

Briefly

'Colorado'

"Colorado," Colorado City's men's singing group, will rehearse at 7:30 this Thursday evening in the C. C. Thompson Room.

All members are urged to attend and new members are cordially invited.

Special emphasis will be placed on selections to be sung during the city's "Day in the Park" celebration, Aug. 24 in the amphitheatre that night.

Football meeting

Colorado High School head football coach and athletic director Tom Ramsey announces that all football players for the coming season will meet at 6 p.m. today (Thursday) at the fieldhouse. Paper work (physicals) will be done and equipment issued.

Singing set

There will be singing at Oak Street Baptist Church Saturday, Aug. 10 beginning at 7 p.m.

The public is invited.

Volleyball

Volleyball workouts at Colorado High School will begin Monday, Aug. 12 at Wolf Gym. Workouts will be from 7-9 a.m. and 4-6 p.m.

Girls need to bring their physicals, according to coach Cindy McMillin.

Singing, dancing

Loraine Nursing Home will sponsor a dance and sing-along Friday, Aug. 9 starting at 7 p.m. at the home located on Campbell Street.

Refreshments will be served. A Colorado City band will be providing entertainment for all ages.

The public is invited.

Benefit dance

A benefit dance for St. Ann's Catholic Church queen candidate Hilda Rodriguez will be Friday, Aug. 16 from 8 p.m. until midnight.

Music will be provided by the Los Falcones of Snyder.

Annual festival

Loraine's Saint Joseph's Catholic Church will hold its annual festival on Sunday, Aug. 11 on the church grounds.

A Mexican dinner and tamales will be served starting after the 9:30 mass. Food, refreshments and game booths will be featured and entertainment will begin at 4:30 p.m.

The queen will be crowned at 7 p.m.

Answerline

(Q) When will the red light be installed at the intersection of 17th & Hickory street?

(A) According to Gaylord Price of the Texas Highway Department, construction should begin the later part of this month. Price said the contractor is waiting for all the materials to arrive. The bid was approved in June.

County studies proposed budget

By Ray Mayo
Editor

Mitchell County commissioners are looking at a proposed \$2.3 million budget for the coming fiscal year, almost \$200,000 more than the current budget.

Commissioners will be giving final approval to the budget at their meeting Monday as well as setting the tax rate for the coming year.

The county's current tax is 22.66 cents per \$100 valuation. The road fund tax is 7.21 cents per \$100 and the hospital district is 16.37 cents per \$100. The effective tax rate (the amount needed to bring in the same amount of tax revenues as the current year) is 23.71 cents for the county, 7.48 cents for the road fund and 17.07 cents for the hospital.

County auditor Georgie Griffith says there are still some adjustments to be made on the proposed budget including the calculation for a pay raise for county employees. Commissioners originally asked her to calculate a three percent pay raise for employees, but that is having to be refigured because of changes

hour law.

Mrs. Griffith said that this year's payroll will be larger, because the county will be having to budget for overtime pay.

The county will also have to budget indigent health care. A new law requiring the indigent health care funding will not take effect until next September and the county is proposing to budget \$30,000 for that amount.

New state law requires that counties be responsible for indigent health care. For instance, if an indigent patient is transferred from the county hospital to a hospital out of the county for more specialized care, the county will be required to pay the out-of-county costs.

Mrs. Griffith noted that the county is in the process of increasing its insurance coverage and that the premiums will be higher as well.

A big "if" for the county commissioners will be if Federal Revenue Sharing funds are continued. This year, the county received \$149,000 from the program. If the program is continued and the county receives more

Chamber lends support to project

Members of the Colorado City Chamber of Commerce board of directors Monday agreed to lend support to the Pool and Park Fund being conducted by the Colorado City Parks Board.

Chamber manager Penny Solomon explained that there was not a quorum of board members present at the Monday night meeting, but that those who did attend voiced support for the project.

She said ways in which to support the park project were discussed. Members also agreed informally to help with the "A Day in the Park" scheduled for

Saturday, Aug. 24.

Miss Solomon said a number of chamber-sponsored events are coming up including the Farm Tour on Sept. 20, the Homecoming Festival on Sept. 21, the Mitchell County Fair on Sept. 25-28 and the Railhead Arts and Crafts Festival Oct. 12-13.

Since there was not a quorum present at Monday's meeting, Miss Solomon said that a replacement for board member Horace Caldwell will be decided upon at the next meeting. Caldwell, immediate past president of the chamber, has moved from Colorado City.

CITY NATIONAL BANK president Robert Alford presents a \$3,000 check to Kit Lovell of the Colorado City Park Board as the bank's donation to the Pool and Park Fund. Looking on at left is Gay Houston, chairman of the Park Board's finance committee. The board is hoping to raise \$125,000 for a new pool and other improvements at Ruddick Park.

Pool, park fund grows

By Ray Mayo
Editor

More than \$37,000 has been contributed or pledged in the Pool and Park Fund for Ruddick Park, and Colorado City Park Board members are optimistic that Mitchell County will contribute another \$20,000 for the project from Federal Revenue Sharing Funds.

