Mitchell County Fair to feature some changes

The Mitchell County Fair will look a little different this year but it promises to be as much fun as ever.

The fair will be held September 28, 29 and 30 at the Mitchell County Ag Barn.

Wallace Unit inmates will begin Monday helping to prepare the fair grounds and barn for the 1995 fair.

There'll be changes in the locations of activities around the recently remodeled barn and there'll be new and different exhibits as well as the standard ones, said Gary Hardegree, fair supervisor.

This year there'll be a place for people to sit down and enjoy their drinks and food, organizers said.

Booth sales have been good and almost all the booths have been reserved, said Hardegree Monday.

There'll be a dunking booth and a place to have your blood pressure checked; a science booth where fair goers will experience the feeling of weightlessness in the Orbitron; booths carrying everything from baseball cards to western prints; and new booths like one offering glamour photography.

Local creativity will be highlighted in the various fair categories. If you cook, sew, can, grow plants or vegetables, do crafts, handwork, woodwork—there's a place for your work at the fair. There's even a place for grandparents who want to brag a little or a lot—just bring an 8 x 10 unframed print of that beautiful grandchild for the Grandparent's Brag competition.

Entries for the various categories will be accepted Thursday from 7

TDH health clinic could be privatized

Services at The Texas Department of Health clinic in Mitchell County may "be phased out", said Pam Butler, director, in the state health department's efforts to shave \$20 million in expenses state-wide.

The Texas Commissioner of Health, David R. Smith, M.D., announced plans recently to turn over TDH-supported Maternal & Child Health clinics to private

medical care providers.

The health department awarded contracts September 15 to private contractors to assume responsibility for rural clinics throughout the Big Country area.

Neither of the two bids for the Mitchell County office met bid specifications, said Butler.

Taylor, Nolan and Scurry counties, each of which has a city-administered clinic, are not expected

to be privatized.

"Clinics which will remain open are those with free space," said Butler Monday.

Butler spoke before the Colorado City Council, the Mitchell County Commissioners and the Mitchell County Hospital Board this summer to explain the health department's efforts to streamline its operations to accommodate

Applicants accepted for state jail jobs

With construction on the state jail here nearing completion, a TDCJ spokesman said that the state department will begin accepting applications for employment now.

"We anticipate opening next year, hopefully in the spring, depending on how many state jail felons we receive from the courts," said Larry Todd, spokesman for the Texas Department of Criminal Justice in Austin.

Potential applicants for jobs at the jail should contact the Texas Employment Commission, he said.

The state jail here was one of several state jails being constructed around the state whose openings were delayed because of a shortage of inmates to fill the facilities.

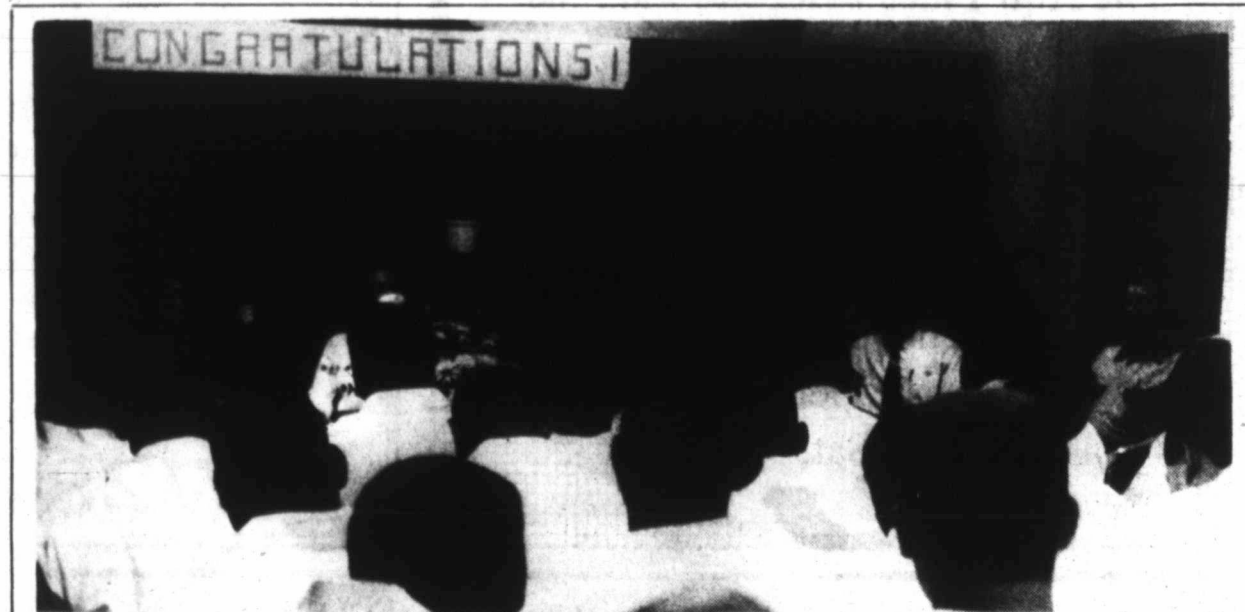

The Richard C. "Dick" Ware state jail unit was scheduled to be completed September 19.

Completion now is estimated by the end of the month.

Construction on the jail has cost \$20,451,626, Todd said.

The state is expected to decide this week whether to open two facilities, one at El Paso and one in the Lower Rio Grande Valley, in the near future.

"We're ready," said Todd. "We'd like to open all of them tomorrow."

GRADUATING INMATES are reminded in song to "Smile" by teacher Almaz Webb during a graduation ceremony held at the Wallace Unit. Forty-nine inmates received their GED high school equivalency certificates during the program Saturday.

49 inmates receive GEDs during fall ceremony

It was a graduation. But a graduation with a difference.

The fall graduation ceremonies for the "80" John Wallace Unit here were held Saturday in the education building library at the prison. The 49 inmates had all completed their coursework and passed the required test for the GED high school equivalency certificate.

About 50 family members of the inmates, including numerous babies and children, were present for the occasion.

"Look, he's gained weight," a woman on the back row of the audience whispered as the inmates filed into the library. The wife, two small children and her brother had driven six hours to attend the ceremony.

Despite the white uniforms of all the graduates and the presence of guards, the formalities characteristic of all graduations were present—official guests and faculty members seated around a podium, graduates shaking hands with the principal as they were handed

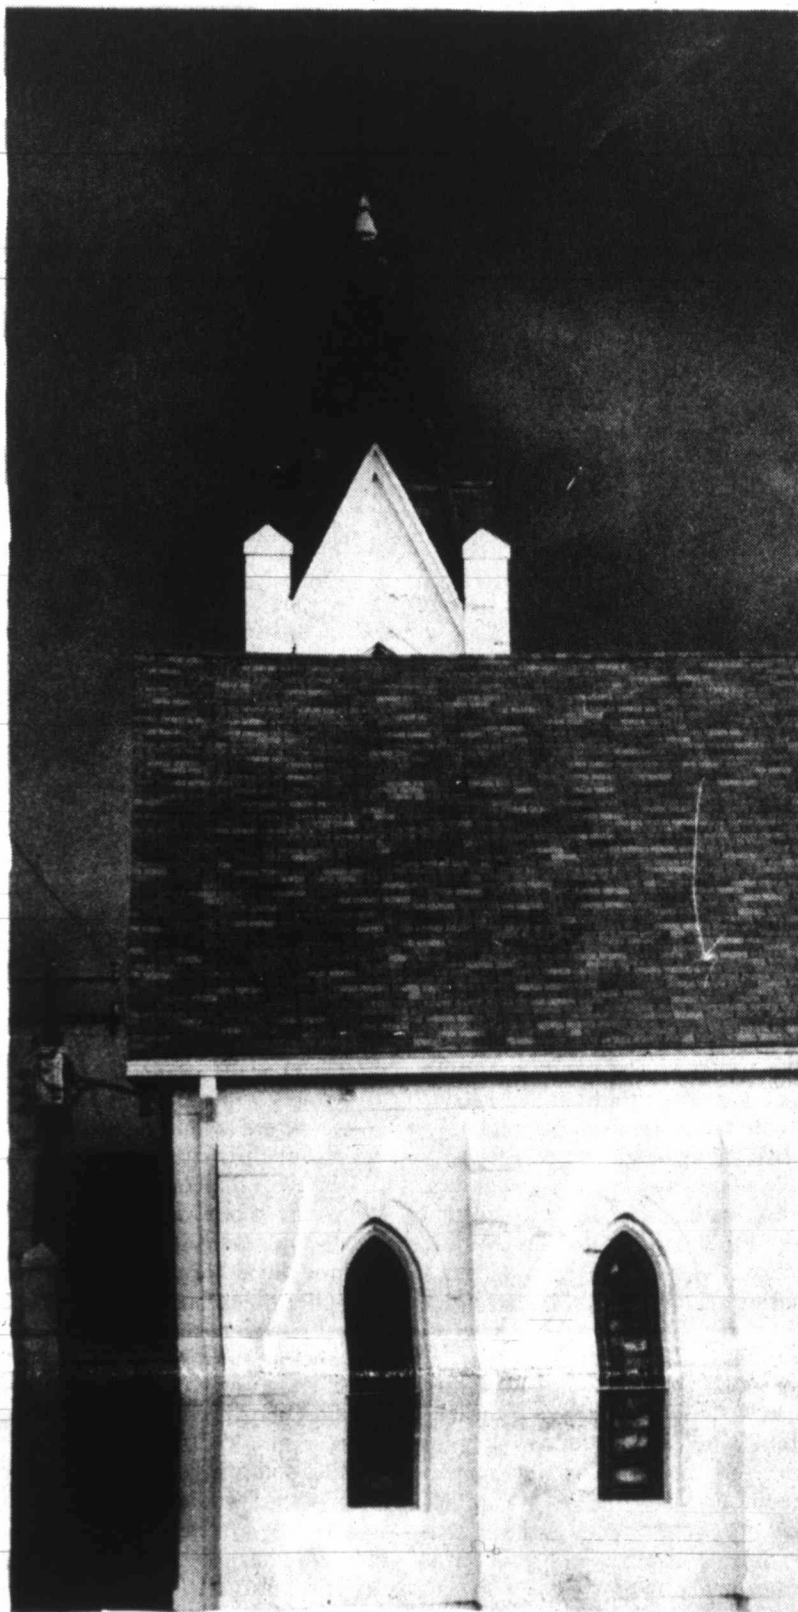

their certificates and a formal program followed by a reception.

