Lubbock Host Today For Regional Meet

More Than 1,000 Students To Take Part In Athletic, Literary Tests

GOING another step up the ladder of the Interscholastic league program in Texas, approximately 1,150 students from a wide territory in West Texas are to compete at Texas Technological college today for regional honors and the right to compete in state contests.

Contestants began arriving Friday, with Lefors, Higgins, Panhandle and Lakeview among the first. Groups from Follett, Wichita Falls, Pampa and a few others traveling long distances planned to arrive to spend the night in Lubbock and be ready for contests this morning.

18 Districts Included

Region I which is holding contests here is one of eight Interscholastic League regions in the state from which competitors for the state Interscholastic League meet to be conducted May 7-8 will be drawn. This region is made up of 18 districts in which contests previously have been held, including three Conference AA districts, five Conference A districts and 10 Conference B districts.

Advance entries certified to Dr. Ernest Wallace, director-general of Region I, from district directors indicate about 1,150 as number of entries.

This year marks the first year that contests have been conducted in three divisions — Conference AA, Conference A and Conference B. Schools are classified according to conference and are to proceed through district, region and state in the same division.

Dr. Wallace Friday announced towns to compete in each contest.

Others Are Expected

In addition to the 1,150 contestants expected, numerous parents, teachers and friends of contestants likely will be attracted to Lubbock for the contests.

The towns to be represented in each literary contest, listed along with the time, place and director of each, are:

DEBATE—Dr. J. William Davis, director, 10 a. m., Conferences AA, A and B preliminaries, 1 p. m., AA, A and B second round, all in room 302 administration building; girls' entries, Pampa, Lubbock, Wichita Falls in AA, Ralls and Levelland in A and none in B; boys' entries, Amarillo, Lubbock and Wichita Falls in AA, Ralls in A and none in B.

DECLAMATION — Dr. D. D. Jackson, director, 10 a. m., all divisions, agriculture auditorium; entries, Amarillo, Lubbock and Wichita Falls in senior girls, AA,

Murder Case Goes To Jury

A 99th district petit jury retired at 11 o'clock Friday night without having rendered a verdict in the Brewster E. Dillard murder with malice case.

It had received the case at 5:03 p. m., after three hours of arguments by counsel. It will resume work this morning.

Court and counsel, as well as the defendant, his wife and relatives of Dillard and Garlon Douglas Weaver, whose slaying the early morning of Nov. 1 at a Texas Ave. service station resulted in Dillard's charge, gathered in the courtroom about the time the jury returned from dinner and remained until the jury ceased its deliberations for the night.

Jury Charge Read

Conclusion of the arguments ended the fifth day of the case, which was commenced Monday after a special venire appeared. The venire was exhausted and Judge G. V. Pardue, presiding, ordered the sheriff to summon 100 talesmen.

Testimony was commenced Thursday morning, completed at 4:30 o'clock that afternoon.

A jury charge was read by the court at 1:30 p. m. Friday.

State Gives Argument

Victor H. Lindsey, who with L. A. Howard was a special prosecutor, opened for the state, J. E. Vickers for the defense. Burton S. Burks closed for the defense, District Attorney Lloyd Croslin for the state.

The state, which had qualified jurors on the death penalty, pictured Dillard, 36, in its arguments as a "Little Al Capone" and charged that "in his chosen field of crime he has arrived as valedictorian of his class."

Shooting Re-Enacted

The defense hammered at what it termed insufficiency of the state's evidence of murder, and, claiming Dillard had the right of self-defense, that he nevertheless went beyond requirements in the law by attempting to flee from

Lewis' Sentence Is Postponed

By FELIX COTTEN
INS Staff Correspondent

WASHINGTON, April 23—Federal Judge Goldsborough today indefinitely postponed punishment of John L. Lewis and the United Mine Workers for civil contempt but held over Lewis the threat of new penalties if the coal strike should be resumed.

Goldsborough accepted a recommendation for indefinite postponement by Assistant Attorney General H. Graham Morison, who told the court that more than 85 per cent of the coal miners had returned to their jobs.

In western Pennsylvania, core of the strike, 85 per cent of the miners were back at work. Elsewhere in the coal fields an even greater percentage was reported on the job. Production was expected to near 100 per cent for the first time in 40 days.

The judge announced that "the matter has been disposed of and the case is now adjourned."

Steel Shortage Hits

The $1,420,000 fine which Goldsborough has already levied against Lewis and the UMW on a criminal contempt conviction is being appealed by Welly K. Hopkins, council for Lewis. Hopkins did not object to holding civil contempt penalties in abeyance.

Lingering effects of the coal strike showed in the announced lay-off by the General Motors corporation in Detroit of the first of 200,000 workers due to a critical shortage of steel.

Negotiations are due soon on a new work contract, and speculation is that Lewis will demand a wage increase and a boost in the contribution to the miners' welfare fund. It is now 10 cents per ton of coal produced.

Pension Battle Pending

Under the Taft-Hartley act, statutory authority by which the coal strike was enjoined, Lewis must serve notice on coal operators by May 1 of his intention to reopen the contract.

Meanwhile, a court battle impends over the pension plan approved by Lewis and Sen. Bridges (R) N. M., new trustee of the welfare fund. Coal operators are contesting the validity of the plan, whereby retiring miners would receive $100 per month.

UN Council Pushes Truce For Palestine

(By The Associated Press)

LAKE SUCCESS, April 23—The United Nations Security Council set up a three-nation truce commission tonight to press once more for peace in Palestine.

It was given the specific task of supervising the council's April 17 cease-fire order, which thus far has been ignored by Jews and Arabs.

