Bonus For First Bale

W. A. Findley, left, presents certificate for the $100 won by Mrs. Garland Cary, center, as Herbert Mearse, president of First State Bank at Loraine, right, stands by to congratulate the winner. Findley is chairman of Colorado City Chamber of Commerce Agriculture Committee which will also give $100 prize for the best quality bale grown in the cotton this season. First bale was ginned Saturday at Loraine Co-op Gin.

First Bale For '69

Wins $100 Prize For Woman

First bale of cotton for the fall harvest of 1969 was ginned at Loraine Saturday.

Cotton was hand-pulled from the fields of Mrs. Garland (Biddie) Cary on a McDonald farm she has under lease, two miles west of Loraine.

A total of 2,125 pounds of dryland cotton was pulled for the ginning of the 610 pound first bale.

Ginner was the Loraine Co-op Gin with Thurston Smith as manager.

After a short display at City National Bank here, the bale was put on exhibit at First State Bank in Loraine, Monday afternoon.

Agriculture Committee of Colorado City Chamber of Commerce, headed by W. A. Findley as chairman, recently voted to present the producer of the county's first bale with a prize of $100.

Money for cotton production prizes is annually donated by Mitchell County merchants and agri-businesses in Loraine, Colorado City, and Westbrook.

The committee is also offering again this year $100 for the best quality bale grown in the county during the current season.

Loraine Gets New Industry

Ag Service Planned

A new business (small industry) in Loraine will begin operation by Dec. 15, according to an announcement made by Royce Beights.

To be called the "Custom Ag Service," the new plant is being installed by a corporation recently formed by Beights and four business men from San Angelo.

"Custom Ag Service" proposes to offer delinting and seed treating of cotton for producers in the Loraine area.

Site of the plant is a warehouse building owned by Woodrow Pratt, and leased by the new corporation.

New machinery for delinting cotton and treating seed is already being installed, said Beights who will manage "Custom Ag Service" with W. D. Cain as plant assistant.

The new plant's value will be $100,000 when equipment is in place, he added, and will employ four men on a year-round basis with 10 employees in all during rush delinting season which starts Jan. 1.

Plans for the equipping of the plant have been under consideration for almost two years, Beights said, and were climaxed by what he called "A month and a half of hard work" on the project.

Cotton seeds will be treated with chemical insecticides, funuscides, and fertilizer.

"Custom Ag Service" will also enter the field of buying and selling cotton seeds for planting.

Beights will continue to own and operate Loraine Feed and Supply Co. at Loraine, he said.

Among other projects underway or planned for the near future at Loraine is the paving of four residential blocks.

Streets being paved lie south of the Baptist Church, north of the Methodist Church, a street leading to Roland Nursing Home and another street closer to town, said a spokesman for Loraine City Council.

Citizens at Loraine approved a bond election calling for $85,000 expenditure for water system improvement, August 23.

That project calls for larger water mains, more fire plugs for fire protection, and an additional 100,000 gallon water storage tank.

Bids will be called for on the water improvement program.

Quarterbackers Ask 'Send Off'

Quarterback Club asks that all Wolf fans be at the field house at Wolf Stadium at 3:30 Friday afternoon to cheer the Wolves as they take off for their third game of District AA season.

Quarterback Club's Tuesday night meeting honoring 7th grade football players and their coach Gene Ward, attracted 125 persons, said Don Benson, club president.

Forty players on the 7th grade team and their parents were recognized.

Coach Truman Nix, athletic director for Colorado Independent School District, made a 10-minute talk to the young athletes accenting "Sports And What They Can Mean To You."

Booster of the Week for the game between Colorado High School and Brownfield is to be George Slaton. Virgil Stone was named Dad of the Week. Both will ride the team bus and sit with the Wolf team at Brownfield Friday night.

The club for local school athletic fans now has an enrollment of 150 members and Eddie Piland, treasurer, reported Tuesday night that there is now $500 in the fund for Quarterback Club projects.

Meeting next Tuesday in the CHS cafeteria will honor the 8th grade team and their coaches Don Adair and Randy Hicks.

