Horns Win Bi-District!

BI-DISTRICT CHAMPIONS - Holding up the trophy which the Hart Longhorns won Friday night in Plainview's Bulldog Stadium in a match with Petersburg Buffaloes, is Gary Jackson and Bryan Irons. Coach Kenny Barnes is pictured in the foreground and to the right is Kerry George. Bud Cason, left, chairman of the Plainview Chamber of Commerce Sports committee presented the trophy to the co-captains. The Horns meet the Memphis Cyclones at WTSU Stadium in Canyon Friday night at 8 p.m. Hart fans will sit on the west side. Tickets are $3 for adults and $1.50 for students.

By Monty Upton

Following the Hart Longhorns defeat of the Petersburg Buffaloes in the last few seconds of the bi-district game Friday night, there are unsubstantiated rumors that an unnamed university has invited Eliazar Castillo, Lester Aven, Glen Black and the coaching staff to give guest lectures to religious classes on miracles. Whatever the case, no one in attendance at the game will forget the closing minute. However, there were a lot of things that led up to the win.

On the opening kick off, disaster almost gave the Buffs a touchdown when Glen Black, with his back turned for a faked exchange with Lester Aven, was blasted and the ball rolled to the one foot line. Eliazar Castillo jumped on it just before a Buffalo could. The Horns, however, refused to let that affect them as they immediately moved for two first downs out to their own 30 before having to punt.

On the next two series neither team could move effectively, but Petersburg gained on the Horns because of a super kick of 54 yards. Hart's punt from their own 13 gave the Buff's the ball on Hart's 49. Petersburg then got a 15 yard penalty and two plays later, QB Mark Scarborough dropped back to throw when he was plowed under by hard chargin' Glen Black for another loss of 8 yards that forced a punt.

The next time the Buffaloes got the ball, the Horn's Gary Jackson ripped the ball out of tail back Mike Jone's hands and Joe Flores raked it in on the Petersburg 10. A motion penalty on the next play moved it back to the 15 but Hart moved back to the 9 on a Castillo to Aven pass and then to the 6 on a Kerry George run. With a fourth and 6, Bobby Allensworth came in on the third play of the second quarter to try the field goal. However, the wind had shifted further to the east and carried the ball outside the uprights.

Petersburg then got its first down of the game as they marched from their own 20 to Hart's 39 before the Longhorn defense stiffened and the Buff's had to give up the ball. The Horn's then used a Donald Robinson run, six Aven scampers, and a 25 yard Castillo to Allensworth pass to move to the six where Lester Aven shot across for the score behind blocks of Larry Marble, Bryan Irons, Gary Jackson, Glen Black and Donald Robinson with 1:25 left, Allensworth's kick was perfect.

The first Buffalo play after

Characteristics Of Champions

"We were very, very proud of the way the kids came back Friday," said Coach Bill Taylor this week in reflecting on the Horns' big win Friday night over the Petersburg Buffaloes. "They never gave up. That's one of the characteristics of a championship ball club, being able to come back when you're down."

"Petersburg," he said, "was one of the toughest teams we faced all year and their's was a real fine effort. We were real fortunate to come out on top."

"Our kids did a tremendous job all the way. They won the game and they wanted to win. I feel like we got over a big psychological hurdle Friday night."

"The fans had a lot to do with the win. They were very vocal and gave us a big boost. We really appreciate their support and the support they've given us all through the season."

Looking forward to Friday's meeting with the Memphis Cyclones for the bi-district championship, Taylor said he believed the Horns would carry their efforts of last Friday into the next step to a state title.

"We're going to have to play our best. Memphis has a real fine football team -- all the teams are going to be tough the rest of the way. But we feel our kids are equal to the challenge."

Sixteen Class A teams remain in competition and the Horns are out to become one of the eight remaining after weekend play, Taylor says.

Game time for the Horns clash with the Cyclones is 8 p.m. in Buffalo Stadium, Canyon.

Funeral Services Slated For Mrs. Reed Friday

Funeral services have been planned for Mrs. Henry Lee Reed, 94, who died Tuesday, Nov. 23, in Heritage Home where she had been a resident since 1970. She was mother of Mrs. H.W. (Evelyn) Davis.

