U. N. Chief Accepts Invitation To Talk With Red China Premier

POSTAL SUBSTATION SET UP

Marvin Hanbtck, employe of the Snyder post office, is shown above at the counter of the post office's sub station set up to handle the large volume of Christmas packages arriving here daily. The sub station is set up in the vacant building at 2112 Avenue S. Postal patrons who receive parcel call slips at the main post office will then go to the sub station for the parcels, but parcels will not be mailed out through the sub station. Insurance Law Changes Are Recommended

AUSTIN (AP) — The Legislative Council had for consideration today five recommendations aimed at strengthening state insurance laws to give "maximum protection to the public and the industry."

The recommendations were presented yesterday in a report from the council's committee on insurance.

The committee decided that "a general revision of the insurance code is neither desirable nor needed."

The report said the recommended changes "will result in a completely adequate code of insurance laws, giving maximum protection to the public and the industry."

The recommendations made by the committee, headed by Sen. Rogers Kelley of Edinburg, included:

1. "Remedial legislation designed to insure at time of formation and thereafter the solvency of all insurance companies, with particular emphasis on adequate capital and surplus, investment requirements and formation of companies."

2. "Remedial legislation designed to safeguard the public in chartering and formation of insurance companies, with emphasis on the administrative details of the board of insurance commissioners in the chartering of companies."

3. "Remedial legislation designed to cure inadequacies in existing laws with respect to the examination of insurance companies by and through adequate and trained examining staff under the direction and control of the board of insurance commissioners."

4. "The Texas securities act should be amended so as to make stocks, bonds and debentures of insurance companies subject to the provisions of the act. The administration of such act should, as presently provided, remain under the secretary of state."

5. "To the extent necessary, clarifying amendments should be made so as to specifically provide that the administration of the insurance code is under, and to be performed by, the board of insurance commissioners functioning as a board."

The report noted that Texas has about one-third of the nation's 3,600 or so insurance companies.

"A recent series of insurance company failures in Texas, beginning in 1953, has focused attention on the industry and the laws regulating it," the report said.

SCOUT OFFICERS INSTALLED

A group of officers of the Lone Buffalo Boy Scout district are shown above standing behind Dalbert Downing, Midland, speaker for the meeting of the adult leaders of the district, held last night in the Junior High School cafeteria. Officers from left are: M. H. Roe, Snyder, retiring district chairman; W. W. Park, Snyder, district chairman for 1955; J. T. Merritt, assistant district commissioner, and Stanley Noah, district commissioner. Downing made the main address at the benquet. (Lee Watson photograph)

Chou Sends Two Cables

UNITED NATIONS, N.Y., (AP) — U.N. Secretary General Dag Hammarskjold today accepted an invitation for face to face talks with Red China's Chou En-lai in Peiping.

The secretary general acted less than four hours after he had received a cable from the Chinese Communist Pemier saying Hammarskjold would be welcome if he wished to discuss questions related to world peace and international tension.

Although Chou did not agree to discuss the 11 American fliers jailed as spies, Hammarskjold was understood to feel that such talks wished to discuss questions related to world peace and international tension.

Although Chou did not agree to discuss the 11 American fliers jailed as spies, Hammarskjold was understood to feel that such talks had not been ruled out. For this reason, he accepted, without delay.

The exact date of Hammarskjold's departure for Peiping and for the talks was not fixed, but the secretary general intends to go as soon as arrangemenets can be worked out.

The exchange of messages grew out of a resolution adopted by the U.N. General Assembly last Friday condemning the Peiping regime for holding the fliers and directing the secretary general to do his best to win their release.

Hammarskjold immediately sent off a cable proposing direct talks with Chou.

He received two cables from the Communist leader this morning: one denouncing the Assembly's action as illegal and the other saying he would receive Hammarskjold for talks at a date to be decided upon by the secretary general.

In reply Hammarskjold sent two cables. The first merely acknowledged the receipt of Chou's blast against the Assembly and informed Chou that the message was being circulated to U.N. members.

The second said:

"I acknowledge receipt of your cable No. 38 of 17 December concerning my proposal for a visit to Peiping. I look forward to the opportunity of meeting you. In view of the necessary practical arrangements, I am not yet in a position to fix a date for the arrival nor can I say definitely who will come with me. I may get an opportunity for the first contact concerning some of these practical arrangements with your ambassador in Stockholm."

A spokesman for Hammarskjold said he would leave at 6 p.m. tonight for Stockholm, according to previous plans. The spokesman said the secretary general also would definitely return to New York next Wednesday.

Final arrangements for the trip will be made then. It was understood he would take several advisers with him, but it still had not been decided who they would be.

A spokesman said also that no decision had been taken as to the route to be followed by the secretary general on his trip.

It was said, however, that he still hoped to arrive in Peiping as soon as possible after Dec. 26. This was the date originally suggested by Hammarskjold in his Dec. 10 message.

In view of the bitter attack made by Chou on the Assembly action and also because of his failure to say specifically that he would discuss the case of the fliers with Hammarskjold, there was some doubt at first as to whether the secretary general would accept his invitation.

A spokesman was asked this morning how Hammarskjold interpreted the Chou invitation, but he declined to comment. Other sources close to the secretary general, however, said the very fact that he was going to Peiping answered this question. These sources pointed out that the Assembly had given Hammarskjold a mandate to seek release of the fliers and, for this reason, he was bound to press the issue.

First word of the Chinese acceptance of the secretary general's bid was announced early today in a Peiping broadcast.

A U.N. spokesman said early today the message had not been received here yet, but in the light of past experience it could be expected later today. He said no definite announcement of Hammarskjold's plans could be made until the message was in hand.

The message was a reply to Hammarskjold's Dec. 10 request for a meeting on the fate of the airmen, imprisoned as spies, and other U.N. Military personnel held since the Korean War. Previous Chinese Communist broadcasts assailed the U.N. Assembly repeatedly for "interfering" in the case of the fliers but made no mention of his bid.

The U.N. General Assembly, meanwhile, prepared to close its 1954 session with final action on two cold war items and three colonial issues. Delegates planned to stay in session throughout the day and perhaps into the night in order to wind up.

Assembly debate was expected to be brief on Russia's charges of American aggression against Red China, which failed to get committee approval. The Cyprus, Morocco and Tunisia items—which have generated little heat so far—also were expected to be disposed of quickly.

Hammarskjold was known to have made at least three attempts in the past week to see Chou or some other Peiping representative. U.N. authorities expressed belief the Communists' silence indicated they were giving the secretary general's proposal for talks serious consideration.

During the past week Peiping radio broadcasts have assailed the U.N. Assembly repeatedly for "interferring" in the case of the fliers, but it has made no mention of Hammarskjold's request for talks.

U.N. officials also were encouraged by hints from Peiping radio that the Communists might be willing to exchange the airmen for 35 Chinese students detained in the United States since Red China entered the Korean War. State Department officials have indicated the United States might be interested. The 35 have not been allowed to go home because they acquired skills in the United States that might be useful to the Communists.

In Boston, four Chinese research students issued a statement last night saying they believed they were among the 35 and that their desire to go home, "far from being 'Communist subterfuge,' is, in fact, a very human one, namely to be reunited with our families who are suffering by our absence."

Jury In Sheppard Trial May Choose One Of Five Verdicts

CLEVELAND (AP)—A jury in Common Pleas Court today began deliberating the fate of Dr. Sam Sheppard, the 30-year-old osteopath who is charged with bludgeoning to death his pregnant wife, Marilyn, 31.

Judge Edward Blythin delivered a 36-minute charge to the jury in which he gave them five possible verdicts in the charge of murder.

The five possible verdicts are:

1. Guilty of first-degree murder without recommendation of mercy, which carries a mandatory death sentence.

2. Guilty of first degree murder with a recommendation of mercy; the penalty in this decision is mandatory life imprisonment. But, after 20 years, the State Pardon and Parole Commission must review the case to determine whether the sentence should be commuted. If the commission so recommends, the governor may commute the sentence. That makes the convicted person eligible for parole.

3. Guilty of second-degree murder, which carries a life prison sentence with possibility of parole in 10 years.

4. Guilty of manslaughter, carrying a penalty of one to 20 years.

5. Acquittal.

During Judge Blythin's charge the seven men and five women on the jury gave him close attention.

Dr. Sheppard was seated about 12 feet away at the counsel table. He kept his eyes fixed on the jury.

After the judge was finished, he dismissed the 13th alternate juror, Mrs. Lois Mancini. She had sat throughout the nine weeks of the trial, ready in event of illness or death to take the place of one of the regular jurors.

Judge Blythin thanked her for her attentive service in the case.

In a 36-minute explanation of the law, the 70-year-old judge told the jury it is not necessary to prove motive under Ohio law. And he explained that circumstantial evidence must be considered carefully. The judge locked the doors of the small courtroom before he began his instructions.

Sheppard's two brothers and their wives were in the courtroom. The defendant gave them a small smile.

Sheppard maintained his innocence and said the crime was committed by someone who broke into his house in the hours after midnight.

Sheppard was taken back to his cell block in the Criminal Courts building where the courtroom is located.

Before the session started a greeting card was handed to Sheppard by the bailiff. He opened it and, folded between the pages, was a four-leaf clover. A brief message was on the sheet of paper inside. Sheppard smiled and at the same time tears came to his eyes.

"You are not to recommend mercy out of considerations of prejudice, sympathy or favor, or for the purpose of avoiding what you may consider an unpleasant task or duty," he told the jurors.

January Oil Flow Boosted

AUSTIN (AP)—The Railroad Commission today boosted Texas' January crude oil allowable production 257,307 barrels daily.

