ROBERT BAUMGARDNER

Robert Welcome Baumgardner

A Celebration of Life Service for Robert Welcome Baumgardner, Sr., 84, of Pagosa Springs, Colorado, was held at 10:00 a.m. Saturday, Sept. 15, 2007, at the Restoration Fellowship Church in Pagosa Springs. Pastor Al DeBoer, Pastor Randall C. Haynes, and Rev. Kenneth Carter officiated. Honorary pastors were Dr. James W. Smith of Amarillo, and Rev. James E. Tidwell of Lampasas.

Baumgardner died September 11, 2007, in Pagosa Springs. He was born on the Baumgardner family farm two miles south of Wellington, Texas, Collingsworth County, on January 27, 1923 to Joe B. and Eva Baumgardner.

He married Charlene Bucy on April 3, 1947, in Tahoka, Texas. He graduated from Texas Tech with a Bachelor of Science in Agriculture with a Major in Animal Husbandry in 1948. He farmed for 25 years in Brownfield, then entered the insurance and investment business.

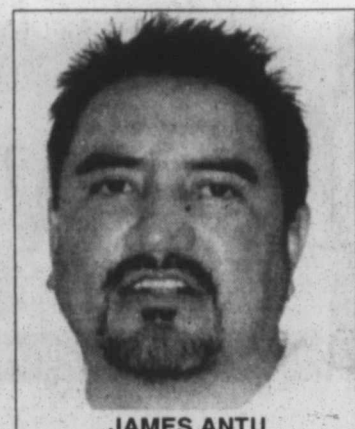

He was actively involved in the Brownfield First United Methodist Church, the CBC/Restoration Fellowship Church in Pagosa Springs along with many civic organizations. In Brownfield, he served 38 consecutive years on the FUMC Board in many capacities as well as two terms as Chairman of the Board during the tenure.

Survivors include his wife, Charlene, of Pagosa Springs, CO; two sons, Robert, Jr. and wife, Joan Yaffe, of Austin and Karl and wife, Paulette, of Amarillo; two daughters, Barbara Lindley of Pagosa Springs and Sherrie Haynes and husband, Randall, of Ignacio, CO; three brothers: Col. Haynes M. of San Antonio, Dr. Marion F. of West Lafayette, Indiana, and David M. of Wellington; two sisters, Barbara Gordon of Roanoke, and Priscilla Jacobson of Lubbock; and nine grandchildren.

He was preceded in death by his parents, two brothers, John Henry Baumgardner and Forrest G. Baumgardner, and a grandson, Benjamin Robert Haynes.

The family suggests memorials in lieu of flowers to the Ignacio Community Church, memo: The

Robert and Charlene Baumgardner Endowment Fund, P.O. Box 1109, Ignacio, Colorado 81137.

MADELYNN THOMAS

Madelynn Gene-Marie Thomas

Madelynn Gene-Marie Thomas, God's beautiful angel, returned to Heaven Monday, September 17, 2007. She was here only 17 days, but in that time spread a huge message of love to all who knew her.

Madelynn showed us that our greatest power lies not in our minds or strength, but in our heart and ability to love. Our lives will forever be changed in the short time baby Maddie lived.

Madelynn is survived by her parents, Tanner Thomas and Carrie Green of Lubbock; one brother, Brice Green of Wolfthorpe; grandparents, Terry & Sue Flowers of Lubbock, and Joe and Jana Thomas of Tahoka; great-grandparents, Sally Workman of San Angelo, Glenna Monk of Tahoka, Curtis Monk of Wilson, and Quyet Levens of Lubbock; aunts, Rachelle and Kevin King of Amarillo and their children Kaleb and Ashley; Alyssa and Chris Cabaniss of Arlington, and their children Hunter and Cole; uncles, Michael and Jenny Flowers of Holly Springs, NC, Daniel Flowers of Lubbock, and Trey Thomas of Canyon.

Madelynn was preceded in death by her grandmother Nora Flowers, great-grandparents Emma and William Cook, Welton Flowers, Aleta Stewart Wood and Rebel L. Thomas, and Joe Glenn Levens.

Graveside services were held at 10 a.m. Wednesday, September 19, 2007 at Resthaven Memorial Park, Resthaven Funeral Home, with Rev. Marvin Gregory and Minister Shawn Miller officiating.

Following services the family received visitors at the home of Joe and Jana Thomas in Tahoka.

Memorials may be made to the Lubbock Covenant Children's Hospital Pediatric Intensive Care Unit Foundation in care of Covenant Foundation 3623 22nd Place, Lubbock, TX 79410. The love and care that Madelynn's team of doctors and nurses extended not just to Madelynn but to her family will forever be an impact on our lives.

Condolences may be shared online at <http://madelynn-gene-marie.blogspot.com>. (PAID)

Card of Thanks

We want to express our heartfelt appreciation and thanks to our wonderful friends and family for all the love, prayers, kind words and calls during Danny's illness. A big God Bless to everyone who helped with and participated in the Benefit Dinner and Raffle in O'Donnell and also to those that have donated to the medical fund at the bank.

We are so blessed to have all of you in our lives. We pray for God's Blessings upon each of you.