The Rev. M.O. Evans, assistant to the pastor of First Baptist Church, Plainview, will officiate rites scheduled to be held at 11 a.m. Friday in Lemons Memorial Chapel. Interment will be in Hart Cemetery under direction of Lemons Funeral Home.

Born Mar. 9, 1882, in Hill County, Morta Alma Sparkman was married to Henry L. Reed, June 12, 1923. Mr. Reed died Jan. 3, 1971 in Plainview.

The Reeds moved to Hart in 1937, back to Plainview in 1946. They returned to Hart in 1964. She made her home here until her move to Heritage Home in 1970.

Survivors include one other daughter, Mrs. Hazel Banducea of Sunnyvale, Calif.; one son, Marvin Reed of Clayton, Okla.; six grandchildren and 15 great-grandchildren.

Band Boosters Meet Nov. 29

Band Boosters will meet Monday, Nov. 29 at 7:30 p.m. in the band hall.

Important decisions will be made. All members are urged to attend.

HONOR TEACHER

Faith Sunday school class of the First Baptist Church held a surprise birthday luncheon for their teacher, Mrs. Preston Upshaw in the home of Mrs. Garner Ball Tuesday. Approximately eight members of the class attended.

★★★★★★★★★★★★★★★★★★★★★

Farmers Grain Co.

There's more to Asgrow hybrids than just high yields.

Asgrow resistant hybrids meet head smut head-on.

Corn growers in this area have learned that head smut means sizable losses in yield and profit.

That's why next planting season you need *more* than hybrids with just claims for high yields. You need the *complete performance* of Asgrow hybrids...with head smut resistance...with harvestable high yield potential.

Now's the time to make plans to protect corn yield and profit next time you plant. See your Asgrow dealer and reserve head smut resistant hybrids while supplies last. Because Asgrow resistant hybrids meet head smut head-on.

Asgrow hybrids resistant to head smut.

RX 90 RX 100 RX 4589 new

These corn growers meet head smut head-on with Asgrow hybrids.

James Cook—Olton, Texas
In 1975, Mr. Cook used RX 100 for the first time on 50 acres and had a yield of 10,640 lbs. dry corn. In '76, he expanded use of RX 100 to 120 acres. "I like RX 100 better than anything I've planted. I like the way it stands—good stalk with no lodging. I have no head smut in my fields."

Paul Chisholm—Sudan, Texas
Over the past three years, Mr. Chisholm averaged over 10,000 lbs. on 310 acres of RX 100. Much of this was grown under stress conditions including hail damage and minimum irrigation. "This RX 100 has the ability to pollinate under adverse conditions. This is particularly important under stress conditions like this year. And, they sure like RX 100 at the elevator because it's such a clean corn to bring in. Head smut has been observed in this area, but I've had absolutely none."

Bob Jones—Muleshoe, Texas
This is Mr. Jones's fourth year with RX 100. He reports, "My yields have been good and consistent. Last year, even with hail damage, it made just over 8,000 lbs., but '76 looks like it's going to be my best year ever. It stands well, too—no trouble with lodging. And, I've had no head smut whatsoever."

Dale Widner—Friona, Texas
Mr. Widner was one of the first on the High Plains to plant RX 90, and he also uses RX 100. "This year I had eleven different hybrids on my farm for testing, but I keep coming back to proven winners like RX 90 and RX 100. RX 100 has consistently yielded in the 9,500 to 10,000 lb. range. There's no comparison to other hybrids in grain quality. This year I have 120 acres of RX 100 and 40 acres of RX 90. I have no head smut that I know about."

O.L. (Mac) McMurtrey—Manager, Hub Grain Company—Hub, Texas
Mr. McMurtrey sees a lot of corn during a year's harvest and is a good judge of quality. "Of all the grain that comes across our scales, I've never seen better than RX 100. It's always of consistent good quality."

Jim Clements—Dumas, Texas
Mr. Clements is a cash grain farmer. In 1976 he planted 200 irrigated acres of RX 90 in 40 inch rows at a population of 24,000 plants per acre. Average yield per acre was 13,552 lbs. dry weight. "This was the best corn I've ever planted, and no head smut."