The total January allowable will be 3,216,123 barrels a day—highest for any month since April and approaching the all-time record flow of November, 1952. That figure was 3,387,245.

The increase was ordered despite divergent opinions among major producers. Only two purchasers asked the commission for so big an increase.

The commissioners said the increase was to forestall any possibility of shortage of oil during high-demand winter weather and to give importers no opportunity to say they had to bring in foreign oil to meet demand.

The increase will come from 18 production days in January, both statewide and in the big East Texas Pool. That is two days more than were allowed for December.

Ten production days were authorized for the Pewitt Ranch Field and 13 for Sandusky. Picton will remain exempt from shutdown.

Commission Chairman Ernest Thompson told oil men at the statewide proration hearing the commission had voted unanimously for the increase.

"We have considered our solemn duty from every angle," he said. "We are concerned about ever-increasing imports coming into this country . . . and winter demands."

He urged the purchasers to "push domestic crude."

Commissioner William Murray was elected chairman, effective in January. His nomination was made by Thompson.

Murray told the purchasers importers "we'll have no occasion to say they had to import crude to meet winter demand."

He warned, however, that if the big Texas boost causes stocks to build up, there will soon have to be cutbacks.

Shell Oil Co. and Sun Oil Co. both asked for 18 producing days in January. Even at 18, Shell said it would be short of oil.

Many companies asked for 17 days, including Humble, Gulf, Texas, Magnolia and Atlantic.

Sixteen days, which would have meant holding January production at about the December level, were asked by Continental, Phillips, Sinclair, Cities Service and Stanolind.

Ralph Dietler, representing Stanolind, told the commission it should take a "longer look" than a 30-day look at oil demand and hold production down to prevent cutbacks in the spring.

"We feel stocks should be gradually decreased further to 260 million barrels by the end of March," he said. "We feel the supply has finally been tailored to demand."

Thompson had told the hearing available stocks now are about 355 million barrels, after deducting that required to fill pipe lines and tank bottoms and charging stocks.

"Actually, the outlook is most encouraging and gratifying," Thompson said, "and we start the new year with hope of one of the best years in history."

Commissioner Olin Culberson reminded the oil men the Legislature meets next month.

"It might save somebody some taxes if they think we are going to have increased production," he said.

The next statewide proration hearing was set for Jan. 19 in Austin.

UF Workers To Celebrate

More than 350 persons who worked in the United Fund drive here, along with their wives and husbands, will attend a victory dinner at 6 o'clock this evening at the Trinity Methodist Church.

D. M. Cogdell, who was chairman of one of the drive divisions, is host at the dinner for the workers. The fellowship hall of the new church, which is located south of Snyder near Cogdell Memorial Hospital, will be the dining hall. That part of the building was finished this week, and the church is still working on its new auditorium.

The dinner is in celebration of the fund drive's exceeding its budget of $29,500. The goal was set to provide funds for eight organizations participating, Boy Scouts, Girl Scouts, Red Cross, Salvation Army, Scurry County Youth Center, United Service Organizations, American Heart Association, and West Texas Boys Ranch.

Entries Lag In Contests

Entries were still coming in but lagging slightly today in Christmas decoration contests.

Deadline for entry is tomorrow. Entries can be turned in at the Chamber of Commerce office until noon tomorrow or at the Daily News or radio station KSNY after noon.

The Junior Chamber of Commerce is sponsoring a home decoration contest, while the Lions Club is sponsoring one for business houses.

The Lions contest is for any business house here, and decorations may be interior, exterior, or in windows. Prizes will be $15 and $10.

The Jaycee contest has several divisions. That on doorways has a $10 prize, while one for multiple family units has a prize of $30. Prizes of $25 and $10 are set on each of two other divisions, one for exterior decoration of a single family unit and one for window scenes.

Judging in both clubs' contests will be done next week by an out-of-town committee.

A-Power Defense Strategy Adopted

By JOSEPH E. DYNAN

PARIS (AP)—Leaders of the free world today adopted a new defense strategy based on atomic firepower and agreed on the way new weapons can be used in the event of an attack by the Communist bloc.

The foreign, defense and finance ministers of the 14 North Atlantic Treaty powers set the role of atomic weapons during a tightly closed session. They promised a communique on their decision later today or tomorrow.

After adoption of defense plans drafted by the chiefs of staff of NATO members, giving nuclear firepower a place in NATO's "new look" arsenal, the ministers excluded most of their advisers from the closed meeting. Then they took up the controversial question of who can decide on a resort to atomic arms—military men or their governments.

No immediate word on this discussion leaked out, and NATO press officials would say only that the ministers had reached agreement.

Other developments in the council session:

1. U.S. Secretary of State Dulles declared NATO members must not be lulled by surface smoothness of Soviet policy, nor frightened by surface roughness, nor provoked by incidental rough actions on the part of the Soviet bloc.

2. British Foreign Secretary Eden said NATO is determined to bring West Germany into membership as a step of reconciliation as well as defense, and said the new Western European Union must be ratified to bolster Western strength and unity as a prelude to further negotiations with the Communist world.

3. NATO ministers agreed Soviet strategy and intentions still aim at world domination. They said the threat to the free world is in no way diminished by talk of peaceful coexistence.

4. The ministers approved a report from Lord Ismay, NATO secretary general reviewing the organization's activities in the past year and outlining the secretariat's plans for the coming year.

Dulles, speaking on the secretariat's report of Soviet trends and intentions, used a river as a figure of speech. He said that just because it is smooth on the surface does not mean the current has halted.

Dulles said the West should not be provoked into "hasty, ill-considered" action by Communist roughness such as the detention of 11 American flyers in Red China.

Britain, France, the United States and Canada reportedly were pushing a compromise solution which would put the final decision in the hands of the member governments but at the same time would not tie NATO's hands with a rigid formula for consultations in emergencies.

The American delegation was known to feel that a cumbersome setup for consultations might rob the Allied forces of much of their effectiveness in urgent cases. American sources pointed out an initial Red attack also might destroy facilities for communication between the member states.

Allied statesmen were convinced that only the threat of atomic reinforcement could enable the West to meet the overwhelming manpower of the Soviet bloc's 300-odd divisions. NATO forces now reportedly number about 100 divisions in Europe, half of them reserves requiring 30 days for mobilization.

Paris Treaties Clear Hurdle

By GEORGE BOULTWOOD

BONN, Germany (AP)—The Paris agreements to free and rearm West Germany went to Bundestag committees today after receiving preliminary approval from the lower house of Parliament.

Despite the initial success, Chancellor Konrad Adenauer's drive for quick ratification appeared certain to face serious difficulties when the pacts return to the chamber next month for key second and third readings.

Winding up a two-day debate on the first reading the Bundestag agreed last night without a recorded vote to send the controversial agreements to committees for further study.

The decision came after the house voted down a Socialist motion to postpone further action until big power talks are held with Russia on reunification of Germany.

The vote on the Socialist move was 236-153, with 3 abstentions. But 95 members of parties included in Adenauer's government coalition were absent when the roll was called, possibly because the ballot came sooner than had been expected. Their absence robbed the chancellor of the two-thirds majority he will need on the final vote to make rearmament constitutional.

Expresses Regret Over Anti-American Riots

ATHENS, Greece (AP) — Greek Prime Minister Alexander Papagos expressed his country's "profound regrets" today for an anti-American riot in Salonika.

Demonstrating university students stormed the offices of the U.S. Information Agency yesterday, smashed all its plate glass windows and did other damage. The mob attempted to move on the main consulate offices but was held off by the police.

The students were demonstrating against U.S. refusal to support Greece's campaign in the United Nations to take over the island of Cyprus. Students attacked the U.S. mission building in Athens Tuesday.

Low Reading Here 27

The mercury dropped below the freezing mark here again last night, stopping on a low of 27 degrees. By 7:30 this morning, it had risen just two degrees to a chilly 29. Yesterday's maximum temperature was 65 degrees.

Soldier Must Explain How He Feels About Country's Flag

EDGEWOOD, Md. (AP) — Pvt. Bruce A. Wallace, studious but boyish looking at 24, has a date with his general today to explain how he feels about the flag.

The Army didn't like his explanations after he failed to stand at attention and salute as the Stars and Stripes were hauled down at sunset at the Army Chemical Center here Nov. 3.

Brig. Gen. John R. Burns is studying still another explanation Pvt. Wallace made under oath last week.

Gen. Burns said he would decide, after talking to the young mechanical engineer, whether to order him tried by a court-martial or let it go at a strong reprimand.

Wallace, from Ridgewood, N.J., declined to say another word until he sees the general, a fellow alumnus from Massachusetts Institute of Technology.

According to 1st Lt. Carl L. Teshman, Wallace's company commander, the private told him:

"I do not respect the flag and I did not feel it necessary for me to render proper respect to the flag at retreat if I am not in formation.

"My being in the Army has lessened my respect for the country. I feel that my service is unnecessary and a waste of time. I classify the flag as a symbol not requiring respect according to my religions."

The soldier's father Dwight Wallace said later his son was only "woolgathering" when he should have been saluting.

In his sworn statement of Dec. 6, Wallace denied he had said his Army service lessened his respect for the country and was unnecessary.

"As long as I was drafted I felt the duty to serve when called," he said. "I saw the Army as a practical necessity.

"To me the flag is a symbol and I feel my beliefs in 'the American way of life' directly. And I feel so with or without a flag.

"I respect the flag as I would a crucifix."

Wallace said his training in the Presbyterian and Unitarian churches discouraged respect for symbols.

Legal experts at 2nd Army headquarters at Ft. Meade advised Gen. Burns there was no case against Wallace for failure to salute, since "he actually intended no disloyalty or disaffection among the troops."

