CUTHBERT ENTHUSED OVER PIONEER HOME COMING TO BE STAGED NEXT SUNDAY

Several Hundred Expected At Celebration; Dinner To Be Served At Noon

Citizens of Cuthbert community are enthused over their initial homecoming celebration to be given Sunday in honor of pioneers who in the long ago paid out liberally with their means and influence in building for the better things in life. Several hundred visitors, among them men and women who lived there before turn of the century, are expected to be in attendance.

The Rev. C. F. Carmack, among the first Methodist preachers to ride his pony into that rural settlement and call the people to religious devotion on Sunday, is to attend and will deliver one of the principal addresses. Rev. Mr. Carmack is now living at Lamesa.

Another former pastor, Rev. H. W. Hanks of Paducah, will return to his former place in the little community church pulpit to preach. Rev. Mr. Hanks was pastor there several years and married a Cuthbert girl, the daughter of Mr. and Mrs. D. T. Bozeman.

"We are making every possible plan for entertaining our guests for this occasion and feel that this is to be a red letter day in the history of Cuthbert community," to quote a citizen of that section who Monday was a visitor in Colorado.

Along with paying tribute to the men and women who will be alive and present for the celebration, speakers are to extol leadership of others who have passed away. Among these will be the late G. W. Womack, early settler there and who is given credit for having a big part in establishment of the first Sunday school, that for a time met under trees near the Womack home.

A basket dinner is to be served at noon Sunday. Before formal opening of the homecoming program Sunday morning, entertainment features centered about the pioneer citizen and church are scheduled for Saturday night.

CIRCUS TENT CAPACITY PROVED INADEQUATE TO HANDLE LARGE THROG

Capacity of the Harley Sadler and Bailey Bros. big top proved too small as hundreds of citizens from all parts of Mitchell county jammed the three-ring circus enclosure Monday night. More than five hundred were turned away because there was no room for them inside and many others stood through the program, after every available seat had been taken.

The fund for paying for installation of lighting equipment at Cantrill Field shared in the ticket sales. It was one of the largest circus crowds ever seen in Colorado.

COUNTY PAPER DEPICTED AS MATERIAL FACTOR IN AFFAIRS OF THE PUBLIC

The Colorado Record is something more than a newspaper. It is an institution rightfully holding an important place in the progress of our schools, churches and all other factors that are worthwhile, the Rev. Dick O'Brien of First Baptist church declared during an address at Fairview school Monday morning.

The minister was principal speaker on program featuring opening of the school. He made reference to the newspaper after a representative of The Record had addressed the gathering.

BRIEF COLD SNAP GONE AS SUNSHINE RETURNS

The brief cold snap of last week that for a time necessitated the lighting of fires in homes and stores, was soon dispelled as bright sunshine took up its place again. Sunday and Monday of this week were like summer, bringing broad smiles to the faces of farmers who looked on in satisfaction as their cotton burst open under urge of the favorable weather conditions.

Charles Landau Is Open For Business On Walnut Street

Charles Landau has opened his new mens and boys exclusive store in the Vowell building on Walnut street with an entirely new showing of mens and boys suits, shoes, clothing, hats, shirts and other items that the well dressed man will be interested to consider.

The building has been made entirely new, including a new front, rebuilt from the ground up. Every item shown in the store is new, having just arrived from the Dallas and Eastern markets.

Associated with Mr. Landau will be Rod Merritt and Willie Landau, a brother of the owner. Charles Landau is well known to the public of this territory, having been in business here before.

BLEACHER SECTION AT CANTRILL FIELD TO BE PAID OUT SOON, CLAIM

The 464 new bleacher seats recently built on West side at Cantrill Field are almost paid for, "Doc" Ward, in charge of reserved ticket sales for the section, stated Wednesday morning.

"We have only \$92 more to raise before having this improvement in the clear and we expect to sell sufficient tickets within the next few days to liquidate that balance," he said.

The seats are being paid out of season ticket sales, being offered at \$1 each. Ward called attention to the fact there would be five more games at the field during this season.

DRUGGISTS LOYAL FANS AS WOLVES ENTER BOUT

Druggists of Colorado Friday evening evidenced their loyalty to the Wolves by closing their stores during dedication game at Cantrill Field. Druggists and their employees attended the grid fest in a body. The stores were opened after the game.

SCOUT LEADERS MEETING SET FOR MONDAY NIGHT

An important meeting of Scoutmasters and other officials of the local Boy Scouts organization is set for Monday night at First Christian church, according to W. W. Porter, A. C. Williamson of Sweetwater, area executive secretary, will attend. All others interested in Scouting are invited to be present.

RANCHERS WILL ATTEND EXPOSITION AT MIDLAND

Mitchell county cattlemen plan attending the Midland fair and race meet, scheduled to open October 19, for eight days. The unusually large cattle sale, in which 2,000 high bred Herefords are to be sold at auction, along with the livestock exhibits, are being considered with interest here.

There are few doves afield this season, local hunters who have sought the feathered creatures since opening of the season report. Dove were plentiful in all parts of the Colorado territory until a few weeks ago.

PROJECT OKEH RECEIVED AMID SMILES BY GREENE

Wire from Lloyd Croslin at Washington, secretary to Congressman George Mahon, announcing that PWA had authorized the lake and pipe line project for Colorado was accepted by Jim Greene, chamber of commerce secretary, as the best news coming into Colorado in a long time.

YOM KIPPUR BE GIVEN OBSERVANCE BY JEWS

Yom Kippur, the Jewish Day of Atonement, most sacred of all religious holidays, is to be celebrated Monday. Some of the Jewish owned stores in Colorado are to be closed through the day.

BAPTIST CONCLUDE PLANS FOR REVIVAL MEETING TO OPEN ON SUNDAY, OCT. 13

Rev. E. S. James of Cisco To Lead Congregation In Two Weeks Services

Plans for annual Fall revival at First Baptist church are being concluded with all indications pointing to a successful campaign, the Rev. Dick O'Brien, pastor, and leaders in the church, Thursday morning were quoted as having stated.

Rev. E. S. James, pastor of First Baptist church, Cisco, and who has conducted one revival meeting here, is to do the preaching. Coloradoans who have heard the Cisco minister accept that local Baptists are bringing one of their strongest evangelistic leaders here for the meeting.

The church is setting things in order for this revival and the pastor and his parishioners hope to enter the first service in the midst of strong spiritual state. During the recent past the church has devoted considerable attention to the Biblical admonition to tithing. This feature of religious worship is being generally accepted among leaders in the congregation.

"The Baptist church is bringing one of our great preachers to Colorado for this revival, to open Sunday, October 13, and run through two weeks," the pastor stated Thursday morning. "It is our sincere hope that Brother James shall lead this community into a great spiritual awakening. We cordially invite Christians in our sister churches to join with us in this campaign."

To further prepare the church for the revival a series of devotional services are to be held all next week. Rev. Mr. O'Brien stated. The services, to be held in the church from 7 to 8 o'clock during evenings, are to be centered about prayer and personal service. Christians of other congregations will be welcomed to these pre-revival meetings.

RED CROSS CAMPAIGN IS MAPPED AT C-C PARLEY

Plans for annual Roll Call of the American Red Cross were mapped at meeting held Tuesday morning at the chamber of commerce. Hayes Holman, principal of junior high school, was named chairman, and stated he would announce his assistants within the next few days.

BURGLAR FAILS IN TRY TO ENTER MODEL SHOP

A burglar who early Thursday morning sought to break into the Model Shop made good his escape after having been detected by Night Patrolman Mosley. Damage was done to rear wall of the building as the burglar attempted to break through from underneath stairway leading to second floor.

PORTER RESIDENCE IS DAMAGED LAST SUNDAY

The residence of Mr. and Mrs. W. W. Porter, Walnut and West Ninth, was damaged by fire originating in roof of the building at 9:30 o'clock last Sunday morning. The greater damage was from water as the fire department, brought the fire under control.

BARGAIN HOUSE OPENING SALE TO BEGIN FRIDAY

Formal opening sale at the Bargain House, new business establishment recently opened in building next door to the City National bank, is to start Friday morning, the management has announced. Attractive prices in all departments will be in effect.

RADIO OPERATOR BILLED ON BANK ROBBERY COUNT

Bill McCumber, 28, former radio operator at the Midland airport, was indicted by the Ward county grand jury at Barstow Tuesday for a bank robbery at Barstow a month ago. McCumber has been held in the Reeves county jail at Pecos since his arrest, in default of \$15,000 bond.

Sweetwater Group To Pay Good Will Visit On Monday

Bringing along the Sweetwater Municipal band and a number of program features, Grady Shipp of the Sweetwater board of city development and a group of Sweetwater citizens plan to pay Colorado a "good will" visit next Monday evening, October 7.

Shipp stated this week in a communication to J. H. Greene, secretary of the Colorado Chamber of Commerce, that he and his party plan to arrive here about 7 o'clock.

They will, he said, do their "ballyhooing" on the downtown streets, then go on to Ruddick park band shell and present a free program of band music and other entertainment features.

Plans are for C. C. Thompson, president of the Colorado Chamber of Commerce, to make the welcome address in behalf of Colorado. Coloradoans and Mitchell countians are invited to attend.

SERMONS FOR CHURCH OF CHRIST AT SEVEN WELLS, LANDERS ARE ANNOUNCED

Subjects for his Saturday night and Sunday morning sermons at the Landers Church of Christ and for his Sunday afternoon and Sunday night sermons at the Seven Wells church were announced this week by Minister Frank Trayler of Abilene Christian college.

On Saturday night at Landers Minister Trayler will preach on "The New Birth" and on Sunday morning at the same place his subject will be "Adorning the Doctrine of God."

At Seven Wells Sunday afternoon he will preach on "Footprints of Jesus." His Sunday night sermon there will be on "Obedience to God."

FIRST WPA SEWING ROOM APPROVAL IN DISTRICT IS GIVEN TO COLORADO

The first sewing room approval given in this WPA district is Colorado's, according to information given J. H. Greene, secretary of the Colorado Chamber of Commerce, in Abilene at the district WPA offices Wednesday afternoon.

Working orders for operation of the room have not yet been issued. It will give employment to 51 women. Greene was accompanied to Abilene by Mrs. Bobbie Reese of the Mitchell county relief office and by Miss Nellie Mae Henderson, district relief case supervisor in Sweetwater.

Miss Caroline Chambers, head of the women's work in the district WPA set-up, told Greene that the project's prompt approval was due to its being made out correctly when submitted.

FATHER MRS. HOMER WINNETT IS KILLED IN TEMPLE ACCIDENT

Falling from a wagon load of feed which he was hauling from the field, Mrs. Homer Winnett's father, Lee Shirley, was instantly killed on his farm near Temple Wednesday.

Mrs. Winnett was notified of the tragedy immediately but was unable to go to Temple for the funeral today (Thursday). Her father fell beneath the wagon wheels and they passed over his head.

Besides Mrs. Winnett Mr. Shirley is survived by his wife, a son, and three daughters.

That the State is considering with favor petition to improve Highway 101 from Colorado north is indicated in information received this week by officials of the chamber of commerce. Belief that the road will now be improved is expressed.

The regular meeting of the West-brook Parent-Teacher association will be held at the school building Thursday afternoon, October 10, at 4 o'clock.

REVIVAL SPEAKER IN PLEA FOR CHRISTIANS WITH THE UNALTERING FAITH OF JOB

'Take It On The Chin If You Would Defeat Satan,' Is Challenge Given

One reason why the church is not making greater progress toward the universal goal of leading a lost world to Christianity is in the fact there are too many leaders in the realm of religion who cannot take it on the chin as did Job when beset with the temptations of Satan, Rev. C. A. Long of Sweetwater, outlined during his sermon address at First Methodist church Sunday morning.

"Job refused to rise up and curse God, even after all his worldly possessions and his children had been swept away in a series of the most exacting temptations that ever a man of God was subjected to," he said. "Even after his wife had chagrined him and tried to induce this great man of the East to turn away from his Lord, Job's three personal friends called to make light of his condition and urge that he denounce his Maker. But this great character remained firm in his faith."

In his concluding sermon of the revival Sunday evening Rev. Mr. Long portrayed in an interesting manner characteristics of the devil in projecting his vile propaganda. This was among the great services of the eight-day campaign. Six persons were received into the church, four of them on profession and baptism.

In speaking of the cooperation given the series of revival meetings, the visiting minister offered strong tribute to the local press, along with men and women who during the meeting had given loyalty of their time and leadership in the services.

"I have received the impression after reading general news content of your local newspaper that it is an organization in this city and county that stands for the better things in life," he said. "I am especially appreciative of the splendid cooperation given us in this revival, and I am told by other preachers that this paper has ever given liberally of its space to promote the objectives of all other church organizations here."

There were a total of 19 additions to the church as direct result of the revival, the pastor stated Monday. This number placed total membership increase for the conference year at 90. "and you can tell them that I mean to get the ten required to make this record 100 before annual conference convenes in November," he concluded.

Spiritual condition of the congregation was never better during his pastorate here, Rev. Mr. Wright declared. "We have realized a larger number of converts and subsequent church additions, but the eight-day revival closing Sunday evening was one of the best in building spirituality that I have ever known."

REV. W. M. ELLIOTT ELECTED MODERATOR EL PASO PRESBYTERY

Election of the Rev. W. M. Elliott, pastor of First Presbyterian church at Colorado, as moderator and selection of Clovis, New Mexico, as the April meeting place were closing features of the fall meeting of the El Paso Presbytery in Coahoma Wednesday.

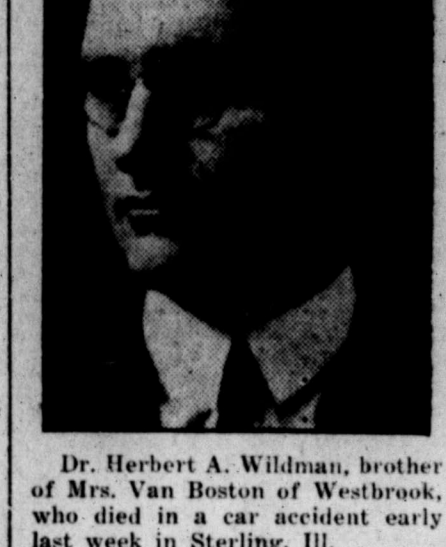

John Elliott, son of the Rev. and Mrs. Elliott, was accepted by the presbytery as a candidate for the ministry. John is now a junior in Austin college at Sherman. He was in Coahoma for his acceptance.

Thos. Dawes, who had been named commissioner for the Colorado church to the meeting, was unable to attend.

COUNTY JUDGE PLEASED WITH RESULTS RECEIVED

County Judge E. L. Templeton will aver that this newspaper is an excellent advertising medium. The other day he advertised certain farm land for sale. A short time after the edition had gone into the mails he called to order that ad out. "I have sold that farm already and want now to advertise another one for sale," he commented.

DIES IN ILLINOIS

Blanks Assumes Charge Of Pecos Laundry Business

A. B. Blanks, resident citizen of Colorado several years, Monday assumed charge of the Pecos Valley Laundry Company, at Pecos. He closed deal purchasing the plant Thursday of last week at Sweetwater. Recently Mr. Blanks has been associated with the Shell Pipe Line Company here.

Blanks located in Colorado in 1922 and for a time was owner and manager of the Colorado Laundry. He disposed of this property and he and family returned to their former home at Ada, Oklahoma, to reside. After a time they moved back to Colorado where he accepted employment with the city and later with the pipe line corporation.

His daughter, Miss Alice Blanks, member of the Colorado school faculty, is to remain in that position.

THE RECORD BEGINS ITS 31ST YEAR WITH THIS WEEK'S ISSUE

"Us" and the Dallas News are having anniversaries this week—just two great newspapers getting up in years. With this issue The Record is beginning its thirty-first year of publication in Colorado under ownership of the Whipkey Printing company.

Last year, at the beginning of its thirtieth year, The Record celebrated with a special edition in which the paper's history was set forth in detail. From that history the following brief review is taken:

Two brothers, F. B. Whipkey and A. L. Whipkey, came here from West, Texas, in September, 1905, and bought The Record from Mrs. T. A. Kindred, who had launched it a few months before.

In a town that was known as a "graveyard for newspapers" they set out against odds to build a paper that would last.

The Record has lasted through thirty full years. Interwoven with its history is the history of Colorado and Mitchell county. The publishing firm now is composed of F. B. Whipkey and his son, W. W. Whipkey, who bought out the interest of A. L. Whipkey in 1926.

CITIZENS URGED TO GET CANNED-GOODS AT PLANT

FINAL APPROVAL FOR DUAL IMPROVEMENT IS RECEIVED BY CITY TUESDAY MORNING

Citizens To Confer With The Mayor and Councilmen Monday Evening

Whether or not Colorado proceeds with construction of proposed lake on Champion Creek and pipe line connection with the city's municipal water distributing system, rests entirely with the people themselves. That was announcement given to Coloradoans Thursday morning by Mayor J. A. Sadler when questioned by The Record as what steps would next be in order, since the State and Federal PWA offices had registered approval on the projects.

