ALL-DISTRICT PICKS -- State champion Knox City Greyhounds named to all-district 3-A honors during recent selections are from left, James Evatt, first team offensive center, second team defensive lineman; Wayne Hutchinson, first team quarterback and defensive back and second team punter; Joe Paul Flores, first team offensive end; Chad Whitley, first team offensive tackle and defensive lineman; Chris Whitaker, first team offensive guard and defensive linebacker; Otis Lockhart, first team offensive back and kicker and defensive back; and Dwayne Watkins, first team offensive flanker. Not pictured is Kevin Eaton, first team offensive guard and defensive end.

Eaton Is Benjamin's City Manager

Ernie Eaton has been named city manager for the City of Benjamin and assumed duties January 2, 1984.

Eaton succeeds Ronnie White who resigned effective December 31, 1983.

The new city manager has been a resident of Benjamin since July 1983 when he and his wife Penny and their children came to visit Penny's parents, Mr. and Mrs. B.G. Spikes. According to Eaton, they 'fell in love' with Benjamin and decided to move there. Since moving to Benjamin, he has been involved in community activities having announced the football games and keeping time for the Benjamin basketball games. He is a member of the Benjamin Volunteer Fire Department and has just completed an emergency care course in Seymour.

Originally from Northeast Oklahoma, Eaton joined the Marines in 1966 and served four years. He spent one year in California, one year in Viet Nam and was later a Marine Corps recruiter in Salt Lake City, Utah. After his discharge in 1970, he was a legal process server in Southern California, and later spent three years in real estate sales. In 1978, he became branch manager for a mining parts and supply firm in Raton, N.M., and after being transferred to Aspen, Colorado, formed his own corporation there in March 1983.

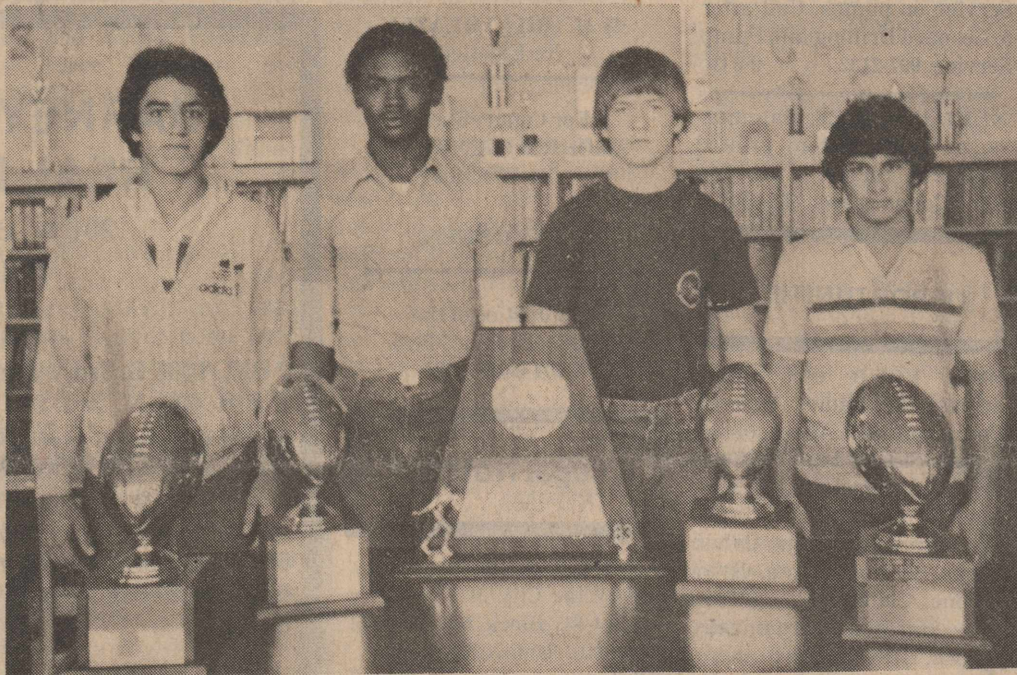

The new city manager said that he was looking forward to working in this capacity and that he wanted the people of Benjamin to know that his door is always open.

He explained that within the next month a telephone answering phone will be installed for those who need to leave messages while he is out of the office. Also, a notebook and pen will be attached to the office door so that written messages can be left when no one is there.

The Eatons have two children, Kendra, 3, and Helen, 14 months. They belong to the First Christian Church in Benjamin.

LAST CALL!

The News office has pictures of the KC-Valley game in both black and white and color and also black and white pictures of the KC-Bremond game. Orders will be taken through January 6 at the News office.

SECOND TEAM all-district honors have been presented to George Rocha, defensive linebacker; Steve Oudems, offensive back; David Thompson, defensive end; and Jerry Gutierrez, defensive back.