A program booklet listed the names of over a thousand fall graduates of the entire Windham School System—the system that provides educational programming and services to TDCJ inmates.

The principal speaker, Bob Travis, a retired educator and administrator, urged the inmates to set attainable goals and "be one of those people who make things happen, rather than those to whom things happen or who watch things happen". In addition to the encouraging words spoken by prison officials, teachers entertained the audience with songs for the occasion—"Smile" and "One Moment In Time" which received a standing ovation from the inmates.

Honor graduates were recognized: a valedictorian, Correy Jamaul Bible, and a salutatorian, Cynall Joyce.

NOT ONCE, BUT TWICE this year the First United Methodist Church was damaged by lightning during a thunderstorm. The church's steeple was struck early Sunday morning as a heavy storm moved through the county with accompanying high winds and rainfall of up to 4 inches. Residents reported power outages and trees and electrical appliances damaged by the lightning. The church had been struck by lightning last May.

"Thank you" barbecue honors those who worked to build prison-jail road

Saving the taxpayers money is always call for celebration. And the Mitchell County Economic Development Board members thought that a \$55,000 savings definitely warranted a barbecue for those responsible.

The barbecue dinner was held at the County Ag Barn Friday afternoon for County Commissioners, Wallace Unit officials, line crew correctional officers and inmates who completed the road connecting the TDCJ prison with the state jail.

On August 4, County Commissioners rejected the one bid received to build the 500 foot road extension. The bid was for \$81,765.60.

Commissioner Bill Preston proposed that the county purchase the materials, use the county's equipment and utilize inmate labor for the project. "I think we can build that road for half that \$81,000

bid," said Commissioner Preston at the August meeting.

The road, with 360 yards of concrete, was completed last Tuesday at a total cost of \$26,000.

"This barbecue is our way of thanking the commissioners, the line crew bosses that oversaw the project and the inmates that worked on the road," said Woody Anderson of the Economic Development Board.

The road, which had been promised TDCJ as part of the package to attract the prison facilities to the area, was completed ahead of the completion of the construction of the state jail. The jail is expected to be finished within the next two weeks.

"Our part is completed now," said Anderson, who added, "Building the road is an example of the good cooperation between the Wallace Unit, county and the Board of Economic Development.

Kid's Day Parade set September 23

The annual Kiwanis Kid's Day Parade will be Saturday, September 23. Registration will be at the Mitchell County Courthouse at 8:30 a.m.

The parade is scheduled to begin at 9 a.m. and will include pets, costumes and wheels divisions. There will be three prizes given for each division with first place worth \$25, second place winning \$15 and third place receiving \$10.

The parade will begin at the courthouse and proceed up Second Street to its finish at Kiwanis Park.

Free Mitchell County Fair tickets will be given to each contestant.

COOK'S CORNER

Sheryl Callaway

Sheryl Callaway has a big job whenever she gets in the kitchen. She cooks for six every time. With four growing children, she spends much of her time in the kitchen—when she's not teaching aerobics.

Sheryl has a busy schedule between chauffeuring kids around (three of which are in Middle School), leading several aerobics classes at the HealthStyles Center and doing all the things a mother of four has to do at home.

Those are the very reasons Sheryl works at finding quick, good, wholesome foods to prepare for her family. She has begun steaming many of her vegetables and recommends it highly to anyone who asks. "The flavor is better and it is much easier to turn the steamer on and forget about it while you are doing other things," she says.

One of Sheryl's favorite times to cook is around the holidays. She enjoys baking and making foods to give to friends and relatives. In fact, she enjoys holiday baking so much, she tackled making a gingerbread house one year—quite a few years back. She and a friend decided the

houses were cute and couldn't be that much trouble to make, so away they went to the store.

Armed with supplies the girls began their attempt early one morning, planning on being finished by that evening. Wrong! What was to be a day of fun turned into a nightmare lasting over two or three days! Never again has she tried her hand at a gingerbread house. She can't remember the last time she made gingerbread cookies either!

Sheryl and her husband, Steven, have four children. Shawna, Jennifer and Bridgette attend school at Colorado Middle School. Wesley is a fourth grader at Hutchinson. She is sharing several of her favorite holiday treats with us today.

COCOA MIX

(Makes 48 cups)
1 lb. box Nestles Quick
1 box Carnation milk (1 lb., 9.6 oz., 8 qt.)
1 cup powdered sugar

2 cups chopped walnuts (or pecans)

2 cups sugar
4 cups flour

Cream butter and sugar, mix until fluffy. Add egg yolks, flour, and nuts, mix well. Spread 1/2 of mixture into bottom of 9x13 ungreased pan. Spread with jam, top with remaining mixture. Bake at 350°, 30 minutes or until golden brown.

Sixteen attend B&PW Club meeting held at Civic Center

The Colorado City Business and Professional Women's Club, Inc. met in regular session Tuesday, September 12 at the Civic Center with the issues and management committee hosting.

Members of the committee are Virginia Dearen, chairman; Pauline Light and Nelda Garrett. As Chairman Dearen was absent due to recent surgery, Pauline Light chaired. Mildred Free led the pledge to the flag and Molly Bruce led the club collect.

After 15 members and one guest were served a meal, Mrs. Light introduced Mary Tate McMullen, Mitchell County Home Extension Agent, who gave an informative program entitled, "So You're Just a Housewife!"

After a brief recess called by President Anna Staats, the business session was called to order. Minutes were read and approved and the

treasurer's report given, approved and filed for audit.

Corresponding Secretary Shirley Delaney read a letter from the cheerleaders planning to travel to London during the Christmas holidays. The club voted to give a donation to the girls' fund.

She then read a letter from the San Angelo BPW inviting the local club to a leadership training workshop given by Nancy Jackson, third vice president of BPW-Texas, on September 23.

The members were presented with yearbooks, the food booth at the county fair and the bake-off were discussed.

The 1995 District 7 and 8 BPW Joint Fall Conference will be held in Midland October 6 and 7 at the Best Western hotel. This is the first joint session to be held in Texas and members from other districts

plan to attend. The speaker for the Saturday session will be Louise Whelan, BA, MA in history. Registration deadline is September 30.

The club agreed to submit Pauline Light's name for district director, 1995-1996 and Lovess Curlee as treasurer for District 7.

Earline Sellier won a hat as a door prize. Anna Staats, Urdine Morgan and Glenna Garrett were recognized by Good Cheer Chairman Mildred Free as having birthdays this month.

Present were guest Mary Tate McMullen and members Dee Hearn, Glenna Garrett, Lovess Curlee, Sue Womack, Urdine Morgan, Nancy Crow, Shirley Delaney, Earline Sellier, Anna Staats, Margaret Ann Conaway, Molly Bruce, Christine Cooley, Mildred Free, Pauline Light and Louise Logsdon.

BIRTHS

Brien Toombs would like to announce the birth of his sister, Bethany Meagan, born August 27, 1995 at Lubbock Methodist Hospital weighing 7 lbs. 2 oz. and was 20 1/4 inches long. The proud parents are Patrick and Lorianne Toombs.

Maternal grandmother is Sandra Hendrix and paternal grandmother is Marge Toombs.

Joe Antonio Leonardo Mireles was born September 15, 1995 to Joe and Sandra Mireles. He weighed 6 lbs. 9 oz. and was 19 inches long.

Local Delta Kappa Gamma holds meeting at tea room

The Beta Epsilon chapter of Delta Kappa Gamma met September 5 at Nathalie's Tea Room in Snyder.

After a delicious meal, President Adele Wilkinson presided over the meeting. Connie Waldrup gave the opening inspirational thought, followed by roll call, reading and approval of minutes. The treasurer's report was given by Jamie Lou Greenlee.

Margaret Rees and Kitten Arthur volunteered to fill in this year for recording secretary Janet Mayo, who is attending college.

Program chairman Sonja Hanks reported on the work of the committee this summer.

Marian Craddock, chairman of the finance committee, presented the budget for 1995-96.

In special ceremonies, Anita Graham was initiated into memberships and given the traditional long-stemmed red rose. Carolyn Witten was recognized with the achievement award for many years of leadership and service to the chapter. She received a gold rose pin.

Chapter member Mary Rose Bowen, recently retired Wallace Unit teacher, gave a very interesting program on women educators in the Windham School System. She pointed out many advantages, disadvantages, practical and personal experiences that would be valuable to those considering teaching in the Wallace Unit.

Teresa Lemonds won the door prize. The hostesses for the meeting were Frances Godwin, Margaret Sparks and Peggy Ratliff. In a

special drawing, they presented potted plants to Stephanie Spear and Betsy Aycock.

Other members attending were Leah Daves, Barbara Hammond, Kristi Hartwick, Kelli Lancaster, Adele Morgan, Gaye Piland, Earline Sellier, Kim Anderson, Cindy Bowen, Mona Crockett and Stacy Blair.

Ramage, Earles united in double-ring ceremony

Shelia Kameron Ramage became the bride of Brian Lee Earles on Friday, July 21, 1995 at 7 p.m. in the 22nd and Austin Street Church of Christ. Gary Dennis of Tipton, Okla. officiated the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Robert Lewis Ramage of Colorado City. Her grandparents are Morris and Glenda Sloan of Colorado City and the late LaVerne Sloan and Bob and Bettye Ramage of Colorado City.

The groom is the son of Mr. and Mrs. Leon Earles of Odessa. His grandparents are E.C. and Hazel Locklear of Fort Davis and the late Leon and Winnie Earles of Pampa.

Given in marriage by her father, the bride wore a formal length satin gown featuring pearl trimmed long sleeves, a beaded and appliqued bodice and a full skirt with a 10-foot train.

Betsy Myers of Colorado City was maid of honor. Bridesmaids were Bethany Bridgford of Colorado City, Elizabeth Lady, cousin of the bride, of Arlington, LeeAnn

Ramage, cousin of the bride, of Colorado City and Alva Chaney, cousin of the bride, also of Colorado City.

Kailey Howell, daughter of Mrs. Rickey Howell of Coleman, was flowergirl.

Patrick Earles, brother of the groom, of Odessa, served as best man. Groomsmen were Jason Hilliard of Lubbock, Trent Whitney of Odessa, Dr. Gus Gross of Colorado City and David Frazier of Snyder.

Judd Ramage, brother of the bride, was ringbearer.

Ushers were Adam Myers of Colorado City, Rickey Howell of Coleman and Josh Rangel of Alpine.