Soviet Deputy Foreign Minister Andrei A. Gromyko told the council the United States "is afraid . . . of any resolution which might normalize the situation in Palestine."

Gromyko Scores Move

"The truce will be successful only and when an end has been put to the machinations that are going on daily, even while these meetings are going on," Gromyko said.

The truce commission, proposed by the United States, will be composed of the consular representatives of the United States, France and Belgium in Jerusalem. It will thus be ready to begin work immediately in the Holy Land.

The council vote was 8 to 0. Russia, Colombia and the Soviet Ukraine abstained.

Civil War Feared

Both Russia and the Soviet Ukraine attacked the move as a U. S. plan to wreck the Palestine partition project but Russia did not veto the commission proposal as she could have.

The British earlier had urged the 58-member political committee of the special Palestine Assembly to stop trying to find a final Palestine solution at present.

British Colonial Secretary Arthur Creech-Jones said the U. S. instead should concentrate now on action to avert the spread of civil war.

JEWS ARE 'BUCKLING ON SWORD,' LEADER SAYS

JERUSALEM, April 23 (AP) — David Ben-Gurion, premier-designate of the Jewish state, declared in a Passover broadcast tonight that Jews are buckling on the sword and called upon them to "mobilize all hidden resources of strength, will power, devotion and ability."

The Russian-born Ben-Gurion, who also has been designated war minister and commander-in-chief, spoke as thousands of Arabs streamed out of Haifa, Palestine's big port, in a self-imposed exodus following Jewish conquest of the city.

A 20-mile triangle on the northwestern edge of Jerusalem was the scene of today's bitterest fighting. Haganah said two Arab villages,

Marshall Quits Bogota Session

BOGOTA, Colombia, April 23 (AP)—Secretary of State George C. Marshall flew home tonight from the Pan American conference.

He left the afternoon session of the conference after telling fellow delegates that important events demanded his return to Washington. United States Ambassador Willard Beaulac and several members of the U. S. delegation to the conference accompanied Marshall to the airport to see him off.

The secretary's C-54 plane left at 5 p. m.

Meeting To Continue

Prospects for an early adjournment of the conference appeared bright as the delegates tackled the few remaining major items on the agenda.

Although the conference is likely to continue another week, Marshall explained he had stayed in Bogota longer than he had expected because "I felt due to the critical situation here it was necessary that I remain until the most fundamental issues were agreed upon."

Marshall wished the delegates of the other American republics and their people a "steady increase in their fortunes." He was vigorously applauded as he bid farewell in Spanish.

Aides said he probably would stop briefly in Panama but is expected to arrive in Washington early tomorrow.

UAW CHIEF'S ARM TO BE SAVED

Mystery Witness, Mr. X, Is Questioned In Reuther Case

(By The Associated Press)

DETROIT, April 23.—Walter P. Reuther received the welcome news today that his shattered right arm may be repaired.

The president of the CIO United Auto Workers was shot down Tuesday night by an unknown gunman. His arm nearly was ripped from his body.

While doctors compared notes on Reuther's progress, a mystery witness—a Mr. X—entered the police manhunt for the would-be killer.

He was brought to police headquarters in greatest secrecy in the midst of routine questioning of Reuther's political foes within the big union.

Dr. Barnes Woodhall, professor of neuro-surgery at Duke university, flew in today for a look at Reuther's mangled arm. He is an expert on wartime gunshot wounds. He talked it over with local doctors and then issued the following statement:

"The handling of the case has been superb in the face of an injury which threatened the loss of the arm. His general condition continues good. Good progress has been made in the management of the bone injury. There is a nerve injury that is susceptible to cor-

Russian Air Officer Holds Press Meeting

New Restrictions On Berlin Flights Seen

By OMER ANDERSON
INS Staff Correspondent

BERLIN, April 23—The Russians intimated again tonight that they will impose new controls on Allied air traffic between the western zones of Germany and Soviet-encircled Berlin.

Strong hints of such moves were made at a news conference held by Maj. Gen. Georgi Alexandrov, top Russian air officer in Berlin, in which he renewed charges that the British were responsible for the air crash of April 5.

Alexandrov said:

"Sokolsky (Soviet zonal commander Marshall Vassily D. Sokolovsky) will take measures to regulate air traffic and safeguard the lives of Soviet fliers."

Alexandrov contradicted the findings of a British inquiry into the Berlin crash of a British transport and a Soviet fighter early this month in which 15 persons died.

The Russian accused the British of tampering with the wreckage in order to destroy the evidence. The British probe had placed the blame for the disaster on the Russian craft.

The conference marked the first time that a Soviet general in Ber-

Decision Delayed In Suit On Building Amendment

By MAC ROY RASOR
Associated Press Staff Writer

AUSTIN, April 23. — Texas' stalled College Building Constitutional amendment today awaited a court judgment on the legality of the election at which it was adopted eight months ago.

Judge Roy C. Archer in 126th District court cleared the way for an early decision after a brief, one-hour trial in the seven-month-old suit contesting the election.

Without witnesses or oral arguments, the trial without jury was limited to a presentation of briefs and exhibits by both sides. After the presentation, Judge Archer told the court:

"Gentlemen, I will read your briefs and let you hear from me at the earliest possible date—which will not be long. If I need further assistance from you—which I probably will—I will let you know."

The judgment, when it comes, however, is not expected to settle the West Texas-sponsored fight against the plan providing a $60,000,000 building program for 15 state-supported colleges and the University of Texas. Either side that loses the judgment is expected to appeal.

