Elections set Saturday

By LUIS RIOS

All the handshaking and doorbell ringing will come to an end early Saturday as 20 Mitchell County candidates nervously wait for the May 5 Primary elections to come to a close.

The 1984 election is undoubtedly one of the most contested in the county in many years, according to many oldtimers.

The different seats up for re-election are County Commissioner Precinct 1 and Commissioner Precinct 3, Sherrif, Tax Assessor-Collector, Treasurer, County Attorney, District Attorney. These races exclude the election of Precinct chairmen.

Mitchell County Tax Assessor-Collector C. C. "Mike" Burt said he was anticipating a large turnout for Saturday's election. The absentee voting in the county has been considerably up from past years, said County Clerk Joan Beach. 327 persons cast absentee votes in Mitchell County by the 5 p.m. May 1 deadline, she said.

The two commissioner races will pit nine candidates against each other in what will more than likely result in a runoff election later in the year. The unusually large number of candidates in the two races invariably split up the vote in the two precincts.

Of the 4,594 registered voters in the county, 3,021 of them are within the boundaries of Precincts 1 and 3. Precinct 1 has 1,615 registered voters and Precinct 3 has 1,406, according to figures from Burt's office.

The voting places for the precincts are Precinct 1, Mitchell County Courthouse; Precinct 2, Westbrook School Tax office; Precinct 3, Housing Authority Building on Oak Street; Precinct 4, Lions Club Building in Loraine and Precinct 7, the Oak Street Baptist Church annex building.

The Republican Party ballot will be at the courthouse annex building.

The two persons filing under the Republican ticket are Jackie Joiner, 42, an independent oil operator, who filed for Precinct 1 commissioner and Coleen Palmer, 50, who filed for county treasurer.

These two persons will face the winners of the Democratic primary in the November General Election.

Democratic Precinct 1 commissioner candidates are Truman Bodine, 55, a dairy farmer; Warren Anderson, 62, a farmer and Edward B. Roach, 59, a farmer and Ronnie Feaster, 42, a farmer.

Mrs. Paul Logsdon, who was appointed to fill out the term of her late husband, chose not to run for Precinct 1 commissioner.

Incumbent Precinct 3 commissioner Paul Hunter, 61, faces three candidates in the primary. They are Curtis E. Latimer, 68, a stock farmer; Weldon Hardegree, 55, a farmer and Frank W. Conard, 63, a pastry shop operator.

The race for sheriff pits incumbent Wendell Bryant against Charles Stubblefield, 54, a farmer and George Davenport, 42, a service station operator.

Ann Hallmark, 38, incumbent county treasurer, is opposed by Sharon Hammond, 41, a bookkeeper.

Precinct 1 constable Billy Ray Williamson and tax assessor-collector Clarence C. (Mike) Burt are unopposed in their re-election bids.

Mitchell County attorney Patrick Barber on the Democratic ticket will face opponent and write-in candidate Pete McKinney in the November General Election.

Consolidation: a sit and wait proposition

By LUIS RIOS

The Loraine Independent School District consolidation with the Colorado Independent School District is a classic example of "wait and see what the other guy will do" type of politics.

The consolidation proposal was made by a group of citizens from Loraine headed by Dr. Douglas Smith. The group calls itself Concerned Citizens Committee for the LISD.

The much-publicized effort for consolidation by the group and the opposition by the LISD Board of Trustees has once again resurfaced.

The LISD Board of Trustees unanimously voted not to look into the possibility of consolidating with the CISD during a called meeting last Thursday.

"We have done what they asked us to do," said LISD superintendent Glenn Sanders in a telephone interview Tu-

Average Price	$17.01	$17.04

Mitchell County residents will see a slight decrease in their monthly food bill according to unofficial figures compiled for the 10 main food items from the three main food stores in Colorado City.

The May estimate on the food bill is $17.01 compared to the April figure of $17.04. The April mark was up from the March food bill of $16.89.

The brands selected were national brands to comparable brands. The average food bill is taken from the 10 food items considered to be top essential items, according to economists.

The items down from the April food bill were milk, hamburger meat, whole fryers and coffee.

The items down from the April figures were not down considerably but the items that increased were nothing short of dramatic.