County commissioners, meeting in a budget workshop Monday, tentatively agreed to contribute the \$20,000 if the Revenue Sharing program is continued and if the legalities of the county

contributing to a city-owned project can be worked out.

However, commissioners told members of the Park Board that it will be after the first of the year if and when Revenue Sharing funds will be received.

The Parks Board is hoping to raise \$125,000 for a matching grant from the Texas Parks and Wildlife Commission for a new swimming pool and renovations in Ruddick Park.

If the total \$125,000 in local funds is received, in addition to

Accounts have been established at City National Bank, First National Bank, First State Bank in Loraine, First Western Savings and Loan and Homestate Savings for persons wishing to contribute to the fund.

Talent show rules listed

An old tradition will be revived on Saturday, Aug. 24 when a talent show is presented as one of the featured attractions of a "Day in the Park."

In the days when Ruddick Park was active, Mitchell County residents entertained each other with talent contests each Friday evening in the park's amphitheater.

During the "Day in the Park," a two-division talent contest will

be held. Everyone in Mitchell County is being asked to "show off their stuff" in the talent contest.

Rules for the talent contest are:

1. There will be two divisions to the contest:

A. Youth-Junior Division—ages 14 and under.

B. Senior-Adult Division—ages 15 and over.

2. There will be a \$5 non-re-

fundable entry fee for each act.

3. There is no limit to the number of performers within an act.

4. Each division will have first, second, and third place winners:

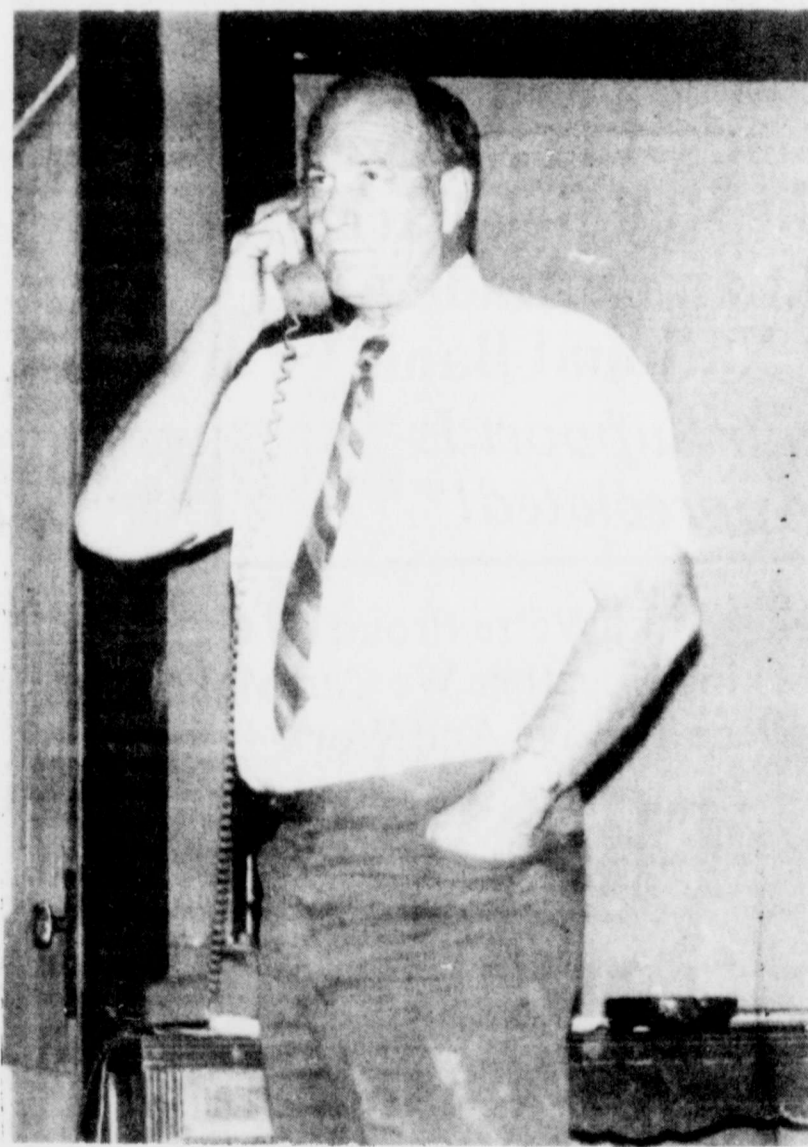

A. First Place Prize is \$50 cash.

B. Second Place Prize is \$35 cash.

PENNY SOLOMON, left, as "Jennie Malone" and Jim Baum, right, as "George Schneider" seem to spend a lot of time on the telephone as their relationship matures in the upcoming Colorado City Playhouse production of Neil Simon's "Chapter Two." The play will be presented Aug. 26, 27, 29, 30, 31 and Sept. 3 at the Opera House. The box office

will open Aug. 19 and reservations may be made between noon and 5 p.m. at 728-3491. The play revolves around a man in his 40s coping with the death of his wife of 12 years. Other members of the cast are Walter Hearin as "Leo" and Linda Hearin as "Faye Medwick".

