

Albert Smith, election judge dropped by the other day with a reminder for the folks when they go to vote Tuesday. It will greatly facilitate the job of the election officials if you bring your voter registration certificate with you to the polling place.

Albert says that the ballot will be quite lengthy due to the number of candidates and the state constitutional amendments, so to facilitate the voting procedure a registration certificate will shorten the time at the polls for you and everyone else.

A not uncommon ripoff was brought to our attention last week by Glen Shot, one of our readers. Glen reports that lately in his travels he has stopped at filling stations advertising a lower than average price for their gasoline, but upon getting to the pump finding the pump price to be several cents over the curb advertised price. In a self-service station, a body can fill his tank before noticing the upped price. This has happened to Glen several times and he reports some success in getting refunds over the price discrepancy.

We suppose that there is a legal remedy for this sort of chicanery and the perpetrators should be brought to task, but as with many highway ripoffs it probably would be difficult to prove in court.

Probably the best thing is for the public to watch for this sham and just move on when it is noted.

Good grief, Mr. President, look to the federal government as a prime mover in the ever-increasing rate of inflation. It is all right to ask industry and labor to hold the wage and price line if, and it's a big big if, you can repeal or nullify some of the already existing laws which will compel price increases in the future.

In the little operation of the Tribune, we already have three significant increases in the cost of our business already built in by law for the next ten years or so.

To enumerate some of the readily identifiable future costs to the production of the Tribune, we will start with the large increase in Social Security tax due to take effect the first of the year. Don't forget, business and industry MATCHES the employee contribution and this must come as an operating expense to the business.

Let us look at another significant cost escalator for all businesses. We are referring to the increase in the minimum wage due to be effective January first. When the bottom wage rate is increased it is also necessary to bump wages up all along the pay scale. Like the Social Security tax, the minimum wage is due for periodic increases already set by law.

A not insignificant cost of business for the Tribune is postage, and we have laws now that will raise our postage at regular intervals for the next six or seven years.

Already, TODAY, we know that taxes, labor and postage will increase for us, BY LAW, for the next several years. There is no way that we can absorb these built-in governmentally decreed raises in our cost of business at our present price structure.

All business and industry are likewise affected by GOVERNMENT mandated rises in overhead and expenses. We believe that all honest, hard working, fair minded Americans would be glad to hold prices down if the rising burden of governmentally decreed expenses were taken off our collective backs. Mr. President; before you grin at the people, try snarling at Congress.

Elementary King And Queen

Lance Castleberry and Leslie Monk were crowned Halloween Carnival Royalty of Farwell Elementary School at the coronation ceremony following the carnival Saturday night. Lance, son of Mr. and Mrs. Jimmy Castleberry, and Leslie, daughter of Mr. and Mrs. Jerry Monk, are first graders in Mrs. Judy Howard's room.

Farmer Brown And Friends

Farmer Brown (Harold Carpenter) assisted by his wife, Avis, left, and Ruby Meeks, helped man the Country Store at Farwell's Halloween Carnival Saturday night. The trio came dressed appropriately for the sophomore-sponsored booth, the women wearing old fashioned bonnets and long dresses while Carpenter donned his straw hat and wielded a pitchfork. The booth offered all types of home baked and home canned delicacies as well as many other types of hand made articles for sale.

Carnival Good Time

Regardless of age, Farwellites were offered an evening of good old-fashioned, family style fun Saturday night during the Halloween Carnival. There were all types of goodies to eat and drink as well as many games and activities to enjoy.

Highlight of the second annual Halloween funfest occurred around 10 p.m. when the Carnival royalty was crowned.

Elementary king and queen were Lance Castleberry, son of Mr. and Mrs. Jimmy

Castleberry, and Leslie Monk, daughter of Mr. and Mrs. Jerry Monk. Secondary (high school and junior high) honorees were Yolanda Martin, daughter of Mr. and Mrs. Bill Martin, and Kirk Magness, son of Mr. and Mrs. Ted Magness.

Black velvet crowns decorated with silver Halloween motifs and silver scepters were presented the kings. The queens received bouquets of orange carnations as well as black and silver crowns. Shirley East, high school art

teacher, made the crowns and scepters for the event.

The coronation setting was decorated with Halloween figures, including hobboblins, witches, and ghosts, and featured jack-o-lanterns, a scarecrow, and bales of hay on which the kings and queen were seated.

Sophomore class was in charge of decorations for the coronation and two class members, Clay Williams and Sharmy Christian, introduced the high school and junior high

ESA Prepares For Walk-A-Thon

A Walk-A-Thon to raise funds for Cystic Fibrosis is slated for November 11 from 8 p.m. CST at the Farwell track. Sponsor of the event is the Theta Rho Chapter of Epsilon Sigma Alpha sorority. Walkers as well as joggers are welcome, as fast and slow lanes will be provided for both groups. All entrants are asked to have one or more sponsor. Minimum donations are 50 cents per lap.

To register, contact either LaMoin Williams, chairman, at 825-2531 or Margaret Aycock, 481-3885. All participants will be asked to fill out an information sheet listing all sponsors.

Challengers are encouraged. Anyone earning \$25 or more will receive a T-shirt with the words "I did it" printed on it.

There is no age limit. Cystic Fibrosis has always been the ESA state philanthropic project, and in past years the local chapter has donated funds to the project, but this is the first year the group has conducted a Walk-A-Thon.

On Your Mark For CF

These four Farwellites are all set to go in the Theta Rho Chapter of Epsilon Sigma Alpha sorority Walk-A-Thon for Cystic Fibrosis slated for November 11 at the Farwell School Track. Participants are, from left, Jennifer Williams, Jerry Yows, Greg Atkinson, and Sallie Chandler. On November 11 they will join other volunteers who will either walk or jog around the track in an effort to raise funds for CF.

General Election Balloting Tuesday

Active Campaigning Guides Texas Voters

Texas voters will join other voters throughout the nation on Tuesday, Nov. 7, as they go to the polls to decide a variety of races on the national, state and local level. They will also vote on nine proposed constitutional amendments.

Polls will be open from 7 a.m. to 7 p.m. CST. Absentee voting in the general election concludes today (Friday) at 5 p.m. in the county clerk's office.

Parmar County voters will utilize the following polling sites next Tuesday: Parmar County Courthouse in Farwell, the elevator in Black, the fire station in Friona, the old American Legion Hall in Bovina, the Lazbuddie School, the Oklahoma Lane Community Center, the Rhea Parish Hall, and the Otho Whitefield residence in Lakeview.

Voters are reminded to bring their registration slips with them to the polling places. "It will not only save time for you, the voter, but it will save much time for the clerks who must hunt through the long list of registered voters," says Albert Smith, election judge.

He suggests that everyone get out their registration slips now and put them in their billfolds, so that they will be ready on election day.

Campaigning has been active and heated in many races with the race for governor probably causing the most interest. Four candidates are vying for the governor's seat with Democrat John Hill and Republican Bill Clements leading the list. Also trying for the post are Mario C. Compean, Raza Unida Party, and Sara

Jean Johnston, Socialist Workers Party.

In the race for United States Senator, Republican John Tower, incumbent, is challenged by Democrat Bob Krueger. Also on the ballot are Luis A. Diaz DeLeon, (Continued on Page 2)

Texans To Decide On 9 Amendments

Besides casting ballots for the candidates of their choice, Texas voters will also decide the fate of nine proposed constitutional amendments Tuesday when they go to the polls.

Heated Races Stir Interest In N. Mex.

When New Mexico voters go to the polls next Tuesday, Nov. 7, they will make their choice in national, state and local races as well as decide on four proposed constitutional amendments.

The polls will be open from 8 a.m. to 7 p.m. MST. Texico residents will vote in the City Hall. One of the most hotly contested races is that for the governor's seat in which Republican Joseph R. Skeen faces Democrat Bruce King. In the lieutenant governor's race, Democrat Roberto A. Mondragon opposes Republican R. Leo Dow. Campaigning has also been heavy in the race for U.S. Senator where incumbent Pete Domenici, Republican, is challenged by Toney Anaya, Democrat.

Democrat Harold L. Runnels is unopposed for U.S. Representative as is Hoyt Patterson, Republican, who is running for re-election as state representative.

Several district and county races will also be decided on Tuesday.

Two Democrats, District Judges Reuben E. Nieves, Division I, and Fred T. Hensley, Division II, are unopposed for their respective offices.

Candidates for District Magistrate, Division I, are Ernest (Continued on Page 2)

Four Amendments Face N.M. Voters

New Mexico voters will consider four constitutional amendments when they go to the polls next Tuesday. Constitutional Amendment Number One permits, in addition to existing causes provided for in the constitution, a justice, judge or

magistrate or any court to be disciplined or removed for "inability" rather than "willful failure" to perform his duties. Constitutional Amendment Number Two would permit the chief justice of the Supreme (Continued on Page 2)

Vying for the seat of U.S. Representative, 19th District, are Republican George Bush and Democrat Kent Hance.

On the Farmer County scene, two contested races are providing interest in the county commissioner posts in Lazbuddie and Bovina. Vying for the post of County Commissioner, Precinct 4, are incumbent Jimmy Briggs, Republican, and Raymond McGehee, Democrat. Running for the post of County Commissioner, Precinct 2, are Democrat Jack Patterson and Republican Vernon Estes.

On the local scene in Farwell, Ray E. Mears who is running for re-election for justice of the peace, precinct 1, is being challenged by Carrell Watkins who is running as a write-in candidate for that post.

Democrats unopposed for re-election include Pat Boone, Jr., District Judge, 154th District; Paul Fortenberry, county judge; Dorothy Quickel, district clerk; Bonnie Warren, county clerk; Benna Felts, county treasurer; Frances Euler, justice of the peace, precinct 2; and Wayne Spears, justice of the peace, precinct 3.

In other statewide races, Democrat Bill Clayton is unopposed for state representative, 74th District.

Democrat Bill Hobby and Republican Gaylord Marshall are running for the post of lieutenant governor as well as Andrea Doorack, Socialist Workers Party.

Running for the post of attorney general are Democrat Mark White, Republican Jim Baker and Agnes Chapa, Socialist Workers Party.

Democrat Bob Bullock is unopposed for comptroller of public accounts.

Warren G. Harding, Democrat, seeking re-election as state treasurer, is opposed by Derrick Adams, Socialist Workers.

Seeking the post of railroad commissioner is Democrat Mack Wallace and Jana Pelusch, Socialist Workers.