They suggested he might be tried by a special court-martial on a charge of actions "prejudicial to the good order and discipline of the armed forces" because of the "real feelings" he expressed to his lieutenant. Conviction could carry a sentence of confinement for three to six months with loss of pay.

The 2nd Army also suggested it could be handled by some "lesser action," like "company punishment." It usually means a reprimand and restriction to the post for a week or so.

WEATHER

NORTH CENTRAL and WEST TEXAS: Generally fair, rather cold this afternoon and tonight, warmer Saturday afternoon. Lowest tonight 23-32.

EAST and SOUTH CENTRAL TEXAS: Clearing and colder this afternoon and tonight, Saturday fair and cool. Lowest tonight 30-38 interior and 35-42 near coast. Fresh to strong northerly winds on the coast, gradually diminishing.

Pentagon To Unveil New Military Plans

By C. YATES MCDANIEL

WASHINGTON (AP)—The Pentagon unveils today its new military training and reserve plan and tries to explain why it should be approved by congressmen traditionally wary of anything like European-style conscription.

All previous efforts at establishing universal military training in the United States have failed in Congress. Foes have called UMT "anti-American," "totally foreign" and unduly costly. Advocates, on the other hand, have backed it as a method of building up a trained manpower pool which would enable the nation to cut down its standing military forces.

The Pentagon's new plan is known to be accompanied by a request for an extension of the draft law, due to expire next June 30, and by a request for pay increases to career soldiers.

The program calls for training of some 100,000 youths annually for periods of six months.

The goal is to establish a ready pool of trained reservists totaling 2 million.

About 20,000 men would continue to be drafted each month. Youths would be permitted to volunteer for the short-term training period at considerably lower pay than draftees receive. They would not automatically qualify for veterans' benefits, and their total liability for military service would extend at least nine years.

By comparison, the youth who waited for the draft would be a veteran after his two years' service and know that his military recall liability, except in the direst emergency, would end six years thereafter.

Present laws contain no teeth to compel former draftees to continue active reserve training. Secretary of Defense Wilson has said he supports the idea of assuring that six-month trainees continue with their reserve activities by making them liable to the draft for a full 24 months of active duty if they fail to keep up their reserve duties.

AREA OIL ROUNDUP

Nolan Field Has Reef Discovery

Humble Oil & Refining Co. has completed a flowing discovery from the Canyon reef lime at its No. 3 Petty in the EA multipay area of Southeast Nolan County.

The strike was flowed for a 24-hour potential of 362 barrels of oil through a quarter-inch choke and from perforations at 5,018-060 feet. Total depth is 6,269 feet and the casing is set on bottom. No further details of the completion are available.

The No. 3 Petty is in section 6-Z-T&P, eight miles northeast of Blackwell.

FISHER WILDCAT

Texas Crude Oil Co. and Lamar H. Moore Drilling Co. of Abilene have filed application to drill a 6,000-foot rotary wildcat six miles northeast of Rotan in Fisher County.

It will be the No. 1 Lena M. Green, located 660 feet from north and west lines of section 283-2-H&TC. That is three and a half miles northwest of Lloyd H. Smith No. 1 C. A. Douthit, a wildcat failure quit in June at 6,602 feet. That project topped the Cambrian at 6,485 feet and found no traces of the Canyon reef.

RECOVERS OIL

Ashland Oil & Refining Co., Peeler Brothers and Warner & Luttrell No. 1 W. J. Bugg, Northeast Nolan County wildcat, developed oil on a drillstem test of the Ellenburger to indicate a possible new oil field.

The Ellenburger was tested from 6,505-528 feet with the tool open two hours. Gas surfaced in 18 minutes. Recovery was 25 feet of free oil and 115 feet of mud-cut oil. Flowing pressure was 150 pounds and 20-minute shutin pressure 315 pounds. More hole was being made below 6,535 feet. Top of the Ellenburger was at 6,513 feet on a ground level elevation of 2,315 feet.

The No. 1 Bugg is 10 miles southeast of Sweetwater and in section 93-21-T&P.

HOWARD COUNTY

Oceanic Oil Co. and others have staked location for the No. 2-A Veal Memorial Fund in the Oceanic - Pennsylvanian field of North Howard County.

The drillsite is 1,980 feet from south and 1,321.1 feet from west lines of section 30-32-t3n-T&P, one-half mile south of Vealmoor. Contract depth is 8,300 feet.

In the Luther Southeast Siluro-Devonian field 12 miles north of Big Spring, Lone Star is to drill the No. 2 L. H. Merworth. Location has been made 660 feet from south and 668 feet from east lines of the northeast quarter of section 22-32-t2n-T&P. Rotary tools are to be used to drill to 10,200 feet.

PRODUCER COMPLETED

The Texas Co. has completed a new producer in the Cogdell field of North Scurry County at the No. 225 P. L. Fuller.

The well was pumped 24 hours for a potential of 271.88 barrels of 41.1-gravity oil with no water. Gas-oil ratio was 423-1. The oil is coming from perforated sections at 6,794-820 feet, 6,874-920 feet and 6,939-946 feet, where 2,000 gallons of acid had been used. Top of the pay was at 6,794 feet.

The well is 1,988 feet from north and 1,868 feet from west lines of section 553-97-H&TC.

KENT LOCATION

Honolulu Oil Corp. of Midland has announced plans to drill the No. 2 Frank Stewart in the SMS-Canyon sand field of Northwest Kent County. Drillsite is 660 feet from south and 1,980 feet from east lines of section 4, John Rodman survey. It is on a lease of 624.8 acres, 14 miles northwest of Clairemont. Projected depth is 6,300 feet, with operations to start by Monday, according to the drilling application.

GARZA LOCATIONS

Dr. Sam G. Dunn of Lubbock has filed applications to drill three new wells in the Post field 10 miles northeast of Post in Garza County.

The No. 28 McCrary is 1,650 feet from north and 990 feet from east lines of section 62-5-GH&H. The No. 29 is 990 feet from north and 330 feet from east lines of the same acreage. The No. 30 is 330 feet from north and 2,310 feet from east lines of the same section. All three are slated to drill to 3,000 feet, starting operations at once.

DRILLING REPORT

Hanley Co. No. 1 Yeager, one mile west of Ira, is drilling below 3,462 feet in sandy lime. Texaco No. 226-F P. L. Fuller in North Scurry County is preparing to install a pump for a completion test. Forest Oil No. 1 Eiland in Southwest Scurry is drilling in shale and sand below 4,830 feet.

In Borden County, Shell Oil No. 1 Clayton-Johnson is drilling in lime below 8,660 feet. Texaco No. 1-C Clayton is running five and one-half-inch casing. El Capitan and J. D. Wrather No. 1 Higginbotham is drilling below 2,471 feet in anhydrite, gyp and sand.

Texas Crude No. 1 Bartlett, Dawson wildcat, is drilling in shale and lime below 6,090 feet.

General Crude No. 1 Bilby Wallace, Kent wildcat in section 36-1-H&TC, is drilling in lime and shale below 2,965 feet. Robert S. Lytle No. 1 S. M. Swenson and others, wildcat in section 3-1-H&GN, is drilling below 6,085 feet in shale.

Scout Area Shows Gain During Year

New officers of the Lone Buffalo Boy Scout district were installed last night here in the district's annual meeting.

W. W. Park, Snyder attorney, was installed as district chairman by Myron Roe, outgoing chairman. Roe also installed Stanley Noah as district commissioner. Park held installation of the other officers. They were D. V. Merritt, Jr., assistant district commissioner; Dan Warren, organization and extension chairman; Lyman Wren, finance; C. E. McGaw, advancement; W. A. Vestel, camping and activities; Dr. Tom Hartley, health and safety; T. D. Wiman, Jr., leadership training; and Lyle Deffebach, public relations.

Delbert Downing, manager of the Midland Chamber of Commerce, was main speaker.

Special awards made included a plaque to Bernard Bartels, scoutmaster of troop 27, which is sponsored by the First Methodist Church, for six years of scoutmastership. Mrs. Roy V. Lashaway was awarded a four-year pin as a den mother. She served in pack 27.

A review was given of district highlights for this year. They included creation of the Bone Buffalo district from the Lone Wolf district of Mitchell County and Buffalo Hide district of Scurry and Borden Counties; largest membership in history, with more than 700 scouts; organization of nine new units, with this district the only one in the Buffalo Trail Council having no dropped units; attendance of 125 scouts at the council ranch in one week, 400 in the scout circus in February, and 210 at the council roundup at Big Spring; and the district's joining the United Fund organizations in Scurry and Mitchell Counties.

Woman Halts Robbery Try

CHICAGO (AP)—Luck and pluck last night enabled the woman manager to thwart a currency exchange robbery by two men who held her husband and daughter hostage for 30 minutes.

One of the men telephoned the currency exchange to tell Mrs. Gladys Hunt, 52, they were holding her invalid husband, Leslie, 56, and daughter, Ruth, 30, in the Hunt home.

"If you follow instructions nothing will happen to them," the man said. He said he was sending his accomplice to the currency exchange to get the money.

Mrs. Hunt was still talking to the robber at her home when a man walked into the exchange wearing the identifying cap described over the phone. She continued the conversation but pressed a button which locked the currency exchange door.

The robber apparently sensed what had happened, broke a window and fled. Mrs. Hunt continued her conversation with the man on the telephone.

When a woman customer walked into the exchange, Mrs. Hunt scribbled a message directing her to call police.

Police who raced to the Hunt home were told the man there had fled after hearing the radio call on a portable short wave set he carried.

The husband and daughter were unharmed. Miss Hunt had been forced to surrender $13.50 she had on her person.