Arguments Are Given

The suit was brought last September by Clarence W. Whiteside, Spencer A. Wells, and Homer Maxey, all of Lubbock, and H. E. Speer of Dallas, after West Texans had lost by a narrow margin their campaign to defeat the amendment at the polls. West Texas opposition, particularly from supporters of Texas Tech at Lubbock, had also been bitter while the proposal was under consideration in the 50th legislature.

The contestants, in an amended brief presented the court today, challenged the election principally on these issues:

1. That constitutional require-

South Plains Area Swept By Duster Following Showers

Strong winds from the southwest whipped up a 'duster' which cut visibility to about three miles in Lubbock and over the South Plains Friday only a few hours after showers fell in the area. The dust and silt had been left in a somewhat powdered condition by the rain, the Weather bureau north of the city reported.

The winds reached a velocity in the afternoon of about 33 miles per hour with gusts up to 40 miles per hour. The weather station said that a weak cold front in the northwest Panhandle, and the low pressure area associated with it, caused yesterday's high winds. That condition was expected to continue until almost noon today.

Mostly fair and not much change in temperatures was the midnight forecast for today and Sunday. The high temperature today was predicted in the low eighties, and the low reading this morning at 56 degrees.

Meanwhile, scattered showers were reported along the eastern part of Texas Friday as well as scattered parts of East Texas, the Associated Press said.

Rain was reported as far south as Laredo and as far north as Fredericksburg.

The first worthwhile rain on the Texas-Mexico border in more than a month was expected to remove some of the demand for irrigation water from the Rio Grande. An inch of rain freshened ranges and crops in Llano county in Central Texas.

Commodity Prices Skid Second Day As New York Stocks Gain

CHICAGO, April 23 (AP)—Commodity prices skidded sharply today for the second straight day, but New York stocks hit their highest average in nine months.

All grains slumped in all North American markets. At one time wheat was off nearly 10 cents, the daily limit, in Chicago.

The Associated Press weighted wholesale price index of 35 commodities sagged 1.12 points to 186.16. In two days, the index has dropped 2.36 points. A week ago the index was 187.39, a month ago 184.86 and a year ago 172.83. Cotton for future delivery broke $1.45 to $3.05 a bale in New York on a flurry of late selling.

Four Killed, 11 Hurt In Storm

(By International News Service)

IONA, Ia., April 23—A storm of cyclonic proportions killed at least four persons and injured 11 others late this afternoon as it swept over this village of 350 persons.

The dead were identified as Mrs. Leo Brooks, her two-year-old child; Mrs. Simon Hoffman and her grandson, Bill, 7.

Three others were reported still buried in the ruins, but that rumor has not yet been confirmed.

Bulldozers Ordered

Hospitalized in New Hampton were Simon Hoffman, about 55, husband of the dead woman; Roger Garber, 11, Dan Siglin and his son, William, 7, and John Kramer, who suffered a broken back.

Six injured were taken to Charles City. They are Mrs. Felix Jenkins, her sons Jerry 6, Joe 8; Bob Brooks, 8, Mrs. Charles Chandler, 65, and Mrs. Frank Schoenfeldt.

The elder Hoffman is reported in critical condition.

Sheriff George Murphy has ordered bulldozers and other heavy equipment to the scene to speed rescue efforts.

Cars Are Hurled

The terrific wind struck almost without warning, according to eye-witness accounts, and there was no funnel cloud.

Banker Dan Dudley and his wife were the first to notice the initial gusts of strong wind. They said they immediately left their home for the shelter of a near-by bank, and watched their house "turn completely upside down" shortly afterwards.

According to Sheriff Murphy, the air was filled with flying rooftops, bricks, uprooted trees, and even automobiles. He said several cars were hurled down the town's main street.

Communications Out

Telephone communications with the village were disrupted for more than two hours, and electric power lines were deliberately cut to minimize danger of fire.

The village has no resident physician, but 20 doctors answered calls for help from nearby towns.

The only communication Ionia had with the rest of the state was

Man Is Beaten With Blackjack

Police last night were investigating an attack upon a man accused by his assailant of being an "informer." Three other assault cases and various other offenses also were under investigation.

O. O. Covington, of City hotel, was blackjacked on the head about 4 p. m. yesterday at Thirteenth and Ave. F, police investigators reported. A suspect was arrested following the attack.

Found Lying On Sidewalk

Covington was found lying on the sidewalk with blood covering his face. He was taken to West Texas hospital by Plains Funeral home ambulance. His injuries were found to be a broken nose and severe facial and head bruises. After treatment he was released to police for questioning.

The suspect in the attack was arrested following statements made by two witnesses. According to police, the arrested man accused the victim of "squealing" to officers regarding the sale of liquor to the latter.

Police released the accused man in the custody of a lawyer. But

Large Crowds Attend Events At Texas Tech

The first day of the Texas Tech Engineers' Show and Home Economics Open House ended at 10 p.m. yesterday with 3,100 visitors having attended the Engineers' show and 1,800 registered at the open house. For a total of 4,900 to the two shows.

A much higher attendance is expected today due, among other reasons, to the fact that well over 1,000 high school students, their parents and teachers will be on the campus for the Interscholastic League meet and the Vocational Agriculture judging contests that are being held simultaneously with the two shows. Students from the entire West Texas area will participate in the high school contests.

The Home Economic Open House will open its doors again at 9 a.m. today and will close finally, at 5 p. m. The Engineers' Show will be open at 2 p. m. and will be officially closed at 10 p. m. today.

Car Owner's Faith In His Dog, Friend Is Finally Shaken

(By The Associated Press)

LOS ANGELES, April 23—Larry Hetzler wouldn't believe police when they told him his car had been stolen.