Jerry Goheen—Fieldton, Texas
Mr. Goheen is a user of both RX 90 and RX 100. "Last year my RX 90 made 9,600 lbs. with two waterings. That was a good year. This year it looks like it's doing just as good and this is a bad growing year. It stands good and has no head smut. The grain quality of my RX 100 is so good that I got a 40¢ premium from the grain buyer. And, I had no head smut."

MR. AND MRS. RON LASHMET

Mr. Lashmet-Miss Hooper Recite Vows Recently

Jana Kay Hooper and Ron Lashmet were united in traditional formal marriage ceremony Oct. 24, 1976, at The United Methodist Church, Walsh, Colo. at 5:30 p.m. Rev. Bob Johnson performed the ceremony before the altar with two standing baskets of red carnations and white football mums with trailing red ribbons and two standing candleabras with seven red candles each. A white kneeling bench was before the altar that had two altar candles and a white memory candle. Jana is the daughter of Mr. and Mrs. Joe Hooper of Hart. Ron is the son of Mr. and Mrs. John Lashmet of Manter, Kan.

The bride, escorted by her father, wore a white floor length gown of dacron overlaid with tulle and lace. The finger tip veil was of dacron net and matching lace. She carried a bouquet of red and white carnations and baby breaths with red and white ribbon streamers. She carried out the tradition of something old, her grandmother Hooper's wedding band, something new, her wedding gown, something borrowed, her grandmother Vaughan's diamond earrings, and something blue, her garter.

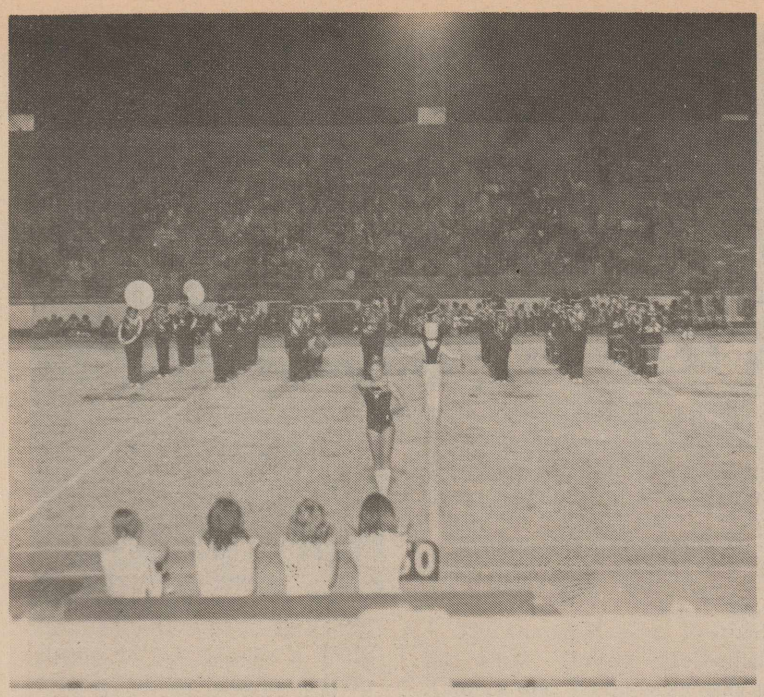

Jill Lashmet, sister of the groom, was matron of honor. She is from Manter, Kan. Bridesmaids were Ronda Dillon, Walsh, Colo. and Donna Christiansen, Walsh, Colo. Lynette Lashmet, sister of the groom was one of the candle lighters. She is from Manter, Kan. All girls wore dresses of off white dacron with small embossed red roses. They each carried a single red carnation tied with red and white ribbons. Penny Hutson, Tulia, cousin of the bride was flower girl and wore a dress of red dacron with an old fashion full apron of white eyelet embroidery. Penny carried a basket with red and white carnation petals.

John Lasmet Jr., brother of the groom, was best man. Groomsmen were Lyle Delay and Jimmy Case all of Manter, Kan. Shawn Bitner of Walsh, Colo., cousin of the groom, was ring bearer. All wore Black tuxedos with red ruffled shirts and black bow ties. Each wore a red carnation in their lapels. Shawn carried a red satin heart shaped pillow with white lace overlay with ribbons holding the two rings. Jim Hooper, Hart, brother of the bride, was the other candlelighter.