Where The Boys Are

Wolverine Pep Squad at Colorado High School will be where the football boys are every week during district season. Cheer leaders for the pep squad are, clockwise, Sherry Owens, Susan White, Linda Banks (head cheer leader) Connie Carter, and Darlene Forbes. Pep squad and Wolf Band will travel to Brownfield Friday.

Wolves Set To Go

Brownfield Cubs Next

Wolf squad of Colorado High School and their coaches head out for Brownfield Friday afternoon to tackle Brownfield Cubs in the Cubs' own lair at 7:30 Friday night, in Brownfield.

Game will be the third for the Wolf Class AA District season. Wolves now stand 1 loss, 1 win, after the 1 point loss to Sweetwater Mustangs Sept. 12 and the 46-20 victory over Littlefield Wildcats last Friday night here.

Brownfield Cubs, coached by Charlie Keese, are reported to be a strong contender in spite of two games lost.

Fact that the Cubs did not score against either Estacado or Dunbar High, both of Lubbock will have the Brownfield squad "out after blood," this week, according to the Wolf coaches. And then, Colorado High fans have to remember, there is that jinx. Records show that Colorado City has yet to beat Brownfield on the Cubs' home front.

All Wolf players are well this week, after a seige of a virus ailment had several on sick leave, the athletic department reported.

Starting offensive lineup will be the same as the one which took Littlefield last game.

Larry Holder will begin as split end, Scott Hudson at left tackle, Tommy Boyd at left guard, Joe Kirschbaum at center, Charlie Williams right guard, Dana Baker at right tackle, Ricky Sorenson at right end, Steve Vest at quarterback, Skip Maines at fullback, David Garcia at halfback, and Stanley Bracy at flanker back position, said Coach Doug Chitsey, Wednesday morning.

Defensive starters will be Wesley Smith at left end, Hudson at left guard, Tommy Guelker at right guard, Kirschbaum at right end. Linebackers to start the game are Ricky Parks and Maines, with Alfredo Guerrero, Garcia, and Holder as defensive backfield men.

H. C. Mize, Sr. Dies In Crash

Hollis Coy Mize, Sr., aged 50, was instantly killed about 10 p.m. Tuesday night when a truck he was driving overturned and crashed into a ditch five miles north of Ballinger on Highway 158.

Mize, who lived at China Grove, was a driver for the McElroy Trucking Co. of Ft. Worth and was enroute home when the fatal accident occurred.

Investigating officers at Ballinger reported that Mize was apparently attempting to miss a calf which was loose on the highway when he lost control of his vehicle. The calf was struck and killed by the careening truck and Mize was pronounced dead at the scene.

Body of Mize was returned to Colorado City in the early hours of Wednesday by Kiker & Son Funeral Home which is in charge of funeral arrangements.

Funeral service will be in the Central Baptist Church here at 4 p.m. Thursday (this afternoon) with the pastor, Rev. Prentice Smith officiating. Burial will be in the cemetery at Dunn.

Born in Mitchell County Feb. 27, 1919, Mize was married to the former Miss Dixie Clark at Big Spring, July 13, 1946. He was a veteran of World War II.

He is survived by his wife of the home in China Grove community; by three sons, Roy Dean Mize of Midland, Hollis Mize, Jr., of Lubbock, and Tommy Lee Mize, who recently returned from 16 months service with the United States Marine Corps in Vietnam.

Sgt. Mize was notified of the death of his father at Abilene airport where he expected to board a plane for reassignment in North Carolina. He received emergency extension of his leave to attend the Thursday services.

Also surviving the wreck victim are his father Jeff Mize of Big Spring, his mother Mrs. Stella Mize of Colorado City; one brother, L. C. Mize of Buford Community; two sisters, Mrs. Jada Clevenger of Andrews, and Mrs. Thlorene Lipham of Gainesville, Florida; one granddaughter Naomi Mize of Lubbock.

Mrs. Smith, charter member, actress and director for the local amateur theater, Colorado City Playhouse, is speech teacher at Colorado Junior High School.

