\$4 Million Payroll

County Ranks 76th In Petroleum Value

Mitchell County's crude oil and natural gas production in 1975 continued as an important factor in the economic health of the county, marketed for a record \$37.8 million and an industry payroll totaling \$4 million.

Mitchell was one of 200 Texas counties which produced oil and gas with a market value in excess of \$100,000 last year, an increase of three over the 1974 total and seven more than in 1973.

The county ranked 76th in the state in the total value of petroleum produced, realizing \$37.1 million from the sale of 4.7 million barrels of crude oil and \$677,365 from the sale of 1.4 million MCF of natural gas.

The county's royalty owners last year received \$4.7 million.

In addition to paying local school and county property taxes, county producers also contributed to the support of state government with production tax payments totaling \$1.8 million-\$1.7 million paid on oil output and \$50,802 on gas production.

The industry's search for oil and gas continued in Mitchell County, with oil and gas developers last year spending an estimated \$22.9 million drilling 138 wells in the county.

Some \$7.5 million of that was lost in 21 dry holes, but the total drilling effort yielded 116 oil wells and one gas well. The exploratory effort in the county last year saw the drilling of 17 wildcat wells.

According to the Texas Employment Commission, 214 oil and gas industry

employees worked in the county in 1975. "But because oil and gas production and processing operations require such extensive support from service and supply firms, these direct employment figures are only a part of the story of the industry's

impact on the local economy," said Jack S. Blanton, Houston independent oil company executive and president of the Texas Mid-Continent Oil & Gas Association.

Blanton said that increased prices, caused by the growing shortage of domestic oil and gas, has given a multi-billion dollar boost to the economy of Texas and the state's treasury.

"Increased prices help offset the economic effects of the downward trend in volume of Texas production," Blanton said, pointing out that increased revenues for

producers are being soaked up by zooming drilling costs. "The average cost of drilling a well in Texas has jumped from \$55,000 in 1962 to \$137,000 last year, a 150 per cent increase and one of the reasons why 29c gasoline and low utility bills are relics of the past," Blanton said.

The total value of production statewide increased from more than \$11 billion in 1974 to over \$13 billion last year, a jump of nearly 19 per cent.

Figures were prepared by the Dallas-based Texas Mid-Continent Oil & Gas Association.

Raymond Fuller

Fuller Named Director

The board of directors of the City National Bank of Colorado City elected J. R. Fuller of Colorado City to the bank's board of directors at the July meeting.

Fuller was elected to serve the remaining term of R. P. (Pete) Ainsworth.

"We are pleased to obtain a person of Mr. Fuller's background and business experience to serve on our board of directors," said Board Chairman Charles C. Thompson in making the announcement.

"Although we regret the passing of Mr. Ainsworth and will not be able to replace the unique assets he brought to the board, we feel that Mr. Fuller has abilities and experience which will be of positive benefit to our bank."

Fuller is a native of Colorado City and is owner of Fuller Foods. He is a graduate of Texas A&M University, a veteran of World War II and resides in Colorado City with his wife, Virginia.

Fuller has served since 1959 on the board of directors of Affiliated Foods, a wholesale company with sales of more than \$100 million annually.

Since 1967, Fuller has served as vice president of the board of Affiliated Foods.

Wolves Rank 9th In AA Football

Colorado City's Wolves, under the direction of Coach Mike Farda for the third year, have been ranked 9th in the state by Dave Campbell's Texas Football magazine.

The Wolves are cited as having 20 lettermen returning from a 5-5 season. Ten of the lettermen are offensive players while nine are defensive.

The Wolves are favored to win district 6-AA while their first opponent of the year, Slaton, is expected to win their district, 5-AA.

The magazine carries a picture of two three year lettermen for the Wolves, Jackie Ellis and Wayne McKee.

About the Wolves, the magazine says:

"Given a two-year cram course in competitive football, COLORADO CITY now

Little League Meeting Set

Little League officers for the 1977 season will be elected during a special Little League meeting set for 7:30 p.m. Tuesday in the Charles C. Thompson Room of City National Bank Annex.

Larry Blassingame, now vice president of the League, said all persons interested in Little League are urged to attend the meeting.

City's Sales Tax Receipts Analyzed And Compared

Colorado City this past week received a sales tax check from State Comptroller Bob Bullock's office in the amount of \$5,710.50 for the period ending July 2.

Bullock said city sales tax rebates are running well ahead of 1975.

In comparing Colorado City's sales tax rebates with other area cities, Coleman received a check for \$7,231.57; For Sweetwater, \$10,623.41; For Snyder, \$15,349.25; For Stamford, \$4,656.48; For Ballinger, \$2,178.83.

Bullock also released a computer analysis of gross retail sales in each Texas county during the first quarter of this year that he said "shows the Texas retail economy is growing as fast as a Waller County watermelon."

The analysis shows there was a total of \$28.3 billion in gross retail sales in Texas during the first quarter of 1976.

The Comptroller added that the computer analysis also shows a total \$30.6

craves truly big things--and may accomplish them."

The magazine picks Coahoma to finish second in the district; Winters, third; Ballinger, fourth; Stamford, fifth; Merkel, sixth and Wylie, seventh.

