

Old Age Pension Application Blanks Ready To Deliver

County Judge Philip Yonge announced Monday that application blanks for the Texas Old Age Pension which was enacted at the last session of the legislature are now available to Dawson county applicants, beginning Monday of this week.

George G. White, district supervisor for Old Age Pensions in District 18, comprising the 12 counties of Andrews, Borden, Dawson, Ector, Gaines, Garza, Glasscock, Howard, Lynn, Martin, Midland, Terry and Yoakum has placed application blanks in the County Judges office in every county in his district. Those who are to fill out the applications are instructed to carefully read the instructions printed on the application in large type. If you will read carefully read and follow the instructions you can readily fill out your application.

It is estimated that there are approximately 4500 eligible to receive old age pensions in District 18 and that 3000 will have filed their application by July 1 when the set-up will have been completed and be ready to function.

There are several items that the application blanks call for and this information must be brought with them when they apply for the pension.

A partial list includes:

Original purchase price and date of purchase of all property.
Description of property from the Tax Assessor telling lot and block number, or if farming property, survey, abstract number, etc. In case the applicant owns property out of Dawson county this information required before applying in person for their pensions.

The names of holders and the amount still due on mortgages, as well as the total equity in property, date and amount of lien, etc.

Description of all property disposed of in the past two years, persons sold to, amount received, date of transfer, etc. Each applicant must be able to describe all personal property, including jewelry, furniture, automobiles, livestock, etc.

Applicant must be able to tell exactly how much they have in the bank, all sources of income, and if aid is received from any source, whether cash money or other help, from whom, and what dates.

A full and complete report on their earnings for the past two years will also be required.

Naturalization papers must be exhibited if the citizen is a naturalized immigrant.

The marital status of the applicant must be given in all cases.

The applicants must be able to tell the places where he or she has resided in the past nine years. The street and house number will be required.

If the applicant has been convicted of a crime in this or any other state, he must be able to give the history, dates, punishment, etc.

Probably one of the hardest requirements that will have to be met is the proof of the age of 65 or over. This proof must be submitted upon applying for the application. Any good proof will be accepted. There are several ways this can be ascertained, giving the age of both parties, old post-tax receipts giving the age, insurance papers, family Bibles, bills of sale as a slave in the case of aged negroes, and Federal and State records of military service, D. A. R., U. D. C., etc.

There are many conditions under which persons are eligible to receive old age assistance. Some of these are as follows:

You must be at least 65 years of age and a citizen of the U. S.
You must have lived in Texas at least 5 years out of the last 9 and you must have lived in the State of Texas at least 1 year immediately preceding the application.

You must not have made a voluntary assignment or transfer of property in order to qualify for aid.
If your income from all sources exceeds \$300 per year, if single; or if you are married and the combined income of yourself and mate exceeds \$720 per year, you are not eligible.
If you own cash or marketable securities in excess of the value of \$500, if single, and \$1,000 if married, you are not eligible.

You must not be an habitual drunkard or an habitual criminal.
If you have a husband or wife able to furnish you with adequate support you are not eligible.

These blanks are available through County Judge Philip Yonge's office, and when the information is all filled in and the papers are notarized they are to be mailed to the District office in Big Spring for approval.

Centennial Half Dollars on Sale At Lamesa Banks

Texas Centennial half-dollars, which are being sold throughout the State as souvenirs of Texas Centennial celebrations are now on sale at the First National and Lamesa National banks. Proceeds from the sale of the coins will go to the state and federal funds on hand to build the Texas Memorial Museum on the campus at the University of Texas. The federal government allocated \$300,000 of the Federal Centennial Fund for the museum building, and the Texas Centennial Commission allocated \$225,000 for equipping and furnishing the building. A minimum fund of \$500,000 is needed from the sale of the Centennial coins to complete the first unit of the Texas Memorial Museum.

Ground will be broken for the Texas Memorial Museum at ceremonies marking the opening of the Texas University Centennial Exposition, June 7. All exhibits and display grounds used in the University Centennial will be constructed so that they can be transferred to the permanent memorial to Texas Centennial celebrations when the Museum is completed.

West Texas Dry Cleaners Meet Here

The meeting of the West Texas Cleaners and Dyers Association was held in Lamesa Monday night, Feb. 17, and was in the form of a banquet served at the Methodist church.

Louis B. Reed was toastmaster for the occasion. A very interesting program was given which consisted of talks by John A. Stinson of Lubbock, M. E. Herd, head of the Textile Dept. at Tech. Several musical numbers by Mesdames N. H. Price and A. G. Barnard were enjoyed very much.

About 45 were present at the banquet. From Lubbock were J. C. Sanders, Bill Bray, H. D. Boyd, Riley Hule, John A. Stinson and M. E. Herd, representatives were also present from Midland, Odessa, Pecos and Big Spring.

The next meeting of the association will be held in Lubbock March 16. At its last meeting the group went to Midland, home of Bill Van Huss, the groups president. The Association made a new ruling to meet only once every three months instead of each month as they have done formerly.

Barron's Hatchery Installs Hammer Mill

Mr. Joe Barron, of the Barron Electric Hatchery, is announcing this week the installation of a large hammer mill, which will enable him to better serve his many customers. The large mill will do efficient and rapid grinding of milo heads, ear corn, bundles and all classes of grains.

According to Mr. Barron they are also prepared to work out formulas for their customers, and can meet any feed requirement you may have, for chickens, cows or hogs, furnishing a balanced ration. The feed will be thoroughly mixed in their large power mixer.

Look up the Barron Hatchery ad on another page of this issue and read what they have to say.

Mr. Holbrook Speaks To Luncheon Club

Mr. Philip Yonge had charge of the Luncheon Club program Tuesday and brought Mr. G. D. Holbrook, Deputy State Superintendent of this district, who this week is visiting the schools of our county.