Work day scheduled Saturday

Part of Ruddick Park should be shining a little brighter after Saturday which is scheduled as a work-day for the area east of Lone Oak Creek around the swings and picnic tables.

Sponsored by the Opti-Ms. Club, Business and Professional Women's Club and the Wallace Community Education Center, the work-day is being held in conjunction with the Pool and Park Fund currently under way. The east side of the park is not included in the grant received by the city. The work done by individuals and materials donated will help as in-kind contributions toward the Colorado City local match of \$125,000.

Persons willing to help are requested to bring paint brushes, rollers, gloves, riding lawn mowers, power mowers and yard tools.

Anyone who cannot assist in the work-day but wishes to donate paint to the project should contact Barbara Gray at the Wallace Center.

Drinks and snacks will be furnished by the Wallace Center.

Talent

C. Third Place Prize is \$25 cash.
5. Contestants should make decisions about the specific act to be performed by Aug. 20. Any act will be applicable.

6. Each division will have three judges.
7. A sound system will be provided.
8. A piano will be provided. (Performers wishing to use piano accompaniment must provide their own accompanist.)

9. A cassette tape player will be provided for those who use taped accompaniment.
10. A four-minute time limit will be placed on all acts. (Set up and removal of necessary equipment will not be included in the four-minute time limit.)
11. Performances will be either in the afternoon or evening of the Park Celebration Day, Saturday, August 24.
12. Entry dates begin Monday, August 12, with the entry deadline being Friday, August 16.
13. Interested persons should

contact Carl or Marsha Moore at 728-5890 or Kitten Arthur at 728-5013. Calls should be made after 5 p.m.

The prize money for the contests is being donated by Home-state Savings Association and First Western Savings Association.

"We are hoping for a big response to the talent contest," stated Moore, "so shine up those tap shoes, clean up that costume, warm up those vocal cords or whatever you need to do to get ready for a fun happening at Ruddick Park!"

As of Tuesday, \$37,169.49 had been raised or pledged. The city has pledged \$30,000 to the project and several individual donations, including \$3,000 from City National Bank, have been received.

Woody Anderson, chairman of the Park Board, estimates that \$50,000 worth of in-kind services for manpower and equipment will be needed for the project. Both the city and the county have pledged support in that area as well.

Plans are continuing for a "Day in the Park" set for Saturday, Aug. 24 at the park. Food and drink booths will be featured and games and a talent show are also scheduled. All the proceeds from the day will be used for the park project.

Taylor

Funeral services for Albert Norris Taylor of Abilene were held at the First Baptist Church in Loraine at 4 p.m. Monday. Officiating were the Rev. Butch Teach of Abilene, assisted by the pastor, the Rev. Rick Alkire. Burial was in the Loraine Cemetery, directed by Elliott-Hamil of Abilene.

Taylor died at his home in Abilene at 8:03 p.m. Saturday of an apparent heart attack.

He was born July 11, 1928 in Loraine. He graduated from Loraine High School and attended Hardin-Simmons University. He was employed for 29 years as store manager for LTV Energy Products Co. He married Juanice Bruce on February 14, 1975 in Sweetwater and moved to Abilene from Midland in August 1983. He was a member of the Masonic Lodge in Odessa and the First Baptist Church in Loraine.

He was preceded in death by his father, Albert Cline Taylor.

He is survived by his wife; his mother, Mrs. Eula Taylor of Loraine; one sister, Shirley Bowlin of Abilene; two nephews, Dale and David Bowlin of Abilene; an uncle, Willie Taylor of Loraine; two aunts, Mrs. Ethel Mearse of Loraine and Mrs. Nannie Miles of Colorado City and several cousins.

Vermillion

Birdie Vermillion, 92, of Kermit, formerly of Colorado City, died at 6:30 p.m. Sunday at the Kermit Nursing Center after a lengthy illness. Services were at 2 p.m. Tuesday at St. Luke United Methodist Church in Colorado City.

The Rev. Donnie Crowson, pastor at St. Luke United Methodist Church, officiated. Burial was at Colorado City Cemetery directed by Kiker-Seale Funeral Home.

Born March 23, 1893, in Ivanhoe, she married Hugh Vermillion on Sept. 10, 1927, in Carbon. She was a member of St. Luke United Methodist Church.

She was preceded in death by her husband on Dec. 25, 1957.

Survivors include her brother, Harvey Mitchell of Kermit. Nephews were pallbearers.

Cook

Jim Cook, 46-year-old son of Julia Mae and Jimmy Cook, formerly of Colorado City and now residing in Fillmore, Calif., died of a heart attack Saturday, Aug. 4.

Funeral services were held in California.

