

Sue's Views

BY SUE CANNON

Okay, Mr. and Mrs. (or Ms. if you prefer) Olton!

We've got the candidates... So now let's do some real probing to see just how they each stand on some of the issues that have been bugging us.

Of course, we are speaking of the city and school board elections which will be coming up next month.

In an effort to give everyone a chance to decide for himself which is the "best man for the job", we are planning to interview the candidates each week if possible so if you have any questions that you'd like answered before election, please let us know.

We feel that a great deal of interest has been shown by the number of candidates who have filed. Let's be as thoughtful and remember to turn out on election day!

Olton is getting some new businesses, which will hold open house Friday night. A group of industrious women pooled their talents and resources and came up with a very unique idea of a "Mini Mall". And let me tell you it is fantastic what these gals have done!

But don't take my word for it, come and visit during open house Friday night and see for yourself. You probably will be out to visit school that night and can just make the detour down by the "Mini Mall."

New Business Slates Opening

Four enterprising local housewives are venturing into the business world as they prepare for openhouse Friday night here.

"The Mini Mall", which is the name they have chosen for their seven businesses in one, is located in the building formerly occupied by Zakka's Department Store on Main Street. There will be no sales Friday night as the ladies welcome visitors to their new business, but Saturday morning at 9 a. m., the store will be open for sales.

Owners are Mrs. Willie Green, Mrs. Garland DePrang, Mrs. Harold Mills and Mrs. George Redinger.

Mrs. Green and Mrs. Mills are partners in an antique business also located in Olton. Actually, the new business stemmed from request from the two ladies to show their merchandise in some of the "downtown" stores which would be more convenient.

So, not wishing to operate a store alone, they began to seek others who might be interested in going into business with them.

And from that, grew the "Mini Mall".

The mall consists of "The Junior Scene", which will feature clothing sized for the junior figure; "Today's Fashions", featuring clothing in Misses sizes; "Decorator's Cart", which will display and

sell Spanish Imports; "Arts and Crafts Corral", a complete art supply center along with handicraft articles; and "The Garden Tea Room", a delightful place to sit and enjoy a hot or cold drink, plus sweet rolls or cake.

"The Junior Mustang Shop" and "Hallmark Nook" will be opening soon. Merchandise for the two businesses had been scheduled for a later shipping, making it impossible for them to open at this time.

Boys clothing will be offered in "The Junior Mustang Shop" and cards and novelties will be sold in the "Hallmark Nook".

In addition to serving drinks and sweets, "The Garden Tea Room" will cater luncheons for local bridge and study clubs.

Highway Dept. Schedules Farm To Market 168 Work

Highway construction contracts have been awarded by the Texas Highway Commission which will include grading, structures, base and surfacing on an 8.5 mile strip of Farm to Market road 168 from the Castro County line southward to Olton.

Boswell and Crafton Incorporated of Lubbock was awarded the contract for a low bid of \$494,184.99. Rhea Bradley of Littlefield, Highway Department engineer, is in charge of the project which will take an estimated 200 working days.

Other construction work is slated on Farm to Market highways in Hale and Lubbock counties.

Future seal coat work will be done on FM 1842 north of Circle and eastward to FM 168. That project will cover 11.44 miles.

Devices To Get Periodical Check

Civil Defense units are making periodical check of equipment.

Weather permitting, the civil defense sirens will be tested Monday at 12 noon, Mar. 12, according to Harold Jordan, fire chief.

SPANISH IMPORTS will be only a part of the merchandise offered at the Mini Mall, which opens for business Saturday morning. Open house will be observed Friday night from 8 to 10 p. m. Businesses located in the mall will include The

Decorator's Cart, Arts and Crafts Corral, The Junior Mustang Shop, Today's Fashions, The Junior Scene, The Garden Tea Room and The Hallmark Nook.

Olton FFA Takes Honors

Olton High School's Future Farmers made good showings last week in competition at the annual Houston Livestock Show. A lightweight Duroc barrow, owned by Bryan Sullivan and exhibited at the show by Mark Smith, took the top spot from a class of 86 entries.

Duane Tillman, successful last year in the popular calf scramble, exhibited his heifer and took first place in the scramble class show and fourth in the open breeding class.