Jerry Hooper, of Denver, Colo., brother of the bride and Lyle Lashmet of Manter, Kan., brother of the groom, were ushers. Helen Mills, Walsh, Colo., a friend of the bride, played traditional wedding music on the organ and accompanied on the piano, Carolyn Prater of Walsh, as she sang two songs. Ann Hooper of Denver, sister-in-law of the bride sat at the guest book.

A reception followed in the Fellowship Hall of the Church. The table was adorned with

Hi Way Garage

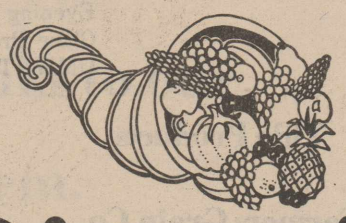

PERSEVERANCE paid off for the Horns Friday night as they kept pounding away at the Buffaloes and came out winners of the Bi-District Championship.

Horns Are Great

Thanksgiving

Not many people realize that our first Thanksgiving in 1621 was not a celebration of a bountiful harvest. Our Pilgrim Fathers experienced a very lean harvest that year and had suffered many hardships. Their spirits were low, but rather than giving up in bitterness, they set aside a special day to rejoice in their meager harvest and to give thanks that they had made it for another year. America was created with that kind of determination...the determination that no matter how difficult the present might be, we still had a lot to be thankful for and we would go on to build a better future. Today, 355 years after our first Thanksgiving, we are the strongest, most powerful and richest nation the world has ever seen. We have our problems, we have difficulties and have experienced great crises, but the determination our forefathers had lives on in us. We still have a lot to be thankful for.

Cards Of Thanks

We would like to try to express our thanks to all of the great people of Hart who thought of us during my illness by sending cards, flowers and gifts. A special thanks for all of your prayers and visits. May God bless each and every one of you. We love you all. Thanks again.

Leslie Reed and family

The annual Harvest Festival at First United Methodist Church last Wednesday was a wonderful success.

The fellowship was great, attendance good and the food could not have been better.

All in all we had a wonderful time together. There was a wonderful program in music by Hershel Wilson of Sunnyside and his young singers. They were great.

If for any reason you failed to attend this wonderful occasion, you missed a blessing.

Our Thanksgiving offering amounted to a little over $6000. with some not making their offering at this tme.

Indeed it was a great time of fellowship with one another and with God.

I want to thank all who worked so hard to make this a great success.

May God richly bless each of you,

Elra Phillips, Pastor

One Hour Before Game Time

By Rev. Elra Phillips

For two years I have been traveling with the Hart Longhorn Football team. In that time, they have played 22 games, winning 19, losing only 3. That is a good record for any team.

I have learned to love and appreciate those boys. They are one of the greatest bunch of kids I have ever known. You see them each week as they come on the playing field to entertain the fans. But, do you really know these kids? Even though some of them may be your sons. I believe they are altogether a different group of boys than what you see around home. You see, when they are around home they are most of the time unconcerned about what they are doing. But one hour before game time they are a very different group of kids. The become a serious bunch of individuals. Thinking of the task that is before them.

Every week is a different time, a different game, a different team, so they must act different and think different. Each week as I go to the Fieldhouse, most of them are there. The coaches are in their office, so I visit for a moment with them. Then I try to have a word with each of the boys just to encourage them and try to help prepare them for the game. They are a much different group of kids one hour before game time than they are at other time. They are thinking, waiting, and trying to prepare their minds for the game.

I have learned to know these kids and love them, and they have come to know me and trust me. During the one hour before game time many things take place in the Fieldhouse. Almost every week some of them want to talk about a problem. It may not be serious problems but it is a problem to them. Some will be joking some funning around, but just for a little while, then they get serious!

I shall never forget last Friday night as I walked into the Fieldhouse, the lights were out and it was dark. On the floor these kids were resting, thinking about the game ahead. I am sure some were saying a little prayer. Many times I find this kind of scene, one may be reading his Bible and others may be looking over a group of plays to be used in the game. Well one hour before game time they are a very different group of boys from what you see every day on the street, in the home or at school. They are great! I know that in the silent hour they are reaching out to someone greater than themselves. These kids have learned to depend on God.