Sugar was up to $2.09 from $2.06; frankfurters were up to $1.32 from $1.24; bacon was up to $1.95 from $1.76 in April and eggs were up to $1.23 from $1.16.

Although the number of items that showed an increase was not exhuberant, the total cash value was.

Local tracksters run, jump to meets

Boys to regionals

By TONY FRANCO

Five individuals and one relay team move on to regional track and field competition this weekend, including six athletes from Colorado City and one from Loraine.

For the Wolves, a very successful track season continues at the Region I-AAA meet scheduled for tomorrow (Friday) and Saturday at Odessa's brand new Ratliff Stadium.

Competing for Colorado City will be Fred Dakan in the shotput, high jumper Don Randle, long jumper Larry Hamilton, 100 meter sprinter Kevin Norman, 3200 meter runner Jay Claxton and the 400 meter relay team of Hamilton, Norman, Perry Conner and Joey Ritchey.

Last Friday the CHS squad competed at a regional qualifiers meet held at Iraan and almost took the team trophy, finishing just eight points behind champion Eldorado.

Dakan heaved the shot 50'1¾" and Ritchey posted a 23.02 in the 200 meter dash for the Wolves only first place finishes.

Take second were Norman in the 100 (11.02) and 200 (23.18), Randle in the high jump (6'0") and the 400 meter relay (43.97). The Pack also got a third from long jumper Hamilton (19' 9¾") and fifth places from Conner in the 200 (24.09) and Randle in the 400 (53.5).

Dakan, whose best throw is the 51'9" heave he uncorked to win the district title, enters regional competition with the region's third best throw.

Said Dakan of his performance, "I just got pumped up and let it fly. I knew I could get it and feel I can throw further." As for regional, Dakan said, "I'm going to try to be the one that wants it (state berth) the most."

Randle, who tied the CHS school record with his 6'4" high jump to win district, said of his performance, and the

Girls to state

By TONY FRANCO

Gone state!

For six Mitchell County athletes, that coveted goal becomes a very big reality this weekend.

Making the trip to Austin for the chance of being crowned state champ will be Colorado City sprinter Sandra Williams, the Wolves 400 meter relay of Linda Scott, Sherry Fite, Staci Free and Williams, Loraine's shotputter Leslie Rose and Colorado City tennis player Laura Baum.

Heading the hopes for gold medals will be Williams and Rose.

Williams won third place in the 100 meter dash at last year's state meet and five of the top six finishers will be back again.

Sandra ran an 11.8 last year and her best time this year came from her regional winning 11.95.

"During the season my times weren't all that good," said Williams, "since district though, they've been better."

"I really feel Sandra can win it," said coach George Martin.

"I'll try," said Williams, who doubles as the 400 relay anchor.

She did more than try at the Region IAAA meet two weeks ago. After getting the baton in fourth place, Sandra earned her teammates the trip to Austin by passing two runners to take second place and missed first place in a photo finish.

Her teammates couldn't be any more grateful.

"I'm really excited," said Scott, the lone senior on the squad. Linda, who ran as a freshman but skipped her sophomore and junior years, said "We did alright but we've got to work on handoffs."

"It's nice, hard to believe and worth all the workouts," said sophomore member Sherry Fite.

"I feel we have the possibility of being one of the top three relay teams," said coach Ma-

esday. "Right now the board has no action planned."

Dr. Doug Smith, who is the president of the Concerned Citizens Committee, said the committee had not officially met to discuss the next step of action. Dr. Smith said the committee would be meeting within the next two or three weeks, during an interview Tuesday afternoon.

In a letter from Dr. Smith to the Commissioner of Education Dr. Raymond Bynum, he said that the committee had agreed to postpone any further action pending receipt of the results of the study performed by Bynum's office.

Dr. Bynum and the Texas Education Agency conducted a study on the financial condition of the LISD and a comparative study of the CISD.

Despite the indepth study by the TEC, Dr. Bynum told the LISD Board of Trustees that a consolidation measure was ultimately a local matter. The study revealed that the CISD taxes would show an increase if a consolidation measure were approved.

The letter from Dr. Smith to Bynum was dated October 29, 1983.

