Floydada hosting exes for Homecoming 1992

FLOYDADA — Former students of Floydada High School, along with faculty and friends will converge on Floydada this weekend for the 1992 Homecoming reunion. The reunion is held every four years.

Several events are scheduled throughout the weekend, along with reunions planned by different classes.

The weekend will get underway on Thursday, Oct. 1, with registration beginning at 11:00 a.m. at the school administration office, located at 226 W. California. Registration will continue until 1:00 that afternoon. Exes may also register on Friday, during the same hours and at the same place or on Saturday from 9:00 a.m. to 1:00 p.m. at the high school gymnasium.

Coffee and refreshments will be served to exes at the high school cafeteria from 9:00 a.m. to 10:30 a.m. on Saturday morning.

Thursday evening will see a pep rally in support of the Floydada Whirlwinds at Wester Field beginning at 8:30 p.m. Anyone wishing to participate in a snake dance to the field is asked to meet at A.B. Duncan Elementary at 7:45 p.m.

Friday's activities will include a reception from 2:00 to 5:00 p.m. in the home of Fred and Polly Cardinal, 625 W. Mississippi, for past and present cheerleaders and their mothers, pep squad and anyone else proud to wear green and white.

Eight young ladies will be competing for Homecoming Queen during pregame ceremonies at 7:45 p.m. Friday evening, prior to the Floydada Whirlwind-Childress Bobcat game, slated to begin at 8:00 p.m.

Candidates for queen, who were chosen by their classmates, include Lacy Golightly, Missy Pernell, Jennifer Harbin, Lezlie Warren, Stacy Meyers, Corinne Pesina, Eliza Suarez and Tian Younger.

Miss Golightly, 14, is the daughter of Dayne and Penny Golightly. She is a freshman.

Miss Pernell, 14, is the daughter of Randy and Denise Pernell. She is a freshman.

Miss Harbin, 15, is the daughter of Bill and Linda Harbin. She is a sophomore.

Miss Warren, 16, is a sophomore and the daughter of Martin and Jill Warren.

Miss Meyers, 17, is a junior and the daughter of Rick and Erma Meyers.

Miss Pesina, 16, is a junior and the daughter of Delfino and Mina Pesina.

Miss Suarez, 17, is a senior and the daughter of Joe and Maria Suarez.

Miss Younger, 17, is a senior and the daughter of Jakey and Leora Younger.

Ex-band members, along with current band members, will entertain football fans during the halftime show. The group will be forming the Whirlwind during their presentation.

All school campuses will be open for exes to visit on Saturday morning from 9:30 to 10:30 a.m. Maps and programs will be available at the entrance door of each building.

The schools and their locations are A.B. Duncan Elementary, 1011 S. 8th; R.C. Andrews Elementary, 215 N. White, and Junior High, 910 S. 5th. The high school will host their open house all day.

A catered noon meal will be served from 11:00 a.m. to 12:45 p.m. on Saturday at A.B. Duncan Elementary. School buses will be shuttling persons from the high school to the elementary school from 10:50 a.m. to 1:00 p.m. Price of the meal is $6.00 per plate.

The business meeting is scheduled to begin at 1:00 p.m. until 2:00 p.m. in A.E. Baker Auditorium. Class reunions will follow in designated rooms at the high school from 2:00 to 3:00 p.m. Reunions will also be held there throughout the morning.

Class pictures will be made by appointment only, on Saturday, following the business meeting. Contact Jack Robertson at R Photography for information.

Two dances have been slated for Saturday night. Admission will be $5.00 per person at each location.

The Blue Denim Band will be performing at the rodeo slab from 9:00 p.m. to 1:00 a.m. In case of bad weather, the dance will be moved to the Case house.

Arch Keys Old Masters of Swing of Plainview will present their music at the Massie Activity Center, from 9:00 p.m. to 1:00 a.m.

A buffet breakfast will be served from 11:00 p.m. to 1:00 a.m. at the Punkin Patch Restaurant, 528 E. Houston. Cost will be $4.00 per plate.

Activities being planned for Punkin Days

By Anne Carthel

The Punkin Days committee met on September 22 to continue planning for the upcoming celebration scheduled for Saturday, Oct. 31. Reports from each committee represented were given.

RACES

The 5K and 1 mile Fun Run race committee, headed by Julianne Cornelius, have race entry forms ready and mailed to out of town runners who competed last year.

Advertising for these races has been promoted through two national running magazines, who have also offered additional prizes for the runners as well as providing race numbers this year free of charge.

Racers have been calling or writing for entry forms for several weeks now for the 5K race, but local entrants are not expected to sign up until race time grows closer. All school aged children, including junior high and high school students are encouraged to enter and run.

The trophies are donated by Coca-Cola. Age divisions will be the same as they were last year. Anyone wishing information about the races or age divisions may contact Julianne Cornelius.

For those who are a little "out of shape" we have a race for you, too. The Fat Man's Race (don't let the title fool you, we are not sexists, women may enter too) is for anyone who has a good sense of humor and a hearty appetite.

There is no weigh in, so skip breakfast that morning and come on down and run for the goodies! Gee, this race sounds like it would be ideal for all those starving teenagers who love to eat from morning till night.

Anyone who is hungry enough to run a block should contact Laura Turner or Jill Graham for information.

ARTS AND CRAFTS

The arts and crafts booths report an increase in the number of early signups for a booth. At present, there are 25 booths already filled. There are a total of 42 booths spaces, so anyone interested needs to sign up soon.

About 10 of the 25 are food booths and include such goodies as: funnel cakes, Texas taters, barbeque, turkey legs, sausage on a stick, corn dogs, ice cream, roasted corn, burgers and lemonade. One inquiry for a food booth was received from Georgia this past week.

Cookout will fete Congressman Sarpalius

Congressman Bill Sarpalius will be honored by friends and supporters at a free hamburger cookout at the Floydada County Club on Wednesday, Oct. 7.

The event will start at 6:30 p.m. and Floyd County residents will have the opportunity to visit with their congressman.

Everyone is invited to attend.

"Old Fashioned Saturday" slated during Homecoming

Activities for "Old Fashioned Saturday" will be held in conjunction with Lockney Homecoming.

There will be food, games and arts and crafts booths set up on the sidewalks along Main Street between Locust and College Streets by Churches, study clubs, student groups and individuals. The street will be blocked off to traffic.

A stage will be set up and entertainment will begin at 2:00 p.m. Entertainers are scheduled for approximately every thirty minutes throughout the afternoon. Dub Hallmark will emcee the event.

Tentatively scheduled are several bands and music groups.

The Lockney Senior Citizens will host a fish fry from 5:00 until 7:00 p.m. at the Senior Citizen Building.

Businesses will be open along Main Street and anyone needing a booth is asked to contact Karen Hooten.

"Old Fashioned Saturday" is sponsored by the Lockney Chamber of Commerce.

A complete schedule will be listed in next weeks newspaper.

County approves proposed purchase of two patrol cars

By Juanita Stepp

Meeting in a special called session on Monday, September 28, the Floyd County Commissioners Court voted unanimously to advertise for bids on two new patrol cars for the Floyd County Sheriff's Department. Motion for the action was made by Precinct 2 Commissioner Floyd Jackson with a second by Precinct 4 Commissioner Howard Bishop.

The recently approved county budget for the 1992-93 fiscal year included $25,000.00 towards the purchase of new vehicles.

Sheriff Fred Cardinal and Chief Deputy Charles Overstreet met with the court to present their views concerning the type of vehicle to be purchased. Both expressed the desire to see the county buy vehicles which are factory prepared with a special police package. Cardinal also told the court that he did not feel that trading in the vehicles to be replaced would bring top dollar for the county. Cardinal suggested that the county take bids for the sale of the used patrol cars instead. This was also approved by the court.

A motion by Precinct 1 Commissioner Connie Bearden set the regular meeting day for the court during the coming year. Bearden moved that the court continue to meet on the second Monday of each month. Jackson seconded the motion which was approved on a unanimous vote.

Precinct 3 Commissioner George Taylor made a motion to authorize County Judge Bill Hardin to sign a statement declaring that the county does not use any funds from the Texas Attorney General's Office for lobbying purposes. These funds are provided only for assuring the collecting of child support payments. Bishop seconded and the vote was unanimously in favor.

Also handled at the morning session was the reading of the minutes and the payment of bills.

PAVING POSSIBILITIES EXAMINED — Several people interested in seeing a new paved road added to the county were in Floydada last week to look over the proposed project. Looking over a map of the local area were (left to right) Floyd County Commissioners George Taylor and Connie Bearden, State Senator John Montford, Andrew Sansom (executive Director of the Texas Parks and Wildlife Department), Floyd County Judge Bill Hardin and Mel Pope, Lubbock District Superintendent of the Texas Highway Department. The group made an on-site visit to the proposed road paving site which would link the South Plains area with FM 1065 in the northeast portion of Floyd County. The possibility of getting the paving funded in the future was discussed. — Staff Photo

County approves proposed purchase of two patrol cars

By Juanita Stepp

Meeting in a special called session on Monday, September 28, the Floyd County Commissioners Court voted unanimously to advertise for bids on two new patrol cars for the Floyd County Sheriff's Department. Motion for the action was made by Precinct 2 Commissioner Floyd Jackson with a second by Precinct 4 Commissioner Howard Bishop.

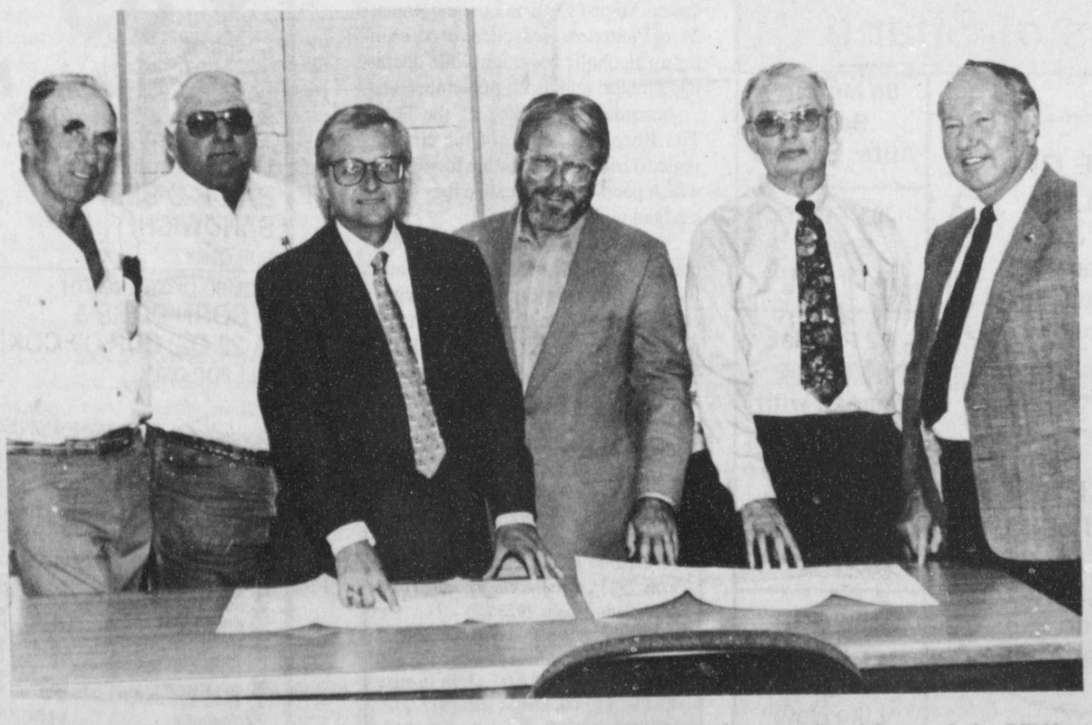

The recently approved county budget for the 1992-93 fiscal year included $25,000.00 towards the purchase of new vehicles.