Stanley Spain copped second place with his lightweight Chester White barrow. Larry Kirk exhibited the third place mid-leweight Duroc and James Matthews' lightweight Duroc took fifteenth place.

Tommy Hancock, vo ag instructor, accompanied Spain, Kirk and Tillman to Houston for the show.

The second place lightweight Duroc barrow of the show was sold by Sullivan at last fall's swine breeder's sale to a Future Farmer from Farwell.

Hail Suppression Monies Needed

Monies are still needed to insure the hail suppression program for the coming season, according to a spokesman for the weather committee.

Farmers who have not yet paid their proportionate cost of the hail suppression control program are reminded that the need for prompt payment is urgent. The program cannot begin until the money is secured.

For convenience of those who have not yet paid, monies may be left at Olton State Bank.

Local Elections Draw Interest

Two more hats were tossed into the ring for mayor, two for councilmen, one for school board and one withdrew from the school board race at last report.

Wednesday night which was the deadline for filing in both races.

Entering the mayor's race were Robert C. Dennis and Charles Sullivan. They join

incumbent Parley Myers and hopeful V. L. Smith Sr.

In the council race, Larry Garvin and Raymond Powers put their bid in for council post. Others running in the city contest include incumbents, K. Y. Givens and Walter Struve. Wandle Hutson had filed earlier. Those in the school board

race were joined by Dr. Van Brimhall, with Garland Ruthart withdrawing from the race.

In a statement to the press, Ruthart explained that although he had a real desire to serve in that capacity, he felt it would not be in the best interest of

the community to run at this time.

Others contending for one of the two vacancies on the board are Billy Carson and Don Muller.

Terms of O. J. Neeley and Dan Gregory expire as members of the board of trustees.

Mickey Warlick, Evangelist

Revival Series To Begin At First Baptist Church

Mickey Warlick, evangelist of Seminole, will be the speaker during spring revival services scheduled in First Baptist Church, Mar. 11 through 18, according to the Rev. John Lewis, pastor.

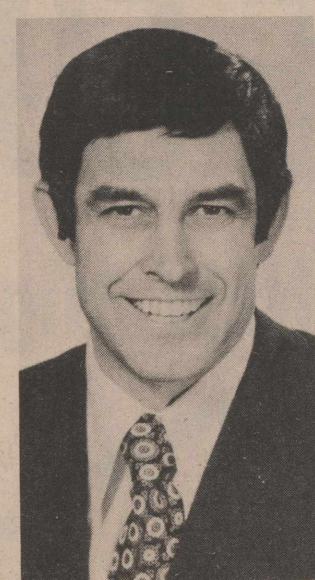

The Rev. Warlick, who has faced tremendous crises in two experiences with brain cancer, has a most unusual testimony to share, according to the pastor.

Mrs. Linnie Campbell Receives FTA Top Award

Recipient of numerous honors throughout her years as an educator, Mrs. Linnie Campbell's most recent commendation came last month when she received the John H. Lovelady Lifetime for Youth Award at the State Future Teachers of America Convention.

The Lovelady Award is the highest honor which can be given to an FTA sponsor and was presented to Mrs. Campbell at the Feb. 22-25 convention in San Antonio.

Mrs. Campbell was escorted to the platform to receive the honor by Brent Lemons of Hart, president of the Hart FTA Chapter in 1971-72, the year she retired.

A veteran teacher who spent 23 years in the Olton School System, Mrs. Campbell taught three years in Hart following her retirement here in 1969. Her most recent honor came as the result of the Hart High School FTA Chapter's nomination. Sponsors of other FTA chapters in District XVII also nominated her, unanimously, for the award.

Mrs. Campbell helped organize the Olton chapter of Future Teachers of America and charter members adopted the name "Campbell Future Teachers" in her honor. She served

as sponsor of that organization 15 years.

In 1969, Mrs. Campbell was selected to appear in the biographical compilation, "Personalities of the South". She was chosen in 1971 as one of "2000 Outstanding Teachers of America" and, just recently, was named to volume one of "Who's Who in Women of the World".