Vying for the post of railroad commissioner (unexpired term) are Democrat John Poerner and Republican James W. Lacy.

Democrat Bob Armstrong is unopposed for Commissioner of General Land Office, and Democrat Reagan V. Brown is also unopposed for Commissioner of Agriculture.

The following Democrats are running unopposed: Joe R. Greenhill, Chief Justice, Supreme Court; Franklin Spears, Associate Justice, Supreme Court, Place 1; Sam D. Johnson, Associate Justice, Supreme Court, Place 2; Charles W. Barrow, Associate Justice, Supreme Court, Place 3 (four year unexpired term); Also, Robert M. Campbell, Associate Justice, Supreme Court, Place 4, (two year unexpired term); Wendell A. Odom, Judge, Court of Criminal Appeals, Place 1; Sam Houston Clinton, Judge, Court of Criminal Appeals, Place 2; W.C. (Bill) Davis, Judge, Court of Criminal Appeals, Place 3.

And, Mary Lou Robinson, Chief Justice, Court of Civil Appeals, 7th District; Carlton B. Dodson, Associate Justice, Court of Civil Appeals, 7th District (unexpired term).

Nine Amendments . . .

lature to exempt certain household goods and personal effects, and allowing the legislature to exempt all or part of the personal property homestead from state and local property taxation;

...requires the legislature to provide for the taxation of farm and ranch land on the basis of its productive capacity instead of its market value and allows the legislature to provide for the taxation of timber land on its productive capacity;

...permits local governments to extend the present exemption of not less than \$3,000 of the residence homestead of persons 65 and older to include certain disabled persons.

...grants an exemption from public school property taxes of \$5,000 of the market value of the residence homestead. It authorizes the legislature to grant an additional exemption from public school property taxes of an amount not to exceed \$10,000 of the market value of the residence homesteads of persons 65 years of age or older and certain disabled persons. If a person 65 or older qualifies for this exemption, the total amount of public school taxes imposed on the person's homestead may not be increased;

...prevents local governments from increasing property taxes unless the government body provides public notice and conducts a public hearing; requires the legislature to provide by law for each property owner to receive notice of the revaluation of his property and the amount taxes will be increased;

...limits appropriations from state tax revenue to an amount not to exceed Texas' estimated economic growth rate, with the legislature authorized to make exceptions for emergencies;

...prohibits the statewide appraisal of real property for property tax purposes. Enforcement of uniform standards and procedures for appraisal of property for property tax purposes is required to originate in the taxing authority where the property tax is imposed.

Amendment Number One (S.J.R. 50) proposes to delete an archaic reference to the "Deaf and Dumb Asylum;" would allow the state of Texas to purchase products and services done by handicapped individuals in nonprofit rehabilitation facilities without complying with bid requirements applicable to other state contracts; would also eliminate the formality of certain state contracts by the Governor, Secretary of State and the Comptroller of Public Accounts.

Amendment Number Two (S.J.R. 55) proposes to limit local governments to issue bonds for the reconstruction or acquisition of facilities (land, equipment and improvements) designed to develop employment opportunities. These bonds would be payable solely from the revenue from the sale or lease of these facilities. The building or acquisition of such facilities must be determined by the local government to be necessary to develop employment opportunities.

Amendment Number Three (S.J.R. 44) proposes to allow the legislature to authorize cities and towns to issue tax increment bonds to finance the re-development of blighted areas. The bonds are to be paid solely from revenue from municipal tax increments. Payment cannot be made from the revenue of municipal taxes, utilities or other services.

Amendment Number Four (S.J.R. 53) proposes to allow the legislature to exempt from taxation solar or wind-powered energy devices.

Amendment Number Five (H.J.R. 37) proposes to grant exclusive jurisdiction to justices of the peace in civil cases where the amount of controversy does not exceed \$200 except where the legislature gives exclusive jurisdiction to another court;

...grants justices of the peace concurrent jurisdiction with county courts where the amount in controversy is between \$200 and \$500, except where the legislature gives the county court exclusive jurisdiction;

...also grants justices of the peace concurrent jurisdiction with both county and district courts where the amount in controversy is between \$500 and \$1,000, except where the legislature gives the county or district court exclusive jurisdiction.

Amendment Number Six (S.J.R. 45) proposes to allow the legislature to expand the number of judges on any court of civil appeals. Presently courts of civil appeals are limited to a chief justice and two associate justices. The amendment also would allow the courts to sit in sections, with the concurrence of a majority of the judges sitting in the section necessary to decide a case.

Amendment Number Seven (S.J.R. 48) proposes to eliminate the State Building Commission and the State Building Fund. The authority of the State Building Commission has been transferred by law to the State Board of Control.

Amendment Number Eight (H.J.R. 42) proposes to allow certain political subdivisions or districts in the state that can presently issue bonds or other indebtedness or otherwise lend its credit to engage in fire fighting activities and to issue bonds or otherwise lend its credit to support such activities.

Four Amendments . . .

(Continued from Page 1)

Court to designate any retired justice of New Mexico to act as a district judge pro tempore in a cause where the regular district judge is disqualified from hearing the cause or is unable to expeditiously dispose of it.

Constitutional Amendment Number Three would authorize the legislature to enact legislation providing for the postponement of real property taxes on residential property owned and occupied by persons over the age of 62 or by persons, regardless of age, whose income consists of total disability benefits. The title to the property must have been held by such persons for at least five years. Postponement of taxes would end on the death of the taxpayer or upon transfer of property.

Constitutional Amendment Number Four does two things: It provides an annual salary of \$300 per month for state legislators beginning in January, 1979, and gives constitutional authority to the legislative retirement program.

Most newspapers pick Hill over Clements

"John Hill may be the best candidate for governor in decades. Judging from his record, he should win easily over his Republican opponent, whose chief qualification is money. Unlike his opponent, Hill is not given to outrageous promises, intemperate personal attack or underhanded tactics. He will work hard for the best interests of the state and its people."

— Austin American Statesman

"The more Mr. Clements has explained his blunt viewpoints — even those views we could agree with — the more he has raised doubt as to how effective a bulldozer could be in Texas government. Conversely, John Hill has grown in our evaluation as a man who not only is the best state attorney general in recent history, but also is a man with the intelligence, savvy and ability to serve Texas well as governor."

— Abilene Reporter-News

"We believe Hill will bring vitality and leadership to state government. Hill is not an advocate of big government. Nor is he a free spender. He has pledged that no new taxes will be levied if he is elected. His anti-inflation program is the kind of fiscal conservatism Texans can accept gleefully."

— Corpus Christi Caller

JOHN HILL
GOVERNOR

We've seen this man in action. Kent Hance — state senator. We know he listens . . . and acts . . . and leads. We need him now in Congress — a man with experience. There's a job to do — and we can count on Kent Hance for strong representation for West Texas. We need to keep good men in government. Kent Hance has proved himself a leader.

Now, let's get his brand of leadership pulling for us in Congress.

Weekly Contest Winner Calls Perfect Entry

It had to happen. Sooner or later someone just had to call a perfect slate to claim the undisputed first place prize in the weekly football contest.

Jay Anderson of Farwell proved to be the erudite guesser last week as he called all 12 games correctly. He received the first place check for \$7.50.

Kathy Curtis of Farwell also called a perfect entry and was closer on the tiebreaker, but since she works for the Tribune she is ineligible to win the weekly prize money. Mrs. Curtis and other Tribune employees enter each week "just for fun" and have their own contest going.

Two other entrants, nearly as proficient as young Anderson, tied for second and third with 11 correct guesses and by

missing the tiebreaker by 14 points each.

Marcia Cole and Jerry Owen will share the combined prize money of \$5 and \$2, each receiving a check for \$3.50.

Mrs. Cole slipped up by picking the Bears over the Lions and Owen missed a shot at first place when he selected Missouri over Colorado.

Three entrants also guessed 11 right including Fred Curtis, 17 points off the tiebreaker; Delores Williams, 21 points off; and Maurice Smith, 25 points off. They each went astray when they selected the Bears to be victorious over the Lions.

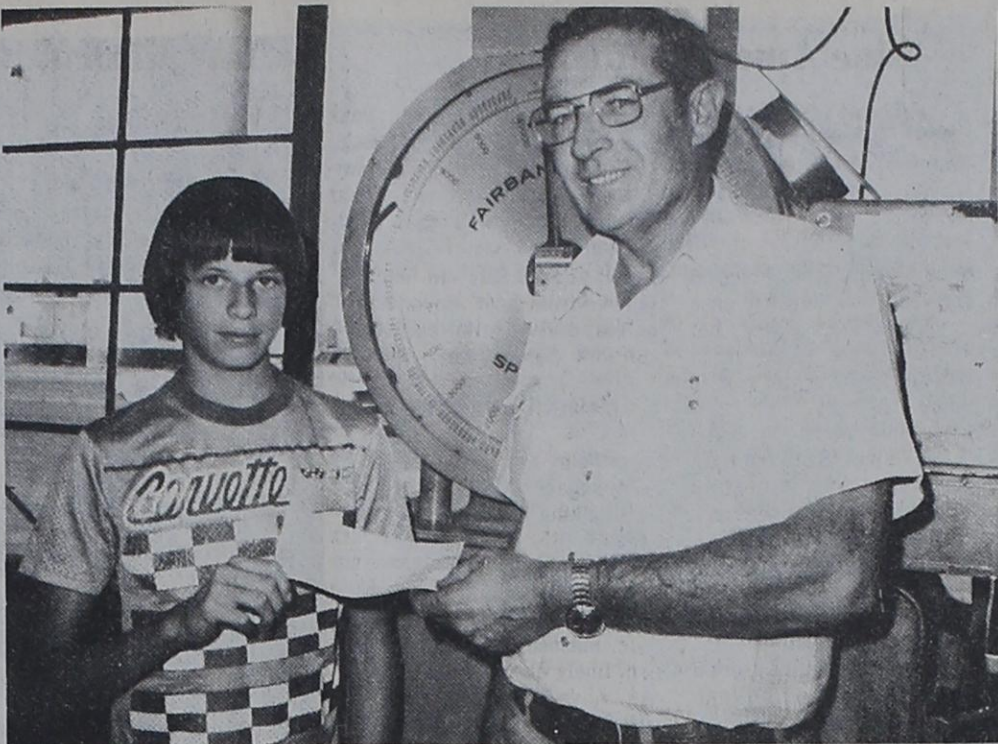

Going into the ninth week of the contest, Jerry Roddam still maintains the first overall lead with 67 points. Karen Lusk who had been sharing

the first place lead the past few weeks dropped to second place with 66 total points.