Thank you all,
Danny and Sue Randall

Letters to the Editor

Paw Prints Painted By Volunteers

On Saturday, September 1, a small contingent of volunteers gathered at the field house before 8:00 a.m. to paint Bulldog paw prints. After nearly eight hours, this small, but dedicated and enthusiastic group of volunteers had painted more than three hundred paw prints. Now if this was a fish story, maybe it was four hundred paw prints.

The Athletic Booster Club would like to extend a HUGE thank you to Rusty Cook who not only volunteered his time, but also donated his Mule and trailer, all of the paint, as well as a paint sprayer to accomplish this yearly demonstration of support for our Bulldog athletes.

The Athletic Booster Club would also like to thank the dedicated and enthusiastic volunteers who spent a very warm Saturday painting Bulldog paw prints. They are: Bianca Baker, Jim and Christy Bingham, Ricky and Maritza Hall, Paul and Cara Henderson, Kevin Larpenier, Chad Lowdermilk, Shon [extra thank you to Shon for the use of his leaf blower, as well as his company truck and trailer for the entire day] and Kim Overton, Jerry Reno, Cathy Ross, Casandra Tillman, Laurie Truelove, Mark and Tina Wuensche, Chance Cook, Trace Cook, Laura Henderson, Sheketa Parker and Dane Rivas.

The Athletic Booster Club would also like to thank everyone in our community who purchased paw prints. It is clear Bulldog fans are number 1!

Tahoka VFD Thanks Community

The Tahoka Volunteer Fire Department would like to express our thanks to all of those who assisted us at the fire on Sept. 14, at the Bishop home. Your response was amazing, but not surprising considering the community in which we are proud to serve.

Thanks to: Lynn County Hospital, O'Donnell Fire Department, Lynn County EMS, Wilson Volunteer Fire Department, NursCare, off duty Lubbock Firefighters, our former "Retired" Firemen, Lynn County Sheriff's Office, City Employees, Poka Lambro, Xcel Energy, Lyntegar

Electric, DPS, Tahoka ISD, and to you guys who pulled, held and rolled up fire hose; the Angels with cold towels, all who provided food, drinks, and prayers for our safety. Our words can not express how we feel.

Philippians 4:18 says it for us: "Indeed I have all and abound. I am full having received the things sent from you, a sweet smelling aroma, an acceptable sacrifice, well pleasing to God."

God Bless You

Tahoka Volunteer Fire Dept. Math Bartley-Fire Chief, Steve Sanders, Heath Brewer, Jeff Martin, Tony Botkin, Tommy Botkin, Vernon Baker, Shon Overton, Davy Stone, Matt Taylor, Kevin Larpenier, Bill Schoemann, Trent Scott, Clay Taylor, Scott Dimak, Ralph Huffaker, Brad Hammonds, Chad Ford, Shi Dotson, Bryan Reynolds

Proud and Sad

As we just recently remembered all of those that died in the 9/11 tragedy, and all of the emergency personnel that gave their lives, we can be proud of our own volunteers. We witnessed the work of all our volunteer firemen and other persons that helped with the Bishop fire. This was a very dangerous fire because of the way the house had been added onto over the years. I am especially thankful to those several EMS personnel that came to check on Rachel. The smoke was really bad at our house, and they were very concerned. I am so proud of them, and their efforts. Please be careful guys, don't get anyone hurt. I shouldn't forget all the others that helped, the EMS personnel, treating our firemen, for smoke inhalation, as well as all of those who brought cold drinks and food as well as the Fire Dept. from O'Donnell and Wilson. Well done all around!

I am also sad that less than 50% of our citizens contribute the three dollars for our city fire fund. I can't understand why more people don't help in this small way. I guess they can't afford to help the firemen, and buy lottery tickets at the same time.

The Fireman's Fish Fry is coming up soon on Oct. 5. It isn't just the price of a plate of fish, you could leave a little extra when you pay your food.

Thanks for letting me get this off my chest.

Sincerely,
Wayne Huffaker

Firefighters Efforts Unparalleled

If an award could be given, the Tahoka Volunteer Fire Department would rank first in the nation. Their dedicated efforts demonstrated last Friday in fighting the Bishop home fire were unparalleled. We, as North 1st Street home owners, realize that only through their expertise were we spared damage to our own homes.

They continued to perform even when fatigued and overheated. They gave us their all. We appreciate the former firefighters, too and those professionals who were not in the department but became part of the team that day. We also thank the Wilson and O'Donnell fire departments for their response to our call. Without them, we could not have been nearly as effective.

The EMS provided valuable service to our firemen by monitoring their welfare. Lyntegar, Xcel and the city employees also provided necessary equipment to assist our fire department, NursCare Home Health and Hospice cooked hamburgers and hot dogs for all who were working and we give them our gratitude. We appreciate our churches and other individuals who provided food, drinks and general help.

A recent article in the Lynn County News stated that only 500 out of 1100 households in Tahoka, gave the voluntary Fire Department donation that is part of the water bill. We challenge every family to reconsider this decision and make this donation for the new fire equipment.

Once again, we are thankful to live in a small, caring community that unites in times of need.

