Early Tax Collections Hit All Time High for October

Merchants Urge Earlier Gift Shopping This Year

...use the demand for gift mer-...dise this year is expected to ...e greatest in years—possibly ...r than the available supply—...because the labor situation is ...ite, if not more so, than the ...Christmas season, local mer-...s are urging earlier gift shop-...this year than ever before.

...mber 1 has been suggested ...e ODT, the WMC, Railway ...s, Post Office, and other gov-...ent authorities, as the dead-...r mailing Christmas parcels ...tinations within the United ... This date is being urged to ... the almost impossible task ... on transportation workers ... the last few weeks before Christmas.

Gift Selections Better

Although the quantity of merchandise available in Perryton this year is probably not as great in proportion to added demand, the quality of merchandise already received by local merchants is improved.

Paper toys and games are back again in abundance, however a larger quantity of wood constructed toys have arrived, and the quality of construction has been improved considerably.

Some toys such as trucks, trains, military vehicles, guns, etc., with synthetic rubber tires have been noticed in some stores. Most, however, have wooden wheels and tires but better built than last year.

Metal Gifts Scarce

Metal toys are still unavailable although a better brand of carpenter and mechanics' tools have been received at local hardware and home and auto supply stores. Also several items in this line are available for the first time in several years.

A few electric irons, alarm clocks, flash lights and other long gone items have been manufactured during the past few months but little hope for such merchandise in any quantity is expressed by local merchants and citizens are warned not to build up hopes that they will be available for gift giving.

Clothing Items Sufficient

Although cotton goods have been growing more scarce the past several weeks, the supply of this type of merchandise is expected to take care of the demand. Stocks of staple wearing apparel are above average here.

Early shopping for these, as well as all other gifts, is urged both because of the possibility of depleted stocks and also because of better shopping conditions now. Lack of sufficient clerks will cause customer inconvenience if the usual last minute rush occurs.

Novelty jewelry and leather goods will play an important part in gift giving this Christmas. Watches and better jewerly is very short, but Indian, Mexican and costume jewelry has enjoyed a brisk demand, likely to increase tremendously as Christmas approaches.

Leather goods, including billfolds, military kits, photograph albums and folders, etc., will also come in for a large share of the gift money spent in Perryton.

Some Items Unavailable

Such auto accessories as seat covers, floor mats, heaters, fans, etc., are as short as ever—shorter in many cases. Motorists who like such gifts are likely to be disappointed this year.

Aluminum pots and pans and other old reliable kitchen utensils are still absent from local stores but excellent suggestions in glass kitchen and oven ware are in abundance to take their place. Crystal and glass ware, pottery and china are also available. Furniture stocks are short but such items as lounge chairs, end tables, coffee tables, sewing cabinets, etc., are in abundance.

Despite shortages in many lines, Perryton, as usual, will be the shopping center for a wide area in the Texas and Oklahoma Panhandle because local stores are better stocked than most stores in any city, large or small, in this section of the country.

OCHILTREE COUNTY HERALD

...UME XXVII | Section A—6 Pages | PERRYTON, OCHILTREE COUNTY, TEXAS, THURSDAY, OCTOBER 26, 1944 | Two Sections—12 Pages | NUMBER 43

More Than One-fourth of 1944 Taxes Paid in First 25 Days; Taxes Go Delinquent Feb. 1

The early payment of 1944 taxes reflects the excellent financial condition of Ochiltree county. Tax collectors for state and county, school and city, all report an unprecedented early payment of taxes. As a general rule, the greater part of the taxes are not paid until the last few weeks of January, just before they go delinquent on Feb. 1. Taxes became due Oct. 1 and at the close of business Wednesday, Oct. 25, collections averaged more than 25 per cent of the current rolls.

With the delinquent rolls already at the lowest point in the county's history, they are getting even smaller. Tax collectors for all agencies report the payment of a number of delinqueunt tax items, mostly for small items, some of them back as far as 1926.

County and State Taxes

Sheriff J. S. Talley's office has made a 27.5 per cent collection on the current rolls. The total roll for state and county is $84,143, and $23,-181.44 has been collected. Taxpayers are allowed a three per cent discount on state taxes paid during October. The discount is two per cent in November and one per cent in December. Savings through the discount on the above collections is $261.06.

There is no discount on county, school and city taxes for early payment. The five per cent reduction in the county state state rate, in effect for the past two years, amounts to 2,735.31 on the county's 1944 tax roll.

Sheriff Talley reports a total of 235 poll taxes paid in the first 25 days of the current tax paying period.

School Tax Payments

F. B. Sumpter, tax collector for the Perryton, Waka and Huntoon Independent School Districts, reports a collection of 26.7 per cent on his rolls. The total on the rolls of the three districts is $85,919.37, divided as follows: Perryton, $71,862.-76; Waka, $8,275.80; and Huntoon, $5,780.81. Total collections for the three districts are $22,974.00.

City Collections Good

While city tax collections are much better than former years, they are falling behind the exceptional record for early payment made by the other tax collecting agencies. City Clerk M. M. Cudd reports collections of $4,217.25 on a 1944 roll of $26,039.25. This is 16.2 per cent of the total due.

JUST HERE and THERE

"In two years of war against Japan the United Nations have not taken as much territory from Japan as the Japanese seized from them in the first two weeks of war. We know that the Japanese will defend with fanaticism, that willingness to die fighting, is attested to by the small number of Japanese prisoners we have taken. During the first two years of war, our American forces captured more than 170,000 Italians and more than 110,000 Germans. Although we have killed thousands of Japanese, in two years of war we have captured less than 400. I know of no single fact which so clearly indicates the size of our job ahead in the Pacific."—ROBERT P. PATTERSON, Under Secretary of War.

Under the heading, "I'd Just as soon Be a Plow Mule," the following letter appeared in a recent issue of the "Texas Outlook."

Dear Superintendent:

I appreciate your kind offer of a job for my girl. She had her heart set on being a schoolteacher, but I talked her out of it. Teaching school is too much like being a preacher's wife. It's a high callin' but people expect you to give more'n they pay for.

"You take the teachers here in town. The only difference in them and Christian martyrs is the date and lack of bonfire. They was hired to teach and they do it. They teach the youngun's that learn and entertain the ones that fell on their heads when they was little, but that ain't enough, their supposed to make obedient little angels out of spoiled brats that never minded nobody, and wet-nurse little wildcats, so their mothers can get a rest, and make geniuses out o' children that couldn't have no sense with the parents they've got.

"But that ain't the worst. They've got to get up shows and plays to work the school out of debt, and sing in the choir, and teach a Sunday school class, and when they ain't doin nothin else they're supposed to be a good example.

They don't get no pay for three months, and can't pay their board or buy decent clothes, and on top of everything else they can't hold hands comin' home from prayer meetin' without some gossipy old sister startin' a scandal on them.

"I'd just as soon be a plow mule. A mule works just as hard, but it can relieve its soul by kickin' up it's heels after quittin' time without startin' any talk. I appreciate your kind offer and may the Lord have mercy on you, but my daughter is not interested.

"Yours very truly,
"Mary's Mother."

In the Oct. 21 report of the standing of 18th district counties in the United War Chest drive, Ochiltree ranks fourth. Eight counties had attained their goal. They were Randall, 192.4; Sherman, 140.7; Dallam, 135.3; and Ochiltree with 117.9 per cent of the assigned goal. Other counties over the top were Carson, Hartley, Donley and Roberts.

And while Ochiltree county has made its goal there is no stopping. When a soldier wins his objective, he doesn't quit. He keeps on going . . . and wins the battle. With our county over the top, it's a good time to start fighting for a healthy overage. Humanity knows no limit. The quota is the "floor" of giving, not the "ceiling." The real goal is

Legion-Auxiliary District Meeting November 18-19

The fall meeting of the 18th District of The American Legion and American Legion Auxiliary will be held in Shamrock on Saturday and Sunday, November 18-19. Henry Tuebel, Tulia, District Commander, and Mrs. Gean Morris, Borger, District President, will be in charge of the business sessions.

Registration will start at noon Saturday. The Forty and Eight will convene at 4 p.m. Saturday, with a dinner at six o'clock for all Forty and Eighters. Sunday morning, the Adjutant General of Texas will review the Texas State Guard. Church services will be at 11 a.m. with lunch at noon. At 1:30 Sunday, the Legion and Auxiliary will hold a joint session, with business meetings at three o'clock.

Youth Drowns In Washington Burial Here

Funeral services will be held at the Full Gospel Church this afternoon, October 26, at 3 o'clock, for Marvin Selby, 9-year-old son of Mr. and Mrs. Arthuur Selby, who drowned at Vancouver, Wash., Monday, October 16. Rev. Ralph A. Durham will conduct the services. Burial will be in the Ochiltree cemetery.

Pall bearers are Paul Pletcher, Henry Pletcher, Tom Pletcher, Johnny Black, Keith Fuller and Donald Elland.

Marvin Selby was born in Perryton, March 15, 1935, and departed this life October 16, 1944. The Selby family, early settlers of this county, left Perryton for the west in 1935. For six years, they have resided in Washington, and the past two and a half years, in Vancouver.

At the time of his death, Marvin was a student in the fourth grade. He met his death in the mighty Coluumbia river when he slipped from a raft on which he and two other boys were playing. His companions were Kenneth and Delmar Butler, brothers, ages 5 and 9. According to Delmar, Marvin was running up and down a plank that the children had pushed into the river, when he slipped and fell off. Delmar ran for help. The coast guard was called, the body recovered and artificial respiration was administered but to no avail.

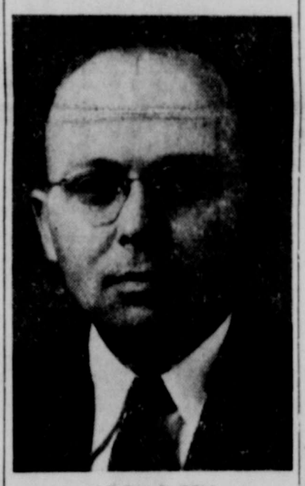

Besides his parents, Marvin is survived by a sister, Mrs. Juanita Reynolds, Montague, Calif., and a

Aldon Bell is New Rotary President

Aldon B. Bell, general manager of the Perryton Equity Exchange, is the new president of the Perryton Rotary Club. Mr. Bell will assume the duties of president of Rotary at todays meeting.