A reception was held in the fellowship hall of the church. Jamie Ellis, Shelley Gailey, Mandi Waldrip and Carrie Perkins, all of Colorado City, served at the bride's table. Shakei Ausbie of Colorado City served at the groom's table.

Following a wedding trip to Midland and Fort Davis, the couple is at home in Odessa.

THIS 'N' THAT

By SHEILA PLAGENS

Charlene Reily is on another trip overseas. This time she is visiting Germany and Poland. I'm sure she will make the speaking tour when she gets back. She is always so gracious to share her trips with us that way.

By now I'm sure you have heard about lightning striking the steeple at First United Methodist Church. All the electrical system (including air conditioning) was knocked out of the church building, not to mention the big hole in the steeple (see picture, page 1). Ron Goebel was in the office today and said he estimated it would take between \$5,000 and \$10,000 to repair.

On September 25, 1995, Lee and Billie Woods will have been married 52 years. That's quite an accomplishment these days. Congratulations to both of you!

I noticed Jane and Raymond Webb enjoying the Wolf football game the other night. Goes to show you that not only parents with kids playing football and performing attend the games. Wolf support is widespread!

The Kid's Day Parade is Saturday. The Kiwanis Club sponsors this parade each year right before the fair. The kids are cute to watch and it gives them a chance to participate in a parade. If not participating, be sure and go downtown and watch. The parade starts at 9:00 a.m. Saturday.

Grandmother of the bride is Mrs. Gregoria Beltran of Odessa.

Awareness Conference to be held

A Criminal Justice Ministry Awareness Conference is scheduled to be held at First Baptist Church on Saturday, September 30, from 8:30 a.m. to 3:30 p.m. A light lunch will be served.

Anyone interested in learning about prison ministries is invited to attend. Conference leaders will be CJM leaders from across the state. Emmett Solomon, Director of INFORMS Ministry, Inc. (a criminal justice ministry information service source) will introduce the ministry leaders.

Participants will have a chance to speak with ministry leaders from several areas: jail/court, mentoring, discipleship, literacy, family, hospitality houses, and after care. Chaplain Edward Riley from the Wallace Unit will discuss ministry opportunities here.

For more information, please call the church office at 728-3442.

Work on ballpark should be completed end of this month

The softball park should be finished by the end of this month, City Manager Steve Shutt told city council members recently during the information portion of the city council meeting.

City crews have been putting up wire for the fence.

The bleachers and backstop are completed and the metal fence should be finished this week, said Shutt.

OBITUARIES

Ramona Hamilton

Funeral services for Ramona Hamilton of Andrews were held Sunday, September 9 in Andrews First Baptist Church with Dr. H.A. Hanks officiating. Burial was in Andrews Cemetery.

Mrs. Hamilton died September 8, 1995 in Odessa Medical Center. She was born in Loraine and lived most of her life in Andrews. She received her homemaking degree from the University of New Mexico and had also attended Midwestern University in Wichita Falls. She worked in a cafeteria for 10 years. She married Leland W. Hamilton September 4, 1948 and was a homemaker.

Mrs. Hamilton was a member of First Baptist Church and the Permian General Hospital Pink Ladies. She belonged to the auxiliary, the Garden Club, Victory Singers, Retired School Employees, Daughters of the American Revolution and the bridge club.

Survivors include one son, Richard Hamilton of Houston; three daughters, Angela R. Hamilton of Andrews, Brenda Lee Wind of Houston and Julia Kathryn Wallace of Andrews; one sister, Ruby Faye Newton of Pecos; two brothers, Walter Hock of Kingsville and W.J. Hock of Colorado City; 11 grandchildren and two great grandchildren.

Chester D. Adams

1929-1995

Funeral services for Chester D. Adams, 66, of Midland were scheduled for 2 p.m. Tuesday at Greenwood Baptist Church with the Rev. Wayman Swopes officiating and Jim Ray Brown assisting. Arrangements were under the direction of Pipkin Funeral Home.

Mr. Adams died September 14, 1995. He was born March 31, 1929 in Big Spring and attended school there. A veteran of the U.S. Army, he had been employed at Ray Gwyn Printing, West Texas Printing, Reynolds Brothers, Teraco and El Paso Products. He was preceded in death by his parents and two sisters, Mrs. Dorothy Walker and Tressie Shepley.

Survivors include two sons, Keith Nootbaar of Plano and Kerry Adams of Dallas; three brothers, J.W. Adams of Brazoria, M.E. Adams of Colorado City and Lester Adams of Ruidoso, N.M.; one sister, Lena Martin of Midland; three grandchildren and several nieces and nephews.

By JOE RAFF, CEA-AG

I suppose if it's not one thing, it's another. This summer has been real dry, and looking at different fields and pasture land every month, we needed it.

However, with the hot dry weather, coupled with the last week of cooler temperatures and some rain, some forage sorghum, sudangrass and pearl millet may have accumulated nitrates at high levels. In addition to these crops, Johnsongrass, pigweed, Russian thistle, sunflowers and kochia are other weedy species that accumulate nitrates and may be present in and around pastures and fields.

Why?? During the growing season, plants will continually absorb nitrates from the soil except under extreme drought conditions. Nitrates accumulate in the plant during cloudy overcast days, low temperatures and disease, frost or physical damage, individually or in combination with one another, and lead to nitrate accumulation. It will require four to eight days of good environmental conditions before plant nitrates are metabolized to low levels.

Most of the nitrates will accumulate at the bottom third and in new growth of the plant. And nitrates (contrary to popular belief) will not decrease if the forage are

harvested for hay like Prussic Acid dose. Prussic Acid levels will decrease if the forage are harvested for hay.

The two ways to decrease nitrate levels are to ensilage the forage (levels can decrease from 40-60%) or harvest only the top two-thirds (10-12 inches above the ground) of the plant, since most of the nitrates are located in the bottom third of the plant.

Steps to reduce the incidence of toxicity include:

1. Be certain cattle are full prior to exposing them to nitrate-containing forage. This will prevent initial levels of nitrate intake and also dilute the nitrates in the rumen. This is especially of concern when nitrate-containing forages are used on wheat pasture during snowstorms (if we get any) and other periods when wheat forage is limited.

2. Adapt cattle to nitrates. Ruminant microbes can adapt to high nitrate feeds. Feeding small quantities of nitrate containing forages promotes adaptation. When grazing nitrate-containing forages, limiting grazing for the first six to eight days, increasing grazing time from one to two hours to full time grazing by day six to eight, will allow the cattle to adapt.

Also, grain feeding provides additional energy to the microbes and promotes the conversion of nitrates to nontoxic compounds. When feeding hay, either slowly increase the amount fed daily or dilute the hay with nontoxic hay and gradually increase the proportion of the nitrate-containing hay.

3. In grazing situations, release the cattle when risk of high nitrate levels is low. For instance, do not graze immediately following weather conditions that stimulate nitrate accumulation.

4. Stock lightly when grazing so that cattle can select the low-nitrate portions of the plants.

5. Be certain adequate amounts to drinking water are available.

6. Use a direct-fed microbial product that contains Propionibacteria. Propionibacteria are capable of reducing nitrate levels in the rumen.

Nitrate is an intermediary compound produced from nitrate in the rumen and is the compound responsible for the toxicity.

A commercially available product, Bovipro, is a Propionibacteria product that can be administered by oral gel or top-dressed on feed. This product will cost about \$4.50-\$5 per head.

I have just received a list of new pesticides for cattle. After these

rains I noticed an increase in flies in my pens and I'm sure you have also. The list of these new products is as follows:

1. Miles Laboratories has a new 1% Cyfluthrin ready-to-use formulation sold as Cylene. It is labeled for beef and dairy cattle for horn flies, biting and sucking lice and ear ticks.

2. Y-Tex Corporation has a new ear tag with 30% Diazinon and 10% Chlorpyrifos. It is green in color and will be sold as Warrior insecticide cattle ear tags.

3. Mallinckrodt Veterinary has a new ear tag with 6.8% Lambdacyhalothrin and 14% Primiphos Methyl. It will be marketed as Double Barrel insecticide ear tag. It is bright red.

4. Grenade is a new WP formulation by Mallinckrodt Veterinary for premise fly control. Grenade is a 10% formulation of Lambdacyhalothrin produced in a water soluble bag. Mix it with

water for treatment.

5. Hoechst-Roussel Agri-Vet Company has Amitraz formulation in a water spray for beef and dairy cattle for chorioptic mange and biting lice. The EC formulation is sold as Taktic EC.

6. Y-Tex Corporation has a new pour-on formulation of 10% Permethrin which will be sold as Brute. It is used for lice and horn fly control on dairy and beef cattle.

7. Guardstar EC is a 40% Permethrin used for animals and premise sprays. It is available for all classes of livestock including swine, horses, sheep, beef and dairy cattle. Guardstar EC is a Y-Tex Corporation Product.

Cotton varieties to be examined

Biotechnology field day set

By JOE RAFF, CEA-AG

Mitchell County cotton growers will have a chance September 26 to see firsthand the latest cotton varieties produced using traditional

breeding and biotechnology at a cotton variety and biotechnology field day at the Texas A&M University Agricultural Research and Extension Center.

"Cotton growers are at the start of the most exciting changes in farming since the development of the mechanical harvester," said Kater Hake, cotton agronomist with the Texas Agricultural Extension Service at Lubbock.

County Extension Agent Joe Raff said, "The introduction of biotechnology to farming will revolutionize our production system in ways we can't yet imagine."

He said that even the biotechnology traits that will be available to cotton producers over the next two years—herbicide tolerance and worm-tolerance—will offer tremendous benefits.

The field day will begin with registration at 8:30 a.m. and continue until noon. Local experts on cotton biotechnology from Texas A&M and the USDA Plant Stress Laboratory will provide an update on current and upcoming varieties developed through both traditional breeding and biotechnology.

After an hour in the auditorium, producers can see the new varieties and herbicide-tolerant cottons and visit with the scientists working on cotton.

The Social Security Administration has released its fall travel schedule.

They will be in Colorado City at the Department of Human Services Building, 440 East Second Street from 10 a.m.-12 noon and 1-2 p.m. Wednesdays October 11, November 15 and December 13.

They will be at the senior citizen's center in Snyder from 10 a.m.-12 noon and 1-2 p.m.

Tuesdays October 10, November 14 and December 12 and at the senior citizen's center in Lamesa from 10 a.m.-12 noon and 1-2 p.m. Thursdays October 12, November 16 and December 14.

