Airport Fund Drive Short Of Goal As Opening Nears

The Sonora Airport Committee's fund drive is considerably short of the hoped for goal to complete needed improvements at the field. Approximately \$1,000.00 has been donated to date, according to Vestel Askew, Airport Committee Chairman.

Funds are needed to increase plane parking facilities, alleviate some drainage problems, construct and install a lighted wind Tee, provide oil and other supply storage, and perhaps add more lounge and office space. If sufficient funds are secured it is also proposed to construct and attractive entrance with signs giving name, altitude, and other facts about the Airport.

All donations are sincerely appreciated and those already received can be profitably used to help make the airport another fine asset for Sonora and Sutton County, Askew also said.

Junior High Team To Meet Junction Here Tonight

The Junior High School football team will have its first game of the season here Thursday night when they meet the Junior Team from Junction.

Game time is 7:30 and season ticket holders are reminded that their season tickets include admission to all Junior games.

To Take Office October 1

Sutton County ranchmen this week selected Agricultural Stabilization and Conservation Committee members to serve for the coming year. Edwin Sawyer was named chairman, W. B. McMillan, vice-chairman; Gene Shurley, member; R. L. Hardgrave, first alternate, and Vestel Askew, second alternate.

The new committeemen will take office October 1, 1958.

NOTICE

The Senior Class of Sonora High School will sponsor a bake sale Saturday morning. Baked goods will be offered beginning at nine o'clock in the Hamilton Building.

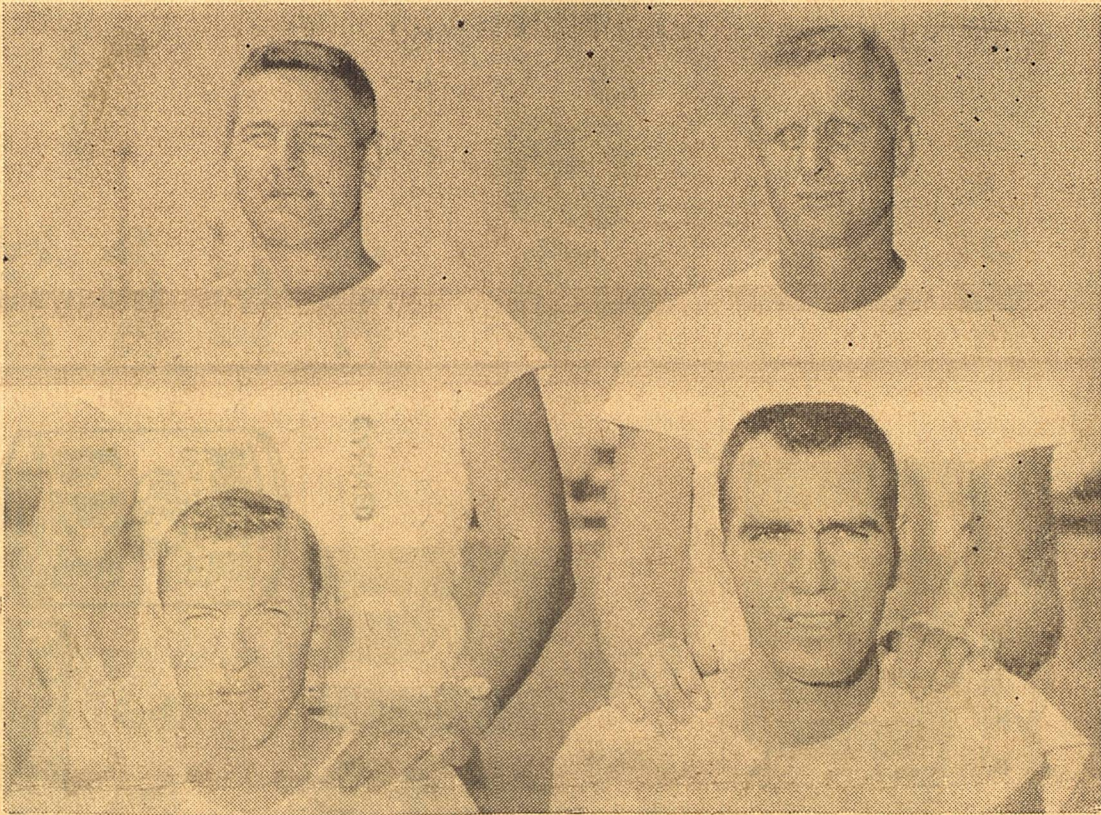

LIONS ROAR

Wall Cargyle of the San Angelo Standard-Times was guest speaker at the regular Tuesday luncheon meeting of the Sonora Lions Club this week in the basement of the First Methodist Church. Cargyle, a native of Wainwright, Oklahoma, spoke on Lionism.

