## Hart Day, German festival will kick off big Roundup

Hart Day Saturday and the new Nazareth German Folk Festival Sunday afternoon will kick off the 1973 Castro County Roundup.

**THE NINE-DAY** celebration will include special events each day, with something for all ages, as the county observes its 82nd birthday. The county was organized in August, 1891.

The Roundup will move into Dimmitt for a seven-day stand starting Monday.

A host of new events will spark this year's Roundup. They include an old fiddlers' contest at Hart Saturday, the entire German Folk Festival at Nazareth Sunday, tennis tournaments at Nazareth (this weekend) and in Dimmitt (starting Monday), an open-air rock concert for youths Wednesday night, a three-day art and hobby bazaar in Dimmitt starting next Thursday, a 14-mile bicycle tour and a watermelon eating contest during Kid Day Aug. 17, and open slack-roping at the Dimmitt Rodeo Arena the morning of Aug. 18, final day of the rodeo.

**IN ADDITION**, the first beard-judging contest here since 1966 is underway, with the stubble-judging scheduled for Monday evening on the courthouse lawn. The new activities have been added to these traditional Roundup events which are expected to draw big crowds again this year.

— **Hart Day Parade**, best-dressed contest, merchants' drawings, food and game booths, children's rides and "Miss Hart" contest Saturday.

— **Western Dress Contest** in Dimmitt Monday.

— **ROUNDUP Carnival** in Dimmitt all week, starting Monday evening at 6, at Northeast Second & Andrews, just east of Dale Fowler Ford.

— **Street Square Dance** Tuesday from 9 to 11 p.m. (The site this year has been moved from the east side of the courthouse square to the 100 block of East Andrews.)

— **The 27th annual Dimmitt Rodeo**, which opens next Thursday and runs for three nights, with grand entry at 8:30 each night.

— **Western dances outdoors** at the rodeo arena following each night's rodeo performance.

— **OLD SETTLERS' Reunion**, covered dish luncheon and program next Thursday, starting at 10 a.m. (Site has been moved this year to the new courthouse community room.)

— **Traditional Kid Day activities** Aug. 17 — Pet Show at 9 a.m. on the courthouse square, kids' games at 1 p.m. in the city park and fire-horse polo that afternoon at city hall.

— **Roundup Parade Saturday**, Aug. 18, with form-up time at 2 p.m. and parade time at 3 p.m.

— **PONY SHOW** for youngsters at the rodeo arena following the parade.

— **Roundup Barbecue** at the city park at 6 p.m. on Parade Day.

— **Jaycee Air Show Sunday**, Aug. 19, starting at 1 p.m. at Dimmitt Municipal Airport.

**THE COMPLETE, day-by-day**

Roundup schedule (except for the Dimmitt tennis tournament) appears on Page 8, sponsored by the Castro County Chamber of Commerce. Details of individual Roundup Week events appear below.

### Hart Day

Leading off the 1973 Roundup will be Hart Day, with a full schedule of events Saturday, including a new one — an old fiddlers' contest.

**FIDDLERS WILL** start bowing their strings about 10 a.m. on an outdoor stage downtown. At the same time, Hart Day registration and a reception hosted by the Goodneighbor Club will begin in the Farmers State Bank community room.

Free prizes donated by Hart's merchants will be given away at intervals during the old fiddlers' contest Saturday morning.

Prizes will be awarded to the best-dressed man and best-dressed woman present Saturday morning. Contestants are to report to the reception at the bank during the morning.

**TO SETTLE** the appetites of celebrants, various organizations will have food booths open during the day, including "Lion-burgers," snow cones, soft drinks, etc.

Then at 2 p.m. will come the Hart Day Parade, featuring the award-winning Hart Junior Riding Club floats, bikes, antique cars, clowns and costumed marchers.

A playday at the R. G. Henderson Arena will follow the parade, with trophies and ribbons for winners of riding events. Young riders will show their horsemanship skills in events which you don't see in rodeos or horse shows.

**JUDGING** to pick a new "Miss Hart" will begin with a brunch Saturday morning and will conclude with the announcement of the winner at 8:30 p.m. at the city hall. Suzanne Holley, Miss Hart 1972, will crown her successor.

Children's rides and game booths will operate throughout the day in the downtown area.

### Nazareth Folk Festival

The new Nazareth German Folk Festival to be held Sunday afternoon will make its bid to become one of the major annual attractions in this area.

**THE FESTIVAL** will feature a full smorgasbord of German foods at afternoon booths, square and round dancing, an afternoon baseball game, a big Wurst Supper, and a dance Sunday night to the music of a German "oompah" band.

Starting the day's activities will be the baseball game at 2 p.m. in the Nazareth park, with the locals taking on an outside team. Members of the Catholic Youth Organization will sell homemade ice cream and other foods during the game.

At 4 p.m. the festival will move to the community hall, where such pickup foods as German sausage on a stick, wurstburgers, cheeses, wurstfehobes, etc., will be on sale.

**STARTING AT 5 p.m.**, different dancing clubs in the area will entertain the crowd with two hours of square and round dancing demonstrations. Guest

callers from Tulia and Amarillo will be on hand.

Then from 5:30 to 7:30 a big Wurst Supper will be served. On the menu are sausage, sauerkraut, hot potato salad, corn on the cob, cold salads, homemade bread, and for dessert, apfelstrudel, German chocolate cake and Kalocho. The Wurst Supper will be \$2 per plate.

The seven-member Havlak Polka Band from Rowena will provide music for the dance, which starts at 8:30 and continues until 1 p.m. The Havlaks are well known for their happy polka and waltz music.

**ADMISSION** to the dance will be \$2 per person. Foods and delicacies not sold during the day will still be available during the dance.

Proceeds of the festival will go to the Nazareth Fire Dept. fund to help outfit the city's new firefighting service.

Jerome Brockman is general chairman of the folk festival, with all organizations in the community taking part. Festival planners studied the famous New Braunfels Wurstfest — billed as one of the top 20 tourist activities in the world — while organizing the Nazareth festival.

### Tennis

A new feature of Roundup Week this year in Dimmitt is a tennis tournament for all ages.

**THE TOURNEY** will begin Monday and run through Parade Day, Aug. 18.

You can call the tournament by calling KDHN Radio, 647-3186, by 5 p.m. Friday. Ron Bates and John Brooks of KDHN are coordinating the tourney.

Entry fee is \$1 for singles and \$2 for doubles.

**MATCHES ARE** scheduled for all ages and all divisions, with the Dimmitt High School courts and the city park courts both being used.

Age divisions are 16 and under (junior), 17 through 30 (intermediate) and 31 and over (senior). Matches will be played in singles, men's doubles, women's doubles and mixed doubles.

Players who entered by Wednesday night at 8:30 at Dimmitt High School to hear the announcement of seedings and pairings. Players entering Thursday and Friday will be notified this weekend of their first match playing times.

**THE TOURNEY** is single elimination. Award ribbons will be given to the first, second and third place winners in each division.

### Dress Contest

All Dimmitt residents — especially those who work downtown — are urged to wear western or pioneer outfits during Roundup Week to establish the traditional Roundup atmosphere in the city.

**TO ENCOURAGE** colorful costumes, the annual Western Dress Contest will be held Monday, the first day of Roundup events in Dimmitt.

The best dressed men, women, boys and girls in the city will receive first, second and third place ribbons Monday afternoon.

Those wishing to enter the contest are asked to gather in front of the courthouse at 2

p.m. for the open judging.

**IN ADDITION**, nominations will be taken during the morning of those who cannot be on hand for the judging — store employees, office workers, nursing home residents, etc. — and the judges will visit these nominees before the courthouse gathering. Nominations should be phoned to the Chamber of Commerce office, 647-2524, before 11 a.m. Monday.

Western and pioneer costumes are also encouraged at the Street Square Dance Tuesday night, on Old Settlers' Day next Thursday and on Parade Day Aug. 18.

### Beard Contest

There'll be a hairy old time at the courthouse Monday evening when all the "Brothers of the Brush" get together at 6 o'clock for the beard judging.

**THE DIMMITT Jaycees**, sponsors of the Roundup Beard Contest, will award first place ribbons in such categories as Longest Beard, Best Old Gray Beard, Scraggiest Excuse for a Beard, Dryland Award, Thickest Mustache, Lincoln Memorial Award, Woolly Bugger Award, Gabby Hays Memorial Award, and Special Barbers' Award for Tonsorial Splendor. In all, 20 blue ribbons will be awarded to those who have done the best jobs of nurturing stubble since June 1.

Beards and mustaches must be left on through Parade Day, Saturday, Aug. 18, or a shaving permit is required. Even during the parade, the Jaycee Vigilantes have plans, splashwise, for men caught bearded without shaving permits.

**ADDITIONAL** prizes will be awarded to those who have done the best jobs of nurturing stubble since June 1.

Beards and mustaches must be left on through Parade Day, Saturday, Aug. 18, or a shaving permit is required. Even during the parade, the Jaycee Vigilantes have plans, splashwise, for men caught bearded without shaving permits.

### Carnival

Rides for children of all ages, booth games, soft drinks, candied apples, cotton candy and Frito pie will be features of the Roundup Carnival, which opens Monday evening and runs through Aug. 18 in Dimmitt.

**THE CARNIVAL** will be at Northeast Second and Andrews, just east of Dale Fowler Ford.

The family-owned, Texas-based carnival is presented by the Jest Amusement Co. and sponsored by the Castro County Activities Committee. All local proceeds will go into the Roundup Fund. Beta Sigma Phi sorority is in charge of assigning local carnival workers.

Smaller children's rides will include airplanes, autos, a train and "Tubs-o-Fun." For older children there's the Moon Walk, Share-a-Plane, Seat Cat, swings and hammer ride. Both games will include darts, fishing pond, baseball throw, etc.

**THE CARNIVAL** will open at 6 p.m. each weekday and at 2 p.m. Saturday, Aug. 18, the final day.

Organizations wishing to set up their own booths at the Roundup Carnival may contact Don Nelson, Roundup chairman, at 647-3123.

### Square Dance

Tuesday will be "Swing Your Partner Day" in Dimmitt as the 1973 Roundup moves into its fourth day.

**TUESDAY'S MAIN** event will be a street square dance from 9 to 11 p.m. sponsored by the Dimmitt Promenaders.

The dance will be held on the 100 block of East Andrews Street, in front of Dale Fowler Ford. Guest caller will be Jack Thompson of Tulia.

The dance is free, and families are encouraged to come out and take part or watch the festivities. While the dance is going on, the Roundup Carnival will be in progress across the street.

### Rock Concert

The Black Water Draw, popular Amarillo rock band, will present an open-air concert at the Dimmitt Little League Park Wednesday night as the highlight of the Roundup's "Youth Day."

**THE CONCERT** will be from 9 p.m. to midnight, and admission is \$1 per person. Dimmitt's Kiwanis Club will operate the gate and concession stand.