Cardinal suggested that the county take bids for the sale of the used patrol cars instead. This was also approved by the court.

A motion by Precinct 1 Commissioner Connie Bearden set the regular meeting day for the court during the coming year. Bearden moved that the court continue to meet on the second Monday of each month. Jackson seconded the motion which was approved on a unanimous vote.

Precinct 3 Commissioner George Taylor made a motion to authorize County Judge Bill Hardin to sign a statement declaring that the county does not use any funds from the Texas Attorney General's Office for lobbying purposes. These funds are provided only for assuring the collecting of child support payments. Bishop seconded and the vote was unanimously in favor.

Punkin Days committee planning activities

Continued From Page 1

will be on display in these booths, so start saving your money.

Anyone interested in having a booth should contact Vickie Norrell or Deedie Covington.

BAKING CONTESTS

The pie baking contest has been opened up this year to include other baked goods, including any dish with as much as 1/2 cup pumpkin.

The home economic teachers are encouraging their students to enter their goodies. There will be age divisions in the baking contest and the division on food types will include: pies, cakes or rolls, cookies or brownies, candy, and miscellaneous.

Age divisions will be age 7 and younger, 8-10, 11-13, high school, adult. We are hoping for a large turnout.

We also hope to sell some of the goodies following the contest. So many people wanted to buy a piece of pumpkin pie or bread last year.

Anyone needing additional information may contact Melissa Long at the county agent's office.

PUMPKIN GAMES

The games committee continues planning all of your favorite pumpkin games, including pumpkin bowling, carving, drawing, rolling, pie relay running, wheelbarrow pushing and more.

COW PATTIE BINGO

Cow pattie bingo tickets are printed and will go on sale this weekend during Homecoming. They will be available until they are all sold or until just prior to the contest.

Contact Jeff Johnson for tickets and your chance to win $500, $300 or $200 in prizes.

KIDS' CONTESTS

Once again we'll have the coloring contest and the poetry contest. Teachers will be contacted about these or the students can enter on their own. Prizes will be awarded to the winners.

Vickie Norrell and Deedie Covington will head this committee as well.

PUMPKIN JAIL

Monte Williams is in charge of the "Pumpkin Jail" which will be set up on the courthouse lawn. Deputies may arrest the person of your choice and lock him or her; and deliver the punishment of having to carve a pumpkin to be set free.

Prices this year for the jail will be $5.00 to lock someone up and if you want to find out who locked you up it's an additional $5.00.

NOON ENTERTAINMENT

Entertainment will be held at the lunch break and Darla Keller is hard at work trying to line up some talent, so get out your dancing shoes, tune that guitar or fiddle, or practice your do, re, mi's.

Anyone who would like to entertain should contact her as soon as possible. There will be no games or other activities during this time, so there won't be any conflicts for those who would like to participate.

There will be a short auction during the lunch break following the entertainment to auction off a set of quilted placemats from Keeping You in Stitches quilting guild.

SEED SPITTING

The seed spitting contest will be held once again, so practice your technique. Pucker, arch your back, fling your body forward and SPIT!

All of these snuff dippers and tobacco chewers should be great at this event. After all, how many times can you win a ribbon by just spitting?

COSTUME CONTEST

The costume contest will begin at 6:00 p.m. that evening with pictures available through R Photography. Bring your little goblin and your checkbook so you can capture the moment with one of their picture packages.

Details about the age divisions and categories will be published at a later date. Candy Thrasher is in charge of this event.

DOWNTOWN TRICK OR TREATING

Downtown trick or treating will be the big new event for this year. All the little ghosts and goblins will make their way around the square collecting treats. We are still in need of help for the tables and treats for the kids.

Please call the Chamber office or Anne Carthel to sign up to hand out candy or to make a donation of candy or money to buy treats. This is a great way to keep everyone downtown and out of the residential neighborhoods, so please chip in with you time or your goodies.

Any candy you would like to donate can be left at the Chamber office from now until Friday, Oct. 30. If everyone will bring their treats, this will be a great way to do "trick or treating."

YOUTH DANCE

The PTA of Andrews, junior high and high school will be providing a dance that evening for the young people. Candy Thrasher is lining up the music and making arrangements, so contact her if you have any questions.

ANTIQUE SHOW

Plans still continue for an antique farm engine or machinery show to be held during the day on Saturday. If you are interested in participating, contact James Hale.

STATEWIDE PUBLICITY

Publicity is also well underway. On Tuesday of this week, Jack Lewis, a photographer for Texas Highways was in town photographing harvest and pumpkin fields. He and writer, Ann Galloway, will return for the festival on Halloween.

The Austin and San Antonio newspapers will be running stories about us, as well as Texas Coop and Power magazine, and Atmos (Energas) publication.

A television station in Bryan wants to come and film a commercial for a company called Farm Patch Produce. This company does business with some of the local farmers.

We are busy trying to provide information to all of these publications, as well as the television and radio stations in the area.

Punkin Days is going to be great this year! It's on Halloween this time and we need to make the most of it.

Anyone who would like to help in providing prizes, giving their time, or helping in any way that day, please contact Anne Carthel or the Chamber of Commerce office.

LETTER OF APPRECIATION

On behalf of doctors, staff and members of the board of Lockney General Hospital, we would like to express our appreciation for the generous contribution made by D.M. Courtroom Activities

In County Court, three charges were filed on September 28, including two for resisting arrest and one for theft.

Robert Rawlinson, 25, of Lockney, was charged with theft under $200.00. No disposition of the case was made.

Marcus Bueno, 17, and Jose Bueno, 54, both of Lockney, were charged with resisting arrest. Again, no disposition of the case has been made at this time.

JP COURT

Since last reported on August 11, there have been 204 cases filed in JP Court for Precincts 1 & 4. Among these were two for Public Intoxication (PI).

On August 28, Reginaldo Mata Flores, 23, of Floydada was charged with PI. On September 6, 69 year-old William R. Straw of Plainview was charged with PI.

Other charges stemming from alcohol use included Jose Garcia Jr. of Floydada, 19, who was cited for being a minor in possession of alcoholic beverage on August 15. Juan Luciano Ramas, 24, of Plainview , was cited for consuming an alcoholic beverage while operating a motor vehicle on September 11.

According to Justice of the Peace Tim Burge, "a couple of the citations issued during this period are for offenses which people do not realize they can be charged with.

51 year-old Teresa Delgado of Garden City, Kansas, was issued a citation for operating a motor vehicle with a child under 12 in the open bed of a pickup on September 12 and Joe Daniel Delgado, 31, of Floydada was cited for exhibition of acceleration on September 19."

Ex recalls teachers as motivation source

(Editor's Note: Research for the following article, by Texas Tech journalism student Jenna Mordecai, was made possible by a grant from the Reader's Digest Foundation.)

By Jenna Mordecai

A 78-year-old Lockney man has more in common with today's high school students than would be expected.

T.V. Copeland, a 1933 Lockney High School graduate, remembers his teachers as being a source of motivation during his teen years.

Copeland was an active student. He played football, tennis and baseball. However, there was more to school than sports.

"We were there to learn, and teachers were there to teach," Copeland said.

Students respected their teachers and had confidence that they were knowledgeable, Copeland continued.

Bill Bobbitt, a teacher and debate coach, stands out in Copeland's mind as being dedicated to his students. He was a driving force behind the students' success at a district competition in 1932.

Students from various counties traveled to Lubbock to represent their school in scholastic and athletic events. This meet was similar to today's University Interscholastic League (U.I.L.) competitions. Copeland competed in the tennis portion of the meet. He said he made a good showing, but was more proud that Lockney students tied Brownfield High School when the overall event points were totalled. The two schools would share the first place title.

Times were not always as fun or easy for Copeland. He had to face more than tough athletic competition.

Copeland and his family struggled during the late '20s and early '30s. The Great Depression affected everyone.

"Times were tough," Copeland said, "I did good just to live."

Copeland was needed on the family farm so he was out of school for a year and a half.

When he returned to finish his education, Copeland resumed his many activities.

He played footbal! for Coach Warner Reed his senior year. After taking a few hard hits from opponents, he didn't mind standing on the sideline.

"The team had a decent season, but nothing spectacular," Copeland said.

Copeland has fond memories of his high school years. He is looking forward to returning to visit his former classmates.

"I'm ready to go down and see what the old timers look like," said Copeland.

He particularly hopes to see Annie Stewart, who was a close friend during school. Stewart was living in El Paso and working as a teacher the last time Copeland spoke to her. The two will have a lot of catching up to do.

Since his school days, Copeland has done various jobs to support his family. He farmed for a couple of years, drove a truck and worked as a welder. He and his wife, Winzella, raised two sons, Thomas and Joe. They are both graduates of Lockney High School and now live in Odessa. Winzella died in 1984. After her death, Copeland kept himself busy.

"I never really retired, I just tapered off," Copeland said, "I may not turn out much work, but I've got something to do."

He enjoys working in his garden and blacksmith shop behind his house. Playing the accordion is another of Copeland's hobbies. "Let Me Call You Sweetheart" is one of his favorite songs.

Copeland is ready to share his memories of old songs, caring teachers and fun high school days with the students who return to Lockney High School Oct. 9-10 for homecoming activities.

This Week

Letter To The Editor

Hats off to the Youth of Floydada!

I'm sure there are many times when the youth of our town deserve a bouquet and are never recognized. The purpose of this letter is to share with you an experience of which some people in our community may not be aware.

Sunday, September 27, the youth of the First United Methodist Church conducted the entire morning worship. The youth involved were Chris Wilson, Aaron Noland, D.G. Hollums, Neal Nelson, Brandon Gilliland, Micheal Gilliland, Alissa Wilson, Aimee Fondy, Charla Yeary, Misty Bertrand, Lezlie Warren, Shea Sanders, Jamie Crow, Regina Ware and Heather Fondy. Their spirituality, sincerity, poise, and talent were wonderful and an inspiration to all present.

Equally inspiring, was the youth from other churches who were present (seated very near the front of the church) to lend their support and give their Christian testimony by being present.

I want our community to know how richly blessed we are and to publicly thank these young people, their leaders, and their parents.

You present quite a challenge to the rest of us.

Frances Hambright

MR. AND MRS. CHRISTOPHER CHARLES SZAFRAJDA

Goen-Szafrajda marry in Nebraska

Kerry Kaye Goen, granddaughter of Mrs. Elton Goen and the late Elton Goen of Floydada, became the wife of Christopher Charles Szafrajda of Hastings, Nebraska. The double ring ceremony was performed in the Hurlburt Chapel, Hurlburt A.F.B., Florida. Chaplain Wilburt Meikens united the couple.

The bride was given in marriage by her father, Robert S. Goen. The bride's mother, Joni Goen and the groom's mother, Cheri Szafrajda lit candles for their children.

The bride chose her sister, Shanna Michele as her matron of honor. Brande Walton of Mary Esther, Fla., and Paula Goodson of Fort Walton Beach, Fla., were bridesmaids. Courtney Marie Rector of San Antonio was the flower girl.

Scot Szafrajda of Hastings, Nebraska, brother of the groom, acted as best man. Karl Kitchen of Niceville, Fla., and Rick Utter of Hastings, Neb., were groomsmen. Thomas Jackson of Romance, Arkansas, and Jimmy Marta of Shreveport, Louisiana, served as ushers. Jamie Szafrajda of Hastings, Neb., brother of the groom, was ring bearer.