In the same letter, Dr. Smith said, "Additionally, there are some citizens of our community who believe that the President of the School Board, Mr. Ronald Bruce is a "conflict of interest" situation and should be asked to step down.

"Ronald is President of the First State Bank of Loraine and as such it is felt by some that he could possibly have undue influence upon School Board members who borrow operating capital from the Bank, whether intentional or unintentional.

"Also, the First State Bank is the School Depository Bank. Recently, Ronald was appointed to the local Appraisal Board. Does the State Board of Education have any conflict of interest rules which might apply in this situation?"

The questions directed to Dr. Bynum were answered in a letter from Bynum to the LISD Board April 3, 1984.

The letter from Dr. Bynum said, "Some concerns about a board member who is President of the district's depository bank were expressed. Section 23.75 of the Texas Education Code allows a board member to hold an interest in a school depository bank so long as the member does not vote on the selection of a depository bank, and since the person involved did not vote there appears to be no conflict.

"Also, as authorized by Section 6.03 of the Texas Property Tax Code a school board member may also serve on an appraisal district board. The other concern about undue indirect influence that could occur by a board member-banker is not addressed by law because probably it would be difficult to find board members who do not have some type of influence because of their position in a district."

Sanders said that it was not the consensus of the LISD board that the TABS scores of Loraine were not higher than Colorado City's or that the quality of education in Loraine was better than its sister school as earlier stated in the RECORD.

"The scores were not compared to Colorado City," he said.

Sanders said the scores were compared to scores in the region and state-wide.

Absentee votes total 327

A total of 327 persons cast absentee votes for the May 5 Primary in Mitchell County, which is promising to have one of the largest voter turnouts in history, said Mitchell County Clerk Joan Beach Tuesday afternoon.

"As far as I can remember, this has been the most absentee votes cast," Mrs. Beach said. "A few years back we had about 250 people vote absentee."

Mrs. Beach said that this has been the most absentee votes cast for "the past 12 or 13 years" or more.

She said that the high absentee voter turnout was a good indication that a large voter turnout would be expected at the May 5 Primary elections.

A low voter turnout is expected for the state of Texas, she said.

Of all the absentee votes cast, 327 of them were on the Democratic Party ballot and eight were on the Republican Party ballot, she said.

Stenholm Endorses Kent Hance

"I usually do not get involved in other campaigns, but in the U.S. Senate race, I'm making an exception. It is too vital for the future of Texas for me to sit idly by without doing all I can to help Kent Hance become our United States Senator."

Congressman Charles Stenholm
17th Congressional District

Congressman Charles Stenholm (left) and Kent Hance

Kent Hance has been the United States Congressman representing Lubbock and 14 other West Texas counties since 1978. In three terms, he has chartered a course of independence, hard work, and courage. He's done it by fighting for what he believes in and calling issues the way he sees them. Among his accomplishments are:

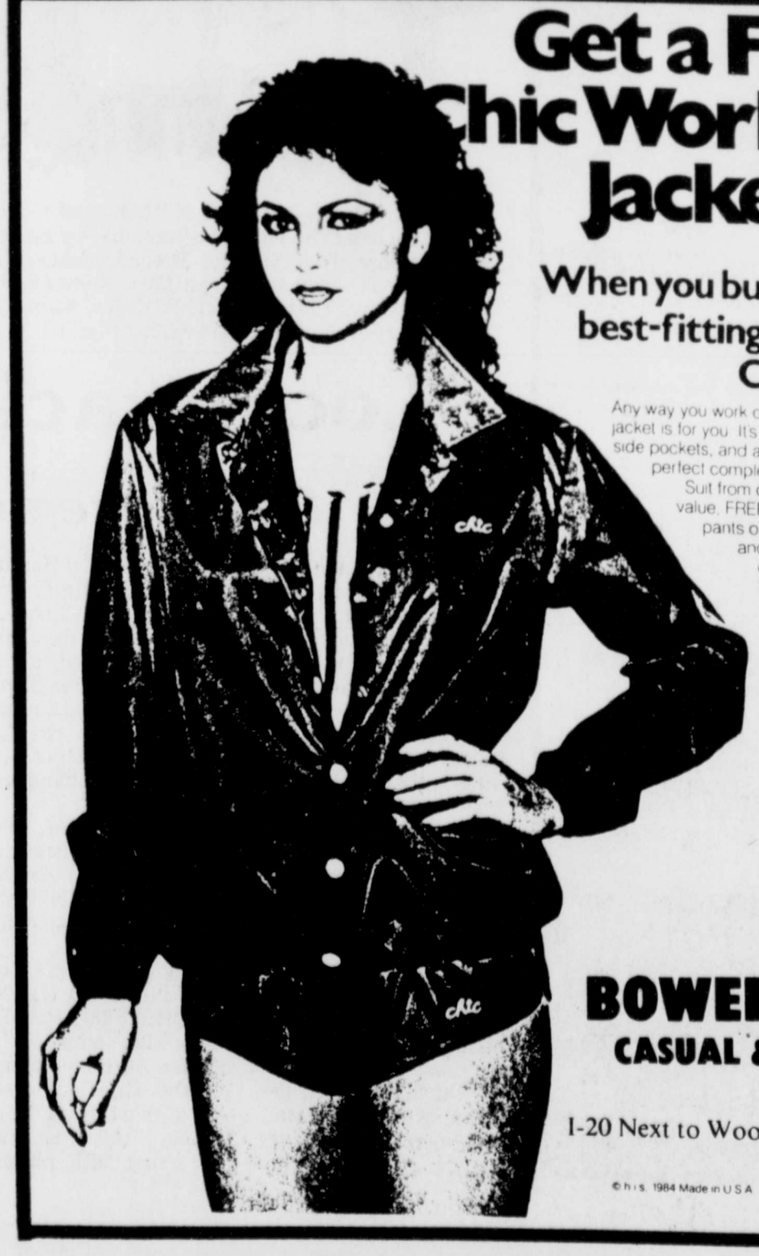

- *For the Taxpayer:* Hance legislation cut income taxes you pay by 25% over three years.
- *For the Economy:* Hance won tax cuts to help stimulate economic expansion; voted against more than $400 billion in wasteful spending; fought for a balanced budget amendment.
- *For the Farmer:* Hance has always been a fighter for the family farm . . . both as a member of the House Agriculture Committee and the Ways and Means Committee. He successfully pushed through changes in the tax code to reduce crippling estate (inheritance) taxes.

Browne receives Academic Scholar Award

The National Secondary Education Council announced that Westbrook student Teresa Browne has been named an Academic All-American for 1983-84.

Teresa Browne is the daughter of Mr. and Mrs. Jimmy Browne. The grandparents are Mr. and Mrs. E. P. Browne of Loraine, and Mr. and Mrs. O. D. Schoolcraft of Colorado City.

The NSEC has established the Academic All-American Scholar Award Program in order to offer deserved recognition to superior students who excel in the Academic disciplines. The Academic All-American Scholars must earn a 3.3 or better grade point average. Only Scholars selected by a secondary school instructor, counselor, or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the NSEC. These are awards few students can ever hope to attain.

Miss Browne who attends Westbrook High School was nominated for this National Award by Hontas Hines, business teacher. She will appear in the Academic All-American Scholar Directory,. which is published nationally.

"Recognizing and supporting our youth is more important than ever before in American history. Certainly, winners of the Academic All-American Awards should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the National Secondary Education Council.

The Council selects Academic All-American Scholars upon the exclusive recommendations of teachers, coaches, counselors, and other qualified sponsors. Once awarded, the students may be recognized by the NSEC for other honors.

"Dance for Heart" set here May 5th

In a statement on exercise, the American Heart Association said that regular, dynamic physical activity can increase cardivascular functional capacity and may aid efforts to reduce other factors, said Body Design and Family Fitness instructor Teresa Lain.

The AHA said that these exercises performed on a regular basis or routine basis can have physiological and physiologic benefits.

Aerobic and other types of exercise dancing, when performed at the proper intensity on alternate days at least three time per week, can increase cardiovascular functional capacity.

It also can be an enjoyable way to maintain cardiovascular fitness; can help participants handle stress in their lives; can help you do more without tiring so easily; can help you control weight, along with proper diet; can help relieve tension and aid relaxation and sleep; may help restore confidence, self-esteem and a sense of independence; may aid efforts to control coronary risk factors; may protect against coronary heart disease and may improve the likelihood of survival from a heart attack.

