Man Held In Shooting

Charged With Wounding His Stepson

A 42-year-old father is in Mitchell County jail in lieu of $5,000 bond, charged with the shooting of his stepson.

Virgil Green was placed in custody Monday night shortly after the stepson, Kenneth Royal, 21, was taken to Root Memorial Hospital with bullet wounds in both legs.

District Attorney Weldon Kirk filed a felony charge Tuesday against Green, accusing him of assault to murder with malice aforethought.

Royal has wounds in his upper thighs.

Police answered a call to the Green residence, 548 Cypress, at 11:16 p.m. Monday. It was at the 548 Cypress address that Royal said he was shot.

He was rushed to the hospital by a neighbor, Rev. Robert Bracy.

At the residence, when the shooting is alledged to have occured, also were Royal's mother and Green's wife, Winnie Belle Green, and other members of the Green family, according to police.

Royal was wounded less than 7 hours after Green had been served with citation of divorce proceedings by his wife and with a restraining order in connection with divorce case.

Deputy Sheriff D. L. Lowe registered 4:30 as the time he handed the legal papers to Royal at a cafe on the city's South Side near T&P Railroad tracks.

District Judge Austin McCloud granted the temporary restraining order after Mrs. Green's attorney, Frank Ginzel, petitioned the court that unless the husband was restrained "he will molest, threaten, injure or harm" her.

Green "should be restrained from interfering with her use and occupancy of the residence from molesting, threatening or injuring her.

Chief Deputy Sheriff Forrest Smith said that when he observed Royal at the hospital soon after the alleged shooting, the stepson had 2 bullet holes in each of his thighs.

City Policemen Pete Upshaw, Andy Rivera, Nick Martinez answered the initial call and joined with the sheriff's office in the investigation.

A 25-caliber automatic pistol has been taken by police and three spent cartridges have been recovered.

City To Buy Building

Planned For Police, Court

Look for more face-lifting in the City Hall area.

Coming up on City Manager J. A. Sadler's action list for major improvements is a new home for municipal police and court.

He was meeting Wednesday afternoon with William Green of Big Spring to discuss purchase of the 40 by 60-foot building between City Hall and Post Office on West Third.

Green is the son of the late Jimmy Green, whose estate owns the building that last was used as a storage and stamp center by Fuller Foods.

If the city acquires the building--and Sadler has been in contact with the Greene family previously on the deal--the city will remodel the building both inside and outside.

When the improvements are complete, the police department and municipal court will move from the City Hall basement.

Access to both the court and police offices is inconvenient and, actually, dangerous because of the steps at the City Hall's north side going into the basement.

The narrow steps are inconvenient for handling of police prisoners, inconvenient to the public who have business with the police department or court inconvenient to the public paying city utilities bills when other City Hall offices are closed.

City Manager Sadler expects to use approximately a third of the Greene building (fronting south on West Third) for police and court.

Remainder of the building will house storage and fire department equipment.

Sadler, who has been planning the project for a couple of years, said funds for the building's purchase and improvements are available in the current general budget.

He expects to economize enough on the project to keep total expenditures to near $10,000.

With the move of police and municipal court--which now has to transfer numerous of its cases up two flights of stairs to City Hall's top floor--additional office and service space will be available inside City Hall for tax, water and administrative departments.

City Council Monday night authorized Sadler to spend up to $4,500 in acquiring the building, provided clear title is approved by City Attorney Dell Barber.

Opening is scheduled soon for the new museum building in the former Fuller Foods building across street from City Hall. Entirely remodeled by the city, the museum follows improvements earlier inside and outside of City Hall.

Roenfeldt Heads Local Ministers

Rev. Glenn Roenfeldt, pastor of First Baptist Church, is new president of Mitchell County Ministerial Alliance.

Vice president of the local ministers for in 1970-71 is Don Timberlake, minister at Oak Street Baptist Church.

Other new officers selected during a regular monthly meeting were Rev. Weems Dykes, minister of First Christian Church, secretary, and Rev. Jack Parse, minister of First Presbyterian Church, treasurer.

Reb. Ron Frazier, new pastor of First Assembly of God Church, will serve as coordinator for radio programs.