Mr. Bell, who was serving as vice-president, succeeded R. M. Hendry as president. Mr. Hendry, superintendent of the Gray Booster plant, and his family left Tuesday for Tacoma, Wash. where they will make their home.

ALDON B. BELL

T. O. Patton was named as vice-president to succeed Mr. Bell. The directors will name a member of the board to replace Hendry on the board of directors.

Following last Thursday's luncheon, the directors approved the financing of moving a hut to the old CCC grounds for a permanent home for the Rotary Boy Scout Troop. The building, an old tool shed, was donated by the Perryton Equity.

Guymon Plays Rangers Here Friday Night

The Guymon Tigers will come to Perryton Friday night for a return game with the Rangers. The game will be played on Ranger Field under the lights. Kick-off at 8:15 o'clock. The Rangers defeated the Tigers, 7-6, Oct. 6, at Guymon.

The Rangers have a record of two wins in five games this season. They won over Dumas and Guymon, losing to Memphis, Canadian and White Deer. Guymon and Perryton appear to be about evenly matched so this should be the best home game of the 1944 season.

Coach Slack and his boys have been working faithfully even though they are trailing in the conference race. Probably starting line-up for

Do Not Fear Criticism

"Weep and you're called a baby, laugh and you're called a fool; yield and you're called a coward, stand and you're called a mule; smile, and they call you silly, frown, and they'll call you gruff; put on a front like a millionaire and somebody calls your bluff."

—Anonymous.

A Privilege . . . A Duty

Edward A. O'Neal has been president of the American Farm Bureau Federation for a good many years. He has been a consistent champion of farmers' rights, and when he speaks farmers are pretty apt to listen attentively. But he spoke to all American citizens recently when he said that the right to vote is one of our most precious possessions.

"I know the farmer has an obligation to get his crops in at the proper time," said Mr. O'Neal, 'but I also know that he has a duty that transcends even the obligations to produce in wartime, and that is his responsibility to contribute to good government and to the national welfare by exercising his right of franchise.

"Leave your plow, leave your cow, leave your sow, and go to the polls in what is one of the most precious rights and privileges that we enjoy under our democratic form of government.

"In my opinion, farm people carry a greater responsibility for the preservation of our great tradition of democracy than any other group. I profoundly believe that our historic tradition is deeply imbedded in the hearts of rural people to an extent that you will find nowhere else."

Becauuse of his deep attachment to the soil and to his home, the farmer is generally regarded as the backbone of American democracy. He would be the first to oppose any sentiment toward a change in the essential form of our government. He wants none of dictators or government that does not allow a free will and expression of the people.

But it is not inappropriate that Mr. O'Neal's message be directed at them, for many farmers have fallen into the error of thinking that their opinions counted for little, that their votes meant less. No state of mind could be more unfortunate just now as our country faces another national election. The issues that will be decided are of grave importance to its present and future welfare. To preserve our democratic processes of government, it is necessary that the opinion of all the people—their concerted will—be demonstrated through their ballots. One man's vote counts just as much as any other's. When lines are drawn as close as they are now, one vote may decide how a state will cast its electoral vote. And the electoral vote of even one state could possibly swing the election.

The important thing for all of us to remember is that we can contribute to our contry's welfare by doing our duty as good citizens and voting on November 7.

Many Ask For Absentee Vote Ballots

Mrs. Beulah LeMaster, Ochiltree county clerk, states that it looks as though absentee voting will be much heavier than uusual in the general election to be held Nov. 7.

Mrs. LeMaster has mailed 25 ballots to civilians who will vote absentee. She has also sent 16 ballots to men and women serving in the armed forces in the United States. At least 75 requests were received from men and women in the armed forces for ballots that could not be mailed due to the fact that they had not paid their poll tax.

Federal ballots from overseas soldiers are also being received by Mrs. LeMaster.

Nov. 3 is the last day for mailing of absentee ballots and they must be returned by Nov. 7. Nov. 3 is also the last day for people that know they are going to be out of the county on Nov. 7, to vote absentee at the county clerk's office.

County Court Petit Jury

A petit jury list for the November term of the County Court of Ochiltree County has been summoned to appear for duty at ten o'clock Monday morning, November 20, before Judge Dave Shanks. Other officers of the court are J. S. Talley, sheriff, Beula K. LeMaster, clerk, and Max W. Boyer, attorney.

Jurors subpoenaed for November 20 are: Sam Ballard, Harry Barlow Jr., O. R. Bruner, A. L. Carter, Geo. Barnett, J. W. Bennett, Paul Corbin, W. W. Blackburn, Claud Croch, Wesley Bryan, M. P. Browning, H. C. Brown Jr., Joe Buckhaults, Albert Ackley, J. H. Brashears, R. T. Bowen and J. M. Anderson.

Howard Compton Dies from Wounds

Word has been received in Perryton of the death of Pvt. Howard E. Compton who died last week at Hamilton Field, Calif., just five days after an ambulance plane had brought him back to America from the South Pacific. Pvt. Compton was wounded in action on Biak Island on June 28.

Funeral services were held in Pampa and interment was in Amarillo. His home was at Mobeetie.

Lackey's Store Opens Here This Saturday

Lackey's Firestone Home & Auto Parts Store will hold its grand opening this Saturday, October 28, at 109 North Main street, in the location formerly occupied by the Lackey Texaco Service Station.

H. W. Lackey, Texaco dealer here for the past ten years, and F. M. Thagard, formerly of Oklahoma City, are the owners of Perryton's newest firm. Mr. Thagard has been with the Firestone Tire Company for the past ten years. Before coming here to enter business he was field supervisor in charge of wholesale sales for the Firestone company.

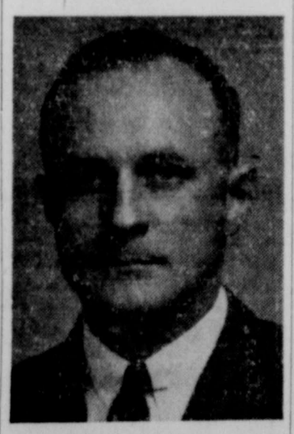

The new firm will feature a complete line of Firestone home and auto supplies, complete Texaco service—famous Texaco petroleum products and automobile washing, lubricating, waxing and polishing. Sixteen different departments will be maintained, including a complete car, truck and tractor tire retreading service, houseware, hardware, clothing, and tire, tube and battery department.

Shindler Host at Pheasant Dinner For Lions Club

Members of the Perryton Lions Club were guests of R. T. Shindled at a pheasant dinner at their regular Tuesday luncheon at the Perryton Hotel this week. The dinner was prepared by Chef Jimmie Lee and his good wife. Bob returned a few days ago from a very successful hunt and well earned vacation in South Dakota.

Guests of the club were Lt. Edwin Thomas, Mayor W. H. Lance and Van W. Stewart.

Mayor Lance addressed the club on the importance of Perryton representation at the aviation conference in Amarillo on Wednesday, Thurusday and Friday of this week.

President J. H. Woodward presided at the luncheon.

At the Ellis

Thurs.-Fri., Oct. 26-27—"The Oklahoma Kid," with James Cagney, Humphrey Bogart, Donald Crisp and Rosemary Lane.

Saturday, Oct. 28—"Beneath Western Skies," with Bob Livingston and Smiley Burnette.

Saturday night preview, Oct. 28—"Meet Miss Bobby Socks," with Bob Crosby and Lynn Merrick.

Sun.-Mon., Oct. 29-30—"Dragon Seed," with Katharine Hepbrun, Walter Huston, Akim Tamiroff and Turhan Bey.

Tues.-Wed., Oct. 31-Nov. 1—"San Diego, I Love You," with Jon Hall, Louise Allbritton and Edward Everett Horton.

Thurs.-Fri., Nov. 2-3—"The Climax," with Boris Karloff, Susanna Foster and Gale Sondergaard.

...uck, Goose Hunting at Lake ...yer Opens Thursday, Nov. 2

...cording to information received ... week from John Coburn, con-...ionaire at Lake Fryer, duck and ...e hunting will be allowed at ... lake this season for the first ... on Thursday, Sunday and all ... holidays. Hunting will be al-...ed on opening day, Thursday, ...v. 2.

...l Federal and State game laws ...t be observed, and in addition ... following regulations governing ...ting at Lake Fryer have been ...up by the U. S. government and ... Texas Game Commission.

...l hunters over 16 years of age ...t have on his or her person a ...ed duck stamp and his state ...ting license. No hunting allowed ...out a state license, either a ...dent or non-resident.

...ch hunter must check in before ... days hunt and must check out following his hunt. Absolutely no exception to this regulation.

No shooting allowed from the banks, boats, below the dam or any place in the park except from blinds assigned to them by the concessionaire. Arrangements for location and construction of privately constructed and owned blinds can be made with the concessionaire.

No game except duck and geese allowed to be killed on the lake property.

Charges for hunting at Lake Fryer will be $1.00 for a daily permit or $10 for an annual permit. These permits may be secured from Mr. Coburn at the lake.

Mr. Coburn states that there are now lots of ducks on the lake. He also says that fishing, especially crappie, is very good.

Remodeling Perryton Hotel Corner to Provide Space for Ellis' Automotive-Electric Store

An extensive remodeling, redecorating and painting program is under way on the Hotel Perryton building. The lobby, coffee shop and the entire interior of the hotel is being redecorated and painted. All exterior wood and metal work is being painted.

Contractor Clyde Cofer has a force of men remodeling the corner room formerly occupied by the Goodrich Store and the adjoining room to the north occupied for years by Wolford's Sweet Shop. The partition dividing these two store rooms has been removed and the two rooms will be made into one.

The floor level of the corner room will be raised to the same as the adjoining room.

When completed the entire space will be used by the Goodrich Store under a new name. The new business will be known as Ellis' and will feature a complete line of automotive supplies and electrical appliances. The General Electric line of electrical appliances and equipment will be handled.

Plans for the new store with the most modern of fixtures were prepared by the firm of A. J. Buliard, Oklahoma City, specialists in designers of retail stores and fixtures. The floor will be covered with asphalt tile.

Manager J. D. Andrews of Ellis' is now maintaining a standby service from the American Theatre building which will be used as a warehouse when the new store is opened.

'Beneath Western Skies' Plays this Saturday

Republic studio, noted for the root-in'est, toot-in'est westerns, scored another hit in "Beneath Western Skies," playing this Saturday at the Ellis. The story concerns those two fabulous characters, newest of the western fan's favorites, "Johnny Revere" and "Frog Millhouse."