"A Man For All Seasons" is the gripping story of Sir Thomas More, chancellor of England when Henry VIII was king.

POSTMASTER MORRIS
...Presents Certificate

Moeser Honored

Certificate Presented

Formal presentation of an Honorary Certificate of Recognition from the United States Post Office Department to Edwin J. Moeser was made by Arlene Morris, post master here, Friday.

Moeser completed more than 50 years of service as a postal employee last month. His tenure of duty stretched from July 1, 1919, the summer before he finished high school, until August 8, 1969, when he retired as a rural carrier.

Before he became a rural carrier, Moeser had served as assistant postal clerk, clerk, assistant post master, and post master for an interim term.

Signed by Post Master General Winton M. Blount, the certificate of recognition cited Moeser, known to friends and postal patrons as "Eddie" for his "Devotion to duty in the course of an honorable career in the United States Postal Service" and offered him official commendation.

A personal letter from the Post Master General to Moeser accompanied the certificate.

Blount's letter praised the recipient for "More than 50 years Federal Service. I have been informed that since your appointment as rural carrier you have made many friends... and that you carried out duties regardless of weather or other adverse conditions."

"Serving patrons on your route over such a long period of time must be a source of considerable satisfaction to you. . .I extend to you warm personal greetings and hope you will accept this Honorary Certificate as a symbol of my deep appreciation for a lifetime of truly commendable service," Blount concluded his personal letter.

Teachers Hear Peek

County Association Has Meet

Mitchell County Teachers Association of TSTA heard Ollie Peek, Snyder mathematics teacher and Methodist lay speaker, at the initial dinner meeting held in Loraine Monday night at 7:30 p.m.

"Teaching is a profession. It demands personal dedication to the students, the public, and the democratic ideals of America," Mr. Peek said.

"Now that teaching has been legislated as a profession, someone must police its ranks. Members will do it, or it will be done by others," Mr. Peek continued.

"Teaching as a profession demands that the efforts of all persons employed in education of students shall be united and subject to democratic processes,' he said.

In conclusion he reminded the association that educators should endeavor continually to enhance their professional competencies.

Mrs. Gerald Gordon, MCTA president, gave a report from the executive committee. The committee elected Superintendent Lee Roy Scott of Loraine as vice president to fill an office vacancy.

Mrs. Bass Hines gave a financial report.

Officers and committee members who attended the District XIV Workshop in Abilene gave accounts of the various instructional divisions: Principal Wallace D. Price, Jr., Mrs. Price, and Mrs. Billie Ruth Tartt outlined the local group's legislative program.

In the business session Superintendent L. M. Dawson of Westbrook was elected second vice president because of the resignation of Jerry Church, Loraine.

Three members were elected to the auditing committee. They are Bo Merket, Frank Brownfield, and Mrs. Homer Bodine.

Curtis Latimer gave the invocation. Next meeting of the Mitchell County Teachers Association will be January 26 in Colorado High School cafeteria at 7 p.m. with Mr. Scott planning the program.

AFTER VIETNAM TOUR

Young Marine Sees Son For First Time

Being home after more than 13 months in Vietnam naturally spelled happiness for Lance Corporal Raymond Lee Summers.

And coming home for Lee meant something else - seeing his seven-month-old son, Charles Lee (Chucky), for the first time.

That meeting took place Monday afternoon at a Midland airport when the 19-year-old marine finished the last lap of his journey home.

Sharing in those first moments of "getting acquainted" were Donna Summers, wife and mother of the pair, and Lee's parents, Mr. and Mrs. Charles Summers of 825 Locust Street.

The first eight months with the first Marine Air Wing division in Vietnam Lee served in motor transportation. He was with the military police the remaining time of his tour.

After two weeks here with his parents, Lee will go to Camp Pendleton, Cal., where he will be a rifle instructor. His wife, who has made her home here while he was overseas, and baby will accompany him to Camp Pendleton where the young family will reside.

Joining the family here Monday evening for dinner in the Summers home were the Marine's brother and family, Mr. and Mrs. Dickie Summers and Kim of Abilene; his grandparents, Mr. and Mrs. McIntire, Mr. and Mrs. Rhodes Arnold and their son, John Charles, all of Roscoe.