"I am issuing call for a meeting of the city council Monday night to consider the lake and pipe line projects and all interested citizens will be given a hearing," the mayor said. Official approval of the projects was received Wednesday by the city from Julian Montgomery, State PWA chief with headquarters in Fort Worth.

The properties would cost \$183,656, \$101,000 of which would be a loan from the government and the remainder of \$82,656 a direct grant. It is accepted that definite steps looking to financing the city's part, either through revenue bearing warrants to be issued against income of the water department, or a direct bond issue, will be determined at the meeting Monday night.

The former plan is being accepted more generally, it developed Thursday after interested citizens had conferred on the question at the chamber of commerce. A committee composed of Thos. R. Smith, Jim Greene and Joe Pond was appointed to confer with Mr. Montgomery as to the most acceptable method of financing the dual project.

"Whoever made up your application is to be congratulated on its completeness—it had to be complete to receive such quick and favorable action," is statement in letter received Thursday morning by the mayor from H. D. Hughes of Dallas, manager of the Texas Cast Iron Pipe Company. Roy D. Buchanan was engineer who made up detailed specifications and estimates on the projects. Buchanan was assisted in filing both the skeleton and formal applications by Jim Greene, chamber of commerce secretary.

FINE COTTON WEATHER, SFADE FARMER MUSES

"This is certainly fine cotton weather and a few days of warm sunshine will send us farmers into the fields in earnest," was comment by Robert Northcutt, Spade farmer, who Tuesday afternoon was a visitor in Colorado. Crops in his community continue to hold out promising aspects, he concluded.

CUTHBERT ENTHUSED OVER PIONEER HOME COMING TO BE STAGED NEXT SUNDAY

Several Hundred Expected At Celebration; Dinner To Be Served At Noon

Citizens of Cuthbert community are enthused over their initial homecoming celebration to be given Sunday in honor of pioneers who in the long ago paid out liberally with their means and influence in building for the better things in life. Several hundred visitors, among them men and women who lived there before turn of the century, are expected to be in attendance.

The Rev. C. F. Carmack, among the first Methodist preachers to ride his pony into that rural settlement and call the people to religious devotion on Sunday, is to attend and will deliver one of the principal addresses. Rev. Mr. Carmack is now living at Lamesa.

Another former pastor, Rev. H. W. Hanks of Paducah, will return to his former place in the little community church pulpit to preach. Rev. Mr. Hanks was pastor there several years and married a Cuthbert girl, the daughter of Mr. and Mrs. D. T. Bozeman.

"We are making every possible plan for entertaining our guests for this occasion and feel that this is to be a red letter day in the history of Cuthbert community," to quote a citizen of that section who Monday was a visitor in Colorado.

Along with paying tribute to the men and women who will be alive and present for the celebration, speakers are to extol leadership of others who have passed away. Among these will be the late G. W. Womack, early settler there and who is given credit for having a big part in establishment of the first Sunday school, that for a time met under trees near the Womack home.

REVIVAL SPEAKER IN PLEA FOR CHRISTIANS WITH THE UNALTERING FAITH OF JOB

'Take It On The Chin If You Would Defeat Satan,' Is Challenge Given

One reason why the church is not making greater progress toward the universal goal of leading a lost world to Christianity is in the fact there are too many leaders in the realm of religion who cannot take it on the chin as did Job when beset with the temptations of Satan, Rev. C. A. Long of Sweetwater, outlined during his sermon address at First Methodist church Sunday morning.

"Job refused to rise up and curse God, even after all his worldly possessions and his children had been swept away in a series of the most exacting temptations that ever a man of God was subjected to," he said.

"Even after his wife had chagrined him and tried to induce this great man of the East to turn away from his Lord, Job's three personal friends called to make light of his condition and urge that he denounce his Maker. But this great character remained firm in his faith."

In his concluding sermon of the revival Sunday evening Rev. Mr. Long portrayed in an interesting manner characteristics of the devil in projecting his vile propaganda. This was among the great services of the eight-day campaign. Six persons were received into the church, four of them on profession and baptism.

In speaking of the cooperation given the series of revival meetings, the visiting minister offered strong tribute to the local press, along with men and women who during the meeting had given loyalty of their time and leadership in the services.

"I have received the impression after reading general news content of your local newspaper that it is an organization in this city and county that stands for the better things in life," he said. "I am especially appreciative of the splendid cooperation given us in this revival, and I am told by other preachers that this paper has ever given liberally of its space to promote the objectives of all other church organizations here."

There were a total of 19 additions to the church as direct result of the revival, the pastor stated Monday. This number placed total membership increase for the conference year at 20. "and you can tell them that I mean to get the ten required to make this record 100 before annual conference convenes in November," he concluded.

Spiritual condition of the congregation was never better during his pastorate here, Rev. Mr. Wright declared. "We have realized a larger number of converts and subsequent church additions, but the eight-day revival closing Sunday evening was one of the best in building spirituality that I have ever known."

In a town that was known as a "graveyard for newspapers" they set out against odds to build a paper that would last.

REV. W. M. ELLIOTT ELECTED MODERATOR EL PASO PRESBYTERY

Election of the Rev. W. M. Elliott, pastor of First Presbyterian church at Colorado, as moderator and selection of Clovis, New Mexico, as the April meeting place were closing gestures of the fall meeting of the El Paso Presbytery in Coahoma Wednesday.

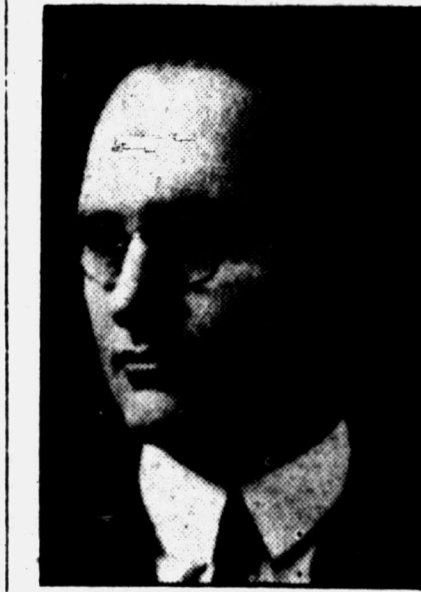

John Elliott, son of the Rev. and Mrs. Elliott, was accepted by the presbytery as a candidate for the ministry. John is now a junior in Austin college at Sherman. He was in Coahoma for his acceptance.

Thos. Dawes, who had been named commissioner for the Colorado church to the meeting, was unable to attend.

COUNTY JUDGE PLEASED WITH RESULTS RECEIVED

County Judge B. L. Templeton will aver that this newspaper is an excellent advertising medium. The other day he advertised certain farm land for sale. A short time after the edition had gone into the mails he called to order that ad out. "I have sold that farm already and want now to advertise another one for sale," he commented.

DIES IN ILLINOIS

Dr. Herbert A. Wildman, brother of Mrs. Van Boston of Westbrook, who died in a car accident early last week in Sterling, Ill.

Blanks Assumes Charge Of Pecos Laundry Business

A. B. Blanks, resident citizen of Colorado several years, Monday assumed charge of the Pecos Valley Laundry Company, at Pecos. He closed deal purchasing the plant Thursday of last week at Sweetwater. Recently Mr. Blanks has been associated with the Shell Pipe Line Company here.

Blanks located in Colorado in 1922 and for a time was owner and manager of the Colorado Laundry. He disposed of this property and he and family returned to their former home at Ada, Oklahoma, to reside. After a time they moved back to Colorado where he accepted employment with the city and later with the pipe line corporation.

His daughter, Miss Alice Blanks, member of the Colorado school faculty, is to remain in that position.

THE RECORD BEGINS ITS 31ST YEAR WITH THIS WEEK'S ISSUE

"Us" and the Dallas News are having anniversaries this week—just two great newspapers getting up in years.

With this issue The Record is beginning its thirty first year of publication in Colorado under ownership of the Whipkey Printing company.

Last year, at the beginning of its thirtieth year, The Record celebrated with a special edition in which the paper's history was set forth in detail. From that history the following brief review is taken:

Two brothers, F. B. Whipkey and A. L. Whipkey, came here from West Texas, in September, 1905, and bought The Record from Mrs. T. A. Kindred, who had launched it a few months before.

In a town that was known as a "graveyard for newspapers" they set out against odds to build a paper that would last.

The Record has lasted through thirty full years. Interwoven with its history is the history of Colorado and Mitchell county. The publishing firm now is composed of F. B. Whipkey and his son, W. W. Whipkey, who bought out the interest of A. L. Whipkey in 1926.

CITIZENS URGED TO GET CANNED GOODS AT PLANT

Citizens having canned goods at the Mitchell county relief canning plant are urged to call and get it, according to a statement issued Thursday morning by W. R. Charters, plant manager.

The plant is now closed and Charters is anxious to get the foodstuff distributed to owners.

DISTRICT WPA HEAD IS VISITOR HERE THURSDAY

R. C. Hoppe of Abilene, district planning and projects chief for the WPA, with headquarters in Abilene, was here Thursday to confer with the county school superintendent, county judge and other citizens relative to projects planned for this county.

FINAL APPROVAL FOR DUAL IMPROVEMENT IS RECEIVED BY CITY TUESDAY MORNING

Citizens To Confer With The Mayor and Councilmen Monday Evening

Whether or not Colorado proceeds with construction of proposed lake on Champion Creek and pipe line connection with the city's municipal water distributing system, rests entirely with the people themselves.

That was announcement given to Coloradoans Thursday morning by Mayor J. A. Sadler when questioned by The Record as what steps would next be in order, since the State and Federal PWA offices had registered approval on the projects.

"An issuing call for a meeting of the city council Monday night to consider the lake and pipe line projects and all interested citizens will be given a hearing," the mayor said. Official approval of the projects was received Wednesday by the city from Julian Montgomery, State PWA chief with headquarters in Fort Worth.

The properties would cost \$183,000, \$101,000 of which would be a loan from the government and the remainder of \$82,000 a direct grant. It is accepted that definite steps looking to financing the city's part, either through revenue bearing warrants to be issued against income of the water department, or a direct bond issue, will be determined at the meeting Monday night.

The former plan is being accepted more generally, it developed Thursday after interested citizens had conferred on the question at the chamber of commerce. A committee composed of Thos. R. Smith, Jim Greene and Joe Pond was appointed to confer with Mr. Montgomery as to the most acceptable method of financing the dual project.

"Whoever made up your application is to be congratulated on its completeness—it had to be complete to receive such quick and favorable action," is statement in letter received Thursday morning by the mayor from H. D. Hughes of Dallas, manager of the Texas Cast Iron Pipe Company. Roy D. Buchanan was engineer who made up detailed specifications and estimates on the projects. Buchanan was assisted in filing both the skeleton and formal applications by Jim Greene, chamber of commerce secretary.

FINE COTTON WEATHER, SFADE FARMER MUSES

"This is certainly fine cotton weather and a few days of warm sunshine will send us farmers into the fields in earnest," was comment by Robert Northeutt, Spade farmer, who Tuesday afternoon was a visitor in Colorado. Crops in his community continue to hold out promising aspects, he concluded.

COTTON ASS'N PLANS TO GIVE FULL COOPERATION

The West Texas Cotton Growers association plans to offer every possible cooperation to member growers in the territory served, according to E. Barber of Spade, director of the organization who Saturday was in Abilene to attend an executive meeting. Reports heard at the meeting indicated fair yields over the district.

BAND CONCERT WILL BE GIVEN AT RUDDICK PARK

A concert program is to be given from the band shell in Ruddick park Monday evening by the Sweetwater band, Director Rose of the Colorado band stated Thursday morning. The visiting musicians will give a brief concert in the business district before going to the park.

COLORADO YOUTHS IN TEXAS TECH'S BAND

Two Colorado youths have been accepted as members of the Texas Tech band and are making trips with the band each week. The two are Bunkie Girvin, son of Mr. and Mrs. Luke Girvin, and Robert Earl Wulf, son of Mr. and Mrs. Sam Wulf.

Mrs. Merritt Returns From Nashville Meet

Bearing interesting reports of the work done by her committee and of the things she saw while away, Mrs. J. G. Merritt returned Friday night from Nashville, Tennessee, where she attended a meeting of the Peace and International Relations committee of the Methodist Women's Missionary council of the Southern Methodist church.

Seven women, two from Texas, attended committee meetings, which were held in the Andrew Jackson hotel. The seven were guests of Scarritt college during a vespere service and later had dinner with Dr. and Mrs. Cunningham. This plant was built by women of Southern Methodism.

Mrs. Merritt was especially impressed by the rich furnishings of Andrew Jackson's home, called the Hermitage. Other points of interest which she visited included Centennial park, the capital building, and Ward-Belmont. She came home on the train with Texas and California delegations returning from the National Legion convention in St. Louis.

Gleaners' Officers Installed Tuesday

Installation of officers of the Gleaners' class of the First Baptist church took place at a meeting Tuesday evening at the home of Miss Elizabeth Terrell with her, Miss Sally Miller, Mrs. Edmond Nowell, and Mrs. C. L. Joyce as hostesses.

Mrs. P. D. O'Brien conducted the installation service, presenting each officer with the emblem of her position. Those installed were:

Teacher, Mrs. A. L. White; president, Mrs. Luke Thomas; first vice-president, Miss Billy Wyatt; second vice-president, Miss Terrell; third vice-president, Mrs. Jimmy Irwin; fourth vice-president, Miss Fern Kelly; secretary, Mrs. Jack Davis; treasurer, Mrs. Tom Henderson, Jr.; four group captains, Mrs. Tom Burrus, Miss Pearl Bryant, Mrs. Clifton Yater, and Mrs. Emmett Berry.

A Halloween recreation hour followed the installation. Four ghosts conducted guests on a tour, followed by a treasure hunt.

Hot chocolate, gingerbread, whipped cream and apples were served to Mrs. A. L. White, Mrs. Luke Thomas, Mrs. Tom Burrus, Mrs. Edmond Nowell, Mrs. C. L. Joyce, Mrs. Jimmy Irwin, Mrs. Bryce Webb, Mrs. Jimmy Irwin, Mrs. Tom Henderson, Jr., Mrs. Jack Davis, Mrs. Bob Brinkley, Mrs. Cor Harris, Mrs. Emmett Berry; Misses Pearl Bryant, Helen Hamer, Johnny Lou Callison, Billy Wyatt, Eleanor Derrick, Lorena Evans, Sally Miller, and Terrell, all class members. Special guests were Mrs. O'Brien, Miss Fae Shelton, Miss Mary Rice, Miss Audrey Mae Iglehart, Doris Wayne O'Brien, and Marie O'Brien.

Centennial Tea For Visiting Doctors' Wives Will Be Social Feature of Week

The spotlight of social activities this coming week will be focused on the home of Mrs. P. C. Coleman, which will be the scene of a Centennial tea honoring the wives of doctors attending the Mid-West Texas Medical Society's annual convention here next Wednesday.

Wives of Colorado and Mitchell county doctors will be hostesses for the affair. Mrs. H. G. Whitmore is general chairman of arrangements and Mrs. Coleman is invitation chairman. The affair begins at 3:30.

For the occasion the Coleman home will be decorated in a centennial motif. Centerpoint of the reception room decorations will be a picture of General Sam Houston, draped with the Texas flag. Red, white, and blue tapers will burn in candelabra throughout the entertaining suite. Floor baskets and vases will be filled with flowers.

Guests, which will number about 150, will be met at the door of the

Coleman home by Miss Mildred Coleman. In the receiving line will stand Mrs. Coleman, Mrs. W. R. Snow of Abilene, Mrs. N. J. Phenix, Mrs. T. A. Martin of Lorraine, Mrs. T. J. Ratliff, Mrs. C. L. Root, Mrs. J. P. Johnson, Mrs. W. L. Hester of Lorraine, Mrs. James Daly of Abilene, Mrs. H. G. Whitmore, Mrs. J. Melvin Crymes, and Mrs. Harold Lindley.

The house party will include druggists' wives—Mrs. Bill Oswalt, Mrs. Jack Mayes, Mrs. W. L. Doss, Jr., Mrs. J. M. Doss, and Mrs. John L. Doss; and dentists' wives—Mrs. B. F. Dulaney and Mrs. R. D. Bridgford.

A Texas Centennial program will be presented by pupils of Mrs. James Guitart.

Tea will be poured from an antique silver service by Mrs. Coleman and Mrs. Snow of Abilene.

About thirty doctors' wives from out of town are expected to attend. Mrs. Snow and Mrs. Daly of Abilene are both officers of the State Medical auxiliary.

Zetathians Have Business Meeting

Preparatory to beginning their club year, the Zetathians met in a called session Monday afternoon at the home of the new president, Mrs. James Logan.

The certificate showing the club's membership in the General Federation of Women's Clubs in the United States was exhibited. Explanation of the use of reference books in the club's course of study was made by Mrs. Logan, who had worked out a library plan. The club voted to limit the time that books may be kept to twenty-four hours, charging a fine of 25 cents for overkeeping.

The new year books were presented. Mrs. Mary Lee Tidwell reported having sent twenty-five magazines to the Looney school. It was announced that members may hereafter leave magazines at Mrs. Leslie Crowder's store and a Looney teacher will call for them.