The action packed story is filled with exciting chases, gun-fights and suspense.

Hilarious Comedy Hit Plays Next Week

Universal's "San Diego, I Love You," one of the funniest films ever to come out of Hollywood, plays next Tuesday and Wednesday at the Ellis theatre.

With the exception of the opening scenes, the picture, which co-stars Louise Allbritton and Jon Hall, has the busy city of San Diego, with its wartime problems of housing and congestion as its background.

In the film, Horton, who usually plays bachelor roles, is the father of five children. The story concerns the family's departure for San Diego to promote a collapsible life raft Papa Horton has invented, and their experiences there are hilariously funny.

'Dragon Seed,' New MGM Film Tops 'The Good Earth'

The romantic leads of M-G-M's "Dragon Seed," the powerful new film playing this Sunday and Monday at the Ellis, are Katherine Hepburn, as Jade, and Turhan Bey, as Loa Er.

Greater than "The Good Earth!" That's the only way to describe "Dragon Seed," filmization of this other literary landmark by Pearl Buck, who knows China and the Chinese people as few other Americans do.

Here is the powerful, memorable story of the valiant Chinese in their struggle against the bestial Japanese militarist invaders. Here is the heart and soul of a nation transcribed to the scene in a truly epic manner.

Nothing has been spared to make this one of the most magnificent pieces of film entertainment ever produced. It is the moving story of Ling Tan (Walter Huston) and his family, who work their peaceful rice fields. The time is 1937. Suddenly the peace is shattered; the Japanese marauders are upon the pleasant fertile valley.

Miss Hepburn and Turhan Bey who share the leading romantic roles, both are their superb best, as are Huston and all the others in the cast.

Interest in Flying School Grows Daily

Tip Collingsworth and Bob Nickey reported yesterday that five more flight students soloed at the Collingsworth & Nickey Flying School this week and interest is increasing so rapidly at both the Guymon and Perryton Airports that purchase of several more planes is contemplated.

Cody and DeWitt Harris, Dave Yoch Jr., Joe Buchhaults and Fred Turner were the five making their solo flights this week. A J-2 Cub, recently purchased by the flying school, was brought here from Liberal last Sunday, and was purchased the next day by young Turner.

Five young women are now enrolled in the local flight school, including Ilona Johnson, a school teacher at Hardesty, Okla., a young lady from Canadian, and Ruby Lamb, Georgia Burleson and Joyce Jones, all from Spearman. Gus McLain of Spearman is a new enrollee.

A number of charter trips have been made recently by the two pilots and the demand for the trips is becoming so great they plan to purchase a cabin plane as soon as possible.

——SACRIFICE! BUY WAR BONDS!——

Mr. and Mrs. W. G. Hibbs and Mary and Vance Dobbs spent the week end in Fairfax, Okla. Mrs. Grace Hibbs and son Frankie Jr. accompanied them back to Perryton for a visit.

At Pampa Base

Cpl. Ralph Blodgett born in the southwest corner of Ochiltree county August 23, 1920, is the son of Mrs. Deta Blodgett, and the grandson of Mrs. J. M. Blodgett. He was inducted into the army at Lubbock, June 29, 1943, and reported to Ft. Sill, Okla. Placed in the air corps, he took his basic at Buckley Field, Colo. Then after graduating from Weather Observers School in December, 1943, at Chanute Field, Ill., he was sent to the Amarillo Field, then to the Pampa Air Base, where he is at the present time. Ralph received his grade school education in the Blodgett rural school and then graduated from the Spearman high school in 1936. After graduating from college in 1941 at Texas Tech, he was actively engaged in farming for himself and with his mother, until he went into defense work at Oklahoma City.

There's a Shortage of Copies of The Dallas Morning News—But NOT of Our Desire to Serve!

The crucial shortage of newsprint paper has forced a curtailment of the supply of copies of The Dallas Morning News to our dealers in this county. Only a small part of regular shipments is possible until we are permitted by Government Authority to increase our consumption of newsprint.

Distribution for the present will be made from drug stores and newsstands, unless your agent can arrange otherwise.

We realize, with deep regret, that some of our old-time readers are not able to get copies of The News. We trust they will understand and bear with us while we're making every effort to restore service.

In the meantime, although many patrons will not have The News delivered to them temporarily, their names are still on The Dallas News' Big Book and we look forward to serving them again.

Thank you.

The Dallas Morning News

You mean, it's that easy?

This Skeptical Gentleman represents many hundreds of thousands of automobile owners . . . intelligent, patriotic drivers who are determined to give their cars the best of care, who understand the nation's need for keeping every possible car running for the duration.

They require no long-winded arguments to convince them that quality oil is the best policy. They ask only: How can I select a quality lubricant, when I am neither an engineer nor a chemist? Isn't there some simple, easy way to make sure of getting a motor oil of quality?

There is! Phillips, with an outstanding reputation in the field, makes a frank and clear statement to relieve all doubt when choosing between the various oils marketed under this good name. Phillips says, if you want our best oil, remember we frankly tell you that Phillips 66 Motor Oil is our finest quality . . . the highest grade and the greatest value . . . among all the oils we offer to average motorists.

☛ Oil wears thin in summer use. It also accumulates dust, metal particles, and oxidation products. So it's wise, say experts, to drain every two months, under today's reduced driving conditions. Especially when you make the seasonal change, ask for the correct winter grade of Phillips 66 Motor Oil.

It's Phillips Finest Quali

GIRL SCOUT NEWS

Girl Scout Troop No. 3 met in room two at school Tuesday, Oct. 24, with Elaine Graves and Donita Gunter as hostesses. Refreshments were served by the hostesses to Darlene Payne, Charlene Mounts, Fae Marie Beck, Betty Lawrence, Patsy George, Marie Taylor, Anita Rae McCurdy, Mary Anita Selby, Janette Waugh, Dorine Wright, Nowana Johnson, Colene Schell and the leaders, Mrs. Dora Waugh and Miss Jan Rodgers. On Saturday, Oct. 28, the troop will go to the lake for an outing.

——SACRIFICE! BUY WAR BONDS!——

C. R. Cudd, prominent farmer-stockman living west of Perryton, was brought to the Perryton Hospital shortly after noon Wednesday in an unconscious condition. Mr. Cudd had been out in a pasture in the morning looking after some cattle. Shortly after his return to the house about noon, he fell to the floor unconscious. Physicians reported a blood clot resulted in his collapse. He was partially paralyzed but this condition improved some after receiving medical attention.

Save That Twinkle!

That roguish twinkle from a pair of bright young eyes! A priceless possession. Yet so often it is dimmed by needless eyestrain. Mankind grew up out of doors—where eyes had ample light from the sun.

Today, living *indoors*, many eyes suffer from lack of good light. Now science is "moving the sun" indoors. When the war is over, we can all enjoy bountiful indoor daylight. In the meantime, let's observe these four rules to ward off eyestrain:

1. Do all reading, studying, sewing or game-playing *close* to a good light source, preferably a modern reading lamp.

3. Avoid *shadows*. Make sure you have good light directly on your work or book. *Shadows strain eyes.*

2. Avoid glare from bare bulbs. Don't sit *facing* the light. Glare strains eyes.

4. Have eyes examined regularly. If eyes are defective, vision can be greatly helped with proper glasses.

★ ★ ★

When the war is over we are all going to have Better Light for Better Sight. In the meantime, take care of your eyes but don't waste light.

Horse-and-Buggy Stuff

Maybe at some distant time when the world has settled down from its present agonies and men can think clearly again, Texas will take out its horse-and-buggy constitution and give it a thorough going-over in the interest of modernization.

As it is, we have been amending the thing piecemeal for decaddes—ever since it was adopted in 1876—without much intelligence, certainly without achieving that degree of flexibility a great and growing state needs for its efficient operation.

Two more of the innumerable amendments will be found on the blanket-size general election ballot coming up November 7. As usual most voters will overlook them entirely, and not one in a hundred will be in shape to vote intelligently upon either.

One would empower municipalities and, presumably, other political subdivisions to establish an insurance and retirement fund for their employees. This sounds good on paper, but it would seem that the first consideration for any step of this kind would be the establishment of a civil service system for these political subdivisions—a civil service system that would really work and have some teeth in it, not one that any politician could drive a six-ton truck loaded with henchmen through after every election.

The other would empower county commissioners' courts to allocate revenues derived from the ad valorem tax to various funds as needed, under certain conditions. Perhaps this would be a good thing, since it would add a degree of flexibility to the handling of county and precinct funds not now possible.

Good example of inflexibility of our fiscal system: Somebody gave one of the State parks a calf. The park sold the calf and wanted the money for improvements on the park. Nothing doing. The money had to be paid into the state's general revenue fund.

One of the chief faults of our constitution is that it compels counties to go to Austin to ask permission of the legislature every time they want to take a good deep breath.—Abilene Reporter-News.

* * * * * * *

Is Everybody Eating Cake?

A man in overalls walks into Tiffany's in New York and plunks down $7,500 in cash for a watch. Another lays out $1,500 in bills and says: 'Give my wife anything she wants!'

These goings-on, reported by a national magazine, must make strange reading to a soldier—or to a schoolteacher who, after 15 years, still gets only $1,500 a year, or to a widow trying to raise a family on meager insurance money.

Are we losing entirely our sense of values—and if so, why?

Those two instances reported are by no means all of the picture of prodigality. It includes $2,000 mink coats going like hot cakes, $100-a-day for hotel suites, $50 for a pair of theatre tickets $15 for a bottle of booze . . .

Who was it said "Let 'em eat cake?" . . . And who would suggest, today, that bread, now and particularly in the months to come, might not be a bad idea!

Pampa War Fund Drive Is Delayed

AUSTIN, Oct. 24—"The people of Gray County will be given the opportunity to take part in the National War Fund program in a separate campaign to be staged after completion of the Gray County Community Chest drive," Judge Ben H. Powell, president of the United War Chest of Texas, announced today.

In a statement issued in Austin, Judge Powell expressed "regret that the executive committee of the community chest has decided not to incorporate the war fund in their local campaign," but made plain the fact that this decision by the 11 members of the committee would not bar Gray Countians from participation in the war fund program.

At the same time, the state war chest head declared: "We will plan the National War Fund campaign so that it will not in any way conflict with the community drive now under way. We wish the Community Chest every success, and sincerely hope that all will give the community campaign every possible support."

Powell's announcement followed action of the executive committee in declinig to accept the Gray County war fund quota of $18,432.

