VOLUME XXXVII

MUENSTER, COOKE COUNTY, TEXAS 76252 AUGUST 3, 1973

NUMBER 37

Frequently we hear shocking reports on the cost of traffic accidents, but few if any of them present the issue more vividly than a recent comparison of our country's deaths in wars and on the highways as compiled by the statistical services of the Texas Department of Public Safety.

It tells us that in 197 years, from 1775 to 1972, American deaths in all of the country's nine wars added to 1,186,618. But in the 72 years of this century 1,942,740 Americans died in highway accidents.

The comparison presents the following list of losses in each war revealing that, surprisingly, the nation lost more men in the civil war than in the two world wars combined.

Here are the numbers. Revolutionary War 4,435; War of 1812 2,260; Mexican War 13,283; Civil War 529,332; Spanish American War 2,446; World War I 116,563; World War II 407,828; Korea 54,246; Vietnam 56,225.

Then, to show the enormous financial losses in traffic accidents, the DPS statistical statement continues as follows.

"The playing area of a football field measures 300x160 feet. U. S. currency measures about 2 1/2 inches x 6 1/2 inches. If a football field was completely covered with one dollar bills then a layer of two dollar bills, then a layer of five dollar bills, then a layer of ten dollar bills, then a layer of twenty dollar bills, then a layer of fifty dollar bills, then a layer of hundred dollar bills, then a layer of five hundred dollar bills, then a layer of thousand dollar bills... then on top of these nine layers of paper money dump 9,096 tons of silver dollars... the money on the field would represent the economic loss we suffered in Texas for the year 1972.

"The \$1,035,000,000 estimated loss for this one year would buy 10,000 homes at \$30,000 each; 10,000 refrigerators at \$400 each; 10,000 electric ranges at \$350 each; 10,000 TV sets at \$500 each; 10,000 dishwashers at \$300; 10,000 automobiles at \$3,000 each; 10,000 central air conditioners at \$1,400; and furnish the head of each of the 10,000 households with a bank account of \$67,550.

Along with all the objections we've been hearing from EPA on pollution in the fields of air, water and solid waste, we now hear one from the State Health Department on noise pollution. The health people have evidence that physical harm is caused by the high level of noise that people have to live with.

It quotes estimates that, because of industrial noise alone, \$4 billion is spent each year on worker inefficiency, lost work time, accidents and compensation. As many as 16 million industrial workers may be partially or totally deafened by factory noise, because of actual damage to the inner ear resulting from intensive noises.

Other ailments also are traced to noise. The experts claim that a general stress reaction can have a bearing on such ailments as ulcers, heart disease, high blood pressure, migraine and other problems. All of which indicates that environmentalists need to get concerned with the sound waves as well as the air and water. In fact that subject appears more urgent than the litter problem. From which it seems that lawmakers ought to get busy on seeking means to eliminate or reduce noises whenever possible, and especially on things that cause the health and hearing damages.

There is a way to measure the intensity of sound. They take tests to determine the actual pressure, which is reported in decibels. It is claimed that 80 dBs is a noise level that can be endured comfortably by average people and 90 is the limit permitted as a factory working condition under federal and state health standards.

An interesting classification of a number of familiar noises in decibels is listed by the health department. Normal whisper 20, quiet residential area 40, normal speech 60, busy office 80, heavy traffic 100, discotheque 120, jet fly-over 103, power mower 96, rock & roll band 108-114, diesel train 83, TV 70, clothes washer 73, food blender 88. Obviously some community noises are as offensive as industrial noises, so it seems a good idea to tone

THIS GROUP OF GIRLS formed one of the classes in "Food Fun for Juniors." Left to right they are Becky High, assistant to Tulu Hickerson, instructor, and Cathy Flusche, Rhonda Endres, Kathy Davidson, Bernadette Knabe, Betty Luttmer, Lisa Hennigan, Donna Hennigan, Claudia Flusche, Toni Hoedebeck, Sherri Muller, Lou Ann Dyer.

Food Fun for Juniors Classes End With Presentation of Certificates

"Food Fun for Juniors," a summer program sponsored by Cooke County Electric Cooperative for girls 9-12 years of age ended in Muenster with 50 graduates who received diplomas in closing classes of the four groups.

Under direction of Mrs. Tulu Hickerson, home service advisor at the Cooperative, the girls learned the meaning of the various terms most commonly used in the kitchen and the different measures and utensils utilized by homemakers. In keeping with the theme "Special Occasion Cooking," the girls learned how to bake cookies and cakes and to decorate for these special events.

At the end of each session there was a graduation exercise in which L. B. Bruns, C. O. Cash, Gene Davenport and Mrs. Becky High assisted in presentation of diplomas to those who successfully completed the course.

The school was attended by Toni Dittfurth, Lou Ann Dyer, Linda Endres, Tami Fanning, Charlotte Fleitman, Carla Otto, Brenda Walterscheid, Carla Walterscheid, Jill Walterscheid, Judy Walterscheid,

Robin Walterscheid, Sherri Wolf, Kathy Davidson, Rhonda Endres, Cathy Flusche, Claudia Flusche, Denise Haverkamp, Donna Hennigan.

Lisa Hennigan, Toni Hoedebeck, Bernadette Knabe, Betty Jean Luttmer, Sherri Muller, Wanda Schneider, Marceline Bartel, Angela Bartush, Rosemary Felderhoff, Susan Felderhoff, Janelle Hellman, Brenda Henschel, Kelly Kim Klement, Renee Reiter, Ronda Reiter, Leslie Reiter, Carol Walterscheid, Diann Caplinger.

Janet Dangelmayr, Colynda Henschel, Tammy Henschel, Sherri Herr, Donna Kay Hess, Virginia Koelzer, Janell Lutkenhaus, Laura Stegle, Rene Stelzer, Marlene Swirczynski, Sharon Voth, Melanie Brownling, Nita Browning, Tina Koelzer.

Paper Drive July 21
SHH seniors will conduct a scrap paper drive Saturday, August 4, beginning at 9 a.m. Persons with paper to give are asked to have it boxed or corded and out at the curb for quick pickup. Persons unable to get their paper out may call 759-4246.

BUILDING NOTES

Construction jobs in and around Muenster include several new homes plus a new field house for the Sacred Heart Tigers.

Work is just beginning on a new home for the Gus Felderhoffs about a mile north of town across the FM road from Hubert Felderhoff. It will have three bedrooms and three baths, double garage, fireplace, central heating and cooling, brick veneer.

Also recently started is the house for Mr. and Mrs. Bill Hamer in the north part of town. Specifications include three bedrooms, three baths, central heat and air conditioning, fireplace, brick veneer, double garage.

The Sylvan Walterscheids are well advanced on the house they are building a mile north of Muenster. They will have three bedrooms, two and a half baths, brick veneer, central heat and air conditioning, fireplace, double garage.

Mr. and Mrs. Dan Luke have finished cabinet work and started interior painting of their house in a pecan grove overlooking Elm Creek at the southwest city limits. It includes four bedrooms, three baths, double fireplace, split level, central heating and cooling, double garage, exterior of cedar and native rock.

The Glenn Clers on South Pine, near the Motel, are at about the half way stage on their new house which will have three bedrooms, bath and a half, single garage, brick veneer, central heating and air conditioning.

Also in the east part of town, the Gene Mitchells have a good start on their home. It includes two bedrooms, one bath, brick veneer, central heating and air conditioning.

Nearing completion is the Robert Klement house a mile west of town across the road from Tony Klement. They have three bedrooms, bath and a half, single garage, brick veneer, central heating and cooling.

Also well advanced is the Frank Kaberna place in the

Freemound community. Their specifications include three bedrooms and baths, double fireplace, central heating and cooling, full basement, brick veneer.

Three new homes are recently finished and occupied. The Wayne Richards house at Rosston has split level, four bedrooms and baths, fireplace, double garage, central heat and air conditioning, cedar and native rock exterior. Also Ronnie Krebs of Lindsay and Kenneth Woods of Forestburg. Both houses have three bedrooms, two baths, double garage, brick veneer, central heating and cooling.

An addition, which more than doubles the floor space of W. J. Luke Company, will be complete as soon as carpet arrives, nevertheless it is in use. The addition has walls of heydite tile, paneled interior, enlarged heating and cooling plant and acoustical ceiling.

Another non-residential project is a field house for the Sacred Heart Tigers. Measuring 48x24, it is built of heydite tile, will include weight room, a whirlpool bath given by Dr. Marvin Knight, and lockers, showers, etc. Floor is finished awaiting work on the walls.

The Frank Bayers have removed the ancient house from their location at the intersection of Fifth and Oak Streets to make room for their new house to be built when workers are available. Specifications and starting date have not been told at this time.

Emil Rohmer is spending spare time lately dressing up the front of the former theatre building. He has taken out the ticket office, repaired the marquee and wall display panels as well as the lobby area of the interior, and is about to modernize the doors. Plans for using the space are not definitely decided at this time. The main part of the building is now leased by Weber Aircraft as a warehouse for airplane seats built in the Muenster plant.

CORRECTION: Students Register At 9 on August 10

Students who will register at Muenster Public School on Friday, August 10, are advised that a mistake in registration time was reported in last week's Enterprise. The hour specified was 10 to 11, which is not correct.

The correct time is one hour earlier. Buses will start their runs at 8 o'clock and arrive at 9. After the hour of enrollment buses will leave at 10 and arrive back at school at 11, at which time the teachers will have a meeting.

2 New Teachers Join the Faculty At Public School

Two new teachers will be on the faculty of Muenster Public School when the starting bell rings on August 14.

Mrs. Florence Williams, who has lived here a number of years, is in the elementary department. She received her degree from Texas Woman's University in 1972 and taught last year at Prairie Valley.

Mrs. Tommie Ruth Sanders, a resident of Whitesboro, will teach high school English. She received her degree at mid term from NTSU and is beginning her teaching career here.

The other 23 members of the faculty are the following returnees. Ellen Berry, Josie Christian, Janie Weinzapfel, Carol Dyer, Barbara Robison, Juanita Walterscheid, Prudence Selby, Loretha Coore, Gwen Trubenbach, Bill Moore, Patsy Sloan, Bob Hayes, Edgard Dyer, Rudy Koelsler, Glenn Richardson, Judy Flowers, Bettye Dodds, Robert McDaniel, Gary Chisam, Wayne Klement, Principal Charles Cash and Superintendent L. B. Bruns. Tom Fluker, counselor, is on a part time schedule, being assigned also to Lindsay and Era.