Following Cargyle's talk, President Hillman Brown announced that Mrs. Charles F. Browne has offered to improve and enlarge Christmas decorations for the courthouse lawn this year. The Lions committee appointed to serve is the Rev. Doyle W. Morton, Jack Kerbow and Glen Hay.

A report on arrangements for the official airport opening was made. Dates for the annual Lions-PTA barbecue and auction sale were announced and committees appointed.

Broncos Travel To Eldorado For Grid Clash Friday

Picture above is the Bronco coaching staff which has been working overtime to prepare for tomorrow night's second football game. Standing are head Coach Joe Turner and his Assistant Oliver Wuest. New on the staff are seated below: Kenneth Cleveland and Milby Sexton.

Rodney Davis and Joe Friess will leave this weekend for Stephenville where they will enroll in John Tarleton State College.

With one victory to their credit this season, the Sonora Broncos will meet the Eldorado Eagles Friday night on the Eagles' home field. The Eldorado team also has one victory on its slate this year, having downed Rocksprings 14 to 6 last week.

The Eagles enter their first year of Class B football with only one man missing from their experienced squad of last year and are favored to win their district.

Probable starters for the Sonora Broncos will be: Alfred Sykes, Ben Castillo, Sam Galindo, Eddie Sosa, Johnny McClelland, Gene Brodhead, Bobby Joe Smith, Wallace Anthony, Doroteo Castro, Jimmy Smith, Vicente Garza, Armando Reyna, Jerry Potmesil, Luther Chalk and George Caldwell.

Game time is eight o'clock.

Water Bond Issue Due Voters' Say September 20th

Odds And Ends

With the official opening of the airport set for just one month from tomorrow we would like to call your attention to the fact that a drive is underway for funds needed to finish up this project and make it a really first-class installation.

Vestel Askew, chairman of the airport committee, puts it this way:

"The field has already proven its tremendous value to Sutton County's growing oil and gas development, as well as in other cases such as use by livestock buyers, charter pilots, pipeline and oilfield contractors, and for the bringing in of medical specialists in emergency cases. Such uses will multiply and increase as the field becomes better known and further developed.

"Because of the forthcoming Sonora stop of the All-Texas Air Tour, and our planned official dedication on October 12, as well as the increasing activities at the field, we are in immediate need of funds to increase plane parking facilities, alleviate some drainage problems, for painting and cleanup, and perhaps provide more office or lounge space.

"Existing facilities have been made possible without increased taxation or bond issues, but by splendid cooperation on the part of the city and county your volunteer support now will make it possible to complete the job and provide our community with one of the best smalltown airports in the state."

Vestel took on a tremendous job when he agreed to accept the chairmanship of this committee. He has worked hard, he has put out a sizable amount of money out of his own pocket to take care of correspondence costs, travel expense and many other items. He has also donated generously to the fund directly. As a member of the committee we would like to say that if everyone responded like he has done we'd have a La Guardia Field!

Saturday, September 20, is the date set by the City Commission for a vote on the proposed issuance of \$100,000 in revenue bonds for the purpose of enlarging water storage facilities, extending and enlarging mains and increasing pumping capacity.

Bonds to be voted are revenue bonds and must be repaid out of revenue from the water works. They cannot be paid from existing taxes or from any additional taxation.

Complete details may be found in the legal notices elsewhere in this issue.

Every eligible voter is urged to cast his ballot at the City Hall on the day of balloting.

Allison, Lambert Winners In Fishing Contest

Son Allison and Jeff Lambert were winners in the Corral Trading Post's fishing contest. Allison topped the catfishing division with a 33½ pound cat caught August 23 in the San Saba River.

Lambert took the bass prize with his winning entry, a four and three-quarter pounder caught in the Llano River near Junction on July 6.

25 Million Cubic Feet Of Natural Gas Leaving Sutton Daily Via El Paso

About 25 million cubic feet of natural gas is leaving Sutton County daily through the El Paso Natural Gas Co. compressor station six miles northwest of Sonora. The footage is coming from 28 wells now tied in to the system. An additional five wells are expected to be tied in within the next few days according to Vernon Rogers, manager of operations for the Sutton, Schleicher, Crockett, Reagan and Val Verde area.