For faster service, call 1-800-772-1213 or call the Big Spring office at (915) 267-5227. For an appointment call 1-800-772-1213 and for Medicare information call 1-800-442-2620.

Public transportation program free this month

The public transportation program in Mitchell County will be free through September, administrators for People For Progress, Inc. (PPI) announced this week.

Transportation for Colorado City and Mitchell County, sponsored by PPI, opened for service September 18.

"All local transportation trips will be free through the end of this month," said a PPI spokesman. "This will give the general public an opportunity to use this program."

Free charges will begin October 1, 1995.

Work on airport to begin in April

Work on the Colorado City airport is expected to begin next April, Don Jones, a member of the Pilots Association, told Rotary Club members at their regular meeting last week.

"The airport is starting to show its age and the runway needs work," said Jones. "We're fortunate to get this work done. Preservation of the

runway will benefit us for a long time to come."

The project is 90 percent state funded, with ten percent of the funds coming from the city.

Renovations include overlay on the main runway, widening and work on the taxiways, a pad in front of the building, and installing new halogen lights.

GED

After receiving their certificates, many of the inmates slapped the hands of their fellow graduates as they returned to their chairs—an unspoken gesture of pride in achievement. Guests shared their pride with smiles, especially when one inmate turned to the audience after receiving his certificate and with a broad grin on his face, raised both arms in triumph and exclaimed, "Yeah!"

Inmates graduating from the Wallace Unit have much to be proud of in their accomplishment for they have an almost unique standing in the educational system

for prison inmates statewide—they each made a personal choice to get their GED.

The Wallace Unit and only two other units throughout the state are involved in a pilot program in which the academic school program is voluntary rather than mandatory.

When inmates enter the prison system they are tested to determine their educational level. If their score is below a sixth grade level and they have no degree, school attendance is mandatory.

According to Windham School System reports, numerous studies have shown that acquiring a high school diploma, especially when combined with learning a vocational trade, has a direct effect on reducing the number of inmates who return to prison.

An initial evaluation of the voluntary school program at the Wallace Unit has had positive results.

All students who have entered the academic program at the Wallace Unit were initially advised about the different programs at the school, the idea of volunteer schools and given the choice whether to attend school or not.

August 1994 to August 1995 was a trial year of the voluntary pilot program. Graphs kept of attendance show that the voluntary program enhanced attendance instead of reducing it, in spite of the unit's lockdowns this year.

In addition, the Wallace Unit school was number one in the western region in the percent of inmates attending education programs during April, May and July of 1995.

"Our monthly attendance has been either 98% or 99% since October 1994. The inmates want

Brame is Senior Citizen of the Year

Margaret Brame of Loraine was named Senior Citizen of the Year at the Old Timer's Reunion last Saturday.

Brame is well known for her volunteer work. She delivers meals for the Loraine senior citizens, drives people to doctor appointments when they are unable to do so themselves, and provides food when there's been a death in the family.

In addition, she is active in many civic organizations; a member of the executive board of

the Loraine Senior Citizens, president of the North Loraine F.A.C.E., program chairperson of the West Texas Girl Scout Council, active in the former Loraine Business and Professional Woman's Club and a member of the Loraine First Baptist Church.

This year's honored senior citizen currently manages her farm two miles east of Loraine. Formerly she worked at the cheese plant in Loraine, the ASC office and two local insurance companies.

White Buffalo Festival hosts Biscuits O'Bryan

Biscuits O'Bryan will be riding in from the I.O. Everbody Ranch in Sutton County to present his cowboy poetry and humorous stories at the second annual White Buffalo Festival in Snyder on October 7.

Biscuits is the creation of the Rev. Monte Jones, who has served Episcopal churches in Colorado City, Snyder and Big Spring. He is currently rector of St. John's Episcopal Church in Sonora and vicar of St. James' Church at Fort McKavett.

He made his initial appearances as an entertainer at the Covered Wagon Dinner-Theatre at the Caverns of Sonora, now designated the Birthplace of Biscuits O'Bryan. He has appeared each year at the National Cowboy Symposium in Lubbock and is a member of the Texas Touring Roster of the Texas Commission on the arts.

Other guests for the festival include Elmer Kelton, western novelist, who will sign books at

2509 College Avenue.

A downtown parade is scheduled to start at 10 a.m. with entertainment beginning about 11 in the courthouse square. The Scurry County Senior Center will host a quilt show at 2509 College Avenue and food vendors and arts and crafts booths will be set up on the square.

There will be a melodrama in the Ritz Theatre at 2 p.m. and 8 p.m. on Saturday, October 7 and 2 p.m. on Sunday, October 8.

The White Buffalo Festival pays tribute to the pioneer settlers of the Scurry County area and especially to noted buffalo hunter J. Wright Moorar, who became a Scurry County rancher and businessman after the buffalo hunting era ended.

Moorar killed a rare white buffalo near Snyder on October 7, 1876 and a statue of the buffalo stands on the northwest corner of Snyder's courthouse square.

Moorar's granddaughter, Judy Hays, will be Grand Marshal of the October 7 parade.

Also, the school has a high passing rate for those taking the GED test—76 percent.

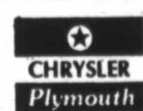

"We feel this is a reflection of their attitudes and motivation," said McLarty. "Teachers report that most students have positive attitudes because they made the choice to be in school."

CHIEF LONE WOLF
by JIM BAUM

Well, VELMA MOSELEY and AUDA DOSS managed to get good seats at the Oldtimers Reunion, after all. WRIGHT and SUDA HOCK didn't care where they sat.

"We neither one can hear thunder anyway," Suda said. "I guess it don't matter where we sit."

While folks mingled around trying to reserve seats and still visit with one another, the sweet table was a mighty popular stopping off place. SIS MERRITT, BETSY AYCOCK, GWEN WISTRAND and FLO BODINE were behind the table handing out the sweets when we were there.

Got to talk for a minute with IRENE BROWN HESTER. Her father, the late S.E. BROWN, was the first president of the First State Bank in Loraine. Mr. Brown served until his death in 1925. The bank was organized in 1908.

"That's when this country was first organizing," Mrs. Hester recalled. "Several men got together and designed [the bank] for people in the Loraine area."

BOB McMILLAN, now of Portland, Texas, brother of LAJUANA SOLOMON, recalled it was their great grandfather, W.H. BADGETT, who had the first gin in Mitchell County. At Cuthbert, naturally.

McMillan also remembered DREW CAWTHRON had a grocery store at Cuthbert. When he drilled for water, Cawthron got ethyl gasoline instead. (No explanation given for that. Can't even blame the Col Tex Refinery.)

LONIE PRUITT is closing in on her 80th birthday. She says she feels "great." (Acts it, too.) Both GUS and IVA ARMSTRONG are now 80. She just doesn't look it. (Actually, neither does the multi-talented Gus.)

And let's hear it for the musicians. In addition to Gus, SARAH SMITH, JOE WILLIAMSON and tub-thumpin' BEN SPARKS were outstanding.

The greatest "I-remember-you" story came from Sis Merritt. She spotted CODIE BALLARD ALLEN, a student Sis had taught in the fourth grade back in 1946. It was the first year Sis taught and she was still a Majors.

"Codie had chicken pox at Valentines," Mrs. Merritt told us. "I took all of her valentines to her. She lived out in the country and I had to wander around 'til I found the right house."

(Mrs. Allen is the mother of Abilene Cooper football coach RANDY ALLEN.)

We better type this faster. Got lots more to tell you and not a lot of space. Good to see SANDY McSPADDEN. He and his wife are back in Loraine looking after his mom, THELMA McSPADDEN.

NOBLE ROGERS and NELL HOLMAN were both at the reunion. When I asked Noble what his grandfather's first name was, he replied, "We just always called him Grandpa."

Fortunately, Nobles' sister, VERTA HARDEGREE, knew her grandparents' names. JOHNNY and MOLLY ROGERS.

By the way, the Heart of West Texas Museum did hold the drawing for the quilt. And the winner was...ANNA MOORE, 305 East 19th. (LIZ CONNELL and SIS HART JONES were taking donations for the quilt, made by KATHY-BASSHAM.)

Give a pat on the back to the ladies who were keeping up with registrations (LAVERNE CHALKER, RAY ANNE CARLOCK, MINNIE LEE MOORE, Y. SADLER, JANIE HENDERSON and CATHARINE MORRIS).

It was good to see MARY and ROBERT LLOYD. He's had surgery three times in the past nine months, but you could never tell it. You look good, Robert.

It was also good to see NITA BROADDUS. She told us, "If FANNIE BESS [SIVALS] can make it, I can too."

And here's a great story. FRANK KING, now of Lubbock, son of one-time Mitchell County Judge A.F. KING, went to the First Baptist Church Sunday morning. He had not been in the church in 50 years and says he was baptized there by Dr. P.D. O'BRIEN.

MARGARET OYLER was presented the "World's Longest Love Letter," a long sheet of butcher paper signed by many of those in attendance Saturday. Margaret's always been a big booster of the reunion and a former president of the organization.

FRANCES REED QUIETT was also in attendance. Her mother was DONA REED. (Her father worked for Herrington Auto Parts as well as Costin Tractor Company.) Frances is married to the Reverend HOWARD QUIETT, who hails from downtown China Grove.

LUKE THOMAS spotted some former customers of his and his brother GLENN THOMAS from the days when they operated THOMAS BROTHERS TEXACO. J.C. GARRETT and his wife, BETTY, were two of their many customers.

BOB MOTLEY was applauded for his work in organizing the reunions for Colorado High classes 1935, '43, '44, '45 and '46. Former Postmaster ARLEEN MORRIS told the audience Motley was the only rural letter carrier he knew "who could open a mailbox, put mail in it, close the box and never stop his car."

HUBERT FEASTER was there with his camcorder (and his wife). Also in attendance was pretty DIMPLE SUE McCARLEY (and husband A.K., JR.). And you should have seen those high-steppin' food servers. Led by MILDRED FREE, who wore a pin which read, "Old Too Soon. Smart Too Late," the servers also included ANNA STAATS, MOLLIE BRUCE, ERDINE MORGAN, CHRISTINE COOLEY, PHYLLIS LANE, EARLINE SELLIER, NANCY CROW, SUE WOMACK, PAULINE LIGHT and LOVLESS CURLEE.