Pending federal and state approval under Title I the school will also have teachers in speech therapy and remedial reading. The speech teacher is Mrs. Ken Stormer, who received her degree in '72 at TCU. Remedial reading teacher was Mrs. Ernest Jaska whose plans are changed by the family's transfer to Waco. Her replacement has not been named at this time.

Jim Voth Attends Firemen's Course

James Voth represented the Muenster Fire Department last week at the annual firemen's school conducted by the Texas Firemen's and Fire Marshals' Association at Texas A&M University.

He took the basic course in fire fighting, which is specially suited to equipment and conditions in towns the size of Muenster. Instruction and practice included the fundamentals in care and handling of equipment, safety, reducing or avoiding damage in fire fighting, etc. The program included a night demonstration of extinguishing a butane fire with foam, also demonstrating proper use of a ladder rig and ground level hose.

Principal purpose of the school is to teach the latest techniques of fire fighting, which local representatives are expected to bring back to their respective departments, thereby improving the quality of local protection. An extra benefit is a credit on the city's insurance rate, which results in a slight reduction on all policies.

Cowboys Are Patients Here

Two more Dallas Cowboys are added to the list of athletes who come to Muenster Hospital to have football injuries repaired by Dr. Marvin Knight. They are Mike Gibbons, who had knee surgery Saturday, and Mike Keller, who had shoulder surgery Wednesday.

Father A. John Williams, pastor of St. Michael Cathedral, Coimbatore, India, is spending a 90-day vacation visiting in the United States. He is the guest of Mr. and Mrs. J. M. Weinzapfel between trips to a number of cities in Texas and neighboring states. The Weinzapfels have corresponded with Father Williams for many years and, along with the Hubert Felderhoffs, they visited with him when they were on a round-the-world trip in 1967. Father Williams is 54 years old, celebrated the silver anniversary of his ordination on January 26 of this year.

Procedure Changes For Registration At County College

There will be some changes in the registration process at Cooke County Junior College this fall. All students must enroll during official registration, August 29, 30, and 31. And, prior to official enrollment, students must obtain from the registrar's office a Registration Permit and have a trial schedule completed. Counselors are available from 9 a.m. to 8 p.m. Monday through Friday for assistance in planning schedules.

Arrangements for financial aids (loans, scholarships, and work study programs) must be approved before official registration begins. Mike Ballew, financial aids officer, and Peter Hyde will be available to assist students in applying for financial aid any weekday from 9 a.m. to 4:30 p.m.

Gene Davenport Wins Plaque in Power Marketing

Gene Davenport of Cooke County Electric Cooperative was one of three winners receiving awards last Wednesday night in a residential power marketing contest sponsored by the Brazos Power Electric Cooperative, Inc.

The presentations were made by Leonard Herring, power consultant in the area development division of BEPC at the Nutt House in Grandbury.

Davenport received a plaque for honorable mention in the contest. Lloyd Johnson of Wise Electric Co-op received first place award consisting of an all-expense paid trip for two anywhere in Texas and a plaque. Bud McNally of Tri-County Electric Co-op of Azle received a plaque as the runner up award.

Nine of the nineteen cooperatives which make up the BEPC competed in the contest which was under way for a year, ending June 30.

1 Hour Cloudburst Measures 3.99 Inches

The wettest July in local weather history came to an end Tuesday with the moisture reading standing at 8.91 inches.

Much of that came Saturday in a gully washer that poured down 3.99 inches in a period of about an hour. Because of the mini-deluge Muenster was featured on the Channel 4 weather report Saturday night as the wettest in Texas that day. It was also mentioned as having a 100 degree temperature earlier in the day.

Weatherman Steve Mosier returned from a vacation in Colorado just in time to witness the heavy rain and report it to the Dallas weather station. He also said that his thermometer registered 103 degrees but he does not know whether the figure applied to Saturday or an earlier day. The instrument was set to stay put at the highest mark and he could not say when that was reached.

Muenster Praised For Response to Bloodmobile Visit

A letter received last week by Hospital Administrator David Bright indicates the enthusiastic appreciation of the Red River Regional Blood Center to Muenster people for their fine cooperation in the recent bloodmobile visit here.

The gratifying response was especially pleasing because of the increasing urgency in meeting quotas due to the growing demand for blood. A part of the letter reads as follows.

"The Red River Regional Blood Program would like to say 'thanks' to you, the Volunteers and the blood donors who helped to make the last bloodmobile in Muenster such a tremendous success.

"The patients in the hospitals are continuously using more and more blood and we are struggling now more than ever to keep up with their needs. Only through the continued support of towns such as Muenster is the Blood Program going to be able to keep up with those needs.

"We realize the hard work and effort it takes to have a successful bloodmobile operation and we want everyone to know how much those efforts are appreciated. Special thanks, I believe, should go to the Veterans of Foreign Wars and their Auxiliary and to the Knights of Columbus in Muenster for their active support in the recruitment of blood donors.

"Please pass on our 'congratulations for a job well done' to the organizations, the hospital staff, the local Volunteers and, of course, to those marvelous seventy-nine blood donors."

Mr. and Mrs. Gene Klement and daughter Lynda returned Friday night, July 27, from a week's vacation in Minnesota. They headquartered at St. Paul where Mrs. Klement has three brothers and three sisters and they had several family reunions. Another highlight was attendance at Mrs. Klement's 30-year reunion of her high school class, graduates of 1943 in Stillwater, Minn. Also a side trip to Iowa City, Iowa, where they got together with cousins of the Hartman clan at the Victor Strabola home and spent overnight there.

Mr. and Mrs. Cecil Sawyer and children have moved from Muenster to Myra where they are at home in the former Clarence Hudspeth residence which they bought.

Monday downpour accounting for a total measure of 4.57 inches as the official gauge reading the next day. Sunday too brought more rain measuring 2.28 inches at the Monday reading. And finally it registered 48 on Tuesday morning. The total moisture for Saturday through Monday was 7.33 inches. Along with 1.58 arriving earlier in the month, it brought the July total to the record breaking 8.91 inches.

This tops the former record by a strong margin. Until now the high figure for this month has been 7.71, for July 1950, and the next was 6.26 in 1960. All time record for any month is 12.43 in April 1957, and the runner-up is 11.61 for September 1970.

Total rainfall of the year as of August 1 is 32.92 inches.

The heavy rainfall is only one of the unusual characteristics of this month's weather. Saturday night and Sunday rain fell as an almost constant drizzle, as in the fall and winter, rather than in typical summer showers. And temperature was in the cool 70s and 80s. In fact, temperature during all of the month has been generally pleasant.

Following all this, the community's moisture condition is fine. Pastures are thriving, hay crops are headed for another cutting, corn and maize have plenty to complete their maturity. At the same time lakes and ponds are back up to a good level. Actually, the rain was right in two ways. The downpour gushed to the lakes and the drizzle soaked in deep.

Jaycees Ready for Annual Fish Fry

All of the planning and much of the work is finished for the Jaycees' annual fish fry to be held in the city park at 7 p.m., Saturday, August 11.

Co-chairmen Dan Yosten and Dave Berres announced this week that they have the usual good menu and the usual good offer of "all you can eat." The menu includes fried catfish, hush puppies, onion rings, red beans, cole slaw, tea, lemon, tartar sauce and catnip — for \$3.00 per plate. And people are encouraged to go back for seconds.

Added attractions are cold drinks and carnival features, especially a dunking pool.

Removal of Glass Insulators Fouls LD Phone Service

If anyone's wondering about fouled up long distance telephone calls Sunday or Monday, Alvin Fuhrman, co-owner and manager of Muenster Telephone Corporation has the answer.

Somebody has been removing glass insulators from the telephone poles along the old railroad right of way. Those lines are the only phone connection with the outside world for the people of Muenster, Myra, Forestburg and Rosston. They also carry some of the telephone traffic for other towns along the route.

Fuhrman said someone crawled up several poles in the vicinity of the city sewer plant and removed the insulators by which wires are supported on the poles. Since the right of way turns slightly in that area the wires came together and shorted out. As a result most of the connections along the line were faulty.

Repairmen of Southwestern Bell were out Monday to repair the damage. They found the missing insulators and replaced them. However they had to come back Monday afternoon after insulators had been removed from other poles a short distance away.

These are important lines to the telephone service of this area; Fuhrman said. The three pairs of wires carry sixty circuits which, along with high usage service to Wichita Falls, are Muenster's only connection with the outside world.

He also pointed out that disrupting telephone service is a federal offense. Muenster Telephone Corp. or Southwestern Bell will prosecute anyone removing insulators or shooting at them.

Lindsay News

LINDSAY — Descendants of the late Mr. and Mrs. Henry Fuhrmann gathered again for their St. Henry's Day reunion in Lindsay carrying out a family tradition of 65 years when the first "Heinrich's Tag" was held in 1908. Mrs. Julius Hermes was in charge of this year's get-together. Father Joseph Fuhrmann of Van

Buren, Ark., attended from the farthest distance. Others were present from Gainesville, Muenster and Lindsay.

Amy Sandmann, one year old on July 24 had her first birthday party with her parents, Mr. and Mrs. Frank A. Sandmann entertaining in their home. Party favors, gifts, and refreshments of cake and ice cream were party highlights. Uncles, aunts and cousins were guests along with Amy's brother Robbie and grandparents the John Vohts and Frank Sandmanns.

The William Bezners entertained grandchildren Steve, John, Douglas and Kathy Schindler of Pilot Point while their parents, the Jim Schindlers attended the Catholic State League convention in Amarillo.

Ten Lindsay junior high school girls attended basketball camp at Lindsay, Okla., and in addition to each one's attendance certificate the girls received an extra certificate for having the neatest dorm and won second place on their skit. Janelle Haverkamp, Mary Felderhoff and Susie Zimmerer won a number of awards for their performance on the basketball court. A total of 149 girls were at camp.

