play several selections for us in the lobby on the piano before she left. Thank you.

Wednesday morning our new Baptist Bible Study was taught by Janice Sparlin and Fliptian Patterson. We missed Jo Hunt. We all enjoyed the class. I think we all learned something. Thank you for coming. Those who attended were Doris Rusk, Iris Ingram, Irma Wiebe and Mary Bledsoe.

In the afternoon our bingo helpers were Doraen Owens, Opal Hefley and Doodie Phillips. We had a wild game. The juice cart ladies were Francis Hefley and Dorothy Hink. We appreciate all of you very much for coming to help us with our activities.

Thursday morning the "Inspirational" ladies were Ila Collins, Rozena Zybach and Fern Young. We are very fortunate to have these friends who care about us. Thank you all for coming.

We tried some new exercises in class Thursday. We're getting good!

Ann Ellison came later in the afternoon to deliver the pop-corn as I popped. She's fast. I have to work hard to keep enough popped. Thanks Ann.

At 7:00 Thursday night the Hallelujah Squares came to entertain in the lobby. Each and every resident really enjoyed them very much. We do apologize for the slight disturbance. We look forward to your next visit on the 30th of November.

Jim and Laura Davis were here as usual on Friday morning. We always enjoy them so. Laura Eubanks is also a welcome visitor. Thank you all for coming.

Ruth Taylor and Fannie Bradstreet came to serve juice Friday afternoon. We were all working in the Sun Room on Halloween Masks. We had really worked up a thirst.

Thank you so much to our Sunday Soldiers, Jim and Melba Montgomery (Sunday School) and Rev. Weldon Rives along with members of the First United Methodist Church for afternoon worship.

See Ya Next Week,
Lols

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 7, 1989

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 102 proposes a constitutional amendment that would increase the salary of members of the legislature to one-fourth of the Governor's salary and increase the salary of the Lieutenant Governor and the Speaker of the House of Representatives to one-half of the Governor's salary. The annual salary of members of the legislature, the Lieutenant Governor, and the Speaker of the House of Representatives is currently \$7,200. Under this provision, the annual salary of the Lieutenant Governor and the Speaker would be \$46,716, and the annual salary of members of the legislature would be \$23,358, based on the Governor's current annual salary of \$93,432. The increase for the Speaker and the members of the legislature would take effect when the legislature convenes for its regular session in January 1991. The increase for the Lieutenant Governor would take effect when the term of that office begins in 1991. The salary increase for the Lieutenant Governor would not make members of the legislature ineligible to run for the office of Lieutenant Governor.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to limit the salary of the lieutenant governor and the speaker of the house of representatives to not more than one-half of the governor's salary and to limit the salary of a member of the legislature to not more than one-fourth of the governor's salary."

PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 5 proposes a constitutional amendment that would authorize the Texas Water Development Board to issue an additional \$500 million of Texas water development bonds. The additional bonds are to be used as follows: \$250 million of the bonds are to be used for water supply loans and facilities acquisition; \$200 million of the bonds are to be used for water quality enhancement projects; and \$50 million of the bonds are to be used for flood control. The legislature may provide that \$100 million be used for subsidized loans and grants to economically distressed areas of the state for water and wastewater facilities.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize the issuance of an additional \$500 million of Texas water development bonds for water supply, water quality, and flood control purposes."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 51 proposes a constitutional amendment that would authorize the legislature to provide for the issuance of general obligation bonds to provide money to establish a Texas agricultural fund, a rural microenterprise development fund, a Texas product development fund, and a Texas small business incubator fund in the state treasury. The Texas agricultural fund would be used to provide financial assistance to develop, increase, improve, or expand the production, processing, marketing, or export of crops or products grown or produced in Texas by Texas agricultural businesses. The rural microenterprise development fund would be used to stimulate the creation and expansion of small businesses in rural areas. The Texas product development fund would be used to aid in the development and production of new or improved products in this state. The Texas small business incubator fund would be used to stimulate the development of small businesses in the State.