CONVERSATION CORNER

FALL is here. It officially arrived Sunday or Monday or Tuesday. Take your pick. Authorities do not agree between September 21, September 22, and September 23.

Authorities, you may have noticed, rarely see fit to agree on anything. That's how they get to be authorities.

Any time one authority makes the mistake of agreeing with another authority on any subject, the first authority is quick to admit that he was wrong in the first place.

All us non-authorities are easier to get along with. At least we are all prone to agree that the most agreeable people in the world are the people who agree with us.

And people who agree with us non-authorities are also super-smart.

* * *

ANYHOW, equinox or no equinox, autumn arrived this week. Most daily papers picked Tuesday. But there is not too much agreement on what to call this beautiful season, either.

Some of us call it fall. Others stick to the more alliterative autumn.

Either way, it's the time of year when Texas roses bloom again, the leaves show signs of considering new shades, and there is a haze over the early morning earth.

What's even more obvious to the eye and to the ear is that with autumn here, it is football time again!

Only thing more fun than the first home game of a new football season is seeing the home team win the game.

* * *

AUTUMN, by that standard, really began in C-City Friday night at Wolf Stadium.

Football rules change as the years come and go. Teams grow up and start coaching or yelling for other teams.

Clothes change. Remember, anybody, when no feminine fan would have been caught dead without a new fall hat and suit for the first home game?

Order for Friday night was mostly summer dresses with a sweater across the shoulders, some slacks, and an array of men in shirt-sleeves.

Rules, and players, and clothes change. Crowds don't.

A football crowd is still a football crowd. That is, except for one very evident change. There are more small children on the loose at games these days.

THE WORRELLS, Betty and John, were in Dallas Sunday. With them was their artist son Bill Worrell of Lubbock.

Bill's work was on exhibit in a two-man art show at Cushing Galleries in the picturesque Quadrangle, Routh St. The other artist being featured currently there is Takasei Kawashima, native of Japan, who lives in New York.

Worrell's exhibits included cast bronzes, mobiles, and upward-thrust constructions, plus horizontal-suspensions.

Those are relatively new media for our Bill who has been painting and exhibiting pictures for a number of years. He is also showing wood sculptures painted in intense acrylic fluorescent colors.

MRS. DAWSON ORME GEORGE III,
. . .nee Jane Allison Brennand.

Miss Jane Allison Brennand Weds Dawson Orme George III

A marriage of interest to Colorado City friends is that of Miss Jane Allison Brennand of New Orlenas, La., and Dawson Orme George III of Houston.

The bride is the daughter of Mr. and Mrs. Harold Douglas Brennand of New Orleans and granddaughter of Mrs. Robert S. Brennand of 741 Cedar Street and the late Mr. Brennand.

Parents of the bridegroom are Mr. Dawson Orme George Jr. of Houston and the late Mrs. George.

The wedding couple exchanged double ring vows Sept. 13 in an evening ceremony in Rayne Memorial Methodist Church in New Orleans. Dr. Benedict A. Galloway officiated in the ceremony.

Given in marriage by her father, the bride wore a formal A-line gown of white silk organza over peau de soie. The empire bodice was fashioned with short sleeves and overlaid with peau d'ange lace. A wide border of matching lace encircled the skirt hemline and chapel train. Lace appliques were also scattered about the skirt and train.

A long veil of silk illusion was attached to a spray of white flowers. She carried a round bouquet of gardenias, lilies of the valley and stephanotis.

Miss Ann Douglas Brennand of New Orleans, sister of the bride, was maid of honor.

Bridesmaids were Miss Page Eisinger of Potomac, Md., the bride's cousin; Miss Claudia George of Houston, groom's sister; Mrs. Edwin O. Edgerton and Miss Baxter Feitel of New Orleans and Miss Devereaux Swanson of Dallas.

They wore floor-length A-line gowns of aqua ottoman. Bodices of heavy white lace were styled with long sleeves, pointed high collars and small aqua buttons. Waistlines were encircled by aqua satin belts.