A native of Granite, Okla., Mrs. Campbell and her husband, the late John Campbell, came to Olton in 1928. They are the parents of two daughters, Mrs. Eleanor Sudduth and Mrs. Carmaleta Barnett. Mrs.

Campbell has five grandchildren, all students in Olton schools.

Mrs. Campbell has served as a delegate to TSTA state conventions and is a past president of the Lamb County Teachers Association. She served three years as president of the Olton Classroom Teachers Association.

A member of Delta Kappa Gamma, she has served two years as both president and vice president. She is a member of the Order of Eastern Star and is a past Worthy Matron.

Mrs. Campbell is a member of the First Baptist Church.

Come Let Us Reason Together

(Isaiah 1:18)

By Milton Caraway, Evangelist
Main Street Church Of Christ

In our discussion of the inspiration of the Bible, there can be still another question raised. Perhaps one believes that what happened in the first century was inspired of God. Perhaps one believes that the apostles received the Word in its pure form; but how does one know when he reads the Bible today that it has remained pure over some 1900 years? In order to answer this question we must go to what is termed "external evidences".

Let us begin by briefly considering ancient writing materials and writing. In the last 100 years the spade of the archaeologist has proven that writing has been in existence since approximately 4,000 B. C. The earliest writing material was stone as seen in Exodus and in the recording of the ten commandments. Later, during the Assyrian and Babylonian empires, men wrote on wet clay tablets and then allowed them to dry (cf. Ezekiel 4:1). Wood was in general usage but was replaced by leather. Just preceding and during the first century, papyrus was the prominent writing material (200 B. C. to 200 A. D.). The papyrus gave way to vellum which was an improved, treated animal skin. As we consider ancient documents, notice upon what they were written.

The Bible as we have it did not have its beginning at any certain time or place. It took hundreds of years for this collection of writings to come to the form that we hold today, and undoubtedly this was directed by the providence of God. The Old Testament was fairly well established and settled by the beginning of the first century through the efforts of Hebrew scholars. The New Testament books were written in a very short period of time (approximately fifty years), but their compilation took many more

years. It first began as churches gathered together: letters that were written by inspired men. These letters were respected as the authoritative Word of God and were read in the assemblies (1 Thessalonians 5:27). Later there came an exchange of letters between congregations (Colossians 4:16). Finally there was a collecting of letters regarding the life of Christ (Matthew, Mark, Luke and John) and the letters of Paul, of John, Peter, etc. These early letters were written in "Koine" Greek which makes them distinctive to the first century.

There are none of the original writings available because these were most probably worn out in use; but, there are some 4,500 manuscripts available for the reconstruction of the original Greek text. Some of the almost complete manuscripts have very early dates. The Vatican Manuscript dates to about 350 A. D.; the Sinaitic Manuscript dates to about 350-400 A. D. There are some 70 partial papyrus documents that date back to the second century.

The existence of so many Bible manuscripts is made especially impressive by the fact that there are so few copies of any other ancient writing. According to HALLEY'S SHAND-BOOK, p. 856, "There is not a complete known copy of Homer earlier than A. D. 1300, nor of Herodotus earlier than A. D. 1,000." Homer was the earliest known Greek poet, writing sometime between 1200 B. C. and 700 B. C. To him were ascribed the ILLIAD and the ODYSSEY.

The entire 4,500 documents are studied under a science called "textual criticism". This textual study over hundreds of years has been able to take these many manuscripts and detect any error made by

the translators or copiers through the years. They have also reproduced or restored a copy of the original Greek text with only 1/1,000 of a discrepancy. Wescott and Hort were the original restorers of the Greek text and they declared that 7/8 of the Bible has never been questioned. The 1/8 remaining under question deals with trivialities only. Nothing that would pertain to life and godliness (1 Peter 1:3) has been lost in the 1900 years.

"Come let us reason together." Is it likely that God would go to all the work that He, the Son, and the Holy Spirit did in order to give man a special divine revelation—a revelation that man was to live by and also be judged by—and then allow that revelation to become corrupted or lost so that we could not know what to do? I think not! My faith is strong enough in God to believe that all that we need is there.

Remember last spring?
We promised you
"Cotton Up...even
in the rain"

And delivered!