Sincerely,

The Smith's, Belew's, Nance's, Askew's, W. Huffaker's, McAfee's, and L. Huffaker

Football Fans United in Generosity Here

Tahoka and O'Donnell football fans expressed concern for the Billy Bishop family who lost their home in a fire earlier that day, when Tahoka ISD officials asked for donations for the local family by passing donation buckets on both the home and visitors' stands at Friday night's football game. More than \$1300 was contributed by the fans from both towns.

"We were just amazed at the generosity of both the Tahoka and O'Donnell fans," said Troy Hinds, Tahoka High School Principal, on Monday. "I know that Tahoka and O'Donnell have always had a rivalry going in sports, but we were so impressed that the O'Donnell fans joined with Tahoka in offering donations for this family who lost their home. We cannot thank them enough for putting aside the sports rivalry and joining with us for this cause," said Hinds. "It is just amazing what our communities do for each other in times of need."

Double-teamed ... Tahoka lineman Ty Cloe (60) is double-teamed by a pair of O'Donnell players, believed to be Caleb Schneider and Juan Sanchez (60).

Tahoka Elementary To Promote Fitness Fridays

Tahoka Elementary is promoting good health with "Fitness Fridays." Amy Baugh, Lynn Co. Extension Agent, will come monthly and teach about food and nutrition. On alternate Fridays, students will run and walk on the track.

"The public is invited to join us at the track on September 28, October 26, and November 16, weather permitting. Wear comfortable clothing and shoes, pick a time that is convenient for you, and come enjoy a few minutes with us," says Tina Wuensche, Tahoka Elementary P.E./Health Teacher.

For more information, contact Mrs. Wuensche at Cwuensche@tahoka.esc17.net (please mark it "Fitness Fridays" or leave a message at 561-435).

"Thank you for helping us promote good health in the community too," said Mrs. Wuensche.

Walkers who want to join a certain grade level on the Fitness Friday walks should come at the following time schedule:
8:20-8:50 - Kindergarten
9:25-10:05 - 5th Grade
10:35-11:05 - 4th Grade
12:35-1:05 - 2nd Grade
1:35-2:05 - 3rd Grade
2:25-3:05 - 1st Grade

Sr. Citizens Selling Raffle Tickets For Heat/AC System

The Lynn County Pioneers Senior Citizens Center are selling chances to win a new Carrier 13 Seer Puron complete heating/air conditioning system, including furnace coil, condenser, filter base, thermostat and complete installation provided by Carrier and Whitley Mechanical in Tahoka. Tickets are being offered for a \$50 donation, with the prize to be awarded after a minimum of 200 tickets are sold.

The tickets will be sold during the Harvest Festival, with the drawing to be held after the minimum number of tickets are sold (not necessarily the day of the Harvest Festival). All proceeds will benefit the local Senior Citizens Center.

Justin Whitley of Whitley Mechanical says that the system will be sized to accommodate the needs of the winner's home.

Tickets may be purchased at the Lynn County Pioneer Center at 1600 South 3rd or from representatives of the Senior Citizens Center.

Three on Wuensche?... Well, actually Tahoka running back Britt Wuensche has a blocker in front of him, so it's three O'Donnell Eagles against two Bulldogs here. The Eagles are Justin Ramirez (21), Tanner Hancock (11) and Justin Forbes (10). O'Donnell won the game 15-14.

Tahoka VFD Fire Chief Math Bartley confers with firefighting team

Fire Destroys Home... continued from pg. 1

Bishop and the Tahoka Volunteer Fire Department arrived within minutes, but when Bishop drew closer to the door he noticed the paint had already buckled from the heat within, and firefighters advised him not to open the door. Within minutes, billowing clouds of smoke painted the sky black above the blue metal roofline as firefighters quickly organized.

It was soon apparent that the fire was gathering strength within the home, with smoke and flames shooting from the roof. Tahoka firefighters scrambled to cover the house from all sides, both to fight the fire and to contain it from spreading to adjacent homes. Wilson and O'Donnell volunteer fire departments arrived on the scene to assist, and Xcel and Lyntegar bucket trucks assisted firefighters by getting a couple of the firemen with water hoses up high above the roofline. Local law enforcement and Texas Highway Department officials saw to the safety of the surrounding streets and Hwy. 380 that passes in front of the house.

Crowds of concerned friends, neighbors and co-workers were onsite throughout the day, organizing themselves into groups to offer assistance, including manning ice-chests to provide cold drinks for the firemen, most of whom were too busy to stop, so volunteers began actively searching for all firemen to place water within reach. As the day heated, both from the proximity of the fire and from the mid-80 temperatures, it was apparent that the firemen were suffering from heat exhaustion.

Lynn County EMS was on-scene throughout the day, watching the volunteer firefighters carefully for signs of stress, and providing oxygen onsite for many of the firemen. Volunteers at the scene knelt by ice chests, ripping towels in half and soaking them, with other volunteers carting a steady influx of ice to the scene, and other volunteers taking the cold-soaked towels to firemen surrounding the house.

Several former members of the Tahoka VFD arrived to assist firefighters with hoses and equipment, and some local off-duty Lubbock firefighters arrived to help as well. City, county, hospital and school employees and officials also were there to assist, as were co-workers of the Bishops from Lyntegar and Poka-Lambro. Food was organized to serve on-site, with sandwiches, chips, energy bars and candy bars offered to firefighters and volunteers. NursCare, who was scheduled that day to provide hamburgers at Lynn County Hospital District in appreciation for their employees, heard of the fire and brought hamburgers to the site, for firemen and other volunteers.