Cats Going Too Rapidly

TEHRAN, Iran (AP)—Iranian patriots are demanding a slowdown in the export of the Persian cats who have made the country's former name a household word around the world.

Reports from Iran's northern province of Azerbaijan that a local cat tycoon is stripping the area of kitties brought sharp protests.

"Allah protect us from the consequences of this procedure," the influential weekly Roshan - Fkr railed. "For 6,000 years we have been famous for our cats. But if matters proceed at this rate, we may even have to import cats."

Reports from the North said an unidentified dealer was buying Persian cats en masse at 18 rials—about 25 cents—per kitten. His offer of 50 rials for pregnant cats resulted in a land office business, the reports said. The cats' destination wasn't reported.

Judgment Is Pending In Suit Tried Here

Judgment concerning division of community property is yet to be rendered in a civil district court case which was partially disposed of late last week.

The defendant and cross-plaintiff was granted a divorce from her husband, the plaintiff in the suit. The case was styled Frank Brooks vs. Alma Brooks, for divorce and partition of property, and the cross action was by Mrs. Brooks against her husband.

Judgment concerning the partition was withheld pending submission of briefs by the attorneys and was taken under advisement by the court.

Attorneys for Mrs. Brooks were John Sentell and James Rosser of the Snyder firm of Sentell & Rosser. Garland Armstrong was attorney for Brooks.

Attentive Guardsman Receives Award Here

Attentiveness paid off this week for one National Guardsman.

Last night at the Snyder guard unit's regular drill, Pvt. Morris Wayne Williamson was presented a cigarette lighter by the company for being selected the "most attentive private."

A committee of one officer and three noncommissioned officers made the rounds of classes at the drill to observe which private paid the most attention and got the most out of what was offered.

Check Case Fine Paid

An assessment of $33.50, including court cost, was paid this morning for A. E. Clark, Sr., about 50, route 2, Sweetwater highway, on a plea of guilty to a county court charge of swindling by worthless check.

The $15 check was given to Lieb's Cash Grocery.

Electric Brain Is Predicted

CHICAGO (AP) — What the world needs and probably will have someday says a noted woman anthropologist, is an electric brain to recreate the kind of medical attention provided by the old-time family physician.

Dr. Margaret Mead, associate curator of ethnology at the American Museum of Natural History, New York City, predicted that such machines will approximate by a codifying process the insight, speed and intimate knowledge of the "horse and buggy doctor."

Speaking to the American Congress on Obstetricts and Gynecology last night, Dr. Mead explained:

"The old-time family physician had a psychological and personal knowledge of his patients, but he lacked today's scientific tools. Now we have the tools but they are so numerous that we haven't learned to apply our knowledge to give each patient the individualized care he needs."

She said that someday there will be machines to determine what and when babies should be fed, when an expectant mother should be delivered and reach other medical conclusions on the basis of information disclosed by electronically sorted cards giving intimate details of the patient's health and family history.

Minister Guilty Of Neglecting His Wife

CINCINNATI (AP) — Domestic relations court has ruled that a minister was guilty of gross neglect of duty and of abandoning his wife without good cause.

Judge Charles W. Hoffman yesterday took away the Cincinnati property rights of the Rev. Leon L. Myers, 66, of Abilene, Tex., a Christian Church evangelist, and granted Mrs. Ada G. Myers, 69, alimony. She requested no divorce.

Mrs. Myers said the minister deserted her for another woman.

The Rev. Mr. Myers was a preacher in Eugene Ore.; Anaheim, Calif.; Dodge City, Kan.; and Atlanta before coming to Cincinnati in 1934. Here he was president of the Christian Restoration Assn.

Desertion Is Charged In Divorce Action

SANTA MONICA, Calif. (AP)—George F. Temple Jr., brother of actress Shirley Temple, has filed suit for divorce against his wife Patricia Ruth. The former wrestler charged desertion and cruelty.

Mrs. Temple, 23, separated from her husband in 1952, is involved in litigation over the paternity of her 5-month-old daughter Kenny Ann. She has named Hartle Duane Patterson, 28-year-old actor, as the father.

Weather Menu Varied Over Texas Today

By The Associated Press

Texas weather varied from wintry to springlike Friday with dust in some parts and rain in others.

Rain was reported at San Antonio and Jacksonville before dawn, the first in days.

It was clear over much of West Texas and cloudy in South Texas. Dust blew at Lubbock, San Angelo, Abilene, Midland and Laredo. Visibility ranged from 3 to 5 miles. The dust was expected to clear during the day.

Pre-dawn temperatures ranged from 15 at Dalhart to 60 at Brownsville.

Forecasts called for colder temperatures Friday with partly cloudy to cloudy skies. Saturday, the Weather Bureau said, temperatures would not be so cold and skies would be less cloudy.

Lows during the night included Amarillo 20, Lubbock 23, Midland 27, El Paso 30, Wichita Falls 33, Abilene 35, San Angelo 38, Del Rio 46, San Antonio 43, Austin 44, Houston 49, Beaumont 52, Waco 40 and Dallas and Fort Worth 37.

Snow or rain fell over sections of the midcontinent today but generally fair weather prevailed in other parts of the country.

Although it was below zero in sections of the Rockies, temperatures mostly were above seasonal levels in nearly all of the nation.

A wide band of snow or rain extended from Minnesota and Wisconsin southward to east Texas. Snow in the Chicago area was light, measuring about one half inch. But Des Moines reported 2 inches, with snow continuing during the night.

Coldest weather was reported in Colorado and Wyoming, zero or slightly below, but it was mild for mid-December in the Northern Plains with temperatures around freezing. It was windy and cooler in the Southern Plains.

Warmest areas were the central Gulf and lower Mississippi valley. The East was moderately cool but readings were below normal in the Southeast. Freezing weather was reported again today in northern Florida.

New Quake Hits Frisco

SAN FRANCISCO (AP)—An earthquake which cracked walls and shook buildings but apparently caused no major property damage jostled the San Francisco Bay area late last night, some 20 hours after a more severe shock hit Nevada and neighboring states.

The University of California seismograph at Berkeley pinpointed the quake at 11:09 p.m. centered 12 to 15 miles south of Berkeley in the San Leandro area.

The seismograph recorded a magnitude of 3.8 on the Richter Scale. The earlier Nevada tremor had been recorded at a magnitude of 7 or slightly higher.

The San Leandro Morning News reported some cracked walls in private residences in that city and said buildings in the area shook sharply.

The tremor was felt as far away from here as Vallejo, 40 miles to the northeast, Hamilton Air Force Base, 35 miles north and throughout the heavily populated Bay area.

Friends coming in to help trim the Christmas tree? Here is one of our favorite quick casseroles to serve them.

QUICK TUNA CASSEROLE

2 7-ounce cans tuna
2 16-ounce cans frenched green beans
2 tablespoons minced parsley
2 tablespoons finely-grated onion
½ teaspoon Worcestershire sauce
2 10½-ounce cans condensed cream of mushroom soup
2 tablespoons butter or margarine
1 cup small, soft bread cubes

Drain tuna and place in shallow baking dish; separate with fork into fairly large pieces. Drain beans and add to tuna, save bean liquid for use in soup or gravy. Mix parsley, onion, Worcestershire sauce and mushroom soup; mix lightly with tuna and beans. Melt butter in skillet; toss with bread cubes; sprinkle over baking dish. Bake in moderate (375 degrees) oven until hot and bubbly and topping is lightly browned, about 30 minutes. Makes 8 servings.

CHILI AND TAMALES

Here's an easy main dish for supper. Heat canned chili con carne in a big skillet, stirring occasionally. Place canned tamales over the chili, cover the skillet and heat again until the tamales are piping hot. Serve with bowls of freshly-grated cheddar cheese, round, crisp, buttery crackers and carrot sticks to which guests can help themselves. A big bowl of fresh fruit, a plate of rich chocolate brownies and lots of hot coffee will make a fine dessert.

Mrs. Joe Strayhorn Bakes French Apple Pie, Fruit Cake

By ANITA HALL

Mrs. Joe Strayhorn had just finished one of two apple pies she was baking to take to a Sunday school class luncheon when this interview was made. Her favorite recipe for French Apple Pie is as follows:

¾ cup sugar
2 tablespoons flour
¾ teaspoons flour
½ teaspoon salt
1 8-inch unbaked pie shell
4 or 5 medium apples
½ cup butter, melted

Mix together sugar, flour, cinnamon and salt. Sprinkle half of mixture into bottom of unbaked pie shell. Pare and slice apples; add to crust. Sprinkle remaining sugar mixture on top of apples. Pour butter over all. Bake in a hot oven (450 degrees) for 15 minutes; reduce heat to moderate (350 degrees) and continue baking for 45 minutes. Mrs. Strayhorn places a lattice-work top crust on her apple pie.

She always bakes fruit cakes before Christmas along with her other baking and here is her fruit cake recipe:

1 pound butter
1 pound pecans
1 pound walnuts
2 pounds dates
¼ pound candied lemon peel
¼ pound candied orange peel
¼ pound candied pineapple
½ pound citron
1 pound candied cherries
1 teaspoon each of allspice, cinnamon, cloves, mace, nutmeg
2 teaspoons baking powder
2 lemons, the juice and rind
8 cups flour
12 eggs
3 fresh apples
1 cup coffee
1 cup jelly
1 cup wine
1 cup grape juice
1 cup buttermilk
1 teaspoon soda
2 teaspoons lemon flavoring
2 teaspoons vanilla

Mrs. Strayhorn's instructions for baking are as follows: Mince the fruits and nuts and dredge in half of the flour called for in the recipe. Then proceed like any other cake. This makes about 18 pounds of cake. Cook in any size cake pans you wish. Cook in a slow oven about 3 hours, depending on the size of the pans used. Put a flat pan of water in the bottom of the oven under the cake. After cakes have thoroughly cooled, wrap in a cloth that has been soaked in syrup, then warp with waxed paper and aluminum foil and store in a cool place.