Lorine Dannheim is all alone in third place with 65 points and Eugene Lonsdale and Champ Porter are in fourth place with 64 points.

Those in fifth place with 63 points are Fred Curtis, Carl Dean Goettsch, Greg Hromas, Jack Allan Kirkland, T.J. Kittrell, Larry McDorman, Sheree Montgomery, Carlton Newell, Earlene Porter, Robin Roberts, Maurine Smith and Beulah Williams.

Even though the lucky finalist will no doubt be plumed from the ranks of the contest leaders, it is not too late to enter the weekly guessing arena and vie for the \$7.50, \$5 or \$2 weekly prize money.

Proficient Guesser

Jay Anderson, Farwell Junior High student, became the first contestant in the 20th Annual Merchants Football Contest to call 12 games correctly when he turned in a perfect entry last week. Jay receives the check for \$7.50 from Fred Chandler of Sherley-Anderson-Pitman of Farwell, one of the contest sponsors. Marcia Cole and Jerry Owen tied for second and third place with 11 right choices and by missing the tiebreaker by 14 points each.

Farwell FFA Sells Fruit

Farwell Chapter of Future Farmers of America has launched its annual fruit sale. This year for the first time they offer Delicious apples, in addition to grapefruit and oranges, and the oranges will be navel oranges.

The apples sell for \$7.50 for 20 lbs. The oranges are \$9 for 40 lbs. and \$5.25 for 20 lbs. Ruby Red grapefruit are \$8.50 for 40 lbs. and \$5 for 20 lbs.

A box of half oranges and

half grapefruit may be purchased for \$9.

Deadline to order is November 10. The fruit will be delivered from November 27-December 8.

If anyone has not been contacted and would like to order either the apples, oranges or grapefruit, they are asked to contact Richard Montgomery at 481-3351 or 481-3676.

Fortenberry Hears Cases

Parmer County Judge Paul Fortenberry fined Lazaro Martinez, 22, of Bovina \$250 plus court costs for each offense for driving while intoxicated and resisting arrest.

Willie P. Wilson, 42, of Friona was fined \$100 plus court costs for DWI.

"Exuberance is beauty."

Johnson Head Of Sanitation Department

Farwell City Council at its Monday night meeting promoted city employee John Johnson to Superintendent of the Sanitation Department at a salary of \$620 per month.

The Council also discussed the possibility of passing a liquor ordinance designed to control drinking in public places. They decided to draft one similar to the one passed recently by the city of Friona.

Also okayed by the Council was a request by Water Superintendent Dee Hammit to

attend a water school in Lubbock, November 7-9. City Marshal Ronnie Mitchell was also given permission to attend a Texas Narcotics Officers Area Meeting November 8-9 in Wichita Falls.

Approval was given a request by Alpha Rho Lambda chapter of Beta Sigma Phi sorority to donate some playground equipment to the city park provided that the City is notified in advance of what equipment is to be installed where.

Portraying Area Homemakers

by Shirley Gorman

Mrs. Vernon (Cynthia) Thigpen of Farwell, area homemaker for this week, is a creative woman who likes to stay busy. Even when relaxing or watching television she likes to work with her hands, making things for gifts and for her family.

She sews, knits, crochets and does macrame. In addition Mrs. Thigpen also reads numerous home and family magazines looking for new ideas and patterns. Recently she began working on items for Christmas.

Besides making a wreath out of scraps of cloth, Cynthia has also made numerous tree ornaments all fashioned from scrap material. She also has two ornaments on which she has stitched the names of her two children, Sheryllyn, 10, and Todd, 8.

She is also working on several other gift ideas, but declined to have them mentioned as she did not want to "give anything away."

She has also made a Christmas card hanger for her family to use this holiday. It has a pouch for Christmas cards and numerous toy figures featured on a bright red background. Written over the pouch are the words "Christmas Mail."

Cynthia learned to sew in high school (she is a Texico graduate), but said she did not really like it then. Later after she married she said her mother and mother-in-law were always giving her pieces of material so she "started sewing again." Now she likes it very much and can sew for hours at a time. Our homemaker makes clothes for both herself and her children.

She learned to crochet from her mother and grandmother and she is a self-taught knitter. She learned how to do macrame from a friend and studied books to learn the more complicated designs. She has also crocheted an afghan.

She says she would love to do needlepoint someday, but so far has not attempted any such projects.

Besides making things, Cynthia likes to work around her home. Recent projects included re-papering the bathroom and kitchen. "I love to redecorate," she said.

Last year they also painted the outside of their home on Eighth Street.

Mrs. Thigpen is always on the look out for new patterns, ideas and projects to pursue. She said that often she will stick with something until it is finished, one way or the other.

Our homemaker is involved with school activities such as the Halloween carnival in which her son was a King candidate.

Sherilyn is involved with Girl Scouts and sometimes her mother is called upon to help out with transportation and other things.

Mrs. Thigpen is a member of the Faith Sunday School Class of the First Baptist Church in Texico, and has served as class president for three years.

She said she moved to Texico when she was seven years old, adding that her husband was born in Clovis. They both graduated from Texico High. For a time after they married they lived in Hereford, but moved back "home" five years ago.

Mrs. Thigpen has consented to share the following three recipes with our readers:

GOLDEN BUBBLE RING

2 pkg. active dry yeast
1/2 c. warm water
1/2 c. milk, scalded
1/2 c. shortening
1/2 c. sugar
1 t. salt
4 1/2 c. sifted all purpose flour
2 beaten eggs
3 T. butter, melted
3/4 c. sugar
1 t. cinnamon

Soften yeast in warm water (110 degrees). Combine milk, shortening, 1/2 c. sugar and salt. Cool to lukewarm. Add 1 c. flour, beat well. Add yeast mixture and eggs. Beat smooth. Mix in remaining flour, or enough to make a soft dough.

Knead on lightly floured

surface 8-10 minutes. Place in a greased bowl, turning once to grease surface. Cover. Let rise till double (1-1 1/4 hrs.) Punch down. Cover, let rest 10 minutes.

Shape into about 28 balls, golf ball size. Roll each in melted butter, then in mixture of 3/4 c. sugar and cinnamon.

Arrange in well-greased 10-inch tube pan. Sprinkle with any remaining sugar mixture. Let rise in warm place till double (about an hour).

Bake in 350 degree oven 35-40 minutes. Cool in pan 15-20 minutes. Invert on rack, remove from pan.

SPANISH STYLE RICE

2 8-oz. cans tomato sauce
1/2 c. water
1/2 c. diced green pepper
1/2 c. finely chopped onion
1/4 c. butter
1 t. salt
1 t. sugar
1/2 t. prepared mustard
dash of pepper
1 1/2 c. minute rice

Combine sauce, water, onion, green pepper, butter, salt, sugar, mustard and pepper in saucepan. Cover and bring to

a full boil. Stir in rice. Remove from heat. Cover and let stand five minutes. Stir with fork. Serves four.

BANANA NUT CAKE

2 1/4 c. flour
1 1/2 c. sugar
1 1/4 t. baking powder
1 t. salt
1/2 c. shortening
1/2 c. buttermilk
3 eggs (1/2 1/2 c.)
1 1/4 c. mashed ripe banana
1/2 c. finely chopped nuts

Heat oven to 350 degrees. Grease and flour baking pan, 13x9x2 or two nine-inch pans. Measure all ingredients into large mixer bowl. Blend 1/2 minute on low speed, scraping bowl constantly. Beat three minutes on high speed, scraping bowl occasionally. Pour into pans.

Bake in oblong pan 45-50 minutes; layers 35-40 minutes or until wooden pick inserted in center comes out clean. Cool, then frost with:

CREAM CHEESE FROSTING

1 3-oz. pkg. cream cheese, softened
1 T. milk
1 t. vanilla
dash salt
2 1/2 c. powdered sugar

Blend cream cheese, milk, vanilla and salt. Gradually add sugar, beating until frosting is smooth and of spreading consistency. If necessary stir in additional milk one teaspoon at a time.

Prepares For Christmas

Even though Christmas is weeks away, Mrs. Vernon (Cynthia) Thigpen of Farwell, area homemaker, is busy making decorations, ornaments and presents. She is holding two special ornaments on which she has stitched the names of her children - Sheryllyn and Todd. Resting against the back of the chair is a wreath, and a Christmas card holder is in her lap. She says she likes to stay busy working with her hands.

Packing school lunches can get boring for you as well as your children. Try something new occasionally and see if it doesn't make a difference.

Don't forget safety when choosing and packing lunches. Since it is unlikely that the lunch will be refrigerated, insulated vacuum bottles or lunch boxes are a good bet. The foods will retain the proper temperature longer.

Try freezing cans of juice. They will thaw by lunchtime and will keep the rest of the lunch cool until then.

Here are two recipes sure to be a hit in any lunch box.

CRUNCHY GRANOLA

Makes about 6 cups

4 c. rolled oats
1/2 c. wheat germ
1/2 c. shredded coconut
1/2 c. nonfat dry milk
1 c. slivered almonds
1 c. raisins
1/2 c. oil
3/4 c. liquid brown sugar
1 tsp. vanilla

Preheat oven to 350 degrees. Spread the rolled oats in an ungreased 13x9 inch pan. Heat oats in oven for 10 minutes. Combine wheat germ, coconut, dry milk, almonds and raisins with oats in baking pan. Add oil, liquid brown sugar and vanilla. Bake at 350 degrees for 20 to 25 minutes, stirring often to brown evenly. Cool. Stir mixture until crumbly. Store in tightly covered container in refrigerator.

FUDGENUTTY BARS

Makes about 9 dozen 1-inch cookies

1 c. (2 sticks) butter or margarine
3/4 c. liquid brown sugar
2 c. (one 12-ounce package) chocolate morsels
4 c. Grape-nuts cereal

In a 3-quart saucepan, combine butter, liquid brown sugar and chocolate. Over very low heat, cook and stir until butter and chocolate are melted. Add and mix in cereal. Turn into foil-lined 13x9 inch baking pan and spread evenly. Refrigerate until cooled and cut into squares.

There is still time to sign up for the "Save Home Energy Letter" series. This is a series of six letters sent to you free of charge. Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic levels, race, color, sex, religion, or national origin.

Reducing home energy use can be easier and this letter series tells you how. The letters cover home energy conservation, caulking and weatherstripping, treatment of windows and glass areas, selecting insulation, heating and cooling systems and moisture problems and ventilation.