The principal amount of bonds outstanding at one time could not exceed \$25 million for the Texas agricultural fund and \$5 million for the rural microenterprise develop-

ment fund. The financial assistance offered by both funds could include loan guarantees, insurance, coinsurance, loans, and indirect loans or purchases or acceptances of assignments of loans or other obligations. To carry out the Texas product development fund, the legislature could authorize loans, loan guarantees, and equity investments, and the issuance of up to \$25 million of general obligation bonds for initial funding. To carry out the Texas small business incubator fund, the legislature could authorize loans and grants of money, and the issuance of up to \$20 million of general obligation bonds for initial funding.

Bonds authorized under this amendment would be paid out of the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in any interest and sinking account at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to provide for the recovery and further development of the state's economy, with goals of increasing job opportunities and other benefits for Texas residents, through state financing of the development and production of Texas products and businesses."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 13 proposes a constitutional amendment that would authorize the legislature, by general law, to exempt from ad valorem taxes property owned by nonprofit veterans organizations that are chartered or incorporated by the United States Congress.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize the legislature to exempt property of nonprofit veterans organizations from ad valorem taxation."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 11 proposes a constitutional amendment that would provide an exemption from ad valorem taxation for goods, wares, merchandise, other tangible personal property (including aircraft), and ores (other than oil, gas, and petroleum products) if the property is acquired in or imported into the state and is destined to be forwarded out of the state, regardless of whether the intention to forward the property existed when the property was acquired or imported into the state, if it remains in Texas for 175 days or less for assembly, storage, manufacture, processing, or fabrication. The proposed amendment would authorize the governing body of a county, municipality, school district, or junior college district to prevent the exemption of this tangible personal property from taxation by taking official action before April 1, 1990. A county, municipality, school district, or junior college district could rescind a decision to tax the property, in which case the exemption would become effective in the year of the rescission and the property could not thereafter be taxed.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment promoting economic growth, job creation, and fair tax treatment for Texans who export goods to other states and nations by restoring and allowing, on a local option basis, an ad valorem tax exemption for certain personal property that is in Texas only temporarily for the purpose of assembling, storing, manufacturing, processing or fabricating."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment that

would enable the legislature to provide, by general or special law, that members of a hospital district board may serve terms not to exceed four years. Currently, hospital district board members' terms are two years.

The proposed amendment will appear on the ballot as follows:

"Authorizing the members of a hospital district governing board to serve four-year terms."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 40 proposes a constitutional amendment that would change the format of the oath of office for officeholders in this state. All elected and appointed officers would be required to take an oath or affirmation swearing to faithfully execute the duties of office and to preserve, protect, and defend the constitution and laws of the State and the United States. In addition, each elected and appointed officer would be required to sign a sworn statement that he or she had not paid, offered, or promised anything of value for a vote or to secure appointment to an office, as applicable. The written, sworn statement would be filed with the secretary of state. The information in the statement is currently contained in the oaths of office taken by elected and appointed officials.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to require that a member of the legislature, the secretary of state, and an elected or appointed officer, before assuming office, sign a written oath stating that the member, the secretary of state, or the officer did not engage in bribery to obtain the office."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 24 proposes a constitutional amendment that would allow the legislature to authorize the issuance of up to \$400 million in general obligation bonds. The proceeds of the bonds could be used to acquire, construct, or equip new corrections institutions, mental health and mental retardation institutions, youth corrections institutions, and statewide law enforcement facilities and to repair and renovate existing facilities of those institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the treasury that is not otherwise appropriated by the constitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the issuance of general obligation bonds for projects relating to facilities of corrections institutions, youth corrections institutions, and mental health and mental retardation institutions and for the expansion of statewide law enforcement facilities."

PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 101 proposes a constitutional amendment that would authorize the legislature to pass laws to organize and combine state agencies that perform criminal justice functions. The legislature could combine into one or more agencies all agencies that have authority over the confinement and supervision of convicted criminals, and that gather information about criminal justice administration. Agencies that could be combined would include the Texas Department of Corrections, the Board of Pardons and Paroles, and the Texas Adult Probation Commission. The amendment would also authorize the legislature to pass laws authorizing the appointment of members of more than one department of government to serve on the governing body.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to organize and combine various state agencies that perform criminal justice functions."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would authorize the legislature to enact laws requiring or permitting judges to advise juries that a defendant convicted of a criminal offense can receive credit for good conduct that results in a shorter prison term and that eligibility for parole or mandatory supervision can also affect the length of time a convicted criminal serves in prison.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to require or permit courts to inform juries about the effect of good conduct time and eligibility for parole or mandatory supervision on the period of incarceration served by a defendant convicted of a criminal offense."