Children Are Honored At Christmas Party

Children of Dowell, Inc., employes were entertained at a Christmas party given Wednesday afternoon in the home of Mrs. Wendell York, 3002 Forty-first Street.

The children exchanged gifts and received popcorn Santa Claus figures, and sacks of candy, fruit and balloons from the Christmas tree. Children attending were Carl and Jeannie Barbee, Stevie Kennedy, Ronnie Nunnally, Mark York, Brenda Strickland, Lydia and Doug Epperson, Gerdt Navickas, Cynthia Tucker, Rogna Shelton, and Deanna Igo, with Kathy Lindsey and Sharon Osgood also guests. Mothers of the children were also served refreshments, as were Mrs. Ethel Tipton, Mrs. Bill Ross, Mrs. Sonny Hart and Mrs. C. W. Spivey.

Sorority Holds Party

Mrs. Charles Wolfe was hostess for a Christmas party for members of the Iota Psi chapter of Epsilon Sigma Alpha and their husbands Saturday night at the Country Club. Assisting her with hostess duties were Mrs. Cheryl Dow and Mrs. Bill Davis.

Firm's Gifts Go To Charity

In previous years, Morrison Supply Co. has sent traditional gifts to all its customers each Christmas; but this year, the custom is replaced by a new plan to aid organized charity.

Paul B. Patterson, manager of Snyder's branch office of the firm, said the office here would present "a sizeable check" to Boys' Ranch of West Texas, an institution near San Angelo.

The plan is being carried out by the various branch offices of the firm, but the recipients of the gifts vary. The Abilene branch made a $500 contribution to the Taylor County Society for Crippled Children.

Letters from the branch managers are being sent to regular customers, explaining the plan. The letter sent from the Snyder office reads, in part: "This Christmas, therefore, in place of the usual gifts, Morrison Supply Company is making a significant contribution in your name to the Boys' Ranch of West Texas at San Angelo."

Patterson also said he believed the giving of a cash gift to an organization for the benefit of humanity would accomplish much greater good for all people everywhere than giving smaller gifts to friends.

"The spirit of giving is nevertheless, shown, and the greetings to our friends can be expressed as well in this manner as otherwise, and both they and we can have a part in helping those in need," he added.

Seek Means To Put Workers Back On Job

PHILADELPHIA (AP) — A CIO Transport Workers union group will meet next Wednesday with representatives of the Pennsylvania Railroad to discuss means of returning thousands of the PRR's furloughed maintenance workers to an active status.

TWU President Michael Quill exclaimed in a letter to James M. Symes, PRR president, that 10,000 to 12,000 employes who are members of the TWU's Railroad Workers Division" are on furlough. Some, Quill said, have had that status for a year.

A PRR spokesman said the railroad's estimate is that about 8,000 men employed in shops in Wilmington, Del.; Altoona, Pa.; Columbus, Ohio; and Terre Haute, Ind., are on furlough.

Gregory Peck Denies Wife's Cruelty Charge

LOS ANGELES (AP)—Actor Gregory Peck, 39, has answered his wife's divorce suit by denying her charges of cruelty.

Mrs. Greta Peck, 42, said in her suit she and Peck had been estranged since Jan. 13, 1953. They were married in 1942. Mrs. Peck said a financial agreement already has been signed. She seeks custody of their three sons.

Amarillo School Gains Admission To District

In a unanimous vote, members of District 3A-1 yesterday afternoon voted to admit Palo Duro High School of Amarillo to the District for 1955-56 competition.

The unanimous vote came on the second count. On the first vote, Snyder and Sweetwater voted against admission. In this particular case, a unanimous vote was not required, so Amarillo could have been admitted with a majority vote.

Admission of the Amarillo school to the district brought the total for next year to nine teams. Members will be Snyder, Big Spring, Sweetwater, Lamesa, Vernon, Levelland, Plainview, Monterrey of Lubbock, and Palo Duro of Amarillo.

The district had already worked out a schedule, but a new one had to be made after Amarillo's admission. Snyder's district schedule next year includes four home games and four out of town. The three five-man will be away from home, and the three final ones will be in Snyder. Snyder has Lubbock away Oct. 1, Vernon away Oct. 7, an open date Oct. 14, Plainview away Oct. 21, Sweetwater home Oct. 28, Amarillo away Nov. 4, Big Spring home Nov. 11, Levelland home Nov. 18, and Lamesa home Nov. 24.

Snyder coach John Conley is now working on the full Snyder schedule for next year. There is room for only two non-district games. Weatherford, which will be a member of District 3A-3 next year, has been definitely scheduled for Sept. 16. Bowie of El Paso was already on the card for Sept. 23, the last game of the three-year stand, but a tentative agreement had been made prior to yesterday's meeting for a game with Breckenridge. Since both Breckenridge and Bowie cannot be included on the schedule, final preparation of the schedule will require further negotiation, possibly some date shifting. Breckenridge was refused re-admission to this district this year.

Vernon superintendent John McFarland yesterday made a motion in the meeting that the Interscholastic League be requested by a committee of respresentatives to break up the district into two loops. The motion was later re-worded and the request will be made for the 1956-57 school year. Travel distances, interruptions of the regular school programs, safety factors, and size of the district were given by McFarland as reasons for his motion.

Several schools in the district are now having to cancel previously-scheduled non-district games to make room for Palo Duro on the schedule. Superintendent Charles Rogers of Amarillo told the group the school will begin operations next school year, attending school in the building with Amarillo High School. Enrollment will be 675 to 700 students.

The spring meeting of the district will be held in Sweetwater. It will probably be held in March.

DISTRICT 3A-1 SCHEDULE

Oct. 1 — Snyder at Lubbock.
Oct. 7 — Snyder at Vernon, Amarillo at Levelland, Lubbock at Plainview, Lamesa at Sweetwater.
Oct. 14—Levelland at Big Spring, Plainview at Vernon, Amarillo at Lamesa, Lubbock at Sweetwater.
Oct. 21 — Snyder at Plainview, Big Spring at Lamesa, Vernon at Sweetwater.
Oct. 22 — Amarillo at Lubbock.
Oct. 28 — Lamesa at Levelland, Sweetwater at Snyder, Lubbock at Big Spring, Vernon at Amarillo.
Nov. 4 — Sweetwater at Plainview, Levelland at Lubbock, Snyder at Amarillo, Vernon at Big Spring.
Nov. 11 — Lamesa at Lubbock, Amarillo at Plainview, Levelland at Vernon, Big Spring at Snyder.
Nov. 18 — Lubbock open, Sweetwater at Amarillo, Vernon at Lamesa, Plainview at Big Spring, Levelland at Snyder.
Nov. 24 — Lubbock at Vernon, Big Spring at Sweetwater, Lamesa at Snyder, Plainview at Levelland.

Loraine, Big Spring Ira Teams Advance

Loraine, Ira, and Big Spring B boys teams advanced in the boys division of the Ira basketball tournament yesterday afternoon, while the Ira girls moved up in the girls division.

Two first round games and two semi-finals are scheduled for this afternoon and tonight.

The Big Spring B team advanced to the semi-finals in the championship bracket by downing Hermleigh 65-53. The game was close most of the way, with Big Spring leading 28-25 at halftime. Clarence Stahl led Hermleigh scoring with 22 points, while Lefeure was scoring leader for the Big Spring team with 17.

That team Saturday will meet the winner of the Gail-Snyder B game, which was to be played at 5 o'clock this afternoon.

Loraine and Ira teams will meet at 8:45 o'clock tonight in a semi-final game. Ira beat the Roscoe B team 51-31 yesterday in a game which saw Ira lead all the way. The Ira squad led 30-9 at halftime. John Mengwasser topped Ira scoring with 18 points, while Lamb was high for Roscoe with nine. Loraine went over Fluvanna in the first round 34-23. Halftime score was 15-11, with Loraine leading. Hall led scoring for the winners with 20. Delbert Hataway was tops for Fluvanna with 10.

The Ira girls moved into the semi-finals of that division by downing Gail 48-16. Ira had a high lead almost from the first. At halftime, the Ira squad was ahead 32-9. Baleria Eubank was top scorer for the winning team with 22 points, while Pat Taylor had 18 for the team. Jane Bradford topped Gail with five. The Ira girls will meet Fluvanna at 6:15 o'clock tonight in semi-finals. Fluvanna drew a bye in the first round.

Playing in a first round game of the girls division at 7:30 o'clock tonight will be Hermleigh and Roscoe.

Tomorrow, games will start at 8:15 in the morning and continue into the night, with the championship game scheduled for 9:15 in the boys division. Girls consolation finals will be held at 5:30, and the title game of that division will be at 8 o'clock. The boys consolation game will be played at 6:45.

Morris Harvey Meets Tampa In Cigar Bowl

TAMPA, Fla. (AP)—Morris Harvey of Charleston, W. Va., and Tampa University meet in the Cigar Bowl Friday night in a football game in which anything can happen.

That anything angle mostly means: Quarterback Bill Minahan's passes for Tampa always are a big threat and Morris Harvey has some of the swiftest small-college backs in the country.

Morris Harvey ran up a seasonal record of eight victories and a loss while Tampa won seven of its nine games.

Coaching School To Pick Its Instructors

DALLAS (AP)—Coaching school instructors will be named and the sites for the 1955 and 1956 meetings of the Texas High School Coaches Assn. will be picked this weekend by officers of the group.