Mr. Holbrook made a very interesting talk concerning the educational program of the state of Texas, especially emphasizing the rural school's part in our educational program.

Mr. Holbrook had much praise for our city and county schools.

Mrs. Rountree gave several piano numbers during the luncheon.

Mr. W. D. Arnett has charge of the program next week and has promised us a very interesting program.

Morris-Cleveland Adds Nyal Drug Line

The Morris-Cleveland Drug Store are announcing that they have been selected as representative for the Nyal Drug Line in Lamesa, and have now in stock at their store a complete line of these products.

The Nyal line of drugs are nationally advertised and all carry a money back guarantee. You are urged to go to the Morris-Cleveland drug when in need of any of these well known products.

FIREMEN'S BALL ATTRACTS LARGE CROWD

The Firemen's Benefit Ball, held in Lamesa last Wednesday night was a success from every standpoint. Two dances were held, one at the Blue Moon dance hall where Ned Bradley's orchestra from Lubbock furnished the music, and the other one was held at the American Legion Hall and Jimmie Thornhill's orchestra, also of Lubbock, played. Both places were filled to capacity.

FRANK MARTIN TO OFFER PLAY FOR SALE

The play, "Death Comes To The Alamo", written by Frank Martin has been placed on sale at the Taylor-McCall Drug Store for a very small sum. The play, giving the last hour of Travis and his immortals of the Alamo, has been printed and bound in book form with a very substantial cover. All who wish to buy copies of this play are urged to go to Taylor-McCall Drug.

BOY SCOUTS TO HOLD COURT OF HONOR

All Boy Scouts in Dawson county, including both troops in Lamesa, and all those from the surrounding territory will be present at the Court of Honor being held next Friday night, February 28, in the basement of the First Methodist church.

Judge Philip Yonge is chairman of the Court of Honor in this county. All parents and friends of the boys are urged to attend this meeting. It will be instructive as well as interesting and will also show the proper spirit of cooperation that should exist toward this organization. Your manifestation of interest in the progress of the boys will be inspirational to them.

MARRIAGE LICENSES ISSUED

The following marriage licenses were issued during the past week: P. W. Millican and Verneith Cook, Feb. 15; E. W. Hodnett and Francis Willis of Carlsbad, N. M., Feb. 15; R. E. Simpson and Audrey Payne Bailey, Feb. 15; Loma Marlar and Willie Mae Matsler, Feb. 14; Bryant Bradley and Mildred Lambert, Feb. 12.

"Where Texans Are Texans"

The Dawson County Courier

VOL. 6 LAMESA, DAWSON COUNTY, TEXAS, THURSDAY, FEB. 20, 1936 NO. 5

Collision Saturday Night on Highway North of Lamesa

Saturday night about 9:30 o'clock two cars, one a '34 model Chevrolet driven by E. L. Barron, who resides three miles south of Lamesa on the Stanton highway, and the other a Chevrolet owned and driven by Mr. Thorp of the Klondike community, collided head-on and resulted in slight but painful injuries to the occupants and almost complete demolishing of the Barron car and considerable damage to the Thorp car.

The accident occurred about three miles north of Lamesa on Highway No. 9. The Barron automobile, occupied by the driver, and Misses Maurine Myers and Pansy Miller and Clarence Myers, was traveling south while the Thorp automobile in which the driver and Cecil Reed, both of Klondike were traveling, was headed north when the accident occurred.

The injured were brought to a Lamesa hospital and given medical attention. None of them received serious injuries but all were bruised and shaken up some. Miss Miller sustained the most severe bruises and skin abrasions but is not in a dangerous condition.

Jimmy Cotten Resigns As City Secretary; To Join Cotten Motor Co.

Jimmy Cotten, who has held the job as City Secretary here for the past several years, resigned that position this week, and will take up the duties as manager of the Cotten Motor company.

Jimmy Cotten and his sister, Mrs. Cassie Neill of Van Alstyne have recently purchased the interest of Chris Cotten in the Cotten Motor Company and will operate it under that name.

Blaine Wiggins, who has been employed at the City Pump Station has been hired to fill the place made vacant by Mr. Cotten in the City Office. Successor for Mr. Wiggins at the pumping station has not yet been named.

O. K. Oliver Announces For Comm. Precinct 3

We are this week authorized to announce O. K. Oliver as a candidate for the office of Commissioner, Precinct 3, Dawson County, subject to the action of the Democratic Primary in July.

Mr. Oliver has been a resident of Dawson county and Precinct 3 for the past twenty years and has been a tax payer during this time. He has never before sought a public office but feels that he is well qualified to fill the office he is asking for. He expects to see each voter in this precinct personally before the election.

Mr. Oliver will make his formal statement in a later issue of this paper.

Home Demonstration Luncheon Served In Office Of Co. Agent

Dawson County Council of the Home Demonstration work, assisted by representatives of the various clubs were hostesses at a luncheon last Monday to representatives of the various organizations of the county and city.

Mrs. J. L. Ranson, Supervisor of the council presided, and stated that the luncheon was a courtesy to the people for their splendid support in making the fair, style shows and general public meetings the success which they have proven to be.

Having been served at the luncheon and hearing the words of appreciation from the ladies, speeches were made by Mayor W. L. Marr and Judge Philip Yonge, assuring the ladies of their appreciation of the constructive work of Women's Clubs.

Messrs. Kelley and Beeman added strength to the work by saying that they were glad to be a part of such constructive history making work. Superintendent of schools, V. Z. Rogers, represented the Luncheon club and schools also again proffering their support and asked for future invitations to service. A. G. Barnard spoke for the Lions Club and J. E. Barron and C. A. Hollingsworth spoke for the banks.