The band will be set up in the park's left field, and those attending will sit on the outfield grass to hear the concert. Admission will be through the park's right-field service gate.

In case of rain the concert will be moved to the North Elementary gymnasium or the Dimmitt High gym. Youths will be notified of the alternate site by loudspeaker as they arrive at the Little League Park.

**THE ROCK** concert is a new Roundup event this year. Although it's designed mainly for the county's teenagers, the concert is open to persons of all ages who wish to attend.

## Who'll be rodeo queen?

Three pert Dimmitt lassies are vying for the honor of being named Dimmitt Rodeo Queen at the 27th annual Dimmitt Rodeo next Thursday night.

**CONTESTANTS** include Jaci Johnson, Terry Hamilton, and Jo Ann Smith.

Each girl has placed canisters at several Dimmitt locations in order to collect donations for the Dimmitt Rodeo Association. The girl who collects the largest sum will be named rodeo queen.

Miss Johnson is the daughter of Mr. and Mrs. Ray (Cowboy) Johnson. She is 17, and is a senior at Dimmitt High School. She has placed canisters at Dimmitt Consumers, Dimmitt Feed Yards, the Dimmitt VFW post, Red Barn Inc. and Green's Package Store.

Miss Hamilton is the daughter of Mr. and Mrs. Freddie Hamilton. A sophomore at Dimmitt High School, she is 15.

Miss Hamilton has placed canisters at Dimmitt Consumers, Von's Cafe, Colonial Inn Res-

taurant, Ann's Steak House, Parsons Drug and Professional Livestock Supply.

Miss Smith is the daughter of Mr. and Mrs. Joe R. Smith. She is 17 and a senior at Dimmitt High School.

Miss Smith has placed canisters at TG&Y, Parsons Drug

and Arrow Package Store.

**IN THE** case of a tie, horse-manship will be used as the determining factor.

The winner will be crowned next Thursday night before the opening performance of the Dimmitt rodeo. She will also receive a belt buckle.

## Youngsters should be registered for kindergarten immediately

A new kindergarten law has made all five year olds eligible to attend kindergarten, and all children who are five years of age on or before Sept. 1 will be eligible to attend for a full day for half the year, according to Supt. Charlie White.

**WHITE POINTED** out that the educationally and economically deprived will be eligible to attend for the full day all year.

"It is important that parents register their kindergarten age children at the South Elementary curriculum office as soon as possible," said White. "We need to know about how many children will be attending because the dividing line will be exactly half of those registered. Half the children will attend during the first portion of the year, the others will attend the second," he said.

According to White, an early childhood teacher will also be available under the Plan A Special Education program, and any three or four year old child with any handicap is eligible to attend classes.

A three or four year old child who has any of the following handicaps is eligible to attend the early childhood class; physically handicapped,

which includes vision, hearing and/or any general health impairment; emotionally disturbed children, speech handicapped, and language and/or learning disabilities. Parents who suspect that their child has a problem in any of these areas should call the South Elementary Curriculum office and register their child.

Parents will be responsible for transporting these students to and from school as classes will run for only a portion of the day, but the school will furnish transportation for the five year old kindergarten students according to White.

**OLD SETTLERS' Reunion**, covered dish luncheon and program next Thursday, starting at 10 a.m. (Site has been moved this year to the new courthouse community room.)

— **Traditional Kid Day activities** Aug. 17 — Pet Show at 9 a.m. on the courthouse square, kids' games at 1 p.m. in the city park and fire-horse polo that afternoon at city hall.

— **Roundup Parade Saturday**, Aug. 18, with form-up time at 2 p.m. and parade time at 3 p.m.

— **PONY SHOW** for youngsters at the rodeo arena following the parade.

— **Roundup Barbecue** at the city park at 6 p.m. on Parade Day.

— **Jaycee Air Show Sunday**, Aug. 19, starting at 1 p.m. at Dimmitt Municipal Airport.

**THE COMPLETE, day-by-day**

A meeting of all high school band students interested in playing for the roundup parade is scheduled for 8 p.m. Friday, Aug. 17 at the high school band room.

**HIGH SCHOOL** band director Ralph Smith will conduct rehearsal for the roundup parade, scheduled for Saturday, Aug. 18.

Anyone interested in joining the band, including graduates, is invited to attend the meeting and rehearsal according to Smith.

Smith said the band will not wear uniforms, and will probably play The National Emblem March.

**HIGH SCHOOL** registration is set for Aug. 16, with seniors registering at 9 a.m. Juniors will register at 10:30.

Sophomores will register at 1 p.m. and freshmen will register at 2:30.

Junior high registration is set for Aug. 17 with 8th grade registration at 9 a.m. and 7th grade registration at 10:30.

Elementary school students will register any time during the day Aug. 16 until 3 p.m. Parents are urged to bring health records for students in grades 1-6.

Band practice for all Hart band students is scheduled for Aug. 13, 14, 15 and 17 from 7-9 p.m. according to Jerry Jansa, band director.

Hart schools will begin regular classes Aug. 20 at 8:30 a.m. and will dismiss daily at 3:45 p.m.

## Last rites held for Mrs. Kearns

Funeral services for Mrs. Francis Kearns of Hereford, mother of Mrs. Linda Jackson of Dimmitt, were held Friday in Gilliland-Watson Rose Chapel in Hereford. Rev. Herman Schelter, minister of the Immanuel Lutheran Church of Hereford officiated.

**MRS. KEARNS** died Wednesday at St. Anthony's Hospital in Amarillo.

Born in Malone, N.Y., she came to Hereford in 1950. She was a member of the Immanuel Lutheran Church.

Survivors, other than Mrs. Jackson, include her husband, a daughter, Caroline Kearns of the home; one brother, Charles Allen of Malone, N.Y.; three sisters, Mrs. Beulah DeRochie and Gertrude Allen both of Malone, and Mrs. Myron Nissnick of Utica, N.Y.; and four grandchildren.

Burial was in Rest Lawn Memorial Garden in Hereford under the direction of Gilliland-Watson Funeral Home.

## AQHA show set here Saturday

Quarter horse owners from throughout the Tri State area will be in Dimmitt Saturday for a quarter horse show sponsored by the Dimmitt Young Farmers.

**THE AQHA** show will begin at 9 a.m. at the Dimmitt Rodeo Arena, and will run throughout the day.

For details on the show see page 6.

Lynn Hays and Rob LaRue Saturday morning in the home of her parents, Charlie and Nancy Hays, was a friend of Mary Lynn's grandfather, the late H. G. Conkright of Hereford. He also officiated at the wedding of Mary Lynn's twin brother, John, when he and Carolyn were married last year. Bro. Ferguson is Carolyn's grandfather.

Kent Hance and Mack Cansler greeted guests as they arrived for the wedding. Serving at the beautifully decorated tables in the den were Ruth Ann Cansler and Carolyn Hays, both of Hereford at the bride's table and Penny Hays of Amarillo and Elaine Flynt of Fort Worth at the groom's table. Shannon and Sheryl Hogan. Rob's nieces of Lubbock, gave out rice bags. At the reception most of the guests were on the sun porch and in the back yard. It was a beautiful wedding.

Out of town guests here for the Hays-LaRue wedding were: From Hereford -- Mrs. Jim Bookout, Mrs. Colby Conkright, the J. R. Allison, the Buster Subletts, the J. L. Woodfords, the Mack Canslers and Allison, the John Hayses.

From Amarillo -- Penny Hays and Clyde L. Hays. From Friona -- Mr. and Mrs. Clyde Hays. From Fort Worth -- the A. J. Kemps and Camille, Mrs. Jack Flynt Jr.

From Lubbock -- the Kent Hances, Susan and Ron, Ron Downing, Mrs. Marilyn Hogan, Shannon and Sheryl, Bro. and Mrs. W. F. Ferguson.

They were transferred from the AFB on Okinawa and returned to the states as Delmae came home. Mr. Branch was chairman of deacons at the Central Baptist Church on Okinawa, where Decima is a member.

Oleada Hance went to Tucumcari Friday with her daughter Sandra Honea of Hereford to visit Martha and Jake Isaacs. Jeff returned home with Oleada for a short visit before school begins at Tucumcari.

Joyce and James Autry, Louann and Lynette of Rocky Ford, Colo. have been here to help out in the illness of their brother-in-law, John Hogue, who is hospitalized in Lubbock. They are also visiting their parents, the W. T. Autrys and Irene Carpenter.

JEAN AND A. J. Kemp and Camille of Fort Worth were here to visit her mother Mrs. Nettie Graham and attend to

farm business and also they came for Mary Hays' wedding. Andy Kemp will attend Tech this fall.

Diane Froehner, niece of Nolan and Evie Froehner from San Antonio, is visiting this week.

Robert leaves Aug. 16 for Dallas where he will attend school at the University of Texas Southwestern Medical School. Before getting into the grind, he and his roommate, Dan Oshman of Richmond, will fly to New York City for two weeks vacation. They plan to take in the shows and then go on up to Montreal, then back through Maine and the other New England states before returning to Dallas.

R. B. and Grace Strother and daughters are home from a trip by car to Reedsport out on the cold beach of the Pacific, then northeast to Sandpoint, Ida. to visit family. They visited one day in British Columbia.

By GERALD BROADSTREET

Greetings Comrades, This sure has been a fast week for me. I have been on vacation and does the time fly when you're not working.

AS TIME goes by our District Convention draws nearer and it will be here before you know it. So far as I know we are prepared for it. Most of the plans have been made and work details assigned.

Comrades, I would like to ask a favor of you. Since I am the District Commander and the convention is at my home post I would like to see as large a turnout of local members as possible. Your presence and support would be greatly appreciated. Remember, that's the weekend of Aug. 25-26, so make plans now to attend. We have a real good program lined up for you, plus an outstanding meal planned for dinner Sunday.

It will be next week before I can give you a report on the regular meeting we had last Monday night. As you know my column has to be turned in Monday morning and our meeting is that night.

SAY, COMRADES, I would like to mention that Phase I of our 73-74 year is now in effect. This means if we obtain 25 percent of our quota in membership by Aug. 31 our post will receive an award from Department Headquarters. Commander Charles Wilkerson will be sent a cap device called the "Fireball Award" to be given to the person that has been the most help in obtaining our 25 percent. So you "Fireballs" out there get busy collecting 1974 dues and see who is going to win this award.

There have been quite a few "74 dues come in through the mail and I want to say "Thank You" to those that did mail them in. I do appreciate your promptness.

I have some good news. July 31st I went down to Paducah Post 7528 to do some District work and I do believe some good was accomplished. There was a very strong indication that they are going to get on the ball and be an active post this year. I sure hope they do for it will really help our District standing.

On my way down there and back I visited with posts in Tuka, Silverton, Matador, Floydada, Lockney and Plainview. Needless to say I was a little bit tired when I got home, but I did enjoy it and besides I was promoting our district convention.

