Ram Sales By Hodges Good

L. F. and Clinton Hodges attended the San Angelo Ram Sale the past week. Fred Hodges had 12 head of rams and Clinton had six head for sale.

Rams of the Hodges bloodlines sold very well. The average sale price for all Hodges rams was \$161.50. The ram average was considerably lower this year as compared to last, bringing only \$96 at this sale.

The only bloodline of rams selling for more money was Miles Pierce, whose average sale price was \$170.50.

The following average sale prices for some of the leading breeders illustrate how the bucks sold:

Miles Pierce \$170.50
L. F. Hodges \$161.66
Clinton Hodges \$161.17
Rod Richardson \$147.77
Leo Richardson \$126.63
Pat Rose, Jr. \$126.10
Adin Neilson \$125.90
R. O. Sheffield \$120.83.

Two Caperton Employees Win Trip

Wilbur Stone and Hollis Kenner, both of the R. T. Caperton Chevrolet Company here, will leave Friday on a trip that will take them to New Orleans and Gulfport, Miss. The two won the trip with all expenses paid on a Chevrolet service department contest this summer.

R. T. Caperton, owner of the local company, said the boys will go to Dallas and there they will board a special train (car) and go to New Orleans. After a sightseeing trip there they will go on Gulfport for several days of fishing, sightseeing, and vacationing at that resort. All expenses of the winners will be paid by the company, said Caperton. They won it in a contest for percentage increase in parts and service expansion.

Son to the Blanks

A son, named William Carl, was born to Mr. and Mrs. Joseph Blank in a San Angelo hospital on July 20. He weighed six pounds and fifteen ounces.

Grandparents are Mr. and Mrs. Curly Blank of Sterling City and Mr. W. E. Wright of Bentonville, Arkansas.

Attend Wedding in Muleshoe

Mr. and Mrs. Roy Morgan accompanied by Mrs. Clyde H. Davis of San Angelo attended the wedding of Norman E. Durham and Miss Jane Stovall in Muleshoe, Texas on July 26. They returned home by way of Amarillo where they visited with Mr. and Mrs. Charles J. Harris.

Also attending the wedding from here were the Worth B. Durhams. Following the wedding they went on to Colorado on a vacation trip.

Friends and relatives visiting Mr. and Mrs. Owen Armstrong last week were Mr. and Mrs. E. F. Harrison of Dallas, Mr. and Mrs. Paul Sledge of Ft. Worth, Mr. and Mrs. Bill Lary of Monahans and Miss Mary Bascoe of Libson.

chairman of the party.

The vote was short of the total that could have been cast in the county. With a probable voting strength of 575 (counting overs), only 409 votes were shown cast.

The chairman of the Demo party expressed his thanks to all the election workers and others who helped hold the election.

There will be a run-off the 4th Saturday in August, which is the 23rd. The polling places will be the same. There will not be but two or maybe three contests to be decided. Two in the state (if the Dies-Smith race is put on the ballot) and that of Joe Mays and Clyde Vinson for District Judge.

Bell and Culver face a runoff for the Supreme Court bench, place 1.

Behind
The
8 Ball

Joe Mays and Clyde Vinson will be in a run-off come the second primary. Mays led the district in balloting with Vinson second.

8-BALL

O. C. FISHER

Congressman O. C. Fisher carried every county in his district but Brown County, and he lost it by 50 votes to challenger Ira Galloway, the present county judge of Coleman county. Fisher even carried Coleman county.

In reviewing former congressmen's terms (from West Texas) we see that they hold office pretty well as long as they don't do anything that trips them. Remember Thomason, Hudspeth, and from the district below us, John Garner. O.C. has served ten years and now has two more to go.

8-BALL

The more arguments you win, the fewer friends you have.

8-BALL

Martin Dies, who almost had a majority of his six opponents in the congressman-at-large race gets it without a run-off race. Former state senator John Lee Smith of Lubbock threw in the sponge and will not contest Dies. Sterling gave Smith a pretty good vote.

8-BALL

There must be a run-off primary in each county over the state in August. This is the new law. No one shall be disfranchised from voting their sentiments in state and district races because a county decides to call off the second primary. Formerly each county could call off such second primaries and did occasionally when all local and county races had been decided in the first primary.

