Pennsylvanian Discovery In King County

Shell No. 2-B Burnett has been completed as a new discovery from the Pennsylvanian lime eight and one-fourth miles southeast of Guthrie in King County.

On potential test it flowed 174 barrels of oil in 24 hours. Gas-oil ratio was 274-1, tubing pressure was 50, and casing pressure was 125. It was finaled on a plugback total depth of 7,588 feet.

It is 660 feet from north and 1,980 feet from east lines of the William Elliott survey, abstract 89.

Sunray No. 1-56 Mays, Central South Kent wildcat, pumped 17 hours and made 52 barrels of oil with no water. It is still pumping.

Sunray No. 1 Mitchell, West Stonewall wildcat, treated perforations at 6,330-348 feet with 1,000 gallons of acid. It swabbed to pits for 10 hours to clean, then swabbed to tanks five hours, recovering two barrels of oil and 19 barrels of water. It is still testing.

Wood No. 1 Dixon in Mitchell County drilled to total depth of 6,400 feet in Pennsylvanian shale and set and cemented five and one-half inch casing at 6,352 feet. It will perforate and test opposite a Strawn sand section above 6,200 feet, which had some slight shows of oil and gas.

Stanolind No. 1 Anderson, Central-North Howard wildcat, drillstem tested the Pennsylvanian lime at 7,698-724 feet with tool open three hours and recovered 90 feet drilling mud and 810 feet salt water with no shows oil or gas. It cored 15 feet deeper to 7,739 feet and is now taking another test. Top of the reef lime is 7,706 and it has a datum of minus 5,083.

R & R Drilling Co. No. 1 W. F. Martin estate, Fisher County wildcat 14 miles northeast of Hamlin, is testing pay found above its total depth of 3,802 feet in lime, where it had some shows.

In Scurry, Hall No. 1 Huff is drilling at 1,829 feet in anhydrite and shale and Blount No. 1 Cary is at 7,363 feet in shale.

In Borden, Superior No. 9-380 Jones is at 7,805 feet in lime and shale, Vickers No. 1 Orson is at 7,454 feet in lime and shale, and Green No. 1 Slaughter is at 3,180 feet in lime and anhydrite.

In Howard, McFarland & Texas Crude No. 1-35 Jones is drilling at 8,160 feet in shale.

In Mitchell, Sohio No. 1 Yarbrough is at 4,495 feet in lime and shale, Sun No. 2 McCabe is coring at 5,914 feet in shale, Sun No. 1-A Anderson is at 2,048 feet in shale and anhydrite, and Hardin and others No. 1 Jones is on a plugback total depth of 7,388 feet in Pennsylvanian lime, preparing to take a pumping test.

In Kent, Globe No. 1 Spires is at 6,062 feet in shale, and Green No. 1 Davis is at 2,735 feet in lime and shale.

In Dawson, Sun No. 1 Dean is at 9,978 feet in lime and chert and Vega & Universal No. 1 Fowler is at 7,235 feet in lime and chert.

In Fisher, Seaboard No. 1-A Collins is drilling at 6,380 feet in lime and R. & R. No. 2 Martin is at 2,875 feet in lime and shale.

More Workers Out On Strike

(By The Associated Press)

Two strikes which have made idle some 85,000 workers in rubber and steel plants continued Friday as negotiators planned new attempts to end the crippling walkouts.

The strike against the U. S. Rubber Company spread to the firm's 19th plant as 3,000 CIO union rubber workers joined some 32,000 other members.

In Pittsburgh, top federal mediators were seeking to end a strike of 1,500 railroad trainmen which has resulted in the layoff by U. S. Steel of nearly 50,000 workers. The work stoppage which started Monday also has crippled the corporation's steel production.

New and continuing strikes in other industries across the country involve more than 20,000 workers, putting the nation's idle because of labor disputes above 100,000.

One of the longest strikes is curtailing production of jet engines used in war planes. This work stoppage is by 4,500 CIO United Auto Workers and 1,100 AFL machinists at the General Electric Company plant at Evendale, O.

MAN DIES IN GUN DUEL

A 41-year-old father, Virgil Backus, lies on the walk by his home in Arnold, Pa., fatally wounded after killing a policeman in a gun battle. Sub-machine guns virtually knocked him off a porch where he barricaded himself after going berserk and fighting police with a 30-30 rifle. Police closed in after he announced "I'm going to shoot up some communists at some plants."

Ike Searching For New Head Of GOP Party

WASHINGTON (AP) — President Eisenhower today was reported canvassing the list of Western Republican governors along with other possibilities for the GOP national chairmanship.

Eisenhower told a White House news conference yesterday he thinks the committee, meeting here April 10, will choose a man who commands the highest respect of the country as a successor to C. Wesley Roberts.

The President said it wasn't his prerogative to pick a chairman but conceded his views will be influential. He indicated he had not made up his mind on a candidate.

Roberts resigned after a Kansas legislative committee held he had violated the spirit of the state's anti-lobbying law in collection of an $11,000 fee in the sale of a hospital to the state, before he became GOP chairman.

Eisenhower emphasized the stature of the man he wants as Roberts' successor by indicating he may be difficult to find. The President said he doesn't think anybody really wants the job of chairman. Some other Republicans weren't so sure about that.

Eisenhower and Sen. Taft of Ohio, the Republican leader, discussed the chairmanship at a White House conference, apparently with no concrete results.

UN Planning For Quick Exchange Of Prisoners

Churchill Gets Play In Pravda After Speech

MOSCOW (AP) — Moscow newspapers gave prominent display today to Prime Minister Churchill's statement in Parliament in which he was quoted as welcoming Soviet efforts to improve relations with western powers.

(Churchill said Wednesday "we welcome what seems to be a desire recently on the part of the Soviet government for an improvement in relations with other countries.")

Pravda and other papers made no comment in Churchill's remarks, but carried his observations about the possibilities of an armistice in Korea in full. Churchill has not been quoted at such length in a long time in the Soviet press, which during the last war gave wide play to his statements.

It was too early for Soviet press dispatches on the statement of President Eisenhower yesterday that Soviet offiers should be taken at face value. Two Moscow diplomats said they believed Eisenhower's remarks would encourage the present atmosphere of conciliation.

Van Fleet Is Offered Job Of Adviser To Senate Committee

WASHINGTON (AP)—Deep in controversy over his claims at ammunition shortages in Korea, Gen. James A. Van Fleet today had offer of a job that could give him potent influence on national defense.

It was an invitation to serve as staff military adviser to the Senate Appropriations Committee, which will have a big say about how many billions of dollars Congress will vote for defense in the months ahead.

Chairman Bridges (R-NH) of the purse string committee said he and Sen. Ferguson (R-Mich), chairman of the defense funds subcommittee, yesterday invited Van Fleet to take the military adviser post.

"The general told us that he would take it under consideration," Ferguson said, adding it may be several days before Van Fleet decides.

A reporter tried to reach Van Fleet at the home of former Ambassador William C. Bullitt, where he and Mrs. Van Fleet are guests. He was told Van Fleet was "too tired to come to the phone."

The former Eighth Army commander retired Tuesday after nearly 38 years of Army service. He is 61.

Wednesday he was the key witness as a Senate armed service subcommittee began public hearings into his repeated charges of serious and sometimes critical ammunition shortages in Korea.

Pentagon leaders replied that except for some minor exceptions, the Eighth Army always had enough shells for its limited mission.

Sen. Holland(D-Fla), a long time friend of Van Fleet, said the general had rejected "several flattering offers" from industry and planned to retire at Auburndale, Fla., after a brief bear-hunting trip to Alaska. Several senators had suggested that the general be retained on active duty but the Army said Van Fleet indicated he wished to retire.

Top pay for a professional expert on the Senate committee is $11,646 a year. This is about $2,000 a year more than Van Fleet will draw as a retired general.

Senate legal experts said Congress probably would have to make a special exception to a present law that bars regularly retired military personnel from drawing pay for other government service.

Negotiators Not Overly Optimistic

MUNSAN, Korea (AP)—The United Nations Command today rushed plans for the possible quick return of sick and wounded Allied prisoners from North Korea.

But the American admiral who will speak for the U.S. in prisoner exchange talks opening Monday at Panmunjom refused to predict the outcome.

"I've been here since June and I would never make the mistake of being optimistic," said Rear Adm. John C. Daniel, a U. N. truce negotiator chosen to head the Allied liaison team.

"I hope the Communists mean business this time," he added.

Daniel, who flew here from Tokyo early this week, has been in almost constant telephone contact with Gen. Mark Clark's Tokyo headquarters.

If the negotiators at Panmunjom agree to exchange sick and wounded prisoners the Eighth Army will handle the transportation, medical care and supply.

Maj. Gen. Paul D. Adams, Eighth Army chief of staff, was at this advance camp Friday checking on preparations.

U. S. Marine engineers were working around the clock on a fence surrounding a large clearing nearby which reportedly will be used either as a receiving point or as a supply depot. One officer said he had orders to finish the fence by nightfall.

Army convoys lined the highway from Seoul to Munsan hauling supplies. One 13-truck convoy carried tent frames and a second convoy of 15 trucks hauled tent canvas, lumber, generators, housekeeping tools and equipment and other supplies.

Korean laborers were also brought in on trucks.

Eighth Army officers planned to mobilize all helicopters that could be spared from the fighting front to airlift sick and wounded prisoners from the Panmunjom exchange point to field hospitals behind the lines.

Present plans call for transporting the less severe cases to the rear by bus and truck and possibly by railroad.

More and more Allied officers and troops arrived at this apple orchard as preparations were stepped up. So far, though Daniel was the only member of the five-man delegation to put in an appearance.

Lt. Gen. William K. Harrison Jr., the senior delegate, remained in Tokyo where he talked with Gen. Clark.

The hour for Monday's meeting at Panmunjom has not been announced. Most sessions in the past have started at 11 a. m.

There was cautious hope among observers here that the liaison officers will reach agreement on exchanging sick and wounded prisoners and perhaps pave the way for a truce in Korea.

The Reds proposed Thursday that a date be set Monday for resumption of truce negotiations which were suspended last Oct. 8. Gen. Clark has made it clear the armistice talks cannot resume until agreement is reached on exchanging disabled prisoners.

Snyder Denies 'Pet Stooges'

WASHINGTON (AP)—John Snyder, secretary of the treasury in the Truman administration, says it is not true that the Internal Revenue Bureau was packed with "pet stooges" of the administration, as charged by Sen. Williams (R-Del).