After school let out that afternoon, school children stood with a sign on Hwy. 380 near the Dollar store, asking for donations for the Bishop family, and collecting donations from motorists driving by. It was their way of showing their friends that they cared.

As the day progressed, the fire consumed the one-story

portion of the home, and firemen fought to protect the added-on second story portion, directing thousands of gallons of water on the roof where the two sections abutted, and successfully prevented the flames from spreading throughout the second-story side of the home.

The Fire Marshal who conducted an investigation into the cause of the fire determined that the fire was accidental, apparently from an electrical short that started in the attic.

The north and east one-story portions of the home were completely gutted, and significant smoke/heat and water damage was apparent in the two-story side of the home, including a large basement. It is possible that a few family mementoes may be salvageable from that portion of the house, but the house in its entirety is, of course, unlivable.

The Bishops do carry homeowners insurance, but that did not prevent local citizens from pressing money into their hands at the scene, opening an account at First National Bank of Tahoka for donations for the family, and passing a collection bucket at the home football game that night. Clothing and new toiletry items were provided to the family by that evening, and on Saturday the Bishop family was moving into a nearby house that was recently vacated by friends of the family who had purchased another home, and bedding, furniture and kitchen goods were quickly provided by caring friends and co-workers.

This week the Bishops are striving for a normal routine, with the girls back in school, and Billy and Jana back at work.

Friends of the family say that the Bishops are overwhelmed with the generosity of the community, and the dedication of the firefighters and other volunteers who so quickly offered assistance.

"We feel truly blessed by the generosity of so many people, and we just don't have the words to express our thankfulness. We have nothing but praise for the volunteer firefighters and EMS, and all of the people who came to help. We do appreciate the donations that have been made to our family, but we are going to be okay. We want those who still want to do something to please consider giving a donation to any of the fire departments in the county or to the Lynn County EMS - we never thought we would need their services, but we did. There will come a time in the future when somebody else will need them, so please give to keep our fire department and EMS ready to respond to the next person," said Bishop. "We are very grateful for the donations we have received, but this is where it needs to go - to benefit all of the community," he stressed.

Several "Letters to the Editor" in this edition of *The News* express appreciation to the firemen, as well as a letter from the Tahoka VFD expressing their thanks for all the assistance they received.

Rev. Vernon Baker, pastor at First United Methodist Church of Tahoka and a recently inducted member of the Tahoka Volunteer

Bill Schoemann assists another Tahoka firefighter with his equipment, as Lyntegar's Justin Harvey helps

Fire Department, said, "This community is amazing. I have fought lots of fires in other places, but I have never had people come up to me offering cold towels for my neck, pressing sandwiches into my hands, and standing by all day to help. I had so many people offering me bottles of water that I eventually said, 'stop - I can't possibly drink any more,'" he said. "The people here are truly caring."

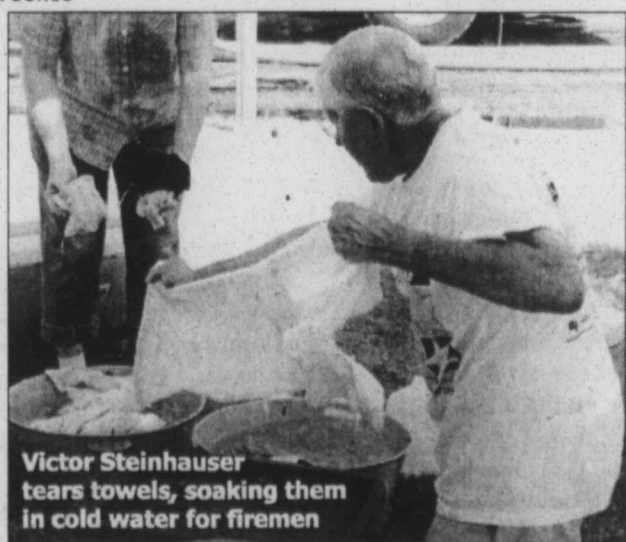

Tahoka VFD Chief Math Bartley expressed the fire

department's appreciation to Wilson and O'Donnell Fire Departments for responding to the fire so quickly and helping all day. "We could not have done this without O'Donnell and Wilson fire departments helping control the fire - we would have been in trouble without them. All the help with water hoses and equipment, providing bottled water and towels, food, EMS care - everyone's help was truly appreciated by everyone in the department," he said.

PNEUMONIA PREVENTION

Pneumonia is a lung infection caused by bacteria or viruses. Pneumonia usually starts when you breathe in the bacterial or viral germs into your lungs. You are more likely to get the pneumonia infection after having a cold or the flu.

Pneumonia is a major cause of illness in the United States. About 4 million people are infected with pneumonia each year. Approximately 1 million people with pneumonia go to the hospital. About 60,000 cases result in death.

Symptoms of pneumonia include:

- Cough with rusty or green mucus
- Fever
- Fast breathing and feeling short of breath
- Shaking and "teeth-chattering" chills
- Chest pain that often feels worse when you cough or breathe in
- Fast heartbeat
- Feeling very tired or feeling very weak

Symptoms for bacterial and viral infections are the same except viral symptoms may come on slowly and often are not as obvious or as bad as the bacterial symptoms.