Bridal attendants wore sprays of deep multi-colored flowers and baby's breath in their hair and carried round French bouquets of similar flowers.

Dawson Orme George Jr. served as his son's best man.

Groomsmen were William Barrett George of Houston, bridegroom's brother; Eugene Werlin of Houston, Joel Horsley of Dallas; Scott Sealy of Shreveport, La., Michael Foreman of Lafayette, La.

Stephen Allen of Houston, Sherman Hinkebein of Evansville, Ind., Edward Raines of Dallas and C. Barrett Alldredge of New Orleans seated guests.

Orleans Club in New Orleans was setting for the wedding reception.

For travel to Freeport for their honeymoon trip to Nassau in Bahama Islands the bride wore a beige and white dress ensemble and matching accessories.

They will be at home in Corpus Christi.

Both the bride and groom are graduates of Southern Methodist University in Dallas. The bridegroom received his master's degree in business administration this summer. The bride was a member of Pi Beta Phi sorority. The bridegroom was affiliated with Kappa Sigma fraternity.

Hesperian President Speaks At First Meet

Mrs. J. W. Watson, president of Hesperian Study Club for 1970-71, discussed characteristics of friendship in an address Friday afternoon to the club in Hesperian Room of Mitchell County Library.

"The secret of having a loyal friend is being a friend," she began.

Among the characteristics the president reviewed were tolerance, unselfishness, concern and loyalty.

She emphasized that those who pay us highest compliment of friendship are tolerant of our weaknesses and short comings.

"A friend is a person who knows all about you and still likes you," Mrs. Watson said.

A true friend follows the instruction, "rejoice with them that rejoice and weep with them that weep."

"Hesperian Club through it's long 77 years has proven that true friendship has existed since the beginning in 1892," the group heard. "That means that members may come and members may go but the Hesperian women's love for each other goes on forever."

Mrs. Watson and Mrs. E. M. Majors were hostesses for the affair. Mrs. O. L. Simpson was leader.

'Peter Pan' Now Showing At Palace

Capturing the bright landscape of fantasy and the atmosphere of imperishable youth Walt Disney's all-animation treatment of "Peter Pan" is now showing at Palace Theatre.

The famed story, filmed in technicolor, began local showing Wednesday and will continue through Saturday.

It is the story of the boy who would not grow up and includes such famous characters as the imaginative Wendy; Nana, the patient canine nursemaid; Mr. and Mrs. Darling; the terrible tempered Captain Hook; the ticking Crocodile with his constant longing for another bite of the not-so-excellent Cap'n.

Also, the bumbling Smee; the roistering pirate crew, small John with his terrible logic and smaller Michael with his appalling determination.

Also highlighting the movie are the antics of Tinker Bell, dainty messenger and born companion to the irrespressible Peter Pan.

Ford Motor Co. 1970 Line At Showroom Here

Hutchins Ford Sales has the new 1970 model Ford automobiles on display this week at the Ford show room, 877 East 2nd St.

"Ford Division passenger cars for 1970 are highlighted by all-new Torino and Thunderbird lines, a new ultraluxurious LTD Brougham series, a new mid-range engine, premium quality tires standard on most car lines, along with comfort, convenience, and safety features," said Dave Hutchins in announcing his showing of new cars.

Torino is the most dramatically re-designed car in the line. It is longer, lower, and wider, with aerodynamic styling, hot performance engine and options, and "Our first intermediate size four-door hardtop models," Hutchins said.

An all-new 351-cubic-inch displacement V-8 engine, developed with the latest computerized technology and assembled on the auto industry's most advanced production line, is offered on 1970 Mustangs and Torinos. The engine is compact, relatively lightweight and delivers excellent performance and economy, the dealer added.

All bucket seats offered on Ford Division cars are of high-back design. The higher seat backs incorporate integral head restraints and provide added comfort.

For the performance buffs, all optional four-speed manual transmissions feature the competition Hurst Shifter, known for fast, smooth shifting.