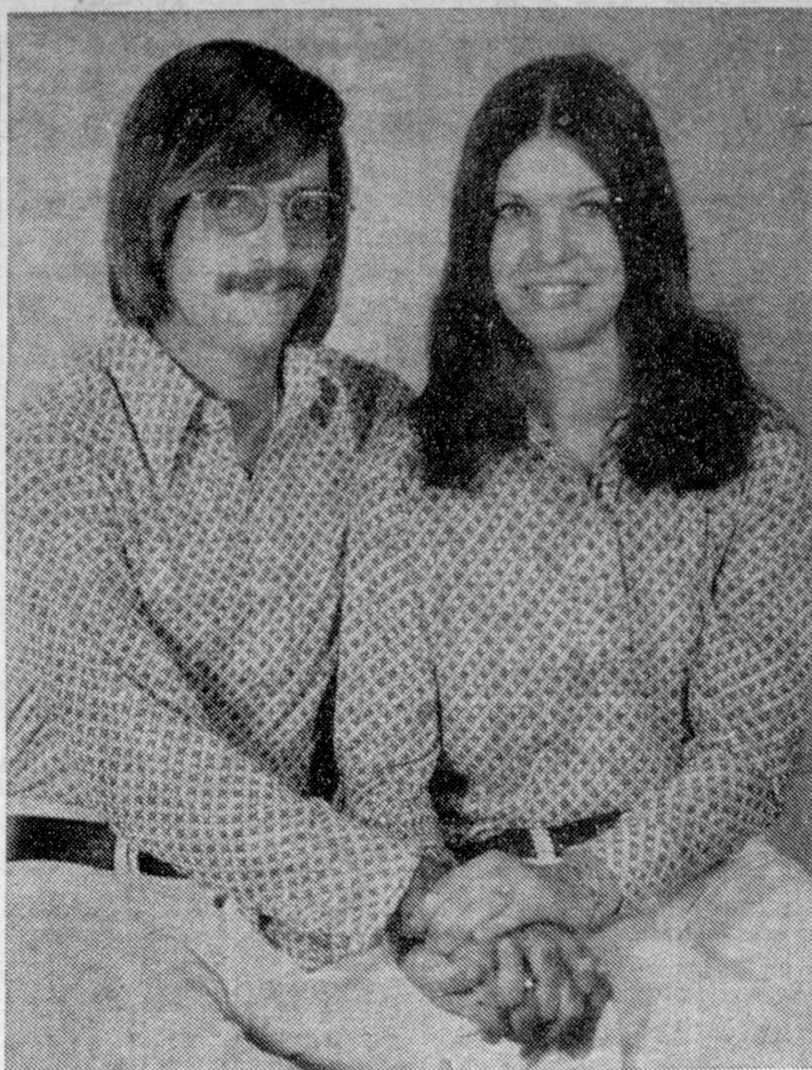

Among those attending the Catholic State League state convention in Amarillo were Erwin Fuhrmann and daughters Diane and Joan, Lenny Hermes and Messrs. and Mmes. Ray Hermes, Frank Haverkamp Sr. and Herbert Schmidkofer. Marcella Streng, daughter of the Lawrence Strengs, was a state winner in the Catholic Youth Essay Contest. She placed third, received five dollars and a certificate.

Mrs. John Hoberer has been hired by the school board to cook in the cafeteria as a replacement for Mrs. Anna Geray who is retiring. Earlier Mrs. Pete Hellinger Jr. was hired to replace the late Mrs. Rose Kuhn.

Local News BRIEFS

James Lutkenhaus has returned to Eugene, Oregon after spending a month with his mother Mrs. Alex Lutkenhaus and his sister Mrs. Arthur Hennigan and family here and another sister and her husband, the Robert Courseys at Gainesville. He and his wife Joan will be vacationing in several states before returning to Texas. He has accepted employment in Houston effective August 16 and they will make their home in that city.

Mr. Mel Stevens

Dear Mr. Stevens:

Please be advised that I have been retained by Jimmy Jack Biffle, Richard Grewing, Rufus Henschel and James Hess to represent them as the result of a house and lot that you are now renting and that the above named individuals have purchased from the Kleiss Estate.

I have been advised that you contemplate removing certain fixtures which I believe constitute permanent improvements in said house. This is to advise you that the law requires that any permanent improvements made that cannot be removed without causing damage, must be left with the premises. I must advise you that if these fixtures are removed you will be held strictly liable for any damages caused by their removal.

I have visited with the four owners and they are willing to set down and work this matter out in a suitable fashion for both of you, however, if this is not done and you are determined to proceed with removing these fixtures, I assure you that we will not hesitate to institute legal proceedings for any damages done.

I would suggest that you give this your immediate attention and consideration.

Sincerely,
Larry B. Sullivan

How would you like to have a county-paid messenger service? ... name by a deputy sheriff wearing a badge and gun?

This letter was delivered to me by the deputy (who, incidentally was most courteous) but I consider this a misuse of public funds to which we all contribute.

The letter was delivered to me the very first day we were beginning to move into our new home. I consider it a great embarrassment to have our first visitor in our new neighborhood to be someone from the Sheriff's Dept.

The very idea that my name is misspelled, in itself shows lack of consideration.

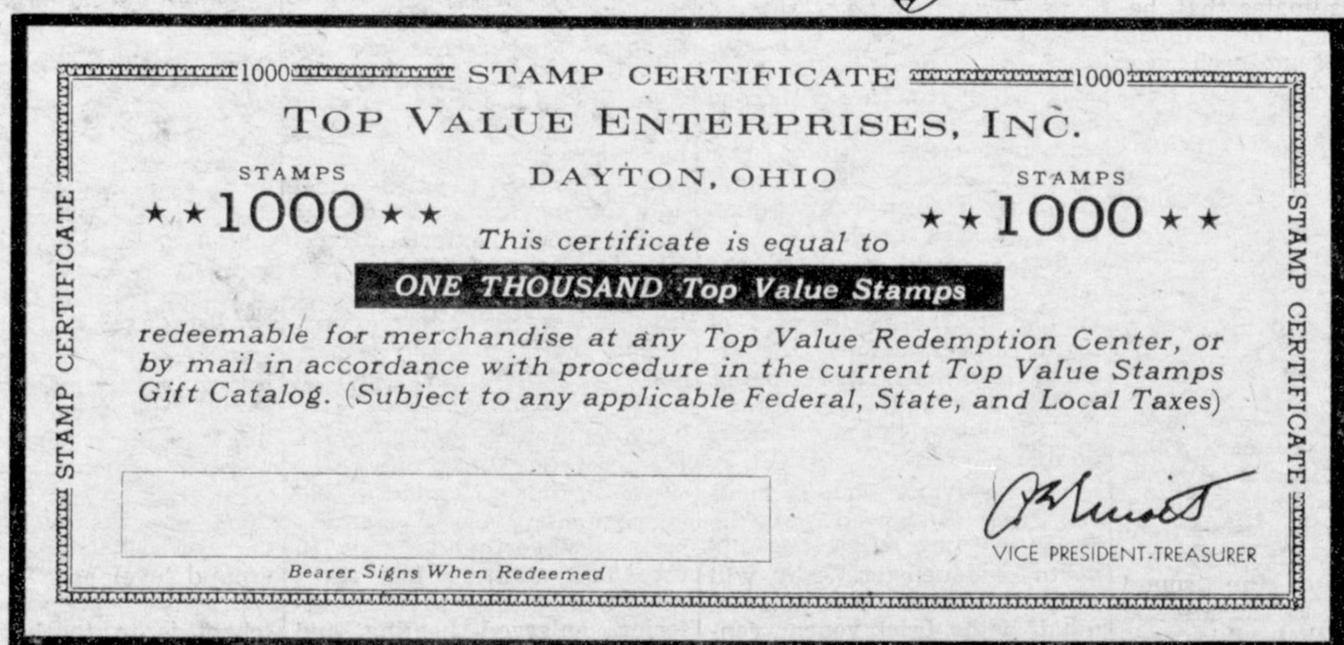

Incidentally, for anyone who's interested, the house we left which was rented from the Kleiss Estate, will be left in a cleaner and better repaired state than what we found it.

The only things we have removed from the house are our own property. We are leaving the house with several renovations.

We are saddened by this very bitter experience because we've enjoyed being a part of this community — it's the reason we bought a home here, since we weren't able to buy the farm we truly enjoyed.

Sincerely,
Mel Stephens

Center Ends Hot Season with 12-6 Win Over Stars

The Center's red hot baseball team ended their near perfect season with a flourish by trimming all stars of the three other league teams by a count of 12 to 6.

Their triumph followed a record of 7 wins, no losses and a solitary tie. Final standings of the other teams were Muenster Mill 5-3-0, Electric Co-op 2-6-0 and Endres Motor Co. 1-6-1.

The champs practically iced the game away in the first inning by scoring the limit of 5 runs by the first five batters, four of whom got hits. They added 3 more in the third and two each in the fourth and fifth whereas the Stars effort was too little and too late in the third, fourth and fifth.

Pitchers for Center were Roger Endres, Kim Walterscheid, Bob Schmitz and Tim Wolf, and the Stars' pitchers were Danny Endres, Nick Stoffels and Bobby Hartman.

Hitters for Center were Bob Schmitz, Tim Wolf, Damian Walterscheid, Roger Endres, Bert Walterscheid, Kim Walterscheid, Jeff Hess and Bob Grewing.

The only All-Star hitters were Karl Koesler, Randy Rei-

ter, Bobby Hartman and Bruce Fuhrmann. Other selections for the team were Nick Stoffels, Nick Walterscheid, Danny Endres, Danny Walterscheid, Neil Walterscheid, Dean Sickling and Bruce Fuhrman.

4-H Club
News

Involvement was the major theme for the 1973 District IV 4-H Leadership Laboratory held June 27-29 at the TP&L camp at Lake Trinidad. Eight 4-Hers from Cooke County were selected to attend the three day training. During this laboratory, the 4-Hers studied involvement in four stages: involvement of self, individual to individual, individual to group, and group to group. In the small groups, they were led by apprentice leaders who helped them with their training. In addition the 4-Hers took part in party planning, folk games and ceremonial.

Cooke County 4-Hers attending were: Albert Zimmerer, and Mary Lou Fleitman, Muenster; Sandy Reiter, Sacred Heart; Donna Hughes, Era; Mary Ann Voth, Lindsay; John Schumacher, and Rudy Schumacher, Gainesville; John Gage, Callisburg.

Hawks and Larks Are Champions in Girls Softball

Championships of both of the girls softball loops were wrapped up when the Larks rolled over the Wrens 21-10 and the Hawks squeezed out a 10-9 win in a thriller with the Falcons. The latter game was anybody's all the way and the Hawks saved their 1 point lead by retiring their foes 3 up and 3 down in the final inning.

Another pair of games, Larks vs Wrens and Falcons vs Eagles Thursday night will end the season, but neither can affect the champ title.

Present standings of the senior loop are Hawks 5-2-1, Falcons 3-4-0, Eagles 2-4-1.

Present standings of the juniors are Larks 5-0, Jays 3-3, Doves 2-4, Wrens 1-5.

Grewing Champs Topped 5-2 in All Star Contest

The junior loop of kids baseball ended Friday, July 20, as the champion Grewing team bowed 5-2 to all star selections from the three other teams.

