AMERICAN FARMER DEGREE CANDIDATES Randy Erwin, left, and Rodney Dockrey, right, are ready for their trip to Kansas City to receive the highly coveted award which they have earned in their years with Future Farmers of America work. Frank Brownfield, Vocational Agriculture teacher at Colorado High School and FFA sponsor, will also receive the American Farmer Honorary Degree this year as he has had so many successful candidates for the most prestigious award in FFA work.

Top FFA Honor

Three Earn American Farmer Degree

Two young Mitchell County farmers have been nominated to receive the American Farmer Degree, the highest honor presented by the National FFA organization.

They are Rodney Dockrey, son of Mr. and Mrs. Charles Dockrey of 2007 Vine, and Randy Erwin, son of Mr. and Mrs. J. R. Erwin of Rt. 1.

They will receive the honor during a special ceremony Thursday at the National FFA Convention in Kansas City, Mo.

Frank Brownfield, Vocational Agriculture teacher at Colorado High School, has been nominated to receive the FFA Honorary American Farmer Degree.

He has been a teacher at CHS for the past 10 years and before that, 15 years at Blackwell High School. During his career, he has had 16 students who earned the American Farmer Degree, and 68 students who received the Lone Star Farmer Degree. Also, four of his students earned state proficiency awards.

Brownfield, Dockrey and Erwin will attend the convention from Tuesday through Friday in Kansas City.

Both Dockrey and Erwin graduated from CHS in May, 1975. During their work in FFA they earned Greenhand, Chapter Farmer and Lone Star Farmer Degrees, finishing first, Erwin; and second, Dockrey, in the area for the American Farmer Degree.

Erwin farms 160 acres of cotton with his father and has raised livestock, mostly feeder calves, he said. He also served as secretary of the local chapter and district organization his Sophomore year; chapter secretary and district president his Junior year and area vice president his Senior year.

Dockrey farms 500 acres with his father, 270 in cotton and the rest wheat. He also raises feeder steers. He was district secretary his Junior year.

The American Farmer Degree is a highly coveted award because it is presented to approximately one member in 700 of the 500,385 total FFA membership. It is presented only by the National FFA organization to members who have demonstrated exceptional agricultural and leadership ability.

Each American Farmer Degree recipient will be presented a gold key and certificate by the National FFA. Recipients who attend the convention also receive a check from the National FFA Foundation to help pay their travel expenses.

This year over 20,000 FFA members, vocational agriculture teachers, parents and guests are expected to take part in the 49th National FFA Convention.

Second Place In 3-B

Bulldogs Take 28-6 Victory

The Loraine Bulldogs came out with a second place tie in District 3-B as they won their last game over Garden City by the score of 28-6 Friday night in Garden City.

The win gives the team a 5-3-1 season score and 3-2 in district, tied with Jayton, but the Bulldogs won over Jayton and Coach Ken Lightfoot said they feel they have a claim to second place.

Loraine dominated the game as they kicked off to Garden City, the Garden City team fumbled on their first play from scrimmage and then on the Bulldogs first offensive play from scrimmage, Mike Vallejo made a 4-yard run to score. Jeff Merket ran over for the PAT and the score was 8-0.

With only four minutes gone in the game, Richard Garcia made a 66-yard run for another Bulldogs score and Garcia kept to run over for the extra points, score 16-0.

Again in the first quarter, Garcia ran in from 7 yards out but try for extra points failed and the score remained 22-0 through the second quarter which was mostly defense.

Manuel Munoz scored again for the Bulldogs in the third quarter on a 66-yard run to end the Loraine scoring for the night.

Garden City scored with less than a minute to go in the game on a pass play and the game ended at 28-6.

Lightfoot said the team played sloppy football as they had 15 penalties for 174 penalty yards, mostly from major penalties for clipping or holding which really hurt the team.

With 252 total yards rushing for the night, the Loraine team made only 6 first downs, another indication of how the penalties hurt, the coach said.

"We feel real good about our record," Lightfoot said. "Pre-season picks had us picked to finish last or next to last in our district and the boys have done a great job."

Lightfoot gave special credit to the Seniors on the team for leading the Bulldogs during the season. Playing their last games for the black and gold team Friday night were the following Seniors: Mike Vallejo, tailback; Richard Garcia, quarterback; Jeff Merket, fullback; Tommy Williams, flanker back; Gary Bailey, tackle and Ricky Moreno, guard.