Rest home services will be coordinated by Rev. Billy Wil-

Immediate Start For East 10th, 17th St. Paving

Paving of both East 10th and East 17th Streets to extend east to State Highway 208 is expected to begin within 30 days.

City Manager J. A. Sadler Jr. said Wednesday the project, which will provide paving on the thoroughfare to the east city limits, will be completed before cold weather.

Price Construction Company of Snyder, a firm which has handled previous city and county projects and now is paving the Sun Oil Company parking area, has the contract.

Cost tab for the city will be $4,406. That is the proposal accepted by City Council Monday night.

This will be divided $1,500 each for 10th and 17th streets, from Eastover to State Highway 208, and $1,406 for West 17th Street, from Pine Street from Pine Street west to the County Road.

This second extension segment of 17th will provide a paved route into an area centering around St. Ann's Catholic Church. Residents in this area have urged this improvement.

The actual paving by Price Construction is the final portion of the street improvement project that has been under way for several months.

Roadbed already has been built and based with caliche by city crews, assisted by the county.

Included in the paving--24 foot width--will be 200 cubic yards of rock at $7.50 per cubic yard; 7,700 gallons of MC-1 asphalt at 17 cents per gallon and 7,700 gallons of AC-5 asphalt at 21 cents per gallon.

New Committeemen

ASC Community Leaders

Community committeemen and alternates for Mitchell County Agricultural Stabilization and Conservation Service were announced this week following tabulation of mail balloting by county farmers and ranchers.

They are as follows:

Community "A" - Harry Dockrey, chairman and county convention delegate; A. Preston Morris, vice chairman and delegate; Rex T. McKenney, regular member and delegate; Jerry Webb, first alternate and first alternate delegate; Tommie C. Moore, second alternate and second alternate delegate.

Community "B" - A. K. McCarley Jr., chairman and delegate; A. M. Beights Jr., vice chairman and delegate; Henry Hoyle, regular member and delegate; Hubert Meadows, first alternate and first alternate delegate; J. R. Erwin, second alternate and second alternate delegate.

Community "C" - Lee Roy Cornutt, chairman and delegate; Alfred Hackfeld, vice chairman and delegate; Thomas Vest, regular member and delegate; A. J. Barron, first alternate and first alternate delegate; Tommy Fuller, second alternate and second alternate delegate.

In announcing newly elected committeemen, Curtis E. Latimer, county ASC chairman, said "ASC community committees assist County ASC Committee in administering farm programs in Mitchell County such as wheat and cotton acreage allotments, feed grain bases and agricultural conservation costsharing measures.

"They also help keep local producers informed of farm program provisions and regulations."

In additon, the just-elected committees have an important responsibility in the near future in filling vacancies on the County ASC Committee and determining the chairman and vice chairman for the coming year, Latimer explained.

New ASC community committeemen will have their first meeting Sept. 25 at 9 a.m. in Mitchell County ASCS office. They are to elect a county committeeman to serve a three-year term and two alternates to serve one-year terms in the session open to the public, according to Latimer.

Coahoma Is Next Test

Colorado High's Wolfpack, jarred last week when it ran smack into one of the state's top-ranked AAA teams for its season opener, has easier pickings Friday.

Coach Truman Nix will put 'em aboard the bus for a short trip out Interstate 20 to Coahoma for an encounter with the 5-AAA Bulldogs.

But don't figure the Bulldogs as any patsy. They have proved plenty troublesome for just about everybody, especially C-City, in the last decade as they have progressed up through Class A and into Class AA ranks.

Kickoff time is 7:30 o'clock.

Coach Bernie Hagins has 13 lettermen back from his 1969 team that won 9 and lost 1 in Class A. Leading this seasoned group is Donnie Buchanan, 6-1 and 210 pounds, a talented quarterback appraised as one of the best talents in the state.

While Wolves were losing 38-14 last week to Monahans, now rated No. 3 in Texas, Coahoma was losing 37 to 8, to Sonora. There were other similiar characteristics to the two games in addition to the score. Sonora had somewhat of an off year last fall--progressing only to the state finals instead of winning its usual championship.

Coach Nix, however, was fairly pleased with his club's performance against Monahans. They were definitely in the game, all the way, dropping behind after a fumble, then coming back with scoring gusto in the fourth quarter.