You are at an increase risk for developing pneumonia if you:

- Smoke

- Have another medical condition, especially lung diseases such as COPD or asthma
- Are younger than 1 year of age or older than 65
- Have an impaired immune system
- Have an injury to the rib area, such as a bruised rib
- Have a change in mental status that increases the risk of breathing mucus or saliva from the nose or mouth, liquids, or food from the stomach into the lungs

There are several steps you can take to help preventing pneumonia:

- If you are older than 65 or you have a heart or lung condition, you may want to get a pneumonia vaccine. This vaccine may prevent pneumonia. Since the flu can lead to pneumonia, a flu shot is highly recommended along with the flu prevention tips from last week's article.

- You can also lower your chances of getting pneumonia by staying away from people who have the flu, colds, measles, or chickenpox. You may get pneumonia after you have one of these illnesses.
- Stop smoking. Smoking makes it more likely you will get pneumonia.

Follow the simple steps to help prevent pneumonia this flu season. Prevention is the key to staying healthy!

Make a difference in your world.

Health Campaign Offers 5 Tips for the Aging Eye

The Texas Ophthalmological Association in partnership with EyeCare America, a national non-profit organization, that provides eye exams and eye health information to medically underserved communities, is providing 5 tips for a healthy aging eye in honor of September's Save Your Sight Month.

"We find that many people don't pay attention to their health until something goes wrong," said Steven Dunn, MD, President of the Texas Ophthalmological Association. "By providing tips for a healthy aging eye during Save Your Sight Month, we are hoping to encourage seniors to be more proactive in the care of their eyes and vision."

EyeCare America's 5 Tips for a Healthy Aging Eye:

1. Vitamin A is great for your eyes and will help you maintain healthy vision. Foods rich in vitamin A include carrots, yams and dark leafy greens.
2. Find out your family history of eye disease. In many cases, having a family member with an eye disease, such as glaucoma, greatly increases your chance of getting the disease.
3. Protect your eyes from the sun. Over exposure to the sun's rays can lead to cataracts. Your sunglasses should have UVA and UVB protection.
4. If you are over 65 years of age, have your eyes examined annually.
5. Call EyeCare America's Seniors EyeCare Program 1-800-222-EYES (3937) to see if you qualify for a free eye exam.

The Texas Ophthalmological Association encourages people to call the EyeCare America Seniors EyeCare Program. This program offers eye exams and up to one year of medical care at no out-of-pocket cost for seniors who are without an ophthalmologist (a medical

eye doctor). To see if you, a loved one or a friend, 65 and older, is eligible to receive a referral for an eye exam and care, call 1-800-222-EYES (3937). The Seniors EyeCare Program help line operates 24 hours a day, every day, year-round.

EyeCare America operates one of the largest programs of its kind in American medicine. Here in Texas, EyeCare America and its 364 volunteer ophthalmologists have served more than 29,621 people.

EyeCare America's Seniors EyeCare Program is designed for people who:

- Are US citizens or legal residents
- Are age 65 and older
- Have not seen an ophthalmologist in three or more years
- Do not belong to an HMO or the VA

Volunteer physicians have agreed to accept Medicare or other insurance as payment in full, resulting in no out-of-pocket cost to the patient. Individuals without insurance of any kind are seen at no charge.

The Seniors EyeCare Program is designed for seniors without an ophthalmologist and is co-sponsored by the Knights Templar Eye Foundation, Inc. and Alcon. Visit EyeCare America's website at www.eyecareamerica.org.

The Tahoka Athletic Booster Club will meet Tuesday, Sept. 25, at 8:00 pm in the Tahoka High School LRC. All interested parents and community members are urged to attend.

Bianca Baker Named Director Of Lynn County Pioneers Center

Lynn County Pioneers Senior Citizens Center board of directors has named Bianca Baker of Tahoka as the new director of the center, which serves meals to senior citizens in Lynn County. Mrs. Baker succeeds Nancy Guilliams as center director. She began her duties at the center on Sept. 11.

Mrs. Baker grew up in up-state New York, in Gloversville. She moved to southern California to attend law school in 1980, earning her Jurisprudence Degree and practicing law in California for several years. Prior to moving to Tahoka in June 2002, Mrs. Baker worked as an assistant in a special education program for two years at a school system in California.

A widow, Mrs. Baker has two sons, Antonio, 17, and Kordell, 11, both of whom attend school in Tahoka. She volunteers in several organizations, and is president of the Bulldog Athletic Booster Club. She is the

BIANCA BAKER

purchasing agent for the Tahoka Band Boosters concession stand.

"I love it here," Mrs. Baker told *The News*. "I have found the senior citizens to be friendly, vital and very engaging, and I am looking forward to organizing some new activities, as well as working with SPAG, our governing body, so that we can work more efficiently with them. The men and women here are very friendly and have made me feel very welcome," she added.

Burgers, Sausage Wraps Offered at Tailgate Party

The Tahoka Band Booster club will sponsor a Tailgate party prior to the Homecoming football game Friday night at Kelley Field. Grilled hamburgers or sausage wrap, chips and a drink will be sold at the concession stand for \$5 from 6:00 p.m. until sold out.