"My dog would have waked me," he said.

"The dog's with the car," officers told him.

"Then my friend who lives at the back of my lot would have heard it and waked me," said Hetzler.

The friend, police said, was also with the car. Yuma, Ariz., police had picked him up as the thief.

New Defense Plan Urged

(By The Associated Press)

WASHINGTON, April 23 — A bargain-counter preparedness plan under which 18 and 19-year-olds would be trained along with draftees for the time being, instead of in a separate universal military training program, was approved today by Secretary of Defense Forrestal.

Under this plan, proposed by Senators Baldwin (R-Conn.), Tydings (D-Md.) and others, the cost of a separate UMT setup, with its far flung system of camps and other institutions, would be largely avoided for the present.

The administration had recommended two methods of building up the armed forces and reserves:

Methods Given

1. A temporary selective service law. Under this young men, perhaps 19, through 25 years of age, would be inducted for possibly two years service in the armed forces.

2. A longer-range UMT plan under which youths, say 18 and 19 years of age, would be given universal military training. Under a plan approved by the House Armed Services committee, they would be given six months of basic training at UMT camps or ships. Then they would have the choice of undergoing six months more of training, or of returning to school or work and taking further training with the National Guard or reserves. These youths would not be in the armed forces, and could not be called to fight except by act of Congress.

Delay For UMT

Under the senatorial plan, the start of this separate UMT training plan would be delayed for at least a year. But the youths would be trained, say for six months, by the regular armed forces. Then they would be released on condition that they join the National Guard or Reserves.

Forrestal, in a letter to Senator Gurney (R-SD), chairman of the Senate Armed Services committee, said he believes some such plan, "if superseded as soon as possible by a program of universal military training," would "give us a maximum military strength for a minimum of cost."

Soviet Charge That U. S. Troops Bite Old Women Brings Guffaws

BERLIN, April 23 (AP)—A Russian general formally charged today that United States soldiers in Berlin go about the streets biting elderly German women.

The accusation brought open guffaws from the Americans, British and French.

The charge was made by Maj. Gen. Alexander Kotikov, Russian representative on the four-power Kommandatur which governs Berlin.

Many Hurt In Kansas City

(By The Associated Press)

KANSAS CITY, Kas., April 23—Police, ordered to stop mass picketing in the packinghouse strike here, wrecked a CIO hall today in a 10-minute skull-cracking charge which sent 19 persons to hospitals.

Following the bloody police attack on strikers at the strike-bound Cudahy packing company plant, a temporary restraining order was issued against illegal picketing there.

The district court action came even as officials of the United Packinghouse Workers of America (CIO) ordered their members to cease work at eight other plants, previously unaffected.

Police Rush Hall

Seventy policemen, the entire Kansas City, Kas., force, rushed the union hall near the plant a few minutes after they had cleared the streets of pickets.

They rushed the hall after Police Captain Eli Dahlin had attempted to tell the strikers over a safety car loudspeaker that the police were 'not going to take any more guff" in the 39-day-old strike at Cudahy's, Wilson & Co., and Armour & Co.

Ralph M. Baker, district director of the United Packinghouse Workers of America, said the police were guilty of "common brutality" and ordered union members at the eight smaller packing plants to walk out. Baker said that 100 other persons were injured, but none seriously enough to be hospitalized.

City Official Included

Police arrived at the scene with orders from Dahlin that "we have played with this thing long enough." Numerous flareups have occurred at Cudahy's since the strike began.

Before the clash Dahlin had called in the entire police force and told them:

"You are to crack skulls if they ask for it, no matter who they are. That means strike leaders and all, even a member of the city's legal staff if he interferes."

Dahlin's reference apparently was to James H. Barnes, assistant

DAYLIGHT SAVING TIME

It Would Help Texans, Too

DAYLIGHT saving time goes into effect this week-end in many parts of the U. S., by the simple process of moving the clock ahead one hour. West Texas, however, along with all of Texas, will not be affected—although we wish both were.

We wish both were, because we feel that an extra hour of daylight during the Summer months would mean much to the city dwellers of this area and state, while working no hardship on the rural citizenry. An extra hour of daylight would give several million Texans an opportunity to do more fishing, play more golf, go on more picnics and, otherwise, take advantage of the out-of-doors in a way they otherwise are not able to do.

We realize that probabilities are that were the matter put to a vote, most Texans would vote against daylight saving time. Most would vote against the change, we think, simply because it is a change—and for no sound reason. Never-the-less, we realize that in not going on daylight saving time, authorities in this state doubtless are observing the wishes of the majority which is, of course, democracy in its most elemental form.

But we further believe that if Texans would try daylight saving time of their own accord—and not under direction, as they did during the war years—that they would like it and would wish to continue it, year after year.

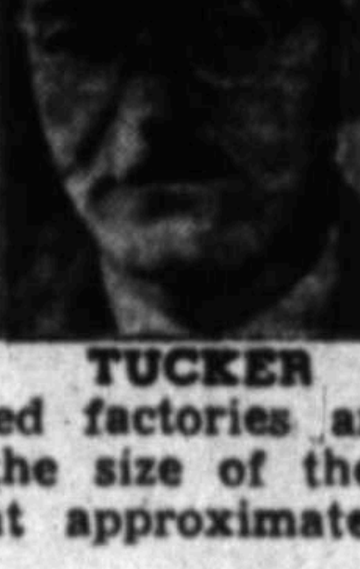

After all, there's nothing very much wrong with a method of giving people more daylight leisure, especially in the cities where opportunity to enjoy daylight leisure is being lessened as traffic and other problems connected with growing Texas cities become greater deterrents, year after year.