PROPOSITION NO. 11 ON THE BALLOT

House Joint Resolution 102 proposes a constitutional amendment that would increase the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount allowed for federal income tax purposes as of January 1 of that same year as a deduction for living expenses incurred by a state legislator. The per diem of \$30 would increase to \$81, which is the current maximum living expense deduction.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to set the amount of per diem received by a member of the legislature at the amount allowed for federal income tax purposes as a deduction for living expenses incurred by a state legislator in connection with official business."

PROPOSITION NO. 12 ON THE BALLOT

Senate Joint Resolution 53 proposes a constitutional amendment that would authorize the legislature to provide for the use of the permanent school fund and the income from the permanent school fund to guarantee bonds issued by the state for the purpose of providing loans or purchasing the bonds of school districts to acquire, construct, renovate, or improve instructional facilities. If the permanent school fund were required to make payment as a result of its guarantee of bonds issued by the state, the fund would have to be reimbursed immediately from the state treasury. The amount of bonds guaranteed by the permanent school fund could not exceed \$750 million unless a higher amount was authorized by a two-thirds vote of both houses of the legislature. If a school district were to become delinquent on a loan, the amount of the delinquency would be offset against other aid to which the district was entitled.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for using the permanent school fund and its income to guarantee bonds issued by the state for the purpose of aiding school districts."

PROPOSITION NO. 13 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that would provide a bill of rights for crime victims. This constitutional amendment would give crime victims the right to be treated with fairness and respect and to be reasonably protected from the defendant. On his request, the crime victim would have the right to notification of court proceedings, the right to be present at all public court proceedings unless a court determines that the victim's testimony would be affected by hearing other testimony, the right to confer with a representative of the prosecutor's office, the right to restitution, and the right to information about the conviction, sentence, imprisonment, and release of the defendant. The legislature would be authorized to enact laws to define the term "victim," to enforce the rights of crime victims, and to provide that certain public officers and agencies are not liable for a failure to protect a victim's rights.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment

providing a bill of rights for crime victims."

PROPOSITION NO. 14 ON THE BALLOT

Senate Joint Resolution 71 proposes a constitutional amendment that would require the district attorney in Fort Bend County to be elected and serve terms at the same times as criminal district attorneys in the state. Currently, criminal district attorneys are elected in gubernatorial election years and district attorneys are elected in presidential election years.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment requiring a district attorney serving in Fort Bend County to be elected and serve a term in the manner provided by general law for criminal district attorneys."

PROPOSITION NO. 15 ON THE BALLOT

House Joint Resolution 32 proposes a constitutional amendment that would authorize the legislature, by general law, to permit charitable raffles conducted by qualified nonprofit organizations. The amendment would require that the raffles be conducted, promoted, and administered only by members of the qualified nonprofit organizations and that the proceeds from the sale of raffle tickets must be spent for the charitable purposes of the organizations.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to permit and regulate raffles conducted by certain nonprofit organizations for charitable purposes."

PROPOSITION NO. 16 ON THE BALLOT

Senate Joint Resolution 34 proposes a constitutional amendment allowing the legislature to pass general laws authorizing the creation of hospital districts upon approval of a majority of the qualified voters of the district. The amendment would also permit the legislature to authorize the creation of hospital districts by general or special law in counties with populations of 75,000 or less and to authorize the commissioners courts of such counties to levy ad valorem taxes and issue general obligation bonds for the support and maintenance of such districts.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment granting to the people the right to decide whether to create and maintain hospital districts to protect the public well-being in a manner independent of the legislature."

