Swing of SOUTHWEST FARM MARKETS

Grains and vegetables furnished a weak but mainly steady to strong southwest farm markets during the past week, the U. S. Department of Agriculture's Production and Marketing Administration reports.

Eggs and poultry continued fairly steady. Eggs sold generally at the support levels of 35 cents a dozen at the farm or 37 cents delivered to drying plants. Heavy hogs ranged from 24 to 28 cents a pound at Dallas and Fort Worth and 32 to 33 at New Orleans. Fryers sold mainly from 38 to 42 cents in the southwest.

Hogs advanced 50 cents to \$1 in Texas and Oklahoma and \$1 to \$2 at other southwest terminals. Prices ranged from \$1.50 to \$2.30 for good and choice medium weight hunchers. Sows brought \$13 to \$17.50 in Texas and \$13 to \$15 elsewhere.

Cattle scored gains of mostly 50 cents to \$1. Denver reached new all-time high levels on both steers and heifers, as choice steers sold at \$32 to \$33.50 Monday and good and choice heifers \$30 to \$31.50. Good and choice fed steers bulked at \$30.50 to \$33 at Kansas City, and good light steers reached \$30.50 at Wichita. Oklahoma City paid \$32 for top choice fed steers, yearlings and heifers drew \$24 to \$29.50 at Texas markets.

Cotton netted \$2 to \$2.50 a bale higher for the week. Spot middling 15 16 inch closed Monday at 34 10 cents a pound at Dallas and Houston and 37.90 at New Orleans.

Notice To The Public

There has been some complaint about the closing of some alleys in the city. There is a city ordinance prohibiting the closing of any street or alley within the corporate limits of the city of Hedley and all persons are requested to leave them open to the public, unless you have permission from the city council to close same.

A Cemetery Working will be held Friday, May 28, at Rowe Cemetery. Everyone is urged to come and bring their hoes and rakes and help clean up our cemetery. If you have been out there lately you know how badly this work needs doing.

Womack Funeral Home will have a tent there to provide shade and chairs to rest in. Come, bring your lunch, and stay all day if you can.

Seniors Honored

The Hedley Seniors were honored last Friday noon with a luncheon in the Warren J. Baker home. Hostesses were Mesdames Baker, Burt Stone, Harrison Hall and Royce Hall.

The rooms were attractively decorated in the Senior colors, red and white. A delicious luncheon of meat loaf, new potatoes, green beans, cabbage salad, hot rolls, angel food cake and ice cream was served buffet style to Mr. and Mrs. Jack Smith, Mr. and Mrs. Leroy Lowry, Mrs. Elvia Davenport and the Seniors, Clara Holland, Bobbie Lee Hall, Wanda Jennings, Betty Margaret Usrey, June Lisenbee, Louise Dodson, Duane Naylor, Edward Todd, Bobby Everett, Joe Neal Bevers, and R. L. Stone.

The Home and School Club presented a \$20 check to the Seniors to help on their Senior trip.

The Seniors left Monday on their Senior trip to Carlsbad, El Paso and Juarez, accompanied by L. E. Grove and Mr. and Mrs. Burt Stone.

Warning

The City Council has requested everyone to discontinue parking in the center of Main Street or turning in the middle of the block.

For Sale—two gentle ponies for children. See George Bennett, three miles northeast on Wellington highway.

Ed Dishman Dies

Hedley friends were shocked and grieved last Saturday morning to learn of the death of Ed Dishman of Clarendon, who passed away about 9 A. M. of a heart attack. He was 60 years of age.

Mr. Dishman had been a resident of Clarendon for 13 years, having moved there from Hedley. He was an elder in the Presbyterian Church.

He is survived by his wife, Mrs. Margaret K. Dishman, three brothers, E. E. Dishman of Amarillo, P. L. Dishman of Hereford and R. B. Dishman of Oklahoma City, and one sister, Mrs. H. C. Reast of Clarendon. He was a brother-in-law of Ed Kinslow of Hedley.

Funeral services were conducted Monday afternoon from the First Presbyterian Church at Clarendon by the pastor, Rev. Paul Wright. Burial was in Citizens Cemetery there.

Hedleyans Graduate at Clarendon Jr. College

Five Hedley students were graduates from Clarendon Junior College last Thursday night. They were Margie Davenport, Dorothy Jean Richerson, Mrs. Dorothy Lowry, Charles Neal Johnson and Sam Owens Jr.