He has had his Wolves hard at work this week improving their physical condition, striving for more pursuit and gang tackling, and improving their technique or precision.

Skip Maines, still with an ailing hand that hampers his play, will be back at fullback and big Tommy Boyd moves back into the line.

Other District 3-AAA clubs will be busy this weekend. Brownfield, with a 32-13 success over Slaton last week, will be host to Denver City.

See WOLVES Page 5

They Lead The Quarterbacks

Discussing the football strategy are four leaders in Colorado City Quarterback Club. In the huddle are, left to right, Bill Holbert, vice president; Buck May, first booster of the week; Don DeLaney, secretary-treasurer, and J. D. Hill, president. Booster of the week for Friday's Coahoma game will be R. B. Golden Jr.

Plant Tour At Luncheon

A tour of Colorado City's newest manufacturing plant is scheduled Friday as part of the luncheon recognizing Foam-Tex Inc. and the Hammond family which spearheaded the organization of the corporation.

J. A. Sadler Jr., chairman of the Chamber of Commerce industrial contact-development committee, said school buses will transport the luncheon group to Foam-Tex and return it to Civic House.

"We believe a guided tour of this new industry with demonstration of its manufacturing equipment is the best way to acquaint us with the size of the manufacturing operation and the ingredients of its product,' Sadler said.

The special program will be at Lions Club luncheon in Civic House. However, any interested citizen can attend by making reservations with Chamber of Commerce before 9 a.m. Friday.

Industrial Team Inc. and Chamber of Commerce leaders will atend the luncheon. Lions members and other attending are invited to bring their wives, Sadler said.

Honored guests will be R. Y. Hammond and his sons, J. H. Hammond and Jerry Hammond.

J. H. is president of Foam-Tex and Jerry is secretary-treasurer.

All three have been at the "heart" of the Foam-Tex organization, planning and actual installation of equipment that has resulted in the plant now moving intc steady production.

First shipments of the synthetic carpet cushion moved from the plant last week to ward West Coast markets. Another shipment was hauled to market Tuesday.

The plant is located in the former Col-Tex warehouse on north side of U. S. 80 West just outside of the city limits. Building and land were obtained by Colorado City Industrial Team and then made available to Foam-Tex in a special purchase plan.

Kindergarten Enrollment Available

Four and five-year-olds can still be enrolled in Colorado City kindergarten classes at Community Center.

Several children can be added to the four-year-old classes, said Mrs. Dick Wistrand, city recreational coordinator and kindergarten director.

Only two more can be added

At Gift Tea

Mrs. Stanley Moore was honored Thursday evening during gift tea hosted by county home demonstration clubs and women of Crockett-Smiley Church of Christ in Loraine. At refreshment table are from left, Mrs. Paris Yarbrough, honoree's mother, Mrs. John Shettlesworth, honoree, Mrs. M. A. Moore and Mrs. W. C. Harlow.

Gift Tea Honors August Bride

Mrs. Stanley Moore, the former Janet Shettlesworth, was honored at an early evening gift tea Thursday in Medallion Room of Lone Wolf Electric Cooperative Building.

Mrs. Moore, Mitchell County Home Demonstration agent, and Pfc. Moore were married Aug. 21, in Calvary Baptist Church.

Hosting the post-nuptial courtesy were members of Mitchell County Home Demonstration Clubs and women of Crockett-Smiley Church of Christ of Loraine.

Guests were received by Mrs. Paris Yarborough of the church, Mrs. W. C. Harlow, chairman of HD Council; honoree, Mrs. John Shettlesworth of Levelland, honoree's mother, and Mrs. Marlin Moore of Loraine, groom's mother.

Mrs. Raymond Wheeler presided at the registration table and Miss Jeanne and Miss Nancy Smith served refreshments. Piano music during the affair was by Maggie Hamrick, Mrs. Wilma Adams, Susan Compton, Glenda Ellington, and Mrs. W. A. Miles.

For the occasion the honoree wore a charcoal two-piece knit suit accented by white trim. Black patent accessories completed her attire.

Tea table was centered with a red and gold permanent floral arrangement, gift to the honoree from HD Clubs. Silver and crystal appointments were used. Table was covered with white organdy cloth accented by large self fabric bow on front flounce. Registration table cloth was similiar to that of the tea table and was decorated by a single red carnation in milk glass vase.

