TO ALL FRIENDS OF EDUCATION

Notwithstanding the fact that there is a general and widespread awakening of public interest in behalf of the new educational amendment known as House Joint Resolution No. 30 to be voted on by the people on the seventh of November, much work yet remains to be done by the friends of the schools to insure its adoption at the polls. The aroused determination on the part of the country people of the State, however, to demand as good free school opportunities for their children as are now privileged and enjoyed by the children of the cities and towns, and the disposition on the part of the people of the cities and towns to help the country people to secure such privilege for their children augurs well for the amendment.

The amendment proposes no tax of itself but extends the democratic principle of self-government by allowing the voters of any district to tax themselves not exceeding one dollar on the hundred dollars valuation of property for the support of their own schools and by allowing the voters of any county to determine by popular vote if all the property of the county shall be taxed not exceeding 50 cents on the hundred dollars valuation of property to support all the schools of the county.

The country schools have been handicapped, as compared with the city schools, for lack of money. I have never begrudged the city schools one cent of their money. On the other hand, one reason I am supporting this amendment is that it enlarges the opportunity of the cities to increase the support of their own schools. The fact remains, however, that if the country children ever come into their own in the matter of securing an adequate common school education, we must have more money for the country schools. It is idle to say that a six months term of school with seven grades of work in a restricted course of study carried on in a ramshackle school house without libraries or laboratories, on a bleak and desolate school ground is adequate to country children's needs. The county tax provided for in this amendment will go a long way toward overcoming these defects.

Twenty-one states now provide for a county tax for the support of schools. The proposed amendment does not in any way interfere with the present State Ad Valorem Tax for schools, nor does it interfere with the present methods of support of common and independent district schools but it does provide that a tax may be voted on all the property of the county for the support of all the schools of the county, the proceeds of which will be apportioned to all schools of the county on a per capita basis. This proposition is democratic, just, and equitable and should receive the unanimous support of all friends of the schools.

W. F. DOUGHTY,
State Superintendent.

Obituary.

Another home has been darkened and shrouded in sorrow by the grim monster death. This time the death angel visited the home of Mr. and Mrs. M. N. Harrison and took their dear daughter Bertie to the abode of departed spirits to await the resurrection to immortality. Oh how sad it is to have to give up our loved ones; but such is the decree of God, and a faithful submission to his will is demanded of all. When God blesses parents with a sweet child, our whole being is centered at once in its existence and future usefulness and happiness; and when it reaches the period when it takes its position as a useful factor on the stage of life, to be cut down by the scythe of time, brings to parents, loved ones and friends indescribable grief. Such is the case in this instance. All who knew Bertie Harrison loved her for her sweet disposition and her attainments in life. Her ambition to attain to higher spheres of usefulness outstripped her physical ability to stand the work, and as a consequence as the mental powers developed the physical powers gave way. Bertie had reached the age of 30. She died on her birthday, the 12th of October, 1916, at 7:30 p. m. Was buried in the Junction Cemetery the following day at 5 p. m. The remains were accompanied to the last resting place by almost the entire citizenship of Junction and the neighborhood. With tearful eyes and sympathizing hearts the solemn service was held. She was born in Kimble County and educated for a teacher in our schools and became one of the very best. Junction and London have been blessed with her efficient work. So had the town of Mason. She had received training at the San Marcos and Canon normals and became one of the efficient instructors for four years in the last mentioned. From there she went to the "Peabody" at Nashville, Tenn., for some further special training, where she was forced to yield her ambitious efforts and came home, where she patiently bore her sickness till she crossed the river of death to her reward. The dear ones at home with watchful solicitude, stayed by her bedside all through the days of her sickness, and through brimming tears could say, "We did all we could." She became a member of the Christian Church while at school at San Marcos, and lived a life of devotion to the cause she loved. Her eyes were sadly closed in the sleep of death, and the last goodbye spoken till the happy future meeting.

"Sleep on, sleep on thy peaceful sleep,
No sleep hath earth so sweet.
Thou'rt here 'mid gloom they mean and weep,
In heaven again we'll meet.
Asleep, asleep on angel's breast
All cares and trials o'er;
Asleep, asleep until the blest
Awake on Canan's shore."
J. S. Darst.

It will be no longer necessary for the people of Junction to go to the city to have their eyes fitted as Dr. D. O. Gentry, expert optician, will make regular visits to Junction. The Dr. is one of Kansas City's most popular optometrists was here a few weeks ago, and did considerable eye work which proved entirely satisfactory. The Dr. arrived in Junction Tuesday night, and will be here at Dr. Rogers' office until Saturday, Oct. 28.

Your subscription may be due.

SCHOOL NEWS.

Wednesday morning, Rev. J. N. Campbell, accompanied by H. H. Friar, T. W. Wilson and W. G. Winnan, who are conducting a protracted meeting at the Baptist Church, visited the school Evangelist. Friar gave us an interesting history of his early school days. We enjoyed having these people with us and extend to them a cordial invitation to repeat the visit.