The regular season ended the previous Monday with Grewing's win over Tuggle and Wilde's win over the bank. Final standings were Grewing 7-1-0, Wilde 5-2-1, Tuggle 4-4-1 and Bank 0-9-0.

Pitchers for the champs were Gary Henscheid and Monte Endres who gave up four hits and for the stars were Kenny Hartman and Phil Wolf who allowed only two hits. Curtis Pagel got both of the Grewing hits and Kenny Hartman got a homer, Craig Walterscheid 2 singles and Dean Swirczynski one single.

Selected to play on the all stars were Bert Miller, Dean Swirczynski, Benji Luke and Dale Schilling of the Bank; Craig Walterscheid, Kenny Hartman, Terry Knabe and Mike Stephens of Tuggle; Floyd Felderhoff, Phil Wolf, Mel Walterscheid and Tim Walterscheid of Wilde.

The Grewing roster includes Gary Henscheid, Curtis Pagel, Kurt Mollenkopf, Chris Jaska, Monte Endres, Monty Wimmer, Justin Davis, Gene Fuhrman, Darrell Swirczynski, Giles Trubenbach, Terry Rohmer, Greg Gieb and Tim Schneider.

Mike Frost coached the Grewing team, Fred Knabe, Danny Walterscheid and Steve Fette coached the stars.

Auxiliary Group Hears Speaker on Lions' Eye Bank

Members of Muenster Hospital Auxiliary, at their July meeting, had J. W. Tooley of Gainesville, executive director of the Lions' Organ and Eye Bank, as guest speaker.

He related inspiring stories of new sight during his ten years of experience in working with the Bank and told of one donor's eyes giving sight to six people through use of different parts.

He informed the members that the Lions Eye Bank will provide Muenster Hospital with a kit for transporting donors' eyes.

Future talks will be on other body organs donated for

replants. One of the local Auxiliary's new projects is acting as an instrument of public information and a local contact for persons desiring to will their bodies and/or vital organs after death for use in research or transplants.

Interested persons may contact Mrs. David Bright or other Auxiliary members for further information, brochures and pamphlets.

During the business session conducted by Mrs. Arthur Bayer, president, plans for the organization's annual big benefit were discussed and Mrs. Roy Monday accepted general chairmanship. An expression of thanks went to members who assisted when the bloodmobile was here and to those who donated blood.

Muenster Boys Win Championship in Gainesville League

Willie Walterscheid's Muenster entries in the Cooke County Boys Club League put on a four game hot streak to win the loop championship. From a second place tie they mowed down all opposition for the final top spot in standing. Those figures are Muenster 9-3, Cementers 8-4, Hesperian 7-5, Steelworkers 0-12.

First they broke the tie with Hesperian by a 4-1 win. Next they beat Hesperian in a make-up game after Hesperian had inflicted a loss on the Cementers. That gave Muenster and Cementers 3 losses each just prior to their showdown game. Muenster moved to the front with a win in that one and needed a win over the Steelworkers to avoid a final tie with the Cementers. Their in the season final wrapped up the title.

From there the boys advance to competition with Boys Clubs champs of other cities. The time and place of their next action is not known at this time.

In the first of their last four games Muenster boys beat Hesperian 4-1 behind a neat pitching performance by Terry Walterscheid. He fanned 13, allowed only 1 hit and 3 walks. Muenster hitters were Robert and Kirk Johnson, Roger Endres and Terry Walterscheid, each a single.

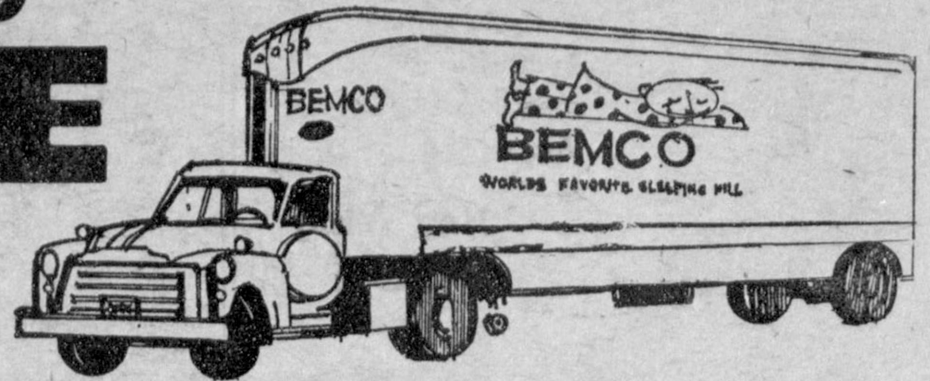

Playing Hesperian again, Muenster racked up a 6-1 win behind the pitching of Roger Endres and Terry Walterscheid. Together they fanned 11, walked 2 and allowed only 1 hit, a homer. Only 4 opponents reached first base. Meanwhile Muenster was working with 7 walks and singles by Terry Walterscheid, Randy Wolf, Bobby Endres and Danny Endres.

For the all important title game Muenster romped to the 8-4 decision over Cementers behind the steady pitching of Terry Walterscheid, who allowed 2 hits and 7 walks and struck out 5. On the other hand Bobby Endres hit twice and Kirk Johnson and Randy Wolf each once, but the big factor was 14 walks allowed by the opposition.

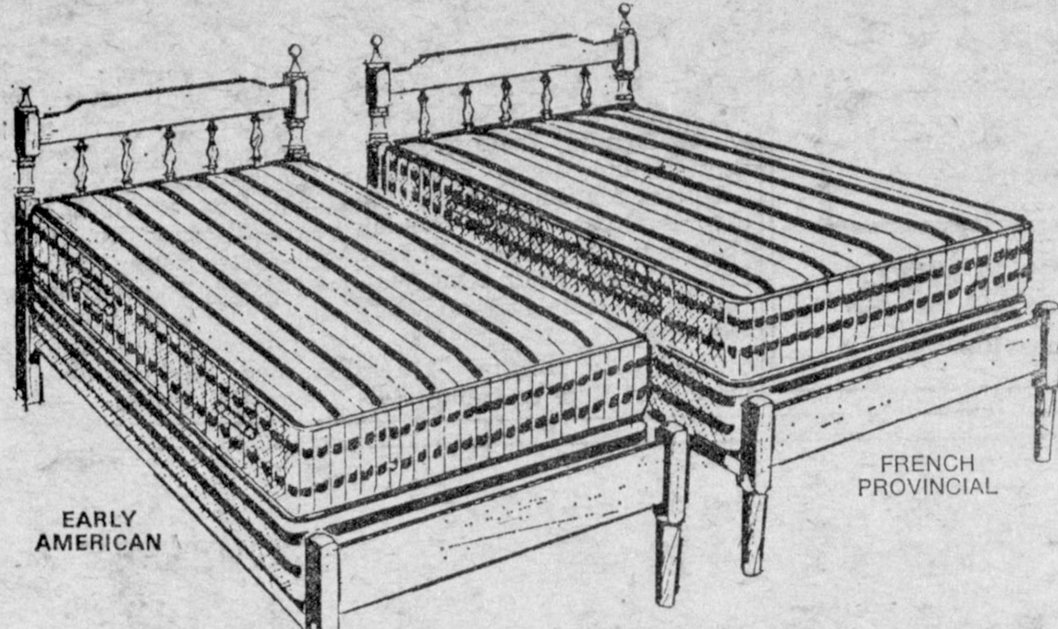

The final game to cinch the title was a 12-6 triumph over the luckless Steelworkers. Roger and Terry shared the pitching for a record of 8 strike outs, 6 walks and 1 hit. Curtis Klement got 2 hits for Muenster, Randy Wolf, Bobby Endres and Robert Johnson each 1... and their effort was helped immensely by 12 free passes to first base.

Spaeth-Lacy Vows Recited Saturday In Dallas Rites

Wedding vows were recited Saturday in Holy Trinity Catholic Church in Dallas by Miss Rebecca Ann Lacy of DeSoto and Everett David Spaeth of Dallas with Father Jerome Calcagno, pastor, officiating at the Nuptial Mass and double ring ceremony.

Parents of the couple are Mr. and Mrs. Walter C. Lacy Jr. of Midland and Mr. and Mrs. Joe Spaeth of Longview.

The groom is a grandson of Mr. and Mrs. John Rohmer of Muenster and the late Mr. and Mrs. George Spaeth of Lindsay. The bride is a granddaughter of Mrs. John Carminati of Montague.

Presented by her father, the bride wore a gown of white silk organza and peau de soie. Venice lace bordered by seed pearls accented the front of the fitted bodice and high Victorian collar. The slender sheer organza sleeves ended in narrow peau de soie cuffs trimmed with the same lace and pearl motif. A panel of peau de soie edged in pearled lace centered the front of the softly gathered organza skirt and formed a deep border for the bottom of the skirt which swept to a chapel-length train covered by the bridal veil of silk illusion held by a profile-framing crescent-shaped Camelot cap of Venice lace. She carried a bouquet of phalaenopsis orchids and stephanotis.

Mrs. James Henderson of Lubbock attended the bride and Ned White of Golden, Colo., was best man. Mrs. Henderson wore a floor-length gown of navy dotted voile, the Empire bodice styled with a high ring neckline and pinafore ruffles. The controlled skirt ended in a wide ruffle. She wore an open weave wide-brimmed white straw hat and carried a multi-color colonial nosegay.

James Henderson of Lubbock and Steve Rohmer of Muenster, cousin of the groom were ushers.

Fred Cook was organist with Miss Jedda Jones vocalist.

A wedding reception followed the church service. Members of the house party included Mrs. Walter C. Lacy III, sister-in-law of the bride, Mrs. Henry Spaeth of Gainesville, aunt of the groom, Miss Linda Spaeth, sister of the groom, Misses Jane Kennedy and Judy Durham and Mrs. Kenneth McPhearson.

After their wedding trip to Acapulco and Mexico City the newlyweds will be at home in Dallas.

Both are graduates of Texas Tech. His degree is in architecture and hers in German. He is an architect for a Dallas firm and she teaches in DeSoto High School.

Among wedding guests were Messrs. and Mmes. John Rohmer, Emil, Maurus and Tony Rohmer, Alois Haverkamp, Andy Schoech and Arthur Felderhoff, Johnny and Victor Rohmer, Renee Rohmer and Sisters Romana and Fidelis Rohmer.