Williams made the accusation in the Senate yesterday, calling last year's reorganization of the bureau a "dismal failure." The senator said new legislation is needed to correct abuses.

The reorganization plan was described at the time as an effort to take politics out of the tax collection agency, but Williams said the Truman administration loaded the bureau with "political stooges."

He said Snyder had a major role in picking administration favorites for key posts in the reorganized bureau, although they were supposed to have been picked on the basis of ability.

French Civilians Are Being Released By Communists In Korea

PARIS (AP)—The French Foreign Office said today 14 French civilians interned by the Communists in Korea have been liberated and will arrive soon in Moscow.

The Foreign Office said that the director if the Soviet Foreign Office's Western European Division had confirmed the release of the French civilians.

The move was viewed as another conciliation gesture in the Communist peace campaign.

The Frenchmen were captured in Seoul at the outbreak of the Korean War.

Allies Rout Red Attack After Furious Central Front Battle

SEOUL (AP)—Chinese Communist troops hit Allied lines in Central Korea today for the second time in 24 hours, hurling a 175-man attack against a strategic outpost hill northeast of Chorwon.

Troops of the U. S. 3rd division, 15th Regiment, routed the Reds in a bloody two-hour battle marked by hand - to - hand fighting, the Eighth Army said.

The Chinese fired more than 3,300 artillery shells before and during the attack.

An Eighth Army briefing officer said that at no time did the Americans lose control of the hill. Fifteen Chinese bodies were left on the hill and the Army estimated at least 30 others were killed or wounded.

In the same general area a full Chinese battalion attacked positions of the South Korean Capitol Division before dawn Thursday, but the ROKs threw back the assault in a 40-minute battle.

The Central Front attacks followed the pattern of last week's vicious Red assaults on Old Baldy, Vegas, Reno and Carson outposts on the Western Front—but were on a smaller scale. Observers said the Reds apparently intend to continue military pressure against Allied lines despite recent truce proposals from Communist China and North Korea.

Elsewhere on the battle front, Allied troops threw back three small probing attacks in Eastern Korea and killed or wounded 29 Reds in a patrol clash in the west.

Low clouds grounded Allied warplanes Friday, the Fifth Air Force said. Thursday night B26 bombers destroyed 26 Communist trucks and shot up trains in strikes against North Korean communication lines, the Air Force said.

Eighth Army said 12,553 Communist troops were killed, wounded or captured by the Allies during March—the highest monthly total since the 14,540 last November. The Eighth Army briefing officer said 2,903 of the total were inflicted by the Marines and 2,817 by the Army's 7th Division. Most of the Reds were killed or wounded in the bloody fighting on Old Baldy Hill and Vegas outpost in Western Korea.

The March estimates included 6,790 Reds killed, 5,710 wounded and 53 captured—the highest prisoner of war toll in many months. February's total casualties were 7,460.

A shell from a Communist shore battery injured 13 men aboard the cruiser Los Angeles as it bombarded Wonsan Harbor on Korea's east coast Thursday. None of the victims was seriously hurt, the Navy said.

It was the second time in seven days the Los Angeles was hit by Communist fire. The first time, on March 27, no one was injured.

Freezing Cold In Panhandle

(By The Associated Press)

Pre-Easter cold snap moved slowly across Texas Friday.

At mid-morning the cool front was on a curved line running west of Texarkana and Tyler, south of Waco, Junction and Marfa and then cutting back into New Mexico east of El Paso.

Freezing weather was forecast Friday night in the Panhandle. Thundershowers were building up in East and South Central Texas.

Light drizzle fell at Dallas and Fort Worth. Fog cut visibility at College Station, Brownsville, Corsicana and San Antonio. A pall of smoke hovered over Houston.

Dalhart, at the top of the Panhandle, reported a low of 23 degrees early Friday, but the temperature rose to 38 by mid-morning. Other temperatures behind the front included: Fort Worth 49, Mineral Wells 48, Big Spring 46, and Midland 45.

The forecast called for temperatures ranging from 26 to 28 degrees Friday night in the Panhandle and Upper South Plains. Widely scattered showers were due to fall in the south portion of East Texas and along the coast as the cold air raced for the Gulf.

At dawn Friday, West Texas was generally fair with East Texas cloudy to partly cloudy and patchy fog along the coast and in some Red River areas.

Except for the Upper Panhandle where the cold front had reached, most temperatures in the state were in the middle or lower sixties. Amarillo and Dalhart, however, had thermometer readings of 31 and 25, respectively.

At that hour, the Weather Bureau said, the front ranged from Ardmore, Okla., to a point between Fort Worth and Mineral Wells and north of Junction to a point near San Angelo.

No precipitation was reported after midnight.

WEATHER

WEST TEXAS: Generally fair, cooler this afternoon and Lower Pecos Valley eastward tonight, warmer in Panhandle and South Plains Saturday. Lowest 28-36 in Panhandle and Upper South Plains tonight.

NORTH CENTRAL TEXAS: Partly cloudy, cooler this afternoon and tonight, a little warmer in northwest Saturday. Lowest 38-48 tonight.

Secret Meeting On Tax Money Held In Austin

AUSTIN (AP)—The House-Senate Committee trying to reach agreement on how much the State should spend the next two years stood firm today on keeping its deliberations secret.

While most other lawmakers had gone home for Easter, the 10 members of the joint conference committee were striving wearily to complete work on a compromise General Appropriation Bill by Sunday—possibly sooner.

Their work was interrupted by a reporter who sought the right to report first-hand their progress on a bill expected to authorize spending of 160 to 170 million dollars for the biennium.

Pressed by the reporter for permission to get past the guarded door to the committee room, Sen. Ottis Lock, Lufkin, said "Come on in, but you won't learn anything."

MEMBERS WALK OUT

Lock was right.

When the reporter walked in, the committee members walked out.

Lock, chairman of the Senate panel said closed sessions were "the policy of the committee, following the precedent set by committees in past years."

"We held hearings on budget requests for six weeks. All hearings were open. Everyone was welcome—heads of departments, any employe, the press.

"We are now in process of trying to adjust differences between the two houses. We think we can expedite the people's business better by not having additional witnesses and public hearings.

"It becomes a public hearing when the press appears. I don't think the press has any more right here than department heads.

"We're doing it the way we think the Legislature and the people want it done.

SEEK "BEST RESULTS"

"We think we're proceeding under methods that will accomplish the best results."

Did the committee of five senators and five representatives vote to hold closed meetings?

"They were closed by common understanding," said Lock.

Another senator joined Lock to explain the committee's attitude.

"If we held open meetings now, it would be like a jury trying to decide how to divide the money left a bunch of relatives in front of the relatives," said the senator, who didn't want to be quoted by name.

"This is awfully embarrassing to me," he said. "You've got a job to do, and we've got a job to do—and we're going to do it the way we think best."

What about that resolution passed by the Senate last month condemning secret sessions by federal agencies?

"VERY EMBARRASSING"

"Very embarrassing. That puts us in a bad light with the public."
Sen. Crawford Martin, Hillsboro, a member of the conference committee, is author of the resolution, which says in part:

"x x x the people's right to know about their own government is a right indispensable to the maintenance of all other rights of a free people; x x x

"x x x the officers of the Government of the United States, the officials of the several states, and those of the counties and cities of the United States x x x are urged to conduct publicly the public business; to make continuously that full disclosure of all public transactions that is the foundation of our freedom and the surest safeguard against corruption and malfeasance, tyranny and oppression; x x x

"x x x citizens everywhere (should) be alerted to the ever present danger that free government may be subverted by secret proceedings that throughout the history of the world have been the refuge of corrupt, wicked, and reactionary governments."

The resolution was adopted by unanimous Senate vote.

Closed Session In Legislature Draws Blasts

AUSTIN (AP) — The joint House-Senate Conference Committee on Appropriations was asked today to explain why it has chosen to erect an "iron curtain of censorship around the public's business?"

The explanation was asked by J. Cullen Browning, editor of the Orange Leader and chairman of the Texas Associated Press Managing Editors Association Freedom of Information Committee. He also is Texas chairman of the National APME Freedom of Information Committee.

"Your committee's action in withholding from the public such vital information falls into a nationwide pattern which the state and national APME Association, joined by the American Society of Newspaper Editors, have set out to combat," Browning's telegram said.

"Increasingly widespread examples of a 'public be damned' attitude on the part of public officials such as that reflected by your committee's decision to meet secretly pose a grave threat to one of the fundamental freedoms established for the people of America by their constitution.

"Can you explain why your committee has chosen to become a party to the erection of this iron curtain of censorship around the public's business," he asked.

The committee has shut its doors to the press and public while it attempts to reach a final compromise on spending 160 million dollars for running the state's services and agencies for two years.

Jet Service To Tokyo

LONDON (AP) — British Overseas Airways opened its fourth and longest jet airline route today as a Comet took off from London for Tokyo, half a world away.

The flight was scheduled to cover the 10,000-mile route in 30 hours —50 hours less than other BOAC Tokyo flights.

BOAC chairman Miles Thomas said the speedy transports already are operating "with full satisfaction and a great saving of time" to Johannesburg, Ceylon and Singapore.

Cold Snap In Night

The temperature dropped to a low of 40 degrees last night and was still there at 7:30 o'clock this morning, according to Mrs. D. P. Strayhorn, official weather observer. The high reading yesterday was 86 degrees, she said.

Stassen Says Ike Is Right On McCarthy

WASHINGTON (AP)—Mutual Security Director Harold Stassen said today he thoroughly agrees with President Eisenhower's position on the controversial efforts by Sen. McCarthy to curb free world trade with Communist nations.

After a cabinet meeting, Stassen said he agrees with Eisenhower that it would have been better for him to have used the word "infringe" instead of saying the Wisconsin senator had "undermined" government policy.

Stassen told McCarthy's government operations subcommittee Monday that McCarthy had undermined government efforts to shut off trade with Iron Curtain ports. The subcommittee has been getting pledges from Greek ship owners not to trade with Red China and North Korea.

Eisenhower said yesterday he personally did not beleive McCarthy had undermined policy, but he emphasized that the right to negotiate agreements in that field rests completely and absolutely with the President.

Stassen said today he is "happy" about the outcome of the controversy.

McCarthy likewise seemed to be well pleased, regarding Eisenhower's position as favorable to his endeavors.

The President told his news conference it would take more than an error by a senator to undermine U. S. policy or the State Department. He said Stassen probably had meant in the first place to say "infringe" instead of "undermine."