An automatic release for the two-door safety latch is available on Ford, Torino, Mustang, and Thunderbird models. Both front seat-back latches are automatically released when either door is opened, making it easier to get into and out of the back seat.

New steering wheels on Ford, Torino, Mustang and Thunderbird models are semi-oval in design for easier driver entry and exit and better visibility of the instrument cluster.

On all models except Falcon, odometers are tamper-resistant and non-reversing.

A three-way locking steering column on all models except Falcon is designed to deter car thefts by locking the ignition, the transmission linkage and the steering wheel with the ignition switch.

A new three-point Uni-Lock Safety Harness lap and shoulder belt system -- available on all models except Mavericks, Falcons and convertibles -- permits outboard front seat occupants to "buckle-up" faster. The separate buckle for the shoulder belt has been eliminated and the three remaining front seat buckles are only half the previous size.

Externally adjustable headlamps on Ford, Torino, Mustang, Maverick and Thunderbird make it unnecessary to remove the headlamp rims to adjust the beams.

Five series provide a choice of economy, luxury and performance. Thirteen models are available in Fairlane 500, Torino, Torino GT, Torino Brougham and Torino Cobra series.

All have new grilles, taillamps and ornamentation. Concealed headlamps are optional with Torino and Torino GT models and standard on Torino Brougham models. Windshield wipers are hidden when not in use.

Twenty-one models in the Ford line -- 14 cars and seven station wagons -- are offered in Custom, Custom 500, Galaxie 500, XL, LTD and the new LTD Brougham series.

New front-and rear-end design gives the Ford a more formal appearance. LTD, LTD Brougham and XL models share a dramatic new grille with a bold center section that projects slightly.

For 1970, Galaxie 500 as well as XL, LTD and LTD Brougham models feature the sound absorption package that has won LTD the reputation of being the quietest car on the road.

LTD Brougham brings a new, higher-than-ever level of luxury to the Fort car with unique interior trim, exterior ornamentation, Hutchins pointed out.

Power front disc brakes are now standard on LTD, LTD Brougham and Country Squire and optional on all other models and Ford's 250-h.p., 351-c.i.d. two barrel V-8 is now standard on XL, LTD, LTD Brougham and all station wagon models. It is the base V-8 engine option on Galaxie 500 models.

New exterior paint and vinyl roof colors are offered. Vinyl roofs and plaid cloth and vinyl interior trims also are available on station wagons.

The 1970 Mustang offers a completely redesigned front and rear. Interiors offer bold new colors and optional patterned upholstery.

Seven models are available including the hardtop, convertible, fastback-designed SportsRoof, Grande hardtop, Mach I, Boss 302 and the limited production Boss 429.

Thunderbird models feature dramatic new design highlighted by the longer, lower hood and grille with extended center section and exposed headlamps. Two-door models have a lower roofline and more rakish front and back windows.

Other major Thunderbird features for 1970 include the standard radial-ply tires, concealed windshield wipers and radio antenna, a new Special Brougham option group for the ultimate in sport/luxury appointments and a new in-plant simulated road test for the highest possible level of quality.

Thunderbird is offered in three distinctive models -- a two-door hardtop, two-door Landau and four-door Landau.

Torino New For 1970

On display at Hutchins Ford Sales is the 1970 new Torino offering for the first time a four-door hardtop model in Ford's intermediate line. The Torino GT SportsRoof is available with seven engines.

STARS BEHIND SCENE

All amateur theater lovers can not always be seen by the public here because many of them are not in the "show off" spot sometimes linked with show business.

Right now, between 10 and 12 members of Colorado City Playhouse—half of them women—are busy two nights a week painting up and fixing up.

Their project has nothing to do with grease paint or footlights, yet, but is geared for future productions.

Playhouse members are sheet-rocking, taping, and painting the upper story of the old opera house as future Playhouse theater. They started in May and hope to be finished by the summer of next year, by working after business hours every Monday and Thursday. Porter Richardson is director of the remodeling cast.