Cost-Share Assistance Available

Funds are now available to farmers and ranchers in Mitchell County who wish to enter into the Great Plains Conservation Program, according to Van Mills, District Conservationist with the Soil Conservation Service.

To date, 202 Mitchell County farmers and ranchers have carried out Great Plains Conservation plans on 290,000 acres.

Cost-share assistance in the Great Plains Program runs from 50 to 80 per cent. Some of the cost-share practices are parallel terraces, waterways, diversions, control of brush by grubbing and aerial spraying, control of brush by rootplowing and seeding, cross-fencing, pasture planting, critical area treatment, livestock water wells and storage facilities and other practices.

For additional information contact local SCS personnel at the G-Kell Building.

LIONS, coached by Jack Phariss and Bill Stinson, (above), will represent the Colorado City Junior Teenage Baseball League in the District Tournament to be held here. The team received a first place trophy for their nine wins and only three losses after the final game of the year Thursday. In bottom picture, a plaque is presented by J. L. Moore to League President Ronnie Feaster and his wife Deanna for their work in the league this year. In pictured below, the White Sox received the Sportsmanship trophy for the season. Coaches are Bubba Kennedy and Robert Fugate along with David Hargrove (not pictured).

Lions Win Teenage League

The Junior Teenage Baseball League Lions, sponsored by the Noon Lions Club, have won this year's championship in the local league and will represent Colorado City in the district playoff tournament to be held here July 26-27-28.

The Lions, coached by Jack Phariss and Billy Stinson, ended the season with a 9-3 record and were presented the first place team trophy during ceremonies Thursday.

In the final night of action, the Lions lost to the Braves 6-5 behind the pitching of Mike Womack for the Braves. In the second game of the evening, the White Sox forfeited to the Colts as they did not have enough players for the game.

The White Sox received the sportsmanship trophy for the year and the three pickup players to go with the Lions in the district tournament were named. They are Jimmy Shoemaker of the Colts, Robert Parker of the White Sox and Ricky Sanchez for the Braves.

At 6 p.m. Tuesday, the Lions will have a practice game with the senior teenage boys then at 8 p.m., fathers of league players will have a ball game to help raise funds.

The Braves finished second on the season with a record of seven wins and five losses and the White Sox and Colts tied for third with four wins and eight losses each.

Railhead Days Plans Begun

Planning has already started for the Railhead Arts and Crafts Roundup which will be held at the Civic Center September 25.

During a recent meeting of the Chamber of Commerce Merchants' Committee, discussion about the upcoming event centered around ways the merchants could work with planning for the arts and crafts fair, formerly known as the October Occasion.

Chamber of Commerce executive vice president Sifton Pickens said that enthusiasm was high during the discussion, with a number of ideas presented which will help draw a crowd from the county to the downtown area for the event.

"We'll have a lot of people from out of the county here for the Railhead Days," Merchants Committee member Mildred Free said, "but we need more people from the city and county to attend to help make it successful."

Discussion centered around a downtown promotion, Pickens saying that most of the merchants at the meeting thought a special decoration scheme for stores following an 1880's theme would draw attention to the event.

"They'll probably also run special buys on some items and we hope everyone will dress in styles from the 1880's," Mrs. Free said. Another idea was to en-

courage all business owners to prepare some information about their stores since some of the buildings are old, dating to Colorado City's early history when it was known as the "Cattle-men's Capital" and a major shipping point for cattle. Many artists and craftsmen from throughout the state and other states have already sent in applications for booth space.

The Chamber is sponsoring prizes of \$75, \$50 and \$25 to booths best decorated to carry out the theme of Railhead Days.

Ideas presented during the meeting also included the possibility of having tours of some historic places of interest close to the downtown area and maybe having an art exhibit set up in a separate building.

The Civic Center, both inside and the street and grounds, will be set up with booths of exhibits, demonstrations and items for sale.

Last Day For CCMP Jamboree

The final day of the second annual CCMP (Colorado City Mounted Patrol) Jamboree gets underway at 10 a.m. today (Sunday) at the county fairgrounds on West Highway 80 and continues through the afternoon.

Many activities have been planned for throughout the day. Everyone is invited to come out and join in the fun.

Scholarship To Fincher

Pete Fincher of the Colorado FFA Chapter was presented with a \$4,000 scholarship during the annual Texas FFA Convention in Dallas July 14-16.

Fifteen scholarships valued at \$4,000 each were presented by the Houston Livestock Show & Rodeo to outstanding Future Farmers of America during the awards program, a total of \$60,000 in scholarships.

Fincher is the son of Mr.

and Mrs. Nolan Fincher of Colorado City and served as a chapter and district officer, also participating in the FFA Quiz and Chapter Conducting teams.

His supervised farming program consists of sheep, cattle and hogs, etc. in planning a career in veterinary medicine.

Chapter advisor is Frank Brownfield, vocational agriculture teacher at Colorado High School. Fincher is a 1976 graduate of CHS.

All-Star Game 7 P.M. Monday

Colorado City's Little League All-Stars will take on Snyder's All-Stars in Colorado City at 7 p.m. Monday in the annual battle to see who advances toward the Little League state play-offs.