A plague of cold, wet weather... cotton seed in short supply. That was what you were facing last spring when we promised you a stand, even in the rain, with Terraclor Super-X soil fungicide. Then reports started coming in. "Amazing that cotton looks as good as it does." "Seedling disease on rampage in untreated fields." "Crop held back, but not much disease." "More in-furrow fungicides than ever used this year."

Terraclor Super-X did it again! Delivered as promised. Controlled Rhizoctonia, Pythium and Fusarium. Helped cotton make a stand in spite of the weather.

Don't forget. Terraclor Super-X surrounds the seed and emerging plant. When applied in-furrow, it provides extended protection against seedling diseases after germination. Available in granular, liquid... or dust form for hopper box application. Most popular is the granule, impregnated with a soil systemic insecticide. Once over as you plant takes care of both the fungi and early season insects. Get your cotton up this year too. See your Olin Distributor. He delivers as promised, which helps make him

MRS. BENNY DICKSON

Cook Of The Week

Adding her own variations or using her ingenuity "from scratch", our Cook of the Week shares some of her own adapted recipes with Enterprise cooks.

Mrs. Benny Dickson, a transplanted New Englander, is a busy housewife and mother yet always has time to be an eager witness for Christ.

Members of the First Baptist Church, Lucy and Benny have found an immeasurable blessing in their lives through the lay witness movement. Both are assistant teachers with new young adults' Sunday School classes and Lucy happily describes her church work as the "joy of my life".

Lucy and Benny are the parents of three children, Debbie is a sixth grader and the twins, Jack and John, are fourth graders. The children are also active in church and participate in the children's choirs.

A native of Maine, Lucy came to Texas as a bride in 1959. She and Benny "honeymooned" for a few months at Possum Kingdom while they waited for possession of their farm home. They have since built a lovely brick home just outside the city limits on the Hart highway.

The flat, farmland plains of the Texas Panhandle are starkly opposite her homeland but a gift for art has allowed Lucy to bring a "bit of Maine" into her own home. Prominently displayed in the family room, where Lucy can gaze and reminisce with her morning's second cup of coffee, is her painting of the lighthouse she played around as a child.

An avid reader, Lucy also loves to sew. Every endeavor, she undertakes with a genuine enthusiasm for living.

LUCY'S RECIPE FOR LIFE

Using one large vessel, empty completely, clean thoroughly and fill with God's Holy Spirit. The following ingredients will follow (perhaps, not all at once, but with perseverance), love, joy, peace, patience, kindness, faithfulness, gentleness and self-control. Gal. 5:22-23.

Blend all together and sea-

Bridal Courtesy Fetes Mrs. Harmon Saturday

A miscellaneous bridal shower Saturday afternoon in the home of Mrs. Benny Dickson feted Mrs. Roy Harmon, nee Annette Kirby.

Honored guests were Mrs. Jack Kirby, mother of the honoree, and Mrs. D. L. Harmon of Halfway, mother of the bridegroom. Meses. P. L. Pollard and J. H. Kirby, both of Hale Center and grandmothers of the honoree, were also special guests.

The bride's chosen colors of pink and white were carried out in the decorative theme. Laid with an ecru cutwork cloth over white, the party table was centered with an arrangement of hot pink and light pink flow-

ers. Pink tapers in double crystal candleholders completed the table decor.

Pink fruit punch, hot pink colored mints, nuts and white cake squares decorated with pink wedding bell motifs were served from crystal appointments by Misses Vickie Kelley and Brenda Leathers.

Hostesses presented the honoree with a corsage of hot pink carnations, cookware, pieces of her chosen pottery, glassware and place mats.

Among out of town guests were Meses. Eddie Harmon and Billy Ward Pinkerton, both of Halfway, sisters-in-law of the honoree.

Delta Kappa Gamma Meets For Arts-Crafts Program

The Epsilon Delta Chapter of Delta Kappa Gamma met at Littlefield Saturday at noon. A St. Patrick's Day theme was carried out in decorations by the hostess group for the salad luncheon.

Following the business meeting, Monarae Cummings introduced Edith Settle, Nettie Bell Hilburn, Hazel Ward and

Mary Tollett who presented the program "The Expressive Dimensions of a Culture." To present the arts as an expressive dimension, an exhibition of paintings and crafts by local members were viewed.