Can't stop without saying "Thanks" to DREW and SHIRLEY BALLARD, "Hi" to GEORGIE TARVER, "Nice goin' " to JUNIOR SADLER, "Good introduction" to emcee SHIRLEY DELANEY, who described guest speaker DORIS HARGROVE McCLELLAN as "the only woman who ever fought a bobcat and won."

Good show, Doris. Enjoyed the cowboy stories. Two more quickies. Had to laugh when the woman I sat next to was busy talking and tore open her packet of pepper and emptied it into her iced-tea glass. (LINDA!!)

And how about this sign on the south wall of the civic center:

Cattle crossing
Means go slow.
That old bull
Is some cow's beau.
(Burma Shave)

See ya again next year.

Players of the Week named

Two junior linemen were named players of the week in last Friday night's loss to Merkel at Wolf Stadium.

Offensive lineman Ty Henderson was chosen as offensive player of the week. Henderson blocked well all four quarters and was truly a bright spot in the offensive line.

Defensive honors went to junior defensive lineman Zack Love. Love made eight unassisted tackles and four assisted tackles in the loss to Merkel. Henderson and Love will each be presented with a certificate at Friday's pep rally.

Wolves drop back to 179th

The Wolves' loss to Merkel last Friday night dropped the Wolves in the Harris Poll Rankings from 165 to 179th place. There are 2173A schools ranked by the Harris system.

Other district rankings include: Greenwood-44; Sonora-45; Crane-147; Reagan County, 164; Colorado City, 179; Kermit, 180.

The Clyde Bulldogs are ranked 114 and are a 13-point favorite over the Wolves for Friday night's game in Clyde.

Booster Club meets on Thursday

Wolf fans are invited and encouraged to attend the noon Booster Club luncheon Thursdays at Collum's Restaurant.

Head Coach Bill Grissom will present a short program on Wolf football and bring fans up to date on happenings with the football program.

The luncheon is a dutch treat buffet and adjourns a few minutes before 1. Your support is appreciated by the players and coaches.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS
OF PROPOSED
CONSTITUTIONAL AMENDMENTS
SPECIAL ELECTION
NOVEMBER 7, 1995PROPOSITION NO. 1
ON THE BALLOT

House Joint Resolution 50 proposes a constitutional amendment providing that the legislature by general law may authorize the Texas Higher Education Coordinating Board to issue general obligation bonds of the state in an amount not exceeding \$300 million to finance educational loans to students. The maximum interest rate to be borne by the bonds must be set by law. The legislature may provide for the investment of bond proceeds and may establish an interest and sinking fund to pay the bonds.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the issuance of \$300 million in general obligation bonds to finance education loans to students."

PROPOSITION NO. 2
ON THE BALLOT

Senate Joint Resolution 36 proposes a constitutional amendment that would authorize the legislature to exempt from ad valorem taxation the property of an organization chartered by the Congress of the Republic of Texas if the property is used primarily for the charitable, benevolent, or public service activities of the organization as defined by general law. The Comptroller's Property Tax Division has identified the Grand Lodge of Texas, also known as the Masonic Lodges, as the primary organization which would qualify for this tax exemption.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to exempt from ad valorem taxation property of an organization chartered by the Congress of the Republic of Texas that is used primarily for the charitable, benevolent, or public service activities of the organization."

PROPOSITION NO. 3
ON THE BALLOT

Senate Joint Resolution 51 proposes a constitutional amendment that provides that the farm and ranch finance program fund shall be administered by the Texas Agricultural Finance Authority and not by the Veterans' Land Board, as provided by current law. In addition, the proposed amendment provides that the proceeds of \$200 million of the \$500 million in bonds authorized by the Texas Constitution for the farm and ranch finance program fund may be diverted to the agricultural fund and the rural micro-enterprise development fund, also authorized by the Texas Constitution, to be used for agricultural and rural economic development programs.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment allowing the use of existing bond authority of the farm and ranch finance program to include financial assistance for the expansion, development, and diversification of production, processing, marketing, and export of Texas agricultural products."

PROPOSITION NO. 4
ON THE BALLOT

Senate Joint Resolution 46 proposes a constitutional amendment that would allow an encumbrance to be fixed on homestead property for an owelty of partition. In divorce and probate situations, a piece of property may be owned jointly by two

or more people, and each person owns an undivided interest in the property, as opposed to a specific portion of the property. If one owner wishes to purchase the other person's interest in the property and wishes to obtain a loan to finance the purchase, the lending institution requires all interests in the property to be used as security for the loan. This is called an owelty of partition. Senate Joint Resolution 46 would allow the lending institution to foreclose on the homestead property for an owelty of partition if the purchaser defaulted on the loan. In addition, the proposed amendment would allow the refinancing of a lien against a homestead. Finally, the proposed amendment would allow a purchaser or lender to rely on an affidavit that states that the property to be conveyed or encumbered is not the homestead of the affiant.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment permitting an encumbrance to be fixed on homestead property for an owelty of partition, including a debt of a spouse resulting from a divorce proceeding, and for the refinancing of a lien against a homestead, including a federal tax lien resulting from the tax debt of the owner."

PROPOSITION NO. 5
ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment which would increase by \$500 million the constitutional authorization of the Veterans' Land Board to issue and sell general obligation bonds of the state to provide housing financing to Texas veterans. The proceeds from the bonds authorized by this amendment shall be used to augment the Veterans' Housing Assistance Fund II to be administered and invested as provided by law. The bonds authorized by this amendment shall be incontestable after execution by the Veterans' Land Board, approval by the attorney general, and delivery to the purchaser.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to increase by \$500 million the amount of general obligation bonds that may be issued to augment the veterans' housing assistance fund II."

PROPOSITION NO. 6
ON THE BALLOT

House Joint Resolution 64 proposes a constitutional amendment which would extend the tax exemption under article VIII, section 1-b(b) of the Texas Constitution for the residence homestead of a person age 65 or older to the surviving spouse of a person who received the exemption. The surviving spouse must be age 55 or older when the deceased spouse died, and the property must be the residence homestead of the surviving spouse when the deceased spouse died and remain the surviving spouse's residence homestead. A surviving spouse who already receives an exemption under this section of the Texas Constitution is not entitled to an additional exemption under the amendment.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment exempting from ad valorem taxation the residence homestead of the surviving spouse of an elderly person."

PROPOSITION NO. 7
ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that would reduce the amount of general obligation bonds authorized for the superconducting super collider fund from \$500 million to \$250 million.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment reducing the amount of general obligation bonds authorized for undertakings related to the superconducting super collider research facility from \$500 million to \$250 million."

PROPOSITION NO. 8
ON THE BALLOT

House Joint Resolution 80 proposes a constitutional amendment abolishing the office of constable in Mills, Reagan, and Roberts counties. In Mills County, the office of constable is abolished, and the powers, duties, and records of the office are transferred to the sheriff. In Reagan and Roberts counties, the office of constable is abolished and the powers, duties, and records of the office are transferred to the sheriff only if a majority of voters in each of the respective counties favors the proposed amendment.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the abolition of the office of constable in Mills, Reagan, and Roberts counties."

PROPOSITION NO. 9
ON THE BALLOT

Senate Joint Resolution 7 proposes a constitutional amendment that would allow investment of money from the Texas growth fund in a business without the business's disclosure of its investments in or with South Africa or Namibia. Currently, such investments are prohibited by article XVI, section 70(r) of the Texas Constitution, which would be repealed.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment allowing investment of money from the Texas growth fund in a business without the business's disclosure of its investments in or with South Africa or Namibia."

PROPOSITION NO. 10
ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that would abolish the constitutional office of state treasurer effective September 1, 1996. The transfer of specific constitutional powers and duties to the comptroller of public accounts takes effect on that date. The statutory powers and duties and the property and other obligations of the state treasurer are transferred to officers and agencies of state government as the legislature provides by general law.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment abolishing the office of state treasurer."

PROPOSITION NO. 11
ON THE BALLOT

House Joint Resolution 72 proposes a constitutional amendment requiring that land devoted to wildlife management be taxed on the basis of its productive capacity. The proposed amendment also adds a temporary provision to the Texas Constitution validating the changes to the law made by Chapter 560, Acts of the 72nd Legislature, Regular Session, 1991, which amended the Tax Code to allow land used for wildlife management to be appraised as agricultural land. The temporary provision also provides that a property owner is not authorized to claim a refund of taxes paid unless the tax payment was challenged before the effective date of the proposed amendment. The temporary provision expires on January 1, 1998.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow open-space land used for wildlife management to qualify for tax appraisal in the same manner as open-space agricultural land, subject to eligibility limitations provided by the legislature."

PROPOSITION NO. 12
ON THE BALLOT

House Joint Resolution 31 proposes a constitutional amendment providing that the legislature may exempt from ad valorem taxation income-producing personal property and mineral interests that have a taxable value which is insufficient to recover the costs of administering the tax.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to exempt from ad valorem taxation personal property and mineral interests having a value insufficient to recover the administrative costs of collecting the taxes."

PROPOSITION NO. 13
ON THE BALLOT

House Joint Resolution 35 proposes a constitutional amendment authorizing the governing body of a political subdivision to exempt from ad valorem taxation boats and other equipment used primarily in the commercial taking or production of fish, shrimp, shellfish, and other marine life.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the governing body of a political subdivision to exempt from ad valorem taxation boats and other equipment used primarily in the commercial taking or production of fish, shrimp, shellfish, and other marine life."

PROPOSITION NO. 14
ON THE BALLOT

House Joint Resolution 68 proposes a constitutional amendment that allows the legislature to raise the current ad valorem tax exemption for disabled veterans and their surviving spouses and minor children. The tax exemptions would be raised based on a veteran's disability rating as follows:

Disability	Maximum Tax Exemption
10% - 30%	\$ 5,000
30% - 50%	\$ 7,500
50% - 70%	\$10,000
More than 70%	\$12,000
Age 65 and 10% or higher	\$12,000
Loss or loss of use of limb	\$12,000
Blindness or paraplegia	\$12,000

The spouse and children of any veteran who dies while on active duty may be granted an exemption of up to \$5,000. The amounts of the exemptions provided for in this proposed amendment may be repealed by the legislature by general law.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment relating to raising the limits of the exemption from ad valorem taxation of property owned by disabled veterans or by the surviving spouses or surviving minor children of disabled veterans."

Mustangs kick Bulldogs, 34-28

By CARL GRAHAM

For the second week in a row, the Loraine Bulldogs' offense awoke in the second half only to come up short of a win as the Sands Mustangs ran up a 26-6 halftime score and held on the second half for dear life.