Body Design will be sponsoring the "Dance for Heart" for the American Heart Association on May 5th from 8 p.m. till 12 a.m. at the Hickory Gym (12th & Hickory).

If you would like to make any contributions to the American heart Association, call Teresa Lain, certified aerobic instructor at Body Design, 728-2247.

The public is welcome.

Auto Mechanics class goes to 'Skill Olympics'

The Texas Association of the Vocational Clubs of America held their Annual Skill Olympics April 26, 27 and 28 in the Astro Arena in Houston, Texas.

The VICA Club of the Colorado High Auto Mechanics Class had sixteen members that had qualified in the Area I competition to attend the State Meeting. These members were accompanied to Houston by Glenn Dunn, club advisor, Mae Dunn and Dwayne McGuire.

Those attending and their winning projects were: first place with a superior rating: Ben Gonzales, GM automatic transmission; Carlos Reyes, Ford Motorcraft carburetor; Yvonne Molina, GM starter; Kevin Parker, GM starter and Dwayne Jackson, GM starter.

Second place with an excellent rating went to Todd Whiteside, GM, 4 barrel carburetor; Michael Luera, Ford 2 barrel carburetor; Edward Rivera, GM starter; Ruben Martinez, 2 barrel carburetor; Arthur Orona, GM starter; Billy Jackson, Chevrolet cylinder head; Freddie Pineda, Chevrolet cylinder head; Joe Flores, Chevrolet cylinder head; Russell McGuire, Ford cylinder head; Melvin Dunn, Chevrolet cylinder head.

Third place went to Tommy Hickson for a GM starter.

Each one attending, enjoyed the sights of Houston, such as the Astrodome, the Gallaria and Friday afternoon visited N.A.S.A. to tour the Space Museum and saw the Saturn Space Rocket that carried men to the moon, saw moon rocks and many other rockets, space suits and the space capsules.

To end their stay in Houston, all members attended a dance held in the Astro Village Hotel Ball Room. They returned home Saturday night about 12 DST.

My name is Don Henderson, and I have lived in Mitchell County all my life.

I am making this public statement so the voters of Mitchell County can make a good choice for Sheriff in the May 5th Democratic Primary.

On November 21, 1982, and on December 12, 1982, a Sheriff's Deputy, who was on patrol at the time, failed to provide emergency back-up for Colorado City Police Officers in potentially dangerous situations. The first incident involved arrests of reported armed and dangerous car thieves, and the second incident involved the arrest of an armed attempted murderer. There is evidence that threats had been made in the Sheriff's Office to refuse to come to the emergency assistance of certain Police Officers before these events actually occured.

There is evidence of at least two occasions where a prisoner escaped from the Mitchell County Jail and the Police Department was not notified by the Sheriff's Office until many hours later.

The failure of the Sheriff's Office to notify the City Police of the escapes created unnecessary danger for City Policemen because they could have made an attempt to stop one of these men without being prepared for an escaped prisoner.

One of these escaped prisoners was in jail for burglary with intent to commit rape.

I have read a sworn statement from an ex-duputy Sheriff which says that Sheriff Bryant refused to allow that Deputy to cooperate with the City Police drug investigation. Sheriff Bryant is quoted in this sworn statement as saying, "No, we aren't going to do a damn thing to help 'em."

Wendell Bryant is quick to point out that one of his accomplishments is the fact that he was able to get the County Jail certified by the Texas Commission on Jail Standards.

The voters should thing about the fact that the Jail Standards Commission attempted for years to get the Mitchell County Commissioners and the Sheriff to comply with state standards, and only after a death occured last year in the jail, was the certification of the jail completed.

Think about it. Is this the kind of Sheriff you want for Mitchell County?

Barclay, Culwell host Self Culture Club

Eddie Barclay and Joy Culwell hosted the Self Culture Club on April 20th. Prayer, Federation Song, Federation Creed were led by Fannie Beeman.

Eddie Barclay presided over business. The members voted to give a Love Gift to Racheal Willis who the club has given moral support for years.