In announcing plans for the separate drive, Judge Powell revealed that Gray County is the only county in Texas to refuse its war fund quota.

"I regret exceedingly that the executive committee has declined to accept the Gray County war fund quota," the war chest leader declared. "I had hoped that we would be able to report that every Texas county had accepted its share of the war-related program.

"The executive committee, however, is entirely within its rights in declining to conduct the war fund drive along with the community chest campaign. We have no desire to urge any group to represent the National War Fund if they do not wish to do so.

"This separate campaign, carried on at a time when it will not conflict with the Community Chest effort, will be conducted by Gray County leaders and will represent Gray County's participation in the National War Fund drive now being carried on in every other county in the nation.

"No other Texas county, and no other county in the nation that I know of has declined its part in this nation-wide effort, and I do not believe the people of Gray County wish to be the only citizenship group not participating."

Judge Powell explained that the quota assigned Gray County was set by the same formula used in assigning quotas to all other Texas counties and communities.

Distinguished Unit Badge to Sherwood Johnson in Italy

FIFTEENTH AAF IN ITALY—Master Sergeant Sherwood A. Johnson, 30, of Perryton, Texas, airplane line chief, has been awarded the Distinguished Unit badge as a member of a veteran Liberator Bomber Group which has been cited for "Outstanding Performance of Duty in Armed Conflict with the Enemy."

Commanded by Lt. Col. Joseph G. Russell, of 114 W. Rosewood St., San Antonio, Texas, the group received the nation's highest organization award for an attack on the aircraft factories at Wiener Neustadt, Austria, on May 10th.

According to the citation which accompanied the award, "Ground personnel worked feverishly, enthusiastically and with untiring intensity to get all type B-24 aircraft in the best possible mechanical condition to insure the success of the operation . . .

"Adverse weather conditions broke up the wing formation of four groups, forcing two to return to their bases and causing the other group to return without dropping its bombs . . . Despite these adverse conditions and well coordinated and vicious attacks by 80 to 90 enemy fighters, the group continued on for a highly successful bombing run, which virtually obliberated the strategic Nazi manufacturing center . . . "

The group entered the Italian campaign in January and has since completed more than 115 combat missions over such major Nazi targets as Ploesti, Rumania; Munich, Germany; Steyr, Austria; and Blechhammer, Germany.

Miss Emily Blasingame, Amarillo, spent Saturday night and Sunday with her parents, Mr. and Mrs. J. M. Blasingame. Mrs. Blasingame returned to Amarillo Sunday with Emily and is visiting for a few days in the L. D. Blasingame home. Mrs. Liel Lewellen accompanied Miss Blasingame to Perryton and visited with her mother, Mrs. E. C. Spencer, and Grace.

—SACRIFICE! BUY WAR BONDS!—

Mr. and Mrs. J. A. Anderson and Joy and Jan had as their house guests Saturday and Sunday, Mrs. Jess Hancock and Mrs. Clarence Rainwater of Oklaunion, Okla., Mrs. Clay Brite of Wichita Falls, and Mrs. C. W. Brite of Canadian.

This column is dedicated to Texas fighting men abroad.

Today's column is dedicated to a home-front campaign that is supporting their fight for democracy and freedom—the National War Fund.

We know of no better way to show our appreciation for our men abroad than by all-out support of the state-wide campaign for the fund that provides aid for our own men in service, for their allies, and for suffering war victims throughout the world.

In every Texas county this week local leaders are in the final stages of their campaigns for the war fund. Some have already surpassed their goals; others are working hard in an effort to go "over the top" before the drive ends.

Each county has its war fund quota and its campaign goal. The campaign goal, however, is merely "something to shoot at" . . . . a point toward which to strive. The real goal is all-out suport of the war . . . a healthy contribution by every man, woman and child.

The campaign goal is the "floor," not the "ceiling" of giving. Humanity knows no limit. Every county should contribute to the limit of its ability to the fund that backs up the efforts of our fighting men on every front.

Let's look for a moment at the record and see where the money goes.

More than 43 per cent of every war fund contribution goes to our own fighting men, through USO and USO-Camp Shows. This service goes to our men both at home and abroad following them even to battle areas.

Seven and a half per cent of your contribution goes to our men in enemy prison camps, in the form of books, games, sporting and athletic equipment, study courses and other morale-building supplies. Thus your gift helps combat the dread "barbed wire sickness," through aid to our own men who have been captured in battle by the enemy.

Four per cent of your gift goes to merchant seamen, who have so bravely stuck to their dangerous posts, carrying men and supplies to invasion points. Eighteen per cent is spent on behalf of war refugees in combat zones, easing the suffering of millions of helpless men, women and children. Five per cent goes for relief in occupied zones, and another five per cent for service to United Nations armed forces, other than our own.

Other small amounts are expended through National War Fund agencies to alleviate suffering brought on by the war, and a very small percentage is set aside as a contingency fund for use of all agencies in case of emergency.

Less than three and a half per cent of the money you give is expended in campaign costs. That is important, for it means that there is no wastage, that your contribution actually does the job for which you gave it.

The National War Fund—represented locally by your own county war fund—is the nation's great agency for support of the war. It represents the conscience of America and America's answer to the call of Humanity.

Our boys are fighting on a dozen fronts for all the things we hold dear. We can't let them down now!

Help make your county campaign a success by giving, and giving generously. Answer the call in the words of the campaign slogan:

"Sure, I'll Give a Texan's Share!"

VACCINES ARE VITAL TO THE MEAT SUPPLY OF AMERICA

FRANKLIN BLACKLEG BACTERIN

FRANKLIN Provides Protection from the Destruction of Disease!

TO avoid death losses is both profitable and patriotic.
The war program calls for a big increase in meat production.
To safeguard this vital food supply, every calf should be vaccinated.
There's no more safe and simple way of providing this needed protection than a shot of FRANKLIN Concentrated Culture Blackleg Bacterin.
Each dose of this powerfully potent product contains the major immunizing elements of more than 10 cc of whole culture bacteria. The famous FRANKLIN method of producing concentrated culture gives the stockman a high density of the antigenic properties in a convenient small 1 cc dose. *The cost is but 10¢ per dose with liberal discounts*

No. 1 Continued from Front Page

a generous gift by every man, woman and child in Ochiltree county. Anything less than that is failure.

We think that most of us like to give ourselves a pat on the back for what we're doing for the war effort. Read what Ernie Pyle, famous war correspondent, has to say: "You may serve again and again as county chairman or house-to-house canvasser in bond drives, Red Cross or War Chest campaigns . . . you may take hour after hour out of your business or social life to do your share on the home front, but you can never keep pace with the men and women who serve the United Nations' cause on the battlefields of Europe and the Pacific."

It looks like the people of Pampa hate Amarillo more than they do Hitler and the Nips. This time they have let the old Pampa-Amarillo feud "gum up the works" in their drive for the National War Fund. Just because Pampa thought that their per capita quota for the National War Fund was more than the per capita goal for Amarillo, Pampa kicked over the traces and so far are doing nothing or very little toward raising the War Fund. The Pampa Community Chest drive is on and the War Fund is not included. Why should Pampa get excited over Amarillo's quota? Be it too little or too much, judging by Amarillo's past performances, they wouldn't make it any way. And for our good friends down Pampa way, we might add that Ochiltree, 1940 census of 4,213 with no war plants or army units, has oversubscribed a quota of $4,384. Gray county, 1940 census of 23,911 (now much more due to war plants and military units, was assigned a quota of $18,432. Now figure out how much less per capita the Gray county quota is than Ochiltree county. Frankly Pampa, we're ashamed of you.

With a few exceptions, public service companies and out-of-town owned businesses fail to assume the share of civic responsibility, both in manpower and finance. Perryton has the transportation and communications group, including telephone and telegraph; railroad, bus and trucking; also the utility group: electric light and power, and natural gas. We do not have to tell you which of the above are active in support of the Chamber of Commerce, membership in civic clubs; liberal donors to Red Cross, War Chest and local buyers of War Bonds. A few are, most are not. A business, either home owned or foreign owned, that does not assume it's share of civic responsibility the community that supports it, is nothing but a leach and a parasite with which we can do without. There are a few out-of-town owned retail businesses in Perryton, but we are sure that with possibly one exception, everyone of them is just as liberal in their support of Perryton and Ochiltree county projects as any home owned business.

Cpl. Lowell Wermske sends a copy of "Avanti!" from Rome. The darned thing is published in Italian so we're filing it away so that Lowell can read it to us when he comes home.

"Blackie" Daniel who is in "Boot" camp at the Great Lakes Naval Training Center adds a copy of the "Great Lakes Bulletin" to our collection. Navy men evidently know the value of the National War Fund for the Center has gone over the top with contributions of $52,699 to the National War Fund.

National politics seem to be getting hotter every day. Will be glad when Nov. 7 is past and one won't tune in on a political every time the radio is turned on. Looks as though Dewey might be gaining on Roosevelt but the president is still in the lead.

Judging from the campaign promises and past performances of both parties, the Democrats look the best on international questions while the Republicans give promise of being better on domestic issues.

We were born and reared in the Democratic party, both grandfathers were Confederate soldiers, but we're up in the air this year. We know for certain that we are not going to support Dewey. We sure do not want to vote for the New Deal party and throw in with Sidney Hillman and his C.I.O. and Communistic gang, who with the political bosses of the big cities and the negro leaders, have taken over the party formerly known as the Democratic Party, the white man's party.

It sorter looks like the only thing left for real Texas Democrats is to support the Texas Regulars, but if we do, we're sure going to have to hold our nose for we now have "Pappy" O'Daniel ranging up and down Texas exhorting the people to vote Texas Regular and against Roosevelt. It sure is a mess insofar as we're concerned.

The building has been remodeled into attractive quarters. The gasoline pumps and drive at the front of the building have been retained. The display room contains new and well arranged fixtures, display counters and shelves. The back shop still contains the car washing and lubricating racks and equipment previously featured by the Lackey Service Station.

"I am very happy to be associated in business with Mr. Thagard," said Mr. Lackey yesterday. "His experience during the past ten years will enable us to maintain the very best stock of home and auto supplies obtainable and we hope to provide a business firm worthy of doing business in such a splendid town as Perryton."

Mr. and Mrs. Thagard have established their home at 609 S. W. Fifth street. They have two children, a son now a First Lieutenant in the U. S. Air Corps, and a daughter now in college.