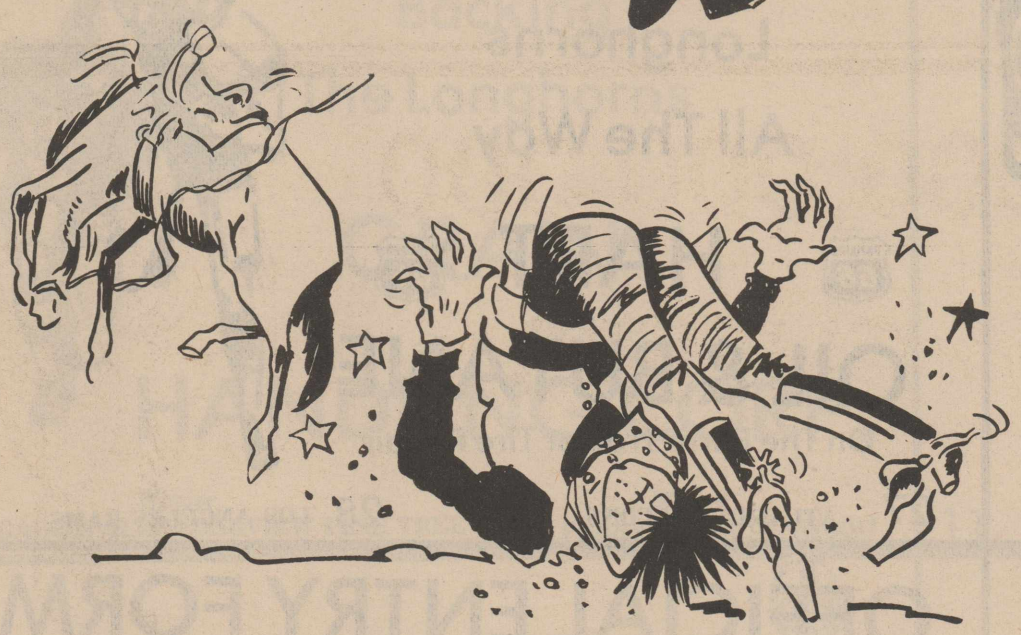

I often hear someone say, "what is going to happen to this generation?". Well, they are going to take over the society we have left for them and do their best to make something out of it. And with the type of boys we have on our team, I believe they will do just that. With men such as we have training their minds and building their bodies, I have no fear of the future of our nation.

This has been a wonderful two years for me. God has blessed me by letting me share their lives and share with the fine men that guide them. My prayer is that they will go all the way to State, but if they don't, they will still be the great champions they have proved to be.

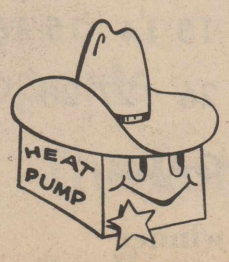

My prayer is that God will bless these kids and the wonderful coaching staff that we have in our schools. They have been a blessing to me.

LOST HEAT BITES THE DUST

When you buck Lost Heat . . . you save money on heating bills.
The best way is with an electric heat pump.
The heat pump is an electric heating system that squeezes warmth from outside air even at very cold temperatures.
The electric heat pump is the most efficient way to have clean, modern heating and also save energy. And when you save energy, you save money.

Charles Richmond Assumes Farmers State Bank Post

Charles Richmond has assumed duties as vice president and cashier of Farmers State Bank, coming to Hart from San Antonio.

Married and the father of two daughters, the 27-year-old has been serving as loans and collection officer of Groos National Bank of San Antonio since May 1975.

Richmond graduated from Plainview High School in 1967 and majored in business administration and physical education at Abilene Christian College where he received a degree in December, 1971.

Following graduation from college, he was employed as vice president-management trainee of First State Bank and Trust Company of Rio Grande City, a position he held in 1971 and 1972.

He became vice president and chairman of the board of

CHARLES RICHMOND

Richmond Life Insurance Company when it was founded in August, 1972. He returned to the banking field in May 1974 as vice president and loan officer of First State Bank and Trust officer in Rio Grande City.