Loraine came out the second half in their spread formation in order to open up the offense. They did just that as the "Dogs" turned 129 yards passing offense into three second half touchdowns.

The first touchdown of the second half came with 3:00 left in the third quarter on a 17-yard pass play from Cory Wooddell to Kyle Moore. They scored again in the third quarter on a 55-yard pass from Wooddell to Bear Cooper as time expired. This put them within four points of Sands with a score of 26-22.

The fourth quarter was a defen-

sive battle between both clubs as the Bulldog defense led by senior middle linebacker Josh Lee and senior safety Alvin Crawford rose up to stop the big play and hold Sands to a one-yard run for a score and a safety by Mustang safety Delynn Reed.

Loraine closed out their scoring for the night on a 15-yard pass from Cory Wooddell to Josh Lee to put the final score at 34-28 in favor of the Sands Mustangs.

Junior fullback Bear Cooper sustained an injury in the last quarter of the game. He was transported by ambulance to Mitchell County Hospital and later released.

This Friday night Loraine will take on powerful Midland Christian at home. Midland Christian is the number one rated private school in six-man football. Game time is set for 7:30 p.m.

Wildcats roar past Union, 48-0

By GARY MATLOCK

The Wildcats were all over the field Friday night as the Westbrook Wildcats hosted the Union Wildcats. Westbrook evened their record to 1-1 as they stomped Union 48-0.

Jeff Hill completed 16 of 29 passes for 231 yards and three touchdowns. He also rushed for 114 yards in leading Westbrook over Union.

The only score in the first quarter was a 31-yard field goal by Randy Byington. Just eight seconds into the second quarter, Justin Hill intercepted a pass and went 20 yards for the touchdown. The PAT was good by Randy.

Jeff Hill threw a seven-yard

touchdown pass to Richard White that brought the score to 18-0.

Casey Hill scored from one yard out to bring the score to 26-0. The PAT was no good. George Rincones scored next for the Wildcats with a 67 yard touchdown run. The PAT was good and at halftime the score was 34-0.

The Union Wildcats could not mount any offensive threat as

Westbrook's defense kept them contained throughout the contest. Jeff Hill connected with Scott White for a 40-yard touchdown. The PAT was good by White.

Westbrook's last score came on a 21-yard touchdown pass from Jeff to Casey Hill. The game was called with 2:59 left in the third quarter.

The Wildcats will host Jayton this Friday at 7:30 p.m.

JV Wolves defeated by Merkel

The Colorado High JV Wolves were defeated last Thursday night in Merkel 24-10, evening their record at 1-1.

Roland Nelson was the leading ball carrier for the Wolves, rushing for 110 yards on 13 carries.

"Turnovers were the key to the

game," Coach Phillip Ritchey said following the game. "We lost four fumbles and they converted two of these to touchdowns," Ritchey said.

The defense played a good second half shutting out the Badgers.

The Wolves' only touchdown

came in the second quarter on a two-yard run by Roland Nelson.

Adam Woods tackled the Merkel punt for a safety in the fourth quarter for the Wolves' final points.

The JV Wolves play host to Clyde Thursday night at Wolf Stadium.

Freshmen Wolves cruise by Merkel

The freshman Wolves notched their second win of the season last Thursday by defeating the Merkel Badgers 25-13 in Merkel.

"The victory was a great team effort," Coach Doug Boone commented. "Our defense won the hitting game and the offense ate up the clock and produced points."

The Wolves scored first when Will Bassham hit Brett Hoyle with

a first quarter touchdown pass. The PAT by Abel Bonilla was good.

Terry Green scored two third quarter short yardage touchdowns and one touchdown in the fourth quarter to round out the Wolves' scoring.

Green rushed 15 times for 105 yards to lead the Wolves' ground attack. A big defensive play was turned in by Gene Emerson when

he intercepted a Merkel pass that set up a Wolf touchdown.

Abel Bonilla and Rashard Walthall each had run stuffing tackles on several third and short downs for Merkel.

Will Bassham made a big defensive play when he deflected a Merkel pass that saved a touchdown.

The Wolves, 2-0, host Clyde Thursday at Wolf Stadium.

7th graders hand Merkel 22-12 loss

The seventh grade Wolves beat Merkel 22-12 last Thursday at Wolf Stadium in the season opener for both clubs.

The Wolves got on the scoreboard first on a two-yard run by Tony Leanos. Nick Rodriguez scored the two-point conversion

a run.

The Wolves scored two touchdowns in the fourth quarter, the first coming when Tony Leanos scored on a two-yard run and Nick Rodriguez adding the two-point conversion.

The Wolves' final touchdown came on a Nick Rodriguez 20-yard run in the fourth quarter. The PAT was no good.

The defense limited Merkel to two touchdowns and they were set up by turnovers.

"The defense did a great job in containing Merkel's big tailback," Coach Yardy Powell said. "I felt like we had great effort on both sides of the ball. It was a great way to start the season," Powell said.

The seventh graders travel to Clyde Thursday for their second game of the year. Game time will probably be at 5:00 for the fifth quarter.

Opening night of high school play *Noises Off*, 8 pm

Cast is ready for Noises Off

The Colorado High School theater department, in cooperation with the Colorado City Playhouse, will present three performances of Michael Frayn's *Noises Off*—September 30, a matinee October 1 and again October 7.

Nancy Stuart, a teacher at the high school, is directing the play. The cast includes Will Crockett, Kelly Younger, Amy Evans, Stephen Hill, LeeAnn Ramage, Colder Redwine, Fred Morris III, Cathi Roberson and Anthony Chastain.

The play is unusual in that most of the cast members play two characters.

"Bang, you're on—bang, you're off," said Kelly Younger, a junior at the high school. "This is a fast-paced play with action and comedy around every corner. Well, that's farce, that's theater, that's life!"

Sophomore Christian Morris, assistant director/stage manager, said, "Last year was great but we are all looking forward to this year, too. It will take a bunch of hard work but this is the cast who can do it."

4-H Fashion Follies Sept. 24

South Plains junior 4-H members (ages 9-13) from 20 counties will be participating in the 4-H Fashion Follies at the Panhandle South Plains Fair coliseum on Sunday, September 24 at 2:30 p.m.

This year's theme is "Circle the 4-H Fashion Wagons."

Youth participants have completed the equivalent of a three-hour study of clothing, grooming and consumer buying. Participants will model garments they constructed or purchased as a result of their 4-H clothing project.

Providing entertainment will be special guests Jody Nix and his band.

Participants from Mitchell County include Heather and Kimberly Barr in the buying division of the follies. Hayley Smith will serve as a fashion commentator.

Following the follies and entertainment, a "chuck wagon" refreshment break will be provided for participants and their families.

Join 4-H members from the 20-county area for Fashion Follies at the South Plains Fair.

Jerry Bates wins Jackpot Football

Once again, the tie-breaker determined the winner for the Football Guessing Contest. Jerry Bates of Colorado City was the winner in this week's contest.

Bates received \$30 in football bucks which are redeemable with participating merchants.

The second place winner this week was Kyla McGuffin of Colorado City, who won \$20 in football bucks.

The football guessing contest is held each week in the *Record* during football season.

1995-96 COLORADO HIGH FFA OFFICERS (bottom row, l to r): Lori Nail, vice president of public relations; Christian Morris, vice president of projects; Kim Russell, secretary; Melissa Rivera, historian; Jeanie Hart, historian; (top row, l to r) Tabitha Gonzales, first vice president; Shakei Ausbie, president; Freda McKnight, vice president of recreation; Nana Mays, vice president of achievement; Georgia Martin, vice president of programs; Sandy Garza, historian.

SETTLEMENT CLASS MEMBERS

FUNDAL® WAS A COMMERCIAL AGRICULTURAL PESTICIDE WHICH WAS MARKETING IN THE U.S. BY NOR-AM CHEMICAL COMPANY. FUNDAL® WAS NOT MARKETING FOR RESIDENTIAL OR HOME GARDENING USE.

U.S. WORKERS WITH ON-THE-JOB EXPOSURE TO FUNDAL® MAY BE ELIGIBLE FOR FREE MEDICAL MONITORING AND/OR CASH PAYMENTS UNDER THIS PROPOSED LEGAL SETTLEMENT.

PRICE SETTLEMENT CLASS MEMBERS ARE ALL U.S. WORKERS WITH ON-THE-JOB EXPOSURE TO GALECRON® (INCLUDING GALECRON® AND FUNDAL®) WHO DID NOT EXCLUDE THEMSELVES FROM THE PRICE SETTLEMENT. PRICE SETTLEMENT CLASS MEMBERS MAY BE ELIGIBLE FOR CASH SUPPLEMENTS UNDER THIS PROPOSED LEGAL SETTLEMENT.

PLEASE READ THIS NOTICE CAREFULLY. YOU MAY BELONG TO A CLASS OF PEOPLE COVERED BY A PROPOSED SETTLEMENT OF A LEGAL ACTION ("WOODWARD SETTLEMENT"). THE WOODWARD SETTLEMENT MAY AFFECT YOUR LEGAL RIGHTS. FOR MORE INFORMATION CALL 1-800-211-6913

Order of the Court. A class action has been conditionally certified for settlement purposes. On January 9, 1996, a fairness hearing will be held at the Courthouse, United States District Court, Southern District of Alabama, 113 St. Joseph Street, Mobile, Alabama, 36602, at 9 a.m. Central Time, so the Court can determine if the class action should be finally certified and if the Woodward Settlement, as summarized in this Notice, should be approved as fair, reasonable and adequate. Although participation in this settlement is voluntary, all Woodward Settlement Class Members who do not timely exclude themselves from the lawsuit will be bound by the Woodward Settlement if it is approved.

I. DEFINITION OF CLASS

Under the Woodward Settlement, Fundal® is defined as chlordimeform or any chlordimeform-containing product, either manufactured, formulated, packaged, distributed or sold by or on behalf of NOR-AM Chemical Company ("NOR-AM") or related parties, regardless of the trade name of the product, or any metabolite of Fundal®, including the substances known as 4-COT or 5-CAT. Galecron® has the same meaning as it did in the Price v. Ciba-Geigy Corp., Civ. No. 94-0647-CB-S (S.D. Ala. 1995), Settlement ("Price Settlement"), and is thus defined as chlordimeform or any chlordimeform-containing product, either manufactured, formulated, packaged, distributed or sold by or on behalf of Ciba-Geigy Corporation or related parties, regardless of the trade name of the product, or any metabolite of Galecron®, including the substances known as 4-COT or 5-CAT.