And, Eisenhower added, he would not say that no good could come from McCarthy's dealings with the ship owners even though, as he put it, these efforts may be misguided.

Eisenhower emphasized, however, that the power to negotiate foreign agreements rests solely with the President and the State Department.

Confessed Slayer Of Five Still Refuses Father's Help

DUBUQUE, Ia. (AP)—An 18-year-old confessed slayer of five persons remained adamant in refusing his father's pleas to accept legal counsel today as authorities in at least two states prepared to ask the youth's extradition.

But the father, Mose McManus, Valley Stream, Long Island, brewery executive, after a third visit with his son Fred Eugene, said the boy's attitude had changed considerably.

"Now he is more like his true self to his dad," the elder McManus said.

He added, however, his son still would not let him retain an attorney.

"The family can use the money better than I can," the youth asserted. "I'll wait and let the court appoint an attorney for me."

The father said that although his son told him he "should go back to the family," he will stay on here as long as there is a chance that he can be helpful.

The two concluded their third meeting last night shortly before Rochester, N. Y., officials located the first of young McManus' five victims—William A. Braverman, 19-year-old Hobart College freshman.

The body was found shortly before dusk in an abandoned gravel pit about six miles east of Rochester by the pit owner, who had a "hunch" after he recalled seeing a car near an adjoining pit last Friday.

The search for the body of Braverman, missing since last Friday, had gone on since McManus told authorities here Tuesday night the college student was his first victim in a cross-country crime spree. McManus said he shot Braverman for his car.

After searching in vain for two days on the strength of vague directions from young McManus, New York officials had asked Iowa for temporary custody of the youth so that he could show them where he buried Braverman's body.

Dubuque County Atty. Robert L. Oeth, notified that the body had been found, said he plans to "sit tight and let each state start extradition proceedings."

Dubuque County Sheriff Leo Martin had been prepared to leave for Rochester by train last night with McManus until Iowa Atty. Gen. Leo Hoegh advised against letting New York have the youth until it could produce a body and consequently a murder warrant.

At Wheaton, Ill., authorities concerned with the slayings of George and Florence Bloomberg at Keeneyville, Ill., began legal action to bring to Illinois McManus and 16-year-old Diana Marie Weggeland of Irondequoit, N. Y., arrested with him.

State's Atty. William L. Guild of DuPage County, Ill., said extradition warrants have been prepared seeking McManus' return for the double slayings and the girl's return as an accessory after the fact.

Guild disclosed that during a talk with McManus the youth asserted he would prefer to return to a state that used the electric chair, as is the case in Illinois and New York.

The maximum punishment in Minnesota is life imprisonment. McManus has admitted slaying Mrs. David Beaston, 43, and Mrs. Harriet Horsman, 48, in a Spring Valley, Minn., cafe.

It will be up to Gov. William S. Beardsley of Iowa to decide which state's extradition request to honor.

Last night's meeting between the youth and his father took place after two clergymen had talked with the boy.

The McManuses had been together briefly earlier in the day when Fred agreed to pose for a picture with his father, but the meeting was not satisfactory to the elder McManus.

He tried to hand his son a message from the boy's grieving mother, saying: "It's not from me, Fred—it's for you."

"No," Fred retorted, turning away.

ACCUSED SLAYER WITH FATHER

Fred E. McManus (right) accused slayer of five persons, agreed to pose with his father, Mose McManus (left) for a Dubuque, Ia., photographer, but the 18-year-old Marine refused to look his father in the face. The picture was taken just before the elder McManus embarked on "one last effort" to get his son to accept his help.

Government Deficit Will Be Higher Than First Estimates

WASHINGTON (AP)—Government finance specialists said today the country appears headed for a deficit of nearly 6½ billion dollars—about a half-billion more than predicted—by the end of the fiscal year on June 30.

The specialists, who asked not to be named, said in separate interviews:

1. With most of the big March tide of tax dollars counted, net revenues this year may be a billion dollars less than the $68,697,000,000 former President Truman predicted in his final budget message last January.

2. With the fiscal year three-quarters gone, expenditures may run about a half-billion less than the $74,593,000000 Truman forecast.

This would mean a deficit of about $6,400,000,000 rather than the $5,896,000,000 forecast by Truman. Such a deficit would hamper President Eisenhower's drive to balance the budget for fiscal 1954, starting July 1.

Revenues are still to come in during the last quarter of the waning fiscal year, and spending between now and June 30 could change these estimates radically. There are two big question marks:

1. How much of the flood of tax collections resulting from the March 15 income tax deadline is still to be deposited to government accounts?

2. How are corporation income tax collections running?

These questions cannot be answered, perhaps, until near the end of April. Last year there was a considerable spillover.

Corporations pay their taxes quarterly. They still have one quarterly payment due this year—on June 15.

Tax collections in March were 10½ billion dollars. If it were known how much of that was from corporations, it would not be too difficult to foretell about how much corporations will pay on June 15. Until this division is known, estimates of total collections for the year are in doubt.

However, the specialists said these factors indicated total collections may be about a billion dollars lower than had been anticipated:

1. The estimate for 1953 collections contained in Truman's final budget were based on expectations that corporation profits in the calendar year 1952 would be about 41 billion dollars. Latest studies indicate corporation profits in 1952 were about $39,800,000,000.

2. Total collections for fiscal 1952 were 68 billions, of which about 20 billions came in during the last quarter. Total collections in the first nine months of fiscal 1953 leave about 22¼ billions to be collected if the estimated amount of revenue is to be reached.

Corporations this year must pay 40 per cent of their last year's taxes in the first half of the year. The requirement last year was 35 per cent. This might add a billion dollars, but still would leave collections a billion or more short of expectations.

Personnel To Unit Offices

A nucleus of personnel in the new Scurry Area Canyon Reef Operators Committee unit has been hired and has started moving here, H. Hicks Allen, unit manager, announced yesterday.

The unit has opened offices in a duplex building on the East Highway near 66 Super Station.

Hired so far are E. G. Weyel of Midland who has been working with the Scurry County Engineering Committee. He is a petroleum engineer. Also hired as a petroleum engineer is Jim B. Thomas who has been working for SACROC.

The unit accountant and his assistant have both been hired and will move here in the next few weeks. Unit accountant is R. H. Melton, formerly with a major oil company in Fort Worth, and James A. Young, formerly with a national accounting firm in Dallas.

Allen said that he was leaving town this afternoon and would probably not be back until the middle of next week.

PERSONALS

Mrs. T. A. Ellison of Aspermont has been a guest in the home of her son and daughter-in-law, Mr. and Mrs. Dale Rains, 208 Thirty-first Street.

Miss Colleen Soles, a student at the Texas Christian University in Fort Worth, was to arrive home today to visit her parents, Mr. and Mrs. Adam Soles, Clairemont Road, for the Easter holidays. The Soles' son-in-law and daughter, Lt. and Mrs. Tom Taylor and son, Tommie, will also visit here enroute from Houston to Sacramento, Calif.

Mr. and Mrs. J. A. Fulghum, 1303 Twenty - fourth Street, will spend Easter in Dallas with his mother, Mrs. Nettie Fulghum, and with their granddaughter, Miss Vicki Fulghum.

McMurry College students home from Abilene for the holidays include James Littlepage, son of Mr. and Mrs. J. O. Littlepage, 3607 Avenue U; Miss Jane Wilson, daughter of Mr. and Mrs. Frank Wilson, 3003 Thirty -eighth Street, and Miss Edith Blakey, daughter of Mr. and Mrs. J. E. Blakey, 2018 Thirty-seventh Street.

Guests of Mr. and Mrs. L. J. Olive, 2008 Thirtieth Street, for the week end will be her mother, Mrs. J. H. Messick, and Mrs. Olive's sister, Mrs. E. C. Greening, Mr. Greening and family, all of Vernon.

Easter guests of Mr. and Mrs. A. M. Ramsey, 810 Twenty-seventh Street, are to be Mrs. Herman Carter of Longview and Mrs. Rees Martin and son and daughter, Tommy and Charlsie, of Shreveport, La. The Ramseys' daughter, Miss Wyvon Ramsey, who attends Baylor University in Waco, will also be here for the holidays.

Jay Fish, who attends Texas Technological College in Lubbock, is visiting his parents, Mr. and Mrs. J. Collie Fish, 1104 Twenty-sixth Street.

Formby Will Speak Here At Highway 180 Meeting Next Week

Marshall Formby of Hereford, state highway commissioner, will meet with the U. S. Highway 180 Association here April 10 when the group holds its annual meeting.

Formby will speak to the group on various local highway projects.

The meeting, the first the association has scheduled for Snyder, will draw businessmen from cities along Highway 180 from Weatherford to El Paso.

Harry Holbrook, Snyder mayor, is vice-president of the group and will preside over the meeting here. Election of new officers will be included in the day's business.

A luncheon at the Village has been scheduled for that day for officers of the association and members of the Chamber of Commerce highway committee, which is headed by R. A. Schooling.

Opening At Post Office For Substitute Carrier

Examinations will be held in the near future for employment of a substitute clerk - carrier at the Snyder post office.

J. C. Stewart, the Civil Service Commission's local secretary at the post office, will give additional information and application forms, or persons can inquire by writing the regional director of the commission at 1114 Commerce Street in Dallas.

Pay for the position will be $1.61½ per hour.

Optimists Put On Show Here

The homeliest man in Scurry County will be chosen tomorrow night at the Optimists "Capers of 1953," which will begin at 7:30 o'clock at the high school auditorium.

The show will be a variety of performances, including the Four Sisters, a singing group, a magician, a pie eating contest for kids, and possibly several amateur numbers from local talent.

Bob White, president of the club, said the show is co-sponsored by a large number if Snyder merchants, who are giving away tickets for special drawings to be held at the show. Admission to the show is free, White said.

White said there will be a matinee for children at 2:30 o'clock tomorrow afternoon, as well as the evening performance.

Money raised through co-operation with the merchants will go into the Optimist boys' work fund, White said.

Speaker At Oil Meet

Chuck Rogers of Sun Oil Co. was after dinner speaker to the Scurry County Petroleum Technical Society last night.

About 34 persons heard Rogers talk on the evaluation of completion of Canyon Reef wells. Plans were made for a club banquet in the near future. May 7 was set as the date for election of officers.

Seven Presidents of the United States first became President when as vice presidents, they succeeded to the office on the death of the President—Tyler, Fillmore, Johnson, Arthur, Theodore Roosevelt, Collidge and Truman.