Disney Movie To Show At Library Tonight

The City-County Library and Atmos Energy will present "Third Thursday Theater," Thursday, September 20 at 6:30 p.m. in the large meeting room at the Life Enrichment Center, located at 1717 Main Street in Tahoka.

The feature will be a Walt Disney production based on the 1975 book by Natalie Babbitt that tells the story of the Tuck family, who hold the secret to everlasting life, and of a girl named Winnie who must choose to live life as she knows it or join the Tucks for all eternity.

Admission to the movie is free; however, children under 10 must be accompanied by a guardian who is at least 13 years of age. Free soft drinks and popcorn will be served. Also, several copies of the book that inspired the movie will be given out as door prizes to registered participants. Children are invited to bring pillows so that they may lie on the floor to watch the movie.

"We are able to offer "Third Thursday Theater," thanks to the generosity of sponsors like Atmos Energy. We encourage families from the area to come out and enjoy the show," said Guin.

For more information regarding the movie or any library services, call 561-4050.

O'Donnell Stuns Dogs With Late Surge, 15-14

The O'Donnell Eagles came to Tahoka last Friday and upset the Bulldogs 15-14, scoring two touchdowns in the last half to overcome a 14-2 Tahoka lead.

Tahoka will attempt to regroup as Seagraves comes to town this week for homecoming.

In the first period, the Eagles took a 2-0 lead as 250-pound lineman Trevor Halfmann made a tackle in the end zone for a safety.

In the second period, Tahoka running back Britt Wuensche ran 6 yards for a touchdown and Ty Cloe ran for two points to put the Bulldogs in front 8-2. Wuensche scored again in the third quarter on a 50-yard run, but the extra point try failed and it was 14-2.

Late in the third, QB Tanner Hancock ran 2 yards for an O'Donnell touchdown, and after the kick failed, it was 14-8.

With about 9 minutes left in the game, Hancock hit Justin Forbes on a 21-yard pass play which helped set up another short TD run by Hancock, who went 3 yards across the goal line. Halfmann then kicked the point which won the game.

The Lynn-Garza Co. Scholarship Tournament that was scheduled for Saturday, Sept. 22 has been postponed until a later date. It is unknown at this time when the tournament will be rescheduled.

Cotton Pickin' Bike Ride Is Saturday

The second annual Cotton Pickin' Bike Ride will be held in Tahoka in conjunction with the Lynn County Harvest Festival, on Saturday, Sept. 22. Route options include a 5-mile ride, 30, 40, 55, and even a 70-mile ride. Open to all ages, entry fee is \$25. Proceeds from the event will go to the Lynn County Pioneers Senior Citizens Center and to support the Harvest Festival.

Ride packets may be picked up Saturday morning before the ride, at the starting location at the First United Methodist Church, located at N. 1st and Ave. J in Tahoka. Riders leave at 8 a.m.

Each rider will receive a ride number, route map, and t-shirt and water bottle. Ride numbers must be worn to receive SAG Wagon support, service at rest stops, and to receive door prizes. Helmets are required for each bicycle rider.

Volunteers are needed to assist with the ride. To volunteer, or for more information, contact Richard or Gina Tamplen at 806-561-1340.

Three To Judge Festival Contests

The Lynn County Harvest Festival King and Queen contests, open to all high school students in Lynn County, will be judged this year by Amy Rendon, Lesa Wood, and Teresa DeSautell.

Amy Rendon, of Midland, is a Senior Spanish Major at Wayland Baptist University in Plainview. She is the current reigning Miss Wayland. She is a member of the Harvest Christian Fellowship Church and sings on the Worship Team. She was awarded as the Plainview Chamber of Commerce Student of the Month and has served as a guest speaker in a variety of public places to promote her passion for education among the Hispanic community.

Lesla Wood, of Lubbock, is a graduate of Texas Tech University with a BS in Education, and is a Certified Speech Level Singing Instructor, Level 2. She is a professional musician, and is a studio vocalist with the Junior Vasquez Band. She is a tenured faculty member of the South Plains College Creative Arts Department, where she teaches voice and coordinates the Worship Program.

Teresa DeSautell, of Lubbock, is a two-time graduate of Texas Tech University, in Ag Education and Communications, and earned an EC-8 Teaching Certification and ESL/GT Certification. She is the children's coordinator at the First United Methodist Church, and is active in PTA, Booster Club and as a 4-H leader.

Varsity Football

By Britt Wuensche

The Tahoka Bulldogs lost to the O'Donnell Eagles in Tahoka at Kelly field 14-15, last Friday night. It was a tough night for the Bulldogs.

The game began, and in the first quarter the Eagles scrounged a safety out of the Bulldogs.

The score remained 0-2 until the Bulldogs scored on a 6-yard run. Ty Cloe ran in on an option play to score on the 2-point conversion, putting Tahoka up 8-2.

Britt Wuensche ran 50 yards for touchdown in the third quarter, but the extra point was missed leaving the score 14-2.

O'Donnell came back to score once in the third quarter (missing the extra point) and once in the fourth quarter (extra point good).