Designated to attend the county federation on Tuesday in the place of Mrs. I. L. Ellwood and Mrs. Ed Jones, Jr., were Mrs. Charles Wyatt, Mrs. Tidwell, and Mrs. Wade Scott.

Time for the president's luncheon was changed from Thursday noon until Monday noon at 1 o'clock at the Colorado Hotel.

New Year Begun By Self Culture Club

Launching its new year, the Self Culture club met Friday afternoon at the home of Mrs. J. T. Howell with fifteen members in attendance.

With Mrs. H. G. Whitmore presiding, Mrs. L. B. Elliott made the financial report and Mrs. James Herrington told of having delivered fifteen magazines to Fairview school.

Mrs. George Mahon's resignation as an active member was accepted and she was placed on the honorary membership list.

The club's constitution and by-laws were read by Mrs. Bun Pritchett and the club history by Mrs. Henry Pond. Peach shortcake and hot tea were served. New officers of the club are to be presented at the meeting with Mrs. A. F. King Friday afternoon.

Fannie Bess Porter Has Fifth Birthday

The fifth birthday of Fannie Bess Porter was celebrated Saturday afternoon at 4 o'clock with a party at the home of her parents, Mr. and Mrs. Bryan Porter.

The birthday cake, with its numerous fortune-telling prizes, was served with punch and balloon favors to Felix Boyd Dozier, Donny Hopkins, Bobby Dan Scarborough, Sonny Pierce, Norma Jane Richardson, Vivian Giddens, Jean Wallace Manning, Reba Lee Mason, Mercedes Fitzgerald, Joan Seward, Josephine Hale, and Mrs. Jim Hale.

Various Plans Made At Lookout Meeting

Planning a barbecue for Monday night, discussing the possibility of buying a piano and new curtains for the primary department and electing new officers, members of the Lookout class of the First Christian church met in regular monthly session with Mrs. Ralph Lee Tuesday evening.

The barbecue, which was first planned for last month, will take place at 7 o'clock Monday evening in the back yard at the home of Mrs. G. V. Harrison. Bingo will be played after the supper. Each member is to bring some food article to be given as prizes to winners.

Officers elected were: President, Mrs. Nat Thomas, who will succeed Mrs. Henry Vaught; vice-president, Mrs. Red Wallace; secretary-treasurer, Mrs. Ed Roach; reporter, Mrs. John Williams.

Reports were made by the treasurer, Mrs. Bun Pritchett, and by the standing visiting committee, Mrs. A. C. Anderson and Mrs. Nat Thomas. A rummage sale was planned for Saturday, October 5, and members having rummage material were instructed to call Mrs. Pritchett. Names were drawn for remembrance exchanges, known as "Forget-Me-Nots." Tentative plans for a church tacky party were discussed.

Salad and hot tea were served to Mrs. Roach, Mrs. Anderson, Mrs. Vaught, Mrs. Mary Lee Tidwell, Mrs. M. E. Gurney, Mrs. Rance Dockery, Mrs. Pete Pickens, Mrs. John Williams, Mrs. Pritchett, Mrs. Troy Erwin, Mrs. H. B. Broadus, and Mrs. Nat Thomas.

Three Tables Play At Justamere Club Party

Three tables of players were present when Mrs. W. D. McClure entertained the Justamere club Tuesday afternoon.

Red and white cosmos, marigolds, and fireplant were house decorations. Mrs. Lee Dorn received a novelty pitcher for high score.

Osgood pie was served with whipped cream and coffee to two guests, Mrs. Willis Jones and Mrs. Bryan Porter, and the following members: Mrs. Johnny Rector, Mrs. L. C. Scarborough, Mrs. E. B. Willbanks, Mrs. Virgil Moser, Mrs. Lee Dorn, Mrs. Charles Moser, Mrs. Lon Mason, Mrs. Bill Thomas, Mrs. Lee Lavender, and Mrs. Hugh Millington.

Gleaners Class Has All-Day Sewing Meet

An all-day sewing session on garments for Buckner Orphans' Home was held by members of the Gleaners class of the Baptist Sunday school last Friday at the home of Miss Pearl Bryant. A covered dish luncheon was served at noon.

Public Invited To Attend Style Revue For Doctors' Wives

A style revue presented on the mezzanine floor of the Max Berman Department store at 10:30 next Wednesday morning will provide a morning entertainment feature for the wives of doctors attending the Mid-West Texas Medical society's annual convention and for Colorado women.

Wives of Colorado doctors are co-operating with Miss Virgie Powell, head of the Max Berman ready-to-wear department, in arranging the show. A program of dances and songs will be presented during the revue, in which about twenty models will take part.

Although the affair will be a special courtesy for visiting doctors' wives, the general public is invited to attend.

The doctors' wives are to be honored again Wednesday afternoon at a Centennial tea at the home of Mrs. P. C. Coleman.

Few Church Meetings Held On Fifth Monday

Few women's church organizations met Monday afternoon because of its being the fifth Monday in the month. Baptist women met at various places and sewed on garments for Buckner Orphans' Home.

Presbyterian women had no meeting, but they will have a combined business and inspirational meeting next Monday because of the district meeting in Coahoma on October 14.

The Arnett-Wulfjen circle of the Methodist W. M. S. made plans to have a downtown dinner some time this month to raise money for the new church carpet. Mrs. J. G. Merritt reported on her Nashville trip.

Rev. Hanson To Review Book Tuesday Afternoon

The book, "Outfitting for Spiritual Marriage," will be reviewed by the Rev. Alex B. Hanson of All Saints' Episcopal church Tuesday afternoon, October 8, at the rectory, 433 Locust street at 3:30.

The review will take the place of the monthly silver tea given by the Woman's auxiliary of the church. Mrs. Hanson will be hostess. The public is invited to attend.

This book, written by the Rev. Floyd Van Keuren, O. D., is said to be very timely, affording valuable information concerning the Christian's attitude toward marriage.

Hesperians Plan To Honor New President

Plans to honor their new president, Mrs. Sam Wulfjen, with a dinner Friday evening were made by the Hesperian club during its business meeting with Mrs. S. H. Milwee, outgoing president, Friday afternoon.

The dinner is to be given at the home of Mrs. A. L. Whipkey, beginning at 7 o'clock. With it the club will officially launch its new year of study.

John Watson, Mrs. Doss Lead In Bridge Tourney

Leads in the bridge tournament at the Country club were held by John Watson and Mrs. J. M. Doss at the close of Monday night games.

Watson's score is 14,620 and Mrs. Doss' is 16,070. Second places are held by W. L. Doss, Jr., with a score of 12,320, and by Mrs. W. L. Doss, Jr., with a score of 14,260.

There are two more Monday evenings of play remaining before the tournament ends.

Moersers Are Guests At Merry Nite Club

With Mr. and Mrs. Charles Moerser as their only guests, Mr. and Mrs. Johnny Rector entertained the Merry Nite club last Wednesday evening.

Mrs. L. C. Scarborough won high score prize for women, a manicure set, and Charles Moerser made high for men, receiving a shaving set. A sandwich course and apple pie and whipped cream were served. The club meets next with the Scarboroughs.

Mrs. Sadler Names Re-Enlistment Of Rural Clubs As Federation Objective

Re-enlistment of Mitchell county's rural clubwomen in the Mitchell County Federation of Women's clubs was announced by Mrs. J. A. Sadler, new president, as one of her main objectives for the year as she addressed the first fall gathering of the federation at the city hall Tuesday afternoon.

Mrs. Sadler was introduced by the outgoing president, Mrs. W. L. Doss, Jr., after old business of the federation had been brought to a close. Mrs. Sadler named the promotion of a Texas Centennial program in this county as another of her main objectives for the year.

In announcing her intention of trying to enlist rural clubs in the federation, Mrs. Sadler pointed out that these clubs were well-represented in the federation a few years ago, and that they should be re-enlisted because the organization is meant to be county-wide.

The federation's opening meeting was well attended, with all clubs represented and turning in reports. Nearly all clubs are beginning their new year with luncheons or banquets for their presidents.

A treasury balance of over \$50 was reported.

Other new officers introduced following Mrs. Sadler included: Vice-president, Mrs. U. G. Hardison; recording secretary, Mrs. A. L. Whipkey; corresponding secretary, Mrs. J. W. Shepperd; treasurer, Mrs. Jeff Dobbs; parliamentarian, Mrs. W. L. Doss, Jr.; historian, Mrs. J. G. Merritt.

Three Tables Play At Herrington Home

In a setting decorated with zinnias, roses, and poinsettias, Mrs. James Herrington was hostess to three tables of bridge Tuesday afternoon. She gave Mrs. L. B. Elliott a festsorial dish for high score and Mrs. A. A. Herrington a Japanese basket for low.

Mrs. J. A. Sadler was a guest at the refreshment hour when pressed chicken salad, pickles, wafers, and tarts and iced tea were served to Mrs. A. A. Herrington, Mrs. H. H. Herrington, Mrs. L. B. Elliott, Mrs. Benton Templeton, Mrs. C. C. Thompson, Mrs. J. B. Pritchett, Mrs. J. T. Howell, Mrs. A. C. Anderson, Mrs. V. Hopkins, Mrs. George Mahon, Mrs. E. J. Cramer and Mrs. J. L. Alexander, the last two being from Butler camp.

BERRY TEST EXPECTED TO BE READY FOR CASING BY SATURDAY, OPERATORS SAY

Hole Down To 1400 Feet Is Being Watched By Scouts Of This Territory

Berry One of Goddis, Drake, et al, wildcat on the W. C. Berry farm at Fairview, was down 1400 feet Thursday and it was expected that the hole would be deepened to 1500 feet by Saturday. Six and five-eighths casing is to be set from that level.

The well, being drilled by Big Spring and Colorado interests to test shallow sand in that area, is being watched with considerable interest among oil scouts of Colorado and other points in the territory.

The test was promoted by E. L. Latham and R. T. Dockery of Colorado. H. L. Lockhart of Colorado is interested in the well and returned to Colorado late Wednesday after a visit to the location.

Location is 330 feet from the north line and 2320 feet from the west line of section 80, block 97, H. & T. C. Ry. Co. survey.

ILLINOIS PAPER GIVES DETAILS ON DEATH OF MRS. BOSTON'S BROTHER

Details about the manner in which Mrs. Van Boston's brother, Dr. Herbert A. Wildman, met his death in a car accident in Illinois early last week are given in the following excerpts from an account of the accident in the Sterling Daily Gazette of Sterling, Illinois, on Monday, September 23:

"Dr. Herbert A. Wildman of this city passed away Sunday morning at 7:35 a. m. at the Sterling public hospital where he had been confined since Friday night following injuries suffered in an automobile accident near Joslin, Ill. Dr. Wildman was driving home from a clinic of the Scott County Medical association at Davenport, Ia., and was accompanied by Mrs. W. H. Perry and F. W. Brodick of this city, both of whom are still confined in the local hospital, but are getting along fine. The death of Dr. Wildman was caused by a severe concussion of the brain, which was disclosed by an autopsy which was conducted Sunday morning at the Wheelock undertaking parlor in Rock Falls where the body was removed."

"Dr. Wildman and his family located in this city a year ago last May and he had gained a very good practice. He was very well liked by his fellow physicians of this county and by all with whom he came in contact either in a professional or social way. He was a deacon in the local Baptist church and had always been active in church work. Besides his wife, he is survived by three small sons, Arthur, Lynn and Allan, also his parents, Mr. and Mrs. G. C. Wildman of Roscoe, Tex., and one sister, Mrs. Van Boston of Westbrook, Texas."

"Neither of the survivors of the accident can shed any light on what occurred, although an examination of the wrecked car is convincing that the car was struck by a truck. Dr. Perry was sitting on the front seat of the sedan beside Dr. Wildman and Dr. Brodick was sitting on the rear seat and was leaning forward talking to his two companions at the time of the crash. The car was being driven at a speed of around 45 miles an hour."

"There is a mark on the left front side of the body which indicates that the car was struck by some object. The left door and the entire left side of the car were torn off and the car was thrown over on its right side. The car skidded before it came to the concrete paving before it came to a stop. A piece of angle iron was wrapped around the door which was torn from the car. It is believed that this iron was from a truck."

Mrs. Boston returned late last week from attending Dr. Wildman's funeral.

FFA CHAPTER NAMES YEAR'S OBJECTIVES

By Jas. Pritchett, Reporter
The Colorado Future Farmers met Wednesday evening, Oct. 2, to set up their program for the year.

Bill Gale, chairman of the objectives and program of work committees, reported on objectives and moved that these be adopted. The club voted to accept them.

Objectives for the year are: To develop competent rural leadership; to strengthen the farm boy's confidence in himself and his work; to create more interest in the intelligent choice of farming occupations; to create and nurture love for farm life; to encourage cooperation among members; to promote thrift among agriculture students; to promote scholarship; to encourage recreation activities; to supplement instruction with activities; to advance the cause of vocational agriculture in the schools.

TO EYE SPECIALIST

Sam Majors made a trip to Abilene today (Thursday) to consult an eye specialist about an infected eye from which he has been suffering this week.

Dr. W. B. May Buys Dental Office Of Dr. B. F. Dulaney

The announcement that Dr. W. B. May has bought the dental office of Dr. B. F. Dulaney, pioneer Colorado professional man, was made Wednesday morning.

Dr. May, who formerly lived at Floydada, has been associated with Dr. Dulaney in his office for the past few months. He has a B. S. degree from McMurry college, Abilene, and was graduated from the Baylor University College of Dentistry in Dallas.

Since coming to Colorado he has taken an active part in civic and church affairs. Recently he was named a member of the Colorado Lions' club, and last week he was elected song director of the First Methodist Sunday school.

Speaking of Dr. May Wednesday afternoon Dr. Dulaney said:

"In Dr. May I have found a man to whom I am not ashamed to sell my office, for I feel absolutely safe in recommending him to the patronage that has been mine during my forty-two years of practice here. I make this statement after personally investigating Dr. May's record both as a man and as a dentist."

"In Floydada, where he was born and reared, I visited the people who have known him always and everything I learned about him made me more certain that he is trustworthy in every respect. He was brought up on a farm and worked his way through college, making excellent records in his studies. I wish and predict for him every success."

Dr. Dulaney plans to devote his time to personal business interests and to his hobbies. He stated Wednesday that all accounts made with him are still payable to him and he is requesting those who owe him to call at Dr. May's office and make settlement with Miss Bess Adamson, who still has charge of the Dulaney books.

BAUMAN NEWS

The farmers in this community have started harvesting their cotton. The crops are fine this year. Most of the farmers will make more cotton than they are allowed to gin without paying tax.

The Bauman school bus is now in operation with Mr. Ab Black of Lorraine the driver. The bus will bring pupils to Bauman school and transport the high school pupils to Lorraine. Those eligible to ride the bus should get in touch with the driver or the school authorities.

Sunday School was well attended Sunday. There are quite a few in Bauman community that are not attending Sunday school anywhere yet. You have a cordial invitation to come to Bethel Sunday school and church services at all times.

Mr. A. R. Miles has improved the looks of his store by building a solid rock foundation around it.

School is progressing nicely with a good attendance. One new pupil was enrolled this week.

On Thursday and Friday of next week the school will sponsor a Ping Pong tournament for the school pupils. Prizes will be given the winners in girl's singles and doubles. Interest is running high among the pupils in anticipation of the tournament. The children are practicing daily. Quite a few from Bauman community went to the circus at Colorado Monday afternoon and night.

REPORT ON ACCIDENT VICTIMS IS RECEIVED FROM TEMPLE DOCTORS

A detailed report on the conditions of Wright Cowden and Miss Ida Beth Cowden of Midland and Miss Hattie Tankersley of Colorado, all of whom were seriously injured in a car crash near here September 15, was received Wednesday by Dr. C. L. Root from the Scott & White hospital in Temple, where the three are patients.

Wright Cowden, least seriously injured of the three, was reported to be up and nearly entirely recovered from his injuries.

Miss Ida Beth Cowden has fully regained consciousness and her head injury, which necessitated an operation, is healing satisfactorily. Her broken wrist is also in good shape. Less encouraging reports were given on her left thigh, which was badly broken. Traction weights are still being used in an effort to pull the bones into place, after which the limb will be put in a plaster of paris cast.

Miss Tankersley's broken foot is improving. Her chin laceration, which was sewed up here, has healed without complications, as has the dislocated hip, which was also pulled into place while she was here. An operation was performed on her right elbow last Friday and it was found to be fractured in five different places. In their letter attending physicians expressed the opinion that she will probably never have a perfect elbow.

W.O.W. REGULAR MEETING

Attendance Tuesday night up some but an increase desired next Tuesday night. Come and hear report for September. Our new district deputy, G. B. Kirk of Abilene and his son were in the city Tuesday in route to a meeting in El Paso. He plans to work with us some as soon as possible.

BAPTIST NOTES

Sunday School at 10 a. m. Our superintendent, Mr. Bob George, is anxious to build up a stronger school. Let's help him every way possible. Come to Sunday School next Sunday and bring someone with you.

Rev. Hardin attended the Pastor's Retreat held with the Lamesa church last week. He reports that they had a great time discussing certain spiritual truths and heard some very fine sermons.

