It's switch, swap & save time at your Texas Ford Dealer's

Save on Texas' ideal vacation car! Record-high sales mean record-high trades. Ford's ideal on vacation—it has more road-hugging heft . . . more insulation against heat . . . and longer intervals between routine service—than any other car in its class!

Play it cool with Ford air conditioning! Low-cost option also filters air, lowers humidity and boosts resale!

**Sporty reason
for switching to
Ford: Mustang!**

Low price includes luxury features often extra-cost options on other cars: bucket seats, 3-speed floor shift, 170-cu. in. Six engine, lots more!