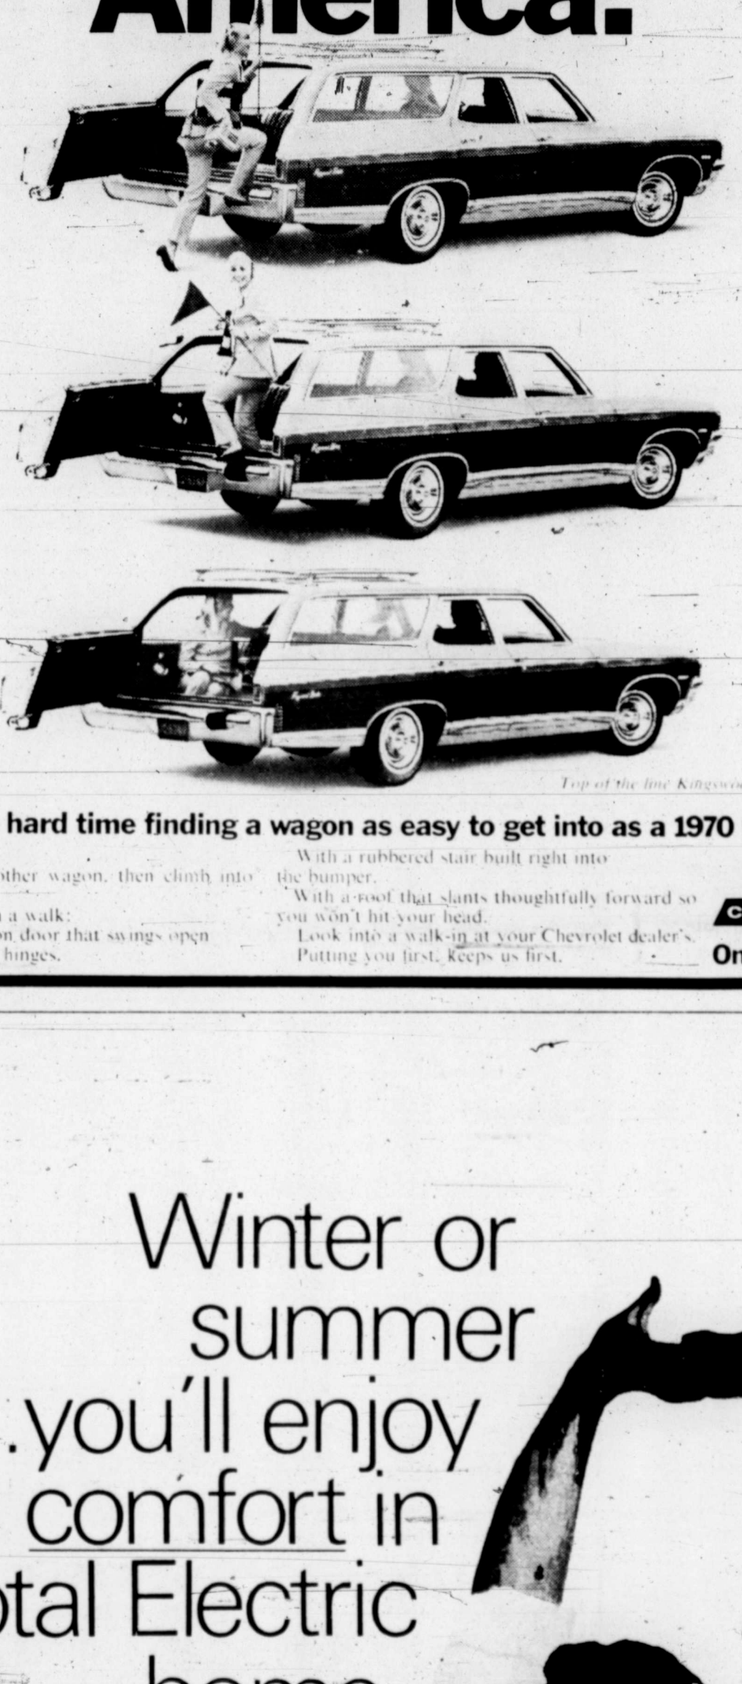

Theirs is a labor of love and they are the stars of Playhouse's behind scene efforts.