Birthday greetings honoring Epsilon Delta's presidents of the past, as well as Uleta Jenkins, the current president, were brought by Hazel May.

Olton members attending were Linnie Campbell, Ethel Gordon, Carmaleta Barnett, Helen Bohner, Eloise Galloway and Uleta Jenkins.

Lowell McGills To Be Honored

Mr. and Mrs. Lowell (Mick) McGill will be honored Sunday, Mar. 18, with "Open House" for the criticism you may receive from others, (Jesus was the victim of far more than you will ever receive). The most important ingredient that will just naturally follow is sharing this recipe with others.

Friends and relatives are invited to call after 7:30 p. m.

IS HOSPITALIZED

D. Y. Ray was hospitalized in Hale Center Thursday afternoon until Sunday morning.

FROM STINETT

Mr. and Mrs. Milford Lambright of Stinnett were here Monday night and Tuesday with their parents, Mr. and Mrs. John Lambright and Mr. and Mrs. C. W. Phillips.

Party To Fete Pamela Reeves

A pre-nuptial gift-tea Saturday, Mar. 10, in the home of Mrs. Clovis Poteet, will honor Miss Pamela Reeves, bride-elect of Douglas Armstrong. Friends and relatives are invited to call between the hours of 2:30 and 5:30 p. m.

Swingin' Os Meet Saturday

The Swingin' Os square dance group will meet Saturday Mar. 10, for an "evening of fun," according to Mrs. L. H. Carson.

Both groups, old and new, will begin activities at 7:30 p. m. in the building adjacent to Bizzell's.

Card Of Thanks

FASHIONS FOR SPRING was the theme of the style show presented to Olton Study Club by Miss Charmin' Monday night at the Olton Women's Study Club meeting. Models included Virginia Daugherty, Vicky Kennedy, Kim Barnett and Vicky Durham.

Olton Study Club Sponsors Spring Style Presentation

The first full showing of spring's newest fashion trends was presented Monday night in Woman's Club House, under direction of Quenette Collins, owner-manager of Miss Charmin', tots to teens shop.

Sponsored by Olton Study Club, the showing was designed with high school girls in mind. To meet this interest, in both the dressy-look and the active-look, fashions were modeled by Kim Barnett, Vicky Kennedy, Virginia Daugherty and Vicki Durham.

Broadening the scope of interest from toddlers to fashion conscious grandmothers little Kamber Carson and Misty Simmons exhibited Easter frocks and play clothes for the very young. Mrs. Frank Cornelius and Mrs. Kenneth Ray appeared in frocks of the latest vogue as well as newest creations of spring pant-costumes.

Special guests were members of Olton chapter of Future Homemakers of America, a sponsor, Mrs. Carol Seaborn, and other invited guests.

Eye-catching modes were presented against a back-drop of potted tulips and multi-colored streamers. Appropriate background music was presented by Miss Jenny Lynn Gunter.

Mrs. C. S. Silcott served as narrator.

Mrs. Jack Straw and Mrs. Paul Burrus hosted the event. Some 45 inquiring buyers were in attendance.