Esther Mueller, of Johnson Fork community, entered school in the north grade Monday.

William Oliver attended school Friday.

Junction Footballists Lose to Tivy High.

Last Saturday October the 14 the Gridiron Warriors of the Junction High School, ventured forth to Kerrville to contest for honors in their first football game of the season.

After a five hours delay necessitated by trouble in two of the cars, the game was started at 3 p. m. east of the Tivy High School campus. The supporters of the home team relied on excellent forward passing. As they were thoroughly acquainted with the sheltering haunts of their "Junction forest," which they had marked off and satirically dubbed a football field, and our boys were not, it was not un-

til the end of the second quarter that we began to get our bearings and come alive, and although being unable to score, stopped their fierce onslaught after three touchdowns had been made, two from forward passes and one on a blocked kick. After that most all of their attempts to advance were ineffectual, managing, however, to put 7 more points across before the final blast, Renschel kicking all goals, making the score read 28 to 0 with the margin and grey on the short end.

This defeat met at the hands of congenial rivals in our initial contest, however, does not leave a sting, as the lads who do battle for Kerrville are, in every respect, clean and true sportsmen.

A return game has been arranged for next Saturday, 20th at this place. If you enjoy a real athletic contest we are expecting you out on that date.

Saturday's line up:

J. H. S.	Pos.	T. H. S.
Wyatt	qr	Gold
F. Wright	rt	Evans
Morris	qr	Stande
Phillips	rt	Spain
Bark	lt	Pierce
Martin	lt	Singer
Patterson	qr	Tuley
Kendrick	qr	And Capt
O. Wright	lt	Smith
Vining	rt	Renschel

Time of quarters 12 and 15 minutes. Substitutions, Kerrville: Davies for Hodge, Smith, cast for Evans, Smith for Davies, Cobb for Smith. Junction: none.

Prof. Morris has a strange "letter" in work in the southeast corner of his room. It is in the shape of a softly squashed rubber commonly known as a sweet potato. He was discovered Wednesday observing it with contemplative meditation, and apparently wondering why it had not sprouted when he planted it in the aqua hydrant Monday morning.

The Smith Union bridge was the scene of a train of peculiar antics Tuesday morning before school. R. L. Morris with a party in a Maxwell went, intending to turn and meet a freight wagon on the turn of the approach and upon attempting to pass it got a tender lung, and was "carried back" for a few yards back. Immediately after this Omer Wright with a load in a single surrey drove up and being in a hurry to get to school met the train and got the end of a shaft caught in a mule's collar and broke the shaft short off. On this account the Wrights were forced to resort to the most primitive method of transportation known to man in order to reach the school.

Among those absent from school Friday were: Fayette Hodges, Felton Wright and Edton Bulfinch.

Mary Anderson was absent from school Monday afternoon.

Wedding Bells.

A pretty home wedding was solemnized at the home of the bride's parents, Mr. and Mrs. J. A. Heyman, at 7:00 o'clock last Tuesday morning. The contracting parties were Miss Alice Heyman and Mr. Tom King. Rev. J. N. Campbell was the officiating clergyman who tied the nuptial knot pronouncing the ceremony which united the lives of these estimable young people. The wedding was a quiet one witnessed only by the immediate relatives of the bride and groom, and a few intimate friends. The bride was becomingly attired in a traveling coat suit of brown broadcloth. After congratulations an elegant wedding breakfast was served, at which Rev. J. H. Friar, visiting evangelist, pronounced the blessing. The happy couple left at once for Friday where they will visit, the groom's parents and other relatives for a few days, before going to Rockwood, Coleman County, where Mr. King is principal of the public school, to make their home.

The bride is from one of the most prominent families of our town and is one of our choicest young ladies. She was a 1908 graduate of Junction High School and graduated from San Marcos Academy in 1910. Since that time she has been a most efficient teacher in the Junction school and elsewhere. Her friends are multitude and she has the high esteem of all. She will be missed greatly from social and church circles, where she has taken an active part.

The groom is a son of Ladies and Mrs. T. J. King of Brady and is a young man of high character and sterling character. He is a last year's graduate of Howard Payne College at Brownwood, and has chosen the profession of teaching, after thoroughly qualifying himself for this occupation. May the newly wedded pair be attended by life's richest blessings.

Among out of town guests for the wedding were: the groom's mother Mrs. T. J. King, Miss Lee King, his brother's wife Miss Emma King, a sister and Henry King, a brother, all of Brady.

Blackburn, Charles Carr, Negative, Francis Vaughn, Grenada Farmer, Joe Wyatt, Recitation, Elizabeth Patterson Song.

Felix Harrison was absent from school four days last week. R. E. Knox left Monday, taking his two eldest sons to Austin for treatment for a bite from a hydropic skin which they tried to go to bed with them Friday night.