Korean Vets Get Welcome In New York

NEW YORK (AP)—Broadway stars turned a troopship into a night club last night to welcome home the first 1,923 Korea veterans to reach an East Coast port.

The Navy troopship the Gen. William Weigel, also carried 315 veterans of other Far East service.

The all-night show began soon after the ship dropped anchor in the lower harbor within sight of the Statue of Liberty. The Gen. Weigel will dock in Brooklyn today.

The all-night show was put together to keep the veterans from mooning too much over the New York skyline—so near, but still hours away for them.

It was the city's biggest troop welcome since World War II. The show ran almost continuously until dawn. Sometimes, it was going on in several places on the ship because of cramped quarters.

The vets had wolf whistles for the singers and actresses who came aboard.

"Man, I haven't seen a woman like that for 20 months," grinned one sergeant.

There were a lot more like him.

The men from Korea loved the show. And the Broadwayites loved them. The veterans were a wildly enthusiastic audience.

Ed Sullivan, columnist and television master of ceremonies, directed the main show.

It included such stars as French songstress Luciene Boyer, pianist-humorist Victor Borge, ventriloquist Jimmy Nelson, Cab Calloway, comedian Tom Ewell, Vanessa Brown, Martha Wright, George Britton and others.

Some of the show folks arrived after midnight on tugboats after doing their regular Broadway shows.

Billy Kenny of the Ink Spots and Snub Mosley and his "real gone and cool" musical combo arrived early, and kept plugging away.

The homecoming vets are from 31 states and the District of Columbia. Most of them live east of the Mississippi, with a few from Kansas, Missouri, Nebraska and New Mexico. They left Yokohama March 6, coming here by way of the Panama Canal.

BIRTHS

Mr. and Mrs. B. L. Alley, 1202 Twentieth Street, are parents of a daughter, Kimberly, born Sunday in San Angelo Clinic. Mrs. Alley and the baby were brought home Wednesday.

Strike Ended At Newspapers

SYRACUSE, N. Y. (AP) — News-hungry Syracusans were appeased today as their two daily newspapers operated normally after a two-day strike of AFL sterotypers.

The 27 employees yesterday accepted a retroactive pay package and a $5 weekly raise that brought their base scale to $96, and voted to return to the afternoon Herald-Journal and the morning Post-Standard.

Readers had fared on slim editions and beefed-up radio and television news broadcasts since the walkout began Tuesday.

The Herald-Journal did not publish during the strike, but the Post-Standard printed limited 16-page editions both days.

Dealers said copies were sold quickly and that out-of-town papers were snapped up as soon as they appeared. One said he was sold out of a New York City newspaper "within about two minutes."

The union did not disclose its original demands. But Publisher Richard Amberg of the Post Standard said the men asked for $9 a week. He said the raise accepted was the papers' original offer.

Eisenhower Foundation To Push Americanism In Elementary Schools

KANSAS CITY (AP) — The Eisenhower Foundation, set up originally to build a museum at Abilene, Kan., the President's boyhood home, plans to launch an Americanism program in elementary and high schools.

Gov. Edward F. Arn of Kansas, chairman of the foundation's finance committee, disclosed the plan at a trustees' meeting here last night.

"Although the program is not yet outlined," Arn said, "its purpose would be to get down and tell what Americansim really means."

Arn said the foundation already has spent $130,000 on the Abilene museum building which should be finished within the next two months, but needs $90,000 to complete it.

Trustees agreed that before launching the Americanism program, President Eisenhower would be asked for his opinion on the selection of educators and other nationally prominent persons to administer it.

Germans Turn Loose Nazi Conspirators

KARLSRUHE, Germany (AP) — Two of seven Germans arrested by British authorities on charges of plotting a Nazi conspiracy against the Bonn govenment were freed last night by a West German Supreme Court order.

Continued imprisonment was ordered for four of the accused. The seventh man, Karl Kaufmann, was released Wednesday because he was too ill to stand trial.

The British arrested the Germans in January and handed them over to the German government Wednesday.

Those freed yesterday were Dr. Karl Scharping and Dr. Henrich Haselmeyer, both former Nazi officials.

Alaska is nearly one-fifth as large as continental United States.

Survival Of Cancer Of Lung Operations High

LOS ANGELES (AP)—A Philadelphia surgeon says lung-cancer victims survived in 22 per cent of cases where one lung and sometimes parts of both lungs were removed.

The survival rate was determined in operations performed on 205 volunteer patients, Dr. John H. Gibbon Jr. told the American Surgical Association yestreday. Persons alive five years after operations are rated survivors.

Miss Eva Zay Arnold looks for new recipes to add to the list of others she has committed to memory. The Snyder woman knows about 20 special recipes and never writes any down.

EATING WITH SNYDERITES

Meat Loaf Without Bread Is Miss Arnold's Recipe

Miss Eva Zay Arnold, 3005 Avenue T, is rapidly gathering a recipe file, and one of the newest additions to it is for meat loaf like her mother makes.

Miss Arnold said the loaf is a favorite of hers because it contains no bread. She also said it is relatively inexpensive.

MEAT LOAF
2 tablespoon shortening
1 medium sized onion
2 pounds hamburger meat
1 box macaroni
1 can tomatoes
2 tablespoons chili powder

Melt shortening in frying pan. Cut up and add onion; cook until brown. Add hamburger meat, cook until brown and mix in chili powder and tomatoes. Cook macaroni separately until done; drain water from macaroni and add macaroni to above ingredients. Place in container and bake about 10 minutes. Serve while hot. Serves 8.

A salad Miss Arnold serves with the loaf is:

CARROT AND RAISIN SALAD
1 package lime gelatin
1 cup warm water
1 cup cool water
2 grated carrots
½ cup raisins
1 medium apple

Empty gelatin into mixing bowl and add warm water and then cool water. Place in refrigerator and cool. Just before gelatin is firm add carrots and raisins. Grate apple with peeling on into it. Place in refrigerator. Gelatin may be whipped before adding vegetables if desired.

Dress With New Slant!

—And it's right down the front—with smart asymmetrical lines! It's a sleeveless success with single pocket and side buttons for style sense—also for favoring the figure! Try linen shantung, pique for simple sewing.

No. 2428 is cut in sizes 12, 14, 16, 18, 20, 36, 38, 40, 42, 44. Size 18: 3½ yds. 35-in. or 3¼ yds. 39-in.

Mrs. N. L. Adams Is Honored With Dinner On 91st Birthday

Mrs. N. L. Adams, who makes her home with her daughter, Mrs. S. W. Angel, 1311 Twentieth Street, marked her ninety - first birthday Wednesday.

Twenty - eight relatives and friends honored her with a dinner Sunday at the Angel home. Sons and daughters who attended were Mrs. Angel, Mrs. Roy Taylor of Andrews, R. J. Adams of Brownfield, S. W. Adams of the Canyon Community and John Adams of Abilene. Two other sons, L. D. Adams of San Luis Rey, Calif., and Tom Adams of Corona, Calif., were unable to attend. Mrs. Ruby Sisson of Andrews was also an out-of-town guest.

Mrs. Adams was born April 1, 1862, in Milam, Tenn. She moved to Snyder 10 years ago, having living in the Canyon Community since 1901. Mr. Adams died in 1904.

Mrs. C. Walker Is Hostess For Club

Good Neighbors' Club members made plans for an exchange of gifts for Mothers Day when Mrs. Clifton Walker was hostess yesterday.

Readings were given by Mrs. Maudie Riley, Mrs. Bill Crowder, Mrs. Kenneth Pitner and Mrs. Grady Sellars.

Arrangements of lilacs were used throughout the home.

Thirteen members attended, and Mrs. G. W. Lewis was a guest.

NEWS FROM FLUVANNA

Mr. and Mrs. Burl Belew and J. J. Belew attended the funeral of J. J. Belew's brother, Sam Belew of Midlothian Sunday.

Cpl. William O. Mathis, son of Mr. and Mrs. W. F. Mathis is at Fort Sam Houston after serving a year in Korea with the 35th R.C.T. He will be stationed there until he is released from service.

Southern States Are Discussed At Cosmorama

Mrs. R. J. Kidd was hostess for the Cosmorama Club Wednesday afternoon at her home.

Mrs. Jack Bowden and Mrs. Renal Rosson presented the program on the Southern states. Mrs. Bowden showed movies of the Kentucky Derby and of Calumet Farms. She also showed pictures of the Mardi Gras and other New Orleans scenes. Mrs. Rosson discussed the states along the Atlantic seaboard.

In a business session, Mrs. Leland Herod was appointed to the city federation committee.

Arrangements of iris were used in decorations.

Twenty-one members attended, and guests were Mrs. Howard Crenshaw, Mrs. Harvey Durham and Mrs. Marshall Erwin.

Helps For Homemakers

Send your questions to "Helps for Homemakers" Snyder Daily News, or call 3-6626.

I would like to know how to make good croquettes. I have a new deep fryer and should be able to turn out edible croquettes, but so far I haven't had much luck. Mrs. M. R.

For fish, meat or poultry croquettes, use this recipe:
¼ cup butter or shortening
1-3 cup all-purpose flour
1 cup milk
1½-2 cups very finely chopped or ground cooked meat, fish or poultry.
Seasonings to taste

Melt butter in 1-quart saucepan on medium heat. Add flour; blend. Add milk and cook on medium heat, stirring constantly until mixture thickens. Cook an additional one minute. Blend fish, meat or poultry into mixture; add seasoning. Spread in an 8x8-inch pan, the bottom and sides of which have been lined with wax paper. Chill thoroughly in refrigerator until firm.

Lift mixture from pan, using wax paper, and cut into 12 even pieces. Coat with egg mixture and bread crumbs. Put croquettes in fry basket, about 4 pieces at a time, and fry at 357 degrees for 2-3 minutes.

As a coating for the croquettes, combine the following ingredients:
¼ cup all-purpose flour
1 egg, beaten
2 tablespoons water
1 cup finely sifted bread crumbs

Coat croquettes with unseasoned flour. Dip into mixture of egg and water, and coat again with bread crumbs. You could substitute 1½-2 cups finely crushed cornflakes for the bread crumbs.

* * *

We have been driving small nails into plaster walls so that we can hang pictures. We use the special kind of plaster nails, but the plaster still cracks slightly. Is there anything that can be done about this? M. C.T.

Try pasting a small piece of adhesive tape over the spot where the tack or nail is to be driven. The plaster should not crack so easily.