Cook was the nephew of Mrs. Charles Root of Colorado City.

'The Prodigal' to be shown at Calvary, Loraine

A fast-paced, modern-day allegory, akin to the familiar Bible story, "The Prodigal," a World Wide Pictures Presentation, will be shown Sunday, Aug. 11 at 6 p.m. at the First Baptist Church in Loraine and at 7 p.m. at Calvary Baptist Church in Colorado City.

Set in contemporary urban framework and intimately examining the gradual spiritual and emotional breakdown of an American family as each member searches for his identity, "The Prodigal," was filmed entirely on location in Seattle and various other spectacular sites throughout the state of Washington.

Heading the cast are John Hammond, Hope Lange and John Cullum. Hammond, who portrays the title role of the wayward son caught up in the netherworld web of drugs and sex, was recently starred in the hit mini-series "The Blue and the Gray." Award-winning actress Hope Lange stars as his confused and bewildered mother; while noted Broadway Tony Award winner, John Cullum, essays the role of his single-minded, career-consumed father.

World Wide Pictures, producers of such award-winning films as "The Hiding Place" and "Joni," is the film organization of the Billy Graham Association, and the internationally-known evangelist has a cameo role in the picture.

In commenting on the feature-length "The Prodigal," producer Ken Wales stated, "This is both an entertainment and a message piece. Some people will be uncomfortable when they see this film, as it strikes so close to home, paralleling so many of today's family situations. But we believe that the current trend of the public's willingness to examine its own conscience will place it on the 'must see' list of family entertainment."

Shift by Navy will aid Texas

By Lloyd Bentsen
United States Senator

In March 1976, during the last year of the Ford Administration, Secretary of the Navy J. William Middendorf announced that pilot training at the Corpus Christi Naval Air Station would be transferred to Pensacola, Florida.

This was terrible news for Corpus Christi and it also threatened the existence of air training stations at Kingsville and Beville.

Along with the people of Corpus Christi, I fought this proposal tooth and toenail. It was a tough battle and several times it looked as if we had lost.

The two main things we had going for us were the strong community support of Corpus Christi and excellent flying weather in the area.

The next year, President Carter named Charles W. Duncan Jr. of Houston as Deputy Secretary of Defense. We were able to convince Secretary Duncan that

the plan was a mistake. In December 1978, Navy Secretary W. Graham Clayton Jr. rejected the proposal and the Corpus Christi pilot training program remained in place.

Now, nine years later, the Navy has reversed its original plan and announced it is shifting some of its pilot training from Pensacola to Corpus Christi. The USS Lexington, an aircraft carrier used for training pilots, will be moved from Florida to the Texas Coast.

This announcement was made in conjunction with the recent selection of Corpus Christi as homeport for the battleship USS Wisconsin. In addition, the city will be assigned a cruiser, a destroyer and a minesweeper.

The Navy also will base part of the Wisconsin's Surface Action Group—two frigates and three minesweepers—in Galveston.

Together it is estimated the projects will bring \$238 million in economic benefits to Texas.

They will create 7,140 permanent jobs and will have a combined annual payroll of more than \$100 million.

This will be a boon to our state's coastal area, which has been suffering record unemployment. Support industries throughout our state will benefit from the activities at these Navy bases, as well.

Texas' success in winning the Wisconsin homeport and more pilot training is the result of an intensive effort by the people of Corpus Christi, Galveston and Houston; their city and state officials, and the Texas Congressional Delegation.

First we persuaded the Navy to base one of its four refurbished battleships on the Gulf Coast. Then, at my urging, the Texas Delegation last October united in support of a Texas location for the battleship. We made our views known in a letter to Navy

Secretary John F. Lehman Jr. and we stayed in contact to push our point of view.

In the months since, the Navy has seen Texas and Corpus Christi back their words up with firm commitments of financial support—\$50 million in all.

This spring, an attempt was made in the Senate to cut funding for the Wisconsin. We defeated it. Work remains to ensure final Congressional approval of this funding, as well as for funds that will be needed to construct the bases at Corpus Christi and Galveston.

But I am optimistic about our chances. After all, look how far we've come over the past nine years.

Pantoja to head bike-a-thon

St. Jude Children's Research Hospital has announced the selection of Erlinda Pantoja as chairman for this fall's bike-a-thon in Loraine.

According to Clifford Damstrom, southwest regional director, the cost of treatment, equipment, drugs, and research programs is met primarily by contributions from private individuals through programs such as bike-a-thons.

The impact of St. Jude's research work is felt in every community where cancer and other killer diseases strike. Over

10,000 children will be stricken with cancer during this year alone. Next to accidents, cancer is the leading killer of children in the United States. St. Jude is the world's largest cancer research center in terms of treatment success and is the only institution of its kind dedicated solely to research and the care of children stricken with catastrophic illnesses.

Damstrom stated, "It is gratifying that every year in towns all across the country, volunteer leaders organize bike-a-thons to benefit St. Jude Children's Re-

search Hospital. This would not be possible without the help and support of dedicated chairmen."