Please call the Extension Office at 481-3619 or come by the Courthouse and sign up for this valuable series of letters.

'Holiday Fling' Set At Clovis Kingswood

"Holiday Fling" is the name of the show to be sponsored by Kingswood United Methodist Women's Fellowship on Saturday, Nov. 4, from 10 a.m. until 2 p.m. at the church, corner of Yucca and Main in Clovis.

Featured will be a bake sale, art show, luncheon and style show.

A luncheon will be served at noon, consisting of ham, salad, beans, hot rolls and dessert. The style show will start at 12 noon and feature styles for both adults and children from Clovis shops.

Tickets can be purchased

from any of the church women. They will also be available at the church office. Reservations may be made by calling 762-1253. Tickets are \$3.00 for adults and \$1.50 for children under 12.

Kathy Adair will be acting as general chairman for this pre-Christmas activity assisted by the Faye Armstrong Fellowship. Virginia Reid will be in charge of the art show.

The luncheon is to be prepared and served by the Inquirers Class with Trudy Allen acting as head hostess.

Consumer Food News

Best buys at Texas grocery markets this week include fryer chickens, eggs, potatoes and onions, Gwendolyn Clyatt reports. Also, "feature" items in several departments make budget buys, she says.

Mrs. Clyatt is a consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

This week's price-quality trends are the following:

POULTRY--Fryers are a leading feature in some markets with whole birds the best value. Eggs are a good value, but prices will trend upward, most likely, as the holiday season nears.

FRESH VEGETABLES--Low prices appear on onions and potatoes. Other economical buys are cabbage, winter squash, carrots, sweet potatoes and rutabagas. Broccoli supplies are increasing.

FRESH FRUITS--Cranberries are nine percent more plentiful than last year's crop. Buy fresh cranberries that are plump and dry, firm and bright. Choose smaller dark red berries for best keeping quality. Present prices for cranberries are moderate.

For economy, buy extras now and freeze for later. Put the original package into a plastic freezer bag, seal and store in the freezer.

Red grapes have reasonable prices. Apples are plentiful, especially "by-the-bag" in

small to medium sizes for lunch boxes or snacks. Apple prices are moderate.

Texas grapefruit is available, but prices will remain high until it is plentiful.

Bananas and Bartlett pears are other choices, but prices are moderate.

GROCERY MARKET AISLES--Features include processed fruits and vegetables, peanut butter, tuna fish, sugar and flour.

LAMB--More lamb will probably be available. Features may be shoulder cuts and leg of lamb, although the wholesale markets are steady.

CONSUMER WATCHWORDS: Since beef specials follow no pattern, consumers may have to choose a retail market based on which offers budget prices on their favorite cuts.

Hamlin Memorial United Methodist Church News

Three weeks of study concerning the heritage of the United Methodist Church have been completed. Beginning November 12 the study of theology, doctrine and modern understandings of United Methodism will begin. These lessons will consist of discussions mainly with little or no time spent on lecture. Remember -- Sunday evening, Nov. 12, at 7 p.m.

Charge Conference will be this Sunday from 4-6 p.m. Due to this schedule there will not be any evening worship and study program. All church officers are expected to attend and any church member is welcome.

Hamlin Memorial will host a union church service November 15 including the preaching and presence of Rev. Dudley Bristow, pastor of the First Baptist Church in Farwell. Dutch Quikell will be on the platform representing the Methodist Church as pastor Duane Knowlton will be attending a seminar on "Evangelism - ala John Wesley," in Las Cruces, N.M. All members of the local communities are urged to attend. Services will begin at 7:30 in the church sanctuary.

Harvest festival worship services are coming to Hamlin Memorial November 19, 20 and 21. Services are scheduled for 7 o'clock each night. Services will kickoff Sunday, Nov. 19, at 6 p.m., with an old fashioned Thanksgiving Dinner in the fellowship hall. Bringing our word of God will be Rev.

Ted Dotts, pastor of St. John's United Methodist Church in Lubbock.

Hamlin Overstreet will head the drive for donations to the Methodist Home in Waco. Overstreet has been doing this work for many years as an outgrowth of his position on the Board of Directors of the Methodist Home.

Many Methodist Women will come to Hamlin Memorial this Saturday to attend the sub-district meeting. Local Methodist women will also attend.

Band To Practice

The Farwell Steer marching Band will practice for the November 7 UIL contest this Monday from 12-1 and from 7-8 p.m. at the football field. No admission is charged and everyone is invited to attend.

Lynn Burton, band director, said that the routine practiced will be different from anything the Steer Band has done in the past.

Pint Sized Trick-Or-Treaters

The myths of the dastardly deeds performed by wicked witches were quietly dispelled Monday afternoon as this good witch (actually Mrs. Ruby Meeks of Farwell) visited the Church of Christ Day School and distributed candy and other "goodies" to the four-year-olds. Pictured with the "witch" are, from left, standing: Steven Vidana, Michael Shaw, Britt Mitchell and Marty Moss; kneeling: Jo Norris and Misty Stewart; seated: Amanda Curtis, Becky Lasiter, Chad Dunsforth and Matthew Walker. The children, all decked out in their various costumes, trick-or-treated the Convalescent Center after the good witch's visit.

Convalescent Center Chit Chat

As Reported by the Center Staff

(Editor's Note: The following column, penned by Floe Copeland, activity director, is a tribute to the Auxiliary members who have contributed so much time to the care and well being of the residents.)

This week's column is totally and completely dedicated to the many volunteers who helped to make this Halloween the best party we have ever had at the Convalescent Center.

"It was the best party and the most fun I've ever had in my life," states one of our residents, Dick Dunn.

It would practically be impossible to estimate how many people attended the function -- at least 275-300. Many small children just came to "trick or treat" the approximately 45 residents who participated in the fun-fest. Then they left to forage among the neighborhood for additional treats and goodies.

Many trick or treaters also stopped by to have Madam Belly Nelly read their fortunes. Auxiliary member Nell Walling was dressed to the hilt for the part of the crystal ball gazer.

Several persons also passed through the gory organ recital. Auxiliary member Martha Curtis was dressed as a hobo and told a gruesome tale of "riding the rails" and of how she came to have her collection of parts of the body -- such as cold hand (rubber glove with frozen water); brains (spaghetti); intestines (lasagna); teeth (corn) and peeled grapes as eyeballs.

Each person who passed through the organ recital was allowed to feel all the items. This room had a goblin hanging from the ceiling, borrowed from the Farwell School Carnival.

We also enjoyed the scarecrow and several large pumpkins borrowed from the carnival.

Some trick-or-treaters stayed to play bingo. Gil Patschke announced all the games. His wife, Jean, and several Auxiliary volunteers assisted him. Prizes for the games were cakes baked by Auxiliary members, or bags of fruit.

The Texico FHA girls did a beautiful job preparing our

refreshments which consisted of Rice Krispie marshmallow treats, fruit cut and placed on toothpicks, K-Bobs, candy slices and delicious punch. The girls also helped to serve the refreshments.

Almost all the Auxiliary members were here to willingly help wherever necessary. Many helped to decorate the facility, get the residents ready with masks and hats and a full bag of candy which was donated by the Auxiliary.

Some of the preparations took place just before the party began, but others began several weeks ago -- making hats for the "Pot Lickers," (Center Kitchen Band) from tissues, paper towels and paper plates. Working on that project were Mary Mesman, Martha Curtis, and Liz Kaltwasser.

Many hours were also put into making the posters advertising the party which were displayed all over town. Another unusual scene was the giant cobweb which covered one whole wall in the dining room. Completing the tableau was a fancy black velvet spider about 18 inches in diameter. Several posters were also placed around the Center directing visitors to various events. All this lovely artwork was completed by Martha Curtis, Auxiliary president.

Ava Woodson, who plays a "mighty fine" tune on the piano for the "Pot Lickers" band, is another volunteer we all appreciate.

We also had much help from many more volunteers too numerous to mention.

Our medical social worker -- Jim Couzzart -- drove all the way from Canyon just to take slides not only for our benefit but also to use at a large volunteer workshop to be held in Amarillo. Jim said he wanted some action shots of some of the best volunteers in the state of Texas. We of Farwell already knew that but soon many other people will also. We are to be used as a model to show other nursing homes and similar institutions just what a successful volunteer program can do for nursing home residents.

Working as volunteer judges for the costume contest were Gerald Curtis, Gilbert Kalt-

wasser and Rodney Copeland. They had some difficult decisions to make as there were many unusual costumes to choose from.

Brandon J. Dickinson, son of the Rod Dickinsons of Clovis and grandson of resident Nina Dickinson, won the children's age group. He was decked out as a hobo and stole the hearts of the judges almost immediately as he wasn't much more than knee high.

Winner in the adult division -- better known as the "over the hill gang" was Jackie Perales, nurse's aide, who played the part of a ghost very efficiently, even to the point of not smiling once so as not to crack her white face.

Running a close second was Rubie Craft, daughter of resident Thelma Kittrell, who had a bear mask on. No one could figure out who she was until the time came to unmask. Even her mother was surprised. They had quite a laugh.

Many of the employees came back on their own time to help with the funfest. Don Brewer, administrator, was busy as a bee taking slides and snapshots.

As always, citizens of the community gave us a tremendous amount of support. We raised \$117.76 for our activity fund. We appreciate each and every person who gave of their time and talents to help our Convalescent Center.

I say "thank you" from the bottom of my heart for helping us prove that a nursing home is not the end of the line or a place to be dreaded or avoided. Instead it is place where people give loving care, show concern and can have many happy years.

Carrots, parsley, celery, parsnips, dill, anise and caraway are all part of the same plant family.

Theta Rho Has Meeting

Theta Rho Chapter of Epsilon Sigma Alpha sorority met Monday of last week in the home of Dardanelia Helton. Refreshments of pumpkin squares were served.

Rosa Roberts demonstrated how to make pine cone wreaths for the holidays, and the upcoming Cystic Fibrosis Walk-a-Thon was discussed.

Members attending were Judy Jones, Jeannie Norris, Margaret Aycock, Robin Gregory, Debbie Williams, Rosa Roberts, Diane Atkinson, Ceren Spearman, Dickie Chandler, LaMoin Williams, Nell Walling and Maxine Williams.

Girl Born To M. Hancocks III

Mr. and Mrs. Mac Hancock III of Amarillo are parents of their first child, a girl, born Monday. Breck Noelle weighed seven pounds, six ounces, and was 21 inches long at birth.