DANGER OF NEW CONFLICT SEEN

Army Men May Be Ruling Reds

BY RAY TUCKER
Special Correspondent

WASHINGTON—Anglo-American diplomats and military men now dealing with the Russians have gained the definite impression that Josef Stalin is no longer the strong man of the Kremlin, and that the dictator's power has passed to a small Politburo clique dominated by the marshalls of Moscow's mighty Army and air force. They regard this shift of authority as an exceedingly dangerous menace to world peace and settlement of current difficulties.

TUCKER

The Soviet's increasingly aggressive attitude and behaviour are now attributed to the fact that the military leaders have gotten out of hand, as they have done in almost every police state in world history.

The present rulers became conscious of their power after the siege of Stalingrad, when their stubborn defense surprised themselves. Their swift conquest over Hitler's forces in the last few months of the conflict only inflamed their ambitions. Now they occupy key offices at home and abroad.

They have schemed unceasingly to stay at the top of the postwar pile. Despite the need for industrial and agricultural workers to rebuild devastated factories and farms, they have blocked every effort to reduce the size of their swollen army and air force, which still stands at approximately 5,000,000 at a conservative estimate.

• • •

MILITARY: Thus it is believed that military rather than Marxist considerations lie behind the Reds' moves to obtain domination of border states extending from the Arctic to the Black Seas in the West, and from the Bering Sea area to Southern China in the Orient.

Preparing for the eventual war they foresee with the western nations, their main objective seems to be to build outer defenses now rather than to spread Communist philosophy, although they rely on the latter technique as an auxiliary weapon. In their mind, however, their agents and puppets in the "iron curtain" countries are prospective "fifth columnists" rather than political or ideological propagandists.

• • •

PRISONER: This theory requires a more charitable and trusting interpretation of Stalin's aims than has prevailed at Washington, London and Paris in postwar years. But the belief begins to spread that "Uncle Joe" is virtually a prisoner in the Kremlin, and retained only because he has been sold to the people as the symbol of "Mother Russia."

Stalin has expressed his desire for peace and cooperation with every American who has talked with him—F.D.R., President Truman, Harry Hopkins, Harold E. Stassen and Ambassador Bedell Smith. He has convinced them of his sincerity. He also impressed them as a statesman who believed sincerely that Russia's own best interests lay in reconstruction of her economy instead of ruthless expanion.

But he no longer talks that way. In fact, he no longer talks!

America's major and minor industrialists have been streaming into the Capital for the last few weeks with only a single question in their minds: "When do we go to war and what are your plans for us?" Singly and in delegations, they have voiced that inquiry to President Truman, Secretary Marshall, Secretary Forrestal, Chief of Staff Bradley and to their friends in Senate and House.

Although the answer affects all policies dealing with employment, operations, inventories, purchases, prices and sales, they cannot get a specific reply to their queries. It is obvious that no official at Washington can set the time of another outbreak. But the visitors' principal concern is that nobody can yet tell them with any authority what will be expected of them in another crisis.

Derby Show Is Set Today

The first lap of the Soap Box Derby will be reeled off here at 10 a. m. today when South Plains youngsters between the ages of 11 and 15 will flood into the Palace theater to attend a free technicolor sound movie on the Derby and to hear full explanations of rules and regulations for the big event. The Derby candidates will attend the showing as guests of the Avalanche-Journal and the Lindsey theaters.

The Avalanche-Journal-Chevrolet Official Soap Box Derby will be staged for the first time in Lubbock on July 5.

With only four days of registration behind him, Derby Director Roy Finley announced today that a total of 87 boys had already entered the Derby, two days before the big show when all details will be explained.

And Lubbock Exchange club members reported unusual response in the signing up of sponsors for boys in the race, who pay a $17.50 fee which will provide for all of the youth's expense in the local race. Exchange club members hope to secure sponsors for every boy not able to finance his entry into the race.

Saturday's show will include the showing of a regular full-length picture on the Soap Box Derby in addition to a comedy and another film, and a full explanation of the Derby. Ice cream will be furnished by Borden's for the boys present.

In the meantime the entry list for the big race continued to climb at the official Derby headquarters in the showroom at Kuykendall Chevrolet company, 1901 Texas avenue.

Showdown Is Seen In Condon Dispute

(By International News Service)

WASHINGTON, April 23. — Commerce department officials announced tonight that a reply to the House demand for the department's loyalty file on Dr. Edward U. Condon, noted government atomic scientist, will be delivered Saturday.

Indications were that the department would again decline to furnish a letter written by FBI Director J. Edgar Hoover to W. Averell Harriman, then secretary of commerce, concerned the "associations" of Condon, who heads the National Bureau of Standards.

Charges Are Made

Federal Communications Commissioner C. J. Durr declared in a speech tonight that the House Un-American Activities committee has pronounced "sentence" upon Dr. Condon by publicly branding him without giving him a hearing or a chance to reply. Durr continued:

"Sentence has been pronounced publicly upon his reputation.

"Now that he has been convicted, the committee has indicated that it may extend to him the privilege of saying a few words in his own defense.

"It may, or it may not, such a course being deemed wholly unessential to its pecular conceptions of 'Americanism'."

Durr asserted that no man "who believes in our Democratic traditions and heritage" can refuse to raise his voice in protest.

HST Issues Order

It was expected that Acting Secretary William C. Foster would cite instructions issued by President Truman for all federal agencies to ignore subpoenas for department loyalty records unless approved by the chief executive.