Danny Thomas, founder of St. Jude Children's Research Hospital, stated its purpose clearly: "To wipe catastrophic diseases of children from the face of the earth."

Those interested in assisting with or participating in the bike-a-thon can get more information by contacting Connie Rodriguez at 737-2761 or 737-2281.

Details of the ride will be announced later.

On Friday night, the Loraine Graham's entertained with a sandwich supper, freezer ice cream and cake at the Lions Club for the Mississippi relatives who arrived in Loraine that day.

Mission work trip taken by Galvans

Eddie and Nora Galvan were among the 16 from this area who went on a Mission trip to Old Mexico July 6-13.

They organized and worked in a four day Vacation Bible School at Casa Granda's and Ascension. The school at Casa Granda's was held in the mornings and from there they went to Ascension for the school at 5-6:30.

After the Bible school sessions, they would go in pairs and witness on the streets. The revival services were held from 8-10 p.m. with the Rev. David Holiday of Snyder doing the preaching. Nora's sister, Julia Juarez translated. After the night services closed, some would remain until 12-2 o'clock wanting to learn more about the

Man-Christ Jesus.

They spent the nights at hotels at Casa Granda, returning for the Vacation Bible School classes each day.

There were 16 who went from this area and 85 accepted the Lord during the week's services.

They plan to make another trip to do mission work in October.

Smoke Screen
Before taking any prescription medication, be sure to tell your doctor if you smoke. Smoking changes the effectiveness of many drugs. For smokers taking oral contraceptives, the risk of blood clotting increases. This is especially true after age 35 and when more than 15 cigarettes a day are smoked. Other medications have a reduced effect on smokers because they are eliminated more quickly than in non-smokers. These medications include bezodiazepines, tricyclic anti-depressants, insulin, propranolol (high blood pressure medication), phenothiazines (major tranquilizers), pheblybutazone (non-steroidal anti-inflammatory agent), propoxphene (painkiller), and theophylline (anti-asthma drug). The next time you are in need of medicine, take a large dose of caution as well.

The pharmacists at EDDIE'S of Colorado

City gladly explain to patients how to take drug products and also provide them with other necessary information to achieve the most positive value from the product or products their physician has ordered. Close collaboration between the physician and pharmacist is very important as they are both devoted to the betterment of your health. Special discounts are available to senior citizens who pay cash for their prescriptions plus we provide free delivery. You'll find us located at 1001 Hickory, 728-3476 and open Mon-Sat. 8-6, 24 emergency service available. We take Visa plus we accept most insurance plans.

Texas electric co-ops celebrate 50 years

Some 700 Texas co-op leaders joined last week in celebrating 50 years of rural electrification. They cited the record as reason for the celebration—from 97 percent of the rural populace without electricity in 1935 to 97 percent with electric service today.

In compiling this record, Texas' 80 rural electric systems have constructed more than 241,000 miles of lines throughout the rural areas of all but nine of Texas' 254 counties. They're now looking forward to connecting their one-millionth meter later this year.

Reference to the punctuated sessions of the 45th annual meeting of the Association of Texas Electric Cooperatives. More than 700 persons registered for the July 29-31 meeting in Austin. A focal point of the gathering was a program one evening citing the late President Lyndon B. Johnson for his particular contributions to the rural electric record.

At this point, Cactus Pryor, Austin showman oft identified as "LBJ's favorite emcee," reminisced of his acquaintance with Johnson. A film of Johnson's career and close association with electric cooperatives preceded Pryor's lively presentation.

The TEC association premiered a 45-minute version of another film, "Legacy of a Dream," one afternoon. The documentary recalls the early days of rural electrification, with old-timers discussing the hardships and the excitement of the early years. Twenty-two television stations across the state broadcast a 28-minute version of the film earlier this year.

An executive of the National Rural Electric Cooperative Association, Richard A. Pence, discussed some attempted hostile takeovers of co-ops by investor-owned utilities. The last successful takeover attempt was in Mississippi in 1972, when Mississippi Power Company gained control of a co-op's board and changed the bylaws allowing 200 members to cast 12,000 votes.

Pence explained that in recent years, several investor owned utilities have become "cash-rich," leading them to turn a hungry eye to the not-for-profit cooperative systems. Pence and Bill St. Clair, Austin attorney

and TEC general counsel, suggested ways for co-op managers and directors to defend themselves and co-op members from large utilities by hiring communication professionals, making changes in bylaws, and by conducting surveys to get a better understanding of members' attitudes.

TEC's chief operating officer, Jim Morriss, pointed out a major perception problem of cooperatives in his presentation, "Our Second Half-Century." "The investor-owned utilities' subsidy amounts to almost \$50 per consumer; the municipal subsidy is about \$40; and the

rural electric subsidy is about \$9 per consumer...Where is the equity between urban and rural consumers?"