The operational field office, which was moved here recently from Eldorado, has an operating staff of ten men, including switchers, gaugers, and maintenance men. Five families have moved in to Sonora already and another five are expecting to make their homes here as soon as suitable housing is found.

Personnel stationed here will be employed in field maintenance, switching wells, and regulating flow from tied in wells to meet requirements of the Jal office. Switchers and gaugers are responsible for getting crude oil and/or distillate into tanks at the

well sites. Wesley C. Young, local contractor, holds the contract to deliver crude and distillate to the Shell plant near Eldorado.

Notice, Ranchmen! Is Your Brand Registered?

According to Article 6899 Section 1 of the Revised Civil Statutes, State of Texas: "All records of marks and brands heretofore made as provided for by law, shall become void and of no force or effect, on the first day of October 1943."

County and District Clerk F. L. McKinney reminds ranchmen that legal owners had two years in which to re-register. Having failed to do this, his brand and marks have been forfeited.

McKinney further reminds ranchmen of the importance of registering their brands if they are not recorded now.

Enrollment Up

Enrollment in the Sonora system on the first day of school this year showed an increase of a little over one percent over the 1957 enrollment.

The total number of students enrolled for the 1958 school year is 843. Enrollment figures follow: Sonora High School, 186. Junior High (8th Grade), 74. L. W. Elliott Elementary, 294. Central Elementary, 268. Kindergarten, 22.

Broncos Roll Over Blanco 44-6 In Season Opener Last Week

The Sonora Broncos romped over the Blanco eleven Friday night 44 to 6 on a rain-soaked field that kept offensive action by both teams limited almost entirely to the ground. The Blanco's only ally, however, came as the result of a pass interception which Gerald Willkie carried 35 yards to the goal stripe in the final quarter.

Alfred Sykes, Bronco back, racked up 22 of the Bronco's 44 points with Sam Galindo accounting for 16 and Eddie Sosa scoring six.

The first quarter of play saw the Broncos piling up 22 points in spite of a heavy rain. In the second period Sonora scored 14 points, the third period was score-

less and in the final quarter the Broncos tallied eight points.

The new rules for optional conversion was in use for the first time this year by the Broncos. Under this rule, conversion by kicking scores one point while conversion by carrying counts for two points.

Other District 8-A teams fared as follows: Junction 20, Eden 15; McCamey 25, Ozona 12, Llano 6, Menard 2. Big Lake did not have a game.

Sonora students enrolling at Southwestern University, Georgetown, are Nancy Hart, daughter of Mr. and Mrs. A. C. Hart, and Jim Ray Baker, son of Mr. and Mrs. Ray Baker.

Hurricane Ella Brings Showers, Promise Of Good Winter Ranges

By E. B. Keng

Good rains fell over most of the Sonora area Saturday and Sunday, and scattered showers occurred during the week as a result of the disturbance created by Hurricane Ella. Rainfall was unusually spotted for such a storm, with reported rains varying from .60 to 5.50.

Heaviest rainfall fell east and southeast of Sonora, putting the North Llano River on a moderate rise. Bill Wade's gauge ran over after measuring 5.50 inches. Joe B. Ross measured 4.50, and Burt Rode had 5.00 inches.

Rainfall was lighter over the north and northwest part of Sutton County. Edgar Glasscock and Joe Logan measured .70,

while the Hospital Ranch and Alice Jones Headquarters Ranch received .60.

Most of the rainfall was slow and all soaked into the soil. With some 60 days of growing weather expected before the first killing frost, ranges should make splendid growth. The cool weather accompanying the moisture will germinate a good crop of winter vegetation, such as tallow weed, filaree, rescuegrass and bitterweed.

Rainfall reports obtained by SCS technicians are primarily for Saturday and Sunday rains and do not include additional showers falling later in the week.

JENSEN'S Model 13 W
is a little wonder
over a water well!

This is the smallest of 14 sizes of Jensen Jacks, but it's engineered to lift a lot of water from surprisingly deep wells with mighty little power. For example: With 1 1/3 h. p. motor it will handle a 215-ft. well having a 20-40 pressure system with a 2-in. cylinder. Even deeper with a smaller cylinder or open discharge. Before you equip a new well or re-equip your present well - talk to us about JENSEN JACKS or JENSEN AUTOMATIC WATER SYSTEMS.

....Diary of a Dollar....

IT has been a busy day. Early this morning I was swapped for some medicine for his baby by a fellow who got me in exchange for farm produce.