Hedleyans attending the graduation exercises were Leroy Lowry, Mr. and Mrs. Sam Owens and Mr. and Mrs. C. L. Johnson.

American Legion

The American Legion Hall is looking much better since the recent stucco job. The window frames are being painted this week, in fact, as the donations are received the boys are putting it into the building. If you wish to help the Legion now is the time. Saturday afternoon is the big rally.

Mr. and Mrs. Conrad Berry and granddaughter Ruth Ann of Fort Worth are visiting in the C. L. Johnson home.

University Bone Bank Reduces Amputation Cases

KANSAS CITY, MO. — A bone bank in the medical center at the University of Kansas has prevented several amputations and speeded the recovery of many patients.

It is a system of preserving human bone sections in a deep-freeze unit until needed in surgery and was set up by Dr. James Weaver, head of the department of orthopedics. Bone sections ranging from tiny fragments to pieces eight inches long and one inch wide are kept in the "bank." No complete bones are preserved.

Dr. Weaver explained that the bone bank does not keep spare arms and legs, since techniques have not been developed to use them, but that the addition of a small bone section frequently enables physicians to save a limb from amputation.

Improperly Knit Fracture

The most frequent use of bone-bank "deposits" is in cases of improperly knit fractures, the doctor said. In such cases the faulty bone area is removed by surgery and a section from the bone bank is fitted carefully into the gap. Almost invariably the substitute bone is accepted by the body and the splice is perfect.

Dr. Weaver explained that bone-grafting operations have increased in recent years and that many surgeons have performed scores of them successfully. The practice has been to obtain the needed bone sections from other parts of the patient's body—usually the hip or shin—and in many cases this has presented considerable problems.

The bone bank has provided a simple answer to the question of bone supply and physicians at the medical center expect similar regenerating facilities to be set up in other hospitals. So far there are only three or four in the United States.

Obtained From Operations

Bone-bank deposits originally obtained in the operating room at the center. Many types of bone operations require the use of bone and these ribs in the bank if the bone from which they were obtained rigid physical tests, as of amputations have one sections perfect reservation and in one cases have been taken after death.

Survivors of the person who died and the death was the result of an accident. Physicians found those bone sections which were taken under operating conditions, functioned perfectly as graft material. They hope to receive an increasing percentage of the bone-bank deposits from such sources in the future.

Father Brands His Son, 24, Thief in Crowded Courtroom

NEW YORK.—As tears streamed down his eyes, a father stood in a crowded courtroom and pressed a grand larceny charge against his son whom on six previous occasions he had saved from a possible jail sentence by making good on money allegedly stolen by the 24-year-old youth.

The latter, Thomas Sexton, 24, North Bergen, N. J., stole two of his mother's coats, a mink coat valued at \$2,700, the other a \$350 fur jacket. He had been arraigned in felony court as a fugitive from justice and then brought to a higher court for extradition proceedings after his father, William, signed a complaint alleging the theft of his wife's apparel.

Arraigned before Judge John J. Mullen, the youth was said to have been arrested repeatedly since 1942.

? Current Events ?

Anyone who can answer all five of the following questions may consider himself an expert. It doesn't make any difference what kind of expert. It's enough just to be one without going into boring detail about it.

1. Trans-Jordan is playing a key role in the Palestine situation. How long has it been an independent state?

2. State department is considering some form of military lend-lease for the five nations which signed the Brussels pact. When did lend-lease begin and when was it terminated?

3. Do you know about how many of America's 542,000 troops now are serving outside the U. S.:

(a) 358,000; (b) 258,000; (c) 158,000; (d) 58,000?

4. Sen. Robert A. Taft of Ohio is seeking Republican presidential nomination. There have been seven Ohio-born Presidents. Name them.

5. Bureau of labor statistics reported that the consumer price index declined from 163.8 in January to 166.9 in March. What event took place in mid-February that was a factor in the decline?

ANSWERS

1. A little over two years. In March, 1946, under a treaty with Great Britain, Trans-Jordan became a sovereign independent state.

2. President Roosevelt signed the lend-lease bill on March 11, 1941. It was terminated by President Truman as of August 22, 1945.

3. U. S. Grant, Rutherford B. Hayes, James A. Garfield, Benjamin Harrison, William McKinley, William Howard Taft, Warren G. Harding. All were Republicans.

4. The break in the grain market.

BIG PLANES:
Russian
Russia put some big four-engined planes into the air over Moscow for the annual Soviet May Day parade and managed thereby to instill a modicum of uneasiness in the hearts of U. S. military experts.