* * *

Is there anything about milk that will cause it to stain the refrigerator? From time to time I have spilled milk and it seems to have stained the enamel on the top of the refrigerator, yet I cannot understand how white milk can stain a white refrigerator. E. N.

Lactic acid in milk will stain enamel or porcelain in time. Immediately wash off foods and liquids spilled on the inside or outside of the refrigerator.

Lamesa To Be Host For PTA District Meet

Lamesa will be host to the annual spring conference of the sixteenth district of the Texas Congress of Parents and Teachers April 20-21.

A Family Fun Night has been planned for the first day of the convention. A luncheon for the board of directors and a pre-conference meeting will also be held.

The conference is to include discussions of leadership, training, program planning, legislation and study groups, according to Mrs. Alice Fienniken, of the Lamesa P-TA City Council.

Officers will also be elected for the district during the two-day meeting.

Mrs. Cargile Leads Study Club Program

Mrs. H. W. Cargile led a program on Japan when Mrs. Waldo Montgomery was hostess for the Twentieth Century Study Club Tuesday.

The home life of the Japanese was discussed by Mrs. H. J. Brice. Mrs. Cargile discussed the religion of Japan and "The Rejection of the Simple Faith." Mrs. Stanley Hill told of American soldiers with Japanese wives.

An Easter theme was carried out in refreshments and decorations. A dessert plate was served 15 members and one guest, Mrs. Rose Choate of Las Vegas, Nev.

EVENTS OF THE WEEK

FRIDAY

Stumble and Fall Square Dance Club, 7:30 p.m., rodeo pavilion.

Latrell Elrod Is Hostess For Party

Latrell Elrod entertained with a party Tuesday night at the home of her parents, Mr. and Mrs. Obi Elrod, 804 Twenty - third Street.

Guests were Shirley Brown, Connie McDaniel, Elizabeth Dubbs, Winifred Watson, Randel DeShan and Harold Dean Strickland.

Most algae grow only when permanently submerged in water.

Beauty Convention Report Given Here

Miss Martha Landfield, delegate to the Texas All-State Beauty Show in Dallas, gave a report of the convention Wednesday at a dinner meeting of the Snyder unit, Texas Association of Accredited Beauty Culturists. The meeting was at the Manhattan Banquet Room.

Hair, hair styles and new products shown at the convention were discussed following the report.

Mr. and Mrs. Ralph Mitchell and children, 2305 Avenue R, are to visit Easter with her parents, Mr. and Mrs. J. E. Frost of Putnam, Tex.

PERSONALS

Mrs. F. M. Brownfield, 3012 Avenue W, was taken to Hendrick Memorial Hospital in Abilene after a fall in which she suffered a broken nose. Mr. and Mrs. A. L. McMillan, 3011 Avenue W, accompanied her to the hospital.

Heavyweight Championship Is Postponed Over Bloody Nose

CHICAGO (AP)—Seldom has a nose bleed caused so much confusion as Rocky Marciano's.

It has forced a five-week postponement of the champion's heavyweight title fight with Jersey Joe Walcott. The scrap, all geared up for April 10, has been delayed until May 15.

It will be at the same place, Chicago Stadium; have the same television sponsor, a razor blade company; be on the same night of the week, Friday; and undoubtedly have more $50 customers in the bag for the original scale of 12,000 seats at that price.

With a week of ticket sales remaining before the Scheduled April 10 date, the sponsoring International Boxing Club said $191,205 was in the till with $123,250 in mail and season reservations still to be picked up.

This left $435,545 worth of tickets yet to be sold before an anticipated $570,000 gross could be realized. Another $250,000 or $300,000 from television and film rights would give the IBC its ballyhooed "million dollar gate" for this second meeting of the two fighters.

The IBC, admitting the sale of its $50 seats was slow, reqdested the Illinois Athletic Commission to postpone the bout yesterday because of Marciano's bloody nose.

Rocky, apparently, had been having nose trouble at his Holland, Mich, training camp ever since he was clouted on it Sunday by sparmate Tommy Harrison. It bled then and again during workouts Tuesday.

He wore protective gear in his workouts on Wednesday. That same day, a delegation of the Illinois commission examined Marciano and reported he was in fine shape.

Later that day a nose specialist from Holland was consulted and examined Rocky. It turned out the champion had two ruptured small blood vessels.

"If the fighter had gone into the ring in that condition," said commission member Lou Radzienda, "he wouldn't be worth two cents and a blow might even have ended his career."

It all brought a shudder to Al Weill, Rocky's manager, who recalled what happened once to one of his other fighters, Marty Servo. Servo was never able to defend the welterweight title he won from Freddie Cochrane because of a nose injury in a bout with Rocky Graziano.

"I've got another champion now and I can't afford to take a chance" said Weill. "He'll lay off training for two weeks."

Heres the way others felt about it:

Marciano—"Of course, I'm disappointed. It's too bad this happened. But the delay won't make any difference to me."

Charley Goldman, Marciano's trainer—"The delay won't bother Rocky as much as it will Walcott who probably is worrying about whether this is a put-up job."

Walcott—"We'll all pack up and resume training at Pleasantville (N. J.)." (Walcott was hustled to Chicago last Monday to help perk up ticket sales.)

Dan Fiorio, Walcott's trainer—"The delay won't hurt Joe. We'll taper off for a week then go back into strict training. The guy's in terrific shape right now, 198 pounds, just the way I want him."

"One thing for sure," said a ringbird, "the postponement will let both guys spend Easter with their families."

Spring Training Starts

DENTON (AP)—North Texas State opens spring football training next Wednesday with 29 lettermen to greet Coach Odus Mitchell.

The horn of the rhinoceros is composed of compressed hair.

Snyder Sending Entries To Big Spring For Meet Saturday

A full slate of entries from Snyder will be in events to be run in the American Business Relays at Big Spring tomorrow.

While chances may be slim for Snyder to come near winning the meet, several Tiger entries are favored for top places in events the meet, in which 34 teams are entered.

Keith Pitner, second place man in the 880-yard run in the Southwestern Recreational meet at Fort Worth, is a possibility for first place in that event, but his running would have to be extra hard to break the record. The record, which was set by Lepard of Big Spring in 1948, is 1:58.9. Pitner's time in the Fort Worth meet was 2:04.5. He has run better times in practice.

The medley relay team, which took second places at the Canyon Reef Relays here and the West Texas Relays at Odessa, is one favorite. It is composed of Deanie Floyd, Gerald Crawford, Gary Harris, and Charles Osborne.

Another top group is the mile relay team, which also took second at the Odessa meet, composed of Tommy Ivison, Jackie Grimmett, Reagan White, and Floyd.

White, who took fourth place in the Snyder meet in the 440-yard dash, may place in that event tomorrow.

Other entries include Crawford and Robert Hagins in the 100-yard dash, Pitner and Ivison in the 220, Davis in the 440, Robert Burney in the 880, Naxie Davis and Bernie Hagins in the mile run, White and Bernie Hagins in the pole vault, Robert Hagins and Osborne in the broad jump, Morris Hataway in the shot put, Harris and Davis in the discus.

In the shuttle hurdles (320 yards) will be Bernie Hagins, Osborne, Joe Baxter, and Harris. The 440-yard relay squad will be made up of Crawford, White, Grimmett, and Harris, and the half-mile relay team will be Floyd, Ivison, Davis, and Grimmett.

The meet will begin at 8:30 o'clock tomorrow morning, ending at 4:05 o'clock tomorrow afternoon. Finals will begin at 1:15 o'clock tomorrow afternoon.

Heavy Below Par Play In First Round

WILMINGTON, N. C. (AP)—Tommy Bolt, the year's No. 3 money winner of professional golf, and three comparative strangers hogged the spotlight going into today's second round of the $10,000 Azalea Open Tournament.

Bolt, the Oklahoma-Texas pro who now registers out of Maplewood, N. J., came through on schedule with a six-under-par 66 in yesterday's opening round.

But the big news was the way three unheralded performers came through. Mike Souchak, who graduated from Duke University last spring, matched Bolt's 33-33 card.

He and Bolt were only one stroke ahead of two other performers—Wally Ulrich of Austin, Minn., and Fred Wampler of Indianapolis, 1950 National Intercollegiate champion.

Locked at 68, two strokes off the top end, were Cary Middlecoff, Memphis, the No. 2 money winner of the year; Johnny Palmer, Charlotte, and John Ruedi, the greenskeeper at the host Cape Fear Country Club.

If any faltered there were five 69 shooters ready to charge into the gap: Johnny Bulla, Verona, Pa.; Jay Hebert, Erie, Pa.; Lew Worsham, Oakmont, Pa.; Leo Biagetti, Baltimore, and Doug Ford, Harrison, N. Y.

All told, 26 players bettered par 72 over the 6,652-yard layout with six others matching the standard figures in ideal wathre.

Low amateur was Ray Taylor Jr., Southern Pines, N.C., with 70. The field will be cut to the low 60 and ties for the Saturday and Sunday play.

Exes Winners In Game Here

Prospects for a good cage team for next year's high school play was indicated last night when the 1954 team lost, but just barely lost, a game to the exes of the team.

The exes, who won 59-53, were mostly members of the past season's team which was co-champion with four other teams in the district.

The losing team led the game most of the way, picking it up after a few minutes of nip and tuck play in the first period. From that time, they held the lead until the final period, when the exes closed up the gap and moved ahead.

The 1954 team led 16-12 at the end of the first period, 28-19 at the half, and 40-35 at the end of the third quarter. At one time in the second period, the team was ahead of the exes 12 points. In the last quarter, the exes moved about 10 points ahead after taking the lead, then the future team began closing it up, but time ran out on the team.

Joe Cargile led scoring for the exes with 23 points, followed by Ned Underwood with 14. Jimmy Bennett paced the future team with 24 points.

The limit on fouls was lifted and players left in the the game. Cage Coach Gene Gibson said that at least one more game will be matched between the two squads before spring training ends next Thursday.

Even Break In College Play

(By The Associated Press)

Southwest Conference baseball teams broke even Thursday against outside competition, losing one game while winning another.

The third scheduled game—Texas A&M vs. Brooke Army Medical Center at San Antonio—was rained out.

The Texas City Texans of the Class B Gulf Coast League defeated Rice Institute, 5-2, with tight two-hit pitching from John Shepard and Charlie Beal.

The University of Texas Longhorns defeated Sam Houston State College of Huntsville, 3-2, on Gene Oden's bases-loaded double in the last of the ninth.