State Representative Pete Laney of Hale Center, a farm and ranch community north of Lubbock, outlined the volatile nature of the political process and the shrinking number of rural members of the Texas Legislature. Laney, chairman of the State Affairs Committee in the House, helped stop detrimental legislation in the 69th Legislature that would have had "far-reaching" effects on all co-ops. Dennis Engelke, Government-in-Action Youth Tour director

for TEC, organized a reunion of approximately 200 youth tour participants to help celebrate REA's 50th birthday. TEC sponsors the annual youth tour, an idea of Lyndon Johnson's in the 1950s, which allows about 60 winners of speech or essay contests to visit Washington, DC, and study the political process.

The TEC government relations department presented a panel discussion on issues concerning co-ops such as dual certification of service areas, recent legislation, and Public Utility Commission management audits.

A. T. (Sonny) Turner of Southwest Texas EC consoled concerned co-op officials about the audits: "A PUC management audit is the best thing that can happen to a co-op; you should welcome one...don't be afraid of one," Turner said.

Voting delegates elected three men to two-year terms on the board of directors: Sam Houston of Hill County EC, Hollis E. Joslin of Johnson County EC, and J. R. (Russ) Vander Zee of Bandera EC. The board in turn selected new officers: Sam Houston, president, succeeding Bill McGinnis of Denton County EC, Hollis E. Joslin, vice-president,

and James Barr of Coleman County EC, secretary-treasurer.

The Texas Rural Electric Women's Association elected Mrs. Pat McAllister of North Plains EC Texas member of the national board. Mrs. J. R. Vander Zee was elected to the TREWA board.

Rural Friends, a political action group for the cooperatives, elected three new officers: Tommie Cutler, assistant manager of Taylor EC, is the new chairman; Jim Springs, general manager of DeWitt County EC is vice-chairman; and Sid Stevenson, president of Bluebonnet EC, is secretary-treasurer.

To the editor:
The Spade Reunion Association and Spade Cemetery Association wish to extend our sincere thanks to the Colorado City RECORD for the announcement of the Reunion and for the prominent display you gave it. We had one of our very best attended meetings, with many "first-timers" and we feel much of it was due to the publicity. Sincerely,

Land for sale by Veterans Land Board

AUSTIN—Texas Land Commissioner Garry Mauro has released a list of 58 tracts of state land that were recently ordered for resale to the highest bidder by the Texas Veterans Land Board. A public reading of bids submitted to the Veterans Land Board will be held on Sept. 25, 1985 at 9 a.m. in Room 118 of the Stephen F. Austin Bldg. at 1700 N. Congress in Austin.

The Veterans Land Board is now accepting sealed bids on the forfeited tracts that are located in more than 40 counties across the state. The tracts range in size from 10 acres to a 160 acre tract in Hall County.

Mauro, who serves as Chairman of the Veterans Land Board, said, "I want to urge all Texans that have been looking for good land to take advantage of this unusual high-bid sale. Everybody has an equal shot at winning under this arrangement."

The tracts are divided into two lots with 43 tracts in Section I restricted to bidding by Texas Veterans qualifying for the Veterans Land Program. Another 15 tracts in Section II are open to bids from both veterans and non-veterans.

"There's an enormous interest in this sale so I want to urge

you to get out as soon as possible, take a look at the tracts you're interested in, and get your bids in," Mauro said.

The sale will be by sealed bid only with a minimum bid set by the Veterans Land Board. All bids must be received by the board before September 25 at 9 a.m. at which time the bidding will close. Any and all bids received after that time and date will be rejected. The winning bidders will be notified by mail within two weeks of the sale. Bidders need not be present at the bid opening. The Veterans Land Board may reject any bids for any reason.

The interest rate to eligible Texas Veterans will be 9.97 percent on a 30-year assumable fixed-rate loan. The interest rate for the general public bidding on non-veteran tracts will be 11.47 percent on a 30-year assumable fixed-rate loan. A \$25 non-refundable fee on each tract bid has been set by the board.

"Financing at well below current market rates makes these tracts even more attractive investments for either a home site or for recreational use," Mauro said.

Mauro emphasized that fewer than one percent of the more than 85,000 loans made through the Veterans Land Program result in forfeitures because of delinquent payments.

"A fair but aggressive policy toward delinquencies is necessary if we are to continue offering generous terms to our veterans through this excellent program," he said.

"Periodic sales of forfeited tracts are consistent with my commitment to run the Veterans Land program in a cost-efficient, businesslike manner at no cost to the taxpayer," he stressed. "Prompt action on these infrequent delinquencies will ensure that not a single dollar is wasted on this program."

Details of the sale can be obtained by calling toll-free 1-800-252-VETS at the Veterans Land Board Monday-Friday 8:00 a.m.-6:00 p.m.

Oil, gas production down slightly

AUSTIN—Railroad Commission Chairman Buddy Temple has announced that Texas oil and gas wells produced 448,421,643 Mcf (thousand cubic feet) of gas in April, down 4.12 percent from April 1984. In March of this year, gas production totaled 466,131,594 Mcf.

