With the thermometer hanging
above the one hundred mark
every day, the prolonged heat wave
has its effect on crops as well
as the people of the Southwest. Un-
usually good rains are received within
a few days, all hopes for even
average crop of feed will be
ruined.

Perryton and a greater part of
north half of the county received
an inch of rain last Friday
morning. This shower cooled
the weather for a day, but Old
beamed out strong again Sun-
day.

in Clay County, Ill., on December
1859, and departed this life at
Perryton, Texas, on July 21, 1934.

Mr. Klapp. Miss Annie then went
to Okla. to make her home until
she returned to Ochiltree
with her brother, John F.
Klapp and family, her only imme-
diate relatives with whom she made
home until her death.

While she has gone from the
earth, the conflicts, the sorrows
of the pleasures of life, she will
live in the hearts of those who
loved her best. Her retiring nature
led her to hide her best qualities
from the public gaze, but they were
known to those who enjoyed her
presence and at home her true
self was most conspicuous. She
was a sincere, everyday Christian
church membership was with
Christian church, which she
joined when sixteen years of age.

Funeral services were held at the
church at 2:00 o'clock
Friday afternoon, August 2, with

7,694; and McDonald, a close

DELEGATION TO STATE CAPITOL

W. B. LaMaster, Judge Flow-
ers, and Representative
Serving County

W. B. LaMaster, chairman of the
highway committee of the Perry-
ton Chamber of Commerce; Judge
Oscar C. Flowers, county judge of
Ochiltree county; and State Repre-
sentative B. L. Rogers are in Aus-
tin this week representing this
county before the state highway
commission and the state relief
commission.

According to the Amarillo News,
the Panhandle committee made up
of representatives from all over this
section of the state received a very
cool reception in the state capitol.
This paper is reserving any com-
ment on the situation until the re-
turn of our committee. According
to the Amarillo News, Federal No.
83 running north and south through
Perryton is not considered one of
the Panhandle's important high-
ways. Naturally Amarillo would
consider this to be the case, since
Federal No. 83 does not run through
the city of Amarillo.

Beaver Judge Dead

Judge H. D. Meese was Pioneer;
Served Beaver County as
Judge 22 Years

Judge H. D. Meese, for 22 years
County Judge of Beaver County,
Oklahoma, died Thursday, July 26,
and was buried Sunday afternoon
in the Beaver cemetery. The de-
ceased was well known to many resi-
dents of this community. Funeral
services were conducted at the
Christian church in Beaver, Rev.
Cook, Methodist pastor, officiating.
The Masonic lodge was in charge of
the services at the grave.

Henry Demosque Meese was born
October 9, 1886 at Antwerp, Ohio.
In his boyhood days, he moved with
his parents to Fort Wayne, Indi-
ana. When 28 years of age, he
came to Kansas, where he met Miss
Anna Margaret Kile, whom he mar-
ried on July 18, 1884. In April
1889, they heeded the call of the
pioneer and located in Beaver coun-
ty, then known as No Man's Land.

In 1898, Henry Meese, joined the
Methodist Church of Beaver, and
early day residents remember him
as one of the most earnest devout
early day class leaders of the
church. He was a charter member
of the Beaver Masonic lodge when
it was organized on January 5, 1905
and he had ever been a faithful and
useful member of that honored frater-
nity.

In 1907, he was admitted to the
bar. During the 22 years that he
served Beaver county as County
Judge, he was a leader in that com-
munity, standing ever for justice
and right.

He leaves to mourn his depart-
ure: his wife and eight children:
They are: Joe, Kay, Elsie, and
Woodrow Meese, Beaver; Jack
Meese, Maywood, Calif.; Bill Meese,
Huntington Park, Calif.; Mrs. Elita
(P. D.) Kuykendall, Hardesty, Ok-
lahoma; Mrs. Lela (Ray) Chase,
Parnsworth, Texas. A daughter,
Nellie, died at the age 14. Other
near relatives surviving are: two
brothers, John P. Meese, Fort
Wayne, Ind., and Allen S. Meese,
Pint, Mich.; also 8 grandchildren
and a number of nieces and
nephews.