SHERMAN AGENCY

hybrid corn

PROVEN PERFORMANCE DURING 1972

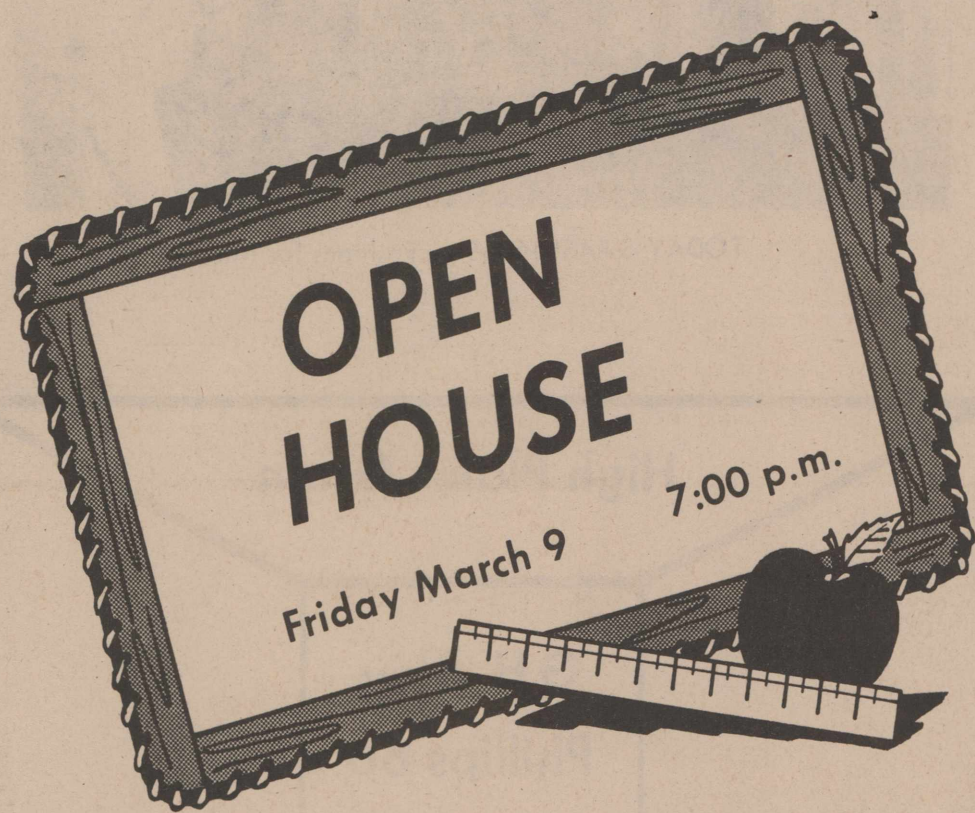

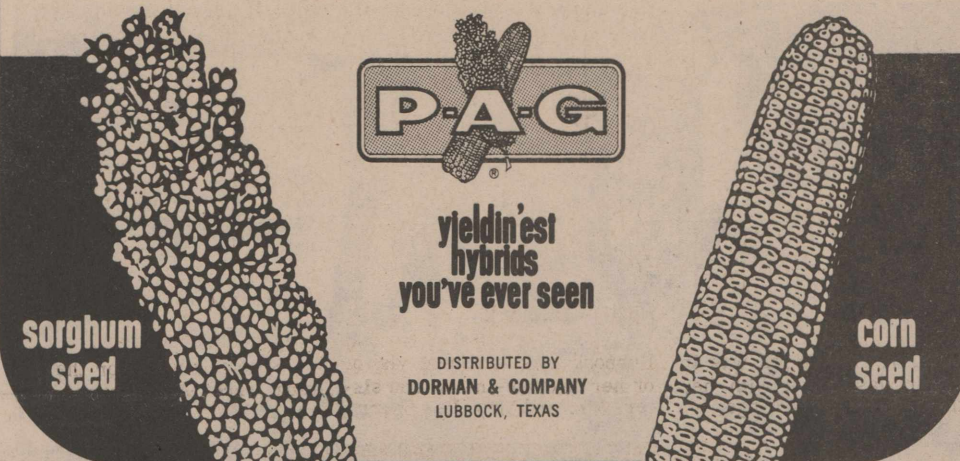

SX 520 This is a NEW medium maturing yellow corn that was number one in yield tests conducted by Ronnie Gfeller, agronomist, on the Dan Heard Farm, 1 mile south of Dimmitt during 1972. With a yield of 221.5 bushels per acre P-A-G SX 520 stood well (0% lodged stalks) and still out-yielded the late varieties of corn. This P-A-G single cross is another of the fast germinating, vigorous, high yielding "new breed" of P-A-G custom hybrids. SX 520 is an excellent dual purpose corn for high grain yield—high quality, top tonnage silage.

SX 98 Distinctive because of its dark green color and relatively up-right leaf for maximum light utilization. SX 98 yields and yields (208.2 bushels per acre in 1972 Dimmitt tests.) A fairly short hybrid corn (7 ft. 3 in. in tests) with good ear placement. Has a bred-in "digestive system" that gives it the capacity to make full use of large amounts of fertilizer.