Cities seeking the 1955 coaching school include Galveston, Amarillo, Abilene and Lubbock.

Junior High Fives Win

Both Snyder junior high teams won their cage games at Lamesa yesterday.

The eighth grade won its game 23-19. The game was close only in the final quarter. At the end of the third period, the Snyder team led 20-2. Fouls almost got the Snyderites down however. They had 1 to Lamesa's six, and Lamesa almost caught up on free thorws.

Jimmy Alen led the Snyder team with 12 points. The team's season record is now 3-0.

The seventh grade won 27-12 after leading all the way. It was ahead 14-5 at halftime.

Barry Walker led scoring with nine points, followed by Norman Gladson and Dick Hayes with eight each. This team now has a 2-1 record.

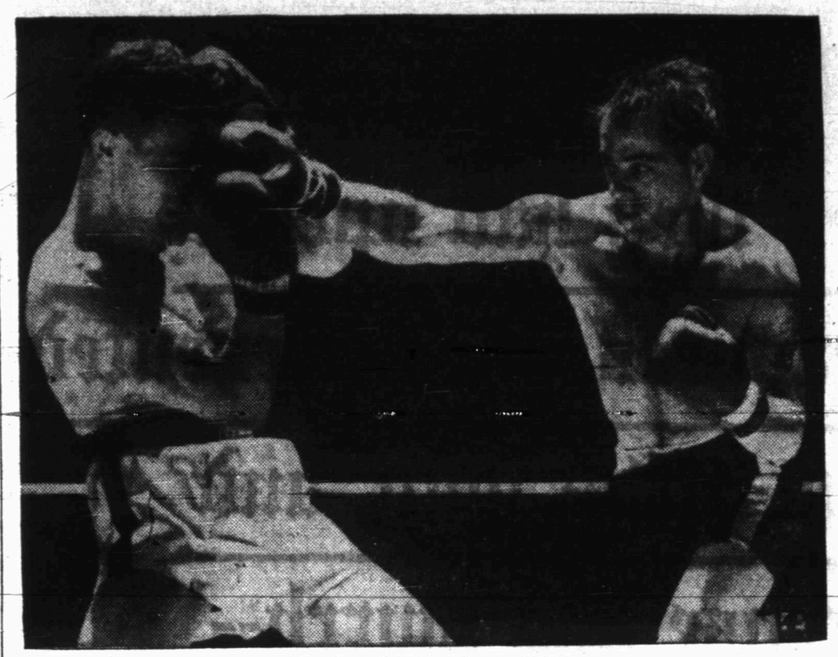

Next games of the teams will be here Monday afternoon, starting at 3:45, when Sweetwater teams come to Snyder.

NCAA Holds Interviews At Oklahoma

NORMAN, Okla. (AP) — The National Collegiate Athletic Assn. is questioning University of Oklahoma football players in an apparent followup to an investigation started last spring.

Several players were interviewed by an NCAA panel yesterday. They said their replies were taken on a wire recorder.

The investigators declined to discuss their probe. NCAA headquarters, following its regular policy on complaints against schools, has not disclosed who originated the complaints against Sooner football practices nor has given the nature of them.

OLSON SCORES A HIT

Pierre Langlois of France, left, covers up in vain as Middleweight Champion Carl (Bobo) Olson scores to the head in the second round of their scheduled 15-round title bout in San Francisco. The fight ended after 58 seconds of the eleventh round with a TKO for Olson when a doctor, summoned by the referee, advised against continuing because of a bad gash over Langlois' eye.

Abilene-Austin Tilt Highlights Playoffs

By HAROLD V. RATLIFF
Associated Press Sports Writer

Abilene's Eagles, who paradoxically like to travel on the ground, and Stephen F. Austin's Mustangs, who love the air, clash at Houston Saturday in the big game of the year in Texas schoolboy football.

It's for the Class AAAA championship, with Abilene seeking its fourth and Austin making its first bid.

For a second time in a row the state title game is in Houston and it's much the same setting as last year when a West Texas team—Odessa—was slammed by a Houston team—Lamar—for the championship. Abilene, however, is favored to change things up this time.

As Abilene and Austin fight it out for the top crown, Breckenridge and Port Neches will be playing at Breckenridge for the Class AAA title.

While Abilene is the choice over Austin, the Breckenridge-Port Neches game is considered a toss-up. Breckenridge is bidding for what may be its last championship in Class AAA—the Buckaroos won the title both in 1951 and 1952—because the school doesn't have enough enrollment for Class AAA and can't find a district to vote it into. Port Neches is after its second state title in a row. And with much the same team as won it last season, the Gulf Coast city has a grand chance to turn the trick.

And as their big brothers play for state championships, the lower classes—AA and A—will be deciding finalists.

Two games Friday night will decide half of the final field in each class.

In Class AA it's Killeen vs Freer at San Marcos, with the winner to clash with Saturday's Phillips-Terrell victor in the finals. Phillips and Terrell get together at Vernon.

Friday night fabulous Paducah, one of the mightiest scoring teams in Texas Interscholastic League history, plays Albany at Wichita Falls to decide one-half of the Class A final. The other will come from Saturday night's Deer Park-Mason game at Mason. This contest is the only one in the state matching undefeated untied teams.

Paducah puts a fantastic record on the line against little Albany. The Dragons have romped to 501 yards per game rushing and passing and beaten three Class AA teams along the touchdown-strewn trail. The Dragons have rolled up an amazing 711 points.

Austin of Houston is a throwback to the wild passing teams of the Southwest Conference's yesterday. The Mustangs, with Vince Matthews doing the throwing, use the pass as their basic offense. Abilene, on the other hand, blisters the opposition with a thunderous ground attack. The Eagles have won two playoff games with 107 points to none for the opposition. Austin eked through 21-20 in two.

Port Neches rallies mostly on its speed and it is one of the fastest teams in schoolboy history. But it may not have the power of a fine Breckenridge outfit engineered under a brilliant Split T by the versatile Bennett Watts.

ABOVE THE BLEACHERS

By DALE WALTON

The Snyder Tigers were to meet Alpine in the first round of the Andrews tournament this afternoon. The B team was to play at 5 o'clock this afternoon in the Ira tournament, matched with Gail.

Up to now, the varsity squad has lost three games and has scored 152 points to opponents' 185. All the losses were to Class AAAA teams, Abilene, Odessa, and Midland. Both Midland and Odessa are in the Andrews event, but they don't scare the Tigers too much. The team is still trying to get working smoothly, and it has good potential. In fact, should it meet the Midland five again it would have a good chance to win. That might not be true in the case of Odessa.

Still hitting only 31.3 per cent of its field goal tries for the season, slightly worse than in the first game, the team is improving on its free throws. Its season average is now 52.3 per cent.

Joe Tankersley leads the team on field goal percentage with 70 per cent. Top free thrower is Jerry Taylor with 69.6. Taylor leads scorers with 34 points, closely followed by Jack Spikes with 31.

The B team has a season average of 28.5 per cent on field goals and 42.5 on free throws.

* * *

We were against taking Palo Duro High of Amarillo into District 3A-1, but there is no use griping now that the school is a member of the loop.

Since we have the other school, we hope the district treats that school better than it did Breckenridge the first chance it had. Of course, Amarillo's school will not drop in enrollment so that it will have to apply for admission again. When we say "Treat better," we refer to public relations between schools and cities.

Both Palo Duro and Monterrey, the Lubbock school assigned to the district this season, will probably be in Class AAAA in a couple of years.

There is talk about the state that the Interscholastic League in one more year will re-district the whole state and lower enrollment requirements for both Class AAAA and AAA. If that happens, Big Spring and Plainview will probably be the first to go up from this district, with Snyder close behind.

The shortest punt in the history of the National Football League is four yards. It was kicked by Joe Muha of the Eagles against the Cardinals on Dec. 28, 1947.

Little League Calls For Public Meeting

The Snyder Little League, in a meeting last night, voted to hold an open meeting on Jan. 3 to discuss organization of a second league here.

Little League is designed to provide organized baseball for boys 12 years old and younger.

Under present regulations of the national Little League, the organization here must change its league operation into one or two four-team leagues. It now has one six-team league.

Speedy Moffett, president of the Little League, said the meeting, which will be held at 7:30 o'clock on the night of Jan. 3 at the high school shop building, will be for the organization of two four-team leagues. To start a second league here, at least 15 workers will be needed.

Little League rules prohibit two leagues to be operated by the same set of officers, so each league must have its own officers, board, and managers. Present plans are to assign three teams of the present league to each of the two leagues which would be organized, leaving each to set up one new team.

"If we can't get enough people interested to organize a second league," Moffett said, "We'll have to cut down to one four-team league."

League boundaries of both would be set, with each league having one-half the Snyder school district.

In last night's meeting, league officials expressed the need for a commissioner to coordinate the two leagues, working with officials of both loops. Both could use the same field, Moffett said. The main expense would be the purchase of uniforms and equipment for two additional teams.

Niagara Is Waiting To Get Another Crack At LaSalle

By JOHN CHANDLER
Associated Press Staff

Niagara University's Purple Eagles, rated No. 10 nationally in college basketball circles, headed into the Midwest today for a Saturday night date with Toledo, but it won't be until after Christmas that a definite line can be drawn on Coach Taps Gallagher's fine club.

The Eagles made it 5-1 for the young season Thursday night by mauling Syracuse 99-74 at Niagara Falls, N.Y., and Gallagher's gang has only the Toledo engagement before zooming into the Holiday Festival tournament starting Dec. 27 at New York's Madison Square Garden.