Refreshments of lime punch, cookies, and mints were served to approximately 60 guests.

Visits Kin Here

Visiting in Colorado City recently were Mr. and Mrs. R. J. Cox Jr. and son, Lance, of Corpus Christi.

They were guests of his mother, Mrs. Ruby Cox, and his brother-in-law and sister, Mr. and Mrs. Pasco Vest.

Another son and daughter of the Cox's are Miss Roiana Cox, a teacher in Houston Schools, and Kim Cox of Victoria.

Hertenberger Speaks To Looney Club

Buddy Hertenberger was guest speaker for a recent meeting of Looney Home Demonstration Club.

Hertenberger, stationed here with the weights division of Department of Public Safety, discussed physical fitness and weight control.

He suggested walking as a profitable exercise and told of some advantages of physical fitness in his work.

Mrs. Parker Jarman was hostess for the meeting in Medallion Room of Lone Wolf Electric building in which Mrs. Bruce Byrne presided. Mrs. Charles Williams said opening prayer.

Mitchell County HD Council report was presented by Mrs. Henry McGuire.

Punch and cookies were served to Mrs. Byrne, Mrs. Sidney Compton, Mrs. Maggie Hamrick, Mrs. McGuire Mrs. Williams and Mrs. Emory Sweatt.

Next meeting of the club will be Sept. 23 when members will clean Agriculture Barn kitchen in preparation of Mitchell County Fair the same week.

Mrs. McGuire will host a sack lunch meeting following the cleaning session. Mrs. Stanley Moore, HD agent, will present a program about public speaking.

In Oglesby Home

WESTBROOK - Recent guests of Mrs. Frank Oglesby have been Mr. and Mrs. Joe Brackeen of Clyde.

McMillans, Gibsons Are Club Hosts

Mr. and Mrs. R. E. McMillan, Mr. and Mrs. J. D. Gibson were hosts to a recent meeting of Seven Wells "42" Club.

Cookies, coffee, soft drinks and tid-bits were served to five tables of players.

They were Mr. and Mrs. Charles Williams, Mr. and Mrs. W. E. Harris, Mr. and Mrs. Henry McGuire, Mr. and Mrs. Chuck Wiggens, Mr. and Mrs. Parker Jarman, Ed Roach, Mrs. Huse Shurtleff, Mrs. Lillie Ward, Mrs. A. L. Fowler, Mrs. Harvey Cupp and Mrs. Rufus Marshall.

Mrs. McGuire and Mrs. Ward will be hostesses for the next meeting Oct. 2.

SERVICE

One of our community's best service organizations is right in the effort of a membership drive.

It is the Root Memorial Hospital Auxiliary, which not only works to purchase valuable equipment for our fine hospital, but volunteers with individual work hours in valubale assistance to the hospital staff and its patients.

Auxiliary members are working by every means possible--a watermelon feast a few days ago. a rummage sale coming up--to raise money for a new heart monitor to be donated to the hospital.

At the same time, they are seeking to increase their membership. . .with women who are ready and willing to serve others. Their membership drive. . .as wellas their fund drive. . .deserves the attention and the praise of all our community.

CONVERSATION CORNER

BEEN MEANING for a long time to make a list of things I never will understand.

Never will understand how the years move in slow motion when you're young, then zoom past with rocket speed when you've grown older. Just how in the world, for instance, did Maurice Chevalier get to be 82 years old?

Never will understand the first thing about science, the space program, or modern math. Even the old math was hard enough to get along with.

Never will understand why anybody would wear purple on purpose.

Never will understand how prose which does not rhyme--no matter how inspiring--can be called poetry.

* * *

NEVER will understand just how the Feminists intend to revise all the marriage laws and the divorce laws to boot--in light of the fact that nobody, so far, has been able to revise all biological laws.

Never will understand who thinks up dirty jokes--or why, either.

Never will understand what Nudist cononies are about. Clothes may not make the man but clothes dern sure make the woman happier and much more agreeable.

Never will understand where the rest of the money goes once you break a five dollar bill.

* * *

NEVER will understand politics. Had the deepest respect for General Dwight Eisenhower ... but never will understand like "Eisenhower Democrat."