"I, too, am looking forward to my association in business with Mr. Lackey and am proud to be a resident of Perryton," said Mr. Thagard. "We will endeavor to provide the best merchandise and the best service possible and hope to merit the patronage of folks of this community."

All Perryton joins in welcoming the new firm and extend best wishes for their success.

Final Rites for Mrs. Joe Smith

Final rites were held from the First Baptist Church, Wednesday afternoon, October 18, for Mrs. Wm. Joe Smith who passed away, Saturday night, October 14 at her home south of Farnsworth. Services were conducted by Rev. O. C. Curtis pastor of the Baptist church and Rev. P. E. Rhine pastor of the Waka Church of the Brethren.

Elcene Williams was born in Knoxville, Tenn. May 29, 1860. She came to Texas in December 1886 with her husband, Floyd Kinder, and their three small childdren, Millard, William C. and Nancy Jane. Mr. Kinder died one year after they came to Texas.

In 1909, she was married to William Joseph Smith. To this union were born five children, Charlie, Maggie, Rettie, Minnie and Fred. They moved to Ochiltree County from Dallas County in 1909 and bought the Dodson home near the Black school and have made their home ever since.

Mrs. Smith was a great help in the community helping nurse the sick, comforting sad hearts and ever ready to lend a helping hand wherever needed. She was converted at the age of 21 years joining the Baptist church, living a long useful and christian life. Her faith was steadfast and unmovable in her Saviour. She truusted Him to the end. After moving to Ochiltree county she worked with the Waka Church.

Mrs. Smith made friends wherever she went. Her life was unselfish and her deisre was to do for others. Early in the spring her health began to fail her and since that time she has been unable to get around and was confined to her bed for nine weeks.

At the death of her daughter, Mrs. Belt, Mrs. Smith, or Grandma Smith as she was known, took the five little irls to raise. Also during her lifetime, three orphan boys found a home with her family.

Survivors are the husband, four sons, Fred Smith and W. C. Kinder of Farnsworth, M. Kinder of Houston and C. N. Smith, Roseville, Calif. two daughters, Mrs. Grady Smith, Clifty, Ark., and Mrs. J. W. Black, Perryton, 46 grandchildren and 49 great grandchildren.

Music selections were sung by Mr. and Mrs. N. P. Dear, Mr. and Mrs. Harley Elledge and Mrs. Alan Dennison. Mrs. P. E. Rhine was at the piano.

Pall bearers were J. V. Stump, Everett Clements, Clarence Clements, Guy Fuller, Ray Skinner and E. A. Greever.

Boxwell Bros. were in charge. Burial was made in the Ochiltree cemetery.

August Rahenkamp Injured in Crash

August E. Rahenkamp, stationed at Memphis, Tenn., in the Navy Air Corps, was injured in a plane crash while training, according to word received Monday by his parents, Mr. and Mrs. Geo. Rahenkamp. August and his wife were to leave Memphis on Tuesday for a visit to Perryton with his parents.

In a letter written Oct. 21, August's wife said, "This was to be their last flight and they were just taking off the field and were only 50 or 75 ft. in the air when something happened to the engine. The pilot was killed instantly and the radioman died six hours later.

August's body is bruised nearly everywhere but no bones broken. His right ankle may be, but no x-rays had been taken at the time I saw him. There is a deep gash on the side of his right knee and one in the calf of the same leg. His lip is cut and three stitches had to be taken in one cut, but other than that he is just bruised and scratched and mighty sore."

'Pappy' O'Daniel Flooded Texas with His Newspaper

While other newspapers of Texas have been forced to curtail newsprint and to observe mailing regulations, Sen. W. Lee O'Daniel has been flooding the state with his "News" at the expense of the taxpayers. Flagrant violation of the U. S. Postal Laws by the W. Lee O'Daniel News was revealed in Washington recently by the senatorial investigating committee. Tesimony showed that the big interests of Texas had contributed $129,000 to the junior senator's paper while it had been sent through the mails at the taxpayers' expense and contrary to law.

Claiming a circulation of 70,000, O'Daniel was forced to admit that he had a bona-fide circulation of only about one thousand but that he had used his second-class mailing permit to send out thousands of copies that should have been paid for by him rather than by the public. The postal authorities forced him to curtail his mail subscriptions to about four thousand copies. This means that the mailing of about 64,000 copies of his newspaper must be paid for at the full printed matter rate.

Texas editors who have patriotically observed OPA regulations are raising a storm of protest.

School Invites Public to Open House Tonight

Parents, patrons and friends of the Perryton Public Schools are invited to visit the school tonight, Thursday, Oct. 26, and attend the "Back to School" observance. Supt. J. A. Anderson and the faculty members urge everyone to come and see how your school is conducted.

Beginning at 7 o'clock student ushers will be on duty to conduct visitors through the buildings. Teachers will be on duty in their respective rooms and will welcome a visit from parents and patrons.

The visitation period will end at 8:30 o'clock when everyone will assemble in the school auditorium for a short program.

Confederate Vet Is Kinsman of Local People

The following story appeared in the Dallas News of Oct. 19. Confederate Vet Yeary is an uncle of Mrs. Fred Furnish and W. G. Yeary of this community.

"The one remaining ambition of Confederate Veteran David Newton Yeary of Dallas is to live to see his 104th birthday, Oct. 28.

"Yeary a captain in the War Between the States, has been bedridden since January, but talk of his approaching birthday makes him very happy. He is the only [illegible] member of the Sterling Price [illegible] and Mrs. Sampson Smith [illegible] Reiger, his daughter with wh[illegible] lives, said that she thought [illegible] the only remaining Confederate veteran in the county.

"Mrs. Smith said that if [illegible] ther is feeling up to it, some [illegible] celebration will be held on his [illegible] day. Yeary keeps her busy [illegible] about each new phase of the [illegible] war in every theater.

"Yeary, a Virginian, was [illegible] Sixty-Fourth Virginia Cavalry.

Have a "Coke" = Join in the fun

. . . or adding life and sparkle to Halloween

What's a young folks' party without refreshment? "Coke" is naturally a member in excellent standing with any group of youngsters. And there's no better place to enjoy Coca-Cola than at home, served ice-cold right from the family refrigerator. *Have a "Coke"* is the invitation that starts a party off right and keeps it going. Coca-Cola adds its own life and sparkle to the natural gaiety of youth. When young people get together, Coca-Cola stands for *the pause that refreshes*, —symbolizes the sunny side of life.

"Coke" = Coca-Cola
It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".

AUTUMN'S PROMISES

By NETTIE MAC BRILLHART

Again the gold and crimson season has come, and with it many hearts are free from the turmoils of life in a world at war. But still, the flame of freedom has yet to penetrate the darkness of strife-torn mortals and lead them to the bright and hopeful world of tomorrow.

Like a bleak grey dawn, autumn introduces either victory or defeat in the cold bitter days ahead. While winter is waiting just around the corner like a vulture watching for it's prey.

Autumn brought many promises twenty-six years ago. People all over the world cheered to the new-born freedom. After three years of heartfelt battle, our soldiers returned from far-flung battle fronts and made the promise that never again would the world be called upon to give lives to gain freedom from tyranny, a promies that was not kept due to lack of watchfulness. Therefore, again today soldiers on soil in every continent are awating a long-delayed peace that must be final and for all time. American boys are carrying on where their dads faithfully believed they had won a final victory.

Fall is the preparation season, the introduction to the new pear that is coming, for time is inevitable and it must come. Are you conscious with every day that you neglect some duty, thousands of lives are paid in dividend?

With the turning of the leaves and the fulfillment of summer's promises, say a prayer in expectation of what the new year will bring.

Wake up America! This is autumn. This is the beginning of a new year that will bring a new world.

Mrs. Jennie Karue, Liberal, visited over the week end with her sister, Mrs. C. E. Woods.

White Deer Wins Over Perryton

Friday night, Oct. 20, at 8:30 the Perryton Rangers lined up against the White Deer Bucks on the Bucks' home field.

The Bucks started the scoring game early in the first quarter, when, after several unsuccessful tries Urbanczky plunged through the Ranger line for the first score of the game. Lopez made the kick for the extra point.

Starting the second quarter with only 27 yards between them and the playing line, the Bucks tried a sneak play in which the ball was handed from Urbanczky to Haiduk, who in turn handed it to Pauley, and Pauley raced far around the left end to strike pay dirt. Again Lopez came through with a good kick for the extra point.

With the third quarter the Bucks made every play count and Pauley, a man with plenty of speed and spirit, raced around the Rangers' right end to rack up six more points. The kick for the point was blocked, but while everyone stood waiting for the whistle, Pauley snatched the ball and ran through shocked silence for the extra point.

The Rangers valiantly struggled through the fourth quarter trying desperately to score. The game ended with the Bucks victorious, 21-0.

In there playing a good game was Lopez, Pauley, Page, and Urbanczky of White Deer, and Mounts, Flowers, Trosper and Eudy of Perryton.

Friday, Oct. 27, the Rangers will tangle with the Guymon Tigers on the Ranger home field. This will be the second game between the Rangers and the Tigers this season, the Rangers winning the first, 7-6.

• El Toro

It's time for your scandal snooper's report once more.

It seems that a certain senior boy missed a certain party Saturday night to keep a date with a certain red head from Spearman. What do you know about this Cecil B.?

Gwen Vestal, don't you know it doesn't pay to play "hard to get?" Russell C. is becoming very disgusted.

Jack Hurter seems to b REEDing quite a bit lately. Don't you know you'll strain your eyes Jack?

All the freshman girls seem to think Sqeeky Walker is tops. How about that Nelda Ruth.

Really Dwayne Trosper, do you enjoy scavenger hunts so very much or was it Helen Hudson's company? Were you really delayed so long finding that plug of tobacco?

Veva Jo, did you really have a good time at Rita's party, or was it the environment?

Billy T., don't you know it isn't nice for little boys to want to sit on school house lawns with little girls? (namely Beth T.)

Guess whose gambling with romance these days? For further information notify Diddy R.

Yes, it must be love. Madine M. was seen at church Sunday with her dashing, handsome Romeo. Does he always take you to church, Madine?

Ara Nell G., you really believe in popping the question early, don't you? Did Delmar say yes?

It seems the Perryton girls are really getting desperate. Some of them were seen riding around with some Guymon boys. Power to you girls.

Don Elledge and Dwayne Thurman really believe in the good neighbor policy, anyway they were seen trying to manage a date with out-of-town girls. Better luck next time boys.