Mr. Truman's order was issued after the House Un-American activities committee declared Condon was "the weakest link in our atomic security" and asked Harriman for the Hoover letter.

The House yesterday voted overwhelmingly a resolution demanding delivery of the letter. The resolution was merely an expression and does not have the force of law. Mr. Truman a few hours later indicated he would not rescind his order.

MARKET TRADING HEAVY

NEW YORK, April 23, (AP)—Stocks completed another leg on their spring advance today in broadest market on record.

Prices pushed up one to more than two points under the impetus of heavy demand for manufacturing and railroad issues.

Of the 1,396 issues on the stock exchanges, transactions were reported in 1,131—the highest number in "big board" history. Of these 653 showed gains and 250 losses.

In the first hour 830,000 shares changed hands, and with another burst of speed in the closing minutes, total sales ran to 2,470,000 shares, largest since Dec. 9, 1946 The market had to overcome the weight of selling by customers cashing in the profits piled up by recent advances. This was especially heavy on the oil and rail stocks.

With industrial and rail averages at new highs for the year or longer, the Associated Press 60-stock composite climbed .4 of a point to 68.1, its best level since last July 25.

Holding gains of a point or more, some of them at new highs, were such issues as Union Pacific, American Can, Union Carbide, Dow Chemical, Montgomery Ward and J. I. Case. Seaboard Oil closed 5 1/4 higher at 53 ¾ after news of a "significant" new well.

U. S. Steel and Chrysler finished narrowly lower. Oils staying on the losing side included Superior Oil of California, Warren Petroleum, Gulf Oil, Mission Corp and Sinclair.

Railroad bonds improved.

Cotton

NEW YORK REPORT

NEW YORK, April 23 (AP) — Cotton futures declined today under pressure of profit taking, liquidation in nearby May, and selling on higher cotton acreage ideas. Increased May liquidation was prompted by the approach of first notice day next Tuesday, while at the same time certificated cotton stocks increased sharply by 1,116 bales to 76,291 bales. Losses in futures extended to $2.75 a bale before the market recovered partially on mill buying and short covering.

Private advices noted that farm work has made excellent progress in the eastern cotton belt with indications that acreage there might exceed 10 per cent over last season. Increases in the central belt ranged from 6 to 15 per cent.

Cotton closed easy.

Jury Gets Case

Weaver before the shooting.

An incident, staged by the defense, was tossed unexpectedly into the arguments. Vickers and Burks reenacted the defense version of what happened at the moment of the shooting.

Vickers simulated efforts to drag Burks off the counsel table, and Burks grabbed the death weapon, Dillard's pistol, which had been admitted as a state exhibit, and aimed it at Vickers' body.

The move was designed to convince the jury of the angle a bullet would course through a victim's body under circumstance of such position.

city attorney who also represents the unions and who has had several arguments with the police at the picket line.

Ten Persons Injured

In a matter of minutes after police arrived the hall was empty. Broken glass littered the floor. Some union members jumped through windows to escape club swinging policemen. Women screamed. Chairs were overturned. Blood was spattered on walls and floor.

Ten persons, two of them women, were treated at hospitals.

About an hour after the clash, Dahlin met with strike leaders. He told them CIO members could assemble inside the hall and that he had set a limit of 10 pickets at Cudahy's.

"There will be no mass formations in the street," he informed them, "and no more rushing from the hall over to the gate whenever something develops."

As the strike front widened here, Wilson & Co., at Chicago asked the government to abandon its efforts to stimulate further talks in the strike.

In a telegram to the Labor department's mediation head, the packing company said a series of meetings in Washington "would only prolong the strike. . ."

In another strike development at Chicago, Circuit Judge Leonard Reid limited the CIO strikers to 10 pickets at the Armour & Co., soap works where a picket was killed Tuesday.

Man Is Badly Beaten

(Continued From Page One)

he was to appear at the county attorney's office at 10 a. m. today.

Three other assault cases, a burglary and an attempted burglary were being investigated by authorities.

C. C. Cooper, negro of Queen City, was treated at Lubbock Memorial hospital yesterday for a knife wound in the leg. Officers said the "stabbing" incident occurred in the 200 block of Eighteenth about 3 p. m.

A 185-pound negro woman was being held in city jail last night in connection with the offense.

Another negro, Winston Lee Lewis, was taken to a hospital about 4:45 a. m. yesterday for treatment of a head cut.

Bertha Lee Thomas, 27, negro woman, was questioned and released.

Argued Over Loan

Lewis said the cutting resulted from an argument over a $5 loan he attempted to collect from his assailant.

George Sneed, a third negro victim, was admitted for hospital treatment of a gunshot wound in the left shoulder, suffered during an argument about 2:30 a. m.

Sallie Mae Sneed, his 42-year-old wife, was at the hospital with him when police investigators arrived. He accused her of the assault, and she admitted it, officials said. Acting on her directions, they recovered a .38-caliber revolver at 1917 Ave. B, where the shooting happened. The Sneed woman was being held for further investigation, police said.

A complaint charging attempted burglary of Max Tidmore Construction company office at Nineteenth and Ave. L was prepared by E. G. Pharr, assistant district attorney. It named Robert Lee Echols of 1808 Twentieth, upon oath of LeRoy Boling, jr., a city detective. The charge was lodged in the justice court of D. W. Robertson.

Moore's Bonded patrol made the arrest and supplied information for the charge, which included accusation that Echols broke a window of the office with intent to enter and take corporeal property there.

Auto Firm Entered

Lubbock Auto company at Nineteenth and College, was broken and entered, but nothing was believed taken from the place, police were informed. Glass panels were taken from a door at rear of the grease room.