Miss Phenix, Home Demonstration Agent discussed the work, explaining the value of well planned parties and their financial benefit to the home.

All officers of the council were present and with their efficient service the luncheon was declared the best yet.

Dr. and Mrs. C. H. McIlroy of Lubbock visited relatives in Lamesa the past week-end.

Klondike Girls Close Successful Season

The "Goldiggers", Klondikes High School Girls Basketball Team won their fourth tournament out of six tries on their home court last Saturday night, when they defeated Brown in the final game by a score of 28 to 24. Two field goals by Smith in the last half minute of the game broke the tie and won the tournament for Klondike. This was the second time this season the last minute goals by Smith broke the tie and won for the Goldiggers.

The Goldiggers lost the Flockwell tournament, won consolation at the Brownfield, two tournaments at home, one at Moore and one at Brown.

Winners in the Klondike tournament were: Patricia, Sportsmanship; Weaver, Consolation; Brown, Runners-up and Klondike, First.

An all-tournament team selected by the coaches were: forwards, Aslin of Klondike, Hayes of Brown, Parker of O'Donnell; guards, Franklin of Klondike, Hays and Shockley of Brown. Players mentioned for all-tournament team were: Wright of O'Donnell, Cline of Patricia, Smith of Klondike, Mabry of Sparenberg, Dossey of Klondike.

The Klondike girls cancelled all games that were matched and are offering an open challenge to all volley ball teams for games at Klondike or on other courts. They are determined to have a volley ball team that will be as successful as the basketball team was.

Mrs. Inez Reese Of Ackerly Dies

Mrs. Inez Reese, 19 years of age, wife of J. E. Reese of Ackerly, died Tuesday morning, Feb. 11, in an ambulance en route from her home near Ackerly to a Lamesa hospital.

Funeral services were conducted from the First Methodist church in Ackerly Wednesday afternoon at 3:30 o'clock with Rev. C. Morgan officiating.

Burial was made in the Ackerly cemetery.

Survivors are her husband, two small children, her parents, Mr. and Mrs. D. L. Langham two brothers, Willie Lee and Kenneth, four sisters, Mrs. Hazel Hancock Mrs. Laveda Thompson, Mrs. Louise Sutphen and Miss Marie Langham, all of Ackerly.

Scouters' University To Be Held in Lubbock

A Scouters' University is to be held at Texas Tech sometime during April. Nine courses in leadership training will be given for the purpose of training men and women in Scout and Cub leadership. There will be five sessions of the courses and the school will run one week. Classes will start on a Monday evening and go through Friday evening of the same week.

This is the first training school of its kind to be held in this section of the country and it is hoped that every person who is interested in boys work will plan to attend these courses.

Dr. J. M. Gordon, Dean of Texas Tech, is Council Leadership Training Chairman and will head up the organization of this school. Dr. Bradford Knapp will be president of the Scouters' University. The various courses and instructors names will be announced at an early date.

PLAY TO BE PRESENTED AT HANCOCK SATURDAY

A play, entitled "Small Town Romeo" will be presented at Hancock on this coming Saturday night, February 22, beginning promptly at 8:30 p. m. This play has been judged one of the best ever to be given. Everyone is urged to be present Saturday night.

DR. N. H. PRICE ADDS OFFICE FACILITIES

Work was completed this week on the new reception room in connection with the office of Dr. N. H. Price on South First Street. The new addition is a room 16 by 18 feet and adjoins the former office on the west. It will be used as a reception room and the room formerly used for this purpose will be the convalescent room. It has been completely re-decorated and rearranged and with this added space Dr. Price states that he will be better equipped to render the proper service to his clients.

NEW CARS REGISTERED

The following people purchased new automobiles during the past week: C. B. Bucklew, '36 Standard Chevrolet sedan, 2-17; E. V. Wilkes, '36 Plymouth touring sedan, 2-13; Nolen J. Robnett, '36 Chevrolet standard touring sedan, 2-14; C. O. Stone, '36 Plymouth deluxe 4-door touring sedan, 2-12; L. Gullatt, '36 Chevrolet '31' dual cab, 2-11.

City Will Save Substantial Sum In Refunding Deal

The Mayor and City Commissioners in conjunction with Mr. Carl Rountree, attorney, and Jimmie Cotten, city secretary, have this week consummated a reorganization of the city's finances, thereby effecting an approximate saving of \$58,660.00 for the city.

This saving results from a refunding of the city's bonds and a reduction of the interest rate from 6% to 5%. The annual principal and interest payments were reduced materially, thereby benefitting the city for years to come. The Mayor and City Commission with Mr. Cotten have been working over a year on the problem of refunding the bonds and have at last made a successful contract with the bond holders.

Much credit should go to the city administration for this successful work; the results shall be far reaching and of lasting benefit to the city of Lamesa. Taxes cannot be immediately reduced since the bond and interest levy must necessarily remain at \$129 to successfully carry on under the new program.

Baldwin's Store Staging Eleventh Anniversary Sale

Ending eleven successful years of business in Lamesa, the Baldwin Dry Goods Store, are beginning this week a store-wide Anniversary Sale, in celebration of this event. The sale will start on Friday morning and will continue through Saturday, February 29.

This huge Anniversary Event, staged for the people of Lamesa and trade territory, in appreciation of the good business extended this firm during their eleven years in Lamesa, will enable you to buy all seasonal merchandise at reduced prices.

Buyers for the Baldwin Store have recently returned from the Eastern markets where they purchased new spring merchandise at great savings for both men and women. These savings they are passing on to the people of this territory during their Anniversary Sale.

Look up the Baldwin Store page ad on another page of this issue and read all about their Eleventh Birthday Sale. Remember their sale starts on Friday morning at 9 a. m. You are urged to be present.