Never will understand just what happened to the national sport of saying "Spiro who?" Maybe news commentators have turned it into Spiro WHAT? "And Mrs. Agnew, who always knew the answer to "Spiro who" must now be spending her time saying Spiro WHERE?"

It is altogether possible that there are those thinking "Spiro WHY?" up in Washington, D.C. Certainly, he is not "Spiro who" to anybody anymore.

One commentator called him "alliterative," which was a pretty way of saying the Vice President has clever writers on his side. Same newscast, same time, recorded Senator Edward Kennedy calling Mr. Agnew "vituperative," a nasty way of saying the same thing.

* * *

NEVER will understand a whole lot of things in our everyday world--why a telephone rings when somebody whirls a dial... why an auto starts or doesn't start...why a radio sings and people play football in color via TV for the flipping of a switch.

Never will understand why fans boo their favorite team... or why anybody could hate Joe Namath.

* * *

DO UNDERSTAND some other things. And that's a comfort.

Understand what makes a baby cry. It usually needs its mother and how do the Feminists propose to revise that?

Understand what makes a good man like to head for home after work. His wife is there--usually, at least. That's going to be tough to revise.

Understand what makes a woman just pretty well pleased with being one. Who's going to repeal the fact? Too many of us prefer appeal--and to heck with repeal.

* * *

UNDERSTAND, from things read through the years, that Russia tried wide revision of marriage and divorce laws when the Communists first took over.

For a while all Russian couples had to do to marry was to sign papers at whatever they call their city hall. Then either one could go back to the hall and sign papers divorcing the other with or without cause.

Sounds simple, doesn't it?

It turned out to be a mad, mad, mad, mad mistake. People got married when they were mad for each other and unmarried when they were mad at each other so fast things got in an awful mess.

Even Russia relented and revised the revision. The United States of America had better think twice. And somebody had better sit tight on the lid of that Deminist Pandora's box.

Friends here who remember Harold Layne, Shell Pipeline corrosion engineer, his wife Pat, Root Memorial nurse, and their children who now live in Houston will be happy to hear of their first daughter's budding movie career.

Mary Layne, University of Houston student, is co-star of a movie "Cactus in the Snow" to be released in November. Richard Thomas is her co-star.

The Layne Daughter Mary auditioned for the role in Houston after her photograph appeared on the cover of Life Magazine. She was one of 3,000 girls tested all-over America and is now under option to Kaola Productions for two more movies.

She has also just completed two TV guest roles, both new fall shows for ABC. She will appear in a segment of "The Young Lawyers" series, and with Vince Edwards in "Matt Lincoln."

SHELL NEWS devotes two pages, with color picture, to Mary's career in its most recent issue. She is 19. Her 16-year-old sister Anne (named for Annie Dixon) was regional finalist in the "Miss Ingenue" contest sponsored recently by Ingenue Magazine in Acapulco, by the way, Anne won the Miss Texas Ingenue title in Dallas.

Pat and Harold also have two younger sons, John and Paul. The whole family vacationed in Acapulco during Anne's contest, says a newsy letter from Pat to C-City friends.

SWEET BUNCH OF DAISIES

Daisy is a name given to many flowers. It means day's eye, because it seems like an eye (opening in morning, closing at night). The American Daisy is actually a wild chrysanthemum.

Our American daisy has been improved by plant breeders and is the flower of the month of April. The large Shasta Daisy has four-inch blossoms and is one of our lovelies flowers. It was named by Luther Burband who worked to develop it.

Patty Ruth Adams Becomes Bride of John A. Beban

Miss Patty Ruth Adams became the bride of John Andrew Beban of Littleton, Colo., Saturday in a mid-afternoon ceremony in First Baptist Church.

The bride is the daughter of Mr. and Mrs. J. P. Adams of 133 West 10th Street.

Mr. and Mrs. A. J. Beban of Littleton are parents of the bridegroom.

Rev. Glenn Roenfeldt, pastor of First Baptist, read double ring vows as the couple stood before an altar centered with an arch of greenery.

Seven-branched candelabras and tall arrangements of light pink carnations, white Nob Hill chrysanthemums and pink gladioli completed altar setting.

Glenn Crosthwait, organist, played "Twelfth of Never" and traditional wedding music in the 3 o'clock ceremony.