This week's game for the Bulldogs is at home for Homecoming against the Seagraves Eagles.

JV Football

By Jynna Askew

The JV Bulldogs faced the Ralls Jackrabbits on Thursday, September 6th on their home turf.

The game ended in a tie, 6-6. The Dogs managed to gain 189 total yards, with Taylor Abell contributing 79 yards to the total.

Garth Dotson made an interception that was vital to the game. The interception kept Ralls from scoring another touchdown. Abell also had two pass completions.

"JV played extremely well this week against the Ralls JV," Coach Hilger said.

8th grade football

By Samantha Pridmore

Tahoka 8th grade Bulldogs lost 14-8 to the O'Donnell Eagles.

The Bulldogs were able to keep the Eagles scoreless for the first quarter.

It took a little time to get their running game going, but they managed to play good enough defense to keep the Eagles from scoring, said Coach Harris.

The second half saw the Eagles score their first touchdown. They missed the two point conversion and were up at halftime 6-0.

The Bulldogs really got their running game going in the third quarter, but not after they gave up another touchdown and two point conversion to make it 14-0, said Coach Harris.

In the fourth, the Dogs finally got a good drive going and scored on a pass to Tra Smith from Zach Garcia. Tra also ran in the two point conversion to make the score 14-8.

The Bulldog's defense held on the ensuing offensive possession by O'Donnell, but they punted and pinned them down on the Bulldog three yard line with two minutes left.

"On fourth and eleven the Bulldogs ran a reverse that gained fourteen yards but was called back on an illegal formation call," Coach Harris said.

The pass on the next play was

dropped, and the Eagles downed the ball to run out the clock for a 14-8 win.

The Bulldogs played well in the second half as we made some halftime adjustments that worked well for the team, said Coach Harris.

7th grade Football

By Rebecca Pando

On September 13, the 7th grade boys played their first schol affiliated football game against the Lubbock Cooper Pirates.

Although the Bulldogs ended up losing 8-30, they played hard and built a great foundation for improving during the rest of the season, said Coach Whitefield.

In the first half, the Pirates scored first to take the lead 6-0.

However, the Bulldogs responded with a nice drive capped off by a run by Swade Hammonds and the two point conversion by Luke Hawthorne, said Coach Whitefield. As a result the Bulldogs led 8-6.

Unfortunately, the 7th grade could not hold on to their lead as Cooper once again scored and continued to extend their lead.

"We were pleased with the effort the 7th graders displayed," said Coach Whitefield. "We believe that if the young Bulldogs continue to work hard and listen in practice they will continue to improve and have a successful season."

"We simply got ourselves into too big of a hole and ran out of time to try and come back," Coach Harris said. "We are proud of the kids and the effort they put forth."

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED
CONSTITUTIONAL AMENDMENTS
SPECIAL ELECTION NOVEMBER 6, 2007

PROPOSITION 1 (HJR 103)

HJR 103 would update the constitutional reference to Angelo State University to conform with the statutory transfer of that institution from membership in the Texas State University System to membership in the Texas Tech University System.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for the continuation of the constitutional appropriation for facilities and other capital items at Angelo State University on a change in the governance of the university."

PROPOSITION 2 (SJR 57)

SJR 57 would authorize the legislature to permit the Texas Higher Education Coordinating Board to issue up to \$500 million in general obligation bonds to finance educational loans to college and university students, and to enter into bond enhancement agreements.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for the issuance of \$500 million in general obligation bonds to finance educational loans to students and authorizing bond enhancement agreements with respect to general obligation bonds issued for that purpose."

PROPOSITION 3 (HJR 40)

HJR 40 would authorize the legislature to limit the maximum appraised value of a residence homestead for property tax purposes in a tax year to the lesser of the most recent appraisal valuation, or 110 percent, or a greater percentage as determined by the legislature, of the appraised value in the preceding tax year.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide that the maximum appraised value of a residence homestead for ad valorem taxation is limited to the lesser of the most recent market value of the residence homestead as determined by the appraisal entity or 110 percent, or a greater percentage, of the appraised value of the residence homestead for the preceding tax year."

PROPOSITION 4 (SJR 65)

SJR 65 would authorize the legislature to permit the Texas Public Finance Authority to issue up to \$1 billion in general obligation

bonds, the proceeds of which would be dedicated to maintenance, construction, repairs, and equipment purchases, as authorized by the legislature for the following state agencies: the Texas Building and Procurement Commission; the Parks and Wildlife Department; the Department of the Adjutant General; the Department of State Health Services; the Department of Aging and Disability Services; the Texas School for the Blind and Visually Impaired; the Texas Youth Commission; the Texas Historical Commission; the Texas Department of Criminal Justice; the Texas School for the Deaf; and the Texas Department of Public Safety.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the issuance of up to \$1 billion in bonds payable from the general revenues of the state for maintenance, improvement, repair, and construction projects and for the purchase of needed equipment."