PROPOSITION NO. 17 ON THE BALLOT

House Joint Resolution 33 proposes a constitutional amendment that would allow the legislature, by general law, to authorize the use of public money to provide local fire departments and other public fire-fighting organizations loans or other financial assistance to purchase fire-fighting equipment and to aid in complying with federal and state law. The legislature would also be allowed to authorize the use of public money for scholarships and grants to educate and train members of these organizations. Part of the money could be used for administrative costs of this program. The legislature would provide for the terms and conditions of all such scholarships, grants, loans, and other financial assistance.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the state to provide scholarships, grants, loans, and other financial assistance to local fire departments and other public fire-fighting organizations to purchase fire-fighting equipment, to aid in providing necessary equipment and facilities to comply with federal and state law, and to educate and train their members."

PROPOSITION NO. 18 ON THE BALLOT

Senate Joint Resolution 44 proposes a constitutional amendment that would repeal subsection (e) of Article III, Section 50-d of the constitution. Article III, Section 50-d currently allows the Texas Water Development Board to issue and sell Texas agricultural water conserva-

tion bonds in an amount not to exceed \$200 million, if two-thirds of the members of each house of the legislature approve. Under subsection (e), this authority would expire in November, 1989. Repeal of subsection (e) by passage of this amendment would continue in effect the authority to issue and sell the bonds.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to eliminate certain time limitations relating to the issuance of Texas agricultural water conservation bonds."

PROPOSITION NO. 19 ON THE BALLOT

Senate Joint Resolution 59 proposes a constitutional amendment that would allow local governments to invest their funds as authorized by the legislature. Currently, the constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company prevents local governments from making some kinds of investments. This proposed amendment would allow local governments to make any investments authorized by the legislature.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize local governments to invest their funds as provided by law."

PROPOSITION NO. 20 ON THE BALLOT

Senate Joint Resolution 16 proposes a constitutional amendment which, if passed, would abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties. A majority of the voters in an affected county must vote in favor of this proposed amendment before the office is abolished in that county. If the office of county surveyor is abolished in any of these counties, the powers, duties, and functions of the office are transferred to a county officer or employee designated by the commissioners court of the county in which the office is abolished.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties."

PROPOSITION NO. 21 ON THE BALLOT

Senate Joint Resolution 74 proposes a constitutional amendment that would authorize the legislature to enact laws authorizing the Texas Higher Education Coordinating Board or its successor to provide for, issue, and sell an additional \$75 million in general obligation bonds as college savings bonds. The form, terms, and denominations of the bonds would be prescribed by law. The interest rate and installments would be prescribed by the Texas Higher Education Coordinating Board or its successor. The maximum net effective interest rate would be set by law. Proceeds from the sale of the bonds would be credited to the Texas opportunity plan fund, which is used to make loans to students to attend institutions of higher education in Texas. The bonds and interest on the bonds would be payable from the first money coming into the treasury in each fiscal year that is not already appropriated by the constitution, less the amount remaining in the sinking fund at the close of the prior fiscal year.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the issuance of general obligation bonds as college savings bonds to provide educational loans to students and to encourage the public to save for a college education."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el día 7 de noviembre de 1989. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/8683 o por escribir al Secretario de Estado, P.O. Box 12060, Austin, Texas 78711.

ANNUAL MEETING Wheeler County Extension Program

The public is invited to attend the annual meeting of the Wheeler County Extension Program Council on Monday, November 6 at 7:00 p.m. in the Shamrock City Hall Annex. There will be information presented that should be of interest to everyone in the county according to County Extension Agents Don King and Linda Daughtry.

One item on the program will be the video tape, “Big Fears, Little Risks,” in which prominent scientist and health professionals discuss data that indicates the health risks from the environment and food supply are not as great as those often put forward in the media. Information presented in this tape, narrated by Walker Cronkite, should be very useful evaluating current news stories.

Also, County Judge Wendell Morgan will discuss the current situation on Wheeler County, including economic development, population trends and tax bases, and the outlook for the next couple of years. County residents will have an opportunity to ask questions about conditions that affect the county.

In addition, chairmen of the program area committees will report on their committees activities and plans for 1990.

Education programs of the Texas Agricultural Extension Service are open to everyone regardless of race, sex, national origin, socio-economic level or handicap.