"We're real pleased with the season and feel like we have a start back on the winning track," Lightfoot said. "We're expecting the rest of the team to be back next year to help us toward that goal."

Last year, the girls won district and played Denver City there and, according to UIL rules, the game will be played here this time.

Blizzards Downed 50-0

Wolves Battle Stamford Next

Colorado City Wolves flexed their muscles in an easy 50-0 over Winters Friday night as they prepared to take on Stamford next Friday at Wolf Stadium in a game to determine the District 6-AA champion.

Stamford took a 9-0 win over Coahoma Friday to remain undefeated in district play and tied for the lead in district with the Wolves.

Both the Wolves and Stamford are 5-0 in district play and both are 7-2 for the season with the Wolves having lost to Slaton 21-0 and Post 34-20. Stamford lost to Sweetwater 21-20 and Hamlin 13-7.

The winner of that game will play either Post or Slaton for bi-district.

The win over Winters was a big night offensively and defensively for the Wolves with the Wolves amassing 575 yards on offense and allowing only 86 yards for Winters and only four first downs, none in the second half.

It was an evenly balanced attack for the Wolves as they got 335 rushing and 240 yards passing, scoring 25 points in each half and they scored in every possible manner, touchdowns, kicked extra points, ran for extra points, scored a safety and kicked a field goal.

Although it was a good team effort, Wolves Coach Mike Farda said the team didn't execute or play as well as they have in previous games. On offense, the offensive line did a good job of blowing out the defense and the two running backs, Frank Sanchez and Gary Hulme, blocked well for each other and other runners.

Quarterback Ray Torrez had another sensational night as he ran for 72 yards in 10 carries, completed eight of nine passes for 207 yards and a touchdown and no interceptions. Torrez called all of his plays in the second half. Reserve Quarterback Craig Carter completed two of three passes for 33 yards and one touchdown and rushed 29 yards in five carries.

Hulme was leading ground gainer for the Wolves with 89 yards, Sanchez had 56, Manuel Arellano 36, Dobie Williams, 13, and Blake Hammond, 14.

All of the pass receivers did a remarkable job catching the ball with a number of sensational diving catches. Bill Jordan was the leading receiver with three catches for 110 yards and one touchdown and another reception for 77 yards setting up a touchdown. Pete Parham had one catch for 21 yards, Wayne McKee had three catches for 51 yards, Benny Arispe had two receptions for 35 yards and one touchdown and Jackie Ellis caught one pass for 23 yards, setting up a touchdown.

One of the things that hurt the Wolves again this week was penalties with the team being set back 10 times for 120 yards. These penalties stopped two sure scoring drives.

The Wolves defense stopped the Winters All-District Running Back Jimmy Chapman for only 29 yards in nine carries.

The Wolves defensive secondary was almost impenetrable as the heralded Winters passing attack almost went for naught. Only two passes were caught by Winters for a total of 29 yards, one reception coming after a Wolves defensive man tipped a pass and another late in the game when the receiver was surrounded by Wolves. Colorado City went for the interception but the Winters receiver came down with the ball and was immediately tackled.

On the next to last play of the game, the only receiver that got open for Winters for the night had the ball in his hands on a screen pass but about that same time a 140-pound stick of dynamite named Blake Hammond hit him on a tackle seen and heard by everyone and the ball came loose for an incomplete pass.

Hammond also had an interception that set up the Wolves third touchdown of the night. One key player on defense for the Wolves was Jackie Ellis who got the defense fired up with a devastating tackle of a Winters runner for a loss of four yards when it looked like the Wolves were flat and Winters was going to drive the ball for a score. After that play, Winters never could move the ball again.

Pete Parham and Ruben Ornelas came up with other Winters fumbles, and Bill Jordan and Frank Sanchez covered a Wolves on-side kick following the Wolves first touchdown.

Steve Belvin and Scott Neff forced a play late in the game that led to Belvin tackling the Winters quarterback for a safety. That play was set up when Benny Arispe killed a Wolves punt on the Winters 1-inch line.

The game started before a large crowd of Wolves supporters with Colorado City kicking off. Several plays later, Winters fumbled and Parham recovered the ball at the Winters 22. However, a short time later, the Wolves fumbled it right back at the Winters 20. Then Winters proceeded to move the ball into Wolves territory and it looked like there was trouble in store for the Wolves. The team looked flat. Then came the tackle by Ellis, stopping the runner for a four yard loss as he crashed through a screen of blockers.