Kellee Flangers of Fort Walton Beach, Fla., was in charge of the bride's book. Lola Wueffel was organist and soloist. She sang the "Theme From Ice Castles", "Evergreen" and as the couple lit the unity candle she sang "There Was Love."

A buffet reception was held at Cowboy's Steakhouse in Navarre, Fla. Bill Pullum and crew were in charge of all arrangements. The bride's parents passed out scrolls which included a poem they had written in honor of this special occasion and they also sang "Could I Have This Dance For The Rest Of My Life" as the bride and groom danced before the guests.

Special guests attending were Jean Pavlov, Sharon Rector, Ann Jackson, Shirlee Walker, Phyllis Hartszell, Sonja Szafrajda, Becky Utter, Jason Utter and Amanda Utter.

After a weekend trip to Destin, Fla., the couple is residing in Mary Esther, Fla.

LOCKNEY — There were 78 who had sandwiches and ice cream and enjoyed it. Thank you Clara McCain and your helpers for a nice September hostess.

We enjoyed the sing-a-long. Delvin Bybee lead and we enjoyed it. Jerry Caldwell and wife, was present and Jerry lead a song or two, thanks.

Our sympathy goes out to Rudy and Wanda Zachery on the death of their granddaughter, Jenifer, that was killed in a car wreak in Arkansas.

Bertha Rollings and Hazel Johnson enjoyed their trip to Bronson, Missouri.

Kathryn Cooper won the afghan Thursday night.

Ladies be sure to come Tuesday morning at 10:00 to quilt.

Senior Citizens will be having a Old Fashion Fish Fry Saturday night, October 10. Bring your X's and come eat with us. Just $5.00 for a real Catfish dinner. We will be serving from 6 p.m. to 8 p.m. or until we run out. So everyone come eat with us.

We want to thank everyone who has brought fresh vegetables in to the center. They have really been enjoyed by everyone.

Floyd County Lifestyles

Blood drive slated

FLOYDADA — Floydada's next blood drive will be held from 2 p.m. to 6 p.m., Thursday, October 15, at the First National Bank Community Room. This is an opportunity for residents of Floydada to positively affect the lives of others. Giving blood is safe and easy, and takes only a few minutes. Those who want to donate may make an appointment by calling Randy Duke at 983-2162.

"There is absolutely no risk of getting AIDS or any other diseases by giving blood. This is a statement of fact that is echoed by every medical, scientific and blood service agency in the nation," said Cheryl Keefer, community relations representative of United Blood Services. United Blood Services is the area's nonprofit community blood provider.

Only sterile, disposable equipment is used during the donation process. Everything, from the swabs to the blood bags to the needles, is used just once and then disposed of. "There is simply no way to get any infectious disease from giving blood," she said.

Before the blood donation, the donor is asked a series of medical questions to help assure the safety of both the donor and the patient who will receive the blood. In addition, the donor's pulse, temperature, blood pressure and iron level are checked.

Once the blood reaches the United Blood Services laboratory, several hours of tests are performed to further assure patient safety.

"Hospital patients' blood needs are increasing every year, and the only way to meet their needs is by healthy people regularly volunteering to donate blood," Keefer concluded.

Alpha Sigma Upsilon meets

By Maria L. Martines

FLOYDADA — Alpha Sigma Upsilon, Chapter of Beta Sigma Phi, met for their first regular meeting on Tuesday, Sept. 22, in the home of Darolyn Snell, president. She called the meeting to order, with all members present standing for opening rituals.

Seven members were present and one excused absence. Minutes from the meeting were read and approved.

The president read a written request from vice president Tammy Leeson and Tonya Evans for a leave of absence from the chapter. Their letter was accepted by the chapter.

A motion was made to elect a new vice president. Vicki Derryberry was appointed.

Ideas were discussed concerning a fundraiser on Punkin Days. Several ideas were mentioned with no decision made. Also, ideas for Rush were discussed. Assignments were to be made at the next meeting.

There being no further business the meeting was adjourned by the president with all members standing for closing rituals and mizpah.

The next meeting was set for Sept. 29 at Pizza Gold.

5K and Fun Run deemed success

By Dr. Gary Mangold

The cool morning of Sept. 19 brought perfect weather for the fifth running of the Floyd County Fair 5K and Fun Run. Almost 90 participants toed the line for the two events, and we hope everyone had fun, because that's what it's all about.

We want to once again thank our sponsors for this year's running: Caprock Industries, First National Bank of Lockney and Floyd County Fair Board. Their generosity is greatly appreciated, for without sponsorship this event would be nearly impossible.

These races could not be conducted safely and enjoyably without the enthusiastic help of all of our volunteers, most of whom have been on hand several years: Vicki Clark, Libby Delgado, Eddie Fortenberry, Melinda Grimaldo, Chuck Holmes, Don Lewis, Brenda Mangold, Jerry Miller, David Norwood, Joyce Owens, Clar Schacht, Reeda Cay Smith and Glen Sutterfield. Thank you all.

The results of the 5K run were as follows:

Best Overall Male, Joe Casarez, 18:27, and Best Overall Female, Debra Ballejo, 22:41.

Female, 15 and under: 1. Debra Ballejo, 2. Cynthia Martin, 3. Tikka Smith

Male, 15 and under: 1. Robert Delgado Jr., 2. Brady Marr, 3. Jared Mosley

Female, 16-25: 1. Michelle Delgado, 2. Kim Kayler

Male, 16-25: 1. Henry Ruiz, 2. David Turner, 3. Albert Martinez, 4. David Sutterfield, 5. Robin Satterwhite

Female, 26-39: 1. Kay Brotherton, 2. LaNell McCandless, 3. Victory Stewart

Male, 26-39: 1. Joe Casarez, 2. Fidel Blanco, 3. Phil Cotham, 4. Jeff Reecer, 5. Grant Hambright

Female, 40-49: 1. Virginia Torrez, 2. Maria Nolan

Male, 40-49: 1. Terry Ellison, 2. Don McCandless

Female, 50 and over: 1. Lozelle Keeter.

FUN RUN

The results of the Fun Run were as follows

Ages 8-12: 1. Elias Saucedo, 2. Billy Joe Luna, 3. Josh Quebe, 4. Tara McCandless, 5. Ysenia Saucedo, 6. Kevin Aufill, 7. Susie Tambunga, 8. Aaron Dietrich, 9. Wade Miller, 10. Karon Hooten

Ages 13-20: 1. Dana McCandless, 2. Amy Anderson

50 and Over: 1. Pat Frizzell, 2. W.J. Mangold, 3. Anna Fish

Due to the large turnout in the younger division this year, a new category, Little Runners, age 7 and under was developed. The winners in this group were: 1. Janee Hrbacek, 2. Paul Amador, 3. Britta McDonald, 4. Britnee Brotherton.

The Stroller category was won by Beth and Jill Bramlet .

Also signing up in the Fun Run this year were: Ann Ford, Dena and Chloe Reecer, David Perez, Michelle Smith, Todd Cotham, Brandon Alvis, Michelle Delgado, Robert Delgado Jr., Spencer Schacht, Meredith Schacht, Danny Huggins, Melanie Huggins, Jeffrey Hunter, Rebecca Rendon, Tessa Davis, Scooter Cassler, Lauren Mangold, Erin Mangold, Elizabeth Torrez, Kelsey Hooten, Matt McPherson, Marie McQuhae, Lindi Miller, Ullisis Martinez, Allyson Clark, Anthony Garza and Daniel Luna.

Fastest time in the Fun Run was turned in by Henry Ruiz in 6:02.

Kemp and Powell win washer pitching contest

The team of Jimmy Kemp and Dale Powell were named champions of the 1992 Floyd County Fair Washer Pitching Contest. Second place honors were won by Tim Cooper and Garry Burson.

Third place was taken by Charlie and Missy Minnick. Zach Cummings and Charlie McQuhae won fourth place and Kenny Hooten and Marlon McDonald placed fifth.

Nineteen teams participated in the event which was sponsored by Floyd County Farm Bureau (Clar Schacht, Kenneth Holt and Candy Thrasher, agents); Clark Pharmacy, Tye Company and Consumers Fuel.

The sponsors furnished belt buckles for the first place winners, money clips for the second place team and money prizes for the top three teams.

FAIR RIBBON WINNERS — Members of Joyce Williams' CVAE Home Economics classes were among those winning ribbons for their entries in the recent Floyd County Fair. Entered in the Youth Culinary Division, they included (left to right) Brenda Vasquez, Lucy Mendez, Susie Maldonado, Laura Ochoa and Sarah Mendoza. Not pictured but earning a ribbon for making a child's romper suit was Alma Ascencio. — Staff Photo

Behind the scenes of "Opal is a Diamond"

By Grant Hambright

FLOYDADA — *Editors Note: This article is the third of a three part series about the actors in the Upstairs Theater's production of "Opal is a Diamond" (October 1,3,4,9,10 and 11) at the Floydada First United Methodist Church. Call 983-2445 for reservations. Tickets may also be purchased at CRH Systems, 118 W. California.*

Lordy, Lordy Look Who's Perpetually 40!

Thursday evening is the opening night of "Opal is a Diamond". As the lights illuminate the stage and the strains of the overture fill the theater, two months of preparation from the cast and crew will come to fruition as the evening's entertainment begins. Jitters will be felt by everyone involved, from the novice to the experienced thespians. The moment the nervousness subsides begins when the patrons emit their initial chuckles. This long-awaited response cues the on-stage performers that their efforts are being acknowledged and appreciated. The play opens with two experienced actresses who are eager to entertain and enlighten the patrons with their dramatic talents.

Jaynette Harrison returns to the Upstairs Theater stage portraying the role of Rosie Montefalco. She made her acting debut last season as M'Lynn Eatenton in "Steel Magnolias", and she assisted with the Floydada High School production of "Heaven Can Wait." Her work experience includes begin a twenty-one year veteran of the Floydada Independent School District, a secretary for the Bible Baptist Church, and the treasurer for AFS. Jaynette and her husband Max have been married for thirty five years. He is a farmer in the Lakeview Community. They have two daughters, Debbie Wilks of Lubbock and Tracy Harrison of Floydada. Jaynette's character, Rosie is a fiesty Italian lady who has befriended Opal Kronkie. Rosie undergoes a crisis in her family and she calls on Opal for consolation. Little does Rosie suspect that she will become a central figure in Opal's bid for the mayor's office. Neither Rosie nor Opal are able to culminate their respective grieving or campaigning.

Opal Kronkie is a lovable dump-dwelling spinster. Opal is a collector of memorabilia, more appropriately called junk, who gets railroaded into becoming a candidate for mayor. Her political wheeling and dealing as a candidate nets her friends with benefits that in the past had only been reserved for those elected to office. The role of Opal Kronkie is played by Frances Puckett. She revives the role which she portrayed in the first Upstairs Theater production, "Everybody Loves Opal."

Frances graduated from Big Spring High School where she was a member of the debate team and Drama Club. She then attended McMurry University where she was a member of Alpha Chi National Honor Society and the McMurry Chanters Choir. Drama was an extracurricular activity for Frances during her McMurry years. She played Lady McBeth in the Shakespearean tragedy, Elvin in Noel Coward's "Blythe Spirit," and she assisted in the production of "Androcles and the Lion" by George Bernard Shaw.

After transferring to North Texas University, Frances received a Bachelor of Arts degree with an English major and a French minor. She was a member of Sigma Tau Delta, the National Honor Society for English Majors, and Pi Delta Phi, the National Honor Society for French Minors. Frances is a parent of four grown children: Sarah Sanders of Floydada; Nancy Young of Silverton; Tracey Brock of Tulsa, Oklahoma; and, Steven Puckett of Lubbock.