OPEN SUNDAYS 9 to 7 FOR YOUR CONVENIENCE!

### Baptist men's rally is held

By TEENY BOWDEN

Noah Spencer and Ruth Shive of Hart were married in Ruidoso Friday in the First Baptist Church, and after a wedding trip to Alamogordo and White Sands will make their home in the community, where she attended Sunnyside School as a girl. Rev. George Brittain, a former pastor here, married them at Ruidoso. Mrs. Spencer will continue to work at South Hills Manor in Dimmitt.

**THE QUARTERLY Baptist Men's Rally for the Llanos Altos Association** was held in the Sunnyside Baptist Church Tuesday night. About 50 men representing several churches attended. The Sudan church had charge of the special music brought by four boys. A barbeque supper was served before the evening program. The Sudan church won the attendance trophy.

Mrs. T. E. Parson Sr. was transferred from Plains Memorial Hospital in Dimmitt to St. Anthony's in Amarillo Monday afternoon and has undergone tests this week. She was dismissed Saturday.

Rev. and Mrs. Mack Turner received word Tuesday night that Mrs. J. E. Lockett whose husband died suddenly of a heart attack last week was killed in a car wreck in Colorado Tuesday. Her sister had come from Colorado for the funeral of Mr. Lockett and her brother was going to drive her home so she went along. All three of them were killed in the accident.

Jess Matlock of Springlake was dismissed from the Littlefield Hospital Wednesday and Mrs. Carl Bradley has helped out with him each day this week.

**MR. AND MRS. W. T. Autry** have been with John Hogue of Dimmitt some this week in Methodist Hospital in Lubbock. He underwent major surgery Monday and was showing marked improvement Saturday. They spent the day Wednesday with him and their daughter, Jo Hogue.

Three men were injured in a two car head-on collision on the bridge over Running Water Draw last Sunday night. Gary Lynn Webb of Dimmitt, Santos Fuentes and Nicholas Garcia of Uvalde were hospitalized, but none were seriously injured.

Mrs. Cliff Brown was admitted to the Littlefield Hospital Tuesday night and dismissed Thursday afternoon.

Mr. and Mrs. Donnie Lilley and children accompanied the body of his mother, Gay Lilley, to Big Spring Wednesday afternoon for interment there and soent Wednesday night with his uncle and aunt, Mr. and Mrs. Reube Hill.

**MRS. ILA Hayden left Wednesday** for a few days visit in Weatherford with relatives and friends.

## Hunters should secure leases

It's hard to think about anything as remote as the next hunting season when your inclinations are to stay inside with the air conditioner and a tall, cold drink.

**BUT IF you're planning to hunt** this season and your lease isn't sewed up yet, then it's time to start moving.

Most of the smart hunters have already negotiated with landowners for a place to hunt, so now all they have to do is show up when the season opens.

You can save yourself some headaches even at this late date if you take care before signing an agreement.

Read your lease carefully before you sign. It should spell out conditions for the protection of both parties to prevent misunderstandings.

**IT SHOULD cover these points:** what is leased, name of parties, description of tract including size and boundaries, the terms of the lease including the amount and time of payment, the duration of the lease, who is to hunt and the species of game animals, fish, game birds and varmints which may be taken.

The landowner should specify what services or facilities are included in the lease such as blinds, cabins, utilities and special permits.

A written lease, when properly acknowledged, can be recorded in the county records and is binding on the landowner should he decide to sell his property to another party.

For information concerning the proper legal form an attorney may be consulted.

**READY FOR THE ROUNDUP**—Bill Conyers shows the new mobile sound system that will be used at many Rodeo events this year. The Dimmitt Rodeo Association purchased the main system, with portable components and fixed speakers at the rodeo arena. The Rodeo Association then offered the use of the components for other Rodeo Week events, so the County Activities committee purchased two extra

speakers and had them mounted on a pickup "headache bar" to tie into the amplifier, tape input and record player. In past years, an outside sound system has had to be brought in, and was available for only limited use. The new sound system can be used as a fixed station powered by 110 volts AC, or as a moving sound truck powered by the pickup's cigar lighter.

## Homemakers can increase efficiency of electricity with use of proper bulbs

"En-lightened" homemakers use electricity more efficiently — they study light bulb labels and keep bulbs, fixtures and ceilings clean.

"PACKAGE labels list three ratings — watts, lumens and bulb life," Lynn Bourland, home management specialist with the Texas Agricultural Extension Service, explained.

When purchasing bulbs use this information to achieve more economical home lighting, she continued.

"One guide commonly used in buying bulbs is the wattage rating.

"Wattage measures electricity used in bulb operation — it doesn't indicate how much light is received from the bulb."

THE SPECIALIST noted that several bulbs using the same total wattage as one bulb may not produce an equal amount of light. "As wattage increases, amount of light per watt also increases. For example, a 100-watt bulb provides at least 50 percent more light than four 25-watt bulbs."

Lumens, on the other hand, indicate bulb efficiency — or the amount of light on the average, consumers can expect when using a bulb.

"The third rating, bulb life, is the number of hours of use expected before the bulb burns out. This figure indicates average life expectancy, although some bulbs last longer.

"Several factors affect bulb life. For example, excessive heat, high voltage and vibration reduce it," Miss Bourland said.

UNTIL RECENTLY, longer-life bulbs meant less light — so they weren't recommended where seeing was important. These conventional longer-life bulbs don't produce enough light for reading, studying and working, she said.

"They're ideal for hard-to-reach areas or fixtures — such as stairwells, attics or high ceilings.

"Recently, however, bulbs have been designed which last longer than regular ones without severe light output reduction.

"Improved longer-life bulbs feature different sources of power. One uses Krypton gas, and another relies on an improved strength or power coil.

"COMPARED to a regular 75 watt bulb — which has an average life of 750 hours and average output of 1176 lumens, the new 'super coil' 75 watt bulb is rated to have an average life of 1500 hours and light output of 1075 lumens.

"Naturally, improved bulbs cost more than regular ones," the specialist added.

"Incandescent bulbs usually found in homes give from 10-20 lumens for each watt of energy consumed. Most have a life expectancy of 750-1000 hours.

"Fluorescent tubes furnish 60 lumens or more per watt, with an average life of 7500 hours on a cycle of three hours burning per start.

"FREQUENT STARTING of fluorescent tubes shortens their life," she warned. Other factors — besides lu-

men ratings — affect how much light a bulb gives off. Miss Bourland pointed out.

"For instance, dust accumulation on bulb or fixture absorbs up to 50 percent of light otherwise available.

"Also, ceilings darkened by soil don't reflect light adequately."

THE SPECIALIST recommended discarding any blackened light bulbs. "They may reduce light as much as 60 percent."

FOLLOW RELIABLE pickle recipes precisely — the correct amount of vinegar is necessary to prevent bacteria growth in the pickles, according to Judy Grubbs, foods and nutrition specialist, Texas Agricultural Extension Service.

MEN'S UNDERWEAR makes news. Basic fabric is soft, slinky, knitted nylon and colors range from deep pastels to bold prints, notes Mrs. Vivian Simmons, clothing specialist with the Texas Agricultural Extension Service.

DURING THE winter months, snakes hibernate in dens below the frost line to keep from freezing to death. They have no control over their body temperatures.

## Service contracts helpful to many appliance owners

Today's appliances perform many wonders — until something suddenly goes wrong.

"REPAIRING THESE appliances is expensive. As a result, many consumers turn to service contracts," Lillian Cochran, home management specialist, Texas Agricultural Extension Service, said.

Usually these contracts are offered consumers when an appliance is purchased, she noted.

Some consumers consider a service contract "a way of insuring appliances against high repair bills.

"For an annual fee or set amount, the buyer receives an agreement to repair the appliance as often as needed without further charge.

"THIS ELIMINATES concern over cost of appliance repairs. Purchasers won't see another repair bill — as long as the service contract is in effect."

Another big advantage is "deliverance from lemons." A chronically ailing appliance becomes someone else's "headache," Miss Cochran added.

"Nevertheless, a service con-

tract may or may not be a good deal.

"If a repair bill is higher than the service contract cost, the consumer saves money. But when service isn't needed in a given year, money was

paid out unnecessarily." ALSO KEEP in mind that some appliances are less likely to need service, the specialist continued.

"Those with numerous mechanical parts — such as automatic washers or dishwashers — usually require more service during their lifetime than appliances with few or no moving parts — such as ranges."

When considering a service contract, read it thoroughly to understand its terms, Miss Cochran emphasized. "Make sure you know precisely what it does — and doesn't — cover.

"Find out your obligations — as well as the seller's agreement."

BEFORE SIGNING a service contract, determine:

— What is covered — parts, labor, number of calls.

— What are the time limitations? A contract may appear to be a bargain, but cover only 9 months instead of a year.

— Is there a limit to number of service calls?

— Are you paying for protection on parts already covered by warranty?

— If you move out of the dealer's service area, are there provisions for a refund, or can the contract be transferred to a dealer in the new location?

— IF THE contract covers labor only, can you obtain a price list of parts before signing the contract?

### 2 Hart graduates get scholarships

Two Hart High School graduates have been awarded the Applied Music and Friends of Fine Arts Scholarships at West Texas State University.

JEAN FOSTER, daughter of Mr. and Mrs. E. W. Foster has been awarded the Applied Music Scholarship, and Dirk Rambo, son of Mr. and Mrs. Carl Rambo has been awarded the Friends of Fine Arts Scholarship.

These students were awarded the grants by a faculty committee because of outstanding performance capabilities demonstrated on the piano and art, respectively.

The Friends of Fine Arts Scholarship is a cash award which may cover a part or the actual cost of tuition and fees, depending upon the amount of the grant.

The Applied Music Scholarship covers the additional fees that are normally charged for private lessons on an instrument or in voice.

THESE SCHOLARSHIPS are for the 1973-74 academic year.

## Worm reports are on increase

Texas had recorded well over 600 cases of screwworms for 1973 as July drew to a close, and indications are that the year's total will climb rapidly in the next few months.

"THE HOT summer weather and recent rains have spurred the spread of screwworms in South and Southwest Texas," said Dr. M. E. Meadows, veterinarian-in-charge of screwworm eradication operations at Mission.

"From now until Nov. 1 is considered the crucial time in the screwworm program," Meadows noted. Thus he urged livestock producers and pet owners to be especially alert for screwworm infestations.

About 80 percent of the screwworm cases have been occurring in the southernmost 11 counties of Texas. However, El Paso and Hudspeth Counties in Far West Texas have also recorded cases. In fact, El Paso County has already recorded six cases, more by this time of the year than any other year since the Screwworm Eradication Program began in 1962.

According to Meadows, current eradication efforts involve a two-pronged attack on the pest. Infested herds are being sprayed with a pesticide free of charge. The Texas Animal

Health Commission, in cooperation with the USDA's Animal and Plant Health Inspection Service, is conducting this service for all livestock producers who submit a confirmed screwworm sample.