Paternal grandparents are Mr. and Mrs. Mac Hancock, Jr., of Farwell. Paternal grandparents are Mrs. Lee Taylor of Morton, Mr. and Mrs. B.F. Taylor of Modesto, Calif., and Mrs. Mallie Hancock of Tatum, N.M.

Maternal grandparents are B.N. Hempstead and Mrs. John Bruno of New Orleans, La.

Hospital Notes

Matthew Walker, four-year-old son of Mr. and Mrs. Jim Walker of Farwell, was at the hospital in Muleshoe Sunday through Wednesday of last week for medical treatment. He is reported to be "feeling better" now.

Mrs. Bernice Thigpen of Texico is reported to be doing very well although still confined for medical treatment at the hospital in Clovis. She was admitted to the hospital Saturday.

Henry Gibson of Farwell is receiving treatment at the hospital in Clovis for soreness and bruises suffered in an accident at Worley Grain in Farwell last Saturday.

Mrs. Thelma Watts of Farwell is reported in satisfactory condition at the Clovis hospital where she is receiving medical treatment. She entered the hospital Saturday.

Marriage Licenses

Parmer County Clerk's office has issued five marriage licenses since the last report.

Those receiving the licenses were: Israel Perez and Magdalene Olivarez; Valentin Espinoza and Maria Martha Mendoza; Larry Marvin Holland and Terry Lynn Moody; Alberto Rodriguez and Mary Castillo; and Rodolfo Murguia and Ester Maria Garcia.

Engagement Announced

Mr. and Mrs. D. Smith Day of Texico announce the engagement and approaching marriage of their daughter, Deanne, to Ted Richardson, son of Mr. and Mrs. Roy Richardson of Pleasant Hill.

The bride-elect is a 1977 graduate of Texico High School and attended ENMU for a year. She is employed at the office of Dr. Elywn Crume in Clovis.

The prospective bridegroom graduated from Texico High School in 1976 and is employed at Haglegantz Big County Ford.

Wedding vows will be exchanged Saturday, Dec. 2, at 6 p.m. MST at the Farwell Church of Christ. All friends and relatives are invited to attend. No local invitations will be sent.

Andi Kirkland Has First Birthday

Andi Kirkland, daughter of Mr. and Mrs. Carl Kirkland of Farwell, celebrated her first birthday Saturday with a party at her home. A Holly Hobby cake -- made by Robin Palady of Farwell -- was served to the honoree, her family and guests.

Meal Tempters

Try new blackberry flavor gelatin to perk up everyday meal plans. Prepare it plain or for a special treat, enhance the delicious fruit flavor by adding 3/4 to 1 1/2 cups fresh, frozen or canned fruits to the partially thickened gelatin. (Do not add fresh or frozen pineapple.)

to the simple package directions, decreasing the amount of cold water to 3/4 cup. Pour into mold and chill until firm. Dip just to the rim in warm water for about 10 seconds. Shake to loosen and top with a wet plate. Invert the plate and the mold together and remove the mold.

Isn't it amazing how an attractive serving dish can add a touch of elegance to a simple recipe? For example, you can prepare fruit flavor gelatin in a mold and it makes an eye appealing addition to any table.

Prepare the 3-ounce size of your favorite flavor according

Kristi Magness Feted With Bridal Shower

Honoree at a bridal shower Saturday afternoon at the United Methodist Church in Farwell was Kristi Magness of Farwell, bride-elect of Monte Spearman of Pleasant Hill.

Hostesses were Peggy Snider, Joann Getz, Dorothy Lovelace, Dorothy Quickel, Tommie Snodgrass, Beth Howard, Irene Jones, Sue Hukill, Dot Christian, Sue Kirkland, Lillie Christian and Aileen Teel.

The honoree's colors of ivory, apricot and brown were featured on the serving table which was covered with a cutwork cloth and centered with an arrangement of apricot-colored carnations, white carnations, spider mums and eucalyptus in a silver epergne. Ivory tapers in crystal holders and apricot napkins imprinted

with "Kristi and Monte" in brown completed the decor. Crystal and silver appointments were used to serve refreshments of various breads, pound cakes, apricot punch, nuts and mints.

Kim Magness, sister of the honoree, presided at the guest register and alternated at the serving table with Kim Newton of Lubbock, and another sister of the honoree, Karen Magness. Karen assisted Kristi in opening and registering gifts.

The hostesses presented the honoree with a corsage of carnations and the hostess gift was a kitchen center. Special guests included the honoree's grandmothers, Mrs. Joe W. Magness of Farwell and Mrs. L.B. Hensley of Walnut Springs.

Farwell FTA Installs New Officers, Members

The Farwell Future Teachers of America chapter installed new officers and members Tuesday night of last week. The local chapter is named in honor of Jack Williams, former high school principal.

New officers are Kyle Kelley, president; Donna Kalbas, vice-president; Paula Hukill, secretary; Wendy Stancell, treasurer; and Gayla Goldsmith, parliamentarian.

New members installed were Kim Watkins, Wendy Stancell, Janell Garrett, Kelly Mitchell, Kevin Shults, Trudy Watkins, Scott Haden, Rhonda Dale, Lisa Howard and Tam-

my Hernandez.

New officers received a silk rose in a brandy snifter and new members were presented white mums corsages.

Installing officers were the officers of the Friona FTA chapter. The program, consisting of skits performed by the local chapter, were dedicated to the visiting FTA chapter.

Refreshments of soft drinks and cookies were served.

Hold over members are Paula Hukill, Tonda Fulcher, Blaine Buchenau, Lucretia Turner, Gayla Goldsmith, Carolyn Lovvorn, Julie Mason, Donna Kalbas, Kyle Kelley, and Debbie Prather.

County Teachers Meet At Lazbuddie School

Parmer County Teachers Association met in the Lazbuddie School cafeteria. The invocation was led by Sam Barnes. After the pledge of allegiance, a welcome was given by Anne Corn.

Mrs. Corn gave the president's report, followed by the secretary's report given by Francis Boling. The treasurer's report was given by Virginia Cleveland. Jeanne Moseley reported on the N.E.A. Convention held in

Dallas during the summer.

Delegates for the State and National Conventions were elected. N.E.A. delegate is Jeanne Moseley and state delegates are Anne Corn, Mary Pryor and Richard Montgomery. Pat Owen was the election judge.

The program was given by Bill Potts on social security and teachers retirement. The next meeting will be at Bovina on January 29, at 6:30 p.m.

Wolverines Of The Week

JAMES HADLEY

JIMMY REID

James Hadley and Jimmy Reid have been named the offensive and defensive "Wolverines of the Week" following Texico's Homecoming match with Tatum Friday night. Hadley connected on five aeriels for 137 yards and hit paydirt twice. He also completed one 50-yard run, setting up another score. Reid accounted for nine unassisted tackles, four assisted and one quarterback sack. Defensive honorable mention went to Howard Horne and James Barfield. Horne earned 10 tackles and one sack while Barfield executed seven tackles. Both Hadley and Reid have been named the "Wolverines of the Week" earlier this season.

Seven Freshmen - -

Junior High Players Moved Up To Varsity

Seven Texico Junior High players were to be moved up to the varsity Thursday night at the final regular season game.

The freshmen are Todd Gerries, Tony Tubbs, James Kelley, Kent Harding, Willie Bibbs, Jeff Dunsworth and James Robinson.

The young Wolverines were to suit out with the varsity Thursday, but were not to see any actual game activity.

"The program is designed to honor those players who have exhibited outstanding characteristics during their junior high careers and to give them a taste of what varsity ball is like," Coach Paul Topliff explained.

The Texico mentor explained that he conferred with assistant coach, Roy King, and

Cecil Davis, junior high coach, before making the selections. Each player was evaluated on six points.

Each player was judged according to attitude, pride in ones self and school, citizenship, desire to excel, love of the game, and athletic ability."

Topliff pointed out that just because only a few junior high players are "called up" does not mean that the rest of the team won't be varsity players next season.

Notch 7th Win - -

Wolverines Rake Tatum Coyotes

Texico Wolverines picked up win number seven Friday night, rolling over the Tatum Coyotes, 27-7. The victory was especially sweet as the grid battle was the Wolverine traditional Homecoming clash.

One fact, though, did mar the game. Duwain Hill, Texico's leading rusher and the fourth leading scorer in the state, suffered a knee injury which has sidelined him for the remainder of the season.

The Wolves scored all their points in the first half. Keith Hadley tossed a 45-yard bomb to brother James who scored the first touchdown of the night. Britt Crooks toed the extra point.

The Hadley brothers did it again, this time with an eight-yard pass. Crooks added the PAT and Texico took the lead, 14-0.

Barry Goode dashed in from the three in the second

quarter. The run for two failed but Texico had increased its lead to 20-0.

K. Hadley passed 10 yards to James Barfield who got the Wolves' final score of the night. Crooks kicked the PAT and Texico took over, 27-0.

Tatum came back in the second half to score once when Matt Lindsey scampered in from the one. He also added the PAT. Texico set up the Tatum score, fumbling the

pigskin on its own 20.

Hadley Gains

Texico Wolverine James Hadley is in the clear Friday night as he streaks for a good yardage gain in the Texico-Tatum Homecoming tilt. For his impressive efforts, the running back was named offensive "Wolverine of the Week." Looking To State - -

Topliff Talks Of Wolverine Victory

With one regular season game to go and the state playoffs on the horizon, the Texico Wolverines and coaching staff are working hard preparing for the big games ahead.

Texico notched another victory in its belt Friday night, blasting the Tatum Coyotes, 27-7, in a spirited Wolverine Homecoming game.

"We played a good first half," Coach Paul Topliff said. The Wolves led 27-0 at the half. "Leading by that many points we had a slight let down in the second half."

Tatum scored its lone touchdown in the second half when Texico fumbled on its own 20 and the Coyotes took the pigskin in nine plays later.

Topliff said he was proud that the Wolverines did not "fold up" after Duwain Hill was injured in the first plays of the game. "They played with a lot of pride and determination."

Topliff emphasized that unlike previous years, they are not a "one man ball club." "We will just have to move players around to take up the slack," he said.

James Hadley was named the offensive "Wolverine of the Week" for the second time this season. He caught five passes for 137 yards and scored two touchdowns. He also set up another score with a 50-yard run.

Jimmy Reid was named the defensive "Wolverine of the Week" also for the second time this season. He made

nine unassisted tackles, four assisted and had one quarterback sack.