A few plays later, the Wolves got the ball at their own 22 after a short Winters kick. On first down an attempted pass went incomplete, the only incompletion of the night for Torrez. On the next play, Torrez again dropped back and lofted a bomb to Bill Jordan who never broke stride as he raced past defenders, caught the ball and galloped downfield. However, a speedy Winters defender caught up and tackled him at the Winters four. On the next play Hulme ran in untouched for the Wolves first score and Belvin kicked the extra point with 5:31 to go in the first quarter.

On the kick-off, Belvin squibbed the ball and it died on the Winters 25. Two Wolves, Sanchez and Bill Jordan jumped on it, the ball then went out of bounds and the Wolves again had possession.

The Wolves moved quickly in to score with Hulme going the last five steps for the TD. The try for extra point was wide and the Wolves led 13-0 with 2:56 left in the first quarter. After the kick-off, on the first play, Hammond came up with an interception at the Winters 30 and returned it to the Blizzards 21.

On the next play, Torrez dropped back, avoided several tacklers and hit a wide-open Arispe in the end zone for the score. A try for two points failed, making the score 19-0 with 2:40 left in the first period.

Winters got good field position on the kick-off return and a 15-yard penalty but were stopped and the Wolves took over on their own 32. The Wolves again moved quickly down the field, using a wide variety of plays in doing so with Hulme scoring again from one yard out with 10:25 left in the second quarter. The try for two points failed, making the score 25-0.

The teams then exchanged punts several times with the Wolves getting the ball later at their own 15 with only a few minutes left in the first half. Colorado City moved the ball downfield, suffering a number of penalties but still managed to get the ball to Winters 8 before time in the half ran out.

The Wolves got the kick-off to start the second half

OSHA Changes Affect Farmers

Something has happened in our nation's capitol which will be of interest to all agricultural producers as well as other businesses, notes Dr. Gary S. Nelson, safety engineer with the Texas Agricultural Extension Service.

As of Oct. 1, farms, ranches and other enterprises defined as "agricultural operations" who have 10 or fewer employees at any one time are exempt from all requirements under the Occupational Safety and health Act (OSHA) for one year.

"Annual attempts to amend OSHA during Congressional floor debate on an appropriations bill succeeded this year," points out Nelson. "Certain amendments have been attached to the appropriations bill for the Departments of Labor and Health, Education and Welfare. All OSHA operating funds for fiscal 1977 are in that bill."

The bill stipulates that no civil penalties would be proposed on first-instance OSHA violations (other than serious, willful or repeated violations) unless 10 or more violations are found, explains Nelson. The bill also exempts from OSHA coverage farms with 10 or fewer employees.

President Ford first vetoed the $56.6 billion appropriations bill for the Departments of Labor and health, Education and Welfare, including $130.3 million for OSHA, on Sept. 29, on the grounds that it exceeded by $4 billion the sum he requested for fiscal 1977. However, Congress overrode the veto the following day.

The bill will provide $130.3 million overall funding for OSHA, including appropriations for the preparation of inflationary impact statements, education, research and consultation activities, and an increase of the compliance staff.

"Someone has said that it is differences in opinion which make horse races, and that is certainly the case here," contends Nelson.

OSHA restrictions were designed to give some relief to small firms and small farms. OSHA estimates indicate 87.5 per cent of all farms in the United States have 10 or fewer employees.

However, some Congressmen hold that "exemptions, regardless of the number of employees, regardless of the type of industry, create a second-class group of American workers.

and almost six minutes later, moved from their 31 into the Winters end zone with Torrez going the final eight yards to score. Torrez then passed to Parham for two extra points, making the score 33-0 with 6:10 to go in the third quarter.

The Wolves next got the ball on their own 38 and again moved downfield to score with Torrez running untouched for four yards for the TD. The kick for extra point was no good, making the score 39-0 with 2:04 left in the third period.

The next time the Wolves got the ball was at their own 42. With Craig Carter now at the helm, the Wolves again moved quickly downfield with Carter passing 26 yards to Bill Jordan for the score with 10:28 left in the game. The try for two points failed making the score 45-0.

Winters then got the ball on their own 20 and two plays later fumbled at their own 15 with Ruben Ornelas coming up with the ball. However, three 15-yard penalties in a row set the Wolves back. On the punt, Arispe killed the ball at the Winters 1-inch line and on the next play, Belvin crashed through the line to tackle the Winters quarterback on an attempted quarterback sneak, making the score 47-0 with 6:43 left in the game.