Bloodmobile Visit Is Set January 17

Local Red Cross Blood Services chairman Sue Marion has announced that the Red Cross Bloodmobile will visit Knox City on Tuesday, January 17, between the hours of 1:30 and 6:00 p.m.

If you are between the ages of 17 and 66, and are generally in good health, you are needed to donate blood on this date. Questions concerning eligibility may be answered on site by staff nurses at the Bloodmobile.

In order to assure a safe, healthy and plentiful blood supply, it is important that new donors be recruited for each mobile operation. Regular donors are being encouraged to bring a "first-timer".

Donating blood is not something to "fear". It takes approximately 45 minutes to go through the entire process. Those persons who need to have a special appointment time may do so by contacting Mrs. Marion at 658-3294.

STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"Blessed is the man that trusteth in the Lord and whose hope the Lord is." (Jer. 17:7).

The man who has made the Lord his hope and confidence is like a tree planted along a river bank, with its roots reaching deep into the water—a tree not bothered by the heat nor worried by long months of drouth. Its leaves stay green and it goes right on producing all its luscious fruit.

The hope for your New Year can be as bright as the promises of God. The Bible offers you confidence for the future—not based on your own ingenuity or determination, but on the love and mercy of God. Nothing in the coming year—regardless of what it is—yes, nothing can change this solid Hope. The Prophet Jeremiah knew the secret: Blessed (Happy) is the man that trusteth in the Lord, and whose hope the Lord is. God, the all powerful Creator and Sustainer of the Universe, who cares about your every problem—this God alone can and will build a secure future for you as you trust in Him and in Him alone.

"May the Blessed Lord bless, prosper, and keep you through the year of 1984, in my prayer."

When You Buy, Build
or Remodel, You Can Save
Thousands of Dollars*
on Your Electric Bills over
the Life of Your Home if
it's a WTU-Approved
E.S.P. Home

Some homes on the market may seem to be energy efficient, but before you buy, build or remodel, be sure your new home earns the West Texas Utilities

"E.S.P. Award"

ASK YOUR REALTOR OR BUILDER ABOUT SOME
OF THE MOST IMPORTANT ENERGY SAVING FEATURES:

- Ceiling insulation of R-30 and wall insulation of R-16.
- Storm windows or insulated glass.
- Weatherstripping and caulking around all doors and windows.
- Air conditioning with a Seasonal Energy Efficiency Ratio (SEER) of 8.5 or higher.
- Electric heat pump with an SEER of 8.0 or higher.
- Air infiltration control.

*COMPARE BELOW HOW MUCH MONEY AN E.S.P. HOME
CAN SAVE YOU OVER A ONE-YEAR PERIOD

An average 1800 square foot home will cost approximately \$835 per year to heat and cool.
An E.S.P. HOME of 1800 square feet will cost approximately \$610 per year to heat and cool, which results in an annual savings on electricity costs of 25 percent or more.
(Energy savings may vary according to the type of construction of the home, family size and individual energy usage habits.)

Call your local WTU office for additional information on buying, building or remodeling to have an E.S.P. HOME. IT CAN SAVE YOU MONEY ON FUTURE ENERGY BILLS!

BUILDING YOUR RETIREMENT IS AS SIMPLE AS A.B.C.

OPEN A TAX-DEFERRED, MONEY-MAKING INDIVIDUAL RETIREMENT ACCOUNT TODAY AT COMMODORE SAVINGS.

Retirement used to be a taxing situation. But not any longer. Because now, you can open an Individual Retirement Account (IRA) at Commodore Savings — the simple-to-understand retirement account that will save you money today so you can enjoy better tomorrows.

Just add up the benefits for yourself:

- All contributions are tax-deferred and 100 percent deductible. You pay no taxes on the money you invest in your IRA or on the interest it earns until you begin taking distribution as early as age 59½.

- Save as little or as much as you want each month. Up to \$2,000 a year if you are single and employed. Up to \$2,250 a year for a couple where one spouse is employed and the other is not. And up to \$4,000 a year for a working couple. Save as little as \$10 a month. Even skip a whole year's contributions if you prefer.

- Pay much less tax on your retirement income. By retirement age, you'll probably be in a lower tax bracket, so the taxes you'll pay on your IRA retirement income could be much less than you pay now.

- Almost everyone can qualify. If you are under age 70½ and are earning an income, you qualify for a Commodore IRA, even if you are already participating in another retirement program.

Best of all, the money you put into your IRA earns a guaranteed high compound interest rate. Save \$2,000 a year for just 20 years, and your IRA investment could amount to well over \$100,000!

Seven different retirement plans are available, including Regular IRA, Spousal IRA, Employer IRA, Rollover IRA, Payroll Deduction IRA, IRA/SEP? and Keogh Plan. Find out which plan is right for you. Call Commodore today, and build yourself a better retirement at Commodore Savings. It's as simple as A.B.C.