Messrs. and Mmes. Walter Haverkamp of Whitesboro,

JUNE WELCH has been named cashier of Western National Bank of Denton, Ralph Burton, bank president, has announced. She succeeds Gene Glazier who is now vice president in charge of public relations. Mrs. Welch has been with Western National Bank for eight years. She was promoted to assistant cashier in June, 1969 and became assistant vice president in July, 1972. Her new duties will consist of supervision of the entire daily monetary operations of the bank and will include supervision of personnel and other executive functions. Born in Knox City, she began her banking career at City National Bank in Wichita Falls. She is an active member of the American Institute of Banking and secretary of the Denton Chapter. Mrs. Welch and her daughter Tanya reside in Denton.

4-H Club News

The hot sun greeted 13 Cooke County 4-Hers July 23-24 as they attended Bi-County Camp at the Presbyterian Camp on Lake Texoma. 10 4-Hers from Grayson County joined them for the fun and training.

To help the senior 4-Hers become better junior leaders, they learned how to plan and conduct a night party, games, group singing, ceremonies, and folk games. As a craft, a lesson on terrariums was given and each person made one as a sample. The 4-Hers also got first hand experience in cooking, serving food and cleaning up for 28 people.

Those attending the Bi-County Senior Camp from Cooke County were Chris and Billy Felderhoff, Sandy Reiter, Sharon Rohmer, all of Sacred Heart; Mike and Pat Davidson and Mary Lou Fleitman all from Muenster, John and Laura Gage from Callisburg; Doug Schmitz and Mary Ann Voth from Lindsay; Denise Martin from Valley View, and Tammy Hickman from Sivells Bend. Kathy Luke from Sacred Heart was also scheduled to attend, but was unable to due to illness.

Mr. and Mrs. Kenneth Cain of Garland visited Monday afternoon and overnight with her parents, the J. H. Wimmers.

Cheryl Otto and John Felderhoff Say Vows at Mass

Mr. and Mrs. John J. Felderhoff are at home in Muenster at 613 N. Walnut since returning from their wedding trip. She is the former Miss Cheryl Lynn Otto. The couple married July 20 in Sacred Heart Church.

Father Placidus Eckart celebrated the Nuptial Mass and directed the exchange of vows in a double ring ceremony at 6 p.m.

Parents of the couple are Mr. and Mrs. Vincent Reinart and Mr. and Mrs. Frank Felderhoff.

Given in marriage by her father, the bride wore a formal gown of white peau de soie and Chantilly lace. The empire bodice and long fitted sleeves were enhanced with lace appliques which also accented the high-rise neckline and created a design on the skirt and on the train. Her lace-edged sheer mantilla fell to cathedral length. Her flowers were white gardenias, pink sweetheart roses and stephanotis. Adding wedding sentiment she wore the wedding band her grandmother Mrs. C. J. Wimmer received at her marriage 66 years ago, and carried a rosary formerly belonging to her other grandmother, the late Mrs. A. A. Otto.

Bride's attendants were Mrs. Robert Bruns, a cousin, matron of honor and Misses Judy Klement, Mary Morisak of Gainesville, another cousin, and Marilyn Felderhoff, sister of the groom, bridesmaids. They wore flock dotted swiss in rainbow colors, the fitted waists accented by a bias inset midriff with topstitch trim. The gowns had scoop necklines, puffed sleeves and gathered skirts with a bias ruffle at the bottom. They carried fans with bouquets of carnations, cornflowers and sweetheart roses.

Melody Klement, bride's cousin, was flower girl, in a gown that was a miniature duplicate of the attendants' and carried a basket of the same flowers.

Scott Klement, another cousin of the bride was ring bearer.

Robert Bruns was best man and groomsmen were Doug Otto of Irving, bride's brother, Tom Henscheid of Dallas and Cliff Sicking. Ken Luke of Dallas, Gary Whitaker of Fort Worth, Alvin Hoenig and Ross Felderhoff, cousins of the couple, ushered. Mass servers were Mark Felderhoff, a brother, Gary Felderhoff of Gainesville and David Felderhoff, cousins, and Clarence Hess.

Miss Mary Lou Kralicke was organist and accompanied Mrs. David Walterscheid, vocalist.

Wedding reception and dinner in the VFW Hall were followed by a wedding dance. Misses Joie Trubenbach and Kris Stormer registered about 300 guests. For their honeymoon to San Antonio and San Marcos the bride traveled in a pink seersucker outfit with white accessories and a gardenia corsage from her wedding bouquet.

Both are graduates of Muenster Public School and she attended CCJC. She is a dental assistant in Dr. Gerald Graham's office. The groom is employed at J. A. Jones & Byrne Construction Company in Fort Worth.

Credit is easier to find than quicksand, although either one will swallow you up.

Local News BRIEFS

Mr. and Mrs. Andy Klement spent the weekend in Little Rock, Ark., with Dr. and Mrs. Harold Smitsen. He is doing his internship there. Mrs. Klement and Mrs. Smitsen are cousins.

Mr. and Mrs. Herbert Meurer had as guests two days last week their daughter-in-law Mrs. Robert Meurer and son of Lafayette, La. Other guests over the weekend were their daughter Mrs. Jeanette Wiesman and two children of Austin.

Mr. and Mrs. Steve Moster, Frank and Chris had a six-day vacation in Colorado and New Mexico returning to Muenster Saturday. In Colorado they visited the Royal Gorge, Sand Dune, National Monument, and attractions in Colorado Springs and Manitou Springs. In New Mexico they spent a day and a night in the town of Red River. Nights in the mountains were in the 30s and 40s and hail and snow fell in the areas they were.

Leaving Saturday after a three-day visit with Mr. and Mrs. Leonard Endres were her sister, Sister Jane Francis Brockman of Fort Smith, Ark., sisters-in-law Mrs. Arnold Brockman and Mrs. Ernest Brockman and daughter LaDonna, all of Nazareth. For all of them it was their first visit in Muenster and they were taken on sight-seeing tours in the city and vicinity.

Sister Irma Endres of Fort Worth is a visitor since Tuesday with her brother and wife, Mr. and Mrs. Leonard Endres. She will return to OLV convent this weekend before going to her teaching assignment in Houston.

Messrs. and Mmes. Felix Yosten and John Fleitman, joined by Mr. and Mrs. Henry Grewing of Lindsay were in Louisiana to attend the July 21 wedding of their niece Sheila Kinstley and Gene Rills, both of Addis. She is the daughter of Mr. and Mrs. Lavel Kinstley. The couple married in Brasley at Nuptial High Mass in St. John the Baptist Catholic Church. A reception followed at the Lions Den. Other relatives attending included the Ewald Berends of Hereford.

While Father Frowin Schoech of Subiaco, Ark., was here on a short visit with his parents, the Andy Schoechs, the rest of the family gathered for a Sunday reunion at the family home. Others there were Mr. and Mrs. Melvin Schoech and children of Kingsville, the Peter Walls, Carolyn and

Glenn Schoech, accompanied by Miss Barbara Cullum, all of Dallas, and the Richard Schoechs of Arlington.

Mrs. A. T. Dickerson drove to Devol, Okla., to join her sister and family on a trip to attend a reunion of the Marshall family. The seven traveled in a camper to Albuquerque. Relatives from Oklahoma, Texas and California gathered there for the weekend get-together. After the reunion Mrs. Dickerson and the Devol group made sight-seeing trips to Santa Fe and White Sands and toured Carlsbad Caverns.

Mr. and Mrs. Jim Voth, LeRoy, Darren and Shari and her mother Mrs. Alfons Walterscheid spent last week in College Station as guests of the Wilmer Walterscheids. Jim attended the annual firemens convention. Wilmer took the group through the Cyclotron where he works. They also viewed some of the firemens demonstrations attended by several thousand people.

Visitors Thursday to Sunday were Mr. and Mrs. M. F. day with Mr. and Mrs. M. F. in -law and grandsons Mrs. Lawrence Milner, John and Marc of Knoxville, Iowa. They came to Muenster after visiting parents and grandparents Lt. Col. (ret.) and Mrs. Lyle Klein-jan in Sherman. Also at the Milner home on Saturday to see the visitors were Mrs. Margaret Haynes Jr. and Marie, Kenneth and David of Saint Jo.

The Paul Lukes of Dallas were visitors with Muenster relatives and friends Friday.

Mr. and Mrs. Bill Richter and two daughters of Houston are on a two-week vacation visiting his mother Mrs. Johnnie French and other relatives here and at Gainesville.

Miss Teen Age of America will select her wardrobe from Jerrell of Texas and it will be made by Jr. Elite of Muenster. The show will be on television in September.

Mr. and Mrs. Gilbert Yosten and Gary, Glen and Tony of Hereford spent the weekend here arriving Friday and being the honorees at a dinner and family gathering that evening in the home of Mr. and Mrs. Albert Spiers at Gainesville. About 15 were present including Mrs. Nick Yosten, the Werner Clers, Meinrad and Herbie Yosten.

Mrs. Gene LaGessee of Austin and Miss Marjorie Endres of Fort Worth came to Muenster to be joined by their mother Mrs. R. R. Endres on a vacation trip. First stop was in Amarillo overnight, then Hereford to visit Emil Herr and family. From there to Albuquerque to visit their sister and daughter Mrs. Frank Hennigan and family. While there they had a birthday celebration for Mrs. Endres. It was the first time that she and her three daughters visited together at length in over 20 years.

Muenster visitors Monday and Tuesday were Mr. and Mrs. John Kelley, Jeff, Matt and Laura of Fort Worth, guests of parents and grandparents, the Henry Henscheids. They also visited the Rufus and Ted Henscheid families,

cheering Ted with a bedside visit at Muenster Hospital. The Gerald Metzlers of Lindsay joined her sister and family at the Henscheid home Monday.

Sandmann Reunion Attended by 128

The annual Sandmann family reunion for descendants of the late Mr. and Mrs. Henry Sandmann was held in Muenster City Park on July 22 with 128 present for a covered dish dinner.

Miss Frances Spaeth of Denison who is in charge of the family-tree book started in 1964 added new names. Old pictures were displayed and new ones taken.

Oldest family member present was Frank Sandmann Sr. of Lindsay and youngest attending was Melissa Hennigan, baby daughter of Mr. and Mrs. Pat Hennigan of Gainesville. The Hank Strategiers came from Norman, Okla., and others attended from Whitesboro, Lindsay, Gainesville, Valley View, Dallas and Muenster.

Davy Krahel Named Mr. CYO at State CSL Convention

Davy Krahel, member of Muenster Catholic Youth Organization won the coveted title of Mr. CYO for Texas in the annual contest which terminated at the state convention of the Catholic State League in Amarillo. He is the son of Mr. and Mrs. Eddie Krahel and a junior at Sacred Heart High.

Muenster young people were in the limelight again as the

local organization won the scrap book trophy and Susan Endres received a plaque for editing the Youth Bulletin.