The Woodward Settlement Class is defined as:

(1) All persons who fall into one of the following categories, and who reside in the United States as of the date of filing of the Class Action Complaint, who have been exposed in the United States to Fundal® only, but not to Fundal® and Galecron® or to Galecron® only ("NOR-AM Exposed Persons");

a. Excludants: An individual whether or not employed by NOR-AM Chemical Company) who in the course of his or her employment was exposed to Fundal® while at a plant or site which was involved in mixing, blending, packaging, handling or otherwise formulating pesticides which contained, in whole or in part, Fundal®;

b. Applicants: An individual (whether or not employed by NOR-AM Chemical Company) who in the course of his or her employment, was exposed to Fundal® while involved in the application of pesticides which contained, in whole or in part, Fundal®, including, without limitation, aerial and land applications, flagmen, mixers, blenders, loaders and other individuals who handled such pesticide prior to or during the application process; or

c. Other Covered Workers: (i) An individual employed by NOR-AM Chemical Company who, in the course of his or her employment, was exposed to Fundal® in a testing or research laboratory and who was exposed to Fundal® in the course of his or her employment;

(2) The spouses, parents, children, other relatives, or legal representatives of the NOR-AM Exposed Persons described above;

(3) All members of the Price Settlement Class. The Price Settlement Class means all members of the settlement class certified by the court in Price v. Ciba-Geigy Corp., Civ. No. 94-0647-CB-S (S.D. Ala. 1995), excluding persons determined by the court to be opt-outs of that class. That settlement class includes persons residing in the United States who in the course of their employment were exposed to Galecron® or to Galecron® and Fundal® ("Ciba Exposed Persons"); and the spouses, parents, children, other relatives, or legal representatives of the Ciba Exposed Persons described above.

Collectively, "Woodward Settlement Class Members". **Note:** If you are an NOR-AM Exposed Person or a Ciba Exposed Person, you are a Woodward Settlement Class Member whether or not you have been diagnosed with an illness. Spouses, parents, children, other relatives, and legal representatives are Woodward Settlement Class Members but the claims they are settling are limited to those arising from a NOR-AM Exposed Person or Ciba Exposed Person's exposure.

II. IMPORTANT MEDICAL NOTICE TO NOR-AM Exposed Persons and Ciba Exposed Persons (as defined above):

You may have an increased risk of developing bladder cancer if you had on-the-job exposure to Fundal® and/or Galecron®. Workers exposed to Fundal® and/or Galecron® should participate in a medical monitoring program because early detection of bladder cancer can result in more effective treatment. If you had on-the-job exposure to Fundal® and/or Galecron®, it is recommended that you or your doctor call 1-800-211-6913 to learn how you can obtain further medical information or enroll in medical monitoring.

III. PROPOSED SETTLEMENT

The Woodward Settlement provides for the establishment by NOR-AM of two funds to provide medical benefits and compensation to eligible Woodward Settlement Class Members or their legal representatives. This settlement is intended, where applicable, to work as a complement to the Price Settlement.

The total package of benefits potentially available to a NOR-AM Exposed Person is the same as the total package of benefits potentially available to a Ciba Exposed Person. Thus, Woodward Settlement Class Members may be eligible for the same benefits whether they were occupationally exposed to Fundal®, only, or to Fundal® and Galecron®, or to Galecron® only.

(1) **The NOR-AM Medical Monitoring and Treatment Fund ("The NOR-AM MMT Fund").**

If the Woodward Settlement is approved, NOR-AM will make an initial deposit of \$3,500,000 into the NOR-AM MMT Fund, and will thereafter make additional deposits on an as-needed basis. There is no limit to the amount of money NOR-AM can be required to contribute over the life of the NOR-AM MMT Fund, which will last a minimum of 20 years.

NOR-AM Exposed Persons will be entitled to participate in the NOR-AM medical monitoring and treatment program; Ciba Exposed Persons may receive medical monitoring and treatment benefits only through the Price Settlement. The NOR-AM medical monitoring and treatment program and the medical monitoring and treatment program provided through the Price Settlement are identical. The NOR-AM MMT Fund will pay for a medical monitoring program designed to detect at an early stage the form of bladder cancer alleged to be associated with exposure to Fundal®, specifically, primary urothelial carcinoma of the urinary collecting system, i.e., renal pelvis, ureter, bladder and urethra. The NOR-AM MMT Fund will also pay for all medically necessary treatment for NOR-AM Exposed Persons.

(2) **The NOR-AM Disease Compensation and Administration Fund ("The NOR-AM DCA Fund").**

If the Woodward Settlement is approved, NOR-AM will also make an initial deposit of \$21,000,000 into the NOR-AM DCA Fund, up to a required maximum of \$30,000,000. The NOR-AM DCA Fund will make cash payments of up to \$626,500 on behalf of a NOR-AM Exposed Person who, after exposure to Fundal® only, has developed or in the future develops the form of bladder cancer alleged to be associated with Fundal®. In addition, the NOR-AM DCA Fund will make cash payments amounting to 40% of the amounts scheduled for and paid as compensatory payments pursuant to the Price Settlement, up to \$179,000, on behalf of a Ciba Exposed Person who, after exposure to Fundal® and Galecron® or to Galecron® only, has developed or in the future develops the form of bladder cancer alleged to be associated with Fundal® and Galecron®.

The NOR-AM DCA Fund will also pay for administrative costs and class counsel's and administrative class counsel's attorney fees, costs and expenses as determined by the Court. The total attorney fee award to be requested will not exceed 20% of the benefit conferred upon the class. The benefits of the NOR-AM DCA Fund will continue as long as the NOR-AM MMT Fund continues, or until the NOR-AM DCA Fund is exhausted. If the NOR-AM DCA Fund is exhausted, NOR-AM may continue paying for compensable claims. If NOR-AM does not continue to pay for these compensable claims, Woodward Settlement Class Members will be able to opt-out of the NOR-AM DCA Fund and pursue any legal claims they may have, except for claims for medical monitoring, medical treatment, fear of illness or cancer, or increased risk of illness or cancer.

(3) **Other Conditions.** The Stipulation of Settlement presently provides for medical monitoring, treatment and compensation payments for certain medical conditions set forth in this Notice. In the event, however, that a Court-approved Epidemiology Panel determines to a reasonable medical certainty that any other medical condition is caused by Fundal® or Galecron® exposure, that condition will be deemed a compensable claim, and will be eligible for medical monitoring (if feasible), medical treatment, and cash payments.

(4) **Release.** Woodward Settlement Class Members who do not exclude themselves from the Woodward Settlement Class release all past, present and future claims (i) relating to the covered medical conditions listed above; and (ii) relating to a Woodward Settlement Class Member's exposure to Fundal® or Galecron®, including all claims alleging that any other cancers, personal injuries or risks are caused by exposure to Fundal® or Galecron®.

as determined by the Court. The total attorney fee award to be requested will not exceed 20% of the benefit conferred upon the class. The benefits of the NOR-AM DCA Fund will continue as long as the NOR-AM MMT Fund continues, or until the NOR-AM DCA Fund is exhausted. If the NOR-AM DCA Fund is exhausted, NOR-AM may continue paying for compensable claims. If NOR-AM does not continue to pay for these compensable claims, Woodward Settlement Class Members will be able to opt-out of the NOR-AM DCA Fund and pursue any legal claims they may have, except for claims for medical monitoring, medical treatment, fear of illness or cancer, or increased risk of illness or cancer.

(3) **Other Conditions.** The Stipulation of Settlement presently provides for medical monitoring, treatment and compensation payments for certain medical conditions set forth in this Notice. In the event, however, that a Court-approved Epidemiology Panel determines to a reasonable medical certainty that any other medical condition is caused by Fundal® or Galecron® exposure, that condition will be deemed a compensable claim, and will be eligible for medical monitoring (if feasible), medical treatment, and cash payments.

(4) **Release.** Woodward Settlement Class Members who do not exclude themselves from the Woodward Settlement Class release all past, present and future claims (i) relating to the covered medical conditions listed above; and (ii) relating to a Woodward Settlement Class Member's exposure to Fundal® or Galecron®, including all claims alleging that any other cancers, personal injuries or risks are caused by exposure to Fundal® or Galecron®.

IV. CLASS REPRESENTATIVES AND CLASS COUNSEL

The Court has designated the following Woodward Settlement Class Members, Jack H. Woodward, Alta Woodward, Tom Lofton, Cindy Lofton and Rita Snow, as class representatives to represent all Woodward Settlement Class Members. The Court has also designated as Class Counsel the following individuals: Timothy E. Ehle, S.C. Middlebrooks III, and David R. Donaldson.

V. RIGHTS AND OPTIONS OF WOODWARD SETTLEMENT CLASS MEMBERS

If you are a Woodward Settlement Class Member, you have the following options:

(1) You may do nothing and remain a Woodward Settlement Class Member. If you choose to take no action, your interests as a member of the Woodward Settlement Class will be represented by the Class Representatives and Class Counsel at no cost to you.

(2) You may remain a Woodward Settlement Class Member and either represent yourself or hire your own attorney to represent you at your own cost.

(3) You may remain a Woodward Settlement Class Member and object to the settlement.

(4) If you choose to remain a Woodward Settlement Class Member (under options 1, 2 or 3 above), you may receive the benefits afforded by this settlement within six months of the Court's Order directing this Notice.

(5) You may request exclusion from this settlement.

DEADLINES FOR ABOVE OPTIONS.

The deadline for filing an Entry of Appearance if you choose to represent yourself or retain an attorney; for filing objections to this settlement; for filing a Notice of Intent to Appear at the fairness hearing; or for filing a request to be excluded from the Woodward Settlement Class is **DECEMBER 1, 1995**. TO LEARN MORE INFORMATION ABOUT HOW TO FILE ANY OF THE ABOVE ITEMS, PLEASE CALL 1-800-211-6913 or WRITE TO: Woodward Class Action, P.O. Box 974, Charleston, SC 29402.

VI. PROOF OF CLAIM PROCEDURE

In order for any Woodward Settlement Class Member to receive any of the benefits of this settlement, he or she must comply with the proof of claim procedure. To learn how you may receive benefits under this settlement or to obtain a Proof of Claim Form for medical monitoring, medical treatment or disease compensation, call 1-800-211-6913 or write to Woodward Class Action, Post Office Box 974, Charleston, SC 29402.