Our pastor's text Sunday morning was found in the first chapter of Leviticus. He read the first eleven verses and discussed the four offerings mentioned in the Old Testament, the burnt offering, the meat, the peace and the sin offering. The text for the evening hour was found in 1st Timothy, 1st chapter, and fifteenth verse.

Rev. Hardin attended the B. T. U. Association Rally at Westbrook Sunday afternoon and gave the inspirational address.

The B. Y. P. U. will meet at the church each Sunday evening at 6:30 instead of 7 o'clock. The preaching service will be at 7:30. We urge all members to observe this change and be on time. We appreciate and welcome visitors in all of our services.

MET ON THURSDAY

The newly organized young girls

class of seven members will meet with Miss Ruth Britton on Thursday evening at 3:30. A class name is to be selected and officers will be elected. Mrs. Bob George is teacher.

MARRIED
Miss Alva Snow and Mr. Jack McMillan were united in marriage at the Baptist church here at 7:30 Saturday evening. The ceremony was performed by Rev. A. C. Hardin.

ARM BROKEN IN FOOTBALL GAME
Robert James suffered a broken arm in a football game here between Loraine and Roscoe Friday afternoon. The break was above the wrist of his left arm and is reported mending nicely.

NOTICE
The East Side Singing convention meets at Pleasant Valley next Sunday. Public is invited to attend.

TO ENTERTAIN
Mrs. Clyde Bennett will entertain with four tables of bridge at her home Thursday afternoon in honor of her niece, Miss Lillian Stuart of Greenville. A salad plate will be served.

Mr. T. R. Bennett reported ill of flu at his home since Sunday.

1900 Model Car, Looking Like Ghost Buggy Without Its Horse, Stops Here

A ghost buggy that travels along without its horse—you think of something like that when you see the 1900 model car that has been over at Tidwell's filling station in West Colorado since Saturday.

The vehicle, known as a Holzman, belongs to J. H. Ozmun, whose home is fourteen miles out of Akron, Ohio. He started from there August 1 of this year to take his car to the San Diego exposition under its own power, just as he drove it to the World's Fair in Chicago last year. In three weeks of actual travel he has come this far on his journey. A broken crankcase and some engine trouble caused him to have to stop here for repairs.

In appearance the car looks just like an old-fashioned buggy with no place for a horse to stand. The back wheels are much larger than the front ones and the engine is under the seat. It is driven from the right with a tiller bar—no steering wheel. The horn is of the bulb variety, 100% air. The brakes work like wagon brakes.

There are two kerosene-burning lamps on either side of the front. The motor, Ozmun explains to you, is a two-cylinder opposed motor, air cooled. He uses standard brands of gas and oil and gets an average of 22 miles to the gallon. And it takes him around two hours to go the twenty-two miles, because his speed is between 12 and 15 miles per hour.

Incidentally, whether by design or otherwise, Ozmun presents a perfect picture of the century's opening years, or perhaps the Gay Nineties, when he drives his car, for he has grown a generous mustache of the drooping variety that was popular years ago.

Ozmun says that the car was appraised last spring as having a museum value of \$25,000. When one considers that the first motor-driven vehicle to appear in the United States was shown in P. T. Barnum's circus in 1894, the value of a 1900 model can be understood.

When Ozmun took the car to the World Fair last year he thought it was a 1905 model. He had bought it two years before from a farmer who was fixing to take the engine out of it and use it for a farm buggy, and the man from whom he bought it had no authentic record of its origin or of its first owner.

As a 1905 model the car was given much publicity in Chicago, and Henry K. Holzman of Chicago read about it. He came to see it and positively identified it as a model which he manufactured in 1900. He designed it, he said, while in the business of manufacturing engines which Sears & Roebuck sold to farmers for installation in their horse buggies. Ozmun carries with him a letter from Mr. Holzman, who is now an architect, identifying the car.

The car is said to be one of nine gear-shift models now in existence. It has its first license plate, one for 1906, which was the first year Ohio issued car licenses. In 1909 the state began issuing annual licenses and Ozmun says he has every license from then until now.

When he started to drive to California Ozmun wrote highway authorities in all the states through which he would pass asking for a permit to drive unlicensed. New Mexico and California were the only states giving him such permission.

The biggest sensation that the car has ever created anywhere that Ozmun has taken it, he says, was when he drove into Chicago for the fair last year. The sight of it all but stopped traffic on a ten-lane drive there.

Ozmun doesn't say much about his plans for the car, but you get the idea that he hopes to sell it, someday, for at least a part of that \$25,000 it's supposed to be worth.

Mrs. Lucile Ledbetter of Colorado visited with her mother, Mrs. S. W. Givens, Sunday.

CHURCHES

FIRST BAPTIST CHURCH

Next Sunday is scheduled to be a very busy day at our church. The choir, under the direction of Chester Thomas and Mrs. Chas. Moeser, will sing two beautiful anthems at the morning service. A brief report on the results of the "tither's test," will be given by Walter W. Whipple. A twenty minute sermon on "Growing a Christian Life" will be given by the pastor.

At the evening hour the Training Service, under the direction of James Herrington, will meet at 7 o'clock, and the evangelistic service will begin at 8:00.

There will be a prayer meeting each night next week in interest of the Fall Round-up collection for State missions and for the revival which opens Oct. 13th.

Bro. James of Cisco is to preach in the meeting which will continue two weeks.

DICK O'BRIEN, Pastor.

FIRST PRESBYTERIAN CHURCH

Church School at 9:45 a. m. Communion Service at 11 a. m. Preaching service at 7:30 p. m. Young People's Service at 6:45. We would like to have all members there with their friends.

Pleasant Ridge News

We had services Friday night for the purpose of naming messengers for our associational fifth Sunday meeting. Earl Prescott and Rogers Wells were named messengers with Roy Haggerton as alternate.

We elected Earl Prescott, Sunday school superintendent; Roy Haggerton, assistant superintendent; Sam Haggerton, secretary; Denfer Hale, assistant secretary; Roger Wells, teacher for class No. 2; Claud Hale, assistant teacher; Princess Rasco, class secretary.

Sunday School was of great interest. We had a nice crowd and a good lesson and we can say we are proud of our young superintendent.

Prayer meeting was good. Bro. Roger Wells preached after prayer meeting. Charlie Prescott will lead next Sunday night.

Mr. Calvin Ward won the cake at the apron hemming party last Thursday night at Mr. and Mrs. Alex Hale's home.

Mrs. Hugh Wells is suffering with a rising in her head.

(Above for last week) Everybody was glad to see Bro. Roy Linders with us Sunday night. Prayer meeting was fine.

Bro. Roger Wells delivered a fine sermon Sunday night.

Glen McWhirter will lead prayer service next Sunday night, Oct. 6.

Little Morris Jay Haggerton was sick Monday.

Mrs. Alex Hale and Sunday school class are having a picnic Sunday at her home.

Mrs. Sam Haggerton's mother, Mrs. Griffith is with her this week. We are always glad to have her.

Mr. and Mrs. Roy Haggerton and daughter, Georgie Ruth, spent Saturday night in Rotan with Mrs. Roy Haggerton's mother. They report her still improving.

Someone suggests that Uncle Sam go on the air with the next statement on installments overdue from war debtors. He might begin, "Hello everybody!"

Three Producers Added To Howard County Oil Field

BIG SPRING.—Three Howard county tests struck oil last week, three that had drilled pay earlier were shot and one was acidized. One location was staked.

The value of the strike made more than a month ago by Eastland Oil Co., Moore Bros. of San Angelo and Hugh G. White 3 1/2 miles south of the Dodge-Denman area and slightly farther north of the Chalk pool was indicated further by the pumping of six barrels of oil hourly for 36 hours. The test followed cleaning out to 2,800 feet from an 800-quart shot Aug. 20 from 2,640 to 2,850 feet, the total depth. Three weeks ago the well was given a 24-hour potential swabbing test to obtain an allowable while cleaning out, yielding 140 barrels. It is 330 feet out of the southwest corner of section 20, block 30, township 1 south, T. & P. Ry. Co. survey.

Sinclair-Prairie No. 22 Dodge, in the northwest quarter of section 11-30-Is-T&P, showed oil from 2,585 to 2,600 and an increase from 2,615-530 in drilling to 2,675 feet in lime. No. 21 Dodge, in the northwest quarter of section 3-30-Is-T&P, was standing at 1,465 feet in lime with 8 1/4 inch pipe cemented at 1,438 feet. No. 23 Dodge, in the southeast quarter of section 3-30-Is-T&P, had reached 1,065 feet in red shale. Shasta No. 4 Dodge, in the northeast quarter of section 3-30-Is-T&P, had drilled to 845 feet in anhydrite. Owen D. Moore staked a location for No. 2 Davis heirs, 2,310 feet from the south line and 990 feet from the west line of section 2-30-Is-T&P.

Sinclair-Prairie No. 1 Texas Land & Mortgage Co., in the southeast quarter of section 4-30-Is-T&P, showed oil from 2,435-50, drilled pay from 2,595 to 2,645 feet and continued below 2,670 in lime. Bond No. 6 Rhodan, in the northern quarter of section 4-30-Is-T&P, deepened to 2,745 feet in lime; was shot with 550 quarts from 2,610 to the total depth and had cleaned out to 2,700 feet with the hole full of oil. Bond No. 4 Rhodan, in the same quarter, had cleaned out to 2,645 after a shot.

California No. 4 Dodge, in the southeast corner of section 1-30-Is-T&P, was running tubing and rods to test at 2,765 feet after shooting. Merrick & Lamb No. 3 Bell, in the northeast quarter of section 12-30-Is-T&P, had drilled to 1,200 feet in redrock. Continental No. 13-A Settles, in the northwest quarter of section 6-32-2c, T&P, was treated with 1,000 gallons of acid under a 41-barrel oil load at 300 pounds pressure and prepared to pump, bottomed at 2,423 feet in lime. Cardinal No. 4 Settles, in section 6-32-2s-T&P, drilled pay from 2,295-12 feet, stopped at 2,217 feet and probably will be acidized. It appears a small well. Location is 884 feet from the north line and 210 feet from the east and west lines of the lease, which is the east 20 acres of the west 120 acres of the north 160 acres of section 6.

Iron Mountain No. 4 Read, in the southeast quarter of section 46-30-1n-T&P, was fishing for tools lost while cleaning out following a 800-quart shot from 2,560 to 2,759 feet, the total depth. Iron Mountain No. 8 Read, in the southwest quarter of section 46, had drilled to 2,130 feet in lime. International Petroleum 5 T-P Land Trust, in the southeast quarter of section 45-30-1n-T&P, plugged back to 2,670 from 2,707 feet to shut off salt water and was waiting for cement to set. International No. 6 (formerly 2-B) T-P Land Trust, in the southwest quarter of section 45, was at 1,522 feet in red shale with the hole full of water.

Hugh White and others No. 6 Read, in the southwest quarter of section 46-30-1n-T&P, was shot with 600 quarts from 2,555 to 2,750 feet and had cleaned out to 2,550. The same operators' No. 7 Read, 990 feet from the south line and 1,650 feet from the west line of section 46, had drilled to 455 feet in water and struck at 430 feet. It spudded Sept. 19. Ward Oil Co. No. 5-A Dora Roberts, in the southwest quarter of section 137-20-W&NW, was fishing for a bailer at 820 feet in blue shale.

There are now approximately 3,847,400 milch cows in Canada.

Rigid Anti-Saloon Bill Is Passed By Senate On Friday

A few minutes before 1 o'clock Friday afternoon the Senate sent the Small antisaloon bill to the House in the amended form given it by its author. The vote on final passage was 17 to 8. On the question of engrossment, which was the crucial test, the vote was 19 to 8, as follows:

Ayes.—Beck, Burns, Collier, Cotten, Davis, DeBerry, Hill, Hornsby, Isbell, Neal, Oneal, Pace, Poage, Redditt, Sanderford, Small, Van Zandt, Westcreek and Woodruff.

Noes.—Blackett, Holbrook, Hopkins, Rawlings, Regan, Shivers, Stone and Sulak.

The bill passed was a redraft of the one Small originally introduced, and was offered in the form of an amendment to the original. Its salient provision, the first section, which defines the word saloon, reads as follows:

Section 1. The term open saloon as used in this act means any place where spirituous liquors or medicated compounds capable of producing intoxication or any intoxicant whatever manufactured in whole or in part by means of the process of distillation or any liquor compounded of or composed in part of distilled spirits is sold, bartered or exchanged or is offered for sale, barter or exchange in broken or unsealed containers, or where such sale, barter or exchange or offer of sale, barter or exchange is made for human consumption on the premises where sold, bartered or exchanged or offered for sale, barter or exchange.

Anyone conducting a saloon as thus defined, whether as principal or agent or any employee who assists, would be subject, for the first offense, to a fine of not more than \$100 or to imprisonment for not more than ninety days; or to both fine and imprisonment. For the second offense the penalty would be confinement in jail for not more than a year, and for the third or subsequent offense the confinement in the penitentiary from one to five years.

The definition of saloon given in the Small bill is identical to which the Senate adopted during the regular session of this Legislature as a part of the amendment it proposed to submit to the people. It failed in the House. It was said during the debate Friday that several Senators who objected to this definition when written in the Small bill had voted to incorporate it in the constitutional amendment.

Chevrolet Again Wins First Place At National Shows

For the ninth consecutive time, first choice of exhibit space at the National Automobile Shows in New York and Chicago awarded each year by the Automobile Manufacturers' Association to the automobile manufacturer with the highest dollar volume sales—goes to Chevrolet Motor Co.

While the show was held under the management of the N. A. C. C., the custom of allotting first selection of

space to the sales leader was followed for many years, as being the fairest method of awarding this coveted honor. Last year, when the Automobile Manufacturers' Association, successor to the N. A. C. C., turned the show management over to the New York Automobile Merchants' Association, the latter organization adopted the same method. With the exhibit again sponsored by the manufacturers, the same system is being followed, and Chevrolet, as in all years since 1927, will occupy the choice position on the main floor of Grand Central Palace in New York, and at the Show in Chicago.

METHODIST PASTORS PLAN FOR LAST MINUTE EFFORT TO PAY FINANCIAL BUDGET

District Conference Held At First Church Monday; To Meet Again Nov. 4

Methodist pastors of the Sweetwater district, embracing a territory extending from Sweetwater to Post on the north and Andrews on the west, converged at Colorado Monday morning to attend annual gathering of these church leaders. The Rev. C. A. Long of Sweetwater, presiding elder, was in the chair. Rev. Wayne Cook of Ackerley was elected secretary.

After the pastors had given report of their finances, many of them noting that parishioners served by them were in arrears on both the preacher's salary and benevolences, the presiding elder offered strong appeal that every effort be put into use to bring the reports into good standing. "We must go to the annual conference, to convene at Plainview November 12, with at least our benevolences paid in full," he said.

Many of the pastors pledged that they would return to their charges and make the task of raising budget deficiencies their major objective. The Sweetwater district has held a creditable distinction among other districts of the conference and this good name must not be taken away now, was slogan sounded in several spirited addresses.

After considerable discussion it was decided to request the presiding bishop to defer date for opening the annual conference one week, due to lateness of the cotton crop. Some of the pastors serving rural churches expressed hope that they could collect their budgets if given a few more days in which to work, once the cotton starts to move.

Colorado First Church, where the conference was held, was shown to be one of the few churches reporting everything paid in full to date. The Rev. Albert Click, pastor of the Colorado circuit, reported his benevolence budget paid in full, but noted that the charge's salary account was in arrears. Rev. Click was the first pastor of this district to report his conference benevolences paid in full. In that further reports be heard on the drive to bring this district well into the commendable class as annual conference is to be convened, the pastors voted to meet here again on Monday, November 4. At this conference the preachers plan bringing their wives and a covered dish for luncheon.

The visiting pastors were guests of Rev. Mr. Long at dinner at the Barcroft at noon. Local newspapermen and a few others were present, as special guests of the elder.

Reports brought to the conference showed that a total of 864 additions were received into churches of the district during the year. 393 of the number were received on profession of faith and 471 by letter. Salaries were reported 78 per cent paid and benevolences 35 per cent.

The following ministers were registered:
C. A. Long, Sweetwater; O. B. Annis, Andrews; C. A. Bickley, Big Spring; C. C. Porter, Blackwell; Hamilton Wright, Coahoma; Cal C. Wright, Colorado; A. F. Click, Colorado; M. M. Beavers, Sweetwater; Elmer Crabtree, Sweetwater; D. A. Ross, Westbrook; Bruce Meador, Lorraine; J. H. Harrell, Roscoe.
J. E. Stephens, Post; Frank Story, Hermleigh; H. C. Gordon, Snyder; G. W. Anderson, Dunn; O. D. McDonald, Fluvanna; J. H. Sharp, Stanton; Jack Plant, Longworth; Wayne Cook, Sparenberg; R. H. G. Albright, Dora; J. W. Price, Sylvester; M. H. Hudson, Hermleigh; L. P. Lawlis, Sylvester.