As winners in the scrap book contest for the third consecutive year, Muenster became owner of the traveling trophy. And the local group was again elected to edit the Bulletin for another year.

Also earning laurels were essay contest winners Myron Hess and Carol Yosten who captured the state's high school third places and received five dollars cash. Other winners include Marcella Streng of Lindsay and Joe Biani of Garland, third places in junior high.

Theme of the League's 75th annual convention was "Assurance with God and Man."

In addition to meetings of the several sections and a general meeting there were social hours, awards banquet, a dance and a tour of Palo Duro Canyon with a barbecue meal there and most of those in the group attended the pageant "Texas" in the canyon.

Attending from Muenster were Davey Krahel, Cheryl Bayer, Doreen Pels, Messrs. and Mmes. Harold Knabe, Dennis Walterscheid, Arthur Endres, Joe Hoenig, Al Hess, Alfred Bayer, Martin Bayer, Wilfred Bindel and Guy, Ben and Brian Bindel.

Houston, Kerrville and Temple bid for the 1974 state convention and the host city will be announced at the national convention in San Antonio August 10-14.

Photo Brings in Over 800 Letters

When John Deering of Myra sent a friend in Oregon a picture of himself in an authentic Cherokee Indian chief's costume he had no idea what would follow.

His picture appeared in a recent issue of Woman's Circle magazine on the Man's Talk page and the response has amazed and overwhelmed the long-time Cooke County resident.

Letters and cards arrive daily, some days as many as fifty, and at last count this week Wednesday totaled over 850. They come from every state in the union including Hawaii and from Canada and England.

They are friendly, chatty letters, most of the writers seeking a pen pal, some asking for Indian feathered headpieces and others for a whole costume.

Deering's great-grandfather was a full-blooded Cherokee and a chief.

"Jesus Rally" at Nocona to be Held Thurs., Fri., Sat.

An area-wide "Jesus Rally" has been announced for August 2, 3, and 4 in Nocona. The rally is sponsored by the Net-menders Fellowship of Wichita Falls and a group of local Christians, and will be held in the Indian football stadium with services starting at 8 o'clock each evening.

Preaching in the rally will be "Poke" Byers, now from Guyman, Okla., but formerly of Nocona. Byers was a dope addict and pusher when he lived here, sponsors of the rally said, but was converted to Christianity and now is a 20 year old evangelist preaching for Jesus.

Music will be furnished by Byers' band from Guyman, and The Peniel from Wichita Falls. Possibly other bands will play and sing.

Purpose of the meetings is to bring all denominations together to share in outdoor evangelism. The public is invited and there is no admission charge.

It pays to advertise with the Muenster Enterprise.

Annual Rodeo at Saint Jo to Show August 2 thru 4

There's a lot of hustle and bustle in Saint Jo this week as the Saint Jo Riding Club gets ready for its annual rodeo.

The event begins with a grand rodeo parade through downtown Saint Jo at 5 p.m. Thursday and presents its rodeo performance Thursday, Friday and Saturday nights at 8 in the club's arena south-east of town.

Adrian Parker, a Saint Jo native widely known for his high spirited rodeo livestock, will again be in charge of the big show. Contestants, both boys and girls, are from a wide area of North Texas and Oklahoma. Their entry fees of \$15 for each event qualifies them to compete for prize money.

The rodeo's program offers the usual events: saddle bronc riding, bareback bronc riding, bull riding, steer wrestling, calf roping and barrel racing.

Riding clubs from a wide area are expected to compete for honors at the parade and participate in a grand entry at each night's performance.

The Men In Service

Separated From Service

Lt. Clarence Bayer is a civilian again, separated from the Army at Laurel, Maryland, where he was stationed. He and his wife are presently on a trip through several states and Canada. They will live in Dallas where he will be employed.

Settled At Webb AFB

Since returning from their wedding trip Airman and Mrs. J. D. Rumley are settled in Big Spring where he is assigned at Webb Air Force Base and she works in a beauty shop. She is the former Gayle Sickling.

California Assignment

Airman and Mrs. Ray Rumley and daughters Rhonda and Renee will be leaving this weekend for Victorville, Calif., where he will be stationed at George AFB. Mrs. Rumley and the children have spent a month with her husband's mother Mrs. J. C. Miller and Mr. Miller at Gainesville while Airman Rumley was getting settled following his transfer from Wichita, Kansas. They also have visited his sister and family, the Richard Herts here. Airman Rumley will come from California this weekend for his family.

Goes To Thailand

Airman and Mrs. Rex Simmons and son Russell have moved to Muenster from Clovis, N. M., and are occupying the former home of the late Mrs. Mary Voth, corner Main and Sixth. Airman Simmons is on overseas leave and will go to Thailand the latter part of this month. His wife and son will remain here. She is the former Donna Stoffels, daughter of Mr. and Mrs. Herman Stoffels.

A philosopher is a man giving other people advice about troubles he hasn't had.

Garden Center Bulletin

Armyworms and grasshoppers are reported in several counties, so watch your lawns and shrubs closely.

Black and yellow aphids continue to do damage to pecan trees, watch for the sticky honeydew.

Mimosa webworms are also active in mimosa trees webbing the foliage together.

Poor control can be expected on bagworms at this late date, but any kill will reduce the numbers next year. Crickets are showing up again too.

This last rain may bring on the pecan weevil. Check your pecan nut for a very small puncture like a pin hole.

4000 Mile Trip Is Klements' Vacation

Mr. and Mrs. J. A. Klement and daughter Joan — Mrs. Richard Schleicher — and children Cliff and Susan of Fort Worth have returned from a 4000 mile vacation trip that took them to 15 states, Canada and the District of Columbia. In Laurel, Maryland, they visited the Jerry Klement family and enjoyed also a side trip to Washington, D.C., for sight-seeing including a tour of the White House. There Richard Schleicher joined them flying from Knoxville, Tenn., where

he had been on business.

From Maryland the group drove to Niagara Falls and thrilled to a boat ride under the falls. Continuing their travels they journeyed through Canada to Detroit, Mich. They entered the U. S. at Winsor and visited David Klement and Bob Dews in Detroit. David took his parents and sister and family sight-seeing including the Ford Plant at Dearborn and the Ford Museum.

On their way home they stopped in Columbus, Ohio, for a visit with Schleicher's grandmother Mrs. Robert Martin and an uncle and aunt Mr. and Mrs. Charles Zollinger.

Sister Jeanette Bayer of Jonesboro, Ark., is on a vacation visit with her parents the George Bayers. She will teach in Pocahontas again when the fall term opens.

Saint Jo Wedding Ceremony Unites Judy Pitman and Roger Dale Brown

Miss Judy Kaye Pitman and Roger Dale Brown were married in a double ring ceremony in the First Baptist Church at Saint Jo on July 14 and are making their home at 1712 Floral Drive in Gainesville. The Rev. Paul Burleson of Borger, former pastor, officiated.

Parents of the couple are Mr. and Mrs. Tom Pitman of Muenster and Mr. and Mrs. Glenn Brown of Gainesville.

Carol Anglin of Saint Jo was vocalist accompanied on the organ by Geraldine Baker. They presented "I Love You Truly," "The Lord's Prayer," and "Whither Thou Goest."

Given in marriage by her father, the bride wore a formal gown of white satin crepe with an A-line skirt. The bodice had an overlay of Chantilly lace with an inset of silk organza and a high neckline with lace applique. Beaded lace appliques trimmed the bishop sleeves held at the wrist with fitted cuffs. Her silk organza veil fell from a cluster of pleats on a beaded lace headpiece into a full chapel-length. She carried an orchid and white gladioli on a white Bible. For sentiment she wore a blue diamond necklace belonging to her grandmother Tuggle who wore it on her wedding day over 50 years ago. For good luck the bride's father placed a penny in her shoe.

Jean DeBorde was maid of honor and Joy Pittman and Mrs. Jimmy Don Robison, sisters of the bride, were bridesmaids. They wore formal gowns of pink and white checked polyester double knit with deep pink bodice, collar and sleeves accented with white lace. The maid of honor wore a pink picture hat trimmed with deep pink band and streamers. The bridesmaids wore white picture hats with pink band and streamers. They carried bouquets of white

gladioli and pink carnations.

Lisa Robison was her aunt's flower girl in a dress similar to the bride's attendants. She carried a pink carnation arrangement and rose petals in a white basket. Brian Scott Peterson of Dallas was ring bearer.

Mike Brown of San Antonio was his brother's best man. Buddy Pitman, McKinney, brother of the bride, was groomsman and Kenny Conyers and Bobby Krebs, both of Gainesville were ushers.

Dana and Scott Stephens of Lewisville, cousins of the bride, were candlelighters.

Wedding reception was held in Fellowship Hall of the church where Christi McMahon of Saint Jo, cousin of the bride, registered guests. Dorothy Fleitman of Myra and Lora Jean Krebs of Gainesville poured punch and served the wedding cake. Presiding at the groom's table were Betty Brown and Faye Peterson. The bride's cake was topped with a Cana cross and wedding rings. The groom's cake was a double wedding ring creation. Assisting with the house-party were Mmes. Choice Stephens, Clifford Southard, Richard Whittington, Thelma Gaston and Ruth Ann Mitchell.

For their wedding trip to points in Texas and Mexico the bride wore a pink polyester crepe dress with white accessories.

The bride is a graduate of Era High, earned a secretarial certificate from East Texas State University, and is employed at the County Extension Office. The groom is a Gainesville High graduate, served a tour of duty in the U. S. Marine Corps and is employed by Johnson Motor Co.

Wedding guests included the bride's grandmother Mrs. Sam Tuggle of Muenster and from a distance Messrs. and Mmes. Clifford Southard of Arlington, Choice Stephens of Lewis-

ville, Sam Parsons of Wichita Falls, Albert Hamilton of Cad-do, Okla., and Dean Kyle of Houston and Cherry and Melody Burleson of Borger.

Shortage of Baling Wire May Cause Crisis in Feeding

Texas Farm Bureau President J. T. (Red) Woodson said that a shortage of baling wire for hay could lead to a live-stock feeding crisis this winter.

The farm leader said there are also shortages of fencing wire and cotton bale ties.

Woodson said Farm Bureau is encouraging steel mills to give high priorities to production and distribution of steel products necessary in the production of food and fiber.

He said steel industry officials give the following reasons for shortages of baling wire, fencing wire and cotton bale ties:

(1) Imports of steel and steel products have been drastically reduced because the U. S. has asked foreign countries to limit their exports to the U. S. This was done in order to reduce the balance of payments deficits. Also, these nations agreed to such agreements because they are not as anxious to acquire U. S. dollars which are rapidly dropping in value abroad.