Given in marriage by her father, the bride wore a white formal velveteen gown. The empire bodice was fashioned with bishop sleeves and rounded neckline edged in lace.

Her veil, extending into a chapel length train, was edged in matching lace and appliqued with lace motifs.

She carried a cascading bouquet of stephanotis, pink and white sweetheart roses.

Miss Kay Adams was her cousin's maid of honor.

She wore a floor-length gown of azalea pink velveteen styled with a sleeveless empire bodice. Her cascade bouquet was of light pink carnations and pink sweetheart roses.

Dan Yegge of Denver, Colorado, was best man.

Seating guests were Gary Adams, cousin of bride, and Vernon Lewis, the bride's brother-in-law.

Fellowship Hall of the church was setting for a wedding reception. Bride's table was covered with a white satin cloth overlaid with silk organza and centered by a silver candelabra arrangement of pink sweetheart roses.

Groom's table, laid with a hot pink cloth, was accented by an anniversary candle and garland of pink carnations.

Members of the houseparty were Mrs. Vernon Lewis and Mrs. Jerry Wood of El Paso, sisters of the bride; Miss Anita Lady, Miss Shari Lewis and Mrs. Pat Vincent.

For a honeymoon trip to Colorado, Michigan and Canada, the bride changed to a red and white linen suit, complimented by black accessories.

They will be at home in Michigan where the groom is stationed at Selfridge Air Force Base.

The bride was graduated from Colorado High School in 1968 and was employed by Chiropractic Health Clinic prior to her marriage. Her husband is a graduate of Littleton High School.

Here for the marriage were guests from Okalhoma City, Okla., El Paso, Sweetheart, Levelland, Denver, Colo., and Littleton, Colo.

Brunch Honors Wedding Couple

Home of Mr. and Mrs. Vernon Lewis Saturday morning was setting for a brunch complimenting Miss Patty Adams and John A. Beban, who were married later in the day.

Co-hosting the affair with Mrs. Lewis, sister of the bride, was another sister, Mrs. Jerry Wood of El Paso.

Buffet table was marked with a crystal votive candelabra arranged with azalea pink and white carnations. Matching centerpieces complimented dining tables.

Menu for the pre-nuptial courtesy included ham, potato salad, green beans, fruit balls, cheese sandwiches, cheese rounds, date nut bread, winter strawberry bon bons, relish items, hot rolls, rye bread, frozen salad, lime sherbert punch and coffee.

For the fete Miss Adams wore a purple knit sleeveless dress styled with a fitted yoke defining the natural waistline. Black accessories completed her attire.

Guests were Mr. and Mrs. A. J. Beban, Sharon and Tom Beban of Littleton, Dan Yegge of Denver, Colo., Mr. and Mrs. J. P. Adams, Mrs. Jesse Adams of Levelland, Mrs. T. H. Dobbs of Levelland.

C. H. Howell, Mr. and Mrs. Coy Adams and family.

Also, Miss Anita Lady, Mr. and Mrs. Jerry Wood and Valerine, Mr. and Mrs. A. J. Howell and family of Oklahoma City, Okla.

Pete Whites Host Guests

CHINA GROVE-- Guests of Mr. and Mrs. Pete White last week end were Mr. and Mrs. Tommy Jones, Regina and Sarah of Richardson.

Others visiting in the home were Mr. and Mrs. Elmer Rainey of Coahoma and Rayburn White of Snyder.

Mr. and Mrs. Dickie White and family have been guests of Mrs. Johnnie White.

Visiting in the home of Mr. and Mrs. Clarence T. Merritt last weekend was Mrs. Merritt's sister, Ella Lee Hickey of San Angelo.

Daily Studies For WMU Observance

By MRS. W. A. BELL,
Record Correspondent.

WESTBROOK -- "Sounds of the Seventies" is topic for Week of Prayer study for Women's Missionary Union of Westbrook Baptist Church.

The daily afternoon programs are being directed by Mrs. Frank Hodnett.

Emphasis of studies are on needs of state missions. Individual program leaders are Mrs. Gerald Rollins, Mrs. H. M. Rice, Mrs. Hodnett, Mrs. Altis Ciemmer and Mrs. Floyd Rice.