VII. FOR FURTHER INFORMATION THIS NOTICE IS ONLY A SUMMARY

If you believe you are a Woodward Settlement Class Member you are urged to call 1-800-211-6913 or write to Woodward Class Action, Post Office Box 974, Charleston, SC 29402 to obtain further information regarding this settlement, how to exclude yourself from the class, and how to obtain benefits. **DO NOT CALL THE CLERK OF COURT** with questions about this Notice or this settlement.

Greetings from Loraine.

Pat yourselves on the back all you rain dancers. It is still raining here and shows no sign of letting up anytime soon.

It wouldn't hurt to rest now and then but don't put your dancing shoes too far back in the closet.

All joking aside, the rains have been wonderful and everything is lush and green looking.

September is Library Card Sign-up Month all across America, sponsored by the American Library Association.

If you and/or your children

haven't signed up, please do it soon.

With a library card your child has access to thousands of dollars of resource material which can enhance learning.

We in Mitchell County are fortunate to have a public library not far from where we live. It is essential for today's youngsters to be able to read well in order to be tomorrow's leading citizens.

Homer and Ruth Richburg had Ruth's children, Richard (Dick) and Barbara Blair from North Richland Hills, along with Bill D. and Wynona Blair from Umbarger,

Texas for a nice visit Saturday, September 16.

Former Lorainians David and Ruth Collier celebrated their 55th wedding anniversary September 7. They were married in Loraine by Rev. H.M. Godfrey on September 7, 1940.

The family celebrated the special occasion by dining at Furr's Cafeteria for an evening meal.

Those attending were Brenda and Dan Jamierson, Jennifer Jamierson and a friend, Jim Cameron, also Clay and La Dawn Jamierson and their daughters Lacey and Justeen.

The Colliers attend Loraine senior citizens organization whenever they are anywhere nearby.

Congratulations to the Colliers and we hope you have many more good years together.

A mini family reunion took place at the Loraine Center Monday, September 18 as A.K. McCauley from Colorado City came over with his sisters, Blanche Bell of Westbrook, Geraldine Holtkart of Lubbock and Florence Walker of Odessa.

Also attending were Syble Walker and Juanice Butler of Loraine.

Troy and Jean Kegans from Arlington, plus Jack and Mary Love Allbright from Odessa, came over the weekend to help Syble Walker celebrate her 92nd birthday.

The group took Syble and her sister, Juanice Butler, for a birthday lunch at Collum's Restaurant in Colorado City. They were met there by their brother, Chester Hart and his grandson, Steve Hart of Lubbock.

A great time was had by everyone as birthday cake and "Happy Birthday" was enjoyed.

Kyle and Susan Hall from Birmingham, Ala. attended the Miss America Contest in Atlantic City, N.J. September 16. They had a great time rooting for their favorite contestant.

Kyle Hall is Chrystene Hall's youngest son.

Billie Sheffield had surgery last week and is recuperating now at home.

We send her our well wishes and hope she is up and at 'em soon.

My Vaughn relatives visited with me over this past weekend and we had a great time celebrating Christmas.

We didn't get a head start on this year's holiday, but came together for Christmas of 1994.

Santa Claus left several gifts around a small tree, decorated in the traditional manner with lights brightly shining.

Attending the festivities were Royal and Dottie Vaughn from Irving, T.D. and Anita Vaughn, Shreveport, La. and Vickie Vaughn from Nashville, Tenn.

So—ho, ho, ho, I gotta go shopping. Someone in this family just may want to have a 1995 Christmas in October or November. I hope it's not on July 4th.

Speaking of Christmas... Since tea drinking (hot or cold) is high on my list of love-to's, it might be nice to ask Santa for a Mrs. Teapot, a modern day wonder akin to Mr. Coffee.

Later it occurred to me if I put this electric gizmo to daily use part of the enjoyment of tea drinking would be lost. After all, the water boiling, filling, steeping and the pouring of it is a ritual that has been taking place for centuries on end, not only by kings and queens but common folks alike, all over the world.

The liquid brew of your choice poured into a thin china cup is one of life's nicest pleasures.

Hmmm—maybe a nice pair of house shoes instead.

Hubert and Nina Meadows, along with Pam Butler, went to Weatherford Thursday night, September 14 to visit Shep and Sally Compton. While there, Pam told me she attended a Texas Health Dept. staff meeting directed by Dr. Allen, regional health director.

Funding for maternity and children's health services has been cut and because of it our local regional clinic services will either be phased out in the near future or contracted out by private bidders.

For more info concerning this matter, you may call Mitchell County Commissioners Court, Mitchell County Hospital Board or health nurse Pam Butler.

The Loraine community is very proud of having Margaret Brame

live among us. If anyone ever deserved an award for senior citizen of the year, it is she.

The list of accolades read was lengthy indeed but still doesn't cover all her good deeds and accomplishments around the community.

Congratulations to Margaret Brame.

Center Activities
Mary McMullen, CEA of Mitchell County, gave a good nutritional report last week entitled, "Cooking Healthy Meals in 30 minutes or less."

She advised keeping these staples on hand: milk, eggs, bread, tortillas or pita bread, beans, other dried lentils and peas, rice, pasta or noodles, potatoes, onions, fruits and vegetables, canned soups, margarine and cooking oil.

By adding a little protein in small amounts, plus spices and herbs to some of the above ingredients, you can have a delicious, nutritious, healthy meal any time.

Eddie Newsom came to the center Monday as Bro. Merrill's guest. He is a city employee and we enjoyed meeting him.

Come join us Wednesday, September 27 at 11:15 a.m. We will have as speaker Clayton Finch,

who will tell us about what is going on at the Wallace Unit prison.

Bring a salad and join us Saturday night the 23rd for supper and game night. You won't be forced to play games. Come have fun.

Yvonne Sadler and Billie Schroeder are hosts.

I heard that Billie Schroeder went on a trip to New York and other places up north but was glad to get back to wide open spaces!

As always, we were happy to see Irene Hester again along with Robert and Bess Miller. They came for the Oldtimers Reunion and later visited with us here in Loraine. They don't appear to ever age at all.

The cemetery, both city parks, ballfields and schoolyards looked great before all the good rain, and now look even nicer.

Jill Grant reports that Mindy Wade will be leaving the home soon. She is director of nurses.

Everyone will miss her, but wishes her well in a new endeavor.

Taking her position will be Justa Gunn. They want to welcome her and hope she likes her new work home.

A new resident at Loraine Manor is Modess Lucas. We say hello and wish her well!

Employee of the month for September at the manor is Emelia Garza. Congratulations to Emelia!

Come to see us.

"See You on Sunday"

The Sunday school teacher was describing how Lot's wife looked back and turned into a pillar of salt, when Billy interrupted. "Shoot, that ain't nothing," he said proudly. "My mother looked back on'e and she turned into a policeman's patrol car."

Little Jim was working hard on his drawing when the Sunday school teacher took one look at it and was horrified. She said, "Jimmy, it looks like a cowboy going into a saloon."

"Yeah, teacher. But he ain't drinking. He's just shooting somebody."

A tiny little lady who appeared to be in her 80s was testifying at a prayer meeting.

"I ain't what I ought to be, and I ain't what I'm going to be. But anyway, I ain't what I was."

Take good care and see you about town.

LORAIN BULLDOGS CHEERLEADERS: (back row, l to r) Lakita Atkins, Glenna Green, Alisha Green, (front row, l to r) Molly Garcia and Andi Chavez.

CARD OF THANKS

Card of Thanks

The Colorado City Bass Club would like to thank the City National Bank, Eddie's, B & B One Stop, Fuller Foods, Gas and Grub, Corky's True Value, Plagens Printing, the employees of the Lake Colorado City State Park and the new management of Fisher Park at Lake Champion for their help and cooperation.

Card of Thanks

In the midst of our sorrows, we wish to express our heartfelt thanks and appreciation to our many relatives and friends for their kindness and sympathy shown us in the loss of our loving husband and daddy, Henry DeLoera. A special thanks to Dr. Gross and the girls at the Loraine Manor. The many cards, flowers and food. May God Bless you.

The Henry DeLoera Family

Card of Thanks

The staff of the "80 John" Wallace Unit would like to thank all the sponsors, merchants, cooks and other volunteers who participated in the TDCJ-ID "Day In The Park". We had a large turnout among staff and family members and everyone had a great time! TDCJ-ID has been well received in Mitchell County and we enjoy working and living in such a fine community. Again, thanks to all who helped make our "Day In The Park" such a fun and memorable day.

CAUSE NO. 13,031 IN THE INTEREST OF BABY BOY MILLER, A CHILD IN THE 32ND JUDICIAL DISTRICT COURT OF MITCHELL COUNTY, TEXAS

NOTICE BY PUBLICATION
STATE OF TEXAS
TO: VICKY MILLER AND TO ALL WHOM IT MAY CONCERN, RESPONDENTS:

You have been sued. You may employ an attorney. If you or your attorney do not file a written answer with the Clerk who issued this citation by 10:00 a.m. on the Monday next following the expiration of 20 days after you were served this citation and petition, a default judgment may be taken against you. The petition of the Texas Department of Protective and Regulatory Services, Petitioner, was filed in the 32nd Judicial District Court of Mitchell County, Texas, on the 12th day of September, 1995, against Ficky Miller, the mother, and the unknown father of Baby Boy Miller, Respondents, under Cause No. 13,031, entitled "In the Interest of Baby Boy Miller, A Child." The suit requests the entry of temporary orders, the appointment of a Managing Conservator

for the child, the ordering of child support and any other orders deemed appropriate by the Court. The date and place of birth of the child who is the subject of the suit are: Male child, September 9, 1995, Colorado City, Mitchell County, Texas. The court has authority in this suit to enter any judgment or decree affecting the parent-child relationship in the child's best interest which will be binding upon you, including, a determination of paternity, the appointment of conservators, and the ordering of child support and visitation or access. Issued and given under my hand and seal of said Court at Colorado City, Mitchell County, Texas, this 14th day of September, 1995.

Sharon Hammond, District Clerk
OFFICER'S RETURN
Came to hand on the 14th day of September, 1995, at 5 o'clock p.m., and I executed the within Citation, by publishing the same in the Colorado City Record, a newspaper published in the County of Mitchell, State of Texas, published on the 21st day of September, 1995.
Sheriff, Patrick Toombs, Mitchell County, Texas