344 A very attractive 3-way cross with dark green color and large, girthy ears. The grain is a medium dent of high quality. A real producer, outstanding performance in tests in Dimmitt area during 1971, and produced 190.8 bushels in the 1972 tests. 344 is a proven high yielder.

SS 402 P-A-G Single Cross Super Silage 402 unlocks the door to improved silage quality for the livestock feeder who demands tonnage of top TDN feed. Outstanding seedling vigor gets Single Cross Super Silage 402 off to a fast start. Rugged stalks withstand the strong winds in the high and western plain areas. An abundance of ears on tall stalks with dark green foliage contributes to high tonnage of quality silage.

NEWS

Seventy troops from Caprock Council have registered for a part in the "Mall-velous" celebration at South Plains Mall Saturday, Mar. 17, as a part of the observance of Girl Scout Week.

Singing, Games, First Aid, Pantomimes, Needlecraft, Yoga and Quilting will be among the demonstrations and exhibits from the fourteen service units represented.

One section of the event will be centered around the International Friendship aspect of Girl Scouting. Presentations will begin at 10 a.m. and will close at 5 p.m.

Interested viewers are invited to watch Channel 28 television Sunday evening at 6:30

p.m. for sights and sounds of our own Girl Scouts.

Featured will be Caprock Council Chorus, new wording of both Promise and Laws given by both Scouts and leaders.

A field trip through Plant X was the adventure awarded members of Brownie Troop #309 on their regular meeting date, Tuesday Mar. 6.

Refreshments were provided by Mrs. Bob Coen, leader.

Brownie Scouts making the trip were Kim Coen, Melinda Salas, Gaylene Truelock, Chona Ross, Sharla Franklin, Sandra Wade, Dolores Johnson, Yvette Riley, Donna Griffin, Jacque Smith, Mendi Favor, Celia Garcia, Jessie Luera and Jackie Peel.

Edward A. Featherngill Elected UFC Treasurer

A 1956 graduate of Olton High School, Edward A. Featherngill, has been elected treasurer of the Union Fidelity Corporation, succeeding John P. Redwood, who has been named vice president of finance.

UFC, located in Philadelphia, is a member of the New York Stock Exchange. Featherngill has been with the corporation since 1970, originally serving as chief accountant. He also serves as treasurer of UFC's subsidiary, Union Fidelity Life Insurance Company.

In his new position, Featherngill will oversee all accounting and financial operations of the corporation.

Prior to joining Union Fidelity, the Olton graduate was controller of Faraday Incorporated of Adrian, Mich. and vice president and comptroller of

First Savings and Loan Association of Midland.

He has also served in similar positions for National Bankers Life Insurance Company and Peat, Marwick, Mitchell and Company, both located in Dallas.

A graduate of Texas Tech University, "Feather" is the son of Mrs. Jack Askford of McGregor and the late Paul Featherngill. He is married to the former Kay Sherman.

The Featherngills are the parents of three children and make their home in Willingboro, N.J.

Which describes your feelings?

Yes___No___ I could do more enjoyable things if I had the time.

Yes___No___ I have a good occupation and my supervisors approve of my work, but personally, I'm not satisfied.

Yes___No___ My realistic conception of an ideal life is very different from that which I'm living now.

Did at least one question apply to you? If so, it's quite possible that you're not getting the most out of life. Only you know the reasons, but whatever they are, God can help you.

Among many other things in the Bible, He promises freedom and a new life to those who sincerely seek it.

Why don't you come to church this Sunday and let Him know that you want to be free of your chains?

To live a half-life when a full life is available isn't really like you.

Is it?

Thick As A Brick

By Max Moss

I guess that most of you people out there have heard the song, "Dead Skunk In The Middle Of The Road", well, somebody tried to change the words to "Dead Rabbits". If you haven't noticed, somebody laid about a dozen rabbits neatly in the middle of Main Street, Alan, that's about as cool as tripping on castor oil and then going to a drive in movie. Who ever did this, keep up the good work, that was the most exciting thing that has happened in Olton in about two years.

Speaking of drive ins, the Mustang opened last Friday. Why don't ya'll get in your pickle wagons and go to the show.
