

On The  
BEAM  
By J. W. King, Sr.

Names to go on the ticket for school trustee must be filed not later than March 7, and for the city council by March 20 in order to insure that they are printed on the ballot.

For school trustee the terms of Royce Mahon and Harold Johnson expire and they are both candidates for re-election. For city councilmen the terms of Hubert Thomas and J. W. King expire, neither of whom will be a candidate for re-election. Somebody needs to file some names for these two places before the deadline.

If you want to put out a pecan tree or two this spring you have an opportunity to get them at a bargain price if you act at once. Call Dr. Bruce Johnson or see him in person and tell him the number of trees you want. Planting time will soon be here.

Pecan, the state tree of Texas, does well in this area. There are trees here old enough now to bear sizeable crops of the nuts each year. Besides bearing nuts almost every year with proper care the pecan trees make a wonderful shade tree and it does not take as long as you might think for a tree to grow to pretty good size. Let's make Lorraine the pecan center of this area.

Some people have been wondering the past day or two whether or not fruit trees really know when spring comes as most of them were in full bloom when the freeze came. The fruit crop probably won't be very large here this summer.

## Lutheran College Band In Concert In Roscoe Sunday, March 11, 3 P. M.

The Texas Lutheran College concert band, under the direction of M. A. Nyquist, will appear in a concert Sunday, March 11th, at the High School auditorium in Roscoe, under the sponsorship of Salem Lutheran Church.

The concert in Roscoe is one of 15 appearances the band will make on its annual tour through West Texas, Oklahoma, and Colorado, lasting 10 days.

There will be no admission charge but a free will offering will be taken.

Nyquist, a transplanted Nebraskan, has been the director of the Texas Lutheran band for five years and has earned an enviable reputation for fine work he has done at the only senior Lutheran College in the great Southwest.

Prior to coming to Texas Lutheran College, Nyquist was the band director at Huron College in South Dakota. Before that, he spent over 20 years as a band director with public schools in Nebraska and Wyoming.

His degrees are from the University of Wyoming. The easy-going Swede is also well known for his composing, having had over 50 published compositions, arrangements, and transcriptions which include band, choral ensemble, and instrumental solos.

Nyquist is a firm believer in presenting concerts which appeal to all types of music listeners. As a result a varied program is in store for residents of this vicinity.

Don't be surprised, then, if the band breaks out with a toe-tapping polka which Nyquist himself composed or a stirring march, since the TLC director believes in a concert which pleases the young and the old.

Actually, audiences which have heard the Lutherans play, feel the band has a real gift touch with music for everybody.

**HEALTH AND SAFETY TIPS ON NOSEBLEEDS**  
 How do you stop a nosebleed? Almost everyone has his own pet remedy. Remember the technique of inserting a wad of paper under the upper lip? And after a while the bleeding stopped. Of course, the paper probably didn't really help and the bleeding would have stopped anyway.  
 Some people, particularly children, have frequent nosebleeds even though they have no serious disease. Small blood vessels under the delicate nasal lining may rupture easily, especially during violent exertion. Nosebleeds are common following a blow on the nose.  
 Exposure to high altitudes can cause nasal bleeding. Some diseases also are caused in nosebleeds. High blood pressure sometimes is to blame.  
 Loss of blood usually is much less than the victim thinks, and, unless bleeding persists, this loss usually isn't serious.  
 Several suggestions for treating nosebleeds are offered in the February issue of Today's Health, the magazine of the American Medical Association.  
 "Have the victim sit up unless he is faint.  
 "Apply large, cold wet towels over the face, nose and back of the head and neck.  
 "Pinch the nostrils together. The bleeding point is usually near the tip of the nose.  
 "Keep the victim quiet. He should not cough, blow his nose or walk about during or soon after a nosebleed. Even talking or laughing should be avoided. He should breathe through his mouth.  
 "If bleeding is severe or prolonged, call a physician.

### QUESTIONS AND ANSWERS

Q. Is it true that married children of veterans have some educational rights?  
 A. Yes, provided that (a) their veteran-parent is deceased and that the death was due to a service-connected disability and (b) that the son or daughter is between 18 and 23, although exceptions to this may be made in some instances. These "children" are termed "war orphans" for the purpose of the War Orphans Educational Assistance program and their marriage does not deprive them of this benefit.  
 Q. Will an annual GI insurance dividend be paid during 1962 and when?  
 A. Payments of the annual GI insurance dividend are now being made and will reach eligible policyholder on or about the date of the anniversary of his policy's issuance.

Q. As a war-veteran with a nonservice-connected disability, I have succeeded in arranging admission to a VA hospital at a future date. But I cannot afford the cost of travel to the hospital which is some distance from my home. How do I apply for travel at government expense?  
 A. Write to the VA hospital which has arranged for your future admission, explain the situation and request authorization of travel expense.  
 Q. How many World War I veterans took advantage of the GI loan benefit to buy homes?  
 A. The GI home loan program was not set up until the end of World War II and World War I veterans were never eligible for its benefits.

# Today's MEDITATION

## The Upper Room

Read Luke 12:13-21  
A man's life consisteth not in the abundance of the things which he possesseth. (Luke 12:15)  
A parable has been described as an earthly story with a heavenly meaning. Jesus used many parables to illustrate His teachings. For instance, He told the parable of the rich man who had bountiful harvests and decided to build larger barns to hold them. Thus he planned to have "goods laid up for many years" so that he could take his "ease, eat, drink and be merry."

But God said to him, "Thou fool, this night thy soul shall be required of thee." Jesus concluded the parable, saying, "So is he that layeth up treasure for himself, and is not rich toward God."  
What an example of our world today! People spend so much effort and worry accumulating and increasing material wealth. They give so little time and attention to laying up spiritual treasure, which cannot be taken away, even by death. These are the treasures of love, mercy, kindness, justice—fruits of being faithful followers of Christ, of His way of life.  
Prayer: Our Father, forgive us for striving for earthly pleasures and possessions. Turn our minds and hearts to seek spiritual treasures which pass not away. Trusting Thee to supply our needs, in Christ's name we offer our prayer. Amen.  
Thought For The Day: "Set your affection on things above, not on things on the earth."  
Eva M. Muma (Michigan)