Newspapers, Customs Discussed At Sorority Meet

Mrs. Max Marble was hostess for Thursday's meeting of Xi Mu Iota chapter of Beta Sigma Phi. Assisting with hostess duties was Mrs. Bob Bowden.

"Newspapers" was the program topic presented by Marie Harris of Tulia, feature writer for both the Tulia Herald and Plainview Daily Herald. She gave informative facts about news writing and pointed out that newspapers can mold readers' opinions.

More people, she said, get news from papers than from radio or television. She presented each member with copies of the newspapers she writes for and commented about their form, type of print and content.

Mrs. Harris answered questions and then cited suggestions for persons in turning in news items.

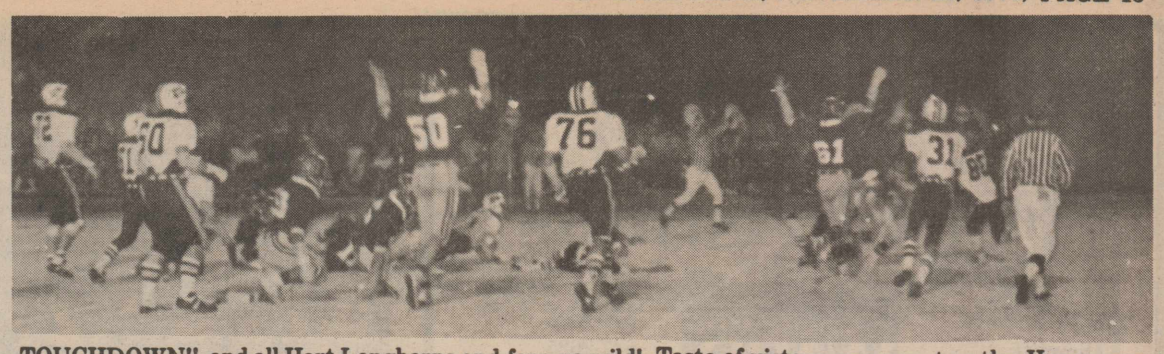

Mrs. Harold Bob Bennett spoke of Christmas customs.

During the business session, presided over by Mrs. Robert Lowrey, plans were discussed for the Christmas party and activities for the coming year.

Attending were Mrs. Lewis Sharp of Tulia and members, Mmes. Doug Martin, Frank Barnes, Ted Averitt, Charles Black, W.T. Sanders, Theron Morrison, Weldon Jones, B.E. Brantley, Tom Ed Benton, Tom McLain, Jerry Allen and David Smith.

GAME STRATEGY is talked over with Eliazar Castillo, who was quarterback for the Horns

TOUCHDOWN!! and all Hart Longhorns and fans go wild! Taste of victory was sweet as the Horns won the Bi-District tilt.

we'RE NUMBER ONE - Hart fans are excited and jump to their feet as their Longhorns make a touchdown to insure their chances at Regional Playoffs Friday night in Canyon. The Horsn won the game 14-7 making a dramatic fourth down play when it looked as though their hopes of winning had gone with the wind.

Football

Continued from page 1

the kickoff, Donald Robinson picked off a Scarborough pass on the Hart 30 and did a fantastic job of broken field running in returning it 24 yards to the Buff's 46. Hart only had time, though, for three plays before time ran out.

The first half Hart dominated play with seven first downs to three, 97 total yards to 46, two penetrations to none, and a TD. But the Buffs came out the third period with blood in their eyes and ready to fire. After a bobbled kick-off that gave them the ball on their own 9, Petersburg clicked off five first downs and 72 yards to move to the Hart 19 and their first penetration before Larry Marble raked the ball out of the hands of Jones and an alert Mike Finch covered it on the Hart 20 to kill the drive.

The Horns only had three plays, two for minus yardage, before they were forced to punt. The punt was returned 11 yards to the Hart 39. Petersburg then used 11 plays, the last a one yard Jones plunge, to get their second penetration, four more firsts, and their TD. Mario Martinez then added the point after with 13 seconds of the third showing. Hart got off only their fourth running play of the quarter before time expired.