Meet the Seniors

On March 26, 1928, Betty Jo Balensefen opened her blue eyes to a strange world. She is 5' 5" and weighs 120 lbs. Her choice of food is pork chops. When asked her favorite actor and actress, she named Claudette Colbert and Cary Grant. Typing is her favorite subject, and she plans to attend college at Canyon and study bookkeeping.

Greenish brown eyes and light brown hair with 115 lbs. for her 5' 3" is a fair description of Lucille Batman. She was born in Perryton on July 13, 1928. "The Iron Major" ranks highest in her cinema world and Gene Kelly and Deanna Durbin are her favorite actor and actress. Lucille hasn't much tolerance for people who don't have ideas of their own. Fried chicken seems to be a favorite food among this year's seniors. English ranks tops in her subjects and she plans to attend college at Lindenwood or St. Charles, Mo.

Christian Science

"Everlasting Punishment" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, Oct. 29.

The Golden Text is: "Whenceforth doth a living man complain, a man for the punishment of his sins? Let us search and try our ways, and turn again to the Lord" (Lamentations 3:39, 40).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "But if the wicked will turn from all his sins that he hath committed, and keep all my statutes, and do that which is lawful and right, he shall surely live, he shall not die" (Ezekiel 18:21).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "It is a sense of sin, and not a sinful soul, which is lost. Evil is destroyed by the sense of good" (page 311).

• Notla News

Miss Pauline Cotner who is attending school at Canyon, spent last week with her parents.

Otis Kizziar is helping Kiff White brand and vaccinate cattle at Adobe Walls this week.

Mrs. Errol Flathers called on Mrs. W. C. Cotner Thursday afternoon.

Miss Carmen Kizziar who is attending Draughons Business College at Lubbock, is spending a few days at home.

Mrs. W. M. Good called on Mr. and Mrs. W. F. Taylor at Perryton Wednesday afternoon.

Fire of unknown origin broke out in the Kizziar home Friday about noon. Mrs. W. C. Cotner, Mrs. F. L. Hamilton, Mr. and Mrs. Errol Flathers and a scoutmaster from Pampa extinguished it. The fire started in the upstairs and only damaged one room. Mr. and Mrs. Kizziar were not at home and they wished to take this opportunity to say thanks to the kind neighbors that saved their home.

Bill Brown moved his cattle Friday from the Hamilton farm to wheat pasture near Spearman.

Mrs. Ira Ferguson was operated on for appendicitis at the Shattuck hos-

Miss Virginia Good who is a USO hostess at Norman, Okla. visited last week in the home of her parents, Mr. and Mrs. W. M. Good.

Carmen and Kay Kizziar, Mrs. W. C. Cotner and Pauline were Perryton callers Sunday.

W. C. Cotner was in Pampa Thursday on business.

Virginia Good was honored by a lovely birthday supper Tuesday evening given by her mother. Those attending were Mr. and Mrs. A. A. Good and son, Mrs. Hance of Canadian, Mr. and Mrs. Ira Ferguson and Jerry, Warren Good, Mr. and Mrs. W. M. Good and Virginia.

pital, Friday.

• Huntoon Club

"You should always use dairy salt for brining venctables," Mrs. Wheeler told the Huntoon club members when demonstrationg the making of kraut, when the club met, Thursday afternoon Oct. 19, in the home of Mrs. Rhodie Stollings.

Mrs. Wheeler stated that other ingredients are added to table salt to prevent lumping and these are liable to affect the color of the finished product. Another point, Mrs. Wheeler emphasized was to always boil the water you had to use in kraut making. This eliminates all minerals and is necessary because water containing minerals will cause vegetables to turn dark. Mrs. Wheeler also made a veryinteresting talk on the cause of fruit and vegetable spoilage, and the proper storage of canned goods.

During the business meeting, Mrs. D. D. Hummer was elected president, Mrs. J. H. Latham, vice president; Mrs. J. S. Thrasher, secretary-treasurer; Mrs. Corwin Trosper, council delegate and reporter.

Refreshments wer served to Mrs. Roy Doerrie, Mrs. Martin Duke, Mrs. R. O. Collins, Mrs. Virgil D... Mrs. Luther Wade, Mrs. W... Mrs. Thrasher and the hostess Stollings.

The next meeting will be wi... Roy Doerrie, November 15.

TELEPHONE SERVICE IN
Guadalcanal

Telephone wires wind endlessly through far-off jungles—at Guadalcanal, and other zones of battle where American boys fight to protect communications.

To provide copper for war, the telephone industry reduced its use from 96,000 tons in 1940 to 6,000 tons in 1943—and added 10,000 tons of scrap to the country's stock pile. This copper, converted to ammunition, finds new targets daily to bring peace more quickly.

Southwestern Associated Telephone Company

IT IS NOT a question of whether a windstorm will damage your property. The question is "What will it cost me to repair or replace it?"

ASK this Hartford agency NOW how you can insure your property against loss by Windstorm and other perils at very little cost.

Our Defenders Speak!

The Herald asks that men and women from this community serving in the armed forces write letters to this department for publication. Letters to relatives that would be of interest to the public will be published under this heading.

Great Lakes, Ill.
10-22-14

Dear Mr. and Mrs. Stewart:

I received the paper today and was surely glad to get it. I hope this finds everything getting along okay in the good ole home town.

I have just started my second week of boot camp. We get up in the morning at 5:15 and hit the hay at 9:30. We have been having company drill most of the time. We had three shots Friday and most of the boys have pretty sore arms; I guess I was lucky for my arm hasn't given me much trouble so far. The chow in the Navy is o. k. We have everything from beans to chicken and ice cream, of course the beans are in the majority. I didn't figure the time would ever come when I would wash clothes, but I am really getting the practice now.

There are boys from about every state in the Union here. Some of the boys from Illinois, Michigan and Iowa cannot understand good ole Texas slang. I like everything in the Navy o. k. although you have to wait in line for everything you get.

Tell Coach Slack and the Ranger football team that I wish them all the luck in the world. Every boy that ever played football at good old Perryton High has his heart on the gridiron every Friday night. Bob and I really try to boost our Texas football teams around these eastern boys.

Again I would like to thank you for the paper. There is no paper that can compare with the good old Ochiltree Herald. I was glad to know that the War Bond drive went over strong. There are no people anywhere in the U. S. A., that compare with the good old Perryton people.

A Perryton Booster.
"Blackie"
(James Arden Daniel)

Oct. 18, 1944

Dear Mr. Stewart:

After several months of receiving your paper, I am finally getting around to express my appreciation. Although most of the boys in the country are entering the service, we can keep up with them in the paper and can also find out where most of our friends are stationed, or at least where they are.

I am working for the A. & R. Dept. at Pensacola, Fla., and like it very much. Although I am just like thousands of others away from home we all hope and pray that this thing will end soon so we can get back home and together again.

I wish the Perryton Rangers all the luck in the world and also Coach Slack.

I must close off now and thanks a million for sending the paper to me and all the other boys in the service.

I have a few changes in my address and will appreciate it very much if you will put the finishing touches to it.

Tell everyone hello for me. Please.

A friend,
Paul S. Hale, A. M. M. 3/c
Care A. & R. Personal Off.
Bldg. 631, U. S. N. A. T. B.
Pensacola, Fla.

United States Navy
10-18-44

Dear Van and Jessie:

I hope this finds you and all of the home town folks well and happy. I have been here now almost a week and have about nine weeks more to go. James Daniel and I are together and will be together through our boot training. I don't mind the work and food and guard duty but it is pretty discouraging not to see any of the smiling faces of the good old Texas people. James and I are the only Texas boys in our company and the rest are from Michigan. They are a bunch of swell fellows.

We now have a radio in our barracks which we bought from a company that was just graduating. It cost each of us a dollar and when we graduate we can sell it to a new bunch.

We have to hit the deck or get out of bed at 5:30. Do calesthenics for fifteen minutes, shave and dress for morning chow at 6:30; then we have our various duties until noon chow at 11:30 and then evening chow at 4:30. From then until we hit the sacks, or go to bed at 9:30, is our own time, which we spend washing clothes, writing letters, playing football or other sports, and swimming or canteen detail. So you can see that we are kept pretty busy but I really enjoy it.

I got the shocking news today that Canadian beat Perryton, I sure hated that but I still pick the Rangers to win the Conference and would even bet my small pay check on it and that isn't much.

We got our hair cuts today and do I look silly. I have a spot on top of my head about three inches square. It has one-fourth inch of hair on it and the rest of my head is bare.

We took our classification tests today and the C. O. said that I had one of the highest averages of all of the 144 men in our company. I can thank Miss Harris for that as it was mostly English and your ability to speak. That is, all except the radio code work and that was easy.

Well, it is about time for the lights to go out and so I will close. I hope that you will send me the paper and I also want you folks to write to me.

Yours,
Bob Zenor
(Bobbie Gene Zenor, A/S
Co. 1946, U. S. N. T. C.
Great Lakes, Ill.

Oct. 17, 1944

Dear Mr. Stewart,

I guess that you are wondering why I'm writing again so soon. I've just changed my address sudden like, you know; the army way.

I've got a little news for you. I was in Dallas last week-end at the Texas and Oklahoma University Football game, but before the game, Jimmie Hall and I met Jane Rogers and Ruth Neufeld at SMU and the four of us saw the game together. It was the first time I had seen them in 12 or 18 months. After the ball game we left them and went to my folks house and Arthur Schroeder came in; Jimmie and Art hadn't seen each other in at least a year and a half. We then went back to SMU and got Jane and Ruth and had a nice long talk about our school days in P. H. S. and all of us were ready to return to the ole home town.

I guess I had better be signing off. My new address is:

Cpl. Joe B. McClung
Central Branch, AG & SP RC
Hot Springs, Arkansas.

As ever,
Joe McClung

Corsica,
October 17, 1944

Dear Mr. Stewart:

Thought maybe I would drop you a line to let you know that I am receiving the paper ok. I really get a kick out of reading about the people back there, especially about the boys in the service. Needless to say they are really spread out all over the country.

I have been getting the paper regularly except for a period of about three weeks. That was when we left Sardinia for here, Corsica. About a week bfore we left Sardinia, outgoing and incoming mail stopped altogether. But it finally started coming in again, and that's good.

Corsica isn't much of a place as far as I'm concerned. But maybe I compare it too much to the states. It is made up of hills, mountains and trees. It's not too bad to look at; in fact, I guess it is real pretty in a rugged sort of way. The one thing about it is it's too darned wet. This is just about the wettest place I have ever been in, barring none.