Honorable mention was awarded to Howard Horne with seven unassisted and three assisted tackles and three sacks, and James Barfield with six unassisted and one assisted tackles.

Doug Scioli received the "hardest hit" award.

Out For Season - -

Duwain Hill Injured In First Series Of Play

Duwain Hill, Texico Wolverine and the fourth leading scorer in Class A prep football, suffered a fracture above the knee Friday night in the opening series of plays in the Tatum game. He was transported to the hospital in Clovis by the Texico ambulance.

Hill underwent surgery Monday to repair the break. He is expected to be in a cast for 8-10 weeks and will be out for the remainder of the season.

According to head mentor Paul Topliff, Hill was "going for the touchdown" when the accident occurred. "He stepped away from the free safety and as one leg was raised he was tackled and hit on the side of the thigh with a helmet."

Going into the Tatum game, Hill had accumulated 843 total yards, and before the injury, had visions of reaching the

1000-yard mark.

"I am sorry that Hill was hurt," Topliff said. "He's been with me through the past three years. We will miss him but I think the team can compensate for his loss. We have had to compensate twice before when Terry Roland moved away and when Joe Martinez was injured earlier in the year."

"Hill's leadership will be missed the most. We are

actually more concerned that we have lost his blocking ability rather than his running ability," the coach explained.

Herbert Bibbs will probably replace Hill as cornerback on defense.

Topliff and the Wolverines are trying not to take the loss of their star running back too seriously. They feel they can still play and compete successfully in the important games ahead.

Hadley Is Runner-Up Player In New Mexico

The Amarillo Globe-News has named Texico Wolverine James Hadley one of the runner-up New Mexico Players of the week following Texico's 27-7 win over the

Tatum Coyotes Friday night. Hadley achieved the honor by scoring two touchdowns and setting up another one with a 50-yard run. He also caught five passes.

Steers Fall To Bovina In 10-0 Heartbreaker

by Radney Robertson

It doesn't happen too often. In fact, it has occurred only four times in the last 25 years. And who would have thought that this was going to be one of those years, as the Blue and White of Farwell hosted their arch rivals, the Bovina Mustangs, and came off with a painful 10-0 loss.

Despite the fact that the Steers penetrated deep into Mustang territory several times, twice to the 1 yard line, and were able to rack up a total of 203 yards to Bovina's 140, they still were unable to get on the board. The Mustangs scored twice in the fourth quarter, on a 24-yard field goal by Ronnie Cary and a four-yard touchdown run by Ruben Salazar to take the game 10-0.

The Steers kicked off to the Mustangs who began downs on their own 31 yard line. But a determined Steer defense held its opponents to only six yards, four yards short of a first down, and Bovina had to punt after only three downs.

Farwell began downs on their own 33. The Steer offense, brought to life by the running of Raul Garza and Max Lonsdale was able to move the ball deep into Mustang territory, just two yards shy of paydirt. But two plays later the Steers were thrown for a four yard loss, and on the following play a Robin Roberts aerial was knocked down by a Mustang defender, which left the Steers facing a fourth down on the six yard line. Roberts then attempted a 16-yard field goal. But the attempt was unsuccessful and the Mustangs took over on the 20-yard line.

Once again the Steer defense held their opponents short of a first down and the Mustangs punted after three downs. The Blue and White then took over on the 44-yard line, but QB Roberts was thrown for a 12-yard loss, which the Steers were unable to make up and were also forced to punt. The kick rolled out of bounds on the 23-yard line where Bovina began first and 10.

But on the first play, Bruce Mayfield threw the QB for a 16-yard loss. The Steer defense wouldn't allow the Mustangs to regain the yardage, and once again Bovina was forced to punt. The Steers began downs on their own 41.

The running of Lonsdale and Garza picked up two first downs for the Steers. On second and six from the Mustang 27, Roberts threw a pass which was momentarily bobbled by Lonsdale and a defender and was finally scooped up by Kirk Magness to put the Steers in possession on the Bovina three-yard line. A pitchout intended for Garza fell short and was recovered

by Bovina on their own 10-yard line.

The Mustangs then marched downfield, all the way to the Steer 19 before the defense stopped them and forced them to settle for a field goal attempt which fell short and gave the Steers possession on the 26-yard line.

The Blue and White picked up a first down on the 40-yard line, but were unable to move any further and Mark Owen punted the ball away to the visitors who received it and began downs on their own 22.

Pass interference by the Steers gave Bovina a first down on the 48-yard line, but on the following play, James Castleberry picked off a Mustang pass and returned it to the 34-yard line. On first and 10, it was Castleberry again. This time catching a 37-yard pass from QB Roberts to give the Steers a first down on the 29. But this was as far as the offense could move; and on fourth and four Roberts was thrown for a nine-yard loss and the ball went over on downs to Bovina at the 34-yard line.

Two plays later, with only six seconds left in the half, the Steers recovered a fumble on the 25 yard line. Roberts then attempted a 34-yard field goal. The kick fell short and the half ended with the score remaining tied at 0-0.

To open the second half, the Steers received the Mustang kickoff and began downs on their own 14. The offense picked up a first down on the 26, but three plays later were forced to punt. The Mustangs also punted after three downs and the Blue and White took over on the 30-yard line. Farwell again punted to Bovina, who on first and 10 from their own 28 attempted a pass, only to have it intercepted by Mark Owen, giving the Steers a first down on the 46-yard line. The Steers were able to progress to the 26-yard line before two, five-yard penalties and a six-yard loss set them back to the 44. On fourth and 23 the Blue and White punted, but Bovina was caught roughing the kicker. Even though

the Mustangs were penalized 15 yards, it still didn't give the Steers enough for a first down. But it did enable Roberts to attempt another field goal, this time from the 29. But the kick was again no good, and the score remained tied at 0-0 as the third quarter came to an end.

After failing to pick up a first down on their next possession of the ball, the Mustangs punted the ball to the Steers, who in turn fumbled the reception. Bovina recovered and began first and 10 on the Steer 34. The visitors advanced to the 14-yard line where they were then faced with a fourth and 10 situation. Ronnie Cary then kicked a 24-yard field goal, giving the Mustangs a 3-0 lead with 7:29 left in the game.

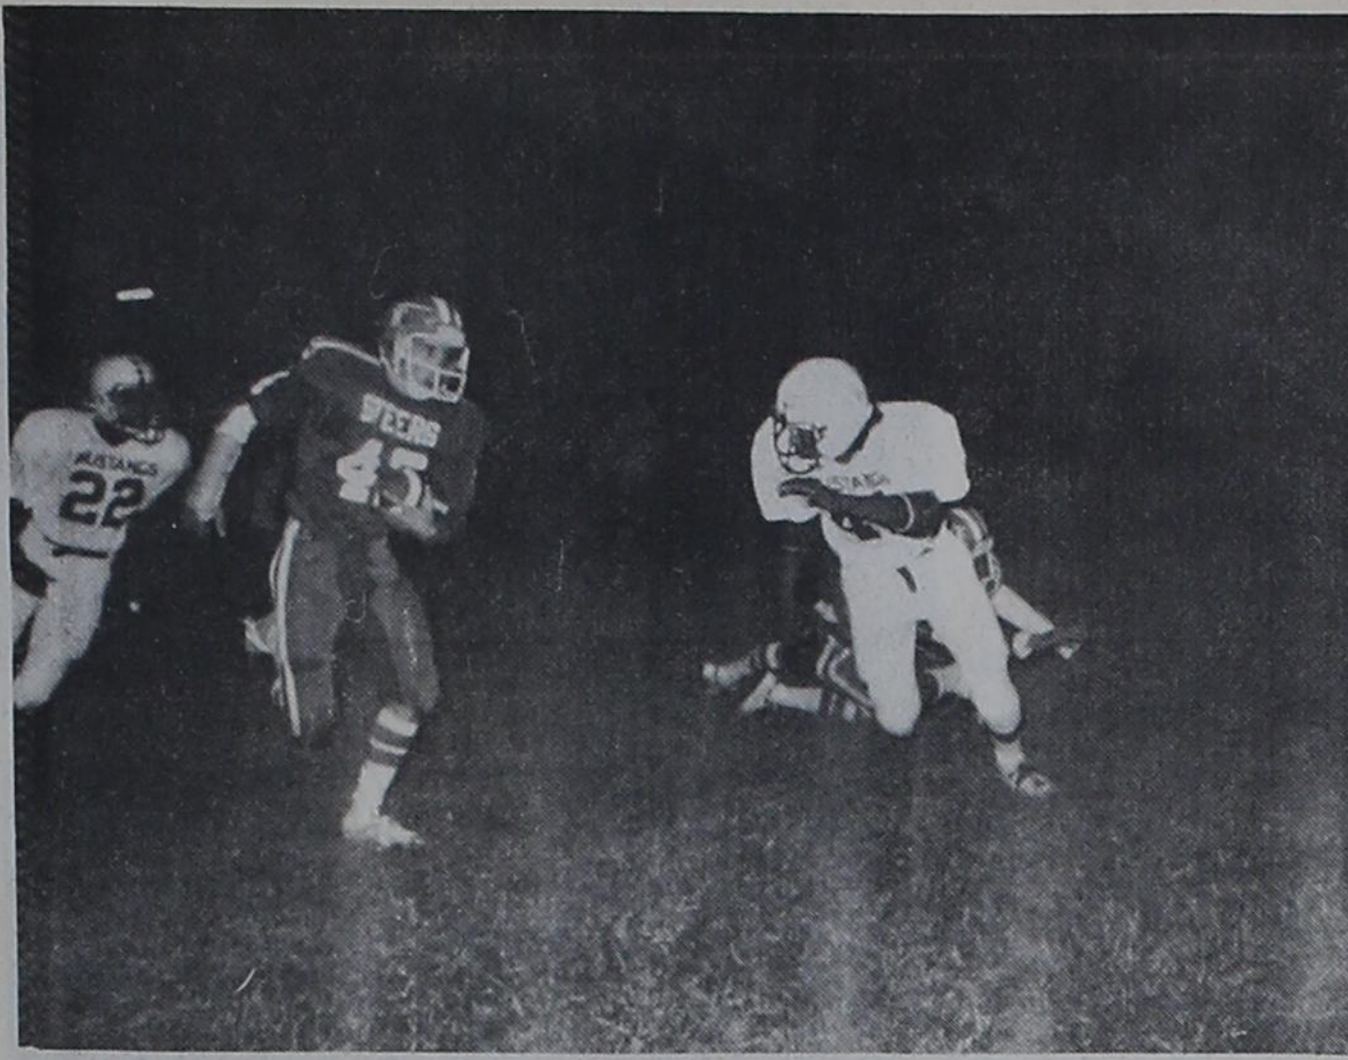

On their next possession of the pigskin, the Steers got the ball intercepted and Bovina took over on the 49-yard line. The Mustangs were forced to punt after only three downs, but were able to kill the ball on the one-yard line where Farwell began first and 10.