STERILE FLY drops are also continuing at the rate of 1,000 to 2,000 flies per square mile each week in areas where cases are confirmed.

"But the spraying and fly drops are only part of the eradication program," pointed out the veterinarian. "We need the cooperation of all livestock producers and pet owners in inspecting and treating infested animals to make the program really effective."

Screwworm sample collection kits are available at any county Extension office and from livestock inspectors and veterinarians. All worm samples should be sent to the Mission Lab, Box 969, Mission, Texas 78572.

CAN LOW-ACID foods using a steam pressure canner. Bacteria spores which cause food poisoning from botulism are killed at a temperature of 240 degrees F., says Frances Reasonover, foods and nutrition specialist with the Texas Agricultural Extension Service.

### Cattlemen may save money with new feed system

An integrated system for feeding cattle could mean quite a bit more money in the cattlemen's pocket, according to Dr. Donald Farris and Ed Williams of the Texas Agricultural Experiment Station.

THE MORE common open market system sometimes results in higher marketing costs per head and more stress caused by transfers — resulting in weight loss and some cases of sickness and death, the Texas A&M University System researchers said.

The integrated system, in which the whole process from the weaning age calf to slaughtering is pre-arranged, lowers marketing costs and cuts down on the transfers and resulting losses.

The potential advantage of the integrated system, Farris and Williams found, came to \$9 to \$11 per head in savings during 1966-70. About half of that was saved marketing costs.

They developed estimates for several types of cattle. The standard was a choice steer evaluated from 350 to 1050 pound weights.

THE GREATEST savings came from calves weaned at a light weight. The smaller animals are more sensitive to stress — giving the integrated system the advantage.

Savings for heavy weaned calves ready to move directly to the feedlot were only one-third as much, they said.

Integrated systems in cattle operations are only a small part of the total business but appear to be becoming more popular, said the professor and former research assistant in the Department of Agricultural Economics and Rural Sociology. Not all producers can take advantage of this, but to the extent the industry can design its business to reduce stress and transfer charges, costs can be reduced.

Complete details of the study will be available the first of the year as a Texas Agricultural Experiment Station bulletin.

### Firemen attend annual school

Fire Marshal Guy Waldrop and Ron Montgomery attended the annual Firemen's Training School last week at Texas A&M University.

MONTGOMERY, a volunteer fireman here, took the basic firefighting course, while Waldrop studied advanced fire prevention.

Montgomery's tuition to the school was paid by the Castro County Farm Bureau, and the city paid Waldrop's tuition plus transportation, room and board expenses for the two men.

## WASHINGTON AND SMALL BUSINESS

AS HEARD BY HEARD  
The Wrong Function  
Around four decades ago the public was quite pleased that at long last the notorious gangster Al Capone was jailed.

While the law got around to hooking him on the criminal acts that resulted from gangland warfare, he was brought to justice through the Internal Revenue Bureau, on income tax evasion, but was confined as a major public enemy.

But now, almost 40 years later, in view of the alleged disclosures in what has become known as the Watergate case, regardless of the merits of the Capone case, it is perhaps time to ponder the means employed.

The Internal Revenue Service was set up to administer the collection of taxes. By and large, it can perhaps be said that the service has done well with a most complex law.

But the Capone case set a precedent that can be dangerous not only to the nation, but also the confidence people have in the IRS.

While the allegations in the Watergate hearings have yet to be proved, there is enough substance to the fact that there are attempts to use the IRS for personal, or political vendettas.

### Young Farmers to hold horse show

The Dimmitt Young Farmers are sponsoring a quarter horse show to be held Saturday at 9 a.m. at the Dimmitt Rodeo Arena.

ALL HORSES entered must be registered according to American Quarter Horse Association rules and be shown in the name of the recorded owner.

Trophies will be awarded to first place winners in halter and performance classes and to grand and reserve champions and youth champions. Ribbons will be awarded for second through sixth places, and the youth all-around will receive an AQHA trophy.

Entry fee for halter classes is \$8 and youth halter is \$5. Performance class entry fees are \$10. Fees for roping and cutting are \$12.50 and fees for youth performance classes will be \$3 per event.

THERE WILL be 19 halter classes and 21 performance classes.

### Beef, forage short course scheduled at Texas A&M

Just how important are forages in beef cattle production? What role do summer and winter pastures play in a profitable cow-calf operation?

THESE WILL be some of the questions that will be answered by Dr. W. C. McCormick of Tifton, Ga., a pioneer in grass and cattle research, during the upcoming Beef Cattle and Pasture Forage Short Course at Texas A&M University Aug. 20-21.

McCormick has worked extensively with the different types of bermudagrasses and knows the "cow" side of producing and utilizing grass. He will provide information on the feeding value of three bermudagrasses — Coastal, Coastcross-I and Alicia — and how this value is influenced by soil fertility, age, leafiness, protein content, digestibility and in-

take. "Of special interest to producers will be pointers on grazing and harvesting these forages to obtain maximum feeding value," points out Dr. Dennis Herd, beef cattle specialist for the Texas Agricultural Extension Service who is serving as short course chairman.

Regarding winter pastures, McCormick will present information as relates to brood cows, stockers and finishing cattle. Winter pastures have been shown to boost the reproductive efficiency of young cows, and the researcher will provide further details of studies in this area.

"WINTER pastures provide several plus factors as far as finishing cattle are concerned," notes Herd. "They provide needed protein and roughage and also help with the problem

**VETERANS' SERVICES**

By BEDFORD W. SMITH  
County Service Officer

A new Veterans Administration computer program to speed checks to GI Bill students is expected to become operational this month.

In announcing the new "one stop" service, Jack Coker, VA Regional Director in Waco, explained that when VA receives separation papers (DD214) from the military, VA computers will automatically generate a package of papers to veterans. These include a Certificate of Eligibility (COE) — required when applying for any VA bene-

fit — an application for education or training, and a form for schools to use to certify enrollment.

Previously, each of these was a separate step for students or schools.

The package also will tell veterans their remaining GI Bill eligibility time, about counseling and tutorial services, how to apply for educational assistance, and about courses that may be selected for training.

Coker said that under this new concept, veterans can complete the application and present it, along with the COE, to school officials at the time of registration. The school, in turn, will complete the enrollment portion and forward the entire package to VA for processing. The first benefit checks should be received shortly thereafter. When veterans request advance payment on the application forms, checks will be waiting at the institution for delivery to them upon registration.

Schools with approved courses for veterans have been notified of the new form and procedure.

We have a complete directory of schools certified under Texas Proprietary School Act and school offering courses approved for veterans at our office on the second floor of the courthouse.

ANY DAMAGE to service records in the July 12 fire at the Military Records Center in St. Louis, will have no impact on the 13 million veterans and dependents currently receiving Veterans Administration benefits. This assurance was given

by Donald E. Johnson, Administrator of Veterans Affairs.

VA records for those now receiving benefits are maintained mostly at the agency's 57 regional offices throughout the nation, and also at VA's 169 hospitals and two insurance centers.

VA does operate its own records processing center in the St. Louis area, but this is located about 10 miles from the fire-damaged military records unit. This VA center serves as a repository for records of older veterans and beneficiaries no longer receiving VA payment or benefits.

The VA, Johnson said, also maintains other backup files containing essential, though not complete, military service information, which would prove helpful in processing any new applications for benefits from veterans whose military records might have been destroyed in the fire.

Since 1968, the VA Data Processing Center at Austin has kept computer master records on some 5 million Vietnam Era veterans discharged since that date. Computerized master index records are also maintained by the VA in Washington on more than 32 million veterans living and dead.

These backup records contain information on dates and branch of service, character of discharge and other information necessary for VA to adjudicate claims for such benefits as GI Bill training, GI loans, VA pensions and VA medical and hospital care.

Veterans primarily affected would be those applying in the future for VA service-connected disability compensation whose military medical records may have been destroyed in the fire. Even if these medical records are not duplicated elsewhere in the military system, VA would have an alternative way of developing the veteran's claim. VA would already know if the veteran had basic eligibility as far as period of service and character of discharge is concerned.

For additional information needed, VA could check the veteran for any record copies

**Study lamps stop eyestrain**

Eyestrain often strikes students soon after they return to school.

MUCH OF THIS can be prevented by using a good study lamp," according to Patricia A. Bradshaw, housing and home Agricultural Extension Service.

"Proper illumination is essential for effortless reading and writing. It eliminates eyestrain and fatigue — which make studying unpleasant.

"Poor lighting, on the other hand, can cause permanent eye damage."

When buying a study lamp, the specialist warned against purchasing one simply labeled "study lamp."

MANY gooseneck and high-intensity lamps sold as reading lamps actually contribute to eyestrain — by creating glare, she continued. "They provide poor light diffusion and no upward light.

"Take time to examine and compare several lamps — and choose one that provides soft illumination of proper intensity," Miss Bradshaw advised.

or data he might have kept, could request affidavits from military buddies who witnessed the disability, and from military doctors and hospitals treating the veteran. A current VA medical examination would establish the present extent of the disability.

### 3 Dimmitt men awarded honor

Three Dimmitt men have been selected as Outstanding Young Men of America for 1973, according to Doug Blankenship, chairman of the board of advisors for the national awards publication.

**THOSE SELECTED** include Richard Judson Bales, Avery Lee Thrasher and Gary L. Moore.

Criteria for inclusion in Outstanding Young Men of America are service to others, professional excellence, business

advancement, charitable activities and civic and professional recognition. Men chosen for the distinction are between the ages of 21 and 35.

Nominations for the honor are made by civic organizations, Jaycee chapters, college alumni associations and military commandants.

Now in its ninth year, Outstanding Young Men of America is an annual biographical compilation sponsored by leading men's civic, service and

professional organizations. The Awards Volume features the compilation sponsored by leading 7,000 young men of exceptional abilities and achievements from across the country.

### The view from your library

By MARY EDNA HENDRIX

We are all excited about the new furniture that is arriving for our new library. Last week the shelves came in but a crew from Dallas will come out to assemble and install them. Two desks for the work room and all the chairs for the meeting room are here now. The card catalog cabinet came in, so Mrs. King and Marie Howell have been working in the new library to change the card catalog. Lupe Quinonez and Gloria Campos will stay in the old library until after the Children's Summer Reading Program ends Aug. 15. The party will be held on Aug. 17 — no time or place have been decided, but will be announced later.

Have you noticed the sign **RHOADS MEMORIAL LIBRARY** on the new building? Jerry Gailey, the contractor, came last week to put these signs up and make a few minor adjustments in the building.