Debate

The literary society met last Friday night at the Courthouse. In the President's tardiness, Vice Pres. Randolph presided. After the installation of officers, there was a debate on Preparedness, which was very good as there was keen rivalry between the sides. The decision was in favor of the negative. There is some good material underlying the process of development and much is expected of these young orators in the near future.

BAPTIST MEETING

Evangelist H. H. Friar and two assistants, T. W. Wilson, Chorus Director and W. G. Wilson, Personal Services, arrived here Monday night. They are holding two sessions daily, 10 a. m. and 7:30 p. m., at the Baptist Church. The evening services are always largely attended. Rev. Friar is a very forceful, convincing speaker of typical evangelistic type and reaching and holds the interest of the people very effectively. Mr. Wilson is a singer and choir leader of unusual ability, and Mr. Wilson is a very helpful general assistant, and a personal worker of valuable assistance. Everybody is cordially invited to attend the services.

You need it—The Citizen.

Card Of Thanks.

Language is inadequate to fully express our heartfelt gratitude to the many friends who so kindly aided us during the days of anxious watching, and prayerful solicitude while our dear one was passing through the trying ordeal of suffering, and who were kind to us in their assistance, and sympathizing words in the dark hours of gloom and sorrow caused by the dark hours of gloom and sorrow caused by the passing of a loved one from the family circle. May the Lord bless you all in our prayer, especially do we thank the Junction Telephone Co. for their kindness in promptly answering and giving us the use of their lines in our every call.

UGH! CALOMEL MAKES YOU SICK. DON'T STAY BILIOUS, CONSTIPATED

"Dodson's Liver Tonic" Will Clean Your
Sluggish Liver Better Than Calomel
and Can Not Salivate.

Calomel makes you sick; you lose a day's work. Calomel is a quicksilver and it salivates; calomel injures your liver. If you are bilious, feel lousy, sluggish and all knocked out, if your bowels are constipated and your head aches or stomach is sour, just take a spoonful of harmless Dodson's Liver Tonic instead of using sickening, salivating calomel. Dodson's Liver Tonic is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working, your head aches and dizziness gone, your stomach will be sweet and bowels regular. You will feel like working. You'll be cheerful, full of energy, vigor and ambition.

Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tonic under my personal guarantee that it will clean your sluggish liver better than nasty calomel; it won't make you sick and you can eat anything you want without being salivated. Your druggist guarantees that each spoonful will start your liver, clean your bowels and straighten you up by morning or you get your money back. Children gladly take Dodson's Liver Tonic because it is pleasant tasting and doesn't gripe or cramp or make them sick.

I am selling millions of bottles of Dodson's Liver Tonic to people who have found that this pleasant, vegetable, liver medicine takes the place of dangerous calomel. Buy one bottle on my sound, reliable guarantee. Ask your druggist about me.

The recent partial showers will prove of considerable benefit to the small grain in this section. Better rains will follow. Don't worry. Worry is the mental disease of the age. Keep sweet. Smile if possible when adverse conditions prevail. You will feel better, and others will be benefitted thereby.

Aunt Kate Griffith was recently returned from Sheffield, Peas county, where she spent some two months with her daughter and family, Mrs. Mina Phelps.

The Coperas school opened last Monday with Mrs. A. O. Lawler as teacher.

Clint Spaulding who has been visiting here the past few weeks departed this week for his home in Waxahachie, Texas.

We note with pleasure that Dutch Dunbar, who for the past two or three weeks has been on the sick list, is again able to be about his business engagements.

Wade Smith who went east some time since to pick cotton and visit relatives is again circumambulating in our midst.

Mrs. J. T. Hughes, formerly of Comanche, Texas, who has been visiting in this section for some time past departed to join her husband J. T. Hughes who has business engagements in Barnhart, Texas.

John Cowsett, one of North Llano's most extensive livestock dealers, has just returned from a business trip into the Sonora country.

The Baptist people of this community now have on hand specifications and plans for a new

church house to be built in the near future. Should you be solicited to cast in a vote toward the furtherance of this enterprise, turn not thou away. Any help rendered will be appreciated.

"Hard Times" Richardson has built an addition to his dwelling which means more comfort and convenience for his family. He has put in an order for a new 5 passenger Ford, which also means comfort, convenience, time and money saved, and a pointer for a higher and better life.

Excelsior: This word carries with it the idea of advancement, growing better. There is not one, when his attitude toward life is fully understood, but what would improve if he could his moral, mental and financial condition. The world's greatest advancement is made in the individual. The nation rises to higher and better ground in proportion to that advancement made in the individual heart and life. Those inventions that have brought the greatest good to the nation were first thought out and made successful in the individual mind. There was never a thought with power and greatness enough to bring joy or blessing to the heart and life of any nation but was the product of the powers once latent in the individual mind. To develop for the highest and greatest good of the nation, the mental and moral powers of the individual boy or girl, is the one great aim of Christian education.

With best wishes,
Walking Evangelist