The sheriff's department said it had arrested Robert Lewis Scales, 33, a Lubbock negro, and committed him to jail to serve two "old" liquor law fines and costs that attached.

rection during the future course of treatment."

His own doctors had said the arm could be saved. But they were afraid the injury to the radial nerve might leave the 40-year-old Reuther partially crippled.

Downtown, where police are conducting one of Detroit's greatest manhunts, Prosecutor James N. McNally refused to identify his mystery witness except to say that he was the father of six children and "respectable."

McNally said the tipster, whom he referred to as "Mr. X," gave some "valuable information."

According to the prosecutor, the witness told police he overheard Nelson Davis, a self-admitted Communist, state that he knew who tried to kill Reuther."

Davis denied making any such remark. No charge was placed against him. He is a 52-year-old Ford Motor Co. foundry worker. McNally said he signed a statement admitting he was a Communist.

Davis was one of five former UAW-CIO officials questioned Thursday and today. No accusations were made against any of them.

candidates for festival queen, who is to be chosen tomorrow and crowned in a ceremony at 3:30 o'clock.

Bands To Perform

Bud Williams, Clovis mayor and vice president of the chamber of commerce welcomed visitors to the festival and announced major events on the packed schedule for tonight and tomorrow.

Entertainment features of the banquet included personal appearances by Eddy Arnold, hillbilly recording artist, and Jimmy Wakely, western actor and musician from Hollywood. Arnold sang several numbers. Appearing for several numbers were the Oklahoma Wranglers.

Shows were presented tonight, and are on schedule for tomorrow night, by the Arnold and Wakely troupes, with dances both nights at the La Vista and Hotel Clovis.

Downtown concerts are scheduled tomorrow by high school bands from Lubbock, Amarillo, Clovis, Tucumcari, and Portales, and the West Texas State Teachers college band is to play for an elaborate street show from 2 to 5 o'colck tomorrow afternoon.

In the delegation attending tonights banquet from Lubbock were Earl Collins, Irving Jones, Ely Fonville, "Moon" Mullins, and O. L. Byrd.

Plane On Courtesy Flight To Stop Here

The "Kit Carson," Pioneer Air lines' newest addition to its DC-3 fleet, will stop briefly this morning at Municipal airport on its courtesy flight from Houston to Albuquerque, N. M., inaugurating Pioneer service between Texas and the neighboring state to the west.

Gov. Beauford H. Jester and a representative group of businessmen, newspaper personnel and air line officials from major cities between here and Houston are expected to be aboard when the plane lands here this morning.

The Texas delegation, joined by New Mexico's Gov. Thomas J. Mabry and other prominent New Mexico officials, will take part in the first annual Clovis, N. M., Cattle Festival and a christening ceremony will be held for the "Kit Carson."

Following courtesy flights in Tucumcari, Las Vegas and Santa Fe, the climax of the trip will take place tonight in Albuquerque, where both the Texas and New Mexico governors will speak at a Chuck Wagon banquet in an Albuquerque hotel.

The return trip will start about 10 a. m. Sunday from Albuquerque, arriving at Lubbock about 1:30 p. m.

Amendment Suit

(Continued From Page One)

ments for submitting a constitutional amendment to a vote of the people are mandatory.

2. That pre-election publication of the proposed amendment failed to comply with constitutional requirements.

3. That the building amendment contained more than one proposition.

4. That the ballot description of the amendment did not give a clear idea of the scope and character of the amendment.

Daniel Represents State

The state's brief contended that once such an amendment has been adopted by the people, "every reasonable presumption of law and fact is to be indulged in favor of its validity."

LUBBOCK GROUP PRESENT

A delegation from Lubbock attended the brief hearing. Included in the group were three of the four plaintiffs in the case, Spencer A. Wells, Lubbock department store president; Homer G. Maxey, contractor and lumber company owner, and Clarence Whiteside, laundry owner and city commissioner. State Rep. Preston E. Smith, W. B. Rushing and Chas. A. Guy, editor of the Avalanche-Journal, Dudley Brummett, and Waggoner Carr, Lubbock attorneys, also were present for the hearing.

R. Guy Carter of Dallas served as chief counsel for the contestants. Eight other law firms were listed as assisting in the suit. Attorney General Price Daniel and his assistant, Joe R. Greenhill, represented the state.

The contested amendment would levy a 5-cent per $100 valuation ad valorem tax to finance $45,000,000 worth of buildings for 14 state-supported colleges. It would also permit the University of Texas to issue $10,000,000 worth of building bonds and Texas A. and M. college to issue $5,000,000 worth to be paid off with income earned by the University permanent fund.

Opponents of the amendment have argued that it is highly favorable to the University of Texas and A. and M. and would not provide sufficient funds to meet needs of the other 14 schools for the next 30 years. One provision of the amendment restricts the legislature from appropriating any additional building funds for the schools during the 30-year period.

The immediate effect of the court suit has been to freeze the amendment from becoming operative. Bonds issued under authority of the amendment would not be approved by the attorney general while there is court litigation against them and may not be offered for sale without such approval.

Schoolboys Clash In Region Meet Today

Westerners To Make Bid For Fifth Consecutive Track and Field Crown

By EARL SCUDDAY
Avalanche Sports Writer

More than 100 schoolboy cinder path teams from 18 Conference AA, A and B Interscholastic league districts in the Panhandle and West Texas are scheduled to clash in track and field preliminaries of the Region 1 meet at 9:30 o'clock this morning at the Texas Tech oval, with the Lubbock Westerners bidding for their fifth consecutive championship in the AA division.