The Wolves on the kick got the ball at the Winters 45, moved down to the Winters 20 and from the 27, Belvin kicked a 37-yard field goal, making the score 50-0 with 1:50 to go in the game.

Two Wolves suffered injuries in the game in addition to all of the regular bumps and bruises. Offensive Tackle Ray Ritchey suffered a sprained ankle but is thought to be all right and Special Team Player and Reserve Kicker Gerald Smith was kicked and suffered a hip pointer, a painful but not serious injury. He could be available for action next week.

In other district action Friday, Merkel won over Wylie 20-0, Slaton won over Friendship, Post was idle, Sweetwater lost to Lake-View 40-0 and Ballinger and Cisco were idle.

Win One, Tie One Thursday

Colorado City's Freshmen and Junior Varsity teams played two games with Big Spring Thursday night in Wolf Stadium and came up with a win and a tie.

The JV team won 13-6 to fix their record at 6-1-1 with one more game to go, a 7 p.m. game in Stamford this Thursday.

First JV score was a pass from Ricky Sanchez to Mike Womack that went about 50 yards in the first quarter, PAT no good.

Then in the second quarter, Sanchez ran in and a pass to Womack was good for two points, making the score 14-0. Again in the second period, Joe Franco ran in from about 8 yards out and the half ended at 20-0 as the PAT was no good.

In the third quarter, Joe Franco made a 50-yard run and Ruben Garcia kicked the extra point to make it 27-0. In the fourth quarter, Jay Feaster made a 50-yard run but PAT was 0 to give the team a 33-0 lead. Big Spring managed a TD too late to do the team effort any good.

Coach Mike Easterwood gave praise to all the offensive players who scored, along with Johnny Garcia, who ran the ball well, and Willie Vanderpool leading the whole offensive line. Garcia also played a good game on defense, making a hard-hitting tackle which knocked him out in the third quarter.

Other defensive players deserving mention were Ernest Aguilar, Joe Franco and Gene Carter.

The Freshmen tied Big Spring 22-22 after giving them the lead of 14-0 at the first quarter mark.

The fi st C-City score was a 10-15 yard run by Ruben Garcia in the second quarter, extra point pass from Chuck Claxton to Bob McDonald good to make the score 14-8.

In the second half, McDonald scored after a long drive and pass to Russell Noel was good to give the Fish the 16-14 lead.

Big Spring then scored after the Fish held them and they punted but an intercepted pass resulted two plays later in a long run and good extra point to see the Freshmen again trail by 22-16.

With 2:50 showing on the clock, the Fish drove the ball down the field 70 yards, passing and rushing, aided by a 50-yard run by Ruben Garcia who broke three tackles on his way to the 3-yard line. Claxton took it in on a sneak to tie the score at 22-22.

The Fish held Big Spring and they punted, C-City getting the ball on their own 45-yard line and moved the ball, running 6-8 plays in 45 seconds. Fish Coach Mike Hart said Quarterback Chuck Claxton was a key to the final drive as they had only one time out left for the drive and Claxton watched the clock, throwing out of bounds when needed.

They moved to the 3-yard line with no more time outs and three seconds left on the clock. Time ran out before they could get off another play which would have broken the tie.

Hart said the team was slow to start because of a two-week lay off as they had an open date followed by a cancellation.

Their record is 5 wins, 1 loss and 2 ties and they have a final game Thursday in Stamford at 5:30 p.m.

Hart said the team made a good effort after the first quarter and he gave linemen James Edwards, Britt Chaney, Clay Sayger, J. D. Lewis and Russell Noel, the credit.

Defensively, Ruben Garcia, Squeeky Hanks, Mike Johnson and Lupe Luera played well, the coach said.

He also said that Charles Edwards, Ricky Ornelas and Jim Bobo, reserves, played good games and gave the team members on the sidelines credit for spiriting up the team on the final two drives.

Highland Wins 3-B Volleyball

The Highland team will go ahead to play Matador in Bi-District and Parnell said they will probably win that match.

For Westbrook, Georgeann Smith was top scorer for the year with 68 points, Linda Anderson was top spiker, Pam Parsons, Dana Dorn and Teresa Dorn led in blocks and Rose Mary Lopez was top setter.

Bass Trophy Awarded

Bo Merket, member of the Bass Club, won the trophy for the largest fish caught during the club's tournaments this past year.