Longhorns edge Lions

By Les Reed

LOCKNEY — The final score read visitors 27, home 22. What a great feeling that was for the Longhorns as they were the visiting team. Friday's game was just what the Horns needed to start their district play. At 2 and 2 for the season, and 1 and 0 for district play the Longhorns seemed ready to play ball. The game was a tough fought game, that caused each team to play their very best up until the final buzzer sounded. With the New Deal Lions favored by 20 points their was some skip about how well the Horns would do against the district favorite, but now "We know the rest of the story!"

Early in the first quarter the New Deal Lions jumped out in front with a quick 7 points by senior running back Jimmy Jackson. The extra point was good and now the Longhorns would have their to crank it up to stay with the Lions. And crank it up they did. Later in the first the Horns answered the Lions 7 points with a touchdown and an extra point of their own as number 7, David Luna ran from 10 yards out to even our score. The score ended tied at 7 after the first quarter.

The Longhorns struck pay dirt first in the second quarter adding another 7 points to their total. Again, David Luna was able to carry the ball from 2 yards out leaving the Lions wagging their tails somewhat. Our offensive line worked really hard to open up the holes and to allow our back to make it into the endzone. New Deal picked up the pace and during the second period was able to add another 3 points to the scoreboard with a 30 yard field goal. The first half ended with the Horns in control by 4, as the score stood at 14 to 10.

Third quarter action found Lockney putting another 7 points on the scoreboard. Junior, Patrick Monroe found an opening and ran for 22 yards for the score. The point after was good and the Horns now led by 11. Our defense stood strong in the third, holding the Lions scoreless. The hits were looking really impressive as well as the tackles.

The Lions found themselves somewhat in a cage going into the forth quarter, but someone evidently gave them the key to get out. The Lions put a quick 12 points on the board during the final quarter of play with two passes, leaving the Horns trailing by 1 late in the final quarter. There was a quick sense of trouble both on the field and in the stands. There goes our victory, many thought, or did it? The Horns stood the test of time, because time is all we had left and not much of it. With only a few minutes left in the game the Horns marched the ball down the field. With only 54 seconds left on the clock #8, Rhineas Riddley ran the ball in from 2 yards out leaving the Lions with their first district loss of the season and our first district win of the season.

This coming Friday the Horns will play the Hale Center Owls in somewhat of a strange place, home! After 3 straight road game, the Horns are ready to show our fans that this season is one of potential and promise! Make time Friday to come out and support the school as we face the Mighty Owls of Hale Center. The Owls faced off against Olton this past week and even thought they came out with a loss, word has it that the Owls are playing pretty good ball.

Remember the game starts at 7:30 p.m. here in Lockney. Come on out and support the team, the cheerleaders, the band, and the students of Lockney. The game promises to be one of excitement, so don't miss out.

THIS WEEKS SPECIAL FEATURE
"The Longhorn Band"

Let me encourage you, the fans, to do me a favor. Run to the snack bar a few minutes before the half to get your snacks and then come back for a few minutes of top notch entertainment. Our band puts in many hours of hard work and they are doing an excellent job during the half time show as well as during the playing of the game. Their support and enthusiasm helps our team bring home a victory, so let's show the band our support and our enthusiasm as they prepare to bring home a victory at contest.

Band your show is really looking great, keep up the good work!

KEEP ON RUNNING, WE'LL GET HIM--The Lockney Longhorn Football team rolled over the New Deal Lions by a score of 27-22 to start their district play. The steady play by the 'Horns led to the defeat of the team who was favored by 20 points. The 'Horns will meet the Hale Center Owls this Fridayat home. Staff Photo

Lockney High School cross country track team competes in Amarillo

LOCKNEY — The Lockney High School Cross Country Team competed in Amarillo this past Saturday with the varsity girls finishing 24th place out of 30 teams.

Varsity girls placing out of about 250 runners were: Danielle McDonald, 96th, 15:07; Lisa Vargas, 103rd, 15:11; Randi Jo Henderson, 148th, 16:00; Mandy Hunter, 155th, 16:14; Tikka Smith, 170th, 16:33; and Michelle Deleon, 200th, 17:40.

Debrah Ballejo placed 9th with 14:13 seconds. She runs for the JV girls and is in the 8th grade.

The boys did not compete as a team, but three placed indivdually out of about 200 runners. They were: Remaldo Chavira, 31st, 19:03; Julio Ramirez, 56th, 20:10; and Frank Gutierrez, 120th, 23:28.

The cross country team will run in Floydada this coming Saturday, October 3. Their coach is Kim Kayler.

LISD Superintendent's Comments

By W.H. Hallmark

LOCKNEY — There is some question about where the funds come from that allow the school district to be able to build a gym or do other remodeling projects.

The school district fund balance has been slowly increasing for the last fifteen years. Two reasons for that are (1) some monies left in each budget year and (2) increased state funding. Most of the money came from new state dollars each year.

The biggest increase in state funding has occurred since 1984 and House Bill 72. The school district, over a period of time, has built the fund to a level that allows the district to proceed with the building project and not jeopardize its financial soundness.

This past year, the Texas Education Agency did a survey of all schools and determined that a fund balance of 12% to 20% of a school district's current budget was adequate for financial soundness. This district's fund balance will remain at approximately 14% of the current budget.

School districts have heard rumors for several years that a fund balance over a certain amount could cause a district to be in jeopardy. If a district has a fund balance above this magic number, the state will simply cut the amount sent to the district by that figure. No money would be sent back to Austin but a district would not receive all they had coming for that year.

Because of those kinds of threats and a firm belief that our students deserve what we can do for them, the board felt it was time to use half of the fund balance to do major construction. As Superintendent, I would like to thank the community for their support and encouragement. I have said it many times but will say it again, "Lockney is a great place to live".

Army can help erase college debt

Thirty students in New Mexico and West Texas took advantage of the Army's loan repayment program during the fiscal year ending in September as the way to erase their college debt.

"The Army will pay off up to one-third or $1500, whichever is greater, of the recruits' outstanding student loan balance at the end of each year they serve," according to Lt. Col. Brad M. Beasley, commander of Army recruiting in New Mexico, West Texas, and the western edge of Kansas and Oklahoma. "After three years, the slate is clean."

The repayment program, limited to a maximum of $55,000 in loans, is for qualified active-duty service members with one of seven specific federally-insured student loans. These include the popular Stafford Loans, Perkins Loans, and Federally-Insured Student Loans.

The unpaid principal balance will be paid by the Army for loans made before enlistment, but no payment will be made for delinquent charges or interest that may have accrued.

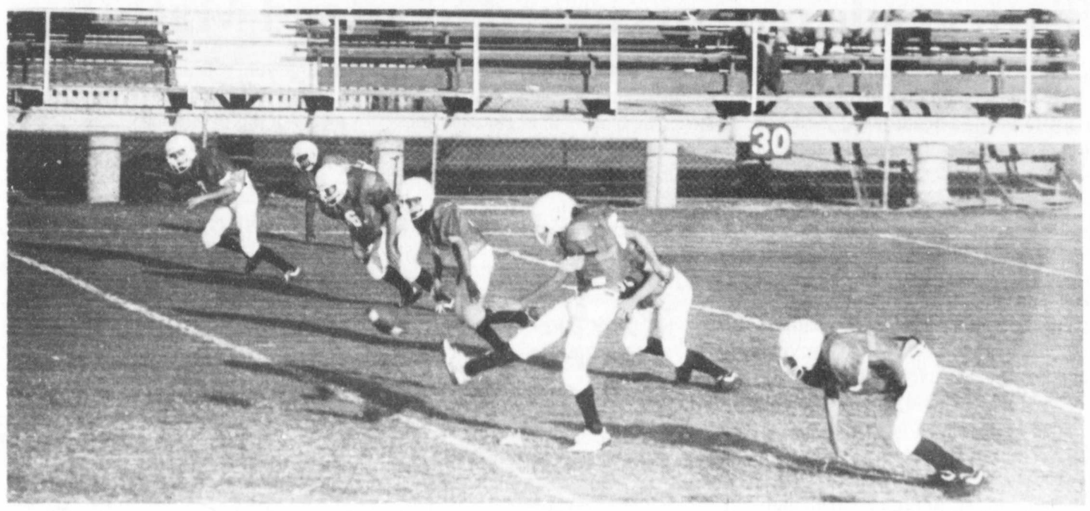

Army Reservists may also qualify for their own separate repayment program for student loans made before or during their enlistment. Their benefit is 15 percent or a $500 repayment of the loan for each year of successful service.

"New Army recruits with 30 or more semester hours of college also qualify to start at a higher rank and pay grade," Beasley said. "Taking advantage of these Army loan repayment programs could be the smartest move you've made since college."

Interested college students or grads should talk to their nearest Army recruiter or call Beasley at 505-266-1644 in Albuquerque.

Public Notice

Southwestern Bell Telephone Company has asked the Public Utility Commission of Texas (PUC) for approval to offer new optional call management services called Caller Identification Service (Caller ID) and Anonymous Call Rejection (ACR).

Caller ID is a new optional phone service which allows subscribers to see the phone number and/or name of most local calls before they answer the phone. Caller ID also allows the recording of the date, time, name and/or phone number of calls. Currently, Caller ID would work only on most local calls, not long distance calls. It would also require that a separate display unit be connected to the telephone. These units that attach to the telephone will be available from various retail vendors, including Southwestern Bell, at a cost starting at approximately $50.

Southwestern Bell is also proposing that all customers be able to "block," or stop their name/number from being transmitted and displayed on a Caller ID device, free of charge. You would have this option of "blocking" your name/number on each call free of charge. There would be no need to subscribe to this service. All customers would have this capability when Caller ID is introduced in their area.

If you want to block your name or number, you need only press *67 on your touch-tone pad (or dial 1167 from a rotary phone) before dialing the telephone number. The person you're calling would see displayed a message such as "private" or "anonymous" on their Caller ID display unit.

Southwestern Bell also proposes that qualified domestic violence and law enforcement groups have the option of free per-line blocking, or free per-call blocking.

Anonymous Call Rejection (ACR or "block the blocker") allows subscribers to automatically reject all calls that have been marked anonymous, or "blocked" by the person calling. It is not necessary to subscribe to Caller ID Name/Number to subscribe to ACR. With ACR, your telephone will not ring if the person calling you has "blocked" his/her name or number. The person calling whose identification is blocked will receive a message to hang up and call back with caller identification unblocked. Following are the proposed monthly rates for Caller ID and ACR.