Tennis preliminaries in the Class A and B brackets were conducted Friday, but finals in all net divisions will be held today at the Tech courts.

* * *

New Plan Adopted

The track and field events will be conducted in separate divisions for AA, A and B performers, under the new Interscholastic league setup, and league officials have ruled that the performances today will go into the record books as the new standards in each class. Records established by the combined fields in previous regional contests will be voided by the inauguration of the "three-way" meet.

All of the outstanding cinder path specialists of West Texas are slated to battle for individual honors in the meet today, including Pampa's great Carl (Red) Mayes and Plainview's Bill Howton in the AA entries; with Val Joe Walker of Seminole, Joe Ogden of Lefors, Jack Young of Andrews and Bill Fairley of Pecos heading the Class A roster.

Mayes, who has run the 100-yard dash in 9.7 seconds and the 220 in 21.3 seconds this year, won the century title in the Southwestern Exposition meet at Fort Worth earlier this season and is rated as the top candidate for scoring honors in the higher competition.

The Mayes-sparked Harvesters are slated to give the Lubbock schoolboys the toughest battle for the AA crown, but Amarillo, Plainview, Childress and Wichita Falls all have stellar performers capable of upsetting the dope bucket.

Seminole's Indians, paced by sprinter-hurdler Val Joe Walker and quarter-miler John Baker, loom as the strongest challenger for the Class A title, with Andrews, Lefors, and Pecos considered as the chief threats to the South Plains crew.

State Meet May 7-8

Individuals must win one of the top two places in a regional event to qualify for competition in the state Interscholastic league meet at Austin May 7-8.

Finals in the field events are scheduled to get underway at 1 o'clock this afternoon at the Tech oval, with track events slated at 2.

Hubs Get Four Hits, Lose To Borger, 7-2

Mills Might Face Visitors Tonight

By JOE KELLY
Avalanche Sports Editor

Lefty Clayton Fries held the Hubbers in the small of his pitching hand last night, while his Borger Gasser mates pounded Billy George "Cotton" Russell for nine safeties and a 7-2 victory.

Fries had a two-hit shutout going into the home half of the last inning, but a base on balls and two doubles interrupted that dream. Frank McAlexander walked to open the inning and scored on Manager Jackie Sullivan's double to right centerfield. After Richardson had grounded out, Charley Scarborough banged his second double of the night to rightfield and the Hubber scoring was over.

THIRD ATTEMPT TONIGHT

The Hubbers, still seeking win No. 1, meet the Borger Gassers at Rosenthal Field again tonight at 8. Manager Jackie Sullivan probably will use Royce Mills on the mound. Manager Eddie Carnett probably will counter with Bid Jamison, who won 11 and lost 9 in 1947.

Three Double Plays

There wasn't much for Hubber fans to cheer about last night, as Fries went about his task of letting the home team down almost in order each inning. Officially he faced only 29 batters, although 34 batters faced him altogether.

And behind Fries was nearly perfect support, Larry and Verdun Gilchrist teaming up to present a beautiful double play combination. With Leon Mitchell anchoring their efforts at first base, the second base, shortstop and first base line turned in three fast twin-killings to erase Hubber threats.

Borger didn't get far with Russell until the third, when a trio of runs crossed the plate. Fries walked, Verdun Gilchrist singled and Larry Gilchrist was safe on an error by Russell himself, loading the sacks. Manager Eddie Carnett then singled two runs in and two plays later, Larry Gilchrist scored on Marvin McNulty's long fly to Scarborough.

The fourth Borger counter came in the fifth, when Verdun Gilchrist singled, went to third on a slow roller down third base and scored as Gordon Nell was grounding out to Richardson.

Another Gasser tally counted in the sixth on Tommy Fox's single, a two-base error by Scarborough and a fly to Fowler.

Additional insurance was added in the eighth, when two runners dented the rubber.

Tech Netters Score Wins Over NMU Crew

Texas Tech's potent tennis team coasted to an impressive victory over the visiting New Mexico university netters, seven matches to two, here Friday afternoon. The top three singles matches were played Thursday, but rain forced postponement of the remainder of the slate until Friday.

The Raiders won all six singles tussles, with Jake Broyles defeating David Ong, 6-2, 6-1; Glenn Ivy drubbing Joe Palaia, 6-1, 6-2; Carl Schmidt trouncing Bill Ross, 6-1, 6-2; Eddie Scudday routing Harry Montgomery, 6-0, 6-2; Joe Wheatley edging Bob Kayne, 6-2, 8-6; and Cecil Roberts thumping Dick Tischhauser, 6-0, 6-1.

Broyles and Ivy won the feature doubles match against Ong and Kayne, 6-1, 6-4 but New Mexico's Palaia and Montgomery eked out a 4-6, 8-6, 7-5 win over Scudday and David Hester. New Mexico copped the final bout with Ross and Tischhauser decisioning Wheatley and Roberts 4-6, 6-1, 6-1.

Westerners Trip Bulldogs, 8-0

BORGER, April 23 (Special) Three-hit hurling by Lefty Jackie Martyn and Denny Davidson gave the Lubbock High Westerners an easy 8-0 District 1-AA baseball triumph over the Borger Bulldogs here tonight. The tilt was the first conference clash for the Westerners and the second loop defeat for the Bulldogs.

Martyn, a fireball left-hander, allowed only one hit in six frames, but Davidson was touched for two safe blows in his one-stanza stint.

The Westerners battle Amarillo's loop-leading Golden Sandie nine at 8 o'clock Saturday night at Amarillo in another district setto.