8-BALL

The law says that absentee voting begins twenty days before the election. But, the state committee won't convene and canvas the results of the first primary until next Monday. The names of the candidates for state office can't be certified until the state executive committee does it. The legislators got a little 'off' on that one, it seems.

Town To Be Sprayed Next Tuesday

CHARGED WITH INTENT TO RAPE

A 47-year-old San Antonio pavement contractor, charged with assault with intent to rape a 13-year-old Latin-American girl, underwent a lie detector test in Austin Wednesday.

The contractor, Sam Hollifield, is accused of driving the girl a short distance from this city July 22 with the intention of attacking her.

Sheriff W. O. (Bill) Green said official results of the lie test are not known as yet.

Hollifield, who is married and is a father, was arrested in San Angelo a few hours after the incident occurred.

The girl told police she entered a stranger's car to show him where a Latin-American man lived. Instead of going to the man's home, the girl said, the stranger drove her about 4 of a mile south of this city on the Big Lake Road.

She said after a struggle she jumped out of the car and ran home. Green said the girl's shoes were found near the place the girl said the car was stopped.

Hollifield is in county jail here.

THANKS TO VOTERS

I take this opportunity to thank the voters of Sterling County for their vote and support in last Saturday's election. While I had no opposition, I still want to thank each and every one who voted for me.

Sincerely,
Mrs. Sallie Wallace

Mrs. Agnes Cole and her son, Bill, went to Pasadena last week to visit Mrs. Cole's daughter, Mrs. Raymond Vinson and family. Mrs. Cole and her daughter Shirley, who had been in Pasadena visiting returned home but Bill remained there to work.

RAIN MEASURES .20 INCH

A shower fell here Wednesday evening early and measured .20 of an inch here in town. Some reports of more than that were had north and east of here.

The R. L. Bates of Fresno, California are here visiting Mrs. Tate's mother, Mrs. Ella Ligon and other relatives. Also visiting Mrs. Ligon this week were Mr. and Mrs. Forrest Smith of Andrews. Mrs. Smith is a daughter of Mrs. Ligon.

Sprayers Will Be Needed

The Sterling City Lions Club decided to sponsor a spraying of the town again, and set the date as next Tuesday, August 5. Again, the ranchmen of the town will be asked to bring in their sprayers and volunteer help will be welcomed to help do the job. No polio has been reported here yet, and the consensus of opinion was that none was wanted. One case has been reported from Carlsbad, 25 miles southeast of here. It was reported that the spraying did a fine job of fly control the first time, and it was said that one more good kill might last the rest of this summer. There is enough materials on hand to do the job once more, said County Agent Fred Campbell.

Bro. W. O. Batten has moved and his resignation as club secretary was read and acted upon. A director's meeting was held following the meeting, and Bruce Medford was named new secretary.

Ronald Smith sang four numbers and Jim Brannon, brother of Bob Brannon, sang one number. They were accompanied at the piano by Mrs. Anna Lee Johnson.

The club voted to raise the minimum payment to Mrs. Levi Martin for the meals from \$22 to \$25.

President H. A. Chapple appointed a committee to begin work on the negro minstrel for this fall. He appointed Mrs. Johnson, W. D. Farnsworth and Dr. Wm. J. Swann.

Mr. and Mrs. Dean Johnson of Big Spring and Forrestine Boyd, a niece of Mrs. Johnson, have been visiting Dean's family in Sun Valley, Idaho.

The Fred Allen's have gone to New Mexico to their ranch and other points. They left Wednesday.

Mr. and Mrs. H. S. Simpson returned to their home near Evans Thursday after a visit here with their daughter, Mrs. Joe Emery and family.

The five election judges of the polling places last Saturday did a good job, and reported early. The judges were O. T. Jones, Mrs. Bill Blair, Chesley McDonald, Mrs. Riley King and Mrs. Tommy Humble.

Charles Fitzpatrick of Stanton was a visitor in Sterling last week end.