Three plays later the Steers fumbled and Bovina recovered on the eight-yard line. This mis-

take proved costly to the Steers, for it set up a Mustang TD. Three plays later Ruben Salazar crossed the goal line and the PAT attempt was good, giving Bovina a 10-0 lead with only 1:15 left to play.

The Blue and White had one more go at it as they began first and 10 from their own 37, but time ran out and the Steers suffered a disappointing loss to the Mustangs as the game ended 10-0.

Farwell Steers Prepare For Kress Kangaroos

"We played well at times," commented Coach Don Alana following the Steer loss to Bovina Friday night.

The only other comments Alana made were "the defense did a good job but broke down a couple of times" and "we ran the ball up and down the field but could not score."

Robin Roberts, quarterback, was named "Steer of the Week" as well as "outstanding offensive back" and "outstanding secondary man."

Bruce Mayfield was named "outstanding offensive line-man" and Rowdy Chandler

was named "outstanding forcing unit man."

With a 1-1 district record, the Steers prepare to host the Kress Kangaroos tonight (Friday) at 7:30 p.m. Kress is 2-4-1 overall and 1-1 in District 3-A.

Vega and Bovina are currently undefeated in district play. Both Hart and Springlake-Earth have lost two district games.

The Kangaroos were 8-2 in 1977 and finished as the district runner-up last season with a 4-1 loop record. They lost 14 lettermen this year but

had nine starters return on offense and five on defense.

Alana said that Kress' running back Eddie Johnson is "one of the best backs we will see all year" adding "We have a chance to win if we can contain him."

STEER OF THE WEEK

ROBIN ROBERTS

Robin Roberts was named the "Steer of the Week" following Friday's district game with Bovina. He was also chosen the "outstanding offensive back" and the "outstanding secondary man."

Texico Yearbooks On Sale Now

The 1978-1979 Wolverine yearbooks will be on sale from now until November 10 only, reports Celia Johnson, editor. The 132-page book will cost \$10, and anyone wishing to have their names imprinted on the cover will need to pay an additional \$1.75.

No extra books will be ordered; however, the publisher occasionally sends extra books, and those books will sell for \$12 next July.

"The only guaranteed way to get a yearbook is to order now," reports Celia. A \$5

deposit is requested now, and final payments must be made before April 15.

Elementary students should place their orders with Mrs. Linda Harrison. Junior High students may order from Mrs. Audrey Kittrell. High school students and community residents should order from Mrs. Mary Powell, high school secretary.

The 1978-1979 book will include a special introductory section, school-wide coverage, and autograph pages, reports Celia.

Texico Wolverines To Meet Melrose

The girls District Volleyball Tournament gets underway this weekend in Dora with the third-seeded Texico Wolverines taking on Melrose tonight (Friday) at 7 p.m. MST.

Texico, Tatum and Floyd - with two losses each - tied for first place in the district. A playoff tournament held Tuesday in Dora decided the rankings going into the district tournament.

Tatum is top-seeded and Floyd is ranked second.

The varsity Wolverines blasted Elida at Elida Tuesday of last week, 15-10 and 15-8.

Those scoring total points in the match were Sheryl Day, 4; Celia Johnson, 5; Teresa Turner, 6; Tonye Harrington, 11; Jana Jesko, 1; and Lisa Coffey, 3.

"It was a good match because Elida had improved since the last time we played them," coach Becky Topliff said. "We had trouble serving but the girls pulled it together to win."

The varsity, junior varsity

and junior high teams played Tatum last Wednesday at Wolverine gym. It was parents night as well as the final JV and junior high game.

The varsity defeated Tatum, 15-4 and 15-12. Players and total points were Sheryl, 5; Teresa, 3; Lisa, 7; Tonye, 6; and Jana, 8. One point came on a technical against Tatum.

The JV won the first game, 15-2, but lost the next two, 15-11 and 15-9.

Players scoring points for the match were Roxanne Cherry, 4; Kelley Dobbs, 14; Sonia Thigpen, 6; Schree Rucker, 2; Leslie Elliott, 4; Delinda Duncan, 4; and Teresa Gollidge, 1. The junior high lost 15-4 and 15-12.

Mrs. Topliff said the JV girls played a good match in spite of "being rusty from not playing for some time."

"We made several mistakes," she added. The JV finished 5-3 for the year.

In commenting on the varsity victory over Tatum, Mrs.

Topliff said, "It was hard to play a game lasting two hours. But it was a good emotional

game and it gave us the three-way tie for district," she added.

Jr High girls basketball practice started Monday. Their first game will be November 16 when they play Gattis Jr. High.

The 7th graders had a garage sale last Saturday to add to the Trust fund for Gary Cain. The garage sale brought in approximately \$100.

George Herrington, Texico Classroom President of New Mexico Teachers Education Association, and Mrs. Joan Edwards, a junior high teacher, attended the annual teachers meeting in Albuquerque last week.

Tryouts for the 1978 Wolverine Variety Show were scheduled for Wednesday. Tentative practices have been scheduled for Nov. 8, 9, 13, 14, 15, and 21 at 3:45 p.m. The dress rehearsal will be Tuesday, Nov. 28, at 6:30 p.m.

"Winter Wonderland" will be the theme for the Wolverine Variety Show, on December 1," reports Pam Cain and Traci Gaddis, show managers. Mr. and Miss THS will be crowned and class favorites will be revealed during the show. "Many excellent acts have already been scheduled, and all local talent is welcome to perform in the show," said Pam.

Texico FFA members are selling grapefruit and oranges until November 15, reports Pam Southard, president. The price will be \$8 for a 40-pound box and \$4 for a 20-pound box. Deliver is expected to be December 1.

Mr. and Mrs. Arlye Crooks and Mr. and Mrs. Roy Thornton served as the sponsors for the dance following the Homecoming game Friday night. The Homecoming Dance was sponsored by Junior Class Parents as a money-making project for the senior trip next year.

D'Anne Outhouse is student teaching English to the eighth grade girls and to the sixth graders under the supervision of Mrs. Anna Southard. She is also student teaching in art under the guidance of Mrs. Sylvia Burgett.

Elementary students at Texico celebrated Halloween in several ways, including carving pumpkins, making masks, wearing costumes to class, telling ghost stories, and having parties.

The Texico Junior class is still selling candy for \$1.25 a box.

The junior class would like to express their appreciation to all who supported them by buying mums, reports Mrs. Paula Leighton, class sponsor.

Lyndon Donahey, a 1978 graduate, is improving rapidly after a car accident two weeks ago in the mountains. He should be dismissed from an El Paso Hospital this week and allowed to complete his recuperation at his parents' home in Texico, reports his sister, Kerri Donahey.

Texico Jr. High Honor Roll

Texico Junior High School has released the following honor roll for the first nine weeks of school.

Sixth Grade: Elayne Horner and Cheryl Scott.
Seventh Grade: Valda Cavallero, Rodney Dickerson, Ronnie Dunsforth, Jeff Johnson, Dana Morris, Gilbert Sandoval and Kevin West.

Eighth Grade: Robert Meier, Danny Reid, Rebekah Schwarz, Ruth Scott and Sharlet Taylor.

Minister

Farwell Church of Christ

According to God, who is a Christian? The word is used only three times in the Bible and each time as a noun, never as an adjective. It is always used to state a fact. While a good Christian here in America would be a good American citizen, he would be morally good, and religious - these are not the things that make him a Christian.

What does? Look at God's use of the term. He promised a new name to his people after the Gentiles and kings of the earth had seen his righteousness and glory (Isa. 62:2). This new name would be divinely given within God's house (Isa. 56:6), the church (1 Tim. 3:15). The church was established in Acts 2, Gentiles brought into in Acts 10, and "the disciples were called Christians first at Antioch" (Acts 11:26). Why? Because they were baptized believers in Jesus Christ.

After some 3,000 obeyed the gospel on Pentecost in Acts 2, being baptized for the remission of sins (Acts 2:38) Simon Peter wrote them a letter. In that letter he addressed these people as saved, born again people (chapter 1 or 1 Peter) and as CHRISTIANS (1 Peter 4:16). How did he KNOW they were Christians? He was present on Pentecost when they became baptized believers. In fact, he preached the sermon and baptized some of them himself. If anybody ought to know, he would be the one. As the result of their being baptized for the remission of sins Peter said they were CHRISTIANS.

Yes, man's ways and God's are often different. What man considers Christian is far from God's standard. According to God's definition are you a Christian?

Texico Homecoming Bonfire

In spite of the cool evening temperatures, Texico Wolverine fans turned out in abundance Thursday night of last week to join in on the fun of the traditional homecoming bonfire. The first photo shows the pile of wood stacked earlier in the

evening. Note the Tatum coyote atop the pile. After igniting, it didn't take long for the flames to consume the wood pile and the replica of the Tatum coyote. Texico Wolverine Band participated and the cheerleaders led the spirit boosting ceremony.

Bowser may be a dog instead of a Wolverine (shhh, don't tell him that) but he still serves as the official Texico mascot. Farwell Junior High, JV Split Games

Farwell Junior Varsity sneaked past Bovina last Thursday, 6-0, while the combined 7th and 8th Yearlings fell to their counterparts, 32-0. Both games were played at Bovina.

The JV teams battled to a

scoreless tie during the first half. Waverly Coates scored the lone touchdown in the third quarter, darting in from the one. The try for the extra point was no good.

Farwell failed to capitalize on good drives, fumbling twice

inside the five and maneuvering the pigskin inside the 10 three times without scoring. "We controlled the ball good but we just didn't score very much," Coach Mike Martin said. He commented that the defense did a good job holding Bovina to only two first downs in the second half.

In spite of the shut out, Coach Larry McDorman said the yearlings have shown improvement in some areas. He complimented the running efforts of William Garza, Raymond Sierra and Alan Eubank, adding that Eubank performed well on defense also.

"We didn't call a very good game," McDorman continued. "Bovina intercepted twice and ran back both times for scores. The defense did pretty well though holding Bovina on the goal line twice."