Proposed Rates (monthly)*	Residence	Business
Calling Number only	$6.50	$ 8.50
Calling Name only	$6.50	$ 8.50
Calling Name & Number	$8.00	$12.00
Anonymous Call Rejection	$3/$1**	$3/$1**

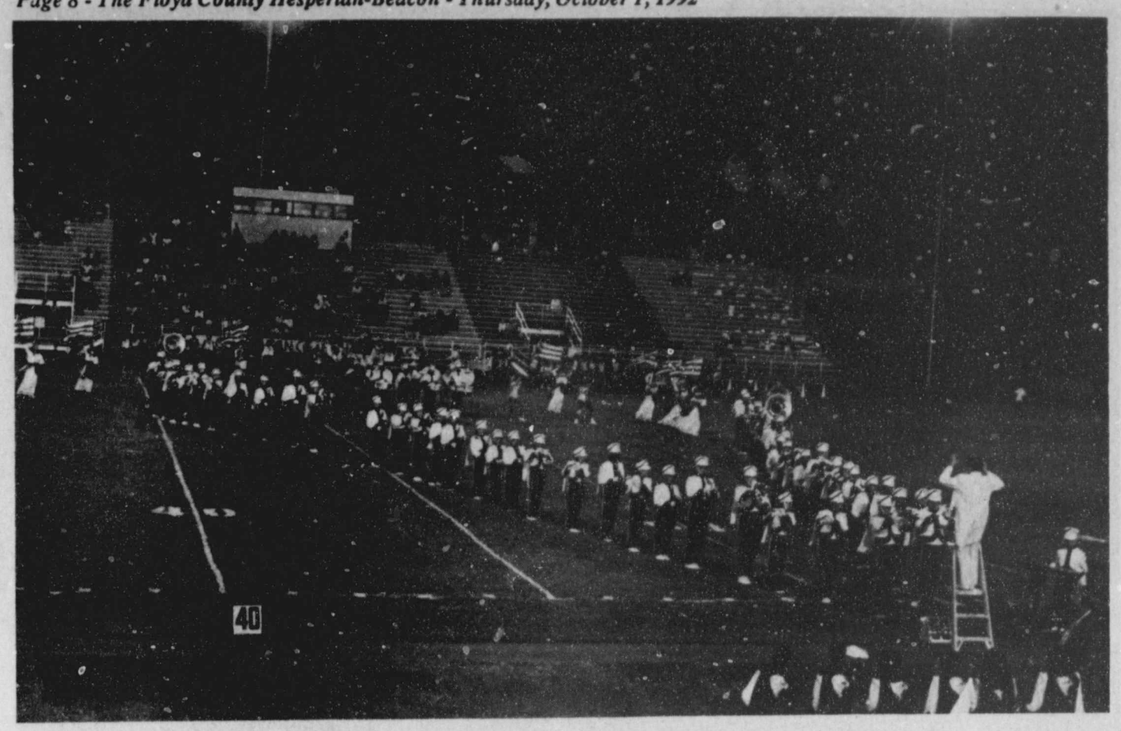

* These rates are in addition to the initial installation charges and monthly basic service rate. For residence customers, installation charges are $2.70 per feature, with a maximum charge of $5.40. For business customers, the charges are $5.40 per feature, with a maximum charge of $10.75.

** Anonymous Call Rejection is $3 per month if purchased without Caller ID and is $1 per month when purchased with Caller ID Name or Number.

This proceeding has been designated Docket No. 11362, and a hearing on the merits has been scheduled for November 16, 1992. The PUC has jurisdiction to consider this matter pursuant to Sections 16, 18, 37 and 38 of the Public Utility Regulatory Act (PURA). This application was filed pursuant to the provisions of the PUC's Substantive Rule 23.24. Among the issues that will be addressed in this proceeding is the legality of the Caller ID device and service under Texas wiretap laws.

Persons who wish to intervene or otherwise participate in these proceedings should notify the PUC as soon as possible. The deadline to intervene is October 26, 1992. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221 teletypewriter for the deaf.

Fulton is first place winner in grid contest

Pam Fulton of Lockney earned a first place finish in the fourth week of the annual Floyd County Hesperian-Beacon Football Contest. She missed only two games on the contest. Her check for $25.00 will be waiting in the Lockney Office on Friday.

Every entrant this week was given one game free on the contest. The football listing Dimmitt vs. Canyon was incorrect. Dimmitt played River Road last Friday and faces Canyon this week. Due to the error in preparing the contest, this game was not counted.

Second place and a check for $15.00 goes to Jana Davis of Floydada. Davis missed only three on the contest and correctly chose Reagan County to beat Floydada, earning a second place finish. Her check will be waiting in Floydada on Friday.

The $10.00 third place check will go to Sammy Bradley of Floydada. He also missed three games, but selected Floydada over Reagan County. He may pick up his check in the Floydada Office on Friday.

Sixth grade parents urged to attend Math Tea

FLOYDADA — Parents of all sixth grade students are invited and encouraged to attend a math tea at Andrews Elementary School during the week of October 5 - 12.

The Family Math program will be explained and other important aspects of sixth grade math discussed. The program offers opportunities for parents and students to spend time together doing something that's fun, challenging, and important. It also provides opportunities to develop problem-solving skills and to build an understanding of mathematics with "hands-on" materials.

The teas will be held in the sixth grade math room at Andrews Elementary School at 4:00 p.m. each afternoon. Following is a schedule for the teas:

Monday, October 5 - Mrs. Jones' Home Room 6A

Tuesday, October 6 - Mrs. Poole's Home Room 6B

Wednesday, October 7 - Mrs. Hambright's Home Room 6C

Thursday, October 8 - Mrs. Dorman's Home Room 6D

Monday, October 12 - Mrs. Giesecke's Home Room 6E

Frances Hambright, sixth grade math teacher, and Janis Julian, teaching assistant, urge you, your sixth grade student, and other interested people to take advantage of this opportunity.

HE IS JUST A BOY

Please don't curse the boy down there.
He is my son you see.
He's only just a boy you know.
He means a lot to me.
I did not raise my son, dear fan,
For you to call him names.
He may not be a super-star,
It's just a high school game.
So please don't curse those boys down there,
They do the best they can.
They never tried to lose a game,
They're boys and you're a man.
The game belongs to them you see,
You are just a guest.
They do not need a fan like you,
They need the very best.
If you have nothing nice to say,
Please leave the boys alone
And if you have no manners,
Why don't you stay at home.
So please don't curse those boys down there
Each one's his parent's son.
Win or lose or tie, you see,
To us, they're "NUMBER ONE."

Have a great week!

The Class of '94 has the Whirlwind Spirit!

Homecoming 1992

FLOYDADA — Homecoming time is here! During this special year the junior class officers, Corinne Pesina, Linda Dagley, Bandi Ross and Adam Gonzales, along with the enthusiastic junior class have been busy decorating the school halls with green and white Whirlwinds. Hopefully, our enthusiasm will lead the fighting Whirlwinds to a victory over Childress.

One of the special events of homecoming is the crowning of the queen. Each class nominated two candidates. During the half time activities the "Crown" will be presented to the 1992 Homecoming Queen. The junior class is proud to introduce their two candidates, Stacy Meyers and Corinne Pesina.

Stacy Meyers is the 17 year old daughter of Rick and Erma Meyers. Corinne Pesina is the 16 year old daughter of Delfino and Mina Pesina.

The junior class is excited and "pumped up" with support for the fighting Whirlwinds ready to cheer them on to victory at homecoming.

The Senior of '94 are proud to have the Whirlwind Spirit.

The Best We Can Be In '93

By Criselda Valdez

FLOYDADA — Recently these FHS seniors were nominated outstanding seniors by their teachers: Micheal Gilliland, Josh Thayer, Jason Pyle, Scott Crader, Able Reyes, David McCarty, Todd Cage, Johnny Equia, Jammie Davis, Ramiro Rios, Tian Younger, Yadira Martinez, Criselda Valdez, Elisa Suarez, Emily Parks, Holly Henderson, Annett Garcia, Rhealene Brown and Dedra Hardy.

Congratulations to Michael Gilliland and Tian Younger for being the most outstanding seniors. They will be introduced to the school board in their next school board meeting. These are seniors that are THE BEST THEY CAN BE IN '93.

Whittle awarded scholarship

FLOYDADA — Nathan Whittle of Floydada has been awarded a scholarship by the Communicating for Agriculture (CA) Scholarship and Education Foundation. The presentation was made by Terry Williams of Lubbock.

CA Foundation scholarships are designed to promote agriculture and agribusiness by encouraging young people to stay in rural areas and choose careers that will serve those areas.

Eligibility is based on the desire to further a career in agriculture or agribusiness or in a profession which serves the rural area rather than on a financial need.

Nathan Whittle, who is a freshman at South Plains College in Levelland, is planning a major in Agri-Business in preparation for a career in aerial chemical application.

He is the son of Mark and Teresa Whittle of Floydada. He is the grandson of Cleo and Nettie Ruth Whittle of Floydada and J.B. and Wilma Colston of Eden, Texas.

The CA Foundation is a charitable and educational organization, funded through tax-deductible contributions from individuals, businesses and other foundations. The Foundation is part of Communicating for Agriculture, a national, nonpartisan, nonprofit rural advocacy organization.

CA Foundation scholarships may be used to help finance education at any accredited college, university or vocational training center.

Those interested in more information about CA Foundation scholarships may contact Terry Williams at P.O. Box 93837, Lubbock, Texas; phone number, 1-800-658-9803.

Whirlwinds fall to Reagan County Owls

By Bill Gray

The Reagan County Owls of District 6-3A handed the Floydada Whirlwinds their first shutout in two years at Snyder's Tiger Stadium on September 25. Littlefield was the last team to hold the Whirlwinds scoreless in the 21-0 District 2-3A finale in 1990.

The Owls capitalized on two Floydada turnovers and a successful onside kick to register 20 unanswered first-half points as they coasted to the 26-0 non-conference victory. Reagan County remains undefeated for 1992, with a perfect 4-0 record. The Whirlwinds fall to 2-2 for the season.

The Winds managed a first down in their initial series following the opening kickoff, but were forced to punt when the offense sputtered at the Owl 47 yard line. Reagan County wasted little time in their first possession. On fourth down from his own 27, Owl QB/punter Jackie Hill fielded an errant snap, and scrambled 42 yards to the Whirlwind 31 to keep the drive alive.

Four plays later Owl tailback Shi Flow found a seam in the Floydada defense and cashed in on a 20-yard TD scamper. Brian Jones added the conversion kick and the Owls were up 7-0. Only six minutes had elapsed in the contest.

Floydada fought back following the kickoff and moved from its own 35 yard line down to the Owl 37, but the 'Winds were unable to sustain the drive and were forced to punt. An exchange of punts put the ball back into Floydada's possession as the first quarter drew to a close.

Disaster struck on the Whirlwinds' next series. They moved to a first down and goal-to-go at the Reagan County 8 yard line. A bad exchange on the hand-off resulted in a 2-yard loss, and on second down QB Sammy Rodriquez was hit just as he was making the pitch. The ball was batted twenty-two yards up field, where Jefferie Ellison recovered for the Owls.

Reagan County quickly converted the Whirlwind turnover into six points with Jackie Hill covering the final 23 yards on an option play. Jones again connected on his point-after kick and the Owls were up 14-0. Michael Henderson fumbled the ensuing kickoff, Lorenzo Flores recovered for the Owls, and Reagan County was back in business at Floydada's 42 yard line.

Hill tossed the Owls' only pass completion of the night to Casey Yocham to keep a 13-play drive alive as Reagan County again found the Floydada end zone. The Whirlwind defense held for three plays within their own 5 yard line, but Hill carried it in on a quarterback sneak on fourth down from the 1 yard line. Jones' point-after kick attempt was wide to the left, leaving the score at 20-0, Reagan County.

As the seconds were ticking down with hardly any time left in the first half, the Owls were successful in an onside kickoff attempt, and regained possession at the Floydada 37. Hall's pass on first down was intercepted by Sammy Rodriquez for the 'Winds. Sammy's only pass completion of the game was hauled in by Jason Pyle at Floydada's 20 yard line as the second quarter horn sounded.

The Whirlwinds made some key adjustments in their defensive scheme during the intermission. Todd Cage, Scott Crader, Rafael DeOchoa and Micheal Gilliland led a defensive struggle as neither team was able to mount a sustained drive. Floydada's final attempt to put some points on the board came in the final three minutes. Senior QB Josh Thayer had runs of 12 and 11 yards off the option during the 6-play, 20-yard drive, but the 'Winds came up short on a fourth-down attempt, and Reagan County took over on downs at the Floydada 47.