**MORE DONATING** books: Jo Beth Bates and Kathy George... Mrs. Ted Robb brought a book "The Art of Conversation". This is a series of small pamphlets of "The Ethel Cotton Course in Conversation". The following is a list of titles: 1. Guiding Conversation, 2. Getting Acquainted, 3. Overcoming Irritation, 4. Too Tired to Talk, 5. Humor in Conversation, 6. Complexes, 7. Discussing Books and Plays, 8. Colorful Descriptions, 9. Home Conversations, 10. Brief Conversations, 11. Long Conversations, 12. Carrying on the Adventure. This would be a good

course for many of us to study. Interesting people in the library: Mrs. McKinney from Tulia was visiting her friend Ruby Sims and they came by to see the new library... Mr. and Mrs. Popejoy and daughter (who used the library regularly while living in Dimmitt and are now in Amarillo) came to see the new library... Melissa Goolsby and her son, Kelly, came in to get some books. They had pictures to show of their recent trip with her parents, the LaRue Glenns, to Washington, D.C., Virginia and back by Mississippi. Melissa started reading a book while she was on vacation and had to leave it, so she checked it out from our library to finish reading... Mrs. Lewis and her children, Darrell and Barbara, who have moved here from Tulia came in to check out books... Nancy Vardell came in to visit. She is working as an aide out at the new Nursing Home where her grandmother is living now. Mrs. Catherine Easter was the County Librarian for several years.

### Dimmitt man to be AL delegate

Jack Flynt of Dimmitt will represent the 18th District of the American Legion at the national convention to be held Aug. 22-25 in Honolulu.

FLYNT is a past department commander and a past national committeeman.

G. Ward Moody of Austin will be the other delegate from the 18th District.

State Capitol Highlights

Rewriting constitution is becoming sticky job

Rewriting the nearly-century-old Texas constitution is turning out to be a stickier job than many figured.

The Constitutional Revision Commission went into overtime at a recent three-day meeting in Austin, but still failed to complete its agenda and slated another Aug. 10-11 cleanup meeting.

Meanwhile, legislative planners for the 1974 Constitutional Convention, at which lawmakers will actually propose a revised constitution, disagreed on routine stage-setting.

House members suggested a new voting machine (which was later ordered) and new desks for delegates. Senate planning committee spokesmen indicated they would be satisfied to bring their own desks over from across the capitol rotunda and set them up in the House middle aisle.

The revision panel agreed: — To keep the provision for real property taxation in the constitution for state purposes, but leave it to the legislature to write separate laws governing personal property taxation.

— To retain the state highway users gasoline tax, with three-fourths of the revenue earmarked for highway building and one-fourth for public schools. A provision was made for abolishing the highway fund levy on statewide referendum with support of two-thirds of the legislature.

— To keep the Permanent University Fund and Permanent School funds in the constitution. The university fund would be altered somewhat to include present and future branches of the University of Texas and Texas A&M University.

— To add to the constitution a guarantee of "equitable" financial support for all schools and districts rich and poor.

— To retain as constitutional elected members of the executive branch only the governor, lieutenant governor and attorney general, with the legislature empowered to decide if the comptroller, treasurer, secretary of state, land commissioner and railroad commission should be elected or appointed by the governor.

**RATE RAISE EXPECTED** An increase in some workmen's compensation insurance rates is due under a new law increasing benefits for those injured or killed in job accidents.

An average 19.5 percent hike in the rates employers must pay for the coverage is anticipated under a State Insurance Board staff proposal, which would become effective if approved between Sept. 1 and Sept. 15.

Rates would have gone up 22.8 percent in the absence of the federal anti-inflation program, a Board actuary indicated.

Under new law effective September, an injured worker can get up to a maximum of \$63 a week in benefits, an increase from the present \$49 top.

**AG OPINIONS** A national bank does not come under definition of government.

**Public hunters must pay fees** Something new has been added to public hunts on Texas Parks and Wildlife Department installations — hunting fees.

**IN A RECENT meeting**, the Texas Parks and Wildlife Commission voted to charge hunters for the privilege of hunting in management areas to help defray the costs of running the hunts.

Public drawings will still be held to determine who will hunt for deer, javelina, turkey and quail on management areas. After the drawing lucky hunters will be notified and asked to send in their fees.

On management area dove, squirrel and waterfowl hunts not requiring drawings, fees will be paid at the gate when hunters come on a first-come, first-served basis.

Fees will be: — Deer — Two-day permits, \$20. One-day permit, \$10. — Javelina — \$3 — Turkey — \$5 — Mourning Dove — \$1 — Quail — \$1 — Squirrel — \$1 — Waterfowl — \$3

**NO FEES will be charged** for hunting on the Pat Mayse Wildlife Management Area or that portion of the US Army Corps of Engineer's property on Dam "B" Reservoir under license to the department, with the exception of deer hunts on the Pat Mayse area.

Department officials say the fees came about because costs of hunts conducted solely for recreational opportunity could not be absorbed in research funds.

If the hunts are part of a research program, the actual management of the hunt and the collection of data can be charged as part of the program.

mental bodies or institutions which are required to comply with the new open records act, Att. Gen. Hill held.

In other recent opinions, Hill concluded: — A Laredo fireman injured in Nuevo Laredo, Mexico, while on duty is entitled to benefits under the state Firemen's Relief and Retirement Law.

— State government branches and their services (excepting political subdivisions but including hospitals and colleges) are covered under the Texas Unemployment Act.

— Subordinated capital notes of the Harlingen National Bank are part of its indebtedness and are not to be considered capital in determining value of shares for taxation.

— School trustees are authorized to purchase insurance to cover cost of litigation and award of damages growing out of official acts.

— The Amusement Machine Commission has power to promulgate regulations to cover the

number of machines owned by the holder of a permit to sell alcoholic beverages for on-premises consumption.

— Qualifications for Texas Air Control Board membership are set by Article 4477-5, Vernon's Civil Statutes. Conduct in office will be governed in part after Jan. 1 by provisions of the 1973 ethics law, and members could be removed from office for violations.

— The State Commission for the Blind is not authorized to require employees to deposit salary warrants issued to them or to charge a fee to employees for making the advances.

— A district attorney can be removed only under special statutes and not by an ex parte order of district courts. A county attorney (in some counties) will serve during temporary disqualification or absence.

— A court reporter who prepares the narration of the facts from a hearing or a writ of habeas corpus is entitled to be compensated for preparation by the state or county.

Economists warn against panic buying of foods

Whether we like it or not, all signs point to a continuation of food prices at present levels or even increasing levels in the months ahead. The era of "cheap food" apparently is gone for the foreseeable future.

**IN THE meantime**, there are several things consumers can do to assist themselves in getting the most for their food dollars. Texas Department of

Agriculture home economists recommend the following:

1. Do not resort to panic buying. Revert to your normal buying habits. Food supplies are plentiful. One of the biggest problems now is that consumers are rushing out and buying everything in sight. Hoarding only aggravates the situation. The law of supply and demand is working in relation to food supplies. Right now demand is outstripping supplies. As a result prices are continuing to increase.

2. Shop around. Look for the best bargains. Read the grocery advertisements carefully in your local newspaper. Compare prices and values. Make out your shopping list in advance, giving top priority to basic needs. Get the best price possible by comparison pricing in your newspaper advertisements, then decide what you can spend for luxury items.

3. Use the cost per serving comparison rather than the cost per pound. Determine which is the best buy. Boneless meat which is all edible is certainly a better buy if price per serving are considered.

4. **GET A COPY of the Texas Department of Agriculture's** bulletin, "Save on Your Beef Dollars." Information in the bulletin will explain to you what "grade" means, what "yield" means, and how to choose bargain beef. Write to John C. White, Commissioner, Texas Department of Agriculture, P. O. Box 12847, Austin 78711.

5. Do not "buy up" commodities that cannot be kept indefinitely. Bacon, for example, can be kept only about a week.

6. If you live in a rural area, check with some of the vegetable farmers about buying directly from him. Freezing fresh produce is not difficult if you follow directions. Write for the booklet, "Freezing and Canning Texas Agricultural Products," from the Texas Department of Agriculture address above.

Letter to the Editor

Foster homes are important

Dear Editor:

Recently, Parmer County residents experienced in a very personal way, a tragedy. I am referring to the automobile accident which killed and hospitalized the members of the Salinas family.

Several of the children were taken to the hospital in Amarillo. Little Odellia Salinas was hospitalized in the Parmer County Community Hospital in Friona. Little Odellia was left alone in Friona when other family members returned to their home in Alice, Texas, for the funeral and burial of those who died in the wreck.

When it was medically feasible for Odellia to leave the hospital, none of the Salinas family was in a position to take her from the hospital and care for her.

I, as the caseworker for Parmer County and the Texas State Department of Public Welfare, received verbal permission from the Salinas family in Alice to go to the hospital in Friona in order to take Odellia to Amarillo and place her in a foster home. You see, there are no authorized foster homes in Parmer County.

Odellia had become attached to the Parmer County Community Hospital staff, and of course did not want to leave familiar surroundings to go with a stranger person to a new home in a strange city. Some of the staff members at the hospital did not think it was right for Odellia to be moved when she wanted to stay. Several volunteered to keep Odellia.

The welfare law, however, states that a person must meet certain criteria in order to become foster parents. This is for the protection of the child. In this specific instance, for Odellia's protection, volunteering to keep and care for Odellia when the caseworker arrives to take her to an approved foster home came a little too late.

But it is NOT too late for other children. The welfare would like to approve foster homes in Parmer County so that there will not be a repeat of this situation. When the need arises for foster homes in Parmer County the Welfare Department would like to be able to place Parmer County children in Parmer County. If Parmer County residents, who have so recently been involved in this car wreck incident, would respond to this letter by contacting the Welfare Department in Tulla, Swisher County Courthouse, concerning foster home applications, we should be able to avoid another incident like the one with Odellia Salinas.

The State Welfare Department has no foster homes in Castro or Swisher Counties either. For this reason I am placing this letter in the newspapers of Castro and Swisher Counties as well as Parmer County.

Sincerely,  
John D. Cox  
Public Welfare Worker I

Most of the 38,072 beneficiaries in Texas between 18 and 22 years of age, are getting student's benefits under a provision in the social security law permitting the continuation of a child's benefits beyond his 18th birthday, and up to age 22, if the child is attending school full time.

Also in the 18-22 age group are some other types of beneficiaries, illustrating the broad family protection that the social security program provides workers of all ages. Some are children of retired, disabled, or deceased workers who became disabled before reaching 22 and who will probably never be able to work and become self-supporting.

831 receive SS benefits in 1972

Social Security benefits were being paid to 831 residents of Castro County at a rate of \$98,000 a month at the close of 1972. Travis C. Briggs, Social Security District Manager in Amarillo, said.

**OF THE social security** beneficiaries living in Castro County, 481 are retired workers and their dependents, 245 are receiving benefits as the survivors of workers who died, and 105 are getting benefits as disabled workers or their dependents.

Although most social security beneficiaries are older people, about one of every four is under age 60. In Texas, 375,417 people under age 60 are collecting social security payments each month. Nearly 210,000 are under age 18, receiving payments because a working father or mother has died or is getting social security disability or retirement benefits.