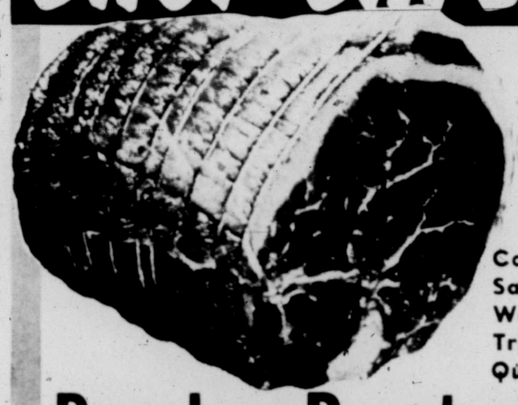

Local goal for Mary Hill Davis offering is $146.20.

Visiting to Alvin Byrds Friday night were their son-in-law and daughter, Mr. and Mrs. Charles Candler, and their children. The Candlers also attended the Monahans-Colorado City football game.

LETTERS TO EDITOR

Following is a letter received by Chief of Police Jesse Browning and Colorado City Record.

Dear Sir:

On August 30, 1970, I had an accident on Interstate 20 which damaged my car beyond repair. The reason I'm writing you is to tell you how very helpful and kind Officer Jim Latham was to us.

He went to much trouble for us and we want to thank him a million times. We thought you should know what a fine officer is working in your police department.

We really don't know what we would have done without his help.

Yours truly,

Warren Barger

CHRYSLER MOTOR CORPORATION

Announcing the 1971 Duster.
The big difference in small cars.

We first introduced the Duster as the best transportation bargain in America. It still is. And we built Duster to be America's "small-enough-but-big-enough" car. And it still is.

Small car lovers of America, your day has come.

You have more tires to kick, more doors to slam, more hoods to look under, more colors to choose from and more test drives to take than ever before.

Which leaves us to convince you that Duster gives you the most car for the money. That it's small enough, but big enough. And that, all in all, it's the ideal small car.

Room. More of it to accomodate more passengers. More of it to accomodate more luggage.

Most small cars are four-passenger cars. And when you sit in some of them, they feel like they were built for three-and-a-half passengers.

Duster's a five-passenger car. It seats five, comfortably.

Besides carrying more up front, Duster carries more in the trunk. You can stuff 45.9 cubic feet of stuff into it. (One of the new small cars has about a third as much trunk space.)

Small enough for maneuverability. Big enough for stability.

Duster's small enough to slip into about ¾ of a parking space. Yet it's big enough to give you stability on the open highway.

It has our unique torsion-bar suspension (for better handling). And unibody construction—its strength completely surrounds you.

So Duster can handle stop-and-go city traffic as well as freeway traffic because it's the right size, the right weight and it *handles*.

Our small-enough-but-big-enough car has a small-enough-but-big-enough engine.

Duster's standard engine is our rugged 198 cubic-inch, 125 horsepower Six.

It gives you great gas mileage *and* a little more power than other small cars' smaller engines.

And that's a perfect combination.

Options. You have over 50 to choose from when you order a Duster.

Think of it this way. It's a convenience to have a lot of conveniences to choose from.

If you're considering buying a new small car, and you have certain options in mind to go along with it, you may find Duster the only small car that offers them.

There are things like a Stereo Cassette Tape Player, V-8 engine, vinyl roof and power brakes that you just can't get on some small cars.

The Duster success story: to be continued.

No doubt about it. Duster is the car for the times.

Over 175,000 Duster buyers thought so last year. And we expect more of the same kind of success with the 1971 Duster.

Before you buy a small car, look at our small car.

Duster. Built and engineered with extra care.

to the five-year-old group, she said after opening days of the city sponsored program this week.

"Registration will be made on a first come, first serve basis," Mrs. Wistrand said in announcing the student vacancies.

Classes for children four-years-old before Sept. 1 are Mondays and Wednesdays from 9-11 a.m. Those five-years-old before the first of September are enrolled for Tuesday and Thursday morning sessions.

Registration fee is $8 per semester, the coordinator said. Children can be enrolled at Community Center on East 10th Street.

Assistant director for classes is Mrs. Charles Goodlett, a former teacher aid at Kelley Elementary who served as substitute teacher in the program last year.