CARD OF THANKS

The Briscoe Boosters would like to say a Big Thank You to everyone that made our day of Little Dribblers basketball games a huge success. Thanks so much to all the talented children from Allison, Mobeetie and Briscoe who played; the parents, relatives and friends who were there to support the players; Randy McCurley, Austin Caldwell and Dean Tipps for furnishing the ribbons; Pat Morgan, for her raffle donations, Tammy Maddox for keeping the clock; and Tim Bennett, Mike Johnson, Jimmy Maddox and Mac Purcell, for being the referees. We had to have all of you and we say, Thanks so very much!!!

first play of the fourth quarter and Bradstreet ran in the two pointer and Wheeler was up 49-0.

Only 1:56 remained in the game when the Mustangs tallied their final points. Mark Marshall dipped in and then went to the outside and outran the defenders from 14 yards out and Altamarino kicked good and the Mustangs could start thinking about the White Deer Bucks.

White Deer

From Page 1

more than two teams, a complicated scoring margin system is used to determine the playoff team and this could come about in the season's final two weeks and so to eliminate this, the Mustangs have to whip White Deer and Booker.

White Deer brings a 3-5 and 1-2 record onto Nicholson Field as several factors, including the forementioned injuries, have had their effect on the Bucks fall from prominence.

First, the Bucks lost a number of key players off their championship team to graduation and then in the off season, a coaching change came about with Dennis Carpenter taking over the head job and as always with changes in head coaches, changes in offensive and defensive philosophy come and all of these have had their effect and then you add the injury situation.

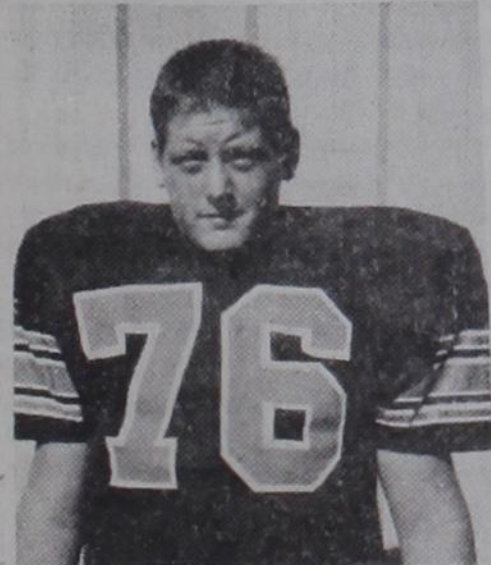

"White Deer is a good ball club if

they get some of their people back but we really won't know what to expect until they take the field against us," coach Ronnie Karcher said this week. "Remember, they are defending state champions and have a lot of pride and I know that they will get after us in a big way," Karcher added.

The Bucks run a straight T on offense with usually just one person split out and will line up on defense just like the Mustangs.

The Mustangs strength this season has been on the defensive side of the ball and it will be imperative Friday night to stop the Bucks ground game to set up a showdown with Booker next week. The Mustangs pass defense has been spotty as they have fashioned their 5-3 record but the same goes for White Deer's passing game so hopefully these two factors will negate one another.

"One game at a time is what we have been trying to impress our team with since the loss to Sunray and this is the game we have to win," Karcher said.

#76—Chad "Fathertime" Harrison, a sophomore, plays tackle on offense and defense for the Mustangs. His hobby is telling time for the sophomore class. His favorite NFL football team is the San Francisco Forty-Niners.

#77—Beryle "Dreamer" Brister, a sophomore, plays tackle on offense and defense for the Mustangs. His hobby is restoring cars. His favorite NFL football team is the New York Giants.

#82—Brandon "Eagle Claw" Chick, a sophomore, plays splitend and defensive halfback for the Mustangs. Brandon's hobbies are Wheeler City Park conservation work and skiing. His favorite NFL football team is the Buffalo Bills.

Manager—Craig "Mooch" Neal, a sophomore, has been a manager for the Mustangs for two years. His hobbies are basketball and fishing. His favorite NFL football team is the Minnesota Vikings.
