SPEARMAN, TEXAS

THURSDAY, MARCH 19, 1964

There is one thing you can say for Melvin Belli, Jack Ruby's lawyer, he sure is a "good loser."

Notice in the Amarillo paper where Coach Duggans at Friona said Tito Jennings was great and that everyone has used two girls to guard her this season. She is good, but Joan Hackley held her to 17 points in the regional game, four field goals and nine free shots.

Talked to Coach Dean Weese about the state tournament and he said the girl from Baird that scored 61 points in the finals was something to see.

She is 5'9" tall and can jump and touch the rim of the goal.

Talk at the tournament was that the girl might make the Olympic team this year in the sprints, high jump and javlin.

Congratulations to Sharon Close for being selected as an alternate to the Girls All-Star game. It is a nice compensation for the coaches overlooking her on the district team.

Orvil Brummett Is Named Local Jaycee of the Year

Orvil Brummett was named the "Outstanding Jaycee of the year" at the annual Spearman Junior Chamber of Commerce banquet Saturday night.

A small crowd of 83 Jaycees, visiting Jaycees and townspeople heard Brummett described as a man who has changed the local organization.

President Jim Davis in presenting the plaque to Brummett described the pharmacist as a hard working Jaycee who had given the Spearman Jaycees new energy and leadership.

Because he personally lives up to the Jaycee Creed, Davis said Brummett had helped make the local club a better organization.

A.J. Carrubi, a state director installed the new officers for 1964. Officers installed were Vice Presidents Brummett and Wayne Chapman, Secretary

Zack Fisher, Treasurer Robert Adamson, Directors J.L. Brock,

Ed Dear, Don Denham, Jim Davis and Jim Nicholson, Inter-Club Director Don Floyd.

President J. D. Helms was out-of-town and could not attend the banquet.

Principal speaker for the banquet was Buck Elton, of Avis Rent-A-Car.

He told the group it was the responsibility of young men like the Jaycees to restore this nation's social and business morals to the standards of former years.

Council Hires Policeman

A new policeman has been hired for Spearman, City Manager Ken Conrey announced this week. The city council approved the man Monday night.

Marvin Wayne Pierce, 31, will assume his new duties here in the near future.

Pierce, a patrol sergeant of the Amarillo Police Force, has five years experience. He has been a sergeant for three years.

Pierce served in the U.S. Army Infantry, and is a graduate of the Amarillo Police Academy.

He is married and he and his wife have one child. The family are members of the Baptist Church.

Conrey said he expected the officer to report for work on or before April 1.

Seldon Hale, former Plainsman reporter, now police reporter in Amarillo, says officer Pierce is a good police officer.

Team Ranked Third in State

In the final ratings of the year, the Spearman Lynxettes were rated third in the state by the High School Girls' Basketball Coaching Association.

The Lynxettes were rated behind champion Friona and runner-up Clear Creek. The Lynxettes rated ahead of Mineral Wells and Cotulla, the other two teams in the state tournament.

Spearman lost to Friona in the first round of the regional tournament in Lubbock.

DAY BY DAY

In reading a recent issue of the Canadian Record this week, I came upon an interesting story about the first "hot lunch" program at a little country school in Hemphill County back in 1922. The writer's enthusiasm about the importance of a hot lunch escaped me until I read on to where she said "In those days all grades stayed until 4 p.m., so it was often dark by the time some of the children were able to reach home in the evening in buggies, on horseback or walking."

The story went on to say the hot lunch program was begun through the efforts of two young teachers who had just finished school at the Teacher's College in Canyon. The two staged a box supper and raised the then magnificent sum of \$80. They bought a kerosene cook stove; curtains and curtain rods to divide off a corner of the classroom for a kitchen; cooking utensils, especially big pots and kettles; cheap spoons and big tin cups. (After the necessary equipment had been purchased, the extra money was used for basketball and baseball equipment.)

"There were approximately 23 families in the school district who had children in school. Each family furnished food one day and then their children had free hot lunches the balance of the month. The teachers and high school boys and girls cooked the food, served it and washed the dishes.

"The menu ran something like this: one day there would be pinto beans cooked with generous amounts of delicious home-cured ham--and hot chocolate; another day, stew made from home-butchered beef with plenty of potatoes, cabbage, and other vegetables in it--and hot cocoa made from rich home-milked milk and cream; another day, chili, with beans and ground beef; another day, chicken and noodles--and always the hot chocolate!

"Then sometimes there was a special treat. 'I'll always remember one mother's famous and delicious "baby cake" (plenty of it) which was sent to school with her little daughter."

Well, I couldn't imagine what "baby cake" might be so I took the recipe home with me and tried it. I still have no idea why the name and I really didn't need to find a recipe for cake that is a "good carrier" (meaning that it withstood a three mile ride, on horseback, to the school,) but it isn't bad and is certainly easy to make.

Holt-Slyter Nuptials Read Here Saturday

The First Baptist Church was the setting for the marriage of Miss Hazel Holt, daughter of Mr. and Mrs. Fred Holt, to Ray Kenneth Slyter, son of Mrs. Elmer Slyter, Paola, Kansas, on Saturday, March 14 at 8 o'clock in the evening. Rev. Luther Berry, pastor of the church, officiated at the double-ring ceremony before an altar of green foliage and candelabra holding white tapers with baskets of pink roses and white stock. The pews were marked with white satin bows and sprigs of smilax.

Mrs. Marvin Jones, organist, played pre-nuptial music and the traditional wedding selections. She accompanied Richard Fancher, soloist, as he sang

"Always", "Whither Thou Goest", and "The Lord's Prayer".