BIG SPRING RODEO AND COWBOY REUNION AUGUST 6-9

BIG SPRING—The Fifteenth Annual Big Spring Rodeo and Cowboy Reunion will be unreeled August 6-9 in the Rodeo Bowl here.

This year's contest will offer \$3400, plus entry fees.

A big parade is to be led by the world famous Cowboy band of Hardin Simmons University, Abilene, will serve to get reunion activities underway on the afternoon of August 9. Several Sheriff's Posse parade groups, including the one from Crosbyton, also are expected to take part in the parade. Additional music will be provided by the Big Spring High School Band.

The Cowboy Band will play for each of the four evening performances of the rodeo. Beutler Brothers of Elk City, Okla., again will provide stock for the show.

Top cowboys of the nation will, of course, participate in the Rodeo Cowboys Association-recognized rodeo. All usual events will be included in the championship show. Traditional events for cowgirls are a part of the rodeo curriculum.

The rodeo and reunion are being held for the third year in Big Spring's concrete rodeo stadium, constructed in a natural amphitheater west of the city after residential development overlapped former show grounds. Facilities are among the best in the state and the rodeo bowl will seat upwards of 7,500 spectators.

TO THE CITIZENS OF STERLING COUNTY:

It is with a deep sense of humility and appreciation that I express my gratitude and thanks to you for the vote and support given me in the recent primary election in nominating me for the office of State Senator of the 25th District.

It was impossible for me to see each citizen of this large district, personally, even though I conducted an active campaign in an effort to meet you and discuss those public issues, the determination of which may affect the welfare of the State and District.

Again thanking you, and with best wishes, I am

Sincerely yours,

DR. MILLARD A. JENKINS
Baptists Begin Week's
Revival Sunday
 Services To Be Held in Tabernacle

A week's revival meeting will begin Sunday, August 3, sponsored by the First Baptist Church. This announcement was made this week by Rev. C. D. McEntire, pastor.

The preaching will be done by the Rev. M. A. Jenkins of Abilene. Services will be held both morning and evening. The local pastor will lead the singing.

Dr. Jenkins pastored the First Baptist Church of Abilene for thirty two and one-half years. He retired two years ago, and has been doing evangelistic work since.

While at the Abilene Church he built up the largest church of any denomination between Ft. Worth and Los Angeles, said McEntire. It was the largest also between the Mexican border and Chicago. His church constructed a Sunday School building with a capacity of 3,000. His Sunday School ranked third in the Southern Baptist Convention, and is one of the largest in the

south, while his Sunday School teachers, officers and workers weekly meeting is the largest in the world, said McEntire.

Speaking further of Dr. Jenkins, the local pastor said:

He is the founder of Hendricks Memorial Hospital in Abilene; he is the author of several books; has crossed the Atlantic Ocean ten times. Dr. Jenkins has conducted evangelistic meetings in New York City, preached in Palestine, in Spurgeon's tabernacle in London, the 1st Street Church in Boston, and held a revival meeting in Nova Scotia, Canada. He has been a member of the executive board of the Southern Baptist Convention 32 years and on the Sunday School Board 25 years."

HOW TO CAN APPLE SAUCE

1. Wash, rinse, drain, good cooking apples. Cut out blossom and stem ends. Cut in chunks. Cook until soft in just enough water to prevent sticking. Put through food mill, colander or strainer. Sweeten to taste; reheat to boiling.

2. Stand hot Ball Mason Jar on cloth. Fill with hot sauce to within one-half inch of jar top. Funnel helps keep jar clean. Stir sauce with fork to get out air bubbles. Wipe jar top and threads with clean wet cloth.

3. Put wet Ball Dome Lid on jar with fingers or tongs. Screw metal band tightly enough to press sealing compound against jar top. Be sure band screws down evenly. Do not force band as tight as it will turn.

4. Stand jars of hot sauce on rack in canner of hot, not boiling, water, which covers jars. Put lid on canner. Bring rapidly to boil. Process pints and quarts 15 minutes. Remove jars; let stand apart to cool.

Follow manufacturer's directions for examining jars and caps when preparing to can. Ten or twelve hours after sealing, remove band and test seal by pressing Dome to see if it is down or stays down when pressed. Leave bands off.