Funeral Rites Held For Little Barbara Ann Salsler

Barbara Ann Salsler, 11 months old daughter of Mr. and Mrs. Sylvan Salsler of Ackerly, died last Monday morning, February 17, at 3:00 o'clock following an attack of pneumonia.

Funeral services were held at the First Methodist church in Lamesa at 5:00 o'clock Monday afternoon with Rev. Cook, Methodist minister of Ackerly, assisted by Rev. M. M. Beavers of Lamesa, officiating. Interment was in the Lamesa cemetery.

Survivors are: the parents, Mr. and Mrs. L. S. Salsler; paternal grandparents, Mr. and Mrs. E. G. Salsler of Lamesa; and maternal grandparents, Mr. and Mrs. John Howard of Haskell. All of them, except Mrs. Howard were present at the funeral. Other out-of-town relatives present were Mr. and Mrs. McNeil of Brownfield, Mr. Brownfield, John Howard of Haskell and three other uncles from Haskell; Alene Salsler, Lubbock; Allen Salsler, El Paso, and Jake Salsler, El Paso.

Adult Education Begun In Dawson County

As a part of the new deal, Adult Education is becoming one of the most important factors. It is proving to be a benefit to unemployed teachers and offers an opportunity to adults to continue their education along lines of study dearest to them and often the study of some subject they were not privileged to have in their youth.

Mrs. Minnie Fort, District Supervisor, has visited Lamesa several times in interest of the work and at a meeting held Monday she began the work with classes. Three of these classes are being taught in the CCC camp and four of them in town.

A class each of music, reading, economics and literature are being taught in the annex of the First Baptist church. There is need of a commercial class and another class in music, and with the continued cooperation of the citizenship we hope to be able to supply every need.

This district is very fortunate in having Mrs. Fort as Supervisor. She is highly educated and has the interest of the work at heart.

She promised Dawson county her undivided support, provided the teachers and local supervisor render service becoming the department and advantageous to the citizenship.

These classes are for the benefit of the entire public and without cost. Mrs. R. R. Townsend has been chosen as local supervisor and will be located in the office of the County School Superintendent, Miss Pauline Bulsterbaum.

The entire program comes under the supervision of Miss Bulsterbaum.

Mrs. Loo Randalls and Miss Ruby Randalls were Lubbock and Littlefield visitors last Friday. Miss Randalls attended the meeting of the West Texas Teachers association in Lubbock and they visited Sidney Randalls in Littlefield.

Mrs. R. P. Simpson of Seagraves was a Lamesa visitor last Thursday.

G. D. Holbrook of Lubbock, deputy state school superintendent of this district is visiting the rural schools of Dawson county this week.

Chevrolet Have Record Sales Month of January

Sales of Chevrolet dealers continued throughout January at a rate which broke all January records in the history of the company, besides rounding out the greatest 90 days after announcement that Chevrolet has ever known.

This fact is revealed by figures released by W. E. Holler, vice president

and general sales manager. New records were established both for new cars and trucks and for used cars, Mr. Holler said. An important contributing factor, he added, was the used car disposal program, under which thousands of old cars were destroyed and forever removed from the streets and highways of America.

January sales of new cars and trucks totaled 75,412 units, an increase of 103 per cent over January 1935. New unit sales for the period since the 1936 model announcement totaled 247,666, as compared with 130,867 for the best corresponding period in the past, in 1929-30. This is an increase of 104.7 per cent.

Used car sales for January were 166,966 units, the second-highest used car month in Chevrolet's entire history. Sales of used cars for the 95-day period since introduction of the 1936 models totaled 400,717 units, 247,003 in 1934-5 being the highest previous total for a corresponding period.

"We regard it as significant that the combined sale of new and used cars during the three months' period reached the tremendous total of 648,383 units."

"The fact that record sales in January were not confined to any one section of the country, but on the contrary were general throughout the

United States, is a splendid business indication," said Mr. Holler. "It supports our belief that the Spring buying season will be the best the country has seen for a number of years."

Extension of the used car junking program through February was announced last week. This program, in which Chevrolet is recompensing its dealers for scrapping unsafe cars, is meeting with the unanimous approval of safety authorities in all parts of the country.

Bro. E. B. Bowen of Stamford visited in the Clyde Backenstoss home in Lamesa Wednesday and Thursday of last week.

Misses Kathleen Webb, Lucile Priddy, Betty Porterfield, Cloreta McFarland, Mary Francis Wheeler, Jackie Gilstrap, Lucile Wheeler, Messrs. Earl Alsbrook, Charles Morris, Dwight Morris, Louis Morris, Sterling Stovall, Cloyce Tune and Q. D. Butcher, Will Morris and Mr. and Mrs. Clyde Backenstoss attended the District Epworth League rally in Tahoka last Friday night.

Mrs. Hollis Sneed of Amarillo visited in the home of her sister, Mrs. Jess Paulk, during the past week-end.

Report was given by Mrs. Hodge from the Agent. The following officers resumed their offices: President,

Mrs. S. B. Hodge; Vice-president, Mrs. Floyd Duncan; Secretary-treasurer, Mrs. Dopson; Reporter, Mrs. Wright;

Wardrobe demonstrator, Mrs. Oscar McLendon, and Pantry Demonstrator, Mrs. R. L. Butchee.

MISS AUDREY FAYE BAILEY MARRIES R. E. SIMPSON, JR.

Two pioneer families of West Texas were united last Sunday when Miss Audrey Faye Bailey, daughter of Mrs. S. J. Bailey, became the bride of R. E. Simpson, Jr., son of Mr. and Mrs. R. E. Simpson. The ceremony was performed at 8 a. m. Sunday in the First Methodist church, with the pastor, the Rev. M. M. Beavers reading a ring ceremony, before 300 guests.