During his life, Judge Meese en-
deared himself to those who knew
him through his friendly, jovial
disposition and many other sterling
qualities. He was a pioneer and a
builder. He helped to put upon a
solid foundation the schools,
churches, lodges and many other
organizations of his county. Public
confidence in his ability and fair-
ness is clearly shown by the fact
that he was entrusted with the ad-
ministration of justice for over
twenty years by the people of his
county.

These many good deeds constitute
a monument to the memory of
Henry Demosque Meese, whose
friendly smile will be missed by
those who knew and loved him.

BOY SCOUTS TO MOUNTAIN CAMP

ANNUAL COUNCIL CAMP WILL
BE HELD IN LINCOLN
NATIONAL FOREST
IN NEW MEXICO

Scout Executive C. A. Clark, Pam-
pa, was in Perryton Wednesday
sounding the "call to camp" for
the annual camp of the Adobe Walls
Boy Scout Council to be held in the
Lincoln National Forest near Ros-
well, New Mexico August 20-29. A
number of Perryton Boy Scouts are
expecting to make the camp.

August 10 will be the last day for
registration to the fall camp in the
Sacramento mountains of New Mex-
ico, which will last from August
20 to 29. The \$10 registration fee
for each boy will cover all expenses
of the camp, including transporta-
tion.

Letters sent from the Pampa
headquarters office mention the al-
most unbelievable sights to be vis-
ited from 750 feet underground in
Carlsbad caverns to 12,000 feet on
the Sierra Blanca, Capitan peaks,
Mesquite Indian reservation, Lin-
coln National forest, bottomless
lakes, largest artesian wells in the
world, and Billy the Kid relics.
Many of the boys are reading facts
about Billy the Kid in preparation
for their visit to his old "stamp-
ing ground."

Inasmuch as this will likely be the
last camp outside of the council area
for several years, the boys are eag-
er to earn the necessary \$10 for reg-
istration. The lads will be closely
observed as to their fitness to be
council representatives at the Na-
tional Jamboree at the White House
next year. Only a few boys can be
sent to Washington. No delegate will
be chosen who is not a first class
camper.

APPRECIATION FOR PRI- MARY WORKERS SERVICE

As chairman of the Ochiltree
County Democratic Executive
Committee and publisher of the
Ochiltree County Herald, I want
to tender my sincere thanks and
appreciation to the presiding
judges, associate judges, and
clerks in the Democratic pri-
mary held last Saturday. Never
before in the history of this
county, has there been such a
prompt and correct tabulation of
primary returns. It was just 2
hours and 45 minutes after the
polls closed until the complete
returns, together with boxes, bal-
lots and all supplies, were at the
Herald office from the fourteen
voting precincts of the county.
These returns were quickly tabu-
lated and in less than three
hours after the polls closed, the
complete results in all precinct,
county, district and state offices
were posted on the Herald bulle-
tin board. It was only through
the cooperation of all the judges
and clerks that such a record was
possible. We also wish to thank
those who assisted us in tabu-
lating the returns. We are es-
pecially indebted to Francis
Dowers, who operated the loud
speaking equipment over which
the returns were announced at
the Herald office. We are sure
that the hundreds of people who
made up the immense crowd
gathered around the Herald
bulletin board join with us in this
expression of gratitude.

Trade Your Ford V-8 Today While Present Prices Last

WE NEED V-8's FOR OUR USED CAR STOCK. BUY A NEW 1934 CHEVROLET—AND PROFIT BY GOOD TRADE-IN ALLOWANCES BEFORE VALUES DROP.

The longer you hold on to that Ford V-8 of yours, the less chance you'll have of getting a good price on it. Used car values on Fords are constantly declining. Any automobile man will tell you it's wise to get rid of it now. You'll save yourself plenty of money if you do.

And if you want a new car that's going to command a wonderful resale value in the future, buy a CHEVROLET now. Chevrolet has KNEE-ACTION wheels. Chevrolet is the only car in the low-price field that does. And it won't be long until Knee-Action will be considered just as important to have on a car as 4-wheel brakes. Knee-Action cars will be the preferred "buys" in the used car as well as the new car market. In fact, cars without Knee-Action probably won't "sell"—they'll be looked upon as out-of-date.