This Thursday, the Yearlings and the JV were to take on Kress at Kress. McDorman commented that the Kress junior high team was "super tough" adding that they have a 180-pound running back who will "be hard to stop."

Next Thursday, Farwell will host Vega.

Garza Goes Down

Farwell Steer Raul Garza, ball carrier and Rowdy Chandler, blocker, wind up buried under a crew of white shirted Mustangs Friday night during the first quarter of the district game with Bovina. Garza ran for good yardage throughout the game.

Candidate Visits

Kent Hance, the Democratic candidate for the U.S. House of Representatives, 19th Congressional District, met with several local citizens Friday afternoon at the Security State Bank in Farwell. Pictured with Hance are, from left, Naomi Austin, Peggy Hargrove and Peggy Snider. Candidate Hance discussed campaign issues with those in attendance.

Emergency Loans Available From Farmers Home Admin.

Emergency loans for farmers, ranchers, or aquaculture operators are available through county offices of the Farmers Home Administration (FmHA). Billy R. Boling, FmHA county supervisor, said today.

Boling asked that those who need farm credit as a result of hailstorms and drought make their needs known at the Farmers Home Administration office at Farwell.

Applications for assistance in the disaster stricken counties will be accepted by Farmers Home until July 16, 1979 for physical losses and Oct. 19, 1979 for production losses.

FmHA loans covering actual and production losses may be used to replace installations, equipment, or buildings (including homes) lost through disaster. Funds may be used to buy seed, feed, fertilizer, livestock, or to meet interest and depreciation payments on current real estate and chattel debts. Other loans beyond actual losses, can be made for annual operating expenses or to make major adjustments in a farming operation.

"Funds can be used for essential operating and living cost," Boling said.

Loans covering actual losses are made at the interest rate of three and five percent and are scheduled for repayment as rapidly as feasible consistent with the applicants reasonable ability to pay. Loans beyond actual losses have various maturities, depending upon the purpose of the loan.

The interest rate for a short-term loan for farm operating purposes is 8 1/2 percent. Long-term loans are being made at an interest rate of 8 1/2 percent.

To be eligible for an emergency loan, an applicant must have suffered losses from the disaster and be unable to get credit from other sources.

Emergency loans can be used to help the farmer restore damaged farm operations and additional loans based upon the emergency designation can be used to reorganize the farm for greater and better production.

SHERIFF'S REPORT

Parmer County Sheriff Charles Lovelace reports that several batteries were taken from a box car on the Ronnie Dyer place seven miles north of Farwell.

Vandals attempted to break into the Federal Aviation Administration office located south of Bovina, the sheriff said. They tried to shoot off the padlock, but were unsuccessful, Lovelace reported.

Dave Landis is the Federal Aviation Administrator.

Several CB radios were taken from the Jerry London farm southeast of Friona. Four pigs were stolen from the George Perrea place three miles east of Black.

A battery was taken from a pickup belonging to Ricky Stewart, Lovelace said. The vehicle was parked at Farwell Hardware.

Three batteries and some tools were taken from a tractor and an irrigation motor at the Bert Williams farm southeast of Farwell.

Farwell Chamber Sets Banquet Date

Farwell Chamber of Commerce met Tuesday at noon at Clara's restaurant. The tentative date for the Annual Chamber banquet is April 13. Setting a theme for the banquet was discussed but no action was taken.

John Getz reported that he has the Southwestern Public Service brochure outline for the City of Farwell. Lee Hutchins and Jerry Monk were appointed to look at the brochure plans for accuracy and completeness of data.

Pudge Rose reported that nothing new has developed in the "dentist situation." He said, however, that the Hospital Board is continuing to work with the National Health Services to help a dentist establish a private practice in town.

If no other dentist is available before spring graduation of dental schools, Rose said we would probably be able to secure a dentist from one of the graduating classes.

Dutch Quickel reported that the Benton Bill is presently before Congress. The bill would establish an interstate highway between Amarillo and Las Cruces, N.M., bypassing towns in Parmer County. He said the general feeling was that the bill would be passed.

Quickel pointed out that Texas does not have any current laws on the books to prevent towns from being bypassed by interstate highways. Rose said though that according to statistics he has seen it is not a "crushing blow" for towns to be bypassed; however, he added that he was not in favor of the proposed interstate highway.

Farwell City - - Marshal's Report

Farwell City Marshal Ronnie Mitchell reports that five Farwell youths were arrested Tuesday night for throwing eggs on cars in town. They appeared before Municipal Judge Carrell Watkins at 9:30 p.m. and were each fined \$5 for malicious mischief.

The youths are Pete Cantu, 18; Leonel Jaime, 20; Clifford Gouge, 17; Julian Jaime, 19; and Richard Yruegas, 20.

Mitchell also said he spotted a pickup load of Bovina youths who had dumped pumpkins in town Tuesday night, especially around the school area. A subsequent investigation led to the discovery that two other groups from Bovina had conducted similar activities earlier that evening.

Mitchell said he found all the Bovina youths and arranged for them to clean up their mess. Since they were cooperative Mitchell said he did not file any charges on them.

Mitchell has also investigated two recent accidents. The first one occurred Thursday morning of last week. Henry Salguero of Texico, driving a 1968 Mercury, was attempting to turn from Highway 60 onto the State Line Road near Clara's Restaurant when the accident occurred. As he turned onto the road, Salguero allegedly crossed the center line and rammed into the back side of a 1978 Chevrolet pickup owned by J.B. Sudderth of Farwell.

Mitchell said Salguero's windshield was iced over and visibility was from poor to non-existent.

Mitchell cited Salguero for driving on the wrong side of the road when not passing another vehicle.

Mitchell also investigated an accident which occurred last Friday around noon. Richard Castorina of Muleshoe, driving a 1973 semi-trailer, pulled out from Fourth Street near Worley Mills onto Highway 84 when Bud Gibson of Farwell, driving a 1973 Chevrolet pickup, collided with him.

Mitchell said that Castorina was allegedly making a "U" turn and apparently turned in front of Gibson who thought the truck was going on in front of him.

Mitchell said he cited Castorina for failing to yield the right-of-way.

One Or Two Sausages?

El Llano Grande Kiwanis Club held its annual pancake supper Friday afternoon and evening prior to the Texico Homecoming tilt. Pictured serving the meal are Kiwanians Joe Caywood, left, and Arlye Crooks. Crooks is serving his dad, R.E. Crooks. Caywood seems to be asking the next patron in line if she would like one or two sausages to go with the "stack of cakes."

The Editor
The State Line Tribune
Farwell, Texas

Dear Sir:

We wish to express our sincere appreciation for the newspaper coverage you give to our elementary activities. The attractive, artistically arranged full-page spread of the Halloween king and queen candidates was superb. Thank you for supporting our school.

Sincerely,
Elementary Teachers

State Line Tribune

Dear folks:

We understand from reading the paper that the Convalescent Center could use some more subscriptions to the State Line Tribune.

We would like to send two.

Sincerely,
The Webb Gobers

(Editor's Note: We are sure the Center residents will thank the Webb Gobers for their thoughtfulness. This makes a

total of eight papers that have been purchased for the Center. The Golden Circle Sunday School Class of the Texico Baptist Church purchased two subscriptions and the Ruth

Sunday School Class, also of the Texico Baptist Church, purchased four subscriptions last month for Center, and these too were very much appreciated.)

FERTILIZE NOW FOR SPRING PLANTING

PLOW DOWN FERTILIZER ON CORN OR SORGHUM LAND.

Fall plowing is a yield increasing practice on many soils. Getting fertilizer on ahead of plowing makes real sense, too. Here's why:

*Improved nutrient placement. Deeper placement to encourage deeper rooting.

*More complete residue breakdown. The combination of earlier plowing, plus nitrogen fertilizer, hastens decomposition.

*Saves time and labor during spring rush.

*Less risk of rutting and soil compaction. Fields are usually drier in the fall and early winter.

*A good general guide for fall or early winter fertilization on corn or sorghum land is to apply 1/2 to 1 of the nitrogen, and all of the phosphorus and potash.

Student Of The Week

At Texico School

Duwan Hill, a senior, is this week's Student of the Week at Texico. Until his accident last Friday evening in the Texico-Tatum game, Duwan was one of the top four scorers in New Mexico Class A football. He has also participated in track and basketball. This year, Duwan is serving as the Student Council vice-president and the yearbook advertising and business editor. He is also a member of Pep Club and National Honor Society.

The son of Mr. and Mrs. George Hill, Duwan enjoys swimming, hunting, and fishing. He is an active member of Texico First Baptist Church.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES.
ABREAN BIBLE SOCIETY
CHICAGO, ILLINOIS 60633

CHRIST AND POLITICS

Did you ever think of Christ's relation to politics? He came into this world, remember, as a King. The very opening words of the New Testament are: "Jesus Christ, the Son of David..." (Matt. 1:1). This emphasizes the fact that He came from the royal line. John the Baptist had gone forth as the King's herald, to prepare His way, and the twelve apostles proclaimed His royal rights as they preached "the gospel of the kingdom." This was all in fulfillment of Isaiah's prophecy: "For unto us a child is born, unto us a son is given; and the government shall be upon His shoulder; and His name shall be called Wonderful, Counselor, The mighty God, The everlasting Father, The Prince of Peace. Of the increase of His government and peace there shall be no end, upon the throne of David..." (Isa. 9:6,7).

Instead of crowning Him King at His first coming, however, they nailed Him to a cross and wrote over His head His accusation: "This is Jesus, the King of the Jews."

Strangely, though, He had come especially, this first time to be re-

jected, and crucified for the sins of men. Psalm 22, Isaiah 53 and other Old Testament passages had predicted that at His first coming He would be despised and rejected. As Matt. 20:28 says of this coming: "The Son of Man came not to be ministered unto, but to minister and to give His life a ransom for many."

Our Lord did not die an untimely death; the cross was not a useless sacrifice. He knew that man's greatest need was moral and spiritual - that his sins must be paid for if he is not to be condemned forever before the court of eternal justice. So in love He came to be rejected and suffer and die "the Just for the unjust, that He might bring us to God" (1 Pet. 3:18).

He will come again to judge and reign, but for the present He deals with mankind in grace. Eph. 1:6 says that "in Him we have redemption, through His blood, the forgiveness of sins according to the riches of His grace" and Romans 3:24 says that believers are "justified freely by God's grace, through the redemption that is in Christ Jesus."