At last reports they were awaiting more detailed reports of the planes from U. S. observers in order to gain, if possible, a new insight into Soviet airborne army equipment.

It is likely, the experts thought, that at least some of the planes were the Soviet TU-70, an aircraft bearing close resemblance to the American B-29. Assumption has been that the Russians copied many of the features of the five B-29s known to have been forced down in Soviet-controlled areas during the war.

Reported to be a hybrid transport-bomber, the TU-70 has a passenger capacity of 72. This probably could be increased substantially, however, if the plane were used strictly as a troop carrier.

THE BREAK:
Colombia
Not quite a month after the abortive revolution in April swept the capital city of Bogota into turmoil and caused damage throughout the republic, the government of Colombia formally severed diplomatic relations with Russia.

That the break was a direct result of the revolt, reportedly Communist-led and inspired, no one bothered to deny.

Officially, however, no mention was made of the uprising. Foreign Minister Eduardo Angel's note to the Russian charge d'affaires said simply that Colombia considered that there were no ties which warranted a continuation of diplomatic and consular relations between the two countries.

In concordance with the diplomatic action the Colombian government began to redeploy its troops and reorganize administrative machinery to strengthen its hold and prevent further outbreaks by Communists.

Object Lesson

Just to prove that the old green-back ain't what it used to be, Rep. Simulated Spring Speeds Up Romance Among Queen Bees

ORANGE, CALIF.—Bees are going to do their romancing early this year in some California hives, thanks to the ingenuity of Leroy Bell, Orange apiarist, who has become a specialist in simulating spring weather.

Seeking to offer his queen bees the market before nature takes its hand in normally increasing the population, Bell has engineers of Minneapolis-Honeywell Regulator company devise a weather system that stirs the dormant urge in indifferent drones.

The "spring-maker" automatically controls temperature in hives at a balmy 80 to 85 degrees and provides relative humidity of 60 to 65 per cent. To carry the deception further, Bell has artificial illumination that brings dawn earlier and delays "sunset."

He lets California sunshine take care of the daylight hours, when the queens actually mate out of doors, but the simulated springtime of the hives speeds the grafting of larvae from which new queens emerge.

FIRST AID to the AILING HOUSE
by Roger C. Whitman

QUESTION: When the former tenants moved from here they scored the floors with their furniture. Is there any way I can remove the score marks?
ANSWER: Scraping with an electric floor sanding machine should take out most of the marks. If any slight hollow place remains after sanding, you may be able to make them less noticeable by building them up with several thin coats of a quick-drying varnish.

QUESTION: Please tell me how and what to use to paint the bathroom wallpaper, and how to go about it. The paper sticks well to the wall.
ANSWER: If you do not mind taking a chance on having the paper loosen, apply two coats of enamel undercoater and a final coat of good quality enamel. Do not use flat paint or any kind of calcimine.

QUESTION: What about painting a house with the spraying method?
ANSWER: If well done by a professional the job should be entirely satisfactory provided, of course, he uses top quality paint, the surfaces are warm and dry, and the weather is warm and dry.

From where I sit... by Joe Marsh

**Take Your Choice,
Neighbor!**

The missus—who writes our Woman's Column in the *Clarian* under the name of "Nancy Gale"—gets letters about recipes, advice on etiquette, home management, etc.

One letter she got last week was about a recipe she published for Welsh Rarebit—made with tart cheese, Worcestershire, and a cup of sparkling tangy beer. "Turned out great," says her correspondent. "But you didn't mention what beverage to serve with it. Should I serve beer? Cider? Iced tea?"

The missus' answer was simply:

"Any beverage your guests prefer. You don't have to serve cider—any more than you have to serve beer...but it's often courteous to let guests have a choice."

From where I sit, that simple answer applies to more items than Welsh Rarebit. In a world where everyone has different tastes and ideas—we should recognize those differences—and never deny the right of choice to anyone!

**Watch Your
Kidneys!**

Help Them Cleanse the Blood of Harmful Body Waste
Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.
Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.
There should be no doubt that prompt treatment is more than neglect. Use Doan's Pills. They have been winning new friends for more than forty years. They are the most widely recognized. Are recommended by careful people the world over.

HOUSEHOLD HINTS

If grease in frying pan becomes overheated and catches fire, do not pour water into the pan: Turn off heat and cover pan—water causes blaze to flare up, whereas a cover confines and smothers blaze.