(2) Domestic mills cannot take up the slack because they simply do not have the capacity. Some blast furnaces have been shut down by regulations of the Environmental Protective Agency.

(3) There is a world-wide shortage of steel. Available supplies are being used in construction of high-priority items such as automobiles.

Mr. and Mrs. Lawrence Vogel, their son Gene and their daughter Sister Gemma had a weekend vacation in Houston as guests of their brother and uncle, Alphonse Vogel and family. Together they enjoyed sight-seeing including the Lyndon Johnson Space Center. Sister Gemma, who has been in college at Weatherford, Okla., will return to Little Rock on Aug. 9 to teach again this year. Meanwhile she's on a vacation visit with her parents and other Muenster relatives.

The house agent decided that he had better be quite frank with his latest clients. "Of course," he began, "this house has one or two drawbacks which I feel I must mention. It is bounded on the north by the gasworks, on the south by a paper mill, on the east by a vinegar factory and in the west there is a glue-boiling establishment."

"Good heavens!" gasped the husband. "What a neighbor-

hood!"

"Quite so," replied the agent. "But there are advantages. The rent is cheap, and you can always tell which way the wind is blowing."

a terrible dancer; she plays bridge best when she's the dummy; in fact she's a terrible mess, but she's my girl and I love her!"

"My girl isn't exactly a pauper, either."

Betty Laux Weds Gordon Gunnoe in California Rite

Mr. and Mrs. Gordon Gunnoe are at home in Sylmar, California, following their recent marriage. She is the former Miss Betty Kay Laux, daughter of Mrs. Pete Bardsley of Sylmar and the late Raymond Laux of Lindsay.

The groom is the son of Mr. and Mrs. Bob Kinash until recently at Sheppard AFB, Wichita Falls, and now stationed in Alaska.

St. Deduct Catholic Church in Sylmar was the scene of the June 16 wedding solemnized at 2 p.m. with Father Jerry Bellamy officiating at the double ring ceremony.

The bride was given in marriage by her step-father. She wore a formal gown of white satin and Chantilly lace with an aisle-wide cathedral-length train attached at the back of the fitted V-shaped bodice. A lace petal headpiece held her shoulder-length veil and she carried her flowers, white

roses, atop her mother's prayer book, showered with white satin bells and love-knotted satin streamers. Her only jewelry was a heart-shaped locket and chain, 80 years old, worn by her Grandmother Laux on her First Communion day.

Maid of honor was Miss Dolores Laux, a sister of the bride, who wore a pale blue lace princess gown with headpiece to match and carried blue carnations. A sister-in-law Mrs. David Laux and a step-sister Miss Anita Bardsley, both in pink, were bridesmaids. Chris Bardsley, a cousin, of La Puente, Calif., was ring bearer.

David Laux was best man and Tommy Joe Laux and Paul Kinash, Wichita Falls, brothers of the couple were groomsmen. David Owen, bride's uncle and Jerry Laux, a brother, were ushers. Mass servers were Vincent and Jamie Bardsley of La Puente.

Organ and vocal selections were followed by "Mother at Your Feet" after the service when the couple went to the Blessed Virgin's shrine for presentation of the traditional floral tribute.

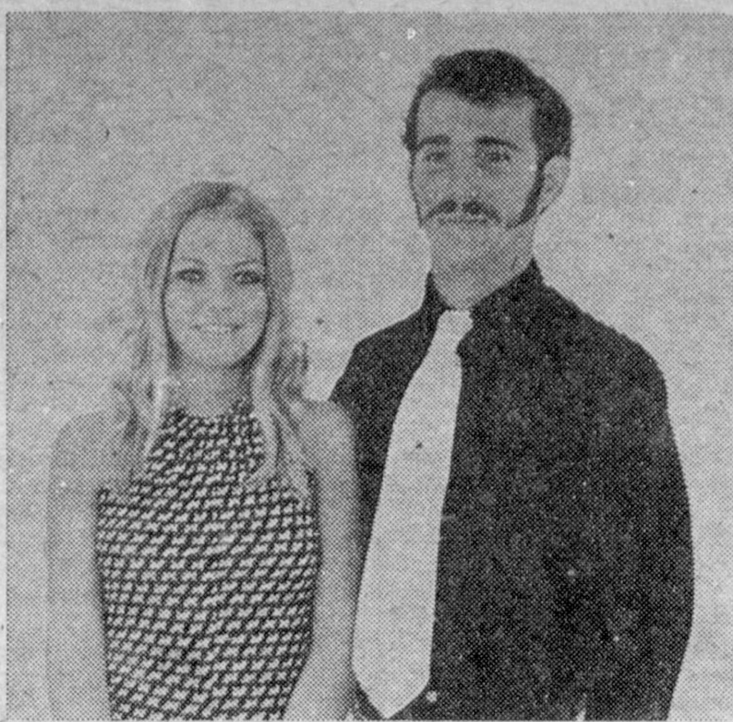

Wedding reception was held in the home of Miss Mary Frances Bardley at Glendale. Mrs. Jerry Laux registered guests. Miss Cindy Cleghorne, a cousin, presided at the wedding cake and Mrs. Maxine Cleghorne, an aunt, poured punch.

The newlyweds are both employed in Sylmar. He has just been separated from the Navy after serving in Vietnam.

Mr. and Mrs. Bardley were hosts for the rehearsal dinner at Al Alcolpolca Hotel as proxies for the groom's parents who were enroute to Sylmar from Wichita Falls. They arrived that night.

As long as the possibility exists that the government — ANY government — can arbitrarily order the surrender of all registered firearms, gun owners will oppose registration and owner licensing. Common sense demands it!

It's a very simple idea. Busing is when 20 million school kids and 60 million taxpayers get taken for a ride.

Rita Graham and Wallace Hacker Plan August Vows

Announcement has been made of the approaching marriage of Miss Rita Faye Graham and Wallace Martin Hacker who are planning their wedding for August 4. It will be solemnized in St. Mary's Church, Gainesville, at 5:30 p.m.

The future bride is the daughter of Clarence Graham and the late Mrs. Graham of Gainesville. Parents of the prospective groom are Mrs. Lucy Hacker of Lindsay and Martin Hacker of Valley View.

Miss Graham has graduated from Cooke County Junior College and is a secretary at the college. Mr. Hacker is a Valley View High graduate and is employed by Carl Kemplin on his dairy farm.

Bagworm Control Time Has Arrived

Now is the time to control bagworms in Cooke County, according to the County Agricultural Agent, Neil Tibbets.

Bagworms, which normally infest cedar trees and shrubs, will attack also almost any type of foliage that grows. Trees that were infested last year and still contain the old bags will normally be infested this year. Examine these very closely for bags, which are about 1/4 to 1/2 inch long.

Bagworms may be controlled by spraying with one of the

following: Malathion, toxaphene, lead arsenate and Sevin.

Bagworm larvae are easy to control on plants that are thoroughly covered with insecticide since the larvae will not only crawl across the insecticide, but also will eat some of the foliage that has the insecticide on it.

For people who do not want to use insecticides, hand-picking and destroying the larvae by mechanically mashing or putting them in a garbage can in an enclosed container is an effective control.

Use caution in handling all insecticides.

The truth about who really pays for federal spending was revealed by the National Association of Manufacturers: "Fifty-one percent of the revenue derived from individual income tax returns in 1970

came from only 13 percent of the taxpayers — those earning \$15,000 and over."

Courage is a virtue only in proportion as it is directed by prudence.

Open House Sunday Will Observe J. A. Moore's Golden Anniversary

Mr. and Mrs. J. A. Moore will be honored with a golden wedding anniversary celebration on Sunday, August 5, from 2 to 4 p.m. in the Community Center at Forestburg. All friends and relatives of the goldenweds are invited to call during these hours.

Molly Dunn of the Peabody community and Johnny Moore

a native of Forestburg, were married August 7, 1923, in the Denver community by J. Y. Bullard.

Moore is a semi-retired farmer and rancher. The couple have lived in the Dye Mound-Forestburg area all their married life and have been participants in all community projects and activities.

Food Stamp Plan Will Be Told at Grocers' Meeting

Grocers and other food retailers in Cooke County will have an opportunity to discuss the U.S. Department of Agriculture's Food Stamp Program at a meeting scheduled for August 13, 1973.

The meeting will be held at the Court Room, County Courthouse, Gainesville, Texas, from 7:30 to 9:30 p.m.

This meeting has been scheduled to give every food retailer a chance to learn about the Food Stamp Program, explained Ralph M. Minton, officer in charge of USDA's Food and Nutrition Service field office, Dallas, Texas.

The Food Stamp Program will be operated jointly by the State Department of Public Welfare and USDA's Food and Nutrition Service.

Under this program, fam-

ilies certified as eligible by the State Department of Public Welfare can use USDA food stamps like cash to buy food. They must buy coupons about equal to the money they normally spend for food. Then they receive additional coupons without cost. The value of "bonus" coupons is determined by the size of the family, its income, resources and other factors.

Mr. and Mrs. Alois Haverkamp spent Saturday and overnight with their daughter and family, the David Forgeys at Dallas and joined them in attending the Spaeth-Lacy wedding Saturday. Mr. and Mrs. Andy Schoech who also attended the wedding spent overnight with their daughter and son-in-law, the Peter Walls in Dallas.

Forestburg News

By Myrt Denham

FORESTBURG — Friday evening, July 20, there was a picnic at Cleo's picnic grounds. Those of us who took time out to attend really had a most enjoyable evening. There was plenty of good food and several freezers of good homemade ice cream. So the next time you get invited to one of Cleo's "get-togethers" — don't miss it. Oh, I know, we are all so busy — but your work will be right there waiting for you when you return.

I suppose just about everyone was there or knows about the late Burrett Harry Auction sale on Saturday, July 21. It is amazing how much equipment and stuff a person can collect around his place — especially in as long a time as Burrett was at it. I know a lot of memories for Mrs. Harry were sold that day. However, we would guess she likes the looks of her yard and grounds better.

I don't mean any disrespect to Burrett or any other "collector" but I know a lot of other women that would like to have an auction sale around their place. Dude Berry is still doing his best to convince his wife, Bula Mae, that his collection is just like money in the bank.

Veda Brogdon called me late Sunday, July 22, to say she and Barney had just returned from spending the weekend in Cleburne with their daughter and family — the John D. Sledges. They all attended the United Methodist Church Sunday, July 23. They also visited the Acton State Park near Cleburne. This park is the smallest State Park in Texas and is actually a cemetery. It was made a State Park due to the fact that Davey Crockett's widow and two sons are buried there. Veda says the Park is not kept up too well but it was pretty. There is a statue of a pioneer woman at the entrance. We think this most interesting to know for it is another spot of interest for us Texans to visit and see more interesting spots of our great state.