PROPOSITION 5 (SJR 44)

SJR 44 would authorize the legislature to permit cities with a population of less than 10,000 to hold an election to allow the city to enter into an agreement with a property owner to temporarily freeze taxes on property either in or adjacent to an area approved for funding under the Downtown Revitalization Program or the Main Streets Improvements Program administered by the Department of Agriculture.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to permit the voters of a municipality having a population of less than 10,000 to authorize the governing body of the municipality to enter into an agreement with an owner of real property in or adjacent to an area in the municipality that has been approved for funding under certain programs administered by the Texas Department of Agriculture under which the parties agree that all ad valorem taxes imposed on the owner's property may not be increased for the first five tax years after the tax year in which the agreement is entered into."

PROPOSITION 6 (HJR 54)

HJR 54 would authorize the legislature to exempt from ad valorem tax one motor vehicle owned by an individual that is used by the individual for both business and personal use.

The proposed amendment will appear on the ballot as follows: "The constitutional

amendment authorizing the legislature to exempt from ad valorem taxation one motor vehicle owned by an individual and used in the course of the owner's occupation or profession and also for personal activities of the owner."

PROPOSITION 7 (HJR 30)

HJR 30 would allow a governmental entity to sell property acquired through eminent domain to its immediately previous owner at the original purchase price, if the public use of the property has been canceled, if no progress is made toward that public use by a prescribed deadline, or if the property is unnecessary to accomplish that public use.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to allow governmental entities to sell property acquired through eminent domain back to the previous owners at the price the entities paid to acquire the property."

PROPOSITION 8 (HJR 72)

HJR 72 would clarify home equity loan procedures and protections and make conforming changes to the written disclosure provided to the borrower at the loan closing. The amendment would establish that the status of whether property is an agricultural homestead, for the purpose of receiving homestead protection, would be determined by whether it was designated for agricultural use on the date of the loan closing. The amendment would provide that a declared state of emergency (e.g., following a natural disaster) would justify execution of a second home equity loan on the same property less than one year after the first home equity loan. It would provide that non-substantive omissions on a loan application would not affect the agreement. It would require a borrower to receive a copy of all executed loan documents, and a disclosure list of fees and costs at closing. It would prohibit the use of preprinted checks for the use of unsolicited loan advances to obtain a home equity line of credit.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to clarify certain provisions relating to the making of a home equity loan and use of home equity loan proceeds."

PROPOSITION 9 (SJR 29)

SJR 29 would authorize the legislature to exempt all or part of the market value of the residence homesteads of veterans certified as having a service-connected 100 percent

disability rating. SJR 29 would also clarify the progression of property tax exemptions available to veterans who are less than 100 percent disabled.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to exempt all or part of the residence homesteads of certain totally disabled veterans from ad valorem taxation and authorizing a change in the manner of determining the amount of the existing exemption from ad valorem taxation to which a disabled veteran is entitled."

PROPOSITION 10 (HJR 69)

HJR 69 would remove constitutional references to the former office of inspector of hides and animals.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to abolish the constitutional authority for the office of inspector of hides and animals."

PROPOSITION 11 (HJR 19)

HJR 19 would require a vote taken in either house of the legislature to be recorded by record vote, if the vote was on final passage of a bill, other than local bills, a resolution proposing a constitutional amendment, or any other resolution that is not purely ceremonial. The record vote must be archived and available for public viewing on the Internet for at least two years.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to require that a record vote be taken by a house of the legislature on final passage of any bill, other than certain local bills, of a resolution proposing or ratifying a constitutional amendment, or of any other nonceremonial resolution, and to provide for public access on the Internet to those record votes."

PROPOSITION 12 (SJR 64)

SJR 64 would authorize the Texas Transportation Commission to issue up to \$5 billion in general obligation bonds for highway improvement projects, the proceeds of which will be used to pay for projects, costs, and payments owed under related credit agreements.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for the issuance of general obligation bonds by the Texas Transportation Commission in an amount not to exceed \$5 billion to provide funding for highway improvement projects."

PROPOSITION 13 (HJR 6)

HJR 6 would authorize the denial of bail to a person who violates conditions of release

in a family violence case and permit the legislature to authorize the denial of bail to a person who violates certain court orders in a family violence case.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the denial of bail to a person who violates certain court orders or conditions of release in a felony or family violence case."

PROPOSITION 14 (HJR 36)

HJR 36 would limit a state justice or judge's service to December 31 of the fourth year of the term if he/she is elected to all or part of a six year term, and reaches mandatory retirement age during the first four years of said term.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment permitting a justice or judge who reaches the mandatory retirement age while in office to serve the remainder of the justice's or judge's current term."

PROPOSITION 15 (HJR 90)

HJR 90 would require the legislature to establish the Cancer Prevention and Research Institute of Texas, and would provide for its management, duties, and powers. It would authorize the issuance of up to \$3 billion in general obligation bonds to be used for operations and grants for the purpose of scientific research of all forms of human cancer.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment requiring the creation of the Cancer Prevention and Research Institute of Texas and authorizing the issuance of up to \$3 billion in bonds payable from the general revenues of the state for research in Texas to find the causes of and cures for cancer."

PROPOSITION 16 (SJR 20)

SJR 20 would authorize the issuance of up to \$250 million in general obligation bonds by the Texas Water Development Board to provide financial assistance to economically distressed areas of the state to help provide adequate sewer and water supply services for residential use.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for the issuance of additional general obligation bonds by the Texas Water Development Board in an amount not to exceed \$250 million to provide assistance to economically distressed areas."