So if you own a Ford V-8 today, there's no question what you should do. Trade it in—right away! Later on, we won't be able to make you nearly as good a proposition as we can make you today!

The farmer who uses the Sinclair Call-me-by-postcard Service never runs out of gasoline or lubricating oil. He merely leaves a few of our free postcards (no postage required) near his oil supply—or better still, he tacks a card to the wall over his oil drums where it serves as a constant reminder. On these cards is printed a list of the principal Sinclair products, each with a space for noting down the number of gallons or pounds required. When the supply of any item runs low the farmer simply takes up the card, writes down the number of gallons or pounds of any product he requires, signs his name and drops the card in the mail. We do the rest. May we call and explain it further?

We sell Sinclair Opaline and Sinclair Pennsylvania Motor Oils, Sinclair Tractor Oils, Sinclair Gasolines, Sinclair Super-Flame Kerosene, Sinclair Cup and Sinclair Axle Greases, Sinclair P. D. insect spray.

ROGERS THANKS VOTERS

I want to express through your paper, my sincere appreciation of the vote of confidence accorded me last Saturday. I shall do my best to merit and justify the faith the people have thus shown in me. It looks like a great victory, not a personal one, but for the people of this district, who have thus shown that they will stand by one of their own kind, who has worked hard to serve them.

It would be a sorry sort of a man indeed, who would not be inspired to do his utmost to justify the faith and confidence so emphatically shown in the face of powerful opposition, which took advantage of every small thing to conceal their real opposition; that is, that they preferred a man whom they could dominate and control.

Sincerely,
B. L. ROGERS

YEARY THANKS VOTERS

To those that voted for my opponent, I wish to assure that just as long as I serve you as an official, I will be the humble servant of all the people, regardless of their support at the polls.

W. G. YEARY

"MURDER ON BLACKBOARD" REUNITES OLD SLEUTHS

Played again by Edna May Oliver and James Gleason, the spinstery Hildegard Weathers and the cocky Inspector Piper resume their race for sleuthing honors from their stop in "The Penguin Pool Murder" in "Murder on the Blackboard," which comes to the Ellis Theatre, Saturday, August 4.

This RKO-Radio murder mystery sets its locale in a schoolroom where a beautiful young music teacher is slain shortly after she writes a music exercise on a blackboard. Hildegard Weathers discovers the body, and summons Inspector

tor Piper. A number of suspects is implicated, and the indomitable Withers follows clue after clue through spooky dangers and devious trails, until she finally sets a fool-proof trap for the killer in a spine-tingling climax.

Miss Oliver and Gleason head the cast of "Murder on the Blackboard," which prominently includes Bruce Cabot, Gertrude Michael, Regis Toomey, Edgar Kennedy and Tully Marshall. George Archaimbaud directed, from Willis Goldbeck's adaptation of the Stuart Palmer novel.

"Who knows what the immediate future holds of political upheaval? Social and economic problems ever bring political change. Today offers the largest opportunity to invest life since the Revolution of 1776.

The founders of this nation appealed to the Supreme Judge of the World for the rectitude of our intentions. "Better is a little with righteousness than great revenues without right" is the direct word of the Lord about liquor revenues. "Be-ware lest thou forget the Lord," who said "Behold I set before you this day a blessing and a curse. A blessing if ye obey the commandments of the Lord, your God, and a curse if ye will not obey the commandments of your God. All the nations which the Lord destroyed before your face, so shall ye perish because ye would not be obedient unto the voice of the Lord, your God.

Christian citizens of America, to your knees, asking the blessings of the God of Nations anew upon our country because we pledge to God and country our devoted love and service."—Ida B. Wise Smith, Pres., National W. C. T. U.

MY HOSPITAL DAYS

For six weeks I have lain on my bed of pain, wondering if I will ever be well again.

The doctors are so kind to me. The nurses are as good as they can be.

The flowers, so beautiful, brighten my room. The cards are many that wish me well soon.

My friends, they come to cheer me along; But oh! How my heart aches for Archie that's gone.

For him I cannot help but grieve; Weary suffering no one can my pain relieve.