Given in marriage by her father, the bride wore a gown of white bridal silk with elbow length sleeves and narrow bodice with scooped neckline. The bell-shaped skirt was appliqued with Alencon lace beaded with tiny seed pearls ending in a detachable full chapel train with a bow at the waistline. Cascading illusion from a single silk rose formed the bride's headpiece. She carried a cascade bouquet of lilies of the valley and stephanotis centered in pink rosebuds with streamers of white satin ribbons.

The bride was attended by

Miss Susan Holt, her sister, as maid of honor. Her bridesmaids were Miss Linda Holt, her cousin, and Miss Dot Haynes of Amarillo. They wore identical floor length dresses of tinted pink peau de soie fashioned with scooped necklines and bell-shaped skirts. Their tiered veils of illusion fell from a silk rose accented with seed pearls. They carried old fashioned nosegays of pink rosebuds and lilies of the valley with streamers of white satin ribbon.

Dr. Leonard Slyter of Urbana, Illinois, brother of the groom, served as best man. Groomsmen were Damon Slyter, brother of the groom, of Paola, Kansas and Michael Holt, brother of the bride. Ushers were Larry Holt, cousin of the bride, Paul Kettler, and Bernard Moore of Paola, Kansas.

Miss Judy Stump of Waka registered the guests. Cindy Hutchinson and Jan Jones were candlelighters. They wore dresses of petal pink cotton fillet with lace stripes. Their wristlet corsages were of pink rosebuds.

A reception followed the wedding ceremony at the home of the bride's parents in the Holt Community. The bride's table was laid with a white organdy cloth with pink bows and grapes accenting the corners. The colonaded tiered cake was beautifully decorated with delicately tinted pink rosebuds, wedding bells, tulle, and a ring box. Pink wedding punch was served from a crystal bowl bordered in platinum. Mmes. Everett Vandenburg, Phil Jenkins, Raymond Kirk and Medlin Patterson served the guests. The bridegroom's table was laid with a lined net cloth and decorated with a circlet of grapes and leaves flanked by lighted tapers. The chocolate cake was decorated with a tan football. Guests at the reception were given boxes of the groom's cake by Larry Holt, cousin of the bride, and bags of pink rice by Kathy Jenkins, cousin of the bride. Other members of the

house party were Mmes. Nolan Holt, Owen Pendergraft, O.C. Holt and Maude Rosson. Arrangements of white and pink daisies were noted in the entertaining rooms.

The bride traveled in a suit of gold silk with a hat of pink and red roses arranged in gold and green leaves. Her corsage of pink rosebuds and lilies of the valley came from her bridal bouquet.

The bride graduated from West Texas University where she was a member of Delta Zeta sorority. The bridegroom attended Independence Junior College, Independence, Kansas and graduated from Kansas State University, Manhattan, Kansas. While at Independence Junior College he was on the All-State football team and received honorable mention on the little All-American team.

After a wedding trip to points in New Mexico, the couple will be at home in Sharon, Kansas, where the bride teaches Home Economics, and the groom is football coach and athletic director.

Out of town guests were Mr. and Mrs. Cyril May, Emmitt Walker and Miss Dot Haynes of Amarillo; Mr. and Mrs. J.C. Sanders, Bob Clark and Jerry Holt of Sharon, Kansas; Miss Sue Fredricka and Mrs. Arch B. Marshall of Houston; Mr. and Mrs. Harvey Urban on Perryton; Mr. and Mrs. J.R. Stum, Mr. and Mrs. Carroll Ladd, and Miss Judy Stump of Waka; Miss Geraldine Mayes of Stinnett; Mrs. Dick Doyle of Gruver; Mrs. Doyle Smith of Miami; Roger Waters and Lynn Martin of Emporia, Kansas; Paul Kettler, Bernard Moore, Mrs. Elmer Slyter, Mr. and Mrs. Teddy Moore, Ronnie Moore, Mr. and Mrs. Rudy Prihoda, Steve Prihoda, Kathy Prihoda, Damon Slyter of Paola, Kansas; Mr. and Mrs. Fred Pratz and Theresa Kay of Independence, Missouri.

At noon on Saturday, March 14, the bride's parents entertained the bridal party and relatives at lunch in Fellowship Hall of the First Baptist Church.

"LENTEN RECIPE"

My wife, as many other wives, loves to examine new recipes and exchange them with others. I'm the judge of whether she should try the recipe a second time or discard it.

Today let us consider an ancient recipe--perhaps one of the oldest known. It dates back almost 2000 years. It is a short one: "Behold the Lamb of God who takes away the sin of the world!"

This is the season of the year when every man, woman, and child in this community is asked to give serious thought to the death of Christ and its meaning for every human life.

Christ, the only begotten Son of God, died not as a martyr, not as an example, not as the founder of a new religion--but as the Substitute for all mankind. "He died for our sins." Those words form the heart and center of the Lenten Message.

For Jesus was born of a virgin named Mary. His Father was the Holy Ghost. Jesus came into this world as God taking on human flesh. True God and at the same time He was true man. Thus as God He could resist all form of evil which the Devil throws at us humans. As God He could be the perfect sacrificial Lamb to shed its blood for the sacrifice of sin. As Man, He could die as well as be tempted, yet without sinning.

Have you found forgiveness for your sins? Have you found

the way of Life? If not, no Lenten recipe is more important for you than attendance at church to be exposed to God's Word. Through it the Holy Spirit can guide you to God and Christ.

You are more than welcome to attend the Lutheran Services at Oslo or Spearman. Or the church of your choice. But do attend.

Try the Lenten Recipe: Behold, the Lamb of God who takes away the sin of the world." (Not sins, but sin. Accepting Jesus is salvation, rejecting Him as Savior is the sin that condemns).