J. B. Bodine is manager for Colorado City's team with Bobby Nobles, coach, and Abel Alvarez, assistance coach.

Tournament director is Larry Blassingame. Members of the Colorado City All-Star team are Victor Jackson, Tim Nobles, Mark Lewis, Kim McElligott, Robert Gomez, Ricky Alvarez, Mitch Williams, Jesse Bodine, John Johnson, Todd Neff, Gary Rowe, Michael Scott, Lonnie Wyrosdick, Bobby Arippe and alternates Willie Martinez and Dane Powell.

Everyone is urged to come out and support the local All-Stars.

INFORMATION IS NEEDED about the old Cumberland Presbyterian Cemetery just off Highway 80 on the East Hill as efforts are now underway to try to preserve what is left of the cemetery. Located off an alley south of Highway 80 and just west of the ARCO station, the cemetery has one tombstone left standing, with the weather having worn off the name on it. However, several other tombstones can be found on the ground in the area. Anyone having information about the cemetery or the church should contact the Record or First Presbyterian Church Minister Roy Byrd. All that is now known is that the church existed from about 1900 to about 1910, having been unionized in 1908. A news item in THE CUMBERLAND PRESBYTERIAN, dated March 28, 1901, from Colorado, Tex. and signed W. J. Kerby, pastor, stated: "I have been here two months as missionary pastor under the direction of Abilene Presbytery. I organized a church with 21 members, all adults, with R. N. Mitchell, D. G. Fields, and John Register as ruling elders and A. H. Webb and M. T. Crawford as deacons. This is a better beginning than the most sanguine had hoped for, so we all feel encouraged."

PICTURED ABOVE are the 4H Campers in front of their bus Friday morning just prior to their departure to Camp Butman, south of Merkel. The campers returned yesterday from the 2-day Mitchell-Borden county 4-H Camp. Mr. and Mrs. Doyle Kiker accompanied the group.

Mrs. M. C. Burnett Of Colorado City Accepts Chairmanship Of Local Kiss A Baby Campaign

"Little more than a decade ago the Cystic Fibrosis Foundation was working to keep C/F youngsters alive

long enough to start school. Now we are trying to help some of these same patients, who have grown to young

adulthood, enter college or find jobs."

These encouraging words came from Mrs. M. C. Burnett, as she accepted the chairmanship of the 1976 "Kiss A Baby Campaign." "Longevity has increased every year because of earlier diagnosis and progress on research and cure," said our chairman. "It is efforts such as these that we support by volunteering for and contributing to the Kiss A Baby Campaign." This year's campaign begins with a Door-to-door march in September. When a C/F marcher knocks on your door, give as generously as you are able," she said. Remember that even today, with the improvements research and care have brought, there is no cure for this inherited, genetic disease. It is still destroying lungs, digestion and lives.

Among the programs of the Cystic Fibrosis Foundation are support for over 100 Cystic Fibrosis Centers across the nation. "These Centers provide diagnosis, treatment and referral to children who have these lung-damaging diseases as well as those who suffer from gastrointestinal disorders related to cystic fib-

rosis," the campaign chairman said. "In Texas there are clinics at San Antonio, Houston and Dallas.

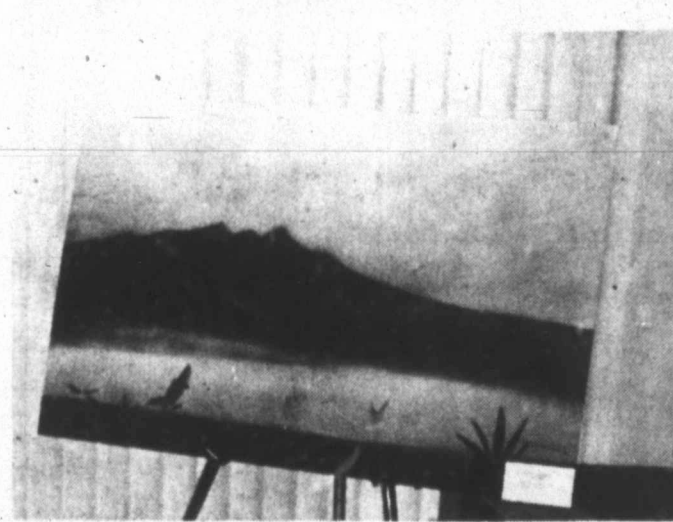

The Foundation also funds research to find a cure and control for cystic fibrosis, the most serious of these lung-damaging diseases, and to develop better treatments for children suffering from all lung disorders.

"The treatments that prolong the lives of children with cystic fibrosis also alleviate, and often cure, children with other lung-damaging diseases," she added.

Cystic Fibrosis, the number one genetic killer of children affects one out of every 1,500 babies born each year and occurs when a child inherits two genes for the disease, one from each parent.

"The parents don't have cystic fibrosis, but they are among the 10 million carriers of the gene in the United States," she said and added "that one goal of Foundation-supported research is a test to detect these carriers."

"We don't need more reasons than these to actively support the Kiss A Baby Campaign."