Rice picked up a 1-0 lead in the third inning when Leroy Fenstermaker doubled in Al Jochec. Texas City, however, scored twice in the fifth and sewed it up with two more runs in the seventh.

Rice starter Richard Floyd was charged with the loss although he allowed the Texans only three hits and two runs in his six-inning stint at Texas City.

At Austin, Sam Houston's Bearkats entered the final frame with a 5-2 lead over Texas after taking advantage of two Longhorn errors and hitting in the clutches.

Friday games were to match Southern Methodist and the Dallas Eagles of the Texas League at Dallas; Texas A&M and BAMC at San Antonio and Texas Christian and Hardin-Simmons at Abilene.

Durocher Finding Few Bright Spots As He Works On Lineup

By GAYLE TALBOT
Associated Press Staff Writer

DENVER (AP)—It did not require Leo Durocher's non-appearance at a banquet here to convince those close to the situation that the New York Giants are a seriously disturbed baseball club a fortnight before the National League season opens.

Their pitchers have not been pitching, their hitters have not been hitting, and they are blue and angry at the series of high score beatings that have been administered to them by the red-hot Cleveland Indians in their exhibition junket across the West. The atmosphere is nearly as funereal as it was when Monte Irvin broke his ankle here a year ago today.

Just what has happened to the powerful looking team which won the flag two seasons back and ran a strong second last year is difficult to analyze. Some of those who have been with the Giants all Spring are convinced a reaction set in among the players several weeks ago when they finally realized their great center-fielding teammate, Willie Mays, was not to be released by the Army.

Most players are superstitious to some extent. The Giants knew they won in '51 with Willie out there, and that they didn't win last year after Uncle Sam grabbed the brilliant young Negro. They came to camp this Spring thinking—or at least hoping strongly—that he would be back. The news that Willie's request for a discharge had been turned down drew long faces.

That, however, is purely in the abstract and could not account entirely for the miserable showing Durocher's athletes have been making for the past week and which caused him to bench practically his entire first string in yesterday's bout with the Indians.

Bobby Thomson, one of the team's best hitters, has been out of the line-up for two weeks with a cracked bone in his right hand, the result of having been struck by one of Mike Garcia's fast balls. The absence of such a star from the fat part of the batting order is bound to be felt, especially when a club is facing Cleveland's pitching staff day after day.

Monte Irvin, the clean-up hitter, has recovered from the ankle break, but is limping from a sore instep incurred when he stepped on a clod in Phoenix. Leo let him rest it in the games here. When both Bobby and Monte return to the line-up it is possible the club's attack will perk up some and Durocher's blood pressure will subside. It had better happen soon.

Bucceroni Picked To Repeat Over Davey

NEW YORK (AP)—Stringy Danny Bucceroni of Philadelphia is an 11-to-5 favorite to repeat his triumph over husky Dave Davey of Seattle in the feature ten-rounder at St. Nicholas Arena tonight. The 9 p. m. (CST) bout will be broadcast (ABC) and telecast (NBC).

The odds seem out of line in view of the narrow escape Bucceroni had in the first fight here last Oct. 17. The 25-year-old Philadelphian piled up a big lead and barely won as Davey put on a closing rally.

Rice Pitcher Went 15-Inning Distance

HOUSTON (AP)—Any pitcher going 15 innings is doing quite a day's work, and if it's in March and in college baseball it's on the terrific side.

That's what Bobby Leggett did for Rice as the Owls fought Texas to a 2-2 tie in 15 innings. Texas used three pitchers but Bobby just went all the way. Texas scored in the first inning but from then until the ninth got only one hit.

From the ninth through the 15th Texas had at least one man on base an inning as Leggett tired. But the game young man from Harlingen just "bowed his neck" and came through.

It was quite a feat.

John Tyler had more children than any other President of the United States—14 by two wives.

Easter Marks End Of Lenten Season For Roman Catholics

While Easter Sunday is a day of deep significance to all Christians it will also close a period of penitence called Lent observed for 40 days by Catholics at St. Elizabeth's Church here.

Originally Lent meant the coming of spring which also coincided with church observances of the crucifixion, said the Rev. Edward Chrisman, pastor. Women wore mourning clothes during the Lenten season although the practice was discontinued in the nineteenth century. Strict observances were abondaned a century earlier, he said.

One day in the season is Good Friday the anniversary of the crucifixion, which was probably derived from "God's Friday." During today the altar and clergymen are draped in black. Father Chrisman said. The history of the Passion is read according to St. John often in plain-chant sung by three priests, he said.

Tomorrow, Holy Saturday, will be official mourning of Christ in the toomb in preparation to his rising Easter Sunday. During this day, Father Chrisman said, the fire from which church candles are lighted will be blessed. The priest will make the fire from flint. This ritual is done with the thought that Christ is the light of the world, and a lit candle always represents Christ living, Father Chrisman said. Also during this day baptismal water to be used during the year is blessed.

About 11 o'clock tomorrow morning the church will have a mass in memory of the breaking open of the tomb. On Easter morning the actual resurrection mass is given, the priest said.

The services are mostly in Latin, he said. Yesterday, Maundy Thursday, was observed with a mass in the honor of the last supper, Father Chrisman said.

In the early church, the priest said, the fast during Lent was strict, permitting one meal per day which was not taken until 4 o'clock in the evening. Now the church members abstain from eating meat until the evening, Father Chrisman said. Also in the early church the clergy and people of Rome gathered for prayers and went to the Stational Church where they heard the Pope's mass and received Communion, he said. The catechumens, those instructed extensively before their baptism, were baptised on Holy Saturday, Father Chrisman said.

The church's prepration for Easter began with the approximately 40 days of Lent which were suggested by the fasting of Moses, Elias and Jesus, the priest said. Lent was first mentioned in the fifth canon of the Council of Nice and in the Festal Letters of St. Athanasius to Bishop Serapion of Thmuis written in 341 A. D., he stated.

In Asia Minor the Lord's death and resurrection were kept on the fourteenth of the month Nisan (the American March - April), the same day the Jews celebrated their Passover. Nearly everywhere else Easter was kept on the first Sunday after the first spring full moon and never the same day as the Passover. Hundreds of years elapsed before uniformity was achieved, Father Chrisman said.

Included in the observance of Lent is Holy Week which is the week just before Easter and Passion Week, the second week preceding Easter. Other observances include Ash Wednesday which opens the penitence season, one of four observed during the year. On that day, Father Chrisman said, "Ashes are placed on the foreheads of the faithful with the words: 'Remember man that thou art dust, and unto dust thou shalt return,' to remind them they are about to enter into the season."

During Holy Week at the Vatican the Pope washes the feet of 13 poor persons, all priests. In Austria in the time of the empire, the emperor performed the same rite with much ceremony.

Holy Week Services At First Methodist Church Ending Tonight

Week day services for Holy Week at the First Methodist Church will be closed tonight at 7:30 o'clock with observance of family night.

Gifts will be given to the largest family present and family with the largest number of relatives present, according to the Rev. Woodrow W. Adcock, pastor. Bishop W. C. Martin will speak on "The Glory of a Courageous Choice" at the service. Special Easter plans for observance of the week include sermons by Bishop Martin at 8:30 and 10:55 o'clock Sunday morning on "And the Life Everlasting."

A men's quartet will furnish Easter music at the early morning service, and the choir will sing for the 10:55 o'clock service. The pastor will deliver the evening sermon at 7:30 o'clock.

Sunrise Breakfast For College Students Here

A sunrise Easter breakfast honoring college students will be given at 7:30 o'clock Sunday morning at the home of Miss Ila Ruth Newton at 2711 Avenue V by young persons of the First Baptist Church.

About 35 persons are expected to attend, according to Miss Catherine Williamson, program chairman. Following the breakfast the group will attend Sunday school.

Rev. Adcock To Speak At Sunrise Services

The Rev. Woodrow W. Adcock, First Methodist Church pastor, will speak at Easter sunrise services to be held in the county park for the public Sunday morning at 6 o'clock.

The services are under the sponsorship of the Snyder Ministerial Alliance. Local ministers will participate, according to the Rev. Ronald Hubbard, alliance president.

Services At North Side Baptist Named

Sunday morning at 11 o'clock the subject of the Rev. Jack Dean's Easter message to members of the North Side Baptist Church will be "If Jesus Lives, What Then?"

At the 7:30 o'clock evening service which will be broadcast Mr. Dean will speak on "The Bread and the Cup." Communion service will also be held.

Next week the pastor will begin a revival at the Hillcrest Baptist Church in Lamesa.

Rev. Cates Names His Subjects For Sunday

"The Many Infallible Proofs of Christ's Resurrection" will be the subject of the Rev. T. Gerald Cates sermon at 11 o'clock Sunday morning at the Calvary Baptist Church.

The 10 o'clock Bible study that morning will be on the crucifixion. At the evening service at 7 o'clock Mr. Cates will speak on "He is not here but Risen." "The Supreme Importance of Christ's Resurrection" will be the subject of the radio address at 8:30 o'clock that evening.

Bible Class Holds Meeting In Fluvanna

FLUVANNA — The Ladies Bible Class of the Church of Christ met with Mrs. Horace Carmichael Tuesday for an all-day meeting and covered-dish luncheon.

Cup towels for an orphans home were made.

Eleven members attended.

Wiener Roast Planned

Intermediate Training Union of the Avenue D Baptist Church will have a wiener roast sponsored by E. J. Hardin at the church tonight at 7:30 o'clock.

Games leaders will be Robbie Yates, Hazel Young and Pat Diggs.

Breakfast Called Off

The adult couples class of the First Baptist Church will not have their Easter sunrise breakfast at the Newton Ranch as had been planned, Mrs. B. J. Weaver, group chairman, said.

Singing In Fluvanna

FLUVANNA — Guest from Snyder, Loraine, Colorado City and other area towns attended a singing Sunday at the Baptist Church here.

This is a regular event on fifth Sundays.

Jewish Evangelist Is To Hold Revival Here

The Rev. Morris Lefkovitz of The Rev. Morris Lefkovitz of Oklahoma City will preach in the revival meeting of the Assembly of God beginning Sunday morning, the Rev. Robert Owens, pastor, announced.

The two-week meeting, scheduled to continue through Sunday night, April 19, wil be the third in which Mr. Lefkovitz, Jewish evangelist, has served the Snyder church.