Through April, Texas wells produced 1,895,848,440 Mcf of gas this year. Through the same period last year, the state had produced 1,944,826,091 Mcf of gas.

Marketed gas production in April totaled 356,682,258 Mcf and reflected a 6.25 percent decrease from the April 1984 volume. In March, the state produced 382,250,493 Mcf of gas in this category.

Marketed production is the gas left after liquid hydrocarbons have been separated on the lease from the "wet" gas that is usually produced at the wellhead. It also does not include gas that is reinjected into the producing reservoir to maintain gas pressure, gas that is used to fuel production-related equipment on the lease site, or gas that is otherwise not marketed.

Exports of Texas-produced gas in April totaled 169,566,963 Mcf and reflected a 2.83 percent increase from April of 1984. March exports of Texas-produced gas totaled 198,935,066 Mcf.

Texas gas production in April came from 205,085 oil wells and 46,465 gas wells.

Loraine citizens enjoy various vacations

Rundells enjoy California

Mr. and Mrs. Micky Rundell and children, RaiLynn, Robby and Rhyne arrived home Monday after a ten day trip through the Western States, destination, Anaheim, California to attend the International Gideon's Convention.

They left Loraine July 20 and visited her mother at Muleshoe and in Farwell visited his father. In Gallup, N.M., they spent the night and attended church at First Baptist Church in Flagstaff, Arizona. They visited the great Hoover Dam and on to Barstow, California where Mr. Rundell was born. They spent the night in Riverside, Calif. Monday they arrived in Anaheim and registered for the Convention, which was to open Tuesday.

Monday afternoon they went sightseeing, visiting the Queen Mary, the noted Airboat, Spruce Goose, built by the late Howard Hughes, now on display after 35 years in the hanger. Later they visited the Seal Beach and picked up shells.

The Convention started Tuesday and continued through Saturday. Tuesday was family outing day for those attending and their families and they went to Knott's Berry Farm. Each day something was planned for the young people while the parents were attending the convention. Wednesday they visited Disney Land, a trip to Raging Waters was planned for Thursday and to Marine Land on Friday. They went back to Knott's Berry Farm and this time enjoyed all the rides.

There were 3,491 registered for the convention. One hundred thirty-four countries represented and 502 from Foreign Countries. Some who did not have the means for extras and the Foreign Delegate Hosting Committee took them out to eat. Among those were one couple from Cayman Islands, three from Haiti, a man and son from Jamaica, three from Japan, a couple from New Zealand and one person from Austria.

Starting their trip back Sunday, they attended church at the First Baptist Church in Gils Bend, Arizona. They visited the Puma Air Museum, spent the night in El Paso. They went over the border to Juarez, N.M., to say they visited another country and visited a museum at Chami-zal National Monument.

Arriving in Big Spring, Robby and Rhyne wanted to play some miniature golf. After the games, they were soon back in Loraine after a very enjoyable trip.

Preston, Tartt take bus tour

When Iris Preston and Billie Ruth Tartt left Loraine to catch the Trailways Bus in Colorado City on June 21, they never

dreamed all the interesting scenes and experiences they would have before their 23 days tour on Dan Dipert Bus was over. The male tour director and the lady bus driver who was six feet two inches tall, plus all the other 40 passengers had much to do with the fun of the trip.

The group really got on the way from Arlington where they met Ruth Johnson Cook, a former Lorainian and daughter of the late Cora Johnson. The trip was cool in many ways—climate, bus, people and itinerary.

The great Salt Lake Country and Salt Lake City were outstanding places on the tour. The genealogical library there was

one stop, also the Mormon Choir and Tabernacle were visited and the group rode the old fashioned trolley cars there. Lake Tahoe was a beautiful stop and Reno with "Circus! Circus" and many other gambling casinos were colorful.

Sacramento was next, then three exciting days in San Francisco. There, the Golden Gate Bridge, Fisherman's Wharf, Telegraph Hill, Chinatown, Alcatraz Island, Bay Area Rapid Transit Bart Mark, Macy's, St. Gregory's, eating at the Green House Cafe, the cable cars, shopping, walking to Lambert St., the crooked flower strewn short street, Nob Hill, Oakland

Bay Bride, Ghiardella hot fudge sundaes are all memories that the Loraine ladies will treasure about San Francisco.

The giant California Redwoods were another thrill for the Mitchell County ladies. Some of them 3,000 years old, all of the land lubbers from Texas were excited at seeing the Pacific Ocean for so many miles.

They ate lunch in the Space Needle in Seattle where they could see Mt. Baker, Mt. Rainier as the cafe turned. They also viewed Mt. St. Helens.

They ferried, along with their bus, to Victoria British Columbia there they visited the exotic Butchart Gardens. They ate

lunch at the Empress Hotel and found out that Victoria is truly more British than English.