The druggist gave me to the boy who sweeps out for him, and the boy spent me to get his suit cleaned and pressed for the school dance tonight.

The cleaner took me and some of my brothers and paid his school taxes. I sojourned in the bank for a few minutes. Then a school teacher cashed her pay check and I started around town again.

Before the day ended I had changed hands 20 times, and had put \$20 worth of goods and service into people's hands . . . had accounted for \$20 worth of trade

in the community, and had been in one poker game. Not a bad day's work for one little old dollar.

I'd like to hang around this nice community for a while. But I wound up the day in the hands of a city shopper. Tomorrow I'll be on my way to go to work for city folks. It seems that some people want to get us dollars out of their sight and reach, for fear we'll make their community a better place to live.

Devil's River Philosopher Finds Summer Has Gone, But He Isn't Wondering What Happened To It

Editor's note: The Devil's River Philosopher on his bitterweed ranch on Devil's River has found out what time of the year it is, his letter this week indicates.

Dear editor:

I noticed by my calendar which a puff of wind coming through the window flipped over from July which I hadn't gotten around to tearing off yet, along with August—why tear off calendar a friend of mine was sighing and three or four will do just as well—that here it is September and summer is over.

Now this suits me all right. I don't sit around one day waiting for the next, as far as I'm concerned one time is as good as another to sit around in, but a friend of mine was sighing and complaining over the fact and saying it seemed like he hadn't accomplished a thing in the past three months, the summer just rushed by without a thing being done.

I don't take such an attitude. I accomplished as much this past summer as I set out to.

People have an odd notion about what they're supposed to do. You take Secretary Dulles. He's traveled all over the world this summer, worked night and day on the problems of the world, gone to bed late and gotten up early, but I can't tell from reading the newspaper that the world is any safer now than it was in the spring. This isn't to say he shouldn't have done what he did, it's just to say that there are two ways of handling a summer, one is to rush through it, the other is to let it do the rushing. I've always contended you get the same pleasure sitting in a stream and letting the water rush by you as you do thrashing through the water, and it's a lot less energetic.

The difference between me and a lot of people is that they try to accomplish what they set out to do, whereas I set out to do only what I accomplish. And the end of the summer comes to both of us, regardless.

As far as I'm concerned, it was a pretty good summer, and any-

body who's waiting for the world to settle down before he starts enjoying the seasons might as well throw his calendar away entirely.

As for the fall, I'm looking forward to that too. I know fall is supposed to be the time when a man renews his efforts, when his energy surges forward, but with me, and a lot of people I think, it's only a time of renewing thoughts about work, not doing anything about it. I intend to work this ranch all right, but I don't intend to let it work me.

Yours faithfully,
J. A.

HOW MANY HORSES IN YOUR HOME?

... in terms of the amount of work you give electricity to do, perhaps 5 or 6. The electricity an average American family uses actually equals the work of a half-dozen powerful horses.

Hard to believe? Stop for a minute and think of all the ways you put electricity to work—and how often. Cooling, heating, cooking, cleaning, lighting, even entertaining.

Yet how little all this electricity costs! Nothing else your family buys adds up to such a value.

The horsepower, equivalent in electric energy, used for Electric Cooking costs the average WTU family less than 3¢ a meal—about \$2.34 a month.

P. electric motor on stand, bench vise, 1 set automatic transmission micks.

TRUCKS

One 1957 Autocar Diesel Tractor, 180 Cummins Engine, 10 speed road ranger, 10 x 22 tires, 5th wheel, saddle tanks, ICC brakeaway valve, West Coast Mirrors. Registered in Texas for limit, like new. One 1957 International S 160 Cab and Chasis, 2-speed axle, factory reinforced frame, heavy duty rear end, registered in Texas. One 1958 Ford F 6 Cab and Chasis, 2-speed axle, 900 x 20 tires, low mileage. This truck has not been registered this year.

PARTS, SUPPLIES, FIXTURES

Several hundred dollars worth of new parts. Mr. Lyles was for many years the Buick dealer in Sonora and kept a good stock of parts. Most of these parts are for late model automobiles, mostly Buick parts but most of them are interchangeable with any General Motors car. One 6-shelf steel frame parts rack, 1 steel parts bin, 8 steel parts bins, 2 Kilbury heaters, 6' work bench, 9' work bench, 15' business counter, etc.

TANKS, PUMPS

Four 2,000 gallon under-ground storage tanks, 3 gasoline pumps, 1,375 gallon 2-compartment truck tank.