Poor boy called so suddenly away. It was God's will that I should stay.

Perhaps a mission I must fill, Is why I must linger and suffer still; I've tried to be patient all the while.

I've tried to ease my pain with a smile. The ones that have prayed for me to get well, I appreciate more than I can tell.

I have enjoyed the visit from every one. Not a comfort can be given me is left undone.

The men that came to our rescue There is no words to express my appreciation to you;

My dear classmates who visited me each day. The pleasure you gave me is more than words can say.

Oh, dear friends of mine, so kind, so true, I hope some day to do as much for you.

Not one kind act will I forget, Altho I must linger on my hospital bed yet.

—Tip Top Collingsworth.

Are You Buying A New Car This Summer?

Let One Of These Perryton Agents Write Your Insurance Policy!

It is a general opinion that insurance of financed cars has to be placed with the finance corporation. This is not a fact. You have the right to place your insurance with reputable companies and through local agents of your own choice.

Some finance companies policies only protect the amount yet owing the finance company, leaving the car owner without protection in case of loss.

WE BELIEVE YOU WOULD RATHER PLACE YOUR INSURANCE WITH A LOCAL AGENT THAN A FOREIGN AGENT, AND WE WOULD APPRECIATE DISCUSSING THIS MATTER WITH YOU BEFORE YOU CLOSE YOUR DEAL ON FINANCED CARS.

Ninety-one Boys and Girls to be Aided in Attending Canyon College Next Term

Canyon, Texas, July 28—Ninety-one Texas college boys and girls will receive aid of the United States government in attending school at the West Texas State Teachers College during the 1934-35 session, according to instructions received by the college this week. The proportion of boys and girls helped under this plan must be determined on the basis of the college enrollment October 15, 1933.

No student whose family can possibly finance his education will be given aid under the F. E. R. A. No more than \$20.00 per month can go to one student and the average for the ninety-one students must be not more than \$15.00 per month. The instructions further state that only young men and women of character and ability to do excellent college work can be considered as no more than fifty per cent of those to be helped can be chosen from the ranks of students who were in college anywhere in January 1934. It is the purpose of the Federal Government to help able and deserving students who have entered college or who have completed high school and have not yet had a chance to begin their college work.

"So far as the West Texas State Teachers College is concerned," said Dr. Hill, "every young man and woman who receives this aid will be chosen from among the many deserving, needy students who have done work of a 'B' grade or have maintained an average of eighty-five percent during their last two years in high school or while in college. They will be young people of

fine character and high ambitions. We shall consider it our business to help the Federal Government build citizenship and provide leadership through education.

"Professor C. A. Murray, head of the Mathematics department of the college will receive applications from young people who can attend college only through this aid and are otherwise qualified for this aid. Those interested should make application at once as the West Texas State Teachers College quota of ninety-one students will soon be filled."

"Not How Cheap—But How Good"

Buy A Dexter!

The New Dexter "Red Head"

Motor

SUSPENDED ON SPRINGS

ELIMINATES VIBRATION

Insures quiet and smooth operation free from the usual wear and tear.

Every Dexter "Gasmotor" washer model is equipped with the powerful Briggs and Stratton smooth running "RED HEAD" 4-cycle engine.

Although this type of engine is much more expensive than the 2-cycle type used in other washers, Dexter puts them on their washers because of its dependable, trouble-free service. It is a complete self-contained power unit, and remember that Dexter washers, equipped with the expensive 4-cycle "RED HEAD" motors sell for less than the other types with the cheaper 2-cycle engines.

With the Briggs and Stratton "RED HEAD" 4-cycle gasmotor, the oil and gas are separate and not mixed together as they are with a 2-cycle engine. This insures positive oiling, quick starting and steady operation.

You wouldn't by an automobile with an engine that depended for lubrication on oil mixed with the gas and fed through the carburetor—neither would you want a washer equipped with a 2-cycle engine that is difficult to start, and has a tendency to foul and clog in operation.

The NEW DEXTER wringer is equipped with an instantaneous finger touch safety release, self adjusting wringer roll tension, automatic drain board, and oversize 2 3/4 inch wringer rolls.