I have been in several places, the best one being Ajaccio. That's the place where Napoleon was born. They have a big statue of him there. It is a clean place and has some pretty modern buildings. The only thing is the people won't have a thing to do with you. We are just mud under their feet and it makes us darn mad. It is that way all over the island.

Another trip took me to the town of Bastia. It's OK with plenty of trees and what have you—but not as nice looking as Ajaccio.

Prices are terrible, the worst I have run into yet. They sell everything for about a 400% profit. If we GI's would get together, I'll bet we could bring them down. But there are always those few who won't cooperate.

I guess I could go on and on, but I was on guard last night, and I want to get a couple hours shuteye.

Sincerely,
Leonard Sword.

Fairbury, Nebr.
61 6th St.
Oct. 20, 1944

Dear Van:

I guess you've been wondering what happened to me. Well, to start off, I've been permanently grounded due to loss of an 80 per cent hearing in my right ear due to my accident of April 30.

Since being grounded, I've tried to transfer to both the paratroops and the infantry but have had both applications turned down on account of my ear.

At the present time, I am Range Officer at Bruning AAF (Nebr.) and I expect to fight the battle of Bruning for the duration. I've also accompanied the remains of three pilots killed here in different accidents, to their homes at Columbus, Ohio; Plymouth, Wisc.; and Trenton, Ohio. Otherwise nothing of importance has happened except we've located an apartment and are living alone for the first time since we've been married.

Sincerely yours,
Wayne B. Lee,
2nd Lt., AC

October 11, 1944

Dear Mr. Stewart:

It has been a long time since I have written and I am really ashamed of myself because there is no reason why I haven't written you.

I am now in Florida attending gunnery school. This makes my third school since I have been in the Army. I see in the paper that mother has given you my address but I have another one now. It is on the envelope.

I am enclosing a picture of Dock Patton and Bob Colin, the boy that was home with me on furlough last June and July, and myself. If you think it won't scare the people too much, you can put it in the paper. Dock and I got together two or three times while we were so close together. This picture was taken in Jack Lunch's Walton Roof Gardens in Philadelphia, Pa.

I want to thank you and the U.S.O. for the paper as it really helps the morale of the fellows.

As ever,
Cpl. Roy E. Cudd, 38342569,
Group 1, Sub. Sec. I-I,
Class 44-47,
Tyndall Field, Fla.

R. H. Holland and Herman Hargrove were at College Station over the week end visiting with their sons, Robert Holland and Dudley Hargrove, students at Texas A & M.

—SACRIFICE! BUY WAR BONDS!—

Mr. and Mrs. Darwin Barnes and Beverley Jeanne were hosts at a pot-luck dinner in their home, last Sunday, honoring Mr. and Mrs. Robert Derby and children. Others present were Mr. and Mrs. J. P. Robertson and daughters and Mr. and Mrs. Ed Geymann and daughters.

—SACRIFICE! BUY WAR BONDS!—

Mrs. Glen Muir and son Frankie of Canadian were guests, Monday night and Tuesday, of Mrs. Doris Kennedy.

QUOTES OF THE WEEK

"In America, the balance of power still eats in the kitchen."—William M. Jeffers, pres., Union Pacific.

"You can't tell oleomargarine from butter."—F. H. LaGuardia, Mayor of New York City.

"We should do everything possible to encourage increased investment of risk capital by private business."—Chester Bowles, head of OPA.

"It is vital to the future progress of America that we have a strong patent system that will stimulate and encourage and provide incentive."—R. J. Dearborn, pres., Development Corp.

"I used to hate Frank S[inatra]. Now I don't."—Alex Dorog[an], who smacked the crooner with a pie in New York.

"We don't try to please [Hitler]. When people need kicking in the pants, they get it!"—Publisher A. Williams, Aspen, (Colo.)

"The only future there is in the Army is a furlough."—Sgt. Joe [Louis], heavyweight champ.

—SACRIFICE! BUY WAR BONDS!—

Mrs. Clifford Burns and daughters, Barbara and Bobbie [Jean] Phillips, came over Monday night and visited until Thursday with R. H. Holland and Herman Hargrove.

Are You Trying to Work With One Hand Tied Behind You?

Save 1½ Hours CHORE TIME Daily with WINCHARGER ELECTRIC SYSTEMS

Working with a lantern at chore time is like working with one hand tied behind you. Government sources show that electric lights alone can save an average of 1½ hours a day by providing daylight for the chores. And, lights are only one of the many ways that Wincharger Electricity can help on your farm. It can pump the water, milk the cows, run the separator, fan the grain. It can save you labor and increase your income in countless ways. . . . And, you don't have to wait—you can have Electricity NOW. Let us show you how Electricity can work and earn for you.

PUT WINCHARGER Electricity To Work NOW!

YOU CAN HAVE BEST ADVANTAGES NOW on this easy plan—SEE

NALL

has a Hot Scent. I've got my nose to the ground and heading East.

I'm taking my wife (I won't hardly go anywhere without my wife—I get so lonesome without her) and heading for the National Tire Dealers Association Meeting in Chicago.

I'm going on from there to Akron and anywhere else they make tires. We need a lot of tires in this good old Western Wheat Country. I believe Firestone will let me have 2 or 3 more carloads if I can put up enough argument.

I've kept a lot of people off of the ground in the last year—and I'm not going to let you down in the future, as long as I can smell a tire anywhere.

T. O. PUGH, Manager

Once there was a man named Bill

BILL WAS WITH the first Marines who went to the Pacific. For three years he fought Japs.

Then at Saipan, Bill had a quick decision to make. He saw a job he thought should be done. He couldn't be sure he'd come back if he tried it. But it seemed worth trying.

He went ahead with the job. And it did help. And he didn't come back.

Perhaps there's a lesson in this story for some of us here at home—here in Ochiltree County.

Bill had already done quite a bit for his country. But when the time came, he didn't stop to think about that. He didn't look around for someone else to take the risk for a change. He knew his work wasn't finished.

The same thing is true about contributing to the United War Fund. Just because your neighbors have raised the quoa is no excuse for your not giving. The goal set was the FLOOR — not the CEILING! You owe it to "Bill's" woanded and imprisoned buddies to give . . . and give generously!

Ochiltree County's War Fund Goal Has Been EXCEEDED—But Not COMPLETED! Give Now!

...h Ernie Pyle at the Front

...ounded Soldier Disgusted Then Ordered to Hospital

...Shoot Them,' Says Commander When ...Asked What to Do About Advancing Foes

By Ernie Pyle

...Editor's note: Ernie Pyle is now back at his home in Albuquerque for his ...promised rest care. This column was among the notes while he was still ...front.)

...ON THE WESTERN FRONT.—The soldier had a white ...bage around the calf of his left leg. He had loosely laced ...legging back over the bandage.

...He said the wound "didn't amount to a damn" and he ...id they hadn't sent him back from the lines. He said he ...gone through Africa and Sicily without getting wounded, ...now he'd got nicked. He was disgusted.

...could sense that this guy was ...soldier. He looked old, but probably wasn't. I took him to be a farmer. He talked like a hillbilly, and beneath his whiskers you could tell he had a big, droll face.

...ie Pyle

He had found some long and crooked, raggedy French cigars, and he kept lighting these funny... ...things and putting them ...three inches into his mouth. ...n't nervous in the least.

...Lucien Strawn, the battalion ..., started to put him in a ...to go back to the aid station. ...e soldier said:

...wait. I know where there's ...re men wounded pretty bad. ...f them is a lieutenant who ...t back from the hospital this ...g from his other wound."

...soldier said they were right ...ere the bullets were flying. ...t if the aidmen would go he ...walk well enough to guide ...p there. So the doctor named ...f a dozen men to go with ...

...doctor also told the unwounded ...erman to go along and help ... But one of the aidmen said: ...e betier not have him with us. ...wn men are liable to start ...ng at us."

...t's right," the doctor said, ...e him here." And he named ...e other American to go. After ...d left the doctor said, "That's ...th, and I never even thought ...

• • •

...doctor and I sat a while on ...irway inside the farmhouse, ...ells had started hitting just ...e again. But in a little bit the ...e got up and said he was going ...e how the stretcher party was ...g along. I said I'd like to go ...him. He said o.k.

...struck out across a sloping ...tfield. It was full of huge cra... ...left by our bombings. There ...a lull in the shelling as we ...ed the field, but the trouble ...hills is that you never know ...they will suddenly come to an ...

...we picked our way among the ...es I thought I heard, very faint... ...mebody call "Help!" It's odd ...things strike you in wartime. ...member thinking to myself, "Oh, ..., that would be too dramatic— ...like a book. You're just imagin...g."

...t the doctor had stopped, and ...said: "Did you hear somebody ...ing?"

...we listened again, and this tim... ...ould hear it plainly. It seemed ...ome from a far corner of the ..., so we picked our way over in ...direction.

...ally we saw him, a soldier ly... ...on his back near a hedgerow, ...yelling "Help!" as we ap...ached. The aidmen who had ...ed ahead of us had got down in ...mb crater when the shelling ...ed, so the doctor now waved ...to come on.

...e wounded soldier was making ...awful fuss. He was twisting and ...rning, and moaning, "Oh, my ...! Oh, my God!" He had a band... ...on his right hand and there was ...d on his left leg.

...e doctor took his scissors and ...the legging off, then cut the laces ...the shoe, and then peeled off a ...dy sock and cut the pants leg ...so he could see the wound. The ...ier kept his eyes shut and kept ...rning and moaning.

...When the doctor would try to talk ...him he would just groan and ..., "Oh, my God!" Finally the ...tor got out of him that he had ...a small wound in his hand, and ...sergeant had bandaged it and ...d him to start to the rear. Then, ...ing across the field, a shell frag... ...ent had got him in the leg.

...The doctor looked him over thor...ghly. There were two small holes ...t above the ankle. The doctor said they hadn't touched the bone. I think the doctor was disgusted.

He said: "He's making a hell of a fuss over nothing." Then to one of the aidmen he said, "Better give him a shot of morphine to quiet him."

Whereupon the soldier squirmed and moaned, "Oh, no, no, no! Oh, my God!" But the doctor said go ahead, and the aidman cut his sleeve up to the shoulder, stuck the needle in and squeezed the vial.