Castillo had to punt on the third play of the final stanza and got a 60 yard boomer that rolled into the endzone before Hart defenders could kill it. Moving from the 20, the Buffs got another first before Irons knocked the ball out of Jones' hands and Kerry George covered it on the Petersburg 44. However, on the second play of the series a Castillo pass bounced out of the hands of flacker Robinson and into the waiting arms of Buff Stacy Underwood on the Petersburg 34.

Again the Buffaloes got another first before having to punt. This time, the Horns earned their initial first of the half on a 12 yard Aven plunge and then Castillo completed a short pass to Irons before Jimmy Lang intercepted a pass on the 30 and returned it 16 yards to the Hart 14 to give Petersburg a go-ahead penetration that later loomed very big. A holding penalty on the next play, moved the ball back 15 yards from point of infraction to the 28. The defense then held and Petersburg chose to punt. The ball rolled into the endzone and was brought out to the 20.

Tied in score but trailing 2 to

Continued from page 16

3 in penetrations and 9 to 14 on first downs with only 2:04 left in the game and on their own 20 against a team that had held them to a total of 14 yards in the second half, things weren't bright. They got worse as two Castillo passes to Irons fell incomplete. Then, Castillo was sacked for a minus 7 yards -- a fourth and 17 from the 13 with a little over a minute left. . . . . HOPELESS.

Then the coaches sent in a desperation play. The Horns lined up and the Buffs poured through only to see a screen pass completed from Castillo to Black. Black, looking like a steam roller, charged for 42 yards before being pulled down by the only man left between him and the goal. Now on their 45, Castillo threw to Johnny Newsom on the Buffs 22 and got a first on an interference call at that point. FORTY-NINE SECONDS. Draw play - one yard but a penetration won't help because they are ahead in first downs. Castillo dropped back to pass but no one was open. Then suddenly he let the ball fly in the direction of the end zone and Lester Aven, with what later proved to be a broken rib, ran under it for the score with just 34 seconds left. Allensworth's kick was good but Hart had a penalty that moved it back 5. Then an anxious Buffalo herd, fighting extinction, jumped offsides to move the ball up to the 3. From there, Allensworth made it again to give the Horns a 14-7 lead.

Desperately, Petersburg went to a formation that was spread all over the field and the run went for 11 yards. On the next play, from a spread formation that made the center eligible for a pass, the hike from center went over the head of Jimmy Lang and Eliazar Castillo sped in to cover it on the Petersburg 22. With only 14 seconds left, Glen Black took the ball to the ground to kill the clock on the next play.

Offensively, Eliazar Castillo did what can only be called a brilliant job of field generalship and passing under great pressure. Lester Aven showed such great fortitude in making the clutch pass catch and key runs and 2 TD's. Glen Black made his super catch and run on the screen and his blocking helped all night.

Defensively, Black did a superior job with 10 tackles, 1 QB sack, and 3 big hits; Bryan Irons had 20 tackles and caused one fumble; Cary McLain had 17 tackles; Donald Robinson had 10 tackles and an interception; Bobby Allensworth, 9 tackles; Eliazar Castillo, 1 fumble recovery and 8 tackles; Lester Aven, 8 tackles and a TD saving pass break up; Kerry George, 7 tackles and a fumble recovery; Johnny Newsom, 7 tackles; and Mike Finch and Joe Flores both had key fumble recoveries.

Coach Taylor glowed, "The whole team showed they are championship quality in coming from behind under such pressure. They just did a super job in a clutch situation and I can't say enough about them."

The Hart Longhorns will meet the Memphis Cyclones in regional playoffs in Buffalo Bowl in Canyon at 8:00 Friday. Be there to see a game between two similar teams.

Lions Discuss Ambulance Project, Begin Girlstown Christmas Fund

Jerry Jansa reported to Hart Lions Club Monday the information he had obtained concerning an ambulance for Hart. Applications to Panhandle Regional Planning Committee for a loan for the purchase of an Emergency Medical Service ambulance are made in July, he said.

Two types of ambulances are available. A van, similiar to the Castro County EMS vehicle, costs $13,500 with a modular unit selling for $16,900.

PRPC loans are based on a 60-40 ratio, Jansa said, with 40 percent locally funded. The basis, he said, would probably be 50-50 next year.