Services will begin each night at 7:30 o'clock. Services next Sunday will be held throughout the day at the church, 1809 Avenue S, and dinner will be served there, Mr. Owens said. The radio broadcast sponsored by the church will be held at 1 o'clock, and the church has planned an Easter egg hunt for the afternoon.

Holts To Be Hosts To Class For Breakfast

The young couples class of the First Baptist Church will have an Easter breakfast at 7:30 o'clock Sunday morning at the home of Mrs. Wayland Holt at 1901 Avenue O.

Program chairman for the event is Mrs. Erich Arnold. Mr.andMrs. Holt are teacher and assistant teacher for the class.

Avenue D Baptist Youth Taking Over Adult Offices Sunday Night

Sunday night youth week at the Avenue D Baptist Church will be opened during which youth of the church will hold adult offices.

Weldon Smith, Sunday school superintendent, will act as general superintendent. Pat Diggs will be training youth director; Reva Strickland, Sunday school pianist; Robbie Yates, Sunday school chorister Derwin Thompson, brotherhood president.

And Ann Young, Woman's Missionary Union president; Buster McGinty, board of deacons chairman; Delbert Lloyd, training union pianist; Robert Hardin, Training union chorister, Weldon Smith, Hazel Young and Reatha Ledbetter, publicity committee. Mrs. June McGinty is in charge of the Wednesday evening prayer service.

Party Held Yesterday

The Esrudoma Sunday school class of the First Baptist Church meet yesterday afternoon with Mrs. Earl Person, 218 Thirty-fifth Street for a party.

Co-hostess was Mrs. Gerald Walton. Cookies and punch were served. Mrs. John DeShazo is teacher of the class.

Baptists In Big Spring For District Meeting

Snyder Baptists were among those attending district committee executive board meetings at the District camp grounds in Big Spring yesterday.

Committees met to discuss various phases of Baptist church life. The Rev. J. Woodrow Fuller of Dallas, assistant executive secretary for Texas Baptists, met with the stewardship-missions committee during the morning and also spoke to the executive board.

Those attending from Snyder included E. H. Williamson, Sunday school committeeman; and executive board members; the Rev. L. V. Ratliff, evangelism; the Rev. Floyd Strickland, vacation Bible school.

Ted Norton's Topics

Ted Norton; Church of Christ minister, will speak to 8:45 and 10:50 o'clock Sunday morning assemblies on "The First Day of the Week or Easter?"

At the evening service at 7 o'clock Norton will talk on "The Church of Christ, Is it of Modern Origin?" Bible classes will be held at 10 o'clock that morning.

REVIVAL

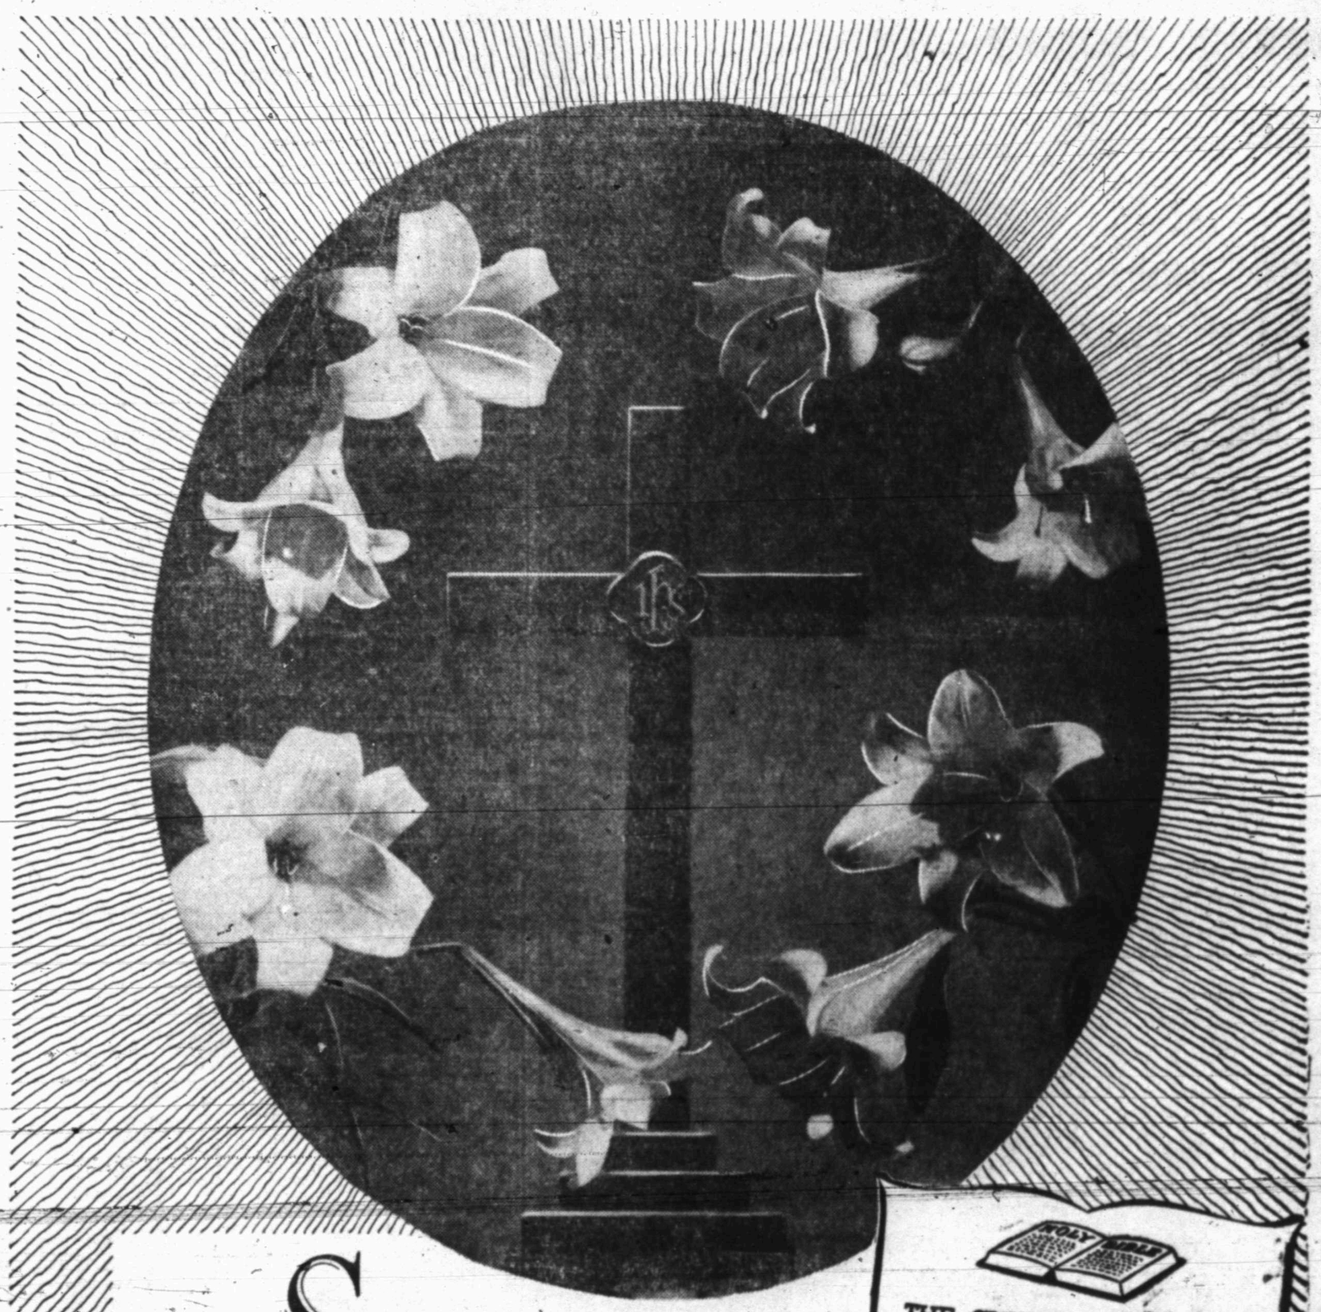
FIRST ASSEMBLY OF GOD

Avenue S and 19th Street — Snyder, Texas

For two weeks — Beginning Sunday, April 5th through April 19th.
HEAR — Morris Lefkovitz, Jewish evangelist of Oklahoma City, Okla.

SERVICES EACH DAY AT 7:30 P.M.

Robert M. Owens, Pastor



THE SYMBOL OF LIFE

Easter lilies and a cross. A strange and wonderful symbol of life.

The lily is among the most delicate of flowers. And the cross is an ancient instrument of execution.

But the lily is pure and fresh and alive with beauty. And the Cross reminds men of the Christ who rose from the grave.

Together they echo the promise the first Easter fulfilled, the promise of eternal life for all who believe in Jesus, the Son of God.

But Easter lilies and a cross are only a symbol. To find the true joy of Easter and its wondrous promise—come to Church on Easter Sunday.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Book	Chapter	Verses
Sunday ..... Matthew	28	1-10
Monday ..... Matthew	28	11-20
Tuesday ..... Psalms	15	1-5
Wednesday ..... Psalms	23	1-6
Thursday ..... Psalms	37	1-10
Friday ..... Psalms	84	1-9
Saturday ..... Psalms	84	5-12

WHAT IS YOUR DECISION?

The judge was troubled. Before him stood an innocent man. Pilate (the judge) wanted to free Jesus but an angry mob of Jews demanded his death. What shall he do with Jesus? Let us consider some answers to this question which men have given. Which decision is yours?

The cry of envy: "Let him be crucified!" (Matt. 27:15-23). Some people today answer similarly. If they had their way, there would be no Bible, no church, no gospel preaching!

Greed said, "I will sell him." (Matt. 26: 14-16). When Judas sold Jesus to the Jews, he sold himself to Satan. Jesus is the truth (John 14:6). He who sells the truth, sells Jesus!

Fear said, "I will deny him!" (Mark 14:66-72). Peter was a victim of evil environment (1Cor. 15: 33). When one denies Jesus' doctrine, he denies Jesus (2Pet.2:1). He who denies Jesus will be denied by Jesus. (2Tim.2:12).

The cry of intolerance was, "I will persecute him!" (Acts 9:3-5). All who persecute the disciples of Jesus persecute Jesus! — misrepresent disciples, misrepresent Jesus!