Four plays later, Owl fullback Nuno Rivero scored a meaningless touchdown from 32 yards out in the last minute of play. Jones' conversion attempt was wide. The 'Winds received the ensuing kickoff, but ran out of time before they could mount any scoring threat. The final horn sounded with the 'Winds at mid-field, and the scoreboard read: Reagan County 26, Floydada 0.

The Owls travel to Clint this week for their last non-conference clash before opening District 6-3A play against Kermit on October 9. The Whirlwinds return to the friendly surroundings of Wester Field for their Homecoming date with the Bobcats of Childress. The 'Winds and 'Cats have identical 2-2 records in this rematch of last year's Bi-District meeting, won by Childress 21-20. Kickoff is at 8:00 P.M.

BILL'S NOTES

The Whirlwinds' "roller-coaster" season continues. They have committed more turnovers in the first four games than they did all last season. It wasn't so much that they were outplayed by the Owls...they just put the ball on the ground too many times against a team with an outstanding quarterback and an aggressive, opportunistic defense.

The 'Wind defense did an excellent job shutting down the veer-option after making some necessary adjustments at halftime. Floydada's lines on both sides of the ball continue to play well. Mental errors, penalties and turnovers have cost the Whirlwinds two tough ball games. Holding these factors to a minimum is a key this week and for the remainder of the season.

It won't take any special motivation to get the 'Winds up for the Homecoming clash with Childress. A lot of 'Winds have been looking forward to this date since last November. Charlie Johnston will bring a little different Bobcat club to town than the one the Whirlwinds saw last year. I am certain the Bobcats will see a different Whirlwind than the one at Snyder's Tiger Stadium last week.

It should be a crowd pleaser...especially the Floydada crowd as the Whirlwinds will rebound with a 30-15 Homecoming victory.

Congratulations to Lockney for knocking off pre-season district favorite New Deal. The 'Horns should go 2-0 in district play this week as they return home after a three game road swing. The way I see it is Lockney 27, Hale Center Owls 7.

Coach's Comments

By Coach Dean Bates

Too many fumbles!

We lost to a good Reagan County team, and we shot ourselves in the foot a lot of times. We played with good effort, but the results were not good because we put the ball on the ground at crucial times.

Our defense played extremely well in the second half and we had opportunities to get back in the game. We must now concentrate on a solid Childress team for Homecoming. We must play with enthusiasm and eliminate the turnovers and we will be a good football team.

See you at the game.

Snake Dance and Pep Rally planned tonight

Everyone come out and show your spirit at the Homecoming Snake Dance and Pep Rally. Little cheerleaders need to meet with the Varsity cheerleaders at 7:15 p.m. Thursday before the pep rally in front of the junior high school.

Parents we are not responsible for your child during the Snake Dance, therefore please have an individual to pick your child up at approximately 7:45 p.m. If they are not participating in the Snake Dance please have your child at Wester Field at 8:20 p.m.

Twirler correction

The picture of the varsity twirlers published in last week's Hesperian-Beacon incorrectly identified one of the girls as Joni Hendrix. The name should of read Joni Smith.

We apologize to Miss Smith for the error.

The twirlers at Floydada High School for 1992-93 are Joni Smith, Melissa Faulkenberry, Viola Hernandez and Amber Poole.

FHS freshmen lose to Hart

By Bill Gray

The Whirlwind 9th graders hosted the Hart Jr. Varsity on September 24, and came up on the short end of a 28-12 score. Hart got on the scoreboard in the first minute of the game by fielding a Floydada fumble on the opening kickoff and taking it all the way for a touchdown. The 'Horns converted the 2-point play for the PAT.

The Longhorns scored twice in the second quarter, but missed both extra points to take a 20-0 halftime lead. Floydada's defense came to life after intermission.

Floydada quarterback Zach Abshier cracked the Hart end zone off the option from six yards out for a touchdown. The extra point failed, but the 'Winds had cut into the Longhorns lead.

Hart scored an insurance touchdown and conversion in the 4th quarter to go up 28-6. In the game's final minute, Abshier connected with Rance Barnett for a 60-yard pass-and-run for a 6-pointer. The conversion failed, bringing the final margin of the Hart victory to 28-12.

The coach commented, "We didn't play well in the first half. When Hart picked up the opening kickoff fumble and ran it in, it took the air out of us for a while. The kids came back in the second half and played a lot better."

Floydada's freshmen and junior varsity will combine against the Childress JV at Wester Field on October 1. Kickoff is slated for 6:00 p.m.

7th grade Breezers beat Hart Junior High

By Bill Gray

Floydada's seventh graders traveled to Hart on September 24 and defeated a combined squad of Hart 7th and 8th graders, 8-6. Floydada preserved the narrow 8-6 lead on the last play of the game when, with 7 seconds remaining on the game clock, Richard Casillas stopped a Hart sweep on the Breezer 2 yard line.

The Breezers drew first blood in the second quarter. Following a Hart turnover, Floydada took possession on its own 3 yard line. Right halfback Fernando Maldonado scampered around right end and raced for a 97-yard touchdown.

The extra points scored by Mario Nunez turned out to be the difference in the ball game. Following a Hart TD in the 3rd period, Joe Lucio stopped the extra point attempt with a solo tackle.

Coach Jimmy Webster stated, "We played Hart's 7th and 8th combined. They were huge! One extra year at this level makes a big difference. We were giving up 20-50 pounds per man on the line (in some cases 75 pounds). Our guys got after them and put out a good effort. We still need to improve in so many areas, though."

The 8th grade Breezers had no game scheduled last week. This week both Breezer squads travel to Childress, with the 7th grade game due to start at 5:30 p.m., followed by the 8th grade at 7:00 p.m.

Whirlwind Fans!

Hey all you past, present and future Whirlwind fans Homecoming '92 has rolled into Floydada once again. The chosen team for the Floydada Whirlwinds to challenge are the Childress Bobcats. The action will take place at 8:00 p.m. at Wester Field. Everyone come out and support the Whirlwinds.

FOOTBALL CONTEST

GOOD LUCK!!

Football Contest Rules

Any subscriber or individual above the age of 7 years old who purchases a Floyd County Hesperian-Beacon is eligible to enter this newspaper's weekly football contest, except employees of this newspaper and family members living in the same household.

To play, **circle on the official entry form**, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing the game. In addition, write in the two tie breaker footballs your guess of the combined total points to be scored by the two teams listed in each tie breaker football. Also circle the team you believe will win. Circle both teams if you think the game will end in a tie.

The only entries which will be considered for prizes will be those on official entry forms which are brought to the Hesperian-Beacon office in Floydada or to the Hesperian-Beacon Office in Lockney by 5:00 p.m. on Friday. No photocopies will be accepted.

NO MAIL ENTRIES WILL BE ACCEPTED.

Three cash prizes are offered each week. In the event of ties - the same number of correct games and equal scores on the tie breakers - prizes will be shared by those involved in the tie. The tie breaker scores will be utilized only in the event of a tie on the number of games correct.

Print your name and address plainly on the official entry form and double check your choices before clipping out the entry form and depositing it at the Hesperian-Beacon office before 5:00 p.m. on Friday.

Entries are limited to one per person per week. Weekly winners are limited to one per household.

First Baptist Church Fall Revival begins Sunday

FLOYDADA — Dr. Travis Hart, pastor of First Baptist Church, Plainview, will be the evangelist for the Fall Revival Services at First Baptist Church, Floydada, October 4-8.

Dr. Hart and his wife, Janie, have two children, Harrison age 7, and Ellen, 3 years of age. He is a graduate of Wayland Baptist University with a BA degree in 1968; Southwestern Baptist Theological Seminary, (MDIv), 1971; Graduate Seminary, Phillips University, (DMin) 1976; and Southwestern Oklahoma State University, (Studies in Psychology) 1977. Dr. Hart's Doctoral Dissertation was "A Study of Ministry as Profession in Ministerial-Congregational Conflict".

He was Youth Pastor of First Baptist Church, Floydada, 1965-1967. Dr. Hart has pastored churches in Jermyn, Texas; Okeene, Oklahoma; Olton, Texas, and at present is pastor of First Baptist Church, Plainview.

Dr. Hart has served on the Executive Board of the Baptist General Convention of Texas, Executive Board of the Staked Plains Baptist Association, Trustee at Wayland Baptist University, was Chairman of the Presidential Search Committee, for Wayland, and Moderator of the Stake Plains Association.

His articles have been published in Southern Baptist Convention publications such as **Church Administration, Deacon Magazine, Proclaim, and encounter!.** Dr. Hart also serves on community boards such as the Advisory Board of Central Plains Regional Hospital (Methodist of Plainview), and the Advisory Council of Plainview Independent School District.

FNB Lockney and Floydada Branch have first Junior Board of Directors meeting

First National Bank in Lockney and the Floydada Branch Junior Board of Directors met at Janie's Restaurant in Lockney. The Junior Board members present were Kori Kellison, Jonathan Simpson, Ryan Ford, Tara Vickers and Shawn Hill. Michael Hernandez was unable to attend. Others present were Daphna Simpson, Ray and Ann Ford, Ricky and Kathy Kellison, Jim Doucette, Gerald Wiles, Judy Jackson and Ronnie Hardin.

After a meal and an opportunity for the bank personnel to get acquainted with the board members and visitors, the bank personnel explained the purpose and discussed the plans for the monthly meetings. The members of the Junior Board then selected Shawn Hill Chairman of the Board, Jonathan Simpson, Vice Chairman of the Board, and Kori Kellison, Secretary.

The next meeting is scheduled for Tuesday, October 27, in Floydada. Arrangements have been made to have Martin Lewis, CPA, of Williams, Rogers & Co. P.C., give a presentation.

Dottie Stansell attends JP seminar

LOCKNEY — Justice of the Peace Dottie Stansell was certified at a recent 20-hour Justice of the Peace Seminar held September 14 through 18, 1992 in Midland. The seminar was sponsored by the Justice of the Peace and Constables Association of Texas and is conducted by the Texas Justice Court Training Center headquartered at Southwest Texas State University in San Marcos.

The seminar is one of many held statewide to allow Justices of the Peace to meet their Continuing Judicial Education requirements as set forth in Supreme Court Rule and Statute (Art. 27.005) Texas Government Code. Judges were allowed to select areas of study that closely matched their courts activity.

Topics covered were as follows: Criminal Complaints, Traffic Law, Role of the Rural Judge and Rural Court Management, Rural Court Financial Management, Criminal Law - Filing thru Appeal, Juvenile Law, Civil Law, Magistrate Warnings, Contracts and Torts, Rules of Civil Procedure, Justice Civil -vs- Small Claims Court, Case Management, Forcible Entry and Detainer, Bond Setting and Forfeiture, Post Judgement Remedies, Jurisdiction and Venue, Judicial Ethics and Family Violence.

Floydada EMS volunteers participate in special training

Floydada EMS volunteer personnel participated in a special Pre-Hospital Trauma Life Support (PHTLS) class at Texas Tech Health Sciences Center in Lubbock on Saturday, September 26 and Sunday, September 27. Each EMS volunteer received 16 hours of continuing education credit for successfully completing the course.

Attending from Floydada EMS were Rhonda Guthrie, Shonda Guthrie and Placido Gonzales. The course is designed to teach EMS personnel the proper course of action for counteracting or controlling trauma at the scene of an accident and enroute to a hospital.

Floyd County Judge proclaims Oct. 4-10 as Fire Prevention Week

County Judge William D. Hardin has proclaimed the week of October 4 - 10, 1992 as FIRE PREVENTION WEEK in Floyd County.