Revamp uncomfortable chair seats with a foam-rubber cushion. The spongy material is easy to cut; then cover with upholstery and tack into place.

Make sure your husband knows about this before you try it. A shaving brush is just about the handiest thing there is for dusting a pleated lamp shade.

It towels are wearing a little thin, a light starch will make them twice as absorbent.

When shoelaces lose their tips, twist the ends and dip in clear nail polish.

'Perfect Landlord' Reveals

Formula to Please Tenants

CLEVELAND.—Mayer I. Blum of Philadelphia, heralded as "the world's perfect landlord," outlined his success formula to fellow Apartment House Managers of America, in convention here.

Shower your tenants with personal attention, Blum said, and use automatic devices to operate your building wherever possible.

Blum, who sends flowers to his families on wedding anniversaries, said his policy had paid off in harmonious relationships for 20 years.

Delegates were impressed when Blum told them that 511 out of 520 of his tenants signed leases immediately when the government permitted a 15 per cent rent increase.

Since 1879

Kidneys Must Work Well—

For You To Feel Well

24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood.

If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.

Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at night, swelling.

Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

STAGE-SCREEN-RADIO

By INEZ GERHARD

IN "LETTER From an Unknown Woman," Joan Fontaine has the type of role most actresses yearn to play. As a young girl she falls in love with a man who returns her love but soon forgets her. Later in life they meet and fall in love again. Sister Olivia de Havilland won an Oscar in "To Each His Own" in a somewhat similar part. This pic-

JOAN FONTAINE

ture does not give Miss Fontaine much scope for her talents, but it does give her an opportunity to wear beautiful clothes and play opposite the new French sensation, Louis Jourdan. Warning—there's a sad ending, she dies, he will soon.

Marjorie Hughes, vocalist on Frankie Carle's new radio show, "Carle Comes Calling," has to be a stand-out as a singer, because she is Frankie's daughter. Too many people would be eager to say that's the reason she got the job if she didn't prove at every performance that she's deserving of it. Just as many are cheering her return to the air after a serious illness.

Something new in cinema fights: Robert Ryan's battle with Michael Harvey in RKO's "Berlin Express" takes place in the interior of a beer vat. Director Jacques Tourneur had it shot by three cameras, so there would be no re-takes.

Arthur Patrick Lake, five-year-old son of Arthur (Dagwood) Lake of the Sunday CBS "Blondie" show, has been placed under contract to his father's film producing company and will have a part in Lake's next film, "White Devils."

Robert Shaw's chorus of 30 professional voices will take over for Bergen and McCarthy this summer. Although Shaw is only 31, he has conducted everything from ballads to Brahms and is one of the foremost choral conductors in the country.

Harold Peary, "The Great Gildersleeve," had to cancel his scheduled personal appearance tour of the country. So many of the principals of the cast had summer commitments that he couldn't assemble the right group.

Priscilla Lane, youngest of the three Lane sisters of movie fame, returns to the screen after a year and a half to play the feminine lead in RKO's "Bodyguard," opposite Lawrence Tierney. She retired in 1944 when she married, but returned briefly to play the lead in "Fun on a Weekend" in 1946 when her son was five months old. "Bodyguard" is directed by Richard Fleischer.

Ed Byron, producer, director and co-author of "Mr. District Attorney" and "Adventure with Christopher Wells," still is amazing the radio world by his dramatization of events that make headlines either simultaneously or a few days later. Byron credits his scoops to his knowledge of crimes and the ways of criminals. He has kept a file of newspaper crime stories for 10 years.

Odds and Ends . . . Jimmie Durante will not have the same sponsor next season, according to the latest report . . . Mark Warnow's return to "Sound-Off" is very indefinite, because of ill health . . . Arnold Moss ("Road of Life" and "Young Dr. Malone") is called the "educated actor" by his colleagues. He has a B. A. in Latin and Greek, M. A. in Old French, Ph. D. in "The Art of Acting" . . . That palomino you'll see ridden through a ballroom in "The Great Gatsby" is a veteran of "California," "The Virginian" and "Incendiary Blonde" . . . "Arthur Godfrey's Talent Scouts" will be absent from the air from June 21 to August 23.

NBC interviewed 3,074 persons in 1947; 190 passed these auditions, 26 were heard on the air. Robert Adams, talent auditioner of NBC, says experience is essential; amateurs almost never make the grade. And Elaine Rost, ("Inza" on "The Adventures of Frank Merriwell,") says the best way to get dramatic experience is singing with a band. She did it for 18 months, studying