Before the vows were said, Mrs. Allen Barnard, organist, played "The Rosary" (Nevin) and "Believe Me If All Those Endearing Young Charms," and accompanied Mrs. N. H. Price as she sang "I Love You Truly" (Bond). She also played the wedding marches.

The bride was lovely in a maize knitted suit with brown accessories. She carried a bouquet of calla lilies and roses and wore a gold brooch that had belonged to her grandmother. She was given in marriage by her brother, Clyde Bailey, of Lamesa.

Miss Ethel Iris Simpson, sister of the bridegroom, was maid of honor. She wore a beige suit with British tan accessories and carried a bouquet of Talisman roses.

Hugh Lott of Lamesa was best man. Homer Simpson, brother of the bridegroom, Harold Simpson, Jack Sanders and Harold Williams were ushers.

Fern and white stock decorated the church and candelabra lighted the altar.

After a wedding trip to points in South Texas, the couple will be at home at 303 N. Main street.

Mrs. Simpson, a native of Lamesa, attended McMurry college in Abilene after her graduation from the local high school in 1927. She taught expression in Crane for a time and recently has been with the TRC in Midland and Big Spring.

Mr. Simpson, also a native of Lamesa, attended Texas Technological college in Lubbock and Hardin-Simmons university at Abilene after being graduated from high school. He is associated with his father in an oil agency.

Both of these young people are well known in this vicinity and have a host of friends who wish for them much future happiness.

PHILATHEA S. S. CLASS ENTERTAIN HUSBANDS WITH SUPPER

Last Friday evening members of the Philathea Sunday school class of the First Baptist church entertained their husbands with a supper the occasion being the fourth anniversary of the class.

The Valentine motif was used in all decorations and appointments. Mrs. L. Sparks, president of the class, presided as toastmistress for the affair. Miss Francis Lindsey delighted the listeners with a reading. A quartet composed of Misses Leann Bartlett, Marylene Bullard, Jo Nell Flanken and Melvin Norris sang a number that was enjoyed very much. The last number on the program was a reading given by Mrs. E. J. Yates.

After the supper was served various group games were played by the guests. Lastly Mrs. Stark, president of the class, was presented with a number of lovely birthday remembrances.

MR. AND MRS. EDWARD JACKSON HONORED WITH SHOWER

Thursday night, Feb. 6, Mrs. H. L. Wilson entertained at her home with a miscellaneous shower honoring Mr. and Mrs. Edward Jackson who were married December 28 at the home of Rev. Voorheis, Nazarene pastor, who performed the ceremony.

A large group of friends met at the home of Mrs. Annie Jackson, where the couple was making their home at that time, and presented them with a assortment of beautiful and useful refreshments of hot chocolate and were served to 35 guests.

DE-ELECT NAMED HONOREE AT TEA FRIDAY

One of the loveliest of a series of pre-nuptial parties given honoring Miss Audrey Faye Bailey, bride-elect of R. E. Simpson, Jr., was the tea at the M. C. Lindsey home on South Bryan Street last Friday afternoon from 4:30 to 5:30 o'clock. Hostesses for the affair were Mesdames N. H. Price, J. E. Garland, M. C. Lindsey and Mack Noble of O'Donnell.

In the receiving line were the honoree, Mesdames S. J. Bailey, R. E. Simpson, J. E. Garland, M. C. Lindsey, Mack Noble and N. H. Price. The

honoree wore a lovely lace afternoon dress. Throughout the afternoon Mrs. Allen Barnard entertained the guests with piano selections.

The tea table, presided over by Mesdames Clarence Parks, Jess Walker, and Miss Ethel Iris Simpson, was beautiful in every detail. Pink pycnomen in full bloom centered the lace covered table and lighted tapers in crystal candelabra added the final touch to the pleasing scene.

Seventy guests registered in the "Bride's Book" presided over by Mrs. W. D. Arnett.

APPROACHING MARRIAGE OF MISS MERLE SHIPP ANNOUNCED

At a prettily appointed party last Tuesday evening given in the S. E. Cleveland home on S. Garfield street with Misses Willie Belle Cleveland and Olive Meadows, hostesses, the approaching marriage of Miss Merle Shipp and John I. Dean, Educational Advisor of the local CCC camp, was announced.

Several tables of '42' and 'Rummy' were in play, after which delicious and attractively prepared refreshment plates were passed to the guests. Each plate held a small parchment scroll tied with pink and white satin ribbon and bore the inscription "Merle and John, Feb. 29."

Pink and white sweet peas were guest favors.

High score award went to Mrs. A. N. Randle. The guest list included Misses Pauline Bulsterbaum, Minnie Cope, Katie Lee Clement, Irene Wright and Mesdames W. T. Webb, A. N. Randle, Annie Crow, W. McGee, Gus White, R. R. Townsend, Ross McDonald and the honoree and hostesses.

VALENTINE PARTY ENJOYED BY MEMBERS OF PRESBYTERIAN W. M. S.

One of the outstanding meetings of the Presbyterian Women's Missionary society was a Valentine party given at the home of Mrs. Gordon B. McGuire, Sr., on North First street last Monday afternoon, Feb. 10. The entertaining suite was beautifully lighted and decorated, stressing the Valentine theme and forming an appropriate setting for the various games.

The meaning pertaining to "Love Match" was carried out in Biblical fashion. Roll call was answered with a successful love match from the Bible.

After a brief business meeting and devotional, Mrs. Hardy Morgan, president of the society, introduced several Valentine contests, one of which was that each guest told a love story from the Bible omitting the names of the lovers. The others guessed who the characters were that were being portrayed in the story. Much fun and enthusiasm was created through these stories.