The Floyd County Farm Bureau, in conjunction with all fire departments in the county are working together to emphasize fire prevention and protection throughout the county.

Fire Prevention Week is always the Sunday through Saturday period in which falls October 9, date of the Great Chicago Fire of 1871. The Chicago disaster killed 250 people and destroyed more than 17,400 buildings.

In this proclamation, Judge Hardin has called upon the citizens of Floyd County to participate in Fire Prevention Week activities such as locating and eliminating fire hazards; developing a home escape plan; and as the 1992 theme suggests — "Test Your Smoke Detector - It's Sound Advice!"

John Quebe, PRESIDENT of the Floyd County Farm Bureau said, "Fire is both friend and foe. We Can't live without it, but its destructive power is a threat we must control." Protect yourself by keeping fire a friend:

* Regularly inspect your house and out-buildings for fire hazards. Check the electrical system, electrical appliances and equipment , fuel storage, heaters and heating system. Make needed repairs or replacements without delay. Don't overload circuits or bypass fusing.

* Remove trash, stacks of paper and other unneeded combustibles that could feed a fire.

* Read and follow instructions with portable heaters. Place them where they won't ignite combustibles or be tipped over. Never use gasoline in a kerosene heater, and make certain gasoline and kerosene containers are clearly marked to avoid a mix-up. Never use a kerosene or gas-fired heater in a close area - have ample ventilation. Be certain you use the correct grade of fuel for your portable heating equipment.

* Check your heating system prior to the heating season. Install and use wood-burning stoves as directed in the manuals or other literature. Screen fireplaces. Keep chimneys and flues free of obstructions and creosote buildup.

* Keep matches and lighters out of children's reach.

* Never smoke in bed and avoid the easy chair when drowsy. Avoid smoking when using flammable materials or in places that have readily combustible materials such as hay, straw, dry weeds, grain dust, etc. Store flammable liquids in well-marked, closed containers. Make sure your cigarette or match is "out" before discarding.

* Install approved lightning protection systems on main buildings. Inspect them annually to make sure they are properly grounded.

* Be prepared for fire should it strike. Have operating smoke detectors and fire extinguishers. Develop and practice a home fire escape plan. Teach children how to call for help. Have a water supply available to fight fire.

* Choose and regularly inspect fire extinguishers that are the right size and type for the fires that might occur.

* Consider installing a sprinkler system in all new construction.

* Latest information indicates that every 15 seconds a fire department responds to a fire somewhere in the U.S..

A Residential fire occurs every 66 seconds . . .

There is a civilian (non-fire service person) fire death every 118 minutes. . .There is one civilian fire injury every 18 minutes . . .

An estimated $9,467.000,000.00 in property damage occurred as a result of fire in 1991, including 49,000 vehicle fires.

It is further estimated that 4,465 civilians (non-fire persons) died as a result of fire in 1991.

* For the hearing impaired a bright flashing light provides success in gaining attention. Use 110 candela when placed approximately six feet from the floor and connected with a smoke detector. Always consider variables. For more information call 301-463-0278.

WHIRLWIND SENDOFF--Floydada Whirlwind fans lined Highway 62 last Friday afternoon to show their support for the team and wish them luck on their trip to Snyder. Those present cheered and flashed posters as the Whirlwind bus left town.

Houston Livestock Show and Rodeo announces largest increase ever in educational program

Houston Livestock Show and Rodeo officials have announced an $877,520 increase in the 1992 education program, the largest increase in the Show's 60-year history.

The increase brings the Show's 1992-93 educational commitment to $3,471,580. The Houston Show has provided $28,566,368 in scholarships and other educational programs since 1957.

At the Million Dollar Scholarship Luncheon, Houston Livestock Show and Rodeo President Dick Graves said that all 175 four-year scholarships awarded this year, statewide, will increase to $10,000 each, and the 58 Area Go Texan one-year scholarships will increase from S$2,000 to $2,500. The four-year scholarship increase are all retroactive, meaning that every student in school on a Houston Livestock Show and Rodeo four-year scholarship will receive an additional $500 per year for the remaining years of their scholarships.

"We owe so much of the success of the scholarships program to all of our volunteer committees. Additionally, the money paid in excess of the auction caps, a wonderful number of corporate sponsorships and community support all contributed to a phenomenal scholarship funding total," said Graves.

Graves also released the figures from the Show's audit/finance committee for the 1992 fiscal year: total 1992 revenues—$24,512,751; expenses—$14,834,078; revenues over expenses—$9,678,673. This represents the largest excess revenue amount in the Show's history.

Other luncheon highlights were the keynote address by U.S. Secretary of Agriculture Edward Madigan and special remarks by former national FFA presidents Kelly and Donnell Brown. Donnell also is a former Houston Livestock Show and Rodeo four-year FFA scholarship recipient.

Three Area Go Texan counties were honored with special sweepstakes scholarships. Each of 58 Go Texan counties received a $2,500 one-year scholarship for a student from the county. The three additional counties, however, Waller, Washington and Wharton, showed above-average enthusiasm and received four-year, $10,000 scholarships for their students.

The Houston Livestock Show and Rodeo's junior show, scholarship and other educational program contributions for the 1992 fiscal year totaled $5,018,566.

AHA says to keep fat intake below 30% of total calories

By Melissa Long, CEA-HE

"Keeping fat intake below 30% of total daily calories" is the message for Food Festival 1992, sponsored by the American Heart Association.

During the Food Festival, September 19-25, area volunteers will encourage residents to make good choices whether dining out, selecting foods or preparing foods.

Eating foods low in fat and cholesterol is an important part of controlling the risk of cardiovascular disease. By reading labels and making proper food selections, you can keep your risk for cardiovascular disease low.

When choosing food products, choose those which contain polyunsaturated or monounsaturated fats, and avoid products containing saturated fats and cholesterol.

Cholesterol is a soft, fat-like substance found in animal products, (meat, fish, poultry) and is especially high in egg yolks and organ meats.

Saturated fats are fats that usually harden at room temperature and are found in animal products and in some vegetable products. Coconut oil, cocoa butter, palm oil and palm kernel oil are also sources of saturated fat.

Polyunsaturated fats are oils from vegetable products such as safflower and sunflower seeds, corn and soybeans. They help lower blood cholesterol.

Monounsaturated fats are liquid vegetable oils such as canola and olive oils. New research indicates they may also help reduce blood cholesterol.

Sodium is another food ingredient to monitor closely. Excessive intake of table salt and other products high in sodium content can lead to high blood pressure, which is a risk factor for a heart attack or stroke.

During Food Festival, residents are encouraged to join in activities at local schools, businesses and Senior Citizens Centers.

So celebrate your health today! Contact the American Heart Association for more information.

Steel Roofing Comes of Age In West Texas

Cover-All Home Pros of Lubbock, having specialized in steel siding, eaves and overhang trim for brick homes for 32 years, started receiving calls about steel roofing and decided to investigate this product. They found a wide variety of metal roofing available for the residential homeowner. They range from 29 gauge galvalume to 18 gauge Grecian copper. Warranties range from none at all to 20 years on both labor and material. After proper investigation it was found that the 25 gauge, double coated steel material carrying a 20 year labor and material warranty is the best buy for our sometimes damaging climate. This type of product is available in many new designer colors.

With 32 years of experience in the home improvement field, L.K. and Barbara Lankford, owners of Cover-All Home Pros, know it is not enough to have a quality product. You must have properly trained and qualified people to install the product. With this in mind they started seeking a person that was factory trained, honest and able to manage this new department. They chose Lee Wright, a contractor with 24 years experience in the home improvement business and all types of roofing. Lee is most impressed with this steel roofing system.

To introduce this product to this area we are offering discounts of up to 25% on our most popular colors in 26 gauge 20 year warrantied steel. Only a limited number of roofs will be installed at this greatly reduced price.

Of even greater interest to the homeowner is the fact that loans are available to those who qualify with up to 15 years to repay the loan and no down payment. Public Notice

Southwestern Bell Telephone Company, in accordance with the rules of the Public Utility Commission of Texas (PUC), hereby gives notice of the Company's intent to implement a new schedule of telephone rates in Texas for optional Custom Calling Services and Touch-tone service, effective March 15, 1993, unless otherwise determined by the PUC.

These proposed rates will not increase or decrease the Company's overall revenues; the net effect will be neutral to the Company's annual revenues.

The Company proposes to decrease the rates for Touch-tone service for residential customers from $1.00 to 68 cents, and also to reduce the Touch-tone rates for business customers from $1.75 to $1.70. In addition, the Touch-tone rates for business PBX trunks will be reduced from $3.15 to $2.18.

This proposal to decrease the rates for Touch-tone service does not change the commitment that the Company made in the Docket No. 8585 Stipulation to reduce the rates for Touch-tone service in 1993.

The Custom Calling Services affected by the Company's application are optional telephone service arrangements that provide the following features: Call Waiting, Call Forwarding, Three Way Calling, Speed Calling-8 and Speed Calling-30. Following are the feature combinations and their current and proposed rates.

	Residence		Business	
	Current Rate	Proposed Rate	Current Rate	Proposed Rate
One Feature per line				
Call Waiting	$2.10	$2.85	$2.65	$3.25
Call Forwarding	2.10	2.10	2.65	3.50
3-Way Calling	2.10	2.10	2.65	2.50
Speed Call-8	2.10	2.10	2.65	2.50
Two Features per line				
Call Waiting, Call Forwarding	3.75	4.25	4.75	6.00
Call Waiting, 3-Way Calling	3.70	4.25	4.75	4.75
Call Waiting, Speed Calling-8	3.70	4.25	4.75	4.75
Call Forwarding, 3-Way Calling	3.70	3.50	4.80	5.00
Call Forwarding, Speed Calling-8	3.70	3.50	4.75	5.00
3-Way Calling, Speed Calling-8	3.70	3.50	4.75	4.00
Three Features per line				
Call Waiting, Call Forwarding and 3-Way Calling	5.30	5.65	6.90	7.50
Call Waiting, Call Forwarding and Speed Calling-8	5.30	5.65	6.90	7.50
Call Waiting, 3-Way Calling and Speed Calling-8	5.30	5.65	6.90	6.25
Call Forwarding, 3-Way Calling and Speed Calling-8	5.30	4.90	6.90	6.50
Four Features per line				
Call Waiting, Call Forwarding, 3-Way Calling, Speed Calling-8	6.90	7.05	9.00	9.00
Speed Calling - 30 code capacity	3.20	3.20	4.25	3.20

Most of the Company's residence and business customers who subscribe to Custom Calling Features and Touch-tone service will be affected by the proposed rate restructuring.

It is expected that the restructuring of Custom Calling Features will result in a rate increase for approximately 2.9 million residence customers and 280,000 business customers. The reduction in rates for certain Custom Calling Services and Touch-tone Service will affect approximately 4.3 million residence customers and 1.7 million business customers.

This rate restructuring is expected to have a "revenue-neutral" effect on the Company's annual revenues. The proposed rate restructuring of Custom Calling Services will increase the Company's annual revenues by $19.8 million; while the reduction in Touch-tone rates will decrease the Company's annual revenues by $19.8 million.

This proceeding has been designated Docket No. 11382. Persons who wish to intervene or otherwise participate in this proceeding should notify the PUC as soon as possible. The deadline to intervene is October 30, 1992. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf.