FLB interest rates increased

The billing rate of Federal Land Bank farm and ranch variable interest rate loans has been increased from 7 percent to 7 1/4 percent, according to John A. Perrin, manager of the Federal Land Bank Association of Dimmitt.

**THE RATE on rural residence** loans is being increased from 7 1/2 percent to 8 1/4 percent, according to Perrin. The variable interest rate loan plan which was introduced by the Houston Bank in July, 1969, lets the rate "float" over the variations in the money market.

"Continued high interest rates in the money market have made it necessary for the Bank to take this action," interest rates have risen rapidly since early 1973 and the Bank has delayed action until this time in order to determine whether or not these rate increases were temporary," said Perrin.

The Bank recently marketed an issue of bonds which sold at an average effective cost of 7.6 percent.

"It now appears that present interest levels will probably not change materially until the end of the year," Perrin added.

**THE FEDERAL Land Bank** of Houston makes long-term real estate loans on farm and ranch land and rural residences throughout Texas and now has more than 775 million dollars in volume of loans outstanding.

Rites held for Mrs. Lee Lambert

Funeral services for Mrs. Lee Lambert of Hereford, mother of Mrs. Nannie Mauk and Clyde Renfro of Dimmitt, were held Saturday in the Rose Chapel of Gilliland-Watson Funeral Home in Hereford.

**REV. DOUG Manning**, pastor of the First Baptist Church of Hereford officiated.

Mrs. Lambert had been a resident of Deaf Smith County since 1918. She died Thursday morning in Deaf Smith General Hospital after a lengthy illness.

She was a member of the First Baptist Church, and came to Hereford from Castro County.

Her husband, Lee, died in 1954.

**OTHER SURVIVORS** include a son, Lee Renfro of Austin, Nev., five grandchildren and 10 great grandchildren.

Burial was in West Park Cemetery in Hereford under the direction of Gilliland-Watson Funeral Home.

Old Settlers' Reunion

Next Thursday will be "Old Settlers' Day in the Castro County Roundup, with the annual Old Settlers' Reunion, covered dish luncheon and program in the new community room of the courthouse.

**JUDGE AND Mrs. Raymond** Wilson, who head up the Old Settlers' Association this year, are in charge of the reunion.

Pioneer costumes are encouraged, and ladies attending are asked to bring food for a basket lunch at noon. Bread, drinks, plates, utensils and seasonings will be provided.

Registration will begin at 10 a.m., and the basket lunch will start at 12 noon. After everyone has eaten his fill, the program and annual business meeting of the Old Settlers' Association will be held.

**DURING THE business** meeting, loving-cup trophies will be awarded to the oldest man and woman present, the longest-time resident, the earliest-born native present and the person who traveled the longest distance to attend the reunion.

Informal visiting through the afternoon will follow the business meeting.

The Old Settlers' Reunion follows the tradition of the annual "county picnics" of Castro County's pioneer days. Each year, residents recreate the relaxed, full-tabled fellowship that characterized the early-day county picnics.

Kid Day

A pet show, bicycle tour, kids' games and a watermelon eating contest will be the highlights of "Kid Day" in Dimmitt Friday, Aug. 17, part of the annual Castro County Roundup.

**THE PET SHOW** will start at 9 a.m. on the courthouse square in Dimmitt and will include pets ranging from bluebirds and canines to skunks, ducks and turtles. The Dimmitt Veterinary Clinic will provide the judges.

The 14-mile bicycle tour will leave from the Dimmitt Little League Park at 10:30, and will end with a free swimming party at the Castro County Country Club for all youngsters making the tour.

Members of VFW Post 8056 will chaperone the bike tour with a lead vehicle and follow-up pickups, and will serve refreshments at the tour's halfway point. The tour will go west on State 86 to the Dimmitt Feed Yards, north on FM 1055 to Hospital Road, then back into Dimmitt.

Kids' games will start at 1 o'clock at Dimmitt's city park, with County Agent Charles Hotel and the 4-H Junior Leaders in charge. Ribbons, candy and gum will be awarded to winners and contestants in the various events.

**THEN AT 3 o'clock** in the city park will come the contest to determine the junior watermelon eating champion of Castro County. The Dimmitt Rotary Club will provide the melons and conduct the contest. Youngsters will line up at tables and race to the rind, with no hands allowed.

Other features of Kid Day will include fire-hose polo conducted at the city hall by the Dimmitt Volunteer Fire Dept., the continuation of the Art & Hobby Bazaar downtown, the Roundup Carnival starting at 6 o'clock, the second night's performance of the Dimmitt Rodeo at 8:30, and an open-air western dance following the rodeo.

Art & Hobby Bazaar

If you have any artwork, hobby products or handcraft items you would like to display or sell, enter them in the Roundup Art & Hobby Bazaar next week.

**THE BAZAAR** is another new feature of the Roundup this year. It will be held at 101 E. Bedford (former home of Kittrell Electronics), and will be open from 10 to 6 for three days, starting next Thursday.

Cocordinated by the Nazareth Art Club, the bazaar will accept any art or craft product by any Castro County resident or member of any art or hobby club in the county.

Artists must enter their paintings next Wednesday from 1 to 4 p.m. Handcraft workers and hobbyists can set up their displays Wednesday afternoon or Thursday morning.

**IN THE ART show**, winners will be decided by popular vote of those attending the bazaar. There will be no judging of hobby and craft items.

For contest purposes, paintings will be classified into eight sections, according to age and medium. Age divisions are children's (11 and under), juniors (12-15), intermediates (16-19) and adults. In the adult division, prize ribbons will be awarded in acrylics, oils, watercolors and graphics. In the younger divisions, competition will include all media.

Artists may enter no more than five paintings each.

**ON THE back of each** painting, the artist must place a label giving his or her name, medium used, section entered, and either a sale price or a "for sale" notification.

Those entering craft items should attach a tag or label to the item giving name, description of the article, process used, and a sale price or "Not for Sale" notification.

Hanging stands are being constructed to hold most of the artwork entered, but artists with easels should bring them. All paintings must be ready to hang, however.

**APPROXIMATELY 13** booth spaces will be available in the craft and hobby show, with each 4 x 8 ft. booth area marked by floor tape. Booths may be used by either individuals or groups, but exhibitors must furnish their own tables and other set-up items for display. These setting up booths will be responsible for taking care of them and arranging for the sale of their articles.

Members of the Nazareth Art Club will be present throughout the three-day bazaar to oversee the art display and handle sales for the artists.

A 20 percent commission will be charged on all items that are sold in the bazaar, with 10 percent of the sale price going to the Castro County Activities Committee (Roundup Fund) and 10 percent to the sponsoring Nazareth Art Club. No entry fees will be charged.

**EACH PERSON** attending the bazaar will be entitled to cast one vote for his or her favorite painting in each section. Judging will end at noon on Parade Day (Aug. 18), and the winners will be announced just before the parade starts. Ribbons will be awarded for first, second, third and honorable mention in each section.

Those buying paintings can't pick them up until after the art show winners are announced. All other exhibits in the bazaar can be picked up at 5 p.m. on Parade Day, and must be out of the building before 6 p.m.

Those interested in reserving a booth or getting more information on the bazaar may contact Mrs. Ed Drerup, Mrs. Rese Birkenfeld or Mrs. Leonard Wilhelm of the Nazareth Art Club.

Parade Day

The Roundup's Parade Day will be different this year. The parade and its associated events — the Pony Show and the Roundup Barbecue — have been moved to Saturday this year from the traditional Thursday.

**SO PARADE Day** will be Aug. 18, the next-to-last day of the annual celebration.

"We felt that by scheduling the parade on a Saturday instead of a weekday we'd get better participation, especially from out-of-town entrants, and would have a lot bigger parade," said Don Nelson, Roundup chairman.

The Dimmitt Lions Club is in charge of the parade, with M. J. Reed as the general chairman.

**THE PARADE** will form up at 2 p.m. Aug. 18 from US 385 up Southeast Third Street, near the Dimmitt Gin.

According to Reed, several organizations already are working on their parade floats, building along the theme, "That Good Old Country Feeling."

Trophies will be awarded to the first, second and third place winners in community floats, organizational floats, commercial floats, civic club floats, area floats, bicycles, riding clubs, special entries (miscellaneous riders and vehicles), and antique autos. In addition, the top three winners in the civic club float divisions will receive cash awards of \$25, \$15 and \$10.

**Out-of-town participation** in the parade seems to be on the rise, Reed said, with Hereford and Littlefield already indicating they will have entries.

Also, the parade will have its own volunteer band this year, made up of members and exes of public school bands. Dimmitt High School Band Director Ralph Smith has called the pre-parade rehearsal for 8 p.m. Friday night, Aug. 17, in the DHS band hall. The parade band will play "National Emblem March."

Within divisions, floats will be lined up front to back on a

first-entered basis, Reed said. All floats should be entered by 5 p.m. next Thursday so the parade order and program can be prepared for the judges, announcer, etc.

**THE PONY SHOW** following the Roundup Parade will be conducted by the Dimmitt Kiwanis Club at the rodeo arena. Youngsters will compete in Girls' Horses, Boys' Horses, Shetland and Best Pony divisions, with trophies and ribbons for the winners.

Joe Nelson and Ted Robb are co-chairmen of the Pony Show.

**THE ROUNDUP Barbecue** this year will be the biggest in many years and it, too, will have a new twist.

The Sunnyside Lions have taken over the barbecue this year and are doing it their way, promising all you can eat despite the rising price of beef.

It won't be indoors this year. The Sunnyside Lions will serve the barbecue at tables and chairs set up in Dimmitt's city park.

"**WE ALWAYS** draw a big crowd at our barbecues because of our reputation, so we'll need plenty of room for the crowd," said Boss Lion Winston Waggoner. "Also, barbecue tastes better outdoors."

The Sunnyside men will barbecue an entire steer from the Dimmitt Feed Yards. The feed yards and the First State Bank of Dimmitt are donating the steer.

To go with the pit-cooked beef, the Lions will serve Underwood trimmings and home-grown vegetables.

**PRICES WILL** be \$2.50 for adults and \$1.50 for children 12 and under for all you can eat. If there's any barbecued beef left over, it will be auctioned off after the barbecue.

The barbecue will be served at 5 p.m. Aug. 18, after the Roundup Parade.

Air Show

The Dimmitt Jaycees are making plans for another big air show Sunday, Aug. 19, the final day of the Roundup. The show will begin at 1 p.m. at the Dimmitt Municipal Airport. Many of the same performers who delighted last year's big audience will be back with new acts.

**JAY FRANKLIN** of Livingston, N.M. will present the main event. He will be flying a Waco UPF-7 stunt plane and will also fly a Piper Super Cub. Franklin wowed the crowd last year with his daredevil aerobatics and will be back with some new twists to his act.