Delicious refreshment plates consisting of fruit salad, smacks, mints and tea were served from the beautifully appointed table which was laid with a cut work cloth and lighted by red tapers burning in crystal candelabra. Spring flowers with red the dominant color note formed the centerpiece.

SHOWER HONORING MRS. WILTON BLAIR

On Tuesday afternoon, February 4, a shower honoring Mrs. Wilton Blair was given in the home of Mrs. C. M. Bird. After a few games were played the honoree was presented with many lovely gifts.

Delicious refreshments consisting of chicken salad sandwiches and hot tea were served to the following guests: Mrs. Joe Peterson, Mrs. T. J. Stone, Mrs. Lee Jones, Mrs. Carson Echols, Mrs. Amos Hamilton, Mrs. Edd Blair, the honoree and the hostess.

Those sending gifts who could not attend were: Mrs. R. E. Echols, Mrs. C. L. Garrett, Mrs. Jessie McCasland, Mrs. George Hardesty, Mrs. H. P. Baize, Mrs. N. F. Peterson, Mrs. Blaine Wiggins, Mrs. B. Bullard, Mrs. R. F. Jackson and Mrs. A. D. Crow.

MRS. W. W. STRONG HONORED ON 73RD BIRTHDAY

Tuesday, February 11, Mrs. W. W. Strong was very pleasantly surprised when her children and a few other friends came to her home bringing with them a delicious dinner and presents in honor of her 73rd birthday.

A most enjoyable time was had by everyone present, who were Messrs. and Mmes. O. D. Holloway, W. R. Dixon and son Billie, John Strong and Walter Perkins and the honoree.

MRS. GEORGE HOGG HONOREE AT PARTY

Last Thursday afternoon, February 13, Mesdames D. E. Barrett and E. W. Grissom were joint hostesses at the home of the former in the Key community, with a lovely miscellaneous shower complimenting Mrs. George Hogg.

Mrs. Grissom, in her charming manner, invited the traveling salesman trying to interest the honoree with her bag of wares. The bag revealed many useful gifts.

A refreshment plate consisting of sandwiches, cookies and hot tea with tiny dolls as plate favors was passed to twenty guests. Several gifts were sent by those who were unable to attend.

Mr. and Mrs. Bernard L. Dean of Tullia, Texas, spent the week-end visiting in the home of Mrs. Dean's parents, Mr. and Mrs. Jess Paulk.

CARD OF THANKS
We wish to take this means of thanking the CCC boys and our friends who worked so hard and helped us to save our feed from fire last Sunday. You will never know how we appreciate this kind deed.
Mr. and Mrs. A. D. Crow.

CARD OF THANKS
We wish to express the deep gratitude we feel toward our neighbors and friends for the effort put forth in extinguishing and preventing further spread of the fire that broke out on our place last Saturday evening and again that night.
Especially do we wish to thank the officials and the many boys from the Lamesa CCC camp who, when notified of the fire, both evening and night, came without hesitancy, and fought fire bravely until it was extinguished. Without the aid of the personnel of this camp we feel confident that we would have lost some 30,000 bundles of feed.
Signed: Mrs. Ruby Davis and family

Let's Talk about Clothes
TEXAS STATE COLLEGE
WOMEN (C.A.)

Denton, Feb. 5—The advent of February marks a turning point for fashions. Heretofore, when spring was two months off, only scattered glimpses of the approaching season were noted in the fashion world. Now, these timid attempts toward brightening a winter wardrobe have blossomed into spring frocks, and regardless of what type of dresses the designers may show, they all seem to concentrate on the creation of flattering wearable clothes rather than on startling departures from the accepted modes.

Dresses, coats and suits for the coming spring season are to have individuality—but not in the extreme dictated by some past era. Every trick known to designers is being utilized toward becomingness and femininity.

Pleating, tucking and shirring are used extensively, and of special importance on dark daytime frocks are the lingerie touches of lace, chiffon and organidy. Necklines are quite high, and much interest is concentrated on sleeves. The broad shoulder theme is being somewhat revived, and is much softer rather than severe and masculine in appearance.

Skirts for sports, street and dressy afternoon wear are scarcely a fraction shorter than last year (varying from 12 and 14 inches from the floor) and most of them are very slim and straight. This straight slim skirt silhouette is carried into the evening things, and although many dance dresses of very sheer fabrics have yards and yards of skirt, they appear to be only slightly bouffant.

For early spring, there are, of course, the black and white, navy and white, brown and white combinations. Black and white predominates for tailored and dressy daytime wear. Gray, a color that has been 'high fashion' many seasons but never quite attained popularity, shows every indication of being among the chosen few.

Planning Jobs For Youths of Nation

Austin—Special—Through the national Youth Administration 8,371 young Texans have been given part-time employment in the last thirty days.

The figures were announced by Lyndon B. Johnson, state NYA Director, after a check-up with representatives in 20 Texas districts.

In addition, 1,312 have been assigned to work, and jobs have been made available for 7,942 others. The grand total of part-time jobs provided by the National Youth Administration in the 30-day period is 17,225.

The boys and girls are working on 487 projects scattered throughout the state. A total of \$417,378 is being expended by the NYA and cooperating sponsors are contributing approximately 40 per cent of the entire cost of the projects. The remaining funds of \$459,000 allocated to Texas are being used in projects being approved daily.

The youngsters are working on various projects which will be useful materials to their efforts. Chief among these are 150 "pocket-size" parks, so called because of their tiny size. The small pleasure grounds are a pipe dream of Gib Gilchrist, state highway engineer. The highway department is the sponsor of the construction of the parks and also of school bus stops and gravelly school walks.