That's the one Niagara is waiting for, because it possibly will afford the Eagles another crack at LaSalle, currently rated No. 1 in the AP poll. Last Saturday LaSalle's NCAA champions edged Niagara 76-75 in the final six seconds of an overtime period on a field goal by Bob Maples.

Niagara believes it can take LaSalle, if it gets another chance, but the Eagles must get past another toughie — UCLA — in their Garden tourney opener. UCLA (3-0) is ranked No. 8 nationally and is favored to cop the Pacific Coast Conference title.

Center Ed Fleming again was Niagara's big man with 26 points, playing less than half of the game against Syracuse, as the Eagles rolled up a 54-31 halftime lead.

There was little action on the college courts Thursday night, but the Temple Owls proved they will be tough as they upset St. John's of Brooklyn 77-69 at the Garden. Temple, with a 5-1 record, has only a 70-65 defeat by North Carolina State marring its record. N.C. State currently is rated No. 4, while St. John's was ranked No. 16 this week.

Temple's biggest man is Harry Silcox, a 6-3 forward, but he and 5-11 Hal Lear and 6-2 Al Didriksen spark a bunch of hustlers with deadeye foul-line accuracy and nice one-hand jump shots.

Maurice Stokes, a classy 6-6 pivot man, led St. Francis (Pa.) to an easy 88-59 victory in the other half of the Garden doubleheader.

Florida registered its fifth straight by defeating Miami (Fla.) 70-61, but had a scare. After Florida led by a 21-point margin midway in the last half, Miami pulled up to within seven points in the final minute.

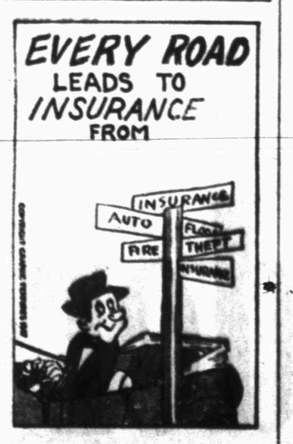

Western Kentucky outscored Colorado State 27-17 at the foul line for a 75-67 victory, and Oklahoma City sent out five sophomores to down Texas Christian 63-44. It was OC's first victory in four starts.

Davidson led Virginia Tech all the way until Bill Matthews scored a field goal in the final four seconds to give VPI a 71-70 Southern Conference verdict.

Fordham ended a two-game losing streak by defeating Colgate 55-51, and Harvard's foul shooting beat Middlebury 54-51.

The NAIA tipoff tournament opened at Kansas City, and two former champions were knocked out. Arkansas Tech eliminated St. Benedict's of Kansas, 1954 champions, 87-59, while Springfield (Mo.) State, the 1952-53 tourney winners, got it from Tennessee A&I 77-57.

In other NAIA games Gustavus Adolphus (Minn) defeated East Texas State 59-51 and Rockhurst won from Western Illinois 72-65.

"---and when they had opened
their treasures, they presented
unto Him gifts; gold, and
frankincense and myrrh--"

The world has undergone many changes since that
day long ago when a tiny child was born
to bring peace and hope to mankind.
But the custom of giving at Christmas has
survived the edicts of dictators, the "Scrooges",
and the scoffers who cry "commercialism".
For the gift is a symbol of the visit of
the Wise Men to their new born King.
And if, in the passing of the centuries, a
magic little elf, Santa Claus, has emerged
to become the spirit of giving to the little ones,
let us not disenchant them . . . rather let him help
them to learn the true meaning of Christmas.

So, may your Christmas be happy and bright. And
whatever your faith may be, as you attend your
Christmas church services, give thanks
for your birth in a land where you may worship
as you please, and where Christmas
is a joyous occasion for everyone.

Snyder Churches Set Special Events For Christmas Season

With Christmas only days away now, most Snyder churches are planning their final Christmas observances for Sunday or Wednesday services.

Musical programs scheduled for Sunday night will include the Christmas Carol Pageant at the First Methodist Church. More than 100 persons are expected to participate, members of the rhythm band, primary choir, junior choir, youth choir and adult choir. Robert Clinton will direct the program. Wayne Pitner will be organist and Mrs. Bob Crowell pianist.

The program will include many familiar carols with a scene for each song, and is to last about 30 minutes. Music on the program includes "Rise Up Early," "Bring A Torch, Jeanette Isabella," "The First Noel," and "Silent Night." The service begins at 7 o'clock.

UNION METHODIST

The children of the Union Methodist Church will present a Christmas program there Sunday night. An offering for the Methodist orphans home will also be taken. Wanda Powledge will be soloist at the morning worship service, singing "O Holy Night." The Rev. E. B. Thompson, pastor, will present a Christmas sermon then.

Activities at the church this week have included the WSCS Christmas party Monday, with Mrs. Charlie Capps and Mrs. O. B. Lindsey hostesses. Wednesday night there was a party at the church, with gifts from a tree for the children. The adult couples' Sunday school class held a party last night in the home of Mrs. Elmer Bentley. Members of the young couples' class will be guests at a party at 7 o'clock tonight in the home of Mrs. Murray Jackson.

AVENUE D BAPTIST

The Rev. J. W. Arnett, district eight missionary, will be guest speaker at the 11 a.m. Sunday service of the Avenue D Baptist Church. The pastor, the Rev. Floyd Strickland, is on a preaching tour of California.

Mrs. Roy Carter will direct a Christmas program at the evening service. The program will be a pageant, "The Nativity," and is to be presented in three scenes. Beth Wiman will be pianist.

FIRST BAPTIST

Mary Alice Thomas, a student at Hardin-Simmons University in Abilene, will appear as soloist at the First Baptist Church Sunday morning. She is to sing "Behold, the Master Passeth By." Miss Thomas will appear as alto soloist with the Snyder Community Choir at its presentation of Handel's "Messiah" at 3 o'clock Sunday afternoon in the high school auditorium. She is alto soloist with the Hardin-Simmons a cappella choir.

"Some Dangers of the Christmas Season" will be the sermon of the Rev. G. M. Cole, pastor, at the morning service.

UNION BAPTIST

A pageant telling the life of Christ will be presented at the Union Baptist Church Sunday night under the direction of Mrs. Eliza Ledbetter. A musical background will be sung by the church choir. The Lottie Moon Christmas offering will also be taken at this service, which is to start at 7:30 p. m.

An all-church party will be held at 7 o'clock Monday night in the fellowship hall of the church. Thursday night the young people's Training Union group will go on a caroling tour. They are to meet at the church at 7 o'clock, and will return there for refreshments at the conclusion of the tour.

Mrs. Roy Womble, wife of the pastor of the Union church, will meet with the Fluvanna Baptist Church at 11 a.m. Sunday. She is to tell the story of the life of Lottie Moon, a missionary in China for 40 years under the Southern Baptist board. Foreign mission offerings are taken annually in her memory.

NAZARENE CHURCH

Children from Sunday school classes will give a Christmas program at 10:30 a.m. Sunday at the Church of the Nazarene. The Rev. Henry C. Thomas, pastor, will take as his sermon topic "The Meaning of Christmas" at that service.

"The Faith of the Shepherds of Bethlehem" will be presented in the young people's service at 6:45 p.m.

CALVARY BAPTIST

Plans to broadcast a special Christmas program from 8:15 to 8:45 a.m. Sunday are being made by the Calvary Baptist Church. The Rev. T. Gerald Cates, pastor, will serve as scripture reader for the program, which will be under the direction of his wife. Mrs. Earl Henry will be pianist. Singing on the program will be Mrs. Cates, Mrs. Roy Hock, Sammie Fennel, Roberta Selman, Helen Sue Rader and Kent Fields.

"The Coming of Christ in Glory" will be the study of Bible classes meeting at 10 a.m. Mr. Cates will speak at the 11 o'clock service, taking as his subject "The Message of the First Christmas Angel." At 7:30 he will speak on "The Gifts of the Wise Men." The Sunday morning broadcast will be played by transcription at the Wednesday night service, with appropriate scenes in pantomine.

CHURCH NEWS

Class Meets For Christmas Dinner

The Business & Professional Women's Sunday School Class No. 1 of the First Baptist Church had its annual Christmas dinner Monday at the home of Mr. and Mrs. H. L. Bradley, Clairemont route.

Hostesses were Mrs. Charles Youngblood and Miss Maydell Burns. Eigteen members and three guests attended.

North Side Baptist To Host Youth Rally

The North Side Baptist Church will be host for a district Youth Rally at 7:30 p.m. Saturday night. About 200 persons are expected to attend, representing churches in Lamesa, Lubbock, Flower Grove, Anton and Pettit.

The program theme for the rally will be "Immanuel, God With Us." A special Christmas playlet will be presented at the close of the regular program.

Abilene Man To Preach At Local Church Sunday

James D. Willeford of Abilene is to preach at the two worship services of the Thirty - seventh Street Church of Christ Sunday. The morning service is scheduled for 10:45, with the evening service at 7 o'clock. Mr. Willeford is currently the speaker for the "Herald of Truth" broadcast heard nationwide on the ABC network.

Entertainers Leave For Overseas Bases

HOLLYWOOD (AP)—Penny Singleton, screen and radio actress, and actor Forrest Tucker will be among 81 entertainers departing today by Air Force transports to entertain military personel overseas over Christmas.

The group, largest ever assembled for Christmas shows by the Hollywood Coordinating Committee, will visit the Far East, North Africa, Alaska, Europe and the Northeast Air Command.

High School Singers On Rotary Program

The high school madrigal singers yesterday presented a Christmas carol program at the weekly luncheon of the Rotary Club.

Director of the group is Bob Clinton.