CARL BELL painted this July Painting of the Month. It was done in an air brush painting at Texas State Technical Institute in Sweetwater and is on display in the Mitchell County Public Library on Oak St.

4-H Club Citizenship Course

What youth has not dreamed of sitting in the legislative chambers of the Capitol in Austin or Washington, D.C. and actually being involved in the law-making process?

A host of Texas 4-H members will have that opportunity when they participate in the 4-H Citizenship Short Course and Heritage Tour and the Texas 4-H Congress.

Brenda Barker of Colorado City will be traveling to Dallas tomorrow, to meet the Texas delegation for the 14 day trip to Washington, D.C. Many historical monuments will be visited along the way.

While in Washington the group will be in direct contact with congressmen and the legislative process.

Kirk Stubblefield and Pete Fincher will participate in Texas 4-H Congress in August July 27-30. They will be involved in writing bills, debating and voting as either a senator or representative. The bills will then be forwarded to the Governor for signing.

These 4-H activities are designed to develop awareness of citizenship and the corresponding responsibilities to elected officials who serve all people. Each participant will return with a better understanding of government and their role in its processes.

Council Meets

The Mitchell County Home Demonstration Council met for their regular meeting in the Lone Wolf Medallion Room, July 15.

Mrs. Raymond Wheeler presided. Plans were finalized for the County-wide Club Supper in the Medallion Room at 7 p.m. with serving to begin at 7:30 p.m. August 10.

All who are in the skit that will be presented that night will meet for practice, Wednesday, July 21 at 3 p.m. in the Lone Wolf Medallion Room.

One member from each club will meet at 9 a.m. August 10 to set up tables and prepare for the meal.

"INEVITABLE AUTOGRAPH"

Robert Bracy

Pastor

St. James Baptist Church

Having his Father's name written in their foreheads. Revelation 14:1. One of the most apparent evidences of God's existence is that we find his signature on every bit of His creation. In every lightning flash; in every dawn, in the glacial scars, in stars and planets, in the unity, law, a order of the universe, in singing birds and blooming flowers, we see God's autogra h. But it is in man that God has written his autograph most beautifully and effectively. The Psalmist saw God's signature in His creation. He had looked at the glory of the heavens, and he had looked at the little spe k called man. He saw man's power to think, to create, to rule over God's creation; and he cried out: "Thou hast made him a little lower than the angels, and has crowned him with honor and glory...How excellent is they name in all the earth." When God wanted tow rite His name clearly and indelibly, He chose the man, Jesus. So perfect was the image of God seen in the Son of Man, that He could say, "He that hath seen me, hath seen the Father." In a similar, yet lesser degree, we can bear the signature of God so that others may catch at least some glimpse of what God is like. We in turn leave our signatures upon others. Inevitably parents write their signatures upon their children. We say that a boy is a mother's son or a girl is a father's daughter. In so saying, we do not refer simply to physical appearance; we refer more often to personality characteristics. Teachers leave their signatures upon their students. A pupil may have forgotten most of what he learned from a textbook, but the touch of that teacher's fingers upon his life is there forever. The longer we know people, the closer we come to them, the deeper is the signature we leave upon them. A photograph of your soul and mine would show the names of persons with whom we have shared the experiences of life. Some of these signatures are scars and bruises, while others are marks of generosity, affection and strength. One of the amazing things about Jesus is the way in which He carved His signature upon the soul of the disciples. When Peter and John were arrested in Jerusalem for working miracles, they showed a courage they had never displayed before. The authorities then came to realize that these men had been companions of Jesus and that His marks were literally burned into their behavior. Long before our names are engraved upon tombstones in cemeteries, they are carved, for better or for worse, upon the community where we live, the place where we work, the church in which we worship, and upon scores of persons whose lives have been touched by ours. What sort of signature are we writing day by day?

Culwell Joins HSU Staff

A 1976 graduate of Southwestern Baptist Theological Seminary in Fort Worth has joined the Hardin-Simmons University Admissions staff. He is Tommy Culwell, a 1973 graduate of H-SU.

Culwell has been appointed as Admissions Counselor, replacing David Smith who has entered the ministry. His duties are mainly in the areas of recruitment and public relations.

A native of Anson, Culwell was graduated from Anson High School in 1969. He now considers Colorado City his hometown since his parents, Mr. and Mrs. Billy J. Culwell of 102 E. 22nd, moved here. While at H-SU, Culwell was president of Rangers, men's service club, and a member of the debate team. He served as pastor of Buffalo Gap Baptist Church in his senior year. He received his Masters of Divinity degree from Southwestern Seminary in May.

Letter To The Editor

Dear Editor:

We have all just celebrated our country's 200th Birthday, right? Freedom being one of our most celebrated rights. But it seems we are not as free as we believed ourselves to be. At least not in our fair city of Colorado City. I don't call it being free when the city will not allow you to provide a decent home for your aged parents.

My father who has been left partially disabled from a stroke, therefore, unable to live alone anymore, has been making his home with us.

But still needing the dignity and peace of his own home, we decided since we have plenty of room on our own property that we would just put a small mobile home behind ours to that I could still be close enough to take care of him, yet still allowing him the peace and quiet of his own home.