Other work includes the beautification of school grounds and the improvement of recreational facilities. Youths are also assisting in the organization and leading of recreational and community activities.

Girls, too, have an active part in the NYA program. In several districts, sewing room projects are under way. Many are working in libraries, repairing and cataloging books. Some are employed in school cafeterias and others are doing secretarial work in public service offices.

Health Dept. Warns Against Pellagra

Austin, Texas, February 5—Pellagra, while not a communicable disease, is of concern to the State Department of Health as many people die of it each year in Texas. Pellagra is a disease that is caused by the lack of proper foods. It comes on slowly and may not be recognized until the victim begins to have a sore mouth, stomach trouble, and reddening and scaling of the skin. When these symptoms appear, the disease has been present for some time, stated Dr. John W. Brown, State Health Officer.

The longer a person has pellagra the harder it is to cure, so one should be on the lookout for the early symptoms such as nervousness, indigestion, and burning of the feet and hands. The disease may become so severe as to affect the mind.

Pellagra is not contagious. As long as a person eats enough of the right kind of food and is not otherwise diseased, he is in no danger even if he lives with a pellagra patient.

The prevention of pellagra depends upon eating the right kind of food at all times. To make sure that the diet is right, it should always include plenty of milk daily, some fresh meat, and as many fresh vegetables as possible. Tomatoes, whole wheat products, salmon, brewer's yeast, and fresh fruits are especially valuable. Having provided these essentials of a proper diet, the rest may be arranged according to family and personal likes. In this way pellagra may be avoided.

METHODIST NOTES WELCH CIRCUIT

Despite the disagreeable weather the Sunday morning and evening services held at Hancock last Sunday were especially good and inspirational. The evening was spent by the pastor and wife in visiting the sick and strangers in the community. At the evening service the largest crowd was present that we have had at Hancock. A 30-minute period of prayer and testimony was enjoyed very much and proved very inspirational to the pastor as well as the congregation. It made it easy for us to speak. The inspiration gathered from the congregation helps the preacher in a most wonderful way. Some one has said "The preacher gathers inspiration from the congregation as a mist and pours it back upon them as a flood." We do not mean to say we flooded the congregation at that hour but we did feel unusually inspired.

Next Sunday, Feb. 23, will be our day at Welch. We are counting on your help.

J. G. Walker, P. C.

Mrs. J. H. Cope is ill this week.

EXTRA "LIFT"
IN H-C means
1 to 3 more miles
per gallon... say
Sinclair Dealers

1 GALLON COULD
LIFT A TEN-TON
STEGOSAURUS
1 MILE

WHAT you want in a gasoline is power. And extra power gives you extra speed - quicker pick-ups and more miles per gallon.

The engineer's measurement of power is in terms of lifting. In engineering terms, a single gallon of H-C has the potential energy to lift 99 million pounds one foot. In this picture of power you can see at a glance what "99 million foot-

pounds per gallon" could do. What does this mean for your car? In automobile road tests Sinclair H-C gave 15% to 20% more smooth power and from 1 to 3 more miles per gallon.

Just ask your nearby Sinclair dealer. He'll tell of the extra "lift" - extra mileage that's yours with Sinclair H-C Gasoline.

Stamford Reunion Expected To Draw A Record Crowd

STAMFORD, Texas—Dates for the seventh annual session of the Texas Cowboy Reunion have been officially set by the directors as July 2, 3 and 4—Thursday, Friday and Saturday.

This Reunion this year will be part of the Texas Centennial observance, being known as the Texas Cowboy Reunion Celebration of the Texas Centennial.

The Texas Cowboy Reunion, which is recognized as one of the most authentic survivals of the old West and the rapidly vanishing cattle empire, will prove instructive as well as entertaining to Centennial visitors both from within and without the state. The annual meeting in Stamford brings together the pioneer cowboys and cattlemen who replaced the buffalo with longhorns, as well as the bronzed cowboys of today who punch white-faced cattle on the comparatively few remaining large ranches of the Southwest.

Texas Centennial year is expected to bring to Stamford for the Reunion crowds which will exceed the record attendance of 60,000 at the three-day celebration last year.

Plans for a number of improvements on the Reunion grounds, which border SMS ranch lands one mile from the business district of the city, are being made by Reunion officials. One of the improvements will likely be an enlarged floor for the cowboy dances held each night of the Reunion at the cowboy bunkhouse. Another will likely be a building at the entrance of the rodeo arena to house ticket offices, exhibits and concessions. Plans are also being made to launch a campaign to raise funds to complete the cowboy bunkhouse, parts of which was erected two years ago.

Maytag Sales In Texas Make Record

The Maytag Southwestern Company, distributors of Maytag Washers in Texas, reports that 1935 was the record year in its existence, having sold washers in retail value of close to one million and a half dollars. Also January sales for 1936 were 332 units ahead of January 1935.

As indicative that Texans are interested in quality merchandise, Walter Rogers, president of Maytag southwestern company, points out that 87% of the sales in 1935 were the aluminum or best washer, and only 13% were the lower priced models. Texas is the leading state in the country in this respect.

The champion dealer organization for the month of January was Maytag-S. R. Wood company, dealers in Eastland county, which sold 84 washers for the month, all of which were aluminum or the quality model. This is considered an outstanding achievement inasmuch as Mr. Wood's organization only has a population of 34,156. That farm purchasing power is rising is indicated by the fact that 62 of

these sales were on the gas model, which is the washer gasoline engine equipped for farm homes without electricity.

Motors Industry And Railroads At Centennial

DALLAS, Texas—(Special)—Participation of major industrial and commercial organizations in the Texas Centennial Exposition opening here June 6 was increased recently with the announcement of exhibit space purchases by the General Motors corporation and nine leading railroads.