His catch of 8 lbs. 12 ozs. was followed by these runnersup: Maxey Ware caught an 8 lb. 1 oz. bass; Mike Hart placed 3rd and 4th with his catches of 7 lbs. 6 ozs. and 7 lbs. 4 ozs.; and Maxey Ware also placed 5th with a bass weighing 7 lbs. 3 ozs.

The club is presently involved with its annual money raising project and wishes to thank the individuals and merchants of Mitchell County for their support and donations.

The next tournament will be Sunday, Nov. 14 at Lake Sweetwater.

JIM LIGHTFOOT, last year's Bass Club president (pictured at left), proudly presents Bo Merket the club's annual trophy for the year's largest fish. Merket's bass weighed eight pounds and twelve ounces and was caught at Oak Creek Lake.

Scout Rally Planned

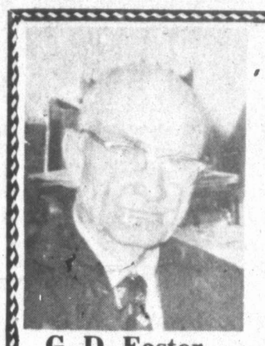

Boys age 8-10 who want to join Cub Scouts or Webeloes are encouraged to bring their parents to the Hutchinson School cafeteria Tuesday, Nov. 22 at 7:30 p.m. for a Scout Rally.

Drivers Education To Begin

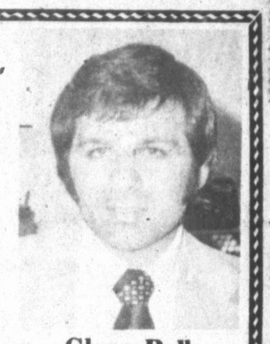

Coach Mike Easterwood will begin Drivers Education Classes at Colorado High School as soon as football season is over.

Since Easterwood is assistant coach for the CHS Varsity Football Team, he will not have time to organize the class until after the Wolves' last game.

The exact date will be announced at a later time. If you have any questions, you are asked to call principal Bill Everett in the High School.

"Fire Trucks & Poor Excuses"

Roy N. Byrd

Pastor

First Presbyterian Church

And Jesus said to him, "A man once gave a great banquet, and invited many; and at the time for the banquet he sent his servant to say to those who had been invited, 'Come: for all is now ready.' But they alike began to make excuses." Luke 14:16-18.

Why are fire trucks red? the Anglican asked. Well, fire trucks have four wheels and eight men: everybody knows that four and eight make twelve. There are twelve inches in a foot, and a foot is a ruler. Queen Elizabeth, a ruler, is also the name of the largest ship on the seven seas. Seas have fish and fish have fins. Fins fought the Russians. Russians are "Reds." Fire trucks are always rushin'. Therefore, fire trucks are red.

Wild! you say. If you think this is wild, you ought to hear the excuses people give for not living the Christian life.

Excuses are seldom reasonable, frequently are foolish, and almost always flimsy. There is no honor in them. When Moses gave excuses, God's anger was kindled against him. Those who lean on excuses can hardly expect to come into the immeasurable riches of God's grace in Christ Jesus.

Don't lean on excuses. Live the Christian life as faithfully as you can. And remember, the humble person with the help of God can always do better than he thought, almost as well as God hoped, and will always be supplied from God's abundant wealth in Christ Jesus.

Farmers And Ranchers Issued Questionaire

Some 75,000 Texas farmers and ranchers will receive a crop or livestock questionnaire during the period from mid-November to early January.

This roundup survey of crop production and livestock numbers is made annually by the Texas Crop and Livestock Reporting Service. The Texas Department of Agriculture and the Statistical Reporting Service, U.S. Department of Agriculture, work together to provide comprehensive information on Texas agriculture.

Producers from each of the 254 counties in Texas are selected proportional to size of operation. The small producer sampled represents many others of comparable size while the very largest producers will represent only themselves.

It is equally important for all farmers and ranchers receiving a questionnaire to complete and return it promptly.

The individual report is confidential--available to no other government agency or anyone except the few persons required to process the data. The state and county estimates published are available for everyone at the same time.

County statistics for 1975 and January 1, 1976, are available on Livestock, Poultry, Dairy, Field Crops, Small Grains, Cotton, Vegetables, Fruits and Pecans, and Cash Receipts from the Sale of Texas Farm Commodities.

Bulletins can be obtained from the Texas Crop and Livestock Reporting Service, P.O. Box 70, Austin 78767, or by writing John C. White, Commissioner of Agriculture, P.O. Box 12847, Capitol Station, Austin 78711.