Activities for the pre-schoolers are geared toward group development including songs and finger play, supervised free play, group games, nature science and environment awareness projects.

"Individual achievement directed toward readiness for school is the object of visual-motor coordination activities, vocabulary studies, visual discrimination units, listening skills, number conception, numeral and letter recognition and formation, beginning phonics and thinking skills projects," Mrs. Wistrand said.

kinson, minister of First United Methodist Church.

Current projects of the Alliance include a Bible Class in Colorado High School, daily radio devotional programs at 9 a. m. and services at Valley Fair Lodge every Sunday at 3:10 p. m.

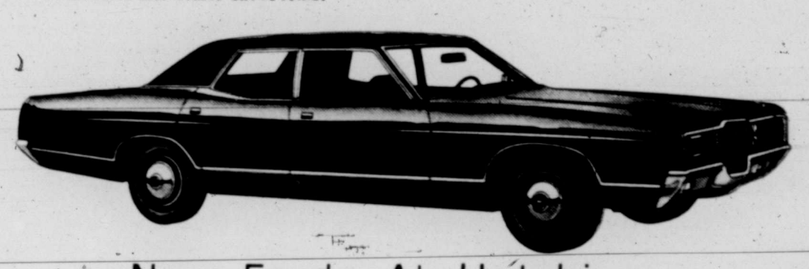

Twenty-eight high school students are enrolled in the high school Bible course being taught by Frank Prewitt, minister of music and education of First Baptist Church.

New '71 Models Here

Demon At Frank's

Here is the new Dodge Demon for 1971 which is being shown with the new 1971 Plymouth Duster now at Frank Motor Company in Colorado City. The two mighty mites, both combine sporty design with economy, to lead the parade of Chrysler, Plymouth and Dodge '71 auto lines into dealer showrooms.

New Fords At Hutchins

Showroom at Hutchins Ford Sales here in Colorado City will be filled today (Thursday) with the new 1971 line of Ford cars. Leading the parade in the luxurious Ford LTD sedan, which has gained recognition for its fine performance, strength and quiteness. Also in the show room of course is the new Pinto, making its debut for '71, the popular Mustang and other models.

Coordinator Speaks To Classroom Teachers Here

Larry Mildren of Abilene was guest speaker for initial meeting of local Classroom Teachers Association Monday night in Colorado High Cafeteria.

Mildren is regional coordinator of West Central Texas Region of Texas Department of Mental Health and Mental Retardation.

He emphasized the need for community to become aware of problems involved in education of mentally retarded.

The coordinator reported that for total average daily attendance in Colorado City schools approximately 52 mentally retarded children would be average. At present there are 16 in local school special education program.

In a brief business session appointments were made to fill vacancies created because of teacher changes.

Named by the executive board were Miss Linda Perkins, first vice president; Mrs. Randy Hicks, secretary; Mrs. Homer Bodine, treasurer; Mrs. Frank Brownfield, High School representative, and Mrs. Arnel Smith, Junior High representative.

Mrs. Margaret Williams, CTA president, presided in the meeting and expressed appreciation to teachers in Kelley Elementary School for refreshments and to Mrs. Dorothy Fowler and special education students for decorations.

Wildlife At Fair

Among small animals, fowls, reptiles and fish on exhibit at Mitchell County Fair next week will be the Americal Bald Eagle, symbol of the US, (top photo) and the ducks in bottom picture. They are all part of the Texas Parks and Wildlife Department Exhibit presented at fairs and large gatherings in the state.

Study Series For Baptists

Week of Prayer for state missions is being observed this week by Women's Missionary Union of First Baptist Church.

"Sounds of the Seventies" is theme for the special program.

Daily studies have been "Cities in Transition," led by Mrs. R. M. Reed; "Metropolitan Growth", directed by Mrs. Newt Miller, and "The Seventies," led by Mrs. Reed.

Wednesday night's program, presented during regular midweek worship service was "Behind the Shadows", led by Mrs. Glenn Roenfeldt.

"Crists in the Churches" will be presented by Mrs. Elmer Pickens Thursday (to day) at 9:30 a.m. in church parlor.

Friday morning's lesson will be a special study of new WMU Manual, directed by Mrs. H. B. Graves.

Offering goal for entire state missions program is $807,500 with goal for First Baptist set at $670.