General Motors will take over the 4,600 seating capacity auditorium on the Exposition grounds and will use it for the display of products and the presentation of an elaborate entertainment program which will feature outstanding dance bands, stage, radio and screen talent and other attractions. Improvements of the auditorium contemplate a complete air cooling plant installation, resurfacing of the ground floor of the theatre which will be made level with the stage and the removal of seats in that section to allow visitors an opportunity to move freely through the extensive exhibits.

General Motors lines. Announcement of General Motors participation in the Texas Centennial Exposition was made by W. S. Knudsen, executive vice president of the corporation. Approximately \$400,000 is involved in the participation of nine major railroads in the Texas Centennial Exposition. They will maintain exhibits in the Travel and Transportation Building. Lines which will be represented by animated exhibits covering railroad operations, scenic dioramas and historical displays include Texas and Pacific, Missouri Pacific, Santa Fe, Missouri-Kansas-Texas, Burlington, Southern Pacific, Cotton Belt, Rock Island and National Railways of Mexico. American Railways Express and Pullman company have also indicated they will maintain exhibits at the Exposition.

"The participation of these railroads in the Texas Centennial Exposition is most significant," said W. A. Webb, general manager of the Southwest's first World's Fair. "No other exposition of recent years has had these extensive railway maintained exhibits and it is indicative of the value carrier lines place on this form of advertising."

Wright Boyd and Skinny Edwards were business visitors in Hobbs, N. M., last Friday.

BARRON ANNOUNCING

Installation of

LARGE HAMMER MILL

In order to take care of our many customers' needs, we have installed a large hammer mill, that will do efficient and rapid grinding of milo heads, ear corn, bundles and all classes of grains

—We are also prepared to work out formulas for you, to meet any feed requirement you may have, for chickens, cows or hogs, furnishing you a balanced ration, thoroughly mixing the feed in our large power mixer.

Regarding Chicks

There will likely be a scarcity of chicks in this territory, on account of scarcity of good eggs from standard flocks. We advise booking your order from two to four weeks in advance of the time you want them. Buy good chicks that will live and produce eggs. It costs just as much to feed a scrub chick as it does a good chick. Good breeding, good feed, correct hatching and brooding make a good chick.

Short Course Is Moved Up

College Station—(Special)—The 1936 Farmers Short Course will be held at A. and M. college a week earlier this year starting Monday, July 20, and carrying through Friday, July 24. It was announced recently by H. H. Williamson, director of Texas Extension Service.

Preparations for this annual farmers' affair in Texas are being pushed stronger this year than ever in view of better living standards and live-at-home programs which are being advocated by the Texas Extension Service and other agricultural agencies in the state.

Looking backward, a brief glance at the 1935 Annual Farmers' Short course shows a record of all times with the attendance totaling 7,000.

E. A. Conley made a business trip to Lubbock last Wednesday.

Program Planning To Be Continued

College Station—(Spl.)—The statewide launching of the Agricultural Program Planning Project which was discontinued following the Supreme Court decision will be continued and is expected to be under way in Texas by February 17, according to George E. Adams, Assistant State Agent of the Extension Service.

"This work, which is being directed by Extension district agents, both men and women, should be finished by April 1," Adams said.

Adams, who has charge in Texas of this agricultural planning activity, will select a number of counties in each Extension district where the Extension district agents will meet with the county Extension agents and the county farm and home demonstration councils and set the wheels in motion.

"A continuous flow of economic information to and from the farm is very much needed; this program planning is designed to implement that and to bring the farmer into the planning end of the agricultural work," Adams gives as the reason for going ahead with activity now.

"Mutual understanding of problems is needed to have democratic planning. This program is calculated to get such an understanding between the agencies in authority administering government agricultural programs and farmers engaged in carrying these programs into effect on their farms," Adams said.

The first step in the program planning project is in effect a survey which will be conducted in the 200 counties by farm and home council members who will undertake to reach an actual five per cent of the rural population and secure replies to these questions:

The first question to consider is, "Probable production in 1936 assuming normal weather conditions, present farm practice and prospective prices."

The second question to consider is, "Probable production of the various farm products in 1936, assuming normal weather conditions and prospective prices, but without either production or marketing control, and if farm prac-

tices had been adjusted to maintain soil fertility and to control erosion."

"The schedule forms for answering these questions will also have added another schedule, number seven, that asks these questions in relation to gardens and home processed commodities for home consumption," Adams concluded.

Mrs. Nellie Mae Smith of Hobbs, N. Mex., attended the wedding of her sister, Miss Audrey Faye Bailey, in Lamesa last Sunday.

Mr. and Mrs. Charles Culver and children, Edwina and David of Hobbs, N. M., spent the past week end visiting relatives and friends in Lamesa.

"HERE'S TRUE ECONOMY"

Says the
Cosden Traffic Cop

Whether you believe it or not, a high anti-knock gasoline is the MOST ECONOMICAL fuel you can use in your car or truck.

True, the first cost may be a few cents more... BUT... when you consider the wear and tear on your cylinders... slow pick-up... carbonized spark-plugs... loss of power and miles per gallon... an anti-knock gas will really SAVE YOU MONEY.

And the PEER of anti-knock gasolines... the gasoline that is refined to 70 OCTANE rating without the use of any adulterants or artificial stimulants is

COSDEN HIGHER OCTANE GASOLINE

Watch for the Cosden Traffic Cop and the **COSDEN HIGHER OCTANE** sign... drive in and fill up the tank today and you'll really experience "true economy" in motor fuel.

The Cosden Traffic Cop sez:

Watch railroad crossings carefully—remember, any time may be train time and the right-of-way belongs to the train—DON'T TRY TO BEAT THE TRAIN TO THE CROSSING—you can lose this sort of a race only once.