The Club, which now meets at Ballard's, will change its meeting place to the Hilander after Jan. 1.

Kenneth Wheeler, scoutmaster of Boy Scount troop 36, which is sponsored by the club, was a guest at the luncheon.

Double Parking Is Justified, Judge Rules

BUTTE, Mont. (AP)—She was before Police Judge John Selon to answer a charge of double parking.

"I deliver papers, judge," Frances Gilman told Selon.

"Can't you pack the papers two or three blocks if you have to?" he asked.

"No, sir," the small woman replied. "They weigh 1,500 pounds."

Selon suspended her $2.50 fine.

Successful Marriage

LOMA LINDA, Calif. (AP)—Healthful living, trusting in God and loving each other. That is the successful marriage recipe of Mr. and Mrs. William W. Lambeth, who today observe their 75th wedding anniversary. He is 103 and she is 96.

Special Service Set At First Christian

A special service will be held in connection with the morning worship service of the First Christian Church, the Rev. Glenn Ricketts, pastor, has announced.

This will be a service of blessing of children and dedication of parents. The nature of the service will be purely symbolic, Mr. Ricketts said, and it is not a formal function of the church. The purpose of the emphasis is to lift up the responsibilities of parenthood as well as the responsibilities of the congregation in rearing godly children, he said.

Mr. Ricketts will speak on "Christmas Gifts" at the 11 a.m. worship service of the church. At 7 o'clock Sunday night, he is to discuss "Christianity versus Religion."

Rev. LaDeke To Speak At Services Sunday

The Rev. Travis LaDeke of Tulia will preach for morning and evening worship services of the Green Hill Baptist Church Sunday in the absence of the pastor, the Rev. Jack O'Neal.

Mr. O'Neal and the Rev. Floyd Strickland, pastor of the Avenue D Baptist Church, are on a preaching mission in California. They plan to preach in the San Jose area through Sunday, then go to El Monte where they will visit Prof. Olie T. Brown at California Baptist College. They are to return to Snyder by Thursday. Mr. O'Neal and Mr. Strickland also plan to visit the Golden Gate Seminary in Berkley and several churches and missions throughout California.

Green Hill Church Sets Christmas Program

The Green Hill Baptist Church will have a Christmas program at 7 o'clock Wednesday night, Mrs. Jack O'Neal, wife of the pastor of the church, said yesterday. The public, along with members of the church, is invited to attend.

This will be a worship program giving Christ first place instead of Santa Claus, Mrs. O'Neal said. There will be no exchange of gifts, but persons attending are asked to bring food or toys which will later be distributed to needy families who would otherwise receive nothing. A special feature will be the showing of the film strip "Joy to the World."

Revival To Be Closed At Fluvanna Church

A revival now in progress at the Fluvanna Baptist Church will be concluded with services Saturday night.

The Rev. J. B. Chick, a former resident of Fluvanna and now pastor of the Flower Grove Baptist Church, will speak tomorrow night. His subject will be "What God Has Done In My Life." On Saturday night, the Rev. Jack Dean, pastor of the North Side Baptist Church, will preach on "A Saturday Night in Hell."

Evening services of the revival begin at 7:30.

Sunday School Class Has Christmas Party

The Business Women's Sunday School Class No. 2 of the First Baptist Church met for a covered dish supper and Christmas party Monday night at the home of Mrs. Silas Devenport, where Mrs. L. J. Colwell was co-hostess.

Miss Vela Bell read the Christmas story, and gifts were exchanged.

Members attending were Mrs. L. A. McClanahan, Mrs. Etta Bever, Mrs. Bob Parks, Miss Vera Perlman, Miss Lillian Huffstutler, Mrs. C. E. McGaw, Mrs. Vertna Gartman, Mrs. Jack Phillips, Mrs. Golda Nelson, Mrs. R. R. Patterson, Sr., Mrs. B. F. Pinnell, Miss Martha Donald, Miss Mantha Lanfried, Mrs. Pearl Walker, Mrs. Dell Smith, Miss Ethel Roberts, teacher, Miss Bell, Mrs. Teal, and the hostesses.

Rodeo Performer Helps Decorate County Tree

COLORADO SPRINGS, Colo. (AP)—Austin (Buck) Rutherford, of Lenapah, Okla., who makes his living hanging on rodeo stock, spent yesterday hanging tinsel on a courthouse Christmas tree.

He is serving a 10-day jail term for speeding 100 miles an hour in a 60-mile zone, and Sheriff Norman Short said he made the cowboy a trusty.

The Oklahoman is top contender for Cowboy of the Year honors as the nation's leading winner of rodeo prize money.

Penmanship Pays Off

HEREFORD, England (AP)—Police charged Charles Finlayson Hunter, 74, with drunken driving. To support their case in Magistrates Court yesterday, they submitted results of a handwriting test on the retired Army colonel and a doctor's certificate that Hunter was incapable of driving. The magistrates decided Hunter's writing was better than the doctor's. Case dismissed.

Pete McKenzie Asks Freedom After 31-Year Prison Hitch

HUNTSVILLE (AP)—After 31 years in prison, Pete McKenzie wants out.

"I've proved myself here," he says. "I've been a good prisoner."

Calm words for a man wild and vicious years ago—a two-gun man.

They said Pete killed a merchant policeman. They said he killed a detective chief. Pete admits knifing a fellow convict.

Pete spent years in death row. He smashed to freedom only to be recaptured.

But that was years ago, he says. Over and done with. Pete said a respectable job waits on the outside.

Desperation tinged that level voice. Time is running out on Pete. He is 52.

Pete claims he didn't commit the first murder he is accused of and that nobody knows who committed the second. He was nobilled in the convict death.

You may recall the notorious Pete McKenzie.

Born John McKenzie in Missouri, Pete got in his first serious jam at El Paso in 1924. One black night a merchant policeman broke up a burglary in a laundry across the street from Pete's home. A bullet thudded into him. Dying, he identified Pete, and an El Paso jury sent Pete to prison for life.

In 1927, Pete broke out. He turned up that Sept. 10 at San Antonio. He packed a gun under his arm and a revolver in his coat pocket.

Sam Street, San Antonio chief of detectives, was investigating an attempted hijacking at a nearby grocery. He walked up to Pete and said:

"Pardon me, son. What are you doing here?"

Those were Sam Street's last words. A bullet caught him in the throat.

Pete McKenzie was sentenced to die.

Asked now whether he killed Street, Pete says:

"I don't know. Nobody does. Sure, I was shooting that night. Everybody was.

"When they spoke to me I said something smart and someone hit me. I jumped back and someone pulled a pistol and shot me twice in the legs. I pulled my guns and fired. Then I turned to run and they opened up on me. So I turned around and blasted over their heads and they ran like rabbits.

"I limped along about a block and fell down. My guns were empty."

The state said Street died from a .38 slug. Pete says he has since heard he was killed by a .45 slug.

Of Pete's story, Bexar County Sheriff Owen Kilday grants:

"Yeah, that's what he says. But he killed old Sam. He admitted it to me and cried when he found out it was Sam who was dead."

Pete did not die in the electric chair. Dozens of stays saved him. One came minutes before death, his head shaved to take the electrode.

Pete shared death row with men like Ray Hamilton, Joe Palmer and Blackie Thompson. Hamilton, pal of Bonnie Parker and Clyde Barrow, smuggled in .45 automatics and broke out. Pete could have gone. He didn't.

Cigar-smoking Bonnie and bad man Barrow died in a bullet-punctured car near Shreveport, machine guns cradled in their arms. Blackie Thompson was shot down on the outside. Hamilton and Palmer went in the electric chair.

Pete's still around.

Officials began letting him walk the yard at will. A convict, thinking Pete had been currying favor, threatened him.

". . . The man again said he was going to kill me," Pete said. "I told him now was a good time to start. He grabbed a big board and started beating me. I backed away and when I commenced to black out I knew I couldn't go on any longer and I pulled out my knife and stabbed him."

The convict crumpled and died. Pete was no-billed after officials testified for him.

Fourteen years later, in 1949, a convict facing the electric chair went after Building Supt. E. W. McCullar with a razor. Pete stepped in, took the razor to the bone in his right arm and belted the convict off the cell tier and 20 feet down to a concrete floor.

The fall smashed the man's skull, but they saved him. Then he was electrocuted.

Pete was applauded for this but he asks sourly, slate-gray eyes bitter and hard:

"What good is it? Every time something violent happens to me they say, 'He's a killer—he's dangerous.' Well, I'm not. A person can be fearless but not dangerous. . . ."

Two Vehicles Are Damaged

No one was seriously hurt, but extensive damage was done to a pickup truck and a car which collided about 8 o'clock this morning at the intersection of Twenty-seventh Street and Avenue S.

Driver of the late model Chevrolet pickup was Jim Mixon, 3102 Avenue U. Driver of the 1951 Chevrolet club coupe was William Knox Greener, 60, 100 Thirty - second Street.

The passenger car came to a stop with its front wheels on the sidewalk at the northeast corner of the intersection after the collision, and the truck was just south of it and headed east. Both vehicles had to be towed away.

While the accident was being investigated by Leonard White, city policeman, a truck and crew from the city maintenance department arrived to repair the traffic signal light, which had been only partly working.

Children May Talk To Santa Claus Again

Snyder children will again be given the opportunity to talk to Santa Claus by telephone this year.

The Junior Chamber of Comber of Commerce, which last year had Santa talking by phone to children here, has again contacted him and lined him up for telephone chats with the kids.

James McClure, head of the Jaycee committee, said Santa will answer the phone at 3-5441 from 2 to 4 o'clock Sunday afternoon and 7 to 10 Monday and Tuesday nights.