Finis' Written To Active Phase of Long Career In Sale of Dr. Dulaney's Office

When Dr. B. F. Dulaney sold his dental office to Dr. W. B. May this week he wrote "Finis" to the active phase of a professional career that has kept pace with the growth of Colorado since years before the century began.

As a dental graduate just two years out of college Dr. Dulaney first came to Colorado in March, 1894. He bought the dental office of Dr. W. R. Smith over Cheatham's Drug store, which was located where the W. L. Doss store now stands.

He came from Sweetwater, where he had practiced for a year. Prior to that he had spent a year in Abilene, where he went in 1892 after being graduated from the Baltimore (Maryland) College of Dental Surgery. This college is the oldest, and for many years was the only, dental college in the world.

For years Dr. Dulaney had the dental field in this section to himself, being the only dentist between Sweetwater and Midland.

A year and a half after coming here he moved his office from over

Eight-Day Fair To Open Saturday, Oct. 19th, At Midland

Extension of Midland Fair dates through October 19-26, making a full eight days, and the increasing of purses and prizes to more than \$10,000 has been announced by Foy Proctor, president. The fair opens Saturday, October 19.

Six days of horse racing have been approved by the state racing commission, the meet opening on the third day of the fair, Monday Oct. 21, and continuing through the week. Rodeo performances will begin Saturday afternoon, October 19, with night shows Saturday and Monday and an afternoon show Sunday. There will be \$3,000 in purses and prizes for the rodeo.

Race purses will total approximately \$1,000 daily for six days, Tom Nance, racing chairman, said. In addition to the six races a day previously announced, two races will be made to suit the horses entered. The racing personnel, approved by the commission, follows: steward, Fisher

Pollard; placing judges, C. C. Duffey, I. E. Daniel; clerk of the scales, Jack Locklear; starter, C. H. McMillan; handicapper, Spencer Jewell; timers, Cal Smith and B. C. Girdley; paddock judge, Walter Caldwell; veterinarian, Dr. O. H. Wolfe; racing secretary, C. H. McMillan; clerk of the course, H. W. Rowe; pari-mutuel manager, O. L. Taylor. The McMillan starting gate will be used in all races.

A feeder cattle show and sale, with approximately 2,000 head of choice Hereford cattle going on the auction block, will be held. The show will be Monday morning, October 21, and the sale Tuesday morning, October 22, at the Greensburg, Ind., has been named auctioneer. Agricultural exhibits and home demonstration work also will be featured.

Cowgirl sponsors from 20 towns already have been named to compete for a handsome saddle and three other awards.

THE NEW SCHOOL IN THE LIONS CLUB, IS SUBJECT OF ADDRESS BY HOLMAN

Rev. C. A. Long Was Another Speaker Heard By Lions At Meeting Friday

Hayes Holman, principal of junior high school, was the principal speaker on program at the Lions Club Friday. His subject, as announced by Joe W. Earnest, chairman of the program committee, was "The New School in the Lions Club."

Sponsorship of the practical elements of public school endeavor was urged by the speaker. "Every Lion should be active in his support of these things in our private and public relationship with the youth that

would build for a more stable and high minded citizenship," he suggested.

The Rev. C. A. Long of Sweetwater, held his auditors spellbound with a humorous discourse. The speaker paid special attention to the club president, B. L. Templeton, and Rev. Cal Wright, pastor of First Methodist church. Minister Willis Kreager of the Church of Christ, a guest of Rev. Dick O'Brien of First Baptist, spoke briefly.

Col. C. M. Adams was presented in a special musical offering by Thos. Dawes. With Mr. Dawes at the piano, Colonel Adams gave two trumpet solos. It developed later, however, that J. Lee Jones had been seated behind the piano and was himself playing the excellent music for which the other Lion was taking credit.

Every Lion present who could not prove that he had purchased at least one admission ticket to the Wolf-Tiger football game that night, at Cantrill Field was put on the spot and ordered to either buy one of the

cards then and there or pay a fine. Bob Hubbard, head tail twister, later announced that every Lion had bought tickets.

SEVENTY MEN ATTEND BAPTISTS' BARBECUE

Seventy men attended the chicken barbecue given Tuesday evening in the basement of the First Baptist church by the Baptist Brotherhood and Amigos class of the Baptist church.

Pastors and Sunday school superintendents of other churches were guests. Programs for the occasion were mapped out by the P. D. O'Brien, Baptist pastor, providing, by the way, given by the Rev. Alex B. Johnson, Thos. R. Smith, the Rev. Cal Wright, Tom Stonerod, Jr., Roy Davis Co., J. Riordan, J. H. Greene, Hayes Holman, Joe Smoot, George Slaton, and L. C. Scarborough.

Ethel Sue Dawson Birthday Hostess

Honoring her daughter, Ethel Sue, on her eleventh birthday, Mrs. Monroe Dawson entertained five of her friends with a dinner Friday.

The guests were Lila Louise Manning, Betty Whipkey, Betty Jane Cook, Mary Price, and Nancy Price.

Mrs. Raymond Gary Has Contract Club

Mrs. Raymond Gary was hostess to the Contract club Tuesday afternoon, having three tables of players. Mrs. John Deffebach received a prize cigarette holder for high score and Mrs. E. C. Nix a guest towel for second high.

A chicken salad course and sand tarts were served with iced tea to Mrs. John Summers, Mrs. Lester Manning, Mrs. Jake Richardson, Mrs. Truett Barber, Mrs. Austin Dush, Mrs. Dick Carter, Mrs. E. V.

Grantland, Mrs. R. D. Bridgford, Mrs. E. C. Nix, Mrs. Deffebach, and Mrs. James Logan.

Mrs. Oswald Is Hostess With Mother In Abilene

Mrs. Bill Oswald was in Abilene Tuesday to assist her mother, Mrs. J. O. Martin, and her sister, Miss Jo Martin, in entertaining for Miss Dorothy Swenson, who is to marry Jarrell E. Crow of Dallas Saturday. The three gave a matinee bridge and gift party.

Birthday Party For Little David Kinard

Valley View Visits

By Maxine Beights

Valley View school opened Monday with a large attendance. Seventy-six were enrolled. Several patrons of this community were present.

We have four new teachers again this year. They are: Miss Ruby Fae Hock, primary; Miss Clara Shomaker, intermediate; Mr. Wiman, grammar; Mr. Simmons, principal.

Our P-T-A. opens Friday night week. Let us cooperate better this year than last year.

Several students from Lone Star and Longfellow are coming to Valley View this year. We are very glad to have them.

Miss Pauline Robertson visited school Monday morning.

Several out of this community attended singing at China Grove Sunday.

Mr. and Mrs. Henry Beights had as Sunday dinner guests Mr. and Mrs.

Frank Beights, Mr. and Mrs. Chester Beights and family.

Mr. and Mrs. Hugh Coles were dinner guests Sunday with Mr. J. M. Bruce and family. They attended singing at China Grove in the afternoon.

Several people around are beginning to pick cotton. Mr. Irwin Thomas and Noah Caswel have out several bales at this writing.

Mr. H. A. Beights spent Sunday with his daughter, Mrs. W. R. Bruce of Loraine.

Misses Christine Thomas and Margie Hamilton spent Sunday with Bernadine Rone.

Frankie Frisch, who has been in a lot of world series as a giant and a Cardinal, has never spent or speculated with a penny of his world series cash.

Chevrolet Trucks In Thrilling Tests Atop Pikes Peak

In the first formally observed and timed tests of motor trucks over the perilous hairpin turns and steep switchbacks of the Pikes Peak auto highway, near Colorado Springs, Chevrolet 1½-ton and half-ton trucks demonstrated their power, endurance and efficiency over the course of the annual Labor Day hill climb contest, a distance of 12 miles, 2200 feet, with a rise of 4959 feet from the start to the summit, 14,109 feet above sea level. The upper illustrations show the 1½-ton truck, driven by W. P. Bentrup, on its way to a record of 37 minutes, 52½ seconds, with its full 3000-pound load (it made the run afterward, without load, in 26 minutes, 12 seconds), and the officials at the finish (left to right): Harry Hartz, technical advisor; Robert M. Ross, Detroit Times; Dan Kennedy, Colorado Springs Gazette and Telegraph; and John L. Jenkins, Chicago Daily News. The lower photos show the Chevrolet half-ton truck, which Harry Hartz drove to the summit in 25 minutes, 3 seconds, and the finish of the run of the 1½-ton truck with full load.

BUSINESS IS BETTER OVER STATE, REPORT BY TEXAS RESERVE BANK INDICATES

Favorable Conditions In All Parts Of Territory Add To Crop Prospects

Continuance of generally favorable conditions in the agricultural and livestock industries, a further expansion in retail and wholesale trade, and a sharp increase in construction activity are cited by the monthly business review of the Eleventh District Federal Reserve Bank, issued Monday, as the constructive forces in evidence in the district during the past month.

Retail buying at larger cities as reflected by department store sales, the review states, was 13 per cent above the July volume and exceeded that of the corresponding month last year by eight per cent. "This bank's index of department store sales, adjusted for seasonal variations," the review discloses, "rose to 88.3 per cent of the 1923-25 average in August, the highest level recorded during the current year."

Wholesale distribution reflected a seasonal expansion over the previous month and in a majority of reporting lines the volume of business exceeded that of a year ago by a wide margin. Although there was a seasonal recession in collections at retail establishments and in some lines of wholesale trade, the volume of payments compared favorably with a year ago.

The review reports construction activity during August at the highest level in several years. The value of building permits at leading cities, it says, was 125 per cent greater than in July and 235 per cent larger than in August, 1934. The aggregate value of permits issued in the first eight months of the current year was 129 per cent above that for the same period last year and was the largest for any similar period in four years.

In agriculture, the review states that despite deterioration in some crops during August the physical volume of production in this district as estimated by the Department of Agriculture in its Sept. 1 report will greatly exceed that of 1934 and some crops will be the largest in several years.

The prospective production of cotton was reduced in August as a result of depredations by insects and lack of moisture in some areas. The continuation of insect activity remains a potential danger to the crop, particularly in those sections where the crop is later than usual.

Heavy rains in practically all sections during the past three weeks provided moisture for the maturing of late crops and for fall seeding operations. Ranges and livestock are in good condition generally and indications are that there will be sufficient range and dry feed to carry stock through the winter in good shape. There is a broad demand for young stock for restocking purposes.

Financial statistics, the review concludes, reflected no important changes. The commercial loans of member banks in selected cities showed a seasonal expansion between Aug. 7 and Sept. 11, and their investments were increased substantially during the same period. Federal Reserve Bank loans to member banks on Sept. 15 were moderately higher than the low volume a month earlier.

ANNIVERSARY EDITION OF DALLAS NEWS TO BE TREASURED BY READERS

Many Colorado readers of the Dallas Morning News plan to keep permanently their copy of the paper's fiftieth anniversary edition, issued Tuesday morning, because of the great amount of Texas history and Texas facts contained in it.

The edition includes 144 pages in nine sections, and much of its news space is devoted to stories of statewide interest. One entire section is devoted to the Texas Centennial.

In spite of its size and the colossal amount of work which must have been required to make it up the paper has the same perfect typography and careful writing which characterizes the regular daily editions.

COLORADO NEEDS FAN'S SUPPORT IN THIS BOUT

Colorado should have the unequalled support of fans in the game with Spur Friday night at Cantrell Field, statement coming from a group of business and professional men at noon Thursday appealed. To win means a new football spirit in this town and to lose would be a setback to the conditions of the recent past, the statement continued.

TOP COATS AND WRAPS IN VOGUE AT BALL TILT

Overcoats and comfy wraps for mid-lady were very much in vogue at the Wolf-Tiger football game at Cantrell Field Friday evening. It was considerably the coldest spell of the fall season. Fans who neglected to bring the extra coats complained of the cold.

"HARMONY LOVE"

Tuesday-Wednesday—Oct. 8-9

Splendidly sincere and moving drama of episodes in the life of the famous composer, Stephen Collins Foster. Watch the attention of every movie goer who appreciates the finer things of the screen, this independent picture is definitely of major calibre as regards production, casting and direction. Douglas

Montgomery gives a human portrayal of the unhappy composer. William Frawley, as a minstrel, injects a welcome touch of humor and the entire cast, with the exception of Adrienne Ames' too-modern interpretation of a selfish wife, is expert. All of Collins' underlying melodies, including "Ol' Black Joe," are neatly woven into the plot which shows Foster marrying another when turned down by his true love.

Farmers Turning To Tractor Tire As Big Work Aid

Farmers throughout the country are turning to the pneumatic tire to enable them to conduct tractor operations at a considerable saving in fuel and at greater speed.

"Farmers are not equipping their tractors and farm implements with pneumatic tires because they have fallen for some high pressure salesmanship, either," was the comment of Thomas Bros., local dealer for the Goodyear Tire & Rubber Co.

"A survey conducted by the Agricultural Wheel Equipment Committee of the American Society of Agricultural Engineers disclosed that the farmer is firmly convinced after seeing demonstrations and watching the tires in actual use on farms, that the pneumatic tire offers fuel savings ranging up to 50 per cent, with an average of 25 per cent; that an average of 25 per cent more work is possible in the same length of time; that more power is released for useful work, and that the health and comfort of the operator is increased, as the tires take up vibration and shock and do not kick up clouds of choking dust that accompany operation of steel wheels with lugs.

"The Goodyear Farm Implement tire, originally developed from the Goodyear Airwheel for airplanes, is proving exceptionally popular on the farm, designed as it is especially for farm operations. In addition to the advantages I have listed, farmers replying to the survey declared the tires enabled them to travel on highways, lessened breakage and repair costs by minimizing vibration, did not destroy roots near the surface, did not pack the ground, will operate in sand, were excellent for haying operations, and were generally more satisfactory than steel wheels with lugs.

"The advent of the rubber tire for the tractor signals the dawn of a new day for the farmer. Methods and processes are being changed and speeded up, and the tractor is widening its scope as more and more jobs are found for it that were formerly left to some other means," Mr. Luke Thomas concluded.

COLORADO BE HOST TO MID-WEST MEDICAL SOCIETY

PHYSICIANS FROM TWENTY
FOUR COUNTIES TO ATTEND
CONVENTION OCTOBER 5THPresident T. J. Ratliff Will
Preside At Sessions, To
Open At 10 O'Clock

Not less than fifty doctors representing the profession in 24 counties of the area are to converge at Colorado Wednesday of next week to attend sessions of the Mid-West Texas Medical Society, to be convened at Hotel Colorado in annual convention. Dr. T. J. Ratliff of Colorado, president of the society, is to be in the chair.

The convention is to be called to order Wednesday morning at 10 o'clock in main dining room at the hotel. The Rev. Dick O'Brien of First Baptist church is to offer the invocation. The physicians are to be formally welcomed to Colorado in addresses by Mayor J. A. Sadler and Dr. J. Melvin Crymes, the latter president of the Mitchell County Medical association. Response is to be given

DRY CLEANERSForty Coloradoans At Associational
BTU In Westbrook; Contests Planned

Winning the attendance banner for the second consecutive time and taking part in the formulation of plans for the State B. T. U. convention in Dallas November 28-30, forty Colorado Baptists were in Westbrook Sunday afternoon for the quarterly conference of the Baptist Training Union of the Mitchell-Scurry Baptist association.

Ernest Wiman of Roscoe was in charge of the meeting, with the Rev. Lyman Wrenn of Snyder making an address on "The Place of the Adult in B. T. U." Congregational singing was led by the Rev. C. C. Scott of Westbrook. Special musical numbers were by the Hall quartet of Westbrook and the Wiman sisters of Wastella. The Rev. A. C. Hardin of Lorraine made an inspirational address.

Chairmen to lead associational committees in preparing for contests at B. T. U. state convention were named. Jake Smyth of Snyder will di-

rect the young people's essay contest; Mrs. James Easterwood of Roscoe will have charge of the intermediate sword drill work; Miss Mary Wiman of Wastella will lead in the junior memory contest; Miss Pearl Bryant of Colorado will have charge of story telling.

Elimination contests in all these divisions will be held at the Dunn church on Sunday afternoon, November 3, at 2:30 o'clock. Winners will represent this association in district contests later to determine who shall represent the district in state contests at Dallas. Miss Elizabeth Terrell of Colorado is district director of all these activities.

A motion to hold all associational B. T. U. meetings hereafter at Dunn on fifth Sunday afternoons carried. This change will put the meeting nearer the geographic center of the associational territory.

Wastella won the efficiency banner.

During the morning session the convention visitors are to have their attention directed to clinics and case reports under direction of members of the Mitchell county association. Adjournment to lunch will be had at 12 o'clock noon. A Dutch lunch will be served the visitors by the host physicians.

The afternoon session will be called to order at 2 o'clock. During this period matters catalogued as coming within the scientific section of practical medicine are to be studied, with doctors from outside the county directing. Election of officers for another year and the host city for 1936 convention are to be other orders of business during the afternoon.

Among high spots on the convention program will be annual banquet at the Colorado beginning at 7 o'clock. The Rev. Alex B. Hanson of All Saints' Episcopal church will offer the invocation.