OFFICE EQUIPMENT

One 3 1/2 x 3 steel safe, 2 filing cabinets, 19 clip boards and record holders, 1 Royal typewriter, Victor adding machine, Marvel Paper punch, shelf and drawer desk, 1 mahogany desk, National Cash Register, 1 swivel chair, 1 Standard cash or invoice machine, Electrolux vacuum cleaner, etc.

PROPERTY

This business property is located on the corner of Concho and Chestnut in the city of Sonora, Texas. It consists of a lot 150 by 100. The frontage is 150 feet. Improvements include a corrugated sheet iron Quonset building 45 x 90. This building has a rock front and the front end is finished with a lot of plate glass as it was used for a show room floor for automobile agency. To the side of this building and on the back of the lot is a frame building with 5 separate stalls. The lot in front of this building has a solid concrete slab. This is an excellent place for a business establishment or is good investment property. An existing lien necessitates a minimum bid on property.

TERMS

Cash, cashier's check, personal and company checks accepted when accompanied by letter of bank credit. Everything sells to the high bidder regardless of price. No minimum or reserve on anything other than the property. Everything must be paid for the day of sale.

(being all of the bonds authorized by an ordinance duly passed and adopted on December 26, 1950); the above described bonds being all of the outstanding bonds chargeable against the water system of said City, and said bonds having been issued under and pursuant to the provisions of the Constitution and laws of the State of Texas, including Articles 1111 to 1118, both inclusive, of the 1925 Revised Civil Statutes of Texas, as amended, said above described bonds being ratably secured by a pledge of the net revenues from the operation of the water system, and each of said outstanding bonds being on a parity with an equal dignity with the other bonds, and said bonds being also additionally secured by a deed of trust on said water system, dated May 1, 1937, and a supplemental deed of trust dated December 1, 1950; and

WHEREAS, the Board of Commissioners deems it necessary and advisable to improve and extend said water system of said City to the extent of \$100,000.00, and in order to obtain the funds therefore desire to issue additional bonds to that extent, payable from and secured by the net revenues of the water system of said City; and

WHEREAS, the Board of Commissioners deems it necessary and advisable to refund \$50,000.00

of the outstanding bonds chargeable against the water system of said City, hereinabove described, being \$30,000.00 principal amount of the aforesaid CITY OF SONORA WATER SYSTEM REVENUE 4 1/2% BONDS, SERIES 1937, dated May 1, 1937, and being Bonds Nos. 41 to 70, both inclusive, and also \$20,000.00 principal amount of the aforesaid CITY OF SONORA WATER SYSTEM REVENUE REFUNDING 2 3/4 % BONDS, SERIES OF 1950, dated December 1, 1950, and being Bonds Nos. 1 to 20, both inclusive, into a like principal amount of water system revenue bonds, payable from and secured by a pledge of the revenues of the City's water system, after deduction of reasonable operation and maintenance expenses; and

WHEREAS, this Board of Commissioners finds that the aforesaid outstanding bonds chargeable against the water system in the principal amount of \$53,000.00 described aforesaid, may now be called for redemption prior to maturity, and that same should be called for redemption, and \$50,000.00 thereof refunded as herein provided, and \$3,000.00 thereof retired and cancelled out of available funds, which should be \$3,000.00 CITY OF SONORA WATER SYSTEM REVENUE 4 1/2% BONDS, SERIES 1937, dated May 1, 1937, in the denomination of \$1,000.00 each, being Bonds Nos. 38 and 39, due May 1, 1959, and Bond No. 40 due May 1, 1960; and

WHEREAS, it is now the desire of this Board of Commissioners to submit to the qualified resident property taxpayers voters of the City of Sonora, Texas, who own taxable property in said City and who have duly rendered the same for taxation, the proposition hereinafter set forth, for their action thereupon, NOW, THEREFORE,

BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE CITY OF SONORA, TEXAS:

I That an election be held in the City of Sonora, on SATURDAY, SEPTEMBER 20, 1958, which is not less than fifteen (15) or more than thirty (30) days from the date of this ordinance, at which election there shall be submitted to the qualified resident property taxpayers voters of the City of Sonora, Texas, who own taxable property in said City, and who have duly rendered the same for taxation, for their action thereupon, the following proposition:

PROPOSITION

"Shall the Board of Commissioners of the City of Sonora, Texas, be authorized to issue \$100,000.00 of revenue bonds of said City, for the purpose of securing funds to be used for improving and extending the water system of said City, such bonds to mature serially over a period of not exceeding twenty (20) years from their date, as may be determined by the Board of Commissioners of the City of Sonora, and to bear interest at the rate of not exceeding four (4%) percent per annum, interest payable annually or semi-annually; and to provide for the payment of principal of and interest on said bonds by pledging the net revenues from the operation of the water system of said City; and in the event that the Board of Commissioners be authorized to issue the \$100,000.00 of revenue bonds to improve and extend said water system, submitted in this proposition, aforesaid, then, and in that event, to issue one combined issue of water system revenue bond in the principal amount of \$150,000.00, such combined issue of water system revenue bonds being for the purpose of acquiring funds in the amount of \$100,000.00 to improve and extend the water system and for the purpose of paying off, cancelling and refunding \$50,000.00 principal amount of outstanding revenue bonds chargeable against said water system, described as follows:

\$30,000.00 principal amount CITY OF SONORA WATER SYSTEM REVENUE 4 1/2% BONDS, SERIES 1937, dated May 1, 1937, maturing on May 1st in each of the years as follows: \$1,000.00 in the year 1960; \$2,000.00 in each of the years 1961 and 1962; \$3,000.00 in each of the years 1963 to 1970, both inclusive, and

\$1,000.00 in the year 1971; being outstanding Bonds Nos. 41 to 70, both inclusive, of said issue;

and \$20,000.00 principal amount CITY OF SONORA WATER SYSTEM REVENUE REFUNDING 2 3/4 % BONDS, SERIES OF 1950, dated December 1, 1950, and maturing on May 1st in each of the years as follows: \$2,000.00 in the year 1959; and \$3,000.00 in each of the years 1960 to 1977, both inclusive; being outstanding Bonds Nos. 1 to 20, both inclusive, of said issue; such combined issue of water system revenue bonds, in the principal amount of \$150,000.00 to be issued in such manner that the aggregate amount of such bonds shall be ratably secured by a pledge of the net revenues from the operation of the water system of said City, and each bond to be on a parity with and equal dignity with the other bonds, and each bond to be conditioned that the holder thereof shall never have the right to demand payment of said obligation out of funds raised, or to be raised by taxation; all of said bonds to be issued under and as authorized by the Constitution and laws of the State of Texas, including Articles 1111 to 1118, both inclusive, Revised Civil Statutes of 1925, as amended?"

That said election shall be held at the CITY HALL in the City of Sonora, Texas, and the following named persons are hereby appointed officers of said election: Edwin Sawyer, Presiding Judge.

Mrs. L. E. Johnson, Sr. Assistant Judge.

Mrs. Louie Trainer, Clerk.

Mrs. A. W. Awalt, Clerk.

and the boundaries of said City are hereby declared an election precinct for the purpose of holding said election.

III That said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds in cities, as provided in the general laws of the State of Texas; and only those qualified resident property taxpayers voters of the City of Sonora, Texas, who own taxable property in said City and who have duly rendered the same for taxation, shall be allowed to vote at said election.

IV That the official ballots for said election shall have written or printed thereon the following: FOR

The Issuance of Water System Revenue Bonds and the Pledge of the Net Revenues of the Water System for the Payment thereof as Contained in the Proposition. AGAINST

The Issuance of Water System Revenue Bonds and the Pledge of the Net Revenues of the Water System for the Payment thereof as Contained in the Proposition.

V That, concerning the proposition, each voter shall scratch or mark out either with ink or pencil one of the above expressions, thus leaving the other as indicating his vote on the proposition.

VI That a copy of this ordinance signed by the Mayor and attested by the City Clerk shall serve as proper notice of said election. Notice of said election shall be given in accordance with Article 704, Revised Civil Statutes of 1925, as amended.

VII That the City Clerk is hereby authorized and directed to post notice of said election at the CITY HALL in said City (the place designated for holding said election, and at three(3) public places within said City, all of which notices shall be posted for not less than fourteen (14) days prior to the date set for said election.

VIII That the City Clerk is further authorized and directed to cause said Notice of Election to be published in "THE DEVIL'S RIVER NEWS", a newspaper published in and of general circulation in said City, which notice shall be published on the same day in each of two (2) successive weeks in said newspaper, the date of the first publication being not less than fourteen (14) days prior to the date set for said election. Except as otherwise provided in said Article 704, as amended, the manner of holding said election shall be governed by the laws governing general elections.

PASSED, ADOPTED AND APPROVED this, the 2nd day of September, 1958.