I then called the City asking their approval to do so. I was informed I could in no way do this. I would not sell a piece of, or, subdivide my property so as to give my father a decent home.

What is happening to this great society of our's today? That this city would rather see a fine old man almost forced to go to a rest home away from all he holds dear, taking away what few small pleasures life has left to give, than see him living in dignity close to his own family?

This new city ordinance put into effect within the last year, to say the least, is inhumane and presents problems to more citizens within the city than just my family I'm sure, would they but speak out.

Oh yes! We can get permits to keep animals upon our city properties, but not to add a respectable dwelling for someone to live in if we really own our city property when we buy homes and pay taxes, then why aren't we free to use it as we see fit for our own best interest if we are not abusing the rights of others?

If you repair your roof or build a better home, make repairs on your house, garage or storage, watch out! The city may sue you!

Pay more taxes, but don't improve your own property. The City may not approve! You own your own land but can't change a thing on it unless you have a permit saying the city approves! This, is freedom?

Do you not remember the words honor thy Father and thy Mother?

Remember one thing. We are all going to become one of the sick and elderly someday, whom our children may have no need of and our fine society wishes, "out of sight, out of mind!" Let's see what your fine laws and city ordinances get you then!

Sincerely,
Etta Smith

Plan August Wedding
...Teresa Potts & Randy Cooper

Potts, Cooper To Wed August 1 In C-City

Mr. and Mrs. Ellis C. Potts of Coos Bay, Oregon wish to announce the engagement and approaching marriage of their daughter, Teresa, to Randy Cooper, son of Mr. and Mrs. Billy S. Cooper of Lake Colorado City.

The wedding date has been set for August 1, 1976 at 2:30 p.m. at the Plainview Baptist Church in Colorado City.

The bride-elect was born in Coos Bay on the South Western coast of Oregon, attending public school in that county, however, she

spent a year and a half in the interior of Alaska and graduated from high school in Delta Junction, Alaska.

The prospective bridegroom graduated from Colorado High School in 1973 and attended DeVry Institute of Technology in Dallas after his graduation. Cooper is now employed at Cooper's Cove Marine on Lake Colorado City and is a certified Evinrude outboard technician.

Marriage Lab Offered

A Marriage Communication Lab will be at Camp Butman August 13-15 and will be led by Weldon and Mary McCormick of Levelland and Jack and Ruth Ellen Riley of Amarillo. The cost is \$50 per couple.

The purpose of the camp is to strengthen good marriages by learning communication skills, roles, human sexuality, conflict, management and goals for growth.

This lab is open to lay and ministerial couples of all ages. All sessions will be attended as a couple. Deadline for registration is Tuesday, July 20.

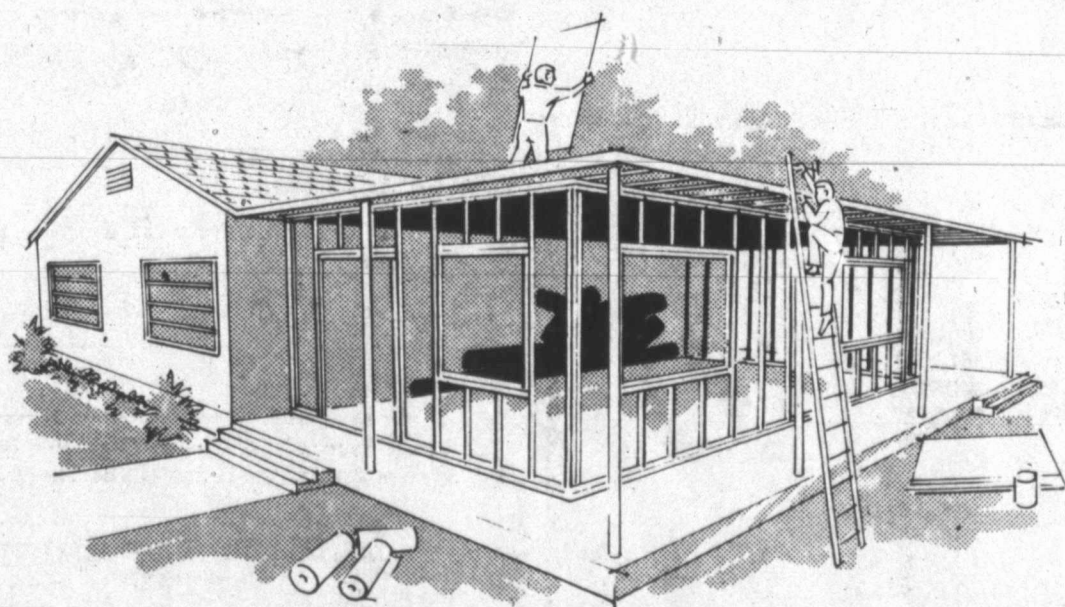

Contact the office of the First United Methodist Church for registration forms. Registration is limited to 13 couples.