Entertainment specialties to be offered during the banquet program are to include a violin overture by Mrs. J. Melvin Crymes, with Mrs. Jas. Guitart playing the piano accompaniment; dance numbers by pupils of Mrs. Bill Martin of Lorraine and a playlet entitled "The Modern Doctor's Office," directed by Mrs. Guitart.

Dr. H. R. Dudgeon of Waco, president-elect of State Medical Society, is to deliver the principal banquet address, speaking on the subject, "The Third Party in Medical Practice."

"There were 49 doctors registered at our annual convention in Abilene last year and we feel confident that not less than fifty will be in attendance during our meeting here next week," President Ratliff stated Wednesday morning.

HARD BATTLE AHEAD FOR
COLORADO AS SPUR CLUB
MOVES IN FRIDAY NIGHTDickens County Team Held
Roby To Scoreless Tie;
Visitors Heavier

Jim Reese and his Wolf pack have something to think about as they come to eve of engagement with the Spur eleven at Cantrill Field Friday night. The visitors, already reckoned as one of the formidable Class B clubs in this part of Texas, will give the locals a determined fight and unless the home town schoolboys show better qualities than displayed in the melee with Snyder will take victory as their reward.

There should be no occasion for the Wolves, however, to consider themselves outclassed by the heavier Spur team, fans who have doped the approaching game are saying. It is true that Spur recently held the Roby boys to a scoreless tie, but it was just a week later that Lorraine evenly matched the Roby aggregation. Lorraine, however, may have a better team than some of the informers will admit.

Whether or not Colorado is able to cope with the visitors, fans are assured a good game. The Wolves have been doing extra time in practice work-outs since their marginal win over Snyder and Coach Reese is optimistic over the improvements shown.

"Spur has us on the spot as to weight but I am hoping that we will overcome that advantage through a faster and better unified club," the Wolf mentor said.

Colorado fans are reminded that proceeds of the game will apply on fund for liquidating cost of installing the field lighting equipment. Along with the prospects of witnessing two good teams in action, customers will be contributing in a material way to a project that means much to football in this town.

Colorado is going to expect the Wolves to fight to their last resource in determined will to keep the laurels of victory at home. Too much is at stake to allow the visitors to win.

DOZIER, M'SPADDEN WIN
IN CLUB GOLF CONTESTS

Winners in the mixed Scotch two-some golf contests at the Country club Sunday afternoon were Fred Dozier and A. L. McSpadden. Second lowest twosome was composed of Mrs. S. A. Palmer and Jake Merritt.

Mixed foursomes in matched play will be contest features next Sunday. Playing will begin at 2 o'clock and there will be an entrance fee of 25 cents.

CHAMPION REVIVAL WAS
CLOSED SUNDAY EVENING

Revival meeting at the Champion Methodist church was closed Sunday night by Rev. Albert Click of Colorado. The revival, his sixth consecutive campaign during the summer and fall months, ran through two weeks. Twelve additions to the church were reported.

IN COLLISION DISPUTE

Jack Yarbrough, Jr., of Sweetwater, plaintiff in damage case against M. B. Zimicki, also of that city, seeking to recover damages in the sum of \$4,825 as aftermath of a car-truck crash on Highway One east of Lorraine, last week was awarded \$285 by a jury in the Nolan county district court.

COLORADO PUSHES AHEAD
TO WIN OVER SNYDER AS
LOCAL FIELD DEDICATEDOne Thousand Fans Witness
Equally Matched Battle
Here Friday Night

As slightly more than 1,000 fans from Colorado, Snyder, Lorraine, Blackwell, Roscoe, Sweetwater and other surrounding communities filled the recently constructed bleachers and took up positions along the side line, the Wolves pushed ahead by the marginal lead of six points to win over Snyder's Tigers in game dedicating the new lighted Cantrill Field here Friday night.

The kick-off whistle came after a special dedication program had been given. Congressman George Mahon delivered the principal address, in which the West Texan offered tribute to the competing teams and the splendid schools they were there to represent. C. Wedgeworth, superintendent of the school board, spoke briefly in acceptance.

Col. C. M. Adams, described by the presiding official as the "most loyal, most enthusiastic and most popularly beloved fan to ever support the Wolves," was introduced, but he declined to speak. He was liberally applauded as he tipped his hat in response to the introduction.

The game to follow was just as colorful as it was evenly matched. There were few sensational plays to rouse husky applause from the bleachers and the side lines. The Wolves, however, demonstrated superiority over the visitors, but there was nothing to brag about there.

Colorado scored her winning marker in the second period. Edwin Morrison and Roy Miller hit the Tiger line and circled the ends to lay the stage for Miller's brilliant 24-yard sprint for the touchdown.

Miller started his touchdown jaunt with a swing to the left side of his line, found his path blocked, cut back to the right and came crashing through the Tiger secondary to reach the Snyder goal line.

He attempted to plunge center for the extra point but was stopped by a stubborn Tiger wall.

Another Colorado threat was halted in the third period after Snyder fumbled and the ball was recovered on the Tigers' 35. Edwin Morrison broke loose for a 15-yard play, Colorado drew a 15-yard penalty for holding. Priestster made 10 yards on the fourth try, but lacked the necessary yardage for a first and the ball went over on the 25.

The Tigers missed a chance to score in the closing quarter, when Webb, squatty Tiger guard broke through to block Priestster's punt and recover on the Wolves' 20. On the first try the Tigers lost 15 yards. Then a long pass, J. Boren to Strayhorn, was interfered with and officials ruled a completion on the Wolves' 14. In four tries the Tigers picked up only four yards and the ball went over on the Wolves' 10.

Priester immediately kicked out of danger.

Priester, Roy Miller, Ewing Lee were the standouts in the Colorado backfield, while Regal Porter, J. C. Garrett and Tom Hughes turned in good work on the line.

Clark Webb Boren were outstanding for the losers.

HOLE-IN-ONE MADE BY
FRED DOZIER ON CLUB
GOLF COURSE SUNDAY

A hole-in-one was shot by Fred Dozier on the Country club golf course Sunday afternoon under conditions making him eligible for membership in the "Dodo" club.

Dozier was playing in a foursome composed of Jake Merritt, Lorraine Smith, Bun Pritchett, and himself. The shot was made on No. 5, a 140-yard hole.

Once before Dozier shot a hole-in-one on the club course but he was playing in a twosome and was therefore not eligible for Dodo membership.

MIDLAND BOOSTERS TO
VISIT COLORADO OCT. 9

Sixty Midland boosters, traveling in three chartered busses, are to arrive in Colorado on Wednesday morning, October 9, at 9:45 to invite citizens of this county to visit the Midland Fair, to open October 16, for eight days. Second Mitchell county stop will be at Lorraine, at 10:15. A fifteen minute stop is scheduled for each place.

REV. BALDERREE GOES
TO DESDEMONA CHURCH

A call to be full-time pastor of the First Baptist church at Desdemona has been accepted by the Rev. H. N. Balderree, who has been pastor of the Baptist churches at Bethel and Looney for about three years.

The Rev. Mr. Balderree and his wife and two children left last week for Desdemona.

An article in last week's West Texas Baptist praised the work done by the Rev. Mr. Balderree in this coun-

ty, with special emphasis on his cooperation in associational work.

STATE TO BEGIN PAVING
ON HIGHWAY IN HOWARD

Surfacing on eleven miles of Highway One, extending east from Big Spring is to begin in the near future. The Record has been informed. Contract to rebuild and surface the road east to the Mitchell county line is expected to be let as soon as overpass crossing the Texas & Pacific between Llan and Coahoma is completed.

OPENING OF TWO MORE
RURAL SCHOOLS MONDAY

Two more rural schools, Fairview and Valley View, opened for work Monday morning.

Fairview teachers are the same as last year, Miss Eula Carter and Mrs. Mary Boatler.

Valley View's faculty is all new. A Mr. Simmons is principal and the remaining faculty includes John Wiman of Roscoe, Miss Ruby Fae Hock of Lorraine, and Miss Clara Shoemaker of Colorado.

Mrs. Willis Jones Complimented At Eight-Table Party Last Saturday

Adding another to the series of affairs which have honored Mrs. Willis Jones, the former Miss Ritchie Melton, preceding and following her marriage, Mrs. Ed Jones, Jr., and Miss Gladys Louise Jones complimented her with an eight-table bridge party at the home of Mrs. Ed Jones, Sr., Saturday afternoon.

Fall roses decorated the setting for the games. Tallies and scorepads were in the bridal motif. Mrs. Neal Pritchard won a vanity set with high score and Mrs. Bill Dorn a card case with second high. The hostesses' gift to the honoree was a set of iced tea glasses.

Bridal corsages were favors with a salad and dessert refreshment course

served to Mrs. Joe Pond, Mrs. A. C. Anderson, Mrs. Austin Bush, Mrs. N. H. White, Mrs. Walter Wilson, Mrs. Jack Mayes, Mrs. Mary Lee Tidwell, Mrs. Baxter Scoggin, Jr., Mrs. E. J. Doupre, Mrs. Charles Mosser, Mrs. E. B. Willbanks, Mrs. W. D. McClure, Mrs. Charles Wyatt, Mrs. Blue Goodwin, Mrs. James Logan, Mrs. H. L. Lockhart, Mrs. R. J. Wallace, Mrs. Bill Dorn, Mrs. Don Wallace of New Iberia, La., Mrs. Carey Prude, Jr., Mrs. Charles Donaldson, Mrs. Neal Pritchard, Mrs. Jake Richardson, and Mrs. A. C. Melton.

Misses Elizabeth Grantland, Frances Lupton, Erdine Morgan, Cleo Sheppard, Grace Callan, J. E. Spenning, Laura McKinney, Iva Lee Rankin, and the honoree.

Episcopal Women Hear Review Of Study Book

A review of their study book, "Evangelism in the Church," was given for the Woman's auxiliary of All Saints' Episcopal church at the Monday afternoon meeting by the church rector, the Rev. Alex B. Hanson.

Following the review the women held a short business meeting, planning to send their box of children's clothes to Quana, where it will be repacked for shipping to an Indian

mission in Minnesota.

Mrs. John Hurd of Post was an out-of-town visitor.

Mrs. Shroeder Is Showered By Club

A handkerchief shower for Mrs. Nellie Shroeder, who is visiting here from El Paso, was a feature of the Miriam club meeting Tuesday afternoon at the home of Mrs. Belle Vaughan.

Eight members were present. The hostess served sandwiches, potato chips cake, and tea.

Member Named, Lunch Planned By 1921 Club

Admitting one new member and planning for its president's luncheon next Friday, the 1921 Study club held its first meeting of the year with Mrs. J. T. Pritchett Friday afternoon.

The new member, admitted was Mrs. A. C. Anderson. The luncheon is to take place at the home of Mrs. R. P. Price at 12 o'clock Friday.

Mrs. U. G. Hardison was leader of the opening meeting. The club history was given in two parts, Mrs. Pritchett giving the first part and Mrs. Ed Jones, Sr., the second. Mrs. H. B. Broadus led a parliamentary drill.

Mrs. Blackard Wins Friday Club Prize

Prize for high score was won by Mrs. Lloyd Blackard at the Friday club party to which Mrs. Bryan Porter was hostess Friday afternoon. The prize was a pair of hand-embroidered pillow slips.

Second high score was made by Mrs. J. J. Pierce, who received a Dutch doll apron.

Mrs. Porter used a profusion of fall flowers in decorating for the occasion. Her only two guests were Mrs. Bob Thompson of Persimmon and Mrs. Kenzie Reese of Midland. A sandwich course and cake were served. Mrs. Clay Mann Smith is to be hostess next Friday.

Misses Grantland And Lupton Are Hostesses

Three tables of contract were entertained by Miss Frances Lupton and Miss Elizabeth Grantland at the Lupton home last Wednesday afternoon.

High scores were made by Mrs. Lloyd Blackard and Miss Gladys Louise Jones. Refreshments of lime salad, potato chips, olives, crackers, and coffee were served to:

Mrs. Blackard, Miss Jones, Miss Erdine Morgan, Mrs. Baxter Scoggin, Jr., Mrs. Joe Moser, Mrs. Charles Donaldson, Mrs. Willis Jones, Mrs. Bryce Webb, Miss Cleo Shepherd, Miss Elizabeth Hutchinson, Miss Sidney Thomas, and Mrs. Carey Prude, Jr.

Shakespeare Will Meet With Mrs. J. M. Thomas

The Shakespeare club will meet with Mrs. J. M. Thomas Friday afternoon instead of with Mrs. Jack Smith, as was announced last week.

CHURCH NEWS

The Missionary Society of the Methodist church met with Mrs. Marvin Dorn Monday for our social. We arrived about 11 a. m. with covered dishes and our work. We were royally entertained and worked hard on dish towels, luncheon sets, pillow cases, etc. We had a feast at noon, too many dishes to mention and iced tea. Mrs. Dorn is a perfect hostess giving a watermelon spread at 4 o'clock.

We made out our reports as this was the last of the quarter. We hope to have a large crowd at our regular meeting next Monday.

The Rocolo Union of the Sweetwater district will hold its next meeting at the Westbrook Methodist church Thursday, Oct. 10 at 7:30 o'clock. Everyone invited.

W. M. S. meetings at the usual time.

Services at the Methodist church will be dismissed Sunday night for an all charge service at Cuthbert in connection with their homecoming program.

Attend church Sunday.
All Young People invited to their respective services.

BIRTHDAY PARTY

Jack McDonald was entertained on his fifteenth birthday at the home of Mrs. Burr Brown.

Indoor and outdoor games were enjoyed. Nearing the end of the party, Jack was surprised with a gift from his classmates, a guitar, which was presented by Miss Harry Etta Landers.

The guests were then taken out into the yard to find rows of watermelon, sliced and ready to eat. At 10:30 the guests went to their homes bidding farewell to a very enjoyable evening.

Mrs. Blackard, Miss Jones, Miss Erdine Morgan, Mrs. Baxter Scoggin, Jr., Mrs. Joe Moser, Mrs. Charles Donaldson, Mrs. Willis Jones, Mrs. Bryce Webb, Miss Cleo Shepherd, Miss Elizabeth Hutchinson, Miss Sidney Thomas, and Mrs. Carey Prude, Jr.

Assembly News

The assembly program Wednesday morning was devoted to singing. Everyone enjoyed the peppy songs led by Mr. Hood, accompanied by Jimana Taylor. "The Senior Girls" Choral club sang "Sweet and Low".

We wonder if it was the entire choral club that Elton Donelson fell for so hard (even to the point of demolishing school furniture in the fall after the performance) or just a certain girl? "Lucky girl or girls!"

Sports News

Coming to the front in the last inning the Westbrook High school soft ball team tied the game and then defeated the Iatan team 10-0 in the playoff at Iatan Thursday. Harris Wilson, Westbrook pitcher, hit a home run in the fourth inning.

The volleyball team won two successive games from the Iatan girls. This was the first game the volleyball team has had and we are proud of the fine start.

Both boys and girls are looking forward to the basketball season which will start soon.

Boy Scouts Enjoy Hike

Saturday night Mr. Hood accompanied Boy Scouts of Westbrook on a six-mile hike and all-night outing. They went northwest of town to the Morrison Tank.

The following boys (outside of pulling the cover off each other, hiding someone else's shoes and flashlight, awaking next morning and finding their clothes wet with dew and killing a rattlesnake) enjoyed the trip: Harold Berry, Bill Rucker, Van Pearson, Boston, James Skelton, Floyd Leach, Leecroy Clifton, Slick Bell, Reeves Plummer, John Bob Taylor, A. G. Board, Pete Lambert, Gerald and Perry Anderson.

Senior News

Well, this is one of the few weeks that the Seniors have done nothing of any special importance—not anything more than flunked a few tests and received a few demerits.

You know, I think the school is going to have some singing birds out of those "Fish" and "Sops"—oh yeah! Really I don't mean a thing but they might be talented in calling hogs. Now don't you agree with me?

The Seniors were very pleased about the outcome of the games with Iatan last Thursday. We hope the school can keep up that record.

By the way, just this word to Miss Cook about English. We would en-

Joy it a lot better if we did not have pop quizzes and could chew gum in class. But I suppose that is all part of this thing called "school life."

Well, I will not bother you with my foolishness until just a little later.

Oh yes, it is rumored about that the school is going to make a cage out of the new bus by putting bars on the windows. I am afraid we won't be able to tell whether they are bringing wild animals or prisoners to school.

Junior News

Well the Juniors are doing fine schoolwork so far. We hope to keep this good work going all the year.

It seems that Junior Stribling has changed his name to "Blue Foot Stribling." We have one of the greatest Spanish students ever known in history. His name is Marcus Woodall. He is always trying to take the Spanish alphabet and write his name with it. It seems that Chester Anderson fell pretty hard for a certain Senior girl at the Senior and Junior picnic. It looks as though Harris Wilson is trying to be a Junior-in-law.

The lizzy, busy blondes after Marcus Woodall again. The old Badger game.

Dorothy Taylor says, "Every time that someone tells me I am lousy I become more determined to succeed."

Miss Cooks says, "I am a single gal with a single track mind, but it doesn't run on matrimony."

It seems that every time there is a Spanish lesson to bring up Cecil

McCullough has his, but always loses it just before class.