Elizabeth Elliott gave the Federation Day program by a tribute to Jennie June Croley, a writer, a crusader for advancement of women's education, rising courageously above the vicious satire and harsh criticism of the press, she brought inspired leadership to club women. She brought clubs together for companionship and larger aims.

April 24, 1890 marks the formal beginning of GFWC. A ratification convention was held April 23, 24, 25, 1890 at the Scottish Rite Hall, Madison Avenue, New York City. This was the first meeting of the General Federation of Women's Clubs. Julia Ward Howe, author of "The Battle Hymn of the Republic," and Jane Addams social reformer and pioneer in the settlement house movement were early-day embers of the GFWC.

Clubs were organized as far back as 1876. These clubs were not for tea tasting alone, they designed the first Christmas seal in concern about tuberculosis, clubs worked for landmark preservation, swung into step with war efforts; conservation of food, worked with Red Cross, worked with interest groups in legislation, especially child labor law; asked for Women's Bureau in the U.S. Department of Labor; Women's Suffrage, helped with Veteran-related projects. The federation of women's club eration of women's clubs are dedicated to advancement of education, home and country. They will celebrate their 100th anniversary in 1990, April 24th.

Members attending were Fannie Beeman, Elizabeth Elliott, Della Fox, Ida Keith, Jewel Tiller, Pearl Watson and the hostesses, Eddie Barclay and Joy Culwell.

Gonzales is award winner

The United States Achievement Academy announced that Julia Gonzales, has been named a 1984 United States National Award winner in shorthand. This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10 percent of all American high school students.

Miss Gonzales, who attends Westbrook High School was nominated for this National Award by Mrs. Hontas Hines, a business-education teacher at the school. She will appear in the United States Achievement Academy Official Yearbook, published nationally.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Gonzales is the daughter of Mr. and Mrs. Adam Gonzales. The grandparents are Esidro Gonzales of Colorado City.

WTC offers scholarships to high school seniors

High school seniors who will graduate in the top 10 percent of their class are invited to apply for a Cunningham Academic Scholarship at Western Texas College, Jimmy Parker, WTC Financial Aid Director, has announced.

Students who are members of the National Honor Society but not ranked in the top 10 percent may apply for a Nancy Caton Scholarship.

The Cunningham scholarships provide $200 per year and the Caton scholarships provide $150 per year.

Students wishing information about these and various other scholarships available at WTC are invited to contact Parker's office in the WTC Administration Building. The office is open each weekday during regular office hours and can be reached by telephone at 915-573-8511, extension 309.

upcoming regional meet, "Crane's Vasquez had beaten me at the Ozona meet and my goal was to beat him and qualify for regional. I've got the region's second best jump, but I feel I can go higher because there will be somebody pushing me there."

Also competing individually at the regional meet will be Claxton, Hamilton and Norman.

Claxton owns the school record 10:11.73 for the 3200 but was unsure of his chances. "Escalante (Sonora's district champ) is thinking of scratching in the 3200 so he can concentrate on the mile. Muleshoe and Floydada both have runners running just over 10 minutes, but I feel I can too."

Hamilton, whose best is the 20'2¾" jump at the Post Relays, will be competing in the regional long jump because district champion Gus Walker of Crane was declared ineligible.

Norman, who set a school record 10.89 in the 100 meter dash at Post, will be competing in that event in addition to the 400 meter relay.

The team of Hamilton, Norman, Conner and Ritchey set a school record 43.88 to win the district title and own the ninth best time in the region, but as the CHS coaching staff revealed, only half a second separates that time from the third best time.

Said Hamilton of their district performance. "We knew we could and had to do it. The worst that could have happened is them (Crane) finishing first and us second. They dropped the baton, but I don't think they could have beat us."

Ritchey said that the race was "the smoothest we've ever had, but they can always be better. Always."

For Loraine, Bulldog junior Aundra Rose will be the lone traveller to the Region I-A meet at Levelland Friday and Saturday.

Rose won the district 400 meter race in a fine 51.7 and took second in the long jump with a 21'4½" leap.

High jump and shotput competition at the Region I-AAA meet and Odessa is scheduled for 2:30 p.m. Friday. Also on tap for Friday are the 400 meter relay prelims at 3 p.m. and the 100 meter prelims at 4 p.m.