The politician said, "I will be neutral." (Matt. 27: 24-26). Look at Pilate: Too weak to take a positive stand for Christ, yet too fearful to deny him altogether; so, he acted the coward — he tried to be neutral. But this is an impossible position! (See Matt. 12:30)

Feeble indecision said, "I will postpone my answer." (Acts 24:24-25). He who delays his decision for the Lord makes a decision against the Lord!

"I am almost persuaded to take him" was the answer of passing impluse (Acts 26: 27-29). Good impulses often perish for want of action. The road to hell is paved with good intentions!

"We will take him now," was the decision of wise men! (Acts 2:36-41). To take Christ means to believe what He says and obey what He commands (John 14:15).

Then, Jesus stood before Pilate —he was judge. In the great Judgment Day, Pilate will stand before Jesus—He will be the judge.

Dear reader, at this hour Jesus stands before your judgment bar—you are the judge! What will you do with Him? Which of the above decisions will you make? Some day you, too, will stand before the judgment bar of Jesus.

What will Jesus do with you? It all depends on what you now do with Jesus!

Attend the church of Christ in your community! You will find a welcome! ... ...

Computations On Jesus' Size Made After Study Of Shroud

ROME (AP) — Jesus Christ was more than 6 feet, long-limbed and finely muscled.

This is the conclusion of Roman sculptor-artist Lorenzo Ferri after 21 years of study of the Sancta Sindone, the shroud believed by many scholars to be the white linen cloth Joseph of Arimathea wrapped around Jesus' body after it was taken down from the cross.

Ferri is convinced that the shroud—preserved in a cathedral at Turin and long the property of the former royal house of Italy—is the cloth of which both St. Luke and St. John wrote.

St. Luke, describing Jesus' passion and death, wrote that a man named Joseph went to Pilate and begged the body of Jesus.

"And he took it down, and wrapped it in linen and laid it in a sepulchre that was hewn in stone, wherein never man before was laid." (Luke Chap. 23, V. 53)

Like Veronica's veil, with which the holy woman wiped the sweating bleeding face of Jesus as he labored under the cross on the way to Calvary, the shroud bears an imprint. The imprint is of an entire body, both front and back.

Its history has been well known for ages. In the past it was the center of frequent and sometimes hot debate over its authenticity. It remained for the discovery of modern photography to bring about new intensive study of the shroud.

The first international study group of the Sancta Sindone was received in special audience by Pope Pius in 1951. The Pope later accepted reproductions of the head of Christ sculptured by Ferri after minute calculations of the image on the shroud.

These show a noble, majestic face, with a powerful, dominant brow, prominent nose, mobile lips and two-tufted beard.

When the shroud was exhibited publicly in 1898 a photograph of it was permitted. There was a sensation when it was discovered that the photographic negative held a positive image. This proved that the image on the shroud, in effect, itself was a negative.

Ferri, in his studies, uses life-sized copies of the most recent photographs of the shroud made in 1933.

Meticulous study of these photographs finally led to Ferri's belief Jesus Christ was considerably taller than first thought from preliminary examinations of the shroud. These had conceived of the figure as having been straight and flat on the cloth.

Ferri noted that its folded hands came to a point on the thighs they could not normally reach if the figure were erect or lying flat. From this he deduced that Jesus' body was curved slightly in the shape of the letter "S."

Then, using living models and placing them on a sheet that reproduced the measurements of the shroud, he arrived at his computation of Christ's height. This, he discovered could not be less than 6 feet 1 nor more than 6 feet 2.

Dr. Paul Vignon in 1901 read a paper before the Academic des Sciences in which he maintained the impression upon the shroud was a "vaporigraph" caused by ammonical emanations radiating from the surface of Christ's body after so violent a death. Such vapors, he said, were capable of producing, a deep reddish brown stain, varying in intensity with the distance, upon a cloth impregnated with oils and aloes.

St. John, in his version of the crucifixion and death of Jesus, mentioned the mixture with which his body was anointed and which —students of the Sindone now believe—produced the negative impression on the fine linen mesh.

Mouth Cancer Requires Early Treatment For Assured Cure

By HAYES MARTIN, M. D.

If a mouth cancer is no larger than a man's thumbnail, chances for permanent cure are twice as good, in the average of all cases, as they are when the growth has exceeded these dimensions.

That's the sum of new statistics based on experience at the Memorial Cancer Center in New York City.

Although it has long been known both by the profession and the public that early comers for treatment have the best chance against the ravages of cancer, this has been a vague general statement of limited value because it did not answer the question: "What is early?"

Based on the "thumbnail" test, the following striking comparisons can be made between the chances of permanent cure of those who have gone to the doctor, who, in turn, has determined the nature of the growth and begun treatment before the lesion has exceeded approximately 4-5ths of an inch in diameter, and the mixed group of early and late recipients of medical care:

For the lip: 86 per cent of early comers are cured as against 70 per cent of the mixed group; for the tongue: 55 per cent as against 28 per cent; floor of mouth: 50 per cent contrasted with 25 per cent; mucosa of cheek: 60 per cent as against 29 per cent; hard and soft palate; 57 per cent against 31 per cent; gums: 38 per cent against 26 per cent; tonsil 40 per cent against 18 per cent.

The responsibility, then, rests first with the patient to visit the physician as soon as possible after the first symptom is noticed.

Any sore in the mouth that does not heal in approximately 10 days, and any lump or area of thickening which develops within the mouth, are signs which call for prompt examination by a doctor.

Actually, in many instances such findings indicate only some simple condition which can be easily treated and the fear that cancer may be present is often entirely relieved by competent medical examination. It is the responsibility of the doctor to make the diagnosis and begin treatment as soon as possible.

In the case of a good patient chances for permanent cure are excellent. On the other hand, if the doctor fails to institute treatment in the early stages, the chances for cure diminish.

If the patient is slow in presenting himself for medical care, the doctor, no matter how skilful he may be, of necessity is greatly handicapped.

Contract On New Christian Church Is Let

Contract for construction of the new First Christian Church building at Thirty - seventh Street and Austin Street was let to Keenan Construction Co. of Snyder for an estimated cost of $65,000 Wednesday night, Emory Smith, chairman of the building committee, said.

To be of Colonial style red brick masonry construction, the building will feature a combination education building and sanctuary, Smith said.

It will be built on a concrete slab foundation to form a T-shaped structure with the auditorium section between two wings. The auditorium will have 18-foot walls making it equal in height to two stories.

Ray J. Keenan, owner of the construction company, said he expects to complete construction on the building within 120 days. Electrical contract on the project was sub-let to Howell Electric Co. of Snyder.

The congregation of the First Christian Church now meets temporarily in the cafeteria of West Elementary School where they moved after sale of their old building at Avenue S and Twenty-seventh Street.

Smith said that the new building will have 11,000 feet of floor space, and that the contract for construction includes provision of central heating and air-conditioning ducts.

"We are working out details of the heating and air-conditioning system now, and are positive that they will be provided although contracts on them have not been let yet," Smith added.

Hermleigh Students Earn Highest Degrees In Homemaking Work

Two high school girls of Hermleigh have earned state degrees in the Future Homemakers of America, the highest degree awarded in the work.

They are Billisue Groves and Wanda Sue Vandiver, both 17 and juniors in the high school.

Orville Paty, school superintendent, said girls work long hours in the school, home, church, and community to earn the degree. It will be awarded the girls at a state homemaking meeting in San Antonio April 30-May 2.

Attending the meeting will be the two girls, Mrs. Joe May, homemaking teacher; the two other students, Helen Etheredge, a senior, and Juanita Simmons, a sophomore.

Bishop Martin Speaks At Rotary Club Here

Methodist Bishop W. C. Martin of Dallas was speaker to the Rotary Club at its regular meeting yesterday.

The talk was on the theme, "The future belongs to those who believe in it." The bishop is leading revival services at the First Methodist Church this week.

Visiting Rotarians were Hicks Allen, new SACROC manager here; Leland Glass and O. O. Hollingsworth, both of Sweetwater; and Bob King of Midland.

Other visitors were the Rev. W. W. Adcock and Ed Bolger.

PERSONALS

Mr. and Mrs. C. T. McLaughlin, Diamond M. Ranch, returned Wednesday from San Antonio where they attended a meeting of the Texas Independent Producers and Royalty Owners Association which he was elected vice president of District 8. They were also in Austin for the University of Texas homecoming and Round-up.

Mr. and Mrs. Riley Foster, 1500 Twenty-seventh Street, have been guests of his brother, Bert Foster, of Lueders, Tex.

Mrs. A. A. Bowen, Colorado City Highway, was in Sweetwater for medical care Wednesday.

Jimmie Sartor, 422 Twenty-eighth Street, is visiting his father, B. C. Sartor, in Seminole, Tex.

School Board Election Set For Tomorrow

Polling is to begin at 8 o'clock tomorrow morning in the school board trustee elections of all districts of the county. Elections will be held at the schools in all districts except Snyder's which will be at the district tax office, west of the city hall.

Polling for candidates of the county school board may be done in each district. The names of the two candidates for the county board will be listed on all ballots along with the names of candidates for the particular district in which the ballot is being used.

The names of six candidates for the Snyder district will appear on the ballots used here, and each voter is entitled to vote for any three of the candidates. The three receiving the highest number of votes will be elected. Candidates are Wayne Boren and Paul Keaton, for re-election, Dr. John Hamblen, Weldon Johnson, M. R. Estes, and Clyde Godwin.

Polls are to close at 7 o'clock. Nine persons have voted by absentee ballot, Hardy Scarborough, secretary to the school board and the district's tax assessor, said he did not remember of a previous year in which absentee votes were cast.

Rhinoceros horn was long used for medicinal purposes in China.

Humble Revenue Down During Last Year

HOUSTON (AP)—Humble Oil reported a decrease of 24 million dollars net earnings from 1951.

Earnings of $145,292,100 last year were equivalent to $4.05 a share, compared with 1951's $4.72.

The lower earnings were blamed on increased costs despite a large volume of production and larger gross revenues.

President Hines Baker and Chairman L. T. Barrow told stockholders:

"The operation of a free market for so important a product as petroleum. . . should result, in time, in prices adequate to offset the higher costs incurred. Otherwise, there will not be sufficient incentive for the high rate of exploration and drilling needed to provide adequate domestic capacity."

The company's total crude oil production last year was 127,954,000 barrels, compared to 127,088,000 in 1951.

Call letters of television and radio stations usually begin with "K" west of the Mississippi and "W" east of the river, although there are a few cases which are reversed, representing stations set up before the system went into effect.