Next they ferried across the Strait of Georgia to Vancouver which is called the window on the Pacific. Protective coastal mountains and warm winds blowing in from the Pacific gives Vancouver a mild climate.

The Glacier National Park was filled with scenic beauty and excitement. The "Pearl of the Rockies" is Lake Louise and Banff, pronounced "Bamph" with spraying between the teeth, was the next stop. They took a snowmobile ride across the Athabasca glacier of the Colombian Ice Fields.

They visited Yellowstone National Park, where they spent the night in Yellowstone Lodge and were impressed with the old Faithful Geyser. On the way home, they went to the Air Force Academy in Colorado Springs and the Flying W Ranch where 1,200 guests were fed in 21 minutes.

In Amarillo, Mrs. Tartt's daughter and family, Mr. and Mrs. Eugene Daniels, Gina and Nolan met Mrs. Tartt and they traveled to Colorado for a week's vacation. Mrs. Preston went on to Arlington where her sister and husband, Mr. and Mrs. N. I. Reiter met her and all returned to Loraine.

Speaking of Sports . . .

By Tony Franco
Sports Editor

Colorado High School's 1985 football season is right around the corner, but before anyone speaks of back-to-school, let's tie up some loose ends from the school's past, outstanding year.

High on the ripples caused by last year's Area Champion football team is a certain Doug Chitsey.

Some might remember Chitsey as the quarterback for the 1984 regional finalists.

Chitsey was a three year starter for the Wolves and concluded his high school career by passing for over 2,000 yards during his senior year that was climaxed with All-State recognition.

Chitsey, headed to the University of Texas at Arlington on a football scholarship, was at home this week after participating in last Thursday's Texas High School Coaches Association All-Star football game.

The North won the 51st annual contest 14-7 behind a stingy defense that included Chitsey as a linebacker.

"I made a few tackles," said Chitsey. "I don't know how many."

As a team, the North All-Stars didn't allow the South a single

first down in the first half and Chitsey played strong side linebacker for all but two series of the entire game.

What does Chitsey remember the most from the All-Star game?

"Getting to come out of the tunnel at Texas Stadium like the Dallas Cowboys do."

Chitsey said he didn't get to quarterback because of a throwing arm that is not 100 percent and because the North already had seven quarterbacks, including Dallas Highland standout John Stollenwerck and Abilene Wylie's Bobby Lilljedahl.

Stollenwerck completed eight of 19 passes for 152 yards and was voted the game's outstanding back.

"I was glad to play linebacker because I got to play more than I would have at quarterback," said Chitsey. Lilljedahl, whom Chitsey buddied with long enough to learn a middle name Clovis, played only one series then just punted.

As for the game, Chitsey said "We thought they were going to pass more."

"They (the South) were talking about how they were going to beat us. They went full pads four days, but we just went one. I think it helped because we weren't tired or hurt."

The South did go to the air for its only score as Ronald Jiles of Houston Madison passed to Bay City's Hart Lee Dykes for a third quarter, 26 yard touchdown.

The North held a 7-0 halftime lead on a one yard, off-guard run by Corsicana running back Bill Jones. A 22 yard TD pass from Stollenwerck to Olney's Tom Elnoe regained the lead for the North with less than seven minutes remaining.

"We had a good time," said Chitsey, who shared the linebacking duties with Odessa Permian's Pat Watson and Tony Brown a fullback also headed to UTA.

"I wasn't tiny but I was one of the littler ones."

The athletes stayed on the campus of Southern Methodist University and worked out at Owenby Stadium. The All-Star experience included a Sunday 6 a.m. worship headed by ex-Dallas Cowboys defender Bob Bruenig, now representing the Dallas Fellowship of Christian Athletes.

Chitsey is just one of four Wolves that will be taking their athletic talents on to college.

All-State tight end Don Randle will be playing for Eastern New Mexico. Perry Conner will play football and run track for Austin College while Joey Ritchey will take his fleet feet to Lubbock Christian.

Films to be shown library

The Mitchell County Public Library will show the following films on Saturday, Aug. 10 at 2 p.m.

—"Goliath II," nine minutes, color, Disney, 1959. Goliath II, the tiniest elephant in the world, causes his parents great shame and worry until he performs a gigantic deed and proves that size isn't everything.

—"Many Moons," 13 minutes, color, CRM-McGraw-Hill, 1973. Based on James Thurber's Caldecott Medal book, this tells of 10-year-old Princess Lenore who is ill. She is offered her heart's desire if only she will get well. She asked for a moon, a request that confounded the Royal Wizard, the Lord High Chamberlain, and the Royal Mathematician, but not the Wise Court Jester.

—"Deaf Like Me," 23 minutes, color, Barr Films, 1981. Yollie is part of the class for the deaf at an elementary school. Shy and withdrawn, she is fascinated by a professional mime who appears at her school. They become friends, he teaches her several of his routines. She joins his performance and when they are a big success, she gives him a big hug and discovers hearing aids behind each of his ears. For the first time, Yollie realizes some of the possibilities life holds for her.