PICTURED ABOVE are the delegates who left Monday morning for the 14th Annual High School Students Citizenship Seminar in Waco, July 12-16. The students are from left: John Manning, son of Rev. and Mrs. Bob Manning of Westbrook; Catherine Meadows, daughter of Mr. and Mrs. Hubert Meadows of Loraine; and Kathy Golden, daughter of Mr. and Mrs. R. B. Golden Jr. of Colorado City. They were among 450 high school juniors and seniors from all over Texas who were specially selected on the basis of leadership qualities and scholastic achievement to attend this seminar. These students represented their respective high schools at the Baylor University campus where they were given a better understanding of the American competitive enterprise system and opposing ideologies such as communism and socialism. The program consisted of lectures, films and discussion concerning matters pertaining to systems of government and economics. The seminar is sponsored annually by the Texas Farm Bureau.

A DRAMATIC CHANGE is always noticed and the citizens can't help but notice the change in our streets as the paving project continues throughout the surrounding downtown area. Pictured above is a before and after picture of the situation now. The after picture makes it a little easier to put up with the inconvenience of the torn up roads.

Mrs. Ysabel Arellano Of Colorado City Sponsors Care Of Needy Navaho Child Through Program

A needy youngster in New Mexico has recently been "sponsored" by Mrs. Ysabel Arellano, Colorado City.

Jennifer Sandoval, from an impoverished Navajo family, is now being assisted by Mrs. Arellano through World Changers International, an organization which has been helping needy children in 16 countries for 16 years. World Changers president, W. T. Jeffers, said Mrs. Arellano is "reaching out further than she can reach" by helping Jennifer. "This little girl has known nothing but hardship and neglect. Mrs. Arellano is now easing Jennifer's sorrow and is showing the way to a better life through our outstanding child sponsorship program," Jeffers said. "I'm proud to have her as part of our World Changers family."

Although the children enrolled in World Changers' sponsorship program do not make their homes with their sponsors, they do receive food, clothing, medical assistance and other needed items on a regular basis through World Changers. Financial assistance goes directly to the child through a responsible area supervisor, who watches over and guides the young ones under his care.

Individuals sponsoring on a monthly basis help World Changers provide food, clothing, shoes, medical assistance, youth camp activity and motivational "discovery clinics" for disadvantaged children. More than

100 supervisors in 350 project areas throughout the world supervise and guide the children enrolled in the World Changers program. These supervisors—doctors, ministers, teachers, laymen—provide the basis for a meaningful assistance program and provide a more direct, personal contact between the sponsor and his child through the distribution of gifts, letters, packages and clothing items sent by the sponsor.

"If a child is given the necessary assistance and a lot of love, he will believe that he can succeed. And if he believes in himself, then he will succeed," explained Jeffers, advocating his organization's self-help, positive attitude approach.

Presently, there are thousands of children in the world who need your help. If you would like more information on World Changers' sponsorship program, contact World Changers International, 314 West 2nd, Tulsa, OK 74103.

Illegal Trotlines Will Be Confiscated

"Game wardens have taken more than 1,000 miles of illegal trotlines from Central Texas lakes over a one-month period," says Henry Burkett, director of law enforcement for the Texas Parks and Wildlife Department, and the crackdown will continue.

"The trotline tag requirement was passed to keep one person from hogging a good fishing spot indefinitely, and also as a safety factor to

permit the removal of abandoned hooks and lines from the water," said Burkett. "Game wardens are required to destroy illegal, unclaimed fishing gear."

"Trotlines not tagged with the owner's name, address and the date the line was set are illegal, and fishermen having improperly tagged lines stand a good chance of losing their line or paying a fine," Burkett said.

THE VOLUNTEER COUNCIL to the Big Spring State Hospital was begun in 1957 and incorporated as a non-profit organization in 1967. Since that time the Council, through donations and volunteers, has been responsible for many added benefits for the patients of the Big Spring State Hospital, not the least of which is the show of concern on the part of the volunteers for the welfare and lives of the patients that they work with. Recreation for the residents is one of the prime goals of the group. The three pictures above show the volunteers in action as they play games including bingo, one of the patients' favorites, and dominoes. Other activities include birthday parties, table games, music and writing therapy as well as some outdoor entertainment.

CRIME SERIES

By Sidney Lyle

With millions of Americans spending their leisure time at choice vacation spots throughout the nation, thousands will fall victims to the casual as well as the professional thief. Losses will reach into the multiple millions and for most victims their individual loss will mean foregoing future excursions, especially if the victim is a senior citizen.

There was a time when a family could go on vacation with relative assurance that they would not encounter a thief or vandal. Unfortunately, today's thief goes right along with everyone else. Therefore, we are never really apart from him, even when we are away on a trip. But most of our losses are the result of a basic error in judgement. We feel it necessary to guard our business investments and would never think of leaving our home unprotected, but take unnecessary risk when it comes to camping. It's like saving several years for a swell vacation, only to be mugged when we walk out of the bank with the money in our hands. As a very good precaution, you would probably consider turning the cash into traveler's checks before leaving the bank. So why not take some basic steps that would allow you to preserve your personal safety and retain ownership of your valuable property.

We all agree that if we leave the keys in the ignition of our car, our four wheel chariot might be stolen. Yet we give little or no thought to preventing our boat, camper or other recreation vehicle from being towed away. A quick visit to the local R. V. Dealer will be of great value in obtaining special locking devices designed especially for R. V. units. These devices may range in cost from a couple of dollars to a sizable investment but are essential in protecting your equipment.