Sophomore News

Flonelle Davis, Clarence Moore, and Elton Berry went to the circus Monday afternoon at Colorado. We didn't know we had any Sophomores who were big physically but small mentally.

The W. H. S. Sophs did their part in the Colorado-Snyder football game last Friday night. Several of the class members attended and gave their support by yelling. Elizabeth Young and Lena Lee Bird are great football fans now. Watch their predictions on the big games in the future.

Reeves is still wondering why Elizabeth didn't answer his question when he asked if "neutrality" was in Europe. Can someone help our friend along?

Mr. Patterson: "Tell me what became of your mathematics?"

Freshman Iris: "I traded it for a Ford long ago."

Glyn Hindman reported that he was looking forward to the Physiology experiment of operating on the cat.

Freshman News

The Fish were greatly interested in the circus this week. Maybe Ramelle Clifton can tell us something of the large animals she saw there.

Coach Lauderdale: "The only way try to make a living on your knowledge."

Dick Miller: "Hm. I would hate to try to make a living on your knowledge."

How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night if needed.

How do Calotabs help Nature throw off a cold? First, Calotabs are one of the most thorough and dependable of all intestinal eliminants, thus cleansing the intestinal tract of the germ-laden mucus and toxins.

Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds.

Calotabs are quite economical: only twenty-five cents for the family package, ten cents for the trial package. (Adv.)

Signs of hard winter?

SKIP COLD-WEATHER RISK...MAKE SURE YOUR ENGINE

Conoco is not the only oil refined by modern methods. But notice what all the usual processes are said to take out. Then notice what the exclusive Germ Process—fully patented—PUTS IN. Nothing vague about this process.

It tops off everything else known to Refinery Science, by putting in the Hidden Quart which makes your engine stay oiled.

You can park your car for hours in blizzards; stand for days in a cold garage. But you cannot make a dragging, expensive, engine-eating start.

Unlike other oil, no matter how free-flowing, Conoco Germ Processed Oil needn't wait for your starter or oil pump. The Hidden Quart is up on guard in advance. It hasn't drained down because it can't. The Germ Process has let it "marry" into the inner surfaces of your engine for good... a strange though natural "affinity" well known to scientists.

Even the new copper-lead, high-lead and cadmium-alloy bearings, as well as conventional babbit bearings, are far better protected by Conoco Germ Processed Oil than by plain mineral oils. Scientific tests have proved this.

But millions whose only laboratory is under the hood, can tell you a lot about the Hidden Quart and Germ Processing. They'll tell you the battery stays up, the oil level stays up, the old winter worry and expense stay away.

Achievement Day Group Braves Bitter Weather To See 4-H Accomplishments

Braving rain and a biting north wind to travel over the county and see what rural clubwomen of the county have accomplished this year, interested Mitchell countians were guests of the Mitchell County Home Demonstration council on three Achievement Day tours last Wednesday, Thursday, and Friday.

Homes visited were as follows: Mrs. Jack Linam, yard improvement demonstrator for the Lone Star Women's club; Rena Louise Taylor, bedroom demonstrator for the Lone Star girls' club; Mrs. Albert Orr, Lone Star Women's bedroom demonstrator; Mrs. Ivan Barber, Bauman Women's bedroom demonstrator; Mrs. Jess Lee, Bauman Women's yard demonstrator; Mrs. D. McCollum, also yard demonstrator for Bauman women; Luline Miles, Looney Girls' bedroom demonstrator; Mrs. Ollie Thompson, Looney Women's yard demonstrator; Mrs. Kent Howell (bedroom), Mrs.

J. C. Franklin (yard) and Mrs. Louis Pierce (bedroom), all of the Plainview club; Mrs. C. W. Burford, yard demonstrator of the Fairview club; Mrs. Will Berry, yard demonstrator of the Fairview club; Mrs. E. R. Uz zle, bedroom demonstrator of the Fairview club; Nita McKinney and Mrs. J. M. Hahn, bedroom demonstrators of the Iatan club; Mrs. Otto Schuster and Louise Fowler, bedroom demonstrators of the Hyman club. The yard of Mrs. J. C. Franklin, demonstration club gave the group an idea of how vitex can be used as a windbreak as well as a screen. Another yard that had an unusual change made in it was that of Mrs. Jess Lee, demonstrator in the Bauman club. Mrs. Lee used the mock-orange for a hedge. Interesting curbs and service walks of native stone were made use of and were cemented together, making them

more permanent and smooth. Such foundation plantings as Baker's arbutus, coral berry, forsythia and pomegranate have been placed and are growing successfully.

Another yard demonstrator in the same club, Mrs. D. McCollum, has had signal success with most of her plantings in her big yard. Her back yard presented a picture for an outdoor living room where a portion of the yard was carpeted with bermuda grass. Rock walks, shrubs, vines, annual blooming flowers and trees were all placed this year. Mrs. McCollum has some shrubs that she has rooted such as crepe myrtle, salt cedar, nandina, California privet, vitex, bridal wreath, lilac, and pomegranate. Japanese Honey Suckle, roses, wild china berry trees, Bird of Paradise shrubs, Algerita berry and other native materials have been transplanted.

The sandy, wind blown yard of Mrs. Jack Linam, demonstrator of Lone Star home demonstration club, now is filled in. A rock curb has been built, native rock walks put down and a carpet of bermuda grass well started. Chinese elm trees placed this year made unusual growth.

A demonstrator who had success in getting help from her "better half" in hauling up loads of rock to build walks and curbs for her yard was Mrs. C. W. Burford, yard improvement demonstrator for the Fairview home demonstration club. Mrs. Burford has two 30 foot walks four feet wide to the front and sideback made of the native rocks. A narrow stepping stone walk connects the two and also acts as a curb around the foundation beds and will keep the bermuda grass from the beds. These walks have graceful curves and are not too conspicuous in the plan of landscaping. Probably the best garage screening found in all of the yards was here, where a screen of grape vines, and two trees were so planted to hide the unsightly garage from the public view.

The yard tour would not have been complete had the group not seen the picturesque rock fence of Mrs. Will Berry. No doubt more native rock has been used to landscape this

rural home yard than any in Mitchell county. A side yard affords a good example of outdoor living room and recreation equipment, such as tables, benches, stools and a fireplace all of rock. A museum built of stone also affords many interesting relics. Aside from the beauty of this colorful rock fence, the fence protects the shrubs and flowers from the high winds and cutting sand that are a menace to yards in Mitchell county.

Six of the 10 bedrooms visited were in rented farm homes. An average of \$10.00 per room was spent in improving them. Clothes closets, wall paper and floor finishes were the most expensive items listed. Better bedding, having been stressed for the past three years, was demonstrated in spring covers, mattress protectors, mattress pads, 3 yard sheets, pillow protectors, good bed spreads, five tufted spreads, and nine rugs to go beside the beds. Two demonstrators had made cotton mattresses and two had bought new ones.

The 50-year-old room of Mrs. Lewis Pierce was presented to the group as a cozy room, with a newly built clothes closet, a vanity dresser made of boxes, walls repapered and wood-work calsoinmed. With new curtains and added accessories this old room appeared a 1935 model.

"I would like to have a vanity dresser made like this," remarked a visitor to Rena Louise Taylor, 4-H Club demonstrator of Lone Star who had used apple boxes, a radio crate, an old door and miscellaneous boxes in making of a nice piece of ivory painted furniture costing with the mirror about \$4.00.

Over the hill from Rena Louise's room visited the room of Mrs. Albert Orr, bedroom demonstrator for the Lone Star home demonstration club. One woman told Mrs. Orr she thought her lavender tufted bedspread was the prettiest she had ever seen, but Mrs. Orr felt that her most prized piece of work in her room improvement was her woolen hooked rug, made mostly of men's trousers and costing \$1.10, with a final value of \$10.00.

After lunching at the Bauman church the group visited the room of

Fourth Quarterly Conference, First M. E. Church, Held

Fourth quarterly conference at First Methodist church was convened at the church Sunday afternoon by the presiding elder, Rev. C. A. Long of Sweetwater. Reports of the pastor, Rev. Cal C. Wright, and other church officials, showed the station to be in excellent condition, both spiritually and financially. Every financial obligation was reported paid in full to date.

Roy Davis Coles, county superintendent of schools, was elected superintendent of the Sunday school. Gus Chesney was elected superintendent of the adult department, Burt Smith of the young peoples apartment, Tom Glover of the intermediate department, Mrs. R. H. Looney of the junior primary department and Mrs. J. A. Ferguson of the nursery department.

O. H. Majors, secretary of the school for a number of years, was re-elected and Ted Garrett was re-elected assistant secretary. Dr. W. B. May was elected song director and Mrs. W. H. Garrett re-elected superintendent of McCall Mission church Sunday school.

The following stewards were elected to serve during the next conference year:

Mrs. E. A. Barcroft, E. R. Bibby, J. A. Buchanan, A. C. Connell, J. A. Daffebach, Roy Dozier, L. B. Elliott, H. E. Grantland, R. E. Gregory, H. H. Herrington, Ford Merritt, J. Ralph Lee, Mrs. R. H. Looney, Geo. H. Mahon, Mrs. J. E. McCleary, J. W. Randle, Harry Ratliff, Mrs. J. W. Shepherd, Tom W. Stonerod, Jr., B. L. Templeton, C. C. Thompson, Dale Warren, J. E. Watson, U. D. Wulf-jen.

Mrs. Ivan Barber, demonstrator for the Bauman club. Her bedroom was made more efficient by making a 6 by 9 by 2 closet frame and shelves of new lumber with walls of a heavy shipping cardboard papered over. A special feature in this closet was an extra long rod for the junior son in the family. This closet cost \$5.00.

The next visit was to Luline Miles, Looney 4-H club girl demonstrator. "I have had at least 300 to visit my room," remarked Luline. "My landlord enjoys bringing his friends out to show his farm and he always brings them inside to show them my room."

On Friday a group of thirty-five people saw five more improved bedrooms. A bare plank walled room at the home of Mrs. E. R. Uz zle was at its best for the occasion. It boasted a new \$4.00 clothes closet, woolen hooked rug, new wall paper, draperies, floor refinished with the oil treatment, an added reading table, book rack, newly reseatd chair, bed completely clothed in new linens, all for less than \$13.00.

After a drive of some 10 miles to the room of Nita McKinney, 4-H Club demonstrator for the Iatan girls club the visitors found a well-furnished bedroom affording furniture for the activities carried on by a high school girl. Nita is making a tufted bedspread to be exhibited at the bedroom improvement exhibit at San Angelo in November.

An unusual event, presented to the group at the home of Mrs. J. M. Hahn, demonstrator for the Iatan home demonstration club was the showing of her 8-year-old son's room that she had improved. A big ice box crate had been converted into a very interesting clothes closet, with a side attachment for other accessories.

To the extreme side of the county the group trekked to see the demonstrations in Hyman. The room of Mrs. Otto Schuster, demonstrator for her club was viewed first. Mrs. Schuster had papered her walls, painted her floor and woodwork, remodeled wardrobe, refinished furniture, crocheted two rugs, improved bedding, made new mattress and added new curtains.

Thence to the room of Louise Fowler, 4-H Club demonstrator for the Hyman girls club. Louise and her mother performed big things to her room by moving a clothes closet and building it to the ceiling, then repapering, painting the floor, refinishing the furniture, reseatd a chair and adding linens and curtains.

Lunch Friday was served at the Fairview community house and was followed by group singing and readings. Those making the morning trip Friday included the following: Miss Emma Gunter, county home demonstration agent; Mrs. Otto Schuster, Mrs. Ivan Barber, Mrs. Mary Boatler, Mrs. Walter Averitt, Mrs. C. C. Berry, Mrs. Dewey Phillips, Mrs. J. C. Franklin, Mrs. O. L. Simpson, Mrs. Roy Knight, Mrs. E. R. Uz zle, Mrs. H. A. Pond, Mrs. W. W. Jenkins, Mrs. C. W. Burford, Mrs. H. H. Collin, Mrs. Jewel Barrett, Mrs. Carl Lowry, Mrs. Wes McAlpine, Mrs. Ralph Payne, Mrs. James Herrington, Mrs. Witt Hines, Miss Rena Harris, Mrs. W. H. Wiggins, Mrs. H. D. Mitchell, Mr. and Mrs. Will Berry, B. J. Baskin, and Mrs. W. H. Wiggins.

Special features were a display of a week's supply of vegetables in one of the Lone Star homes, a wild flower display at the Uz zle home in Fairview, and a demonstration on re-upholstered furniture at the McKinney home in Iatan. On the opening day a demonstration was given at the Mitchell county courthouse on the making of a feather quilt.

Former Writer Is Colorado Visitor; Is Preaching Now

Among the several Methodist preachers in Colorado Monday to attend sessions of the Sweetwater district pastors conference was the Rev. Hamilton Wright of Coahoma, for several years among the outstanding news writers of Texas.

"Ham," as he was popularly known among the newspaper fraternity, is a former editor of the Fort Worth Record. He was publicity manager for the West Texas chamber of commerce when he resigned a few years ago to join the Northwest Texas conference, M. E. Church, South, as a circuit rider.

"The sacrifice that Ham Wright made in order to devote his talents to the Christianity ministry endeared him to all who know him," was comment of Rev. Cal Wright of Colorado, after recalling that he left a salary of \$3600 and expenses a year to enter his present work.

CARR NEWS

Rev. Stuart, pastor of the Church of God, preached Saturday night, Sunday and Sunday night.

There will be singing every second Sunday afternoon at the Methodist church.

The P.T.A. was reorganized Friday night, September 27. The following officers were elected: E. G. Crouch, president; R. G. Fowler, vice-president; Marian Gregory, secretary-treasurer. A very interesting program was rendered. Among the number were readings and musical selections presented by Mr. J. H. Hood, a member of the Westbrook school faculty.

Mrs. Hugh Daniels and daughter, Neta Bess and Misses Ruby and Myrtle Turner, attended the singing Sunday afternoon at the Salem church in Howard county.

Mrs. H. M. Berry of Westbrook visited Sunday afternoon in the W. H. Gregory home.

Mr. and Mrs. Flem Anderson of Big Spring visited relatives in the community Sunday. Miss Catherine Gregory went home with them. She will accompany them on a trip this week to points in the Davis mountains.

Mr. and Mrs. Fred York and Mr. and Mrs. B. Hightower had friends and relatives from Italy, Texas, visiting them over the week-end.

F. E. Hightower who is employed by the CCC camp at Big Spring, spent the week-end with his parents, Mr. and Mrs. B. Hightower.

SHERIFF'S SALE

STATE OF TEXAS
COUNTY OF MITCHELL

Notice is hereby given that by virtue of a certain order of sale issued out of the Honorable 104th District Court of Taylor County, Texas, on the 4th day of September, A. D. 1935, by Belle Wellborn, Clerk of said court, upon a judgment for the sum of \$729.09 against W. E. Reid and wife, Clyde Reid, and R. P. Price, jointly and severally, with interest from the 1st day of April, 1934 at the rate of 8.8% per annum, and also for the sum of \$538.54 against R. P. Price and wife, Olive Pearl Price, jointly and severally, with interest thereon from April 1, 1934 at the rate of 8.8% per annum, said judgment being in favor of Abilene Building & Loan Association, a corporation, and rendered in a certain case in said court No. 1981-B, styled Abilene Building & Loan Association, a corporation, vs. W. E. Reid, et al., and placed in my hands for service, I, R. E. Gregory, as sheriff of Mitchell County, Texas, did, on the 1st day of October, 1935, as in said order of sale commanded, levy on certain real estate situated in Mitchell County, Texas, described as follows, to-wit:

The North fifty (50) feet of Lot No. Four (4) of the W. E. Reid's Subdivision of Lot No. One (1), in Block No. One Hundred Ten (110), of Brown's Extension to the Town of Colorado, Mitchell County, Texas, as the same is laid down and described in the map or plat of said subdivision which is of record in Vol. 29, page 522 of the Deed Records of Mitchell County, Texas, to which reference is made,

and levied upon as the property of W. E. Reid and wife, Clyde Reid, and R. P. Price and wife, Olive Pearl Price, and that on the first Tuesday in November, same being the 5th day of November, A. D. 1935, at the court house door of Mitchell County, Texas, in the city of Colorado, Texas, between the hours of 10:00 o'clock A. M. and 4:00 o'clock P. M. by virtue of said levy and said order of sale, I will sell said above described real estate at public vendue, for cash, to the highest bidder, as the property of said defendants above named.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Colorado Record, a newspaper published in Mitchell County, Texas.

Witness my hand, this 1st day of October, A. D. 1935.
R. E. GREGORY,
Sheriff of Mitchell County, Texas.

Zilpha Morrison Well Looks Good Big Spring Notes

That the wildcat well recently drilled on the Zilpha Morrison lease near Iatan is promising of commercial production and the subsequent material expansion to proven territory there, is indicated in the following news story, reprinted from a Big Spring newspaper:

Gib Sawtelle, here Monday from Mitchell county where he recently secured what has all the earmarks of a 200 barrel per day producer stated the work of testing the well could not be made until the work of cleaning out had been completed. During the cleaning out program the swab was run from 6 to 8 hours Sunday and 80 barrels of oil was secured.