The aidman, trying to be sympathetic, said to the soldier, "It's the same old needle, ain't it?" But the soldier just groaned again and said, "Oh, my God!"

Our hillbilly soldier lit another skinny cigar, as though he were at a national convention instead of a battlefield. Then one set of the litterbearers started back with our new man, and the rest of us went on with the soldier to hunt for other wounded.

• • •

The commander of the particular regiment of the Fourth Infantry division that we have been with is one of my favorites.

That's partly because he flatters me by calling me "General," partly because just looking at him makes me chuckle to myself, and partly because I think he's a very fine soldier.

Security forbids my giving his name. He is a regular army colonel and he was overseas in the last war. His division commander says the only trouble with him is that he's too bold, and if he isn't careful he's liable to get clipped one of these days.

He is rather unusual looking. There is something almost Mongolian about his face. When cleaned up he could be a Cossack. When tired and dirty he could be a movie gangster. But either way, his eyes always twinkle.

He has a facility for direct thought that is unusual. He is impatient of the thinking that gets off onto byways.

He has a little habit of good naturedly reprimanding people by cocking his head over to one side, getting his face below yours and saying something sharp, and then looking up at you with a quizzical smirk like a laughing cat.

One day I heard him ask a battalion commander what his position was. The battalion commander started going into details of why his troops hadn't got as far as he had hoped. The colonel cocked his head over, squinted up at the battalion commander, and said:

"I didn't ask you that. I asked you where you were."

The colonel goes constantly from one battalion to another during battle, from early light till darkness. He wears a new-type field jacket that fits him like a sack, and he carries a long stick that Teddy Roosevelt gave him. He keeps constantly prodding his commanders to push hard, not to let up, to keep driving and driving.

He is impatient with commanders who lose the main point of the war by getting involved in details—the man point, of course, being to kill.

• • •

Another of my favorites is a sergeant who runs the colonel's regimental mess. He cooks some himself, but mostly he bosses the cooking.

His name is Charles J. Murphy and his home is at Trenton, N. J. Murph is redheaded, but has had his head nearly shaved like practically all the Western Front soldiers—officers as well as men. Murph is funny, but he seldom smiles.

When I asked him what he did in civilian life, he thought a moment and then said: "Well, I was a shyster. Guess you'd call me a kind of promoter. I always had the kind of job where you made $50 a week salary and $1,500 on the side."

How's that for an honest man?

Murph and I got to talking about newspaper men one day. Murph said his grandfather was a newspaper man. He retired in old age and lived in Murph's house.

Sergeant Murphy Talks About Newspapers

"My grandfather went nuts read... ...newspapers," Murph said. "It ...s a phobia with him. Every day ...d buy $1.50 worth of 3-cent news... ...pers and then read them all night. ...He wouldn't read the ads. He ...ould just read the stories, looking ...r something to criticize. He'd get ...ming mad.

...Lots of times when I was a kid ...d get me out of bed at two or three in the morning and point to some story in the paper and rave about reporters who didn't have sense enough to put a period at the end of a sentence."

Murph and I agreed that it was fortunate his grandfather passed on before he got to reading my stuff, or he would doubtless have run amuck.

Murph never smoked cigarettes until he landed in France on D-day.

...California was admitted to the ...ion on September 9, 1850.

Dogs of War

Army Signal Corps Photo

Once these dogs were somebody's pets back here in the safety of the United States. Today they are real Dogs of War and are used to patrol the outer perimeter of "Vinegar Joe" Stillwell's advancing Burma Task Force. The dog in the foreground is "Robin" and his place of enlistment was Boston, Mass. His handler is Pfc. Robert E. Gross, 1037 17th St., Detroit, Mich. These "K-9" soldiers have saved many a doughboy's life by alerting them to the presence of Jap snipers in the jungles. Are you backing our attack on Japan by buying more War Bonds?

From U. S. Treasury

TOWN and FARM in WARTIME

Prepared by OFFICE OF WAR INFOPMATION

Can Aid Ceiling Drive

Housewives everywhere are urged to cooperate with their grocer in a campaign to more prominently disulay ceiling prices in stores and to stimulate the use of price lists by consumers. The Office of Price Administration in cooperation with leading grocer associations and consumer organizations is seeking to have shoppers talk more fully and frankly about ceiling prices as a major mean of strengthening community efforts to hold down living costs.

Cranberries Ceilings Set

The highest retail price for fresh cranberries for that holiday dinner will be about 41 cents a pound, according to OPA, which has established cents-pe-pound retail mark-ups on this product effective Oct. 26. Group 1 and 2 stores, doing an annual business of less than $250,000 are given a mark-up of 10½ cents a pound, and group 3 and 4 stores doing a yearly business of more than $250,000, are given a markup of 10 cents a pound.

Shoe Rationing Needed

Present inventories and the present rate of production of shoes show the necessity for continued shoe rationing, the OPA and the War Production Board report, The statement pointed out that over-all production of civilian shoes of rationed types in the first half of this year was 134,065,000 pairs contrasted with 154,125,000 pairs in the like 1943 period, which was also short of needs.

Guards Gasoline Supply

Gasoline sold at service stations and other retail establishments at ceiling prices set for premium grades must meet a minimum octane specification of 75, OPA announces. This action has been taken to protect buyers from any attempts to sell lower grade gasolines at the higher ceiling prices established for premium grades. OPA said most sellers are offering premium grade gasoline having an octane rating not lower than 75. The announcement pointed out that at present the Petroleum Administration for war does not permit manufacture of gasoline for civilian commercial channels as premium grade to exceed 76 octane—a step necessary to maintain military supplies of higher octane fuels.

Hits Black Market "Gas"

Efforts of the OPA to wipe out the Black Market in counterfeit gasoline coupons were greatly strengthened by desicions in three injunction cases recently handed down by the United States District Courts in Greenville and Greenwood, S. C., Thomas I. Emerson, Deputy OPA Administrator for enforcement, said. The decision makes clear the obligation of gasoline distributors to refuse to supply gasoline to dealers who have failed to surrender valid coupons to replace counterfeits for which they previously obtained gasoline. This obligation to cut off supplies of a dealer who has not made good any invalid coupons is binding on the supplier, regardless of any contract with the dealer, the court ruled.

December 1 Gift Mail Deadline

December 1 is the deadline requested by the Post Office Department for mailing Christmas gifts inside the United States. Every citizen who is playing Santa Claus for loved ones and friends in other towns is urged to get that present in the mails by that date to assure proper delivery. The reason say postal officials, is that Americans are expected to mail domestically 25 per cent more gifts than a year ago—and at a time when the Post Office has fewer employees and less well-trained holiday help than ever before. In addition, th fact that more people have moved to different addresses to do war work is expected to mean that the average distance traveled by each gift will be greater than before the war.

Christmas Street Lighting Ban

The Office of War Utilities of WPB is asking city officials, civic clubs, chambers of commerce, merchants and citizens to dispense with outdoor lighting this Christmas, as was done in 1942 and 1943. Object of the request is to reduce electricity consumption and coal requirements. The fuel situation in most areas of the country is critical and strict conservation is required to keep war plants going full blast and homes properly heated, officials point out.

Reconversion Job

"The job of reconversion, when it comes, will be put squarely up to industry with an absolute minimum of interference from Washington," declared Edward R. Gay, Assistant Vice Chairman for Civilian Requirements in WPB, at a Boston meeting of the National Retail Furniture Association. Pointing out that Government had to step in two years ago when war conversion was the prime essential, Mr. Gay said that "some day Government is going to be able to say to many manufacturers, you have done your war job. Get back to making your peacetime products. We'll help you where we can, but this job is yours. And I am confident that industry will accept this challenge gladly and will do the job better than any of us in Washington could plan it."

Three Barclay Brothers Serving in Armed Forces

Ernest D. Barclay

Pvt. Ray M. Barclay

Pfc. Troy Barclay

The three sons of Mr. and Mrs. Ray Barclay are serving with the armed forces during this conflict. These three young men were born and raised in this county, and all attended the Perryton schools. They have two sisters, Mrs. R. L. McCurdy and Mrs. Al Boyd, who are living in Perryton while their husbands are in the army.

Pvt. Ray M. Barclay, the oldest, born November 26, 1914, was inducted into the army Aug. 21, 1939, and was stationed at El Paso until July 1942 when he went to Camp White, Ore. He is stationed in the European theatre of operations. The latter part of July this year, his parents received word that he had been slightly injured in action in Italy on June 30. Pvt. Barclay was married while he was stationed in El Paso, and his wife is there while he is overseas.

Pfc. Troy W. B. Barclay, inducted at Lubbock in February 1943, reported for Army duty at Ft. Sill, Okla., March 5, 1943, and was assigned to the infantry. He was born in Perryton January 28, 1923. At the time of his induction, he was working for Jack Todd Produce. At present he is stationed at Camp Shanks, N. Y. His wife and baby are residing in Perryton for the duration.

Ernest Davis Barclay, Seaman Second Class, the youngest of the brothers, is in the U. S. Navy. He was born April 30, 1925, and reported July 4, 1943, to the Navy and took his basic at San Diego. He has been in the Pacific theatre aboard a ship for several months. Before enlisting in the Navy, he was with the Todd Produce.

Council Report

The Ochiltree County Council of the Home Demonstration clubs met Saturday afternoon, Oct. 21, in the county courthouse.

It was voted that any club or organization wishing to use the lounge room should call Mrs. Hollis Gossett or Mrs. Dan Manning to confirm the date. County council will have a luncheon in December. The following committee was appointed to make arrangements: Mrs. Kershaw, Mrs. Trosper and Mrs. Conner. The recreation chairmen of each club will work with Mrs. Gossett to plan for county wide recreation night. The date has not been set.

Following are the officers elected to serve for the year: Mrs. Fred Tarbox, chairman, Mrs. Corwin Trosper, vice chairman, Mrs. J. H. Kershaw, secretary-treasurer, and Mrs. Albert Ackley, reporter.

Present for the council meeting were Mrs. L. A. Tatkenhorst, Mrs. E. D. Clement and Mrs. F. E. Moses of the Black community, Mrs. Fred Tarbox and Mrs. Hollis Gossett of McMillen, Mrs. J. H. Kershaw and Mrs. Albert Ackley, of the Missouri Avenue club, Mrs. Dan Manning and Mrs. Pete Wermske, Waka, Mrs. Corwin Trosper and Mrs. Jerry Thrasher, Huntoon and the home demonstration agent, Mrs. Virdie Wheeler.