If your recreation vehicle is made reasonably secure and you leave the hitchhiker hitchhiking, you have only to follow a few basic suggestions in order to have a near perfect vacation: before leaving home, make sure all doors and windows are properly locked with locks that work; then contact your local police or sheriff's department and have their watch your home (most departments will attempt to drive by and check your property once a day while you are on vacation); leave the house key with a good neighbor so they can go inside and re-arrange lighting curtains.

As for the trip, don't take more items with you than you need, and after you arrive at your vacation spot and set up camp, don't walk off and leave cameras, portable electronic gear or expensive fishing tackle lying on the picnic table or hanging from a tree limb; when you leave camp, store your valuable gear properly. Be sure all valuables are properly marked with your driver's license number for future identification in case the item is lost or becomes stolen.

County Resident Dies

William Leslie Hamilton, 75, of Colorado City died at 3:20 p.m. Thursday at the Root Memorial Hospital following a brief illness. Services were at 2:30 p.m. Saturday at the First Baptist Church.

Rev. Glenn Roenfeldt, pastor, officiated. Burial was in the Colorado City Cemetery, under the direction of the Kiker-Seale Funeral Home.

Born November 3, 1900, in Callahan County, he was a retired pioneer farmer and cattleman. He married Eula Myers June 11, 1921 in Colorado City. He was a member of the First Baptist Church.

Hamilton had been a resident of Mitchell County since 1906 and of Colorado City since 1948. He was chosen by the Colorado City Lions Club in 1947 as the Outstanding Farmer of the Year.

Survivors include his wife, Eula; three daughters, Margie Hicks of Roswell, New Mexico, Dorris Edgings of Pasadena, Texas, Emmy Gagnon of Dallas; a son Glyn of Friona; two brothers, Vermer of Petersburg and J. W. of Abernathy; 10 grandchildren and six great grandchildren.

Charles Hamilton, Raymond Hamilton, Allan Hamilton, Robert Jones, Julius Smith and Luke Thomas served as pallbearers.

PICTURED ABOVE, in front of one of the Units of the Big Spring State Hospital are the ladies who belong to the local Circuit Riders, a volunteer group which gives time each Wednesday afternoon to help some of the patients of the hospital. The primary goal of this volunteer program is to promote public understanding of the hospital and to benefit the residents. All volunteers work through the Volunteer Council under the direction of the Coordinator of Volunteer Services and follow the rules and regulations of the Texas Department of Mental Health and Mental Retardation and the policies of the Volunteer Services State Council and the Big Spring State Hospital. The ladies are from left: Jewel Richter, Della Fox, Dona Reed and Roxie Witten.

Hunters Successful In Mitchell County

County harvest estimates
of deer and turkey taken
during the 1975-76 seasons
have been compiled by the
Texas Parks and Wildlife
Department.

According to the state-
wide survey, 2,518 whitetail
deer hunters in Mitchell
County spent 8,101 hunter
days harvesting 1,384 deer
for a hunter success rate of
43 per cent. This is slightly
above the statewide rate of
42 per cent.

Turkey estimates in the
county indicate 1,398 hunt-
ers spent 4,461 hunter days
taking in 919 turkeys for a
success rate of 48 per cent.
The statewide rate was 29
per cent.

Other area counties show
the following figures:

WHITETAIL

--Scurry, 41 harvested,
140 hunters, 394 days, 33%.

--Borden, 41 harvested, 93
hunters, 219 days, 50%.

--Howard, 41 harvested,
373 hunters, 1,051 days,
13%.

--Sterling, 1,058 harvest-
ed, 1,445 hunters, 5,912
days, 55%.

--Coke, 1,791 harvested,
2,844 hunters, 181 days,
48%.

--Nolan, 1,669 harvested,
3,074 hunters, 18,917 days,
41%.

Cancer Crusade Nearing Goal

Mitchell County Cancer
Society is nearing its goal
for 1976. Due date is August
1.

Crusade tri-chairmen who
planned the work for imple-
mentation are Mrs. Bobby
Lemons, Mrs. Eddie Piland
and Mrs. Linda Bennett.

"Hundreds of people have
given time and money to
bring us thus far in realizing
our goal endeavor," Mrs.
Lemons said.

"I speak for the entire
cancer organization when I
say our hearts are filled with
community pride because
women and men so willingly
helped serve, thus doing
their part to help eradicate
the dread killer," the cru-
sade chairman continued.

Looney assistants were
Mrs. Bruce Byrne and Mrs.
J. D. Gibson; Cuthbert,
Mrs. Lyndon Solomon; Wall-
ace, T. P. Fowler; Rogers
Community, Gay Ritchey;
Sheppard Community, Pat
Kelley; China Grove, Elsie
Shaw; Spade Community,
Doris Dockrey; Spade
Ranch, Doris McClellan;
Fairview, Mary Womack

and the entire Home De-
monstration Club; Plain-
view, Bea Harlow and Mrs.
Billy Cooper.