Tubing has been brought to the location and the well will be tested by pumping just as soon as the cleaning out work is completed.

A SERMONETTE

Bible Instructions—Pentecost and Arguments About Religion

This column has been censured by some of our readers for writing so much about religion and the Bible. Our excuse is that so few people read the Bible at all and we hope by this means we may get more Bible readers.

Arguments about religion gets one nowhere. Do not waste your time arguing about the Bible. The book itself confesses to be partly told in parable and allegory, and in as much as an allegory is a literal truth expressed by the unliteral one, there is no consistency in saying that it is both true and untrue at the same time. Did not Jesus tell His disciples that it was unnecessary to speak to the people in parables because they did not know the mysteries of the Kingdom of Heaven, and say that even the little understanding that the ignorant had should be taken away from them?

And don't forget that the Book says that if you have all knowledge of all the mysteries and have not love (charity) for your fellowman you are but a loud noise like that of these arriving brass bands for the football game.

Many errors concerning the statements in the Bible exist in the popular mind, the idea that the world began in Solar year 4064 A. D. for instance. Nowhere in the text can we find it. Many other instances could be cited. Madame Blavatsky who followed the Hindu Scriptures instead of the Jewish (and there are several kinds of Scriptures beside the Jewish) said that "All in the ancient Scriptures is allegorical, all based upon and inseparably connected with astronomy and cosmology."

The Book is more fundamental than any so called fundamentalist or literalist ever dreamed of it, and yet the latter, in my opinion, fails to see the great facts in it, because he fails to distinguish between parable, allegory and plain statement. All of its "miracle" assertions, which so excite the ridicule of the scoffers, the flood, the ark, the tower of Babel, the standing still of the sun, Daniel in the lions' den, the loaves and

fishes, the turning water into wine, are allegorical presentations of great truths to those who have the understanding to understand them. The "fundamentalist" although he has still a long way to go, has at least got a foot upon the ladder which ascends upward toward the light, the scoffer has not even started. He at least knows what the Book says although he may not understand it. The latter has no understanding at all. He is the one from whom the understanding has been taken, or is withheld.

If Mr. Bryan had had this higher understanding at the time of his debate with Mr. Darrow, if he had known the truth behind his apparent inconsistencies of the Book he would have made the latter run like a jack-rabbit. As great as were these two great men, neither of them had the higher understanding that the Book talks about.

One aspect of the Book, in particular, which is undebatable and that is its teachings as to good behavior, or the Moral law. These laws were founded on the experiences of mankind through long ages, since primitive man began to think long before the Book was written. "The wages of sin is death." Spiritually, death is the higher sense of honor, death to human happiness.

But while upon this subject of the uselessness of arguments over religion, just take a glance at what the Book itself says about it. James 1-5, 26-27, "If any man among you seems to be religious and bridleth not his tongue, this man's religion is in vain."

"Pure and undefiled religion is this, to visit the fatherless and widows in their affliction, and to keep himself unspotted from the world."

PENTECOST

Concerning this wondrous event at Pentecost. "And they were all filled with the Holy Spirit, and began to speak in other tongues as the Spirit gave them utterance." Acts 2-4.

When we come to an exegesis of this passage we take the following positions. The people spoke in Hebrew, or Aramaic the language of Galilee, and were heard by the auditors present, all of whom were Jews and understood the Aramaic language. The record contains expressions which make the above untenable. Take these words, "and they began to speak with other tongues," verse 4. "The multitude came together and were confounded because that every man heard them speaking in his own language," verse 6. "How hear we every man in our own language wherein we were born," verse 8. "We hear them speaking in our tongues the mighty works of God," verse 11. These expressions are conclusive proof of the fact that the thirteen nations, representatives of whom were present, spoke each its own dialect or language. All of those present were not Jews. Some were proselytes. Many of the Jews of the dispersion were present, and doubtless many of them did not speak the Aramaic language.

The speakers used an ecstatic, rapturous speech, which was understood by each man present in his own language so that the miracle was one of hearing rather than one of speaking. The record plainly contradicts this position, for it is recorded in verse 6, "Because that every man heard them speaking in his own language." The words spoken were not an unintelligible gibberish which no one could understand but were understandable words.

All the speakers use the Greek language. It is true that Greek was the universal language of literature of that day, but we cannot imagine all these unlettered men of Galilee preaching in the Greek language. It is one thing to speak some words in a language and even to make one's words known, but it is quite another thing to preach a sermon in that language. This position cannot be maintained.

The speakers were empowered and enabled by the Holy Spirit to speak languages which they themselves had never studied and did not speak but which were spoken by the representatives of the thirteen nations mentioned in the record. This is the true position. Note the record says: "They began to speak with other tongues." Every man heard them speaking in his own language but not only so, it was in every "tongue wherein we were born," that is, every man heard them speaking in his native tongue. In my opinion, the speaking was orderly and in perfect decorum. This miracle of speaking in other

Headline Social Event In Colorado 25 Years Ago Was Painter-Crump Wedding

Headlining social events in Colorado twenty-five years ago was the marriage on October 3 of Miss Daisy Crump, sister of Mrs. W. M. Elliott, and Mr. W. B. Painter of Merced, California. An account of the ceremony appears on the front page of the Colorado Record for October 7, 1910.

Miss Hallie Dupree played the wedding march. Reeves Coleman was best man and the bride was "supported" by Miss Eleanor Van Tuij. The couple were to make their home in California.

W. H. Goodwin had died, leaving as survivors his wife, two sons, George and Charley, and two daughters, Mrs. A. B. Maxwell and Mrs. J. L. Ross.

The local notes recorded that: Dr. W. R. Lindley and family of Westbrook had moved here to send their children to school. Royall G. Smith was holding court at Big Spring for Judge J. L. Shepherd, who was convalescing from an illness. J. A. Buchanan and S. D. Vaughan had been to the fair in San Angelo. So had Frank Newman. It had been revealed that John H.

gues was a gift of the Holy Spirit to the end that representatives of the various nations might be converted and carry back with them the gospel. Thus was the miracle intended as a means of spreading the gospel the more rapidly throughout the earth.

Additional Funds Allotted To Texas By Federal Board

With several thousand Texans already transferred from the dole to creative labor, Works Progress Administration officials were preparing to cut still deeper into the diminishing relief rolls of this state with the release of work authorizations for thousands more during the coming week.

Although 5,530 former relief clients have been assigned to projects by WPA, officials stated that other work orders have been mailed to the districts and estimated that many more will be at work by the end of this week.

Cheered by President Roosevelt's approval of \$3,990,134 for expenditures in Texas, state WPA officials were confident that many millions more will be flowing into the state to provide more jobs soon. To these federal allocations local sponsors will add \$1,135,209 for completion of the work.

Flood damage repair jobs, recipient of first federal approvals for Texas, have been started in more than a score of localities and allotment of the final portion of this \$300,000 allocation will be made shortly. It was on work of this nature that the first group of laborers last week were automatically removed from the dole by receipt of their first checks in Sweetwater.

News of federal approval of the \$30,500,000 Brazos River flood control and water conservation project, which contemplates the construction of thirteen flood control dams and reservoirs on the 900-mile long river, had prompted sponsors to seek land for initiation of the job which proposes to provide jobs for thousands of laborers in several Texas WPA districts.

READ YOUR BIBLE

The Bible is not only many books, it is a literature, history, poetry, prophecy, philosophy, theology, oratory, humor, sarcasm, irony, music, drama, tragedy, strategy, love tales, war talks, travelogues, laws, jurisprudence songs, sermons, warnings and prayers, all are in the Bible. Was there ever such a literature? The Bible begins with the garden and ends with a city. It starts with a morning followed by night, and ends with a day that shall know no night.

The Bible breaks at dawn with God's voice saying, "Let there be light." It sets at dusk with God's truth proclaiming, "Let there be life." A prayer, a need, a confession, a sin, a warning, a sob, a sorrow or sigh a penitent's tear. Between the two there are the tragedies of hate, the follies of fear, the stain and shame of sin, the paralysis of doubt the torment of despair, and the choke of the fog that ends it all. Between the two are the stories of nations, the acclamation of heroes, the fall of empires, the rise of kingdoms, the decline of dynasties, the tramp of armies, the crack and crash of civilization, and the coming of Him who is the "Bright and Morning Star."

The song writer says, "Our talents may be few, these may be small, but unto him is due our best, our all." In this book we learn that that life beyond the grave shall be life (eternity); death is the beginning not the end.

Sir Walter Scott wrote: Within this ample volume lies The mystery of mysteries. Happiest they of human race To whom their God has given grace To read, to fear, to hope, to pray, To lift the latch, to force the way, But better had they never known That read to doubt or read to scorn.

Were all the seas one "hyacinth" The earth a golden ball And diamonds all the stars of night This book were worth them all.

He who reads this book in tears Their tears shall cease to flow. F. B. W.

In the Vanguard of Banking Progress

Always among the first to adopt new banking practices designed to safeguard the funds of its depositors, this Bank now provides the benefits extended by the Federal Deposit Insurance Corporation to individuals, firms and corporations.

The protection thus made available is a permanent feature of Federal banking statutes and offers an important attribute of sound banking to all banks. It applies to all accounts up to and including \$5,000. Larger deposits are insured up to the maximum of five thousand dollars.

In extending this additional safeguard of deposits to our customers, we are keeping step now as in the past with all new developments of constructive value to modern banking.

QUICK AS A WINK! The electric eye is now weighing beans! It weighs more than 8,000 times a day in the packaging department of Safeway Stores, Inc. in Los Angeles, each time depositing one pound of beans in cellophane sacks, automatically guaranteeing precise weight down to the tiniest fraction of an ounce. The new machine receives the beans from a giant hopper overhead. The beans travel down a chute which

is vibrated by electricity. Before the last of the beans reach the end of the chute they hesitate, and are dropped into sacks one by one, much as the old-fashioned storekeeper used to shake his weighing scoop with a tap of his finger to get the exact weight into the package.

The weight indicator travels upward in the scale until a tiny black line comes in exact opposition to the beam of light from the electric eye. The tiny black line breaks the electric contact as soon as a pound is registered, and instantly not one more bean can fall into the package.

"The electric eye weighing machine is the most perfect mechanism of its kind that science has developed," says Ralph Pringle, vice-president and Los Angeles district manager. "Safeway's policy is to give the best possible service, and full value for every article of merchandise. The electric eye weighing machine is a guarantee of accurate weight in packaging materials, and we expect to add more similar units soon."

The HOWL

EDITED BY STUDENTS OF HIGH SCHOOL

EDITORIAL

The students of Colorado High school should be proud of their town because of the splendid way in which Coloradoans responded Friday night at the biggest attraction of the season. It seems that Colorado people have decided that there is nothing up at C. H. S. that they should not see, as was seen by their coming in full response to see the Wolves win their big game.

When the Wolves knew that their town was behind them last Friday night, they showed their appreciation and pep by winning the game. The score was not very high but winning put more spirit in the life of things around here. The boys just had to win to help celebrate the best lighted field in West Texas.

HOMEMAKERS

After a study of the divorce evils of the present day, the Homemakers are planning means by which they can contribute some remedy. They are writing descriptions of the ideal husband to be used as an inspiration for future husbands. In cooperation with these future wives, the senior boys are writing descriptions of what their wives should be. It is hoped that standards of marriage may be improved and set by the high ideals of this group of boys and girls.

The girls of the second year clothing class have worked out their budgets for their fall wardrobes. The class is discussing tailored dresses, and home projects will begin soon.

How to improve one's personality by overcoming the faults and bad habits has been the study of the first year clothing class. This class has also been studying the characteristics of an ideal girl. The members of this class are now beginning their home projects, some of which are: remodeling fall wardrobes and improving different rooms in their homes.

The first year foods class has been occupied in reviewing health rules, discussing different types of breakfasts, planning menus, and studying fruits and cereals. They will soon prepare their first dishes.

ENGLISH CLUBS

The Junior and Senior English classes have been progressing rapidly since school started. The English clubs are very enjoyable and the new officers show great improvement.

The Senior English classes have been studying the periods in English literature. These classes are now writing themes on "Our Early Ancestors."

A new type of theme must be written by the Senior boys. The topic of this theme is to be "The Characteristics of the Girl I Hope to Marry." Badges have been made stating that "I make war on errors" and each member of the class who makes a grammatical error must wear this badge. The Junior English classes are enjoying their badges to the fullest extent. Their worry at present is a selection of words to be added to their vocabulary. Several students have given reports on the short stories and as a result the badges are passed around freely. The classes hope to gain better speech.

FRESHMAN TRAIN FOR BETTER SPEECH

The Freshmen English clubs held their first business meeting Friday, Sept. 28 to elect officers. The club decided to meet regularly in business meeting each week to present a program as a means of recreation. The past week the clubs have been battling with clauses and sentences. The outcome of the battle will become known shortly.

SOPHOMORE ENGLISH CLUB NEWS

The Sophomore English clubs are making much progress in the study of

literature. They have concluded their study of the short story for the present time. It was decided by the students at the end of this study that two of their favorite short stories are "The Speckled Band" by Sir Arthur Conan Doyle and "Marjorie Daw" by Thomas Bailey Aldrich. "The Speckled Band" is about the all-wise detective, Sherlock Holmes.

Biography has been selected as the next type of literature to be studied. The biography, "Lee Triumphant" by Thomas Nelson Page is one of the most interesting yet studied. It gives a wonderful picture of the general, who, even though he surrendered the muskets of the South, was still commander of their hearts.

THE JUNIORS GO TO WAR

Another week is gone, leaving behind two good battles, the Baer-Louis fight and the Junior-weather man fight. The Juniors argued with old man weather and he refused to give in or compromise so they just fought it out. He did not win but was insuperable, but you know those Juniors, so were they. They struck out for the park to have their watermelon feast regardless of old man weather's puffing and threatening. And do you know they got away with it! Old man weather made good one threat though. It was cold enough, but still everyone enjoyed the outing. That is those that did not eat entirely too much.

The officers are entering their work with zeal and interest, making the class even more prospective than was expected.

STROLLIN' DOWN THE HALL WITH THE SOPHS

Well, well time flies fast. It seems that all the new members of the "Sophomore Kingdom" are acquainted with most of the old ones. It's just one big happy family. (Except for maybe a few "rooster fights" over some of the Sophomore queens.) I think it is swell the way the Sophs yelled for "Dear Ole Colorado" at the football game last Friday night. Stay in there Sophs, you're doing well!

The blond angel of the "Sophomore Kingdom" (little Virginia Gurney) seems to always find something funny about everything, because you noticed she's always "giggling." Mary Frances Smith, the girl with the mouth like Joe E. Brown, was elected for one of the lieutenants of the pep squad. She ought to help put the Sophomore Kingdom on the map. So long until next week.

STUDENTS FIND INTERESTS IN OLD SPAIN

"La Tertulia" find interest this week in the old interesting customs, habits and traditions of typical early Spain. The club members find some of the customs such as the bull-fights and fiestas very fascinating.

MEETING OF THE HOWL STAFF

At the regular meeting of the Howl staff on Monday at the seventh staff, the reporters were given their assignments and then the staff discussed their plans. The staff decided to have their regular meetings each Monday at the seventh period, just as they have been doing the first two meetings. The staff has been organized into an informal club and they intend to have some fun as well as write the news for The Howl. They plan to have a social once each month. These socials are to be informal parties to be held at the home of a different member of the staff each time. The Howl staff is planning to make the year a big success as far as putting out a good paper and having a good time is concerned.

FUTURE FARMERS OUTLINE PROGRAM FOR THE YEAR

The Future Farmers met Thursday afternoon, Oct. 3, to outline the program for the year. Bill Galey led in the discussion and outlined the objectives and program.

Mr. Williams discussed the calf feeding plans for the coming year. About thirty calves will be purchased for the class to feed and prepare for markets this spring when prices will be good.

Mr. Williams also discussed the plans made for Colorado F. F. A. in the livestock exhibit at the Texas Centennial. Plans have been made to take some colts, and feed some calves for the exhibit next fall.

The next discussion of the club concerned the annual ceremony for the new members which will be held in November.

Friday night, the High School band made their first appearance at Colo-

Nervous, Weak Woman Soon All Right

"I had regular shaking spells from nervousness," writes Mrs. Cora Sanders, of Paragould, Ark. "I was all run-down and cramped at my time until I would have to go to bed. After my first bottle of Cardui, I was better. I kept taking Cardui and soon I was all right. The shaking quit and I did not cramp. I felt worlds better. I gave Cardui to my daughter who was in about the same condition and she was soon all right."

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

**Allow 110 Pounds
Tax Free Cotton
For Domestic Use**

Every producer of cotton is allowed to gin 110 pounds of lint tax free for domestic use in his household. Provision for the exemption has been made in an amendment to the agricultural adjustment act, county agents have been notified. Application forms for the exemption are to be available in the agents' offices soon after October 1.

Producers desiring to secure the exemption have been advised to hold their seed cotton at home until the application forms are available.

The amendment provides that no article made from cotton so exempted shall be sold or exchanged for anything of value.

The amount provided is considered adequate for making mattresses and quilts in the average household.