The A. G. Barclays, Dewey, and their son Billy and wife Sheri of Saint Jo attended the reunion of the Kuykendall clan Sunday July 22. The reunion was held over in Bowie in that little park up there close to Gibbons.

Myrtle McMillion, Dewey, accompanied Mrs. Della Sigman and Miss Rachel Reynolds of Bowie on a trip to New Mexico — leaving July 20 and returning Tuesday, July 24. Their first stop was in Clovis. They then went on to visit with Mrs. Ora Johnson who resides close to Gran Quivira. Myrtle says Gran Quivira used to be an Indian village and is now a National Monument. On Saturday the 21st they attended a camp meeting, held by the Assembly of God Church, at Mountainair, New Mexico. We are so happy to see Myrtle get out and go places. She spent many years in devoted care of her mother the late Belle McMillion.

Really believe that Cleo Lanier loves picnics better than most people. On Monday, July 23, Cleo, Olita Lanier and her three boys and Johnny and Janice Lanier helped Jeanette Montgomery, of Greenwood celebrate her birthday. They had a picnic at Harts Creek Park at Greenwood. Cleo says that is really a beautiful park and so well kept too.

Ruth Smith, Rosston Road, is staying on the road these hot summer days. From July 16-19 she attended a Christian Mission Study at Highland Methodist Church in Dallas. The study was on "Learning to Live a New Life." Ruth accompanied Rev. Laura Kapka, pastor of the Era, Rosston and Spring Creek United Methodist Churches, to these meetings. Ruth said they did not stay in Dallas over night but took turns driving back and forth.

On Sunday, July 22, Mr. and Mrs. Jim Christian and Ruth Smith, all of Rosston Road, visited the Jim Bryants at Malard. The Bryants said their daughter, Vista, had to move to Bowie due to her bad health. Vista had moved back from Las Vegas, Nevada, to live with her parents but now has to be in Bowie — close to a doctor.

From the Bryants the Christians and Ruth drove to New Harp to visit the Oscar Rays,

They were all taken with the beauty and neatness of the Ray place. Well, it is about the neatest, prettiest and best kept place in this whole area. Almost anytime you drive by you can see Oscar out working on it. Drive by yourself and see it — then see if you don't agree with us.

Wednesday evening, July 23, the folks of the Forestburg United Methodist Church gathered at Cleo's picnic ground for their monthly fellowship "doings." We enjoyed homemade ice cream and cake after which there was a short business meeting. One thing for sure the Methodist folks here sure do like to eat and they always have ample.

We haven't mentioned anything about the Watergate Mess. However, was amused about one of the individuals that took his bride on that \$14,000 honeymoon — with campaign money. Glen Lynch noted how honeymoons have gone up since he got married. He took his young bride on a hay baling trip and never missed a bale of hay. Also one of our neighbors married his young neighbor girl — took her by the hand, led her across the road and showed her the woodpile and the water well. My father-in-law, Joe Perryman, took his bride to a cotton patch as did many others in those days. Far cry from today's honeymoons.

Bill Boyd and his wife Myrtle and their three children are new neighbors to all Dewey area residents. They have moved into their home on what most of us remember as the Sill's place. Others may remember it as the old Dillard place. The Boyds are from Fort Worth and they have completely remodeled the Sills house and added to it — they even have a swimming pool. Sure nice for these hot summer days. My husband has met the Boyds and says they are "down-to-earth" and mighty fine folks. So we sincerely hope folks hereabouts will make them welcome.

Other new residents, Mr. and Mrs. Norman Gartrell, formerly of Glen Rose, have moved into their new house just off the Saint Jo Highway. They purchased the land from Blakie Scott and Mickey Landers. This plot of land was at one time part of the old Galmor place. The Gartrells are the parents of Mrs. J. W. (Bobbie) White. We also welcome them to Forestburg.

Little Shelley Perryman, daughter of the H. B. Perry-

mans, celebrated her fourth birthday July 26. Her big sister, Renee, baked Shelley's birthday cake and her mother made a freezer of ice cream. Others present to help her celebrate were the Levi Perrymans, the W. T. Reynolds, and the A. G. Barclays.

You probably have not noticed it, but one of our hogmen and a retired mail carrier, Roe Sledge, is on a diet. You probably have noticed that he is getting pretty heavy on his feet. He is about the right weight to top the market. Let's see who wins out on his weight problem, Dr. Antonetti, Roe's doctor — or Atrice, his cook. I am betting on Atrice. Guess just about everyone knows Roe or has just about "met him" sometime around his route when he was carrying the mail. Roe was a great one to visit along the route then make up time between visits. Well, good luck with your diet Roe — just spend more time with your hogs and less time at the table.

We hope Clyde Walterscheid made it back home safely to Muenster from our house Saturday July 23. It was sprinkling rain here when he left and we heard Muenster had a downpour. Well, our rains came later, then during the night and most of Sunday. The rain was really much needed here and certainly came in time for our local tomato, watermelon, and cantalope growers. Now my husband can get that 21 acres of blackeyed peas planted. See you next week folks.

Lens-View

The national situation of our cattle industry is a giant puzzle. The government says there is a 6% increase in numbers over last year. Grain and hay production is at record levels. Feed lots are at near capacity. Normally those conditions mean a lower market.

Instead of a lower market, steers at 300-lbs weights are selling at \$86.50, heifers the same weight at \$76. Choice fat cattle \$50. to \$54. Cows \$40. to \$45. Bulls \$45. to \$50. And cow and calf pairs up to \$430. Live cattle are being held off the market in anticipation of still higher prices. Livestock receipts are running 60% of normal causing a shortage of beef.

Freezers are not available — people bought them up to hoard beef at present high prices.

Now what will happen when the freeze is lifted? To get back

into full production and to satisfy current demands may let the selling level work higher until the pipe lines are full — and at 80c a pound for carcass beef — they may fill rather fast. Will the housewife or restaurant operator continue to pay those high prices when beef is plentiful?

We have heard that banks are not financing feed lot operations at today's prices. Buying feeders today in anticipation of making a profit four months from now when they are ready for market is a lot like Las Vegas — it's quite a gamble.

Watergate is about to end. Nothing keeps congress from taking its summer recess; The senators are afraid of over-exposure on TV; and they are about out of important people to investigate. Doubt that all those men were telling the truth. You can tell which are trying to save Nixon's skin and who are attempting to salvage their own hide.

Bob Hope won't be going overseas this Christmas as there are so many Watergate wounded who'll need entertaining.

Sorry to see Liz and Burton break up — always thought they deserved each other. Maybe they should have medals — they did make it for nine years.

Some of our congressmen are miffed at not having their salary increased by 10%. If suddenly it was reduced 50% wonder how many if any would resign. One said "after observing a lot of this stuff for years I have developed an itch to get in on some of it."

Letters to the Editor

Dear Editor,

I am writing in regard to the bill NOT passed recently but several months ago. If I remember right the bill stated that if an unattended vehicle remains in front of a house, alley or on the roadside after the owner has been notified to get rid of it then the city has the right to haul it off. Well, there are many unattended vehicles in Muenster and nothing has been done about them. If bills and laws are going to be passed we might as well enforce them!

Mr. and Mrs. W. W. Otto Celebrate 50th Anniversary

Mr. and Mrs. William W. (Bill) Otto who were married in Muenster in Sacred Heart Church have celebrated their golden wedding anniversary.

The couple's children honored them at a reception and dinner in the Lindsay School Cafeteria Saturday evening, July 28.

The former Miss Annie Reiter and Bill Otto were married July 23, 1923, and farmed in Muenster until five years ago when they retired and moved to Gainesville to make their home.

Wedding attendants 50 years ago were her brother Toney

Reiter and his niece Gertie Otto, now Mrs. Joe Fette.

Children of the goldenweds are Clifford Otto, Mrs. Arthur (Helen) Arendt, Mrs. Wallace (Virginia) Dougherty, all of Gainesville, Herbert Otto of Arlington, Kenneth Otto of Tulsa, Okla., and Mrs. Jim (Pat) Schumacher of Carrollton. There are 16 grandchildren and one great-grandchild.

Presiding at the guest book and serving the anniversary cake were granddaughters Pam and Rhonda Otto of Arlington and Linda Otto and Robbie Arendt of Gainesville.

Mrs. Otto wore a blue and

gold formal gown and had an orchid corsage for the celebration.

The couple had their anniversary Mass in St. Mary's Church on the anniversary date.

19 Scouts Have Fun and Progress At Summer Camp

Muenster Boy Scouts returning from their annual summer camp were enthusiastic about a program that was rich in both progress and recreation. They completed lots of merit badge and advancement work besides enjoying swimming, boating, archery, rifle shooting etc.

And, they got additional satisfaction out of doing all of their cooking for the full week. They were at the Sid Richardson Camp at Lake Bridgeport, which has no dining hall but requires the Scouts to cook for themselves. Food and a menu are issued by a commissary and the four patrols take turns at cooking for the troop. Before the week ended the boys learned to enjoy their useful experience. They cooked outside on a grill-dutch oven arrangement using wood for fuel.

The camp was specially eventful for two of the Bright brothers. Tom scored 46 out of 50 on the rifle range for the week's camp championship — among some 150 Scouts. And Joe completed his requirements for Eagle Scout He has applied for the award but the court of honor date is not set.

Nineteen of Muenster's 32 scouts attended the camp. They are Joe, Sam and Tom Bright,

Jack Endres, Bernie Fette, Bert Hesse, Jim Luke, Ray and Damian Luke, Gene Luttmer, Billy and Larry Phillips, Lloyd and Paul Ruter, Joey Sicking, Robert and Ronald Weinzapfel and Greg Wilde.

Since the boys still have no scoutmaster, four adults took turns at being acting scoutmaster. They are Charles Bartush, Dan Luke, Wilfred Reiter and David Bright.

BIRTHS

Mr. and Mrs. Regi Bayer announce a daughter, six pounds 11 ounces on arrival at Muenster Hospital Wednesday, July 25. She's a sister for Connie, Ronnie, Kimberly and Chad; a granddaughter for the Frank Bayers and the Johnny Strengs.

them down as much as possible, especially the extra loud ones.

A thought that strikes us here concerns the modern dance orchestra with noise levels of 108 to 114. It's hard to imagine how young people can claim to have fun in this bedlam and why they choose to endure the noise... especially when it's obvious that they are taking a chance on ear injury.