Principal Jerry Reynolds,
Colorado Middle School, was
in charge of contributions of
Colorado City Independent
School System employees.

Buford Home Demonstra-
tion Club workers were Mrs.
Lindley Webb, Mrs. Mac
Ritchey, Mrs. W. W. Coop-
er, Mrs. Don Blasingame,
and Mrs. David Marion.

From Westbrook were
Mrs. Floyd Rice, Mrs. D. G.
Rollins, Mrs. L. M. Dawson,
Mrs. C. R. Ranne, and Mrs.
Donald Bennett.

Gloria Aguilar and Jesse
Aguilar were in charge of
the Spanish area.

Business donations were
handled by Joy Morris;
Mary Ivy headed the Texas
Electric Village.

South side, Colorado City
was worked by Marie Jack-
son; East Side, Louise Log-
sdon, Ann Nobles, Delores
Wood, Nina Merket, Mrs.
Dewey Davis and Mrs. Fern
Brown.

West Colorado City,
Janice McDowell, Vickie Ra-
mage, Leora Spann, Mrs.
Luke Thomas, Dona Reed,
Charlotte Clemmer, Debbie
Maytubby, and Lana M.
McGuire.

Mrs. Doyle Mays accepted
the job as "over all" chair-
man of Loraine. Assistants
were Susan Mahon, the
schools; Baumann Commu-
nity, Inez Webb, Clara But-
ler, Vonda Preston, Lynn
Compton, Gladys Payne,
Addie Cheek and Mabel
Givens.

Also, Sherry Hackfeld,

Marsha McAdams, Mrs.
Herbert Mearse, Mrs. Petra
Galvan, Mrs. Hubert Thom-
as and Victor Galvan.

North Loraine, Mrs. Ar-
thur Shepherd, Mrs. Lusk
Holman, Mrs. Raymond
Wheeler, Mrs. H. P. Mea-
dows and the Home De-
monstration Club.

"Without the block work-
ers, we never would have
made the contacts, but there
were so many, to name them
all would be impossible. It's
from those dedicated people
that we get our basic quota,"
Mrs. Lemons said.

Hearing To Be Held

E. L. Short (D-Tahoka),
Chairman of the House Com-
mittee on Intergovernmental
Affairs, and Doyle Willis
(D-Fort Worth), Chairman
of the Interim Subcommit-
tee on Firemen and Police-
men's Pension Systems, to-
day announced that the Sub-
committee would hold a
public hearing in Big Spring
on July 23, 1976.

The hearing will be held in
the City Council Chambers
and will begin at 10 a.m. and
rain at 2 p.m.

The Subcommittee, whose
membership includes Repre-
sentative Latham Boone (D-
Navasota) and Representa-
tive Ruben Torres (D-
Brownsville), has held pre-
vious hearings in Brown-
sville and Houston with an-
other hearing scheduled for
Arlington next month.

Card Of Thanks

The extreme kindness and thoughtfulness shown us by our many friends and neighbors during our recent sadness helped so much to comfort us. We are sincerely appreciative.

Wonderful West Texas Travel Map Offered

The Tourist and Travel Development Committee of the West Texas Chamber of Commerce has announced intentions to publish the fourth annual edition of the Wonderful West Texas Fun and Adventure Map promoting tourism and travel in West Texas. The map is scheduled for release in March 1977.

R. D. Woofert, WTCC Committee Chairman and President of Community Public Service Company headquartered in Fort Worth, stated that a minimum of 100,000 of the full color maps representing tourist and travel attractions throughout the 132 counties of West Texas would be printed for free distribution to the vacationing public.

Participation in the popular Fun and Adventure Map is open to all chambers of commerce, museums, tourist attractions, colleges and universities and tourist and travel related businesses on a first come basis.

A charge is made for space reserved and material included is subject to the approval of the WTCC Tourist and Travel Development Committee.

The map is designed to enable a visitor to West Texas to plan a weekend outing or a full vacation with plenty left over for future visits. Sixty-nine attractions are listed in the current edition.

Park Repairs Planned

Twenty repair projects in 16 state parks totaling some \$978,000 have been approved by Texas Parks and Wildlife Commissioners.

Bulk of the work is set for San Jacinto State Park and monument where subsidence is taking a heavy toll at the historic site. Commissioners approved \$764,949 in repairs to the park's reflecting pool, residence and sewage system and repair to the base of the monument.

P&WD Engineering Division Director Clayton Rutter said the Texas Legislature appropriated some \$1.3 million for repair work to state parks during the 1976 fiscal year with another \$1.6 million for FY 1977.

"Commissioners earlier had approved 75 projects for \$795,855," said Butler. "We managed to save some \$15,000 in construction costs on previous work which will be used for current projects."

Rutter said the \$1.3 million repair budget for the current fiscal year is minor considering the ever-increasing use of all state recreational facilities.

During the past 18 months some \$40 million has been spent on new park construction.

Complete information regarding inclusion in the 1977 edition and a free copy of the current Wonderful West Texas Fun and Adventure Map may be obtained free of charge by writing: Travel Department, West Texas Chamber of Commerce, P. O. Box 1561, Abilene, Texas, 79604.