Turnrow meeting to be held at Cone Monday, October 5

C. Mark Brown
Extension Agent-Entomology
Crosby/Floyd Counties

A turnrow meeting has been planned for Crosby County producers and agribusinessmen on Monday, October 5 at the Buddy Payne farm, 2 miles south and 2 miles west of Cone, from noon until 3 p.m. The primary topics of discussion will include results of the 1992 cotton variety test on this farm, cotton plant mapping procedures, and an open forum on planting cotton in terminated wheat cover.

After a meal, served at the barn behind Jeff Payne's house, the presentations will be given. Then, producers will have a chance to view the variety test that is planted in terminated wheat under the south pivot.

This turnrow meeting will be sponsored by the Texas Agricultural Extension Service, Crosby County Crops committee, and the Crosby-Floyd Pest Management Committee. For additional information, contact your local county Extension office at 806-675-2003 or 675-2426.

FLOYD CO. AG. UPDATE

Applications are being accepted

Applications for emergency farm loans for losses caused by excessive rain and hail which occurred on May 1, 1992, through July 30, 1992, are being accepted at the Farmers Home Administration (FmHA) office located in Floydada, Texas, FmHA County Supervisor Becky V. Rainer said.

Floyd County is one of twelve in Texas recently named by Secretary of Agriculture Edward Madigan as eligible for loans to cover part of actual production losses resulting from the excessive rain and hail.

Mrs. Rainer said farmers may be eligible for loans of up to 80 percent of their actual losses or the operating loan needed to continue in business or $500,000, whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest is 4.5 percent.

"As a general rule, a farmer must have suffered at least 30 percent loss of production to be eligible for an FmHA emergency loan," Mrs. Rainer said. Farmers participating in the PIK or Federal Crop Insurance program will have to figure in proceeds from those programs in determining their loss.

"Applications for loans under this emergency designation will be accepted until May 10, 1993 but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possibly over into the new farming season," Mrs. Rainer said.

FmHA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U.S. citizens and to farming partnerships, corporations or cooperatives in which U.S. citizens hold a majority interest.

The FmHA office in Floydada is open from 8:00 a.m. to 5:00 p.m. Monday through Friday.

October 13 final filing date for individual disaster payments

Individuals in Bailey, Briscoe, Castro, Cochran, Crosby, Floyd, Hale, Hockley, Lamb, Lubbock, Parmer and Swisher counties who are unemployed as a result of excessive rain and hail occurring May 1, 1992 through July 30, 1992, may be eligible for disaster unemployment assistance under Presidential Disaster Declaration FEMA-960-DR, according to Texas Employment Commission officials.

Claims for DUA will be accepted at TEC offices Monday through Friday between 8 a.m. and 5 p.m. until October 13, 1992, a period of 30 days from the September 14 announcement date. Individuals in these counties may file claims at the nearest Texas Employment Commission office and are encouraged to provide TEC representatives with information regarding persons who are unable to apply in person for assistance.

To be eligible for DUA, individuals must have worked or have been scheduled to work in the disaster area, but because of the disaster no longer had a job, a place to work in the area, or could not get to their place of work because of disaster damage; or they must have been prevented from working by an injury or illness resulting from the disaster; or must have become the head of a household and need employment because the head of the household died as a result of the disaster.

Unemployed individuals must provide pay stubs, W-2s, income tax statements or other proof of net income for the 18-month period preceding their date of unemployment to determine whether they qualify for DUA benefits.

This assistance is also applicable to self-employed individuals who have lost all or part of their livelihood as a result of this disaster. Self-employed individuals must provide income tax forms (Schedules SE and Schedule C or Schedule F) or other proof of their net income.

Each claim is considered individually, therefore anyone who thinks they may be eligible for assistance should visit with TEC representatives prior to the end of the filing period. Claimants applying for assistance should bring their Social Security card, the name and address of their last employer, documents verifying income prior to the disaster (i.e., income tax statements, pay stubs or W-2 Forms), and any documents indicating work eligibility status. Failure to provide this information may result in a delay in processing their claim. Agency officials understand that, because of property losses, some claimants may not have necessary information readily available, but every effort will be made to confirm employment information and expedite the application process.

Cotton production estimates caught in downward spiral

Production estimates for the High Plains of Texas seem to be caught in an endless downward spiral as the beginning of the 1992 harvest season draws near, according to Lubbock-based Plains Cotton Growers (PCG).

PCG officials, citing the two most recent USDA estimates, say that with each reduction in the estimates a clearer picture of the extent of this year's crop losses develops.

"Without the benefit of an acre by acre accounting there is really no way to accurately predict the outcome of the 1992 crop," explains PCG Execuuive Vice President Donald Johnson. "We truly won't know where we stand until the last bale is ginned. The one thing we do know is that the 1992 ginning season will be significantly shorter than what we would have predicted earlier in the year."

As usual the primary factor determining the eventual size of this year's crop will be the weather. Farmers with cotton in the field are hoping for a somewhat normal freeze date at the end of October or early November in order to give the crop a few extra weeks to mature. An early freeze could well mean the difference between a crop close to the USDA estimate of 1.24 million bales or a crop well below the one million bale mark.

A 1992 High Plains crop below one million bales would be the first not to reach the million bale level since the area produced 858,480 bales in 1950.

This year has been unprecedented in the number of acres we have already accounted for as lost, notes Johnson. The limited number of acres not only affects this years bottom-line, for most producers it will also affect the availability of planting seed as we get ready for the 1993 crop.

MORE COTTON NEWS

According to Lubbock-based Plains Cotton Growers (PCG) the month of September is closing on a hectic note with several meetings set for the last few days of the month.

Of primary interest to producers across the area is a meeting scheduled for 1:00 p.m., Tuesday, September 29, at the Lubbock Plaza Hotel. The Texas Seed Trade Association is holding a "Seed Law Forum" featuring discussion of a number of topics dealing with the Plant Variety Protection Act, Texas A&M University's seed release policies, and what may be a renewed effort to restrict the ability of producers to sell excess planting seed among themselves.

The meeting should prove to be very informative and those who would like to learn more about these issues are invited to attend.

Notes on storing pesticides safely

C. Mark Brown
Extension Agent-Entomology (PM)
Crosby/Floyd Counties

With the onset of Fall, now is a good time for homeowners and producers alike to check workshops and barns to be sure that pesticides have been properly stored. Proper storage will prevent potential hazards around the home, and will increase the shelf-life of the pesticides.

The best way to store small amounts of pesticide is in a locked cabinet, located in a ventilated area. The pesticide should always be stored in the original container, displaying a legible label. The pesticide should also be protected from extreme temperatures. Dusts and wetable powders may cake when subjected to wide variations in temperatures. At 32 degrees F. or below, liquid formulations may crystallize out of solution and lose their effectiveness. Pesticides should also be protected from direct heat sources. Any chemical with a flash point of 140 degrees F. or less is a possible fire hazard. Producers should not attempt to store sodium chlorate because of the extreme fire hazard involved.

Producers storing more than a few gallons of pesticides should check with local fire protection authorities and public health officials concerning legal ordinance. Under the Texas Agricultural Hazard Communication Law, producers and other entities that store pesticides in an amount of excess of 55 gallons or 500 pounds within one-quarter mile of a residential area composed of 3 or more private dwellings shall provide to the fire chief having jurisdiction over the storage area, in writing, the names and telephone numbers of knowledgeable representatives who can be contacted for further information, or in case of an emergency. The 55 gallon or 500 pound threshold amount shall be based upon the sum of all covered pesticide chemicals normally stored.

When storing a significant volume of pesticides, producers should adhere to the following rules:

* Keep chemicals in a locked storage area, well ventilated and clearly posted at all entry points.
* Date all containers.
* Keep a log of pesticides and amounts in storage.
* Check containers periodically for leaks, tears, etc.
* Do not locate storage area near feed or seed.
* Always store "empty containers" in the storage area pending disposal.

Properly dispose of all empty pesticide containers. Generally, a homeowner can dispose of an empty lawn and garden pesticide container in a dumpster to be disposed of in a sanitary landfill; but if possible, the container should first be triple-rinsed. Glass containers should be triple-rinsed, and have the lid removed. Metal containers not under pressure should be triple-rinsed and opened at both ends. The rinsed containers should then be wrapped in newspaper and/or a paper bag.

Currently, **properly rinsed** agricultural chemical containers are not classified as hazardous waste. However, due to limited capacity and more astringent state regulatory requirements, many landfills no longer accept agricultural chemical containers. In Texas, open burning of pesticide containers is illegal. Burying these containers may lead to serious environmental consequences, and is not recommended. Because disposal options have become so limited, both government and industry are currently promoting alternatives such as recycling. Opportunities should soon be available in our area for recycling properly rinsed plastic and metal containers. Once the container has been either triple - or pressure-rinsed, according to label directions, dispose of the rinsed lid and rinsed, hinged handles with other household waste. Store the clean, punctured containers in a dry, secure area away from any food, feed or water supplies until they can be recycled or reconditioned.

Army helps finance local college degrees

Army enlistees in New Mexico and West Texas qualified for nearly five million dollars in college financing during the last six months, according to Lt. Col. Brad M. Beasley, commander of the Albuquerque Army Recruiting Battalion.

During March through August 1992, 215 individual recruits within the battalion's area qualified for both the Montgomery G.I. Bill and the Army College Fund, Beasley said. The college-bound soldiers live across New Mexico, West Texas from Amarillo to El Paso, and the western edge of Kansas and Oklahoma.

Under the combined education program, the soldier contributes $100 per month during the first year of enlistment, a total of $1,200. This contribution is matched by the Army for a total of $17,000 for a two-year enlistment, $22,800 for three years, and $25,200 for four years for use at a college or vocational school after the Army enlistment.

Applicants must be a high school senior or diploma graduate, score in the top 50 percent of the entrance aptitude test, and choose job training in a critical skill area.

The $258,000 contributed by the new soldiers in New Mexico and West Texas will be matched by funds from the Army for a total of $4,834,600. The available college financing resulted from 53 two-year enlistments, 62 three-year enlistments, and 100 four-year enlistments.

"The Army continues to need the most talented youth to serve, and it offers not only a choice of training but the Army College Fund to attract them," said Beasley.

"The really great thing about these college programs," Beasley pointed out, "is that these are tax dollars coming home to our communities after the recruit leaves the service. He'll be there for a lot of years after he gets his diploma, sharing and contributing to the community and his fellow citizens."

Young people interested in financing college through the Army should contact their local Army recruiter for program details.

Coca-Cola Scholars Program offering scholarships to seniors

Materials for the 1992-93 Coca-Cola Scholars Program are available in over 19,000 high schools across the United States. This merit-based scholarship program awards 150 scholarships each year, making it the largest business-supported scholarship program of its kind.

High school seniors can compete for 50 four-year $20,000 scholarships and 100 four-year $4,000 scholarships, for study at any accredited U.S. college or university. Selection is based on leadership, achievement and commitment, both inside and outside the classroom.

The Coca-Cola Scholars are a very diverse group. Last year's recipients included a young man who achieved high academic success and spent many hours volunteering in his community while living in a group home; young people who volunteered through Appalachia Service Project, Habitat for Humanity, United Way and other organizations to rebuild communities. Young people who are deeply concerned with environmental issues, and initiated recycling programs. Young people who are concerned about the homeless and the hungry, and initiated clothing drives and soup kitchens.

More information and an application for this unique scholarship may be obtained from the scholarship coordinator at you high school. The application deadline is October 31.

We are truly grateful for your prayers, special love and support during our time of grief. You have given us renewed strength and courage.

Our prayers and good thoughts go out to those at the hospital, care center, those who prepared and served lunch, the ones who provided the loving service and friends and family members. Thank you.

Mama Lennie prepared us for this time by providing such happy and lasting memories for us to call on in the future.

God Bless and keep you,