Also featured at the big show will be stunt pilots Bobby Speed of Vega and Swift Ingram of Amarillo. Both men will be flying custom-made Pitt Special super mini-planes. Stunt pilot Van White of Lubbock will also be on hand.

The Amarillo Soaring Club will present a sail plane demonstration and the Amarillo Sky Divers will do free falls and smoke-bomb streamer jumps.

Two events which proved popular with area pilots last year, spot landing and bombing contests, are also scheduled for this year's show. Two nian teams in private planes will be bombing "out the window" using sacks of Dimmitt corn starch and attempting to hit a spot target during the bombing contest, and pilots will test control and skill in the spot landing contest. Both the spot landing and bombing are open to all private pilots.

Tickets for the Jaycee air show are \$1.75 for adults and \$1 for children under 12. Adult tickets will give those 18 and over an opportunity to win a car being given away by the Jaycees.

**COUNTY OFFICIALS** are getting together to fight any constitutional change which would drastically alter county government, according to Judge Robert W. Calvert, chairman of the Texas Constitutional Revision Commission.

 MRS. I. L. Kitchens from Muleshoe and Mrs. Mike Goodwin and twins from Festus, Mo. visited South Hills Manor Thursday, Aug. 2.  
 Mr. and Mrs. R. K. Lindsey of Morton, but now of South Hills Manor, celebrated their 54th wedding anniversary with an ice cream party on Thursday evening.  
 On each Wednesday evening at 7 o'clock Mr. and Mrs. Virgil Justice and Mr. and Mrs. Cecil Boyer of Hereford sing for us. Mr. Justice brings the devotional.  
 They brought some visitors with them last Wednesday. They were Mr. and Mrs. Jason Justice of Petersburg and Rev. I. W. Justice and wife of Florida.  
 LAST Sunday morning at 9 o'clock we enjoyed another musical by Messrs. Joe and John Dunn with violin and mandolin and their sister Connie Ivey at the piano.  
 Joe Dunn has a golden voice and a brilliant mind. Without hesitation he sang any requested number. I never heard sweeter music.  
 South Hills Manor prides itself on well groomed residents. The ladies' hair is kept dressed by our beauty operator. Our gentlemen senior citizens are well groomed and clean shaven, which is more than you can say of some of the not so senior citizens in and around Dimmitt.

And that's just one advantage of owning property in the TOWNHOUSE ADDITION. There are others. For instance:

- If you purchase a Townhouse Addition lot now, you will receive a FIVE-YEAR MEMBERSHIP in the nearby Ruskin Circle Swim Club. (This offer will end soon after the swim club opens.)
- The Townhouse Addition is a planned neighborhood development. Its whole atmosphere will be different. Its streets are designed to eliminate speeding cars.
- Financing is available by the owner. You don't have to wait until "someday" or go through middle men to secure the site for your future home.

ATCHLEY IS the son of Mr. and Mrs. Thurman Atchley of Summerfield and attended West Texas State University.

Brig. Gen. Charles Ven Loan Elia, chief of the Army Veterinary Corps and Assistant for Veterinary Services, Office of the Surgeon General, gave the commencement address.

The Texas A&M College of Veterinary Medicine produces 10 percent of the D.V.M. graduates in the United States and is the largest such college in the nation. It is the only professional veterinary college in Texas.

The college has one graduation each academic year, at the end of the trimester in August.

## SMALL'S JOB ISN'T.

One of the most complicated phases of the automotive industry is parts supply. Thousands of specialized parts are needed to keep any automotive service department operating smoothly, and to keep your cars and trucks on the road where they belong. When a particular part is needed, we've got to have it on hand or know where and how to get it fast.

At Reeve-Fleming Chevrolet, that's Randy Small's job. As parts manager, he's a buyer, an inventory clerk, a locator, a shipping broker, an identifier and a cataloguer, all in one.

Randy is well known to other GM parts men throughout the area because he's in constant contact with them. And keeps computer read-out forms on hand showing the current inven-

tories of the largest GM parts suppliers in the Southwest. When your car or truck needs a particular little elbow-shaped GM part, he comes up with it.

Randy has had 10 years' experience as a GM parts manager. He moved to Dimmitt from his hometown of Olton in 1963 to become parts manager of Dimmitt Motor Co. He also has had experience in GM parts departments in Amarillo and Lubbock.

Randy has been a member of the Dimmitt Volunteer Fire Dept. four years, and was named "Fireman of the Year" in 1972 for his work as fire captain and his dependability at fire calls and practices. In his spare time, he also enjoys hunting, fishing and golfing.

He and his wife, Laura, have three daughters—Jeri, 10, Kelli, 5, and Toni, 17 months. They live at 311 W. Halsell St.

Any auto part is subject to wear and breakage. When that happens to your car, you can be glad to have Randy's know-how on your side. So are we.

# IT'S A BRIDE'S WORLD

MRS. DAVID BELLINGHAUSEN  
... She's the former Melody Murphey

## Couple exchange vows in Levelland

Miss Melody Faith Murphey and David Anthony Bellinghausen exchanged double ring wedding vows during a candlelight ceremony Saturday in the First Baptist Church in Levelland.

REV. SETH Murphey, father of the bride, performed the ceremony before an arched candelabra of greenery and pink and cranberry asters. The altar was flanked by spiral candelabra and baskets of pink gladiolas and cranberry asters. Parents of the bride are Rev. and Mrs. Seth Murphey of Levelland. The groom is the son of Mr. and Mrs. William H. Bellinghausen of Dimmitt.

The bride wore a formal length gown of candlelight chiffon over peau de soie. The empire bodice was designed with bishop sleeves and complemented with wide fitted cuffs. Seed pearls accented the lace of the high rise collar, sleeves and bodice.

THE A-LINE skirt flowed into a cathedral length train, appliqued with scalloped lace. The waist length veil of bridal illusion was veiled with lace and pearls and flowed from a Juliet-styled cap.

The bride carried a cascade bouquet of gardenias, white roses and stephanotis. Pink and cranberry asters added color to the bouquet.

Maid of honor was Miss Marilyn McDonald and matron of honor was Mrs. Larry Jewell.

BRIDESMAIDS were Patricia Miller and Agnes Hanson.

The attendants wore floor-length gowns of cranberry crepe.

Their headpieces were designed using silk flowers and they carried bouquets of cranberry asters, white and pink carnations and mums mingled with baby's breath.

Bill Craddock served as best man. Groomsmen were Jay Garrison, Ronnie Baker and Mike Boothe.

LARRY JEWELL, of Lubbock was soloist and Miss Joy Murphey, sister of the bride was featured in a French horn solo. Mrs. Rex Black was organist.

A reception followed the ceremony in the Fellowship Hall of the church. A three tiered wedding cake decorated with doves, cranberry colored roses and green leaves and topped with the traditional bridal pair was served to the guests.

Attending the bride's table were: Pamela Miller, Barbara Roe and Linda Hart. Attending the groom's table were Janice Burton, Jo Anne Merritt and Mrs. Jay Garrison.

Reception music was provided by Brenda Bryant and Joyce Hart.

FOLLOWING A wedding trip to Red River, N. M., the newlyweds will be at home in Canyon.

The bride is a 1970 graduate of Levelland High School and a 1972 graduate of South Plains College. She is presently a senior pre-med student at West Texas State University.

The groom is a 1969 graduate of Dimmitt High School, a 1971 graduate of South Plains College and a 1973 graduate of West Texas State University.

## Hays - LaRue nuptials recited

Miss Mary Lynn Hays became the bride of Robert Hood LaRue in a double ring ceremony in the home of the bride Saturday. Rev. W. F. Ferguson conducted the ceremony.

THE BRIDE is the daughter of Mr. and Mrs. A. C. Hays of Dimmitt. The groom is the son of Mr. and Mrs. C. R. LaRue of Andrews.

Given in marriage by her father the bride wore a white silk sheer gown over peau de soie with lace trim on the bodice. The skirt was paneled with a pleated sheer and a modified train. The short veil was held in place by a lace Juliet cap.

The bride carried a nosegay of gardenias and stephanotis.

The bride's attendants wore long yellow dresses of corded cotton with halter necklines and small ruffled shawls of matching material. They carried nosegays of yellow roses and daisies.

MATRON OF HONOR was Mrs. Kent Hance, sister of the bride. Bridesmaid was Mrs. Jerry Hogan, sister of the groom.

Best man was Jim Allison and groomsman was John Hays. Candlelighter was Ron Hance and flower girl was Susan Hance.

Organist was Mrs. Gerald Davis and soloist was Jim Allison.

Following the ceremony a reception was held in the bride's home.

AFTER THEIR wedding trip to Cloudcroft, N.M. and El Paso, the newlyweds will be at home in Lubbock.

The bride is a graduate of Baylor University and will teach school in Abernathy this fall.

The groom is a graduate of Baylor University and is employed with Connecticut Mutual Life Co. in Lubbock.

MRS. LOY, RAY WYLIE  
... The former Patricia Hale

## Hale - Wylie

Miss Patricia Jean Hale and Loy Ray Wylie exchanged wedding vows in a double ring ceremony Saturday in the Central Church of Christ in Hereford.

THE BRIDE is the daughter of Mr. and Mrs. James A. Hale of Hereford and the groom is the son of Mr. and Mrs. Oscar R. Wylie of Dimmitt.

Dean Morgan, uncle of the bride and director of the Church of Christ Bible Chair at Western Junior College in Snyder, conducted the ceremony.

An arch of boxwood provided the background for the bridal party. Paired cages held dove figurines and greenery and spiral candelabra were featured on either side. The family pews were marked with white bows.

Given in marriage by her father, the bride wore a gown of white nylon dotted swiss. Ruffles of the fabric, lace edged, trimmed the gown.

THE TRIM covered the high neckline, round yoke and skirt hem, and extended over the bride's hands from fully gathered sleeves at the wrists.

A flower circlet held the bouffant veil, which was bordered with wide lace and fell to the floor. She wore a necklace belonging to her paternal grandmother as a luck piece.

The bride carried a bouquet of a lavender orchid surrounded with white carnations, stephanotis and English ivy.

Her attendants wore orchid dotted swiss dresses with matching wide brimmed hats. The A-line dresses, styled with belted backs, standup collars and puffed sleeves were trimmed with white daisies.

THEY CARRIED bouquets of orchid daisy poms and white statice.

Maid of honor was Miss Jackie Hinkleley Dor. Marshall served as best man.

Bridesmaids were Janet Wylie and Debbie Hale. Gary Langford and Bill Sanders served as groomsmen. Ushers were Jeff Davenport, Jerry Odom, David Schaeffer and Jerry Cartwright.

Mike Hale was ring bearer and Dencane Morgan was flower girl. Mrs. Dale Young was soloist.

FOR THE wedding trip to Hawaii the bride wore a plaid suit of pastel colors with petal pink shell and white accessories. She wore a corsage from her bouquet.