Saturday finals include the 3200 run at 1 p.m., the 400 relay at 1:2 p.m., the 400 relay at 1:20 p.m. and the 100 finals at 2:20 p.m.

Ratliff Stadium is located in northeast Odessa, just off Loop 338.

Girls

From Page 1

rtin. "We've got to get that stick around."

For Rose, this return trip to Austin is a chance to redeem herself. Last year, Leslie owned a best throw of 41'9", but at the state meet threw only 38'6¾" to settle for third place.

Last year's champ threw 39'8½" and Leslie's throw of 38'11¾" that won the Region I-A meet at Levelland two weeks ago is right at that mark.

If Rose can match or better her top throw of 40'4½" for this year, Loraine could be home to a state champ.

Rose and the Wolves both competed at a state qualifiers meet at Hamlin last Friday and came away with mixed results.

Rose took second in her event by throwing 38'6¾", Williams remained undefeated in the 100 (12.2) and the 400 relay posted a fourth place 50.91.

Tennis player Baum will be making her first trip to state after finishing third in the regional tournament three years in a row–twice in doubles and once in singles.

Laura, who could be CHS's first girl tennis player to reach state, owns a record of 26-5, and four of those losses came at the hands of 5A players.

Baum prepared for the state tournament by playing in a state qualifiers tournament at Junction last weekend where she lost in the finals to the defending class AA champion.

The Colorado City 400 relay will race at 7:20 p.m. Friday. Williams will run the 100 at 8:10 p.m. the same night and Rose will compete at 9:30 a.m. Saturday.

Rico, Strawcutter highlight tourney

By TONY FRANCO

Leonardo Rico knocked out his opponent and Jeremy Strawcutter won by decision to highlight the Mitchell County Boys Club boxing team's effort at a Seminole tournament last Saturday.

The victory further brightened Rico's future, which just received notice that he will get to fight during next weeks Junior Olympics here in Colorado City.

Rico, a sixteen year old, will be fighting in the 17-19 year old division.

"The boys that lost were not fighting in their own weight and age divisions, but since it was the last tournament before the Jr. Olympics, they needed to fight to get more experience," said Coach Vince Gaona.

They were Gabriel Gaona, Steven Smith, Bobby Arocha and Mark Strawcutter.

The Boys club boxing team will be sponsoring a car wash this Saturday to help meet expenses during next Friday and Saturday's Junior Olympic tournament to be held at the agricultural buildings (rodeo grounds on West 80).

It will be held at the First United Methodist Church at 333 Chestnut starting at 8:30 a.m. Cost will be $5.00 and in addition to also vacuuming your car, the boxing team will also pick it up and return it. For further information, call 728-3880.

Mexico was the site of advanced Indian civilization before the Spanish conquest. The Mayas, an agricultural people, moved up from Yucatan and built immense stone pyramids and invented a calendar. The Toltecs were overcome by the Aztecs, who founded Tenochtitlan (1325 A.D.), now Mexico City.

Europe's largest collection of American Indian artifacts is in West Germany. The costumes, weapons and implements have been displayed since 1928 in a museum at Radebul dedicated to author Karl May, who wrote his frontier novels before ever visiting the United States.

Iceland's capital city, Reykjavik, is the most northerly capital in the world. Yet thanks to the Gulf Stream the city is warmer in winter than New York. Reykjavik means "smoky bay" in the Icelandic language. The "smoke" seen by 9th century settlers was steam rising from hot springs. That natural steam and hot water is now piped in to heat all the homes of Reykjavik, making it a clean and smokeless city.

TOPS TX holds meeting

TOPS TX 691 meets each Monday at 5:30 p.m. for weigh-in. The meeting begins at 6 p.m.

The public is invited for one visit, and invited to join the local chapter if they have a weight problem.

The six-weeks contest ended with Christine Cooley as winner. She had an eleven pound loss. The club recently had a no-gain meeting and hoping to have more.

Doris Phariss was last week's winner with a four pound loss.

Ione Watkins remains near her goal and expects to be a KOPS soon.

Joy Culwell brought a guest to the club. She is Rachel Willis, who joined the local club at 299 pounds and is now a member of a Big Spring TOPS Club at a weight of 130 pounds. Before and after pictures were taken by the local club and presented to her.