The EMS vehicles are completely equipped except for red light and siren. Insurance, he said, would probably be 50-50 next year.

The EMS vehicles are completely equipped except for red light and siren. Insurance, he said, would run $2,000 per year.

Some towns, Jansa said, are replacing older ambulances with newer ones and the possibility exists that a used ambulance could be secured for $4,000 which would cover all equipment except the radio.

Additional information will be gathered before the next club meeting.

A swine flu clinic was conducted Friday and Monday. School personnel was the first to receive the innoculations.

A report on the tennis court lights was scheduled for the next meeting. Rev. Elra Phillips reported that the Girlstown Christmas Project to supply each of the 166 girls on the three campuses will require $85 per girl.

Lions are asked to contribute $2.50 per member to the project and to sponsor a community effort in securing money for the coat and shoes for each girl. Members voted to contribute $100 to the fund and to sponsor a fund drive set up at Farmers State Bank so that persons in the community may contribute to the fund.

Members contribute $25 per month to Girlstown for operational expenses.

Lions Kenneth Lambert, W.T. King, J.B. Allensworth, Richard Franks and Bob Bowden were named to the Christmas committee to arrange for Santa's visit to the kindergarten and elementary students at Hart schools.

Deputy District Governor Grisham of Friona and District Governor Jimmy Piggman of Dalhart were guests Monday.

"I'd like to see membership in the district (2T1) increased ten percent," Piggman said. The gain would mean some 300 members.

"We're not just looking for numbers, we want quality membership," he said. He expressed the opinion that a large number of young men, prospects for "quality membership," would be honored if asked to join the Lions.

Piggman urged Lions to visit at least one other Lions Club in the district. Lions Clubs in America will be asked to select a club from England as a "twin club."

"LIONS," he said, spells out liberty, intelligence, our nation's safety.

What Are 'Teacher Work Days?'

Ten days are set aside each school year as "teacher work days." On these days, students do not attend school. Teachers and all school personnel report at 8:30 and sign out at 4 p.m. with a full hour for lunch.

These days are part of each person's contract and are accounted for just as a regular day. The school calendar prepared in the spring for the following school term lists the ten days. The Texas Education Agency requires these days and further states that five of the days must be in-service days for professional growth. Each school district makes its own decision as to when to use the days. The remaining days may be used as the term implies -- "teacher work days."

In this school year, Hart has used several of these days to allow time for the accreditation committee members to meet. We are in the midst of a rather thorough self-evaluation which calls for teachers in elementary and secondary to be able to meet in committee work. This use of teacher work days is at the suggestion of our Educational Regional Service Center.

On a regular teacher work day, one may find teachers grading papers, averaging grades, recording grades, working on bulletin board displays, rearranging rooms, cleaning out drawers and other tasks. Usually a general faculty meeting is held in the morning. Each principal has a building faculty meeting in the afternoon. Hart Faculty Organization also meets on this day. Often teachers bring salads for a salad luncheon in the cafeteria since meals are not served on teacher work days.

Remaining in-service days are scheduled for Jan. 10, Feb. 18, April 18 and May 27. If the need arises, these dates may be changed at the discretion of the local school board.

HART CHEERLEADERS AND FANS go wild with excitement as the Horns score. The final score was 14, 7 Hart.

Gail Barnes Wins Contest

Gail Barnes proved to be best predictor of the week in the Hart Beat's football contest and missed just two games in a contest marred by upsets of "favorites." Most contestants were wrong on six or more games but Mrs. Barnes was wrong only on the outcome of the Detroit-Chicago and Washington-St Louis pro matches.

Bill Ford missed four games to nail down second place for the week. Two contestants missed five games each but Larry Cole claims the week's third place money by virtue of his tie-breaker prediction. He was seven points off the Horns-Buffaloes' actual score with a 14-0 prediction. Danny Rice missed by 13 with a 20-14 guess.

Lonnie Joe Howell moved back into the season lead and holds a one-point margin over Billy Hackleman of Dimmitt who grabbed the top spot last week. At least three contests remain to be counted so once again contestants are reminded to "keep on guessing."

Contestants with 110 or more points are listed elsewhere in this issue.