Following the wedding trip the couple will be at home in Bedford.

The bride has been employed by L. D. Brinkman Co. of Irving. A 1969 graduate of Hereford High School she attended Lubbock Christian College.

The groom is employed with Delta Airlines at Dallas. He is a graduate of Dimmitt High School and has studied at the University of Texas at Arlington.

## Bailey - Godfrey

United in marriage Saturday at the First United Methodist Church of Hart were Miss Debra Jean Bailey and Danny Wayne Godfrey. The Rev. Carl Oglesby, pastor, officiated at the double ring ceremony.

MR. AND MRS. Joe Bailey of Hart are parents of the bride. She is a Hart High School graduate and is presently bookkeeper for the Sun-Vue Fertilizer Company.

Godfrey is the son of Mrs. Bertie Godfrey and the late Carl Godfrey and is a Hart High School graduate and employee of the Sun-Vue Fertilizer Co.

Miss Jean Foster played the traditional processional and recessional music and accompanied Robbie Hawkins, soloist, who sang "The Twelfth of Never" and "We've Only Just Begun".

Miss Dee Ann Bailey, sister of the bride, was maid of honor and Mrs. Johnny Stallings, sister of the bride was matron of honor.

JONALYN Stallings of Dimmitt, niece of the bride, was the flower girl. Larry Davis was best man, Mike Reed was groomsman, and Keith Calhoun and Jack Godfrey seated the guests. Keith Newsom lighted the candles.

Given in marriage by her father, the bride wore a white formal gown of nylon, styled with a fitted bodice, full skirt, long sleeves, with deep buttoned cuffs of white embroidery and an embroidered yolk. The bridal bouquet of white carnations rested on a Bible borrowed from her pastor. She wore the traditional blue garter, worn by both her married sisters, Mrs. Stallings of Dimmitt and Mrs. Kenneth Sharp of Lubbock. For something old she wore a wristwatch of her late maternal grandmother Mrs. Goldie Johnson.

The attendants' dresses were light blue crepe, with fitted bodices, short sleeves and dark blue belts with streamers in the back. They each carried a single white rose with blue ribbon streamers.

The church was decorated with baskets of white gladioli, centered with blue satin bows with net streamers and wrought iron candle holders with white candles.

A RECEPTION followed the ceremony in Fellowship Hall of the church. Assisting were Mrs. Kenneth Sharp of Lubbock, Misses Geniece Crosby and Paula Hankins of Hart. Miss Cathy Box presided at the guest register.

The serving table was covered with a white lace cloth over blue, centered with a blue basket of white daisies with silver and crystal appointments.

For a short wedding trip to Ruidoso the bride wore a two piece brown and white suit with white accessories.

The couple are at home in Hart.

### 4-H fun day set at Palo Duro Canyon

By IRENE KEATING  
My trip to Nacogdoches was nice. It was so green there and the pine trees were very pretty. It rained the first two days. It was sure nice to get back home though.

DO GO to all the Roundup Week events. I'm really looking forward to the German festival at Nazareth Sunday. It will remind me of my youth and the fun times at German get-togethers at Comfort and Fredricksburg. We'll all have a good time all week.

TOMORROW is our 4-H Fun Day at Palo Duro Canyon. The Junior Leaders have been very busy making plans for this event. We'll all have fun.

IT IS TIME for us to get ready for school and the big investment will be in clothing. These hints will help you be a better consumer.

Before shopping, take an inventory of clothing the child has on hand. Examine these garments carefully, note their condition, and sort them. Usually, some are still wearable, others need minor repairs, and some should be discarded.

Next measure each child. This way purchases can be

made by size, not age. Over the summer months, a child can grow one or two inches in height or width. When shopping for school clothes, take full advantage of sales, but don't go "overboard".

Purchase only enough for the first two to three months of school. That way, the child won't outgrow them before he wears them.

Spreading clothing purchases has another advantage. Most children are happier with new things periodically rather than all at once.

OFTEN building a small basic wardrobe around the child's favorite color is the answer. This way, items can be mixed and matched. Several factors influence how much clothing is needed. These include the number of children in a family, their ages, and how often the homemaker does the family laundry.

As a rule, girls need more clothes than boys — but boys' clothing is more expensive. When purchasing school clothing, consider durability, price and care requirements. For items receiving the most wear, buy the best quality the family can afford. School clothes and shoes must withstand wear longer than a party dress which is worn only a few times.

Read all labels and hangtags to determine care requirements. Remember — dry cleaning adds to the initial purchase price — and hand washing takes time. Follow instructions for best results — and best return on money invested.

Also consider fashion trends. For example, classic looks — with plaids a major element — are "big" for fall. Highlighting the girls' scene are cuffed pants, stretch bodysuits, pleated or flared skirts, sweaters and jumpers. These items offer unlimited possibilities for the popular layered look.

Jean styling remains the top favorite for boys' fashions. Jeans come in a wide range of fabrics. Denim and corduroy lead the "pack", followed by knits and stretch wovens.

Highly patterned shirts complement solid pants. Also watch for knit sport shirts, cotton, polyester and blends, denim work shirts, western shirts and lumberjack plaids.

## Turkey roasts provide easy picnic fare

With picnic season in full swing, consider an easy turkey roast for the next outing.

"SINCE A two-pound frozen roast cooks in just two hours, it can be prepared early the morning of the picnic — or the day before," Mrs. Gwendolyn Clyatt, consumer marketing information specialist, Texas Agricultural Extension Service, pointed out.

It's ideal for sandwiches — especially since there's no need to prepare a whole bird first. Other advantages include ease in slicing, no waste (it's boneless), and flavor appeal.

"For extra flavor, blend a little rubbed sage into softened butter. Spread butter on bread and add turkey slices."

THE ROSY glow of beets brightens a plate of food. To keep their rich red color, cook them whole in their skins, suggests Mrs. Gwendolyn Clyatt, consumer marketing information specialist, Texas Agricultural Extension Service.

## Here are week's best food buys

"The overall food situation is currently in a state of uncertainty," Mrs. Gwendolyn Clyatt said this week.

"UNDER PHASE IV controls, a more normal marketing pattern of fresh fruits and vegetables is expected," according to the consumer marketing information specialist, Texas Agricultural Extension Service, Texas A&M University System.

"However, 'demand exceeds supply' is showing up on many commodity market reports. This will undoubtedly result in continued higher prices.

"It's most difficult to forecast fruit and vegetable supply-price situations at this time, but consumers still can buy wisely if they watch for locally grown and nearby produce, make their own selections and take the best possible care of the items when they get home with them," she said.

Seasonal items include cantaloupes, peaches, nectarines, seedless white grapes, cherries, plums and pineapples.

ALSO CUCUMBERS, corn-on-the-cob, blackeye and purple hull peas, carrots andokra.

"There is little promotional interest in the fryer market this week. However, turkey is a good protein choice to look for. Turkey parts and turkey rolls may be good values, too.

"Consumers may find a few featured items at the meat counter, but supplies are 'guesstimated' to be less than usual, because demands continue strong.

"Shoppers can help ease the situation by using more meat alternates, such as dry beans, dry peas and peanut butter," the specialist concluded.

## Candystripers travel to meet

Carol Drerup and Pam Oldham, Candystripers at the Plains Memorial Hospital, traveled to Galveston last week for the 12th annual Junior Volunteer convention.

THE GIRLS took part in the workshop's Area I panel, and Miss Drerup gave a short report to the assembly on what it means to be a Candystriper. Approximately 1500 Candystripers attended the convention.

SATURDAY VISITORS in Dimmitt were these Hereford residents who were boosting their city's Diamond Jubilee Celebration, which runs from Aug. 25 to Sept. 1. While the caravan of modern-day pioneers was here, General Chairman Dale Young presented Mayor Elmer Youts with bronze and silver commemorative medallions and made Youts an honorary "smoothie" in the Hereford Brothers of the Brush.

Mrs. Youts received a certificate making her an honorary Diamond Jubilee Belle. Hereford's 75th anniversary celebration will start a week after the Castro County Round-up ends, and will climax with pageant, "Hustlin' Heritage 75," in Whiteface Stadium the final four nights of the jubilee.

## Fall furnishing trends will see upholstered pieces returning

Fall furnishing trends will see '73 fashions take firm hold with billowy, willowy, upholstered pieces to echo the return to comfort.

PATRICIA A. Bradshaw, housing and home furnishings specialist, Texas Agricultural Extension Service, reviewed other trends with a look toward progress of Oriental and Early American influence.

"Resurgence of Colonial-Early American-Federal styles is tied to the upcoming bicentennial, so we can expect this trend to hold at least until 1976," she predicted.

"Oriental overtones are seen especially in accent furniture. Tables in antique-color finishes can fit into any decor. Rattan and wicker frames appear on many furniture pieces.

"French provincial, Mediterranean, English and German styles also are featured, as are the country styles derived from English and French designs."

CITING TEXTURE and color as still important, Miss Bradshaw described fabrics ranging from smooth nylons, fleeced suedes, hopsacking, tufted belvels and Olefins to matelasses and Italian antelope.

"Colors in new hues are smoke, wine, gold, asparagus and cerulean.

"In paint finishes, antique yellows and whites continue with contrasting stripes and glaze finish for richness and dimension.

"Wood furniture is in middle tones — with overtones carefully highlighted.

## Mr. and Mrs. Rynard Lindsey — This Is Your Life!

Mr. and Mrs. Rynard Lindsey are new to Castro County, but have been residents of West Texas all their lives. They came to Dimmitt from Morton in July, but in the short time they have been here they have already made a multitude of new friends.

The Lindseys operated a feed store in Morton for 35 years, moving there from Ropesville. "We had a real good business," they say. "We sold feed, seed and fertilizer, and our business gradually increased over the years."

Mrs. Lindsey spent a good portion of her time helping around the store and says the thing she liked best about the business was "meeting the people who came in."

Mr. and Mrs. Lindsey were married Aug. 2, 1915 in the Methodist parsonage in Lubbock, with Rev. Griswold officiating.

Their daughter, Mrs. Ross Latham, is a Hereford resident. The Lindseys were honored on their 54th anniversary Thursday

with a surprise anniversary party hosted by their daughter at South Hills Manor. They enjoyed homemade ice cream and visits with many of their friends. Well known for their sense of humor, they were presented novelty gifts. Mr. Lindsey received a toy hoe and rake and Mrs. Lindsey received a toy cosmetics kit.

Mr. Lindsey enjoys yard work, and does hoeing in the yard at South Hills Manor.

He has worked on the Mator and several other famous West Texas ranches.

Mrs. Lindsey says that at one time it was "quite popular with the girls to go down and watch the cowboys brand and do their work."

The Lindseys say they both "love people, we love everyone here we've met." They are eager to make friends in a new home they have already come to love. Why not go by room 5, Hall F give them a big welcome, and join the growing number of their new friends.
